MEMO FROM THE SNARK.....

With this issue of the Log & Tally, we reach the three quarter mark in the Hoo-Hoo year. It has been one of the busiest years for the International Board of Directors and the Norwood staff, as we have seen the efforts of the past few years come to light in 1977.

In keeping with our philosophy that the strength of our fraternity lies with the local club and its individual members, we have directed our efforts specifically in that direction. We want to provide our members with a quality organization which in turn will give us quality members.

The Operations Manual was a huge task and considerable behind the scenes work went into its production. A copy is now with each club and we urge you to get your executives together and discuss its contents. You will be familiar with a part of what you read, but most of it is presented in a new light—all designed to help the local club build a strong, successful spirit of fraternalism for their members to participate in.

We will keep updating and expanding it for you. For your part, make use of it and all the services offered by the International Office. Do not let it sit on someone's desk and collect dust.

Your Board of Directors has been and is busy working on your behalf. Those of you who attend the upcoming International convention in Portland will hear in detail of their travels and efforts.

On the other side of the coin, local club executives have been adopting this philosophy of building quality membership by developing an organization and programs that attract and hold members. This has meant a tremendous amount of hard work by a lot of people. The results? Well, the year is not over yet, but available figures show a growth of 5% in membership over the same period of time last year. The gain is because we are holding onto our members.

I urge all of you to become involved and participate in your local club and to make your contribution towards improving its quality. It will be as successful as you make it.

Comments from the First Vice President

Laurin Champ - L-75820

As we enter the last quarter of our 86th year in Hoo-Hoo, we can look back and say this has been a good one for all. Ah, yes, we each have our problems in one way or another, but with some quick thinking in our memory bank we can soon find that in one way or another you will add more bright days than dark days. We can be thankful we live in a land where we can all think and do for ourselves and above all for our fellowman. We can express our thoughts and desires and from all this we weave them into one happy group of people, and to think because of we people being a member of the largest Industrial Fraternal Organization in the world has played a part in making life worth living.

We are so busy doing the immediate and the urgent that we never take time to think about the important things. The result is that many of us resemble a mountain climber who is so busy reaching the top that he does not take the time to look at the view until he is to exhausted to appreciate it.

It is urgent to feed and clothe our families: however it is important to give them our presence and our active love. It is urgent that we eat and strengthen our bodies; however it is important that we learn and nourish our minds. It is urgent that we succeed in whatever phase of the Lumber Industry that occupy our lives; however it is important that we succeed in the art of life itself. It is urgent that we strive to take advantage of the new opportunities which are always present to us; however it is impor-

It's been a long hard winter, especially in Jurisdiction II, but it looks like spring is just around the corner and the enthusiasm of Hoo-Hoo is budding out all over. Here are some of the activities our Club's have been involved in.

January 20th
The Detroit Club #28 held a general meeting. Guest speaker was Karl Thomas, the balloonist. Many of you probably read about

Karl's unsuccessful attempt to cross the Atlantic in a balloon last summer and more recently his record breaking flight from California to Florida. This great epic, lost in the Atlantic in a life raft, proved that a man could endure with determination.

January 24th
The Rochester, New York Club #184 held their annual election of officers and a business meeting. Their program, on Fire Prevention, was presented by the Lumber Mutual Fire Insurance Co.

February 5th
Rochester Club #184 held their annual President's Ball at Rochester's fabulous French Quarter.

February 10th
Northern Illinois Club #139 held their Annual Concat, taking in nine kittens. Yours truly had the honor of serving as the visiting officer. I also had the honor of appointing Kenneth Hallgren of the Northern Illinois Club as a State

Report from Jurisdiction V (Canada and Alaska) from Gord Doman, 74610.

My report for January, February and March is as follows:

I attended the Board meeting in Phoenix, Arizona on January 29th, 1977. At this meeting your Board concluded a tremendous amount of Hoo-Hoo business under the able chairmanship of Bill Bader, Snark of the Universe.

I had the pleasure of attending the Cowichan Valley Hoo-Hoo Club #229 Ladies Night at Duncan, B.C.

Flew Northeast to a meeting at the Stampede City Hoo-Hoo Club #196 in Calgary, Alberta, Canada on February 21st. This club, under the leadership of President Jack Martz, is coming along very well.

The first few months of this year I have not been busy with Hoo-Hoo, at least not as busy as September, October, November and December of 1976. However, my calendar for April, May and June looks extremely busy.

Respectfully submitted,

James A. Jones

Over half of the Hoo-Hoo year 76-77 is already history. How time flies! Overall, Jurisdiction VI is doing very well. Lots of activity and fraternalism.

Have visited the following clubs so far: Honolulu #142, Sacramento #109, Shasta-Cascade #133, Black Bart #181, Phoenix #72, Tucson #110, Oakland #39 and San Francisco #9.

In April we will have a tri-city meeting in Willows, Calif. This will be the fourth annual meeting of the Sacramento, Shasta-Cascade and Feather River Clubs.

Later in the month the annual Crab Feed is scheduled in Eureka. This unusual meeting is usually attended by Hoo-Hoo members from Los Angeles, California to Seattle, Washington.

Early in May I am planning to attend the Redwood Grove Committee Meeting in Eureka. We should be able to finish up and have available by convention time, a slide presentation on our Hoo-Hoo Redwood Grove.

I thought our Board Meeting in Phoenix was very productive, and I was fortunate enough to be able to attend Tucson Club's Concat a week after our Phoenix Meeting.

Would like to thank the Phoenix and Tucson Clubs for their great hospitality!

Health, Happiness and Long Life.

Yesterday I flew our company plane to Sioux Falls, South Dakota, and attended the Tri-State Annual Lumber Dealer Convention and the Sioux Valley Club #118 Annual Concat. The Concat was superb and we had eighteen new members brought into our Order. Carle Hall, from our Des Moines Club #102 flew up with me, as did two of my employees who have great Hoo-Hoo interests. After the Concat there was a beautiful banquet dinner which was attended by what appeared to be over 300 people.

Tom Partridge was also at Sioux Falls and took in all of the festivities. In addition to phoning or writing me almost weekly about Hoo-Hoo events, Tom just cannot seem to slow up in "living" Hoo-Hoo after the pace he kept as Snark.

Herb Schoeneman, President of Schoeneman Brothers Company with headquarters in Sioux Falls, was named as "Lumberman of the Year."

Nominations!

Dear Hoo-Hoo Members,

The officers and members of Wichita Hoo-Hoo #173 do hereby put forward the name of Laurin R. Champ L-75820, for the position of Snark of the Universe for the coming Hoo-Hoo year. Laurin's devotion to Hoo-Hoo, both locally and internationally, is known to all members of Jurisdiction VII. We can think of no better choice than Laurin to follow our current Snark, Mr. Bill Bader. We feel with his experience and expertise, he will continue to work hard for the betterment of Hoo-Hoo.

Fraternally,
Randy L. Haines 81076
President, Club #173

Dear Hoo-Hoo Members,

The Wichita Hoo-Hoo Club #173, would like to put forward the name of Bill Russell L-50220, as International Secretary-Treasurer. Mr. Russell has the full support of our club in Wichita. His knowledge of Hoo-Hoo is vast and qualifies him for the position of Secretary-Treasurer.

Fraternally,
Randy L. Haines
President, Club #173

Dear Cliff:

As President of the Houston Hoo-Hoo Club #23, I take great pleasure in announcing that our Club voted unanimously to nominate Gary Hester, 81283, for the position of Supreme Nine from Jurisdiction VII to take office in September 1977. We feel that Gary is very well qualified for this position.

Gary is the immediate Past President of the Houston Club and was instrumental in re-vitalizing our Club. Gary believes in Hoo-Hoo. He is very interested in working to help Hoo-Hoo prosper. These are some of the reasons that Gary will make an excellent Supreme Nine member.

I therefore take great pleasures in placing the name of Gary Hester, 81283, in nomination for Supreme Nine from Jurisdiction VII to take office in September 1977.

Fraternally,
Jim A. Brown 81282
President

Dear Cliff:

The Houston Hoo-Hoo Club #23 takes great pleasure in placing the name of Mr. Bill Russell in nomination for the Office of Secretary/Treasurer of Hoo-Hoo International for the 1977-1978 Hoo-Hoo year. Mr. Russell, who is currently serving his first year as our International Secretary/Treasurer, has already shown that he is actively involved in trying to help balance the budget of Hoo-Hoo International.

His many years of experience in Hoo-Hoo has proved to be an important asset in conducting the business of this office. We're all very fortunate to have Bill Russell willing and able to serve International Hoo-Hoo in this capacity.

Fraternally,
Jim A. Brown 81282
President

Dear Sirs:

Vancouver Hoo-Hoo Club #48, would like to announce that we are supporting, Gordon Doman, for the position of Second Vice-President of International for the Hoo-Hoo year of 1977-1978.

Gordon has been Deputy Supreme Nine for two years and Supreme Nine for the last two years of Jurisdiction V.

With Gordon's dedication to Hoo-Hoo and experience on the International Board, we feel he will be an asset to the International Order of Hoo-Hoo and the lumber industry as a whole.

Fraternally,
J.K. Jacobson 73133
President—Vancouver Club #48

Dear Cliff,

...This letter will confirm my running for two more years on the Board of Directors of Hoo-Hoo International as Supreme Nine Member for Jurisdiction VII.

