CHICAGO, ILL.

Commencing on 9-9-19, on that date and the  
following day, September 10th

## The Concatenated Order of Hoo-Hoo

will meet in Annual Convention and celebrate its glorious record of having  
completely overcome all obstacles and difficulties which recent  
war time and other troubles placed before it.

The order will be absolutely on top with the Great  
Black Cat's head clear above the clouds. Re-  
endowed with a stronger spirit than ever,  
to go out and conquer new worlds  
for Lumbermen and their  
allied friends.

### Have You Paid?

1919 Dues

If not do it now

— DUES ARE —  
\$3.65 PER YEAR

### DOES THIS MEAN YOU?

**D**ID you ever realize that you are a vital part of this organization? That the Order can be as great or as  
small as the individual members desire to make it? We, of course, have to have leaders and someone to  
do the heavy end of the work, but unless you give him or them your support and back up their efforts,  
their time is largely wasted.

If Hoo-Hoo is not active in your immediate vicinity, it is your own fault, not the Order's. Hoo-Hoo will  
return a double dividend for every move you make to advance the best interests of the Order, but it cannot  
pay this dividend until you invest a little of your spare time and effort in giving Hoo-Hoo the opportunity to  
earn the dividend.

By triumphantly overcoming the greatest trials and difficulties that ever beset a fraternal order, Hoo-Hoo  
has fully demonstrated its power for good. It has proven beyond all doubts that it holds a place in the hearts of  
lumbermen deeper and stronger than any other organization connected with the industry. Where can you go  
within the whole realm of Lumberdom and get the same opportunity for being of service to your fellow-lumber-  
man and getting in return service for yourself, and learning how to make friends among those engaged in the  
same line of business as yourself, which, after all, is the best money-making investment we can possibly make  
and by doing so you advance the best interests of the industry out of which you make your bread and butter.

We do not expect you to put in any large amount of your time on Hoo-Hoo work, but we do expect you to  
give such active support as is within your power. There is always one or more members in your vicinity who  
if given a little active support are always willing to take the heavy end of the load and carry on. The Order  
of Hoo-Hoo stands firmly on a basis of economics. That is to say, the position that the commercial interests  
of the world are paramount in importance and that a unity of business interests constitute the real "tie that  
binds" men in bonds of friendship. Then when you know that Hoo-Hoo has banded lumbermen together with  
bonds of friendship that no trials or difficulties, no matter how great, could break, is it not a wise proposition,  
both in your own interests and that of the lumber industry, to do your share in building up the organization in  
your community?

The returns of the recent splendid big concatenations given elsewhere in this issue show what Hoo-Hoo can  
do when they try. If you do the same in your community, there is nothing more certain than that you will be  
just as successful. Try it out and you will discover there are golden cords of friendship always hanging within  
your reach. All you need to do is to grasp them.

### THE 1919 ANNUAL

**W**HEREVER you meet an old Hoo-Hoo who has attended one or more annual meetings he will invariably  
tell you that he always had a better time at a Hoo-Hoo annual than at any other meeting he ever at-  
tended. There is something about the spirit that pervades a Hoo-Hoo annual meeting which draws men  
together in true friendly intercourse. Other lumber associations have fine, big, successful meetings, but they  
all miss the spirit of personal friendly contact which has always been the most prominent factor in connection  
with our annual meetings.

This year will be a great victory rejuvenation celebration of Hoo-Hoo. Numerous old-time members who  
have not been able to attend an annual for several years have announced their intention to be present. There  
will be a reunion of the House of Ancients; every past-Snark who can possibly get there is coming to once more  
mingle with his old friends and renew acquaintanceships that have meant so much to him. Scores of our new

members who have not as yet had the opportunity to realize the full measure of fraternal relationship which Hoo-Hoo creates among its members will be there to meet old cats who have long known the power and strength of the good old Hoo-Hoo motto, HEALTH, HAPPINESS AND LONG LIFE. They will meet members from north, east, south and west and get acquainted with lumbermen and their allied friends in a way which can be done only at a Hoo-Hoo annual.

So, put a big circle around September 9th and 10th on your calendar. Prepare now to be in Chicago on those dates. We can positively guarantee you the best time of your life and know you will never regret it and you will always look upon your trip to the 1919 Hoo-Hoo annual as one of the pleasantest and brightest experiences of your life.

