Log & Tally (SPS 317-560) is published quarterly for \$5.99 per year by the International Concatenated Order of Hoo-Hoo, Inc., P. O. Box 118, Gurdon, Ark. 71743. Second class postage paid at Gurdon, Ark., and additional mailing offices.
POSTMASTER: Send address changes to Log & Tally, P. O. Box 118, Gurdon, Ark. 71743.

AL MEIER L-71555
Snark of the Universe

The International Order of Hoo-Hoo is the greatest fraternal organization in the world today. If you ever doubt that statement, try being it's International President for one year. By the time you read this article I will have just about finished my term and will be preparing for embalment in Bretton Woods.

I can honestly say with all my heart, next to God and my family, that being Snark of the Universe has been the greatest experience in my lifetime. I've traveled from Brisbane, Australia to Boston, Massachusetts, from Victoria, British Columbia to Miami, Florida. I've traveled in a Rolls Royce in Dallas, Texas, on a Brahman Bull in Goddard, Kansas and a beautiful yacht in Sydney Harbor, Australia.

Believe me, wherever I traveled, whether it be in Honolulu, Hawaii or Gurdon, Arkansas, I have been greeted and cared for by the finest people in the world.

I can assure every member in Hoo-Hoo International that we have the finest and hardest working Board of Directors in Hoo-Hoo today than we've ever had in the history of our great organization. If any of you members have not had the opportunity to meet your jurisdiction Supreme Nine this year, you have missed meeting one of the finest men in our industry. It's not too late to give him a call or drop him a line to let him know you appreciate all his time and hard work he has put into your Hoo-Hoo fraternity. You will both be richer for it.

The Supreme Nine members have done an outstanding job in helping me with my travel plans. Wherever I went they had directors meetings and general membership meetings scheduled long before I arrived. In most cases, they traveled their jurisdiction right along beside me and personally introduced me to club officers and members.

Due to the fact all the Supreme Nine members were so great I shouldn't single anyone out, but, I've got to take my hat off to Brent Crosby, J-6. Brent took two weeks of his vacation and time from his family to guide me through his jurisdiction in the Southwest and along the West Coast. Then, a short time later he landed in the hospital with heart problems. He was a very sick man but, thank God, he has recovered. Last I spoke with him, he was expecting to return to work. At any rate, this is the type of dedication your directors have given us this year.

The Board's main effort and project has been our Membership Drive and I can assure you a lot of hard work has been put forth to increase our membership by 10 percent. I am sorry to report he will not reach our goal we had hoped for, but, I believe we will show a slight increase in overall membership this year; it looks as though we have stopped our slide backwards.

Not all the credit goes to the International Officers; much of our success comes from the work of the local club officers and, of course, each one of you members of Hoo-Hoo International.

I must give special thanks to our International Vice Presidents, Jack Jacobson and Dick Campbell. They both did a tremendous job and I guarantee that Jack will be a great Snark next year and you will all be proud of him throughout the world; he's a very fine man.

A special thanks also to our International Secretary-Treasurer Bernie Barber for his help and encouragement. Sincere gratitude is also extended to Billy Tarpley and Beth Thomas who run our International Office. They're just great and Billy has done a beautiful job with the Log & Tally. I thank all of our Rameses for all the encouragement, telephone calls and letters. It would have been a very long year without them. Last, but not least, to my local Club, Tacoma-Olympia 89 and all the clubs in the Pacific Northwest — thanks for your support and dedication — I needed you.

To my secretary, Lori, my wife, Georgia and all of my family who supported me and every member in Hoo-Hoo International — I love you all.

Looking forward to seeing you at the International Convention in Bretton Woods.

LET'S KEEP THE INTERNATIONAL ORDER OF HOO-HOO ON THE MOVE!

Health, Happiness & Long Life.

Your Snark,

Al Meier L-71555

VICE PRESIDENT'S REPORTS

1ST V.P.

JACK JACOBSON

73133

By the time you read this, the convention in Bretton Woods, New Hampshire, will soon be on us and we should have all made our reservations and plans to attend. The Granite State Club has promised to make this one of the best conventions ever.

If all goes well, I should be installed as Snark in Bretton Woods in September and one of my main concerns is how to keep Hoo-Hoo strong. This year with a real push on membership new members and reinstatements, as of May 31 printout, we are down 6 percent from last year. This does not take in the JIV figures which are up over the 10 percent goal that we set for ourselves at the beginning of this term.

I think all of you club officers have to take a serious look at the type of meetings that are held. Ask your members what type of meetings interest them. Do they want stags, mixed socials, speakers, special event nights? If what you are doing is not drawing the membership, maybe you should try something different. Remember though, what works for one club in an area, doesn't necessarily work someplace else. But if your membership is dropping, you have to try a different program. Try and present what your membership wants, after all this is their organization and you as their directors have a duty to make it as interesting for them as you can.

Try to get your new members involved in the workings of the club. Whoever sponsors a kitten should be responsible for him the first year to see that he attends the meetings. He should make a special point of phoning him or picking him up and showing the kitten he is wanted at the meeting. Put him on a committee — make him feel he is part of the organization. Most people like responsibility. It gives them much more interest in what they do or belong to.

We must not ease off on membership drives. I'll be working closely with the S9 and helping in any way to start new clubs or reactivate old ones. Our Snark Al Meier, has done a very worthy job this year promoting fraternalization and fellowship in his efforts to maintain the membership. I intend to visit as many clubs as possible this next term and will do my utmost to try and meet the goals that Al has set in motion.

This has been a very interesting year for me. I have had the opportunity to visit and travel with the Snark on some of his visits to clubs in J II, III, V, VI, VII & IX. It has been a most enjoyable learning experience. I met old friends and many new ones.

In October, Norma and I are travelling to Auckland,

New Zealand for the JIV Conference then on to Australia to visit as many clubs as possible. If anyone is interested in making the trip with us, let me know. The hospitality "down under" is second to none.

If you haven't made your reservations for Bretton Woods, do it now. It is a beautiful part of the country that you wouldn't want to miss. Help make this convention a real success.

Looking forward to seeing you in New Hampshire.
Health Happiness and Long Life.

Jack Jacobson, 73133
1st Vice President

DICK CAMPBELL
L-77398

The year 1985-86 may not have been a big year for business but a busy year for Hoo-Hoo. I have been keenly involved with the JIV Directors as secretary-treasurer and in their projects on new membership, update the Operations Manual and keeping face with changes in taxation and new legislations as it affects us in Hoo-Hoo.

Snark Al and his American Contingent helped to cement the international association with the clubs and it was great to have been able to make several visits with him. Again, it was my privilege to represent him in New Zealand and an honor to have been able to charter the two new clubs on his behalf.

My trip to America in March-April was as always — packed with fantastic fellowship and interest. Dave and Jimmy Jones had me to Sacramento to see a senator and tell him about the marvels of Hoo-Hoo International, Fort Bragg, and what we call "King" prawns in Aussie served under the title of U.S. "mini-shrimp for the Bar-B" at the Black Bart Club. Metroplex club proved great hosts and the bus trip to Gurdon was wonderfully organized. I'm sure we all learned how to organize a superfunction is by super-effort as put in by the genuine "Champs" for the mid-year board meeting-museum dedication. I was fortunate to be accompanied by Chuck Lemner and L. A. President Jim Golding to see Ken Coleman in South California and although seriously ill, we got a few good laughs from him. Like Chuck and Jim, he was an associate member of Woy Woy Club and a well received visitor there in 1982 with his wife Delores. I'm looking forward to "New Hampshire in the Fall" and calls in U.S. and Canadian clubs whilst traveling to

(Con'td on next Page)

(Continued from Page 1)

and fro. I've still got a busy schedule with local clubs in Queensland and Victoria before the convention. We are looking forward to Jack Jacobson's visit as Snark in October and urge any Hoo-Hoo available to accompany him, that the Aussies and the Kiwis will give them a wow of a time.

Finally, I believe Snark Al and the Supreme Nines have set us a top standard in purpose and performance to uphold

and I trust club meetings and members will rise over the ensuing years. Believe me, I'll be in there with the team doing all I can for the benefit of Hoo-Hoo.

Dick

SUPREME NINE REPORTS

Jurisdiction I

**A. K.
PETE
SHEARER III
84945**

Some thoughts about our fraternity as this Hoo-Hoo year draws to a close in J-I.

We were all charged with increasing membership by our Supereminent Snark at the beginning of his term and most have worked hard to do so. But it sure hasn't been easy. Many people in the clubs are just members and not workers. That's not all bad because clubs do need people who are just members. You all know them; these are the guys who stand around telling lumber stories and spit in the sawdust. This is a neat part of what Hoo-Hoo is all about and it is fun to do this. But it doesn't get the job done.

Clubs also need workers. They need those unselfish and tireless Titans of timber who give voluntarily of their time and money to make the meetings work so that the members can come out and have something to do. Thank the good Lord for these workers because they are the real leaders in our forest products industry and we can all be very proud of them. They really make it work.

I have had the good fortune to meet many of these leaders in my first year as S-9 J-I and their clubs bear the fruits of their efforts in better, more informative meetings and increased membership. Molly Pitcher 138, Washington

099, Harry Folsom 013 and Granite State 107 are sterling examples of what I mean. Other clubs that are building membership, as per the Snark's directive, are Nutmeg 199, Evergreen 192, Cradle of the Union 161 and Walt Whitman 171.

However, we all know that good things don't happen overnight! Our new resurgence of life will not take a complete hold all at once. It will take a lot of hard work to keep the momentum going and we look to those leaders, the real workers, to do so. We would have so little without them. The sap is rising in the trees and the true feeling of Hoo-Hoo is spreading throughout the land and across the oceans. We must keep nurturing and developing it so that those who are qualified will become aware. Then, they too can choose between spitting in the sawdust or becoming a real leader.

There will be much to talk about during our convention in September. It is very important that we have a great turnout from J-I since we are the Host Jurisdiction. There will be many of our concatenated companions in attendance with some from as far away as the great country of Australia and we want to show them our true Hoo-Hoo hospitality. What can be more fun than watching Dick Campbell strumming his Ukulele, to the tune of Waltzing Matilda, in a room full of pretty girls. Please make your reservations now and don't delay. Rocky Furman and the Granite State Club have gone all out to make this the best one ever and we sure don't want to disappoint them by not being there.

I will look forward with great anticipation and pleasure to seeing all of you in Bretton Woods. Health, Happiness and Long Life.

LOG & TALLY

Jurisdiction II

**GORDON
GRAHAM
L-70604**

DOWN TO THE WIRE —

The May 1986 figures have been published and it appears Jurisdiction II is 34 members short of being 100 percent for the year. This is not an insurmountable number, and hopefully, by the time you read this, we will have reached the 100 percent mark. Some clubs have yet to hold Concats for the year and this would be a good way to hit the top.

A NOTE OF THANKS —

Since this will be my last article before the election of a new Rep from J-II, I want to take this opportunity to publicly thank a few people for their help and support during my two-year term.

To Ron Salvatore, the Executive Vice President of the Michigan Lumber & Building Materials Association, who has made available to the Detroit and Saginaw Clubs a booth at the annual convention in Grand Rapids. This kindness and the offer of space in the MLBMA magazine has given us the opportunity to spread the word about the advantages of belonging to Hoo-Hoo. I know other clubs around the country have shared this same cooperation with the various state associations. All Hoo-Hoo is in their debt.

To Ken Hallgren "Old Reliable" of the Northern Illinois Club, who has been my Deputy Supreme Nine and has kept things moving in that part of the Jurisdiction. And to Ed Foley "The Human Dynamo" of the Ben Springer Club, who has helped keep that club active through his keen interest in Hoo-Hoo and his tenacity.

To all the guys in the Saginaw Valley Club who, because of their youth and enthusiasm, have developed into one of the great clubs — in my opinion. My guess is, this club will grow much larger than it's present 41 members and will, in the future, be well known throughout Hoo-Hoo.

To Fred Meyer of the Rochester Club, past S-9, J-II, for his help in keeping that club alive, in spite of his new job and very busy schedule. And to Bob Greiner of the Lumber Jac Club in Pittsburgh — he is the "glue" that holds this club together.

To all the men in the Chicago Club, who have stayed together and supported Hoo-Hoo. Here is another club with sooooo much potential!

And last, but not least, to the members of the Detroit Club, my home club, who have supported me over the years locally and in more recent years at the International level. A

great bunch, with an acute interest in all phases of the Hoo-Hoo organization.

Fraternally yours, with a wish for Health, Happiness and Long Life.

Gordon
Gordon Graham L-70604

Dear Brother Hoo-Hoo's,

The last three months have been real exciting and I have been enlightened by my first Hoo-Hoo Board Meeting in Gurdon, Arkansas. I drove to Las Vegas and flew to Dallas, Texas. I spent two nights in Dallas and attended the Metroplex Club 242 with Snark Al Meier. Eddie Hunt, S-9 for J VII, showed us the sites of Dallas and Ft. Worth while his wife, Martha, escorted the women to the places to spend money — fun for all! We had a Hoo-Hoo bus to Arkadelphia which is 15 miles from Gurdon, Arkansas. The grand opening of the Hoo-Hoo Museum with all of the old stuff from different people and clubs was a sight to see. The midterm Hoo-Hoo board meeting took up lots of our time with Hoo-Hoo business — new and old. Part of one day was spent at the horse races at Hot Spring, Arkansas. There were about 45,000 racing fans there that day. I bought a piece of the track while there — but have no title!

Back to J III and the Mini-conference in Everett, Washington, North Cascade Club 230 on May 30 and 31st. There were 87 Hoo-Hoo members and wives. Jeff Loth, President, and the Mini-conference Committee — Dick Vuori, Dave Weiser, Mel Smeder, Bob Byer and wives are to be congratulated for the fine work they did for an excellent conference.

April 20th I visited the Willamette Valley Club 33, mainly to see why they had not paid their dues and the President Richard Cone was unaware of the problem. This happens in a lot of the clubs and the remedy is to have the President check on the Secretary and both keep the other informed of what is transpiring in the club business.

June 11 I visited the Rogue Valley Club 94 for their family and children races and games at the Elks Club Park on the Rogue River. Snark Al and wife Georgia were present and the next day they attended a board meeting with

(Cont'd on next Page)

(Cont'd from Page 3)

the Winema Club 216 and a regular meeting with the members and wives in attendance. Friday, after breakfast at Ramase 74 Dan Browns' house, we toured Crater Lake National Park and on to a meeting with the Paulina Club 220 at Bend, Oregon on Friday night.