We had a real nice Jurisdiction VII Conference at Wichita, Kansas, on March 18 & 19, 1977. Jim Brown and Bill Russell from Houston, Texas were there. The hospitality was great.

This letter will also stand as a reservation for the year 1982 for a convention in St. Louis, Club #6, Hoo-Hoo Int'l.

Fraternally,
Bob Hertling
S-9, Juris VII.

Dear Cliff:

Toronto Hoo-Hoo Club #53, is pleased to put forward the name of Deputy Supreme IX Member George F.E. Petch, 73091, in nomination for the office of Supreme IX Member, Jurisdiction V, for 1977-78.

We feel George has done a very creditable job as Deputy Supreme IX Member in 1976-77, and the executive committee of our club has instructed me to inform you that he has our wholehearted support.

Sincerely,
Arnold E. Lonsdale 80406

CONVENTION PROGRAM SEPTEMBER 10-13, 1977 PORTLAND, OREGON

Convention chairman Lex Taylor and our ladies chairman Mrs. Donna Buschbacher and their various committees have been hard at work preparing the program to make the 87th annual Hoo-Hoo Convention one of the best ever!!

We look forward to seeing all of you and your wives here in Portland. We have an interesting and exciting program planned for you and your wife; business and social functions alike.

The following is a tentative outline of the Convention program; elsewhere in the Log & Tally is additional information about the ladies program and activities. The August issue will contain the detailed program.

We have also included registration forms, so that you may send in your advance registration, both for the Convention and for your accommodations at the Thunderbird Jantzen Beach Motor Inn.

SATURDAY SEPT. 10/77— 11:59 a.m., registration will take place at the Thunderbird. Formal festivities will begin at 5:59 p.m. with the icebreaker reception, followed by a buffet supper at the Thunderbird.

SUNDAY SEPT. 11/77—Business sessions will commence at 8:59 a.m. until 11:59. Ladies tour leaves at 9:30 a.m. and arrives back at 3:30 p.m. Cocktails and mens luncheon at 11:59 with a surprise guest speaker. 1:59 to 3:59 continuation of mens business sessions. The evening will consist of cocktails and salmon barbecue at the Western Forestry Center.

MONDAY SEPT. 12/77—A.M. combination Mens/Ladies golf tourney at Riverside Country Club or Broughton Mill and Columbia Gorge tour. Lunch at golf course or enroute on Broughton tour. 5:59 p.m. Toronto Club hosts a wine/cheese party. Evening open.

TUESDAY SEPT. 13/77—Business sessions begin 8:59 a.m. to 11:30. 11:59 Joint Luncheon with guest speaker and awards. 2:29 p.m. ending business sessions. 6:29 p.m. Snark's reception and banquet (live dance music).

After lunch at the Jade West Restaurant in downtown Portland, the ladies will walk through four beautiful parks in the center of the City of Roses and will view this beautiful Forecourt Waterfall Fountain in front of the Portland Civic Auditorium. The height of the falls is 18' at the high side and 13' at the low side.

Convention Registration Forms on page 37

Portland and the Pacific Northwest has much to offer in beautiful scenery and recreational activities. So come early and enjoy the Pacific Northwest. We look forward to seeing you in Portland!!

Ladies Program

Ladies' Chairman, Mrs. Donna Buschbacher, assures all women attending the Portland Convention they will never forget this beautiful City of Roses. Donna and Mrs. Mae Taylor, Vice Chairman have been busy planning the events for the ladies' activities.

Sunday, September 11th will be the highlight for the women. A combination bus/walking tour of the city will commence from the Jantzen Beach Thunderbird approximately 9:30 a.m.

Some of the high points of the tour are as follows:
A.M. — The Sanctuary of Our Sorrowful Mother, Portland's beautiful outdoor shrine. The Grotto carved from solid rock in a cliff ten stories high. Professional tour guides from the Portland Walking Tours will narrate the sights of the City and its history. At approximately 11:30 a.m. we will have a delicious lunch at the Jade West Restaurant in a setting of parks and fountains. Lunch will include a fashion show featuring Hoo-Hoo Ladies from the Portland Club.

P.M. — A short walk through the cities parks and fountains. The International Rose Gardens in Washington Park and other beautiful sights including Mt. Hood, Mt. Jefferson and Mt. St. Helens will highlight the afternoon.

Portland Hoo-Hoo Ladies will be available throughout the week to answer any questions regarding Portland, registration procedures, special events, shopping and just general "Ladies questions"!!

Ladies are advised to bring comfortable walking shoes for the Sunday tour and for the Broughton Mill Tour. A light jacket or sweater would also be advisable. We look forward to seeing you here in Portland!!

CLUB NEWS

Portland Club #47

Portland, Oregon

The Portland (Oregon) Club #47 held its annual Casino Night recently with great success. Approximately 60 members turned out to try their luck at a few games of chance, and even those who held bad cards admitted that it was a lot of fun.

The Club netted some additional funds to be used for the forthcoming International Hoo-Hoo Convention in September, 1977.

Remember! Portland, September 10-14, 1977.

Greater Miami Club #42

Miami, Florida

We don't really get much news from the Miami Club except in the form of announcements of coming events, but we learned recently that Bob Howard's name was picked for the jackpot of \$31.00 which he forfeited by not being present. A bottle of Scotch was won by Everett Cupit and a bottle of bourbon was won by Dutc Bliss.

A \$5.00 collection was taken for Bob Deck.

Granite State Club #107

Manchester, NH

At our recent annual Concat there were 48 persons present to witness a small (4) class of kittens. This was one of our most successful and enjoyable rituals.

The Granite State Club #107 wishes to thank the Degree Team from the Harry L. Folsom Hoo-Hoo Club #13 for putting on such a fine performance. Twelve men from the Boston club made the trip in three cars.

Missoula-Bonner Club #68 Missoula, Mont.

The Concat was set up and held before we had dinner so as to get the initiation out of the way so the new officers could be voted on rather than have the evening business meeting before the new members could participate.

Twelve kittens were presented to the great Hoo-Hoo and all survived his demanding tests. The Concat officers gave a good presentation of the ritual and impressed the candidates.

The conconcat officers are as follows: Snark, Michael J. Sullivan 60890, Senior Hoo-Hoo Richard Morrison 84019, Junior Hoo-Hoo Hodet D. Thomas 71161, Bojum W.E. Seliski 84023, custocatian Glenn Pearse 84021, Arcanoper Eugene O'Toole 70907, Gurdon Robert Hassman 74198, and visiting officer H.W. Van Sickle, 64958 from the Billings Hoo-Hoo Club #130. Also Scrivenoter Robert D. Nordahl 84020 and Jabberwock Donald Walters 84025.

President Hassman 74198 called the meeting to order while we waited for our food. He asked the nominating Committee Chairman, Roger Johnson, to read the committee's selection for the officers for the balance of the Hoo-Hoo year. Johnson listed the following names: President Richard Morrison; Vice President John David Currens; Secretary, Bob Leprowse; Vicegerent Snark, Donald Prentice.

Directors elected for one year term were Roger Johnson, Eugene O'Toole, Michael J. Sullivan.

Directors elected for two year terms were Robert Hassman, Thomas J. (Tim) Fleming and Joe Brooke. President Hassman asked for a showing of hands for the election of officers presented in the report of the committee. The showing of hands was unanimous for the election of the entire slate. President Hassman then introduced Cat H.W. VanSickel 64958 from the Billings, Montana, Club #130.

The same committee in a discussion on the club's aims decided that the main functions of this order would be social and educational. The Educational program would be designed to provide information about lumber and building materials industry in order to make all members aware of the social and political factors that affect this industry. We would also provide group support for the political process in matters pertaining to the lumber industry. The social aspect of this club would seek to improve the spirit of fellowship among the members and should include the companionship of the members' ladies at designated functions during the year.

It was decided the club should engage in local projects on a limited basis. Among the suggestions was a program to recognize outstanding uses of wood in remodeling and new construction in both commercial and residential building.

An opportunity also exists to promote greater understanding with other trade organizations such as: Home Builders Association, Building Materials Salesmen Association and Retail Building Materials Dealers Association.

The committee also asked that Article IV of the old clubs constitution and by-laws be amended as follows: The annual dues of this club shall be \$19.99, of which \$11.99 if national dues and \$8.00 is local club dues. These sums are payable prior to or shortly after September 9 of each year, as this is the date of the new Hoo-Hoo year.

The amendment to Article VI is: regular meetings of the club shall be held on the second Wednesday of each month with the exception of June, July and August during which months there will be no meetings. The second Wednesday in September will be the nomination of new officers and the election of same. Officers elected will be installed the second Wednesday of October.

The group voted to accept the committee's change in the by-laws of the constitution of Club #68.

Robert Nordahl 84020 presented a motion to make a \$5.00 pot draw-

ing for all members present wearing their Hoo-Hoo button. If a member's name is drawn he will receive \$5.00 or accumulated pot. If a member's name is drawn and he isn't wearing his button the pot will carry over to the next meeting and a letter will be sent to the member's wife stating that he missed out on the money in the pot due to his not wearing the button. This idea was agreed upon by members present.

President Hassman then moved that the meeting be adjourned and it was at 10 p.m. The group adjourned to the lounge.

Respectfully submitted
Dwight W. Hughes 57664
Acting Secretary and Treas.

Get predictable service in these unpredictable times.

Count on us. We've made every investment necessary to give you the best service. No cut corners, no deferred maintenance, just top-notch railroading. We've never learned to do it any other way, and we don't plan to.

