# Memo from the Snark

JEFF LOTH L81125

This will be my last report to you as your Snark. I can not begin to put into words what this experience and past years on the board have meant to me. I can only say it has been a fantastic opportunity which I will never forget.

I truly believe we have made great progress and strides for the future of this great organization, and the future looks very promising. We must continue to look ahead and be willing to accept change when it is inevitable and positive for our future survival and growth.

Hoo-Hoo International needs to be unified and behind deleting the word male in our bylaws. I admit, to some this may be painful, but to the majority it is very positive and for the good of the order, future growth, financial support, corporate support and social support in today's ever changing times. Let's take this issue and make it a positive statement for Hoo-Hoo's future. Yes, we are 100 years old, and we are going to be here another 100 years. Remember, this does not change individual club bylaws, only international.

By the time this issue is out I hope to have traveled through all nine jurisdictions. As of this report, I have J-VIII left to visit. Also, I have met with over 35 clubs or their delegates and traveled over 50,000 miles this year as your Snark, promoting Hoo-Hoo and our industry and have enjoyed every minute of it.

J-VII was a great recent experience. S-9 Frank Aranza and I traveled through this great Jurisdiction and met with Houston; Jackson, Mississippi; Memphis; Gurdon; Dieball; Dallas and San Antonio clubs. At San Antonio we had a booth for International at the L.A.T. Lumberman's Association of Texas Convention. We concated 36 kittens

*"I truly believe we have made great progress and strides for the future of this great organization, and the future looks very promising. We must continue to look ahead and be willing to accept change when it is inevitable and positive for our future survival and growth."*

with great success. I could go on and on about this convention and the hospitality given to me by all the members there. Hoo-Hoo was once again the big winner.

J-IX had a great Mini Convention at Jekyll Island, Georgia. Thanks to S-9 Pat Story and committee; all members and wives present will never forget this great event. Sherry and I cannot thank you enough, Pat, for a fabulous time with old and new friends. The great spirit of Hoo-Hoo was felt everywhere.

On May 29th, 30th, and 31st, J-III had its annual Mini Convention in Kahneeta Resort, Oregon. This was also a tremendous event. There was a lot of Hoo-Hoo spirit felt everywhere. Club president reports were excellent and well presented. Fred Scheffler, S-9 for J-III, did his usual fabulous job chairing the event. The sponsor club was Portland Club #47. They deserve a great Hoo-Hoo yell. Great job, guys.

Remember the Centennial in Hot Springs, Arkansas, September 9th through 13th. Do not even think about missing it. 100 years of the greatness of our organization will be on display, and you will want to be a part of it. Let's show the world that the Lumber and Building Industry is alive and well.

I would like to thank all my board members for their tremendous support this past year. Dave Blazen, your incoming Snark, has a great bunch of people to work with and has done a superb job as First Vice President. You can be proud of him as your incoming Snark. As the saying goes, "let's keep the ball rolling".

Health, Happiness and Long Life  
God Bless  
Jeff Loth L-81125  
Snark of the Universe

# Vice Presidents' Reports

## 1<sup>ST</sup> VICE PRESIDENT

DAVE BLASEN 53110

It seems that this year in Hoo-Hoo has gone at a break-neck pace. In just a little over two months we will be in Hot Springs to celebrate our 100th anniversary. What a gala affair the convention committee has planned for all who attend.

In addition to visiting with individual clubs, Dorothy and I have attended the J-9 Mini at Jekyll Island, Georgia, in mid May. Supreme 9 Pat Story and his committee really put on a fine program, and the Jekyll Island Club will remain in the memories of those in attendance for years to come. At the end of May we attended the J-3 Mini at Kah Nee Ta, a resort on the Warm Springs Indian reservation. Representatives from seven clubs plus guests from J-5, J-2, and J-6 were in attendance. This was the 25th annual mini for Jurisdiction III. Glenn Low, Jim Talley, and S-9 Fred Scheffler went all out to make this an outstanding affair. These jurisdiction minis have a great deal to offer in the exchange of club ideas, jurisdiction planning, and Hoo-Hoo comraderie for members and wives. I can highly recommend to any jurisdiction the advantages of holding a mini and would be glad to help them in setting up a program for their jurisdiction.

Our membership program for the 91-92 year will soon come to a close. In the February issue we listed goals of 90% retention, 60% reinstatement, and a 20% increase in new members. So how did we do--did we make it? There is an old saying, "Liars can figure, and figures can lie." At this point, I'm not sure into which category we fall, but as of 5/31/92, here is where we stand. Our cutoff date 7/31/91 showed 6063 paid members--5/31/92 showed 5841 paid or 96.34%. To maintain 90% retention would require 5456. We retained 5415 (5841 - 426 new) or short of our goal by 41 members. We reinstated 172 this year vs. 100 last year and concated 426, an increase of 103 over last year. These figures do not include J-4 who submit their report at the annual meeting.

Many thanks to those of you who worked to make this possible. I feel we have turned the corner, and with the cooperation of all members, we can continue to retain, reinstate, and recruit members.

Dave Blazen 53110  
First Vice President

## 2<sup>ND</sup> VICE PRESIDENT

MANNY LITVIN 60272

Being elected Second Vice President has given me a different view of Hoo-Hoo International. The atmosphere up here seems to tell me that we have even more responsibility to insure that Hoo-Hoo continues into the next century. During my travels this year I have formulated some thoughts, and I would like to share some of them with you.

Does your incoming president, prior to the election, spell out to the new board their responsibility in attendance and chairing/co-chairing one meeting a year?

Do you plan at least four meetings with speakers from inside and outside the industry?

Do you plant trees?

Do you invite new kittens to each board meeting so that they see how the club is operated?

Have you made a list of all non-member companies that are within one hour of your meeting place? That these non-members will be invited to your education meetings and golf outing? This would set up a program for getting new members.

Do you ask your kittens to manage the door and take money and meet their fellow members as they come to the meetings?

Do you have any board member that might be on the board for 10 years? Does this person (without realizing) try to have only his idea approved?

It is very important that each board member have a chance to see their ideas go forward and a chance for responsibility in working and planning meetings.

Has your secretary/treasurer served more than 10 years? If so, do you have someone in the wings to take over?

These are some of the thoughts that came to mind as I worked through the year.

In looking over the print out on membership, I am disappointed that so many members DO NOT PAY THEIR DUES WITHIN 30 DAYS of receiving their first notice. It sure would be nice if 100% of dues would be paid by September 1 each year.

Health, Happiness and Long Life  
Manny Litvin 60272  
Second Vice President

# Supreme Nine Reports

## JURISDICTION I

Winter is over, finally! Spring was late in arriving and left as soon as it got here. For those who remember, it was a horrible year for New England made maple sugar. Our economy has picked up a little in very small increments. I have been concentrating my time to the clubs of the New England states and had a very successful period. We were very fortunate in having concats that produced many new kittens in Hoo-Hoo. Our goal is to keep them active in our organization and develop them into new officers for the future.

The Northeast Retail Lumbermen's Convention was held in January. Displays of new products, old standbys and whatever you could think useable in the forest product industries were evident. Building materials from 2x4's to trusses, hardware and sundries were all well displayed in multiple booths and even large open areas.

Northeast Retail Lumbermen's called me to ask if we (Hoo-Hoo) would be interested in participating in their convention and programs. I called Jeff Loth to ask his permission and what he thought of the idea. He gave me the go ahead and helped greatly in every way possible. Jeff, to you from me and everyone in "JI", a big thank you.

For you people in Hoo-Hoo, your international officers do more, and then some, for the organization. My next step was to call Beth and Vicki to generate a complete set of labels of all members in "JI" from 1988 to the present. This they did with a very professional and dedicated attitude. It was accomplished in a very short time frame of three days. Beth and Vicki, I thank you both for helping me out on very, very short notice. What we did for everyone who responded is to set up a hospitality room and "convention" fees for the convention programs for the wholesalers and retailers show that consisted of a four-day program.

From the convention on, it has been Hoo-Hoo meetings, concats and phone calls, letters, you name it. Whatever it takes to promote Hoo-Hoo. Mr. Warren Biss, former JI Supreme Nine, is on a roll. They had a concat this year that was held in a building that contains a boxing ring. The new kittens were saying, "Are we the combatants???" As it turned out, Hoo-Hoo's from four other clubs were in attendance. A great concat and also a great halftime show. Warren, how do you top this?

Next, to New Hampshire's concat, as usual a great turnout. It started on time and was held in Manchester, N.H., at the Yard Restaurant. I believe the count was 18 new kittens - 15 males and 3 females. We had absolutely no problems at all. It was done in a very tasteful and professional manner. Mr. Tom Demaris and his officers have done a tremendous job this year. From a ski trip to Uncle Bill's Veasey Steak Out and everything in between. N.H. club #107 is on the right track. From N.H. we tracked on down to the Folsom Club in Massachusetts. I have tried to attend as many meetings as possible in the Massachusetts

club. Mr. Gerard Moynihan is the president this year. The highlight of this year for me was at the old timers night. They had nine past presidents and thirteen old timers plus the regular membership, which really made this a special occasion. As always, a moment of silence in remembrance was held. This year a very devoted and past president, Mr. John Denison, passed away and his remembrance was acknowledged. His work and dedication to Hoo-Hoo was a task that we should all try to duplicate.

I was told that *Log & Tally* and Centennial ads are very slow. The way the economy is, so goes advertising. How about a small ad or even a 1/2 ad? Please try to help. You are our organization and backbone. Al Meier, R78, and Jack Jacobson, R79, are co-chairmen of the Centennial Fund Raising effort. This is to help keep the registration cost as low as possible to give every member the chance of celebrating 100 years of Hoo-Hoo. How about all of us giving them a helping hand in the ultimate goal being achieved.

Final arrangements are now being finalized for the Big 100 Year Convention. A lot of people are giving of their time and know-how to make this a convention that Hoo-Hoo will always remember. Be part of this combined committed commitment. Without you, our membership, we are nothing. As the song goes, "See You in September".

A Bientot!  
Health, Happiness, and Long Life  
**Jerry Rivet 90622**  
Supreme Nine, Jurisdiction I

P.S. Convention "97"  
Back in New England????

## JURISDICTION II

Since the first of the year, J-II clubs have been active. All of the clubs have been busy and are continuing to try to increase their membership rolls. It has been a trying situation for most, but all are attempting to at least break even with last year. As of this writing, Detroit Club #28 has done the best job. They have actually increased membership by eight (8) over last year.

Below is a report of some of the club activities that I have attended.

January 25, 1992, Maryhelen and I were able to visit with the Ben Springer Club #35 and did enjoy their "Post Holiday Dinner Dance". It truly was a fun evening being with that group. People in Wisconsin are very hospitable.

On March 19, 1992, I made the trip to Elgin, Illinois, to participate in the Ken Hallgren Club #139 concat. Now there is a group that knows how to concatenate a group of

kittens. Seriously, it was enjoyable to meet the club from Northern Illinois.

May 12, 1992, was spent at the dinner only, for me, of the Saginaw Valley Club #246 golf outing. This was their outing to challenge the Detroit Club on the golf course. I must report that the trophy stays in Detroit until the next time.

May 19, 1992, was Detroit Club #28's annual awards night. One of the awards was the "Matt Lewis Memorial Award" given for a person's contribution to the Detroit Club over the years. This year it was awarded to three brothers - Fran Osebold 62557, Jim Osebold L86776, and T. Jim's dad, Joe Osebold 86777, who was given the award posthumously. Joe died last fall and is missed so much by all who knew him.

By the time you will be reading this, many will be packing their bags for the big trip to Hot Springs to celebrate the 100th Anniversary. Maryhelen and I are looking forward to greeting old friends and making new ones during the convention. Until then--

Health, Happiness and Long Life  
**Bob Carper L66161**  
Supreme Nine, Jurisdiction II

## JURISDICTION III

Well, it's been a long time!

The year keeps going by ever so fast. As to date, I've travelled throughout Jurisdiction III, from Winema, Williams Valley, North Cascade, Tacoma-Olympia, and, yes, Seattle, also. I had the people and the leadership in Lewiston, Idaho, with Al Hecker and crew, to reactivate Lewis & Clark Club #66. With a great bunch of guys that club should be one of the strongest in Jurisdiction III.

Jurisdiction III Mini Convention was held at Kah-Nee-Ta Resort in Warm Springs, Oregon, May 29th. Portland Club #47 hosted the convention and did a super job. The meeting opened Saturday at 7 a.m. with First Vice President Dave Blasen giving the invocation. In attendance were three Rameses, Dan Brown, Jack Jacobson, and Al Meier; three D-S9s, Bill Nelson, Barney Wagner, and Archie Brown; and, of course, from the board, Second Vice President Manny Litvin, First Vice President Dave Blasen, Chairman of the Board Brent Crosby, and the Snark of the Universe, Jeff Loth. We had a total of 38 members in attendance. I feel that with the nice weather everyone had a great time, and thank you's should go to Jim Talley and the Portland Convention Committee.

Jim Talley was also brought on as D-S9 of Northern Oregon, and I am sure he will do a great job.

Please read in your "Operations Manual" under the bylaws section, "Article IV, Annual Conventions", because that is how we are going to vote at the International Convention in September. And for all the members that can make it to Hot Spring in September, I am told that will be one Big Party. See you there.

Fraternally,  
**Fred Scheffler 89278**  
Supreme Nine, Jurisdiction III

## JURISDICTION IV

Here in J-IV we are still suffering from the recession of 1991. There are small signs of recovery in some areas, but very small. Our membership is taking a battering from further fallouts in our industry -- closures, takeovers, and uncertainties. Hoo-Hoo is over thirty years old in J-IV, and these certainly are the hardest years we have seen during this period.

We here are fighting on two fronts: 1) The recession, and 2) The green movement, both of which are causing enormous problems. Clubs are finding it exceedingly difficult to gain new members. All because of uncertainties. Personnel are not confident that their jobs will be there tomorrow. What are we doing about our problems here in J-IV? Number one is in my mind Sydney's club program on "train the trainers". School teachers are the target. How often have you heard your children come home from school and say "because teacher said"? It's the truth but far from the truth in most cases when it comes to talk about our industry and our native forests. If we can convince just a small number of teachers that we (that is our industry) are the true conservators, that we can demonstrate that because of what we are doing, we will have our forests for today and tomorrow, then the message is passed onto our future generation, and we will be getting somewhere.