## REPORTS OF CONCATENATIONS

ALL RECORDS BROKEN. LARGEST CONCATENATION OF THE YEAR

All records for 1919 were smashed during the past three months, the states of California and Louisiana taking the lead in initiating new members into Hoo-Hoo. First, Vicegerent Cottrell of Fresno and his memory-perfect ritual team from Fresno journeyed to Visalia and put through the onlon bed a class of twenty-nine. Then the New Orleans members, headed by Vicegerent, R. A. McLaughlan, who was ably supported by a large committee of loyal Hoo-Hoo, put through a class of twenty-four with a large number of reinstatements. Then, just to show how much the old Hoo-Hoo center of Alexandria thought of the best lumber association on earth, Vicegerent Foote and his Alexandria supporters put through a class of thirty-two with thirty-seven reinstatements of old members.

In addition to the above, Vicegerent "Sky" Taylor of Mobile, Geo. W. Phahn of Tuscaloosa, C. Stowell Smith of San Francisco, F. E. Connor of Sacramento and W. G. Burton of Salt Lake City held rousing and enthusiastic concatenations.

Read the following accounts and if they do not prove to you that Hoo-Hoo is the liveliest association in Lumberdom then you need to consult a brain specialist. The great Black Cat has shaken the cares and worries of war times from off its back and is out to make things hum for Hoo-Hoo, making up for time lost during the past two or three years. Get in the game, you Vicegerents who are lagging. The time is ripe and you will never have a better opportunity to make a record for yourself and state.

### Southeast Missouri Hoo-Hoo Hold Fine Concatenation

With the active assistance of Brother J. A. Lowe, Secretary of the Southeast Missouri Retail Lumber Dealers' Assn. and the old reliable Pete Langan of Cairo, Ill., the Hoo-Hoo of Southeast Missouri held a very enthusiastic concatenation at Cape Girardeau, Mo., on the evening of March 27th, in connection with the annual meeting of the Association.

While this is not one of the biggest meetings held in connection with the various association annuals during the convention period, it is always one of the most enthusiastic and has the reputation of providing a program that a great number of the larger associations would do well to copy.

The Hoo-Hoo members who live throughout the southeast part of the state of Missouri have always been very loyal to the Order and have taken a great interest in its welfare. This was fully demonstrated by the active part they took in the recent concatenation.

Secretary-Treasurer Tennant of St. Louis had the pleasure of presiding at this meeting and also of addressing the convention on the work of the organization.

A thoroughly representative class of seven southeast Missouri lumbermen were initiated into the mysteries of the Order and one and all announced they were very glad indeed that they had the opportunity of joining the Order and intended to do their share in the development of the work of the organization.

Following the concatenation, an informal get-together meeting was held at which everyone was given an opportunity of becoming acquainted and arrangements were made to hold other meetings in the near future throughout the southeast territory.

Following is a list of candidates, officers presiding and those present:

Concatenation No. 2083, Cape Girardeau, Mo., March 27, 1919.  
 Snark—E. D. Tennant.  
 Senior Hoo-Hoo—C. L. Harrison.

### Twenty-nine Kittens Gambol on the Green at Visalia

Visalia, home and haunt of the tropical Spanish dinner; city where famed saddle trees, used by cowboys from Wyoming to Texas, are manufactured; place where orange groves blossom the year around at the base of snow-capped mountains; locality where Joaquin Muretta, Sontag, Evans and other famous handits raised Gehenna in days ago and town where G. A. Cottrell, Vicegerent of the recently-formed San Joaquin Valley District, held his first concatenation on the night of March 15th.

Any Hoo-Hoo having any doubts about said Vicegerent being a "go getter," will have them dispelled by hearing that twenty-nine kittens were assembled for this first concatenation in the new district, that they were taken through the devious paths by a Nine that had memorized the ritual and that, taken altogether, the performance was on a par with any pulled off in California within recent years.

#### THE LOCAL COMMITTEE.

Ray Clotfelter, J. F. Heptner and Arthur H. Kelly, one and all residents of Visalia set the stage, ordered the kettles of enchiladas, tamales, frijoles and other peppery delicacies, glad-handed the incoming guests, wept over their departure and otherwise conducted the affair in such a satisfactory manner that the job will be theirs on all future occasions of like character.

