The scene on our front cover may be accurately described as awe inspiring. We requested some explanation of the procedure and some information on the dimensions of the entire pile of logs — this is only a small segment of the total display which is beautiful in the sunshine. The ownership is Anthony Timberlands of Beirne, Arkansas, which is about six miles from the Gurdon Headquarters. The following was received from Mike McQueen, manager of the mill:

"The ice covered logs are a portion of over 10 million feet of hardwood logs in storage at Anthony Timberlands, sawmill and chipmill, located in Beirne, Arkansas. The highest quality hardwood in this area is recovered from low lying

bottom land along rivers and creeks. Due to the extremely wet logging conditions, most of the hardwood log inventory must be cut and stored at the mill during the usually drier months of June through October.

"The logs are delivered to the mill by truck and stacked in numerous log runs over 40' high and over 500' long. In order to protect the quality mixed specie hardwood logs from insect and stain damage, water is constantly sprayed on the logs via a large irrigation system with over 300 hp of water pumps supplying the pressure. At this particular mill the log inventory has been turned yearly, but with constant water coverage logs can be kept in storage for years with no damage. When the temperature dips into the teens and single digits, as it did in much of the south this year, the result of a log water sprinkling system is the winter beauty shown in the photograph.

"The Anthony Timberlands plant, located just outside of Gurdon, Arkansas, utilizes quality hardwood logs and tree length hardwood pulpwood to produce hardwood, lumber, cants, crossties, chips, and waste fuel."

"For camera buffs, the picture was taken in full early morning sun with an fstop of f8 at infinity, distance about 35 feet, 35mm Cannon. The developed print was blown up to 250 percent.

## Hoo-Hoo Members of the Third Kind

### Memo From the Snark:

Recently I was having lunch in a local cafeteria, along with a friend who is not eligible to be a Hoo-Hoo member. I looked up and saw Leonard walking through with his tray and I asked him to join our table. He started the conversation with, "Dick, I understand you have been honored with the position of Snark of the Universe, congratulations." My friend then said to him, "You seem to know something of Dick's organization, are you a member?" "Yes," he said, "I have been a member since 1957 and my father was a member before me." He went on to tell us about many things that had happened to him through Hoo-Hoo. He spoke very fondly about the Fraternity and it puzzled me that I had not seen him at any of our club meetings. I went to my office and looked up his record. He had not attended a meeting in 5 years. He had not paid his dues in 6 years. I asked myself, "What kind of member is he?" He says he is a member to my friend, he is proud of the organization, but, he pays no dues and attends no meetings.

During September while attending the Redwood Grove meeting in Eureka, several of us were gathered in a room at the Red Lion Inn. A stranger walked into the room and asked me, "Is this a Hoo-Hoo gathering?" I recognized the Hoo-Hoo emblem, he said. I asked him how it was that he recognized us. "I joined Hoo-Hoo many years ago," he said. I invited him to join our group and go with us to the Redwood Grove and I then asked him his Hoo-Hoo number. He went to his wallet, dug deep and produced his last paid Hoo-Hoo membership card. It was dated 1963.

During my travels over the country, it happens all the time. I meet a fellow who speaks fondly of us, but to find he is either a member of the first, the second or the third kind. I started to think, What kind of people do we have in Hoo-Hoo? My conclusion is that we have three kinds of members:

A Hoo-Hoo member of the THIRD kind: A person who has joined the fraternity out of curiosity, and after being accepted as a member, never finds his way to a Hoo-Hoo meeting again. He forgets our code of ethics, he did not hear the Nine points in the star of Hoo-Hoo. He repeated our oath but did not care much about its meaning. He asked the question, "What does Hoo-Hoo do for me?"

A Hoo-Hoo member of the SECOND kind: He is a member who attends when a Con-Cat takes place or when he knows the crowd is going to be large. He pays his dues, he likes to be seen with other people in the industry, he speaks the loudest, demands the most and contributes the least.

A Hoo-Hoo member of the FIRST kind: A Hoo-Hoo member who, at his first inception began to understand the lessons he heard in the conferring of the degrees. He understands the GOLDEN RULE and applies it to his life and industry. He begins to serve his club with faithfulness. He pays his obligation, accepts his assignments and may always be depended upon for work to be done. He is proud of his company, proud of the industry and without him our order would have long ago fallen into decay. Thank God we still have many, many members of the FIRST kind.

The Hoo-Hoo members of the third kind will not read this message. He did not pay his dues and does not receive a copy of this publication.

The Hoo-Hoo members of the Second kind will receive a copy of this Log & Tally but he will probably not read this message or catch its meaning. He too, is still asking the question, "What can Hoo-Hoo do for me?"

The Hoo-Hoo members of the FIRST kind will probably read this message. He will understand and pass along the meaning of what we are trying to say here, What am I, as a Hoo-Hoo member, doing to justify our Fraternity's existence?

Even as I write this report, I am preparing for my next trip.

After leaving Victoria, Roberta and I traveled south to

Eureka, California, for a visit to Hoo-Hoo's Redwood Grove. Then on to Napa, California, for a few days with Betty and Jim Jones. While there, as guests of this generous couple, we toured a winery and attended a meeting of Black Bart Club #181 and helped with the installation of officers. Thanks so much, Jim and Betty, for your kindness and hospitality.

October found me visiting my home club for their annual catfish fry and installation of officers.

In November Roberta and I started our annual trek to South Texas. We visited the Headquarters in Gurdon on the way down and while there varnished the front door of the Museum.

December 11, we ventured back to the cold northland to attend the Club #28 annual Christmas party. Again Bob VanEvery and Gordon Graham and families and officers of the club outdid themselves in the art of being great hosts. I joined Snark of the Universe Wilson, S IX Ken Hallgren and Fred Meyer, former S9 J II and Secretary of Rochester Club #184. Thanks to all for another festive occasion.

Enroute north to Detroit we again stopped and visited with Russ and Betty and wished them Christmas greetings. (Ed. note: With large bags of the most delicious pink-meat picked-off-the-tree grapefruit you can imagine. Thanks, Carle and Roberta.)

January, 1984, will find us again on tour and report on these will appear in next issue. Hoping all of you had the merriest of holidays; may 1984 be the best that you might hope for. Health, Happiness and Long Life.

**AL MEIER

2ND

PRESIDENT**

After attending another great and successful convention across Puget Sound in Victoria, Canada, we were very fortunate to entertain a group of Cats and

their wives from Australia along with many others from different parts of the USA, but most importantly, Snark Dick Wilson and his lovely wife, Fran.

We began Saturday afternoon by attending the University of Washington Huskies-Michigan football game. The Snark was fortunate enough to enter Husky Stadium amidst sirens and cheers riding in an open convertible surrounded by five beautiful cheerleaders.

The Huskies were able to show our Australian Brothers how easy it is for us Westerners to defeat such mediocre teams as Michigan.

Saturday night the Seattle and Tacoma-Olympia Clubs co-hosted a party for our many visiting members and wives. It was Hoo-Hoo fraternalism at its best!

The club members in the Pacific Northwest enjoyed all the visiting members from all over the world and we are looking forward to seeing each of you in a few years at the International Convention in Seattle.

I am looking forward to seeing all the international officers and visitors in Gurdon in mid-January.

Wishing you health, happiness and long life.

AL MEIER, 2nd Vice President, Hoo-Hoo International

## MAKE NOTE: JANUARY 10 RED LETTER DAY IN ST. LOUIS CLUB NO. 6

St. Louis leaders — in continuing enthusiastic and confident efforts to get St. Louis Club #6 active again — have arranged something special for January 10. It was "a cocktail party, a complete prime rib dinner, a meeting, a concat, and a welcoming affair."

Enroute to a meeting of the Board of Directors in Gurdon Headquarters the following and possibly others were expected to respond to the invitation: Snark of the Universe Richard W. Wilson L-51796; Chairman of the International Board Kevin F. Kelly L-75940, R. 75;

Joe Breeden L-82467, S9 J VII; Jim Jones L-72703, R. 72; Larn Champ L-75820, R. 70; Doug Howick L-80748 S9 J IV.