We need to get every club in J-IV to hold at least two dinner meetings per year with teachers to see some real results from this worthy program. "Congratulations, Sydney boys; keep up the good work."

The next program should be education within our industry on what Hoo-Hoo is all about and what Hoo-Hoo can do for our industry. It amazes me how often I find people within our industry who have never heard about Hoo-Hoo. Members, now is the time to talk to your fellow industry people. I am sure that, providing we have some very good programs in place, we then can convince lots of people that they should be part of Hoo-Hoo. We have a future, so let's see membership grow and not go on declining as we are seeing today.

We now are gearing for two events--our J-IV Conference will be held this year in Rotorua in New Zealand. Geyslerland Club will be our hosts, and you can be assured of a great time. Rotorua is a lovely spot, we can assure you that. You will not go away disappointed. Members, it is not too late to book so get in that registration and give Geyslerland your support.

The next one is the big one--Hoo-Hoo's Centenary. You have heard about it, and just a reminder to get in a late entry if you can. It should be a great get together. You will be disappointed if you miss out.

My club visits have been very limited this year due to industry pressures, but I would like to mention one special occasion that was Tasmania's annual get together. Burnie, Launceston and Hobart clubs held their night at a little town called Ross. Seventy-eight members enjoyed this annual event. Some members traveled by bus, others by private car. Some people traveled up to 200 kilometers (120

(CONTINUED ON NEXT PAGE)

## Supreme Nine Reports

(CONTINUED FROM PREVIOUS PAGE)

miles) to the venue and then returned home afterwards. It was a great night and one that I would recommend to other areas--an annual get together.

Health, Happiness and Long Life  
Kevin French 84421  
Supreme Nine, Jurisdiction IV

## V JURISDICTION

In a previous report, I mentioned "Bullish", that was surely to pertain to club functions, membership drives, etc., etc. It seems I took the "Bullish" part by the horns and got very busy with my endeavors. I owe Dave Blasen an apology for being so utterly prompt with the membership report for Jurisdiction V.

When it comes to writing reports and letters to my clubs in Canada, they could not have picked a worse S9. I do contact each club by phone, and I find that more personal.

Toronto Club #53 -- I had a good conversation with my Deputy Supreme 9, Keith Waddell, who reported all is more or less well. Keith attended the J9 Mini and reported to have had a great time. I am asking the Toronto Club to search for a Supreme Nine for the 1993-1995 term. I will serve out my second term. However, I strongly suggest that the Toronto Club have a representative on the Supreme Nine for the 1993-1995 term. Look for a member who has a sincere feeling for Hoo-Hoo and can make the two year commitment.

Victoria Club #183 -- In a conversation with Fredd Frudd, the club is doing tidily. Not quite right; their wood paving blocks are ready; all is in place; next step is to have it installed. This is done by the City of Victoria. When it is completed, I hope that Doug Donald will give us a detailed report plus pictures.

Cowichan Valley #229 -- They have had two events since last report, the Spring Stag and the Golf Tournament. Jerry Doman reported that both events were well attended and good times were had by all. Jerry also reported that their "Wood Working Competition" is in full swing. Five junior high schools are participating. First, second, and third prize winners receive power tools, and the school with the best project receives a trophy.

Vancouver Club #48 -- The club has truly become diversified in its programming. March 5th we had a Ski Trip to Apex Alpine, B.C. Eighteen skiers of all levels signed up. We had good accommodations, good food, good weather, good skiing, a fabulous group of Hoo-Hoo'ers - all the right ingredients for a GOOD TIME. Next on the agenda was the Men's Draw (April 6th), a complete sellout with over 350 members and friends attending. On May

23rd it was again time for wives and girlfriends to completely abuse the opposite sex on the golf course. This year's Alternate Strokes was the largest since its inception five years ago. June 11th was the Men's Golf, another sellout. One hundred and forty-four plus golfers enjoyed a beautiful BC DAY on the UBC Golf Course.

Our 100th Anniversary Bash is about to begin. The Convention Committee has worked very hard to make this one a memorable Hoo-Hoo Centennial Convention. Jurisdiction V will have a good representation in Hot Springs. A number of us coming from the West Coast have no idea of distances from, for example, Little Rock to Hot Springs, etc., etc. Some of you are extending your tour either before or after the Convention, so this data might be useful. Times indicated are the shortest route and normal driving times. This table does not and will not apply to Chris Goff, unless you double the distance and cut the time in half.

From	To	Distance	Time
Little Rock	Hot Springs	54 Miles	01:00 hour
Hot Springs	Gurdon	51 Miles	01:00 hour
Hot Springs	Dallas	300 Miles	05:30 hours
Hot Springs	Memphis	191 Miles	03:30 hours
Hot Springs	Nashville	398 Miles	07:30 hours
Hot Springs	New Orleans	484 Miles	09:30 hours

Come prepared to have a good time and let's Rock & Roll.

Health, Happiness, and Long Life  
Jan-Evert Hermans L81682  
Supreme Nine, Jurisdiction V

## VI JURISDICTION

Nearly four years ago I was elected to serve Jurisdiction VI as Supreme Nine member. During this time, I attended many (I lost track a long time ago.) Hoo-Hoo meetings, met lots of great Hoo-Hoo members and have had a hell-of-a-lot of fun. I end my second term with mixed emotions. Glad it's over so I can direct my attentions elsewhere, but still wanting to play an active role in Hoo-Hoo, both locally and internationally, and intend to do so.

I feel that my last S-9 report should be used to thank the people that have helped me over the last few years. First, thanks to all officers and board members of all the clubs in J-6. These are the people who really worked on membership and many other Hoo-Hoo endeavors that have made our jurisdiction prosper. I was lucky to have had the pleasure to work with so many great lumbermen.

Beth Thomas and Vicki Hughes have always been there when I have needed their assistance, and they have always been patient when waiting for my reports, like this one. Thank you for your help, ladies.

Thanks, also, go to those that have given their time and efforts to help me as Deputy Supreme Nines. They are Dennis Miles, Chuck Pensinger, Warren Hoffman, Norman Lum, Ed Gavotta, Dan Bonnington, Scott Fossum, Charlie Schwitzer, and Scott Watson. These guys have always been there when I needed them. Thanks again, guys.

I can't neglect the four Snarks and international officers. As a group, we have enjoyed many hours of Hoo-Hoo fellowship and heated board meetings. These guys made life interesting.

My final thanks go to my wife Cheryl and daughters Becky and Jamie for putting up with many late nights and trips away from home while I was out Hoo-Hoo'ing.

The Centennial Convention is now just weeks or days away. A milestone, these 100 years. Nearly 500 will be in Hot Springs to join in the celebration. I hope you will be one of us. Hoo-Hoo is a great organization. With your participation Hoo-Hoo will be around for another 100 years.

Health, Happiness, and Long Life  
David B. Jones L82806  
Supreme Nine, Jurisdiction VI

## VII JURISDICTION

Greetings from J-VII. The first half of 1992 has been very productive. Concats were spawned throughout J-VII. We were host to our Snark of the Universe, Jeff Loth L81125, and we made a humongous splash (sorry if your fur got wet) at the 1992 Lumberman's Association of Texas Convention.

Metroplex Club #242 concatenated three new members on March 5, 1992. Look out for this club. They're on their way up.

Our illustrious Snark arrived in Houston on April 23, 1992. We toasted his arrival with a concat for eight new members into Houston Club #23 then topped it off with a Texas size welcome, a "Ten Gallon Hat".

We then went to Jackson, Mississippi to attend the Magnolia Club's concat on April 24, 1992. Six new members were added to their ranks. One of these members is the State Coordinator of Project Learning Tree for Mississippi, Bill Colvin. Three of the new members will be associates.

Our next stop, April 25, 1992, found us in the heart of "Graceland". You guessed it, our Snark is a closet "Elvis" fan. The Memphis Club treated us to an old fashioned, all-you-can-eat catfish dinner. I'm still full. Our Memphis brothers could use some support from the local Lumberman's Club. If any of you have a suggestion, please contact their secretary, Jim Caldwell.

On April 27, 1992, we visited with Gurdon Club #120. Gurdon, the birthplace of Hoo-Hoo. Just being there rejuvenated our spirits. The grilled steaks didn't hurt either. Thanks, David, especially for the to-go package.

April 28th, lunch with the golden boys of J-VII. The East Texas Club #135 has increased membership by 92%. Their fund raisers supply monies to the Texas Forestry

Museum and the scholarship fund for forestry at Stephen F. Austin University. They will be sending two or three members to our Centennial Convention.

On April 29, 1992, we met with the Metroplex Club #242. The club president, Lester Raborn 93445, received a certificate of merit and a Snark's golden coin for his outstanding performance.

Our next stop was the "Grand Finale". The Lumberman's Association of Texas Convention. I insisted that your Snark be at every major function, glad-handing and spewing forth the wisdom of Hoo-Hoo. Little did I know that out of all of this would come 34 new HHI members and two reinstatements. Your Snark worked his tail off. In the heat of the moment, snap decisions were made, not all of them correct.

We also have to thank Ron Yarbrough of El Dorado, Arkansas. Ron requested a concatenation at the LAT. He is attempting to charter a club in the southern Arkansas/northern Louisiana area. Any help here will be greatly appreciated.

That's all for now.  
Health, Happiness, and Long Life  
Your fraternal brother,  
Frank Aranza 90328  
Supreme Nine, Jurisdiction VII

## VIII JURISDICTION

A trip up to golden Minnesota in April was to assist Club #91 in Saint Cloud initiate 34 new kittens. Here is a group with 36 on the rolls, previously, and now this great new growth. This would have to be a record, doubling membership at one concat. John L. Donlin is the distinguished president, and Roger L. Van Vickle is the diligent secretary/treasurer.

Then my good fortune prevailed again. On April 9 off I went to the Twin Cities Club #92 to participate in its Lumberman of the Year award. This event has been celebrated for the past 25 years, and many prominent names have appeared on the rolls. Some 150 members and guests assembled at the luxurious Lido's in suburban Roseville for provender and spirits of high order. The award went to Bill Gits L47310, holder of many positions within the ramified industry and a Supreme Nine representative. A salute to Bill and his good wife, and here's to many more years of service to Hoo-Hoo. Current officers of this great club are Dwayne Oberg, president, and Don L. Bleise, secretary/treasurer.

Even in the north the winter has vanished and everything has come to life. Hawkeye Club #102, based in Cedar Rapids, Iowa, is prospering, headed by Gary Cole, new president, and Frank Parks, long-time secretary/treasurer. Iowa's river boat gambling is booming and

(CONTINUED ON NEXT PAGE)

## Supreme Nine Reports

(CONTINUED FROM PREVIOUS PAGE)

casinos are drawing people from all over the nation. The members have increased by one third in the past six months.

Notices have come in from Omaha Club #124 that two events have been scheduled for May and June - a day at the Greyhound Track in nearby Council Bluffs, Iowa, (Note - Did you know that the state of Iowa with its many forms of gambling now ranks with Nevada and Las Vegas as King?); then on June 10 comes the annual picnic and golf at renowned Al Vey's farm in Omaha's suburbs. Homer Hahn is Mister Hoo-Hoo in this part of the country for his long and faithful service as a club officer and on the Supreme Nine. His number 55213 tells how long he has been aboard.

Each meeting all over stresses are made to attend the Centennial Hoo-Hoo Celebration in September in Arkansas. Then look further ahead to the Sioux Falls convention in 1993.

Need I say, Great Health, Supreme Happiness, and Extended Long Life.

Bob Creel 53443

Supreme Nine, Jurisdiction VIII

## IX JURISDICTION

As I wind down my first full year as Supreme Nine, it appears that possibly the decline of Hoo-Hoo in the South has bottomed out. Now it is time to get it growing again.

During the business session at the Jurisdiction Nine Mini Convention at Jekyll Island Resort, we identified our three weakest areas and decided on an approach to solve each, based on the experiences of other clubs.

Problem 1): The large number of clubs that have gone "inactive" in the past few years.

Action: Rameses Phil Cocks suggested a strengthening of the Deputy Supreme Nine network and assigning one Deputy Nine to each club to either reorganize or to keep them active. Second Vice President Manny Litvin, who vacations in Florida each year, volunteered to act as a "Deputy Nine at Large" to help in reactivation efforts, and to visit the active clubs to give them a feeling of being a part of international.

Problem 2): Recruitment.

Action: Snark of the Universe, Jeff Loth, gave me the good news that he had contacted three members from the Atlanta area at the conat in Texas in April. I have since contacted them, and it appears that at least two of them will join the Atlanta/Dick Wilson Club #1. First Vice President Dave Blasen offered some ideas of how to hold on

to current members: Each club must have a purpose and participation; and how to attract and keep new members-- make them feel welcome and give them a job to do.

Problem 3): Clubs isolated from international.

Action: Rameses Jimmy Jones and Rameses Dick Wilson pointed out the once-in-a-lifetime opportunity offered by the Centennial Convention to get local clubs more united with other Hoo-Hoo's worldwide, and urge all clubs to submit reports of activities to the Log & Tally.

Our Mini-Convention was small but good. We had excellent weather, and the 5-star Jekyll Island Club was a marvelous location. Everyone enjoyed our time together, and we all made some new and wonderful friends. Attending were Harry Aroian, Orlando, Florida; Dave and Dorothy Blasen, Portland, Oregon; Phil Cocks, Orlando, Florida; Gary and Patty Harris, Duluth, Georgia; Bob and Luanne Horton, McDonough, Georgia; Jimmy and Betty Jones, Napa, California; Manny and Bernice Litvin, Farmington Hills, Michigan; Jeff and Sherri Loth, Gold Bar, Washington; Charlie and Mollie Lyons, Johns Island, South Carolina; Jack and Phyllis Michaeux, Stone Mountain, Georgia; Mike O'Bryan, Cumming, Georgia; Bob and Diane Ridley, Houston, Texas; Bob and Betty Schallenkamp, Roswell, Georgia; Perry and Mary Ella Sears, Orlando, Florida; Pat and Shirley Story, Dunwoody, Georgia; Mark Terrell, Duluth, Georgia; Keith and Maggi Waddell, Ontario, Canada; and Dick and Fran Wilson, Steinhatchee, Florida.

