VOLUME 98, NO. 1

56 PAGES

Log & Tally (SPS317-560) is published quarterly for \$5.99 per year by the International Concatenated Order of Hoo-Hoo, Inc., P.O. Box 118, Gurdon, Ark. 71743. Second class postage paid at Gurdon, Ark. and additional mailing offices. POSTMASTER: Send address changes to Log & Tally, P.O. Box 118, Gurdon, Ark. 71743.

PHIL COCKS L-77298

MEMO FROM THE SNARK

As of writing, mid-December, I am pleased to report that our paid membership is between 4 and 5 percent above last year. This does not necessarily mean that our numbers are swelling at a faster rate. It could be that we are collecting dues more efficiently, however I live in hopes, and I am certainly encouraged by our current status.

We have not been in a better position for some time, to achieve our desired 10% increase. Keep up the good work!!!! Someone out there is really trying.

Your international officers should have been in touch with you by now, and hopefully have something to report on the 5-On-1 membership and retention program, and the participation in the projects we have undertaken this year.

The above programs are intended to help clubs who do not have any systematic membership program, or who do not have any industry related projects. Many clubs already do an excellent job. Many clubs do nothing at all, and it is to these clubs that we direct these suggestions.

Boston concatenated 34 kittens last year. They immediately implemented what could be called a version of the 5-On-1 Program. Rameses Jack Jacobson introduced to them, a system where

1 kitten is elected "Keeper of the Scroll," the Scroll usually being a roll of good quality toilet paper, on which are inscribed the names of the other kittens, who accompanied him through the onion patch. He is then responsible for contacting the other kittens before each meeting to ensure or encourage their attendance. The results were as follows... during Boston's pin presentation ceremony in May this year (6 months after concat) 26 or 28 were on hand to receive their pins, and of the 8 members of the concat team this year, 7 were kittens last year and were deputized by the "Keeper" to help call others during the year. I understand that the Keeper of the Scroll is also considered for a position on the board, following a successful year of duty.

I attended both concat, and as it was a pleasure and a change, to see guys who were introduced to our order in a way that only Boston can orchestrate, be in attendance a year later, as enthusiastic and contributing members.

Praise must certainly go to the Boston Club's officers and board, for their encouragement and implementation of the "Keeper" policy.

If you have suffered a high attrition rate of kittens, perhaps this could be your answer, and also takes the burden off the club officers, at least as far as keeping kittens. A committee to contact existing members who haven't been seen for a while, is also important.

I want to again raise the subject of considering permanent secretary/treasurers. You don't need to be a genius to process the necessary paperwork, to run a club and prepare returns to H.H.I., but there are certain qualities that are absolutely necessary, to do a good job. This position should be taken out of the stepping stone process of attaining presidency of the club. It is impossible to elect a new Sec./Treas. every year, and expect good results. Please, please consider appointing a reliable, conscientious and organized person and keeping him. Sometimes there are older members, perhaps retired, who, in the case of smaller clubs would take on the job in return for covering his annual dues and meetings, meals etc., and with larger clubs (who for the most part, became a larger club because of the dedication of a few permanent enthusiasts), paying a salary, or reimbursing in some suitable manner.

Billy Tarpley, your executive Secty./Treas., will be bald one day, as a direct result of good intentioned, newly elected S/T's, who, when they finally grasp the situation, will hand the job off to some equally good intentioned, but unfortunately inept new guy. It's tough to knock guys who are volunteers and trying to do their best, but brothers, I believe that this problem causes 30 to 40% of our membership problems.

Have you heard the story of the guy who joined in January and was still asking for his pin in October? You usually hear about it as you are fining him \$1 for not wearing it!!!, or the guy who was dunned by H.H.I. after Dec. 9th, for dues he paid his club in September. Really makes for good p.r. and has accounted for many a disgruntled ex-Hoo-Hoo members.

(Continued on next page)

(Continued from previous page)

While on the subject of secretary/treasurers, I would like to recognize those who have done such a great job for their clubs, and for H.H.I. Fortunately, there are quite a few, who year after year, quietly go about their business of keeping their club informed, financial and with their wealth of experience provide solid informed managerial support for their offices, as they progress through the chairs. From all of us, a big thanks!!!

Thank you also, to Dave Jones L-82806, and Bill Franks 84101, Supreme 9's from Jurisdictions 6 and 7, who have introduced a monthly newsletter to their Jurisdictions.

I suppose a Snark's report should read like a travelogue, and talk about all the wonderful places and people that I have seen and met. I could fill up half this *Log & Tally* with just that kind of stuff.

I did not anticipate how rewarding this job could be, and I don't think that I could verbalize how much I have enjoyed or appreciated the experiences you have shared or given me. I should

be putting this in my last report, but I want you to know up front, with 9 months to go, I have already stood in the warm waters of Waikiki, peeped over the rim of Mt. St. Helens in a helicopter, observed the majesty of Mt. Rainer in the early morning, cruised Sydney Harbor, Expo '88 in Queensland, walked the streets of Boston, shared drink and fellowship on a cold day in a warm pub in Tasmania, belled up to the bar of the Polish Yacht Club in Detroit, and the Ballarat Yacht Club in Australia, the predominant feature of both, being a complete absence of Yachts, and on and on.

So, if I sound as if all I want to do in this report, is get after people and tell them how to run their club, believe me, all I want to do is, with a lot of your help, keep this grand order alive and well, so that we may all continue to avail ourselves of the unique friendships and experiences that Hoo-Hoo provides us all.

Health, Happiness and Long Life,
Phil Cocks
Snark of the Universe

VICE PRESIDENT'S REPORT

FIRST VICE PRESIDENT
LYLE HOECK L-77159

SECOND VICE PRESIDENT
BRENT CROSBY L-77099

When this report comes out, we will have just about seven months left till our annual Hoo-Hoo convention in Honolulu. So by then, all clubs should be well on their way to following through on the summer programs. Many lumber conventions will be over or about to be held, and many of them seem to be a good place to contact new members and reacquaint old members, update them in on the activities of Hoo-Hoo, the meetings and functions of local clubs in their area, give them names of members that are still active and invite them to rejoin Hoo-Hoo's fraternal fellowship and fun! As retention is one of our biggest problems, it seems this is one good way to get many of them active again. It is also one of the best sources about old history of Hoo-Hoo. Most everyone has a story of past conventions, meetings, and functions that were held, also about the way things were done in past years.

We all are responsible to work on membership and get members back in our clubs. As of our report from the international office, we are gaining again, although very little. So lets all give our extra dedication toward our Snark's 10 percent increase.

I would like to thank the many Hoo-Hoo friends and members from the Toronto Club No. 53 for their hospitality on their Old Timer's meeting at the Royal York Hotel. A good turnout and program always makes the meetings a success.

If you call a meeting and only a few members attend, don't become upset and give up, as this seems to be the case in many parts of the country. Make an extra effort to get on the phone and call several members, then have them call others, but most of all don't give up! Go ahead and plan your program! Your meetings should be what the majority of your members want.

In closing, don't forget to make plans for attending the international Hoo-Hoo convention coming in September 1989 in Honolulu. See you there!

Health, Happiness and Long Life,
Lyle Hoeck L-77159
1st Vice President

The last quarter of 1988 has been a very eventful time for me. Retirement from the corporate world after punching the clock for about 40 years, my September election to 2nd V.P. of Hoo-Hoo International in Orlando, Florida, and our great trip to Australia under the guidance of Snark, Phil Cocks, have kept me in the fast lane. The Hoo-Hoo members from "down under" were unbelievable as hosts and the hospitality was out of this world. They wore us out with kindness and good fun. November brought club visitations in Northern California which gave me time to discuss our old Bug-a-boo retention of members and promote the "5 on 1" Program.

I believe that the clubs are finally beginning to understand that the retention of new kittens is the salvation for their club's future. In December I attended Detroit Club's #28 renowned Christmas party. Gordy Graham and his group did a bang-up job of showing what organization and fraternalism is all about. Thank you, Gordy; I will use your example and convey it to the other clubs during my travels. I have attended several meetings with Oakland Club #39 as they develop their plans for the 1990 International "Bay Area" convention. Things look good at the present time. I'm sure all who attend will have a great time out here among the mighty redwoods, the wine country, and the California raisins. Dan Bonnington and committee are in full stride to make this a very momentous occasion. Dave Jones S-9 Jur. 6 has put together a program to reactive club #114 in Monterey. It looks very promising. I intend to keep working with the Denver Club #74 to bring them back into the Hoo-Hoo International. They have a stalwart group of old timers and a great reservoir of young men who would be a great asset to their club and the international order.

In January, Snark, Phil Cocks, is scheduled to participate in their reorganization of Monterey Club #114, the concat at Sacramento Club #109, the concat at Oakland Club #39, the guest speakers night at Black Bart Club #181, the annual crab feed in

(Continued on next page)

(Continued from page 1)

Eureka-Humboldt #63, and a concat with Shasta Cascade Club #133.

I believe that Phil Cocks will be 23rd Snark in a row to attend the concat at Club #133. As you can see from the above.

SUPREME NINE REPORTS

Jurisdiction I

Dear Hoo-Hoo Brothers, I would like to report all is well in J-I, but when I read the report from international I see different. I know it is difficult to get quality members to join our club. It is also important to retain them. I think one of the best ways is to use the 5-On-1 Recruiting and Retention program. Every president should have received a copy. If the information packet containing the 5-On-1 program has been misplaced, please contact me or the international office for another copy.

On December 2 I travelled with the Snark to visit the Harry Folsom Club No. 13 in Boston. We enjoyed a very entertaining evening with a find group of Hoo-Hoo brothers. A concat was the highlight of the evening.

On December 14th, I attended a Christmas party of the Washington D.C. Club No. 99. The highlight of the evening was the 50/50 drawing for combined prizes of \$2,500.

In March, I plan to visit more clubs up north with the Snark, so plan to hear from me soon.

I hope everyone enjoyed a very Merry Christmas and I wish everyone Health, Happiness and Long Life in the New Year!

Fraternally,

Charlie F. Eaton L-72174
Supreme Nine, J-I

Jurisdiction II

In October, I visited with the Ken Hallgren Club No. 139 of Northern Illinois. It was concat night for club president Tony Boeckholt and their gang. However, only 2 kittens were present so we used the short form. Food and drink were reasonable and good, and all had a good time.

In November, I met with president Seymour Berg 80553 and the Board of Directors of the Detroit Club No. 28. The 5-On-1 Program was presented and discussed. After discussion the board retained the 3-On-1 system they have been using with success.

In December, Detroit Club 28 hosted its annual Christmas luncheon. Among the 170 guests were many dignitaries — Snark Phil Cocks L-77298, 2nd Vice President Brent Crosby L-77009, Rameses 77 Carle Hall, Rameses 73 Bob Van Every and Rameses 66 Phil Dawson. Past Supreme nine reps in attendance were Manny Litvin 60272, Dick Ashton 53424 and Gordon Graham L-70604. Gifts were raffled off with 75 percent of those present being winners.

In January, I attended the Michigan Lumber and Building Materials Dealers Association annual convention in Grand Rapids, Michigan. Gordon Graham and myself maintained a Hoo-Hoo

Hoo-Hoo has helped me through the transition into retirement.

Let us all keep up the good work toward making the great Order of Hoo-Hoo grow through our dedication and fraternalism.

Health, Happiness & Long Life.

Brent F. Crosby

booth donated by the Association, and sponsored by the Saginaw Valley Club No. 246, and the Detroit Club No. 28.

See you soon!

Health, Happiness and Long Life.

Lee Stacey 62560

S-9, J-II

Jurisdiction III

Since my last report everything has been going well with J-III. The holidays are over and I'm sure everyone is preparing for a great year in '89.

I have been to the Seattle Club and I am happy to report everything is going great with Tom Vogel at the helm. The North Cascade Club has had a great year so far with Paul Kriegel as President. The Turkey Shoot was a great success again with approximately 150 in attendance. The live turkey did its thing on DS-9, Gil Emory. He was very ecstatic about winning the bird and he planned on selling it at a large profit but was very disappointed when he found out there were no bidders. I wonder why?

The North Cascade Christmas Party was also another great success. There was a great band and Santa Claus had an exceptionally good time, played by "yours truly."

Meanwhile at the Seattle Club's annual traditional Christmas Party Santa Claus and helper were a great smash hit as usual. Tacoma Olympia Club had their plant tour and a great turn out for their January meeting. George Koening, Club President, assured me that the Mini Convention for '89 is handled thanks to Rick Dieich, Chairman of this festive convention, being held in Olympia, Washington. Registration for this event will be in the *Log & Tally* along with dates, etc. Thanks to Billy Tarpley for doing such a great job, as usual.

During November we had the honor of having our Grand Snark Phil Cox and his lovely wife Sylvia visit our Jurisdiction. With the help of DS-9, Fred Scheffler, and Rameses Al Meier, everyone had a great time and we were honored with their presence. I'm sorry to say that I missed this special occasion due to a prior commitment in California. My apologies to Phil and Sylvia. I promise to make it up to you at the Mini Convention. Also, my thanks again to Fred Scheffler and Al Meier.

I am looking forward to the Mid-Year Board Meeting and a chance to see everyone in attendance. Meanwhile, health, happiness and long life to all.

Jeff Loth, L-81125

Supreme Nine, J-III

Jurisdiction IV

After returning from Florida in September it was straight to the J-IV convention in Sydney, October 7-9. By the time J-IV said goodbye to Snark Phil Cocks and his party, we were into November. All clubs met in November which was the last serious business meeting for the year. December is always the Christmas party meetings in J-IV. Nothing much as far as club business happens in J-IV in December and January, but when February arrives we are into it.

So far, I have only been able to visit my home club of Melbourne 217, N.E. Victoria 236, Ballarat 256 and Gippsland 257 (Concat of 4) and plan to begin other areas of J-IV in February 1989. With 22 clubs in J-IV it requires a lot of travel. To the west of me 2800 km, north 2300 km, south 600 km, and 3800 km east, a round trip of no less than 20,000 km.

