Snark of the Universe

Numbers keep running around in my head these days. We are not in the "Numbers Game" as such, never the less we must always be conscious of our total membership.

When I was elected First Vice president, Hoo-Hoo had enjoyed a steady growth in membership for the previous few years. I predicted that it would not be inconceivable to reach 9,999 members by the end of the 1980-1981 Hoo-Hoo year. Little did I know that we were headed for a recession that would have devastating effect on our industry.

Today, after re-evaluating the condition of our industry and Hoo-Hoo, I believe a more realistic goal would be 8,999 for our total membership. We must have a goal. This number is not impossible to achieve. It means we must all concentrate on getting new members and put a real effort into getting former members to reinstate. We must also give special attention to the members who have joined in recent years. Too many of these members do not renew their membership.

Years before I became Snark, I was encouraged by numbers of my Hoo-Hoo brothers to seek this high office with the promise of their support. Now that I am Snark, I am asking each of you who encouraged me to keep your promises and support my efforts to reach our goal by working harder than ever. Not for me, but for Hoo-Hoo. By working together we can achieve our goal by the end of this Hoo-Hoo year.

As we approach the half-way point of this administrative year, let's not fool ourselves into thinking that the road from here is all down hill. It is not. We began this year highly motivated by internal conviction and external stimulation. Each of us had goals for our clubs in terms of service to the lumber industry, our community and membership growth. We are having a successful year so far in all of these categories in most clubs, but not in all of them. Now is the time for sprinkling "donkey dust." Excuses are counterproductive. It's the time for frontal attack on whatever stands in the way of meeting our goals so that the second half of this year will be better than the first.

As Hoo-Hoo, we need to rededicate ourselves to the same kind of enthusiasm that inspired the founding of our fraternity. This is not the darkness before the dawn, it is the dawn of a renaissance in Hoo-Hoo.

Our organization is made up of men who are self-motivators - hailing from various facets of our great industry. Every man that we add to our membership moves our great industry another inch in a positive direction. Our successes are measured in the hearts of those men whose lives are richer because of Hoo-Hoo's existence.

Cover Story

The gentleman on our front cover this issue, is Dave Davis, L-37575, Rameses No.48, and our new Seer of the House of Ancients.

Dave Davis was initiated in Hoo-Hoo in San Francisco in 1925. Together with Lew Godard and Norm Cords, both past Presidents of Oakland Hoo-Hoo Club No. 39, he helped reorganize the San Francisco Hoo-Hoo No.9 in 1945 and served as its first President. He was appointed Vicegerent Snark for 1945-46 and State Deputy Snark for Northern California for 1947-48 by Snark of the Universe LeRoy Stanton, 31930, Rameses 41.

In 1949 he was elected to the Supreme Nine as Jabberwock serving with Snark of the Universe Martin Wiegand, 44882, Rameses 42 as well as the following year of 1950-51 to Custocatian serving with Lynn Boyd, 36660, Rameses 43. At several of the National conventions he served at one time as Chairman of all the different committees.

At the 64th Annual Hoo Hoo Convention in Detroit, Michigan, September 16, 1955 Dave Davis was elected Snark of the

Universe, succeeding John Dolcater, 37372, Rameses 47.

Serving on the Supreme Nine with Dave were - John J. Santoro, 52280, Newark, N.J., Supreme Hoo-Hoo; Cliff R. Ashton, 53424, Detroit, Mich., Junior Hoo-Hoo; Ernie L. Wales, 45412, Spokane, Wash., Custocatian; John T. Silk, 53667, Memphis, Tenn., Jabberwock; Donald Barclay, 37595, Toronto, Ontario, Canada, Arcanoper; Robert E. Gallagher, 52499, Albuquerque, N.M., Gurdon; Harry A. Stockman, 35961, St. Louis, Mo., Bojum; Herbert F. Gustafson, L-29536, Omaha, Neb., Scrivnoter; Herbert H. Baxter, 60440, Charlotte, N.C., Senior Hoo-Hoo.

During his term as Snark of the Universe, 1955-56, Dave Davis visited all Jurisdictions, some several times, with a member of the Supreme Nine and Ben Springer, 34265, Rameses 37, Secretary. At this time there were over 13,000 active members in Hoo-Hoo with over 100 active clubs. It took over 50,000 miles of traveling, without any expense to Hoo-Hoo, (thanks to Simpson Timber Co.) to address over 5000 members of Hoo-Hoo with the "History and Workings of Hoo-Hoo" as well as many State Retail Lumber Conventions and the National American Wholesale

Snark's Message.....

Cont. from prec. page.

The fresh flame of enthusiasm flickers into darkness unless fuel is added. Let's keep pouring on the coals!

Since becoming Snark I have traveled from East to West as far as the oceans to meet with the clubs. I had a rare privilege of having been able to take part in the ceremony to install our new Seer of the House of Ancients, Dave Davis L-37575, Rameses No. 48. I'm happy to report that everywhere I travel the same spirit exists. The spirit of a new beginning for Hoo-Hoo.

We cannot change the past and we can do little to alter the present, but we can start planning for the future. I am suggesting that every club plan a "Youth Day." Invite young men of high school and college age to your co-worker on your job for a day. Then invite him to be a guest of your club that evening to share your club's camaraderie. I am convinced there's no better way to encourage young men to make the lumber industry their future.

I am also happy to report that we have added the flag of New Zealand to those flags already flying over the museum in Gurdon. Yes we are growing nationally and internationally. This is truly going to be a Renaissance year.

Lumber Association Convention in Vancouver, Canada.