June 20 I attended the Gooselake Club 258 and was shown a good time by Dick Emery the Club President.

In visiting the different Hoo-Hoo Clubs, I find that clubs should have a variety of members from all the different phases of the wood product industry as this brings the members to a better knowledge of the other persons problems.

Remember the "Woods Promotion Trophy." The club delegate is responsible for all the contest material and for providing the *Log & Tally* with a complete story for publication. Send your material or bring it to the International Convention or address it to Gurdon Headquarters.

One other thing we need to do is for the Hoo-Hoo Clubs to plan a meeting half-way between clubs. This creates a fraternal bond between clubs along with being a lot of fun!

Nuff for now. See you at the Interantional Convention this September.

This is my last report to Log and Tally as Supreme Nine for JIV and my successor Tony Hobson will be reporting for the next year.

As Supreme Nine I have met a lot of new friends and made stronger ties with previous acquaintances. To me this is what Hoo-Hoo is all about — put in some effort and enjoy the rewards.

I wish to repeat my earlier comments — Hoo-Hoo is a great organization — we must all strive to increase this greatness. Don't leave it to one or two people. Involve all club members and club members be prepared to become involved. Make your organization an Industry Fraternity where people can gain knowledge and become better contributors to our industry.

My thanks must go to my wife Beverley who has been a tower of strength, to Dick Campbell, Tony Hobson and Rod Abel for being such a great executive to all my Deputy Supreme Nines and the Past Presidents of JIV who have worked so hard to make Hoo-Hoo strong in JIV — to Doug Prendergast our great Editor of South Pacific *Log and Tally* and finally to my friend Jimmy Jones who gave me so many of the ideas I used in my year as President JIV.

Health, happiness and long life.

In the last *Log & Tally* I said we would have some worthy news items for this issue. This was actually said with tongue in cheek and fingers crossed, but if you use the power of positive thinking good things sometime do happen.

The first good news is that we now have a new Deputy Supreme Nine for jurisdiction five. His name is Bruce Woodrow. Just for starters with "wood" in his name we can't go wrong. Bruce is very active in his Victoria club and also attends a lot of the meetings with the Cowichan Club. Bruce was also responsible for a lot of the success at the Victoria Convention in 1983. We have a lot of catching up to do with the Hoo-Hoo year almost over but with Bruce as my new liaison I am sure the lines of communication will soon be flowing and J-5 will be one of the best in Hoo-Hoo.

As of May 31st we are only 4 percent away from getting our 10 percent increase in membership for this year. I hope you clubs out there in J-5 don't give up when we have a chance to reach our goal. I will be happy to arrange a Con Cat at the convention if you bring any new kittens.

Have been advised by the Snark that he will be visiting us in Toronto on his way to the convention and will be playing in our annual golf tournament on Sept. 11th. Anyone else traveling through Ontario on their way to the convention are also cordially invited. Snark AI will also be

(Cont'd on next Page)

LOG & TALLY

(Cont'd from Page 4)

honoring the new Octoberfest Club 262 in Kitchener with a visit. (Fill him up with a lot of pig tails and sauerkraut and we won't have to embalm him at the convention.)

I would like to finish this report on a serious note by mentioning the current problem developing between our two great countries Canada and the United States over cedar shakes and shingles and softwood lumber. Depending on the final outcome it could make or break our great organization. As a fraternity don't you agree that a lot of problems and differences can be solved between friends better than lawyers? Isn't one of our slogans "Through Hoo-Hoo a United Lumber Industry"? Isn't there something to be learned from our code of ethics and our golden rule? Maybe its time that we talk to our members of parliament and our congressmen before the wound becomes too hard to heal! We must stick together as true brothers that we are, and not be used as pawns in a game of political chess!

Hope to see you all at the convention and make it the best we have ever had.

Health, Happiness & Long Life

**BRENT
F.
CROSBY
77009**

The mid-Term Board Meeting in Gurdon, Arkansas on March 20-22, 1986 was one whale of a time. The greatest of accolades must go to Laurn and Maxine Champ for their super human effort in putting it all together. I had such a good time that 14 days after my return to California I had a problem with the "Pig Valve" which I had put in my heart in October of 1977. To make a long story short, on April 9th, I had a new mechanical Mitro Valve put in to replace the old pig valve. Enough of that! Looks like Jimmy Jones and I are keeping a couple of cardiology doctors busy. I want to thank all of you who sent cards and flowers, etc. They helped during the recovery period.

Speaking of recovery, Jimmy and I are proof that it's hard to keep an old Hoo Hoo down. On May 16th, I attended Oakland Club 39 55th Annual Reveille (Golf, Dinner, and Great Show). I had received an invitation from Phoenix Club 72 to attend their Golf, Dinner, and Concat on April 20th. Scott Gates, Duncan Hossack and their group put on a great program for everyone. Next — Black Bart Club 181 had what was called "Harry Merlo Night." As you know, Harry Merlo is President & Chief Executive Officer of Louisiana-Pacific Corporation. He gave a very stimulating talk on Who's Who in Lumber and what direction the

AUGUST, 1986

industry is headed. Dave Jones and group did a great job of promoting the meeting. They had about 185 people in attendance on the Friday before Memorial Day weekend. Also in attendance was Dave Davis — Seer of the House of Ancients, who assisted in getting Harry started in the lumber business. To finish off the month of May, Jeanne and I ventured off to San Diego on the 30th for a great spectacular called Casino-Night at Club 3. Warren Hoffman and Jim Gilchrist had professional gaming equipment and dealers are set up for the participants. The gambling, buffet, and gift drawing were all super.

What a way to recover! Rather than sit around the house, read or watch TV, I found that being with great Hoo Hoo people and visiting the beautiful cities around the Jurisdiction was the best medicine for me.

I will finish this report with a vote of thanks to the club officers, Deputy Supreme 9, and members throughout Jurisdiction 6 for their efforts toward increasing membership during the 1985-86 year. We may not have reached our goal, but we had great concats and brought in an exciting new group of members. The Membership and Reinstatement Drive is not over and we will apply what we learned this year and carry it over into next year when we will do better.

HEALTH, HAPPINESS, AND LONG LIFE.

Brent F. Crosby L-77009

Jurisdiction VII

**EDDIE
Z.
HUNT
85910**

Since the mid year board meeting at Gurdon in March, things have been going very well in Jurisdiction VII.

In April I met the Snark and his lovely wife at Wichita where we met with the Wichita Club 173. We had a grand stay in Goddard, Kansas at the home of Laurn and Maxine Champ. We thank them very much for the lovely hospitality and friendship. The Wichita meeting was highlighted by seeing the Snark of the Universe aboard a 1200 pound Brahman Bull. Oh my, what a sight to behold!

Upon leaving Wichita, the Snark, Georgia and myself traveled to San Antonio, Texas where we met Martha and attended the Centennial Convention of the Lumberman's Association of Texas. We had a Hoo-Hoo booth at the convention for three days and met and talked to a lot of people interested in our fraternity. If the Snark is better at anything other than bull riding, it is talking to people about Hoo-Hoo.

AI is one of the most dedicated people I have ever known and he works hard all the time for the good of Hoo-

(Continued on Next Page)

5

(Cont'd from Page 5)

Hoo and should be commended for it. At the convention we got only a few reinstatements and new applications, but Al did a very good job of promoting our organization.

After the convention I attended two concats. The first being at my home club, Metroplex 242. We had a very nice meeting and initiated nine new kittens.

In May I travelled to Lufkin, Texas and met with the East Texas Club 135. We had a great steak feast along with concating nine new members. I want to personally thank President Ron Hufford 84438, Joe Rich 89883, and all the members in East Texas for their great dedication to Hoo-Hoo.

HEALTH, HAPPINESS & LONG LIFE.

Hoo-Hoo International Board meeting and museum dedication was probably one of the best. Everything was very well planned and all events were held on time. We all have to give Lauren Champ and his wife, Maxine, most of the credit for the whole weekend. The board meeting was very informative and a lot of business was taken care of, along with business, the Hoo-Hoo meeting and Concat held out to the lake was well attended. Everyone enjoyed the horse races at Hot Springs and the banquet the last evening. Before leaving for Gurdon, my wife, Marian, and I attended Roberta Halls funeral at Des Moines, Ia. We drove to Dallas, TX to join the rest of the Hoo-Hoo people before going to Gurdon and enjoyed Hoo-Hoo Club meetings thanks to E. Z. Hunt and the rest of their club.

April 3rd — Club 12 held their Annual Lumbermen of the Year and Recognition Banquet at the Minneapolis Golf Club. Roger Schear was named "Man of the Year." They had a very good turnout with everyone enjoying Walleed Pike or Steak Dinner.

April 7th — I attended Omaha Club 125 meeting with a program by Mr. Don Shreffler (Regional Director) on Southern Forest Producers Association which was very interesting.

April 23 — Central Minnesota Club 91 held a Concat at

the V.F.W. Club in St. Cloud, MN. They took in 15 new kittens and 3 reinstatements that night. They already had 100 percent paid-up membership so that should give them a great outlook. 42 people attended the concat and dinner.

May 5th — Marian and I attended Ladies nite at Fontenelle Hills Country Club in Bellevue, Nebr. with Omaha Club 125. A program slide was shown on the Fontenelle Forests. The dinner and evening was great with a very good turnout attending.

Snark Al Meier arrived in Sioux Falls, S.D. on May 16th and I met him at the airport, from there he drove to White Lake area to spend the weekend in his old hometown. He got back to Sioux Falls Sunday evening and we took off on Monday May 19th for a golf outing with club 102 at Lake Panorama at Panorama, Ia. A beautiful golf course to play 18 holes with the Snark and also Carle Hall. 44 members stayed to enjoy a great dinner and see Al's slide presentation on Hoo-Hoo. One of the oldest members at the outing was Robert Schaefer 40156 from Ames, IA.

May 20th — We left Des Moines, IA for a meeting with Hawkeye Club 193. We arrived at Cedar Rapids where President Darrel Smith picked us up and took us out to the Amana Colonies for a meeting. There was 16 members present at the meeting and almost all were Past Presidents. One of their members Charlie Gun, 45855, was there to help get their club rolling again. Great guy and a great story. As all clubs, they are faced with loss of lumberyards in their area.

From Cedar Rapids, IA we drove north and I did take Al to see "The Little Brown Church" which is where the song came from, Little Brown Church in the Vale.

May 21 — We got to Kassen, MH for a golf outing with Southern, MN Club 150 at Zumbro Valley Golf Course. After 9 holes of golf, Snark Al and I were ready for an attitude adjustment. President Chuck Sprenger introduced the Snark and Rameses Tom Partridge and several others from Minneapolis Club. Snark showed his Hoo-Hoo slide presentation to over 44 members who took part in the days events.

May 22 — Snark Al Meier and I were at a 7:00 breakfast meeting with Twin Cities Club 12. It was a very interesting meeting with about 12 members participating in several discussions on future Hoo-Hoo problems. After leaving Minneapolis, we drove to Salem, S.D. (about 5 hrs.) where Al was most welcomed and again showed his slide presentation to a very good turnout of golfers and a good S.D. steak, thanks to Ed Kranz of Salem Lumber, Co.

This concludes a week of one of the most exciting weeks about Hoo-Hoo I have ever had. Some clubs were made up of mostly young members while some were mostly old members with low numbers. They all have the same problems, memberships.

Just before sending this report in, I see we have dropped to the bottom in membership in JVIII. We were doing pretty good so I have no answer as to why we cannot get going. In closing clubs, let's not be lost, let's put more work into membership Health-Happiness-Long Life.

Lyle Hoeck S-9, J-VIII

Jurisdiction IX

PHIL COCKS
L-77298

The past few months have seen some good activity in our Jurisdiction. Miami Club had a very successful B-B-Q. An annual event which is their primary fund raiser for the year. Frank Gray represented me at this function and also accompanied me to their meeting in April during which we showed the Snark's slide presentation on Hoo-Hoo. The following evening we did the same thing with the emerging Melbourne (FUA) Club. In both cases we had a very good response and in the question and answer period found that the average member's idea of Hoo-Hoo and the function of H.H.I. was quite limited.

The Brevard County area continues to show an interest in a club, however, our last meeting (our third) was very poorly attended. We need to get the word out in advance and follow up.

Orlando (Central Florida 115) continues to have good meetings, interesting speakers and events. On May 9th, 115 held their Golf Tournament at the West Orange Golf Club. Better than 40 members played in a scramble and had a lot of fun. Jacksonville 52 has been hard at work on the upcoming Jurisdiction Conference at St. Augustine on July 4th. About 40 to 50 members are expected and should be a

very successful event. Fort Myers and Tampa—St. Pete are having good meetings and functions. They both have good young leadership and we are expecting big things from them. I haven't had any communication lately with Atlanta and Hampton Roads.

I have just returned from the JIII Mini-convention in Everette, Washington. I was most impressed by some of the programmes held by some of the clubs in the Pacific Northwest. I would like to discuss some of these at our mini in July.

Our most vital concern is membership. With all our efforts, we have barely held the line and have definitely missed our 10 percent increase.

Club and H.H.I. dues are very reasonable and there is no excuse for nonpayment. It is every club officer's responsibility to collect dues. Why let an unpaid member attend your meetings, subsidized by the paid members?

There will be some items on the agenda for the H.H.I. Convention, in New Hampshire in September that could affect the future of our organization.

Some proposed by-law amendments are shown in your last *Log & Tally*. Voting on these issues, (by my understanding of the by-laws) must be made by delegates in attendance. Please give consideration, to your club sponsoring a delegate to attend.

Don't forget, we need \$1 per member, per year, to underwrite our centennial in 1992.

In the meantime, keep striving to make your club better.

Health, Happiness & Long Life,

Hoo and should be commended for it. At the convention we got only a few reinstatements and new applications, but Al did a very good job of promoting our organization.

After the convention I attended two concat. The first being at my home club, Metroplex 242. We had a very nice meeting and initiated nine new kittens.

In May I travelled to Lufkin, Texas and met with the East Texas Club 135. We had a great steak feast along with concatting nine new members. I want to personally thank President Ron Hufford 84438, Joe Rich 89883, and all the members in East Texas for their great dedication to Hoo-Hoo.