All of my deputy 9's have been in contact and have been advised of the 5 On 1 Program which will be a part of my main objectives for the year. We will implement it with all clubs and to work on a method of making it a continuing part of all club programs.

At the Sydney convention, Tom Donohue, president of Brisbane club and chairman of the J-IV convention committee for 1989, unveiled plans for our 1989 convention to be held in Honolulu before the international in September. Back to back conventions — what could be better? It will be exactly 10 years since the last J-IV convention in Hawaii and J-IV will again put in big numbers, early estimates 100 persons.

Health, Happiness and Long Life.

Ron Caddy 82362

S-9, J-IV

Jurisdiction V

As I write this report the Christmas Season is almost upon us. I hope everyone in Jurisdiction V had a Merry Christmas and I wish everyone a Prosperous 1989.

Jurisdiction Five is well on its way to reaching our goal of a 10 percent increase in membership. Most clubs have had or will be having a Concat or two.

Vancouver held a very successful Ladies Night in October. 170 couples filled the Terminal City Club to enjoy a reverse draw for the ladies. This club certainly puts on an impressive buffet. Once again the Donors Auction raised several thousand dollars for the Evans Lake Project.

Vancouver also held a concat and beer and crab night. 116 members turned out to welcome 31 kittens to our order.

Toronto has a new slate of eager officers. Judging by their popular newsletter it appears the Toronto Club is going to have an active year.

Cowichan Valley initiated 8 new members in November. Some Victoria members attended to assist in the Concat. I missed Cowichan Club's stag night as it conflicted with Vancouver's Ladies Night.

This year I am chairman of the Wood Promotion Contest. Perhaps now is the time to appoint your committee for entry in this popular contest. Get your club involved and get some recognition in the community. Make people aware of the importance of the Forest Products Industry.

It is also time for local clubs to keep myself or Lynn Edey posted on any problems they may want addressed at the mid-term Board Meeting in March. As some of you know the recurring issue of the other sex is going to be a much debated item at the International Convention.

I will be contacting more clubs on this and any other items that may surface. Keep your clubs busy, have interesting programs and perhaps Jurisdiction V will have the largest increase in members for this year.

Health, Happiness and Long Life

Bruce Woodrow 79644

S-9, J-V

Jurisdiction VI

It has been several months now since I accepted the responsibilities as Supreme 9 for Jurisdiction 6. It has been great so far.

I would like to thank the following clubs and their presidents for the courtesy and hospitality they showed me during my visits over the last few months. Greg Powell #92983 Albuquerque Club #69, Doug McCullough #86334 Phoenix Club #72, Dave Williamson #90407, San Diego Club #3, John Blatchford #90040 Black Bart Club #181, Len Adamo #90037 Humboldt Club #63, Steve Branson #932039 the Sacramento Club #109, and last but not least Charlie Schweitzer #84376 Shasta Cascade #133.

I am proud to announce that with the help of Neil Keefer and Homer Hayward of Hayward Lumber the Coast Counties Club #114 was reactivated on Friday January 13, 1989. This first meeting was held in Monterey. International Officers Snark Phil Cocks and Secretary/Treasurer Bernie Barber were in attendance this night. I am happy to say this reactivation was a great success.

Also I owe thanks to my Deputy Supreme 9's not only for the assistance they have given me, but for the work they have done with the clubs in their area. They are: Norman Lum #88850, Dan Bonnington #88886, Dennis Miles #90701, and Warren Hoffman #89459. Ed Gavotto #63822 agreed to be a Deputy Supreme 9 at the San Diego Concat meeting December 7, 1988.

In my relatively short time as Supreme 9 I have happily made some interesting observations. The first and most important is that there are plenty of members and non-members that are interested in becoming involved and enthusiastic about Hoo-Hoo! Regardless of the size of the clubs or current level of activity, each club has members that are ready and willing to help their clubs prosper. A myth that has been dispelled is that larger corporations and chain yard personnel are not interested in participating in our order. No doubt there is some truth to this but it certainly is not the rule. It has been my pleasure to meet club members and club officers that are with companies that range from 84 Lumber to Georgia Pacific. Hoo-Hoo Clubs are made up of individual members of the lumber industry not the companies they work for.

If I can communicate only one point in this report it would be that the success of Hoo-Hoo regain its position of prominence like I do, we must be prepared to work together towards that end. If you are a new member ask to participate. If you have been a member for some time ask new members to become involved. The 5 On 1 Program can help in getting new members active. If your a club board member ask a lot of your president. If you are a club president ask a lot of your board. All members have the right to

(Continued on next page)

(Continued from page 3)

ask and expect professional performance from the Supreme 9 and the International Officers. If you have ideas please share them or questions please ask them.

The future of Hoo-Hoo International is the responsibility of everyone of us. If as a group we want to see this organization grow and prosper it will.

Health, Happiness, and Long Life,
David B. Jones L82806
Supreme 9, Jurisdiction VI

Jurisdiction VII

At the top of our list of priorities is membership. On November 16, 1988 the East Texas Club No. 135 held a concat taming four new kittens. Those new members are Ron Massa, Bob Brown, Phillip Pate and Robert Booker. That is progress. Things are healthy in the Lufkin area. Gary Bridges, Joe Rich and Gary Martz are busy making tentative plans on how to help Glenn Miller and the Hoo-Hoo Band get to Gurdon, Arkansas for the Hoo-Hoo Centennial in 1992. If any of the other clubs would like to help sponsor getting our own marching band to Gurdon contact Gary Bridges in Diboll, Tx.

The Metroplex Club #242 is hard at work planning a concat for March 2, 1989. Congratulations to the Memphis Club #92. It leads J-VII with a 97% current membership status. Please remember that the 5 on 1 Program can be a useful tool in helping to maintain and expand your clubs membership.

The Wichita Club No. 173 is busy creating excitement. Dave Marteny is putting together 3 and 4 page newsletters to their membership to keep them current with what has happened, what is happening and what is planned next. When a Club can get people like Dave Marteny, Larn Champ, Harry McGarigle and the other officers and board of directors pulling in one direction something good for Hoo-Hoo is going to happen.

On March 4th the Houston Hoo-Hoo Club No. 23 is planning a joint Ladies Night function with the Greater Houston Retail Lumber and Building Material Dealers Association. This meeting is planned as our first Casino Night. We are planning on having in excess of two hundred people. The meeting will be held at the Allen Park Inn. The hotel has offered a flat room

rate of \$39.00, double or single, in conjunction with our function. Out of town guests may wish to consider that option.

On April 6-9th 1989, The Lumberman's Association of Texas will hold its annual convention in San Antonio, Texas. At this time, Hoo-Hoo does have a booth in the exhibit hall. Snark Cocks and Billy Tarpley will be in for the festivities. We are planning to have a concat during the convention period. Any members wishing to be a part of this event please make plans to be there. The ideal set-up to staff the booth would be to have one member each from the Houston, Dallas and Lufkin Clubs rotate on a two hour shift basis. With a little luck and hard work we can get the San Antonio Club reactivated.

Fraternally,
Bill Franks
S-9, J-VII

Jurisdiction VIII

As a new appointee to the position of Supreme Nine of Jurisdiction VIII, I am getting settled down and learning my duties as S-9. To date, I have contacted all clubs in J-VIII by mail, and hope as the year progresses to be able to attend some of the club functions, or at least visit with the officers of the various clubs.

The Omaha Club had a December Ladies Night at a dinner theater which I attended. There was a nice turnout, and the play was hilariously funny. A night of good Hoo-Hoo fellowship.

Fraternally,
Homer, Hahn 55213

Jurisdiction IX

By the time that this is printed, we will have just six more months left in our 1988-1989 Hoo-Hoo year. Not very much time for us to complete the programs which Snark Phil Cocks has set as the goals for 1988-89. A reminder of what those goals are: 100% paid membership in the local clubs in our great jurisdiction, a workable retention program put into use so as to bring back into Hoo-Hoo those many members who for some reason have not continued paying their local as well as international dues, and a 10% increase in membership in each of our clubs. Not a very hard project for us to complete if we would all put a little effort into it and not leave it up to just a few. Lets try to accomplish these goals in the next three or four months and give our Snark the support which he so deserves.

Atlanta Club #1 will be hosting our mini conference this year and would like to have representation from each club in our jurisdiction if possible. The dates for this will be April 21-23, 1989 and will be held at Callaway Gardens in Pine Mountain, Ga. Callaway Gardens resort and conference center is located in the rolling foothills of the Appalachian mountains and is known for its beauty and at that time the azaleas and dogwoods will be in full bloom. A sight that really is beautiful. In the last issue and also this issue you will find registration forms for the mini convention as well as the hotel. I hope that the members of Jurisdiction IX will try to attend this mini convention. We will have many members of the international board and rameses who will be attending and I know you will have a great time. Let's support our

host, Atlanta Club #1.

Spacecoast Club #221 and Central Florida Club #115 had a joint Christmas party which was a great success. A bus load of Central Florida #115 members had a great time going over in the bus and arrived in Cocoa Beach to board a paddle boat which traveled in the intercoastal waterway for three hours. A great prime rib dinner was served and dancing to the music of a fine dixie land band. We had about 85 on board and a great time was had by all. Thanks to Ron Thompson and Cal Hoar from Spacecoast Club in helping to put this together.

Have made visitations to five of our clubs so far and will try to make the rest in the next couple of months. If I can be of any help to you on any project or anything else which you would like for me to do, let me know so that I can make arrangements to assist you. I would like for each club to have one concat in the next three months if possible and if you would let me know when, I would like to try to attend.

Hope that all had a very enjoyable holiday and that we all will work to help promote our great fraternal organization Hoo-Hoo. Wear your pin daily and show the public your support of our great industry. "The Lumber Industry."

DEATH OF BILL RUSSELL L-50220

LEAVES THE HOO-HOO WORLD SADDENED

W. A. (Bill) Russell L-50220
1910 - 1988

Former International Secretary/Treasurer W.A. "Bill" Russell L-50220 passed away at his home in Buchanan Dam, Texas on November 27, 1988 after a lengthy illness. As a result, the entire Hoo-Hoo world is saddened, but also strengthened for having known a man of such conviction and dedication to our Order.

Bill Russell is credited by many for being primarily responsible for pulling Hoo-Hoo International out of deep financial hardship in the 1970s due to his restricted spending policies, but prior to his service as international secretary/treasurer he had been working for the good of Hoo-Hoo in many ways.

The letter below was written by Bill's good friend, Rameses 72 Jimmy Jones of Napa, California. Jimmy tells us that not only has Hoo-Hoo lost a good friend, it has also lost a great leader.

"Bill Russell was Hoo-Hoo all the way," Jimmy writes. "I first met Bill in 1964 at the international convention in Toronto, Ontario. This was the first international convention that Betty and I attended. We knew only three people and they were all from J-VI in attendance at the Toronto convention. Bill kind of took us under his wing and saw that we got to know many people from all over Hoo-Hoo Land. Many are still good friends today. Bill had already attended twelve international conventions when we met him in Toronto.

"Bill was the president of Houston Club No. 23 in 1951-52. He served as State Deputy Snark in J-VII in 1955-56, was elected to the Supreme Nine from J-VII in 1969-70. Also he was the chairman of the international convention held at the then-new Shamrock Hotel in Houston in 1954. During all these years, Bill worked at the local level, jurisdiction level and for the international order. In 1976 at the convention in Albuquerque, New Mexico, Bill was elected to the office of international secretary/treasurer. He held this office until 1981 when he retired from Rockwell Lumber Company and moved to his beloved hill country of Texas.

"Bill was involved in many other things too numerous to mention, but I must say that we were involved from the start on the Hoo-Hoo International and Forestry Museum, and the transfer of the international office to Gurdon.

"All that knew Bill Russell are very fortunate to have known such a great Hoo-Hoo. Fraternally, Jimmy Jones, Rameses #72.

A man of Bill Russell's stature was destined to make an impression on all who had an opportunity to meet him. He was a man of high principle who believed and lived every word of Hoo-Hoo's Nine Point Golden Rule. He was a man who knew his

ground and stood it well, and never shirked a confrontation when he knew he was right.

His loyalty to Hoo-Hoo was second to none, as attested to by his friend, Rameses 52 Dick Scott of West Vancouver, British Columbia. "Hoo-Hoo has lost one of its most dedicated members," wrote Dick. "Bill was on the Supreme Nine when I was Snark in 1959-60. Bill and Nan were very close friends of Isabel and myself, and I feel very saddened by his death."

The obituary in Bill's local newspaper stated that Bill was born in Palestine, Texas on May 5, 1910 and lived in La Porte, Texas until he and his wife, Nan, moved to Buchanan Dam in 1980. Not only was Bill active in Hoo-Hoo, but he maintained membership in the Rotary Club of Houston and the Episcopal Church.

Bill was concatenated into Hoo-Hoo in Houston on May 31, 1948, and in 1952 he and Nan began attending international conventions. In fact, they attended 30 consecutive conventions before missing the 1982 convention in Melbourne, Australia. The list

1968—Albuquerque	1984—Washington D.C.

A fund has been started to commemorate a special plaque in the Hoo-Hoo Museum in memory of Bill Russell. Memorial contributions may be sent to the Hoo-Hoo Museum, P.O. Box 118, Gurdon, Arkansas 71743, Attn: Bill Russell Memorial.

In the 98 year history of our beloved Order, Hoo-Hoo through the decades have mourned the loss of many great leaders, and once again we bow our heads in prayer for the family of yet another departed friend. We mourn the loss of Bill Russell, but we also can find reason to rejoice that he left a legacy of dedication, worthiness and loyalty from which we all can draw strength in the years to come.

CENTENNIAL COMMITTEE PLANS BIG CELEBRATION FOR HOO-HOO'S 100TH BIRTHDAY!