Eddie Leonard #74448, elected as President of the reactivated club, in a letter to all possible and potential members, made an important statement to all Hoo-Hoo clubs. He stated the importance of projects or objectives to provide a raison d'être for any healthy and viable Hoo-Hoo club. "Our club is not only a fun group. Our civic and charitable and educational contributions are a matter of

record with Boys' Town of Missouri, the Salvation Army, Red Cross, Variety Clubs International, St. Louis Children's Hospital, University of Missouri and others. No other wood products group handles this sort of thing. It ought to continue. St. Louis was the scene of the very first international convention 91 years ago.

George Mueth #53978, elected to serve as Secretary/Treasurer of the reactivated club and a leader in reactivation, writes, "We're holding the good thought until proven otherwise."

# INTERNATIONAL BOARD OF DIRECTORS VOTES DUES INCREASE, ELECTS JACOBSON SUPREME NINE, MAKES CHANGES IN L & T

**H**ISTORY was made in October, 1982, when for the first time the International Board of Directors met in its International Headquarters and within a few feet of the birthplace of the Fraternity. This history was repeated with emphasis in January, 1984. A conservative estimate is that eighty persons came from many states of the United States, Canada and Australia for the second meeting of the International Board in the city of its beginnings. Sixty-two persons signed the Guest Book but many attended whose names do not appear.

Meeting in the Board Room of a Gurdon Bank on the site where stood the old Hall Hotel in which the six Founders met on that significant day in 1892, the Board discussed many things and took actions significant to all of us. Among the more significant:

1. Increased — effective September, 1984 — the annual International Membership dues from \$14.99 to \$16.99. This will also automatically increase reinstatements from \$19.99 to 21.99 and the first payment for new members from \$24.99 to \$26.99 including the first year's dues and the \$10.00 initiation.

2. Elected Jack K. Jacobson of Vancouver Club #48 as Supreme Nine Representative from Jurisdiction V. He succeeds Keith Warren who resigned for business reasons.

3. Approved the report of an ad hoc committee — Messrs. Wilson, Barber and Breeden — significantly reducing the amount that may be paid for production of the *Log & Tally* and forcing it within the 1983-84 budget regardless of paper or typographic quality (page 40).

4. Approved the application of Hawaii Club #142 to host the 97th annual convention in Honolulu in September, 1989.

5. Heard reports from all parts of the Hoo-Hoo Universe, made appointments of committees and listened to words of wisdom from many individuals.

All members of the Boards — International and Museum — were present with the exception of the Supreme Nine Representative from Jurisdiction V, Canada. Chairman Kelly, Snark Wilson, Vice Presidents Hall and Meiers, and the Supreme Nines joined seven Rameses and other long-time Hoo-Hoo members in the deliberations.

Rameses present included: Ernie Wales L-45412, R. 50; Tom Partridge L-45201, R. 68; Edward Roche #62928, R. 61; Larn Champ L-75820, R. 70; James A. Jones L-72703, R. 72; Dan Brown L-74477, R. 74 and Kewing F. Kelly L-75940, R. 75, who is also Boards Chairman.

Arrivals began on Thursday with members and guests lodged at DeGray Lodge about 25 miles from Headquarters. Those present by Friday the 13th attended a special meeting of Gurdon Club #120 to eat saddle-blanket steaks and participate in a nine-kitten concat. Wives were dinner guests in the beautiful home of Mr. and Mrs. Charles Cabe.

On Saturday the Boards of Directors assembled in the Board Room of the First National Bank, courtesy of C. Louis Cabe, President. Following the meetings a beautiful buffet luncheon was served in the assembly room at Headquarters. Hostesses were: Mesdames Wilson, Breeden.

Saturday evening an outstanding farewell banquet and dance was a fitting climax to the International Fraternal experience. Sunday, January 15, was the day for departures to the places that "there's no place like \_\_\_\_\_."

Enroute to the meetings most of the high officials participated in reactivation meetings in St. Louis and Tulsa.

(1 to r) Kenneth Hallgren, S9 J II; Carle H. C. Hall, 1st Vice President; "Bill" Russell, former International Secy/Treas; Larn Champ, R. 70; Doug Howick, S9 J IV.

SEVEN RAMESES — Seated (1 to r) Roche, Kelly and Partridge. Standing (1 to r) Champ, Brown, Wales and Jones.

# Reports From Supreme Nine

## Jurisdiction II

I'm very sorry that I have been prevented by illness from doing the job I would like to do. I was in the hospital and recuperating at home for more than six weeks since the convention in September.

I want to thank especially two of the International officers: Phil Cox #77298 and Doug Howick L-80748. Phil is doing something about getting advertisements for the Log & Tally. Doug has sent many helpful pieces of information and its greatest objective is to help local clubs with their responsibilities. I hope one result will be new literature for potential kittens. We need to replace "Whence Came . . ." and to take giant strides toward better organized and more successful local clubs.

I also want to thank all officers and members who sent me "get well" cards and other forms of encouragement during my illness. I was in the University of Wisconsin Hospital for a kidney transplant. I was not able to keep the new kidney but — miracle of miracles — my own two kidneys are now functioning effectively. I think it may be that all of my friends have prayed for a miracle to relieve me of dialysis — and it happened!

Detroit No. 28's Christmas party on December 15 was my first club visit. Bob VanEvery, Gordon Graham, the new Club President Jim Niner and their wives and the officers and members of the club really made it a great occasion.

Certain events connected with the event were especially encouraging and pleasing:

The present of four members of Saginaw Valley Club #246 including Club President Thomas James #88078 and Secy/Treas Waldemar Homrich #88574. I was happy to have the opportunity to talk to them and arrange a club visit in February or March.

Lee Stacey #62560 chosen Hoo-Hoo of the Year for 1983. An excellent choice.

The presence of Fred Meyer #58954, former S9, JII, now Secretary of Rochester Club #184. He discussed the excellent progress of that club.

Deputy Supreme Nine Dave Long #79781 of Rochester Club #184 writes: He attended the Buffalo Club #71 Christmas party. That club has combined with the employees of Iroquois Millwork for several years for this special meeting. Club #71 is planning a Valentine dance in February and a Monte Carlo Night in March which I plan to attend.

I am looking forward to attending the midyear Board of Directors meeting in Gurdon and hope we get many problems discussed and solved. Dick Wilson assures me he is going to put a lot of effort into building up our membership and making us all proud of being members of the Hoo-Hoo Order. A wonderful 1984 and Health, Happiness and Long Life to all.

Sincerely and Fraternally,

KENNETH R. HALLGREN 66051, Supreme 9, JIII

## Jurisdiction IV

"The year of access" as I have called 1983-84, certainly started off with a whirl of activity. Our JIV Mini-Convention in Bright, Victoria hosted by our Northeast Victoria Hoo-Hoo Club #236 at the beginning of September, was followed by the International Convention in Victoria, British Columbia. In Canada I referred to the concept of "sister clubs" that had been suggested for Hoo-Hoo Clubs in different Jurisdictions and was delighted to announce that the first two clubs to initiate the arrangement were my own club, Melbourne #217 and Vancouver Club #48 in which I have so many good friends.

The Ballarat Bushfire Trust Fund, for the education of the children of two foresters who lost their lives in our tragic "Ash Wednesday" fires last year, has now been adopted as a Jurisdiction IV project. I have commended it to all our clubs as a worthy recipient for their charitable donations and I now invite every club and member in HHI to consider participation.

Thus far, I have been able to attend meetings of Perth Hoo-Hoo Club #240, Manjimup Hoo-Hoo Club #250, Melbourne Hoo-Hoo Club #217, Gippsland Hoo-Hoo Club #257, Mt. Gambier Hoo-Hoo Club #214, Launceston Forest Industries Club #239 and Ballarat Hoo-Hoo Club #256. In several cases my wife Barbara was able to share the visit and I was particularly pleased to be able to meet also with many Club Directors to discuss details of planning and management. Barbara and I took our holidays in January and included the HHI Board Meeting in Arkadelphia — a great experience! Back in JIV, preparations are now underway to reactivate Port Moresby Hoo-Hoo Club #253 in Papua New Guinea.

The Mount Gambier Timber Queen Ball in November was a great occasion for Hoo-Hoo and the timber industry in the Mount Gambier area. With more than 450 people in attendance and an extremely well run programme, it was a great credit to Club President David Douglas and to Principal Organizer Russell Hay and his Ball Committee.

With the expansion of JIV and the formation of several clubs in recent years, some club officers may not have long experience in Hoo-Hoo and may not be totally familiar with interactions and operations within their club and within the Jurisdiction, nor with the relationship of both to Hoo-Hoo International. We have thus prepared a draft preliminary Guide to JIV Club operations for use in conjunction with the HHI Operations Manual. Copies have been widely circulated for comment and it is hoped to finalize the Guide by next September.

