## SNARK OF THE UNIVERSE

**THE INTERNATIONAL ORDER OF HOO-HOO IS ON THE MOVE!!** Every club I have visited from Tasmania to Perth to Sydney to the Pacific Northwest to Detroit and the great New England states are talking membership and finding ways to get their new members involved.

Some clubs are forming telephone committees consisting of all the newest kittens. Other clubs are planning to use several new members on their next concat team. Many club officers are working hard to find projects for new members to help get them involved. Other clubs I have visited have formed membership committees and have postponed their concats for a month or more to give the committee members more time to plan.

I wish some of the old-timers could have been with Billy Tarpley and myself in December in New England. It was something to see some of the enthusiastic young professionals coming into our great Order. Billy and I joined Rameses 62 Wade Cory and S-9, J-1 Pete Shearer in reactivating the Molly Pitcher Club in New Jersey. We concatenated 19 new kittens and reinstated 5 more of the most energetic young fellows I have ever seen enter Hoo-

Hoo. Keep your eyes on this club — they even sent a notice to the Harry L. Folsom Club 13 in Boston — "Move over, we're coming through!"

In Boston we concatenated 32 men at the Harry L. Folsom Club 13. The majority were also young and enthusiastic professionals in the lumber industry. After two and a half hours of initiation formalities I am sure these fellows will not forget they are in Hoo-Hoo. At the North Cascade Club 230 in northwest Washington state 1st VP Jack Jacobson and I attended another great concat where we took in 29 new members. They, too, are full of vim and vigor and anxious to do great things in Hoo-Hoo. The North Cascade Club still has not given up plans to be the largest club in Hoo-Hoo Land. If they have another large concat in the spring, they will be well on their way.

My plans are to attend many more concats — some may only have one or two kittens, but remember, if you concat one or thirty — it doesn't matter. What does matter is that every kitten we bring in and **KEEP** brings us closer to our goal of getting membership back on the rise.

I have told every club visited and I want to tell every member of Hoo-Hoo that if you sponsor a new member then it is your duty to see that he attends regular meetings. Don't forget him — either offer to pick him up or call him before the meeting. If he does not go to the meeting, call him afterwards and let him know he was missed. If you can't, or don't want to get him involved, then don't sponsor him. You won't be doing your club, or the new member, a bit of good if you don't support him. If you don't feel that your club officers are doing enough to get new members involved let the Board of Directors know, and I'm sure you will see results.

I would ask every member in Hoo-Hoo this year to offer your services to the Board of Directors, to serve on a membership committee or any project your club may need you on. Even more important, don't take any job if you haven't got the time or desire to do a good job. If you are a club officer, on the Board or a committee, we urge you to do your very best. If for any number of reasons you can't do your best, please ask your president to replace you with someone who has the time and energy to do a great job. Everyone will think more of you because of it and Hoo-Hoo throughout the world will grow and prosper again.

Executive Secretary, Billy Tarpley and I had an opportunity to meet with Rocky Furman and the 1986 Convention committee members and visited the Mount Washington Hotel in Bretton Woods, New Hampshire, site of the September 14-17, 1986 International Convention. It certainly is a beautiful place. Mount Washington is a magnificent, old hotel in the mountains of New Hampshire surrounded by a national forest whose leaves will be beginning to change colors in September. Surrounding the grounds is a beautiful golf course and plenty of tennis

*(Continued on Next Page)*

courts. Around the resort, every direction you look, are beautiful, colorful flowers. It is a great place to bring the family, spend a second honeymoon, or just spend time with old and new Hoo-Hoo friends. Rocky Furman has a great, dedicated group of committee members including past S-9, J-1 member, Joe Kuczynski, Jerry Rivet, Joe Cade and Charlie Desmarais.

Hoo-Hoo will take over the entire hotel consisting of 200 rooms. Get your reservations in early because once the rooms are booked there will be no more. You will be hearing much more from the convention committee; they are planning to send a slide presentation to each Supreme Nine member showing the Bretton Woods area. Be sure to invite your S-9 to your club (or, at least, borrow his set of slides to show to your club). Bretton Woods will probably be

the finest convention you have ever attended and, hopefully, we will all be celebrating our increase in membership along with our new enthusiasm in the International Order of Hoo-Hoo.

**LET'S KEEP THE INTERNATIONAL ORDER OF HOO-HOO ON THE MOVE!!**

Health, Happiness & Long Life.

Your Snark,

Al Meier, L-71555

JACK JACOBSON

73133

Since returning from the Annual Convention at Minneapolis I have had a fairly busy Hoo-Hoo schedule. I arrived home just in time for the Vancouver Clubs Annual Meeting and Concat. The turnout was very good and there were 19 kittens brought in that night.

Early October I attended a concat at the Cowichan Valley Club in Duncan. Once again a very good evening with lots of fun and fraternalism. Then it was back to Vancouver for their annual Ladies Night. Each year this is held at the Terminal City Club with a sellout crowd, very good food and lots of fun and entertainment.

In November I was invited down to Seattle for a joint meeting of the Tacoma-Olympia, Seattle and the North Cascade Club. This was an evening where the three clubs honored our Snark, Al Meier. There was an excellent turnout for this meeting and I think a joint meeting of clubs where it is geographically possible should be held more. After all, this organization is based on fraternalism so why not spread it as much as possible.

The following weekend your Snark Al Meier and myself set up a booth at the Washington Building Materials Association Show at the Seattle Center. The response was

good. It will probably result in up to 20 members. Some new, some reinstatements. We had former members from the east coast, through the southern states and right across the country. We will get a good portion of these in reinstatements. The booth was donated by the WBMA for which we thank them very much.

Later that week I was at the North Cascade Clubs concat and turkey draw. Twenty-nine kittens were initiated that night. With this kind of new members coming in, all we have to do is hold the old ones and we have our 10 percent increase. (nothing to it except a lot of hard work)

I have just returned from the Detroit Clubs Christmas Party. I had heard a lot about this and read about it for a few years and it is every bit as good as they say. The hospitality of Gordon and June Graham, Bob and Marilyn Van Every and all the members and their wives I met while there is second to none. This party has historically been attended by the Snark and next year I will make sure that the Snark is there.

This report is maybe sounding a bit like a travelogue but I think the membership should know what their elected officers are doing (or not doing) as the case may be.

Membership is still a top Priority with this organization. Judging by the reports of concats we are not having a problem getting new members, but we have to hold them. On the local club level you must plan meetings and events that will interest and bring these people out to the meetings. Also, very important, price-wise it has to be affordable. Remember most of these younger members are probably not on an expense account like a lot of us. Try to make your club meetings meaningful to the industry so that members and non-members will want to come and be a part of it. If you have not already done so, set up a membership committee to approach and talk to prospective kittens. Lots of times all someone needs is to be asked.

*(Continued on Next Page)*

We have a goal of 10 percent increase in membership that we want to achieve this year. It can be done, but only by everyone working towards it. I thank Al Meier for making us all so very conscious of membership and keeping us this way. With his enthusiasm lets help make his goal a reality.

Health, Happiness and Long life,

Jack Jacobson - 73133  
1st V.P. — HHI

**DICK  
CAMPBELL**  
L-77398

Allow me to begin my report my saying HAPPY NEW YEAR, and best wishes for HEALTH, HAPPINESS AND LONG LIFE during 1986 and beyond!

It was indeed a pleasure for me to represent Hoo-Hoo International during the recent junket to New Zealand to participate in the formation and reactivation of our fellow J-IV clubs. A small contingent of Aussies made the trip to New Zealand including Rameses 75 Kevin Kelly, J-IV Supreme Nine and president Bob Frost and past S-9 Worrall McCarthy. The following dates were scheduled for activation and reactivation of New Zealand clubs:

February 3 — Christchurch

February 4 — Rotorua

I am very much looking forward to our trip to Gurdon in March. San Francisco will be my first stop in the states, where I will visit the Black Bart Club 181 Monday, January 18th. On the 19th I will be in Dallas for the EZ HUNT CARAVAN to Arkansas. Following the Board meeting and Museum dedication I will fly to L.A. to visit daughter, Jenney, who, by the way, was delighted with the 1985 convention in Minneapolis!

As we continue full-speed-ahead with Hoo-Hoo in J-IV, I could not help but reflect on the fact that when I was serving as Supreme Nine representative and president of this great jurisdiction, Bob Frost served as my Secretary-Treasurer. But as it is written in the Good Book, "He who is exalted shall be abased." Frosty is now exalted to the President's chair and I have been abased to Secretary-Treasurer! C'est la vie!

On a special note, I am proud to announce that wife, Diana, and Frosty's wife, Beverly, are now proud new members of Hoo-Hoo Ettes, which they joined in the states. They are both serving as Members-At-Large, but proud nonetheless!

HEALTH, HAPPINESS AND LONG LIFE!

## SUPREME NINE REPORTS

### Jurisdiction III

**BILL  
PATTERSON**  
L-78917

It's an honor for me to be serving as a S-9, but the first three months past me by with only a few letters written to club presidents and one visitation, by request, from my home club Winema 216 for the concat. Eight new members were inducted into Hoo-Hoo Land and one by transfer. Winema 216 is going to increase their membership by the 10 percent goal set by our esteem Snark Al Meier. Eight more kittens will put them at 5 percent of the 10 percent goal.

Winema 216 presented me with a real 3' x 3' x 7' painted — half moon on the door — "out house" to preserve the wooden toilet seat my wife purchased at the money raising museum auction at the International Convention. I have the "Winema Hoo-Hoo Hut" as they call it, in the back of my office. (I use it for getting away when I want to meditate from the real world.)

I was invited to the North Cascade 230 Christmas party by President Jeff Loth but was unable to attend. I heard it was a real loud party.

Since returning from the International Convention, I have been real busy business wise but the plan is to devote January, February, March, April and May to club visitations. The larger clubs are strong and active. I hope to work the smaller clubs, some of which have not had a visitation from a S-9 in years.

J-III will be striving for the 10 percent increase in new members to stay in lead for a Jurisdiction with the most members in Hoo-Hoo.

I have appointed two Deputy Supreme Nines. Jeff Loth for North Western Washington and Glenn Lowe for Portland and the Williamette Valley areas.

Health, Happiness and Long Life,

Respectfully,

Bill Patterson L-78917  
Supreme Nine J-III

### Jurisdiction IV

**BOB  
FROST**  
83454

We have just experienced one of our best Conventions organized by Launceston Club No. 239. It was our privilege to be honored by the presence of Snark of the Universe, Al Meier, who was accompanied by his wife and a great group of Hoo-Hoos from the United States. Everyone downunder in J-IV heard the Hoo-Hoo yell from Dick Wilson and it certainly inspired life and enthusiasm.

We adopted a new format at our Convention where we involved every attendee on a Committee which had positive guidelines and ample time for reporting back and for decisions to be made. This was our initial Convention on this basis and I am confident that with the experience gained and more sophistication, the format will be continued on to the benefit of Hoo-Hoo.

Our Clubs are strong and well and all working enthusiastically in conjunction with our industry. By remaining industry minded and being non-political we are obtaining tremendous support. All clubs are being encouraged to include as many members as possible on the organization and so make them aware of how Hoo-Hoo operates.

Two new clubs are being chartered in New Zealand, Christchurch on the 3rd February, 1986 which will have at least 70 new members and Rotorua on the 4th February, 1986 which already has 68 applications (they are considering closing membership at 99, I have suggested 199 would be better).

Nelson district in New Zealand is anxious to have their own Club and we see the re-activation of Wellington and Canberra in early 1986. I am confident we will give Al Meier at least the 10 percent increase in membership that he is aiming for in all Jurisdictions.

Some of our past Supreme 9's have offered to represent the Jurisdiction on an official basis when they make business calls in areas outside their own Club.

We will be requesting Clubs to give them sufficient time for the word of Hoo-Hoo to be spread. To those Past Supreme 9's I offer my thanks.

(Continued on Next Page)

(Continued from Page 3)

I join with my hard working Executive, Tony Hobson, Rod Abel and Dick Campbell in wishing all in Hoo-Hoo a very merry Christmas and a healthy and happy 1986. Health, happiness and long life.

Bob Frost, 83454

### Jurisdiction VI

**BRENT  
F.  
CROSBY  
77009**

I will presume and hope that everyone got through the Holidays without too much difficulty and had a joyous and happy time.

My Christmas came early with three Concats which I attended in October, November, and December. Sacramento 109, had three kittens, Black Bart 181 with 17 kittens, and San Diego 3 brought in 16 little fellows on December 5th, for a total of 36 new members. In all my years in Hoo Hoo I have never seen a better group of new members in regard to age group, company affiliation, personal interest to join, and sponsors' relationship to their candidates.

The proof of the pudding is what each club and its members do with and for our new members. As I have stated before and reiterated at each concat, it is imperative that new members be directed and assisted toward becoming involved in their club activities which proves to them that there is a purpose for belonging to Hoo Hoo, other than just the social benefits. It was established at each Concat that the sponsor would personally call his new member for each meeting during the first year. It will be interesting to see the effect this has on holding new members after the first year of membership. I feel this is where we have slipped badly in the past as natural attrition with older members has not been replaced with new continuous members. The theme throughout Jurisdiction Six in 1985-86 is Quality Of New Members, Not Just Quantity.

In my last report I discussed the opportunity we had working with the list of unpaid members sent to each club by the International Office toward finding and re-instating

wayward and lost members. I am happy to report that it is working. I have sat in Board and regular meetings and gone over this list man for man, and it is interesting the information that comes out of these sessions. I am sure that we will see a larger number of re-instatements this year through this effort. Also, we found active members who through some mixup (local) were not registered with International.

Again, local club secretaries, if you have not submitted your "Club Officers Report" to Billy Tarpley at the International Office in Gurdon, please do so now. Billy is interested in getting your club all of the information that is available from International into your hands. If you don't help Billy help you his hands are tied.

By the time you read this report I will have spent fifteen straight days with our Snark of the Universe Al Meier visiting clubs in Nevada, New Mexico, Arizona, Southern California and Northern California. We had ten club functions lined up during this period. Thanks to all of the club presidents, secretaries and members who helped put all of this together.

Please keep me informed on your club functions for the balance of the year and I will make as many visits as physically possible.

HEALTH, HAPPINESS, AND LONG LIFE,

Brent F. Crosby, L-77009  
SUPREME NINE - JURISDICTION-SIX

### Jurisdiction VII

**EDDIE  
Z.  
HUNT  
85910**

If you as a Hoo-Hoo member ever suffer from a let-down in enthusiasm you should pack your bags and head to Australia. It is probably the best medicine you can take for your Hoo-Hoo well being. The Clubs and individuals will impress you by their enthusiasm and hard work. The hospitality shown by our J-IV brothers was completely overwhelming. Thanks for a lovely time **Down Under**.

Our goal of a 10 percent increase in membership for the coming year is well within our reach. Our letter writing campaign seems to be working very well. I have been using Gordon Graham's idea with the thermometer letter and I consider it to be a very good method of keeping the clubs in J-VII abreast of what's going on within our Jurisdiction.

I would like to commend St. Louis Club 6, Memphis 92, Gurdon 120 and Wichita 173 for their fine efforts in getting their dues in to International. Keep up the good work. I challenge the other clubs in J-VII to do as well.

We are having a small problem with our Hoo-Hoo brothers in Tulsa but with the hard work of Sam McCravy and others we will get back on track before long.

The Metroplex Club 242 is planning a meeting on the Wednesday prior to the board meeting in Gurdon. I would like to invite all of you who are planning to go to Gurdon to stop by Dallas on the way. Our club will make it worth your time and effort. We are planning a trip to Billy Bob's in Ft. Worth, shopping for the ladies and a bus trip to Gurdon and

back. I will let you know the details a little later. Health, Happiness and Long Life.

Fraternally,

E.Z. Hunt 85910

### Jurisdiction VIII

**LYLE  
HOECK  
77159**

Since our last convention in Minneapolis, things have been very slow in J-VIII. I still have not received all of the clubs new officer report forms or their plans for meeting or concats. I would like to be able to attend as many as possible.

I did attend Omaha 124's Firehouse Dinner Theatre on December 5th which was very good.

The paid membership for November 85 does show a higher percentage than last year, but we still need to work harder on members that have not yet been contacted.

Club 118 Sioux Valley held a meeting for planning upcoming events, and at that meeting we read off names not paid and these were given to many active members to contact about paying. We also updated our membership roster, which has again shown people no longer in the business or have passed away.