The Centennial committee under the leadership of General Chairman, Laurin Champ, met in October to discuss the initial plans for the 1992 convention when Hoo-Hoo will celebrate its 100th birthday.

Although committee member Gordon Graham was not able to attend, Mr. Champ along with Honorary chairman Louis Cabe, Jimmy Jones, Charles Cabe, and Billy Tarpley worked through the details of a well planned itinerary along with the help of Laurin's girl Friday and Wife, Maxene, Anita Cabe, Betty Jones and Dick & Fran Wilson. The committee met at the international headquarters in Gurdon on Friday, October 28th.

Following the committee meeting and a wonderful lunch at the home of Charles and Anita Cabe in Gurdon, Laurin and others

travelled to Hot Springs to visit with representatives from the Arlington Hotel regarding the upcoming convention, and returned with shouts of rejoicing at the reception they received. The hotel was willing to guarantee inexpensive room rates, plus provide complimentary meeting rooms. In addition, the hotel agreed to use its influence in assisting HHI in setting up functions outside the hotel.

The Arlington is a turn-of-the-century resort hotel which was recently remodeled, and offers the finest in food and comforts. The selection of the Arlington Hotel is also appropriate in that four Hoo-Hoo conventions have been held there through the years.

Watch the *Log & Tally* for more details regarding the big 1992 Centennial Celebration!

LUMBERMEN'S ASSOCIATION OF TEXAS TO HOLD 1989 CONVENTION IN SAN ANTONIO APRIL 6-8; HOO-HOO TO SPONSOR BOOTH

Thanks to the generosity of the Lumbermen's Association of Texas, Hoo-Hoo International will sponsor a booth at the association's 103rd annual convention & exposition to be held April 6-8 at the San Antonio Convention Center.

The show days are scheduled for Friday and Saturday, but international dignitaries from outside Texas plan to arrive on Thursday night to experience some Texas hospitality! Snark of the Universe Phil Cocks and his wife, Sylvia, will be in San Antonio, as will Executive Secretary Billy Tarpley. The plans for the Hoo-Hoo booth are being coordinated through J-VII Supreme Nine Bill Franks of Slaughter Bros. Inc. in Stafford, Texas.

If you would like more information about attending the show, or getting together for a little Hoo-Hoo fun, call Bill Franks at (713) 499-5575, or call the international office at (501) 353-4997.

GRANITE STATE 107 MAKES PRESENTATION TO NOTED FOREST CONSERVATION SOCIETY

The new Hampshire capital city of Concord was the site of a presentation of \$500 check from the Granite State Club 107 by president Wes Robichaud to Paul Nofziger, president and chief forester of the Society for Protection of New Hampshire Forests. Bill Patterson, a director of Club 107, forester, lumberman and a long time member of the forest society was also on hand for the presentation.

The Society for the Protection of New Hampshire Forests is the oldest and largest

state-wide conservation group. It is a private non-profit organization with many programs in land protection, forest management and education. Since their founding in 1901 (not long after Hoo-Hoo) the society has acquired many large tracts of forest land and turned them over to be managed by government forestry agencies. It has retained special lands to be managed perpetually for forestry, wild life and the enjoyment of all.

The Granite State Hoo-Hoo Club has been very active and raised funds through numerous efforts including its recent huge auction of member's surplus building materials. In addition to the above, proceeds have been raised to support youth groups and scholarships.

GRANITE STATE 107 — Club Pres. Wes Robichaud (center) presents \$500 check to Paul Nofziger (right), president and chief forester of the Society for Protection of New Hampshire Forests, as Club 107 Director Bill Patterson looks on.

HARRY L. FOLSOM CLUB #13 LETTER TO BILL TARPLEY

We would like to share our experience with the Boston version of your "Five on One" program. Our October meeting featured a speaker from the Massachusetts Home Builders Association and was scheduled for October 17, the third Monday in October.

As of October 12, the Wednesday before the meeting, we had six reservations. We had guaranteed the caterer fifty.

Our problems were that the printer had failed to get the notice out on time and the meeting was the third Monday of the month instead of the normal first Monday date.

Our solution was to assign each member of the Board of Directors approximately ten companies with members to be contacted by telephone. The program was successful. We contacted sixty to eighty firms employing 150 to 200 of our members, and attendance reached a break even count of forty for the meeting.

Very Truly Yours,
John E. Belangaer
President

WASHINGTON D.C. CLUB 99 REPORTS

The Washington D.C. club No. 99 is working presently to form a new club in the Roanoke, Virginia area thanks to two Club 99 members who live in the Roanoke area. The club's November newsletter reports the club president Joe Dempsey and J-I Supreme Nine Charlie Eaton were working to get the club started by working through the two Roanoke area members, John Judd and Mark Kittinger.

On a separate note, the members of Club 99 were treated to a visit by Roy Underhill, host of the popular PBS series, "The Woodwright's Shop." Underhill presented a program, "Have Broad Axe-Will Travel" during the club's November meeting. Underhill lives in Williamsburg, Virginia and is in charge of the woodworking restoration in the colonial city. The club thanked member Glenn Pierce who was apparently very persistent in arranging for Underhill to visit the club.

DETROIT CLUB #28 ANNUAL CHRISTMAS LUNCHEON

The Detroit Hoo-Hoo Club #28 held their annual Christmas Luncheon on December 8th at the historic Botsford Inn in Farmington Hills, MI.

This annual get-together of the Lumber and Building Materials Industry is legend in these parts and over the years has drawn Hoo-Hoo members and others from great distances to partake in this great display of fraternalism.

Our party attracted 150 this year and in addition to the several members from the Saginaw Valley Club #246 we had Keith Waddell and Lyn Edey who came over from the Toronto Club #053.

The International executive group was represented by the Snark of the Universe, Phil Cocks and 2nd V.P. Brent Crosby. Carle Hall, Rameses #77 came in from his summer home in Pharr, Texas

again this year and has become a regular. And speaking of visitors coming from great distances, Phil Cocks' son Geoffrey joined our party this year, coming to Detroit from Australia via Toronto.

Our club uses this function to award the Hoo-Hoo Lumberman of the Year Trophy. This year this prestigious award was given to "Manny" Litvin #60272. Manny is a valued member of the Detroit Club, having joined our group in 1953. He has served on our Board of Directors, as Club Secretary, Club President and went on to the Supreme Nine in 1964-65.

Manny is one of those men who wears his Hoo-Hoo pin with pride and is always ready to promote Hoo-Hoo. He is a dedicated member of our organization and is most deserving of the award. Congratulations Manny!

Our Snark gave a brief, but thought-provoking speech, which I believe is worth repeating here. Phil had this to say to the Detroit group—

"Thank you for inviting me here to—

day. This being my third visit to the Detroit Club. I hope you will consider me a regular."

"The world is divided into 9 Hoo-Hoo Jurisdictions. Your club & Jurisdiction II, in which you reside, had the highest paid membership percentage last year in all of Hoo-Hoo. This indicates that a lot of volunteer work took place. Just as this function always runs like clockwork because of volunteers and I commend Gordon Graham for his success in the Jurisdiction and Seymour Burg and his fine group of officers for the success of this function."

"There are obvious benefits to all of us being here today. First and foremost, is the fraternalism we all share. Through Hoo-Hoo, not only with our Detroit area neighbors, but in the knowledge that if you never leave your club's area, that you are connected with people across the globe who share your same ideals and keep our industry strong, because of their dedica-

tion to the same ideals."

"There are 76 active clubs in 4 countries."

"Two months ago, I stood in the baggage collection area of Brisbane airport in Queensland, Australia. Together, with a group of Hoo-Hoo members from American Clubs, we were visiting clubs on the East Coast of Australia."

"A tall skinny guy with thick glasses was observing us with some interest — especially as the Brisbane guys had hung a large wooden sign around my neck, proclaiming me to be the "Snark of the Universe." He came over to me, peered at the sign and said, "Are you a Hoo-Hoo?" I replied, yes! He said "so am I!" "I belong to the Manjumup Club in Western Australia and I've come to Brisbane to visit Expo — what club do you belong to?" I replied "Orlando, Central Florida!" He said "Man, we shore have spread out, haven't we!"

"Promoting goodwill among one another, even to the Southwest corner of Australia — that's what Hoo-Hoo is all about. If it didn't work, we wouldn't have

been around for almost a hundred years."

"Whenever people strive to build a stronger forest products industry, the principles of Hoo-Hoo will be alive, because in the heart of every person in the forest products industry, there is a little bit of the Hoo-Hoo dream. There is a notion that in every aspect of our business there is a little room for frivolity, a little socializing and a little desire to let your hair down and enjoy yourself with friends and colleagues. That is the strength of Hoo-Hoo and that my friends will be the strength of our global industry."

"Just as our commodity is a renewable resource, so does our organization renew itself through our bond of fraternalism and one hundred years from now it is our hope, that a group of Lumbermen will come together, so that they may better know each other and raise their glasses to those who went before them and helped preserve the fraternity that endured with a name called Hoo-Hoo."

"Thank you for your attention and I Salute you with the motto of our order — Health, Happiness and Long Life."

NEWS FROM SPOKANE CLUB 16

The December Christmas party of Spokane Hoo-Hoo Club No. 16 was a fine event, hosted in the Dellog Plant of Dellen Wood Product. A goodly number of members, ladies and guests, braved sub-freezing weather to enjoy socializing, good food, and a good program of humor and "D'Llusions" by Baron Stringfellow.

The Fun Night at Dellen Wood Products Dellog Division in November was a great success, and raised a "tidy sum" for our Woodworking contest next year, and provided a fine friendly fun evening to some 80 members and guests. A wide variety of gifts were donated by many people and firms. We want to thank the firms and individuals who made these donations and thank all the individuals who donated tickets. It was interesting to note that 4 door prizes were drawn, and two were drawn for members who were out of town. We thank the committee members, who so successfully engineered their work on the committee and for making the Plant available for the party. Thanks also to Jim and Karol Price, Kris Wales and Julie Okert, Perrin and Mary Zancck, Jack and Helen Eskeberg, Jerry and Fran Hudson, Stan and Dale Smith, Bill Tatt, Michael Dolan, Howard Peuck, Brad McKnight, Joe Belknap and Bruce Johnson.

The tour of the Jensen Byrd Distribution Center on September 22 was outstanding. The building has six sophisticated equipment, and all items are tagged, and some are pre-priced for individual customers. This is a home owned 100 year old firm, which has broadened its customer base to include many parts of the U.S., as well as overseas. A birthday cake and champagne were "extras" to honor the next day birthday of Bill Lenten.

WILLAMETTE VALLEY CLUB 33 DONATES \$4,000 TO LOCAL PROGRAMS

The board of the Willamette Valley Hoo-Hoo Club No. 33 of Eugene, Oregon debated for several years on who or what to donate an accumulation of the club treasury to, and finally decided to split a total of \$4,000 between four very worthy organizations which serve the youth of Eugene.

At the October 3rd meeting, the board voted to donate \$1,000 each to the follow-

WILLAMETTE VALLEY CLUB 33 TO HOST RAMESES GET-TOGETHER

What an event planned for this memorable and historical date of February 8, 1989!

Snark Phil Cocks L-77298 will be on hand from Florida.

Al Meier L-71555 (Rameses 78) is working on a plan to develop a Rameses organization with nearly 1,000 years of Hoo-Hoo experience to draw from to give assistance to the International Officers of Hoo-Hoo. Willamette Valley Club 33 will be the first step towards a meeting in Portland, Oregon to lay plans to develop this group. Our club could look forward to having nearly one-half of the living Rameses present on February 8. Snark Cocks will brief Club 33 on current Hoo-Hoo events and each Rameses will be given an opportunity to speak.

As an example, Rameses Meier, Jack Jacobson R79, Dick Wilson R76, Jimmy Jones R72, Carle Hall R77, Laurin Champ R70 may show from out

of state. Oregon has our own Dan Brown R74, Leonard Putman R65 and Bob Johnson R60 from Klamath Falls. (Hey, we had better see you guys up here!)

Besides Al Meier, Washington has Ernie Wales R50 (next in line for Seer of the House of Ancients) and Gene Zancck R71 from Spokane. (Love to see you folks down here in February).

Seer of the House of Ancients Dave Davis L-37575, R48 with a little help and good luck may be here for the meeting. We all hope Dave's health will permit him to be here and continuation to Portland to attend the World Forestry Building opening on February 12.

Members of Willamette Valley Club 33 are in for a meeting of Rameses never before held. Even International annual meetings may not have this many Rameses in place at the same time.

Willamette Valley Club 33 officers are excited and proud to sponsor this International gather of Rameses. You will be part of an important event. Come out and meet with these people and talk with Snark Phil Cocks and the Rameses.

ing organizations:

ESP/SSP — Eugene/Springfield Sports Program.

Eugene Family YMCA.

Eugene Hearing and Speech Center.
Junior League of Eugene — Drug Education in drug refusal skills.

We are proud of these donations and feel strongly that our money has been dedicated to local organizations to be used

with local people. Most of these organizations have a direct associations with our young people today. Dennis Reinwald and Steve Kilgore presented the checks in person. The following is a letter from Willamette Valley Club No. 33 president Rich Cone: "We held our first Board meeting on September 19, 1988, and elected officers as follows: President Rich
(Continued on next page)

(Continued from page 13)

Cone 82865; 1st Vice President, Doug Greg 81951; Secretary/Treasurer, Bill Dickson 92337.

The main objectives for our 1988-89 year are #1 fewer meetings where we have had marginal speakers and the attendance

has been poor, #2 get the mailing out 10 days to 2 weeks before a meeting, function, event, etc. so everyone has proper notification, and #3 when we do have a meeting, function, event, etc. — do it up right! The tentative schedule is as follows:
Thursday, February 16, 1989 — Concat

Wednesday, May 17, 1989 — Trap Shoot
Friday, June 2, 1989 — Golf Tournament

“While the board has reduced the number of meetings, you shall continue to hear from us via newsletters on a monthly basis. We want you to keep up on Hoo-Hoo affairs.