We look forward to the probability of a visit from Snark Dick Wilson and Fran to JIV during 1984. I also extend a welcome invitation to any Hoo-Hoo member who may be planning a visit to the South Pacific.

DOUG HOWICK L-80748, Supreme Nine, JIV

## Jurisdiction VI

It was a great pleasure to attend the International Convention in Victoria B.C. Many thanks to Doug Donald, Fred Frudd and all the members and wives who did such an excellent job of making us feel at home in their beautiful city and countryside.

After convention we travelled down to Seattle for the weekend and while there attended the Tacoma Olympia Club #89 special meeting staged by our new 2nd VP, Big Al Meir. This was a great social meeting, set up to honor the Australians, but with heavy attendance from other Hoo Hoo who had attended the convention.

Next stop was Eureka, which was the crowing point of this trip for me. I finally got to visit the Hoo Hoo Redwood Grove. Eureka president, Bill Scott took some of us in his van and led the parade of Hoo Hoo north to the Redwood Grove. It was a beautiful sunny day . . . just perfect weather. Many thanks to all the crew who cleared the path so we could all walk down thru the redwoods.

Dolores and I then traveled down the "Avenue of the Giants" another first for us and we really enjoyed it . . . then the Skunk Train to Fort Bragg and on to Napa to deliver Kevin's elusive Brass Cat before returning home.

On October 14th, I had the pleasure of escorting our Ausie Friend, Brian Tutton to the L.A. Club #2 meeting at Los Coyotues in Brea. There was a good turnout for this first meeting of the 1983-84 Hoo Hoo year.

Last but not least all Jurisdiction VI State Deputy Supreme Nine members have been selected and notified.

Health — Happiness — Long Life and a Happy 1984.

Fraternally,

Ken Coleman 71801  
Supreme Nine Jurisdiction VI

## Jurisdiction VII

I hope that this issue of the Log & Tally has found everyone in J VII enjoying a happy & prosperous New Year.

While I have been a little slow getting started in my new position with HHI, there have been several members of Jurisdiction VII working like Trojans. Many thanks from this S-9 to Larrn Champ of the Wichita Club who has done so much to get the Tulsa Club kicked off. Also thanks goes to George Mueth of the St. Louis Club for his great efforts in getting his club off of the inactive list and back in the main stream of HHI. We will be looking for great things from these reactivated clubs in the near future.

Past S-9 member E. Z. Hunt and I visited with Dr. Kent Adair of Stephen F. Austin State University and presented him with another scholarship check from Lufkin Club #135.

I have only been able to meet with the Dallas, Tulsa, St. Louis & Gurdon Clubs so far, but, the spring will find me in Kansas and hopefully Memphis, Tennessee.

Fraternally,  
JOE H. BREEDEN, L-82467, Supreme 9, J VII

### AN URGENT REQUEST TO REPORTERS

Significant restraints have been placed on the Log & Tally in amount of space and in selection of material. No club can be allotted more than one page and the number of pictures must be limited. Therefore, Reporters, please help — observe deadlines, do not send us fifty pictures if we can only use three, help us make the Log & Tally a good newsletter despite restrictions.

## Jurisdiction VIII

Thanks Fred Ervell, Victoria Club #183 and all the good people in Jurisdiction V, for a great International Convention.

Twin Cities Club #12 has been meeting many times getting ready for the 1985 International Convention. Tom Partridge Rameses #68 and myself have been giving the Committee Reports about what the Victoria Club #183 did at their convention. Cliff Taylor of Minneapolis, a Past Supreme Nine Member from J-VIII will be the Convention Chairman.

Central Minnesota Club #91 had a Concat on November 2nd, in Owatonna, Minnesota. They had two kittens. We had a nice dinner and a good evening of fellowship.

Twin Cities Club #12 had a Concat on November 16th in St. Paul, Minnesota. We had over a hundred members in

attendance. Sixteen new Kittens were put to the tests.

On November 19th, my wife Jeanette and I attended a Ladies' Appreciation Night in Sioux Falls South Dakota. Sioux Valley Club #118 went all out for the ladies with a great meal, good dance music and an auction that everyone enjoyed. Jack Sluiter, the Auctioneer did a good job of selling all the gifts and emptying all the wallets at the party. Thanks to Norm Ekelund and Steve Sprenger, we all had a nice night.

Health, Happiness, and Long Life.

Fraternally,

GEORGE OLSEN #69342, Supreme Nine, J VIII

## Jurisdiction IX

The first quarter of the new Hoo-Hoo year was most eventful for this new member of the Supreme Nine. On October 17th Sylvia and I had the pleasure of travelling to Atlanta

to attend a cocktail party and reception for our own new Snark of the Universe Dick Wilson and Fran. A proud moment for the first club in Hoo-Hoo and our Jurisdiction IX.

On November 8 I attended a combined meeting of Florida Lumber Dealers Association and Tampa/St. Petersburg #225 in Tampa. A delightful lady, who is the coordinator for the city for the Super Bowl, entertained us with the mind-boggling details that go into an event of this proportion.

For the next six weeks I'm afraid that I left Jurisdiction IX in total neglect while Sylvia and I returned to Australia. We did not lose an opportunity to increase our ever-widening number of Hoo-Hoo friends. We spent Thanksgiving with Jim L-72703 R. 72 and Betty Jones in the Napa Valley and had a great time. Also visited Ham (Ahlo 79919) and his lovely wife Virginia in Honolulu.

On arriving in Melbourne we were greeted by Kevin Kelly L-75940 R. 75. In the course of the next few days we attended the Board of Directors meeting of Melbourne 217 and their Christmas dinner-dance where we were heartily welcomed.

Kevin also introduced me to "Berwick Cultural Center" which most people would call a pub and we enjoyed it, too.

For the privileged few who have visited Dick and Diana Campbell at their home "Gurdon" at Woy Woy, the hospitality needs no description. It is fifty miles north of Sydney near the beautiful Hawkesbury River system. We visited Dick and Diana no less than three times — one occasion being a picnic day especially for Rameses Bill Bader L-75318 R. 69, his family and Sylvia and me. Members from Sydney and Newcastle clubs attended as well as Kevin Kelly from Melbourne.

We flew to Brisbane, capital city of the state of Queensland, and were treated royally by Bill Phillip #84008 and Worrall McCarthy #86521 of Brisbane #218. We also had the pleasure of meeting a large number of members of the Brisbane Club at their annual Christmas bar-b-que.

I hope that I live long enough to be able to return the hospitality and kindnesses we received on this trip.

I will be in Arkansas at our annual Hoo-Hoo International Board meeting January 12 through 15th. Of interest to our Jurisdiction will be the decisions made at the Board meeting concerning the quality and size of this magazine.

On February 9th I will be visiting Hampton Roads Club 154 for their concat and on February 14th I will be visiting the Miami Club. This leaves Fort Myers Royal Palm #202 for the very near future. Two years ago, I attended their concat — a great bunch of guys and a solid club — see you soon!

Orlando has a concat in March and we are putting out feelers to rejuvenate Jacksonville this year. A good buddy from the Orlando Club — Buell Sawyer #75912 — is planting the seed in Augusta, Georgia. We should have plenty of help if we can get them off the ground.

## THE REACTIVATION OF TULSA CLUB #27

By LAURN AND MAXENE CHAMP

Tulsa Hoo-Hoo Club #27 has been reborn.

The club that was chartered in 1924, for many years was "in recess", has been reactivated as Green Country Tulsa Hoo-Hoo Club #27. Due to the efforts, interest, and energy of young Oklahoma lumbermen, this became a reality on January 16. Paul Pixley, Clark Weins, Dave Bond and Larry Curd — with the help and guidance of Laurn Champ L-75820, R. 70 — made all of this possible. Laurn is also Regional Manager of Mid-America Lumbermen's Association and calls on these lumbermen in Green Country. Executive Vice President Bob John and John Collins, president of Mid-America Lumbermen's Association were also instrumental in the reactivation.

As part of the reactivation session a concatenation in Tulsa enlightened twenty-one kittens and a host of reinstatements were received. Some kind of record must have been established with ten of the fourteen International Hoo-Hoo Board members present, four Rameses and many other distinguished guests.

