

STATE OF ARKANSAS  
FRANK WHITE  
GOVERNOR

May 1, 1982

Dear Hoo-Hoos:

Welcome back to Arkansas, the state of your birth! I think this is where you belong, and I know it is great to have you back.

Ninety years is a long time for you to reside beyond the borders of your native land -- but since the number "9" in its many forms possesses such significance for your fraternity, this is an ideal year for your return.

Hoo-Hoo support for the lumber industry is extremely welcome in Arkansas, for forestry plays a most important role in our economy. I am especially grateful for your activity in the education of young people in the qualities and varied uses of lumber products. I am personally committed to the continued improvement of vocational education in this state, and I will always welcome your suggestions in this regard.

The Hoo-Hoo Museum in Gurdon adds another tourist attraction to a list which is already impressive, and I am looking forward to visiting it and your new headquarters. I am also delighted that you are already considering the Arlington in Hot Springs as the site of your 100th Anniversary Convention.

With best wishes,

Sincerely,

FRANK WHITE  
Governor

#### COVER: SUNSHINE ON HOO-HOO LAKE, GURDON

*We who grew up in Gurdon remember it as "Gurdon Pond" where we hunted around its periphery, fished and bathed with Ivory Soap ("it floats") in its waters. It was a mill pond used by Cabe Mills. Now is has Gurdon City Park at its head and a new name - Hoo-Hoo Lake. From the park site we took this beautiful color shot of it as the sun glorified and burnished its waters.*

## From The Desk Of The Snark Of The Universe

Dear Hoo-Hoo Brothers,

The International Order of Hoo-Hoo is based on fraternalism. If at times some of our members lose sight of this prime purpose, let us renew our dedica-  
tion and carry forward with the great spirit of Hoo-Hoo. If we keep foremost in  
our minds that the strength of our order lies in fraternalism and the Golden Rule,  
we will continue to be a great industrial fraternity.

As our Hoo-Hoo year draws closer to and end, I seem to reflect more and  
more on what has transpired this year. It has been a year of accomplishment in  
many ways. The board of directors has worked very hard and deserves a lot of  
credit. The selection committee carried out interviewing and hiring a new in-  
ternational office staff. The transition committee, not only physically moved the  
office from Boston to Gurdon, but has continued to see to it that the great  
traditions of Hoo-Hoo have been preserved and that the new office is functioning  
well. The museum committee also is responsible for our new office and museum  
taking shape. Thank you, gentlemen, for a job well done.

Personally, my wife, Elouise, and I have traveled extensively and visited  
many clubs throughout Hoo-Hoo land. Recently we were in Gurdon to attend  
the official opening of the international office. Russ McClain and Betty Wells  
had things looking real sharp. The warm welcome and hospitality, shown every-  
where we've traveled, is an unforgettable experience. We will be on our way to  
the International Convention in Australia in just a few weeks. From what I have  
reviewed with Doug Howick, Kevin Kelly and Max O'Rielly, this is going to be  
the convention of a lifetime. Several clubs have started this year and the Austra-  
lians are shooting for 999 members in Jurisdiction IV. New countries have joined  
our ranks and more flags representing each of these countries are flying in  
Gurdon. Hoo-Hoo has truly become the international representative of the  
forest products industry.

Serving this year as your Snark has been a rewarding experience. It has been  
filled with hard work, fun, travel, frustrations, and above all, warmth and  
fraternalism. My wife and I will cherish this year the rest of our lives.

Fraternally,

*Dan Brown*

## Official Opening

Snark of the Universe Dan Brown on Saturday, June 26, made the official opening address, Mrs. Brown cut the orange ribbon and the Hoo-Hoo International Office and Headquarters were officially opened in Gurdon. The Museum had been opened in April 1981. It was indeed a great and historic day for Hoo-Hoo and for Gurdon — the culmination of a set of objectives started before the 1978 Toronto convention.

Pride of accomplishment and mutual congratulations dominated the occasion for the ceremonies and the Open House that followed. It was a result of cooperative efforts on behalf of fraternity and community that in its 90th year Hoo-Hoo had returned to the place of its origin to find a permanent home just one block from the hotel site in which it was born.

The program included welcome addresses by Charles Pennington, President of Gurdon #120; S9 Eddie Z. Hunt JVII and Carle H. C. Hall, S9, JVIII and member of the Transition committee. Local ministers provided an invocation, dedicatory prayer and benediction. Executive Secretary Russell H. McClain presided.

# Headquarters Briefs . . .

By: Russell H. McClain

We deeply appreciate the efforts of Club Presidents, Secretaries and Reporters in sending us such a wealth of material for this issue of Log & Tally.

Unfortunately some material did not reach us until too late — we took 28 pages to the printer on July 6 and the other 20 on July 12.

In order to get the magazine out on time we must get it to the printers early in the month before. This would mean deadline dates of October 1 for the November issue, January 1 for February, April 1 for May and July 1 for August. Obviously the most helpful system is to get copy in as much before those deadlines as possible so we can lay it out and get it to the printer on time.

Please be sure to place club numbers on the back of pictures and note on the report sheet if you want them returned.

## PROPOSED CHANGES IN BY-LAWS HOO-HOO INTERNATIONAL

In the May issue of Log & Tally page 45, two proposed changes to the International By-laws were published. However we supplement the information on the committee on the Operations Manual with the proposed personnel of the committee which was not available to us at that time.

Article VII — Committees. Section 1. Add one item to section 1:

(h) On the Operations Manual. [This proposed amendment would add a new standing committee with the membership and Chairmanship to be determined.]

The proposer of the change was Fred Meyer, S9, seconds were by Bob VanEvery, Rameses 73, Dick Wilson and Secretary Treasurer Bernie Barber; motion to submit the proposed change was passed unanimously.

This committee shall consist of six members, two Rameses, two from the Board of Directors and two from the lay delegates to the annual convention. To this committee will be referred all proposed additions to or deletions from the operations manual.

The proposed changes are for consideration in the September, 1982 convention in Australia.

# Late Bulletins on 90th Hoo-Hoo International Convention

## "Kangaroo in '82"

As September more closely approaches, Jurisdiction IV is more fully occupied with those all-important conventions. Chairman Doug Howick announces the following recent developments:

- (a) Registration brochures for the Australian Forest Products Conference and Trade Exhibition are printed and available. The Conference and Exhibition form a part of the overall Convention Programme and those registering for the Convention will automatically be taking part.
- (b) The Export Booklet — FOREST PRODUCTS OF AUSTRALIA is the publication that is being talked about in the forest products industry corridors of many companies in many countries. It was produced by your Convention Organizing Committee to promote the Convention and it is certainly doing that!!!
- (c) PROMOTION VISITS TO USA AND CANADA — Doug Howick, Kevin Kelly, David Efron and Pamela Thomas all visited various parts of Canada and the USA during recent months. As First Vice-President of Hoo-Hoo International, Kevin was able to tell his many friends of the welcome they can expect in Melbourne. He visited many Hoo-Hoo clubs in many parts of the USA, sometimes in the accompany of such HHI notables as Dan Brown, Snark of the Universe and Jimmy Jones, Rameses #72. At all visits, he was, as usual, an excellent ambassador for Australia and for Jurisdiction IV. He reports that interest is high and that as many as can possibly make the trip to Australia will certainly do so.

Doug Howick spent much of his time away in Canada. He was fortunate in being able to attend the Vancouver Club's famous Annual Fundraising Dinner, and to address the 350 industry people attending.

Later, in company with David Efron (who was frequently described as his bodyguard!!!), he spent some time with some of the Directors and members of the Victoria Hoo-Hoo Club on Vancouver Island, who are to be the hosts for the 1983 International Convention.

Thereafter, in company with Fred Frudd, S9 for Jurisdiction V, they drove to Sunriver, Oregon, where they met up with Kevin and Pamela for the Jurisdiction III Mini-Convention and were able to make presentations there about the September Convention.

Later, Doug was able to spend a full day in Klamath Falls with Dan Brown, working out details of the HHI Business Sessions during the Convention. Finally, he had a day in Vallejo with Jimmy Jones delving into early Hoo-Hoo records destined for the museum in Gurdon.

Doug's prize memento is a photocopy of an article in the May 1930 edition of "Log & Tally" describing a meeting of the Buffalo Hoo-Hoo Club which was attended by no less than 8200 industry people!

## Museum Friends, Board Of Directors To Meet In Gurdon In October

There is an excellent possibility that the 1982-83 Snark of the Universe will call his first Board of Directors meeting for the International Headquarters in Gurdon in October. The Museum Committee and "Friends of the Hoo-Hoo Museum" have scheduled a pilgrimage to the Headquarters and Museum in Gurdon October 28, 29, and 30.

The committee has considered several activities including some "Blue grass" music, a banquet and possibly a dance and costume party. Reservations and requests for information should be sent to James Jones, committee Chairman, 3280 Sonoma Blvd., Vallejo, CA 94590.

"Arkansas is a beautiful place in October," Mr. Jones reminds the members. "This will give everyone in Hoo-Hoo land an opportunity to come to Gurdon to see what has been done and what is planned for the future; to meet our new Executive Secretary Russell H. McClain and his assistant Betty Wells. See how the books and archives are kept and how the Log & Tally is put together.

"In the vicinity are many saw mills and woodworking plants to visit. Make your reservations as soon as possible. There will be more publicity as the time nears."