SEATTLE 34 — Arnie Garka and Steve Kallberg get a yuck over Arnie's 5 lb. spud.

SEATTLE 34 — Vicegerent Fred Scheffler digs in for another ticket while Chuck Cain looks on, and Tom Vogel calls out the previous number.

SEATTLE #34

Our October meeting featured a \$250 drawdown for all members that had paid their dues. Fifty-six members and guests turned out to watch members Carl Olsen, Jerry Doolittle, and Harvey Scott take home the cash.

We hosted a joint meeting with Tacoma-Olympia and North Cascades for our November turkey drawing. Ninety-four members joined together for a great night of Hoo-Hoo fellowship. Twenty turkeys and several bottles of wine were raffled off for holiday tables. Our guest speaker was Sam Merriman, Seattle

Seahawk linebacker, Sam, currently on injured reserve, tackled many issues of interest to the audience, and was a terrific speaker.

It's a fact that the annual Christmas party was attended by exactly 99 members and guests. Santa's helpers were there to pass out thirty-three raffle prizes worth \$800. The grand prize, a color TV, was won by member Dean Whitehead. What a great time!

Our Past President Club, with 18 members, is off and running under the able direction of Mel Brown, President, Dan Olson, Vice President-Treasurer, and

Steve Kallberg, Secretary. Their first official activity was a golf tourney. They have also reviewed our club by-laws, last amended in 1973, and made suggestions for an up-date. The next activity is tentatively scheduled for February.

The club is again sponsoring a Rule #16 lumber grading school to begin January 11th. The course, which includes 21 hours of instruction, will be conducted by Carl Massie, President, Professional Association of Lumbermen. Classes are filled to capacity, and will be attended by over 60 students.

SEATTLE 34 — Pres. Tom Vogel presents the big draw-down cash to winner Harvey Scott.

SEATTLE 34 — Board Member Bu33 Gascoigne isn't impressed, but 1st V.P. Ed Williams is. What are you looking at Ed?

**PORTLAND 47 CELEBRATES
HOLIDAYS AT WORLD
FORESTRY CENTER**

Saturday, December 10th proved to be another memorable Holiday get together for the Portland Hoo Hoo Club #47, held again this year at the World Forestry Center in Washington Park.

PORTLAND 47 — (L-R) Mr. and Mrs. Mike Mackin (Hanel Lumber Co.) and Mr. and Mrs. Doug Moshofsky (Whipple Moshofsky Lumber).

The evening began with an elegant cocktail hour complemented by a harpist playing classical and Christmas music. A prime rib dinner followed, served on tables decorated with poinsettias, which were given to the ladies.

The evening concluded with a holiday message from president Jim McCarthy

and dancing into the night. With over 60 guests in attendance, we considered this years party a great success and a wonderful start for the holiday season.

The Portland Hoo Hoo Club wishes all of you good health, happiness, longlife and prosperity in 1989.

Roger Allen.

PORTLAND 47 — Mr. and Mrs. Jim McCarthy #47 Club President Furman Lumber Co.

PORTLAND 47 — Bill Gouge (Contact Lumber Co.) and Mr. and Mrs. Bill Youngmeyer (Oregon Canadian Forest Products)

TAC OLY 89 — Two "Old Timers" Wayne James (left) and Jerry Turner.

**TACOMA OLYMPIA CLUB 89
HOLDS CONCAT: JOINT MEETING
WITH SEATTLE 34**

The October meeting of the Tacoma Olympia Club No. 89 featured the annual long form concat. There was no speaker, but a lot of fun! We had a good turnout to watch our six new kittens be initiated into the club. After it was over, we deemed them worthy of belonging to our club and Hoo-Hoo International.

In November, we had a joint meeting with the Seattle Club No. 34 in Seattle at the Swedish Club. A great time was had by all, and 20 turkeys were raffled off.

We planned no club activities for December, but at the time of this writing we are busy planning for our January 3rd meeting which is a mill tour of the Simpson Kraft mill here in Tacoma, and a dinner meeting afterwards at the Propeller Club.

John Crawford, reporter

LOG & TALLY

THE OLY 89 — Jim Sherman conducts the raffle with a big smile.

THE OLY 89 — John Crawford (left) and Jack Harrington collect for dinner tickets.

TAC OLY 89 — Six new kittens (l-r) Guy Scalera, Custom Panel; Rick Ingram, MacMillan Bloedel; John Humphrey, Humphrey Lumber; Tim Moriarty, Perma Post Treating; John Maks, TRM Wood Products; Dick Rust, Humphrey Lumber.

**WEAR YOUR
HOO-HOO PIN
WITH PRIDE!**

40 forester types. The meeting was at the Winema Hotel in the Versailles Room, pretty fancy mirrors etc. Ken Dunn told about the good old days on the Klamath Indian Reservation. Lots of old timers showed up. They even added to Ken's presentation. Questions were interesting and probably could have gone on all night. Good Job Ken.

W.K. Patterson won the shotgun. Pete Crebbin had to wake up old Dad to claim the gun for W.K.

NOVEMBER

Six new members were concatted into Winema #216. A special welcome is extended to Leonard Camaille—Klamath Falls Logging Co., John Deegan—Weyerhaeuser Co., Grant Hamilton—Weyerhaeuser Co., Robert Heliner—Circle De Lumber Co., Eric Meadows—Bearcat Logging Inc., David Sporer—Lee Smith Logging.

Fifty people attended with lots of Weyerhaeuser guys. Joe Wampler sat at a table that was all Weyerhaeuser except him. Hmm? Wayne Phillips lost his raffle tickets, found them and then won some money. Lucky twice. I wonder if he bought a ticket for the Big One this month.

**REPORT FROM WINEMA 216
SEPTEMBER**

"Old Timers Nite" at Collier Park drew 39 hardy souls, 6 of which had reached age 70 so drew free dinners. Bob Kennedy led the vintage equipment tour and did a noble job. Kinda hard to believe that he's over the speed limit in age — Understand that the brew was LaBatt's, one of Canadas' best, and that the geese & "Mozzies" didn't show — Ehlers' Bros. steak beans were the greatest — And they ran out of beans! Had plenty of steaks

— Now that's a switch! Better grow a bigger patch, next year, Fred.

Ron Loveness reports that the 6th grade Forestry Tour had 836 kids, and 82 teachers, aides & parents for a total of 918 "Touristas." And instructors Dunn, Keen, Schmidt, Netzer, Kennedy, Loveness & Wagner really enjoyed presenting their subject. And what a great bunch of kids! With kids like these, how come our jails are so full?

OCTOBER

Foresters Night was well attended by

14TH ANNUAL GREEN PETER GOLF TOURNAMENT

Over 130 golfers teed it up at the 14th Annual Green Peter Hoo Hoo Club tournament on September 16, 1988, at McNary Golf Course, Salem, Oregon. Trying something new this year, a shotgun start at 11:30 a.m. was successful in moving all groups around the course in good time. All completed play at nearly the same time, leaving adequate fellowship involvement prior to the full course sirloin steak dinner at 7:00 p.m. The weather cooperated beautifully, as usual. Barbecued hamburgers were served on the

golf course and a circulating refreshment cart kept all from succumbing due to thirst.

Jerry Weis won low gross honors and was presented the new rotating trophy named in honor of Karl Remmy, long time treasurer of the Green Peter Hoo Hoo Club who died earlier this year. The overall low net Callaway winner was George Whitaker.

Winners in the first flight Callaway were Jim Hall, Don Dickey and Bill Chapman. Second flight honors went to Larry Ostrom, Ralph Lulay and Steve Grimes. Winners in the 3rd flight were Bob Walton, Bill Blackerby and Jack Davis.

Linda Prefontaine was overcome with disbelief when she was awarded first low net in the Fourth flight. Marvellous things happen with the Callaway System, Linda. Other winners in the fourth flight were Ron Hansen and Don Barrett.

Long Drive honors on #1 hole went to Jim White. Accurate drive on #2 was won by Tom Conway. K.P. awards went to M. Boone, Terry Hancock, Bill Wendt and Brent Walker. The buffalo head trophy for short drive on #1 was won by Chuck Moore who said he had practiced that shot all year. Rich Hanson won 6 golf balls for swinging the clubs more times than anyone else. Congratulations to all for a fun day.

GREEN PETER 226 — Green Peter golf Co-Chairman Dick Martin and President Pat Pond grin at the big turnout.

GREEN PETER 226 — Golf Co-Chairman Doug Woodcock and Don Jones prepare starting times at the Green Peter tournament.

GREEN PETER 226 — 19th Hole was very popular at the Green Peter Golf Tournament, Salem, Oregon.

GREEN PETER 226 — Pre-game warm-up at the Green Peter Hoo-Hoo Golf Tournament.

Jurisdiction IV

THE SYDNEY SENSATION USA VISITORS, INDUSTRY TOURS JIV BUSINESS, HARBOUR CRUISE AND A LOT OF FRATERNALISM

While delegate members were low, probably reflecting the state of the industry with its takeovers and mergers, no one could dispute the great fraternalism and undenied success of the Sydney JIV convention.

Activities commenced with an industry tour of the Weyerhaeuser complex at Homebush Bay. It is a pity that more delegates did not partake of the tour and a special vote of thanks must go to all involved in the organisation, especially those members of the Weyerhaeuser group.

On Friday night delegates, wives and visitors all descended on the Opera House for departure on the M.S. Mathilda for a dinner cruise on magnificent Sydney Harbour. While the sailors among the delegates indicated the wind gusting to be 5 knots/hour, there were others who believed it was at least 100 knots/hour.

While it took some time to get one's sea legs there were occasional encounters of the intended and unintended variety. This was a most enjoyable means of getting the intermingling of people and it developed into a magnificent night of revelry and camaraderie.

The tour was magnificent, starting in the daylight and then into the night, the service superb, the food delicious (we did shelter in Rose Bay to have dinner) and as the night wore on the laughter and enjoyment increased.

Saturday was business day. The organisation was great — and went like clockwork. It is extremely difficult to get everything done in just one day's business. There is so much routine business that there appears to be not sufficient time for participation by delegates from the floor of the meeting.

The conference was opened by the Snark of the Universe Phil Cocks who set the tone of the meeting by being brief and to the point, as well as fraternal. During the day most of the presentations were made to minimise disruptions during the conference dinner.

As a guest speaker Doug Walters, the ex-Australian cricketer, must be difficult to beat. At lunch he had everybody in stitches as one joke followed another. No one could possibly forget Mister Mallet's "Little Friend." Don't miss his book when it

is released.

Highlight of the business session — apart from Jim Michie's satorical splendour—

- A resolve to increase membership by use of the 5 in 1 program devised by Billy Trapley.

- New Zealand members fees to remain unaltered and members be encouraged if trans-Tasman tripping to visit Hoo-Hoo clubs in either New Zealand or Australia.

- Future conferences should be a longer duration, to allow more fraternising, business to spread over several days, to allow more participation, and at least one session be devoted to a high powered industry speaker.

- Endeavours be made to increase the number of delegates attending JIV conventions by going for a high quality conference at reasonable cost incorporating factors that would make the conference attractive to employees to encourage employees to attend.

I have kept the best for last. Didn't we all have a party at the conference dinner? That band had everyone on the floor, all the time and as later photos show "anything goes."

Speeches and presentations were minimal and as usual Doug Howick, as gurdon, brought the house down and the cash receipts up.

Congratulations Sydney on a mighty fine convention!

MOUNT GAMBIER 214 HECTIC HOO-HOOS AS YEAR COMES TO END

Mount Gambier 214 is very much alive and spitting. The club regrets very much that it wasn't represented at the convention, the first time ever.

Corporate change in 1988 was immense in this area of the world with the inevitable spinoff on individuals plus clashes with AusTIS, people overseas and some people in new employment — none were available or able to go. That's the plain facts.

Club meetings have been strong — varied and good attendances — and the new board under Laurie Judd has settled in well. Future programs well into 89 are in hand.

SYDNEY 215 RECORD TURNOUT FOR SEMINAR ON NORTH AMERICAN RESOURCE

One of Sydney Club's largest ever turnouts was the recent West Coast supply seminar. More than 165 members and

guests filled the Rosehill Racecourse Function Centre to hear a panel of leading timber industry representatives discuss the present and future timber resource from North America.

A short COFI film, courtesy of the TDA, illustrated how the Japanese were introduced to the use of Canadian timber for modern, efficient house construction.

MELBOURNE 217 INTERNATIONAL WIN

Melbourne Club 217 was well represented at the JIV Convention in Sydney with 14 members present. Another four were unable to attend due to industrial trouble with the airlines.

Our club was awarded the Media Award trophy as well as the Newsletter Prize. We also were fortunate to be awarded the Jack Cheshire Media Award at the International Convention in Florida.

A buffet dinner for the Snark of the Universe Phil Cocks along with 20 North Americans at Collingwood Football Club was well attended and a great night was had by all.

BRISBANE 218 McDONALD HOUSE A MAJOR CLUB PROJECT

The changeover of directors for Brisbane Club 218 in September went smoothly and according to plan.

Tom Donohue took over the reins from outgoing president Peter Mort, and we can confidently predict an exciting and eventful year.

Major projects will include the reactivation of the "Creative Youth Awards" and the "Ronald McDonald House" project.

CANBERRA 232 US HOO-HOOS VISIT PARLIAMENT HOUSE

We were happy to welcome Snark of the Universe Phil and his party to Canberra immediately after the Manly Conference.

John Cadona found a utility (pick-up?) too small for their luggage and had to use a 10 tonne truck.

The visitors were shown the new Parliament House especially the use in it of timber. They had a look at a small farm where they saw (and probably smelt) a sheep being shorn, and had dinner with the club on Monday, October 10.