Hoo-Hoo International Board meeting and museum dedication was probably one of the best. Everything was very well planned and all events were held on time. We all have to give Lauren Champ and his wife, Maxine, most of the credit for the whole weekend. The board meeting was very informative and a lot of business was taken care of, along with business, the Hoo-Hoo meeting and Concat held out to the lake was well attended. Everyone enjoyed the horse races at Hot Springs and the banquet the last evening. Before leaving for Gurdon, my wife, Marian, and I attended Roberta Halls funeral at Des Moines, Ia. We drove to Dallas, TX to join the rest of the Hoo-Hoo people before going to Gurdon and enjoyed Hoo-Hoo Club meetings thanks to E. Z. Hunt and the rest of their club.

April 3rd — Club 12 held their Annual Lumbermen of the Year and Recognition Banquet at the Minneapolis Golf Club. Roger Schear was named "Man of the Year." They had a very good turnout with everyone enjoying Walleyed Pike or Steak Dinner.

April 7th — I attended Omaha Club 125 meeting with a program by Mr. Don Shreffler (Regional Director) on Southern Forest Producers Association which was very interesting.

April 23 — Central Minnesota Club 91 held a Concat at

the V.F.W. Club in St. Cloud, MN. They took in 15 new kittens and 3 reinstatements that night. They already had 100 percent paid-up membership so that should give them a great outlook. 42 people attended the concat and dinner.

May 5th — Marian and I attended Ladies nite at Fontenelle Hills Country Club in Bellevue, Nebr. with Omaha Club 125. A program slide was shown on the Fontenelle Forests. The dinner and evening was great with a very good turnout attending.

Snark Al Meier arrived in Sioux Falls, S.D. on May 16th and I met him at the airport, from there he drove to White Lake area to spend the weekend in his old hometown. He got back to Sioux Falls Sunday evening and we took off on Monday May 19th for a golf outing with club 102 at Lake Panorama at Panorama, Ia. A beautiful golf course to play 18 holes with the Snark and also Carle Hall. 44 members stayed to enjoy a great dinner and see Al's slide presentation on Hoo-Hoo. One of the oldest members at the outing was Robert Schaefer 40156 from Ames, IA.

May 20th — We left Des Moines, IA for a meeting with Hawkeye Club 193. We arrived at Cedar Rapids where President Darrel Smith picked us up and took us out to the Amana Colonies for a meeting. There was 16 members present at the meeting and almost all were Past Presidents. One of their members Charlie Gun, 45855, was there to help get their club rolling again. Great guy and a great story. As all clubs, they are faced with loss of lumberyards in their area.

From Cedar Rapids, IA we drove north and I did take Al to see "The Little Brown Church" which is where the song came from, Little Brown Church in the Vale.

May 21 — We got to Kassen, MH for a golf outing with Southern, MN Club 150 at Zumbro Valley Golf Course. After 9 holes of golf, Snark Al and I were ready for an attitude adjustment. President Chuck Sprenger introduced the Snark and Rameses Tom Partridge and several others from Minneapolis Club. Snark showed his Hoo-Hoo slide presentation to over 44 members who took part in the days events.

May 22 — Snark Al Meier and I were at a 7:00 breakfast meeting with Twin Cities Club 12. It was a very interesting meeting with about 12 members participating in several discussions on future Hoo-Hoo problems. After leaving Minneapolis, we drove to Salem, S.D. (about 5 hrs.) where Al was most welcomed and again showed his slide presentation to a very good turnout of golfers and a good S.D. steak, thanks to Ed Kranz of Salem Lumber, Co.

This concludes a week of one of the most exciting weeks about Hoo-Hoo I have ever had. Some clubs were made up of mostly young members while some were mostly old members with low numbers. They all have the same problems, memberships.

Just before sending this report in, I see we have dropped to the bottom in membership in JVIII. We were doing pretty good so I have no answer as to why we cannot get going. In closing clubs, let's not be lost, let's put more work into membership Health-Happiness-Long Life.

Lyle Hoeck S-9, J-VIII

Jurisdiction IX

PHIL COCKS
L-77298

The past few months have seen some good activity in our Jurisdiction. Miami Club had a very successful B-B-Q. An annual event which is their primary fund raiser for the year. Frank Gray represented me at this function and also accompanied me to their meeting in April during which we showed the Snark's slide presentation on Hoo-Hoo. The following evening we did the same thing with the emerging Melbourne (FUA) Club. In both cases we had a very good response and in the question and answer period found that the average member's idea of Hoo-Hoo and the function of H.H.I. was quite limited.

The Brevard County area continues to show an interest in a club, however, our last meeting (our third) was very poorly attended. We need to get the word out in advance and follow up.

Orlando (Central Florida 115) continues to have good meetings, interesting speakers and events. On May 9th, 115 held their Golf Tournament at the West Orange Golf Club. THE TRAVELING OF THE SNARK

by Snark of the Universe Al Meier L-71555

As I promised at the beginning of the year I felt you, as dues-paying members of Hoo-Hoo International, had a right to know where I had been and what I was doing to promote our great organization. Throughout the year I had the opportunity to visit parts of the United States I had not seen before; America is truly a beautiful country to travel. Hoo-Hoo also took me through Australia and Canada where I experienced not only the beauty, but the refreshing changes in cultures. Through the *Log & Tally* I have tried to retrace my footsteps, and keep you informed of my travels. What follows is the final chapter of the Snark's Travels:

APRIL 1 — This chapter begins at home again with the Tacoma-Olympia Club 89 general membership meeting. There was a good turnout of members to hear a guest speaker from ARCO tell us about the oil industry in Alaska and about the components that are built in our home town.

APRIL 10 — Brian Page, 82335 from Mt. Gambier 214, South Australia, was in town for a few days. Brian had gone out of his way for us in Australia and it was a pleasure to be able to return the hospitality during his stay here.

APRIL 15 — Flew to Wichita, Kansas to begin a tour of Jurisdiction VII. Laurn and Maxine Champ, R70 met Georgia and I at the airport, later that afternoon E. Z. Hunt, S-9, J-7 joined us for a reception in our honor at Champ's home. It was a great evening with several of the board members of Wichita 173 in attendance. I was able to show my slide presentation and everyone seemed to enjoy themselves.

APRIL 16 — The next morning we drove to Yoder, Kansas to be met by David and Margaret Marteney, R67. Al Fry and his wife, Adelaide, Owners of Yoder Lumber gave us a tour of the delightful Amish community. Georgia and I took a horse and buggy ride and enjoyed a delicious home cooked meal prepared by an Amish farm couple. That evening we attended a potluck meeting with Club President Jesse Seager and members of Club 173 at the home of Laurn and Maxine Champ. I had my first (and, hopefully, my last!) ride on a Brahman Bull — an experience I will never forget! Although the economy is down in Wichita, Club 173 is doing very well and is very active in the community.

APRIL 17 — Flew to San Antonio, Texas where we were met by Eddie's wife, Martha. We then attended the Texas Lumber Dealers Association convention. With the help of several members of the Houston Club 23, including President Solly Moglovkin, we manned our Hoo-Hoo booth for three days and signed up several new members. We spoke with many people interested in joining and we created a lot of excitement with our talk of re-activating the San

Antonio club. I'm sure Eddie has been working with the people in San Antonio and will have this club up and operating very shortly.

APRIL 18 — Georgia and I spent a few days relaxing and soaking up the sun in San Diego.

APRIL 20 — We drove to Cedar Rapids, Iowa and I believe the countryside around Cedar Rapids and Des Moines is probably some of the most beautiful country I have seen around the world. The fields and farm buildings are manicured almost to perfection. We were met at the hotel by Club 193 President Darrell Smith. We then met for a dinner meeting at Amana Colonies with the Hawkeye Club 193. They, too, allowed me to show my Hoo-Hoo slide presentation. There were more "old-timers" in attendance than I've ever had the pleasure of meeting with in one evening. One gentleman in particular, 84 year old Mr. Charlie Gunn, has a number of 45855 and several others present had numbers in sequence with his. This proved to make it an especially interesting evening. The Hawkeye club is struggling a bit at this time but their board of directors are full of vim and vigor and I am sure they will again be one of our top clubs in the future.

APRIL 21 — With Lyle behind the wheel again we drove to the Zumbro Valley Golf Course in Kassen, Minnesota to a tournament with the Southern Minnesota Club 150. We had a great turnout, about 50 people including Tom Partridge and past S-9 George Olsen from the Twin Cities Club 12. We were treated to a delicious steak dinner followed by a meeting led by President Charles Sprenger. Charles and their Secretary Richard Hackerson, whom is undoubtedly the most exciting club secretary I have met in Hoo-Hoo this year, along with the board of directors, are doing a great job. They not only will achieve a 10 percent increase in membership, but it appears they will double the numbers this year. It was a great day and evening full of good, Hoo-Hoo fraternalism ending with my slide presentation.

APRIL 22 — We were up early to meet with President Roger Scherer, Secretary Don Bleise and the board of directors of the Twin Cities Club 12. Also on hand were of a few of the "old-timers" — Tom Partridge, George Olsen and Shorty Ford. Roger then took us on a tour of Shearer Lumber Co., a very impressive operation. Lyle and I were then off again on our way to Salem, South Dakota to attend a dinner sponsored by Ed Kranz. Mr. Kranz, owner of Salem Lumber Co., for years has sponsored a golf tournament and dinner for the area lumbermen. This year men came from as far away as Iowa and Minnesota. Mr. Kranz is certainly to be commended for all he contributes to the lumber industry and to Hoo-Hoo International. This outing wasn't an official Hoo-Hoo function, but most of them in attendance were

Independently Yours For More Than 50 Years

PRSCO's local warehouse has served independent retailers exclusively since 1930. With ownership and operation by independent building materials dealers, PRSCO helps you to compete with larger marketers. And, our computer invoicing and bookkeeping control ensure you of greater accuracy in your accounts.

How To Beat The System

The services and benefits of membership in PRSCO are your competitive advantages.

- Confidential cost advantages
 - Cooperative purchase programs lower your merchandise costs
 - Dating programs, purchase rebates, and twice yearly member buying shows further reduce your costs
 - Buy from major manufacturers
 - Price, quality and shipping dependability
 - Outside representatives
 - Total transportation—carloads, pool-cars, trucks
 - Warehouse delivery or pick up allowance
 - Special pricing and custom deals with other area members
- All these benefits mean profits for you!

Invest Now To Preserve Your Future

Ownership in PRSCO is an affiliation directly related to your own enterprise. And, your independence is assured because what you want is what you purchase; no dictation, no special purchase demands.

In addition, membership in PRSCO is a one-time-only investment. Every member has an equal voice and equal vote. Ultimately, your overhead is reduced because of liberal group benefits. Becoming a member of PRSCO is your way to preserve your future and independence in today's competitive industry. All of our operations are governed by a dedicated Board of Directors, each of whom is an independent retailer.

Gutters	Pressure Treated Lumber	

(Cont'd from Page 8)

members. Following our great steak dinner all seemed to enjoy my slide show. We then returned to Sioux Falls and I caught a plane home the next morning.

MAY 2 — Attended Tacoma-Olympia 89's annual Ladies Night at a local winery, everyone enjoyed the wine and dancing after a great meal. Special guests 1st Vice President Jack Jacobson and wife Norma were also on hand for the festivities.

MAY 3 — Georgia and I jumped in the car and drove to Vancouver, Canada to attend the World's Fair Expo for a few days.

MAY 5 — Joined 1st V.P. Jack Jacobson, Club President Roy Anderson and other members for Vancouver 46's annual Draw Down. This function is always a very enjoyable evening and very well attended, well over three hundred men this year. Although, I didn't win any money, Jack was still smiling the next day!

MAY 16 — Flew to Sioux Falls, South Dakota to begin my tour of Jurisdiction VIII guided by Lyle Hoeck, S-9. Lyle greeted me at the airport and, just as he did last year, loaned me his wife's car.

MAY 17-18 — Spent the weekend in Kimball, South Dakota, my birthplace and enjoyable, restful time visiting with my many relatives.

MAY 19 — Back with Lyle again and up early with Lyle at the wheel on our way to Des Moines, Iowa. We played golf at the beautiful Lake Panorama Golf Club with President Terry Anderson and the directors and members of the Iowa Club 102. Following the tournament we had a delicious steak dinner followed with a meeting and my slide presentation.

MAY 28-29 — Phil and Sylvia Cocks, S-9, J-9, Carle Hall, R77 and Jimmy and Betty Jones, R72 arrived in Seattle to attend the Jurisdiction III Mini Convention. That evening a group of local Hoo-Hoo members and the visiting dignitaries spent a delightful evening on a dinner cruise through the waters of beautiful Puget Sound.

MAY 30 - June 1 — On our way to the Mini Convention we picked up International Secretary Billy Tarpley at the airport and spent the weekend with one hundred fellow members and ladies at another tremendously successful J-3 convention hosted by the North Cascades Club 230.

JUNE 3 — Attended Tacoma-Olympia 89's second concat for this year and took in an additional two members.

JUNE 6 — Attended Tacoma-Olympia's annual golf tournament at the Brookdale Golf Course in which I was fortunate enough to win the first place trophy in the Calloway Division.

JUNE 11 — Georgia and I drove to Medford to attend a picnic with the members and families of the Rogue Valley Club 94. It was a beautiful day at the Elks Club on the beautiful Rogue River. Bill and Ni Patterson, S-9, J-3 joined us and we all had a great time. President Mark Hefley, the board members and the club members, in general, are doing great things in this club. They recently received a special award from the Special Olympics Committee for all their help and support with the special olympics.

JUNE 12 — Georgia and I drove across the mountains to Klamath Falls where we were greeted by Bill and Ni Patterson and Dan and Elouise Brown, R74. We all enjoyed a wonderful lunch at the beautiful new Klamath Falls Golf Club. That afternoon we enjoyed a nice visit with Bob

Johnson, R60 and toured Jeld-Wen Industries guided by Winema Club 216 President David Bluhm. Later that afternoon we attended a cocktail party with the board members of Club 216 followed by a short board meeting hosted by Dan and Elouise Brown. That evening we joined club members and wives for a spaghetti dinner. It was very well attended; even Leonard Putnam, R65 showed up for the festivities (he came late, but he was there!)

JUNE 13 — Bill and Ni Patterson gave us a tour of the beautiful Crater Lake area. We then drove to Bend where Bill and I attended a meeting with the Paulina Club 220. Club 220, under the direction of President Will Ernst and Secretary Greg Vernon, has a great group of young and aggressive officers and tremendous things are happening in this area.