#### COTTRELL HANDED ONE.

C. S. Pierce, F. Dean Prescott and A. W. Heavenrich are a trio of highbinders, whom mature years has not robbed of lightheadedness, vivid imagination or the vim to be prankish; all that is needed is an opportunity—they will do the rest. Such being the case, they selected Vicegerent Cottrell as their meat, told him what a splendid opportunity it was for him to take the intermediate degree that would qualify him for admission to the Osirian Cloister, got him all "het" up over it, rung in "Bert" Neylan to make the announcement and thereafter the things they did to the confiding victim were

a-plenty and will be told whenever and wherever Hoo-Hoo gather in the great San Joaquin valley for the next 100 years.—Pioneer Western Lumberman.

#### IN ADDITION TO THE NINE, THE FOLLOWING OLD CATS WERE PRESENT:

From Fresno—C. S. Pierce, F. Dean Prescott, W. F. Fuller, A. M. Loper, L. L. Walker, Charles Chess, R. N. Patterson, C. W. Bingham, W. W. Moxson.  
 From Chowchilla—W. F. Baird.  
 From Madera—A. W. Heavenrich.  
 From Selma—H. A. Hansen, W. G. Little.  
 From Visalia—Ray Clotfelter, W. B. Marsh, J. F. Heptner, Arthur H. Kelly.  
 From Cutuba—J. W. Floyd.  
 From Dinuba—T. B. Floyd, C. T. Marsh, J. G. Hyman, Elmer Borthwick.  
 From Sanger—A. B. Olson.  
 From Kerman—A. J. Crow.  
 From Portland—Geo. M. Cornwall.  
 From San Francisco—Robert S. Grant, J. R. Noylan.  
 The following resolution in connection with the death of Captain Richard C. Priddie was passed at this concatenation and instructions given to Brother C. D. LeMaster to forward it to Snark Priddie and Secretary-Treasurer Tennant:  
 "March 20, 1919.

Mr. W. A. Priddie,  
 Snark of the Universe,  
 Beaumont, Texas.

Dear Brother Priddie:

Permit me to transmit to you the heartfelt expressions of the Hoo-Hoo of the San Joaquin Valley District, for you in your deep sorrow in the passing of your son.

Our hearts go out to you and yours in true brotherly love and sympathy and we desire that the following resolution will convey to you, our innermost feelings.

Whereas, in the wisdom of our Creator, it has seemed wise to take home in the bloom of his young manhood, the son of our most worthy Snark of the Universe.

This great loss has touched deeply the hearts of every Hoo-Hoo and we desire to express by this simple resolution the true spirit of brotherhood, which pervades the Order by helping share his burden.

Therefore, be it resolved by the Hoo-Hoo assembled at Visalia, California, March 15, 1919, in accordance with a resolution moved by Brother F. Dean Prescott and adopted, that an expression of our sympathies be conveyed to Brother Priddie and his family.

May the sweet fragrance of the memory of your devoted son be your consolation and comfort in this trying hour.

Be it further resolved that a copy of this resolution be forwarded to the office of the Secretary-Treasurer and made a part of the official records of the Order and published in the Hoo-Hoo Bulletin.

Fraternally yours,

### Enjoyable Hoo-Hoo Post-War Party

One of the most enjoyable and elaborate of the many Ladies' Nights given by the San Francisco Bay Hoo-Hoo was held under the auspices of the Nine of the San Francisco district with the guidance of Vicegerent C. Stowell Smith and Scrivenoter C. M. Tulley on the evening of Saturday, April 5th at the Berkeley Tennis Club, Berkeley, California.

This affair was a post-war party and was thoroughly enjoyed by everyone present. A full orchestra supplied music for the dancing. An elaborate buffet luncheon was served throughout the evening and the wives and sweethearts of Hoo-Hoo are hoping that the disciples of the Great Black Cat will honor them often with similar gatherings. Over fifty couples were present and the festivities were continued until a late hour.

San Francisco Hoo-Hoo are setting a very lively pace for other districts and the Bulletin hopes that their energetic methods of keeping up the active work of the Order will be copied in many other Hoo-Hoo centers. There is no better way to keep up interest in the organization than to let the ladies have a share in the good times Hoo-Hoo provides.