## Kevin Kelly Visits The United States

Kevin Kelly, First Vice President of Hoo-Hoo International visited the United States during the month of May in connection with the convention in Australia. He was accompanied by Doug Howick, chairman of arrangements for the convention. The pictures below on this page are by courtesy of James Jones, Rameses 72, who arranged for the pictures to commemorate the visit.

1. In Orlando, Florida: David Efron, Melbourne Club member.
2. Doug Howick, chairman Hoo-Hoo convention, with Jim Jones in his office in Vallejo, Calif.
3. David Jones, Deputy S9 Northern California, Jim Jones, Kevin Kelly — in Vallejo.
4. Bernie Barber, Bob Johnson, James Jones, David Jones, Kevin Kelly at a reception and dinner in Napa, Calif.

## The Campbells Invite Convention Visitors

The pictures on the opposite page (11) are of the home of Mr. and Mrs. Richard Campbell (Dick and Diane) Hoo-Hoo leaders in Australia. He is a past Supreme Nine of Jurisdiction IV and they have emphasized the Hoo-Hoo theme especially in the den and bar. The Hoo-Hoo bar was dedicated by Kevin Kelly and James Jone, Rameses 72, laid the cornerstone of the building.

Mr. Campbell writes: "'Gurdon' Woy Woy Bay is an exciting post-convention trip from Melbourne. It is a tidal waterway in Gasford county surrounded by a national park ideal for fishing and water skiing. After we had acquired and dedicated our new headquarters in Gurdon, Ark., in 1981, and after my personal visit there in appreciation of your Gurdon's beauty and hospitality I called my new home after it on completion 28 November 1981."

Dick and Diane have invited a number of Hoo-Hoos to their home for a post-convention visit.

1. Outside the Hoo Hoo Bar is the life bouy, very proudly displaying "Gurdon."

2. The Bar Area contains trophies and souvenirs from Hoo Hoo land — all countries are represented. Note the frig with Hoo Hoo and timber stickers. Overseas visitors are asked to bring their stickers with them.

3. The pianola with roll is at the ready for a sing along with my two ukeleles. Note the flags from all Hoo Hoo countries, clock given to me by Singapore Club, 2 old U.S. logging photos from Jim Jones and the Hoo Hoo Cat.

**S9 DAVID LEE WOOD  
PROMOTION CHAIRMAN**

David E. Lee was appointed by Snark Brown to be in charge of wood promotion by the Hoo-Hoo Clubs this year. The appointment was made during the meeting of the Board of Directors in Palm Springs, January 9.

In the convention the wood promotion trophy is awarded to the Hoo-Hoo Club which, in the opinion of the judges, has made the greatest accomplishment in wood promotion activities during the previous Hoo-Hoo year. The trophy remains in possession of the winning club during the Hoo-Hoo year. The club to whom the award is made will be responsible for delivering the trophy at the next convention.

**Rules Governing Club Trophy**

1.) The club may submit evidence covering all wood promotion projects adopted by the club, including National Forest Products Week.

2.) The entrant club will make its presentation to the judges and the convention. Tangible evidence of the project(s) must be submitted by the club delegate, who must be conversant with the project from start to finish as he may be interviewed by the judges. This evidence may consist of newspaper clippings, photos, scrap books, samples, or display material. A slide projector will be available.

3.) Each participating club must submit a written outline of the wood promotion project(s) to contain the following: (a) a description of the project(s); (b) State the goal of the project(s); (c) Tell of the method of operation; (d) Specify the relative proportion of financial and/or manpower support from cooperating organizations; and (e) Statement of the results.

4.) **DO NOT SEND CLUB CONTEST MATERIALS TO THE INTERNATIONAL HOO-HOO OFFICE.** The Club delegate is responsible for all contest materials, and for providing the Log & Tally with a complete story for publication. The delegate may ship the materials, addressed to himself, in care of the convention hotel, marked "hold for arrival on September \_\_, 19\_\_."

5.) Decision of the judges will be final. A club is eligible to be awarded the trophy in two or more consecutive years. In the absence of an acceptable

club presentation, at the discretion of the judges the trophy may be retained in the International Headquarters for one year. In addition to the trophy, certificates will be presented to the clubs placing first, second and third. No judge shall be appointed who is a member of a club making a competitive presentation.

6.) Hoo-Hoo clubs wishing to make a presentation for the trophy are requested to advise the International Office by letter prior to August 20th of each year.

7.) Each of the following facets of the wood promotion project shall be rated by each judge, independently of the others, on a scale of 1 thru 10 for letters G and D and 1 thru 5 for letters A, B, E, & F, 10 being the best.

- A — Accomplishment based on size of club.
- B — Involvement of members.
- C — Immediate effect on the community.
- D — Lasting effect on the community.
- E — Written presentation.
- F — Oral presentation.

**Member of Gurdon Club #120  
Honored by Arkansas Governor**

Harold C. Cabe, #L46038 of Little Rock, Ark., has been appointed by Governor Frank White of Arkansas to a 14-member Woodlands Heritage Museum and Resource Center Advisory Committee. The function of the committee is "to study the feasibility of establishing for this and future generations a museum and research center to properly preserve and exhibit the large treasure of archives, sites and artifacts of the type used by the early foresters particularly in the state of Arkansas.

The committee is to report on the feasibility of establishing a facility worthy of the forest products industry in the state. It is to work with the forest products industry, schools, museums and other social interest groups in developing a source for the land, construction and building expenses. The committee report is expected to consider operational and maintenance funding, availability of archives, artifacts and memorabilia. The purpose will be to promote and assist students, scientists and the general public in research and interest in the woodlands heritage of Arkansas. The report is expected prior to the next session of the State Legislature in January, 1983.

Mr. Cabe has been a member of Club #120 since 1941, his concat was October 9. The Cabe family has been prominent in the forest products industry in Arkansas for almost 100 years. The senior Charles L. owned sev-

eral mills in Ouachita, Clark, and other counties and in Louisiana. Horace #L34916, Harold, and Louis #L53433 have continued and expanded the mills, forestry and other operations started by their father; selling part of the holding in recent years to International Paper. Charles Louis, Jr., was president of Gurdon Club #120 last year.

**Lee Hedrick to Head  
Logging Olympics  
August 28 and 29**

Lee Hedrick was elected president during an organizational meeting of the Northeast Washington Logging Olympic Association held last May. Lee, lifetime area resident, noted hound chaser and retired scaling supervisor of Colville National Forest, is very enthusiastic about the coming Olympics.

Activities slated for the fairgrounds will include a Logger's Breakfast, draft horse competition, skidding races, logging truck competition, pole climbing, block chopping, crosscut power saw, log rolling, axe throwing, choker race, tug-of-war and much more. Several new events, displays and exhibits are added making this year's Logging Olympics a two-day affair, August 28 and 29. The grandstand is scheduled for completion prior to the show.

Other officers named were Bill Fite, 87476, Program Coordinator; Dale Jenneskens, 88797, Operations Coordinator; and Bob Haynes, 85657, Services Coordinator. The next meeting of the Association will be held at 7:00 p.m., June 3, at Poor Bob's.

Logging Olympic Association is an ad hoc organization of local businessmen, media personnel, JC's, Explorer Scouts, Dept. Natural Resource, Soil Conservation Service, Soil Conservation District, Forest Service, and other interested citizens. The group, headed and coordinated by N.E.W. Hoo-Hoo, produces one of the best small logging shows west of the Mississippi.

## New Hoo-Hoo Publication from Australia

Mount Gambier Club #214 in South Australia has produced a most interesting 16-page booklet on the Hoo-Hoo fraternity. It has been distributed to all members of the Club and to prospective members and interested persons. Russell Hay, Membership Director of the Club, produced the booklet. Truly an excellent production the booklet is organized around nine topics, for example, "What is Hoo-Hoo?", "What Does Hoo-Hoo believe?" "What does Hoo-Hoo do?"

We quote a brief excerpt: "Hoo-Hoo believes that fraternal contact with live, energetic and progressive timber men in all branches of the business can provide you with valuable ideas and inspiration.

Brian Page #82335, Publicity Officer of the Club, states that copies are available. Send your request — with correct address to us at Headquarters and we will be glad to forward them or obtain copies for you.

### AN INTRODUCTION TO HOO-HOO

Prepared by Hoo-Hoo Club 214,  
Mount Gambier, South Australia

### DICK WILSON 2nd VICE PRESIDENT

During the January board meeting in Palm Springs Snark Dan Brown appointed me along with Bernie Barber and Carl Hall to a transition team to assist in the moving of our national Headquarters to Gurdon. I was also appointed as a member of the Museum committee headed by Rameses Jim Jones. Since that time we have all made several trips to Gurdon in connection with the move and the improvement of the Museum. We were all there when Carl E. Hall and Russ McClain came in with the big Ryder truck and Carl's wife Roberta rolled in driving the smaller one loaded with all our possessions from Boston. I will tell you now that it was some task to set up files, assemble shelves, move furniture, sort and store all that has been collected over all these years. We did, within 3 or 4 days get things into enough order so that Russ and Betty could start some semblance of an office. I have been back to Gurdon since that time and can safely say we are in great shape after the delay in securing our computer tapes. When all the info is stored in our computer I know all of you will be proud of the new office and the way things will be handled for our order.

When the membership meets again in September I will recommend that Rameses James A. Jones be made a lifetime member of the Museum committee.

I will also recommend that he chair that committee as long as he chooses. I have never seen a man as dedicated or committed to a task given him as has been Jim to the Museum. He has spent much of his time and much of his money to assure that the Museum is a place that all Hoo-Hoo people can be proud of as well as other visitors to that place.