Present to support and lend enthusiasm to the occasion were: Snark of the Universe Dick Wilson, Chairman of the Board Kevin F. Kelly, R. 76, 1st Vice President Carle H. C. Hall, 2nd Vice President Al Meier. Also Supreme Nines Joe Breeden J VII, Phil Cocks J IX, Ken Hallgren J II, Ken Coleman J VI, Doug Howick J IV. Rameses present were: Dave Marteney R 67, Laurn Champ R 70, and Jim Jones R 72. Other guests included Bill Russell, Ross Hunnicut, Dick Wilkerson, and Kent Vice Directors of MLA attending: Executive Vice President Bob John, President John Collins, Grady Allie, John Garrett, and Paul Pixley.

Donna Weins and Janet Bond of Tulsa were gracious hostesses and took the International Hoo-Hoo Ladies to the Petroleum Club for a lovely dinner.

Congratulations, welcome and best wishes for a very successful Green Country Tulsa Club #27 — Health, Happiness and Long Life.

### MEMPHIS CLUB ELECTS HAS GOLF TOURNAMENT

Memphis Club #92 had its annual golf tournament and banquet on the 18th of October at the Windyke Country Club. There was a splendid turnout of Members and their wives. Unfortunately it was not possible to have a concatenation; however, it is hoped that one will materialize in the near future.

Elections were held at the banquet that followed the tournament with the following Officers and Directors chosen for the 1983-84 year: Ron Carlson #84048, President; Bill Decker #88516, Vice President; Tom Merriam #86604, Secretary/Treasurer; Directors for 1983-84: Tom Herga #89062, Steve Betz #88515, and Gary Dixon #83241.

### ART TULLY, CONSULTANT FASCINATING SPEAKER TO N. ILLINOIS #139

Northern Illinois Club #139 presented an unusually fascinating guest speaker in its meeting of January 26. Art Tully may be listed as Manager, Engineer, Writer, Speaker and Consultant. He has worked for such companies as Bell & Howell, Barber Colman, North American, Phillips and others.

The insights gained from his years of consulting are discussed in such a way to show practical ways of dealing with change while avoiding "the pitfalls."

The meeting, at the Cloven Hoof Restaurant, Morengo, followed the format: Attitude Adjustment, a concat, roast beef and/or pork dinner, with Mr. Tully's presentation at 8:29.

### CLUB 183 IN HIGH GEAR AFTER THE CONVENTION

No, our club did not sigh and die after the great effort everybody put into hosting the 91st convention, the Reporter for Club #183 writes. On the whole it was a great experience and to our surprise we had a lot of fun doing it.

After the convention we got into gear to put our efforts on our annual Fund Raising dinner October 28 at the Princess Mary Restaurant. The event was a huge success. We have had the dinner for twenty-five years or so and it is still our main fund raiser for the year.

On December 16 we had our Christmas cocktail party at my home for the second year. Everyone had a great time. What a nice way to end the year.

Our stag nite is set for February. — Rob Robinson #68558, Reporter.

## Central Florida Hoo-Hoo Club 115 Enjoys Phenomenal Growth; Plans Big for 1988

Club #115 of the Orlando, Florida, area has seen another year of unprecedented growth. The club secretary sent out 236 notices of the last meeting and frequently has attendance in excess of eighty members and guests.

Everyone here is excited about the 1988 convention scheduled for the Orlando area. Plans are already underway to ensure an outstanding Hoo-Hoo International meeting here. We thank the Board of Directors of International Hoo-Hoo for having the confidence to accept our invitation.

It is regrettable that our state Lumber Dealers' convention conflicts with the Hoo-Hoo convention. However, Phil and Sylvia Cocks, and Buddy and Alice Kummer did make it and had a great time in Victoria.

Club #115, with financial support from the other three Florida clubs, organized and ran the golf tournament for the Lumber Dealers' convention. This was no small task as a record number of

participants were involved, necessitating the use of two courses — Arnold Palmer's Bay Hill Club and the beautiful Cypress Creek course. This required additional scheduling and planning.

The all-Florida concat netted eighteen kittens for Club #115. All other clubs in the state also gained new members.

Dykes Industries prepared the food for October's meeting — steak and shrimp. What a feast!

Denzil Simmons is the 1983-84 President of Club #115. He is organizing the fall tournament at West Orange Country Club. The tournament is limited to forty-four participants and is always fully subscribed.

Club 115 is indebted to all those companies who unselfishly give their time, efforts and money to ensure that the members have a good meal each meeting. In particular we wish to thank Harry Ardian who not only cooks at every meeting but provided the barbecue pit

## FIREHOUSE DINNER THEATRE IS UNIQUE PROGRAM, OMAHA #124

Dinner theatre, an excellent idea for an evening's program for Ladies' Night or a similar meeting, is becoming available in more and more locations. Taking advantage of the fact that it is available in Omaha, Club 124 adopted the mechanism for a very successful meeting on December 7.

The Firehouse Dinner Theatre play was "They're Playing Our Song." In the opinion of Reporter Homer H. Hahn the play was "excellently done." It provided a most enjoyable evening's entertainment.

Twenty-six members and wives and guests attended and enjoyed. Robert Braun #81112 made the arrangements for the meeting. — Homer H. Hahn 55213, Reporter.

## Hoo-Hoo Lumberman Joseph A. Braun #29166 Reaches Magic Age of a Century

Joseph A. Braun #29166, who until a few years ago was for many years an active member of Detroit Club #28, reached the magic milestone — one century in age — on December 11. He entered the Hoo-Hoo fraternity in concat No. 1978 on February 2, 1916, in Grand Rapids, Michigan. Mr. Braun was born December 11, 1883, in Royal Oak, Michigan; he retired some years ago as president and general manager of Braun Lumber Company.

Joseph's son, Joseph, Jr. #53379, and his nephew Louis A. 53868 are active members of Detroit #28. Another son Philip #53378 is a past President of San Diego Club #3 and an active member of that club. He came to Detroit for parties honoring his father's 100th birthday and attended the Christmas party of Detroit #28.

The following article by Staff Writer Eleanor Breitmeyer appeared in the Detroit News on December 18:

When lumberman Joseph A. Braun was 90, he announced to a friend that he was going to refurbish his home, the oldest in Bloomfield Hills, because he figured he'd be around for another 10 years.

Braun reached that goal, celebrating his 100th birthday last Sunday at two parties, a dinner attended by four of his six children, followed by a reception for a host of relatives and friends.

"I've had a wonderful and beautiful life. I'm still in circulation. Why, I think I could still ride a horse," declared the centenarian. He attributes his good health to "moderation in everything I do. I get eight hours of sleep a night. You can't make up lost sleep."

Braun, who has lived his entire life in Oakland County, opened Braun Lumber Co. on Woodward Avenue in Highland Park. His next-door neighbor was Henry Ford. The two remained lifelong friends, with Braun and his wife belonging to Ford's dancing class and going to his home for square dance parties.

### A Nomination — BRENT CROSBY #77009

At the November 2, 1983 Board of Directors' Meeting of Oakland, California Club #39, a motion was made and seconded that Club #39 place the name of Brent Crosby, 77009, in nomination for the office of Supreme Nine Representative for Jurisdiction VI for the two-year term starting in September, 1984.

Brent was the president of the Sacramento, California Hoo-Hoo Club #39 in 1974-75 and he has just completed the term as president of the Oakland, California Hoo-Hoo Club #39 for 1982-83. He also has been Deputy Supreme Nine for Jurisdiction VI for the past eight years. Club #39 made Brent the recipient of the "Larry Owen Memorial Award" as "Lumberman of the Year" in 1981.

I believe the above outlines Brent's dedication to Hoo Hoo over the years and he will show the same enthusiasm as Supreme Nine for Jurisdiction VI.

## Zest for Living . . . Courage for Life's Difficulties

Vaughn H. Justus #50593, Rameses 59, died on November 8, 1983, in an Albuquerque hospital. He was 65 years of age, born August 6, 1918, in Dierks, Arkansas. He became a member of the Hoo-Hoo fraternity as a charter member of the Albuquerque Club #69 in concat #258A on August 7, 1948, and remained a member of Club #69 at his death. He and Peggy and family were residents of Albuquerque from 1946.