I look forward to the challenges of the coming year and with help from a lot of good Brothers, I think we can start on a long period of improvement.

Health, Happiness, and Long Life.

Pat Story 83773

Supreme Nine, Jurisdiction IX

# ATTENTION!!!

## All Club Officers INTERNATIONAL CHANGE IN 1992-93 DUES STRUCTURE

The International dues for membership in Hoo-Hoo effective September 9, 1992, are as follows:

REGULAR RENEWALS.....	U.S. \$21.99
REINSTATEMENT (any member who is unpaid for one year or more).....	U.S. \$21.99
Plus Reinstatement Fee.....	U.S. 5.00
.....	TOTAL U.S. \$26.99
NEW MEMBERS.....	U.S. \$21.99
Plus Initiation Fee.....	U.S. 10.00
.....	TOTAL U.S. \$31.99
LIFETIME MEMBERSHIP (Never again to pay International Dues).....	U.S. \$299.99

# Nominations for Officers for

IN SUPPORT OF PROPOSED AMENDMENT TO  
BYLAWS CHANGING ARTICLE XVIII

Dear Members:

In rebuttal to Bernie Barber's article in the February issue of the *Log & Tally*, the costs as shown are unnecessary and unrealistic. If we wish to go "first class" we could print and insert the ballot card in the *Log & Tally* for \$266.00 (quoting Bernie's figures). Should we decide to be economical, the ballot could be printed on a single or half page of the *Log & Tally*, cut out, and returned to Gurdon at no added cost to International. In both cases the individual would sign his name and number. Total cost -- a \$.29 stamp.

With regard to policing this type of voting, I would have a hard time believing that our integrity as members has to be questioned.

The State of Oregon has been using mail-in ballots for special elections for several years and have found this method to encourage participation and be cost effective. Why not give it a try?

Health, Happiness & Long Life,  
Dave Blasen 53110  
First Vice President

## Nomination for Snark of the Universe

It is with great pride and privilege that I nominate the inveterate Mr. David W. Blasen for Snark of the Universe.

Mr. Blasen is supremely qualified to invigorate and direct the fortunes of our fraternal organization. Since joining Hoo-Hoo in 1947, David has held all of the leadership positions of Portland Club #47. In addition, David has been instrumental in regional Hoo-Hoo activities through his service as J-III S9. Internationally, David has fulfilled the duties of HHI Second Vice President and currently holds the distinction of being HHI First Vice President.

Having known David for close to 20 years, I cannot think of another person who would bring as much knowledge of club and industry, as much dedication to club and industry, and as much integrity to the office of SNARK OF THE UNIVERSE.

I heartily encourage all members to vote for David W. Blasen for SNARK OF THE UNIVERSE at the upcoming Centennial International Convention.

Sincerely,  
Glenn F. Lowe  
Portland Club #47

## Nomination for First Vice President

I would like to nominate Manny Litvin 60272 for the position of First Vice President of the International Order of Hoo-Hoo.

Manny's dedication and enthusiasm for our great organization, as well as his experience in local and international offices, will benefit all of us.

Bob Carper L66161  
Supreme Nine, Jurisdiction II

## Nomination for Second Vice President

To All Members of Hoo-Hoo International:

It is with great pleasure that I submit for nomination as Second Vice President of Hoo-Hoo International, Eddie (EZ) Hunt L85910. Eddie joined Hoo-Hoo in 1978 in Metroplex Club #242, where he served four years as Supreme Nine for Jurisdiction VII. He is currently a member of East Texas Club #135. He has attended nine International conventions and one Jurisdiction IV convention.

Eddie was in the retail lumber business in the Dallas area for 21 years. He is currently in sales with Northcutt Woodworks, which is a manufacturer of finger jointed pine molding. The product is sold in the U.S. and Canada.

I have personally known Eddie and his wife Martha for many years. Eddie served as Supreme Nine during my year as Snark of the Universe. I have always found him to be a great supporter of Hoo-Hoo and someone who has proudly upheld our code of ethics.

Eddie will be a great asst to the leadership of our International order.

Health, Happiness, and Long Life.  
Al Meier L71555

Tacoma/Olympia #89, Rameses 78

June 19, 1992

As a representative of Houston Hoo-Hoo Club #23, I would like to enter into nomination Eddie Hunt as a candidate for the office of Second Vice President of Hoo-Hoo International.

Eddie served Jurisdiction VII with great dedication as Supreme Nine member for two terms. We feel that he would continue serving Hoo-Hoo International with the same dedication if elected.

It is with great pleasure that I nominate Eddie for this office.

Joe "Bear" Breeden L82467  
President Club #23  
Past Supreme Nine J-VII

# the 1992-1993 Hoo-Hoo Year

To All members of Hoo-Hoo International:

I would like to second the nomination of Eddie (E.Z.) Hunt for Second Vice President of Hoo-Hoo International for the Hoo-Hoo year of 1992-1993. I have known Eddie for quite some time and believe he will go all out to help get Hoo-Hoo on a positive move forward. During the organization of the Hoo-Hoo Museum, Eddie was one to always help when we needed funds to keep the project moving and has made substantial contributions on his own. A vote for Eddie is a bit step in the right direction.

Jimmy Jones  
Rameses #72  
Chairman of the Museum Committee

I would like to second the nomination of Mr. E.Z. Hunt L85910 for the office of second vice president. Having served two terms as S-9 for Jurisdiction VII, E.Z. is qualified and committed to serve Hoo-Hoo in the office of Second Vice President. We, the Houston Club #23, feel that the office of Second Vice President is important to our International Order and that E.Z. Hunt is well qualified to serve in this position.

Sincerely,  
Bill Franks 84101

## Nomination for International Secretary/Treasurer

June 22, 1992

I would like to nominate Bernard B. Barber, Jr., for the position of Secretary/Treasurer of Hoo-Hoo International. It is obvious that Bernie has done an outstanding job as Secretary/Treasurer for the past several years. Our club has authorized me to make this nomination.

Sincerely and fraternally,  
Bill Barr 87304  
Vicegerent Snark

## Nomination for Supreme Nine, Jurisdiction II

The Detroit Hoo-Hoo Club #28 nominates Bob Carper L66161 to the Supreme Nine, Jurisdiction II.

Bob is now completing a one-year appointment to the Supreme Nine-JII. He served as club president in 1973 and again in 1981, a very difficult period for the Detroit Hoo-Hoo Club.

A proven administrator and leader, Bob is an enthusiastic promoter of Hoo-Hoo.

We are certain Bob Carper will serve the best interests of JII and Hoo-Hoo International.

Fraternally,  
The Detroit Hoo-Hoo Club #28  
George Reneaud 65762, Secretary/  
Treasurer

## Nomination for Supreme Nine, Jurisdiction VI

March 24, 1992

San Diego Hoo-Hoo Club #3 is proud to place into nomination for Supreme Nine of Jurisdiction VI, Mr. Ed Gavotto. Ed has been a loyal Hoo-Hoo for nearly 40 years. He has been a club officer for at least 15 of those years and was club president twice. Ed has served as Deputy Supreme Nine for Jurisdiction VI for the past six years and attended several events/meetings with the other clubs in our jurisdiction. Also, Ed has attended several national conventions completing the cycle of his great local, regional and national energy, knowledge, and support for Hoo-Hoo.

We believe Ed Gavotto will do a fine job as our Supreme Nine representative.  
Health, Happiness, and Long Life,  
David Espinoza  
President, San Diego Hoo-Hoo Club #3

## Nomination for Supreme Nine, Jurisdiction VIII

May 4, 1992

I wish to place in nomination for Supreme Nine in Jurisdiction VIII for the 1992-1994 term of office, Mr. Royce M. Munderloh. He has been a member since 1977, and his number is 84331. Royce has been a president of the Omaha Club #124, and is vice president and comptroller of the Millard Lumber Company. He is well qualified for the office and has my recommendation for the office of Supreme Nine at the next meeting of the board in Hot Springs this September.

Fraternally Yours,  
Homer H. Hahn 55213  
Secretary/Treasurer Omaha Club #124

# Hoo-Hoo Museum and Office Building Undergo Remodeling

*"To those who have visited the museum in the past, and to those who will be visiting it for the first time, we hope you are going to be pleased with Hoo-Hoo's office and museum."*

*The Hoo-Hoo Museum and Office in Gurdon was in a state of complete disarray while extensive remodeling was underway. True to the spirit of Hoo-Hoo and as a testament to their professionalism, Beth Thomas, left, Hoo-Hoo manager, and Vicki Hughes, right, assistant manager, conducted Hoo-Hoo's business without missing a beat. Here they sit amid the clutter and chaos and pretend to cry over the mess. If they wiped any tears with those "dainty little hankies", they were tears from laughing so hard they cried.*

In the past few months, the Hoo-Hoo International and Forestry Museum buildings in Gurdon have undergone extensive remodeling. But no sooner was the new paint dry in the museum than a severe storm hit the Gurdon area doing extensive damage to the entire town. The Hoo-Hoo buildings, unfortunately, did not escape injury. The roof on both buildings will have to be replaced. Also, one of the flag poles was blown over, and a pine tree beside the main building was uprooted. It was estimated that 50-70 mph winds caused the damage. Almost 300 houses in Gurdon were damaged in varying degrees. Countless trees were uprooted or snapped off in the high winds. All things considered, the damage to the Hoo-Hoo buildings was moderate.

To those who have visited the museum in the past, and to those who will be visiting it for the first time, we hope you are going to be pleased with Hoo-Hoo's office and museum. Partitions have been moved, new carpets were installed, hardwood floors were refinished, bathrooms were painted and redecorated, new floor coverings were laid in the bathrooms and kitchen, new thin wooden blinds were hung on all the windows, and new cabinets and counter tops were installed in the office area. Some landscaping remains to be done, but it will be completed before the Centennial Convention. For those who will be attending the convention in Hot Springs, we will spend Friday, September 11th, in Gurdon, and the office and museum will be open for all to see. We plan to plant a Centennial Tree during our time in Gurdon on Friday. Everyone is encouraged to participate in this event.

We give a lot of thanks to Beth Thomas, Hoo-Hoo manager, and Vicki Hughes, assistant manager, for their help and dedication beyond the call of duty for overseeing the remodeling and working around the remodeling to keep the Hoo-Hoo business moving.

If all could bring one item for the museum (books, trade magazines, pictures, timber artifacts, etc.) it would be very much appreciated. See you in Hot Springs, Wednesday, September 9th.

Health, Happiness, and Long Life!  
Jimmy Jones  
Hoo-Hoo Museum Chairman

*The foyer of the Hoo-Hoo Museum and Office makes a stunning and attractive impression on visitors. It is warm and comfortable, and exudes an inviting charm.*

*The office work area, where Beth and Vicki get the job done for Hoo-Hoo, was designed to offer plenty of storage space and plenty of countertop space. The dots on the map of the U.S. represent the locations of Hoo-Hoo clubs.*

# A Century of Celebrated With Convention

# Fraternalism to be the Grandest Ever!!!

## ... A Time for Thanks

Many of us will be gathering in Hot Springs, Arkansas, within a short time to celebrate our 100th Anniversary.

We will be bringing to a close our Centennial fund raising program which was an overwhelming success. We were able to raise almost \$90,000.00 in advertising to help subsidize what promises to be the greatest convention in our 100 years of existence.

I want to personally thank the many corporations, clubs and individuals who answered our call. I was amazed at the response we received during some of the toughest times ever in our industry.

Numerous people from Washington, D.C., to Melbourne, Australia, worked hard and spent many hours to put the advertising program together. To all of these people and the members of our fund raising committee, I am indeed grateful.

A special thanks goes out to our First Vice President, Dave Blasen, who did more than his share of selling.

Thanks, also, to Beth and Vicki in our Gurdon office for their help and to my secretary Lori Graham for keeping everything organized.

I wish that everyone in Hoo-Hoo could be in Hot Springs to share our celebration.

Health, Happiness, and Long Life,  
Al Meier L71555  
Rameses 78

## ... And to the Personnel of Various Publications

A hearty thanks to the following personnel and publications for helping us spread the word for Hoo-Hoo:

Jon Anderson of *Random Length Locator*, "What is Hoo-Hoo", January issue; "Who Are the Hoo-Hoo", June issue.

Bill Askins, *American Lumber & Pallet*, "What is Hoo-Hoo", April issue.

Gary Donnelly, *National Lumber Building Material Dealers Association*, "Hoo-Hoo Marks a Century of Progress", May issue.

Each article closed by inviting anyone interested in learning more about Hoo-Hoo to contact Gurdon. We received quite a number of replies from individuals who were to be contacted by the Supreme Nine in their area.

Thanks again to the above gentlemen for their support.

## A Message from the Seer of the House off Ancients

ERNIE L. WALES L45412  
SEER OF THE HOUSE  
OF ANCIENTS

Greetings, Fellow Hoo-Hoo Members.

This year, 1992, is a great year for our great timber fraternity, just as 1892 was a great year for the lumber industry.

At that historic moment, Bolling Arthur Johnson and five other men assembled in Gurdon, Arkansas, planned and founded the International Concatenated Order of Hoo-Hoo (Fraternal Order of Lumbermen), a truly great industrial fraternity that is alive and well after 100 years.

I wonder what the Hoo-Hoo founders would think if they could suddenly return to Earth and view the absolutely phenomenal changes in our World and in the timber/lumber industry.

They would certainly be proud, and perhaps surprised, by the growth of Hoo-Hoo overseas--from U.S.A. and Canada to Australia, New Zealand, Singapore, the Philippines, etc.