Much of my Hoo-Hoo efforts has been confined to the office and to the Museum and to Jurisdiction Nine this past year.

I have visited with clubs or members in Jacksonville, Tampa Bay, Orlando, Birmingham and in Atlanta. If I am elected to 1st Vice-president by the membership in September I will promise you much dedication and even harder work for our order. I hope to see many of you in Australia.

Fraternally yours,

DICK WILSON,  
2nd Vice-president

### ROBERT VANEVERY RETIRING FROM BOARD

This will be my final article to be published in the "Log & Tally" as an official member of the Board.

My career as an International Officer has consisted of serving on the Supreme Nine, representing Jurisdiction II for five years, plus 2nd Vice-President, 1st Vice-President, Snark and finally Chairman of the Board.

It has been a rewarding experience to have been a part of the Hoo-Hoo International Board. The friendships that Marilyn and I have made over the years will last as long as we both live.

As I look back over the years, I sense a feeling of Pride having been able to play a small part in so many accomplishments that were made in the years I served on your Board.

Marilyn and I will not be attending the Convention in Australia. We do want to wish all our friends who go the very best time they ever had at a convention and we will be anxiously waiting to see all of you again in Victoria.

I pray you will support our future Snarks as you did me so Hoo-Hoo will continue to be healthy, grow and survive forever and ever.

Wishing you Health, Happiness and Long Life,

Fraternally yours, \*

## Reports From Three HHI Leaders

### JAMES JONES ON THE MUSEUM

The Hoo-Hoo Museum in Gurdon, Arkansas has had a good year. We have done some landscaping, with more to be done, and the grounds are looking much better. The museum building is in great shape and with some more minor repairs here and there in another year or so we will have it in perfect shape.

Recently with the kind contribution by Louis Cabe the Reception Room of the Museum has been furnished with a couch, two chairs, and a coffee table. The display cases are starting to look real good with the historical contributions that Hoo-Hoo members have sent to Gurdon to be displayed for all to see and share in Hoo-Hoo history.

The committee would appreciate any Hoo-Hoo artifacts, old timber pictures, publications, books, or any memorabilia that pertains to Hoo-Hoo or the Timber Industry. Memorial contributions are also accepted for our Honor Roll for our Brothers who have passed on to the eternal happy forest forever, in Hoo-Hoo Heaven.

Any financial contributions are always appreciated to build up our Museum Fund to eventually build an addition to the present building as we are gradually running out of space.

In January the International Office was moved from Norwood, Mass. to Gurdon, Ark. to share the Museum Building with us. It is good to have someone in the building full time to make it available to interested visitors.

We have two new Countries that have established Hoo-Hoo clubs in the past year, to make it possible to fly all the flags from all of the countries, we need two more flag poles. We have been assured by Bernie Barber Sec./Treas. of H. H. I. that Hoo-Hoo will buy the flag poles and have them erected with the others. Soon we will have flags flying from Australia, New Zealand, New Guinea, Singapore, Fiji, Canada, United States, the State of Arkansas, and the official Hoo-Hoo Flag. Some of these flags are already flying. All will be flying soon. The Museum Building and Grounds look like a miniature United Nations.

The committee would like to thank all that have contributed monies, materials, and time to make this project a success. We wish for your continued support and we will strive to make the Hoo-Hoo Museum a place that all Forest Industry people will be proud to be a part of.

# Words of Wisdom from Older Cats

By Russell H. McClain

As a companion piece to "Welcome New Cats" what could be more appropriate than words from members who were enlightened some years ago? One of the thrilling things about the position of Executive Secretary is the opportunity to read letters and have contacts with members who have labored long in the vineyards.

"When I look over the numbers assigned to new kittens," writes Bro. Larry Clark #32504, "and realize that more than 57,000 have walked the hot sands since I did it helps us understand the appeal Hoo-Hoo has for members of the industry and the necessity of keeping it alive and scratching."

Frank Paxton, Jr., president of his own company in Kansas City, Missouri, writes, "I was once told by my father that my grandfather was one of eight lumbermen stranded in Arkansas during a flood . . . who celebrated the occasion by forming the Hoo-Hoo organization." This letter, you can safely bet, started a flurry of research.

As a result we replied that although his grandfather was not one of the original six in that Hall Hotel meeting his story was one of great interest in Hoo-Hoo history. His name was John Lewis Lane — his Hoo-Hoo Number 144 — approximately 89,394 kittens ago. His concat was August 10, 1892, in Kansas City. The year of the founding, mind you.

Copies of *The Bulletin* showed that J. L. Lane #144 gained prominence in more than one International Convention. Bolling Arthur Johnson appointed him a Priest of Ammon in the Chamber of Horrors, the body influential in selection of International Officers in that early time in Hoo-Hoo history.

A similar letter with a personal touch came from Charles R. Wallis who is in the service. His father was Frank McCormick who had moved to Malvern, Arkansas from Wisconsin and had operated a slat mill in Hot Springs. Having grown up in Malvern I wondered if any of the earlier McCormicks Hoo-Hoos could have

been anyone I knew. Research and comparing notes revealed that a friend of my boyhood — Frank "Swede" McCormick was the son of the young serviceman's grandfather.

Vaughn H. Justus, Rameses 59, a Hoo-Hoo leader we admire a great deal, sent us a copy of a little folder that gives a reference point in Hoo-Hoo history back to 1921. It was given to him by C. D. LeMaster, past Seer of the House of Ancients. Dues in that year were almost the same as they are today. We regret that we cannot reproduce substantially all of the folder. Perhaps a few excerpts:

The sole objective of Hoo-Hoo is to foster truth, Friendship, confidence, unselfish cooperation, patriotism, education and all of the basic qualities underlying integrity. Hoo-Hoo is the only organization in existence bringing all branches of the lumber industries together. Hoo-Hoo is the most powerful influence in the entire lumber industry in the matter of extending acquaintance, building good will and making lasting friendships. Hoo-Hoo is your biggest business asset. Hoo-Hoo is the soul of Lumberdom kept ablaze to promote true friendship — the brotherhood of man.

Dear Sir:

I saw the recent News article from Associated Press in our local newspaper about Hoo-Hoo. It brought back many memories of long ago. I joined Hoo-Hoo about 1928 or 29 when I was Estimator at Alexander Lumber Co in Champaign. Retired from 36 years on the road with Alva Hamble 12 years ago. I dug up my old Hoo-Hoo label Pin and wore it for a few days which created quite a bit of comment. The article was most interesting.

## JURISDICTION REPORTS . . .

### Jurisdiction I

LEE ROBERTS  
SUPREME NINE

Jurisdiction I, like the rest of Hoo-Hoo, has no idea how many paid-up members we have due to complications created by moving the office to Gurdon. However, it is anticipated that we will wind up the year with close to the number of members we had a year ago. As reported in the February Log and Tally, Snark Dan and I attended Concats in Boston and Washington, D.C. in December. In addition, Granite State Club #107 in Manchester, N.H. and Maine Club #54 in Portland had Concats a few months ago.

In March I was able to take in a very lively and entertaining meeting with Walt Whitman Club #171 in Cherry Hill, N.J. New Jersey Deputy Supreme Nine Wade Cory came down for this meeting, and thanks go to President Frank Panna, Sr. 84396, Sec.-Treas. John McElderry 84062 and Vicegerent Bill Collier 82628 for all of their hospitality.

In April Lakeland Club #159 in northern New Jersey was my host, and they had a very appropriate meeting — movies and comments on New Zealand. Wade Cory coordinated this meeting with President Ross Hodgins 86816. Chick Barber 76816 from the relatively inactive Garden State Club #108 was also present.

May took me to Providence, R.I. and a most enjoyable visit with Roger Williams Club #51. It was a real pleasure to

see such old-timers as President Don Gautieri 67739, Vice President John Morgan 52938, Treasurer Walter Biss 51808 and Russ Trotter 55778, as well as some of the newer members. To top off the evening, Cliff Cunningham came down to see everyone.

I was not able to make visits to Nutmeg Club #198 in Connecticut, Western Massachusetts Club #59 in Springfield, and Evergreen Club #192 on Long Island due to some communications problems, but I definitely will make these stops next year. Meanwhile, I will welcome any suggestions, comments, and even criticism from any of you members.

Health, Happiness and Long Life,

Lee Roberts

### Jurisdiction II

FRED MEYER  
SUPREME NINE

Clubs in Jurisdiction II are off and running and mostly doing quite well. Ben Springer Club has had their concat and proceeding will a full calendar. Many thanks to John Guse and the officers for their continuing efforts.

Our men in Rockford, Illinois, got off to a slow start but thanks to Ken Halgren et al they are moving into a very good year. A mini-convention is planned for that area in conjunction with their annual golf outing May 20, watch for details.

Detroit Club — what can I say? Super! — as always thanks Gordie! Their spin-off club in Flint is alive and well also. Pittsburg and Erie are at it again and the boys in Pittsburg will have their annual fling with the usual 200 or more attendance. Buffalo and Rochester are working hard to stay even. Both have a full schedule of activities and are working hard on membership. Syracuse needs help and Rochester promises to provide it. The economy in the North Central and North East isn't doing us any favors, but everyone is optimistic that Hoo-Hoo will not only survive but prosper.

Special note — our Rochester Club member Dave Long, representing globe travel has made arrangements with American Airlines to help get us to Australia in '82 — see their ad in the Log & Tally or contact Dave.