Rameses Justus was elevated to the supreme Hoo-Hoo International position as Snark of the Universe by the Diamond Jubilee 75th convention in Washington, D.C., in September, 1966. He had been Secretary of Central New Mexico #69 for ten years, served two years as Club President, two years as State Deputy Snark and two terms as Supreme Nine, JVI.

Active in the lumber business for more than thirty-five years he was sales manager for New Mexico Timber Company for thirty years. He also was employed during his long lumbering career by EPS Industries of Wichita, Dierks Lumber Company and others.

His tenure as Snark of the Universe was an eventful and significant period for the fraternity. Jurisdiction V, which hitherto had been composed of Canada, was expanded to encompass also Australia and the rapidly developing South Pacific. Snark Vaughn boasted in his memo that the jurisdiction was 6,822,800 square miles. Of course the jurisdiction lines were later redrawn.

Another significant event was the death of Seer of the House of Ancients C. D. LeMaster in March 11, 1967. Ben Springer L-34265 was installed to succeed LeMaster — the seventh Seer in the history of Hoo-Hoo. Shortly after LeMaster's death his widow sent a little statement she had found in LeMaster's papers which Vaughn Justus liked so well he reproduced it in his memo as representing the real spirit of Hoo-Hoo: "The soul of Hoo-Hoo is expressed in the smiling faces of its members, in the hearty handclasp, in willingness to serve and in a sympathy that is full and constant."

If any one word describes the life and philosophy of Vaughn Justus that word is optimism. The Lord blessed him with a beautiful temperament — optimistic, hopeful and courageous. The smile that was almost universal in his photographs was not posed, unnatural or temporary. It was natural, outgoing, fired and fed from within a real expression of fraternalism and concern for his fellow humans.

His children wrote in a memorial — "He served the Lord and lived his whole life with gladness. . . Those around him were unable to resist his infectious laugh. He taught us to be generous in spirit, to be happy, to have faith in ourselves." In a prayer in a meeting of the Hoo-Hoo International Board meeting in Flying Carpet Inn in Chicago in 1969 he prayed for "Zest for Living . . . Courage for Difficulties."

As he came to the end of his year as Snark of the Universe his parting message was on the nature and philosophy of the Order and the importance of its principles:

"I believe we have had a good year in the Order. But without the hard work of all the members, the success of the year would not have been possible.

"I believe that if every member would strive to live up to our code of ethics . . . a better, stronger lumber industry would result.

Vaughn H. Justus #50593, R. 59. This photo hangs in Rameses corner of the Museum. He made the frame from a piece of redwood from Redwood Grove.

"I firmly believe that our Founders' visions have been a reality and have become realities through all of the years. If Hoo-Hoo will never forget its foundations and principles it will always be a source of Health, Happiness and Long Life for its members and for our industry. The past year was one of my most rewarding years not only for me but for my family."

He traveled widely in the interest of Hoo-Hoo during his year as Snark, as most Snarks do. Vaughn's interest in Hoo-Hoo and its members did not end there; he remained active in his club and in other Hoo-Hoo projects. Several years ago he visited Gurdon during the opening of the Museum and impressed us all with his optimism and vision of the future of the order.

We publish his picture in the frame as it hangs in Rameses corner of the Museum. The frame itself has a Hoo-Hoo artifacts application. Jim Jones L-72703, R. 72 writes:

"I was shocked when Peggy called me with the news. Vaughn had been my friend for many years . . . The frame on Vaughn's Rameses picture is made from a piece of Redwood I picked up at the Hoo-Hoo Redwood Grove and gave to him. He made the frame."

The organizations in which he was active say a great deal about his humanitarianism and his zest for living: Albuquerque chapter of Boy Scout of America, United Methodist Church, Asthmatic Children's Hospital, Camping Committee for Handicapped Children, Masonic Lodge, Ballut Abyad Shrine Temple, Albuquerque TIP Club. In many of these he had held offices, served on governing boards and otherwise contributed.

He is survived by his wife, Peggy; a son, Eddie; two daughters, Mary Louise and Laura Justus McClure; a brother, Virgil and a sister, Cleo Justus.

### G. F. BONNINGTON L-31055

In October, 1982, Gerry Bonnington attended Past President's night in Oakland Club #39. He was the oldest Past President and the oldest Hoo-Hoo member present. He had served as President of the Oakland Club in 1934-35; the club was founded in 1925. The evening was to be his last Hoo-Hoo meeting — a climax of sixty years of membership. His concat in the club was on December 18, 1921.

Gerry died on November 21 at the age of 90. He was born April 3, 1893, in the San Francisco Bay Area.

In 1909 he started in the lumber business, working in the woods for a long apprenticeship. He worked for numerous lumber concerns and established his own business in 1934. He worked actively in his own company through his 88th year.

He was the owner of Bonnington Lumber Company of Oakland, now managed by his son Brian #52178. Recently his grandson Dan #88886 joined the business.

## Coeur d'Alene Citizen of the Year Award to Mrs. Carl G. Krueger

Coeur d'Alene Citizen of the Year was awarded to Mrs. Dorothy Krueger in September. Mrs. Krueger is the wife of Carl G. Krueger #62636, who has been Secretary and publicity chairman for North Idaho Club #155 for many years.

The honor came to Mrs. Krueger during the third annual concert of the Lake City Harmonizers, a barbershop chorus. One of the judges remarked: "The definition of harmony is to bring people together by caring — this is Dorothy Krueger personified." A few of Dorothy's activities include: Leader for Camp Fire Girls, member of a steering committee to develop Camp Newahlu on Kidd Island Bay, youth leader in First Presbyterian Church, holder of every office and a 50-year pin in PEO, Women's Christian Association, volunteer at Coeur d'Alene Homes and Heritage Place and Kootenai Memorial Hospital.

Spare time? The Coeur d'Alene Press observes, "If you notice the

antiques at the Museum of North Idaho are scrubbed and polished. Dorothy did it!"

Searching for superlatives to sum up Dorothy's achievements and good qualities the Press editor wrote: "Her greatest gift is helping people live. She brings fresh fruit and vegetables from her garden to the Food Bank. . . Recently she visited and comforted a friend 100 of that person's last 129 days. Dorothy is her own hospice. . . She has a wink and a twinkle in her eye to put Santa Claus to shame.

Dorothy has lived in Coeur d'Alene for 30 years. She and Carl have been married for 50 years and have two children, four grandchildren and one great grandchild.

# HEADQUARTERS BRIEFS . . .

By RUSSELL H. McClain 88090, Executive Secretary

Unusually busy and active would be a fair description of Headquarters in the last two months. First came the "Committee to Determine How to Reduce the Cost of Printing the Log and Tally." This group — Snark of the Universe Richard W. (Dick) Wilson L-51796, International Secretary/Treasurer Bernard B. Barber L-48864 and Joe H. Breeden L82467, S 9 JVII — met for two days December 8 and 9. Although it decided that while the \$7,100 paid for the November issue was not out of line for the quality of paper, number of pages and photographs, the committee decided that the Order could not afford the publication and placed what we consider severe restrictions on the February and future issues as outlined elsewhere on this page.

Space has become of prime value under the new "rules" and we have no intention of wasting it in self defense. We had tried, as editor of the magazine, to follow the Yellow Brick Road toward a really good magazine. If we cannot afford to have excellence, then we must take another road. Our publication can either be a fraternal newsletter or a magazine. If we as Club Reporters, Officers and the International work together and really cooperate, we can make *Log & Tally* a good newsletter. However, a magazine under present conditions appears way down the road.

This issue of *Log & Tally* contains the Club Officers Directory that has been a feature of the February issue for some

years. Most of the club lists are up to date; we believe we have had the best response from Club Officers in some years and wish to express our sincere appreciation for this cooperation.

Another notable visitor was Bob Klintberg 82347 of Mt. Gambier Club #214 in South Australia. In the United States on an exchange arrangement between his company and Weyerhaeuser he had advised us of the probability he would be in the area. We met him for breakfast one Saturday morning and spent several hours here at the Museum and Headquarters. "The Museum is obviously something that the organization should be very proud of," he wrote, "it has a lot of potential for further development."

Mrs. McClain and I had the pleasure to have as a house guest and a Headquarters guest Ernie Wales L-45412, R. 50 for a few days before and during the Board meeting. It was really thrilling to have this association with a gentleman of long and eminent career in Hoo-Hoo and in Rotary.