At this writing, I am planning to attend the Jurisdiction IX Summer Conference in St. Augustine, Florida. Other than local activities, I will be loafing and keeping to my businesses until September when I plan to visit the Toronto 53 and Oktoberfest 262 Clubs in Ontario, Canada on my way to the Board Meeting and 94th Annual International Convention in Bretton Woods, New Hampshire.

To this point, I have traveled 62,226 miles; 52,928 by air and 9,298 on land (not including one block on a Brahman Bull). I attended approximately 15 concats and observed approximately 187 men come into our great order. I visited 64 clubs throughout all nine jurisdictions attending board meetings, general membership meetings, ladies nights, conferences, golf tournaments, barbecues, conventions, parties and picnics. The overall attendance at these functions was approximately 3,415 people and I was very fortunate to shake the hands of the majority of these fine people.

In closing, I'd like to extend a special thanks to all the Supreme Nine members who guided me through their jurisdictions and, especially, to all you people that gave of yourselves, thank you for your hospitality, gifts and warm greetings during my travels. There are so many of you that it is impossible to recognize you all at this time. However, I did try to send notes to each of you — I am sure a few were missed — and to you, I apologize. I honestly and sincerely appreciate everything you all did for me during my term as your Snark.

It's easy to tell it's been a great year for me in Hoo-Hoo to be able to travel these great distances and meet the thousands of people of which I may have never had the opportunity to do if I had not been elected as your Snark of the Universe. It was a great Honor. To all you members in the International Order of Hoo-Hoo:

THANK YOU!

Health, Happiness and Long Life.

Your Snark,

Al Meier

CLUB NEWS

NUTMEG 199 REPORTS

Plans are being made for the 2nd Golf Outing. Anyone wishing to serve on a committee are asked to attend.

Joe Kuczynski from the Granite the 1986 International Hoo-Hoo Convention — September 14-18, 1986, Bretton Woods, N.H.

Chairman — Charlie Masse

Asst. Chairman — Armand DeMille

Tickets — Joe Cecarelli
Door Prizes — Bob Torino

Golf Arrangements — Fred Indermaur

And all others wishing to serve on a Committee.

Each person may make their own arrangements with the Restaurant for supper, before or after the meeting.

Jurisdiction I

A fine time was had May 6th on our Bus trip to an Eastern Pine Mill in New Hampshire.

Thanks to anyone who attended and to all who helped plan this trip.

A special thanks to Bud Stockman who did a major portion of this planning.

Your President,

Charlie Masse

Jurisdiction II

NORTHERN ILLINOIS HOO-HOO CLUB 139

Northern Illinois Hoo-Hoo Club 139 held a Concat January 30, 1986. Even with a small group we had a very wonderful evening. The speaker Jack Schafer, gave a good talk on new matters facing the Illinois legislature. The one most were interested in was about how liability insurance would try to be handled.

In the picture five kittens, left to right: Jack Bolger, Jay Boor, Steve Paddock, Dennis King, Marty Tampa. Fellow Hoo-Hoo'ers:

Our club has finally made it on the upswing. We have been trying to make Hoo-Hoo a club you want to belong to and be involved in, not just an organization to be known for it's unusual name. It's your club, so we sent out a survey to get your input.

NO. ILLINOIS — Kittens in the Onion Patch

The officers now want to put those suggestions in action.

Out of a paid membership of 44, we received 28 surveys back completed. In the survey, most answered that they wanted monthly meetings, except in summer months (July-August). Most of the programs that we have now, you were in favor

of. In regard to type of meetings, fellowship stags were mentioned many times. Elgin and Woodstock area were the preferred locations for meetings. Marengo was a close third. A newsletter was also given many votes. Thursday was the most popular night and Tuesday second, for meetings.

N.E.W. MEETING — The Snark met with members of the N.E. Washington Club in February. Pictured here are, bottom row: (l-r) Floyd Pitts, Paul Christian, Dan Leighton, Jim Haynes, and Gene Zanck. Top Row (l-r) Ryder Chronic, Snark Al Meier, S-9 Bill Patterson and Bob Haynes.

PAULINA HOO HOO CLUB 220

On Friday, June the 13th, Al Meier "Snark of the Universe" attended the general meeting of Paulina Hoo Hoo. During the get acquainted period (cocktail hour) everyone had an opportunity to meet Al and discuss some of the issues facing Hoo Hoo on an international level. Since most of those members in attendance were relatively new some of Al's comments were very interesting. Seems the Paulina Hoo Hoo has somewhat of an outlaw reputation. I am going to dig into this matter further to make sure that new members continue to portray the infamous image describe by Mr. Meier. Obviously Al has fond memories which over time have not diminished.

In typical fashion, Will Ernst (Gilchrist Timber) our ring leader, called the meeting promptly to order at 6:59 p.m. (give or take 1/2 hour). Having heard stories about Al's

(Cont'd on next Page)

PAULINA 220 — (l-r) Will Ernst, president; Snark Al Meier; Greg Vernon, Secretary-Treasurer; Tim Black, Vice President.

(Cont'd from Page 13)

speech making ability, all us members were awaiting an hour or two of profound wisdom regarding our fraternal order. Much to our surprise Al gave a very brief speech primarily addressing the decline in membership and clubs. I found out later that Will had taken Al aside earlier in the evening and told him he only had 10 minutes to talk. I would elaborate further on his wisdom; however, I discovered a new drink that evening

(Long Island ice tea) and most of my notes are unreadable.

Paulina Hoo Hoo has had a very active membership drive during the past year and initiated 16 new kittens which equated to an 18 percent increase. Although the turnout for the meeting was not as good as we had hoped, this is not typical for a meeting held on Friday night during the good weather seasons. For all you fellow Hoo Hoo members I have enclosed some pictures taken of the meeting. You may or may not see these

pictures in *Log and Tally* depending on who does the editing (some of the pictures could have an impact on Al's family life).

In closing we would like to thank Mr. Meier and Bill Patterson (Supreme Nine) from Klamath Falls for taking the time to attend our meeting and bringing us country folk up to date on things happening elsewhere in the world.

Respectfully submitted,
Greg Vernon, Secretary-Treasurer

PAULINA 220 — The Snark must have made a great speech that night!

SEATTLE — Ed Williams with the unknown putter.

SEATTLE CLUB 34

May's meeting was again held at the Swedish Club in Seattle. This was an important meeting because it not only got us excited about our June gold tournament, but it gave us two new board members.

Our guest speaker was Randy Silver, the owner of Pro Golf Discount. Randy brought in several types of golf clubs and explained the pros and cons of each. Along with a new metal driver that was given away in the raffle, Randy gave everyone a divot repair tool.

As the night progressed and votes were counted, our new board members surfaced. Knowing that their contributions will be outstanding, the Club welcomes Dan Powell and Dean Boender.

June's meeting brought us out to our favorite golf course, Mt. Si. With the weather trying to cooperate, 100-plus golfers were vying for the coveted Tommy Dolan Memorial

Trophy. At the end of the day Dan Powell was crowned as the champion. Dan's round of 67 was highlighted with a string of five birdies in a row.

Other events included a Blind Putt, Long Drive and Coolest-to-the-Pin contest. Anybody who had a birdie in the round also received three golf balls. After a steak dinner, Brian Dickie headed up the raffle with over \$800 in prizes. It was great to see most of the members winning a prize. In closing, the Club would like to give a special thanks to Uresco Lumber who furnished all of the beer and hot dogs throughout the day. Nice going you guys! Also thanks to all of the other sponsors who gave not only monetary support, but time and effort. It was a great success.

P.S. We'll be looking forward to seeing lots of members at the 1987 convention in Seattle. A lot of hard work has already gone into the making of this great event. See you there.

SEATTLE — Cliff Johnson (l), Jim Lewis and friends at dart throw.

SEATTLE — Mark Ostrom (l) and Mark Edy guarding the \$800 worth of prizes.

N. CASCADE 230 — (l-r) Gene Robertson, Ron Smith, Jeff Loth and Steve Runge awaiting the start of Loggers Nite.

N. CASCADE 230 — (l-r) Bert Powell, Gene Chase, Mel Smeder, Karl Stout and Mike Dunn after Club 230 Golf Tournament.

NORTH CASCADE CLUB 230

Club 230 held their March Logger's Nite meeting at the Mt. Vernon Elks Club. 98 Members and guests enjoyed another fine meal and program. Burt Powell was master of ceremonies for this meeting. Everyone enjoyed viewing the movie on logging and how it has changed over the years. Many thanks to "Loggers World" for providing the movie. Jeff Loth contributed to the mini-convention fund by not sitting at the head table. Proud Husky supporter Gene Chase wore a Cougar shirt to pay off a bet to Cougar supporter Jim Short. Maybe next year the Husky footballers will beat the Cougars.

Our April meeting was at the Everett Golf and Country Club. North Cascade holds a concat and election to board of directors at this meeting. 18 new kittens braved the rigors of Concatenation to become members of our fine organization. We

have brought almost 50 new members into our fraternity this year. Everyone in our club has worked hard to encourage new members to join. Now we must continue the effort to support and encourage these new kittens to come to our meetings to stay active.

The new board members elected in April are Karl Stout, Herb York, and Butch Koyka. Congratulations to these three new directors.

North Cascade Club 230 held their annual golf tournament at the Bellingham Golf and Country Club. The tournament was won by the team of Charlie Cruikshank III, Charlie Cruikshank IV, Bob Thomason and Tom Anderson. We had 125 golfers and 131 for dinner. Spirits were high as many golf awards were presented and many door prizes were given away. The high point of the evening was the impromptu auction of extra golf hats. Bidding was fast and furious, but the team of Herb York and Bruce Miller was hard to beat.

N. CASCADE 230 — The winners of the Tom Dolan Golf trophy from Club 230 - (l-r) Charlie Cruikshank, Charlie Cruikshank IV, Bob Thomason and Tom Anderson.

When these two decide they want a hat, nobody is going to stop them.

Normally the golf tournament winds up our year, but this year Club 230 hosted the Juris III Mini-Conference. Approximately 50 Hoo Hoo members attended. We had people from Florida, California, Iowa, and British Columbia in attendance. Especially gratifying was having 4 Rameses join us, Gene Zanck, Jim Jones, Dan Brown and Carle Hall. International was well represented by Snark Al Meier and 1st Vice-President Jack Jacobson. Also, Billy Tarpley from the International offices in Gurdon was present to answer any question and help out in any possible way. Also at the meeting was Phil Cocks, Supreme Nine from Juris IX. Many thanks to these outstanding men from Hoo-Hoo International. Whether or not your feelings are in accordance with International philosophy, meeting with people such as these can do nothing but further the cause of Hoo-Hoo throughout the world.

Activities for the weekend included and Ice Breaker cocktail party on Friday, men's breakfast meeting on Saturday morning with a golf outing afterwards. The ladies took a tour of a local winery and a brunch then we all got together for a dinner—and dancing evening. Everything went off without a hitch and we were greatly assisted in our fine weekend by the typically fine western Washington weather. Many thanks to Chairman Dick Vuori for overseeing the 1986 Juris III Mini-Conference.

We have as yet not been able to find the light bulb for Snark Al Meier's slide projector.

WINEMA HOO-HOO CLUB 216

In March the Winema Hoo-Hoo Club held Loggers nite with about 46 members present. Free beer, an excellent dinner, and the guest speaker Jim Ownes, Chief whitetail, order of the antelope, had them

"Rollin-in-the-aisles" with an assortment of jokes and yarns that was superb. A very fine meeting with local loggers well represented.

April:

The Spring Concat was a good one and eight hardy souls joined Hoo-

Hoo's ranks — new members are — Lew Dodson, Drew Honzel, Joe Mathews, Warren Sherman, and Leonard Smith. Welcome aboard guys. Now come and enjoy the fun and fellowship. Start out by taking the bus ride to Alturas and get acquainted!

Jurisdiction IV

MELBOURNE 217

Dear Members,

Those members who missed the April meeting also missed hearing Rita Avdiev present one of the best addresses we have heard for some time at Hoo-Hoo.

Rita Avdiev is Chief Executive of The Avdiev Group who specialize in consulting and recruitment service to the construction industry.

Rita's speech was titled "THE PRICE OF PROSPERITY" and didn't she give the bureaucrats and government a big serve for stifling small business and entrepreneurial skills. Rita showed herself to be a very smart and capable businesswoman and we are indebted to her for an excellent evening.

The theme of small business, and "profit" is not a dirty word, will be carried on to our May meeting when our club will be addressed by Mr. Peter Boyle, Federal President of the Australian Small Business Association.

As you realize, Con Kembke was recently awarded a life membership in Jurisdiction IV and fittingly the award was made at the Hoo-Hoo dinner at F.I.M.E. Con is to be congratulated on his achievement and for producing a world class event with the 1986 Forest Industries Machinery Exposition.

Within two months, nomination forms for election of officers for 1986-87 will be mailed to members. Several of the current board members will be stepping down and vacancies will exist. I ask all members to give serious thought to making an offer to stand for the Board, especially if perhaps you have not been pulling your weight in the club previously. Melbourne is not a beer and skittles

club. It has ambitious projects underway, runs many business and social functions throughout the year and has one of the largest memberships (approx. 150) in the international Hoo-Hoo movement.

What sort of members are you. Apart from the monthly dinner meetings, do you attend committee meetings when required. Do you perform tasks that may be requested of you by your committee chairman, do you talk to your chairman and ask if he requires your assistance.

Hoo-Hoo will take up your time and a reasonable work load can be expected at board level. But isn't it time you stopped being a beer and skittles member and started to put in? How about putting a little back into the timber industry, the industry that is your livelihood. Are you a giver, or are you a taker?

Very soon you could have to make that decision. Current board members and other interested members like the old brigade who have served Hoo-Hoo well in the past will be casting their eyes about for likely new board members. I hope if called upon, you will rise to the challenge. Fraternally, PETER WHELAN 78108, President

JUNE MEETING — INDUSTRY NIGHT

Speaker: ANDREW HAY
President Melbourne Chamber of Commerce.

You will remember it was Andrew Hay with the Chamber of Commerce who "took the Dollar Sweets case to the Supreme Court and won. This was after five months of confrontation with the Confectioners Union.

Mr. Hay was on the late Sir Philip Lynch staff during the Khehlani Loans affair that precipitated the

overthrow of the Whitlam Government.

Mr. Hay is the son of Sir David Hay, a former Secretary of the Department of External Territories and for a period Australian Ambassador to the United Nations.

We are most fortunate to have Andrew Hay as our guest speaker for June and a good attendance is expected.