We know that's what you expect and that's what we plan to give you. Predictability.

That kind of service doesn't come cheap. Over the last ten years our investments totalling \$1,850,000,000 in locomotives, freight cars and roadbed have made possible the kind of service you have come to expect from us.

It's results you want, not talk. So let our rates, routes and schedules prove to you that WE CAN HANDLE IT.

Del Cole, reporting for the Black Bart Hoo-Hoo Club #181 says that in December the club had its annual Christmas Party with well over 100 people present.

The party was held at the Grange Hall in Redwood Valley. There were plenty of shrimp and goodies before a fine meal of turkey, ham and all the trimmings.

There was a raffle of four turkeys and a Christmas Goose which were won by five lucky people. There were drinks for all from 7:00 p.m. to 2:00 a.m. with fine music, dancing and general fraternalism.

January Meeting

Presiding officer, President Bob Hassman, welcomed the members and guests. Fifteen members and twelve guests were present, and were served a good steak dinner before opening the business meeting.

President Hassman turned the business session over to Vice President Gene O'Toole 70907. V.P. O'Toole requested ideas from the group for discussion. Cat R.E. Prowse 84017 brought to the attention of the group that the State Legislature has a bill pending, House Bill #83. The bill will be up for a hearing next Wednesday morning Jan. 19, 1977 at Helena, Montana. The Timberland owners, Loggers, Manufacturers, Wholesalers, Retailers and Allied wood product users have a vital stake in this bill. The passage of

this bill would not be to the benefit of the wood industry. Robert Holding is in Helena lobbying against Hse. Bill #83.

Cat R.E. Morrison 84019 volunteered to get in touch with Bob Holding and find out what measures the club would have to take to oppose House Bill #83.

Cat Hughes 57664, Secretary and Treasurer, insisted that before the next meeting, we have a list of six names of members to present to the club members for approval as directors. The board will be composed of the three officers of the club and the six elected. These nine men will be the clubs Supreme Nine, also they will draw up the constitution and by-laws for approval by the members. Vice President O'Toole, appointed Cat Roger D. Johnson 84015 to pick from the members six names to be voted on at the next meeting, for the club's board of directors.

Salt Lake City Club #70

Salt Lake City, Utah

Gene Hecht, traffic agent at Salt Lake City, has spent 35 years with Union Pacific, and was recently elected president of Hoo-Hoo, the Fraternal Order of Lumbermen at Salt Lake City, Utah, on September 9, 1976.

Gene is the first associate member, not a part of the lumber industry, to join the Hoo-Hoo at Salt Lake City, and the first such member to be elected to the presidency.

Whence came Hoo-Hoo? It is an International Order of Lumbermen who have patterned their organization after the characters of Lewis Carol's "Hunting of the Snark." The president is the Snark; the other officers are Senior and Junior Hoo-Hoo, Scrivenoter, Bojum, Jabberwock, Gurdon, Custocatian, and Arcanoper.

Their purpose is to foster better relations between the lumber in-

Gene Hecht 82953

dustry and transportation.

Gene's goal is to establish a scholarship fund for deserving offspring among the lumber industry's membership. We know he'll be the best Snark the Hoo-Hoo has ever had, and we wish him well.

You can depend on a forest products company that depends on itself

Pope & Talbot is one of America's largest and most self-sufficient quality lumber producers with:

- a company-owned timber base of 1.2 billion board feet
- lumber mills with some of the most modern equipment in the industry
- perhaps the best lumber stress rating system in North America

When you add them all up, Pope & Talbot's vast resources and modern facilities mean one important thing. We don't have to depend on others to help us provide the materials and services you need. You can depend on us.

Harry L. Folsom
Club #13
Boston, Mass.

The Harry L. Folsom Hoo-Hoo Club #13 of Boston held their last monthly dinner-meeting on Monday evening, March 7 at Knights of Columbus Hall, 1211 Highland Ave., Needham, Mass. It was "Bring Your Boss Night" and many newcomers enjoyed the festivities and a real New England Boiled Dinner.

Guest speaker for the evening was John V. Fiatarone, Area Director, U.S. Department of Labor, Occupational Safety & Health Administration. John obligingly filled in for the scheduled speaker, Edwin Riley, Assistant Regional Administrator of OSHA.

Cat Thomas Fleming 63116 asked the members for a little active support of promotional projects to promote good public relations. Tim stated the old group had a very strong promotional program for the Wood Industry showing the public that manufacturers, retailers and allied products were of great value to the economy of the area.

Cat Mike Sullivan 60890 said the club should be careful in what activities they should support, due to getting involved in something that the club would be unable to support financially. He went on to say that the good project we had going was dropped due to cost being more than the companies could afford in a slump of business.

Cat Hughes 57664 told the group that we would have to have a Con-cat very soon, as we have eight signed up Kittens waiting for initiation. Secretary Hughes said he has the International authorization blank and is ready to go soon as the Great Falls Club gets our initiation trunk back to us.

Cat Hughes 57664 informed the group that our Club has loaned our initiation gear to other clubs in the state for some time, even before we became inactive. Northwestern Montana Hoo-Hoo club now has their own equipment trunk.

John V. Fiatarone

Another guest, well known to northeast lumbermen was Dr. Harold B. Gatslick, Professor of Wood Science & Technology, University of Massachusetts, Amherst, who introduced two students who had won Hyde Memorial Fund scholarships, donated to UMass by the Folsom Club, Bob Mahoney and Richard Leonard.

Dr. Gatslick tells a good one on himself.

Among those enjoying the Harry L. Folsom Hoo-Hoo Club dinner-meeting were, left to right: Dr. Harold B. Gatslick, Professor of Wood Science & Technology, UMass.; Bob Mahoney, Hyde Memorial Fund winner; Richard Cannon, past officer of the Folsom Club and president of the New England Wholesale Lumber Assn.; and Richard Leonard, another UMass student winner of the Hyde Memorial Fund donated by the Club.

An outstanding Boston sports personality was the guest speaker on Monday evening, Feb. 7 when the Harry L. Folsom Hoo-Hoo Club of Boston held its regular monthly dinner — meeting at Knights of Columbus Hall, Highland Ave., Needham, Mass.

The special guests, Bob Ryan, a feature sports columnist for "The Boston Globe" has amused New England sports fans with his different approach to reporting the sports news, and he was even better in person. Basketball and the Boston Celtics are his specialties, but he also answered questions on the Boston Red Sox and Boston Bruins.

The social hour began at 6:29 p.m. with a huge roast beef dinner following. Door prizes for the evening were donated by Wes-Pine Millwork.

Guest speaker, Bob Ryan (left) and club President Dick Mullen smile for the Hoo-Hoo Photographer.

Walt Whitman
Club #171
Camden, NJ

It might be well to mention here that the Walt Whitman Club #171 (Palmyra, N.J.) was the first club in Hoo-Hoo International to have ALL its members paid up this year. They accomplished this in late October, 1976. They have their Secretary/Treasurer, Ralph C. Dages to thank for that. A really dedicated worker.

The Walt Whitman Hoo-Hoo Club #171 reports that at their November meeting the members voted to donate \$100 to buy toys for the Children at the Vineland and Woodbine New Jersey State Schools for children. The check was presented to Bob Klump 82635, who is a Lt. Commander Naval Air Reserve Detachment, U.S. Naval Air Station at Lakehurst, N.J., and to Commander Tom Wagner by our Club President "Hap" Silbert 82637.

The toys were distributed to the two schools on December 18th. The check was made out to "Operation Santa-Lift, Seventy Six." Delivery of the toys was made by helicopter from the U.S. Naval Air Station.

Bob Klump, 82635, (left) Lt. Comm. Naval Air Reserve Detachment, U.S. Naval Air Station at Lakehurst, N.J., beams his approval as Hap Silbert, 82637, President of Club #171 (center) presents check to Commander Tom Wagner.

Above is a certificate of appreciation presented to the Walt Whitman Club from the U.S. Naval Air Reserve for their help in "Operation Santa-Lift".

Willamette Valley Club #33

Eugene, Oregon

John Hallberg, reporting for the Willamette Valley Club #33 informs us that on September 23rd an installation of officers was held at the Black Angus Motor Inn. Each newly elected officer was reminded of the role he must play to make the year successful.

The new officers are: President, John Huston of Cone Lbr. Co.; Vice President, Dick Tutt, J.H. Baxter Co.; Secretary, John Hallberg, Foothill Lumber Co.; Treasurer, Ron Weiss, Missouri Pacific RR.

John Huston gave a report on the Albuquerque International Convention and urged each and every member of our club to get behind the Portland Club in order that they may have as great a success as the Central New Mexico Club.

Denby Mackie was the program chairman, and there were about 50 in attendance.

In October the Willamette Valley Club #33 was honored to have Mr. L.L. "Stub" Stewart, President of Bohemia, Inc. for the last thirty years, as speaker for our annual Wood Products Month program. "Stub" had only recently stepped down from the presidency of Bohemia. While the company doesn't have a mandatory retirement policy, he said he felt he should step down and "let the younger ones take over." The veteran Forest Industry leader doesn't intend to cut back on his other activities which include membership on the State Board of Higher Education and a host of industry groups. He is Past President of both the Western Wood Products Association and the National Forest Products Association.

The fifty-three members in attendance would attest to the fact that "Stub" is an excellent speaker. Judging by the amount of time taken when he asked for questions from the floor, he was certainly one of the most well received speakers we've had.