### A Notable Concatenation in San Francisco

Snark of the Universe W. A. Priddie and his family made an extended trip through California during the recent spring months. On this trip the Snark and his family were the recipients of numerous expressions of the high esteem in which they were held by the California members. They were entertained at numerous places and made to feel the strength and depth of the friendship of California Hoo-Hoo.

The Snark and his family spent some time in San Francisco where the local members took full advantage of that opportunity to make their distinguished visitors feel thoroughly at home.

During the Snark's visit in San Francisco, the members held one of the largest concatenations held in the city by the Golden Gate in recent years. The following report written by Brother Guy A. Buell of the Pioneer Western Lumberman gives our readers a complete story of that memorable occasion:

Snark of the Universe Wm. A. Priddie of the Beaumont Lumber Company, Beaumont, Tex., was a recent visitor in this city, making it a most auspicious occasion for holding a concatenation; an occasion which was grasped by the local Nine, with the result that on the evening of April 19th about sixty-five old black cats gathered at the San Francisco Commercial Club rooms, Merchant's Exchange building, where they successfully led a class of ten purblind kittens through devious windings until at last they were enabled to view the effulgent glory of Hoo-Hoo land.

C. Stowell Smith, Vicegerent for the San Francisco district, was called East to attend The American Lumber Congress in Chicago, but prior to leaving he delegated R. T. Buzard, who took a course in snarking in 1918, to conduct the affair, which he accomplished in a most creditable manner, ably assisted by the Nine, also impressarios Lerch and Davis.

Junior Hoo-Hoo R. A. Hiscox ran true to form, prying into the antecedents, motives and intentions of the several candi-

dates, effectively proving their fitness to become members of the Order, and worthy of all its rights and privileges.

The Commercial Club is an ideal place for a Hoo-Hoo gathering; the large lounging-room being admirably suited for the concatenations, with the adjoining dining-room arranged for the Session on the Roof, so all that is necessary is to throw open the doors and give the command to "March in."

On this occasion a choice cold collation with hot chocolate and coffee was served, but there wasn't anything chilly about the entertainment, which was conducted under the able management of Impresarios "Teddy" Lerch and "Bill" Davis.

A three-round go between welterweights was a lively affair, but most of the applause went to the song birds and entertainers who were artists in their several lines, as well as not hurling the eyes to look upon.

Snark Priddle received a most enthusiastic ovation, expressing his appreciation in a laudatory manner, also, telling the flattering condition which the Order is in and giving reasons why it is desirable and beneficial for all lumbermen becoming affiliated with the organization.

There was a goodly attendance from outside towns, C. G. Bird and Chas. Brace coming from Stockton, "Bob" Fuller from Lodi, Judge Hartman from Boulder Creek and an auto load from Fresno, including G. A. Cottrell, Charles D. Le Master, A. W. Bernhauer, Nelson Dennis, L. M. Jack.

The festivities were brought to a close at 11:45 p. m. and Snark Priddle pronounced it one of the finest concatenations he had ever attended.

### A Real Log Cabin Concatenation Among the Redwoods

The California Hoo-Hoo have always been known for doing something new and interesting in Hoo-Hoo Land. This year, true to their records of the past, Vicegerent Snark C. Stowell Smith and a number of old members of San Francisco, decided to hold a big Hoo-Hoo picnic and concatenation at Governor's Camp in California Redwood Park. This meeting turned out to be one of the greatest successes of any Hoo-Hoo gathering in the Golden State.

The following short description of the fun and pleasure which the old members got out of this gathering was written by Brother C. Stowell Smith:

"I promised to write you details covering the Hoo-Hoo party held in the big basin, Santa Cruz County on May 30th, 31st and June 1st. This was entirely informal and hence a roaring success. Some of the boys telephoned around and the net result was a gathering of forty-three consisting of Hoo-Hoo, their wives and children. Most of the bunch motored down from San Francisco, Oakland and Berkeley, with a few representatives from Stockton, Boulder Creek and Santa Cruz.

Friday morning saw the exodus beginning and from noon on the cats were dropping in to Governor's Camp, California Redwood Park, about ninety miles from San Francisco.