APRIL MEETING

The April meeting was addressed by Ms. Rita Avdiev, F.R.A.I.A., M.A.I.B., Managing Director of the Avdiev Group, a management consulting firm for the building and property industry.

Rita's subject was "The Price of Prosperity." Her introduction was likened to an extract from Aesop's Fables or George Orwell's "Animal Farm" — but more a present day fable; very relevant to 1986.

Rita outlined her strong views on industry, the role of the Government and bureaucrats — and the relationship between all three, questioning the ability to maintain a spirit of free enterprise in the face of excessive Government control. She spoke in depth of the ever increasing power you have, to stop people doing anything they want to do, but no longer having the right or freedom to do what you want to do. As quoted by Rita, "The price of prosperity is the waning of private enterprise and the waxing of bureaucracy."

After such an informative address, there were plenty of questions asked by members and guests.

Max Walker gave a most fitting vote of thanks and a presentation was made to Rita by President Peter Whelan. The night was well attended by members, their ladies and guests.

N-E VICTORIA 236

On Tuesday, 15th April during the week of F.I.M.E., the North East Victoria Hoo-Hoo Club conducted a very successful timber industry dinner at Myrtleford. There was an international atmosphere among the 180 members, guests and F.I.M.E. participants. Geoff Sanderson was in attendance with a party of Japanese businessmen, and Canadian and American visitors to F.I.M.E. were also represented. There were a number of New Zealanders in attendance including several members from the two newly formed clubs in that country.

We had Hoo-Hoo members from as far north as Cairns and as far west as Perth. Our backward Snark, Chris Krans headed up the big W.A. contingent with some 15 members from Perth and Manjimup. It was the biggest roll up of Club Presidents, Vice-gerent Snarks and Hoo-Hoo VIP's seen outside a JIV convention.

The highlight of the evening was the awarding of life membership in JIV, presented to Con Lembke by the JIV President Bob Frost.

Bob spoke at length of Con's great contribution to Hoo-Hoo and of his dedication to our industry. Bob announced that this was the first occasion on which JIV and not a particular club had made life membership available to a member. The Board felt that Con had made a large contribution to Hoo-Hoo Australia wide, and it was right and fitting the award should come from Jurisdiction IV.

The audience was in full agreement with the President and gave Con a standing ovation as he accepted an engraved shield from Bob Frost and International Junior Vice President Dick Campbell.

It was a memorable night and the Northeast members and their ladies involved in the organizing are to be congratulated.

AUCKLAND 248

This pre-convention tour of the Bay of Islands commences on Saturday, October 11 and is for 4 days and 3 nights.

Costs include 3 nights accommodation in medium class Hotels-Motor Inns, 3 cooked breakfasts, 3 table d'hote dinners, sightseeing and admission fees as necessary and private air conditioned coach with courier-driver.

The tour commences with a drive across the Harbour Bridge to visit the Satellite Tracking station, continue on to Wellsford and Whangarei with a visit to the fascinating Clapham Clocks Museum then on to Kawakawa and the Bay of Islands-Paihia.

An afternoon visit to Kelly Tarlton's Shipwreck Museum and to the Waitangi Treaty House where the Treaty of Waitangi was signed in 1840.

Sunday sees a trip on the "Tiger Lili" Catamaran to Cape Brett Lighthouse. Cruise the bay and some of the best marine scenery.

In the afternoon it's on to Keri Keri, a settlement known for pottery and handicrafts.

Then north for a stop to see "Lanes Mill" the oldest sawmill in New Zealand.

Monday, you join another group for a trip to the tip of N.Z., Cape Regina, where the Pacific and Tasman meet.

Before returning to Kaitaia a visit to the Sweetwater Nursery. In 1983 nearly 10 million young radiata pines were produced for planting.

Tuesday leave Kaitaia and travel on to Opononi, famous because of the antics of the dolphin, Opp.

Then on to the majestic Waipoua Kauri Forest see the "Tane Mahuta — King of the Forest," one of the largest known Kauris in New Zealand.

Then off to Dargaville, a little town on the banks of the Northern Wairoa River and before reaching Maungaturoto a stop at the Matakoho Kauri Museum to view the largest collection of Kauri gum in the world with other exhibits of early timber history of New Zealand.

Then it's back to Auckland late in the afternoon.

AUCKLAND 248

Auckland Hoo-Hoo Club 248 invite members and or their wives / ladies to the 16th Annual JIV Convention 15-19 October 1986.

These conventions are always a worthwhile experience, and Auckland will be no exception, what better way is there to liaise with the people within our industry.

We suggest you don't linger too long with your bookings.

If you have any inquiries, please contact our co-ordinator David Cook on 419.3288.

WOY WOY USES THE "POWER OF THE PRESS"

Woy Woy Club 260 knows the benefits of using local media to publicize its events, and it made good use of newspapers and radio stations to publicize the TREATED TIMBER SEMINAR held Monday, March 10th in West Gosford.

Dick Campbell reported that printed notices were sent to all local timber industry organizations in the area, and the results were outstanding. Woy Woy Club only has 28 active members, but the meeting attracted 80 timbermen which made it good for the speakers and most of all prestigious for Hoo-Hoo. An article appeared in the local paper along with a photo of Club 260's Greg Stebbing receiving the Supervisor's Certificate after completing a two year training course with the Timber Industry Training Committee.

The local radio station gave the club time in their community news segment to inform listeners of the pending meeting. This concept of utilizing FREE publicity should be of interest to ALL Hoo-Hoo Clubs to help promote the good name of Hoo-Hoo everywhere.

WOY WOY CLUB 260

... Club Attractions — The big golf day in May.

In April we had a "Treated Timber Seminar" — 80 timber people attended, a huge response for a local membership of 26. Sticking to a policy of quality meetings — mainly industry matters than quantity — it's paying off. We have the big "Forest Industries Dinner" again in November and hope to get 120 minimum then. Regards, Dick C.

SYDNEY CLUB 215

If you read our newsletter thoroughly you will notice Sydney Timber Industry Club has had a change of venue.

Sydney Turf Club is at present our headquarters for our monthly meetings, with the next few meetings at Canterbury Racecourse and later in the year we will transfer to the new Rosehill Racecourse complex which should be relatively easy access for every club member. Our two meetings so far at Canterbury have been well accepted, with decor, food and service being of excellent quality, giving those attending good value for money.

Why don't you pop in some time and try our meetings for yourself?

Advertising space is now being allocated for JIV Member listing 1986-87 with distribution to over 1000 Hoo-Hoo members in Australia and New Zealand.

Rates are — inside front cover page/back cover — \$750 ½ page \$1500 full page. In body of book placed advantageously — \$410 ½ page \$820 full page. For further information contact Rod Abel - Phone 07 208.1042.

Attendance

It has been noted that out of our total membership we have 53 members who never attend and a further 26 that may attend once a year. This is 60 percent of our membership.

As a club, we would like to see members participating at 3 meetings per year at least, which surely is not too much to ask for three meetings out of 365 days.

The Board appreciates that some of our members have retired. Others

have been very strong supporters in the early years of the club, and feel they have done 'their bit' but the club does need your support if you can attend at all.

Some of our members tend to forget their greatest asset, and this is the employees, especially the younger generation, where these people need support, education and an introduction to parts of the industry outside their daily sphere.

We ask members to thoughtfully answer to themselves the following question: What other organization within the timber industry can provide a monthly seminar of approximately four hours duration, where the motivation for the meeting is not political in any way, shape or form, covers the whole spectrum of our industry, has top speakers, at a minimal cost?

Of special note is that the plastic industry hold a meeting at Canterbury Racecourse monthly on a Tuesday night and their lowest monthly attendance is the equivalent of our total membership. Is this a sign of just how dead our industry is?

We do need and ask for your support!

The Timber Interpretative Walk

The Timber Interpretative Walk will be on Lady Nelson Park, Jubilee Highway, Mt. Gambier. Hoo-Hoo initiated the project and it has now been accepted by the Combined Services Clubs of Mt. Gambier as a Jubilee 150 project and a tribute to the Forest Industries.

The display features various major wooden structures and restored historic displays, many of which will be in shelters. It will be a wonderful project. Most of the displays are allocated to clubs. The local industry is contributing. Hoo-Hoo and the IFA have a project. However, a few loose ends are unallocated and unfunded.

On behalf of 214, I put the proposition to J4 that it be involved by participating with donations. The central gazebo is up for grabs plus some work around and in it. We believe about \$5000 would do the job and provide a wonderful memorial to our 25th year, 1987. The Fund-raising is hereby declared open and I invite clubs in J4 to participate. Any donations would be happily received. Unfortunately, our little club 214 just

does not have the resource to take on such a big project and looks for the help of its brother clubs.

It is a project Hoo-Hoo can be proud of. I hope the gazebo or some other part of the project can have a J4 name on it. All donations will be acknowledged accordingly. There is also a way that individual donations can be taxable deductions. Target date for the appeal is by the end of June 1986. I hope you can help.

Please be generous and help Hoo-Hoo.

On behalf of 214, Brian R. Page 82335, Vice Gerent for SA.

GIPPSLAND CLUB 257

After 80 members and guests attended the April meeting at the Tower Gardens, Morwell. Professor Ferguson, Head of Section Faculty of Agriculture & Forestry, University of Melbourne, addressed the meeting on the subject "Future Direction of the Timber Industry."

Professor Ferguson has had wide experience in forest management and forest economics. Consultancy projects have taken him to a number of overseas countries, most recently to the People's Republic of China. In 1980, he was appointed to the Board of Inquiry into the Forestry Royalties and Charges by the Government of Tasmania. In May, 1984 he was appointed Chairperson and sole member of the Board of Inquiry into the Timber Industry in Victoria.

It was an excellent night with nine Melbourne Club members attending.

The Granite State Hoo-Hoo

June 27, 1986

Dear Fellow Hoo-Hoo Members -

Our 1986 International Convention is almost a reality now. We, The Members of The Granite State Hoo-Hoo - Club #107, have been preparing for your visit to our beloved state for the past four years. We are very proud to tell you that this, The 94th International Hoo-Hoo Convention, is going to be The Biggest, The Best, and The Most Successful Hoo-Hoo Convention ever held!

Our program is in place and has been duly approved by The Snark of The Universe, Al Meier. It is a good, full program with a well thought out itinerary not only for the men but very importantly for the women too. For those of you who like to keep busy, we will have enough activities to keep you content from early morning until night. For those of you who prefer your mount, it will be respected. It is our desire and that of the staff of The Mount Washington Hotel to make your visit with us as comfortable and as memorable as possible.

In order to facilitate your travel plans, we have made arrangements with:

- Delta Airlines:
 - 1-800-241-6760
 - Hoo-Hoo Authorization Code # U0228
- National Car Rental:
 - 1-800-328-7949
 - Hoo-Hoo Authorization Code # 6300546
- Alternative transportation to The Mount Washington Hotel can be made by calling the Guest Services Manager, Jim Drummond, at The Mount Washington Hotel 1-603-278-1800.
- For those of you who wish to stay in Boston either before or after The Convention, we have made arrangements with The Lenox Hotel, 1-800-225-7676, or 617-536-5300. September is a very busy month so please make your reservations early. Please identify yourself as a member of Hoo-Hoo.

As for the weather in New Hampshire during September, you can usually plan on warm days and cool evenings. Dress, with the exception of the evening meal, is casual.

After all our planning, there is only one thing that we regret. That is, The Mount Washington Hotel can only accommodate slightly over 400 overnight guests. This means that if you have not signed up yet, you had best do so now. For those of you who have missed the early registration deadline and are still undecided about whether to join us or not, we have some good news. Because we want you to be a part of "New Hampshire In The Fall", we are extending our early registration discount until August 22nd, 1986.

Until we meet in September, we, The Proud Members of The Granite State Hoo-Hoo - Club #107, wish you and your families

HEALTH, HAPPINESS, AND LONG LIFE

Sincerely,

The Members of Club #107

KITCHENER WATERLOO OKTOBERFEST CLUB 262

Less than 1 year old and the new Oktoberfest Club 262 is already a solid success! The monthly meetings held at various locations in the Kitchener Waterloo area are well attended by the new members of Club 262 along with a representation from the neighboring Toronto Club 53. Keynote speakers were on hand to present and discuss various topics including the Addiction Research Foundation, the new Family Law act and Connestoga College.

The executive of Club 262 meets each month to organize and plan each meetings activities to provide the best atmosphere, topic and speaker that will ensure an enjoyable, informative evening for the members and their guests.

The executive directing club 262 in its very successful 1st year were: President, Dick Dychuk; 1st Vice President, Jerry Omand; 2nd Vice President, Dick Knapp; Secretary, Tom Powell; Treasurer, Tom Powell; Publicity, Dave Tartaglia and Mike Mazurek.

The Oktoberfest Club has elected to support Connestoga College with an appropriate scholarship to be awarded annually. Mr. Grant Glennie, from Connestoga College, spoke to the Club at its Charter meeting informing us of the schools program and its needs. At this same meeting Dick Dychuk, Club 262 president, was presented with our Charter from Hoo-Hoo International by Keith Waddell, Supreme Nine Director for JV-Canada and Alaska.

The accompanying photographs were taken at the organizing and founding meeting a few months earlier.

A great beginning and the plans for the 2nd year promise to continue

OKTOBERFEST 262 — Keith Waddell (r) Supreme Nine for Jurisdiction V presenting Oktoberfest Club 262 President Dick Dychuk with the Clubs charter from Hoo-Hoo International.

this success — good fellowship, informative topics, excellent speakers and the best social activities. We should all be inviting our industry friends and business associates to sign up and be an active part of this continent's oldest industrial fraternity.

TORONTO HOO-HOO CLUB 53

At the April 21st meeting held at Trumps 8 kittens were concatenated and joined the ranks of Canada's most active and successful Hoo-Hoo Club. The motto of Hoo-Hoo is Health, Happiness and Long Life and the members of the building materials fraternity in Toronto who meet monthly under the banner of the oldest industrial fraternity on the continent to enjoy good fellowship, informative topics, excellent speakers and the best social activities know and live this motto.

Our newest members are: Irwin Scott, Jeff Landis, Jay Morayniss, Paul Skinner, Doug McFarland, Cam Fraser, Dave Morrow, Steve Blackadder.

Reinstated the same evening was Jim Smith whose number is so low International is researching their files to locate it. Welcome back, Jim!