It has been a great honor and a great pleasure to have been on the Board of Directors for the past four years. During this time, evolutionary changes have taken place in our great and ancient order, most notably a new executive secretary has taken over. We are now housed in our Birthplace Town of Gurdon, Arkansas and we have created a Museum of Hoo-Hoo. I can't tell you how grateful I am to all of you for the opportunity to have been part of it all. My sincere thanks for your help and support thru these years.

Also, special thanks to members-at-large for their continued support.

Fraternally

### Jurisdiction III

AL MEIER  
SUPREME NINE

Greetings to fellow Hoo-Hoo members. Jurisdiction III is still going strong and most all of our clubs are busy in golf tournaments and family cook outs. My activities and traveling have slowed down considerably during the summer months. I have been busy with the retail yards along with opening a new home center and brand new building in Fife, Washington.

The recent highlight of Jurisdiction III was our Mini Convention held in Sun River, Oregon on May 14 and 15.

This was one of our most successful Mini Conventions, and was put together by Deputy Snark Bill Patterson and other members of the Kalmath Falls Club.

The following are the minutes of the convention:

Jurisdiction III Mini Convention — Al Meier —  
Supreme 9 Member Presiding —

1. The meeting was called to order at 0759, a short prayer was offered for our departed brothers.
2. Special guests were:
  - a. Dan Brown — Snark of the Universe
  - b. Kevin Kelly — 1st Vice President

- c. Gene Zanck — Rameses #71
  - d. Doug Howick — Chairman of Australian Convention
  - e. Bill Patterson — Chairman Mini Convention
  - f. Fred Frudd — Jurisdiction V
  - g. David Efron — (Doug Howicks Body Guard)
  - h. Pam Thomas — Australian Travel Coordinator
3. 51 members and their ladies attended the meeting (Tacoma-Olympia #89 had the most members present with 13)
  4. The highlights of each clubs' activities were presented and many interesting ideas for fund raising, membership and meetings were exchanged.
  5. The 1983 National Convention will be at the Empress Hotel in Victoria, B.C.
  6. Doug Howick from Jurisdiction IV (the largest in area size) gave us an updated report on the Jurisdiction that is located in five different countries.
  7. Kevin Kelly, 1st Vice President (the guy that speaks with a deep southern twang) introduced Papua, New Guinea's most interesting industry, the thriving business of (penis gourgs). There must be something there that he can export.
  8. Al Meier promised he would do his best to provide the members with headsets and interpreters when Kevin became Snark of the Universe.
  9. Dan Brown assessed a \$5.00 fine on Al Meier for the mix up in the name of the newest club (lets see Al, is it Goose Creek? Duck Lake? or Swan Hollow?). Dan asked for comments or suggestions on club activities that could be taken back to Gurdon. Ted Dullmer suggested that an 800 telephone number be installed at the International Headquarters.
  10. Any opinions on the proposed changes to the by-laws should be given to Al Meier so he can present them at the International Convention.
  11. The 1983 Mini Convention will be hosted by the Portland Club.
  12. Norm Michaelson was nominated for 2nd Vice President by the Spokane Club.
  13. The golf greens were in excellent shape. Dave Gleeson won 1st prize; Dan Olson won 2nd prize; Dennis Lambie won 3rd prize; Ted Fullmer won 4th prize; John Fullmer won 5th prize.
  14. A wonderful dinner and meeting was held in the Great Hall.
  15. Dan Brown was presented with a gift from Kevin Kelly and he also received a very nice Cow Pie from the Paulina Club.
  16. Darrell Pardee and John Bratland were honored for their activities as (State Deputy Snarks).
  17. A special thanks to the ladies for being so understanding and helpful.

I am looking forward to a great convention in Melbourne and join the members of Jurisdiction IV in meetings within their Jurisdiction after the convention.

Wishing you all — Health Happiness and Long Life,  
Al Meier

## Jurisdiction IV

MAX O'RIELLY  
SUPREME NINE

Greetings to all in the land of Hoo-Hoo.

Since my last comments in May, and if this report makes the press for the August issue of Log & Tally, it will only be four weeks away from our Jurisdiction IV convention in Australia.

Every member within the Jurisdiction has been supporting and promoting our coming convention in his own way, and there are a lot of members behind the scenes that need to be thanked, and I do so here in this report.

On April 16th (which is the birthday of Hoo-Hoo in Australia), I visited our island State of Tasmania, which is two hours flying time from Adelaide South Australia.

There we have two clubs, Launceston Club 239, and Hobart Club 235, and our Vice Gerent for Tasmania is Kevin French 84421. My wife accompanied me, and we stayed with Kevin and his wife, Jan.

It was an eventual and historical visit, as both Clubs decided because of my visit to hold a combined meeting at a place caled Oatlands, which is in the centre of Tasmania, half way between each club. I travelled with the Launceston Club down, and with Kevin Kelly, 1st V.P. with the Hobart Club up to Oatlands by bus, and during these trips, the "spirits" of friendship flowed freely, as it was a bitterly cold night for the 40 odd members in attendance, but it was a very good meeting, with members from each club exchanging their ideas and views, and enjoying the fellowship, and celebrating the 20th Birthday of Hoo-Hoo in Australia.

Launceston Club had a very good project this year, with the erection of a Hoo-Hoo Hut, donated to the Launceston Council to be used by the community. It is a wooden shelter, which houses barbecue facilities (Cook Out).

Early in May, we held a Jurisdiction Board Meeting in Melbourne, where each Vice Gerent submits his report, and the affairs of the JIV are carried out. It was an excellent meeting, and as you could imagine, the main item on the agenda was "Kangaroo in 82."

Late in May we were off to Western Australia, which is 3½ hours flying time from Adelaide, or flying across from the east to west coast of America.

There are two clubs here, Manjimup Club 250 and Perth Club 240. These clubs are 300 miles apart, and on Monday, May 17th, a concat was conductd for four kittens at Manjimup. I was present with one of the timber name badges. I believe this may be the only Hoo-Hoo Club with a wooden members name badge — it would be interesting to hear from other jurisdictions.

Back to Perth Club on Wednesday for a special Club members Fraternal night, that left me lost and confused at times, but the hospitality and friendship is something I will always remember. Especially the most unusual and delightful kitten we almost made a member of Hoo-Hoo.

Most clubs are fully active, and I believe our membership will be up this year, and with the next 12 months, there is

strong possibilities of three more clubs within Australia. Looking forward to having 999 attending the 90th Hoo-Hoo Convention. Health, happiness and long life to all.

## Jurisdiction V

FRED FRUDD  
SUPREME NINE

Jurisdiction V is alive and well. I am pleased to announce that the Deputy Supreme Nine for eastern Canada is Kieth Waddell of the Toronto Club #53. This position was filled up to now by Gordon Condie the Snark of the Toronto Club in a non official capacity.

On May 10 I attended the Vancouver Club #48's fund raising dinner where I met with Doug Howick, the chairman of the Melbourne, Australia convention committee, who was promoting the convention to Vancouver club members.

Doug and I returned to Victoria where we were joined by David Efron also from Melbourne, Australia #183 who are interested to going to the convention in Australia.

The following day Doug, Dave and myself drove to the Jurisdiction III Mini Convention in Sun River, Oregon where under the direction of S9 Al Meier and his merry men a good time was had by all.

In this year of desperation the clubs in Jurisdiction V, Toronto #53, Vancouver #48, Cowichan Valley #229 and Victoria #183 are holding their own in membership and are active in their various programs.

EDDIE Z. HUNT  
SUPREME NINE

At the 1982 Lumberman's Association of Texas Convention held in Ft. Worth, my home club Metroplex #242, sponsored an exhibit booth and we were very successful in publishing Hoo-Hoo. During the convention I met with David Cutler, publisher of *Building Products Digest* magazine. He and the magazine are very interested in Hoo-Hoo and would like any news we can send them regarding Hoo-Hoo. The June issue, in fact, contains a picture of our booth in Ft. Worth.

In May an organizational meeting was held to reactivate the East Texas Club #135 in Lufkin, Texas. The meeting was held at the Staff House on Lake Kurth, owned by St. Regis Paper Company. Our thanks to St. Regis for their generosity in this regard. Mr. Bob Bowman with St. Regis was very instrumental in getting this club going again. Paul Williams and Tom Newton with Williams Lumber Sales in Nacogdoches, Texas, also worked hard to organize the meeting.

On June 23rd, their efforts were realized and 23 kittens were concatonated. The club is reactivated and Hoo-Hoo is again alive in the East Texas Piney Woods. The concat was especially meaningful because Snark of the Universe Dan Brown #L-74477 was in attendance and initiated the kittens in grand fashion. The degree team consisted of Bill Wallace, Joe Harwell, Glen Agee, Jim Lonsford, Curtis Turner, Brian Wier, Ken Johnson from the Metroplex Club #242, and Joe Breedon and Ross Hunnicutt from Houston Club #23. My heartfelt thanks to those gentlemen.

On June 21st, Martha and I went to Wichita, Kansas, and were entertained all day by Ramses #70 Laurn Champ, Ramses #67 David Marteney and their wives Maxine and Margaret. A special thanks to Al and Aledaide Fry for the tour of Yoder, Kansas. That evening we attended a dinner meeting, which included the ladies. I presented Deputy Supreme 9 Vern Bernhardt with his certificate. Thanks to everyone in Wichita for their hospitality.

On our return Snark Dan Brown and Eloise met us in Dallas for our trip to Lufkin.