At the eleventh hour, somebody suggested holding a con-

catenation Friday night so the trunk was hustled off and four kittens rounded up. The trunk never reached its destination, but a little thing like that couldn't stop the party. A few of the old cats who were pretty familiar with the ritual were selected to form a Nine, a log cabin was impressed into service, newspapers pinned over the windows and a lot of old furniture, candles and kerosene lamps rounded up. One of the kittens ran out on us, but will be branded later. The three who went through the onion patch will not soon forget the unique experience.

The next day was spent fishing, wandering around among the magnificent redwoods, getting our pictures taken and holding down the log benches around the camp fire. Saturday evening Rod Hendrickson broke into the Hall of Fame by telling stories to the crowd. Sunday the party broke up, some going to Santa Cruz for a swim and some direct to their homes. Everybody had a good time and we are looking forward to the next one. Will send you photograph as soon as it arrives.

Owing to a lack of official records, I am sending the best substitutes at hand, which I hope will be sufficient to meet the requirements.

(Signed) C. STOWELL SMITH."

### Past Snark Boggess Snares One Kitten

Past Snark E. Stringer Boggess, who is also Vicegerent Snark for the state of West Virginia, had one lonesome kitten, Brother Edgar Warner Doll, Manager of the Tygart Valley Lumber Co. of Grafton, W. Va., who was extremely anxious to secure his membership in Hoo-Hoo. As Brother Boggess did not expect to hold his next concatenation until the latter part of June and as Brother Doll was afraid he might miss some of the good things in Hoo-Hoo if he waited that long, Brother Boggess took pity on him and put him through the initiation ceremonies on May 16th with the help of Brother W. D. Osborne.

While this was not a full concatenation, held in the usual manner, still Vicegerent Boggess saw to it that the new kitten was fully instructed as to the mysteries and rites of Hoo-Hoo. He will now have the opportunity of watching the other kittens gambol on the green at a concatenation which Brother Boggess will hold on June 27th.

### Big Concatenation Held at Auburn, Cal.

Vicegerent Snark, F. E. Conner, of the Sacramento Valley District of California, has always been noted for his retiring disposition and anxiety to avoid placing himself in the lime-light. He has however always had the reputation of being one of California's liveliest and leading Hoo-Hoo members. In order to make sure that his district was in line with the other sections of the state, he held a splendid concatenation at Auburn on the evening of May 10th.

Due, however, to his retiring disposition and reluctance to attract praise to himself, he neglected to send the Secretary-Treasurer a report of what happened at this concatenation other than giving a list of officers and those initiated, with

the numbers of old members present. However, we know from the fact that Past-Vicegerent C. G. Bird acted as Senior Hoo-Hoo and Past-Supreme Bojum R. A. Hiscox acted as Junior Hoo-Hoo, we feel sure that this meeting was fully up to the usual California standard. Brother Hiscox has the reputation of being Junior Hoo-Hoo de luxe of the entire realm of Hoo-Hoo and has a thoroughly established reputation for being able to extract more information and inject more Hoo-Hoo sense into a class of candidates than any other Junior in the Order.

We therefore feel sure that the candidates at Brother Conner's meeting got all that was coming to them and then some and that those present had a thoroughly enjoyable evening and one that will long be looked back upon with pleasant recollections.

A glance over the list of candidates will show that Brother Conner has added greatly to the strength of the Order in his jurisdiction and that the new members are thoroughly representative of the lumber industry in the Sacramento Valley and will be a great acquisition to the membership of Hoo-Hoo.

### Crescent City Hoo-Hoo Hold Wonderfully Successful Concatenation

During past years, there have been many notable concatenations held in New Orleans, but it is doubtful if there was ever a more enthusiastic gathering of old members and as high a grade class of kittens as passed through the onion bed in the ball room of the Grunewald Hotel on the evening of May 31st.

Vicegerent R. A. McLauchlan has proven himself one of the best organizers and leaders that Hoo-Hoo has ever had in the Crescent City. He has organized weekly luncheons which have been very successful and has otherwise put so much pep and enthusiasm into his work for Hoo-Hoo that he has secured the active support of practically every member of the Order in his home city.

The following report of the great concatenation held on May 31st was sent to The Bulletin by Brother McLauchlan from the Lumber Trade Journal. It gives a complete account of one of the biggest and best both from the number initiated and the number present of any meeting held in New Orleans in recent years.