They certainly would be amazed at the changes in our industry and at how much is done in production, selling, etc., by a smaller work force and fabulous machines.

They, then, would join me, only the tenth Seer in 100 years, in being proud of you, the members, of our Snark, of our Supreme Nine members and of our officers and directors of HHI and officers and directors of the many local clubs. They would be proud of Hoo-Hoo itself for surviving the many and sometimes violent changes in the Industry.

I urge all of you to be proud of our industry and proud of Hoo-Hoo's 100 Years of Fraternalism.

If at all possible, do join us at the Centennial Convention in Hot Springs/Gurdon, Arkansas, at the 9th hour of the 9th day of the 9th month of 1992.

Ernie L. Wales L45412  
Seer of the House of Ancients

## DRESS GUIDELINES FOR MAJOR EVENTS

WEDNESDAY  
Evening -- Icebreaker/Dinner  
Black Tie (optional)

THURSDAY  
Men  
Day -- Leisure, comfortable  
Night -- country western (boots, jeans, cowboy hats, etc.)

Ladies  
Lunch -- "1890 Picnic in the Park" (long skirt, crisp blouse, hat, parasol, etc.)  
Night -- country western (boots, jeans, cowboy hats, etc.)

FRIDAY  
Trip to Gurdon -- Be comfortable, casual  
Evening -- Relaxed, smart casual (dancing to '50s and 60s music)

SATURDAY  
Lunch (joint men/women) -- Smart casual  
Night -- 1890 Gala (Come dressed as in the 1890s or period of your choice. Ladies, create a costume for your husband that goes with your costume.)

The committee has made every effort to make this convention an event of your life. The more you swing with us the more fun you will have.

\*\*\*\*\* WHAT TO EXPECT FROM THE WEATHER IN ARKANSAS IN SEPTEMBER \*\*\*\*\*

Normally, early September weather is still very summery with temperatures in the high 80s to low 90s during the day and cooling at night into the low 70s to low 80s. Humidity is also normally quite high. Bear this in mind when choosing what clothes to pack for the trip to Arkansas.

CLUBS...Don't forget your CLUB BANNERS for the opening ceremony and the big parade downtown!!!

## JURISDICTION

### HARRY L. FOLSOM CLUB #13

Some sixty members of the Harry L. Folsom Club #13 gathered together on May 4th for the club's Annual Old Timers' Night at the VFW Hall in Waltham.

In Boston, Old Timers' Night is a very special evening in which all long-time members are guests of the club and are individually recognized. In addition, all past presidents receive special invitations, as well, and, also, are introduced to the members.

Old timers attending this year's fete were: Arthur Bernstein, Leo Foley, Danny Goldberg, Dick Harrington, Bob Kevier, Dave Mullen, Bob Rendall, Stan Sweetser, Randy Taylor, Henry Zottoli, and Bill Zurwell.

Past presidents attending were: Bob Rendall '62-'63, Randy Taylor '68-'69, Don Johansen '75-'76, Dick Mullen '76-'77, Ron Harvey '77-'78, Dick Cain '81-'82, Gregg Sweetser '84-'85, Joe Bock '85-'86, Tony Morgan '86-'87, Dave Mullen '87-'88, John Belanger '88-'89, and Mark Grimason '90-'91.

In addition to saluting the old timers and past presidents, the club officers and board of directors awarded a lifetime membership to one of its most dedicated members, Joe Bock. Joe has served the club in every capacity, including being its president in '85-'86 and, most recently, as vicegerent snark in '91-'92.

At the conclusion of the evening, Gerard Moynihan, president for '91-'92, introduced the new slate of officers and presented the new president, Joe Burgoyne, with his president's pin. Joe, in turn, presented Gerard with his past president's pin.

The final event of the evening was the fifty-fifty raffle with half the proceeds going to the Cliff Cunningham Memorial Fund.

The club will hold its final get together of the '91-'92 year in June. "Family Night at Fenway" will be held on June 5th with the Red Sox facing the Cleveland Indians.

--submitted by Jim Ben-Aaron

### ROGER WILLIAMS CLUB #51

A challenge to play the Spring Thaw Golf Tournament came from D. Kevin MacPhee, president, of Roger Williams Club #51. Kevin challenged the Nutmeg Club #199's president, Lance Humphreys, to build a team of golfers to compete against the Roger Williams golf team. The teams were to play the Ocean Golf Course on Friday and the Harbor Town Golf Links on Saturday. Both courses are located in the Sea Pines Plantation on Hilton Head Island, South Carolina.

The Roger Williams Hoo-Hoo Club #51 handily disposed of the Nutmeg Club #199 Friday. The Friday scores were so lopsided that a trade was orchestrated that evening to help even the score. The Nutmeg Club was again

Log & Tally, August 1992, Page 24

nubbed, this time, by only one stroke. One of the determining factors helping #199 was Lance Humphreys who shook up the two pros in front of their group by announcing he was playing scratch golf to the 16th hole on the Harbor Town Golf Links.

Kevin wants to know if there are any golfers at the Atlanta/Dick Wilson Club #1 that would like to play in a Hoo-Hoo "North/South Challenge". The challenge would be played at the Sea Pines Plantation, Hilton Head, South Carolina. The date would be some time in March 1993. Respond to Kevin MacPhee, 40 Mead Street, Seekonk, MA 02771.

HARRY FOLSOM CLUB #13. Old Timers'Night was the occasion for the presentation of a lifetime membership pin to Joe Bock, left, one of the club's most dedicated members. Making the presentation is '91-'92 club president, Gerard Moynihan.

HARRY FOLSOM CLUB #13. New club president, Joe Burgoyne, right, receives his president's pin from outgoing president, Gerard Moynihan.

### WASHINGTON, D.C., CLUB #99

Washington D.C. Club #99 held its regular monthly meetings in February, March, April, and May. Attendance has been falling since the first of the year, but an extensive effort is being made by club members to get absentee members back to the meetings.

Greg Schumacher arranged for Dr. Rodger Smith, a chiropractor, to speak to the club on "Pains" at the March meeting. Dr. Smith discussed health safety/wellness in the work place.

The April meeting featured guest speaker Bill Lee of Lee Resources, Inc., who gave a talk on "No Excuses" selling concepts that work. His presentation was informative, interesting, and enthusiastic. Lee has his own monthly publication, People and Profits, and has a monthly column in Building Material Retailer, a magazine published by the Building Material Dealers Association. Fifty-one members and friends attended the meeting, beating this year's previous high of 50, which occurred back in September.

### GRANITE STATE CLUB #107

March 18th Club #107 met at the Yard Restaurant in Manchester for their annual concat. Sixteen new members passed through the gates of Hoo-Hoo. One hundred members were there to witness the concat and the ensuing entertainment.

Thursday, June 4th was the Granite State Hoo-Hoo Club's annual Spring Golf Outing and Clambake. Sixty-five golfers took on the beautiful Lake Sunapee Golf Course, and another fifty members met up afterwards for a lobster and clambake. Top golfers were "low gross", 1st-Jim Rapoza 77, 2nd-Paul Renaud 78, 3rd-Mark Paquett 79; "low net", 1st-Bob King 66, 2nd-Tom Soutelli 67, and 3rd-Steve Johnson 71; "low calloway" went to 1st-Mark Flynn 72, 2nd-Mark Laskowski 73, and 3rd-Tom Desmarais 74. Closest to the pin on #8 was John Curtis, on #15 was Jack Knight, and on

#4, Mark Paquette. Long drives were on #16 Mark Paquette, #9 Peter Pratt, and #5 Mark Flynn. (Do these guys from Atlantic Prehung ever work?)

The annual club scholarships were awarded after dinner, with \$500 each given to Andrea Vermette, daughter of Mike Vermette of A.W. Hastings; Tracey Robinson, daughter of Cliff Robinson of S.G. Barker; Douglas Wood, son of John Wood of Standard Sash and Door; and to Jim Fern whose father is a long-time member. Congratulations to all recipients. A special lifetime membership was awarded to John DiPrizio who has been a loyal member for nearly 50 years.

The last order of business was the changing of the guards as Tom Desmarais passed on the presidency to Steve Johnson. Thanks to Tom for an exciting year with several new members and many well-attended gatherings. New board members for 1992-93 are president, Steve Johnson; first vice president, John Wood; second vice president, Sam Cramer; secretary, Wes Robichaud; treasurer, Joe Cade; and directors, Bob Markarian, Ray Steenbeke, Jr., Stu Holtshouser, Mike Vermette, Mark Fontaine, and Tom Desmarais.

All members, have a great summer, and we'll see you at the Fall Golf Outing in September.

--submitted by Stu Holtshouser #93750

GRANITE STATE CLUB #107. Above, new club president, Steve Johnson, left, with newly awarded Lifetime Member, John DiPrizio who has been a loyal Hoo-Hoo member for almost 50 years.

GRANITE STATE CLUB #107. Sundeen Lumber was well represented at the club's concat in March. Left to right, John Perrow, Scott Slade, and new kittens Tim Remsburg, Jamie Goddard and Wayne Hood.

Log & Tally, August 1992, Page 25

## Club News

### NUTMEG CLUB #199

February 12th saw the Nutmeg membership gather for its pin ceremony for new members. The March meeting was a sports night with the club attending the hockey game between the Hartford Whalers and the Los Angeles Kings. In April, Miner Lumber Company hosted a tour of its mill in Collinsville, CT, one of the most modern and complete lumber yard facilities in our region.

## JURISDICTION

### DETROIT CLUB #28

Greetings from Detroit Hoo-Hoo Club #28. This year the Detroit Club celebrated its annual concat at the Botsford Inn of Farmington Hills, Michigan. The Inn's Carriage House, with its rustic post and beam construction, serves as an excellent facility in which to hold the concat with plenty of room to carry out the tests.

This year's concat, following tradition, was well attended with several past Snarks, presidents, and jurisdiction representatives joining in the fun of the evening. Past presidents included Terry John, Seymour Burg, Dennis Karas, and Jim Osebold. International Second Vice President, Manny Litvin, and Jurisdiction II representative, Bob Carper, were also in attendance. Past Snark, Phil Dawson, also joined for the evenings, festivities.

The club would like to formally welcome and congratulate the new 1992 kittens: Montgomery Canfield, Roger Kapusta, Joe LaFluer, Steve Lebowski, Joe Luegers, Sean McCoy, Ron Poli, Steve Reynolds, Martin Rzepka, John Schneider, and Bradley Webb. These new kittens are a great addition to the Detroit Club #28's membership.

--reported by Matt Miller #93956

DETROIT CLUB #28. New kittens for 1992 are (back row, left to right) Martin Rzepka, Steve Lebowski, Montgomery Canfield, Brad Webb, John Schneider, and Joe Luegers. Front row, left to right, Sean McCoy, Joe LaFluer, Ron Poli, Roger Kaposta, and Steve Reynolds.

Log & Tally, August 1992, Page 26

## JURISDICTION

### SPOKANE CLUB #16

Spokane Club #16 held its annual "Past Presidents' Night" (and concat) at the Town and Country Restaurant on January 16, 1992. A magical number nine of our 66 past presidents were there to be honored in person. Secretary/treasurer Ernie Wales noted that 33 of the past presidents are still living, while 33 have gone on to the "Great Sawmill in the Sky". Two new kittens, Jack Demmons and Bill Caveller, were concatted earlier.

The Diamond Room at the Shilo Inn was a nice setting for the capacity crowd of members and their special ladies who came to this Annual Valentines Party.

Cynda Adams was chosen the Valentine Sweetheart of Spokane Hoo-Hoo for 1992. Past president Bill Lenten presented Cynda with the traditional corsage and the proper kiss. Cynda accepted the honor in her gracious way.

Guest Ray Cortner from Spokane Rotary Club spoke briefly of his sawmill experiences when he "pulled green chain" at Dohl Lumber Company in Plains, Montana. Ray then introduced the program, Kara Kirkland and Amy Wales, who had been chosen and sent by the Rotary Club for a three week foreign exchange. They talked of their experiences in Nishinomiya, Japan, and showed slides. They had wonderful cultural, entertaining, friendly, and educational contacts with their host families and with other Rotarians and families. Each girl gave a short talk to the

Nishinomiya Rotary Club, and, with some coaching, gave the talks in Japanese. Both girls would like to go, again, to Japan.

The March meeting featured Anne C. Cowles, Manager of Economics and Strategy for Washington Trust Financial Corporation, who was very interesting and well received by all members. Anne is a delightful person and certainly exuded optimism about Spokane's economy.

April's program was highlighted by a speech from Duane Sommers, state representative, whose theme was "Time for a Change". The subject matter was certainly timely and thought provoking.

Club #16 sponsored its 26th Woodworking Contest for high school and junior high school students, with their projects being displayed in the lobby of the Seafirst Bank May 15 through 22. Some 57 students from a dozen schools participated. The projects were judged on May 18 and prizes were awarded for 1st, 2nd, and 3rd place in six categories. Prizes were given out by President Dan Loessin, assisted by co-chairmen Jack Eskeberg and Jim Price, and Vicegerent Snark, Bill Lenten. All participants and their instructors were given "Spokane Hoo-Hoo Club 26th Annual Woodworking Contest" t-shirts and were hosted to a luncheon. Ellen Wales and Tony and Laura Perry put together a photograph album portraying a pictorial history of the projects. The album was recently displayed at the J-III Mini Convention at Kah-Nee-Ta, Oregon.

Spokane Mayor Sheri S. Barnard issued an official proclamation proclaiming the week of May 15 through May 22, 1992, as "Hoo-Hoo Woodcrafting Awareness Week", and the proclamation was read during the meeting.

In addition to the awards presentation, new officers and directors for the coming 1992-93 year were named. First Vice President Shawn Sinclair will move up to president; Second Vice President Elzya Jordan will be first vice president; and Director Mike Sheehan will be second vice president. Seer of the House of Ancients, Ernie Wales, will again serve as secretary/treasurer.

The next Spokane Club meeting will be the Annual Golf Tournament at Highland Golf and Country Club, Post Falls, Idaho, on June 12, 1992.