Many new clubs were started at this time and some old ones reactivated. This was climaxed with the Annual Convention at the Fairmont Hotel, San Francisco where "The City That Knows How" held the most successful and one of largest attended Hoo-Hoo meetings. At this convention Cliff Schorling, 45533, now Rameses 49 was elected Snark.

When residing in Eureka, California, 1960-68, Dave was instrumental in helping to get Humboldt Hoo-Hoo Club No.63 to be one of the most active clubs in California. During each one of these years all the Snarks of the Universe, as well as several Rameses, visited this club for "Hoo-Hoo" Celebrity Night", at which time a Concat was held and a feed of Eureka cracked crab with all the trimmings was enjoyed.

In 1923, Dave Davis started in the lumber business in San Francisco and served the last several years as Sales Manager for some of the large redwood manufacturers.

Retiring in 1970, he is now residing at The Tamalpais, a high rise retirement residence, in Greebrae, California, a suburb of San Rafael, twelve miles north of San Francisco, across the Golden Gate bridge. Dave's wife Dottie, who contacted polio on one of the Snark's trips to Boston, is still confined to a wheel chair, but is enjoying bridge.

At the age of 76, Dave has been playing a lot of golf with a 14 handicap.

Dave wants all of his old friends that he had an opportunity to work with during his many active years in Hoo-Hoo to know that he lives with the cherished memories of the many pleasant times we had together.

Report from The Chairman

December 5th I was fortunate enough to attend the Harry L. Folsom Hoo-Hoo Club of Boston's annual Concat and Banquet. Also, I was able to visit our International office in Norwood again. It's always a great pleasure to visit with our Executive Secretary, Cliff Cunningham, and his right hand, Lois Neilson. We are sure fortunate to have these very capable people heading up our International office. They are often our unsung heroes in keeping Hoo-Hoo running. The Log & Tally is a masterpiece. Most of us can remember when this was not the case.

On the visit to the East I was also able to visit with the Granite State (New Hampshire) Club, and the Walt Whitman, Lakeland and the Alpine Clubs of New Jersey. My last stop was in Norfolk, Virginia to visit the Hampton Roads Club No. 154 and to attend their "Oyster Roast." We enjoyed every minute with our old friends and a lot of new ones. Visiting with me were Snark Bob VanEvery and Supreme Nine Member, Dick Mullen. Sure nice to be traveling in this company. I can't forget Charlie and Molly Lyons, Wade Cory, Rameses No. 62, Marilyn VanEvery, Elaine Mullen and Betty Jones.

All is well with Hoo-Hoo in Jurisdiction I. It is in good hands with Dick Mullen at the helm.

Now I'm looking forward to the Board Meeting in San Diego on January 10th. If all goes well, Betty and I will leave for Australia on February 4th to visit some of the clubs in Jurisdiction IV.

Fraternally,
James A. Jones, Rameses No. 72

Report from Juris II

Since the convention in Atlanta last September I have talked with several of the clubs in Jurisdiction II and I'm glad to report that all are ready to go into the balance of this Hoo-Hoo year

Report from Juris III

By December 15th of last year I had visited only four clubs for a total mileage of 940. As of December 15th of this Hoo-Hoo year I completed visiting my 9th club and, due to a breakdown in communications, just missed two others. I have been in contact with three more clubs as I passed through their towns for a total mileage of 4,275.

Jurisdiction III's success story for the embryo year 1980/1981 so

with a busy program. Jim Lorenzo of the Chicago Club has promised to work in getting that club back into gear and they will try to make arrangements for a Jurisdiction Conference in that area this year.

Ken Halgran (Northern Illinois) and John Guse (Milwaukee) have promised cooperation and will be urging their members to attend.

This will be Jurisdiction II's fourth Conference and, hopefully, will be the biggest and best. Please take note, Saginaw, Detroit, Toledo, Pittsburgh, Erie, Buffalo, Rochester and Syracuse Clubs. We will try and set the date as soon as possible, but it will probably be late May or June so the weather will be good. Why not start to build a kitty now to send one or more of your worthy members?

Some of the Jurisdiction II Clubs have been slow getting dues collected, but I hope by the time you read this you will have most of them in. If you haven't had a Concat yet, please plan one soon!

Snark VanEvery tells me that there is a group in the Akron (Ohio) area that wants to start a club, and we will be going there probably in February. Any readers that know of men in the Cleveland-Akron area that should join, please let us know.

Thanks to all for your continuing support of Hoo-Hoo, and if there is anything you need help with, be sure to ask. We'll do all we can.
Fraternally,
Fred Meyer, S-9, Juris II.

far is the Rogue Valley Club No. 94 of Medford, Oregon related as follows: On the July 1980 Printout from the International Office, they had 86 paid members -- as of December 15th, 1980, they had a total of 101 paid members and have yet to hold a Concat. Their two new officers, Ron Knight and Bill Davis, President and Treasurer respectively, got on the phone and called all their dropouts of recent years and picked up 15 reinstatements. All of this illustrates again what enthusiasm and dedication will do to the direction a club travels.

Kalispell, Coeur d'Alene, Tacoma, Seattle, Eugene, Portland, Klamath Falls and Spokane all appear to be healthy and in good hands--some with minor problems that are not insurmountable. However, there are some clubs which still have not sent me calendars or meeting schedules. It's difficult to plan a visitation without dates to go by.

Ground work has already been laid for the annual Jurisdiction Conference of Jurisdiction III to be in Tacoma, Washington on May 15 and 16, 1981. Mark your calendars!