**HOBART 235
YES SIR, YES SIR
THREE BAG FULL**

The annual schools' awards are well in hand by Robert Barber and cheques and presentations will be arranged for the end of the school year. This is a most important facet of our organisation as we are being seen to be involved at the grass roots level of the industry. Perhaps some of the students we encourage with these awards will one day occupy managerial positions within or industry.

The last meeting was a concat and three new members were officially inducted. Congratulations to Rex Flakemore, Barry Burns and Denis Logan. We have additional candidates for the next concat even at this early stage.

**NORTH EAST VICTORIA 236
JOINT MEETINGS A REAL WINNER
FOR COMMON INTEREST
DISCUSSION**

The next meeting of the North East Hoo-Hoo Club 236 was held in conjunction with the North-East Branch of the Institute of Foresters of Australia.

An invitation was sent to local members of the Australian Forest Development Institute also. The meeting was a mixed dinner at the Seaton Arms Hotel, Albury.

Guest speaker was Dr. Robert Bain, executive director of the National Association of Forest Industries.

**NEWCASTLE 237
AMERICAN VISIT WAS A SELL-OUT
FOR COMMON INTEREST DISCUSSION**

October 6 proved to be a great night for Newcastle Club as we had the honour of entertaining Snark Phil Cocks and Sylvia, plus other dignitaries enroute to the JIV Convention. The attendance of 96 was an all-time record.

The "Apollo Motel" of Charlestown, Newcastle, was the venue for an enjoyable night by all our Australian and overseas visitors.

**LAUNCESTON 239
TASSIE TOURS WERE
WORTH PLANE PAIN**

After confusion with airlines which nearly cancelled the Tasmanian tour, the visiting USA Hoo-Hoo group finally arrived on Friday, October 14.

Once the group freshened up and deposited their baggage at the Launceston Casino, private vehicles then transported them for a guided tour in and around

Launceston.

After Launceston, the next point of interest visited was a eucalypt plantation owned by Forest Resources, from there to an informal barbecue at Myrtle Park. That afternoon we visited French's new pine mill at Scottsdale, returning via Lilydale to the Launceston Casino.

**PERTH 240
RAINFORESTS IN WA?
YOU CAN BELIEVE IT!**

The October meeting held some real surprises.

Kevin Kenneally, senior botanist of the WA Herbarium, gave a vivid description of WA's little known tropical rainforests.

In recent years, the Federal Government made available funds for scientific description of Australian rainforests.

The WA Government put the rest of the nation and most Westerners into a state of shock by applying for funds. It had not occurred to all but a few that WA did indeed have any rainforest.

**AUCKLAND 248
JOINT PANEL DISCUSSION LOOKS
AT NZ FORESTRY 'PRIVATISATION'**

The August dinner meeting was a joint venture with FIEA and the NZ Institute of Foresters to host a panel discussion under the heading "Privatisation of the NZ Forestry Corporation."

Speakers were Kevin Johnson of Carter Holt Harvey; John Valentine, Minister of Forestry; and Russell Dale from the Timberlands division of the corporation.

A modest turnout of members and guests were well briefed on the implications of the proposal to sell the corporation and in the absence of the gentlemen of the press both members and speakers felt free to air their respective views.

**GIPPSLAND 257
TRAVALGON BICENTENNIAL
DISPLAY A MAGNET FOR MORE
THAN 30,000**

Blackwood furniture, ancient and modern chainsaws, videos on forestry equipment and displays of forestry regrowth were just some of the items on display at the Gippsland Hoo-Hoo Club stand at the Australian Bicentennial Exhibition held at Travalgon from October 28 to 31.

More than 30,000 people came to the exhibition and the interest shown in the Hoo-Hoo Club was very encouraging.

**WOY WOY 260
'GURDON RESERVE'
IN SECOND STAGE**

Woy Woy members rallied to a working bee on Saturday and Sunday, September 3 and 4, for their contribution of a Children's Playground sponsored by Permalog Products Pty Ltd.

The joint project with Gosford City Council, worth \$10,000, is to be completed prior to the Christmas School Holidays.

Although there was plenty of digging, concreting and carpentry, the two anchor men, club directors John Nutt and Clem Jones, were able to secure the swing legs during assembly.

**NORTH QUEENSLAND 265
DARRELL'S DECREE... KEEP
KICKING GOALS**

I would like to express thanks to Darrell Gibson who as charter president moulded the club into such a viable force that we were able to win three awards at the JIV 87 Convention.

I feel it is most important that we continue to strive for the goals Darrell set for the club, in such areas as membership, recruitment and involvement, community service, projects, fellowship and communication.

This year we are setting our goal to broaden our base and increase membership. We feel it is important to counsel prospective members of the object, obligations and tasks involved in Hoo-Hoo membership. Our first major task as a club was to welcome Snark of the Universe Phil Cocks and his wife Sylvia plus 24 other Hoo-Hoo members and their wives. It was a great honour to have them pay us a visit. — **President Tut.**

**GEYSERLAND 264
ELECTION OF NEW COMMITTEE**

Our second annual general meeting was held on May 2 with a good attendance.

After an interesting and thought-provoking presentation by guest speaker Dr. Wink Sutton on "The Future of Clear Wood," the election of officers was held.

The new committee, headed by president Milton Bruce and vice-president Dick Bush, are Scott Colebrook, Bernie McCready, Peter Nash, Murry Pink, and Bob Young.

JURISDICTION III MINI CONFERENCE.

ITINERARY

A LETTER FROM RAMESES 79
JACK JACOBSON

November 4, 1988
Dear Billy,

Enclosed is a photo of a weathervane that a friend of mine made for me here in Vancouver. His name is Don MacPherson. He attended the convention in Seattle in 1987 and was inspired by the song of the Black Cat:

Oh, the liquor was spilt on the barroom floor
And the bar was closed for the night.
When the little mouse ran from a hole in the wall
And sat in the pale moonlight.
He licked up the liquor from the barroom floor

And back on his haunches he sat,
And all night long he sang this song,
"Bring on the Hoo-Hoo Cat!"

This cat is approximately 20 inches high, and I am going to mount this on my

gazebo.

This was a one of a kind for several months, but last week he presented one to Al Meier (Rameses 78.)

Health, Happiness and Long Life,
Jack, Rameses 79

VANCOUVER 48 — J-V-S-9 Bruce Woodrow (right) and Maurice Hudon (left) look on as past president Ted Hill addresses the five finalists.

VANCOUVER 48 — And the finalists are... (l-r) Colleen Pollen, Fay Miller, Marcia Garries (last out), Donna Leighton and Doris Wilcox.

VANCOUVER 48 HOLDS LADIES NIGHT; CONCAT

The Vancouver Hoo-Hoo Club held its 13th Annual Ladies Night at the Terminal City Club on Saturday, October 22nd. This ever popular event was a great success and fun for everyone. Attendance was restricted by the confines of space but we managed to comfortably accommodate 170 couples. The format of the evening was started off with the famous and fabulous Terminal City Smorgasbord, followed by our 2nd Annual Donor Auction, followed by a reverse draw with all the 170 ladies participating. The last 5

ladies drawn agreed to split the \$2,500.00 last out pot \$500.00 each. Great excitement for them. Marcia Garries, first time attendant, was last out. The \$10,000.00 raised at this event will all be used for our continuing upgrading of Evans Lake Camp for boys and girls.

Thank you Vancouver Hoo-Hoo members for your great support. We sure know how to have fun, don't we. The dance after the draw was still going strong at 2:00 a.m.

A big turnout of 116, including 31 KITTENS (in fact the largest number of members attending a concat thus far) en!

joyed the...Crab & Beer Night...and concatenation on Sept. 29. Mike Roy, our representative for the Melbourne Exchange, gave an interesting slide show and narrative on his trip down under.

NOTE: The next CONCATENATION is February 9th, 1989. Roger Marshall & Maurice Hudon arranging.

We like to take this opportunity to
(Continued on page 24)

Don't shrink away from Cedar...

Order it
Kiln Dried!

If you want the beauty and versatility that only Cedar can give, but need the stability and other benefits of seasoned wood—you CAN have it all... with Kiln Dried Cedar from Loth Lumber!

Employing the latest in industry technology, the drying system used for Loth Lumber speeds up nature's natural seasoning process while it carefully preserves all the unique features that make Cedar so popular. The result is a top quality building material that is pre-conditioned

to withstand tough climatic extremes.

What are some of the important advantages of Kiln Dried Cedar?

- greater stability • more knot security in tight-knot products • lighter weight • takes paint easier • adjusts more quickly to weather • machines better for finishing

Don't shrink away from Cedar.

VANCOUVER 48 CONCAT — 33 kittens were concatenated into Hoo-Hoo Club 48. The largest club in Hoo-Hoo land.

VANCOUVER 48 DINNER AT THE JACOBSON'S — Gloria Noga (left) advises Doris Wilcox (center) and Norma Jacobson on how the K.P. duties should be done.

DINNER AT THE JACOBSON'S

On August 29, our own ex-Snark Jack Jacobson and his wife, Norma, graciously hosted a welcoming dinner for Melbourne 217's exchange representative Graham

Younger and a few dozen Vancouver Club members. A memorable evening was had by all attending who helped kick off another hugely successful visitation from the Melbourne Club. This annual event has been so successful, in fact, that a commit-

tee is once again in place to organize next year's exchange. A candidate will be selected from the University of British Columbia early in the new year to represent Vancouver Hoo-Hoo No. 48 in Melbourne next year.

TORONTO CLUB #53 REPORTS

Club #53 had their annual golf tournament on September 8th at Nobleton Lakes Golf & Country Club with a full house attending the golf and steak dinner. Ernie Warnica and Guy Pyselman were the conveners again this year and did an excellent job as usual.

The big Hoo-Hoo member winners were Norm Thomas with a 79 to win the low gross and the John Hickey Trophy. Low net was won by Richard Wand with a 63 to win the Crown Forest and Don Barkly Trophy.

On October 24th Club #53 had their annual Old Timers Night. This year again was a great success and we packed them in. Over 80 of the best, came to share a dinner, and evening with friends, peers and

associates. Good to see everyone. Our speaker, Catherine Swift, was hard pressed on the Free Trade issue, as the concerns of many were heard. We all learned something from her data and each other. Thanks to Dunc Pollard and wife Barbara, Jeanne Pascalle and Cheryl Brown, for their efforts in making the evening so successful.

Our guest, Lyle Hoeck, 1st Vice-President, International Hoo-Hoo, #77159, came all the way from Sioux Falls, South Dakota, to rub shoulders with the many Club #53 members, and was most warmly welcomed. Our thanks to Heather Cote, and Scott Hancock for handling our 50/50 draw in the amount of \$320. Mrs. Ruddi Susanik had the winning ticket. Ruddi accepted on her behalf and generously

donated \$160.00 to the Hoo-Hoo International Museum, in Gurdon, Arkansas. Ruddi and Mrs. Susanik, to you both, our thanks for your generosity.

As always December is a busy month with all the seasons festivities. Club #53 held their annual Christmas Party again this year at the Royal York Hotel in conjunction with the Wholesale Lumbermen Assoc. Hundreds attend this annual affair and have donated thousands of mitts and socks over the years. This year the entertainment was most appropriate as they had Hawaii dancers perform, amid palm trees and flowers, at the party. We hope the members get in the spirit to attend the September Convention in Honolulu.

TORONTO 53 — Club pres. Dave Warren (left) awards Norm Thomas with the John Hickey trophy as low gross winner.

TORONTO 53 — Richard Wand displays his trophies as low net winner.

EVERYONE INVITED TO THE MID-YEAR BOARD OF DIRECTOR'S MEETING IN ARKANSAS

Snark of the Universe Phil Cocks extends a warm invitation to you to travel to Arkansas for the 1989 Mid-year Board of Directors meeting March 10 - 12 for some Hoo-Hoo fun and fellowship! The meeting will begin at the beautiful Arlington Hotel in Hot Springs with an informal get-together on Thursday evening, March 9th. The Board meeting will begin Friday morning at 8:29 at the Arlington, and conclude at 4:29 p.m. A cocktail party with guests from Weyerhaeuser and other industries will be held Friday night at 6:29 and the group will move downstairs to the seafood buffet at 7:29 p.m. where a private room will be prepared especially for us.

Registration fee of \$29.99 per person will be charged to cover cost of Friday night cocktail party and buffet.

The group will check out of the Arlington on Saturday, and travel to the Continental Inn in Arkadelphia for the final day of the mid-year weekend. The board

will travel to Gurdon to complete its business, if necessary, and other committee meetings will be conducted as well. If you choose not to attend the Board meetings on Friday and Saturday, nearby Hot Springs offers thermal baths, sightseeing, shopping, museums, lake cruises, and best of all, Oaklawn Park which provides the finest in thoroughbred racing. Hot Springs is also the site of the 1992 Centennial Celebration, so you may choose to visit the beautiful and historic Arlington Hotel where the convention will take place.

Or you may choose to spend your day browsing through the Hoo-Hoo Museum and thumbing the volumes of rich Hoo-Hoo history in our archives room.

If you are interested in joining us for this special weekend, please fill out the form below and return it as soon as possible to Hoo-Hoo International, P.O. Box 118, Gurdon, Arkansas 71743.

TORONTO 53 — International 1st V.P. Lyle Hoeck listens as guest speaker Catherine Switt discusses "Free Trade. How It Affects Us All."

TORONTO 53 OLD TIMERS NIGHT — The fellowship was running high at the Old Timmer's Night.

TORONTO 53 SPONORS OLD TIMERS NIGHT "Old Timer's Night!"

We packed 'em in for the club 53 Old Timer's Night in October!! Over 80 of the best, came to share a dinner, and evening with friends, peers, and associates. Good to see everyone! Our speaker, Catherine Switt, was hard pressed on the Free Trade issue, as the concerns of many were heard. We all learned something from her data, and each other. Our most recent column, "All aboard 88," adds some further insights into the evening. Read On!