### WILLAMETTE VALLEY CLUB #33

Club #33 donated \$1000 to the Eugene/Springfield Kidsports program, \$500 to the Eugene family shelter just before Christmas and contributed \$3000 to the HHI Centennial Fund.

A highly successful Reno night was held in November with everyone going home with a prize. The Murdoch family had grandpa Tom present, son Gary and a grandson (not Gary's!).

On February 12, Snark Jeff Loth and Supreme Nine Fred Scheffler came to town and helped concat seven new kittens into Club #33. On April 22, HHI First Vice President Dave Blasen was present when Paul Ehinger, well-known Pacific Northwest forest products industry consultant, presented an excellent speech on our forests.

On May 28, the annual trapshoot was held at the Cottage Grove-Eugene Sportsman Club. Terry Hickson ran the shoot, Don Stow took care of dinner tickets and the door prize, while Archie Brown put the meal together. President Mike Carey helped cook the steaks. Jerry Chisholm, a guest from Sundance Lumber, won the brand new shotgun given away as the highlight of the evening.

On May 29/31, Archie Brown and Mike Carey attended the J-III Mini Convention at Warm Springs, Oregon. On June 5, the annual Club #33 golf tournament was held at the Eugene Country Club. Over 200 golfers enjoyed a beautiful day. Out of town Hoo-Hoo members included Pat Pond and wife from Green Peter, Mike Brown from Seattle, and no doubt others we missed. A great day ended with a fine ECC dinner and a lot of prizes being given out by chairman Bob McBride.

Next event: HHI's 100th year celebration at Hot Springs!!!

### SEATTLE CLUB #34

Fifty-one members at January's meeting demolished a huge pile of crab, and the club was privileged to treat eight past presidents to dinner. Afterward, we concatted five new members: Dave Kahle, Ron Dier, Mike Manke, Dave Rynning, and Mike Matheny. Stan Humann #94886,

accepted a check in the amount of \$1,000 for the University of Washington's College of Forestry Scholarship fund. Thanks to the many individuals and companies that have helped make it possible to repay the industry from which we make our living.

Bill Robinson, a representative from Trout Unlimited, joined us at our February meeting on the 11th. Twenty-eight members enjoyed cocktails, dinner, and a video of T.U.'s activities. The question session proved interesting, as Bill was asked some very tough questions regarding the funding of his organization by groups that are less than supportive of the forest products industry. It was a very stimulating and educational evening for all concerned.

## Club News

(SEATTLE CLUB #34 continued from previous page)

On March 10th, thirty-two members and guests gathered at the Seattle Center at Yukon Jack's Eatery for a steak dinner prior to attending a hockey game between the Seattle Thunderbirds Hockey Club and the team from Victoria. It was raucous good time, as the lads from Seattle pulled out a last minute win in overtime, 5 goals to 4. The Victoria goalie was presented with an octopus by appreciative Seattle fans. This has real potential as an annual event.

On April 13th, 35 members, guests and their ladies met at the Museum of History and Industry in Seattle. We arranged to have the entire facility to ourselves, and enjoyed touring exhibits, cocktails hosted by the club, and a fine dinner catered by the Cave Man Kitchen. The Past Presidents Club, chaired by Dave Gleason, planned this great social evening, and a good time was had by all.

May 12th, the Snark of the Universe, Jeff Loth, and Supreme Nine, Jurisdiction III, Fred Scheffler, were present at our monthly meeting on Mercer Island. Our guest speaker was Ron Arnold, executive vice president for The Center for the Defense of Free Enterprise. Ron, a former member of the Sierra Club, is one of the principal writers and organizers of a philosophy known as "Wise Use". In part, "Wise Use" urges the ability to exploit the environment for private gain in a responsible way. Another goal is to destroy and eradicate the environmental movement. "We're dead serious, we're going to destroy them." Ron began his speech with an outline of little-known facts about preservationist funding, power, and the underhanded ways they have manipulated the public through misinfor-

mation, rules, and laws undercutting property rights. "We're made as hell. We're not going to take it any more." Among environmental groups he is considered a serious threat, and all attending our meeting that night came away convinced that he means what he says.

After Arnold's speech, board elections were held. Members elected to three year terms were Gene Briner, Mark Dodd, and Chuck Cain, and Mike Manke was appointed to fill an existing vacancy. Officer elections were held the following week at the monthly board meeting. Bruce Olson will be our new president next year, Mike Brown 1st VP, and Harvey Scott will be 2nd VP/recording secretary.

The J-III Mini Convention in Kahneetah, Oregon, was attended by 13 members and wives/ladies from our club on the weekend of May 29-30. Congratulations to the Portland Club for a fine meeting. We look forward to being the host club next year in Leavenworth, Washington.

The Seattle annual golf tournament was held June 19th under sunny skies at Mt. Si Golf Course in Snoqualmie. J.R. Reynolds and Jim Cunningham took home member golfing honors. Guest category winners were Steve Johnsen and Al Peter. Dan Powell won the pitching contest and Jerry Fieser the dart throw afterwards at the awards banquet in Preston. Thanks to the companies that donated to the prize fund; over \$1,200 in cash, trophies and raffle items were presented this year.

Plans are already underway for our new year's activities which will begin again in September following a two month summer break.

WILLAMETTE VALLEY CLUB #34. Club president Mike Cavey presents a check for \$1000 to the Eugene/Springfield Kidsports program. This is one of the programs that Club #34 helps to support with its various fund raising efforts throughout the year.

Log & Tally, August 1992, Page 28

WILLAMETTE VALLEY CLUB #33. The club's annual trapshoot was held in May. Co-chairman Don Stow is shown presenting a brand new shotgun to lucky winner Jerry Chisholm.

### PORTLAND CLUB #47

The Club's January 1992 evening meeting, held at the Henry Weinhard Brewery in Portland, Oregon, was a beer and basketball bash. While excited club members sipped brew and munched pizzas, their eyes were glued to the TV

screen to watch Portland's beloved Trail Blazers massacre Cleveland with a decisive score of 121-114, thus ending Cleveland's 11-game winning streak. Following the game, club members were escorted on a tour of the brewery.

"Seventy percent of today's environmental message is contained in the 'Communist Manifesto'. The objective of the environmental campaign in the U.S., backed with a \$436 million budget, is to return the planet and its resources back to Nature as soon as possible. In most cases, humans are not considered."

With this ominous warning, Carle E. Massie, president, Professional Association of Lumbermen, told members of Portland Club #47 at their February meeting that industries that rely upon the utilization of natural resources face a bleak economic future. Massie, himself a long-time Hoo-Hoo club member, for many years has conducted a class for the grading of West Coast lumber species, held at the World Forestry Center, also the meeting site for the club.

Referring to a large map of the U.S., Massie pointed out that Oregon alone has 207 threatened and endangered species that will serve as future targets for "set-aside" and "save" programs sponsored by environmental agencies. Oregon currently has 13 species listed under the Endangered Species Act. Among these is the well-publicized northern spotted owl, currently being considered by Congress in proposed plans for reducing timber harvests in federally-owned old-growth Douglas fir forests. The fir forests have been identified as the prime habitat of the mice-savoring owl, classified as an "indicator" species that flags health of an ecosystem.

No region in the country, or the world, is immune to the social and economic impacts of the Endangered Species Act. Earth First, the Audubon Society, and other aggressive U.S. activists belong to the International Sierra Society; environmental campaigns are also in progress in European countries, particularly Germany. Bear in mind that some of the activists also oppose the slaughter of both wild and domestic animals for either food or sport. Quite imply, these zealots abhor economic growth, free markets and technology. "They attempt to gain their objective by imposing the coercive arm of government on an unwary populace," declared Massie.

He pointed out that each state is so concerned with its own environmental problems that it seldom realizes what's going on in other states. As an example, Florida has a total of 338 listed threatened and endangered species. Texas has 319; California has 987. It is possible that eventually 6000 species could be listed in the U.S.

Massie singled out Montana as one resource-rich state in which environmentalists have made significant progress. Aiding their efforts is the fact that recent immigrants are environmentally oriented.

## Club News

(PORTLAND CLUB #47 continued from previous page)

Most of the nation's residents now live in cities. This helps the "green" movement because such residents are not commodity oriented. Sixty percent of Oregon's population now lives in cities, mostly in the Portland metropolitan area.

--submitted by Albert Arnst

PORTLAND CLUB #47. Carl Massie, right, with assistance from "Red" Hart, points out on a large U.S. map, the numbers of threatened and endangered species for various states. The total for the nation could reach 6000. Massie is the president of the Professional Association of Lumbermen and was the guest speaker at the club's February meeting.

Log & Tally, August 1992, Page 30

### TACOMA-OLYMPIA CLUB #89

We started the New Year right with our first meeting January 7, 1992, at Diamond Jim's Restaurant. Present were 42 members and kittens.

A long form concat was held with Deputy Supreme Nine Barney Wagner coordinating the concat team. It was a very nice concat with the concat team doing an excellent job. Concatted were new kittens Richard Bailey and Bill Eichholtz from New Lumber and Hardware; Duane Hulscher, Manke Lumber; Jim Kralovic, Uresco; Jerry Hill, Western Wood; David Mickelson, Humphrey Lumber; Derek Abbott, Federal Way Lumber; and Ken Kowalski and John Perez, North West Forest Products. All the kittens looked surprisingly well after braving the ordeal.

The \$10.00 award for the best joke of the month was won by Gordon McConnaughey, McFarland Cascade. It was a good one. Several other club members were close, but no cigar.

The \$10.00 door prize donated by Packwood Lumber was won by Norm Irons, Lumbermen's, Inc.

The concat was followed by a delicious dinner and short business meeting. A great time was enjoyed by all.

Our February meeting was our 2nd Annual Casino Night. Forty members were present at Eddie's Catering on 6th Avenue. Each player received \$1000 in play money, and many games of chance were offered. After a fine dinner of prime rib by Eddie's and catnips by Joe Scheffler and Jerry Turner, the games continued until 8 p.m. At 8 p.m. the auction was held with Bob Dagais auctioneer. Over \$500 worth of prizes were auctioned off to the lucky players with the most play money. Irv Dellinger from W.B.M.A. outbid all the rest of the club members with a bid of \$78,000 play money for the 21" color TV set.

No business was conducted. It was just a fun evening for all who attended.

Our March meeting was our Annual Crab and Beer Bust. It was held at Eddie's Catering on 6th Avenue. The crab was the best we have had in years. Fifty-two members were present and made short work of the crab and beans and salad.

Our \$10.00 prize for the joke of the month was won by Phil Bagwill of Uresco.

We held a short form concat and initiated two new kittens, Dave Komar from North West Forest Products, and Phil Anderson from West Coast Door. Supreme Nine Fred Scheffler did the honors. Fred also gave a short talk on the proposed bylaw changes.

Another event the clubs past presidents enjoy is the Annual Past Presidents' Night. This is a no-host event to vote on the admission of the immediate past president of the club. Tom Read from North West Forest Products and Jim Frost from Hall Forest Products, were M.C.s of the event. It was held at the Tacoma Elks Lodge #174 on

PORTLAND CLUB #47. In a humorous aside, Massie holds up a specimen of a heat-seeking, furred rattlesnake that thrives in Montana. It's hard to track down.

February 11, 1992. Ron Malmassari was roasted then voted into the club. A great time was enjoyed by all.

Our April meeting was held at Diamond Jim's Restaurant. Rather a low turnout with only 30 members present. Since the boating season was just around the corner, we had a representative from the Coast Guard Auxiliary give us a talk and slide show on traversing the Ballard Locks up in Seattle and also a little talk on boating safety. The whole program was well received.

Our May meeting was our annual Old Timers' Night where we invite old time lumbermen to our meeting, Hoo-Hoo members or not. This was also Past Presidents' Night and election night, so it was a busy evening. We held this meeting at the Tacoma Club, high atop the Washington Building. Snark of the Universe Jeff Loth attended. Supreme Nine Fred Scheffler, and Deputy Supreme Nine Barney Wagner were also present. Al Meier, Rameses #78, and Norm Irons, past president, introduced the 25 old-timers who were present and gave appropriate comments about each. We then held our election of officers for 1992-93.

Elected as our new president was John Humphrey, Humphrey Lumber, and new vice president, Logan Longworth of North West Forest Products. New to the board was Jeff Peterson from Western Wood Preserving, Steve McCabe from Bufflin Manufacturing, and Rick Bailey from New Lumber and Hardware.

TACOMA-OLYMPIA CLUB #89. Jim Smith, Master Carver, center, presents Eddie of Eddie's Catering with a carved salmon in appreciation of all he has done for the club. President Tom Stumpf, right, looks on.

Sixty-five people attended the Old Timer's Night, and it was just a wonderful evening for all.

We combined our June meeting with the May meeting, so for June we had our Annual Golf Tournament at Madrona Links in Gig Harbor. We had 77 golfers, and a great day was had by all. Many prizes and gift certificates were awarded. The Bert Vaughan and the Tacoma Club Trophies were won by Tom Cleary, Manke Lumber, and Dave Komar, North West Forest Products.

The next event will be our Annual Lumber Auction to be held in July.

TACOMA-OLYMPIA CLUB #89. Board members for Club #89 are, front row, left to right, Logan Longworth, Steve McCabe, and Jeff Peterson. Back row, left to right, are Joe Scheffler, Barney Wegner, who did the swearing in, John Humphrey, and Tom Stumpf.

TACOMA-OLYMPIA CLUB #89. The Annual Old Timer's Night was held in May, and it gave past president Ted Vaughan, left, a chance to visit with Norm Cruver, who at 94 was the oldest Old Timer present.

**See you in September in  
Hot Springs -- Don't miss  
the Grandest Celebration  
EVER!!**

Log & Tally, August 1992, Page 32

### WINEMA CLUB #216

"Employer's Nite" in January, our annual Stag Crab Feed attended by 150 members and guests, was again a good one! Lots of Fresh crab, beans, salad, and beer (no one went away hungry) made this a great party. The entertainment was A-1. We even got to slippery-slide home a little in the fresh snow afterward.