Members of the degree team were Bill Bader, Lynn Edey, Bob Seldon, Stu Teal, Ralph Ayers, Laman

Stevens, Don Lawson, Keith Waddell, Dennis Edwards and Keith Warren.

The annual meeting combined the election of officers for 1986-87 with an evening honouring our Past Presidents and Old Timers. Here is the slate of officers for the coming year: Vicegerent Snark, Lynn Edey; President, Ralph Ayers; 1st Vice President, Bob Seldon; 2nd Vice President, Art Mosely; 3rd Vice President, Brent Steif; Secretary, Gord Fraser; Treasurer, Dave Morrow; Publicity & Cat-o-log Editor, Tommy Thompson.

Representing the long time members of the Toronto Club were: Ziggy Newland, Frank Bodogh, Al Gallander, Clare Laking, Angus Coulas, Dunc Pollard, Gord Fraser, Herb Swift. There were 8 past presidents in attendance — Lynn Edey, Laman Stevens, Frank Bodogh, Keith Lee, Dunc Pollard, Don Lawson, Keith Waddell and Bill Bader.

This solid support from the long time members of our club is an

indication of the participation by the members so necessary to its continuing success.

The new executive has already met and are formulating plans for an active and interesting start in September.

Special presentation were made to 2 of our members. Ralph Ayers was honoured for his exceptional efforts in his dual role these past 2 years as treasurer and as a vice-president. Lynn Edey presented Ralph with the hand carved wall plaque as our vice-president. Lynn Edey presented Ralph with the, hand carved wall plaque as our "Hoo-Hoo Man of the Year." As our new president we look forward to a great year under Ralph's leadership.

Also recognized was Clare Laking, 44273, the oldest members of the Toronto Club. Clare won the 50-50 draw and immediately made the first donation by a member of the club's new wood promotion trust fund.

TORONTO 53 — Lynn Edey presenting the award to Ralph Ayers recognizing him as our Hoo-Hoo "Man of the Year." Ralph was also elected club president that evening.

TORONTO 53 — Supreme Nine member, Keith Waddell, presented outgoing club president, Lynn Edey, with his past president pin.

TORONTO 53 — Long time members who attended the special evening to honour their support.

TORONTO 53 — Club 53 past presidents in attendance at the annual meeting.

VANCOUVER 48 — The draw always makes for a suspenseful evening. Here a \$100 winner claims his prize.

VANCOUVER 48 — Another \$100 winner gladly accepts the 'booty'.

VANCOUVER HOO-HOO CLUB 48

Vancouver Hoo-Hoo Club held the Annual Fund Raising Dinner at Terminal City Club, May 5, 1986. The dinner was a sellout with 350 tickets being sold at \$100.00 per ticket, this included dinner, open bar and draw.

The first ticket drawn received \$1,000.00 and every 50th ticket drawn got \$100.00, cast in barrel \$5,000.00. A great evening was had by all. Snark Al Meier drew the first ticket and Bill Jones was the \$1,000.00 winner. \$100.00 winners were Frank Fukuda,

Jack McLeod, Tom Boychuck, Jason Whittaker, Stu Dingwall and Steve Welton. Last name drawn was Moriaki Kumaido. He won the \$5,000.00 but shared with Bill Lewis, Blair Sikina and John Hruby.

The extra price of \$10.00 per ticket this year went for the \$1,000.00 first draw and \$2,500.00 for a project our club has upcoming.

The Past President Dinner was held in conjunction with the directors monthly meeting. Visiting was our Snark, Al Meier and Fred Bleich from Tacoma Club 89. We had a great evening and dinner. Snark Al was

presented with a carving from the club and Ted Hill, Chairman of the fund raising dinner, presented Al with a ticket to same. In turn, Snark Al Meier presented President Roy Anderson and Dave Campbell and J. Earl Wilcox with Certificates of Appreciation of work done in Hoo-Hoo. Some of the Past Presidents present were Cy Walsh, Dick Scott, First Canadian Snark, Wray Clarke, Don King, Ted Taylor, Mike Girody, Dave Sheasgroen, Fred Lemoine, Joe Gosse, Ian McFall, Dan Steer, Morely Deans.

VANCOUVER 48 — Past President Dan Steer with Stetson hat presented to him by Club 48.

VANCOUVER 48 — Snark Al Meier (r) presents J. Earl Wilcox with Certificate of Appreciation.

TORONTO CLUB 53

The President Reports: - President Lynn Edey

I guess everyone has been busy, with all this building going on. I know I have been in my territory. Taking a break from the busy schedule I accepted an invitation from Ed Hunt, the Supreme Nine for Jurisdiction VII, to attend a meeting of a Dallas, Texas Hop-Hoo Club. Due to fog at the Toronto airport, I was not able to leave on the Friday as I had originally planned to attend the reception party hosted by President Ray Deering and First Vice-President Tom Lynn of Metroplex Club 242 on the Friday night. I arrived on Saturday, and with Hoo-Hoo members and their wives from other clubs such as Australia, Canada and the United States, we were given a tour of Dallas and the surrounding area. I attended a Hoo-Hoo meeting and the speaker was Snark of the Universe, Al Meier who spoke to the members regarding how to keep the young members interested and involved in Hoo-Hoo. The Dallas club is a very active one and involves all members in their annual events, two golf tournaments, a chili cook out

and barbecue, and other meetings. After the meeting some of us were challenged to a shuffle board contest to represent our country. We could tell that shuffle board is a major Texas pastime, we all got beat.

The third day we left by bus for Gurdon, Arkansas, a distance of 250 miles, to attend the Mid Term Board Meeting and grand opening of the new museum. I met Keith and Maggie Waddell and attended three days of meetings and events, a banquet, a Concat, a mill tour, horse races and an executive meeting of International Hoo-Hoo. Keith Waddell our Supreme Nine for Jurisdiction V will give you details in his report also in this Cat-o-Log.

On Sunday some of the group returned to Dallas where Eddie "Z" Hunt had made arrangements for hotel rooms and transportation to the airports for everyone. Those of us that stayed over Sunday night got to enjoy a catfish dinner, these fish are commercially raised in Texas and Arkansas on farms and are a very popular fish dish in the area. I enjoyed the dinner and would like to thank E. Z. Hunt, who helped arrange it for such a fine time.

All in all the trip was informative, I met people from other lands and areas, discussed the different types of trees and lumber industries. Getting back to Toronto on Monday we had our own club meeting with about forty members and guests out to listen to John Carbone, President of the Toronto Home Builders Association telling us that we could expect a very busy period of house building for the next two years and that is good news.

From Our Supreme Nine of Jurisdiction V — Keith Waddell

Dear Members: Had a very busy time at the Mid-Term Board meeting in Gurdon. Meetings started at 8:29 AM on Friday, March 21st and lasted all day with enough business left over to have two breakfast meetings starting at 7 a.m.

Some of the items of various committee reports are as follows. The membership committee reports that we won't have our 10 percent increase in membership this year if we keep on coasting like we are now. If we put on a push for the balance of the year I am

(Cont'd on next Page)

(Cont'd from Page 26)

sure we can do it in Jurisdiction V with your help.

The 94th Convention in Bretton Woods, N.H. had a report on their progress and there will be a lot about it in the *May Log & Tally*. I have a set of slides and information for our next club meeting so be sure you attend.

H.H.I will be trying to get a film library started on our industry. If you know of any film new or old that would be suitable please let me know. These films will then be available for any club to show.

The highlight of the trip was the dedication of our new museum. It was a beautiful sunshiney day and everything just looked and went great.

Everyone was there including the Mayor. To celebrate the opening a 2X4 was cut by the Snark, Al Meier, Mr. Cabe and Jimmy Jones who was so instrumental in this project.

Everyone was there including the Mayor. To celebrate the opening a 2X4 was cut by the Snark, Al Meier,

Mr. McCabe and Jimmy Jones who was so instrumental in this project.

I was disappointed to discover next to nothing displayed from the Toronto club. I tried to put Lynn Edey into one of the display cases but he didn't fit. All jokes aside, it's a beautiful building and it would be a shame if we didn't get anything on display before it is filled up.

See you all at the next meeting. Keith Waddell.

TORONTO CLUB 53 CONCAT

Our Concat was held at Trumps on April 21, 1986. Nine lovely Kittens were initiated in front of 29 of their peers. Please welcome the following new members to Club 53:

Kitten	Company
Steven Blackadder	Falcon Lubr.
Doug McFarland	Kennedy Rd. Lbr.
Paul Skinner	Crown Forest
Dave Morrow	Van Wart Bldg. Supply
Jeff Landis	Weston Road Lbr.
Jay Morayniss	Weston Road Lbr.
Cam Fraser	Montego Forest Products
Irwin Scott	Scotts Do It Centre

Ernie Warnica was the lucky 50-50 winner and took home \$70.00.

Thanks to Keith Waddell for his slide presentation on the Mount Washington Hotel where this years International Convention will be held. **TO THE MEMBERS**

TORONTO CLUB 53

Please be advised that it is the intention of your Committee For Legislation and Good of the Order, to propose the following new amendments to our By-Laws, at the annual meeting, May 26, 1986.

Article 2-Purposes & Membership
Add: "That Toronto Hoo Hoo Club 53 create an Honorary Membership classification, to be awarded immediately on their retirement from the industry, to those who have been faithful members for fifteen (15) or more years, and awarded also to those retiring members, who, in the considered judgement of a majority of the Board of Directors, have made a significant and special contribution to Club 53."

This honorary membership is to ensure that those persons who have given of themselves over the years, will continue to be remembered by us and to regularly receive our local news bulletins.

For the Hoo Hoo year 1985-86, instead of offering prizes to the Industrial Arts Teacher's Convention, the wood promotion portion of your annual membership fees has been placed in a fund. The "Wood Promotion Fund of Hoo-Hoo Club 53" has been capitalized with \$2,000.00. It is our hope that this fund will receive additional capital from the club on an annual basis, plus donations and bequests from individuals and groups. For this reason, it is imperative that the capital of this fund remain untouched, and for the purposes of the fund. We, therefore, recommend the following addition to our By-Laws.

Article 4 - Promotion.

"Capital funds allocated for the Hoo-Hoo Wood Promotion Fund shall be segregated from other club funds, and, along with any subsequent bequests or donations, shall remain committed in perpetuity only to the purpose of that fund. The fund's capital shall be invested, and the proceeds only of such investment shall be disbursed annually by the Board of Directors, after an annual review and for only one year at a time, to projects or programs promoting the use of wood. At no time and under no circumstances will the capital of the Wood Promotion Fund be used in any way except to provide investment proceeds used for the projects and programs."

Committee L&GO.

Gord Condie, 86096
Bill Bader, L75318
Les McKimmie, 60303

NOTICE

JIM LITWILLER RETIRES

Effective March 28, 1986 and after 35 years in the plywood and building material wholesale distribution business Jim Litwiller, a true friend to the industry, retires from McFadden Hardwoods Ltd.

Jim started his career in the warehouse of W. Clare Duffus, then located in Kitchener Ontario.

The years that followed saw Jim elevate through the chain of command at Duffus to become a salesman with that company. In 1964 Jim broke away from Duffus with Chuck McFadden to start McFadden Hardwoods Ltd., where Jim served as V.P. of sales.

In 1976 Jim became part owner and President of McFadden Hardwoods Ltd. He became chairman of the board in July 1985 and served in that position until retirement.

Jim served the industry through his participation as director of the C.N.B.M.D.A., "Cat Tamer" for the Toronto chapter of the International Fraternal Order of Hoo-Hoo and was a member in good standing in the Sales Research Club of Toronto.

The retirement days will be shared with his wife Doris, his 5 children and 6 grandchildren.

Doris and Jim plan to take up residence in the Sauble Beach area. You may be certain that they will welcome friends that may be traveling in the area.

Good Luck Jim and Doris!

Slate of Officers for 1986-87 Hoo-Hoo Year for Toronto Club 53

The following is the proposed slate of Officers presented by the Nominating Committee, Chairman Jimmy Carter, Deputy Chairman Bill Bader.

Past President and Vice Gerent Snark: Lynn Edey 88462
President: Ralph Ayers 84310
First Vice-President: Bob Seldon 90809
Second Vice - President: Art Moseley 79695
Third Vice-President: Brent Stief 91893
Secretary: Gordon Fraser 66605
Treasurer: Dave Morrow, Kitten
Editor of Cat-o-Log: Tommy Thompson 84323

Additional nominations will be accepted from the floor of the election meeting for any office. If you have someone you feel would do a good job for the club please be sure he will stand for office and then be at the meeting to nominate your choice.

The Executive will also consist of Past Presidents who take time to attend the executive meetings. In the future, all executive meetings will be held at 2:59 p.m. the same day as our meetings in the same location as our meeting.

Presently the following Past Presidents attend the executive meetings, Dunc Pollard 67778, Bill Bader, who is also a Rameses, L75318, Dennis Edwards 84987, Les McKimmie 60303, Gord Condie 86096 and Keith Waddell 84324 who is also serving as Supreme Nine for Jurisdiction V. There are many more past presidents from our club who could attend some of the meetings and help guide our club.

Jurisdiction VI

BLACK BART HOSTS HARRY MERLO, SEER AS GUESTS

On May 23, 1986, the Black Bart Hoo-Hoo Club held our annual Industry Night. This meeting was held at The Broiler Steakhouse in Redwood Valley, Ca. We had excellent attendance, 75, considering it was the Friday night beginning the Memorial Day holiday weekend. The facilities at the Broiler were great plenty of room, good food, good service, and our own private bar and bartender.

We were fortunate to have a very special guest with us that night, Dave Davis, Seer of the House of Ancients. Our guest speaker, Harry Merlo, had sent a limousine down and picked Dave up at his home about 100 miles to the south. Dave had originally gotten Harry into the lumber business when he hired Harry away from the Cleveland Wrecking Company to come and work at the Rounds Lumber Company in Cloverdale. Dave told our group of the many benefits of belonging to Hoo-Hoo and the many years of enjoyment Hoo-Hoo had given him.

The club awarded one it's hardest working members, Del Cole, a Life membership at this meeting. Del is a past secretary, past president, currently is on the board of directors of Black Bart, and was program chairman of this meeting. Del is employed at Rounds in Cloverdale now part of L-P and had worked with both Harry and Dave.