A final salute to Dunc Pollard and his wife Barbara, and their two elves, Jeanne Pascale, and Cheryl Brown, for their efforts in making the evening so successful.

Our guest, Lyle Hoeck, 1st Vice-President, International Hoo-Hoo #77159, came all the way from Sioux Falls, South Dakota, to rub shoulders with the many

Club #53 members, and was suitably impressed, and warmly welcomed. Do come back again Lyle!

Our thanks to Heather Cote, (Beaver Lumber) and Scott Hancock, (Lignum East) for handling our 50/50 draw to the tune of \$320.00. The ever charming midas touch of Mrs. Ruddi Susanik, had the winning ticket, and Ruddi accepted on her behalf, and generously donated the \$160.00, to the Hoo Hoo International Museum, in Gurdon, Arkansas! Ruddi, and Mrs. Susanik, to you our pride, and thanks.

The evening ended, with many a promise to attend more dinner meetings, and we phone and reported you all to Heaven...and you know who!...So...if you don't come again...like Nov. 28th, you know who — will be taking notes up there!

ALL ABOARD 88...
the continuing saga...

On Oct. 24th, cars from the Manitoba Room, were loaded, for a transported evening of soft back-pats, hard handshakes, and a lot of resawn-smiles. All, wood, and should be seen more than once a year! It was a sight, of old timer's, — new timer's — and a comraderie that is unparalleled in most industries. There were but a few missed and empty spaces, but all in all, the evening travelled on track very well! As past presidents had their moment, history of a very special fraternal organization with the resources of knowledge, experience and a timber of time — gracefully unfolded! We thank all of you, for filling the cars with your person, and assuring our club of a journey that is well healed, safe and perpetual! From the oldest to the youngest, we are the finest! Let's keep the tracks and spirit in use, and continue to make our cars roll. See you soon!

**REPORT FROM TORONTO
EXECUTIVE MEETING**

September Executive Meeting News. Our September meeting was on the 8th, while overlooking the rolling hills and landscape of Nobleton Lakes Golf and Country Club. Background music was supplied by the Toronto Hoo Hoo Club #53 chorus of golfers, in the key of Molson's D Minor!

In special attendance was the inimitable Bill Bader, sleek, all in black, and the unflappable Keith Waddell in his Colingwood colours. Really good to see both of you in attendance.

Tommy Thompson, always a positive force for us all, was joined by our golf

committee comedy team of Pyselman and Warica, whose stage performance later in the evening was worth the price of the tickets. Ernie and Guy's efforts both prior to and during the tournament were their usual one hundred and ten percent success story!

Colin French volunteered to organize a membership FAX list for communication and club data. The volunteering of such a task was especially appreciated, however, his success depends entirely on the members assistance. If you have not already given Colin your FAX number, please contact him with the information as soon as possible.

Paul Skinner — at last — you found us, or did we find you? Nevertheless you

volunteered! Paul, has accepted our request for our 50/50 draws responsibility, at each of our meetings. So, get your money ready for the 50/50 is back in full swing! This kind of co-operation in our club is available to all and from all. Our thanks to Paul and all others who volunteer and offer their assistance at different events and meetings.

To all of the above, along with Dave Warren, Dunc Pollard, Norm Thomas, Dave Morrow, Jeannie Pascale and Cheryl Brown, our meeting was one of success and filled with an agenda of current and future possibilities and happenings. Stay Tuned!

**REPORT FROM COWICHAN
VALLEY CLUB 229**

The Cowichan Valley Hoo-Hoo Club No. 229 held a concat on November 3 at the beautiful Cowichan Valley Inn. It was attended by 39 members and kittens, of which 8 were concatenated.

Our Fall fund raising dinner was held October 21 and \$1,900 was raised. The main source of our donation money,

however, is from regularly held bingos.

Recently, club 229 made several substantial donations to worthy organizations in the area. \$4,000 was given to the Forest Museum to be used to help reinstate elementary school class tours in 1989. \$2,000 was donated to provide lighting for the forest walk at the Forest Museum. One of the many wood-oriented projects supported by our club is the Cowichan Bay

Wooden Boat Society. Their goal is to design a society that would establish a boat-building school and maritime centre. Cowichan Valley 229 has contributed \$5,000 towards this goal.

Another year has passed and the G.S. Doman Memorial Fund committee will be meeting in the new year to review our contribution for the coming year to the Cowichan and District Hospital.

**KITCHENER OCTOBERFEST
CLUB #262**

Our club is a relatively new comer to the Hoo-Hoo but we have a lot of fun and comradery and that is what Hoo-Hoo is all about.

Our golf tournament the end of June was enjoyed by all. We had some Toronto members come over and you can see by the picture they also enjoyed themselves.

We also had a great time at our Christmas Party on December 1st at the Concordia Club. A delicious country style german feast was served. Our club also donated socks, mitts and scarves to the Salvation Army.

OKTOBERFEST 26 — (l-r) Tom Powell, Rameses 69 Bill Bader and Stu Teal from Toronto, "Moon" Mullins, and Club 262 president Jerry Omand.

**SAN DIEGO CLUB #3
1988 CONCAT**

On December 7, 1988 the San Diego Club #3 had it's annual Concat. This years event was very successful. It was espe-

cially rewarding to see the wonderful turnout of new members.

The new members for 1988 were: Jack (Mike) Suey of Georgia Pacific; Steve Franks of H.G. Smith Lumber; Jim Trahern of Maple Brothers Moulding; Gerard McEvoy, Tom Hislop, Joe Lawrence, Michael Gersch, John Meacham, and Robert Maguire all of Dix-

ieline Lumber. The support that these new members are showing should help make for a promising new year for San Diego Club #3.

There were two visiting out of town guests to help with the Concat. Dave Jones, one of the Supreme Nine of Jurisdiction VI, was presented with unique gifts of the local culture. He was given special recognition for his membership in the Supreme Nine of Jurisdiction VI and for his participation in the Concat. Los Angeles Club #2 president Rod Kautz was warmly welcomed. It is always extra special when fellow members from neighboring clubs attend the events.

The president, Dave Williamson, was presented with a past president pin and thanked for the excellent job that he did during 1988. Al Martin the previous president was presented with a belated past president pin and thanked for his service during 1987. Jim Frost received special recognition for his tremendous service to

REPORT FROM LOS ANGELES CLUB NO. 2

More than \$1500 was collected by Los Angeles Hoo-Hoo Club No. 2 for Children's Hospital of Orange County at

a July meeting in Costa Mesa, Ca. Winner of the second annual Ken Coleman Hoo-Hoo of the Year Award was David Bufe, Mesa Forest Products, outgoing club president. Club goal for the charity fund raiser was \$1,000.

SACRAMENTO CLUB #109

Club 109's had a meeting on November 17 according to President, Steve Branson. Guest speakers were Brent Crosby HHI 2nd V.P. and yours truly!! I had a good time not sure about the rest of the club.

SAN JOAQUIN VALLEY 31 SPONSORS SAWMILL TOUR

On October 14, 1988, Hoo Hoo Club No. 31 had a sawmill tour and a trip to the logging areas. The sawmill tour was at Sequoia Forest Industries, and the logging area was in the vicinity of Huntington Lake, California.

Those present found it to be very informative and enjoyable. The trip started at 7:59 a.m. and lasted until the bus returned at 5:59 p.m. in the evening. Box lunches, beer, and wine were served upon leaving the sawmill.

SAN JOAQUIN VALLEY 31 SAWMILL TOUR — The gangs all here.

SAN JOAQUIN VALLEY 31 SAWMILL TOUR — Members gather outside the bus before the tour begins.

SAN JOAQUIN VALLEY 31 SAWMILL TOUR — Members examine a stand of trees during the tour.

SAN JOAQUIN VALLEY 31 SAWMILL TOUR — Looking to the sky.

SAN JOAQUIN VALLEY 31 — Aboard the bus headed home from another successful sawmill and logging tour.

MAUI 270 CHARTER NIGHT — Snark Campbell (standing) says, "Just sign here, Hammie, and we'll get another club chartered and 10 more kittens credited to this year."

MAUI CLUB #270

Will be holding their first annual Ladies Night on Feb. 18, 1989. My wife, Cheryl, and I have been invited to attend this meeting by club president Dave

Ackerman. We have accepted Dave's invitation. This Supreme 9 job is tough but someone has to do it!

Thanks for the invite Dave.

PHOENIX CLUB 72 — Board of Directors (l-r) Dennis Miles (past president), Frank Heldt, Glenn Miller, Scott Sievert, Rich Bilby, Doug McCullough (president), Chuck Pensinger.

PHOENIX 72 — Board of Directors along with Dave Jones (left after the meeting) at dinner.

HOO-HOO CLUB #72 PHOENIX

Our monthly Board of Directors meeting was fortunate enough to have a visit from Supreme Nine Jurisdiction 6 member Dave Jones. Progress of the first 3 months of our season was discussed along with the locations of our next 7 monthly golf tournaments.

The problem of falling membership was discussed along with methods and proposals to bolster the club. Dave Jones shared some good ideas from other clubs. President Doug McCullough reported on our financial condition along with the results of a survey sent to members.

The Snark is scheduled to visit us in February and a Concat is planned for the occasion. As usual, concerns about the industry were discussed and as all Hoo-Hoo functions a good time was had by all.

PHOENIX 72 — Dave Jones presents plaque to Deputy Supreme Nine member Dennis Miles.

PHOENIX 72 — Doug McCullough attempts to choke Glenn Miller after the meeting.

REACTIVATION OF COAST COUNTIES CLUB 114!

Thanks to hard work by J-VI S-9 Dave Jones, The Coast Counties Club 114 was reactivated on Friday, Jan. 13. Several dignitaries were on hand for the reactivation, including Snark Phil Cocks, 2nd International Vice President Brent Crosby, International Secretary/Treasurer Bernie Barber, Jr., Rameses 72 Jimmy Jones and several members of Oakland Club 39. The Coast Counties Club 114 is located in the Monterey, California area.

COAST COUNTIES 114 — The new club steering committee consists of (l-r) Steve Thomas, Don Willard, Cliff Coffey, Bill Sullivan, Earl Johnson, Brian Pierce, and Rick Thayer.

COAST COUNTIES 114 (l-r) Dwight Curran of Oakland 39, Neil Keefer of Club 114, and Rameses 72 Jimmy Jones.

COAST COUNTIES 114 — (l-r) Dan Bonnington, president of Oakland 39, Ken Thayer and Roger Thayer.

COAST COUNTIES 114 — Oakland 39 Club members present for the reactivation of Club 114 were (l-r) International 2nd Vice President Brent Crosby, Dan Bonnington, Dwight Curran, Kevin Hill, Dave Casella, Scott Fossum.

HOO-HOO INTERNATIONAL
Gurdon, Arkansas

501-353-4997

CALL US!

"HOO-HOO" THE HORSE — WINS BIG ON THE OPEN SEAS!

The place: Sun Viking Cruise Ship between Conzumel, Mexico and Miami.

The Characters: Betty Jones, Rameses 76 Dick Wilson, and "the Hoo-Hoo Horse."

The Event: The Owner's Stakes.

The Payoff: Big Bucks.

A quiet hush settled over the floor in the lounge of the Sun Viking cruise ship on that December afternoon. The jockeys and their trusty horses breathed in silent rhythm as they waited in painful anticipation for the starting gun. Outside, the other guests drank exotic drinks and made small talk as they lounged in the tropical sun, unaware that the race of races was about to begin.

The Owner's Stakes.

No other title demanded such attention and respect...at least for that moment.

The gun sounds. The race is on. The bystanders raise a cheer for the #3 horse wearing the sombrero. That horse is none other than "Hoo-Hoo," and guiding Hoo-Hoo's every graceful move and stride is jockey Betty Jones, wife of Rameses 72 Jimmy Jones.

A cloud of dust envelops the finish line as the race comes to an end. And when the dust settles, the crowd comes to the blinding realization that it was Hoo-Hoo who raised that cloud of dust as he and Betty streaked across the finish line a full ten lengths ahead of the pack!

Well... maybe it wasn't that dramatic, but there really was a horse named "Hoo-Hoo" (although he was wooden), and Betty Jones was its jockey, as was the Black Cat himself, Rameses 76 Dick Wilson.

The real story goes like this.

Jimmy and Betty Jones, Dick and Fran Wilson, and Dave and Cheryl Jones and children took a Christmas cruise aboard the Sun Viking, and between Conzumel and Miami, the ship's crew sponsored "horse races." As the group had exchanged names for Christmas, Dave bought Hoo-Hoo the Horse at auction as a gift to Betty and Dick.

Betty was the jockey in the first race. Dick in the second,

HOO-HOO HORSE — Rameses 76 Dick Wilson (center) and Betty Jones (in cap) are presented with the prize money following their victory.

and Betty was again at the helm during the Owner's Stakes. As mentioned above, Hoo-Hoo the horse came in first, and Betty and Dick split the payoff of \$510, not to mention a few side bets.

As Jimmy said in a memo, "With two such characters as owners and jockeys, and with a name like 'Hoo-Hoo' how could anything happen but a victory."

Of course, the race was the highlight of the trip, but the group also enjoyed their visits to Haiti, St. Thomas, Puerto Rico, Jamaica, Grand Cayman, and Conzumel.

What a way to spend the holidays!

HOO-HOO HORSE — Betty Jones poses with the winning pony.

HOO-HOO HORSE — All decked out and someplace to go (l-r) J-VI S-9 Dave Jones, Rameses 76 Dick Wilson and Rameses 72 Jimmy Jones.

HOUSTON HOO-HOO CLUB 23

Houston Hoo-Hoo Club No. 23 held their regular monthly meeting on November 17, 1988. The meeting was held at the Allen Park Inn near downtown Houston with libations starting at 6:29

P.M. and dinner starting at 7:29 P.M. There were 32 members and guests present. Among the guests present was Doug Stein of Conroe. His grandfather Joe Douglas Stein was concated in the late 1930's, part of a fourth generation lumber family.