Many thanks to the following contributors: Circle DE, Wes-Wood, Western Auto, Bill Neubert Logging, Columbia Plywood Corp., Forest Products Credit Union, Basin Tire, Klamath Falls Logging, PAPE Bros., Inc., Cascade Timber Company, JELD-WEN (All plants), Peterson Pacific Corporation, Thomas Lumber, Patterson Construction Company, Newman and Crebbin Logging, and Modoc Lumber Co.

February features the club's Valentine's Dinner Dance, and it was a grand event, much enjoyed by members and their special ladies.

We didn't have taco's and beans for "Logger's Nite" in March as planned. Instead Davey O'Molatore made us a bait of corned beef and cabbage, an Irish-Italian creation enjoyed by all the 55 who attended. Buzz Wagner read an article honoring Larry Sowell for the job he has been doing in our National Forests. Representative Del Parks talked a little bit on "our state of the union". Our "Logger of the Year", Mike Balcom, was presented a nice plaque honoring him for his efforts, apparently in vain, in filling out load tickets, or something like that.

April is concat month. Fifty-one members, guest, sponsors and kittens were treated to a great BBQ rib buffet. We really stuffed ourselves. The concat was again, very successful, with 10 new kittens being brought into the order, one new member a forester from New Zealand! The new kittens are Randy Barnes, Circle DE Lumber; David Cormack, New Zealand Ashburton District Council; Gary Crisp, G&K Timber Falling, Inc.; Tom Crist, Weyerhaeuser; Jan DeGroot, Modoc Lumber Company; Darwin Edwards, Weyerhaeuser; Jon Hawthorne, P&R

Wampler Logging; Larry Hunter, P&R Wampler Logging; Randy Hunter, Timberlands Falling; and Ed Kentner, Klamath County Commissioner.

Dan Brown challenged the club members to donate \$5.00 each to help send Mike Pellegrino to the International Convention in Hot Springs in September. It worked because the money he collected at the meetings was matched by himself, Tom Shaw and Bob Wampler and totaled over \$1100. Thanks to all who contributed.

May's "California Excursion" to the Brass Rail in Alturas, California, has long been one of our favorite meetings with the bus always filling up early. We ended up about ten shy of the RSVPs, but we still had enough guys, and everyone had a blast on this one.

--excerpts from the Winema "Bulletin"

### NORTH CASCADE CLUB #230

North Cascade Club #230 completed the year with its May Golf Tournament at Skagit Golf & Country Club. One hundred thirty two golfers turned out for the event which followed the club's basic formula for success: fun meetings, good fellowship, and a dedicated board of directors willing to do the work to put together a good program. Not enough can be said about the spirited leadership of outgoing president, Herb York, and, of course, Jeff Loth, our club's first Snark of the Universe.

Fun and fellowship was enough to draw an average of 123 people per meeting. Speakers included a Sports Night representative from the front office of the Seattle Supersonics, a Ducks Unlimited speaker for Sportsman Night, and Navy fliers from NAS Whidbey with their videos and experiences from the Gulf War at the April meeting.

Other meetings featured activities rather than speakers. November's trap shoot had record attendance and was highlighted by a shotgun raffle and live turkey raffle. Needless to say, there was more interest in the shotgun than the turkey. January's beer and crab feed is about our most popular meeting, the attraction being excellent food and good conversation. The Christmas party was its usual success, much credit belonging to President Herb York. Herb took a big risk in guaranteeing everybody's satisfaction with his idea of a good band. Did you get any feedback, Herb?

With a new slate of officers and three new board members, work has begun on next years schedule. Hope-

fully, we can keep the momentum up and have a good year. Thanks to Jeff Loth for doing a bang up job as Snark and putting North Cascade #230 at the forefront of all of Hoo-Hoo!

NORTH CASCADE CLUB #230. Glen Pearson, left, watches Loren Anderson shoot trap at the club's annual trap shoot which this year had record attendance.

### J-III Mini Convention Hosted by Portland #47

The 25th Annual J-III Mini Convention was held at Ka Nee Ta Indian reservation May 29-31. There was a total of 76 persons in attendance.

The following clubs were represented: North Cascade #230, Seattle #34, Tacoma/Olympia #89, Spokane #16, Portland #47, Willamette Valley #33, and Winema #216. International officers attending were: Brent Crosby, Chairman of the Board; Jeff Loth, Snark of the Universe; Dave Blasen, First Vice President; Manny Litvin, Second Vice President; and Fred Scheffler, Supreme Nine, J-III. Past international officers present were: Dan Brown, Rameses 74; Al Meier, Rameses 78; Jack Jacobsen, Rameses 79, and Fred Frudd, past Supreme Nine, J-V.

Perpetual annual rotating awards for Jurisdiction III were established. The "Ernie Wales Wood Promotion Award" is a plaque given to the club with the most active wood promotion program. This plaque could be displayed for a period of time in several businesses located within the community. "The Tom Dolan Award" will be a wood putter given to the club or individual who traveled the farthest to attend the J-III Mini.

Discussions were lively, and the exchange of ideas brought out several good points. 1) Club board members were each assigned the responsibility for one meeting. 2) Club board members were assigned a call list, and at the next board meeting the club president asked board members for a report by name and the results of the call. 3) In order to have a meaningful concat, have the degree team practice for the event.

This year the general meeting started at 0700. At 0900 the wives and guests joined the men for a buffet breakfast. The move provided a closer feeling of congeniality. After breakfast the men returned to the work session. During the afternoon the group chose their own entertainment in the form of golf, horseback riding, swimming, hiking, or socializing. The Mine was closed with a banquet Saturday evening.

WOY WOY CLUB #260. Woy Woy Club president, David Thomas, left, presented a Woy Woy pennant to Supreme Nine, J-IV, Kevin French, right, to commemorate his visit to the club. Kevin's wife, Jan, center, received a statuette of the club's symbol, the pelican. Jan fed the pelicans during lunch at Woy Woy's fisherman's Wharf.

## IV JURISDICTION

### WOY WOY CLUB #260

We were blessed with a fine sunny day at Everglades, typical of the Woy Woy weather, but to no avail to the home team. Newcastle's select "cream" side won congratulations on closely beating Sydney and Woy Woy. Individual winners were Hoo-Hoo Members, Dick Campbell; Visitors, Derek McNamara, co-driver of the Hoo-Hoo Mobile; Nearest the Pins, Don Telfer, "A" Division, and Kerry McCoy "B" Division. The Bradman Trophy was won by Keith Johnston on a count back from David Israel. Again, thanks to our sponsors, our chef, Dick Kidd, and his helpers Diana, Pam Oliver, Lianne Frost and Florence Smith, for a great day.

Jurisdiction IV Supreme Nine Kevin French added another 600 miles to his 3,000 so far travelled when visiting

the Woy Woy Centennial Celebration in June, accompanied by his wife, Jan. Kevin gave an excellent speech to members, their wives, and four kittens on his travels and the fraternalism of Hoo-Hoo. Jan fed the pelicans during lunch at Woy Woy's Fisherman's Wharf. They both inspected the "Hoo-Hoo Mobile" which is already booked to participate in the 1993 Rotary Bash at their home state of Tasmania. All in attendance were most impressed with the effort and goodwill Kevin and Jan had given J-IV members during his past two years as president.

WOY WOY CLUB #260. The "Hoo-Hoo Mobile" has entered the 1992 "Woy Woy Rotary Romp" to raise money for local underprivileged children. Sponsored by Woy Woy Club #260, several timber companies, and local businesses, it has already raised over \$2,000. The Hoo-Hoo flag flies proudly from the top, and two black cats are being made for each of the top signs.

## JURISDICTION

### VANCOUVER CLUB #48

Golf is a popular activity for members at the Vancouver Club #48. Two tournaments were held this spring.

May 23rd was our 5th annual "Alternate Strokes Tournament". A total of 94 golfers cruised around the Carnoustie Golf Club in beautiful warm sunshine. Frank Scott's socks were a big hit as were Scott Canning's lack of them.

Congratulations to Ivan and Nell Brown who shot a combined gross of 93. Best of the low nets were Steve Gillett and Ada Facey (net 72). Michael Byrne was voted "Least Patient" Golfer for driving the golf cart over a 6' spruce tree. A 40' putt was sunk by Naomi Brinham. This shot captured the best contribution by a lady. All in all it was a great day! Good weather, good food, lots of prizes and good company. What more could you ask for? Thanks to those who donated gifts for prizes and special thanks to Maurice Hudon and Jan Hermans for their help in making the Alternate Strokes Tournament another success!!

Log & Tally, August 1992, Page 36

On June 11th, true to tradition, the sun shone on our Club #48 Men's Golf Tournament. A stiff breeze took care of the clouds, and the University of British Columbia Golf Club staff took care of our 151 golfers. Following the shotgun start and five hours of golf, golfers and guests were treated to an excellent BBQ steak dinner. After dinner, the awards were presented with winners selecting prizes from a very generous prize table. Many thanks to all the companies and individuals who donated prizes.

Top golfers of the day were Kiichi Kumagai for low gross, Lynn Morrison followed by Hugh McCutcheon for low net, and low net foursome went to Kirk Nagy, Roy Edwards, Dean Harrington, and Ken Johnson. High net foursome honors went to Greg Hruby, John Hruby, Pat Miller, and Rick Mackie. Each member of the high net foursome received a new set of golf clubs (plastic ones) to help improve their game.

### TORONTO CLUB #53

Toronto Club #53 had one of the best attended meetings in a long time. On April 6, 1992, 140 people heard a dynamic speech by Mr. Adam Zimmerman, Chairman of Noranda Forest, Inc.

Along with the poor economy, Mr. Zimmerman pointed out the struggle the industry is having with the special interest groups. To add to these problems, the forest industry is not getting the public policy support from government studies and services. He said the government should not support the weak by suppressing the strong. To prove a point, Noranda produces as much product today with 20,000 people as they did in 1982 with 35,000. To succeed, everyone will have to downsize. There is no big bag of money under any table. Everyone will have to get along with less in the future. It was noted Canada also had the edge by producing the best quality paper and newsprint in the world. Today's pressure to use so much recycled paper makes it impossible to produce the high quality paper Canada has been noted to produce. Mr. Zimmerman's speech reminded me a lot of the problems that are also happening in other parts of the world, such as New Zealand and Australia. At the last convention, it was stated that the "greenies", as they are called down under, stopped the construction of a new pulp and paper mill in Tasmania, thus cancelling any chance of much needed jobs.

Mr. Zimmerman was a member of Hoo-Hoo in 1962, and the club made him an honorary life member. They also presented him with a commemorative plaque and a hand-carved loon.

Also, attending the meeting was Manny Litvin, Second Vice President of HHL. Manny pointed out that a meeting with so many attending is a great opportunity to pick up new members. With his suggestion an application will be sent to all non members who attended. Thanks for attending, Manny. Your support is appreciated by Club #53.

--submitted by Keith Waddell L84324

VANCOUVER CLUB #48. Ivan, right, and Nell Brown, left, were the winning couple at the club's Alternate Strokes Tournament in May. They shot a combined gross of 93.

VANCOUVER CLUB #48. Sometimes it pays to be last, and that was the case for these three members of Club #48. Last three drawn at the club's Men's Draw were, left to right, Steve Sharpe, John Hruby, and Lynn Morrison. Each man won \$1,000.

### COWICHAN VALLEY CLUB #229

Tuning in to the past has been made easier at the Chemainus Valley Museum thanks to Cowichan Valley Hoo-Hoo Club #229.

A television and VCR was recently donated to the Chemainus Valley Historical Society for use at the museum. Ray Millard, current president of the society, reports that one tape has already worn out from constant use of the equipment.

The museum is still a relatively new addition to Chemainus, which is known world-wide for its huge outdoor murals. The museum just opened its doors last August and has begun to compile an impressive array of artifacts. The forest industry figured prominently in the area's past.

Millard said the TV and VCR gives the museum a much-needed visual tool to help bring the past alive, especially for children from the school groups that visit.

President Mike Hooper suggested that the Cowichan Valley Hoo-Hoo Club present the Cowichan Valley Inn with a gift. The Cowichan Valley Inn has been invaluable to the club, assisting with all sorts of details for club functions - many times with just a moment's notice.

The club could soon be building its own roulette wheels and crap tables for use at its two regular stags during the year. Gary Skeleton of the Ways and Means Committee was looking into this. It would add an extra element of interest to the evenings.

The B.C. Forest Museum's Mike Osborn indicated that a pitch is on to have North Cowichan/Duncan named Forestry Capital of Canada for 1994 to coincide with the

COWICHAN VALLEY CLUB #229. Darrell Frank collects his trophy for being the member with the low net score in Cowichan Valley Hoo-Hoo Club's annual golf tournament.

Commonwealth Games being held in Victoria, B.C., that year. Cowichan Valley Hoo-Hoo Club voted to contribute \$200 in seed money to send three delegates to Ottawa, Ontario, to make the pitch on behalf of North Cowichan/Duncan. Edmonton, Alberta, is also on the short list of applicants seeking the designation. In 1988, North Cowichan/Duncan received a tremendous economic boost from being named Forest Capital of B.C.

Backing of \$2,500 will be provided to the Canadian Institute of Foresters for the building of forest trails as part of its educational program. The \$2,500 will be forwarded once a letter detailing the project is received. A further \$2,500 will be considered at a future date depending on the progress of the project.

National Forest Week is coming up again soon, and the club is committed to spend \$1,000 on the annual promotion which goes toward displays at malls in Duncan and Nanaimo.

Look out Jack Nicklaus, Arnold Palmer, and Chi Chi Rodriguez!

While Lyle Crawford isn't yet a threat to the legendary trio on the Professional Golfers' Association senior tour,

COWICHAN VALLEY CLUB #229. Club President, Jerry Doman, left, is pictured with Ray Millard, right, president of the Chemainus Valley Historical Society, and past president Corrie Veistrup, center. The club donated the TV and VCR to the society.

he may be some day, based on his performances in the Cowichan Valley Hoo-Hoo club's annual golf tournaments.