The guest speaker, as mentioned above, was Harry Merlo president-chairman of the Louisiana Pacific Corporation and past president of the Redwood Empire Hoo-Hoo Club. Harry was quite a good speaker and since he started in the lumber business just down the road from here he knew many of the people he was talking to. Harry mentioned that he was happy to see Del recognized by the club with a life membership as it would be reducing his expense account. Harry, Hoo-Hoo 54484, joined the Santa Rosa Hoo-Hoo club in 1950 and has been a paid up member ever since. Harry gave us an

BLACK BART 181 — Industry night attracted the following dignitaries: (l-r) Dave Davis, Seer of the House of Ancients; Dave Jones; Harry Merlo, President of Louisiana Pacific and guest speaker; Del Cole, program chairman; Brent Crosby, S-9J-VI.

over view of his life, growing up and working in a boarding house ran by his mother, graduating from the University of California Berkeley, working for the Cleveland Wrecking Company selling used lumber and building materials, and when Dave Davis had hired him to work at Rounds Cloverdale, starting on the green chain. Harry explained his aggressive attitude toward business as he moved from green chain, to sales, to management, and then to upper management with Georgia Pacific after they bought Rounds. When G-P was forced to divide Harry bought out some of the mills he had ran for G-P creating the new largest lumber producer in the country. Looking

towards the future Harry and L-P will continue to be very aggressive, Harry said he plans L-P to be the "Gallo Wine" of the lumber industry supplying affordable wood products to the masses. Harry had just returned from Virginia after opening L-P's tenth waferboard plant. There are six more planned to be built in the next few years. This is an example of L-P's commitment to continue to be an industry leader in the future.

This was one of our better meetings this year, and as usual was made possible by the hard work of the board of directors. Hoo-Hoo is very much alive and well in Ukiah, California.

BLACK BART 181 — (l-r) Jim Nagy, John Colombo, Bob Johnson, Ed Olson.

PHOENIX CLUB 72

Scott Gates, Business Manager-Reporter

When Al Meier and Brent Crosby were here in January, after our first concat in December, they suggested we have a second concat. So, on May 10th Phoenix 72 initiated 12 new members into Hoo-Hoo land. As usual, on the third Tuesday of every month, we have a golf tournament, dinner and meeting. We had 80 golfers and 85 for dinner and concat at the great Orangetree Golf Course in Scottsdale, Arizona.

Brent Crosby, Supreme Nine, JVI, flew over from California to be our visiting officer. Brent followed all the golfers around the course, looking for shade and the beverage cart! It was 105 degrees!

OAKLAND CLUB 39 REPORTS SCHOLARSHIP PROGRAM

Fullbright Scholars, Rhodes Scholars, Guggenheim Scholars and now Hoo-Hoo Scholars. At least in Oakland, California. The Oakland Hoo-Hoo Club has awarded scholarships to two students at Laney College. The scholarship, named after club founding member Clem Fraiser, has been given for the past 25 years. Each year scholarship has been given to a student actively studying in a field related to the lumber industry. Past students have been from areas of study including Forestry and Land Management.

The two students selected this year are from the Laney College departments of Wood Technology and Carpentry. The requirements are

that the students show a demonstrated interest in the field and have a high academic average. This year's scholars received their awards at the Peralta Vocational Club Scholarship Dinner held May 14 at Laney College.

Oakland Hoo-Hoo 39 is pleased to announce that this year the scholars are Ben Bailer-Okeefe and Melvin Martinez. Ben Hailer-Okeefe from the Wood Technology Department, was selected by Department Head Keith Nason and was given his award by Club President Andy Joseph. The Carpentry student, Melvin Martinez, was selected by Department Head Ozzo Marrow and received his award from Hoo-Hoo representatives Dan Bonnington and Kevin Hill.

The award from Oakland Hoo-Hoo Club 39 will cover tuition, books and fees for each student for the entire school year of 1986-87.

Oakland Hoo-Hoo, by the way, is a local chapter of an international association of lumbermen. The Oakland chapter was founded in 1925 and the international in 1892.

For more information call: Hubert Lumber Co. or Andy Joseph, 37500 Cedar Blvd., Newark, CA 94560, 415-793-2741.

OAKLAND 39 — Keith Nason, Ben Hailer-Okeefe, Melvin Martinez, Andy Joseph, Dan Bonnington, and Ozzo Marrow (front).

SAN JOAQUIN ESTABLISHES MEMORIAL FUND

In memory of the late Chester G. Harshner, Jr., Hoo-Hoo Club No. 31 has established a Memorial Scholarship Fund. This scholarship is available to any person who meets the qualifications listed below, who is sponsored by a member in good standing of Hoo-Hoo Club No. 31. It is no longer necessary to be a relative of an employee of the lumber industry.

The applicant must have completed at least one year of college, junior college, or an approved technical or trade school. The amounts of the scholarships to be awarded in the Fall of 1986 will be determined by the trustees, depending on the number of applicants and other factors. The scholarships may be used to defray expenses of attending any university, college, junior college or trade or technical school the applicant desires.

Applications may be obtained from Hoo-Hoo Club No. 31, P. O. Box 11428, Fresno, 93773. The deadline for filing applications will be August 1, 1986. The applicants will be notified of the date and place for a personal interview.

The trustees will make their selection of the successful applicants prior to August 31, 1986, and the awards will be granted at the beginning of the school term.

SCHOLARSHIP FUND ESTABLISHED AT SAN JOAQUIN VALLEY 31

On May 9, 1986, San Joaquin Valley Hoo-Hoo Club No. 31 had their Casino-Cioppino Night, for the benefit

of the Chester G. Harshner Memorial Scholarship Fund. Over 100 persons were in attendance, and the trustees of the scholarship fund will receive in excess of \$1,000 to assist in obtaining scholarships for college students.

SAN JOAQUIN VALLEY 31 — Group at the Blackjack table.

SAN JOAQUIN VALLEY 31 — International Secretary-Treasurer Bernie Barber, Jr. general chairman Don Johnson and Wally Kennedy.

PRAWN FEED AT BLACK BART 181

The Black Bart Hoo-Hoo Club 181 held a Prawn feed on March 12, 1986 at the Cloverdale Grange in Cloverdale California. This was a cook it ourselves kind of an affair. A great way to get many members involved and a way to keep costs down. Program chairmen were Dave Damon and John Blatchford, these guys recruited a lot of help including three new members, Tony Burke, Jeff Jones, and Ron Norman. The meeting came off very well because of the group effort.

Seventy members and guests attended. Dick Campbell International 2nd V.P. was our guest.

BLACK BART 181 — Club 181 members enjoy cocktails before the prawn feed.

Jurisdiction VII

HOO-HOO IS HUSHPUDDY WINNER

George Murphy of the East Texas Hoo-Hoo Club No. 135 won first place honors in the special forestry cook-off of the Southern Hushpuppy Olympics on May 17 in Lufkin, Texas. The cook-off is part of Lufkin's annual Texas Forest Festival.

Murphy's prize-winning, bite-size morsels are extra-spicy, made from a recipe of white cornmeal, buttermilk, flour, one egg, salt, baking soda, onions and jalapeno peppers. "I used fresh jalapeno peppers," Murphy says. "They looked good in the store."

None of Murphy's famous hushpuppies were served during a preconcat feast of steak-and-potatoes prepared by George Henderson, friend of Hoo-Hoo, when the East Texas Club enlightened nine kittens in concatenation ceremonies in Lufkin on Tuesday, May 27.

Eddie Hunt, Supreme Nine from Jurisdiction 7 presided over the concat degree team. Vicegerent Snark was Ron Hufford, East Texas Hoo-Hoo Club President.

"Rookies" are Richard Youngblood, Simon Henderson, Gary Bridges, Gary Martz, Robert Williams, Jerry Huffman, Jack Gorden, Michael Holloway, and Glenn Miller.

Miller is also the new leader of the Hoo-Hoo Bahd. He became interested in the band and is one of the main reasons for its reformation. The band has about 17 members. Miller

George Murphy, center, won first place for Hoo-Hoo in the Southern Hushpuppy Olympics in Lufkin, Texas.

admits he gets a lot of joking about being a famous musician of the same name and, for years, avoided the band leader's baton. However, the challenge of revitalizing the Hoo-Hoo Band inspired him with the courage to finally lead a band.

Band members practice every Monday, more often when they are preparing for a concert. Prior to their concert for the Forest Festival, the band met on weekends to practice their music. "Band members do it for the fun," Miller admits. There are several high school students, a few business men and women and even a couple of foresters who gave up promising careers in the musical arts to stomp around in the woods.

Jurisdiction VIII

OMAHA CLUB 124

The Omaha Club wound up it's year until it's September meeting in great style.

May 5th was Ladies Nite, and the club met at the Fontenelle Hills Country Club for cocktails and dinner. The program was presented by Gail Roebuck of the Fontenelle Forest, for which the club had provided \$350. dollars for a foot bridge on one of the trails. The forest is 17,000 acres in the bend of the Missouri river, just south of Omaha,

TWIN CITIES CLUB 12

Our Annual Fishermens Stag was held May 14th. Program Chairmen for the event were Scott Day and Dick Faber. We had about 110 members show and a good time was had by all. A Hoo-Hoo fishing trip for four on Lake Superior was given as the door prize, with proceeds going to Hoo-Hoo Scholarship fund. Interior Wood Products donated the door prize. 1st Vice President Rich Geary talked to us about our Hoo-Hoo Scholarship fund. 7 New Kittens were guest and will be concatted at our Turkey Stag in the fall.

A breakfast meeting with Snark Al Meier, was held May 22, 1986. S9 Rep. Lyle Hoeck was also in attendance. A vareity of topics was discussed, with the main topic being membership.

TWIN CITIES 12 — Seven enlightened kittens.

SOUTHERN MINN. HOO-HOO CLUB 150

On June 11, 1986 we held our concat at The Oaks Golf & Country Club, Hayfield, MN. We concatted 7 new kittens into our club. At our outing we had 32 members in attendance for golf, supper and concat.

With the addition of our 7 new kittens our membership in the International Hoo-Hoo has reached 42, a good increase from 25 registered members last year.

S. MINNESOTA 150 — Kittens (l-r) 1st row: Dean Jenson, Dennis Gaul, Gary Olson. 2nd row: Mike Turgeon, Cory Carlson, John Kupkey, Mike King.

SIoux VALLEY HOO-HOO 118

On April 21, 1986, the Sioux Valley Hoo-Hoo Club held an exceptional educational forum with 35 members attending. The panel consisted of Art Kriens — Kriens Construction, John Weber — Weber Construction, John Weber — Weber Construction, Bob Rysavy — Rysavy-Hartman Architects and John Van de Walle — Van de Walle & Associates Architects.

After a 5 minute presentation be each panel member going over their operation and responsibilities in the building industry, the Forum was opened to discussion and questions

and answers. This was a learning experience for all and was greatly appreciated by the membership. The panel was exceptional and their expertise in their fields was passed on to all.

Jurisdiction IX

ATLANTA NO. 1 REPORTS

The Atlanta Hoo-Hoo Club 1 held its Summer Ladies Night Cook Out at the Grist Mill Pavilion located at Stone Mountain State Park. The entertainment for the evening was the many facilities of the park. The park offers a variety of facilities for any business and social functions as well as for family vacations.

Some of the major attractions are the Paddlewheel Riverboat, Skylift, Scenic Railroad, Wildlife Trails, Antebellum Plantation, The Antique Auto and Music Museum, Laser Show, Family Campgrounds, Boating, Tennis and Mini-Gold Facilities, Bicycle Trails, Waterslides, Beaches, Picnic Grounds, The Ice Chalet, Fishing, a 18 - Hole Championship Golf Course designed by Robert Trent Jones, War In Georgia Exhibit, a six mile walk up the mountain, and the Confederate Memorial Carving.

Georgia's Stone Mountain Park is owned by the State of Georgia and is operated by the Stone Mountain Memorial Association.

This was the last meeting of the 1985-86 year, and the Atlanta Hoo-Hoo Club 1 starts its meeting again in September. The new officers for the 1986/87 year are as follows:

Vice Gerent Snark —

Jerry Flynn 85045

President—Mark Tyrrell 85052

1st Vice President—Ira Longino 59827

2nd Vice President—Harry West 65760

Secretary—David Tillman 90219

Treasurer—Allen Moody 91930

CENTRAL FLORIDA 115 REPORTS

Old News:

The Roast at April's meeting was well attended. Bobby Carroll did an excellent job as M.C. Phil Cocks and Dave Forney both said that being mugged by 115 was an unusual but thrilling experience. Dave's only regret was that he didn't get to try on the pants that Dick Brandon brought in order to prove that they didn't fit! (Too big or too small Dave?)

Thanks go to East Coast Lumber for the best set-up clean-up job yet. It was a big help.

Also we are grateful to Bob Gaynor for donating more lumber for our grill.

Our Hoo-Hoo golf tournament, was a great success. Thanks to the hard work done by Mel Schrupp and Charles Angove, the tournament was one of the best attended yet. 47 golfers showed up for the scramble format and the following groups came out on top:

1st — Denzell Simmons, Ted Poe, Frank Ghia, Wade Jefferson, and Charlie Irvine (8) under

2nd — Glen Stafford, Phil Whitford, Woody Whitacre and Bob Gaynor (6) under

3rd — Joe Lusk, Phil Cocks, Gene Smith, Tom Moore (6) under

Congratulations to these teams and thanks to all who participated. Come to the June meeting to pick up your trophies and skill prizes donated by various companies and people.

Closest to pin 2 Ted Poe, 5 Tom Oen, 8 Jim Hill, 13 Don Allison, 16 Glenn Stafford.

Long Drive 4 Mike Emons, 6 Tom Stead, 10 Howard Moore, 12 Joe Lusk

Longest Putt 18 Larry Bagwell (BD)

FISHING TOURNEY AT CENTRAL FLORIDA Old News

Fishing Tournament results: A glorious Spring day saw 36 avid anglers attack the St. Johns River at Hybanks Marina in De Bary, Fla. Our 3rd annual Hoo-Hoo fishing tournament had a record 18 boats show up for a day of fishing and fun. Thanks to the diligent efforts of Eddie Norris, Jr. and John Green this was not only the best attended tournament yet but also the most organized. **JOB WELL DON!!!!**

Results: 1st Place: Eddie Norris and Eddie Norris, Jr.—19.4 lbs. 2nd Place: Bud Ryan and Brian Halliday — 9.6 lbs. 3rd Place: Ron Connon and Bob Grizzle.

Thanks — Lew Wadsworth donated another load of firewood for use at our meetings. Its efforts such as his that help to make our club as great as it is.