### Concatenation at New Orleans Was a Truly Kittenish Affair

Hoo-Hoo of New Orleans and Southeast Louisiana concatenated in a truly kittenish manner on the night of May 31 and were assisted in their antics by the presence of the Snark of the Universe in the person of William A. Priddle, Vice-President of the Beaumont Lumber Company, and Emerson D. Tennant, secretary and treasurer of St. Louis and a former Snark of the Universe. With two such distinguished personages

present it is little wonder that even the older cats present displayed so much ginger in fondling the kittens.

The concatenation was held at the Grunewald hotel and in the solemnity of the occasion put through the nine degrees of brotherhood 24 of the best looking and most prosperous appearing kittens it has ever been the pleasure of the order to concatenate, propagate and operate upon. As kittens they wore the creme de nuit of kittenish existence in Southeast Louisiana. They represented the best to be found in the lumber life of the section referred to and as a result they were well groomed for the occasion, their whiskers protruding in that expectant manner so realistic of a kitten when it knoweth not what to expect, and their little tails curling downward until the time arrived for the twist that turned them upwards into the form of a figure 9. The luncheon that followed the concatenation was especially prepared for the occasion and the ophah per person proved sufficient for the need of all. This was personally supervised by Manager George Weber of the Grunewald hotel.

Prior to the opening of festivities there were several talks made by the guests of the evening, W. A. Priddle, E. D. Tennant and State Senator G. J. Labarre. Mr. Priddle related his experience on the coast and told of the many concatenations held while there during the last two months. He also made a plea for the arousing of an interest in Hoo-Hoo similar to that now existing on the coast. He made an excellent talk. Secretary E. D. Tennant related the past history of Hoo-Hoo and made a plea for a continuance of the interest in New Orleans so manifest by the number of kittens for the night and the large attendance of the old-time members.

State Senator George J. Labarre made the most effective talk of the evening for the need of more sociability among those engaged in the lumber industry. He said that such affairs as the one of the time they were celebrating, the weekly luncheons held by the Hoo-Hoo of New Orleans all tended to bring the men so engaged together, allow them to become better acquainted with each other and in doing so many misunderstandings of a business nature could be better cleaned up and at the same time a spirit of co-operation permitted in the handling of questions affecting their local interests.

The concatenation was unquestionably the best one pulled off in New Orleans in many years. It was not only well attended by local members of prominence but there were many from the surrounding territory. The big feature that was pleasing to those who worked hard for its success was the fact that it was the biggest one held in all the United States since the one at Beaumont in 1917. Its record was not of long standing however, for on the following Saturday night the concatenation at Alexandria put through 32 kittens.

Vicegerent Snark R. A. McLauchlan received many compliments for the success of the affair but in turn stated that the credit belonged to the heads of the several committees who worked individually and collectively in a way that was worthy of all the credit. The assistance was rendered by Maurice J. Duvernay, J. C. Markstein, H. S. Riecke, L. D. Smith, E. H. Michel, Harry D. Knoop, Phil Marz, Jr., Edward Schwartz, J. P. Waldman and Fred W. Keese.

In addition some credit must be given an absent brother who lately remove to Birmingham, Ala., to become sales manager for the Marbury Lumber Company. He is Robert J. Fino. Besides putting through 24 kittens a number of old timers who had let their membership lapse for a period of several years were reinstated. Among them were Phil Lanier, Guy H. Mallam, Charles S. Haggerty, O. E. Hohn, C. R. Ketcham and C. J. Ryan.

## New Vicegerents

The Hoo-Hoo of Nebraska have selected as their Vicegerent for the coming year Capt. Morton F. Engelman, who has just recently returned from active service in France. Brother Engelman is head of the M. F. Engelmann Lumber Co., is well known and very popular among all of the lumber element of Nebraska.

His selection assures a return of Hoo-Hoo activity to Omaha and other parts of the state and means that there will be a big concatenation held in Omaha before the annual meeting.

Brother Willard G. Burton of the Burton Lumber Co. of Salt Lake City has been selected Vicegerent Snark for the state of Utah. Brother Burton has been active in Salt Lake Hoo-Hoo circles for some time past and is also very popular with the entire lumber fraternity. He is now actively engaged in organizing his territory and has already held one concatenation which took place on Saturday evening, June 28th. Owing to the report of this meeting not having been received at headquarters, we are unable to include it in this issue of The Bulletin.