The highlight of the meeting was the drawing for our Fall Hunting and Fishing Raffle. The prizes and winners are as

follows:

Remington .270 rifle Leonard Saunders
Remington 12 ga. shotgun Kirby Herndon
Berkley Rod and Reel Marc Hoover

A great evening of fun and fellowship for our members was had by all.

Health, Happiness, and Long Life.
Chris Goff

HOUSTON CLUB 23 MAKES ANNUAL DONATION TO BOYS COUNTRY

For the fifth year in a row, the Houston Hoo-Hoo Club No. 23 conducted its annual Christmas sock and underwear drive for Boys Country. The items were delivered by Mike Knigge, Vaughan Simpson, Roland Massey and club president Ross Hunnicutt. The Boys club was very grateful for the socks and underwear as well as the dishwasher the club donated a few months ago.

A special to all who gave donations for the sock and underwear drive, and to Mrs. Marilyn Simpson who wrapped all these gifts for this most worthy cause.

The Houston club has planned an upcoming Casino Night on March 4, 1989 at the Allen Park Inn in Houston.

HOUSTON 23 — The meeting gets underway at the Allen Park Inn.

EAST TEXAS CLUB 135 WINS HUSH PUPPY OLYMPICS!

Two years ago, the East Texas Hoo-Hoo Club No. 135 placed 1st in the Hush Puppy Olympics (Forestry Division), and last year the club finished second. This year, however, the club once again placed 1st thanks to member Robert Williams recipe.

Not only that, but Robert Williams used this same recipe to finish 1st in the open competition to become the WORLD HUSH PUPPY CHAMPION!

In the area of membership, Club 135 initiated four new members, Ron Mason, Robert Booker, Bob Brown and Phillip Pate. With this continued growth, the club will obtain the projected 10 percent growth next year.

HOUSTON CLUB TEXAS 135 — New kittens and officers (l-r) Bob Brown, Sect. Gary Martz, Ron Massa, Robert Booker, Phillip Pate, Pres. Gary Bridges, V.P. Joe Rich.

WICHITA 173 — The club's finest doing what they do best!

WICHITA 173 — (l-r) Roy Nash, Nancy Johnson (asst. to the speaker) Bailis Bell (manager of the airport authority and speaker for the evening) Don Miller and Clayton Nash.

REPORT FROM WICHITA 173

The speaker at our November meeting was Bailis Bell. He is the manager of both Wichita Mid-Continent Airport and the Col. John Jabara Airport. Bailis and his assistant, Nancy Johnson, presented a series of slides that showed the development of the municipal airports since their beginnings back in the 30's. He described the extensive remodeling that is underway at Mid-Continent and gave us a preview of future expansions including the new parking garage. He noted that we have nine airlines serving the Wichita market. He observed that these include most of the major airlines in the United States. The notable exception is Delta and he says it will be serving Wichita but he just can't say when. One of the reasons that so many

airline provide service to this area is the fact that this is the 42nd wealthiest community in this country! Ain't that somethin'? One of the photographs he showed us revealed new taxiways leading nowhere. He says that there are some great things in the works. He noted that he can't talk about them yet, but to keep an eye on that area. He suggested that after considerable soul searching and research, it appears less and less desirable for us to try to induce an airline into establishing Wichita as a hub for their operations. The results elsewhere have produced enough negative effects so as to outweigh the positive benefits that are perceived to be derived from such a facility. Bailis made us all feel very proud of our community and of the air service that we have. He

graciously answered all questions and was a delightful guest and speaker.

President Laurn Champ announced the appointment of Don Miller to be Chairman of the Membership Committee. Don announced that there will be a CONCAT, probably at the May meeting. In the meantime, he encouraged each of us to share Hoo-Hoo with others by inviting prospective members, new and old, to attend meetings as a guest, and then be sure to introduce them to the other members during the social hour. He also announced that a new recruitment and retention program is being implemented and that he will be contacting various individuals to assist in making it a success.

WICHITA 173 — Dep S-9 Harry McGarigle (left joins guest Dick Steinman, Vern Bernhardt, John Leasure, and John's son-in-law Greg Crowe.

WICHITA 173 — (l-r) Otis Melcher, Ken Hobbs and Al Fry.

THE HOO-HOO CENTENNIAL WATCHES HAVE ARRIVED!!...

The time is now! The time is here! The Hoo-Hoo Centennial commemorative watches have arrived, and they are available at the international office in Gurdon. For only \$34.99 you can be the proud owner of a centennial timepiece, and since all proceeds from the sale of the watches go to the Centennial fund, you will be making your special contribution to the 1992 centennial year! They make great gifts for your outgoing club officers, or for special presentations. Don't delay, order your watch now! Only a limited supply is available, so complete the order form below and mail it along with a check for \$34.99 to the international office! **And for another special gift, read on...**

...GOLF SHIRTS TOO!

Back by popular demand!... The Hoo-Hoo golf shirt! The first supply of these high quality golf shirts went fast, and many of you have asked for more. A new supply of golf shirts has arrived at the international office, and they are priced at only \$24.99! Use the convenient order form below and request your shirt and/or Hoo-Hoo centennial watch today! Again, only a limited supply is available so act fast to secure your order! Shirt sizes run true.

WICHITA 173 CHRISTMAS PARTY BIG SUCCESS

Wichita 173 Vice President Harry McGarigle really knows how to throw a party doesn't he? Wasn't our Christmas Party great? That prime rib certainly was a feast fit for a king. Sort of made us feel like we were back in King Athur's Court for a Christmas celebration at Camelot. And wasn't it fun visiting with so many old and new friends? And that "singing!"

Otis Melcher put a whole new meaning into Jingle Bells. And how about the "Twelve Days of Christmas?" Who were those people? Denny (Mrs. Brent) Hart-

man and her sister Sharon Reeves were great as talent scouts, casting directors, choral directors, choreographers, accompanists and everything else required to put on one heck of a great show. They "discovered" some truly remarkable and talented performers from their audience. There is some talk of arranging for a repeat performance at another meeting, real soon. We'll try to give you plenty of advance warning.

Many thanks again, Harry, for planning a really great party.

These are the folks who were seen (and heard) at our Christmas Par-

ty... Byron Hess, Otis Melcher and his sister Glenda Jackson, Buck and Gladys Alley, Bob and Kay Alexander, Cliff and Carol Rizley, Lurn and Maxene Champ, William Rizley, Craig and Karin Scott and his brother Doug Scott, Kent and Annie Vice, David and Margaret Marteny and their guests Riley and Pat McKee, Bill and Maxine Clark, Brent and Denny Hartman and her sister Sharon Reeves, Dick and Jane Wilkerson, Roger Wilkerson, Al and Adelaide Fry, Vern and Lorene Bernhardt, Jim Whitley, ★ Lester and Fern Neff and Chuck and Brenda White. (★new member).

WICHITA 173 — New club officers elected in October (l-r) Pres. Lurn Champ, Sect. Dave Marteny, V.P. Harry McGarigle, Installing officer Lester Neff, Past President Chuck White, and Treas. Brent Hartman.

REPORT FROM CENTRAL MINNESOTA CLUB 91

Central Minnesota Club 91 secretary Roger Van Vickle informed HHI that the club has planned their 37th annual Sweethearts Ball, scheduled for February 18th at the St. Cloud Country Club.

OMAHA CLUB 124 HOLDS ANNUAL LADIES NIGHT

The Omaha Hoo-Hoo Club No. 124 once again held its annual Ladies Night in December, and this year chose the Finhouse Dinner Theater as the venue for the special celebration.

Members and guests saw the play, "The Robber Bridegroom," which was a racy, hillbilly type play and quite funny. Homer Hahn, reporter

NEW OFFICERS ELECTED AT SIOUX VALLEY CLUB 118

The annual meeting of the Sioux Valley Hoo-Hoo Club No. 118 was held at the Elks Club in Sioux Falls, South Dakota on September 20th, 1988. The new officers were elected as follows: President, Wes Eidem; 1st Vice President, Dave Larson; 2nd Vice President, Dan Herrboldt; and Secretary/Treasurer, Kirk Johnson.

The summer's activities were discussed and a satisfactory report was given.

First International Vice President Lyle Hoeck reported on the international convention in Orlando, Florida and also on

the convention next year in Honolulu. Preparations are underway for our own Lyle Hoeck to become the Snark of the Universe.

On November 19th, 36 club members and ladies attended the Olde Town Theater of Worthing Production of "Two by Two." It was a delightful ladies appreciation night with dinner theater and roses for the ladies. Thanks to all for a good turnout!

REPORT FROM CENTRAL FLORIDA CLUB 115

As of the October 1988 monthly meeting, Central Florida Club No. 115, for the first time since the 1960's, will no longer have a permanent place to hold its meetings. The club has been holding its meetings at the Florida Lumber and Building Materials Dealers Association, Inc. building in Orlando. An excerpt from a letter to club president Bud Ryan from Executive Vice President of FLBMDA Bill Carson follows: "Since alcoholic beverages are served at monthly meetings, Hoo-Hoo purchased host liability insurance. I'm sorry to say that in today's legal world, the host liability insurance does not fully protect the association from being sued. We can still be countersued for permitting a group to use our hall and serve alcoholic beverages to a person who gets in a wreck, hurting or killing himself or others.

"Due to the Association's possible legal exposure, we are establishing policy of not renting the hall to groups that will be serving alcoholic beverages or using the hall for possible other illegal activities."

For those members wondering why we are no longer at the FLBMDA Building, there you have it.

The fall Golf tournament was held October 14th at Mount Plymouth Golf Club and as usual a super time was had by those 46 players.

In regards to our annual convention, here is an excerpt from the November 6th, 1988 *Orlando Sentinel*: (Headline)

"CITIZENS TELL MAYOR BILL TO MAKE MY DAY"

"It's more of a keepsake to the citizens and groups who request them," said mayoral spokesman Joe Mittiga. "The proclamation is also a means for the mayor's office to officially recognize area organizations and residents — it's a way of saying thanks for the work they do in the community.

"Mittiga, who two years ago counted more than 400 proclamations said there usually is one for every day of the week.

"But HOO-HOO INTERNATIONAL WEEK?"

"Mittiga's answer, "The week of September 13 marked the 96th annual convention for the Fraternal Order of the Forest Products Industry. The Hoo-Hoo International convention celebrated the lumber industry's public relations department. Their motto is, 'What we are called is less important than what we are.'"

The club's November 10th meeting was held at the city owned Matinee Club in Orlando. With guest speaker Dr. Dean Gallup talking about things to look for in our personal health and what tests we should be taking at different age levels for our own sake.

A degree team from our club travelled to Jacksonville on November 17th to help put on a concat with the club up there. Those driving from Orlando were Bud Ryan, Frank Gray, Larry Jordan, Harry Aroian, and we stopped at Bunnell, Florida to pick up Lew Wadsworth who went the rest of the way with us. Jim Hill from our club was in the area and attended.

I, for one, would like to thank my

lucky stars that I didn't have to go through with those six kittens. They have to be complemented for having a good sense of humor and great stamina! A good time was had by all! Those Jacksonville boys put on a tough concat.

Our December 1st meeting was a worthwhile meeting, as the Park Committee from the Spacecoast Club No. 221 gave a presentation of Hoo-Hoo Park. Plans were made to hold a concat at Club 115 in February and it will probably be a hum-dinger. The importance of paying dues in a timely fashion was addressed and hopefully our president, Bud Ryan, and his staff of officers will get dues under control.

On Saturday, December 3rd, 37 Hoo-Hoo'ers with wives and girlfriends made a bus trip from Orlando to the Spacecoast Club 221 annual Christmas party which this year was on board the Little River Queen, a paddle wheeler owned and operated by Gatsby's Dockside Restaurant and nightclub at Cocoa Beach. This boat holds 88 persons and we had the boat all to ourselves. We enjoyed a three hour dinner cruise on the calm waters of the Banana River. The weather was cool but comfortable and the sit-down prime rib dinner was great! There was a lot of dancing and singing topside to the sounds of a Dixieland band and Harry Aroian! Everyone arrive home in Orlando safely and a great time was had by all. To all those who didn't make it for one reason or another, it's ya'll's loss!

UPDATE: HOO-HOO PARK: AN EDUCATIONAL FACILITY

On December 1st, 1988, Ron Thompson and Frank Gray presented to the members of the Central Florida Hoo-Hoo Club No. 115 details of the Hoo-Hoo Park project.

The members present were enthusiastic and very interested in knowing more about the project. As we all know in Florida, Club 115 and all its members are the leaders of Hoo-Hoo in this state.

There were several members present that donated and pledged about \$800, and Club #115 donated \$1,200 to help the park on its way.

If the other clubs would assist in any way they can, it looks like the education park, always to be known as Hoo-Hoo Park, is off to a start.

Below listed are the trees that are on the property and most of them will be left visible from the boardwalk:

Mixed Hardwoods

The mixed hardwood community is located on the U.S. 1 frontage and along the western half of the north property line. At these frontage areas a thick growth of wild grape vine covers the canopy. Under these vines is a dense saw palmetto thicket with a canopy of myrtle oak and wax myrtle. Both the myrtle oaks and wax myrtles seem to be adversely affected by the dense coverage of wild grape.

Further into the mixed hardwood community the wax myrtle and myrtle oaks become more abundant and red bays are observed. Bracken fern, swamp fern and cinnamon fern are also noted as associate understory plants.

WHOLESALE FOREST PRODUCTS

Jim Gillies Lumber Co., Inc.
Yarmouth Road, Gray, Maine 04039

207-657-3318

Temperate Hardwoods

The next plant community which is encountered on the subject property is that of the Temperate Hardwoods. Emerging from the dense saw palmetto understory of the mixed hardwood into the fern dominated Temperate Hardwood community is spectacular. A mixture of swamp fern, cinnamon fern, and bracken fern dominate the understory. Sparse groupings of saw palmetto are scattered about under the dense canopy of sweet gum and red bay. Two landmark trees are grouping.