Following the Lufkin meeting Snark Dan and I attended the Houston Club #23 Golf Tournament. Too bad there wasn't an award for most lost balls — eh, Dan? At this meeting Dan presented Joe Breedon with a redwood desk pen for Linda Breedon in appreciation for the new robe to be worn by the Snark of the Universe.

Friday it was back to Dallas for the Metroplex Club Annual Country and Western dance where the Browns taught we Texans how to dance.

Saturday, June 26th was the official opening of the International Headquarters at Gurdon, Arkansas. The program was conducted by Russ McClain. Snark Dan presented the robe previously worn by Snarks to the Hoo-Hoo Museum for permanent enshrinement. The ribbon was cut by Eloise Brown. Snark Brown, myself and Supreme 9 Carl Hall represented the Board. We were joined by members of the local club and citizens of Gurdon for the opening. It is appar-

ent that Russ and Betty Wells (secretary) have been extremely busy since my last visit in April. I would urge all members to make an effort to visit Gurdon whenever possible.

We visited with Louis and Charlott Cabe at their home. He is recovering from knee surgery and says he will see all of us in Australia.

CARLE H. C. HALL  
SUPREME NINE

Brothers: As my two year term comes to a climax, I wish to report that Juris VIII is very much alive.

Since we do not have the final membership figures due to computer problems, I cannot make a positive report as to finals. However, it is my hope that we held our own. With all the national and international problems to contend with, the depressed areas and the unemployment situation in our industry, it is remarkable that our clubs are able to keep their chins up high and march forward.

Gentlemen, this has been a rewarding year. After the remarkable convention in Houston, my wife and I left on an extended tour of the East Coast. While in the Washington, D.C. area I visited with the local club. The local club had a golf outing and then an evening meeting. I enjoyed visiting with Lee Roberts and many other friends of the local club. On our return trip to Des Moines, my wife and I visited Bob and Marilyn Van Every and spent a very fine three days in their home. Bob and his wife were most gracious hosts. A house party was held one of the evenings that we were there and many of Bob's home club attended. It is such a joy to have such friends as Bob and Marilyn in this great organization.

Since September I have attended 11 regular club meetings, 6 concat and 2 ladies nites. At this writing I have visited 7 of my 8 clubs.

### Folsom #13 Elects Officers "Roasts" Cliff and Dick

"Old Timers and Past Presidents' Night" — a popular annual affair — was observed by Harry L. Folsom Club #13 on May 3 at Knights of Columbus Hall in Needham.

Many veteran lumbermen with the lowest membership numbers in Hoo-Hoo's largest club, were on hand to greet old friends and welcome the newer "kittens" recently initiated into the fraternal lumbermen's club.

A lengthy social "hour" was followed by a complete roast beef dinner, family style, complete with huge bowls of ice cream for dessert.

The members then enjoyed another "Roast" at the expense of the outgoing club officers and Cliff Cunning-

ham, who recently stepped down as Executive Secretary of Hoo-Hoo International, and Dick Mullen, former Jurisdiction I representative of the Supreme Nine.

Many members including Joe Cusack, Ron Harvey, Bob Rendall, and Walter Webb took turns needling Cliff and Dick to the delight of their many friends in the industry.

The evening also featured the Election of Officers of the Harry L. Folsom Club for the 1982-83 year. The new officers include: John H. DeSimone, President; Robert K. Gurnon, Jr., 1st vice president; Greg Sweetser, 2nd vice president; Theodore G. Green, secretary; William H. Balsler, treasurer; Richard G. Cain, ex-officio.

L to R: Richard G. Cain, Outgoing President; John H. DiSimone, 1982-83 President; Robert K. Gurnon, Jr., 1st Vice President.

Past Presidents: Don Johansen (l) and Joe Cusack (r).

### Maine Club Considers Mysteries of Financing

Is money available for home mortgages? Where? What is the future of S & L's? Interest — what's the future? What's coming in housing starts?

These and similar questions were considered by Maine Hoo-Hoo Club #54 on Thursday, May 27. Speaker of the evening was Keith Wilson, executive vice president of the trust department of Maine National Bank. The meeting in Waterville was attended by a majority of the Club's members. Invitations were mailed to all wholesalers and dealers not members of the Club to attend this very important meeting.

The chef for the evening meal was Dick Giguere #87424; President Tom Morton #87427 arranged the program.

### Rich Tracey of McCue Mortgage Addresses Nutmeg #199

To pull the timber business out of its depression — money is needed. What is the status of the current dollar program? Rich Tracey of McCue Mortgage discussed questions related to the dollar programs and interest rates with Nutmeg Club of Connecticut #199 on April 13. He is considered an expert in the field and gave an indepth analysis of dollar programs and interest rates. He also discussed developments in VA, FHA, MGIC and CHFA financing.

The meeting was in the Cabin Restaurant in Meriden and was attended by members and guests.

### Granite State #107 Memorial to Littlefield

The Harold Littlefield Memorial clambake was celebrated by Granite State Club on Monday, June 7. The

attitude adjustment and activities period began at 3:09 P.M. with the golf tournament fitted into the program.

Dinner was served at 7:09 with the members and guests having a choice between lobster and beef. The locale of the activities was Simpson Pavilion on Black River Road in Dover.

Harold Littlefield was a member of Granite State #107.

About 180 Hoo-Hoo stalwarts braved the most severe New England weather in recent memory to attend the Harold Littlefield Memorial Clambake sponsored by the Granite State Hoo-Hoo Club #107 on Monday, June 7th in Dover, New Hampshire. Members came from as far away as New Jersey to attend this annual affair.

### David Vagos of Elmendorf Corp. Granite State Speaker

David Vagos of the Elmendorf Corporation presented a lecture and slide show to the club's April 21 meeting.

Pre-meeting activities began at 5:59 with an Italian buffet at 7:29. The Yard Restaurant was the place of the meeting.

### Business Meeting for Granite State

Wednesday, May 19, Granite State #107 engaged in a business meeting. "We need your input for next year's programs, President Kuczyuski stated in calling the meeting. Also officers and Board Members for 1982-83 were elected.

Pre-meeting adjustment began at 6:09 with a roast beef dinner at 7:29. The site was Yard Restaurant, Londonderry.

### North Cascade #230 Holds Concat and Golf Tournament

The April Concat was held at the Everett Yacht Club, with Twenty-two Kittens present. The Concat was conducted by Gordy Iverson (Vicegerent Snark). One hundred sixteen members were present at the meeting. Al Meier, Juris III Supreme Nine, gave a short talk on Juris III activities and also discussed the upcoming convention in Melbourne, Australia. New Directors elected for the next three years were Henry Nyland, Ron Garka and Dennis Thompson.

The May meeting was held at the Bellingham Golf and Country Club, where, in conjunction with the meeting, the 13th Annual Golf Tournament was held. There were 120 members and guests present. Winners at the Golf Tournament were:

Harry Stuchell — Club-Champion; Jim Coshow — Low Gross; Harry Stuchell — Low Net; Eddie Dunn — Low Net (Guest).

Winning Foursome, the first to be put on the Tom Dolan Memorial Trophy, consisted of Orville Johnson (#230), Cars Johnson (#230), Jim Coshow (#230) and Eddie Dunn (#34). Bob Byers was Chairman of the Golf Committee and conducted a terrific tournament.

New officers for the coming 1982/1983 year are:

Tom Van Nus — President; Gene Chase — Vice President; Larry Lien — Secretary-Treasurer.

North Cascade #230 expects about 11 to 15 members to attend the Hoo-Hoo International Convention in Melbourne.

North Cascade #230 Degree Team awaits the arrival of "kittens."

The first foursome to have their names on the Tom Dolan Memorial golf trophy (l to r.): Eddie Dunn, Orv Johnson, Jim Cashow, Cars Johnson.

Twenty-two kittens drink the bitter dregs for enlightenment.

Trophy winners in the 13th annual golf tournament of North Cascade Club #230.

Supreme Nine Al Meier, J III, addresses North Cascade #230 on the benefits of Hoo-Hoo activities and on "Kangaroo in '82."

The Jack Nicklaus or Tom Watson of Club #230: Harry Stuchell, also low net winner.

# New Lakeview Club in the News

We thought it was about time that Log and Tally heard from the newest club in Hoo-Hoo!

Thanks to the help of Snark of the Universe Dan Brown, Ed Hall, Bill Patterson, Bill McClain, Keith Claudus, Denny Holl, Tom Strunk, Al Meier and a host of a lot of fine guys from Klamath Falls and Lakeview, we have finally got this club off the ground.

April 9, 1982 was the date of the first Concat to be held at Goose Lake Club #258, Lakeview, Oregon. As far as we know this was the largest initiation put on by any club in Jurisdiction III: 45 new kittens and 10 transfers. I might add that we are very proud of the fact that the Snark of the Universe was in attendance for our first Concat. The Klamath Falls ritual team did a wonderful job of putting on the program, one that won't be forgotten soon. The month of May brought us around to the

first annual sponsors steak fry. It was well attended and everyone had a great time. The club sponsors were invited out for a free steak dinner compliments of #258 in appreciation of their support.

The month of June brought us to the first annual Ladies' Day chicken fry. Boating, swimming and fun in the sun was the order of the day at Drews Reservoir here in Lake County.

July is the month we will have our first annual Fun Day at Lake Ridge Golf Course. This isn't just a golf tournament! Horse shoes, ping pong, poker, and 21 will be available for the non-golfers. We are looking forward to this event, it should be the biggest of the year.