## Change in Supreme Nine

Owing to the fact that his business engagements this summer would be so heavy that he could not spare the time necessary to handle Hoo-Hoo work during the annual meeting, Brother A. C. Quixley was reluctantly forced to resign from the Supreme Nine. In his place, the Nine has elected Brother T. A. Moore, Chicago Representative of the Pacific Lumber Agency, to his place as Supreme Jabberwock.

Brother Moore is an old member of Hoo-Hoo, being Number 8303, who will be remembered by a lot of old cats as being Vicegerent of the St. Louis district during the St. Louis World's Fair. He is thoroughly versed in all the moves that are necessary in order to create an organization that will carry on the work of the Order in his jurisdiction and as he is very popular with the Chicago members we predict that his term of office will be a success in every way.

## Birmingham Hoo-Hoo Hold Live Concatenation

Due to the initiative of Brothers W. H. Fleming and R. J. Fine of Birmingham, ably assisted by Vicegerent Snark, Geo. W. Phalin of Tuscaloosa and his active supporters from that thriving lumber center, the most successful concatenation held in the city of Birmingham in recent years assembled in the club rooms of the Civic Association on Friday evening, June 13th. There were members present at this meeting from all parts of the state and to say that they thoroughly enjoyed themselves is expressing it very mildly.

After giving the class of candidates a thorough going over and instructing them in the mysteries of Hoo-Hoo an adjournment was made to the roof garden of the Civic Club on the twenty-fourth floor of the Jefferson County Bank Building, where a most elaborate and tempting banquet was served. This was one of the most delightful places that a concatenation and session on the roof was ever held in. In spite of the extreme heat of the evening, it was cool and comfortable and allowed everyone to thoroughly enjoy the evening.

Brother H. H. Snell of Birmingham, who was one of the old members who became rebated at this meeting, acted as toastmaster, and performed his duties in a manner that made the banquet thoroughly enjoyable. Commissioner Hornaby made an address of welcome on behalf of the city of Birmingham. Secretary-Treasurer Tennant gave an address on the work and record of the Order. Brother J. Asa Roundtree spoke for the town of Gurdon, Ark, the birthplace of the Order of Hoo-Hoo. Brothers Geo. W. Phalin of Tuscaloosa, Vicegerent Snark for northern Alabama, W. H. Fleming, R. J. Fine and several other members made splendid talks.

In addition to the large number of old members present, the meeting was greatly livened up by the presence of Vicegerent Mark Elledge of Corinth, Miss. It was largely due to the

initiative of Brother Elledge that Hoo-Hoo was so thoroughly established in Alabama last fall at a big concatenation which was held in Tuscaloosa. He certainly did splendid work for the Order when he induced Brother Geo. W. Phalin to become a member at Corinth in 1917, as since Brother Phalin has taken charge in northern Alabama territory the work of the Order has hummed in that district.

In addition to Brother Phalin, the following members from Tuscaloosa were present at the concatenation: R. V. Elledge, R. P. Powell, A. J. McEachen, J. J. Copeland, Marion Copeland, C. G. Hamman, W. A. Boyd, A. L. Lindsley, J. D. Blocker and F. P. Hatch. The local committee who had charge of this meeting and to whom great praise is due for the splendid success which attended their efforts was composed of R. J. Fine of the Mabry Lumber Co., J. W. Douglas, Iron City Lumber Co., W. H. Fleming, J. Asa Roundtree, President of the Bankhead Highway Assn. and E. W. McKinley of the Jefferson Lumber Co.

## West Virginia Hoo-Hoo Hold Successful Concatenation

Past Snark E. Stringer Boggess, who is Vicegerent for the state of West Virginia, held a most successful concatenation in Clarksburg on the evening of June 27th. While the class of candidates was not large, they were all practical lumbermen and thoroughly enjoyed every minute of the meeting. In addition to the new members, there were three reinstatements of old members with a promise that three more will send in their reinstatements at an early date.

Brother Boggess reports that every member present assisted in making the work a success, but special mention must be made of Brother W. D. Kaufmann, who secured all of the candidates, initiated at this meeting.

Prominent among the reinstatements was Lt. W. E. Dowling, late of the British army, who saw several years' active service in France during the recent war.

Every member present at this meeting was so pleased with the success of it that arrangements were made to have another concatenation early in September.