Report from Juris VI

The highlight of the last quarter of 1980 was my presentation of the "Emblem of Revelation" to our new Seer of the House of Ancients, Dave Davis L-37575 Rameses No. 48, at a meeting of the Oakland Hoo-Hoo Club No. 39 on October 21, 1980.

I also participated as a visiting officer at the Sacramento Hoo-Hoo Club No. 109 Concat on November 11th, and the Black Bart Hoo-Hoo Club No. 181 Concat on November 19th. I also participated in the San Joaquin Valley Hoo-Hoo Club No. 31 concat on November 14th.

CLUB NEWS

From the Woodpile
of Washington, D.C.
Hoo-Hoo Club No. 99

WOODPILE

The first meeting of the new Hoo-Hoo year for the Washington D.C. Club was held at the Washingtonian with about 70 members in attendance. As is the custom, our fall golf outing was held in conjunction with this meeting and about 36 golfers enjoyed almost perfect weather. Date was September 17th.

Another custom was observed at this meeting - honoring the club Past Presidents. The program was conducted by one of these numbers, George Brinsko, and 19 of 29 living past presidents came out.

Our new officers were also installed at this meeting. Our New officers are Bill Dockeray, President; Jim Quinn, Vice President; Greg Schumaker, Secretary/Treasurer and the directors are Jack Gibala and Bill Stebbins.

Club 99's October meeting was held at the Washingtonian also, with 50 members attending. New President Bill Dockeray announced that Hal Miller had

agreed to serve as chairman of the 1984 International Convention here in Washington, D.C., and that Past Club President and Past Supreme Nine Member Lee Roberts had agreed to serve as the convention co-chairman.

Lee Roberts announced that he and Hal had already set the wheels in motion for selection to the site, and that committee chairmen were being appointed.

Guest speaker for the evening was Mr. Ed Hollander, Professor of Economics at George Washington University - a former member of the White House Staff under Presidents Nixon and Ford and a member of the Cost of Living Council. Mr. Hollander addressed the group in the area of problems facing small businessmen.

December 10th 1980 was a banner night for the Washington, D.C. Hoo-Hoo Club No. 99. It turned out to be the largest turnout of the year that came to see and hear Bob VanEvery, Snark of the Universe. We were also honored by the presence of Dick Mullen, Supreme Nine member for Jurisdiction I. Both the Snark and Dick assisted as members of our Degree team.

Thirteen new members were brought into our Order that night, and Snark Bob enlightened us with some observations about growth of Hoo-Hoo worldwide in recent years, and he had some kind words for those of us who have helped getting the Hoo-Hoo Museum in Gurdon, Arkansas off the ground.

We are planning a talent show for our January meeting, and it appears that several of our own members will be active participants. In March we are planning a trip to Atlantic City as

our third annual meeting of the year at the Washingtonian.

Our guest speaker was Colonel Punke of the Maryland State Lottery Agency who spoke to us about the operation of the State Lottery, with emphasis on the mechanics of the game and the security measures taken to insure the integrity of the game used to prevent dishonesty.

He also indicated that a substantial sum is returned to the State after payment to winners and of all expenses.

Plans are going well for our convention here in Washington, D.C. in 1984, and we are looking forward to a visit for the Snark next month. We will have a Concat planned for him.

Dave was born in Bell, California. He graduated from Paradise High School in 1957 and Cal-State University at Chico in 1962. He worked as a carpenter for contractors in Chico, Paradise area while attending college at Chico. After graduation he was employed by P.T.T. in their Management Achievement Program, as a plant service foreman in Sacramento for two years.

Dave began his lumber carer in Redding in 1964 when he went to

work for a branch office of Industrial Lumber Company of Portland, Oregon. He was subsequently transferred to their main Portland office. In 1966 he moved to Menlo Park, California with Dant Forest products where he stayed until 1968. He then returned to Redding to join North Valley Lumber Sales who were sales agents for Heron Mills and Main Lumber Company and worked there until December 1977. Last June 26th the Toronto Hoo-Hoo Club No. 53 made its annual pilgrimage to the Greenwood Race Track where we enjoyed a sumptuous buffet dinner and participated in an evening of harness racing.

Jack Hawkins 60311, himself a retired member of the "horsey set" and a club past president, made all the arrangements which

included the "Hoo-Hoo Sixth Race," at the conclusion of which the Toronto Club presented the winner with a suitably inscribed blanket.

This picture was taken at the track immediately after the race by the track photographer. A copy was promised to us forthwith and, despite constant prodding and coercion, nothing was

forthcoming until November 15th.

In the photograph are past president Jack Hawkins 60311, Les Mckimmie 60303, current club president, Kath Parker, associate member, the owner and his lady, then the jockey, the horse and the groom (Thought you might like to have this important information)

The Harry L. Folsom Hoo-Hoo Club No. 13 of Boston held its Annual Concat and Banquet on Friday, Dec. 5 at the Sheraton Boston Hotel with twenty-severn new members initiated into the fraternal lumbermen's organization.

For the second year, the ceremony was held separately from the annual meeting of the Massachusetts Retail Lumber Dealers Association which held its meeting April 23 at the Copley Plaza Hotel. Despite this, however, a very large turnout of 160 members from the largest Hoo-Hoo chapter in the world were on hand for the festivities.

Two special guests at the Concat and Banquet were the Snark of the Universe, Robert VanEvery and last year's Snark, now Chairman of the Board, James A. Jones. The club has been honored by the presence of the Snark in past years, however, this was the first time that both the incoming and outgoing

The evening's program was "Wildlife Management in The Northern Region" - a slide presentation shown by Wildlife biologist Danielle Gerry of the U.S. Forest Service. This program was arranged through the efforts of R.H. Ohmstede.