Several Lumbermen's Conventions are coming in January and February which at that time is a good way to find new kittens and also contact many who have lost their way in Hoo-Hoo Land.

5205 HOLLY - BELLAIRE, TEXAS 77401

(Continued from Page 5)

May the coming months bring forth many concats and meetings. We all need to remember our goal of 10 percent increase.

We all want to remember our Mid-term meeting in Gurdon and at that time our membership should be well above our goal.

## Jurisdiction IX

**PHIL COCKS**  
L-77298

I have spent 6 of the last 12 weeks out of the country, so am already making excuses for having made fewer club visits than usual.

The theme for this years efforts is to increase membership by 10 percent. It has been a pleasant surprise to see the results coming in so far. Thanks to a new crop of good Club Presidents and a couple of hard working Deputy Supreme 9's, efforts are well under way to achieve our goal. Frank Gray has done a great job, making club visits and installing the officers of Miami 42. Frank will be our new Jurisdiction 9, Supreme 9 next year.

Deputy Supreme 9, Ted Anderson, from St. Petersburg (Tampa Bay Hoo Hoo Club 225) has consulted with Dick Wilson and will be making 6 new cabinets for our museum. Each cabinet will be made from a different Australian or South Pacific Hardwood purchased from a Hoo Hoo Brother, Bill Philip, Brisbane, Queensland. Central Florida 115 member, Peter Edlin, will machine the wood, Ted will assemble and deliver to Arkansas and Rameses Dick Wilson will install the glass, so how's that for Hoo Hoo Co-operation! All services will be donated, of course.

Our jurisdiction membership in September stood at 670. Since that time the following Concats took place.

F.L.B.M.D.A. Convention - 28 Kittens, Ft. Myers - 7 Kittens, Jacksonville - 7 Kittens, Atlanta - 8 Kittens, Total 50.

This represents a 7½ percent increase in membership. Miami will have 2 concats and so will Central Florida and Jacksonville. I don't know what's happening with Hampton Roads, but I'm sure they will have at least 1 concat. Ft. Myers and Atlanta, with another concat to go, should give us a substantial increase, providing we don't lose too many out the back door. On the subject of losing members please find out the reason for the loss, as it will help us to better

Health, Happiness and Long Life!

Lyle Hoeck S-9, J-VIII

understand what we have to do to forestall these losses. We hear a lot of theoretical reasons but have never surveyed the problem.

The Snark will visit us in March one week prior to our board meeting and museum dedication. We hope Dick Wilson can join us, as we visit the 5 clubs in the state.

Plans have been finalized for the JIX summer conference at St. Augustine, on July 3, 4, 5, and 6th. Once again the summer conference is planned for the whole family. It is affordable (\$53.00 per room, per couple and no extra charge for 2 kids per room!), and the nations oldest city provides an historic and interesting venue. Details can be found elsewhere in this issue.

We are looking forward to the March board meeting, museum dedication, horse races and parties, in March. So far 6 couples from Florida will fly into Dallas and meet E.Z. Hunt and Texas club members for a social evening, and ride up to Arkansas with them the next day. Any members who would like to join us please call me—all club Presidents have the information.

I would like to thank Jimmy Jones for appointing me to the museum board.

Erv Goodroe, Georgia-Alabama Building Materials Dealers Association has kindly given us a booth at their convention Jan. 31-Feb. 2 for the Promotion of Hoo Hoo. We will be one helper less this year, as Dick Wilson auctioned off his monkey for the museum, so any help you Atlanta club members can give us will be appreciated. Dick says you won't have to work as hard as the monkey did. Carolina and Mississippi Lumber Dealers have their conventions in February and although we haven't yet made plans, we hope to get someone to theirs as well. All the best for now and see you soon.

Phil Cocks L77298  
Supreme 9, Jurisdiction 9

## Jurisdiction II

**GORDON GRAHAM**  
L-70604

### NO CHANGE IN THE GOAL —

In the November issue of the *Log & Tally* I reported to you that the theme this year in the entire Hoo-Hoo organization was "MEMBERSHIP". And when this issue of the *Log & Tally* reaches your hands I can assure you the theme will not have changed. It's still "MEMBERSHIP"!

### J-II OVER THE HUMP —

We, in Jurisdiction II, do not have a very large group to deal with. If we count every member on every roster in every club in our Jurisdiction, we would show a total of only 437 members. As of December 31st the record shows 270 of these men have paid their dues for 1986.

That 62 percent and our goal is reachable — with your help!

### HOO-HOO IS FOR LUMBERMEN —

Why the reluctance to pay dues? There are probably as

many reasons for this as there are members so I won't go into that subject here. But, there is one very good reason for paying your Hoo-Hoo dues! The reason is this!

If you make your living out of some phase of the lumber industry, you cannot afford not to belong to your local Hoo-Hoo club. Your dues are a very small investment when you consider the fact that your local Hoo-Hoo club provides you with an opportunity to be with others in your line of business.

Doctors belong to the American Medical Association; attorneys belong to the Bar Association and florist belong to the FTD. If you are involved in the lumber business — YOU SHOULD BELONG TO HOO-HOO!

### WHAT CAN ONE MAN DO —

I know we have all said at one time or another "what difference does one man make?" Well, when you're dealing with such small numbers (437) it makes alot of difference!

If you are in Jurisdiction II and you have not paid your dues for this year — please do so NOW! It will make a difference!

Fraternally yours, with a wish for Health, Happiness and Long Life.

Gordon Graham L-70604

### NO CHANGE IN THE GOAL —

In the November issue of the *Log & Tally* I reported to you that the theme this year in the entire Hoo-Hoo organization was "MEMBERSHIP". And when this issue of the *Log & Tally* reaches your hands I can assure you the theme will not have changed. It's still "MEMBERSHIP"!

### J-II OVER THE HUMP —

We, in Jurisdiction II, do not have a very large group to deal with. If we count every member on every roster in every club in our Jurisdiction, we would show a total of only 437 members. As of December 31st the record shows 270 of these men have paid their dues for 1986.

That 62 percent and our goal is reachable — with your help!

### HOO-HOO IS FOR LUMBERMEN —

Why the reluctance to pay dues? There are probably as

many reasons for this as there are members so I won't go into that subject here. But, there is one very good reason for paying your Hoo-Hoo dues! The reason is this!

If you make your living out of some phase of the lumber industry, you cannot afford not to belong to your local Hoo-Hoo club. Your dues are a very small investment when you consider the fact that your local Hoo-Hoo club provides you with an opportunity to be with others in your line of business.

Doctors belong to the American Medical Association; attorneys belong to the Bar Association and florist belong to the FTD. If you are involved in the lumber business — YOU SHOULD BELONG TO HOO-HOO!

### WHAT CAN ONE MAN DO —

I know we have all said at one time or another "what difference does one man make?" Well, when you're dealing with such small numbers (437) it makes alot of difference! If you are in Jurisdiction II and you have not paid your dues for this year — please do so NOW! It will make a difference!

Fraternally yours, with a wish for Health, Happiness and Long Life.

## Jurisdiction V

**M. KEITH  
WADDELL**  
84324

I had an experience last October that I truly wish every Hoo Hoo member could have shared with me. I had the rare opportunity of being in the Past, Present and the Future! Please let me try to explain.

It was a cool dark evening in late October in the little village of Heidleburg, Ontario. The hotel is over a century old with sloping floors, small rooms, a hitching post for the farmer's horse and a genuine feeling of goodwill, hospitality, everyone had a smile, and some of the best old-fashioned country cooking found anywhere. Nothing fancy like underground parking, neon lights or a band playing so loud you can't hear yourself think. This is living like it must have been in Gurdon almost 100 years ago when Hoo Hoo was conceived on that pile of lumber at the train station.

An air of reverence and something being born was felt in that upstairs room that night when the first president of that new club, Octoberfest Club 262, accepted his President's pin and the Charter of the club, and when the original members received their pins from their president. Those people attending realized and felt they were part of something more than just a meeting but something that would hopefully continue on long after they were gone. They were having a hand in moulding the club's future. Putting in time and effort so our presence and well-being would be felt in the future and make our forest industry greater and better than it is today.

Everyone should thank God that we have the opportunity to be free to join in a fraternity such as ours. Don't take things for granted, extend a helping hand to your fellow brother in our industry. It's time to read and live our Golden Rule and to follow our code of ethics. Live up to what we said we would do when we were concatenated, just think how much better it would be.

As I mentioned in our last club's newsletter, I have a challenge for all you members out there in Hoo Hoo land. If each of us brings just one person into Hoo Hoo our troubles will be over and we can get on with all the fun things.

"Let's mix in '86"

Dear Brothers,

Hoo Hoo is alive and well in JI and continuing to get better and better all the time. One club has been reactivated and others are being rejuvenated. Thanks to Bob Pierce and Wade Cory, the Molly Pitcher Club 138 in New Jersey was brought back on line. We had a fine concat bringing in many fine new kittens and we were fortunate to have our Super Snark Al Meier participate. Bob tells me the club is ready to grow again with more kittens waiting to be concatenated.

Other clubs are catching the spirit and getting back into the swing of things. The always strong Harry Folsom Club 13 of Boston had another great meeting and concat in December. It is always a titillating experience to be present at a gathering of the Folsom clan. My own Walt Whitman Club 171 in Camden-Philadelphia also had a fine meeting and elevated many fine kittens to full brotherhood in Hoo Hoo Land. An excellent program followed which had many members truly aroused with its significance. Walt Whitman also hosted a luncheon meeting for our Snark when he was passing through JI.

Much preparation is being done by the great guys in the Granite State Club 107 for the International Convention they are hosting this fall at Brenton Woods in the White Mountains of New Hampshire. I have talked with Rocky Furman, Gerry Rivet and Prisco Di Prizio and they are assuring all of us that this will be the best one ever. Phil Cocks was even good enough to fly up from Florida and lend his considerable talents.

I have just returned from the northeast Lumberman's Convention in Boston and was delighted to see the great number of brothers in attendance. The Joes, Kuczynski and Cades, had things well under control at the Hoo Hoo booth they were sharing with the wonderful people from the Commerical Bulletin. It was nice to see so many lapel pins being worn on the convention floor. There will be a similiar booth at the fantastic Eastern Building Material Dealers Show in Philadelphia in February. Both Dave Kreidler and Rich Brown have done a superior job as Hoo Hoo brothers in offering the services of their very fine Lumbermans Association to further the cause of our Forest Products Fraternity. Thanks guys!

Once again I would like to ask all club presidents, or other officers, to write or call me with club information. I need to know who and where you are to do a good job for you. Our records are not the best and we need to fill in some

## THE TRAVELING OF THE SNARK

by Snark of the Universe Al Meier L-71555

My year thus far has been busy and very rewarding. As promised in my last report what follows is Chapter I of the Snark's Travels.

**Sept 25** Flew to Eugene, Oregon to attend my first meeting as Snark of the Universe as guest of the Willamette Club 33. Max Allen, Vicegerant Snark and retired Weyerhaeuser employee who is held in the highest regard by all was the Master of Ceremonies. A very good open discussion was held and many good suggestions were brought forward regarding membership, meetings, programs and facilities. Secretary Archie Brown and President Richard Cone saw to it that I was well taken care of.

**Sept 26** Portland Club 47 President John Fullmer met me at the airport and we attended Portland's meeting at the Western Forestry Center. I had the pleasure of installing the new officers. It was a very interesting meeting with a well planned program by "Ducks Unlimited".

### AUSTRALIA

**October 9** Georgia and I along with Dick & Fran Wilson, Rameses 76, Atlanta Club 1, Eddie & Martha Hunt, S-9, J-7, Metroplex Club 242, Ted & Jeanette Anderson, Tampa Bay Club 225, Spud Loth, President Jeff Loth, Gil Emory, Mike Carlson, Kerry King & Bob Waltz, North Cascade Club 230 and Ham Ahlo Honolulu Club 142 departed San Francisco for Australia.

**October 11** Arrived Brisbane where we were joined by Phil & Sylvia Cocks, S-9, J-9, Central Florida Club 115 and David & Cheryl Jones, President Black Bark Club 181. We were met by Worrall McCarthy and the officers and members of the Brisbane Club 218. Our first stop was the Brisbane Newspaper where I was interviewed and pictures were taken. A fine article about Hoo-Hoo and its' Snark appeared in the morning newspaper. After checking into our hotel the women were immediately whisked away to a beautiful restaurant overlooking the city. The men were treated to a gourmet seafood luncheon attended by several members of the Brisbane Club. That evening we joined President Malcolm Powell and Brisbane members and wives for their annual Ladies Nite where we were treated to another gourmet meal and dancing.

**October 12** We were met at 8:00 am by Worrall & Barbara McCarthy and Mickey & Heather O'Sullivan along with a bus and a van for our luggage. Mickey drove us up the Gold Coast as Worrall explained the beautiful points of interest. Arrived in Grafton just in time to check in and join President Ken Sipple, members and wives of the North East New South Wales Club 241 for a social hour and another exquisite meal. I made a slide presentation about Hoo-Hoo International which was well accepted.

**October 13** We left early for our return trip to Brisbane. Spent a beautiful afternoon on the Gold Coast stopping at an animal park to view the kangaroos and Koalas in their natural setting. Driving through a hail storm we arrived at the home of David & Carolyn Wilkinson for a social hour with several couples from Brisbane. We feasted on a delicious fish barbecue supervised by David, work by Carolyn. It was certainly an evening of Australian hospitality at its best!

**October 14** Worrall & Mickey arrived early to transport us to the airport and it was off to Melbourne. We were met by members of Melbourne Club 217 led by President Peter Whelan, Kevin Kelly, Rameses 75 and the most beautiful kitten in all of Australia! We immediately boarded a bus for Ballarat chauffeured by Val & Ron Caddy with Brian and Jenny Tutton as our tour guides. It was about a four hour drive through beautiful country as Brian mentioned all the points of interest with his foot on top of the beer chest. Upon arrival at Ballarat we were greeted by President Kevin Bertram and the press. Again we had a great Hoo-Hoo story and pictures in the morning newspaper. After a tour of the city and the Gold Mining Museum we attended the Ballarat Club 256 Ladies Nite with a sold out house at Sovereign Hill — cocktails in the U.S. Hotel and dinner at the New York Bakery. After a seven course meal I, again, had an opportunity to show Hoo-Hoo slides. Once again you can't beat their Australian hospitality.

**October 15** Val and Ron got us on the road early back through Melbourne on our way to Morwell. In route we stopped for a noon feast at Kevin & Margaret Kelly's home with a large contingency of Melbourne members and the Kelly family. Here we celebrated Fran Wilson's birthday with a beautiful cake and several candles. Margaret's cooking was delicious and now we know how Kevin stays so healthy. On to Morwell where we were met by President Barry Gray and members of the Gippsland Club 257. We toured the open pit coal mines and S.E.C. Electrical Plant. We had beautiful evening with members and wives of the Gippsland Club. There again I had an opportunity to show the slides.

**October 16-19** Brian and Jenny got us boarded early and on our way back to Melbourne where we caught a plane to Launceston, Tasmania for the J-4 Convention. We were met at the airport by President Terry Harris and a large group of members from Launceston Club 239 who then transported us to the Rutherglen Holiday Village, site of the convention. Words can't express the hospitality we were shown by members of the host club and all the members of

(Continued on Next Page)

(Continued from Page 10)

Jurisdiction 4. It was one of the better organized and planned conventions I have ever been to. I was allowed to show my slide presentation — slightly altered, to my surprise, by a couple of Americans and a few Australians! Space will not permit me to name all the people involved or to describe the informative meetings and the beautiful social events at the convention but, on behalf of all of us American visitors, it was fun and we truly thank you from the bottom of our hearts for a wonderful time in Tasmania.

**October 20** Back on the plane to Melbourne where Kevin Kelly again saw to it we got on a bus and out of town on our way to Mount Gambier with Bob Klintberg of Mount Gambier Club 214 as our guide. The scenery was outstanding during our six hour drive. We arrived in time to have a night cap and a late dinner with Hoo-Hoo officers and members of Club 214.

**October 21** Bob had the men up bright and early for golfing and the ladies toured the area with Hoo-Hoo wives. That evening we enjoyed a river boat cruise and a barbecue including cocktails and dancing. Here, much to our delight, we saw kangaroos climbing the river banks. What a fun evening it was.

**October 22** The men were up early again for an interview with the press and radio. Then a tour with Bob of the largest sawmill in Australia and a local home center. Then back on the road headed for an eight hour trip to Adelaide. We arrived for a reception and cocktail buffet with President Murry Stone and members and wives of Adelaide Club 212. Adelaide was the first club in Australia and we had the honor of meeting several charter members. It was a short visit but very enjoyable.