Crawford won the low gross trophy for the third year in a row and the fourth time in the last five tournaments May 2. He was the best of the members and invited guests who participated in the 18-hole event at the Mount Brenton Golf Club in Chemainus, B.C.

Crawford won it with a 77 on the par 71 course which he said was "not a good round for me". But modesty did get Crawford somewhere, even though a usual round for him is around 72 or 73. Gary Urton, who formerly held a long reign on the low gross title, had to settle for second low gross. Lynn Morrison and Ian Milne were third and fourth low gross, respectively. Darrell Frank was declared the low net winner. Leo Kossey was second, Lance Odegaard third, and Bob Barlow fourth. Among the non-members, Ron Deptford had the low gross score and Len Wilkinson the low net.

Closest to the pin prize winners included: Bernie Falt (3rd hole); Ron Dixon (7th hole); Wilkinson (11th hole) and Ralph Skolos (16th hole).

The most honest golfer, who actually turned in a scorecard that reflected the nature of his game, was Steve McAdam.

Once again, Jerry Doman and Kossey did a considerable amount of work to make the tournament such a great success. They were instrumental in gathering the most impressive collection of prizes ever to be distributed at the tournament.

All the non-winners are already taking lessons to hopefully gain an earlier selection from the prize table next year.

Four people really cashed in by attending the Cowichan Valley Hoo-Hoo Club's annual spring stag.

Randy Davis, Jim Wilkinson, Wayne Wheeler and Ray Carroll shared \$350 apiece in a prize draw. Davis was also one of the big money winners in the club's last fall stag.

Holder of every 10th ticket drawn received a 100 percent return on their investment of \$75. Winners included: Frank Fraser, Hugh Williams, Norm Ellison, Leo Kossey, Jerry Doman, Tom Pallan, Gerry Molnar, and Bob Batty.

--reported by Don Bodger, publicity

COWICHAN VALLEY CLUB #229. Lyle Crawford receives congratulations from Leo Kossey for winning low gross honors at the club's annual golf tournament for the third straight time.

## Club News

### JURISDICTION VI

#### SAN DIEGO CLUB #3

Past Presidents' Night was held March 19th at the Red Fox Room in San Diego. Nine oldest in terms of years each received a plaque for their service over the years to San Diego Hoo-Hoo Club #3.

*SAN DIEGO CLUB #3. Past President's Night brought out nine past presidents. Back row, left to right, Phil Braum, Al Martin, Jim Gilchrist, Bob Croy, Warren Hoffman, Ed Gavotto, Mark Olson, Bill Olmstead, and G.T. Frost. Front, Wayne Raney, Jeff Loth, Snark of the Universe, and club president, David Espinoza.*

*SAN DIEGO CLUB #3. The oldest past president at the club's Past President's Night was Ed Gavotto L63822, 1964-65. He was presented a plaque by President Dave Espinoza.*

#### SAN JOAQUIN CLUB #31

February 15, 1992 was Ladies' and Guests' Night for Club #31. The evening featured fresh cracked crab and trimmings, and the all-you-can-eat format insured that no one went away hungry.

One of the club's most popular annual events was held April 10th at the International Agri-Center. Proceeds from Casino Night go to the Chester G. Harshner Memorial Scholarship Fund. Tom Griesbach and Don Johnson were co-chairmen for the event.

Coming in July is the 18th Annual Coast Frolic at Shell Beach.

--excerpts from the San Joaquin Club newsletter

Log & Tally, August 1992, Page 40

#### PHOENIX CLUB #72

March was concat time for Club #72. The club was also visited by the Snark of the Universe, Jeff Loth, and Supreme Nine for Jurisdiction VI, Dave B. Jones. There was a good turn out at Scottsdale Country Club. We had 43 golfers and 45 for dinner. Welcome to the new kittens. They are Dwayne Fulbright, American Lumber Company, Inc.; Corby Biddle and Ken Humphreys, Foxworth Galbrath Lumber; Mike Brady, Ed Cox, and Jon Dodson, Pueblo Lumber. We also have two transfers: George Woodworth who was initiated in Milwaukee in 1944 and Joe Butkiewicz who has come home after being in San Diego with Far West Lumber Sales. We had one reinstatement: Doug Southwell of Weyerhaeuser.

It was golf only in April at the Foothills Golf Club with a good turn out of 40 golfers. It was a beautiful day with some great scores. In May Club #72 played golf at Oakwood Country Club and elected club officers for the 1992-93 year. New officers are as follows: Glen Miller, president; Bill Swaney, 1st VP; Dan Roads, 2nd VP; and Chuck Pensinger, secretary/treasurer.

--excerpts from the Phoenix Club newsletter

#### SACRAMENTO CLUB #109

Sacramento Hoo-Hoo Club #109 had a special treat in January when Snark of the Universe Jeff Loth visited the club and participated in the club's concat of six kittens. President Tom Rice presented Snark Loth with a plaque commemorating the Snark's visit. New kittens were Kevin Hoglen, Tom Atkins, Dean Duchi, Mark Gouge, Dennis Duchi, and David West. Welcome, new members.

The club's Valentine's Dinner and Dance was held February 22nd. Chairman for the event was Mike Bozich.

March 7th was Arbor Day in California, and Sacramento Hoo-Hoo Club #109 got in the spirit of the day and gave out 3,000 seedling trees. There were 400 Dawn

Redwoods, 400 Giant Sequoias, 600 Coast Redwoods, 600 Ponderosa Pines, 600 Jefferey Pines, and 400 Bishop Pines.

This is the first year the club has done this, but we plan to make it an annual event.

"Hardwoods Industry Night" was held April 9th with Rick Troxel serving as chairman followed in May by the Annual Golf Tournament at La Contenta Golf Club, the last event of the year. The next meeting will be in September with the installation of new officers.

--excerpts from the Sacramento club newsletter

*SACRAMENTO CLUB #109. Above, the club handed out 3000 seedlings on Arbor Day. The group representing the club are, left to right, Mike Rickertsen, Tim Ball, Jay Felty, Tom Rice, Terry Johnson, and Steve Johnson.*

*SACRAMENTO CLUB #109. Left, six kittens were concatenated on January 20th. The are, left to right, Kevin Hoglen, Tom Atkins, Dean Duchi, Mark Gouge, Dennis Duchi, and David West.*

#### INLAND EMPIRE CLUB #117

The club's annual roast was held on March 20th at Pyrenee's in Chino. Snark of the Universe Jeff Loth was a special guest. Golf was at El Prado Golf Course. Ladies' Weekend was held May 15th-17th at Las Palmas in Palm Desert.

--from the Inland Empire club newsletter

#### SHASTA CASCADE CLUB #133

Gayle Morrison, "1992 Lumberman of the Year", was honored at the club's meeting at the Red Lion in Redding on March 28, 1992. Gayle was presented with an axe. Dinner and a hilarious magic show arranged by Claude "Scotty" Scott helped to make this a night we will not soon forget. A great time was had by all.

--submitted by Chris Schaller

*SHASTA CASCADE CLUB #133. Gayle Morrison, "1992 Lumberman of the Year" proudly displays the axe he received in honor of the award.*

Log & Tally, August 1992, Page 41

## Club News

**SHASTA CASCADE #133.**  
We love ya, Gayle! If everyone hadn't been smiling, there might have been reason to wonder. Honoring Gayle Morrison are club members, left to right, Dave Schaller, Don Porter, Claude Scott, Mark Majors, Ron Breedlove, and Tim McIndoo. Gayle is in the center.

### HONOLULU CLUB #142

Honolulu Club #142 was honored in May with a visit by Snark Loth and "hat" and Mrs. Loth. A Chinese dinner was enjoyed by our guests and the directors and wives. Snark Loth was presented a Hawaiian Bowl as a remembrance of his visit. Certificates were presented to Norman Lum and Howard Hisamoto, Deputy Snark and Vicegerent Snark, for their service. The Snark commented on his program for the year and asked for the support of the club.

Honolulu Club #142 and the Western Wood Products Association sponsored two seminars the first week of May on the new design values and the latest information on Western lumber. The speakers, Ricky Escalante and Norman Sievert, are both trained professionals with W.W.P.A. The seminar included audio visual presentations, group discussions, and a question and answer period. The program was most informative, well attended, and well received by the participants.

--reported by James W. Lovell L59383

Log & Tally, August 1992, Page 42

### BLACK BART CLUB #181

January 22, 1992, was the date of the club's "Industry Night". One hundred people attended this great annual event which gets bigger and better every year. Cliff Smoot was honored as the club's "Lumberman of the Year". He was presented a commemorative plaque by Elmer McDade, past president of Club #181. Snark of the Universe, Jeff Loth, was a special guest for the event and helped make a great evening that much better.

**HONOLULU CLUB #142.** Above, Ricky Escalante, left, and Norman Sievert of the Western Wood Products Association presented seminars on design values and the latest information on western lumber, co-sponsored by Club #142.

**HONOLULU CLUB #142.** At left, Snark of the Universe Jeff Loth was all smiles during his visit to Club #142. He was presented a Hawaiian Bowl as a remembrance of his visit.

**BLACK BART CLUB #181.** Cliff Smoot, left, was presented the "Lumberman of the Year Award" by Elmer (Mac) McDade, past president of Hoo-Hoo Club #181, during the club's Industry Night in January.

**BLACK BART #181.** Snark of the Universe, Jeff Loth, left, presented a gold medallion to First Vice President, Ken Carter, at Black Bart's Industry Night.

## VII JURISDICTION

### EAST TEXAS CLUB #135

Special guests visiting Club #135 recently were Snark of the Universe, Jeff Loth, and Supreme Nine Jurisdiction VII, Frank Aranza. They joined us for lunch, and a tour of a local sawmill concluded the visit.

Club #135 will be sending two club members on an expense paid trip to the Centennial Convention in Hot Springs/Gurdon, Arkansas, in September. Plans are also underway to adopt a two mile stretch of a Texas highway in accordance with the state's highway adoption/cleanup program. A sign recognizing our club will be erected along the stretch of highway Club #135 will maintain.

Coming events for Club #135 are a golf tournament planned for June 20th in Diboll, Texas; a concat with Supreme Nine Frank Aranza scheduled for July 23rd; and a Sportsman's Tournament (trap, skeet, and archery) scheduled for August 1st. Also, a get together with Australian Hoo-Hoo members/spouses is planned for September just prior to the Centennial Convention.

--reported by Jim Brody #95953

**CENTRAL MINNESOTA CLUB #91.** Seated, Bob Creel, left, and Tom Partridge with the club's current officers. Standing, left to right, Larry Thoestenson, 2nd VP; John Hall, 1st VP; John Donlin, President; and Roger Van Vickie, Secretary/Treasurer.

## VIII JURISDICTION

### CENTRAL MINNESOTA CLUB #91

The Central Minnesota Club #91 held a concat on April 1st in St. Cloud, Minnesota. We initiated 32 new members and reinstated 7 members. This was a boost for our club. Our current membership has almost tripled to 63 members.

We were honored to have Bob E. Creel #53443 from Jurisdiction VIII along with Tom Partridge and many of the Minneapolis Hoo-Hoo Club #12 to help with the initiation. A good time was had by all, and we hope to see everyone during the '92 events.

Log & Tally, August 1992, Page 43

## Club News

**CENTRAL IOWA CLUB #102.**  
Representatives from Central Iowa Club #102 present a \$300 check to Sioux Valley Club #118 for their 1993 International Hoo-Hoo Convention. Pictured from left to right, Billie Countryman and Rich White, Club #102; Rick Petzoldt, Jim Aalbers and Chris Fischer, Club #118.

### CENTRAL IOWA CLUB #102

In January, Central Iowa Club #102 held its annual Ingersoll Dinner Theater fund raiser. Those attending this year enjoyed Neil Simon's "The Last of the Red Hot Lovers". The event, held in conjunction with the Iowa Lumber Convention, was well attended and allowed our club to support Sioux Valley Club #118 with its plans to host the 1993 International Hoo-Hoo Convention in Sioux Falls, South Dakota.

Club #102 is planning two more fund raisers, a spring golf outing and a fall river boat cruise. We hope that these events will allow us to provide additional support to the Sioux Valley Club as they prepare to make the 1993 International Hoo-Hoo Convention the best ever!

--submitted by Rich White 94814

### SIoux VALLEY CLUB #118

The Sioux Valley Club #118 hosted a couples' evening on March 7th at the Olde Towne Theatre in Worthing, South Dakota. Hoo-Hoo members treated their ladies to dinner and a play, "Lend Me A Tenor", which portrayed with gusto an Italian opera star's dilemma with his appearance, or rather disappearance, at a gala event in Cleveland. The rollicking comedy related well to the amorous Hoo-Hoo couples in attendance. Each lady attending received a long stemmed rose, compliments of the club.

Thanks to the Sioux Valley Hoo-Hoo Ladies Night Committee for organizing the event.

The next planned events for the Sioux Valley Hoo-Hoo are a golf outing at Hartford, South Dakota, on June 23rd and our Annual R & R Day Golf and Trapshoot at Brandon, South Dakota, on Tuesday, August 11th.

--submitted by Steve Sprenger

**SIoux VALLEY CLUB #118.**  
Left to right, Steve Sprenger, Ann Sprenger, Marion Hoeck, and Rameses #82 Lyle Hoeck enjoy the club's "Ladies Night" at the Olde Towne Theatre in Worthing, South Dakota.

**SIoux VALLEY CLUB #118.** For "Ladies Night" the club enjoyed a presentation of "Lend Me A Tenor" at the Olde Towne Theatre. Sandi Fisher, standing, gives Chris Fisher a hug. Looking on are Kathy and Doug McBeth.

### OMAHA CLUB #124

The Omaha Club held their annual picnic at the Al Vey's Farm. Mr. Vey is a former mayor of Omaha who maintains a very nice acreage at Omaha's south edge. It has a large barn for the bar and tables in case of rain. The day June 10th was perfect for the event, and many ate the delicious steaks on the tables on the lawn. The event started at 4:59, however, some played golf starting at noon tee time. There were nice prizes for the golfers, and also for the horse shoe tournament which was fun for the players and their audience. Jim Lykke, a past president and our ticket chairman, won the \$100 bill and was deserving of it for his fine job. Howland Boyer, our president, handled the bar in fine shape, and our picnic chairman, Carroll Nyquist, did his usually good job seeing everything went well.