The program chairman was W.M. Sims and he was assisted by R.H. Ohmstede. R.A. Nordstrom won the door prize which was donated by the club.

Earlier in the day, a group of Folsom Club officers and International Hoo-Hoo Executive Secretary, Cliff Cunningham, hosted a luncheon for both Snarks at Stella's restaurant on Boston's waterfront. Outgoing Snark Jimmie Jones and his wife Betty arrived on schedule, however, Snark Bob Van Every and his wife Marilyn had a flight delay in Detroit and were an hour late. The Jones' are from Napa, California while the VanEvery's hail from Farmington, Michigan.

The Concat proceeded on schedule at 4:09 p.m. at the Sheraton with 27 new kittens passing through the "Gates to the Garden" After the initiation came a huge Reception to welcome in the new lumbermen and Banquet followed by special entertainment.

The Portland Hoo-Hoo have been keeping busy with full schedules, especially during the recent holiday season. October saw us charter the 57-foot yacht "Yachts - O - Fun" for a three-hour cruise down the Columbia River to the mouth of the Willamette River. From there the trip took us up the Willamette past the beautiful night-time skyline of downtown Portland. Old Timers Night was featured here and good times were had by all.

November featured a barbeque at the Western Forestry Center and there was food and beverage aplenty. . . all free too. . . but only for paid members.

The Christmas Party ushered in a busy month of December; also held at the Western Forestry Center. John Fullmer of Fullmer Lumber Company supervised the elaborate Christmas decorations with dining and dancing to live music the order of the evening. At the conclusion, several live Christmas trees were auctioned off to the highest bidder.

The final order of business for 1980 was a very special evening for all Portland members. The club hosted a champagne open-house for new \$1 million education wing to the Western Forestry Center. Earlier that day, dedications and tributes were paid to Harold Miller, a long time area lumberman. The Harold

Miller Hall will forever serve as a reminder of the dedication of this giant in our industry.

Also of particular importance to Club No. 47 is that the popular Hoo-Hoo Lumber Grading School will be held henceforth at the new complex.

The Detroit Hoo-Hoo Club No. 28 had a fall dinner dance also honoring the new Snark of the Universe, Bob VanEvery. It was held at Dunham Ray Hall in Southfield, Michigan.

We had a buffet dinner, an open bar and live music to dance by. Also, there were two groups of door prizes which were donated by the various companies around town. Festivities started about 6:30 P.M. and continued to the end. Everyone had such a good time that none left until the last shot was fired.

Bill Graves was the program chairman and assisting him was his wife. Also assisting were Jackie and Jim Maicki and Maureen and Jim Niner.

Over 140 people turned out for this annual affair, and the main reason that this one was such a success is because of the involvement of MANY members AND their wives. We had a ladies phone committee that did an excellent job - we even had three photographers. Our photographers are Seymour Berg, Dominic Iannuzzi and Fred Cooperider.

The enterprising Board of Directors decided to surprise Snark Bob VanEvery last Christmas by having a surprise party for Bob. It was a real surprise, too, because they decided to have the affair at Bob's house!

About 70 members and guests were present for the occasion, and Mayor of Farmington, Michigan was there to give Bob the Key to the City.

There were a few past club presidents on hand to welcome the New Snark, and a few presentations were made to round out the afternoon. Supreme Nine Member Fred Meyer was also there from New York.

Also on the agenda at this meeting was a very special presentation of the "Hoo-Hoo of the Year" trophy to Gordon Graham L-70604. Said Gordon, "This Was a great surprise to me and I am most grateful to the club for this honor."

NOMINATIONS

We of the Walt Whitman Hoo-Hoo Club No. 171 have long recognized our good fortune in having Ralph C. Dages L-63070 as our Club Secretary/Treasurer. We wish to nominate Ralph for the post of Supreme Nine Member for Jurisdiction I for the Hoo-Hoo years 1981-1982/and 1982-1983.

For many years Ralph has earned the recognition and respect of many lumbermen throughout the industry. Ralph has endeared himself to all who know him, and he is truly worthy of this great honor.

Ralph is a tireless worker on behalf of Hoo-Hoo and it is because of his efforts that the Walt Whitman Club has grown from a membership of about 15 to its present strength of over 60 faithful lumbermen in just about 8 years.

It is with great pride that we submit the name of Ralph C. Dages L-63070 for the position of Supreme Nine Member for Jurisdiction I.

Club No. 28
Detroit, Mich.**

The Detroit Hoo-Hoo Club No. 28 held a general meeting on October 22nd for the purpose of installing the new club officers. It was a good turnout with over 70 members and guest on hand.

Following the installation we viewed a special film "Update" through the courtesy of Champion Plywood.

Seymour Burg was the program chairman - and Clark Stone won the \$45 door prize. Jim Myers was the pussy cat No Show.

Pictured above are the new officers and directors of the Detroit Hoo-Hoo Club No. 28.

**OUR NEW
MUSEUM**

The Hoo-Hoo Museum in Gurdon is almost a reality. All of the remodeling work is done with the exception of a few minor details. It has a new roof, new paint, refinished oak floors, new wood windows and doors, new toilet facilities, heating and air conditioning, cabinets, range, dishwasher, refrigerator, carpeting, paneling, suspended ceiling, tables and chairs, drapes on the windows, and some new light fixtures. Something for all of Hoo-Hoo to be proud of.

I spent November 13th and 14th with Louis Cabe, Horace Cabe, Harold Cabe, Charlie Cabe, Mayor Russell McClain, the contractor (Don Stone), and the Gurdon Hoo-Hoo Club president, Gene Garland. We spent the time on the finishing touches and planning the

dedication of the Museum for April 11th, 1981.