Mixed Wetland Hardwoods

Further into the site is a large area of mixed wetland hardwoods. This community, like the temperate hardwoods, is characterized by a canopy of sweet gum and red bay, but it also includes red maple, mockernut hickory, sweet bay, loblolly

bay, and a greater number of cabbage palm. The understory vegetation and hydric soils truly define the "wetland" classification of this area. The understory is comprised of swamp fern, royal fern, Virginia chain fern, netted chain fern, Jack-in-the Pulpit, lizard tail, and duck-potato.

The soil in this community is very moist. This condition is due to the high water table, not from periodic inundation by the Indian River lagoon. The existing vegetation is specific to freshwater wetlands.

Tropical Hardwoods

A very small community of tropical hardwoods is found on the southern boundary of the property near the shoreline. It is dominated by gumbo limbo and also contains wild coffee, marlberry, and

(Continued on next page)

Don Clark, Former
Supreme 9 Member,
Puzzle Author

Don Clark, of the Stark Stained Shingle Company, former member of the Supreme Nine and one of the chief lieutenants of Vicegerent Alvin Schwager in the promotion of the recent big Concat at Seattle, is the author of the Hoo-Hoo Cat puzzle.

Copies of the puzzle were distributed at the annual Red Cedar Shingle Congress, at Seattle, in connection with which the Concat was held, and it evoked widespread comment—like-wise considerable head scratching and consultation with synonym books.

Inspection of the black blocks in the puzzle will reveal the figure of the Hoo-Hoo Cat—with tail in the official figure nine curl, hump in the back, etc. Brother Clark devoted considerable time and thought to working out this little test, and he certainly made a good job of it.

Cross-word puzzles having somewhat usurped the public popularity of mah-jongg, it was not difficult to capture the interest of the large gathering at the Shingle Congress. Pencils came out in every section and frequent consultations among friends were indulged in.

This puzzle not only is a strong advertisement for Hoo-Hoo; it also gets over several good licks for the shingle business. A real puzzler it is, and at the same time wholly appropriate to the occasion for which it was prepared.

The prizes mentioned over the puzzle are f. o. b. Pacific Ocean, and winners must forward freight costs in advance of shipment.

SNARK COCKS AND ENTOURAGE VISIT AUSTRALIA

By Snark Phil Cocks

Our trip to Australia, began at 6:00 a.m. on the morning of Thursday, September 29th, as 26 tired but happy Hoo-Hoos arrived at Cairns International Airport, following an 8 hour flight from Honolulu.

We were met by Brian Tutton, who with stopwatch precision, whisked us through a series of interesting stops, including a tour of a sugar mill, Tolga Woodworks, a woodcarving business, a butterfly farm and a train ride through a rain forest, and also had time to sample some locally famous "Moeka" meat pies and visit a new resort. A long and interesting day, culminating with a dinner with Far North Queensland Club #261.

The following morning, we boarded a chartered bus and proceeded to Townsville, about 200 miles south, visiting a tea plantation on the way, Tully Hardwood Sawmill, as well as testing the various brews offered by the local hosteleries. North Queensland Club #265 hosted a barbecue for us at the hotel, and the next morning we set out on a boat, all to ourselves, to view, snorkel and explore the beautiful barrier reef area, around Orpheus Island. The boat was well stocked with great seafood and beverages and we all had a memorable day.

Next day, and a 1,000 miles further south (still in the state of Queensland) we were greeted at Brisbane Airport by Worrall McCarthy and others, including my son Geoffrey, and taken on a short bus ride to a river where we were told we could view the breeding grounds of the famous Queensland mud crabs. Instead, we were captured by a band of river pirates, the leader of whom held a strong resemblance to Ernie Wildman of Brisbane Club #218. Anyone without a Queensland passport was in a lot of trouble, and that turned out to be me. Resultantly, I was forced to kneel, and for a while anticipated decapitation (Ernie's Swordsmanship leaves a lot to be desired), however was instead bedecked with a necklace of not too fresh mullet, forced into their craft and was later turned loose upriver. My wife, who I thought would be

'88 AUSSIE TOUR GROUP — At the Manly Pacific Hotel, site of the J-IV Convention.

distraught with worry, had instead found some interesting stores, and was late arriving at the scene of my release, and it seemed, had her emotions well and truly under control. While in Brisbane, we had a dinner meeting with the Brisbane Club, had a memorable seafood lunch, visited Expo '88, attended a combined Hoo-Hoo and wedding reception (Worrall's sister). Worrall claims to have picked up a little mileage in the social page of the newspaper by stating that 26 guests from overseas were in attendance at his sister's wedding reception. Fritz Lee claimed a first, being the only time that he attended a wedding reception in shorts.

An added bonus on our Brisbane visit, was meeting up with our New Zealand friends, led by Ross and Zeldia Molony, who convoyed south with us to the J-4 convention. Also Gerry and Beryl Ryan, from Perth, Western Australia. All good folks and a pleasure as traveling companions. Unfortunately, one of our group met with an accident at the motel and had to be left behind. We are extremely grateful to Worrall and Barbara McCarthy, who took charge of the situation, arranged medical help, transportation, kept in constant touch with the couple and managed to get them to Sydney later, despite an airline strike.

On our bus trip further south, we visited Brisbane Club 218 President, Tom Donohue's extensive lumber and truss facility, ate meat pies and drank beer at the "Mullumbimby turnoff" and spent a pleasant evening with the North East New South Wales Club, in Coffs Harbour. At this time we were introduced to a local sport called "Goanna Wrestling." A Goanna is a large lizard indigenous to Australia, and the sport is played by 2 guys on all fours, facing each other, a belt is hung around their necks, and they proceed to endeavor to pull the other across a line. It was suggested that

(Continued from previous page)

I challenge Worrall to a match, however Mrs. Cocks didn't raise fools, so we watched Brent Crosby uphold the group's honor, by defeating another Australian opponent.

We were joined, for dinner with the Newcastle Club, by members of the Woy Woy Club, who had travelled up for the occasion. The evening was enjoyed by all, also the visit the following morning to an exhibition of wood turning by local artisans, using unique Australian woods. Most of the exhibit was loaded on our bus and continued on to Sydney, having been bought by the group.

The Jurisdiction 4 conference gave us an opportunity to observe the professional way in which this Jurisdiction is run. Brent Crosby and myself attended the business meeting and were impressed with their programs. A dinner cruise and banquet were also included in the activities. On the Sunday, Bob Frost, past J-4 President and member of the Sydney Club, arranged for our entire group to be picked up and taken to his boat and cruised the beautiful local waterways to Woy Woy. On the way, he and his charming wife Beverly, plied us with huge shrimp, champagne, beer etc. On arrival, we were met by Dick Campbell and were treated to his and Diana's usual hospitality, at their home, Gurdon, on beautiful Woy Woy Bay. Pete Smith manned the B-B-Q and the food and drink was never ending. The whole group took a few minutes out from gorging ourselves, to inspect the Gurdon Reserve, a small park on the waterfront that Dick and the Woy Woy Club were instrumental in creating.

Canberra, the Capital of Australia, followed Sydney and we were treated to an inspection of the New Parliament building which really is a great showcase for Australian woods. We also had an opportunity to explore a unique display of flora, the Australian War Memorial, and also had an enjoyable dinner with the Canberra Club members later that evening. Alf Sebire, the Canberra Club President, accompanied us the whole time.

Our first night in Melbourne was spent at the Collingwood Football Club, with the Melbourne Club members and the following day we traveled by bus to Ballarat, an old gold mining town, and visited a reconstructed town of the 1850s. Later that evening we had a dinner meeting with the Ballarat Club, at the Ballarat

Yacht Club.

While in Melbourne we visited the National Gallery and the Victorian Art Center. A free afternoon gave us an opportunity to relax and visit with club members, play golf and sightsee.

Tasmania was our last stop, and it was a great finale to a marvelous trip. We spent most of our time sightseeing, visiting eucalypt plantings, bush B-B-Q, attended the Tasmanian logging conference ball, inspected a couple of the Launceston Club's community projects, visited Kevin French's new mill, visited the Legana area, where I was born, and a delightful afternoon at a country pub, relaxing and enjoying the food, drink and fellowship. All this done in the private cars of the Launceston Club Member's, led by club president Dennis Partridge, Geoff Pask, Lindsay Morling and other club members.

You cannot buy a trip such as the one we had. It is truly special because of the fellowship, generosity and unselfish giving of valuable time, on the part of so many of the Australian members and their wives too numerous to mention. I told our group a long time ago, and I repeat, the warm memories of the friendships made will last longer than a lot of the places visited.

We do appreciate all of you who contributed to the success of our trip and I regret that space does not permit me to recognise all of you here. Thank you, one and all. Please give us an opportunity to reciprocate!!

Phil Cocks, Snark

Obituaries

MUNN (MEINROD) SCHERER L-45172

Hoo-Hoo International and the Twin Cities Hoo-Hoo Club No. 12 lost a very fine member and friend with the passing of Brother Munn (Meinrod) Scherer L-45172, age 80, of Medina, Minnesota on Friday, October 22, 1988.

Brother Scherer was co-founder of Scherer Bros. Lumber Co. in Minneapolis, one of the largest lumber companies in the Midwest. He had an eighth-grade education, and started in business with his brother, Clarence, to reclaim and saw old white pine logs that they dredged out of the Mississippi River. Industry authorities said the logs may have been in the river for up to 50 years, having sunk during earlier timber harvesting.

Scherer Bros. Lumber Co. now employs about 250 people, ships lumber in an area between Chicago and the Dakotas, and is a landmark along the Mississippi River in northeast Minnesota.

Brother Scherer was concatenated into Hoo-Hoo on June 10, 1937 in Minneapolis and maintained his membership in the Twin Cities Hoo-Hoo Club No. 12, where his son, Mike Scherer 80095, also holds membership.

FRED ALVIN WINEGAR 77102

Brother Fred Alvin Winegar 77102, age 71, passed away September 9, 1988 at his home in Columbia Falls, Montana. Brother Winegar was a past president of the Plum Creek Timber Company of Columbia Falls, and was a long time member, director, trustee and Old Timer of Timber Products Manufacturers, Inc.

Brother Winegar began working for Plum Creek Timber Company in 1948, and held various positions with the company until his retirement in 1982. Among his many accomplishments, he was in charge of building the Pablo sawmill in 1959, the plywood plant in Columbia Falls in 1965 and also the fiberboard plant in Columbia Falls. He spent the last few years as president of the company travelling and overseeing each of the various lumber mills.

He was born on January 23, 1917, and was concatenated into Hoo-Hoo on February 15, 1967 in Kalispell, Montana.

WILLIAM R. RILEY 56889

Washington D.C. Hoo-Hoo Club No. 99 sadly reports the death of Brother William R. Riley 56889, age 61, who passed away on November 2, 1988. Brother Riley was president of Galliher & Hugely Associates, and had served as president of Club No. 99 from 1975 to 1976.

Brother Riley was born in Washington D.C. on November 4, 1926, and was concatenated into Hoo-Hoo on October 17, 1951 in the city of his birth.

C. KENNETH JOY L-44088

Brother Kenneth Joy L-44088 of Exeter, New Hampshire has passed away at the age of 81. Brother Joy was a member of the Harry Folsom Hoo-Hoo Club No. 13 of Boston where he joined Hoo-Hoo on January 20, 1930.

Brother Joy served as Supreme Nine of Jurisdiction I from 1962 to 1963.

KEN ZEIMER 81899

Brother Ken Zeimer 81899, age 53, of the Central Minnesota Club No. 91 passed away on December 5, 1988. Brother Zeimer had worked in the lumber industry for many years, and was employed with Werner Home Center in Howard Lake, Minnesota at the time of his death.

He joined Hoo-Hoo on November 14, 1973 in St. Paul.

ROBERT C. LEACHMAN 45226

The Iowa Hoo-Hoo Club 102 of Des Moines sadly announced the death of one of the club's charter members, Robert C. Leachman 45226. Brother Leachman also served as the first president of Club 102, and later served as Supreme Nine for J-VIII from 1969 to 1970.

He joined Hoo-Hoo on May 13, 1938 in Des Moines.

HARRY HANLEIN L-45465

Brother Harry Hanlein L-45465, age 74, passed away on October 29, 1988 following a prolonged illness. Brother Hanlein was a member of the Washington D.C. Hoo-Hoo Club No. 99 where he served as president from 1956 to 1957.

The club's November newsletter reported that he was "always a strong and loyal supporter of Hoo-Hoo and all that it stands for. Those of us who new Harry will never forget the concerts which he used to conduct and the new stunts that he was forever coming us with."

Brother Hanlein joined Hoo-Hoo on October 18, 1939 in Washington D.C.

ERRARD JOHN SIEPMAN 92865

Brother Errard John Siepman 92865, one of the newest members of the Washington D.C. Club No. 99, passed away in early September 1988 at the age of 27 years. He joined Hoo-Hoo on November 19, 1986 in Washington.

Brother Siepman was employed as a salesman for the Fireplace Mantel Shop in Kensington, Maryland.

Callaway Gardens Resort & Conference Center is in the rolling foothills of the Appalachian Mountains

Callaway Gardens is only 60 miles from Atlanta's Hartsfield International Airport. There is excellent ground transportation service to and from Callaway Gardens for groups of all sizes which we will be pleased to arrange. Rental cars are another option and Callaway Gardens is associated with Hertz service.

Callaway Gardens is conveniently near Interstate and US highways and is easily accessible by automobile. The adjacent map and the specific distance and directions illustrate this advantage. Our location makes driving from the airport and other roadways through the beautiful countryside a pleasure.

Minutes away from Callaway Gardens Resort and Conference Center is the Gardens/Harris County airport which is used principally for private, corporate and charter aircraft.