**October 23** A three hour flight took us to Perth, home of the "America's Cup". We were met by members of Perth Club 240 and immediately boarded a bus for a five hour trip to Manjimup joined by Brian Hoar and Bernie Ryan. Brian and Bernie did a great job of showing the points of interest and keeping the refreshments flowing. We arrived in time for the 7:00 pm Ladies Night with the Manjimup Club 250 with Vice President Ron Adams as chairman. We had a great meal and a fun evening ending with the slide show.

**October 24** We toured the beautiful forest in Manjimup with Peter George and lunched at the Glouster Forest Lookout Tree. Bernie and Geraldine Ryan barbecued delicious huge steak sandwiches assisted by the members of the Manjimup Club. The lookout tree is quite famous in Australia; it has steps leading to the top where Mike Carlson (from our group) placed my Snark's card. Back on the bus arriving in Perth at 6:00 pm where Perth Club 240 members were waiting to take us to a steak barbecue at Bill and Carmel Clare's home. Another great evening of food, fun and fellowship.

**October 25** Up early, the men toured home centers and furniture factories and the women went shopping. Afternoon found us touring the beautiful city of Perth and the Yacht Club to view the America's Cup trophy. Then on to a fun evening and dinner at the Trotter's Races. It was a beautiful evening with most of us donating to the cause. Our stay in Perth was Hoo-Hoo hospitality at its finest!

**October 26** We were up early and on a plane to Sydney. We were met by President Peter Miller and members and

transported to our hotel where we had a free evening; here again Worrall and Barbara McCarthy joined us.

**October 27** We were joined by Sydney members for a cruise in Sydney Harbor on Bob Frost, S-9, J-4 and Brian Hatch's yachts. Lots of food and refreshments. It was truly a beautiful day on the harbor.

**October 28** Free day for shopping. Spent a beautiful evening at Sydney Club's annual Ladies Nite for dinner and dancing with members and wives. Also in attendance were 2nd VP Dick Campbell, S-9, J-4 Bob Frost and members from Woy Woy 260 and Newcastle Club 237.

**October 29** Bob Frost took the men fishing on his yacht on the way to Woy Woy. The ladies met Jim Eaton for a bus trip to Woy Woy Yacht Club for lunch with Dick Campbell, 2nd VP and the fellows. Then on to inspect the Gurdon Reserve at Woy Woy followed by a barbecue and refreshments at the lovely home of Dick and Diana Campbell where we were joined by members of the Woy Woy Club 260 and Newcastle Club 237. It was a typical fun evening of which Dick and Diana are famous for.

**October 30** Departed Sydney for Honolulu. Second VP Dick Campbell and S-9 member Bob Frost were at the airport to make sure we got out of the country.

From the first hour we stepped off the plane in Australia to the minute we left the country we Americans were treated like royalty. There were so many men and women that went out of their way to make us welcome it would be impossible to thank everyone — you know who you are and we will be forever indebted. Georgia and I received many gifts from every club; they are all very beautiful, mostly made from the woods of Australia and each has a prominent place on the wall in my office.

It is true that Hoo-Hoo men in Australia enjoy having fun as much as we do here in America, but I found they take Hoo-Hoo much more seriously than we do. Every club in Australia has a community project of some sort besides being involved in government affairs and they have several forestry officials among their membership. The clubs in Jurisdiction 4 are highly competitive with one another in a friendly way which really helps to keep all the members interested and involved. Hoo-Hoo is definitely on the move in Australia.

**October 30** Arrived Honolulu and met by President Lee Haskin, Ham Ahlo and other members of the Honolulu Club 142. Spent a lovely evening at the country club as guests of Ham & Virginia Ahlo.

**October 31** Attended Honolulu Club's Ladies Night for a Chinese-style banquet. It was a great turnout from all the members and their wives and I was given the opportunity to show my slide presentation again.

**November 1-3** Spent a few days relaxing, recuperating and being entertained by Bill & Ludy Striker and Lee Haskin. Honolulu Hoo-Hoo's always go out of their way to make visiting Hoo-Hoos feel welcome and part of their family. A great place to end a wonderful trip!

**November 12** Attended a reception in my honor hosted by the Tacoma-Olympia Club 89 and the Seattle Club 34. There were about 140 men in attendance and it really warmed my heart to be honored by fellow Hoo-Hoos, many of which have been with me through 25 years of Hoo-Hoo.

(Continued on Next Page)

(Continued from Page 11)

**November 16-18** First VP Jack Jacobson, myself and local club members manned a Hoo-Hoo booth at the regional WBMA and NLBMDA convention in Seattle. It was a very successful weekend; we spoke with present and past Hoo-Hoos from all over America. We signed up several new members and reinstated several more. We'd like to thank the WBMA for furnishing Hoo-Hoo International with a booth.

**November 20** Fred Bleich and I, joined by 1st VP Jack Jacobson and other members of the Vancouver Club 48, attended a concat of the North Cascade Club 230 initiating 29 new kittens. President Jeff Loth did a great job with over 100 members in attendance.

**December 3** Executive Secretary Billy Tarpley and I met in Philadelphia at the Embassy Suites as guests of the Walt Whitman Club 171.

**December 4** Toured the beautiful city of Philadelphia with Erv Sherman. Met with Pete Shearer, S-9, J-1 and President Tom Teal, officers and members of Walt Whitman Club 171 for lunch. Pete then drove us to New Jersey to join Rameses 62 Wade Cory to reactivate the Molly Pitcher Club that evening concatenating 19 new young and enthusiastic lumbermen. Bob Pierce was installed as President.

**December 5** Billy and I were up early to catch a plane to Manchester to meet with President Rocky Furman and the 86 Convention committee members to discuss plans for the 1986 International Convention. They then drove us to the convention site, the Mount Washington Hotel in Bretton Woods, New Hampshire. That evening we drove back to Manchester to attend a meeting of the Granite State Club 107.

**December 6** The morning began with another convention committee meeting at the offices of Furman Lumber. Attended a luncheon hosted by President Joseph

Bock and members of the Harry L. Folsom Club 13. That afternoon found us at Club 13's concat followed by a social hour and their annual Christmas Banquet and entertainment as only Boston could provide. A good time was had by all — over 250 members in attendance from clubs throughout New England.

**December 7** Flew to Washington D.C. and met with President Shep Reidinger and board members of the Washington Club 99, a young and energetic group of lumbermen. Joined up with wife, Georgia.

**December 9** Georgia and I arrived in Detroit and were greeted by S-9 Gordon Graham, Rameses 77 Carle Hall and 1st VP Jack Jacobson. That evening we were entertained at the home of Detroit Club 28 President Jim Maicki. Club officers, members, wives, Rameses 73 Bob Van Every and Rameses 72 Jimmy Jones were also in attendance.

**December 10** Toured Detroit city guided by Gordon Graham and Bob Van Every. At noon we attended a gala luncheon affair at the country club for Club 28's annual Christmas Party with 150 Detroit members in attendance. Rameses 66 Phil Dawson of Detroit and Rameses 69 Bill Bader and President Lynn Edey from Toronto Club 53 and President Dave Millerwise and officers of the Saginaw Valley Club 246 were also there.

**December 11** Georgia and I flew to Hartford, Connecticut and were met by President Charles Masse and Archie Dworman from the Nutmeg Club 199. That evening we attended their annual Christmas Party. It was a lovely evening; the officers, along with Past President Armand DeMille, are doing a great job with this club.

**December 12** We returned home in time to attend our own company Christmas Party. It is great to be home again and am looking forward to visiting most of the clubs in J-6 in mid-January.

Health, Happiness & Long Life.

## Are You Prepared To Face Clients With Split Personalities?

You know the ones. They buy doors for single family units from you and turn around and buy dozens of multi-unit doors from someone else. It's irritating at best.

A new program from Johnson Metal Products is designed to let you benefit from these "split personality" customers. By carrying the renowned Rigi-Dor and the increasingly popular Rigi-Gard, you can sell to both markets and do away with missed sales.

The Rigi-Dor has all the features a single-family door buyer would want. A 360° mechanically interlocked steel stile and rail system. Sturdy vinyl edge trim. And the industry's only ten year warranty.

The Rigi-Gard meets all the requirements inherent to a good selling multi-family unit door. A wood stile with a steel rail. Rugged .021 galvanized steel skin with electro-static primer. And polyurethane insulation, foamed-in-place, for a high 15.3 R-factor.

Find out how the dual Rigi-Dor/Rigi-Gard program can help you sell those "split personality" customers and keep inventory low at the same time. Call or write today. Free literature is available.

**GRANITE STATE HOO HOO 107**  
By Joe Cade, VP.

On December 5th, 1985, the Granite State Hoo Hoo Club 107 was honored to host Snark of the Universe Al Meier and Executive Secretary Bill Tarpley. Greeting their guests at the Manchester Airport were the following club members: Rocky Furman, Pres.; former Supreme 9 member, Joe Kuczynski; former club President, Charlie Desmaris and current VP Joe Cade. The group traveled to the Mt. Washington Hotel

in Breton Woods, N.H. where the 1986 Hoo Hoo International Convention will be held.

En route, Al Meier and Bill Tarpley shared their ideas on how to improve Hoo Hoo. During lunch, the proposed agenda for the convention was discussed at length.

After a short stop to view New Hampshire's "Natural Wonder — the Old Man of the Mountain" the group arrived at the hotel to meet convention services representatives Marty Sylvester and Jane Dickerman. Since the hotel was closed for the

## Jurisdiction I

season, the warmly dressed visitors had full access to all facilities, and were given a thorough tour. More planning was discussed before the group returned to Manchester for a monthly meeting.

Other guests featured at the meeting were Walter Biss and his son Warren, from neighboring Roger Williams Club of Rhode Island. They shared their collection of Hoo Hoo memorabilia with our group.

The club also made a \$500 donation to Paul Bofinger who is the president of the Society for the Protection of New Hampshire Forests.

**DETROIT CLUB 28 REPORTS**

The highlight of the Detroit Hoo-Hoo year is our Christmas luncheon. It has been a long standing tradition to have the Snark of the Universe as our honored guest. This year was no exception.

Gordon and June Graham met Al Meier and his lovely wife Georgia and

1st VP Jack Jacobson at the airport early Monday morning on December 9th. Then it was back to Farmington, but only long enough for our guests to check into the famous Botsford Inn which was built in 1836. At this point the group was joined by Chairman Carle Hall and wife Roberta and Bob and Marilyn VanEvery. We all piled into Gordon's van and started a whirlwind tour of Detroit, stopping at the Renaissance Club for lunch. The club

is located on the 36th floor in the Renaissance Center over-looking the Detroit River and Canada. After lunch some of the brave ones chose to take the outside elevator to the top of the main tower, 72 floors up. Then back to the van.

No trip to Detroit would be complete without a trip around our famous Belle Isle located on the River and home of the Detroit Yacht Club

*(Continued on Next Page)*

DETROIT - Rameses (l-r) Carle H.C. Hall 77, Bob Van Every 73, Jimmy Jones 72, Bill Bader 69, Phil Dawson 66.

DETROIT - (l-r) former J-II S-9 Ken Hallgren; current J-II S-9 Gordon Graham; Snark Al Meier.

where the ladies were hosted the next day for lunch by Maryhellen Carper. As we started back to Farmington, the Snark wanted to stop at a local Cadillac Agency to deposit a coupon he had received in Tacoma for a chance on a new fur coat for Georgia.

When we arrived back at the Botsford, we were told that Rameses 72, Jimmy Jones had checked in and then we received a phone message at the hotel desk that Kenneth Hallgrim had arrived. The list of out-of-towners was really beginning to grow.

It is customary in our club to have our local president and his wife host an ice-breaker at his home. This year Jim and Jackie Maicki out-did themselves. We all want you to know how much we appreciated your hospitality Jim and Jackie.

Tuesday morning started with a lumber-jack style breakfast at Gordon & June Graham's home. Then it was off to Plum Hollow Country Club for lunch. Some 180 members and guests turned out. The following Rameses were in attendance, Dawson, Bader, Jones, VanEvery and Hall.

The Hoo-Hoo of the year award was presented to Clifford H. Williams, 38045 for his many years of devotion to our club.

Rameses Dawson presented the Snark with a properly engraved hub cap for an Olds. He also received a wooden snow shovel. After reading of the snow in his part of the country, he will need it. We did save a few minutes in the schedule for the Snark to make a few brief remarks and present certificates of appreciation to

some of our members. After raffling off numerous gifts, including a case of bananas (the winner complained because he didn't get a monkey to help eat them) our Christmas Luncheon of 1985 became history.

Next back to the Grahams for a brief cocktail party, before going to The Huron River Hunting and Fishing Club for dinner. The joke of the evening was to see the look on the Snark's face when the waitress placed a three pound porterhouse steak before him. As Al has said in the past, "I'll never let you down," he didn't. It took him about three hours to get it all down, but he made it.

Al and Georgia, it was great to have you here in Detroit. We all look forward to your return.

Health, Happiness and Long Life.

DETROIT - President Jim Maicki (left) congratulates Hoo-Hoo of the Year Clifford Williams L-38045.

DETROIT - International 1st Vice President Jack Jacobson visits with Lee Stacey (center) and Ken Hallgren.

DETROIT - Tommy Thompson (l) and Lynn Edey from Toronto Club 53 talk with Ran Leech (second from right) and Rameses 72 Jimmy Jones.

DETROIT - Members from the Saginaw Club are (l-r) Dan Squires, Joe Kishaupaugh, Dave Millerwise, Tom Offer and Snark Al Meier.

## Jurisdiction III

### PORTLAND CLUB 47

Forty-three enthusiastic Hoo Hoo members attended the September meeting to elect new

PORTLAND - Snark Al Meier installs the new officers: (l-r) John Fullmer, Pres.; Bill Youngmayr, 1st VP; Harvey Hatfield, 2nd V.P.; Jim McCarthy, Secretary-Treasurer.

PORTLAND - Past J-III S-9 Darrell Pardee congratulates John Fullmer on becoming 1986 President of Club 47.

officers and kick off the 1986 season. Al Meier, Snark of the Universe, a welcomed guest, was asked to use his supremacy as Snark of the Universe to install the new officers. The new elected officers are John Fullmer, President; Bill Youngmayr, 1st Vice President; Harvey Hatfield, 2nd Vice President; Jim McCarthy, Secretary-

Treasurer; and John Pein, Vice Gerent Snark.

The next meeting will be Thursday, October 24 when we will hold a concat for new members. A stag poker night will be November 21. The ever popular Christmas Party will be December 13. All Hoo Hoo members are welcome to attend.

### WINEMA CLUB REPORTS

#### NOVEMBER

The November Concat was a great success, with 8 kittens smelling the black cat's breath — Let's all welcome, Robert Broadhead, Weyco; Bill Hunt, Ore. State Dept. of Forestry; Howard Keown, Modoc; Sidney Lilienthal, Thomas Lumber; Ted Paddock, Circle DE; David Woodard, Weyco; Waihun Yee, Cascade Tbr.; & John Brosterhaus, Columbia Plywood. A new member by transfer and reinstatement is Rod Dodge, Columbia Plywood — Come

to our meeting gentlemen, and enjoy yourselves.

#### OCTOBER

"Foresters" Nite at Chiloquin — Very well arranged - Super food, and some of the guys really "pigged out" like going through the lines three (3) times! Speaker Al Stone with some early (circa 1930) logging, high lead & railroad near Mt. Rainier in Washington, plus a lot of footage of "Shay" type, gear driven Railroad Engines provided an excellent program — We really took it "in the shorts" on attendance, however, since

only 27 bought tickets and we'd guaranteed 40 — Can't stand too many of those! Anyway, "Well done" foresters!

#### SEPTEMBER

"Old Timers" Nite at Collier Park with about 50 in attendance — Only four (4) "old-timers" though. Made a short tour of the museum, then a lantern-lite meal of "steak & beans" by Fred — Very few Mozzies, it didn't rain, a short meeting, and we were on our way home by 8:30 - thanks Chef Ehlers and some wives for the very good chow!

## NORTH CASCADE CLUB 230 TO HOST 1986 MINI-CONFERENCE

The Everett-Pacific Hotel in Everett Washington is the location for this years Jurisdiction III Mini-Conference. The dates for the conference are May 30, 31, and June 1.

The following is the schedule for this years conference:

Friday May 30 - Registration and Ice Breaker Cocktail Party.