The climax of the busy two months was the approximate eighty persons who converged on the Museum and Headquarters during the meeting of the International Board of Directors. Obviously they were special guests and Betty Wells and I spent approximately a week preparing for, conversing with, trying to make them feel welcome, and answering as many requests as we could.

Probably you saw in the papers that Gurdon and Arkansas were part of the December deep freeze. We really had troubles with frozen pipes, power failures and a fantastic leak in the gas pipes, even a frozen dishwasher that became part of the not-very-happy experience..

## Snark Wilson Participates When Folsom No. 13 Concats

Snark of the Universe Wilson L-51796 was a special guest of the Harry L. Folsom Club #13 for the annual banquet and concat. Twenty-three kittens traversed the onion fields and emerged enlightened in the Sheraton-Boston Hotel meeting of the largest club chapter in the universe.

The concat came first in the meeting, at 4:09. Following this a huge reception welcomed the kittens and they were invited to the banquet tables.

Snark Wilson addressed the club members and guests and presented a Hoo-Hoo plaque to Club President "Bob" Gurdon #80323. The Club President presented the Snark with a

suitably inscribed Boston bean pot. A great evening of fraternal comradery was enjoyed by all.

The twenty-three new members included: Kevin M. Barlow, Lyle T. Bulkley, Richard J. Brooks, Robert L. Chandonnet, David W. Darche, Frederick J. Gorman, Douglas S. Jeffers, Arthur T. Johnson, Henry A. ## Jurisdiction II SNARK'S VISIT, OCTOBREFEST

Festivities for the visit of Snark of the Universe Richard W. (Dick) Wilson to Detroit Club #28 began when Gordon Graham L-84504 and Bob VanEvery L-73186 met him at the airport. The next stop was Red Roof Inn where Kenneth Hallgren #66051, S9 J II, joined the group. The four enjoyed a leisurely luncheon at Mountain Jack's and then went to the home of Bob and Marilyn VanEvery for R & R. They were joined by International 2nd Vice President Carle H. C. Hall L-57737 and Roberta who had driven up from Texas and Fred and Babe Meyer (former S9 J II) from Rochester.

In the evening, Detroit Club President Jim Niner #83688 and his lovely wife Maureen hosted a cocktail party for the out-of-town guests and the Officers, Directors and their wives from Club #28. There was no end to the homemade hors d'oeuvres that Maureen and the other wives had prepared. Thanks, Jim and Maureen, for a wonderful evening. You are super hosts.

### Julie Guse, Mrs. Club Secretary, Honored at Ben Springer Annual Christmas Party

Mrs. Club Secretary — that beautiful person who sends out meeting notices, makes and takes many of the calls, smooths and organizes the affairs — was given unique and deserved recognition at the annual Christmas party of the Ben Springer Club No. 35 in Milwaukee.

Ed Foley 77480, Vicegerent, Master of Ceremonies, made a special presentation to Julie Guse, wife of Club Secretary/Treasurer John Franklin Guse 69317. It was an expression of appreciation by the club for years of valued volunteer service.

"For many years," Reporter Joe Wagman wrote, "it has been Julie who sent out notices of meetings of club or Directors. At all functions it is Julie and

John who collect at the doors, arrange tables and make sure that everything goes smoothly... We are proud that Julie and John are part of Milwaukee Hoo-Hooland... appreciate them... and at this party wanted to emphasize it."

The party at South Woods of Cudahy was attended by 45 people and featured a fine dinner of Rock Cornish hen. Music, singing, dancing, carol singing, etc., kept the party going. To add pizzazz each person was asked to bring an anonymous "fun gift" for exchange. Cocktails started at 6:09 with dinner one hour later.

A wine-and-cheese reception is next for the club — at the Wisconsin Retail Lumbermen's Convention in Milwaukee January 24-25.

John Franklin (69317) and Julie Guse of Club #35.

Thursday, day of the Christmas luncheon, more than 185 members and guests turned out to meet and break bread with Snark Wilson. Christmas music by Alma and her group and prizes galore marked the occasion. After short remarks by Carle Hall and S9 Ken Hallgren, the Snark gave us a very interesting message about how all those unusual words and names in our Order came about.

Rameses 66 Phil Dawson L-53384 presented the Snark with a hubcap for a new Chrysler. He was also given a wooden snow shovel to take back to Atlanta.

Lee Stacey L-62560, Detroit past President and former S9 J II, was awarded the Detroit Hoo-Hoo of the Year award.

Snark Dick presented plaques to Club President Jim Niner and Gordon Graham for their untiring efforts in promotion of the principles of our Order.

## AMONG FEATURES OF DETROIT CLUB MEETINGS

Building Materials Association, President Jerry Olrich, Secretary/Manager Ron Salvatore, Assistant Manager Dick Stoneman and Retired Manager Don Moe; four members of Saginaw Valley Club #246 including President Tom James #88078 and Secretary Waldemar Homrich #88574.

Rick Wosik #88467 of Toronto Club #53; Phil Braun #53378, past President of San Diego Club #3, who flew in to join his brother Joe #53379 and cousin Louis A. #53868 of the Detroit Club.

That evening, after a few hours rest, a group of Club Officers entertained the Snark and out-of-town guests at the famous Huron River Hunting and Fishing Club. There was a twofold objective: 1. To see if the Snark could eat one of the 32-ounce steaks the club is famous for (he just made it!) and 2. Celebration of Maureen Osborne's birthday. Maureen always seems to find the Snark's sweet tooth and this time was no exception. She gave the Snark a plate of her homemade Bakalava to take home to enjoy with Fran.

Dick, we enjoyed your visit; hope you will come again soon and bring Fran so we can treat her to Northern hospitality. It was wonderful having you.

### General Membership Meet

The November meeting was in Riverview Sportsmen's Club with arrangements by J. St. Pierre #87690. It was a general membership meeting to advise and discuss plans for the Club for the next six months. Several members who had not attended meetings recently were present including L. Haapaniemi #62543 and Ed Kakenmaster #69528.

In the September Board meeting Tom Osborne Jr. #53376 had suggested that the club offer a gold card to be purchased by the members for \$39.99. Holders of the card would be entitled to meals at each of the six regular meetings. The cards have sold well and it is hoped that this will increase attendance at monthly meetings.

### Octobrefest

Club #28 Octobrefest was staged at the Dawson-Clinton Tavern. It was the first meeting under the leadership of President James Niner #83688 and about 75 members were present. Officers for 1983-84 were installed by Phil Dawson L-53384, R. 66. Short reports on the Vancouver convention were given by Gordon Graham L-70604, Lee Stacey #62560 and Bob Van Every L-73186, R. 73.

John Mercel won the 50/50 drawing and H. C. Stone #85398 would have won the Tom Cat drawing had he been present.

### SEATTLE CLUB PRESENTS WIDE VARIETY OF FASCINATING AND INTERESTING PROGRAMS

Seattle Hoo Hoo Club #34 held its October 11th meeting at the internationally famous Swedish Club. Sixty members were present in eager anticipation of our annual \$250.00 Drawdown. In an effort to encourage members to pay their dues, the Seattle Board decided to limit Drawdown participation to paid members only. When the dust settled, two finalists remained standing, George Campbell #67755 and Keith Chase #77449, who conspired to play it safe and split the cash.

Our October entertainment was provided by Bill Davis, Outdoor Editor for KIRO radio, and steelhead guide of renown in the Evergreen State. As an expert hunter and fisherman, Davis easily fielded questions, while showing slides of trophy fish to an envious audience.

Some fifty-two members gathered at the Swedish Club on November 8th to hear Chief Barney Martin of the U.S. Customs Office. As an eighteen year veteran Customs Agent, Chief Martin offered many shocking and amusing anecdotes of drug trafficking, smuggling, and border crossing. Included in Martin's slides were an interesting series on a pregnant woman, whose "baby" turned out to be several pounds of heroin strapped around her waist.

As a Thanksgiving bonus, the club raffled off turkeys to a dozen lucky winners.

Ho Ho, Hoo Hoo, Santa Claus arrived in Seattle on December 13th this year, just in time to visit Club #34 Christmas party. Santa brought over \$800.00 worth of various raffle gifts, including a 19" color television which was won by Wayne Mattson.

The Board was pleased with the turn out of some 117 members and guests, who packed the Flame restaurant in Kirkland. As usual, Santa's "little helpers" stole the show, but not before being sure that Vicegerent Snark Dan Olson was securely handcuffed to his chair! The party was deemed a great success by all, featuring excellent food and spirits as well as festive entertainment. — Judge Godfrey, L-88601, Publicity.