"The Future of the Lumber Industry in Lane County" was the subject of Stewart's talk. Much if

not all of the discussion period was on the sealed bid proposal enacted by the U.S. Forest Service.

In November, Club #33 found that "A Little Fowl Play Before Turkey Day" was once again the "most looked forward to" and brightest evenings of our calendar. Reno Night never fails to bring them in.

Bogus money, booze and cards seem to be the right combination for an evening of great entertainment. With the price of admission the guests receive a steak dinner and \$3,000 (in bogus bills, that is). The idea is to gain as much wealth as possible before the drawings start. At the end of the evening the bogus money is exchanged at the rate of \$1,000 per ticket. Obviously the more tickets held the better the chances of winning a prize in the drawings. Some of the guests had amassed fortunes of over \$100,000.00 by the end of the evening. Osterizers, hair dryers, mixers, bar sets, etc. more than \$350 worth of merchandise was given away in addition to the ten turkeys as door prizes.

Club #33 held another Christmas Party at the Thunderbird Motor Inn. Another Christmas party with all that's been going on? It can't be done! Well, they forgot to tell the Program Chairman, John Huston, because the party was a blast. Prime rib dinner with all the extras, free punchbowl lively dance band—an offer that over 70 of us just could not refuse. "The Bitter End" provided the music and our feet just refused to hold still.

May Huston, Shirley Wilson and Mrs. Chuck Woods got together and made the most unique center pieces for the tables. At the end of the evening these center pieces were given to the ladies with the right number under her cup.

Our members found that 30 years in the lumber industry have left "Stub" with a sharp wit.

Club #23**

Houston, Texas

Jim Brown, reporting for the Houston Texas Club #23, reports a concat held on March 24th. It was the club's second concat of the year, and was held at the Marriott Motor Hotel.

Seventeen new members were brought into the Order plus 3 reinstatements. This brings the total new members initiated this year to 30 plus reinstatements.

In February the club held its annual Ladies Bingo Night at the Briar Club. At this meeting we also had our 2nd annual "Houston Hoo-Hoo's Who's Who Roast & Toast." This is an award presented

to a member of our club who, through the years, has been an inspiration to Houston #23. This year's recipient was A. W. Harris 60371.

Last October, Club #23 held its annual Fall Golf Tournament at the Inwood Forest Country Club. 173 members and guests braved

Our last Concat was held at the Prince Hotel in Don Mills, Ontario and it was the largest turnout we have had since we had the International Convention in 1964.

There were sixteen new members brought into the Order and the degree team was assembled by the Vicegerent Snark, George Pletch. The degree team included seven past club presidents and the Snark of the Universe, our own Bill Bader. We believe our club is the only club in Hoo-Hoo to have supplied two Snarks of the Universe.

Our new members are: Jack Playford, Martin Rhodes, Herb Hardy, Frank Gordon, Harry Provost, Mike Raney, Ralph Ayers and Dave Pulchinski.

Also, Doug Reid, Brian McFadden, Tommy Thompson, Ian Smart, Keith Waddell, Joseph Smales, Frank Danek and Stu Teal.

The Cat Tamer was Jim Litwiller and he was assisted by Jack Elliott, George Pletch and Bob Carrick. Needless to say, the new members were well and truly initiated.

the cold, rainy weather and freezing beer. George Bohannon won low gross, and we all had a good time.

For door prizes the club furnished a 12 ga. shotgun, a 30.06 rifle and a C.B. radio.

At the November meeting at the Marriott Motor Inn, there were 51 members present. The meeting concerned our local club and Hoo-Hoo International.

Roy Cummings, Past Supreme Nine Member, and Bill Russell, International Secretary/Treasurer discussed the inner workings of Hoo-Hoo International.

Gary Hester (Club Chairman) discussed how our local club operates.

Jim Brown was the program chairman for the evening.

We are pleased to welcome our sixteen (count 'em) new members to the Toronto Club #53.

Tucson Club #110 Tucson, AZ

The Tucson Hoo-Hoo Club #110 had a little trouble during the early part of 1977 because both editors were away from their desks in the "Rip Saw" building.

However, on our January golf outing we had 25 golfers swinging away at Oro Valley Country Club, and one half of the total swingers were able to walk away with a prize.

Our January business meeting featured Frank Boynton as our guest speaker. Frank's jokes and memoirs of the PGA Pro Tour were very entertaining. Frank also narrated a film he showed of the US Kemper Open.

We had 25 golfers at our February golf outing at Skyline Country Club. Very few golfers finished up with the new ball which had been

given them at the first tee. A surprising 60% of the golfers won a prize.

At the February business meeting we had a group of 36 men sitting down for a fantastic dinner at Skyline Country Club. First VP of Hoo-Hoo International, Larn Champ, was present as was Jimmy Jones, S-9 of Jurisdiction VI. Larn came all the way from Kansas to help us celebrate, and Jim Jones came all the way from Vallejo, California.

We had five new members brought into the Order: Steve Barlow, Fred Bjornson, Rob Brown, Bruce Grass and Phil Guyot.

The T.S. award went to Bob Kenyon who fought valiantly to keep his name off the award for February, but, "T.S." Bob, you are now the third member of the Tucson Club to receive this award.

Also, at the January meeting, Jess Stuart was honored as being the first recipient of the "Crooked Shaft Fellowship Award." This is the highest award our Tucson Club can give a devoted member. Jack Sullivan was presented the "Crooked Shaft Fellowship Award" at our February meeting. Even though Jack is the second recipient of this honorary award, this does not mean that he has received the second highest honor. Jack's support of Hoo-Hoo has been second to none.

Sweetheart Night—for the 68 people who attended was our sec-

ond annual Sweetheart Night. The 34 ladies present each received a corsage, three new dollar bills and a raffle ticket. We gave out 26 prizes. Since it was the second Sweetheart Night, we presented the 2nd longest couple married and the 2nd shortest married couple present with a big heart of Candy.

Jess and Thelma Stewart won the second longest, and John and Billie Hickey won the second shortest.

The Tucson Club's new members are shown above with (kneeling) Jim Jones, Larn Champ and Fred Bjornson. Standing are Bruce Grass, Steve Barlow, Phil Guyot and Rob Brown.

And here we have two famous members of the Tucson Club, Al Schecter and Bill Bell.

St. Louis

Club #6

St. Louis, Mo.

St. Louis Club #6 held a concat on Nov. 17th 1976. We put through 5 new kittens into Hoo-Hoo. This was held at Joe Tangaros Restaurant in St. Louis. Our own Vicegerent George W. Mueth was in charge of the degree team, on the degree team this time was a member of the California group, Howard Smallrdige, who has been in St. Louis working for the Katy Railroad until his recent retirement from the railroad. His retirement party was held in Dec. 30th, 1976 here in St. Louis at Romains Restaurant. We have been very happy to have had Howard here with our club for his stay in St. Louis, and we are very sorry to lose him. We wish him all the luck and good health in the future.

The new kittens were talked to with regards to the purpose of Hoo-Hoo in life and the meaning of what it really means to be a member of Hoo-Hoo by the Supreme Nine member Bob Hertling of the St. Louis Club. This concat, though not large in number, was a very good evening. Everyone there had a wonderful time and a very good dinner and the spirits were very good.

We have a very active year planned ahead for 1977; more meetings and a buildup of membership. I guess this will be all for this time. I'm writing this on a very cold night; it will be -12 below and we have had 10" of snow, so good night all.

Fraternally Yours,
Bob Hertling

Spokane

Club #16

Spokane, Wash.

Our Valentine Party was the greatest! Twenty-six Valentines were feted and honored on February 12th. Attending from the North Idaho Club were Mike Barron and his wife Linda, and also Ken Draheim and his wife Cheryl. Driving down from Colville was member Floyd Pitts and his wife Betty. Friends of Hoo-Hoo present were: Jack and Penny Brace, Bob and Angie Williams, Roger and Jo Wyatt, John and Laudia Lynn, Bob and Vicki Linder and Jim and Lee Allen.

VP John Howard presented our speaker, Mr. Bruce Colwell, 2nd VP of Diamond International at Coeur d'Alene who gave an extremely interesting slide presentation on a recent trade exploratory trip to the Orient. His comments on future wood industry trade with Japan and the rest of the Orient were well taken and your scribe (Pres. Norm) was pleased to hear several remarks by the fairer sex as to their enjoyment of his talk.

"Lucky" Tony Perry won the \$10 membership drawing for his Valentine, Laura, and the following ladies won, or their partners, door prizes: Peggy Tooke, Lynn Page, Margie Schumacher, Sharon DeMills, Marb Maes, Irene Anderson, Linda Barron, Cheryl Draheim and Vicki Linder. Flying Instructor Dave Reikofski, who escorted our member Katie Heckt, won a plant. If we could get Dave into Helicopter logging, he's be good Hoo-Hoo material.

Well, the Spokane Club did it again! They had another style show, crab feed and beer bust which was held on December 6th at the Spokane Ramada Inn.

Fashions from La Chapina, a very fine local dress shop and women's sports clothes store, were modeled by some very lovely ladies. In addition to the show there was offered a 15% discount to anyone present who wanted to do his Christmas Shopping.

Maine

Club #54

Portland, Maine

We had one heck of a good program on February 10th at the K of P Hall in Gray, Maine. Our Supreme Nine Member, Joe Cusack, Supreme Nine Member from our own Jurisdiction I, made an appearance and so did Cliff Cunningham, the Executive Secretary of Hoo-Hoo International.