The Gurdon people have been very cooperative in making the museum a reality. We still need funds for buying showcases, new office furniture etc., etc. I would like to ask each and every Hoo-Hoo member to reach down deep in his pocket and send a dollar, two dollars or whatever you can afford for the museum to the Norwood office of Hoo-Hoo International. Large contributions would also be very much appreciated - and don't forget-it's tax deductible. I sure hope everyone will come through with a few bucks to help finish the worthwhile project. A real milestone for Hoo-Hoo.

To refresh your memories, the building that is to become our Museum was built in 1930. It has served as an American Legion Hall and in more recent years, the City Hall for the City of Gurdon,

Arkansas. The city recently built new facilities which eventually led to Hoo-Hoo being able to lease the building for \$1 per year. The plans are to move the International office to Gurdon, the Birthplace of Hoo-Hoo, in the Spring of 1982. As you can see we will have our Museum and our International Office practically rent free.

I hope many members will plan their vacations so as to be in Gurdon for the dedication on April 11th, 1981. Arkansas is very pretty in the Spring, and you will fall in love with the countryside. Make your plans early and come on down!

**Ten Commandments
of Human Relations**

- 1.) Speak to people. There is nothing as nice as a cheerful word of greeting.
- 2.) Smile at people. It takes 72 muscles to frown, only 14 to smile.
- 3.) Call people by name. The sweetest music to anyone's ears is the sound of his own name.
- 4.) Be friendly and helpful. If you would have friends, be friendly.
- 5.) Be cordial. Speak and act as if everthing you do were a genuine pleasure.
- 6.) Be genuinely interested in people. You can like everybody if you try.
- 7.) Be generous with praise-cautious with criticism.
- 8.) Be considerate with the feelings of others. It will be appreciated.
- 9.) Be thoughtful of the opinions of others. There are three sides to a controversy-yours, the other fellow's and the right one.
- 10.) Be alert to give service. What counts most in life is what we do for others.

There Were Four!

This is the story about four men - Everybody, Somebody, Anybody and Nobody. There was an important job to be done and Everybody was sure that Somebody would do it. Anybody could have done it, but Nobody did it.

Somebody got angry about that, because it was Everybody's job. Everybody thought that Anybody could do it, and Nobody realized that Everyone wouldn't do it. It finally ended up that everybody blamed Somebody when actually Nobody blamed Anybody.

Toronto
Club No. 53
Toronto, Ont.

Toronto club 53 gathered on October 6, for the October meeting of the club.

Membership was indeed pleased that Snark Of The Universe Bob VanEvery was able to be present at this meeting. It was one of Snark Bob's earliest club visits following elevation to his new position at the international convention in Atlanta, in September.

All kinds of plans had been laid on to greet the snark of the universe at Toronto international airport and escort him to the meeting location at the Ascot 27 Hotel. Unfortunately the government employees wouldn't cooperate with the laid plans because of a strike situation and caused Toronto International airport to be closed. Not to be outdone by such a minor detail, Snark VanEvery jumped in his car at the Detroit Metropolitan Airport and drove non-stop to Toronto to be there in time for the meeting. His only comment was, "It was a long Runway".

The Toronto club was pleased to welcome snark VanEvery and words of greeting were extended to Toronto president, Les McKimmie.

A concat was held following dinner under the capable direction of Rick Wozny who headed up the degree team.

Club President Les McKimmie addresses the large gathering.

Before the Concat (L to R) Grant Hicks, President Les MacKimmie, George Pletch and Jake Playford.

Greetings to Toronto from Snark Bob VanEvery. John Hickey, Rameses No. 56 on the left and President Les McKimmie on the right.

There are lots of big social events planned in the Toronto club for the balance of this year with the upcoming woodchoppers ball on November the 22nd, and our annual Xmas evening in December in conjunction with the

Sacramento
Club No. 109
Sacramento, Calif.

The Sacramento Hoo-Hoo held a Concat and past Presidents Night on November 11th in the Camellia Room of the Tuesday Club in Sacramento. We had a good degree team consisting of Bernie Barber, Brent Crosby, Bert LeBeck, Past president Dick Kidder, Fred Long, Wayne Mercer, Mickey Smolich, M. Cecchettini, Bob Creasy and

wholesale lumber dealers. Toronto members were pleased to welcome Bob VanEvery and Bob extended a warm invitation to those who were able to come down to the Detroit club for their annual Xmas party.

Erwin Berke. They all did a great job in bringing another 11 new members into our great Order.

New Members were glad when the tests were over, but all came through the ordeal none the worse for wear.

Our Club Past Presidents were out in pretty good numbers and Fred Long picked out the lucky number and won the first door prize amidst an uproar. Door prizes were also won by Bert LeBeck and two of the new members.

Program chairman Cecchettini did a fine job and his co-chairman, John Hunt, came through with some new twists for the kittens. Host for the evening were Auburn Lumber Co., Barkwood Salvage, Berke Door Co., and Bob-Leon Plastics.

Our annual dinner dance is planned for February 21st at the Sacramento Inn with a great dance band. Call your club officers for more details - all are welcome.

The Sacramento Club's Degree Team looks pleased with itself.

Now that we are talking about the Sacramento Club, it might be well to mention one of our club's most active members, Lorin M. Swift L-34021. Lorin joined Hoo-Hoo in 1922 and has attended almost all of our International Conventions in recent years. For at least the past three years he has had the lowest Hoo-Hoo number of any member attending the convention.