We were pleased that Lyle Hoeck came down from Sioux Falls, South Dakota, to attend our event. We were all pleased to have his presence there. All in all everyone had a good time, good fellowship, and an excellent Nebraska steak and trimmings.

--reported by Homer Hahn

### KEN HALLGREN CLUB #139 OF NORTHERN ILLINOIS

The Ken Hallgren, Northern Illinois Hoo-Hoo Club #139, recently held its spring dinner meeting and concat for five new kittens.

Club President Tony Vecchiolla was pleased to introduce a very special guest speaker for the after dinner presentation, Illinois Lieutenant Governor, Bob Kustra. Welcomed by more than thirty club members, the Lt. Governor spoke about one of his favorite subjects, education.

Kustra explained to the group the role state government can play in establishing an education system that will prepare our children for the challenges of the 21st century.

In addition to his career as educator, legislator, and now Lieutenant Governor, Kustra told the group that he will coordinate Illinois Governor Edger's anti-drug efforts and the state's war against drugs.

**OMAHA CLUB #124.** Left to right, Homer Hahn, club secretary, Lyle Hoeck, Rameses #82, and Royce Munderloh, nominee for Supreme Nine for Jurisdiction VIII, visit during the club's annual picnic at Al Vey's Farm outside of Omaha.

## IX JURISDICTION

### ATLANTA/DICK WILSON CLUB #1

Alex McCaskill #89247 was inducted into the prestigious State of Georgia Sports Hall of Fame on February 22, 1992. He was honored for his excellence in three sports, football, basketball, and baseball, while at the University of Georgia, 1936-1940. During these years he earned 11 letters under eight coaches.

Alex joined Hoo-Hoo in Atlanta, Georgia, in 1981 and served as vice president in 1983-84. After serving as vice

president of sales for Georgia-Pacific, then as special field representative for CertainTeed Corporation, he retired in 1990. He now resides in Macon, Georgia, with his wife of 51 years, Betsy.

Our April 20th meeting was highlighted by three exciting differences from our usual meetings: 1) A new meeting place; the Tucker Shrine Club Facility proved to be an excellent meeting place - clean, well run, and reasonably priced. 2) The club awarded our two C.A.T.S. scholarships to Cyndi Arnette, a junior at Georgia, and Jeff Helms, a freshman at Shorter. We enjoyed meeting them and their parents and were all impressed with their personalities as well as their credentials. 3) A terrific program by Tim Christian of the Atlanta Olympic Committee, who gave us some insight into the problems and challenges being solved concerning the 1996 summer games.

## Club News

(CONTINUED FROM PREVIOUS PAGE)

We had 30 member and seven guests. Two of the guests were Hoo-Hoos that have transferred to Atlanta from other clubs in Jurisdiction 9: Chuck Browning, past president of Central Florida Club #115 with Furman Lumber Company, and Bob Horton from Hampton Roads Club #154 with Atlantic Trading Company. Welcome to you both. The "wheel" was finally won by a veteran Atlanta Hoo-Hoo, John Walker. Way to go, John!!

### CENTRAL FLORIDA CLUB #115

Attendance at the last two meetings has been fantastic. The April meeting featured Jim Hill educating the club on all the various endangered species of plant and animal life that seriously affect logging.

The club took a moment to recognize Chuck Browning. He has been a long standing member of our club. He will be moving to Atlanta. Club #115 presented him with a very nice plaque to remember us by.

### Jekyll Island Mini-Convention Is A Lot of Fun, But Only A Few Attend

The Jurisdiction IX Mini Convention got under way Friday night, May 15th at the Jekyll Island Club, a five-star hotel in the historic district of the island. The pool side buffet overlooking the Marshes of Glynn with the historic hotel in the background was beautiful, and the food was delicious. It gave the normally reticent members an excuse to devour some fantastic desserts after a sumptuous meal. We were thoroughly entertained by a duo of banjo/guitar players.

Saturday morning we had a lively business meeting where a number of Jurisdiction IX problems were addressed. Since we had present the Snark of the Universe, the First and Second Vice Presidents, and three Rameses, its easy to see why some pressing problems could be dealt with so simply.

Although there were only 32 attending, the Saturday Night Cocktail Party, Dinner and Costume Dance proved to be a real success. No one had advance notice of the costume party, and the ingenuity and imagination shown were uncanny.

Snark of the Universe, Jeff Loth, right, receives a plaque from Supreme Nine, Jurisdiction IX, Pat Story, at the J-IX Mini Convention at Jekyll Island.

Organizers of the J-IX Mini Convention surprised members with a costume party Saturday night. S-9 Pat Story presents the first place award to Maggi Waddell.

## Obituaries

### We mourn the passing of our devoted Hoo-Hoo Brothers

**JOHN AILPORT #62528**  
Williams Lake, British Columbia, Canada  
Member Spokane Hoo-Hoo Club #16

John was a former superintendent of the Anaconda Company, Lumber Department, in Bonner, Montana. While in that position he joined the Missoula/Bonner Hoo-Hoo Club. Later he moved to Newport and ran the Diamond International mill there. After his move to Williams Lake, John worked in a management position with Lignum Limited. John was active in the Boy Scouts and received the highest council honor in scouting. John was a past president of the Northwest Wood Products Clinic. He is survived by his wife, Mary.

**NICKIE BAKARICH #54143**  
Littleton, Colorado  
Member Denver Hoo-Hoo Club #74

**ALFRED M. CARLSON #78318**  
Klamath Falls, Oregon  
Member Winema Hoo-Hoo Club #216

Alfred M. "A.M." Carlson died in May 1992 in Klamath Falls at the age of 80. He was employed by Weyerhaeuser Company before serving in the Army in Europe during World War II. He received two Bronze Stars and three Purple Hearts. After the war he returned to Weyerhaeuser and retired in 1976 after 41 years in the forestry department.

Alfred was a member of the American Legion Club and Disabled Veterans of Foreign Wars. Survivors include two sons, Capt. Thomas Carlson, U.S. Navy, and Dr. Erik M. Carlson.

**GLEN E. CARTER #72773**  
Houston, Texas  
Member Houston Hoo-Hoo Club #23

Glen E. Carter passed away February 19, 1992, after a short illness. He spent many years in the forest products industry. He was associated with U.S. Plywood, Champion Products, and other forest products companies.

**FRED S. CHVATAL #92885**  
Richmond, Illinois  
Member of Ken Hallgren of Northern Illinois Hoo-Hoo Club #139

**LAWRENCE S. CLARK, SR., #L32504**  
Member of Twin Cities Hoo-Hoo Club #12

Larry Clark passed away February 2, 1992, at home, in his sleep. He retired from the hardwood lumber business in 1966 after fifty years. During that time he served many national and government organizations and associations as a board member and officer. After retirement he joined National SCORE (Service Corps of Retired Executives) and continued to receive honorary awards for his contributions to the business community.

Larry was a life long member of St. Pauls Parish and was very active in his church, serving in most church offices. Larry is survived by a son Larry, Jr., and wife Ruthe, a daughter Natalie, seven grandchildren and five great grandchildren.

**SCOTT KINGSLEY DAY #85417**  
Rogers, Minnesota  
Member Twin Cities Hoo-Hoo Club #12

Scott Kingsley Day, president of Southside Lumber Company, Rogers, Minnesota, died recently at the age of 36. An active member of the community, Scott was a member of the Rogers Chamber of Commerce and the Minnesota Family Business Council. Survivors include his daughter, Kelly, and son, Kevin.

**EARL EMMER #45145**  
Edina, Minnesota  
Member Twin Cities Hoo-Hoo Club #12

Earl A. Emmer, 79, former president and chairman of the board of Emmer Brothers Company in Minneapolis, died recently. He began his career in the late 1930s as a salesman at Emmer Brothers, a wholesale lumber company started by his father, J.W., and uncle, K.P., in 1908. Surviving Earl are his wife, Helen; his sons, Jim, Tom, John, and Earl, Jr.; and his daughters, Marilyn Sullivan, Patricia Emmer, and Margaret Gust.

**CARL T. JENSEN #45113**  
Minneapolis, Minnesota  
Member Twin Cities Hoo-Hoo Club #12

Carl T. Jensen, 85, former director and senior vice president of Wheeler Lumber, Bridge and Supply Company, died of a stroke in June at his home in Minneapolis. Carl was a past officer and director of the Minnesota Surveyors and Engineers Society, Minnesota Good Roads Association, American Wood Preserving Institute and the American Wood Preserving Association. He was also very active in many civic and church organizations. Besides his wife, Hazel, Carl is survived by a daughter and a grandson. He and his wife celebrated their 61st wedding anniversary June 1.

## Obituaries

**GLYNNE L. JONES #62304**  
Chemainus, British Columbia, Canada  
Member of Cowichan Valley Hoo-Hoo Club #229

The Cowichan Valley Hoo-Hoo Club, and, in fact, the entire Order of Hoo-Hoo lost one of its longest-serving and most respected members when Glynne Jones died April 7 at age 74.

Jones was one of the founding members of the Cowichan Valley club in the late 1960s and one of its first presidents. He held virtually every executive position over the years from the Ways and Means Committee to Vicegerent. Many of the functions that make up the yearly social calendar for Cowichan Valley Hoo-Hoo Club were started by Jones and will probably continue for a long time to come. "Through the rough (economic) times of the early '80s, he's the one who kept the club together," noted current vicegerent, Jerry Doman.

Jones was a retired Vancouver Island East sales manager for MacMillan Bloedel Ltd. Besides his involvement with Hoo-Hoo, he once served on the board of directors for B.C. Forest Museum in Duncan.

The former Tree Room at the B.C. Forest Museum has been renamed the Glynne Jones Building in honor of his contributions. The Cowichan Valley Hoo-Hoo club is sponsoring the dedication, paying for the long term maintenance of the building and a plaque that bears his name.

The official dedication was made June 20 during the B.C. Forest Museum's annual general meeting.

Jones's wife, Evelyn, who assisted with a great many details behind the scenes for local Hoo-Hoo functions, died in 1991. Among his survivors are his son, Trevor, his daughter, Megan Matthews, and five grandchildren.

**MATT E. KLEM #72530**  
Covington, Georgia  
Member Atlanta/Dick Wilson Hoo-Hoo Club #1

Matt Klem, a member of Hoo-Hoo since 1961, died at his home in Covington March 21, 1992, at the age of 66 from a heart attack. He was a sales representative for MW Manufacturing out of Rocky Mount, Virginia. Matt is survived by his wife, Eleanor, and four children.

**ALBERT LITZENBERGER #45887**  
Spokane, Washington  
Member Spokane Hoo-Hoo Club #16

Albert Litzenberger died in June at the age of 78. He had worked for nearly 50 years in the wholesale lumber business, working for several different companies during his career. He retired from Louisiana-Pacific Corporation in 1981.

Albert served during World War II in the U.S. Navy Seabees. He was active in church and civic clubs and was honored by the Boy Scouts as outstanding Cubmaster of the Year in 1957. He coached youth baseball and basketball teams.

Survivors include his wife of 50 years, Ruby, a son, David, and two grandchildren. Albert had been a member of Hoo-Hoo since 1941.

**JERRY L. MCGUIRE #50699**  
Gardena, California  
Member of Los Angeles Hoo-Hoo Club #2

Jerry McGuire, a member of Hoo-Hoo since 1948, died February 12, 1992. He was the founder of Cal-Forest Lumber Company and had been the president of Mutual Moulding since 1972.

**VINCENT W. NORTH #35605**  
Seattle, Washington  
Member of Seattle Hoo-Hoo Club #34

Not quite a month after celebrating his 103rd birthday, Vincent W. North died April 9 at the Seattle retirement home where he had lived for parts of the past 25 years. Vincent's granddaughter, Sally Still, speculated on the cause of his death with a trace of good-natured irony he surely would have appreciated. "It was pretty much old age," she said.

Vincent outlived his first wife, Annie Laurie North, and their two children, Josie and Vincent, all of whom moved to Seattle from Montana in one of the more thrilling chapters of his rags-to-riches story.

During the early years of the century, Vincent managed five lumber yards and four hardware stores from a base in Forsythe, Montana, making the rounds of the state on dirt roads in a Model T Ford. When the bottom fell out of the Montana lumber market in 1922 he moved his family to Seattle. When they got there, with little money, no income, and no place to stay, the family camped for a month in Woodland Park while Vincent looked for work. He landed a job with a Seattle firm and eventually opened his own company, the V.W. North Plywood and Lumber Company, in 1935. He owned and sold three lumber companies before retiring in 1960.

Vincent enjoyed his long retirement. He spent his winters in Palm Desert, California, golfing. He golfed until his 98th birthday when he still was adept enough to shoot his age -- an 18-hole score of 98.

Among Vincent's survivors are his wife, Adele North; three granddaughters; eight great-grandchildren; and 10 great-great grandchildren.

A member of Hoo-Hoo since 1924, Vincent was possibly Hoo-Hoo's oldest living member.

**CLAYTON A. REECE #79591**  
Darrington, Washington  
Member of North Cascade Hoo-Hoo Club #230

**CLARENCE E. SANDSTROM #45016**  
Mt. Morris, Illinois  
Member of Ken Hallgren Hoo-Hoo Club #139

Clarence E. "Sandy" Sandstrom, 85, oldest living club member and past president of Ken Hallgren Club #139, died at home, January 13, 1992. Sandstrom, along with then-actor Ronald Reagan, established the "Let Freedom Ring" program in Mount Morris, Illinois, in 1963. It gained nationwide recognition and remains a local tradition. Sandstrom, who continued to correspond with Reagan, visited the White House in 1984.

Sandy was employed as a salesman in the wholesale lumber business more than 40 years in northern Illinois and Wisconsin. He had been a member of Hoo-Hoo since 1932.