Saturday May 31 - Members only breakfast and business session. The ladies will have a brunch and a choice of a tour of the Ste. Michelle winery or a tour of the antique stores in the town of Snohomish. In the afternoon a golf outing is planned. To end the day we will have an evening of cocktails, dinner, awards and dancing.

Sunday June 1 - There is a no host brunch at the hotel.

We are trying to provide one of the finest all around conferences that we can. We want you to come and help us make it so.

The Everett-Pacific Hotel has easy freeway access, 24 hour pool and hot tub, and is close to several restaurants. For reservations the phone number is 206-339-3333.

Please note the golf and Sunday brunch are no host.

### TACOMA-OLYMPIA HOO HOO CLUB 89 Land of the Snark

We enjoyed a joint meeting with the Seattle Club and North Cascade Club on November 12. Total attendance was about 140. All of jurisdiction three was invited. The Best Western Motel at Federal Way did a nice job with room, booze and food. Guest speaker was Bill Yeend from KIRO-Radio. He held our interest and gave the Snark of the Universe a fine interview on his KIRO radio show the following day. Al Meier did a fine job telling the public what Hoo Hoo is on the local and international levels.

Al Meier was our Guest of honor at this meeting. Jurisdiction III is proud of him; and look forward to a year of increasing membership

because of his efforts. He informed us that Hoo Hoo has been losing members. We must increase our efforts to keep current members; and at the same time reinstate the drop outs. We must recruit new members who have a genuine interest in the forest products industry. People who will help us make the industry thrive and come alive.

Steve Mattson introduced Robert Vandewall, Jack Jacobson, 1st International Vice President, Bill Patterson, Supreme Nine Representative. Each was very informative and all stressed keeping our member's interest in participating in club activities. Members should be welcomed and get them involved in club activities.

We have set a goal of a 10 percent increase in membership. This means we need about twenty new Kittens for the February 4th Concat.

We will set up membership teams at the January 1986 meeting. There will be prizes for the team bringing in the most new members.

At this meeting Club 89 presented the Snark with a very attractive and expensive piece of luggage. We spare no expense for the Log & Tally Cover Boy for November 1985. Our congratulations to L-71555. I heard some of his competitors say they hope he keeps the bag packed and on the road. Twenty members won turkeys in the raffle.

Al was also presented with a very large congratulation card by member artist, Bob Brokenshire. All guests at the meeting signed and wrote a few words of wisdom. Al said this will be nice when I am 80 to look at it and remember all my friends.

If you have not paid your club dues, don't drop it, DO IT!

**WILLAMETTE VALLEY  
HOO-HOO CLUB**

The September meeting started our year out with a general business meeting conducted by President Cone. Willamette Valley Club 33 was honored by Snark Al Meier, making us His first official visitation. Al is from Tacoma, WA and we hope he will come down again next spring.

For your information, the new Supreme Nine for Jurisdiction III that our club is in, is Bill Patterson from Klamath Falls. We look forward to Bill visiting our club in the near future.

Please welcome new Board of Directors Paul Hammer - Westside Cash & Carry; Doug Gregg - Blue Heron Forest Products; and Bill Chase - Weyerhaeuser Company Cottage Grove. Bill is a past president of the Klamath Falls Club and recently fresh from helping plan the 1985 International Convention at the Twin Cities. Welcome to the group, guys!

Dues are coming in fine. Just don't let them stop until we are all

paid up! If you somehow missed last year, reinstatement is just \$24.99, like regular dues. New member dues are \$26.99, all of going to the International. And, we need new members! I know all of you must have someone or some people that ought to be in Hoo-Hoo. Get their names, get an application, get their \$26.99 and most important of all, get them out to Hoo-Hoo meetings! Let's get people interested in Hoo-Hoo again. We need some new blood to help out the old. Get the new people out and we will try to put together a Concat in the spring.

At the September open meeting, a lot of ideas were brought up by the membership and your Board will be discussing these in the future. Hopefully, we can put together a schedule for 1986 that will be pleasing and get folks out to Hoo-Hoo again. Rich has a goal to raise membership to a higher level and get some interest back again. Let us know how we are doing. Take a look at who is on the Board and who your officers are.

**HOO-HOO CLUB OF  
SPOKANE 16**

Members of Spokane Hoo-Hoo Club honored their wives on Thursday night December 12th, with a "Womens Night Out" dinner party at the Spokane House. The Christmas Spirit, good fellowship, and fraternalism prevailed at this "special" gathering, presided over by President Perrin Zanck and his Mary.

Three prizes were raffled, and some extra money went to the club treasury. The winners were Howard Peuck, Norm Mikalson, and Mary Kay (Mrs. Kris) Wales.

**A GREAT YEAR AT  
NORTH CASCADE CLUB 230**

North Cascade Hoo Hoo Club 230 started their 1985-86 year under new president Jeff Loth with a fine dinner and golf party at the Skagit Valley Golf and Country Club. The barbecue steak dinner was enjoyed by all, especially The Fry boys, Ben & Steve. Fifty-two members attended the days events topped off by a "Reno Nite" sponsored by SVGCC.

President Jeff told the membership about the convention in Minneapolis and stressed the need of attracting and keeping new members in Hoo Hoo. His speech had immediate effect as we signed up 4 new members and made plans for a mid-year Concat for November.

Our next meeting was held at the Everett Golf & Country Club. We had three guest speakers, Dick Armstrong, coach at Snohomish High School. Ken Emil, former captain of the Washington State Cougar football team and Cliff Gillis of the Washington State Interscholastic Athletic Assoc. All three did a fine job. Cliff told so many stories it was impossible to remember them all. We had 125 for dinner and many, many guests and new members.

November had to be one of the busiest meetings Club 230 has had in a long time. We had a turkey shoot in the afternoon, dinner, speeches by Al Meier and Jack Jacobson, we gave away 51 turkeys and then we had our mid-year concat. Winners at the turkey shoot were Steve Dorsey top

prize of the Poncho Forrester Trophy, Tom Reck, first place division one. Herb York, second place division one. Loren Anderson got first place division two and Mel Smeder got second place in division two. Ron Smith got low score of 27 our of 50, so we had some pretty good shooters out there this year. Mel Smeder put in alot of hard work and deserves our thanks for a fine job.

We had 140 members, guests and prospective kittens at our dinner. After dinner Snark Al Meier and First V.P. Jack Jacobson gave talks about Hoo Hoo and their concern over declining membership. Al was prepared to show us his short slide presentation, but unfortunately the bulb burned out and he had to give his

(Continued from Page 23)

speech without the slides.

Then we gave away 50 frozen turkeys, 10 to winners at the trap shoot and 40 turkeys as door prizes. Ron Garka put the live turkey into the cage so that it could pick its own new owner. Congratulations to Lonnie Schroeder for being the proud owner of a live turkey. Reports are this was a large bird and dressed out at 30 pounds.

Heading Jeff Loth's speech on the need of new members and the pleas of Al Meier and Jack Jacobson we held a Concat in which 29 kittens were brought into the order. There were only 22, but we signed 7 new ones during the meeting. With these 29 and a minimum of 11 more who couldn't make the November meeting we are

going to challenge our goal of reaching Number One in membership in all of Hoo Hoo.

Our thanks to Al Meier and Jack Jacobson for leading our Degree Team for this Concat. It is not very often that a club has both the Snark of the Universe and the First Vice President at a Concat. In future years these kittens will realize the honor of having these two men help in their initiation into our fine order.

Our Christmas Party was held at the Everett Golf & Country Club again. Ninety-two couples attended. Our special guest, Mrs. Tom Dolan was given a bouquet of anthurium provided by Cliff Barlament.

Thanks to Santa, Steve Runge, for bringing good cheer to everyone in attendance. The impromptu auction of the table center pieces will

help defray some of the costs North Cascade 230 will have at the Juris III Mini Convention this year. Music was provided by Becky Fosters five piece band. Cliff Johnson and Mrs. Al Cloninger were sitting at the right place to win the cribbage boards.

At a meeting of the mini-convention committee it was decided to move this years convention to the Everett Pacific Hotel in Everett, WA. This will give us greater flexibility in planning programs for our meetings and for the ladies during the men's meetings and golf outing. So remember the Juris III Mini convention hosted by North Cascade 230. Dates for the conyention are May 30, 31 & June 1. A registration can be found in this issue of *Log & Talley*. For further information call Dick Vuori at 206-659-1621.

#### SEATTLE HOO HOO CLUB 34

The October 8th meeting was held at the Swedish Club in Seattle. Steve Mattson addressed the Club with some of the highlights of the Minneapolis convention. He noted that the new Snark, Al Meier, stressed the importance of a new membership push for all clubs.

The meeting was well attended with the members waiting patiently to hear the guest speaker. Alan D. Rowe from the Canadian Consulate General, armed with charts and graphs, voiced his country's view of their current lumber exporting policies. After his presentation, he professionally handled all of the questions fired at him. Needless to say, there were some members doing a lot of firing. We do take our hats off to Mr. Rowe for courageously coming into enemy territory.

#### November

Club 89, Tacoma, and Club 34, Seattle, had one of the most successful meetings to date. November, which is always well attended, was even better this year, with an All Star cast of guest

speakers.

Bob Vandewall, the president of the Tacoma club, got the meeting started with the introduction of our own Snark of the Universe, Al Meier. Al outlined his duties as Snark and gave some of his goals for the upcoming year.

The meeting was then turned over to Dick Erickson, the crew coach at the University of Washington. Dick talked about the U. of W.'s position in the powerful Pac 10 Conference and assured us that the University would be well represented in 1986.

The final speaker of the night was Bill Yeend, the host of KIRO radio's morning show for the Seattle-Tacoma area. Being invited to speak in front of a Hoo Hoo meeting prompted Bill to think back to other strangely named organizations that he had come into contact with. One thing is for certain: he had never come into contact with the Snark of the Universe.

After a great meal of prime rib at the Executive Hotel, the meeting concluded with the raffle of the Thanksgiving turkeys.

A special thanks goes to Les Sjolholm, Ed Williams, Bob Vandewall, and Steve Mattson for all of their hard work in putting together this very successful Thanksgiving program.

#### December

The Christmas program at the Norslander Restaurant in December was well attended by more than 90 faithful members. Back by popular demand was comedian Carl Warmenhoven who did some pretty funny bits. Unfortunately Carl did some of the same bits he did last year; oh, well, maybe we can get the Snark to give Carl some new one-liners! Later, Carl introduced Kirk Charles, a very accomplished magician, who added humor to many tricks and illusions.

Steve Mattson finally took charge of the meeting and started the annual Christmas raffle. Over \$800 in prizes were awarded.

A special thanks again to Ed Williams and Fred Scheffler for their hours of preparation.

Submitted humbly by  
Tom Vogel, 90969

**SPOKANE CLUB 16 REPORTS**

**John Howe Scholarship Fund**  
For John's long and dedicated service to the Forestry Department and the University of Idaho, and for his genuine support of the students, the forestry faculty at Idaho, has established the above mentioned fund in his name, as a perpetual endowment fund with The University of Idaho Foundation Inc. The purpose of the Endowment is to provide assistance to forestry students from the income from the Fund.

**Hoo-Hoo International**

New Snark of the Universe is Al Meier of Tacoma; 1st V.P. is Jack Jacobson of Vancouver, B.C., Canada; and 2nd V.P. is Dick Campbell of Woy Woy, New South Wales, Australia. Congratulations to all three, who have visited our Club 16, and are well known to many of us. Snark Al and Veep Dick are Rotarians, and your Secretary challenges them to come to Spokane for a Hoo-Hoo visitation (official), and attend, also, a Thursday noon meeting of Rotary Club 21.

**Forest Clinic Foundation**

The Forest Clinic Foundation Directors Ernie Wales, Albert Stadtmueller, and A. Lorin Hearst have awarded scholarships of \$1,000 each to: Steven Alan Chaput of W.S.U. and to Carl Harrison and Ronald Hinthern of Univeristy of Idaho.

**Thanks**

Our sincere thanks go to Bill Lenten Dellen Wood Products and Wanda Hudson for the wonderful, informative Hoo-Hoo Roster and Activities Calendar that Dellen Wood Products so graciously printed for us. Your secretary refers to it often, and we are sure the members also will find it of great help to them.

Our great thanks go also to Bestway Structures, our hosts, owners, Al Bair, Cecil Cleveland, Gary Smith, and to Joyce Thompson, who served the dinner prior to a fine tour of the Plant. This is an interesting and efficient plant, which makes wood trusses, wall panels, and other wood products.

**Personals**

Greg Tichy has been appointed a

member of the International Labor Organization, and will attend a meeting of the I.L.O. in Switzerland. Congratulations to Greg on this appointment to the same position previously held by his father, the late George Tichy.

Victor and Virginia Wakefield recently celebrated their 50th Wedding Anniversary. Congratulations Vic and Virginia.

We are saddened to hear of the death of former Supreme 9 Larry Hurd, long time Secy-Treas. of Tacoma-Olympia Hoo Hoo Club.

Let us be your inventory for  
**REDWOOD**

Wholesale...so you can  
make a profit

We have a large inventory of:

**HOO-HOO CLUB OF  
SPOKANE 16**

February 14, 1986 will be Valentine Day, and we will honor our Valentines with a fine dinner at the Spokane Club. The featured speaker will be Dorothy Powers.

At this time, we will recall 65 years of our Club 16, which was founded in January of 1921.

**NEW MEMBERS**

David T. Kauffman 80869 was reinstated after working and living in Arizona. Dave was formerly with B.J. Carney Pole Co., before going to Arizona.

Dave now owns and operates Chewela Wood Products at Chewelah.

Cal Fenter, of Tans-Mar Inc. (a lumber reload operation) has been sponsored by Ted Shoemaker of Wales Lumber Co.

**SYMPATHY**

Our sincere sympathy is extended to Mrs. Leigh (Pat) Wallace on the death of her mother, Mrs. Clyde Kinney of Great Falls, Montana.

**ELECTIONS**

Walter Ruffles has been elected Assistant Secretary of Spokane's School District 81 Board of Directors.

**"CARE, SUPPORT HAS BEEN  
OVERWHELMING"**

from the Coeur d'Alene Press  
Coeur d'Alene, ID  
October 25, 1985

**EDITOR:**

Two and a half years ago my husband Gil Mitchell was diagnosed as having Amyotrophic Lateral Sclerosis, better known as the Lou Gehrig disease. This affliction tends to destroy the muscles of the entire body. Gil's started in his face, and then progressed to his throat and chest. It has now affected his arms and legs, too.

The care, concern and support that has been shown him and our family has been overwhelming.

On Saturday, Oct. 5, a special

honor was bestowed on him by the North Idaho Hoo Hoo Club. I would like all Kootenai County to know about the generous act of these dedicated lumbermen.

Sen. Terry Sverdsten, a Hoo Hoo member, solicited the club and other friends and fellow employees in the area for donations which enabled them to send a sizable check to the Lou Gehrig Foundation in Gil's honor, to be used for research.

In addition, six of the club members came to our home to visit Gil and presented him with a beautiful engraved plaque thanking him for his years of service to the lumber industry and his fellowman.

THE SMELL OF SAWDUST

Take attar of roses, imagine cologne,  
Oh, each has an order, a smell of its own,  
The lilac, the lily, arbutus in May,  
They all have their perfume, all right in a way,  
But nothing can equal, can equal or will,  
The smell of the sawdust that comes from the mill.  
I've walked in the meadows, I've wandered the wood,  
I've picked all the posies a man ever could,  
I've smelled the verbena, it surely is fine,  
But nothing can equal the smell of the pine.  
I know where the nectar the richest'll spill,  
It comes from the sawdust that comes from the mill.  
There's something about it, it's hard to say what,  
There's something about it the rest haven't got.  
Your honey is sickish, your perfume is faint,  
But sawdust is all that the other things ain't;  
It's cool as the breezes, as moist as the rill,  
The smell of the sawdust that comes from the mill.  
I'm sick of the city, I'm tired of the town,  
I think I'll go back and settle me down  
Some place there is timber, some place there is saws,  
A band and an edger and trimmer because  
There isn't a tonic, when someone is ill  
Like the smell of the sawdust that comes from the mill.  
And when I pass over, and when I am thru,  
Up yonder in heaven I know what I'll do;  
I'll stand by the gate and keep watching for those  
Who come with the smell of the pine on their clo's  
For even in heaven, I'll want it I will  
The smell of the sawdust that comes from the mill.  
WALTER M. LEUTHOLD

(Continued from Page 28)

and a scrapbook containing notes and letters of good wishes from his friends.