But his history goes back further than that. His actual

Standing - S-9 Bernie Barber and Deputy S-9 Brent Crosby. Seated - Past President Bob Creasy and Wayne Mercer. Two smiles out of four ain't bad!

work experience in lumber industry goes all the way back to 1905 when he was employed by Hihn-Hammond Lumber Company in Santa Cruz, California.

The year 1922 was a great year for Mr. Swift. He was with the Rosenberg Lumber Company at the time, but in 1922 he bought a piano for his wife, his son Lorin D. was born, and he joined Hoo-Hoo. All in one Year!

Some of the highlights of his long career in the industry include riding the cow-catcher on the Nevada-California-Oregon Railroad with a bucket of sand. The sand was to throw on the tracks for better traction in the winter.

Club President Bruce Stevenson shakes hands with Lorin Swift.

In 1918 he joined the 319th Engineers and was later discharged at Waco, Texas. He recalls 1912 when he worked for the California Door Company - horrendous hours and only received \$70 per month. Then in 1919 he was in Phoenix doing vacation relief work in 12 different yards and lived on overripe canteloups from the ice house!

What stories he can tell! Right now, however, he is enjoying full retirement and lives with his son, Lorin D. Swift and his family at 5845 Mark Twain Ave., Sacramento, CA 95820. If any old timers out there want to contact him, he will look forward to hearing from you. At the age of 90 years he attends all local Hoo-Hoo Club meetings and the Hoo-Hoo International Conventions.

Jim Taylor, to celebrate their Charter meeting.

The Club organizers launched the Auckland Club with a grand banquet and an over-abundance of New Zealand Hospitality, which augurs well for a most successful future for Hoo-Hoo, both in Auckland and other parts of the "Land of the Long White Cloud."

Jurisdiction IV always has its own "convention" in October of each year. In 1980 it was held in Hobart. The Hobart club was most generous and hospitable, but the "Apple Island" got a lot

**Hoo-Hoo Flag
Now Ready!**

A few short weeks ago Mrs. Betty Jones, wife of Jimmy Jones, Rameses No. 72, designed a flag specifically for Hoo-Hoo International. The model was made up and displayed in Atlanta, Georgia at our last convention. It went over very well, and so Hoo-Hoo International purchased some to be kept in stock here at the Norwood Business Office.

The flag is cloth - 3 feet by 5 feet - with a bright orange background. In the center is a large white circle with a fierce black cat in the center of the circle.

It has grommets making it easy to display, and is available from

the International office at 1420 Providence Highway, Norwood, Mass. 02062. The price is \$50 each. U. S. funds delivered in the U. S. and Canada only. Outside North America add appropriate postage.

**"HOW TO
RAISE KITTENS"**

Give them something to do during their first year in Hoo-Hoo. This will help them feel that they are a part of our organization.

Have the kitten understand that the initiation is merely the first part of his becoming a member. The second part is serving his "kittyship", much the same as a doctor serves an internship for a year or two following his graduation. During their "kittyship" a kitten can and should be asked to do certain things for the club. Examples are selling raffle tickets, writing a news release, picking up another member for his meeting and most important of all, signing up two additional members during his "kittyship".

Put the kittens on your meeting call list. Assign members to each kitten to call for each meeting thereby affording the kitten the opportunity to meet other members in his club.

Most important of all, keep introducing yourself to new kittens so that they continue to feel important to your club. Ask a kitten to sit next to you at your next meeting. Better yet, bring a kitten to your next meeting.

The second part is serving his "kittyship", much the same as a doctor serves an internship for a year or two following his graduation. During their "kittyship" a kitten can and should be asked to do certain things for the club. Examples are selling raffle tickets, writing a news release, picking up another member for his meeting and most important of all, signing up two additional members during his "kittyship".

Put the kittens on your meeting call list. Assign members to each kitten to call for each meeting thereby affording the kitten the opportunity to meet other members in his club.

Most important of all, keep introducing yourself to new kittens so that they continue to feel important to your club. Ask a kitten to sit next to you at your next meeting. Better yet, bring a kitten to your next meeting.

great fun night with President Iverson presiding. This meeting was preceeded by a new event by our club. "The Great Hoo-Hoo shoot-out" at the Moose Gun Club. Our member organizer, Dave Smailes 86435, had 35 trap shooters out blazing away.

1st place trophy to Jim Reece 78886, 2nd place trophy to Sam Forrester 85943. There were many other fine marksmen among the group that enjoyed the outing. Past president Gil Emory won the booby prize. At the evening meeting 20 frozen turkeys and the live gobbler were awarded by Hoo-Hoo number drawing. Mr. Bruce Johnson was guest speaker and presented "Home Builders Trip to Washington D.C." There were no awards given for "Best Story". The annual Christmas Party was attended by over 300 members, wives, and guests. Chairman Cliff Barlament 79080 made all the arrangements with the Everett Yacht Club and provided corsages for the ladies. With all the excitement things really went of very well. Beautiful ladies, good food, loud music, and lots of good friends. Santa Claus came to town and singers gave the Christmas songs their best.

Bob Byers took the photos, Dave White, and C Crukshank plus wives helped at the door. Gil Emory was a hit as Santa Claus and Gordon Loth and his friendly accordionist made with the seasons songs. Great evening for our Hoo-Hoo friends.

Los Angeles Hoo-Hoo Club members, Ken Coleman, Chuck Lember and Mike Walsh presented and educational program on Lumber to the Architectural Class at Mt. San Antonio College in Walnut, Calif., during National Forest Products Week.

Ken Coleman received a request from student, Lori Robertson of Mr. James Freeman's class to talk about lumber and Ken gathered his fellow Hoo-Hoo to present a diversified program.