After that, Club #54's Secretary/Treasurer, Roger Gowen, spoke on the history of the Maine Club—told of their accomplishments and future desires.

All in all it was a wonderful meeting. The food was fantastic, the service was great, and the fraternalism you just can't believe.

There were at least four prospective members in attendance.

One member there showed his card to Cliff Cunningham with the Hoo-Hoo Number that was one of the lowest in the Northeast.

All in all, Club #54 is in great hands and the aspirations of the club should be envied by all clubs in Hoo-Hoo.

Dennis Pelletier was the program chairman for the evening and he did a fantastic job. The attendance was great, too.

Club Secretary/Treasurer Roger Gowen, Joe Cusack and Dennis Pelletier enjoy a joke.

Sioux Valley

Club #118

Sioux Falls, SD

The Sioux Valley Hoo-Hoo Club #118 held its 28th annual concat at the downtown Holiday Motor Inn in Sioux Falls on February 8th. A total of Nineteen new members were brought into the Order, and this was the club's largest class in many years.

Two guests were International Chairman Tom Partridge and Supreme Nine Member from Jurisdiction VIII, Gerald Jewett, Jr. Jewett served as visiting officer on the degree team.

After the initiation a social hour and banquet was held, sponsored by the Hoo-Hoo Club and the South Dakota Lumber Dealers Association. About 400 attended.

After the banquet a dance was held in the Arkota Ballroom, sponsored by the Tri-State Salesmen Association. A good time was had by all.

We present our degree team plus visitors.

Shasta-Cascade

Club #133

Redding, Calif.

Shasta Cascade Hoo-Hoo Club #133 President Bob Reagan 81173 welcomed 135 members and 17 kittens to its 25th annual Concat of

the club on January 14, 1977 at the Riverview Golf and Country Club in Redding, California.

The evening was a fine affair which was highlighted by the presence of Snark Bill Bader L-75318; Vice President Lurn Champ L-75820; Jurisdiction VI Director Jim Jones L-72703 along with Brent Crosby, Bert LeBeck and

Al Kerper. Also in attendance was John Huston, President of Eugene Hoo-Hoo Club and Vic Hadley President of Rogue Valley Club.

Snark Bill was visiting officer of the Degree team and recited the code of ethics and gave the new and old members a message that made them glad they were members of Hoo-Hoo. It is worthy of

mention that Snark Bill's attendance makes it ten of the last ten Snarks to attend this annual event.

The Degree team was made up of the following; President Bob Reagan as Snark; Vicegerent Don Lincoln as Senior Hoo-Hoo;

Wayne Murphy as Junior Hoo-Hoo; Vic Hadley as Scrivenoter; Brad Broyles, Chairman of the Degree team as Bojum; John Huston as Jabberwock; John Crane, Treasurer as Custocatian; Mike Webster, club Vice President as Arcanoper; Don Lucas, club Sec-

retary as Gurdon.

Snark Bill will be presented with a properly inscribed axe, a tradition of the club.

Detroit Club #28

Detroit, Michigan

The Detroit Club #28 started off 1977 with an extremely interesting meeting January 20th. The meeting was held at one of our favorite watering holes, the Stephenson Club.

Our guest speaker was the world-renowned balloonist, Karl Thomas. Karl, as many of you know, made an ill-fated attempt to fly across the Atlantic Ocean last summer. His account of his and his co-worker's adventure, from inception until his rescue from the North Atlantic, was most interesting and informative.

We have Bob VanEvery and Mike Tomlin to thank for arranging the meeting. The 60 club members in attendance really enjoyed themselves. The accompanying pictures prove that we all had a good time.

The Detroit Club will hold its yearly Con-Cat on February 17th at the Stephenson Club. We look for a large turn-out of members, and a nice new bunch of "Kittens".

Detroit Hoo-Hoo Club held its Annual Con-Cat on February 17, 1977. The Club was proud to take in 21 new members at the meeting held at the Stephenson Club. It was a gala evening with over 100 members in attendance. Jim Riley won the Kitten contest with most new members!

Special mention must be made of the great, as usual, job done by the "Chief" of the degree team. Our one and only Fred Coopridier. I think Fred has a life-time job now.

Our degree team consisted of Matt Lewis, Joe Dewey, Jr., Pat Carmody, George Reneaud, Bob Grieve, Jim Riley, Dick Blue, Elmer Theech, Seymour Berg and who else but Bob VanEvery.

Once again Ed Zajack and Dom Iannuzzi headed the "Stunts Team". It was a super Con-Cat in all ways. Most of the 21 Kittens were new, young lumbermen. We were honored to have as a kitten, Mr. Einer Holmberg, 69 years young. Also, a 3rd. generation lumberman, Art Brooks, III, following in his grandfather and father's footsteps. One final mention, Gordon Graham, Jr., was one of our Kittens following in his famous (?) father's footsteps.

Detroit's March meeting will be held March 31. This will be one of our more interesting meetings as our favorite wood experts—Matt Lewis and Lynn Gresham—will enlighten us. Matt will show and explain his fabulous collection of "Woods from the World" and Lynn will give us an insight into the coming year, lumber industry wise.

Detroit Club's May meeting will be our Annual Golf Outing, with Pat Carmody and committee hard at work planning the day for all of us at Bay Pointe Golf Club.

The Detroit Club is moving ahead, with a very energetic Board keeping the members interested and involved. We are especially pleased at the continued interest of a majority of the Kittens from 1976. They have been attending our recent meetings in great numbers. This is the key to a Progressive Club.

Club #39 is on its way to having a very successful year, reports Jim Jones, S-9 for Jurisdiction VI. Attendance has been good and the fraternalism is greater than ever.

Club #39's degree team consisted of, front row: Dwight Curran, Karl Drexel, Bert LeBeck (DS-9) and visiting officer, and Jerry O'Hare. Back row: Brent Crosby, Bob Mathias, Jim Carter, Don Cook (President), Joe Casella (Past President), and Ralph Boshion (Past President).

N.W. Montana

Club #187

Kalispell, Montana

On December 15, 1976 the Northwest Montana Hoo-Hoo Club #187 held a meeting at the Elks Club in Kalispell, Montana with wives and girlfriends. We were served a very tasty dinner featuring delicious fresh cracked crab that had been flown in from the West Coast. Not one person left the table hungry because there was ample crab to eat. We were instructed in the delicate art of removing the shell from the crab by Joe Montgomery, the food supervisor at the Elks Club. Many in attendance learned that their fist and a table could do what nut crackers were made to do.

All members in attendance introduced themselves and their wife or girl friend.

We thoroughly enjoyed the program presented by the Flathead Valley Community Choir, directed by Jim Durado. The Choir sang a Christmas Contato.

After the entertainment, President Louie Cestnik opened the meeting and a drawing was held for the floral center piece which was won by Pat Musselman. Fern Walter won the drawing for a sack of fresh crab. Jug Quiram's name was drawn for the pot of \$45.00. Jug was in attendance and his wife received the money.

Holly Larson gave an update on the grizzly bear after the hearing that was held in Kalispell, Montana on December 11, 1976, by the U.S. Fish and Wildlife Service.

Golden Tongue, Gary Hurd, was asked to report on the 1977 Loggers Days. Gary, to the surprise of those in attendance, respectfully requested that his report be given at our next meeting.

Forty-eight members and forty-eight guests were in attendance for a very enjoyable dinner and meeting.

On March 16, 1977 the Northwest Montana Hoo-Hoo Club held their monthly meeting at the Black Angus Steak House in Kalispell. Gary Hurd, the chairman of the Big Sky Logging Championship reported on the progress that is being made towards the June date when this activity will take place. Gary had the tickets with him that entitle the bearer to attend the championship activities.

Gary offered ticket #1 to the highest bidder to kick the sale of tickets off. Very lively bidding followed with John Leary of Treasure State Equipment Company outbidding everyone with a bid of \$300.00. Dan Schellinger of Schellinger Construction was second and Jerry Musselman of Western International Equipment Co. was third. After John Leary was successful in his bid, he had Moose Miller give the ticket to Clyde Smith who had tried originally without success to get it from Gary.

Discussion was held concerning President Carter's nominee to head the U.S. Forest Service and also the nominee for the 2nd in command for the Forest Service.

Ray Gardner reported on the activities of the Flathead Valley Community College and their program that would be beneficial to the community. Also he reported on the progress of the Crane training course the college is going to put on.

Twenty-nine members were present with three guests.

First Vice President, Brent Hall, conducted the meeting in the absence of President Louie Cestnick, who was attending a meeting in San Francisco.

Victoria

Club #183

Victoria, BC Canada

Hoo-Hoo #183 Victoria held their annual fund raising Dinner at the famous Princess Mary Restaurant November 5th with 150 tickets sold to members and guests. A very good time, good food and plenty of refreshments was enjoyed by all. The last ticket out of the Black Cat Barrel is worth a cool \$2000.00.

Co-Chairmen of the nite to whom we are very grateful were Fred Frudd and Robbie Robinson. In the pictures you see some of the excellent committee at work—Snark Pat Corneille on the mike calling out the winners (and the losers) plus Frank Krieger crossing off the names and Robbie supervising. Fortunately we were able to have Supreme IX Gordon Doman join us that evening (and he won a minor prize) unfortunately, the camera was giving us some problem and we were unable to reproduce the pictures of Gordon drawing the \$2000.00 ticket or Fred Frudd crying because it wasn't his.