Palm Bay 221 — A meeting was held on April 9th in Palm Bay, twenty members and guests were present. The first order of business was and will be for a while attendance. If there is to be a rejuvenated club on the East Coast of Fla., we will need your sincere and immediate response. Any questions contact Frank Gray, Chuck Browning or Phil Cocks.

We thank Joel Jones and Max for reminding us of the existence of Strait, Inc. in Orlando. Craig and Jennifer got their point across quite well. Help them if you can.

JAX 52 SAYS "THANKS"

Club 52 in Jacksonville, Florida would like to give a warm hearted "Thank You," to Snark Al Meier, Dick Wilson, Worrell McCarthy, Phil Cocks and Frank Gray for the support they gave us on our March Concat.

To the members and future members that were not able to make this meeting: They missed a once in a lifetime concat by having these great people attend our concat.

We would also like to welcome our new members, David Felty, Dennis Burke, Butch Coleman and Richard Carter. To you new members, please get involved, this is YOUR club.

OSIRIAN

CLOISTER

"Once upon a time" . . .

That phrase has marked the beginning of millions of fairy tales down through history, and it will begin this one. But this is no tale, and it has nothing to do with fairies. It is the story of the "Osirian Cloister."

Once upon a time in Hoo-Hoo Land there existed an organization known as the Osirian Cloister. This organization consisted of men who had proved by their acts of loyalty and service to Hoo-Hoo that they should be exalted to a higher degree of recognition within our fraternity. A roster of this order would include the names of Rameses, Vicegerent Snarks and past Supreme Nine members, but only those who had worked diligently for the benefit of the Concatenated Order of Hoo-Hoo.

The Cloister was born in the latter part of the last century and thrived for many years until it eventually died out. Today, a new push is underway to restore the Osirian Cloister to its high and lofty place in the hallowed halls of Hoo-Hoo. The Rameses' present at the 1985 International Convention in Minneapolis voted to reactivate the Cloister to form a nucleus of men to provide greater depth to our organization and act as a council of advisors. Gordon Graham, the current Supreme Nine representative from Jurisdiction II, was appointed the first president of the reactivated Osirian Cloister. Since that time he has assembled an impressive amount of information into a booklet explaining the purpose of the Cloister, its function and who was eligible for membership. The new Cloister currently has 11 members as follows: Graham, Rameses 72 Jimmy Jones, Rameses 70 Larn Champ, Rameses 76 Dick Wilson, Snark of the Universe Al Meier, Supreme Nine Phil Cocks, Rameses 74 Dan Brown, Rameses 73 Bob Van Every, Rameses 77 Carle H.C. Hall, Rameses 75 Kevin Kelly, and Rameses 68 Tom Partridge.

According to the "Tablets of the Law," the Cloister constitutes the Upper Chamber of Hoo-Hoo and exists to "protect and further the interests of the Concatenated Order of Hoo-Hoo."

Membership in the order consists of (1) Rameses, (2) all Vicegerent Snarks who have served one year in that capacity, (3) all members or ex-members of the Supreme Nine, and (4) all active or honorary lay members who have been nominated by an Osirian. However, all members must have been members-in-good-standing in Hoo-Hoo for at least two years. Each Osirian may present new members for admission to the Cloister, but only one man may be

presented by each member annually, and, as it is written in the ancient Tablets of the Law, "Loyalty to the Concatenated Order of Hoo-Hoo and continued good standing therein is absolutely necessary in order to retain fellowship in the Cloister."

The governing body of the Cloister is called the "Pathoris," and consists of the High Priests of Osiris, Ptah, Ra, Isis, Shu, Thoth, Hathor, Sed, and Anubis. The High Priest of Osiris is the Chief Priest, and the High Priest of Thoth is the Scribe and Treasurer.

The new Osirian Cloister retains the same rich heritage exemplified in the old Cloister and will strive to serve the same purpose . . . to protect and further the interests of the International Order to Hoo-Hoo.

On the banner to this article you will notice the interesting logo of the Cloister which was worn as a badge and lapel pin by Osirians. High Priest Graham wrote this commentary on the emblem:

"This was the Osirian badge. Believed to be rather large in size and worn on the breast pocket of the suit jacket. It was later reduced in size and then worn on the lapel, much as we do our present-day Hoo-Hoo pins. Let's explore the badge's content for a moment. The top part of the badge shows a figure that is unmistakably Egyptian — which ties to much of the background of our Order. The center part is like our present lapel pin, with the black cat, whose tail is raised to form the number nine. There is one addition to the pin however — the eye that signifies the Cloister is ever-watchful over the Concatenated Order of Hoo-Hoo. The flower-like bottom part of the badge may have been added for balance, but in the absence of another explanation, I prefer to think they represent the reeds of the Nile, interwoven to bind the Osirian Cloister to the Order of Hoo-Hoo."

Very little detailed information is available on the old Osirian Cloister, but we know that only the best of Hoo-Hoo became members. Perhaps it served as a higher goal for those who achieved their desired levels of position with our Order, or perhaps it served as a collective source of knowledge and wisdom shared by those who knew Hoo-Hoo the best. Regardless of the old meaning of the Order, we know that the new Cloister will serve Hoo-Hoo masterfully, conscientiously and fraternally.

To High Priest Graham and the other Osirians, we wish them continued **HEALTH, HAPPINESS AND LONG LIFE!**

This banner and the masthead above are reprinted from the October 1925 issue of the Hoo-Hoo Bulletin, which later became the Log & Tally.

Obituaries

Ken Coleman 71801

KENNETH JOHN COLEMAN

Kenneth John Coleman wholesale salesman for the Lumber Industry died May 3rd, 1986, at his Fallbrook home. He was 62.

Kenny started his career with E. K. Wood Lumber Co. just after WW II. He later worked for California Door Company and Eckstrom Plywood Corp. until their closure in 1983.

He was a very active member of the International Order of Hoo-Hoo and past president (1971) of the Los Angeles Club 2. He also served as Deputy Supreme Nine for several years before becoming Supreme Nine of Jurisdiction 6 from 1981 thru 1983. He and his wife, Dolores attended 11 conventions in the last 15 years, in U.S., Canada and Australia.

Born in Los Angeles December 18, 1923, he lived all his life in Los Angeles County until moving to the Lime Grove in Fallbrook last year. A Memorial Service was held Wednesday, May 7, 1986 at Rose Hills Sky Church, Whittier. Mr. Robert Wilson officiated. Private interment followed in Riverside National Cemetery in Riverside.

CHARLES MCFADDEN, 62704

With deep sorrow the family announces the passing of Charles suddenly on Sunday, March 30th. Beloved husband of Mary Jane (nee Lough), dear father of Virginia, Brian and Kevin. A memorial service was

held at St. Andrew's Presbyterian Church on Wednesday, April 2nd. Remembrances can be sent to the Sick Children's Hospital and would be greatly appreciated.

RICHARD J. (BOB) GEHRING

Life member of Hoo-Hoo L33574, passed away in Healdsburg CA, March 28, 1986.

Bob started to work in San Francisco with Hart Wood Lumber in 1918 — Was with Rolando Lumber Co. until the early forties when he founded Service Lumber Co. in San Francisco. Over a thirty year period, Service Lumber supplied material to the four or five countries in the Bay area. The company moved first to Susalito and later to Black Point in Marin County.

Bob retired in the early seventies to his ranch in Healdsburg where he was very active in many community projects.

He is survived by his wife Lorraine and four sons and their families.

GRANITE STATE CHAPTER HOSTS LUMBERMEN AT NEW HAMPSHIRE RESORT FOR 94TH HOO-HOO INTERNATIONAL CONVENTION

Granite State Hoo-Hoo Club 107 will host worldwide member lumbermen and their guests this fall at a resort hotel located in the midst of New Hampshire's scenic White Mountains for the 94th Hoo-Hoo International Convention.

Hoo-Hoo conventioners will be surrounded by New England's fall splendor when they meet Sept. 14-18 at the Mount Washington Hotel and Resort in beautiful Bretton Woods, N.H.

The Granite Staters have organized a fantastic convention experience in a vacation atmosphere at a self-contained resort, all included at a single price. Special arrangements also have been made for discount transportation by air and rental car.

The Mount Washington Hotel and Resort is set in 2,600 spectacularly scenic areas at the foot of 6,288-foot Mt. Washington in the middle of the White Mountain National

Forest where conventioners will enjoy the incomparable beauty of a New England autumn.

The hotel boasts an entire vacation community with four restaurants, lounges, nightly entertainment, golf, heated swimming pools, hiking and jogging trails, sauna, tennis and many other amenities and activities.

Convention planners also have arranged for side trips to the famous Old Man in the Mountain and Flume Gorge, as well as to the top of Mt. Washington by cog railway or minibus.

All hotel accommodations, resort amenities and convention activities are included for a single price, with no additional registration fee, and a compact business meeting schedule ensures ample time for conventioners to enjoy New England in the fall.

Granite State convention planners encourage all Hoo-Hoo members to make their plans now by calling Laura Schoepf at Furman Lumber, Inc., in Boston at 1-800-THE-WOOD.

THE BULLETIN OF HOO-HOO from May, 1927 issue.

"EVERY LUMBERMAN SHOULD BE A HOO-HOO" — BEN WOODHEAD

Ben S. Woodhead, 6968, of the Beaumont Lumber Co., nationally known in lumber and Hoo-Hoo circles, in an address to the Beaumont, Tex., Hoo-Hoo Club, recently, asserted that every lumberman should be a Hoo-Hoo.

"There are many reasons why lumbermen should be Hoo-Hoo, especially the young fellows," Mr. Woodhead said. "The first is selfishness. Selfishness actuates all of us in many of our endeavors, but selfishness is appropriate and proper when a man is trying to better his condition. Later on we can give something for that which we receive. If a man better his own condition honorably, he will better the condition of his community.

"Lumbermen who expect to devote their time to the industry should become Hoo-Hoo. In Minneapolis, the Hoo-Hoo Club has a membership of over 400 and its own orchestra and glee club. It is the leading club in that city.

"The young man entering the trade should be glad of an opportunity to associate himself on easy terms with men whose knowledge of the craft has been mellowed by years of experience. The club gives him a better footing with these men and he can better qualify to take up their burdens when the time comes. The man who loves his vocation in life is willing to do what he can to perpetuate that business on a high plane after he has laid down his earthly cares.

The Joys of Service.

"Every man has an ambition to put the business to which he devotes his life on a better plane than when he entered it. Through association of this kind the opportunity is opened for him to raise the standard of ethics. I would hate to be on my deathbed and feel that, in my 40 years' residence in Beaumont, I had not raised a finger to make conditions in this city better.

"This applies not only to our civic and patriotic duty, but to our business. The man in Hoo-Hoo has a better way to serve the trade than the man on the outside.

SECRETARY/TREASURER NOMINATION

San Joaquin Valley Hoo-Hoo Club No. 31 proudly nominates Bernard B. Barber, Jr. L-48864, for the office of International Secretary-Treasurer.

Bernie has been a very loyal, dedicated member of Hoo-Hoo for many years, and has served Hoo-Hoo International as Secretary-Treasurer in a very capable manner since the move from Norwood to Gurdon.

It is the opinion of our club that he should be retained in the position he presently holds.

Sincerely and fraternally,

San Joaquin Valley Hoo-Hoo Club 31
Mike Bakula 82401, President

NOMINATION FOR SUPREME NINE JURISDICTION TWO

To Whom It May Concern,

For the upcoming term, Supreme Nine, Jurisdiction Two, I would like to nominate Gordon Graham L-70604.

Gordon has always been very active in Hoo-Hoo. Since his retirement there is no stopping this guy. He has served as Supreme Nine Jurisdiction Two for the past two years. He has also spurred enthusiasm among the clubs. Our jurisdiction is on the move! Not only does Gordon work hard, he also cares about the clubs and looks out for everybody's interests on the international level. He also serves as the Detroit Club 28 Secretary Treasurer. Once again, it would be to the benefit of Jurisdiction Two to have Gordon Graham as our Supreme Nine member.

Respectfully,
James A. Maicki L86469
President, Detroit Club 28

REMEMBER WOOD PROMOTION

July, 1986

International Officers and Directors
All Convention Delegates, Club
Officers and Directors and Members

Re: Wood Promotion Trophy

As you all know, it's time once again to nominate individual clubs for the honor of receiving the distinguished Wood Promotion trophy. If you would like to nominate a club for the award, please mail the letter of nomination to me at the headquarters in Gurdon. I will carry a list of nominees to the convention in September.

Let's all work to promote participation among our clubs for the coveted Wood Promotion trophy this year.

Fraternally,

Billy W. Tarpley 91099
Executive Secretary
Hoo-Hoo International

Rules Governing Club Trophy

1.) The club may submit evidence covering all wood promotion projects adopted by the club, including National Forest Products Week.

2.) The entrant club will make its presentation to the judges and the convention. Tangible evidence of the project(s) must be submitted by the club delegate, who must be conversant with the project from start to finish as he may be interviewed by the judges. This evidence may consist of newspaper clippings, photos, scrap books, samples, or display material. A slide projector will be available.

3.) Each participating club must submit a written outline of the wood promotion project(s) to contain the following: (a) a description of the project(s); (b) State the goal of the project(s); (c) Tell of the method of operation; (d) Specify the relative proportion of financial and/or manpower support from cooperating organizations; and (e) Statement of the results.

4.) **DO NOT SEND CLUB CONTEST MATERIALS TO THE INTERNATIONAL HOO-HOO OFFICE.** The Club delegate is

responsible for all contest materials, and for providing the Log & Tally with a complete story for publication. The delegate may ship the materials, addressed to himself, in care of the convention hotel, marked "hold for arrival on September ____, 19__."

5.) Decision of the judges will be final. A club is eligible to be awarded the trophy in two or more consecutive years. In the absence of an acceptable club presentation, at the discretion of the judges the trophy may be retained in the International Headquarters for one year. In addition to the trophy, certificates will be presented to the clubs placing first, second and third. No judge shall be appointed who is a member of a club making a competitive presentation.

6.) Hoo-Hoo clubs wishing to make a presentation for the trophy are requested to advise the International Office by letter prior to August 20th of each year.

7.) Each of the following facets of the wood promotion project shall be rated by each judge, independently of the others, on a scale of 1 thru 10 for letters G and D and 1 thru 5 for letters A, B, E, & F, 10 being the best.

- A—Accomplishment based on size of club.
- B—Involvement of members.
- C—Immediate effect on the community.
- D—Lasting effect on the community.
- E—Written presentation.
- F—Oral presentation.