On a final note we would like to thank all of you for your support in making this club possible.

A special thank to Snark Dan, Bill Patterson, Ed Hall and Keith Claudus.

L to R - Larry Merrill, Bob Lake and Loren Lucore.

Preparing the Steak - Choc Shelton and Bob Evans.

L to R - Vice Pres. Mike Rice - Treas. Richard Murphy - Pres. Ed Allen and Sec. Ed Dewitt (Club #258).

## Variety and Interest In Willamette Valley

Regardless of interests or inclinations there's something for everyone in the programs of Willamette Valley Club #33. It would be difficult to imagine how one could fail to find something fascinating in the wide variety of offerings. For the past three months the programs have included:

April 22 - "Fighting Ducks Night" with Ducks Head Coach Rich Brooks. "Cattails" started at 5:59 with a top sirloin dinner served at 6:59.

Wednesday, May 19 - Annual trap shoot and steak feed at Cottage Grove Gun Club. Shooters were in three divisions with two trophies in each. The bar opened at 4:30 followed by practice shooting from 5:00, a barbecued 16-oz. steak dinner from 5:00 to 7:00 and competition starting at 6:30.

Friday, June 11 - First annual Willamette Valley Hoo-Hoo Golf tournament was staged at Eugene Country Club. Registration began at 5:45 A.M. with 18-hole individual pro-am format starting at 6:00. A chipping contest was open from 2:00-6:00. Dinner was served at 6:30 and awards were presented at 7:30. Bob McBride #82447 headed the committee on arrangements.

## North Idaho Programs Include Legislature, Fair and Boat Trip

Robert Scates and Terry Sverdsten, members of North Idaho Hoo-Hoo and other Idaho State Legislature, were featured on North Idaho Club #155 program. The discussion was on the recent session of the State Legislature.

Two important items for the business meeting were the Loggers Fair scheduled for late May and a boat trip on Lake Coeur d'Alene with neighboring Hoo-Hoo Clubs in July. W. H. Welton #83041 was winner of the door prize. Program chairman was Tom Gilmore #86144.

## CLUB #16 HAS A GREAT YEAR

Spokane Club #16 started the 1981-82 year early with a meeting on August 20. New officers and board members were elected - and subsequently installed. Perrin Zanck's team won the baseball (membership) contest.

George Share #48703 "retired" as Vice Chairman of "Keep Washington Green," and Bob Grotefend graciously volunteered to take the position thus continuing our Hoo-Hoo participation in this fine community activity.

The annual Golf and Steak Out was on September 24 at Sundance Course. Lowell Hatch won the Snark Dan Brown trophy.

The Board of Directors and the members of club #16 voted to put in nomination for Second Vice President of International Hoo-Hoo the name of Norm Mikalson 65163.

Norm Mikalson was awarded the "Snark Gene Zanck award" after being elected "Hoo-Hoo of the Year." Norm was also elected "Director Emeritus" of Club #16 will full voting rights at all board meetings.

President Daryl Zanck made a fine presentation at the Hoo-Hoo International convention in Houston and Club #16 was awarded the Wood Promotion Cat for the fourth time.

October's outstanding meeting featured tours of the various plants of Dellen Wood Products as guests of Bill Lenten with dinner served at the Depot.

Also in October, a contingent of Senators, wives, and a sea captain from Lubeck, Germany, came to Spokane to repay a Sister City meeting in Lubeck in 1980. Bill Lenten #88098 and Ernie Wales, Rameses 50, and their Ellens repaid the hospitality shown them in Lubeck by entertaining the group in their and proudly showing them the good wood in their homes.

The November meeting featured a Sister City meeting to Japan by a young high school student who spoke to us and showed fascinating slides of Japan.

Crab Feed and Style Show were the twin features of the December meeting. In January Club #16 joined with North Idaho Club #155 in an inter-club meeting and concat in Coeur d'Alene, Idaho.

Gene Zanck, Rameses 71, was the expert chairman for the Club's annual Valentine party in February.

In March another inter-club meeting and concat in Colville, Wash., with N.E.W. Club #238.

Jerry Williams #70769, a member of Club 16 and former President of the National Retail Building Material Association, gave a program with slides on his recent trip to China as leader of a group.

# Tacoma Olympia Features Wide Range of Interesting Programs

### AQUACULTURE

Howard M. Johnson was the speaker of the evening in the April 6 meeting of Tacoma-Olympia Club #89. As aquaculture manager for Weyerhaeuser he discussed the shrimp and salmon ranching operations of the Weyerhaeuser company.

The meeting at the Huntsman Restaurant was attended by 59 members and guests and was covered by the local newspaper. Robert Vanderwall #85561 was the winner of the door prize.

Although the program was somewhat of a far cry from tree farming it was fascinating.

Speaker Howard M. Johnson  
President Jack Jones

### SOFTBALL

On Friday, May 21, the Tacoma Olympia Hoo-Hoo #90 held its annual slow pitch softball game against the Seattle Club #34. The Seattle Club put up a good defense, but it wasn't enough to save them from a 19-2 trouncing by Tacoma. The game was played at the G.S.A. field in Auburn.

As the losing team, Seattle had the honor of supplying the beer. Thanks Seattle for a Good Game; this Bud's for you.

Past President Ted Vaughan conducting the election in spite of the suit!

### ELECTION

Rawlin G. McInelly #80975 was elected 1982-83 President of Tacoma Olympia Club #89 in the meeting of June 1. Robert A. Wagner #83048 was elected 1st Vice President; Jack Jones #84195, Vicegerent Snark, and Larry J. Hurd, Secretary-Treasurer. The meeting also featured reports on the Sun River Mini-convention.

Fifty-five members and guests attended the meeting which was covered by the local newspaper. Tom Cleary won the door prize donated by Al Meier's Building Center.

The Club is planning an auction for June 26th. The next regular meeting is in September.

### BARTENDERS

Past President and Mayor of Steilacoom, Wash.

## N.E.W. Club #238 Has Trap Shoot and First Conference on Logging Safety

N.E.W. Hoo-Hoo's May meeting was held at the Kettle Falls Gun Club and included Trap and Black Powder Shoot. Winners in the trap department were Bob Schauls (25), Denny Moss (23), and Bob Haynes (21). The more serious shooters retired to the rifle range after a fantastic potluck lunch. Black powder belched as flame traced the 50 caliber balls to the target; least, that's what happened most of the time. Winners in a three-position shoot were Kelly White in the men's division, and B. J. Christian powder puff shooter. The books closed well with the remaining beer as the last 1982 meeting ended.

Round the corner — Walleye Derby, June 26 & 27; July 4th BBQ, Logging Olympics, August 28 & 29.

September 16 begins the 1983 meeting year with N.E.W. officers: Bill Fite, 87476, President; Harvey Tripp, 85662, 1st V.P.; Ron Harsin, 87662, 2nd V.P.; Mike McGreevy, Secretary-Treasurer; and Bob Haynes, 85657, Vicegerent Snark.

N.E.W. Club #238 on March 26 had its first conference aimed directly at the logger with the saw. The meeting was attended by 75 persons. Improved safety and productivity provided the target for a program concentrating on falling and bucking techniques, mechanics of wood under falling and bound conditions, Log cutting for maximum recovery, quality control, safety, supplies, and new equipment.

Our beautiful forests are too often dark and deadly. Falling trees, rolling

logs, widowmakers, dutchmen, sliders, barber chairs, kickback, dominoes and white fingers are a few of the hazards faced daily by sawyers. About 15,000 men work in Washington's woods (all potential Hoo-Hoo members). During the last three years 28,000 serious injuries and 75 fatalities have occurred.

But logging in general, and felling and bucking in particular, is the first step needed to transform standing timber into items for use throughout our country. The clothes pin, rolling pins, boards, bats, churches, houses, schools, newspapers, books, toilet paper, and even magazines begin as standing trees.

The buck starts here — with the felling operation. Properly done, the buck won't stop here; it will continue to circulate, expanding as it is passed on in our community and yours.

### N.E. Victoria #236 Shows Ski Fashions

A "Ladies Evening" of N.E. Victoria Club #236 on May 27 featured a fashion parade of ski wear and equipment. Jack Cooke in a John Wayne hat did an excellent job as parade com-

pere. The organizing committee was headed by Gary Addinsal. Vice President Neil Carr presided and opened the meeting at 7:30. It was announced that President John Dehne has tendered his resignation for personal business reasons; he requested a 3-month leave of absence from the club.

Gary Addinsal spoke on the art of Nordic skiing explaining how it differs from the downhill type. It was a comprehensive and enlightening talk based on his experiences in Europe and Australia.

Skiing has come a long way from a simple ball of wax, a pair of skis and an open fire.

### Victoria #183 Stages Golf Tourney

Victoria Hoo-Hoo Club #183 staged its annual golf tournament on Saturday, May 8, at Metchosin Country Club. It was a fantastic day for golf and approximately sixty cats and guests attended. Those who survived the eighteen holes of play were treated to a steak banquet where prizes and trophies of the golf competition were presented.

The perpetual trophy was won by Kevin Jamison.

President Frank Krieger of Victoria #183 was chairman of the day's events.

Club 183 has two important events just over the horizon: On June 11 — Concat and election of officers; on August 8 — the club's annual picnic.