Many times in past years, when I have mentioned Gil's association with the Hoo Hoo Club, people have laughed and asked, "What's that?"

I have attempted to explain they are a nationwide fraternal order of lumbermen, dedicated to a purpose, and now I shall add to that statement. They are an organized club of men who care about their fellowman and are proud to show it.

Thank you North Idaho Hoo Hoo Club.

Helen Mitchell  
Post Falls

Jurisdiction IV

MT. GAMBIER CLUB 214

Retirement

Mt. Gambier Club 214, Australia advises the retirement of Malcolm Morrison 73786. Malcy is very well known in Australia having worked for Sapfor Timbers for 44½ years. A past president of the Radiata Pine Association is but one of many achievements. Joined Hoo-Hoo in December 62 as a foundation member of Mt. Gambier, second club president, past vicegerent for SA, committeeman and hard worker and friend to all. Best wishes to Malcolm and wife Joan whose first retirement event will be a holiday in Queensland. 214 looks forward to your company in the future.

Talking of retirement, South Australia and Adelaide is the base for the Fraternal Association of Retired Timbermen, what initials!

New timber badges are the proud emblems of Club 214. Laminated out of Radiata Pine and Blackwood, a symbolic infusion of exotic and native Australian Timbers. Trevor Aston, a resolute hardwood sawmiller provided the blackwood. A beautifully stamped Hoo-Hoo emblem, club number and members name complete this beautiful badge.

WOY WOY  
HOO-HOO CLUB 260

This is the last newsletter for 1985. What a good year it has been for the Woy Woy Hoo. The smoko was a wonderful way to end a year.

Congratulations to all those involved, particularly President Dennis Jansson who worked so hard to make the last functions of the year so successful.

NEXT YEARS CALENDAR

A provisional list of meetings and function dates has been decided by the committee. A newsletter will of course be circulated prior to any of these functions.

2ND FEBRUARY, 1986. Broken Bay cruise in conjunction with Sydney Club.

10TH MARCH, 1986. Industry Panel Night. The topic for the evening will be "treated timber".

13TH MAY, 1986 or 20TH MAY, 1986. Novocastrian Golf Day.

14th JULY, 1986. Annual General Meeting of Woy Woy 260.  
SEPTEMBER, 1986. A joint meeting with either Sydney or Newcastle Club.

NOVEMBER, 1986. Timber & Forestry Smoko.

CHANGE OF ADDRESS. Please don't forget to advise the Secretary of any change of address, so that the records can be kept up to date and you don't miss out on any mailing pieces.

CLUB'S NAME BADGES. Adelaide Club as a fund raising activity, are taking orders for personalised name badges. Each badge made of timber has the members name and club engraved on it. They're a great value at \$8 plus \$1 postage, so contact the Secretary if you are interested.

CHRISTMAS CHEER. On behalf of the committee, I would like to wish all members and friends of Woy Woy Hoo, a Happy Xmas and a prosperous New Year.

Mike Enderby 91127, Secretary

BORDERTOWN 85

Bordertown was the venue of the first joint meeting between the two

South Australian clubs, Adelaide and Mount Gambier. This occurred on the June weekend, accommodation at the very pleasant Bordertown Dukas Motor Inn.

The Adelaide team was strong, Paul and Harold and Mary Wright, Carl and Grace Lindh, Max and Marg O'Reilly, Maurie and Kathy Drewer and Bob and Chris Mudge and children and grandmother. A small but determined Mt. Gambier team was Russell and Margot Hay, Laurie and Chris Judd and children, Brian and Sue and Val Page and friend Glad Bayley. Worrall and Barbara McCarthy joined the group as VIPs.

A bright start to the weekend was a beautiful Saturday night dinner enjoyed by all, a few stalwarts then lengthened the night into early morning as club people talked avidly about Hoo-Hoo with Worrall. Sunday was a day trip with the Bordertown National Trust visiting Bob Hawke's birthplace and original home then to Claytons Farm, an ambitious project to restore this very old farm where last century's time had remained still. Maurie Drewer's highlight was reading an 1884 paper to hear of a winning Port Adelaide football side beating Norwood! Then to the Mundulla hotel for the final visit. Many thanks to Michael Hutchison. Members were very generous and helped out their donation box considerably.

After a late-late lunch, rain prevented a further tour, Worrall and Barbara had to leave to catch a plane to Perth and were farewelled. Some friendly imbibing, cards and fraternalism and for some, rest, prepared the team for another lovely dinner. Main topic of conversation was from those with the special rooms — water beds, spas etc. — Carl and Grace said it was like a second honeymoon and then retired early. A small group again pushed on into the wee hours.

Monday was return home for the old and new friends and sincere goodbyes from all. A feature was the fraternalism and immediate friendship between both clubs. While numbers were the only minor disappointment relying on the old faithful, the great success gave confidence for the future. Many comments of regret have already been issued by non-attenders.

## HOO-HOO JURISDICTION IV Guidelines for Media Contact and Editorial Copy

### Guidelines for Media Contact:

1. Obtain a list of local media organisations.
2. Obtain names of responsible persons and reporters.
3. Find out deadlines for copy.
4. Make out a personalised list of contact names, media organisations, phone numbers, addresses and deadlines.
5. Try to meet the more important media people, invite them to Hoo-Hoo functions, perhaps arrange a "get-to-know-you evening".
6. Learn what they require in copy format, what they are interested in or what they believe is the public interest. Let them tell you how to prepare a news release.
7. When sending news releases to several local media, time the release so all of them get a fair go at fresh news yet are in time for their deadlines. For instance, the newspaper might not come out over a weekend — don't release the news at Friday lunch time if you want paper cover if radio and TV have a couple of days advance notice.

### Guidelines for Editorial Copy:

1. News items must actually be newsworthy.
2. Press releases should be short and precise but accompanied by photos and supporting matter.
3. Always provide a call-back reference to the article, eg, name of PR officer, address, phone number.
4. Send all releases to SPLATT as a matter of course and special ones to HHI Log & Tally.
5. Make sure facts are correct, names and initials are right, you have the right date and time.
6. If possible, have them typed clearly, double spaced if for radio and TV.
7. Use easy to read words. Use precise short sentences and short punchy paragraphs. Study the papers to learn their style.
8. Notice of coming events are written differently to publicity of events which have been held. Don't have over repetition between before and after publicity.
9. Keep a file of your news releases and of any successful written publicity.

# LAUNCESTON HOO-HOO CONVENTION October 1985 — Final Report of the Media Sub-Committee

**Objectives:** To improve our image and our exposure to the media.

### Subcommittee Team:

Brian Page	Mt. Gambier Chairman
Con Lembke	Sydney
Steve Retter	Sydney
Keith Johnson	Sydney
Paul Kelly	Melbourne
Don Kelly	Brisbane
Harvey Strack	Perth
Gareth Lazarides	Brisbane
Eddie Hunt	USA
Bill Phillips	Brisbane

As chairman, I give my generous thanks to these people who provided a very worthwhile forum and some very positive comment and recommendations at the convention and followed up with positive comment to the draft report circulated on 23 October 1985.

**Preface:** Some of the discussion revolved around the role of Hoo-Hoo itself.

Were we an industry association?  
Were we the voice of the industry?  
What did we represent? Who were we?

Our answers were generally:

1. We are the people of the industry and not a sectional or trade interest. We do not represent any single sector or group but the whole forest industries.

2. As part of this industry, we need to be more objective in helping the industry which is our host and sponsor. We raise the following as a matter of policy or decision by J4 executive but at this time endorse these ideals or objective.

(a) We must accept our role as a public relations arm of the Forest Industries.

(b) We are a service backup to the forest industries.

(c) The ideal of 50 percent membership development and fraternal and 50 percent promotion and service to our industry is a worthwhile objective.

(d) We should utilize the resources of the existing forest industry publications.

(e) We need to promote functions of an industry based nature eg help promote the timber subfloor program to merchants and specifiers.

(f) We need to promote the industry and Hoo-Hoo to the general public and tell them about our programs eg Gottstein, World Forestry Day, Bushfire Appeal, Moomba, etc.

(g) We need to promote Hoo-Hoo to our own industry.

(h) The original concept of a Watchdog Committee could be revitalised and incorporated within the Media function.

(i) Every club should have a media committee.

(j) J4 can itself be a catalyst in developing an awareness of this need and in activating media attention. For instance, J4 media releases to clubs could be prepared eg Gottstein, Bushfire Fund and other J4 initiatives which give an overall picture of Australian success.

### Specific Thoughts and Recognitions:

1. We recognise the need to provide worthwhile copy to the media. The news must be newsworthy.

2. The committee recognises that collectively, the order is involved in many worthwhile projects of industry, civic or just personal value and newsworthiness. Gottstein, the Bushfire Appeal, Timber Weeks, World Forestry Day events, Awards to students, charitable events etc. Hoo-Hoo is a newsworthy body.

3. The committee also recognises however that collectively, we have not utilized these media assets to their full potential. Clubs and J4 need to be more active in regard to the media. For instance, J4 could

(Continued on Next Page)

(Continued from Page 39)

prepare media release to help clubs, eg, updates on Bushfire Appeal, contribution to Gotstein, Snark's visit. Clubs could provide media releases to other clubs on important events. Clubs could ensure their own events are put actively to the media. These must be done at the time while the news is hot.

4. We recognise the need to prepare copy properly. Full details and work input are required. Copy that is well prepared, 100 percent prepared or at least 80 percent prepared has a 50 percent chance of acceptance. To this end, the subcommittee has prepared guidelines for editorial copy. These are attached.

5. Having prepared copy, we recognise the problem in delivering it. Who is the media? What are contact points? What are the publication deadlines? To this end, the subcommittee will prepare a list or directory of media contact sourcing some of the following

- (a) Industry, eg, AFII, Aust Timberman, Victorian Timber News
- (b) NZ
- (c) Selections from Country Press Index
- (d) Company magazines, eg, Stihl
- (e) Associated industries, eg, furniture guilds, SA Builder and providing contact names, addresses and deadlines.

6. We recognise the difficulties of attracting the attention of national or capital city press. Smaller towns are much easier. We must be prepared to be

- (a) Persistent, try, try, try.
- (b) Use PR personnel to include Hoo-Hoo content in their news release eg Timber Talk in Adelaide's Sunday Mail.

(c) Build our image in the friendly trade press and use this as a base to get into the press and other media.

(d) To work on our lack of media identity.

(e) To try and meet media representatives. Invite them to functions. Find out what they want in the way of copy, what they are interested in the timing of copy and supporting information.

7. As part of the Media Improvement program, the old idea of a Watchdog Committee was raised not only to communicate media or other actions within Hoo-Hoo but to communicate to the media and promote the industry by eye-ball to eye-ball contact, ie, talk to TAFES, schools, service clubs. Every club should have the Watchdog role as part of its objectives and should provide vital activity in this area.

8. Resource Material is required by clubs. We suggest approaches to Associations such as RPAA, TDA, PAA to provide resource material, a few examples are

Establishment of softwood plantations

Tasmanian hardwood resource  
TPC concrete floor activity  
Engineering design in wood  
Innovative use of panel products  
The importance of the industry to the nation

Economics of wood compared with competitor products

Wood preservations extending the role of wood products and this information should be available in modern media form such as videos, canned slides formats, etc.

9. We need to develop a capable group of Hoo-Hoo and Timber Industry identities at a club and national level. These identities should be capable of delivering meaningful addresses to public bodies (TAFES, schools, service clubs) using their own material and the above "canned" information.

10. We need to promote the availability of these seminar and after dinner speakers and to use them as referral points and contacts to handle any difficulty issue.

11. The Media Committee saw SPLATT as an image building tool within our industry. We suggest a wider circulation to the industry and friendly press and to potential advertisers. Wider circulation could help it be more self supporting (advertising).

12. Every club should have a Media or Publicity Director. He should head a subcommittee of helpers or at least an assistant. This Director should report regularly to club and club executive meetings and involve members in media ideas and activities. The watchdog concept is

part of this directors portfolio. The section "ideals or objectives" under answers 2 is a basic philosophy for this committee.

#### In Conclusion:

We found it difficult not to stray into the areas of other committees but so many areas overlap, eg, Media-SPLATT, Media and Image-Membership, etc. We believe the suggestions in this report are worthwhile and if adopted in part or totally by J4 and individual clubs can only be of positive benefit to Hoo-Hoo. The new taxation practices do imply that Hoo-Hoo should be more business like and identifiable as a business activity or else, companies and taxation authorities will not accept us, will not support us and the order will die. Consequently, the Media-Promotions function does become a major development area for Hoo-Hoo. We hope clubs and J4 find this treatise helpful in setting their Media-Promotions objectives and that the various comments and guidelines are useful in putting this program into practical effect, eg, how to do it. If clubs can improve their media effort and effect then, the proposed media award at next convention will become as important and as valuable as any of our awards.

On behalf of the Convention Media Committee

### NOTES FROM BRIAN PAGE, VICEGERENT SNARK FOR SOUTH AUSTRALIA

North East Victoria Club 236 held their first V.I.P. night on 12th June, a panel night with the Timber Preservers Association. It was attended by over 80 people including a local M.L.C., visitors and kittens.

Melbourne Club strongly supports their sponsored clubs. Peter Roberts and a team of Melbournites attended and really helped the meeting along.

July 12th was charter night for Cairns Club and culminates seven

(Continued on Next Page)

(Continued from Page 40)

years of effort by Bill Phillips and others. There were approximately 30 kittens concated.

This new club and members push total J-IV membership up to 1000.

Convention - Launceston 16th-20th October, 1985.

By now, most attending members should have sent off their registration forms.

Pre-Convention tours will be popular so book early. Don't forget the Dinner Dance on the Friday night prior to the convention. This will follow the Golf day at the Riverside Golf Club on October 11th.

#### Bordertown Weekend.

A successful weekend, and enjoyed by all those who attended. Both clubs agree it should be an annual event, and thought is being given to another next year, perhaps at Robe or some other venue in the South-east.

How to respond to a request for money.

The following is a reply received by our Treasurer, Maurie Drewer, after a request for membership fees.

In reply to your request to send a cheque, I wish to inform you the present condition of my bank account makes it impossible.

My shattered financial position is due to Union Law, Liquor Laws, Federal Laws, Mother in laws, and Outlaws. Through these laws I am compelled to pay business tax, super tax, excise tax, sales tax, petrol tax, payroll tax, and amusement tax (of which I have none). Even my brains are taxed.

I am required to hold a business licence, car licence, dog licence and marriage licence. For my own safety I am required to carry life insurance, property insurance, liability insurance, fire insurance, accident insurance and quite a few others that I can't remember. My business is so governed that I no longer know, nor can I find out just who owns it.

I am constantly inspected, suspected and disrespected. I am examined, summoned, fined and compelled to supply an inexhaustible supply of money for every known need, desire or hope of the human race.

I can honestly tell you that excepting for the miracle that

happened I could not enclose this money.

The wolf has come to the door so often that if now sleeps in the kitchen. Last week it had cubs. I sold them and here is the money!

Exhausted Member

#### Guest Speaker - July Dinner Meeting.

For those who did not attend and hear Glen Jones speak on the approaching Grand Prix, you certainly missed a detailed and informative presentation.

Glen started by showing the video tape advertising the Grand Prix, which was due for release in Australia and overseas, the week following our dinner.

He then followed with an excellent address, which covered all aspects of the planning and coordination of this World Championship event.

There will be 500 security men on duty from the combined resources of the M.S.S. and Wormald, and their work will commence on September 1st when the first building work begins around the course, and climax with the Grand Prix on November 1st.

A crowd of 100,000 people is expected to attend race day, so they will be kept busy, as will the S.A. Police Force.

Restricted access to areas surrounding the circuit will be extremely inconvenient, but a necessary evil. Residents and Businesses will be given a community kit in July, detailing how to obtain permits to drive and park in the restricted areas surrounding the circuit.

The track itself is a specially formulated compound developed by the State Government, Highways Department. A feather in their cap, is that they were recently called overseas to offer advice to the Detroit G.P. organizers. This G.P. would have been cancelled, as was the previous one, as the track was "breaking up". The G.P. went ahead on schedule, which is a measure of their expertise in this field.

You will notice in your travels that all "manholes" have had to be concealed in the circuit proper. This is because of the downdraft aerodynamics of the cars, which would "suck" them up and cause

serious damage to the cars and injuries to the spectators lining the tracks.