Mike Walsh spoke on Construction Lumber, Chuck Lember spoke on Redwood and Ken Coleman acquired samples of Douglas Fir, White Fir, Pine and Redwood and brochures from Capital Lumber Company, Chino; Weyerhaeuser Co., Los Angeles; and Simpson Building Supply of Cerritos, all of which were left with the class for future reference.

Even though very little time was allowed for preparation, the Hoo-Hoo were able to present a very informative program which was so well received that the instructor extended the time

Two days later he was in Manchester, New Hampshire for the Granite State Hoo-Hoo Club's Annual Christmas party. The Los Angeles Hoo-Hoo Club No. 2 has thoughts of compiling records and data for publishing a book about the Lumber Industry in Southern California. To accomplish this end, the club held an "Artifacts Night" recently at the Hyatt House, City of industry, California, and all members were asked to take along something to include in the book.

Chuck Lember 52005, was given the floor to make a presentation on the possibility of having a Forestry Center in Southern California's El Dorado Park in Long Beach. The park has set aside 5½ acres for planting a stand of trees including Redwood, Douglas Fir, Pine, Etc. Chuck has an appointment with the Park Officials to discuss this possibility, so there would be some capital to work with for stationery, etc.

At the present time, Chuck is Chairman, President, Vice President and Secretary/Treasurer of this project, but if this takes hold, we will have a complete Board of Directors.

Doug Willis, Club President, was the program chairman.

Walt Whitman

Club No. 171

Camden, N.J.

The Walt Whitman Club held their first meeting of the year at the Woodbine Inn, Pennsauken, N.J. with 50 members in attendance. We enjoyed an hour of adjustment which was followed by a fine gourmet feast, the best in South Jersey.

After the dinner we held Concat and initiated six new members into our Order, and then we had another hour of adjustment.

Ralph Dages, Club Secretary/Treasurer announced his retirement from the lumber industry effective October 31, 1980. Ralph has been with MacMillan-Bloedel Building Materials for the last eighteen years, and prior to that he was with Dant & Russel and Shepard and Morse Lumber Company for another 13 years.

Ralph will be working part time for the Parkway Travel Agency in Philadelphia. In the past he has planned many trips for customers to Las Vegas, Hawaii, and various Hoo-Hoo conventions in Phoenix. Albuquerque, Vancouver, Portland, Ore., etc. He has also planned several trips to the "Oktoberfest" in Munich, Germany.

The Walt Whitman Hoo-Hoo Club No. 171 held its November meeting at the Woodbine Inn, Pennsauken, N.J., and we had an hour of adjustment followed by a gourmet feast. Club President, **Bob Collins 82630**, presided over the meeting and announced that once again we would like to have a vote to make a donation for Christmas presents and toys for the children at the State Homes in Woodbine and Vineland, N.J. The affirmative vote was unanimous. We all agreed, too, as we did last year, to give a check in the amount of \$400 to "Operations Santa Lift" sponsored by the U.S. Naval Reserve in Lakehurst, N.J. Club Secretary/Treasurer **Ralph Dages L-63070**, said he would mail a check immediately.

We also voted to have a combined Dinner Meeting in December with the Lakeland and Garden State Hoo-Hoo Clubs. Club President **Bob Collins** was elected to handle all the details.

And so on December 9th, 1980, The Walt Whitman Club, Lakeland and Garden State Clubs had a joint dinner at the Renaissance Restaurant in Hopewell, N.J. in honor and for presence of **Robert VanEvery L-73186**, Snark of the Universe, Dick Mullen, S-9 of Jurisdiction I, and Chairman of the Board, **James A. Jones** and his wife, Betty. The meeting was well attended by all three clubs. The weather was not too good, but the libation period, excellent full course dinner, great fellowship, etc. made up for the poor weather.

Tony Veneziale 82639, and **Frank Panna, Jr. 84396**, were the winners of the Free Dinner and 50/50 respectively, and both are members of the Walt Whitman Club. They are always lucky!

Snark VanEvery gave a nice after dinner message on the importance of the club officers to their clubs. He thanked everyone for coming and thanked the Walt Whitman Club for picking him and **Dick Mullen** up at the airport in Philadelphia and making the travel arrangements to Hopewell.

At the Walt Whitman Club's September Conca, the degree team consisted of **Howard Teall, Len Zeitz, Frank Dalinsky, Irv. Sherman, Bill Collier, Bob Collins, Ralph Dages, Frank Panna, Jr., Pete Shearer III and Gordon Prichard.**

It was a swell evening and we are proud to have been able to attend.

President **Bob Collins** should be commended for making the necessary arrangements at the Renaissance Restaurant - it was his choice and it was a fine one.

All the members of the three clubs participating agreed that we should do this every year.

Bob VanEvery, (second from left) poses with some of the New Jersey Hoo-Hoo Members.

The New Jersey Clubs planned it. Four dignitaries attending were **Wade Cory, Rameses No. 62; Bob VanEvery, Snark; Jimmy Jones, Rameses No. 72; Dick Mullen, S-9 for Jurisdiction I.**

The booth was set up by the aforementioned Hoo-Hoo members and manned by them plus **Rameses No. 50, Al Blair, Dale Harter, John Howard, Bill Glindeman and Steve Page.**

Many Hoo-Hoo applications were handed out. We signed up one member for the N. W. Montana Hoo-Hoo Club and three new members for our Club No. 16.

Among many visitors to our booth was Life Member **Emanuel Frits L-32873**, who advised us that he is 94 - years old. He was particularly pleased to co-sign as a sponsor the application for his friend, **Ted Slocum.**

WHERE IT'S AT!!