### Sacramento Sports Night Outstanding Success

Fantastic!! was the cry. It was a Sports Night to remember — with a crowd of nearly 200 in the Martinique Room of the Sacramento Inn. The evening started at 6:19 P.M. with two free drink tickets presented to those showing their Sports Night tickets at the door. As our arrived, children along with many adults were visiting with them and asking for autographs.

President Ron opened the meeting at 8:45 and asked Bob Creasy to lead us in the Pledge of Allegiance and Bruce Stevenson said grace before dinner. Following dinner the meeting was turned over to Committee Chairman Art Horne who introduced two masters of ceremonies, guests Kenny Cayocca and Creighton Sanders who interviewed each of the sports figures.

We would like to thank the following Sports Night guests for taking the time to share some of their experiences with us: Dan Bunz, Bob St. Clair, Skip Vanderbundt, Forrest Blue, Kelly Kosik, Bobo Olson, Pete Ranzany, Bobby Chacon, Sal Lopez and Mickey Willis. It was a most informative night, with a good question and answer session. We then held an auction for a Pro-football signed by all the football players present and a pair of boxing gloves signed by all of the boxing people present. The lucky winner of the football was Bert LeBeck who was high bidder at \$220.00. The lucky winner of the boxing gloves was John Bozich who was high bidder at \$160.00. Thanks to both of these lucky winners and their continued support for Sacramento Hoo-Hoo #109.

I would like to take this time to thank Committee Chairmen Art Horne and George Rojas for a job well done. This was one of the finest Sports Nights ever held. I would also like to give special recognition to Bruce Stevenson and Bob Creasy for taking charge of the raffle sales. Their additional support helped the club and Sports Night earn extra money. We gave away 49er football hats and shirts, many 49er team posters and bottles of wine.

## Charles G. Harshner, Jr. Honored by San Joaquin #31

In memory of the late Chester G. Harshner, Jr., San Joaquin Valley, Hoo-Hoo Club #31 has established a Memorial Scholarship Fund. This scholarship is available to any person who meets the qualifications listed below, who is sponsored by a member in good standing of Hoo-Hoo Club #31. It is no longer necessary to be a relative of an employee of the lumber industry.

The applicant must have completed at least one year of college, junior college, or an approved technical or trade school. The amounts of the scholarships to be awarded in the Fall of 1982 will be determined by the trustees, depending on the number of applicants and other factors. The scholarships may be used to defray expenses of attending any university, college, junior college or trade or technical school the applicant desires.

Applications may be obtained from Hoo-Hoo Club #31, P.O. Box 11428, Fresno 93773. The deadline for filing applications will be August 1, 1982. The applicants will be notified of the date and place for a personal interview.

The trustees will make their selection of the successful applicants prior to August 29, 1982, and the awards will be granted at the beginning of the school term.

### 30th Golf Tourney By Sacramento #109

"An outstanding tournament and dinner at a beautiful spot in the foothills." This was the description of the 30th annual golf tournament of Sacramento Club #109 Friday, May 21, at Auburn Valley Country Club.

Participants were offered several optional plans: golf, cart and barbecue steak dinner; golf only (with cart); dinner only. The tournament was limited to 100 golfers and starting times began at 12:59. The Calloway method was utilized for non-handicap golfers.

Chairmen of arrangements for the event were Ray Welch #63148 and Bruce Stevenson #79670.

### San Diego No. 3 Celebrates Sports Night and Concat

On Friday, February 22, 1982 the San Diego Hoo-Hoo Club #3 held their Annual Sports Night at the King's Inn in Mission Valley. Always a popular event, this year's dinner featured the three times A.F.L. Western Division Champions — San Diego Chargers. Representing the Chargers was nine year veteran linebacker Jim Laslovic who met the members during an informal cocktail hour and later presented a candid talk on the game, the team, and the season.

Over 50 members and prospective "kittens" attended making the evening a great success. Cocktails were compliments of American Mill & Manufacturing Co. and Baker Hardwood Lumber Co. The evening was wrapped up with a raffle featuring two fine prizes donated by H. G. Smith Lumber Co. and Ransom Lumber Sales.

Friday April 2, 1982, the San Diego Hoo-Hoo Club held their annual "Concat" initiation at the El Amigo Plaza Restaurant in El Cajon. The evening was a well attended event with thirteen "kittens" brought into the membership. As is normally the case, all aspects of Hoo-Hoo were covered in the initiation, both serious and good hearted kidding.

The new members are: Greg Boulware, Pat Flanagan, Jim Frost, Jacinto Gonzalez, Donn Gunvalson, Warren Hoffman, II, David Kibee, Jay Mehta, Henry Mora, Jim Plummer, Al Reed, Paul Rempp, Jim Savageau. Joining the club by reinstatement was Al Martin.

Prior to the initiation a special moment of silence was observed in memory of long term and active Hoo-Hoo member Ron Angelo.

### San Joaquin #3 to Offer Sales Training

We have finally secured an instructor for a sales training course, Dr. Bob Hampton, instructor at the School of Business, Fresno State University. He is a recognized authority on marketing and salesmanship and has a best seller text on sales. He is also an outstanding speaker, and has excellent ideas to cover the subject.

Are you an effective persuader? Do you use proven techniques and methods to create ideas? Most of us can learn and profit from a greater knowledge of personal persuasion. If you want to improve your sales performance, you can do so by putting into practice ideas you can glean from three meetings on persuasion power.

The cost for three meetings will be \$25 per person, which will include coffee and doughnuts at the end of each two hour seminar. The dates of the three meetings, time and place will be announced after we have determined how many will be in attendance.

On the second trip he met Mr. and Mrs. Carle Hall, the Supreme Nine for J VIII. They crated and loaded all of the materials in a rented truck and the Hall's pickup — taking turns driving they completed the trek to Gurdon on the last day of January, 1982.

Secretary McClain detailed all of the repairs, renovation, carpeting, roof, kitchen, central heat and air-conditioning.

In closing he said, "One thing I want to emphasize — moving and improving the Headquarters was in no way a one-person achievement. It was a co-operative project. Many people worked on it and had a part. It would be a mistake and extremely unfair for one person to claim more credit for the accomplishment than any other."

They presented the convention a proposal to lease a building ideally suited for Headquarters. From that time for about two years there were discussions pro and con and finally repairs and work on the building.

Finally a transition committee was appointed and a committee to employ an Executive Secretary when Cliff Cunningham decided not to make the move. McClain was not present at many of the meetings but he was finally named Executive Secretary. He then made two trips to Norwood; the first to study and measure the equipment and the skills required in administering the

### \$5,000 For Logopedics by Wichita Club #173 Auction; Total Now \$33,000; Officers Named

Wichita Hoo-Hoo Club #173 recently held their annual auction. The proceeds are donated each year to the Institute of Logopedics. This year the Club will present the Institute a check for \$5,000.00. The presentation will be given at the Hoo-Hoo family picnic. In the past 7 years the Wichita Club has raised over \$33,000.00 for the Institute of Logopedics.

Wholesalers and retailers in the area donate building materials to be auctioned. Items include lumber, doors, windows, paneling, paint, and numerous other items. Each item is sold to the highest bidder and Hoo-Hoo members donate their time and help to this worthy cause.

The Institute of Logopedics was founded in 1934. Since its founding the Institute has served over 50,000 children and adults in a three-fold program; services for those with handicaps affecting speech, hearing and language. Clients receiving training at the Institute have come from all 50 states and several foreign countries. The majority of clients range from 3 to 18 years — the youngest served is 2 months and the oldest was over 90 years of age.

The Club is very proud of the contributions made to the Institute each year through the courtesy of the area lumbermen and the time and hard work from many dedicated Hoo-Hoo members.

Recently elected officers for 1982-83 are as follows: President, Wayne Hare; Vice President, Tim Fox; Secretary, Dave Marteney; and Treasurer, Kent Vice.

The Wichita Club boasts having the honor of having the youngest lumbermen serve as President of their Club. Outgoing President, Joe Simnitt is 25 years old and Kent Vice was 26 years old when he served as President in 1980. Wichita #173 are proud to have young aggressive leaders.

Wichita had the honor of S9 Eddie Hunt and his wife, Martha attend their Ladies night at their June meeting. Eddie was presented a wood, Kansas shaped, plaque in appreciation of his visit to Wichita.

### Wichita #173 June Meeting Packed With Important Ideas

The June 21 regular meeting of Wichita Club #173 was one of those full, action-packed, eventful evenings. In the first place the ladies of the members and guests had been invited for the evening. The ladies had not been invited for several months and the members decided it was time to invite them again.

Second, a number of special guests including the Snark of the Universe and Mrs. Brown appeared. "We were honoured at this meeting by a visit from the Snark of the Universe Dan Brown and the Supreme Nine representative from our own Jurisdiction VII, E. Z. "Eddie" Hunt. Dan's wife Elouise and Eddie wife Martha accompanied them. Dan is a logger and saw mill operator from Klamath Falls, Ore., and E. Z. is a retailer from Dallas, Texas.

This marks the ninth consecutive year in which the Snark of the Universe has graced our club with an official visit. There are very few if any clubs so honored for so many years.

In the third place a special program of prime interest had been arranged. Happiness Plaza Travel & Tours were scheduled to describe the services they provide. They focused on how to enrich your travel plans to the International Hoo-Hoo conventions that are scheduled over the next few years. A little advance planning on such travel plans is most rewarding both in pleasures derived and the money saved.

Finally it was the annual meeting and 1982-83 officers were to be elected to take office in September. The nominating committee had presented: For President Wayne L. Hare; Vice President, Tim K. Fox; Secretary, David B. Marteney; Treasurer, Kent L. Vice.