On December 15th the Victoria Club #183 sponsored an Xmas Cocktail Party for members and wives which resulted in a very good turnout—we were most pleased to have as our guests Mr. & Mrs. Morris Douglas, President of Cowichan Valley Club #229 who drove down for Duncan for the evening.

Northern Illinois

Club #139

Rockford, Illinois

Northern Illinois Hoo-Hoo #139 had eight kittens concatenated on February 10th, at a meeting which was held in Marengo, Ill. at the Cloven Hoof Restaurant. Fifty members and guests enjoyed the initiation of new members. Some new gimmicks were used and the fun was enjoyed by the kittens as well as the members.

Jurisdiction II representative Robert VanEvery was the visiting officer. Other visitors present were President Joe Romano Jr. of the Chicago Hoo-Hoo Club, Norm Plapp and Jack Scranton. Chicago, Northern Ill. (Rockford) and Ben Springer (Milwaukee) plan to work together to foster better communications. Also, to build membership, participation, and fraternalsim. Northern Ill. Hoo-Hoo plan to have members attend the Chicago meeting on March 30th, and Ben Springer annual Torsch dinner on March 31st.

New Mexico

Club #69

Albuquerque, NM

Joe Shipman, reporting for the Central New Mexico Club #69, tells us of a meeting held in March which was chaired by 1st V.P. Ron Barnes, reporting on future activities.

Speaker/Forester for Sagebrush Sales Company, Kurt Darner, explained the problems of Forest Service Timber purchases—Basic costs, escalation provisions, roads, clean-up, ecology requirements, etc. all of which has a profound effect on what would have to be a selling price for lumber produced in order to make any kind of a profit.

Vic Pratt, Western District Manager of Sawyer Transport, won the door prize that evening.

Joe Shipman also tells us of the annual Winter Dinner Dance in January at the Hilton Inn in Albuquerque, New Mexico with Gates Copeland as the program chairman. It was well attended by over 100 people. The ladies received an Indian heishi and the men received booze.

On February 18th there was another concat combined with an "old-Timer's Night" which was another huge success. The real "old Timer" was Noah Wynn, 33296, a life member and a Hoo-Hoo member since 1923. Noah re-

Vancouver

Club #48

Vancouver, BC Canada

The Vancouver Hoo-Hoo Club #48, reports Al Rendle, held its annual Lumberman's Ball at the Capilino Gardens on February 18th. This was a highly successful

tired from the Square Lumber Company in New York City and moved to the land of enchantment. We welcome him and wish him a long and active retirement.

The concat degree team consisted of Vaughn Justus, Don Kruse, Frank See, Fran Arnold, Rich Pierce, Dave Gibson, Maylon Elliott, Gates Copeland, Tom Walsh and Joe Shipman.

Thirteen kittens were initiated and they were Ron Hodges, Joe Chiado, John Chiado, Kevin Brewer, Larry Luke, Don Kellar, Tom Lidstone, Lee Reynolds, Ray Anaya, Mark Maynard, Dave Ragsdale, Mark Dugan and Ray Flores. Out of the thirteen kittens, five were of second generation.

event and enjoyed by a sell-out group.

Our next event was a concat which featured **forty-eight** new members. This is one of the largest concats in the recent history of Hoo-Hoo International.

The next event will be our annual fund raising dinner at the Terminal City Club. This event is sold out each year and always a complete success.

We are planning our annual golf "bash" in June which will be run by Ted Pratt. This, too, is always a successful event.

Two of Club 48's directors are Rod Noga and Bob Fladgate.

Canokalan

Club #233

Omak, Wash.

After a period of inactivity, the Canokalan (Canada, Okanogan, and Chelan) Hoo-Hoo Club #233 has come to life with the help of Jack Jenkins #82043 our new club president. Since the first of this year the club has had three monthly meetings and have meetings and activities planned through this coming fall.

The January meeting saw four new kittens brought into the club. The degree team included members from our own club plus Norm Mikalson of the Spokane Club #16.

February's meeting included dinner and a short business meeting followed by a presentation by Burlington Northern's management team from Wenatchee. The railroad plays a very important role in the lumber industry and it was very interesting to hear how Burlington Northern operations function in this area.

Jack Jenkins gave a presentation on the "Wood Moulding" industry for the March meeting. The business meeting conducted prior to the presentation, highlighted some of the upcoming events scheduled for the club.

Here are some activities scheduled for the remainder of this year:

- Have an "Industry Night" for local high school students to promote the wood industry as a rewarding career.

- A "Ladies Night" at Sun Mountain Lodge.

- A barbeque meeting at Lake Chelan with swimming and fun for the whole family.

- Sponsor an Invitational Golf Tournament early this summer.

- Sponsor a "Wood Technology" course to be given by the Wenatchee Valley Community College starting this fall school year.

The Canokalan Hoo-Hoo Club is off and running again and would like to invite other clubs in joining us at one of our next meetings or activities.

Canokalan Hoo-Hoo Club #233, based at Omak, Washington used the following degree team at their recent concat: Front row — Jack Jenkins, Otto Yusi, Al Terwilliger, Ray James and Don Vawter. Back row — Bill Gray, Ervin Sasse, Hawley Woolchlagler and Norm Mikalson.

Degree team with new kittens: Frank Tisdale, Scott Pennington, Marty Frank and George Moorehead.

Rochester

Club #184

Rochester, New York

A fine turnout for our concat was highlighted by a visit from our Supreme Nine Leader, Bob Van-Every, and several members from the Buffalo (New York) Club were on hand, also. We brought eight new members into the Order that night.

In January, election night gave us a fine new slate of officers.

President - **Bruce Lischer** 76902;
1st V.P. - **Jim Simpson** 79031;
2nd V.P. - **Ed Pretko** 79784 and
Sec/Treas - **Fred Meyer** 58954.

A most interesting program was presented by **Len Bates** of Lumber

Mutual, thanks to chairman Ed Pretko.

The President's Ball provided fun and fine food for over 80 members and guests. Highlight of the evening was the Stan Laurel-Oliver Hardy imitation given by past President Jim Pier and President Bruce Lischer as they searched for the dropped Past President's lapel pin! Special thanks again to Gene DellaPietra for his generosity in inviting all to the Town & Country.

Wichita Club #173

Wichita, Kansas

Ray Alderson, reporting for the Wichita Hoo-Hoo Club #173, tells us that the club held a Christmas Dance on November 19th at the Diamond Inn. It was very well attended with over 50 couples in attendance.

Larry Sparks and his "Musical Connections" provided the music and a good time was had by all. By the way, Larry and most of his musicians, are members of the Hoo-Hoo Club which gives us added pride.

We saw a lot of members there that should be attending the regular meetings, but we were glad to see them anyway.

Our speaker of the evening was Jerry Mallott from the local Chamber of Commerce for Industrial Development. He had a very informative film and talk. We are all very proud of our club and appreciate the good attendance.

Juris VII Conference

The lumbermen's fraternity, Wichita Hoo-Hoo Club #173, Randy Haines, president, hosted the Jurisdictional Conference for Jurisdiction VII at the Canterbury Inn and Schulte last Friday and Saturday.

Snark Bill Bader was met at the plane by members of Wichita Hoo-Hoo, dressed in their western attire. Eston Berry and his Middle School Band greeted the Snark and paraded him down the ramp at the airport. He was taken in a rumble seat of a Model A Ford on a tour of Wichita and Timber Products Inc.

The event started with registration for out-of-town guests and members of the Wichita organization. Out-of-town guests included Snark of the Universe Bill Bader, Toronto, Canada; Chairman of the Board Tom Partridge and Terry, Edina, Minn.; Secretary and Treasurer Bill Russell, La Porte, Tex.; Rameses 66 Phil Dawson and Bette, Detroit; S9 Robert Hertling and Hildegard, St. Louis, Jim

Brown, president, Houston Club #23, Houston.

Other international officers; were Vice President Laurin Champ and Maxene; and Rameses 67 Dave Marteny and Margaret, Wichita.

The ice breaker was held at the Canterbury Inn Friday evening. Laurin and Maxene Champ hosted a party in their home for the above out-of-town guests and officers and past officers of Wichita who included Randy Haines, president, and wife, Barbara, Gary and Connie Hess, Bob Bare, John and Carol Todd, Lester and Fern Neff, Roy and Mary Nash, Harry and Mary McGarigle, Dick and Jane Wilkerson, Charles and Wanda Woll and John McMurtry; also Glen and Fay Champ, Darry and Sue Brown, Wally Brown and Marilyn Frank.

Saturday morning a business meeting was held and a concatenation with five new kittens joining the Wichita Club. The ladies went

shopping and lunch was enjoyed by all.

A western barbeque and dance was held at Schulte Hall Saturday evening. The dinner was served on checked table cloths, using tin plates and tin cups. The barbeque was cooked by Glen and Fay Champ and served by Hank and Betty Walters, Bob and Betty Fuller, and J.K. and Martha Reed; also helping were Darry and Sue Brown, Wally Brown, Marilyn Frank and Mike Skagg.

Mayor Francis Langton presented Snark Bill Bader a large wooden key to the City of Goddard and the club presented him a wooden clock with his name on the face.

Eileen and Gene Stoops attended and took pictures.

Randy and Barbara Haines hosted a breakfast in their home Sunday morning for guests still in town.