The Grand Prix Authority has hired all the available temporary grandstands available in Australia for the week. However, they still had a need for more "Corporate Boxes", and have had to erect an extra stand purchased by them which will be re-used for next years G.P. These boxes sell at \$25,000 a "pop", anyone interested in the club can contact Glen at the G.P. Authority.

The apparent budget for the first year is in the vicinity of \$12m with an expected deficit of \$2.5m. However, the benefits to local businesses, hotels, motels and the tourist industry will probably amount to 5-10 times this expected deficit.

In proposing a vote of thanks, Chris Edwards, commented that the authority certainly has not left any stone unturned in the organization of this world class event. He then presented Glen with the usual bottles of red and white wine to show the clubs appreciation.

Ed

#### New Member

Your Executive Committee has received and approved an application for membership from John Cox, from the Timber Merchants Association.

A concat will be held at the earliest opportunity.

#### W.J. Rees Memorial Award.

Your Executive Committee are close to finalising the details of the award. We are only waiting on the S.A.I.T. to approve the format, and then a report will be presented at a dinner meeting and in the Cat-a-log.

Jim Philcox has been elected as Liaison Officer, to canvass companies for donations to raise the fund to a balance necessary to perpetuate the award.

Please be receptive if you are contacted as all donations are tax-deductable and will be gratefully received.

#### Timber Week-1986.

We have received approval to have our plant stall in the Rundle Mall during Timber Week, 1986.

#### Open Forum.

Planning is well underway to hold an open forum at the November

(Continued on Next Page)

(Continued from Page 41)

Dinner Meeting which will be a first for our club.

The panel will consist of a cross section of Industry from the local government scene to specifiers.

Make a note in your diary now!

Adelaide Club Stalwarf, Max Cosh, has just been discharged from hospital after another major operation and is recuperating at home.

We wish him a speedy and complete recovery, and hope to see him along at some future dinner meeting.

Election of Officers 1985-86

Due to the inability of Vice-Gerent Snark, Brian Page, to attend, Max O'Rielly installed your Executive Committee for the coming year. The Officers elected are as follows:

- |                |                 |
|----------------|-----------------|
| President      | Murry Stone     |
| Vice President | Jim Philcox     |
| Past President | Paul Wright     |
| Secretary      | Frank Harris    |
| Treasurer      | Maurie Drewer   |
| Committee      | Trevor Keenihan |
|                | Lee Taylor      |
|                | Bob Mudge       |
|                | Ray Coulin      |
|                | Brian Urlwin    |

Gurdon

Editor Cat-a-log Trevor Kennihan  
Hon Auditor Peter Childs

News Flash

Old Adelaide Timber Identity. Ian Marks, who is now employed by the T.M.A. in Victoria, is a little red faced at the present time.

It appears that he sold a house next door to their office building and signs have appeared advertising that it is now a Brothel!

Could this be a case of members of the T.M.A. now being able to get a bit on the side?

Poetry

Brian Urlwin has remarked that there has never been any poetry in the Cat-a-log since I took over as Editor. The following page should ensure that he never mentions the subject again!

Ode to Brian Urlwin

(censored version)

For 45 years I've been bugged  
With all sorts of horrible pains  
I've had every ailment I reckon  
From rupture to varicose veins.  
Neuritis with me is a hobby  
I've bunions and corns on my feet  
While I seem to breed stones in  
my kidneys

Like bloody great lumps of concrete.

I've spent a small fortune on chemists

And lain months on hospital beds  
And the stuff that I've taken to shift them

Has torn my poor bunghole to shreds

I've a sciatic nerve that's torture  
And I'm told I've a valvular heart  
And if I strain in the toilet to

often

It almost tears me apart.  
My digestion at times is quite putrid

If I have a square meal I feel ill  
And I get an unpleasant sensation

Like swallowing a bloody great pill.

Despite the advice I am taking  
There isn't a day I feel fit  
And it takes an ounce of

gunpowder

Before I can have a Tom Tit.  
So my time is all spent in the outhouse

Or moaning and groaning in bed  
While my pals simply mumur

when passing  
It's time the old bugger was dead!

### VANCOUVER CLUB 48 SPONSORS ANNUAL LADIES NIGHT

The Ninth Annual Ladies Night Dinner and Elimination Draw was held Saturday, October 19, 1985 at the Terminal City Club in Vancouver.

The first Prize for the drawing was \$1,000 plus additional cash prizes.

Entertainment and dancing with the always fantastic smorgasbord dinner was put on by the Terminal City Club.

Merna Flach, Diana Merae, Fran Giles, Sharon Gosse were the intermediate prize winners. The last five in the draw were Gail Van Leeuwan, Jan Maddison, Giselle Anderson, Jane McQuarrie, and Helen Julseth. The final winner of the \$1,000 was Helen Julseth.

It was a great evening that was enjoyed by everyone. Dan Steer and Bob Diachuk did a fabulous job lining up the event.

### TORONTO CLUB 53 REPORTS

Just a brief note this month about the convention in Minneapolis. There were about 80 to 100 delegates attending representing twenty clubs from Australia, New Zealand, Canada and the U.S.A. The main agenda of the convention was membership with different views on how to get members and keep them interested in club activities. Toronto Club 53 was in the top 20 clubs in membership with 140 paid members registered.

Toronto Club 53 donated \$100.00 to the memorial fund which we do every year in memory of our members who have passed away in the past year. We also donated an additional \$50.00 which was raised from the sale of golf hats we had left over from our club, we have been trying to sell these at our golf tournaments with little success for the last few years. Keith Waddell suggested we take them to the convention because last year other clubs had items for sale. We successfully sold all our remaining hats, they were the hottest item at the convention. Other were upcoming conventions, next years being in New Hampshire. This will be very

convenient for our Toronto Club members as it is only a short drive to Mount Washington Hotel at Bretton Woods, New Hampshire. Watch for more promotional material in your Cat-O-Log and *Log & Tally*.

Getting back to our club, our first meeting will be on Monday, October 21st. And I would like to see as many members out as possible. Ralph has arranged for a quality speaker with a very timely subject to kick off the new Hoo-Hoo year so let's show our support.

Your president  
Lynn Edey

### HOO-HOO GOLF TOURNAMENT 1985

Once again someone up there smiled on us with such glorious weather that even old rain-cloud Bader himself didn't get a drop. (Of rain that is.) With temperatures ranging into the high 20's, a slight breeze to offer a cooling moment, and bright sunshine for all, you couldn't have asked for a better day. The golfers responded with some fantastic scores. Of the hundred who participated, 35 were under 100, and

another 40 were from 101 to 116, and the balance ranged from there to embarrassment.

Top prize of the day was claimed by Hoo Hoo member Bill Leak 90207. With a gross 82, Bill won the John Hickey trophy, and the beautiful Quebec carving presented again this year by Vicply's Jim Hickey.

Bruce Bisailion won the Crown Forest Don Barklay Trophy with a fine net 73.

Best round of the day was shot by Paul Skinner with a magnificent 75, while he awaited the results of his wife's labour and the birth that night of a new daughter. Those of you who let some weak set of priorities interfere with your playing in the tournament would do well to notice how a real golfer arranges the important things in life.

Guy Pyzelman won the Hoo Hoo Best Putter trophy, and also placed third low gross. His 29 putts put him in a class by himself.

Our closest-to-the-hole prizes were won by Bruce Walkey (2), Bill Leak, and Ted Gardner, and Jim Litwiller won a collection of other

*(Continued on Next Page)*

*(Continued from Page 44)*

games as a subtle hint with his Most Honest Golfer award.

Gord Pace, playing with his fabulous new clubs, was the day's lowest net score with an amazing 70½ net. Who says you can't buy a better game?

The amount of work required to make a tournament a success is really quite staggering. For this reason a vote of thanks has to go to Ralph Ayers who worked with Gord Condie to arrange the many-times changed starting times, bought most of the undonated prizes, and was on the tee bright and early to take the money and act as starter. Ralph helped Gord compile the scores, also assisted by Bruce Bisailion, and Ron Marchetti. Other members of the committee who gave of their time were Steve Boghossian, Kirk Thompson, and Bob Walker. For 1986 we will again require a committee and chairman. Volunteers may call Ralph Ayers and

present their credentials.

A final note of thanks must go to all those who donated additional prizes to what is one of the finest prize tables in the business.

### Hoo-Hoo Golf Prize Winners for 1985

Bruce Bisailion	Bob Walker
Guy Pyzelman	John Derossa
Bruce Walkey	Mike Duva
Ted Gardner	Andy Etamanski
Paul Skinner	Geoff Carr
Gord Pace	Richard Wand
Carmen Valento	John Plouffe
Gord Condie	Gerry Omand
Al Walkey	Larry Tomkin
Dave Buchanan	Dave Morrow
Bill Buchanan	Bob Carrick
Grant McCallum	Ian Anderson
Norm Thomas	Homer Auger
Bill Erwin	Dave Pulchinski
Richard Keeso	Mike Angle
Kevin Shotbolt	Les McKimmie
Paul Weaver	Lynn Edey
Jim Litwiller	Ralph Ayers
Jay Hawley	Al Gallander

Brent Steif	Peter Cribbs
Jack Playford	Bill Leak
Bob Patterson	Ernie Warnica
Tom Lewis	Dan Gregg
Bob Whitmore	Ron Marchetti
Frank Bodogh	Pat O'Malley
Harold Keeso	Mark McCormick
Vello Hansen	Joe Whitmore
Cesar Franco	Bob Burwick
Total 61 Prizes for 100 golfers.	

### Prize Donators

Vicply	Britannia Wood Mldgs.
A.F.A.	Goodfellow lbr.
C. Itoh	Gord Condie
T.N.T. Golf Club Mkrs.	Read Bros.
Wanderossa	Northwood
Merchants Conso.	

If we have missed someone who placed a prize on the table without our noticing, please accept our thanks in your anonymity.

### VANCOUVER CLUB 48 HOLDS CONCAT AND CRAB FEED

The Vancouver Hoo-Hoo Club 48 held its annual General meeting, Concat and Beer & Crab Feed at the Bella Casa Restaurant. It was a really great night with the election of officers and directors, and 16 kittens were initiated at the concat. The meeting was well attended and a good

time was had by all.

New officers for the 1985-86 year are as follows: Past President, Dan Steer; President, Roy Anderson; 1st Vice President, Bob Diachuk; 2nd Vice President, Ted Hill. Elected to the Board of Directors were Omar Derkach, Frank Scott, Doug Easton, Bern Daye, John Hrube, Jr., Morley Deans, Dave Campbell, Earl Wilcox,

Ian McFall, Joe Gosse, Bob Fladgate, Jan Hermans.

The kittens were Nels Sinclair, Bob Gervan, Dave Gillis, Robert Latham, Richard S. Mackie, Brian McCormack, Mike Hamilton, John Kelvin, Glen Shipendonk, Tom Mullin, Mark Lacovie, Nigel Rose, Bert Schiller, Ron Tycholaz, Vic Varcoe and Stu MacRury.

### BLACK BART HOLDS CONCAT

The Black Bart Hoo-Hoo Club 181's 29th Annual Concat was held in Santa Rosa, Calif., November 13, 1985. Sixteen kittens successfully completed the initiation ceremony. One of our largest classes in recent years. The Black Bart board decided this year to test this class of kittens more fully. Making the Concat a little more interesting for Current Hoo-Hoo members and more memorable for the kittens. The success was due to a real team effort by the board and general membership.

The Degree Team consisted of the following, Gordie Martin, Rick Rosa, Del Cole, John Blatchford, Brent Crosby, David Jones, Art Safford, Ken Carter, Matt Enright, & Pat Walsh. In addition to the Degree Team the Cat Tamers were Ken Osborn, Dave LeBeck, & Bob Balfour.

Attendance was good, 50 for dinner. Program Chairman was Rick Stoltz, 1st Vice president. Rick did a good job finding a new location appropriate for this function.

Our next meeting will be "Sports Night" held January 22, 1986. This meeting also will be held in Santa Rosa. Snark Al Meier is scheduled to be visiting our club for this meeting.

In my opinion Hoo-Hoo has gotten a second wind in the central Redwood region. Lots of new interest from new and old members alike.

Health, Happiness & Long Life,  
David B. Jones L82806  
President Black Bart 181

BLACK BART - Degree team (l-r) S-9 Brent Crosby, Club President Dave Jones, Del Cole, John Blatchford, Matt Enright.

BLACK BART - Art Safford and Rick Rosa solemnly read those much beloved words.

BLACK BART - The Degree Team for the November 13, 1985 Concat.

## ALOHA SNARK OF THE UNIVERSE

AL MEIER

AND ENTOURAGE!

HONOLULU - (l-r) Treasurer Andrew Ching of Waimanu Sash & Door, President Lee Haskin of Lee Haskin Company and Vice President Norman Lum of Components, Inc. greet Snark Al Meier (second from right) during the Halloween Celebration with Honolulu Club 142. Out of town guests included Ted and Jeannette Anderson of Florida and Gil Emory & Jeff Loth of Washington. Dinner was at Royal Captial Chinese Restaurant where each course is toasted with Bourbon or Scotch.

HONOLULU - (l-r) Nagao Yamada, Jeannette Anderson, Ted Anderson. (background: Sandy Lai.) Ted & Jeannette had joined Snark Al & Georgia. Gil Emory and Jeff Loth at the October 31 Halloween Party. Jeannette was also a BIG PRIZE Winner in Australia. Ask her to tell you about it.

HONOLULU - Gil Emory (standing) shares an amusing story with the members and guests of the Honolulu Club during the Halloween party. Seated is Henry Wong of the Lee Haskin Company. The event was attended by 30 local members and their wives.

**SAN JOAQUIN VALLEY  
HOLDS 38TH ANNUAL  
VALLEY FROLIC**

On October 4, 1985, San Joaquin Valley Hoo-Hoo Club No. 31 held its 38th Annual Valley Frolic. In the afternoon a Golf Tournament was held. Mike Bakula was chairman of this event, and the following were the winners:

Gross

Mark Robinson, 77  
Joe Johnson, 83  
Gary Johnson, 84

Net

Tim Todd, 72  
Doug Lundy, 73, tied with  
Matt Korpela, 73

SANJOAQUIN - (l-r) Jean Hartssock and Matt Korpela enjoy the evening festivities.

SAN JOAQUIN VALLEY - Tom Toth (l) and Tom Martin.

SAN JOAQUIN VALLEY - (l-r) Don Oldenkamp and Dale Winslow.

SAN JOAQUIN VALLEY - Mike Bakula (l) and Ted Mathews.

SAN JOAQUIN VALLEY - Ralph Lamon (l) and Gary Johnson.

SAN JOAQUIN VALLEY - Ted Matthews (l) and Bill Burr.

**BLACK BART 181 REPORTS**

Black Bart 181's first annual BBQ & Golf Tournament was held in July. Tournament Chairman was Gary Luiz. Gary sought out sponsors and obtained cash and prizes of over \$1600.00. Virtually all Hoo-Hoo golfers won something. Already sponsorships for 1986 Tournament

are ahead of last year. Steaks at the BBQ were prepared by past President Gary Gamble, Gary is not only a good Hoo-Hoo but he can cook one hell of a steak. Any Members interested in playing golf next year contact Gary Luiz, c-o Philo Lumber Co., P.O. Box 14, Philo, Ca. 95466.

October 2, 1985 Black Bart 181 held its board meeting hosted by Jimmy Jones at his home in Napa, California. Brent Crosby, Surpeme 9, also was in attendance. Program Chairmen were chosen for all regular and board meetings for the 1985-86 Hoo-Hoo year.

BLACK BART BBQ - Past President Gary Gamble does it up right!

BLACK BART BBQ - Black Bart members just after (burp!) finishing the BBQ.

BLACK BART BBQ Z - (l-r) Front row: Club Pres. Dave Jones, Dave Damon, S-9 Brent Crosby, Jackson Finck. Back row: Gary Gamble and Bob Tjepkes.

BLACK BART BOARD MEETING - (l-r) J-VI S-9 Brent Crosby, Mark Sparso and Art Safford in background.

BLACK BART BOARD MEETING - First V.P. Rich Stolz (l) and Secretary-Treasurer Bob Tjepkes at October 2, 1985 Board meeting at the home of Jimmy & Betty Jones in Napa, California.

BLACK BART BOARD MEETING - A face only a wife could love! Bernie and Elaine Barber at the Jones' home in Napa. Bernie is the International Secretary-Treasurer of Hoo-Hoo.