The meeting at Lakeshore Supper Club started at 6:29 with an attitude readjustment period followed by body revitalization at 6:59 and the mental enrichment beginning at 7:39 P.M.

Although the Club's next regular meeting will not convene until September, inactivity will not be the benchmark of the summer. A golf tournament is on schedule for June 27 and a family picnic at the O'Connor Ranch for August 21. The regular meeting for installation of officers and a program to be announced is set for September 20.

### Golf Tournament, Notable Hoo-Hoo Visitors, Meetings Keep Central Florida #115 Busy

**T**HURSDAY, APRIL 1, Central Florida Club #115 held its monthly meeting and an April Fools Day Concat. Eleven new members were brought into the world of Hoo-Hoo.

May was a busy month for Club #115, May 6th we held our regular monthly meeting. On May 20th district #4 of the Florida Lumber and Building Materials Dealers Association held its quarterly meeting with a great Bar-B-Q put on by Ralph Clark and Greenwood Products. Most of the members of FLBMDA are also members, so it's like another monthly meeting only with wives and friends. Their secret seasoning Bar-B-Q Sauce is the best in the South and was a great treat.

May 21st Club #115 held its annual Golf Tournament at the West Orange Country Club in Orlando. The winners were: Jim Hamilton, Orlando Lumber Co., with a low gross of 73; Lee Doss, Panning Lumber Co., with a low net of 71; Gary Keaton, McKewen Lumber Co., longest drive on hole #12; Jim Willey the longest drive on the 4th hole; Joe Lusk, Dyke Industries, Orlando, closest to the pin on hole #5.

Many thanks to Denzel Simmons of the Panning Lumber Co. who once again organized and coordinated a great golf tournament.

May 24th we were honored by a visit from several of our International Officers. So Club #115 hosted an "All Florida" cocktail reception for the visiting dignitaries and their families, members, wives and friends from throughout the state.

Those that came in from around the country and the world were Jimmy Jones and wife, Snark, Dan Brown and wife, Kevin Kelly with family and friends from down under "Australia," Dick Wilson and wife, David Lee and wife, David is our supreme Nine Representative from District #9. There was a fine turnout from most all the Florida Clubs and everyone enjoyed meeting and socializing with the visiting officers and their families. Snark Dan Brown presented gifts to Phil Cocks, Vice Gerent Snark, Bud Ryan, Deputy Supreme Nine and Jack Phillips President of Club #115.

(L to R) 1st row - Snark, Dan Brown, David Lee, Kevin Kelly, Dick Wilson, Phil Whitford. 2nd row - Buddy Kummer, Bud Ryan, Phil Cocks, Denzell Simmons, and Larry Jordan.

## Briefs in the Industry

"School just doesn't give enough exposure to the real world of business!" So goes a common complaint of many college students. But furniture manufacturing and management students at North Carolina State University at Raleigh are due for a whopping dose of the "real world" this year. That's because the Wood-working Machinery Manufacturers of America (WMMA) is again sponsoring six students and four faculty members to attend the International Wood-working Machinery and Furniture Supply Fair, Sept. 11-14, in Louisville, Ky.

W. E. "Wilf" Livermore, president and general manager of Nicholson and Cates (Burlington) Ltd., Burlington, Ontario, was today elected president of North American Wholesale Lumber Association, celebrating its 90th Annual Meeting at The Homestead, Hot Springs, Va. With a membership totaling more than 600 located on both sides of the border, the association members are primarily involved in the sales and distribution of softwood lumber.

Gordon J. King, president of Hampton Lumber Sales Company, Portland, Or., was elected this week to be 2nd Vice President of Northern American Wholesale Lumber Association for 1982-83.

Cliff C. Smoot was named Vice President and General Manager and Robert E. Crunkilton was promoted to General Manager — Manufacturing and Marketing of Masonite Corporation Western Lumber Division, Calpella, Calif. The appointments were announced by William J. White, President of the Chicago-based manufacturer of building products. Smoot succeeds John M. MacGregor, who has been named Vice President and General Manager of the company's Western Hardboard Division in Ukiah, Calif.

United Exposition Service Company has been selected to handle installation of the 1982 International

Wood-working Machinery and Furniture Supply Fair. The Fair will be staged in Louisville, Kentucky, September 11-14 with John Zinn, show manager. Headquartered in Chicago, United Exposition service maintains offices in twelve other American cities.

Ralph Peinecke, vice president of timberland resources for Boise Cascade Corp., was re-elected president of Industrial Forestry Association in the annual meeting in Portland. The 48 year-old association represents wood users and timberland owners in Western Oregon and Washington.

A national lumber products distributor with \$130 million in annual sales, Furman Lumber, Inc., Boston, is the seventeenth largest privately held company in New England, according to a study conducted by New England Business Magazine and published in its May 3 issue.

Convening in an atmosphere of prolonged economic recession, the National Forest Products Association 1982 Spring Meeting in Washington, D.C., May 16-19, concentrated on possibilities for reviving the housing market through economic stimulus legislation and resolving the federal budget deficit issue, and on developing new market alternatives for wood products, both domestic and foreign.

Massachusetts Gov. Edward J. King lauded the Retail Lumber Dealers Foundation for winning a special national Drummer Award from Building Supply News Magazine. The award was presented in recognition of the foundation's One-Stop Energy Center program which is designed to make energy-saving information easily available for consumers.

More than 70,000 visitors attended the Forestry Industries Fair in Brisbane May 21-23. Demonstrations included oldtime bush crafts of sleeper cutting and yoke shaping, crosscut saw races, a magic show and performances by the top bush bank Ran Tan. Over forty exhibits were featured.

### • REPORT FROM JURISDICTION VIII Continued from page 21

January 1982 found me winging my way to the winter board meeting in Palm Springs, Calif. A great winter meeting and renewal of old friends. At this time, final plans were made to physically move the International Office from Norwood to Gurdon as of Feb. 1, 1982. My good wife and I drove a pickup truck and fully anticipated in moving with unit. Our travel took us through Atlanta, Ga. so we were thrilled to spend a night with Dick and Fran Wilson. We had such a fine evening, such gracious friends. Thanks Dick and Fran. We arrived in Dedham, Mass. on Jan. 24. Extremely cold weather. After days of packing and loading, my wife, Russ McClain and I bade farewell to Boston. I believe the fact that Snark Dan Brown appointed me a part of the transition team and the fact that I was physically involved in the move was the highlight of this year's activities for me.

In April this year, as has been the custom since 1957 we offered 3 scholarships to forestry students from Iowa State University. This has been Iowa Hoo-Hoo #102 project for many years. We are very proud to be able to keep this project going.

In May I spent three days in the Houston area, Leonard Craig and Joe Breeden gave of their time to make this trip very enjoyable. We were privileged to have Kevin Kelly and his group from Australia presenting the latest information about the convention. Many people were interested.

The balance of my year will be involved in club meetings and attempting to keep the membership informed.

Gentlemen, as I close out this period of my Hoo-Hoo life, I wish to thank all those who have made it possible. Especially all of my Juris VIII club officers. Also those individuals at International Level and those who have continued to push me to be involved, Jimmy Jones, Dick Wilson, Bernie Barber, Bob Van Every, Lurn Champ and many, many others. Thanks to all and because of this I promise to always give to Hoo-Hoo my very best.

TO ALL HEALTH, HAPPINESS AND LONG LIFE  
and now on to KANGAROO in 82.

Fraternally yours,

Carle H. C. Hall L57737

## Jurisdiction IX

DAVID E. LEE  
SUPREME NINE

May has been a busy time for Hoo-Hoo in Jurisdiction IX with the gathering of all three of the top International Officers and a delegation from Australia to promote the convention in Atlanta for the Atlanta Hoo-Hoo Club #1 annual B-B-Q and Pig roast held at Lake Lanier.

Snark Dan Brown and his lovely wife Eloise joined 1st Vice President Kevin Kelley and his son Peter, 2nd Vice President Dick Wilson and wife Fran; Ramases #72 Jim Jones and wife Betty; Supreme 9 member David Lee and wife Janie for the festivities held on Saturday May 22nd.

Listening to a country and western band and sipping on a cold beer or other refreshments only served to generate the appetites of those in attendance. Over the course of 4 hours, 2 whole BBQ pigs were devoured and a large quantity of liquid beverages were consumed.

Many thanks to Paul Timmons, Pat Story, Bob Vordebrug and John Walker of the Atlanta Club for their time and energies required to make this outing the great success it was.

Having finished in Atlanta on Sunday May 24th the entire entourage set out for the beautiful sunshine city of Orlando, Florida to meet the Central Florida Hoo-Hoo Club #115 and representatives of our other Florida Clubs. While in Orlando the Australians and our very own Snark of the Universe visited Disney World, prior to our cocktail party Monday night.

Upon arriving at the cocktail party hosted by Club #115, various speeches and introductions were given and Snark Brown presented gifts to several dedicated Hoo-Hoo's for their hard work in the Florida area. Our appreciation is also expressed to Bud Ryan, State Deputy Supreme 9 and Phil Cocks for their hard work and dedication to Hoo-Hoo.

All things considered, this visit to Atlanta and Orlando coupled with all the rest of the local clubs' activities for the month made May a busy time of the year for Jurisdiction IX.

Hopefully, we can all do it again next year. We will look forward to it.

Fraternally,

David Lee 83769  
Supreme 9, Jurisdiction IX