Victoria Club #183

Victoria, BC Canada

February 18th saw Victoria Hoo-Hoo #183 hold its Fun Nite or Breakeven Nite at Playland Curling Club.

This annual event is operated 'at Cost' and was attended by some 80 members and guests. Thanks to some of our Building Supply Dealer members we had some excellent door prizes—Imperial Building Materials, Doman Building Supplies and Stewart & Hudson Ltd.

Chairman of the event was Dave Clough and together with his committee the night was a success. From the draw to the dart game, to the crap table, etc. it was a "FUN NITE".

The main award of the night went to Tirj 'Splash' Johl who unfortunately was aboard an Air West seaplane with several other people that went down into the saltchuck in the fog off Victoria's waterfront. All persons were picked up by hovercraft after only a few minutes in the cold water. We just couldn't pass up the opportunity to lay one on Tirj.

North Idaho

Club #155

Coeur d'Alene, Idaho

Club #155 had a meeting in January at the Iron Horse Restaurant where committees were formed for the Woodsman of the Year and the woodworking contests.

It was voted to change the regular meeting date from the third to the second Thursday of the month.

The Legislative Committee recommended no action for now, but several problems are simmering, including the grizzly bear habitat, road management on public lands, insecticides and pesticides.

The program was a slide/tape presentation "The Idaho Forests" put on by Steve Spealman of Louisiana-Pacific. The presentation was very well received.

P.L. Malloy was the program chairman and he was assisted by W.P. Blessing.

The program speaker, Steve Spealman, won the door prize of a bottle of scotch which was donated by the club.

The North Idaho Club #155 held a regular meeting in March at the Iron Horse Restaurant in Coeur d'Alene.

Our woodworking contest is developing very well and it looks now like there will be five schools participating. The Coeur d'Alene Chamber of Commerce will donate a rotating plaque for "Best of Show" and the bankers may put

Pat Malloy 83446, was the program chairman for the evening, and D. F. Edwards 66165, won the door prize of a fifth of scotch which was donated by the club.

C.G. Krueger, reporting for the North Idaho Club tells of a meet-

ing in February at Coeur d'Alene, Idaho at the Iron Horse Restaurant. Dave Weistaner 78528, presided in the absence of both President Mason and VP Malloy.

Plans for the Idaho State Loggers Convention were in good progress and many of the club's members were involved.

A Past President's lapel pin was presented to Dale Sverdsten, and this was followed by a short form Concat in which three new members were brought into the Order.

The program was a film "The Age of Alaska" which had been secured from the U.S. Forest Service.

Cowichan Valley Club #229

Duncan, BC Canada

Bob Gresmak 81722, reports from the Cowichan Valley Hoo-Hoo Club #229 that on January 29th Club #229 and the Victoria Club #183 held a joint director's meeting at the Red Lion Inn at Victoria, B.C. The two clubs discussed what was coming up in the future such as Victoria Ladies Night, Club #229's Spring Concat, Club #229's golf tournament in May, Club #229's fund raising dinner, also in May, the Victoria Club's general meeting and election of officers and the joint annual summer bash at Shawnigan Lake. And there were many, many more events discussed.

During the meeting there was a discussion on the next International Convention to be held in Portland, Oregon in September...

Both clubs agreed that Hoo-Hoo needs aggressive leadership and both clubs would support Gord Doman, current Supreme Nine Member for Jurisdiction V, as International Second Vice President at the Portland Convention.

Peter Small, a past club president, and Snark Morris Douglas discuss some coming events - two real dedicated members.

Joe Facey 82540, and his spouse. Joe was responsible for making the mixed social a success. Tremendous job.

And the Cowichan Valley Hoo-Hoo Club had a real swinging night in February. The event was the annual mixed social and Valentine dinner and dance held at the Village Green Inn at Duncan, B.C.

It was a most successful evening with 113 members and guests attending. Much thanks goes to our program chairman, Gary Urton, and his committee for making the evening a tremendous success.

Gord Doman, Supreme Nine Member for Jurisdiction V, was in attendance.

Weldon Jubenville 82544, left, receives one of the door prizes from Gary Urton, our social program director.

Gord Doman really enjoys himself (center) as he talks with a couple of members.

John Chalmers, left, is having a good time with spouse. John came up for the mixed social all the way from Victoria, B.C.

One of our new members, Howard Davis, was a bit shy about having his picture taken, but we got him anyway.

Member/swinger Bob White 83716, didn't miss a dance. You can tell Bob is enjoying himself.

Bob Gresmak also reports that on March 1st Jim Lambert 83231, presented Mr. Geoffrey Price a \$300 Bursary. The bursary was presented at the 3rd Annual Malaspina College Awards Night at Nanaimo, B.C.

The bursary is awarded each year to a full-time student in the Forest Products or Forest Technology Program.

The award is based on academic achievement and financial need.

At the joint meeting of Victoria and Cowichan Clubs, this photo was snapped. John Chalmers, Victoria Club; Pat Corneille, Snark of the Victoria Club; Morris Douglas, Snark of the Cowichan Club and Rod Hinchsliff, Cowichan Club.

Winema Club #216

Klamath Falls, Ore.

On February 12, 1977 the Winema Hoo-Hoo Club held its annual Valentine dinner dance at Reames Country Club. Members and guests were honored by the presence of several out-of-town guests. Bill Bader, Snark of the Universe and his wife Pat; Jimmy Jones, Supreme Nine member, Jurisdiction #6 and his wife Betty. The attendance of these people made the dinner dance a gala affair. A number of presentations were made at the meeting.

Leonard Putnam presented Bill Bader with a beautiful oil painting. Pat Bader was presented a silver tray from the club. Jimmy Jones presented a Redwood mural to Tommy Putnam in recognition of her services to Hoo-Hoo. Jimmy Jones also presented Bill McLean and Merle Clark with plaques for their long time service to Hoo-Hoo. After the dinner the couples spent the remainder of the evening dancing to the music of Tommy Wasson and the Dewdrops.

On January 7, 1977 the Winema Hoo-Hoo Club held its meeting in Macdoel, California at the Macdoel Hotel. As has been the practice neither Jimmy Jones nor any of the other members from Jurisdiction #6 were there to greet us. Due to bad weather the club chartered a bus to take some of the members to Macdoel.

The night was a roaring success as it was loggers night. During the meeting all the loggers present were introduced and given the op-

Tacoma-Olympia, Wash.

The Tacoma-Olympia Hoo-Hoo Club #89 held their annual Past President's Night in March and there were 13 Past Presidents in attendance. Each Past President was introduced and a short summary of his term in office was given by immediate Past President, Tom Read.

A very fine time was had by all with lots of liquid prizes awarded. A short talk was given by Howard Christensen on a Forest Products Display in March.

Our program chairman was Tom Read. With 85 present, Dick Cohen was the lucky man to receive a \$10 door prize which was donated by Cascade Pole Company.

Club Secretary/Treasurer, Larry Hurd, tells everyone that milk is the very best diet at a Hoo-Hoo meeting.

International Board At Phoenix, Arizona

Snark of the Universe, Bill Bader, called a meeting of the Officers and Directors of Hoo-Hoo International for January 29th at the Double Tree Inn at Phoenix, Arizona.

It was a good 8-hour meeting and a meeting that got a lot accomplished.

The evening before the meeting the Board was hosted to a fine cocktail party by the Phoenix Hoo-Hoo Club #72, and there was hospitality we just couldn't believe.

Adjacent are some photos taken at the cocktail party.

To Whom It May Concern:

I am a Forest Engineer with the Washington Department of Natural Resources, and my main sideline is Forest and Northwest history, and the collecting of logging and lumber tokens and medals. My interest in the Order is twofold: I am interested in its history, or any general information about it, and I am interested in joining, if possible. I note that the National Convention is to be held in Portland this year, but not where or when.

I would appreciate any information you may be able to send me about the Order's general history, or about joining. Your reply will be greatly appreciated.

The following letter was received by Bob VanEvery, Supreme Nine Member for Jurisdiction II.

Dear Bob,

Thank you for the news from the board meeting. These measures of frugality should help a great deal, and show the membership steps are being taken to keep the national running.

Our state lumbermen's convention is in progress this week and we have a booth to promote Hoo-Hoo.

Last year you were with us in Racine for our annual Torsk (fish) dinner. We are repeating it on March 31st. I will send you a formal meeting notice as soon as the printer delivers them. We hope you will be able to attend, but will understand if you cannot make it.

Thank you again for keeping us in touch with the new developments.

Fraternally,
Edmund J. Foley 77480
President Club 35

Dear Cliff:

Thanks for your letter of reminder! Since I had a heart attack I have forgotten a few things.

Please send me another dues card and I will be more than happy to send my payment to you. After all, and I MEAN IT, there is nothing worse than to miss being a Hoo-Hoo member!

Dear Snark Bill Bader:

So many times a person or group will write to express dissatisfaction with someone. In this case the opposite is true.

I would like to compliment Lois Neilson of Hoo-Hoo International for the fine and much appreciated help she has given towards the Seattle Hoo-Hoo Club.

Over the last three years that I have been an officer of our club, I have called upon Lois on numerous occasions for assistance. She has always responded in a prompt, courteous, and efficient manner which has been extremely helpful to our club.

The International Order of Hoo-Hoo is fortunate to have Lois working on our side.

Thank you and I look forward to seeing you at the International Convention in Portland.