## Jurisdiction VII

### REPORT FROM MEMPHIS HOO HOO CLUB 92

At our last meeting and Golf Tournament the following were elected:

Jim Caldwell President  
Tom Herga Vice President  
Jack Gosney Secy.-Treas.

President Jim Caldwell also served as president of the Memphis Hoo Hoo Club 92 in 1969-70.

The meeting held at Chickasaw Country Club was well attended and the Tournament and the Caldwell Trophy was won by Ricky Sharp.

Memphis Club 92 member, William Ronnie Jorgenson, Hoo Hoo 63004, was recently elected President of the Memphis Lumberman's Club. Since 1974, Ronnie has designed and built the solid walnut Liberty Bell that the Memphis Liberty Bowl has furnished the winning coach each year, on behalf of the Lumbermen's Club of Memphis at this annual event.

Some of the coaches who have received this beautiful Liberty Bell

include: Bear Bryant of Alabama, John McKay of Southern California, Joe Paterno of Pennsylvania State, Gerry Faust of Notre Dame, Earl Bruce of Ohio State, Tom Osborne of Nebraska, and Bill Battle of Tennessee.

Jack Gosney  
Secretary-Treasurer

### WICHITA CLUB REPORTS

We had 31 members and 4 guests at our October meeting to hear Rick Shores, from WSU Basketball. All in attendance had a good time. The door prize was won by Jack Pohlenz, and the Lapel Pin Award would have gone to Buck Alley.

We had 30 in attendance at the November meeting to hear Nick Mork from Big Brothers-Big Sisters and what they are trying to do for the kids of Wichita. We all wish him success in his work and maybe one of us can be of help with his program.

The December raffle was won by Maxine Champ. Hope it got home to you Maxine. Gary Kraisinger would have received \$25.00 if he had been at the meeting with his pin on.

Bob Hayes and committee reported on new meeting places being

researched but was not ready to give recommendations until later. Laurin Champ also reported on the upcoming dedication at Gurdon — Home of Hoo-Hoo International on March 20th to 22nd. We are looking for enough reservations from Wichita to get a bus from Wichita to Gurdon and return trip. Please contact Laurin Champ or Kent Vice if you have an interest.

### COMING ATTRACTIONS MARK YOUR CALENDARS

### IOWA CLUB 102 REPORTS

After recovering from May, June saw our 2nd ever Hoo-Hoo picnic. Beautiful weather helped the day be a great time.

July was Fund-Raising month as we held our Lumber and Building Material Auction with great success. The club made plenty for the next year.

August saw the first Hoo-Hoo Pig Roast. It was held at Leachman Lumber Company and drew in a nice crowd of 45 people. By the end of the night they had "pigged out" to the limit!

The September was just what everyone needed to relax after a busy summer! Everyone in Club 102 would like to thank Ray Hall for a fine year as president. THANKS RAY from all the club.

IOWA CLUB 102 - First row: (l-r) Ray Hall, Carle H.C. Hall Rameses 77, Robert Leachman, Robert Livingston, John Leachman. Second row: Bill Sabis, Phil Worth, Jerry Church, Dave Stolp. Back row: Chuck Leonard, Bill Vosburg, Robert Dalby, Bill Wranich, Virgil Beran.

**OMAHA CLUB 124  
HOLDS LADIES NIGHT**

For it's December meeting the Omaha Club held Ladies' Night, and all went to the Firehouse Dinner Theatre. After the dinner the theatre presented the play "I DO, I DO." It was a delightful musical comedy that

all enjoyed. About 30 couples attended, and we were honored to have with us from Sioux Falls, South Dakota our Supreme Nine member and his wife, Mr. and Mrs. Lyle Hoeck. We were pleased that they could be with us. Richard Boley was chairman for the event and did an outstanding job.

Companies represented at our Christmas program were Millard Lumber Company of Omaha, Braun, Ray Bros. and Finley Co. of Omaha, Norandex Co. of Omaha, Edward Hines Lumber Co. of Council Bluffs, Iowa and Carhart Lumber of Wayne, Nebraska.

OMAHA CLUB - S-9 member Lyle Hoeck and wife from Sioux Falls, S.D. enjoy the meeting at Omaha.

OMAHA CLUB - The Firehouse Dinner Theatre was the perfect setting for a great night out.

OMAHA CLUB - Omaha Club members and wives enjoy the festivities.

OMAHA CLUB - A night of fun and merriment was enjoyed by all at the Omaha Club Ladies Night.

**Make Your Plans Now to Be  
in Gurdon, Arkansas March 20-22!  
See Inside Back Cover for Details**

**Jurisdiction IX**

**REPORT FROM CENTRAL  
FLORIDA CLUB 115**

The Christmas Dance was a success, although some disappointment was expressed at the lower than usual attendance. To those who worked hard to bring us this event, we thank you. Two presentations were made at the dance-Jim Hill was "mugged" and was presented with Mug 5 for his efforts as Club President last year. Frank Gray was presented with life membership in H.H.I. for his untiring efforts on behalf of Hoo Hoo.

Thanks to U-Save for donating an outboard motor which was raffled and won by John Hart. Several companies donated monies to underwrite the cost of the dance and also a couple of cash drawings.

Our December meeting was held at a facility near the Ben White Raceway, with members of a couple of city sponsored associations. To say it was poorly attended is an understatement. The weather provided us with a spectacular indoor waterfall, in the B-B-Q pit, however Harry Aroian, that king of the culinary wand, provided excellent ribs. Have you ever noticed the cooking class that surrounds Harry when he cooks? It looked like a Miller Lite ad!

We are down to the last 70 unpaid members. We will bring a list to the next meeting and give as many paid members possible, a couple of unpaid names, to go beg for their dues. You would think we were the bloody I.R.S.!

Let's start the New Year with support for your club! We are the FRATERNAL ORDER of LUMBERMEN - Our club has been a leading light in all Hoo Hoo Land for a number of years for a good reason. Good leadership, good programs and good people. Let's keep it going. Talk it up!

We would like to take this time to THANK Huttig Sash and Door for the outstanding job which they did for us this past year--taking complete charge of the bar, Jimmie Tucker for accepting Retention Chairman and to Scotty's for volunteering for set up and clean up for this meeting.

**ATLANTA HOO-HOO CLUB 1**

On August 28, 1985 the Directors meeting with the officers and directors was held to plan the 1985-86 year. The topics discussed were the scholarship to the University of Georgia, School of Forestry; moving the meetings to various restaurants around Atlanta; membership with a Concat to be held in November; Dick Wilson's comments.

The September meeting of the Atlanta Hoo-Hoo Club 1 was held at one of Atlanta's nicer restaurants.

Our speaker for the evening was Mr. R.A. White of Home Buyers Warrenty program. Mr. White's speech was filled with facts about the program.

Mr. Mark Tyrrell, President, told the Club of the plans for the year 1985-86 as planned in the August Directors Meeting.

The October, 1985 general meeting of the Atlanta Hoo-Hoo Club 1 was held with 26 members present. Mr. Pat Story gave a report covering the Hoo-Hoo convention. A Concat was planned for the November, 1985 meeting.

The guest speaker for the evening was Mr. Chuck McGrady of

the Atlanta Sierra Club. Mr. McGrady spoke on the ideas and plans of the National and Local Sierra Clubs. The topics discussed were conservation, politics, clear water, clean air, rivers, forest, wild life, and general membership.

There will not be a December meeting with the January meeting being held on the South side.

Atlanta Hoo-Hoo Club 1 at its November, 1985 meeting held a Concat for 8 kittens. Those concated are David Warren Lee, John Wayne Long, Lou Naumovshi, Steve Dupre Scruggs, John Dennis Mitchell, Lonnie W. Davis, Jr., James F. Smith, Jr. and Sam Jenkins.

Atlanta Hoo-Hoo Club 1 and Hoo-Hoo International lost a fine gentleman and friend, Ted Hughes, November, 1985. We are sad, and this year the scholarship given by the Atlanta Hoo-Hoo Club 1 to the School of Forestry at the University of Georgia will be given in his honor and memory.

Atlanta Hoo-Hoo Club 1 wishes all fellow Hoo-Hoo's a safe, happy, merry holiday throughout the coming year.

ATLANTA - Kittens Concated November, 1985 meeting. Left to right - Wayne Lang, James Smith, David Lee, Lou Naumovski, Steve Scruggs, Lonnie Davis, Dennis Mitchell, Sam Jenkins.

ATLANTA - Pat Storey discussing Hoo-Hoo business over steaks.

**RESULTS FROM CENTRAL FLORIDA GOLF TOURNEY**

Our Semi Annual Golf Tournament was held Friday, October 25, 1985 at West Orange Country Club. We tried to make it a contest, select the best players to make each team equal, wouldn't you know, one of our good suppliers brought in a pro - Tom Moore, and sure, enough they won our tournament with a score of 3 under.

## Timber Products Company A History of Service

In 1946, a man came from North Carolina to Orlando to start a wholesale building material business. He called his company Timber Products Company.

Mr. Rourk, Sr., was a community leader and a dedicated family man — a man with vision and concern for the building material industry. He was the first President of Hoo Hoo Club 115, Central Florida Chapter, and was active in the Florida Lumber and Building Material Dealers Association.

Commodity building products was the order of business; wood flooring, doors, metal products, drywall, and hardboard made up the product line, and customers had to pick up what they needed because there was no delivery service.

In the 1950's, the area expanded to cover customers in Lakeland to

Ocala, and east to Cape Canaveral. The company had added two salesmen, which brought the total number of employees to seven. The product line began to change and today, Timber Products Company distributes thousands of products to hundreds of customers.

The company came under the direction of John W. Rourk, Jr., in 1957 after the sudden death of his father. Mr. Rourk, Jr. had just finished at Georgia Tech and was in the Marine Corps, when called home to run the family business.

In the 1960's, John W. Rourk, Jr., directed the company and began a growth program that continues today.

Over the years, a dynamic philosophy has developed in better serving the customer. "Our goal", said

*(Continued on Next Page)*

*(Continued from Page 54)*

only purpose for existence is to serve Mr. Rourk, Jr. "is not only to sell and deliver the best merchandise but to have the personnel who are experts in the product knowledge of the products they deal with."

We want to be the best supplier the dealer has ever had. Dealers are busy and that when a request is made for a price quote, availability, delivery schedule, special runs, credits, returns, literature, or specific technical information, that request should be answered promptly.

To us the customer is king. Our

the customer . . . to provide him with what he needs when he wants it in the form that he needs it at a price that will provide the most profit for continued success. Even if we don't stock it — special orders are welcome.

As a full line building material and millwork wholesaler we are a part of the dealer marketing team and are continually searching for new products to help the dealer grow. We also provide the dealer the opportunity to become more knowledgeable about the products they sell.

All personnel are thoroughly trained on a continuous basis in customer relations and product knowledge including field product tours. We want to have the best trained sales force in the industry.

Our sales catalog prices are continually updated and current literature is provided to the dealer. Our salesmen have an average of eight years of experience and are available to provide special sales and product knowledge presentations.

We appreciate and thank every customer for giving us the opportunity to serve them.

### A NOMINATION . . .

Dear Sirs:

It is with pleasure that I place, in nomination, for Supreme Nine, Jurisdiction Nine-Frank Gray L86375. Frank has served this Jurisdiction diligently, as Deputy Supreme 9 for 2 years, and is well known and respected by all clubs in this Jurisdiction. Frank organized our First Jurisdiction mini-conference, which was a great success. He has ably supported me, for over 2 years and is a credit to Hoo Hoo.

Respectfully,  
Philip A. Cocks L77298

### . . . AND THIS

There once was a man from Pt. Said  
Who fell in his outhouse and died  
His unfortunate mother  
Fell down the other  
So now they're interred, side by side.  
I dedicate this poem to Worrall McCarthy, whose efforts to elevate outhouses have never been deterred.  
Phil C.

#### TAMPA BAY CLUB 225 REPORTS

December has been a busy month for our club. We have formalized our calendar of events and activities for 1986.

We had Mr. Ralph Heath, director of the Suncoast Seabird Sanctuary, as our guest speaker for our December meeting. Our club has been a loyal supporter of this organization and many of our owners and employees donated the materials necessary to rebuild the sanctuary after Hurricane Elena decimated the

facility.

Our family Christmas party was a big success and was well attended by members and their wives so that by evenings end all were of good cheer.

We will have another guest speaker at February's meeting from the Contract Builders Association to speak on filing liens and other legal procedures involved in our business.

March will find our chapter having a concat on the 17th, so that we may once again contribute our share toward increasing total membership. We hope to have Snark of the Universe Al Meier in

#### WHAT AM I . . .

In the beginning, I am smaller than a button, but I can grow taller than a building. I occasionally turn colors, then shed them. I'm forever sprouting, yet my plumbing is very efficient. Better than a machine, I run on cheap energy; sun fuel. I cook for myself — free! Tougher than a rock, but more flexible, I come in hundreds of models.

Still not sure what I am?

You can drive on me, take pictures with me, blow your nose with me, drink from me, go into orbit because of me, climb me and get cool under me.

I am — a tree!

attendance as he is due to be in Florida at that time.

Tickets will go on sale for our Deep Fishing trip in April. This should be a good family outing as well as an excellent opportunity to invite some non-members as guests with recruitment as a secondary option.

We at Tampa Bay 225 would like to wish all of our brothers Happy Holidays and a Productive and Happy New Year.

HEALTH, HAPPINESS AND LONG LIFE!

Scott Crowson, Secretary

## HELP SUPPORT THE HOO-HOO MUSEUM AND THE HOO-HOO THEATER AND GET A TAX DEDUCTION AND A VALUABLE HOO-HOO MEMENTO

A joint fund raising venture has been initiated by the Hoo-Hoo International Museum and the Gurdon Historical Preservation Association. Hoo-Hoo International is currently raising funds to complete the museum annex, and the GHPA is raising funds to restore the landmark Hoo-Hoo Theatre in downtown Gurdon. For a limited time, while supplies last, each person donating a minimum of \$25 to this joint venture will receive a signed and numbered limited edition pen and ink print of the Hotel Hall, the birthplace of Hoo-Hoo. Help support both worthwhile projects. Make your check payable to Hoo-Hoo Museum, P.O. Box 118, Gurdon, AR. 71743. (Please note on your check HHI-GHPA.)

(Continued from Page 8)

blanks. There is much to be done to keep this momentum going throughout our fraternity and good communication is the answer. We are surely moving in the right direction, but there is much to be done and it will take all of us to make it happen.

My sincere thanks and appreciation to those of you who responded to my last request and I look forward to hearing from the rest of you after this one. Thank you.

HEALTH, HAPPINESS AND LONG LIFE,

*Pete Shearer*

### THANKS TO HOO-HOO !!

Late this summer our home was burglarized, and among the many items taken were a jewelry box containing all of my Hoo-Hoo pins. The most prized possessions in this pin collection were a large, old pin and a pin from the Osirian Cloister. These pins were attached to a convention name tag that said, "Gene Zanck — Spokane, Washington."

A few weeks ago, we received a phone call asking us what the Hoo-Hoo pins meant. Upon questioning the callers, we found out that they had found the jewelry box at a local dump and were intrigued by the black cat symbol, the term "Snark," Rameses, and other items on the pins. We advised them that the items were stolen and made arrangements to pick up the jewelry box.

When meeting the people that found some of our jewelry items at the dump, we learned that the wife had pleaded with her husband not to call us for fear Hoo-Hoo was some sort of Satanic cult. Apparently, she felt that the wrath of the great Hoo-Hoo would fall upon her and her family. Once I convinced her that we were not a Satanic cult but rather a fraternal order dedicated to the golden rule, she was relaxed and relieved. I, too, was greatly pleased to get my most prized possession, the pin from the Osirian Cloister, returned to me.

My wife was also happy to get her jewelry box and a lot of the junk jewelry returned. She, too, had many small Hoo-Hoo items in it that were given to her as personal gifts while we were ascending the international ladder of Hoo-Hoo.

We are thankful that we had our name in the jewelry box and that it contained items of interest which tickled the curiosity of the finders.

Fraternally yours,  
Gene Zanck, Rameses 71

## GRANITE STATE HOO-HOO INVITES MEMBERS TO '86 CONVENTION AT MOUNT WASHINGTON HOTEL IN SCENIC BRETTON WOODS, NEW HAMPSHIRE!

The Granite State Hoo-Hoo Club 107 invites members to join them for the 94th Annual Hoo-Hoo International Convention at the Mount Washington Hotel in scenic Bretton Woods, New Hampshire, September 14-18, 1986.