## NORTH CASCADE 230 HAS PROGRAM SUCCESSES

Club #230 with a membership from Northwest Washington State and part of British Columbia, Canada, completed the 1983 year with four great monthly meetings, and the promise of more of the same in 1984.

The September meeting held on the 20th at the Bellingham golf and Country Club started out with informal golf played by those members lucky enough to have the afternoon free for such leisurely pursuits. Seventy-one Hoo-Hoo and guests enjoyed the famous Bellingham C. C. buffet in the evening, and later enjoyed a program which reviewed events of the year and the plans for fine programs to follow.

On October 18, 100 members and guests, travelled to the Everett, Washington Yacht Club to sample their fine buffet, and enjoy a Sports Night program arranged by Larry Lien, 84963, the Club #230 Vice President and Executive Director of the programming dept. Larry introduced Brian Fiones, a special teams member of the Seattle Seahawks, who entertained with tales of the rock and sock existence of those who aspire to greatness in today's world of Pro football. The fact that Brian was a local boy who had taken his turn at working in the woods before turning to Pro football, added interest to his talk.

In November, on the 16th, attendance grew to 123 for a program and a great dinner held at the Mount Vernon, Washington, Elks Lodge. The winner of the great "Turkey Shoot" of the evening, Dave Weiser, was decided by the live prize bird itself in it's

own decisive and distinguished way. Mr. Weiser is to be congratulated as winner of this prestigious event. Also to be congratulated are the winners of frozen turkeys in the skeet shoot which had been held earlier in the day. They were, in the first bracket: Tom Rock, first place, and Butch Koykka, second. In the second bracket first place was won by sharpshooter Jeff Loth, and second place was won by turkey-hungry Steve Fry. The scatterboard winners were: Jeff Loth, Butch Koykka, Tom Roth, Steve Fry, and Tom Halle, who also took home frozen turkeys. Guests Keith Wetzel and Dave Williams shot well enough to take home a frozen bird each. A climax to the evening's meeting was the giving away as door prizes of an additional twenty of the succulent birds.

Back to the Everett Yacht Club on Dec. 13 for the annual Christmas party with a full house of two hundred and sixty five members, wives and girl friends. Carnation corsages for the ladies with much mingling and well-wishing from person to person. Prime rib and some bubbly for clinking of glasses and more well-wishing. Everyone joining in a very enthusiastic singing of the popular carols. Then dancing and thoughts of how pretty the ladies were and how handsome the gentlemen were amongst all this Christmas sparkle. Thanks to President Gene Chase, Vice President Larry Lien, and to Jeff Loth and his elves for a very memorable event; and to Dwight Fry for being a very jolly St. Nick. — Curt Kehoe, #81123, Reporter.

After the delicious dinner, President Jim Devaney #87466 opened the meeting with a warm welcome to all. ## Winema #216 Honors Its Long-Time Club stalwarts and Past Presidents

October 13 at Sakura ElDorado Restaurant was the time and place for Winema Club 216 to do honors for its Old Timers. They were guests for a prime rib dinner preceded by an attitude adjustment hour.

What is an Old-Timer anyway? The Winema Club Bulletin accepted the admittedly imprecise definition of the Great Hoo-Hoo: He is a fine old member who after years of toil is privileged to say, "Look how you young guys are screwing up the woods."

A program recalling highlights of the past was in charge of Bob Kennedy #74752.

As a special attraction, tickets for the \$1,000 December raffle went on sale for the first time.

### Past President's Night

Thursday, December 8, at the Sakura Restaurant, Winema 216 honored and welcomed as its guests all past Presidents of the club. President Tom Strunk #83394 was in charge of the entire evening.

## SHADOW HILLS C.C. OFFERS CLUB 33 A DAY ON THE COURSE, EVENING IN RENO

For the November meeting Shadow Hills Country Club offered the members and guests of Willamette Club No. 33 a sure winner. All members and guests were given greatly reduced greens fees and use of locker rooms and towel facilities. The day on the course was climaxed by cocktails at 5:59, a roast baron of beef and ham buffet at 6:59 and a Reno Night starting at 7:59. Chuck Marelli #82646 was Chairman of Arrangements.

Archie Brown #81675, Secretary/Treasurer of the Club discussed this and other club activities in the following newsletter to the Membership:

Thirty-six members and guests attended the October meeting in Thunderbird Inn. Jim Rombach, regional forestry manager for Weyerhaeuser Company, was guest speaker presenting an outstanding slide program on Mt. St. Helens and the effects of the eruption on the forests.

As you might have noted Chuck Marelli has done an outstanding job of putting together this year's Reno Night. He has negotiated a good deal for you

Twenty-one past Presidents of Club 216 are listed: Bob Johnson, Gil Hannigan, Ron Loveness, Wendy Huettl, Cy Cramer, Don Ferguson, Leonard Putnam, Frank Lora, Dan Brown, Bill McLean, Jack Metler, Bill Carey, Merle Clark, Tom Monterossi, John Tritch, Bill Chase, Ross Loveland, Kurt Schmidt, Bill Patterson, Keith Cloudas, and Denny Holl.

Ten past Presidents attended including two who had gone on to serve Hoo-Hoo International as Snark of the Universe — Robert L. Johnson-L-74148, R. 60 and Daniel Brown L-74477, R. 74.

Highlight of the evening was the long-awaited drawing for \$1,000 — an important event in the club every year. When the smoke had cleared from the heat of the drawing it was found that Rocky Stone #78327 had walked away with the big prize. — Woody Sine 86797, Reporter.

golfers and a real fine evening is certain. This is an excellent opportunity to bring out guests who may be potential members.

Behind in dues? If you didn't pay for the 1982-83 year or if you are a little further behind we have a deal for you. The club is picking up the \$5.00 reinstatement charges to the International. So your dues will be just \$24.99 and you will again be in good standing.

Membership Drive — Max Allen #74346 and Ron Weiss #82097 are Chairmen of a drive to up our membership. They have some good ideas and all of us should support their efforts to increase No. 33's membership. We are at 128 paid members (45 paid on our first request); we would like to have 175 by the time of our concat in March.

Along with the membership drive is new members. From now until the March concat new members will be charged just \$24.99; the club is absorbing the \$10.00 International initiation fee. With the reduction in club dues this year, this is really a \$20.00 Christmas Gift to new members.

## PORTLAND CLUB 47 CONCATS NINE KITTENS HAS CHRISTMAS PARTY

Nine Kittens walked through the onion fields and were welcomed into the Order by Portland Club #47 in its October concat. Survivors passing the tests included: Ted Schulmerich, Terry Hagen, Allan Warman, Brad Buhman, Brad Wilkins, Scott Hall, Bruce Jacobsen, Tom Concharatt, and Dan Corgan.

The December meeting is a Christmas dinner and dance — an increasingly popular event. The Western Forestry Center is decorated with Christmas trees and winetasting is featured courtesy of a local winery. — Doug Fullmer #82007, Reporter.

## GREEN PETER CLUB'S ANNUAL GOLF AND FUN DAY A GREAT SUCCESS

The 8th Annual Green Peter Hoo Hoo Golf Tournament at McNary Golf Club, Salem, Oregon, September 16, 1983, featured over 100 golfers, sunshine and plenty of happy Hoo-Hoos. "We have more fun here," said an out-of-town Hoo-Hoo, "because everything is so relaxed, yet well organized. Even I won a door-prize."

Taking home the low gross trophy was smooth swinging Dick Davis who shot a cool 74. Going from the sublime to the ridiculous, Cathy Campbell won high gross honors with a never-say-die 147. John Nolen won the overall low net Callaway trophy with an excellent round.

First flight Callaway first, second and third low net awards went to Del Hesselgesser, Earl Stelle, and Wes Lachenmeier respectively. Tom Raney, Bob Walton and Dick Yaeger won the awards in the second flight. And Louis Bushbacher, Bill Tubbs, Sr., and Richard Henry Martin took the third flight honors.

The most accurate drive prize went to Wes Lachenmeier. Big hitting Dan Diffendaffer uncorked one on the number 2 hole for long drive honors. KP awards went to Jeff Lundegard, Rich Bonesteel, Gary Fowler and Harry Nelson.

The short-drive buffalo head trophy went to Dennis Lambie who promised to have it hung on his office wall to hide the hole made by one of his practice swings.