Fungus Could Give Oak Trees A Better Start

A shot of a special kind of fungus might be just the thing for "regenerating" young oak seedlings which have the tendency to just "sit there" two to three years after planting.

"We're inoculating soil surrounding seedling roots with a mycorrhizal fungus, to produce a symbiotic relationship between the fungus and the tree root," said Gene Cox.

Cox and Gene Garrett, University of Missouri-Columbia forestry help the roots by improving their uptake of water and nutrients. In return, the tree root will provide food for the fungus.

"When these fungi occur in nature, trees thrive as a result," said Cox. "If you see mushrooms in a forest, that's a good clue that the trees are enjoying this beneficial relationship because many mushrooms are the fruiting bodies of mycorrhizal fungi.

"Quite often, however, the relationship between the fungi and the tree roots does not develop. Nurseries sometimes eliminate beneficial fungi by over-fertiliza-

"Under these conditions, once the seedling oak has been removed from the nursery and field planted, it will sit there two to three years without growth. If there is a drought, the tree dies.

"Just recently, we observed planted white oak seedlings that had barely grown in three years.

"That's a long time for a woodland owner to wait for young trees to get going. We believe that the inoculation of fungus will be just what these young trees need to get going more quickly."

SAWMILL FOR SALE

One haywire sawmill, nice location—ten mile haul to the shipping station. Half-a-mile of plank road, rest of it mud—six bridges (condemned) but otherwise good. Timber strictly yellow pine, very few knots—awfully sound between rotten spots. Fire box boiler, flues leak some—injector patched with chewing gum. Darn good whistle and carriage track—nine feet left on old smoke stack. Belt's a little ragged,—rats ate the laces—head saw's cracked in a couple of places. The engine knocks and it's loose on its base—the flywheel's chipped on its better face. There's a pile of side lumber and a few cull ties—but they've been attached by some rough-neck guys. There's a mortgage on the land—it's now past due—and I still owe for the machinery, too. But if you want to get rich, here's the place to begin—it's a darn good layout—for the shape it's in.

Executive Secretary's Report

Our membership standing (paid only) on April 6th showed 6,537 members which, in a comparable length of time in 1976, show us 258 more members than last year.

Our membership as of April 6th showed 6,537 paid members. On April 30th, 1976 our paid membership stood at only 6,279. This means a gain of 258 members and we still have the remainder of April to go.

Our membership as this magazine goes to press stands at 6,727 and this, compared with April 30th of 1976, shows us a gain of 448 members.

It is quite obvious that our current club officers have been putting a little extra effort in getting new and keeping old members. My congratulations to them all!

International Order Of Hoo-Hoo Wood Promotion Trophy

The annual award of the Wood Promotion Trophy will be made at the Hoo-Hoo convention each year. The award is made to the Hoo-Hoo Club which, in the opinion of the judges, has made the greatest accomplishment in wood promotion activities during the previous Hoo-Hoo year. The trophy remains in the possession of the winning club during the Hoo-Hoo year. The club to whom the award is made will be responsible for delivering the trophy at the next convention.

The Snark of the Universe will appoint a special committee as judges for the award. All clubs are invited to participate.

Rules Governing Club Trophy Award

1.) The club may submit evidence covering all wood promotion projects adopted by the club, including National Forest Products Week.

2.) The entrant club will make its presentation to the judges and the convention. Tangible evidence of the project(s) must be submitted by the club delegate, who must be conversant with the project from start to finish as he may be interviewed by the judges. This evidence may consist of newspaper clippings, photos, scrap books, samples, or display material. A slide projector will be available.

3.) Each participating club must submit a written outline of the wood promotion project(s) to contain the following: (a) a description of the project(s); (b) State the goal of the project(s); (c) Tell of the method of operation; (d) Specify the relative proportion of financial and/or manpower support from cooperating organizations; and (e) Statement of the results.

4.) DO NOT SEND CLUB CONTEST MATERIALS TO THE INTERNATIONAL HOO-HOO OFFICE. The Club delegate is responsible for all contest materials, and for providing the LOG & TALLY magazine with a complete story for publication. The delegate may ship the materials, addressed to himself, in care of the convention hotel,

marked "hold for arrival on September __, 19__."

5.) Decision of the judges will be final. A club is eligible to be awarded the trophy in two or more consecutive years. In the absence of an acceptable club presentation, at the discretion of the judges the trophy may be retained in the International Headquarters for one year. In addition to the trophy, certificates will be presented to the clubs placing first, second and third. No judge shall be appointed who is a member of a club making a competitive presentation.

6.) Hoo-Hoo Clubs wishing to make a presentation for the trophy

are requested to advise the International Office by letter prior to August 20th of each year.

7.) Each of the following facets of the wood promotion project shall be rated by each judge, independently of the others, on a scale of 1 thru 10 for letters G and D and 1 thru 5 for letters A, B, E, & F, 10 being the best.

A - Accomplishment based on size of club.

B - Involvement of members.

C - Immediate effect on the community.

D - Lasting effect on the community.

E - Written presentation.

F - Oral presentation.

Twin Cities Club #12

Mpls.-St. Paul, Minn.

We have initiated something new in our Club #12 this year. It involves the publishing of a monthly news letter. A copy of the current letter is enclosed. The duty for this has been assigned to the 1st and 2nd Vice President. We have used it as a vehicle to maintain contact with the members between functions. There has been nothing but a positive attitude from our members with this project.

Hoo-Hoo Club #12 Director, Don Butler, and his wife, Nancy, have worked many hard hours and have put together a telephone directory card for use by all members and related businessmen. It is a large card with an alphabetical listing of name, address and phone numbers of retail and wholesale lumber, millwork, railroad and common carriers serving the Twin Cities area.

Don Bleise received a nice letter from Larry Clark.

On May 3rd, we will be having our annual Fisherman Stag, at the Twins Motor Lodge, in St. Paul. This is held prior to opening day of fishing season, in Minnesota, and raffle tickets are sold for prizes that are fishing equipment, etc. There will be a Concat held, but at this time, I have no idea as to the number of kittens.

Finally, for myself and the rest of our members, I would like to say Thank You to you and your staff for the great job you have done over the years. It's much appreciated.

Thank you, Tom Partridge

Now that Hoo-Hoo International is closing up the 2nd half of its year, we in Twin Cities Hoo-Hoo Club #12, would like to take this opportunity to express our thanks and appreciation to the current Chairman of the Board, Tom Partridge.

As Tom concludes the last of his official offices with Hoo-Hoo International, we begin to realize just how much this man has meant

LUMBERMAN OF THE YEAR

Don Bleise, Kindem Millwork, Minneapolis, was named Lumberman of the Year, by the Twin City Hoo-Hoo Club #12, at a recent banquet honoring him and past Club Presidents. The event was staged at the Minnesota Alumni Club on the 50th floor of the IDS Tower in Minneapolis.

Don has long been active in Hoo-Hoo, is a past president and has been the club's secretary-treasurer for a number of years.

Eric Canton emceed the affair and spoke in glowing terms of Don's dedication to the club and the wood products industry. Following an excellent dinner, the group which numbered well over 100, danced to the lively tunes of a very fine comco.

Congratulations, Don, you're most deserving of the honor!

to our Order. His devotion to Hoo-Hoo and the Lumber Industry, as far as we in the Twin Cities are concerned, is second to none.

In all of his activities, Tom's quiet, firm and unselfish manner has always lent stability to the area in which he was involved. We are all aware of the great personal and monetary sacrifice Tom has given to us and to that we can only give him our great thanks.

We, in the Twin Cities Hoo-Hoo Club #12, who have served with and under Tom Partridge, will long be influenced by his great leadership to our club.

Hoo-Hoo International will certainly miss him, but fortunately, we in the Twin Cities, will still have Tom Partridge to lend his hand when we are in need.

Thank you, Tom for the great years of service.

Full Tree Chipping Sacrifices Quality Logs

Full tree chipping operations often result in a misallocation of quality logs, according to a forest products technologist at the University of Minnesota.

"Only one Minnesota full tree operation is separating out saw or veneer quality logs prior to chipping," says James Bowyer. While several operators pre-log stands where the proportion of quality logs is quite high, little recovery of logs is practiced in stands of lesser quality.

Many Minnesota sawmill operators are concerned that as this method of harvest becomes more prevalent the volumes of logs "lost" to chips could become significant.

Full tree chipping, a practice which allows economical collection of bark, branchwood and even

foliage, in addition to wood of the main stem, has been shown to have the potential of increasing per acre yields 50-100 percent over previously used harvesting methods.

Largely because of this, harvesting by the full tree method has increased markedly nationwide over the past several years. In Minnesota this method of harvest now accounts for 7-12 percent of the state's annual harvest of wood and a number of additional firms report an interest in entering the full tree harvesting business.

These researchers found, using such variables as forest stand composition, pulp chip and saw-log prices, that economics do not now favor log separation. Through the use of a sophisticated computer simulation model developed by the U.S. Forest Service Northeast Experiment Station, they did, however, establish what the price difference must be between logs and pulp chips to make sorting economical.

All of the above are past president of the Twin Cities Club #12 and were present at the Lumberman-of-the-Year Award Banquet. Front row: Mike Scherer (current President), Bob Wallin, Wes Brown, and Bob Ford. Back row: George Olsen, Bill Blunck, Dallas Day, Eric Canton, Bill Gallagher, Frank Jones, Tom Partridge, Don Sage, Don Bleise and Bob Canton.