If you don't already know, the site of the 1981 International Hoo-Hoo Convention will be the Houston Oaks Hotel in Houston, Texas.

As you can see by the sketch below, the hotel is in the midst of everything to see and do.

The Houston Oaks Hotel has been a favorite in the hearts of Houstonians and travelers for over seven years. The Houston Oaks is a perfect balance of friendliness and comfort with 400 of the largest guest rooms and suites in Houston. All have oversize beds, full-length windows, balconies, views and special appointments, and just steps away a magnificent swimming pool and patio.

You'll discover delicious food and atmosphere in all five restaurants in the Savory Room to a light tea break at the Sidewalk Cafe.

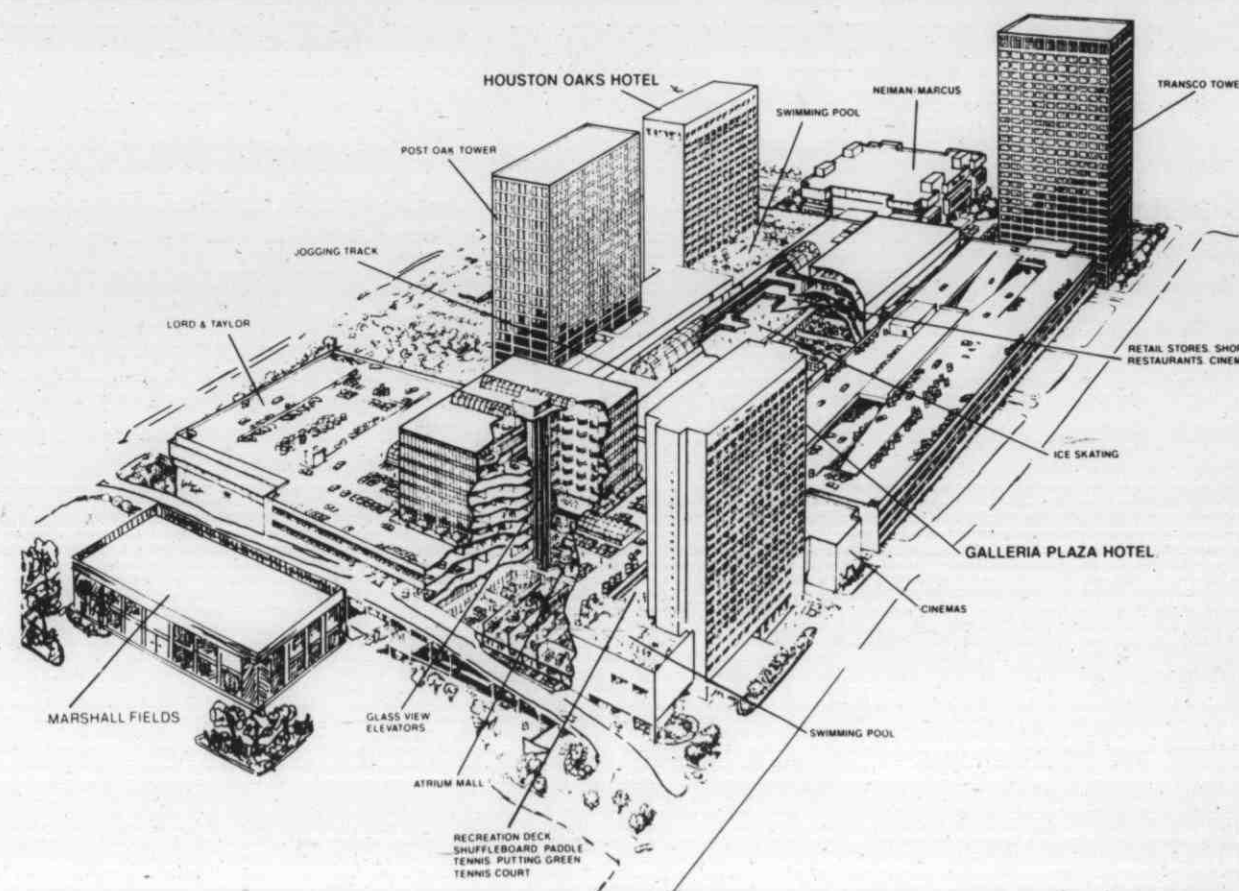

Not the least of Houston Oaks' charm is the fact that it's part of the glamorous Galleria in the heart of Houston's Magic Circle. Enclosed by a uniquely designed glass ceiling and climate-controlled for year-round comfort, this elegant shopping and entertainment center houses an Olympic-size ice skating rink and the most glamorous collection of shops in the world - including Neiman-Marcus,

Tiffany, Lord & Taylor, W. & J. Sloan - many businesses, personal services, boutiques, theaters and restaurants. And right across the street, there's Saks Fifth Avenue and Sakowitz.

The Galleria

A place unlike any in the world an American Galleria. Created in the tradition of the covered streets of Europe and Galleria, Houston, embraces you with sound, color, movement. The new game is Galleria - going. Everyone's skating. Dating. Walking. Talking. Shopping. Restaurant hopping. Finding. And unwinding under the Galleria's sparkling European glass dome ceiling. This is the place to meet, to shop, to walk, and be entertained, the Galleria is reminiscent of the market place of old. Here, porticoed shops on balconies beckon shoppers through unusual doorways. There are varieties of restaurants, boutiques and furniture stores, shops, art galleries, and fashion stores for men and women.

Shopping Hours: 10:00 a.m. 'til 9 p.m. Monday thru Friday. 10:00 a.m. 'til 6:00 p.m. Saturday.