### Study of Roadless Areas

Kitten Joe Hinson, Executive Secretary of the North Idaho Forestry Association, gave a very interesting program on "Roadless Areas." Some of the areas discussed are being proposed for wilderness classification. Mr. Hinson discussed timber management possibilities, access problems and similar related topics.

This was the regular monthly meeting in Coeur d'Alene; E. R. Weeks #88514 was Program Chairman. The Black Label door prize was won by R. L. Bemis #83443. — Carl G. Krueger #62636, Reporter.

## Brief Items From Jurisdiction IV

Fourteen clubs publish their meeting night schedules in the Jurisdiction IV Directory. There are other clubs in the jurisdiction, some of them in recess (about five) which gives the jurisdiction at least twenty clubs. We receive many of the club bulletins and also the South Pacific *Log & Tally* published by the Jurisdiction IV office, Peter Madden, Executive Secretary. The jurisdiction also has a complete set of office bearers with Doug Howick L-80748, S 9 J IV duly elected and installed as President of Jurisdiction IV. We read all of the information received from that area and present herewith some of the interesting items gleaned from these sources.

Ron Caddy, #82362 President of Melbourne #217, writes in a paragraph in "The President's Log": "The concept of 'sister' clubs from one jurisdiction to another has been introduced. Melbourne 217 and Vancouver #48 are among the first to enter into this arrangement. The clubs will exchange Directors' minutes, club news and other items of mutual interest. Some of Vancouver's members have actually joined Melbourne club and vice versa."

Hoo-Hoo members of the area attended the farewell cruise of Sydney Harbor by M. V. Krait on Sunday, October 16. That famous and fantastic ship of World War II was then handed over to the Canberra War Museum — her permanent home. The timber industry throughout Australia raised more than \$200,000 for restoration of the Krait.

Gottstein fellowships have been awarded to 20 persons since 1970 and applications are now being received for the 1984 awards. Hoo-Hoo Clubs throughout Jurisdiction IV support the William Gottstein Memorial Trust. More than \$26,000 has been given to the Trust Fund since the early 1970s by Hoo-Hoo of the jurisdiction.

The J IV conference in Bright in 1983 decided to adopt the Brushfires Appeal as an official Hoo-Hoo project. The fund was started with \$7,600; the Bright conference decided to work toward boosting the fund to \$15,000 over the next two years. The objective of the trust is to educate the six children of two Forests Commission members who died fighting the brush fires in Greendale in 1982.

The next annual conference of Jurisdiction IV is scheduled for Perth, Western Australia — west coast — in August-September. Also in the future for J IV is the joint Hoo-Hoo/Timber Industry golf day in October.

Dick Campbell #77398, past S 9 J IV, past President of Woy Woy Rotary and other offices, writes that he has received an O.K. for an official Gurdon Reserve on a plot near his home on Woy Woy Bay, NSW. There two Mayors — of Gurdon, Arkansas and the Mayor of the city of which Woy Woy is a part — stood in pouring rain and each planted a Norfolk Pine to start the Reserve. Several other trees were planted that day.

We could go on and on with items of interest in Jurisdiction IV. — Russell H. McClain, 88090

### Evans Lake Camp

Members and guests of Club #48 enjoyed a day of fun and relaxation at Evans Lake Camp on Sunday, August 7. The cabin, built with substantial support of Club #48, was a main attraction. The original estimate for the 800-900 square foot structure was \$28,000. The final cost was reduced to \$12,400 by donated materials and volunteer labor.

October 25 — We have scheduled the first meeting of the year at midway point . . . with a meeting of the Board prior to the general meeting. I feel this is a very important meeting so everyone please make a special effort to attend. Your Officers and Directors feel that this can be a very good year for Hoo-Hoo

Club 242. I want to express my happiness to Joe Breeden for the confidence he placed in me as new Deputy Supreme Nine; this is a compliment to our club.

November 22 — Our next scheduled meeting will be Thursday, December 1, at Midway Point . . . Mike Caldwell of National Forest Products Association will speak on the Sheirmer Engineering Report which certainly effects our industry as lumbermen. Also on January 5 we will have our concat so be getting in the mood for this most important event. I would also like to remind anyone who has not paid 1983-84 dues that he is *Delinquent*.

## CRIME COMMISSIONER, GUARD COMMANDER ARE WICHITA CLUB SPEAKERS

Bobby Stout, Director of the Wichita Crime Commission, was the speaker of the evening to Wichita Club #173 on October 17. This was the second appearance of Director Stout, a very popular speaker in Wichita Club meetings. Crime is such a complex and mushrooming element of modern society that there is no apparent limit to possibilities for discussion.

The meeting at Lakeshore Supper Club included an attitude readjustment period, an excellent dinner or Body Revitalization and the program listed as Mental Enrichment.

Colonel John F. McMerty, Commander of the Air National Guard unit at McConnell AFB was the speaker on November 21. This was an excellent program with a great amount of interesting information and the good fellowship of the evening.

The regular annual Christmas party was revived for December 21; it was in the Ritchie Cabin for the fourth consecutive year. Last year (1982) hasty last-minute revisions converted the Christmas party to a "Snarkmas" affair when last-minute word had been received that Snark of the Universe Kelly was coming for a visit.

**Hoo Hoo International to Gurdon Municipal Hospital: Health, Happiness and Long Life!**

When the Hoo-Hoo International Board of Directors met in Gurdon in October, 1982, a pledge was made to Gurdon Municipal Hospital. The Order would raise \$2,500 to provide furnishing for a private room in the new hospital annex now under construction. There followed a period of about a year of fund raising by International and club officials and members. On December 9 the presentation was made to Mrs. Charles Cabe, Chairman of the hospital funding committee by International Secretary/Treasurer Bernard B. Barber L-48864. Witnessing the presentation: Snark of the Universe Richard W. Wilson L-51796 and International Executive Secretary Russell H. McClain 88090.

**\$228 Becomes \$365 Museum Contribution by Jurisdiction III in 2½ Short Years**

In the 1979 Mini-Convention Jurisdiction III received donations of \$228 for the Gurdon Hoo-Hoo and Forestry Museum. It was decided that this fund be placed in a Certificate of Deposit to be given to the Museum when the CD matured.

Time Marched On.

In November Norm Mikalson #65163, former S9 J III sent to the Museum a cashier's check for \$365.19 the proceeds from the escalator bond in which the original \$228 had been invested. From date of issue May 27, 1981, to maturity date November 27, 1983, the fund had escalated to that amount.

"Pursuant to the instructions of the 1983 Jurisdiction III meeting," Norm Mikalson said in his cover letter, "I have waited until the Certificate of Deposit of \$228 in 1979 matured as of yesterday and am enclosing a cashier's check in the amount of \$365.19 to be added to the Museum Fund."

An excellent example for other clubs and organizations in the Order.

**Committee on Reducing The Cost of Printing The Hoo-Hoo Log & Tally**

We apologize that space limitations make it prohibitive to print the entire report of this committee which was submitted to the Board of Directors in the January meeting here. But the decisions were so far-reaching that we feel the membership must be informed and we include the following:

"It was recommended that a notice be placed in the *Log & Tally* that the quality of paper and number of pages in the February issue was due to budget requirements."

After considering eight alternatives the committee decided that at least four of these were of sufficient urgency that they must apply to the February issue:

3. Reduce the number of pages in the *Log & Tally*. The committee stated that the February issue be limited to forty pages plus cover. (The pullout Club Officer Directory is eight pages and about six pages of advertising was scheduled.)

4. Reduce the number of pictures in the *Log & Tally*. The number of photographs is limited to 100. No club should receive more than one page of text and pictures combined. That the cover be printed two color rather than four color. The Club Directory to be printed on the same paper as the other pages of the magazine.

5. Reduce the quality of paper in the magazine. The same quality of paper and cover stock as that used in the August 1983 issue was decided upon.

6. Eliminate the four-color cover in favor of two-color. This was decided as a positive.

The committee—Snark of the Universe Richard W. Wilson, Secretary/Treasurer Bernard B. Barber and Joe H. Breeden S 9 J VII — stated that "By following the above procedure, utilizing the same printer, the *Log & Tally* could be printed within the budget established by the Board of Directors." The report was approved by the Board in session in Gurdon on Saturday, January 14, with abundant criticism of previous procedures.