The beautiful Mount Washington Hotel, built in 1900, resembles an ocean liner sailing on a sea of green at the base of the 6,288-foot Mt. Washington. Surrounded by the White Mountain National Forest, the hotel offers many activities for conventioners in addition to the regular business sessions of the convention. The 2,600-acre hotel has four restaurants, a golf course, swimming pool, sauna, tennis courts, and ski area.

The four-day convention offers members a range of

entertainment and activities, including: golf, tennis, horseback riding, hiking, swimming, fishing, nature walks, historical sightseeing tours, craft demonstrations, fashion show, bingo, culinary arts demonstrations, as well as cocktail parties, a New England clambake at a ski lodge, champagne putting contests, and special musical entertainment in the hotel's lounges featuring a cabaret act. Besides the range of fun at the hotel, members can participate in special side trips, such as a journey to the top of Mt. Washington, or a visit to the famous chiseled face of New Hampshire's "Old Man in the Mountain."

For information about reservations, please call Laura Schoepf at 1-800-THE WOOD.

THE MT. WASHINGTON HOTEL, set in the pastoral splendor of the Mt. Washington Valley in Bretton Woods, New Hampshire, is the sight of the 94th Annual Convention of the Hoo-Hoo International, September 14-18, 1986.

## Obituaries

Matt Lewis

### MATT LEWIS 62544

Matt Lewis 62544 Member of Detroit Club 28 passed away in October 1985. He was retired and was living in Sebring, Florida. Matt was born in 1909 in Wales and came to this country as a young boy. His first job in this country was selling clothes, but soon switched to selling lumber which he made his career. The last 25 years prior to his retirement he worked for The Tom Osborne Co. as a molding salesman.

Matt was honored as the Hoo-Hoo of the Year of the Detroit Hoo-Hoo Club in 1971. One of Matt's greatest treasures was his collection of woods from all over the world.

Matt and his wife, Dolly, who preceded him in death attended the International Conventions regularly.

### W.B. (BILL) HEMMINGSEN 67514

W.B. (Bill) Hemmingsen 67514 passed away on Sept. 23, 1985. He was a past president of Victoria Club 183 and a driving force in early years of that club.

Bill was well known in the Pacific North West having worked for B.C. Forest Products as a logger & Boom Supervisor. He retired from Souke Forest Products as log manager. In recent years he was a consultant to Third World Countries sponsored by The Canadian Government. He will be missed.

### E.E. "Ted" HUGHES

Ted Hughes, a manufactures representative for Colonial Stair Company and Kolbe & Kolbe Millwork Co., died suddenly on November 8th at Kissimmee, Florida while on a business trip.

Ted was a valued member of Atlanta Hoo-Hoo Club 1. He was a dependable worker for all activities in his Hoo-Hoo Club, and many of you will recall that all of the show cases and book cases in the Museum was made in Ted's shop.

If Ted could have lived until November 11th he would have been 64 years old. He was born in Roanoke, Virginia in 1921. He started in the Millwork business with the Huttig Sash & Door Company, Roanoke Virginia. For the past 15 years he and Dick Wilson shared an office in Atlanta.

In addition to his devotion to Hoo-Hoo for which he was awarded a life membership, he was a Past Master of the Buckhead Masonic Lodge.

Ted is survived by his wife Effie and a daughter Cherry.

The Atlanta Hoo-Hoo Club 1 has named their annual contribution to the University of Georgia Forestry scholarship fund. . . "The Ted Hughes Memorable Scholarship Fund."

### ALFRED D. BELL, JR.

Alfred D. Bell, Jr., past president and chairman of Hobbs Wall Lumber Co., San Francisco, Ca., and publisher emeritus of *The Merchant Magazine*, died Nov. 20, 1985, in San Mateo, Ca., after a short illness. He was 76.

Born in Yonkers, N.Y. on Sept. 3, 1909, he was graduated from Hotchkiss School in 1928 and S.B. cum laude from Harvard University in 1932. He served overseas as a Lieutenant Commander, USNR 1942-45; general sales manager, Hammond Lumber Co.; president and chairman, Hobbs Wall Lumber Co.; president, Vacaville Lumber Co.; and director, Willits Redwood Products Co.

Other accomplishments included president, North American Wholesale Lumber Association; president,

Traveler's Aid Association of America; director, United Services Organization, Inc.; vice president, Forest History Society; president, Forest History Endowment Fund; president, Bay Area Wood Council; member, National Wood Council, Lumber Industry Merchandising Council; and president, San Francisco Hoo-Hoo Club, a lumberman's fraternal organization.

He was also a member of the Bohemian University (San Francisco), Pacific Union, Burlingame Country, Cypress Point and Owl clubs.

Mr. Bell is survived by his widow, Marjorie Blyth Bell, two daughters, two sons and five grandchildren.

### CARL G. KRUEGER

Carl G. Krueger, 79, Coeur D'Alene, passed away at Kootenai Medical Center.

He was born Nov. 5, 1905 and graduated from high school in Oakfield, Wis. He graduated from the University of Minnesota. He began working for the U.S. Forest Service as a ranger in Cody, Wyo. He married Dorothy Siddle May 24, 1933, in Cody where they made their home until 1943 when he was transferred to Asheville, N.C. In 1949 they moved to Lufkin, Texas. They moved to Coeur d'Alene in 1952, where he was a supervisor for the Coeur d'Alene National Forest. He retired in 1965 and set up the Vocational Forestry Program at North Idaho College. He was instrumental in the organization of the North Idaho Museum.

He was the recipient of the VFW Community Service Award in 1980, the NIC Outstanding Citizen Award in 1979 and 1980 and the Mayor's Award for Citizen of the Year in 1981. He was a member of the First Presbyterian Church, the Rotary Club, the Society of American Foresters and the Hoo-Hoo Club.

Survivors include his wife at home, daughter Helen Wigen of Sandpoint, three grandchildren and two great-children. He was preceded in death by son Kenneth in 1968.

## Obituaries (cont'd)

### DON L. DIXON 68497

Don L. Dixon 68497, a brother in Metroplex Club 242 was lost October 4, 1985. Don was born in Colorado, October 1, 1929, but was raised in Oklahoma and attended Oklahoma University. He was initiated March, 1958, in Oklahoma City Club 5. Don moved to Dallas in the early 1970's for American Timber Products and became a member of Club 242 shortly after its origination. He leaves behind his wife Eloina, family, and a host of friends. Don left as he wanted, on the way to the races!

### JOHN B. ANDREN L-41988

John B. Andren L41988 died November 24, 1985. He was president of the C.H. Carpenter Lumber Co. Mpls and had been active in the Twin City Club 12 for many years and attended many of the International Conventions. He is survived by his wife Marian who has many friends thru out Hoo-Hoo Land. His son is John C. Andren 80934.

### PROJECT LEARNING TREE RECEIVES 1985 EDUCATIONAL SPONSORSHIP AWARD

Project Learning Tree has been presented with the 1985 Educational Sponsorship Award by the National Association for Industry-Education Cooperation (NAIEC), the American Forest Institute announced today. The award, given annually to the best program supported by an industrial sponsor, was presented last week at NAIEC's Board of Directors meeting in Washington, DC.

Project Learning Tree, a decade-old environmental education program is co-sponsored by the American Forest Foundation and the Western Regional Environment Education Council. The program is administered by the American Forest Institute. PLT is designed for teachers and other youth leaders working with students in kindergarten through grade 12. Using the forest as a starting point, PLT examines various issues surrounding natural resource policy and encourages users to consider all sides of an issue before making a decision.

Carlton Owen, Director of AFI's Allied Audience Programs, said "PLT has always been considered a vital bridge between educators and industry. We are proud to have worked with some of the best people in both the education and the forest products communities in developing and promoting PLT."

"Without the vigorous support of the thousands of volunteers across the country, PLT would not be where it is today," said PLT Director Kathy McGlauffin. McGlauffin noted that PLT is continuing to expand rapidly, and today is operating in 40 states, three Canadian provinces, and Sweden and Denmark.

Earlier this year, PLT was selected to receive a crystal medallion from President Reagan as one of the nation's most outstanding programs under the President's Citation Program for Private Sector Initiatives. PLT has also received awards from several conservation and education organizations.

## Obituaries

Matt Lewis

### MATT LEWIS 62544

Matt Lewis 62544 Member of Detroit Club 28 passed away in October 1985. He was retired and was living in Sebring, Florida. Matt was born in 1909 in Wales and came to this country as a young boy. His first job in this country was selling clothes, but soon switched to selling lumber which he made his career. The last 25 years prior to his retirement he worked for The Tom Osborne Co. as a molding salesman.

Matt was honored as the Hoo-Hoo of the Year of the Detroit Hoo-Hoo Club in 1971. One of Matt's greatest treasures was his collection of woods from all over the world.

Matt and his wife, Dolly, who preceded him in death attended the International Conventions regularly.

### W.B. (BILL) HEMMINGSEN 67514

W.B. (Bill) Hemmingsen 67514 passed away on Sept. 23, 1985. He was a past president of Victoria Club 183 and a driving force in early years of that club.

Bill was well known in the Pacific North West having worked for B.C. Forest Products as a logger & Boom Supervisor. He retired from Souke Forest Products as log manager. In recent years he was a consultant to Third World Countries sponsored by The Canadian Government. He will be missed.

### E.E. "Ted" HUGHES

Ted Hughes, a manufactures representative for Colonial Stair Company and Kolbe & Kolbe Millwork Co., died suddenly on November 8th at Kissimmee, Florida while on a business trip.

Ted was a valued member of Atlanta Hoo-Hoo Club 1. He was a dependable worker for all activities in his Hoo-Hoo Club, and many of you will recall that all of the show cases and book cases in the Museum was made in Ted's shop.

If Ted could have lived until November 11th he would have been 64 years old. He was born in Roanoke, Virginia in 1921. He started in the Millwork business with the Huttig Sash & Door Company, Roanoke Virginia. For the past 15 years he and Dick Wilson shared an office in Atlanta.

In addition to his devotion to Hoo-Hoo for which he was awarded a life membership, he was a Past Master of the Buckhead Masonic Lodge.

Ted is survived by his wife Effie and a daughter Cherry.

The Atlanta Hoo-Hoo Club 1 has named their annual contribution to the University of Georgia Forestry scholarship fund... "The Ted Hughes Memorable Scholarship Fund."

### ALFRED D. BELL, JR.

Alfred D. Bell, Jr., past president and chairman of Hobbs Wall Lumber Co., San Francisco, Ca., and publisher emeritus of *The Merchant Magazine*, died Nov. 20, 1985, in San Mateo, Ca., after a short illness. He was 76.

Born in Yonkers, N.Y. on Sept. 3, 1909, he was graduated from Hotchkiss School in 1928 and S.B. cum laude from Harvard University in 1932. He served overseas as a Lieutenant Commander, USNR 1942-45; general sales manager, Hammond Lumber Co.; president and chairman, Hobbs Wall Lumber Co.; president, Vacaville Lumber Co.; and director, Willits Redwood Products Co.

Other accomplishments included president, North American Wholesale Lumber Association; president,

Traveler's Aid Association of America; director, United Services Organization, Inc.; vice president, Forest History Society; president, Forest History Endowment Fund; president, Bay Area Wood Council; member, National Wood Council, Lumber Industry Merchandising Council; and president, San Francisco Hoo-Hoo Club, a lumberman's fraternal organization.

He was also a member of the Bohemian University (San Francisco), Pacific Union, Burlingame Country, Cypress Point and Owl clubs.

Mr. Bell is survived by his widow, Marjorie Blyth Bell, two daughters, two sons and five grandchildren.

### CARL G. KRUEGER

Carl G. Krueger, 79, Coeur D'Alene, passed away at Kootenai Medical Center.

He was born Nov. 5, 1905 and graduated from high school in Oakfield, Wis. He graduated from the University of Minnesota. He began working for the U.S. Forest Service as a ranger in Cody, Wyo. He married Dorothy Siddle May 24, 1933, in Cody where they made their home until 1943 when he was transferred to Asheville, N.C. In 1949 they moved to Lufkin, Texas. They moved to Coeur d'Alene in 1952, where he was a supervisor for the Coeur d'Alene National Forest. He retired in 1965 and set up the Vocational Forestry Program at North Idaho College. He was instrumental in the organization of the North Idaho Museum.

He was the recipient of the VFW Community Service Award in 1980, the NIC Outstanding Citizen Award in 1979 and 1980 and the Mayor's Award for Citizen of the Year in 1981. He was a member of the First Presbyterian Church, the Rotary Club, the Society of American Foresters and the Hoo-Hoo Club.

Survivors include his wife at home, daughter Helen Wigen of Sandpoint, three grandchildren and two great-children. He was preceded in death by son Kenneth in 1968.

## Obituaries (cont'd)

### DON L. DIXON 68497

Don L. Dixon 68497, a brother in Metroplex Club 242 was lost October 4, 1985. Don was born in Colorado, October 1, 1929, but was raised in Oklahoma and attended Oklahoma University. He was initiated March, 1958, in Oklahoma City Club 5. Don moved to Dallas in the early 1970's for American Timber Products and became a member of Club 242 shortly after its origination. He leaves behind his wife Eloina, family, and a host of friends. Don left as he wanted, on the way to the races!

### JOHN B. ANDREN L-41988

John B. Andren L41988 died November 24, 1985. He was president of the C.H. Carpenter Lumber Co. Mpls and had been active in the Twin City Club 12 for many years and attended many of the International Conventions. He is survived by his wife Marian who has many friends thru out Hoo-Hoo Land. His son is John C. Andren 80934.

FEBRUARY, 1986

## PROJECT LEARNING TREE RECEIVES 1985 EDUCATIONAL SPONSORSHIP AWARD

Project Learning Tree has been presented with the 1985 Educational Sponsorship Award by the National Association for Industry-Education Cooperation (NAIEC), the American Forest Institute announced today. The award, given annually to the best program supported by an industrial sponsor, was presented last week at NAIEC's Board of Directors meeting in Washington, DC.

Project Learning Tree, a decade-old environmental education program is co-sponsored by the American Forest Foundation and the Western Regional Environment Education Council. The program is administered by the American Forest Institute. PLT is designed for teachers and other youth leaders working with students in kindergarten through grade 12. Using the forest as a starting point, PLT examines various issues surrounding natural resource policy and encourages users to consider all sides of an issue before making a decision.

Carlton Owen, Director of AFI's Allied Audience Programs, said "PLT has always been considered a vital bridge between educators and industry. We are proud to have worked with some of the best people in both the education and the forest products communities in developing and promoting PLT."

"Without the vigorous support of the thousands of volunteers across the country, PLT would not be where it is today," said PLT Director Kathy McGlauflin. McGlauflin noted that PLT is continuing to expand rapidly, and today is operating in 40 states, three Canadian provinces, and Sweden and Denmark.

Earlier this year, PLT was selected to receive a crystal medallion from President Reagan as one of the nation's most outstanding programs under the President's Citation Program for Private Sector Initiatives. PLT has also received awards from several conservation and education organizations.

# WELCOME NEWCATS

Since publication of the "New Kittens" page in August, 389 novices have walked through the onion fields and emerged enlightened and enthusiastic in the Inner Courts. They have been assigned numbers, registered in the Headquarters Register and mailed the standard kit of information that goes to all new members. Welcome!

**DETROIT CLUB 28 REPORTS**

The highlight of the Detroit Hoo-Hoo year is our Christmas luncheon. It has been a long standing tradition to have the Snark of the Universe as our honored guest. This year was no exception.

Gordon and June Graham met Al Meier and his lovely wife Georgia and

1st VP Jack Jacobson at the airport early Monday morning on December 9th. Then it was back to Farmington, but only long enough for our guests to check into the famous Botsford Inn which was built in 1836. At this point the group was joined by Chairman Carle Hall and wife Roberta and Bob and Marilyn VanEvery. We all piled into Gordon's van and started a whirlwind tour of Detroit, stopping at the Renaissance Club for lunch. The club

is located on the 36th floor in the Renaissance Center over-looking the Detroit River and Canada. After lunch some of the brave ones chose to take the outside elevator to the top of the main tower, 72 floors up. Then back to the van.

No trip to Detroit would be complete without a trip around our famous Belle Isle located on the River and home of the Detroit Yacht Club

(Continued on Next Page)

DETROIT - Rameses (l-r) Carle H.C. Hall 77, Bob Van Every 73, Jimmy Jones 72, Bill Bader 69, Phil Dawson 66.

DETROIT - (l-r) former J-II S-9 Ken Hallgren; current J-II S-9 Gordon Graham; Snark Al Meier.
