# 1984-85 INTERNATIONAL BOARD OF DIRECTORS

CARLE H. C. HALL L-57737  
*Snark of the Universe*

**CARLE H. C. HALL L-57737**

Carle was elected and duly installed as Snark of the Universe on September 12 in Washington, D.C. Carle has served our fraternity in many capacities. He was elected 1st Vice President during the convention last year in Victoria, B.C. and served as 2nd Vice President in 1982-83. Prior to 1982, Carle served as Supreme Nine representative for Jurisdiction VIII, and at the Melbourne convention in 1982 he was awarded both the Gordie Doman trophy and the George Mueth Walking Stick for the most miles travelled as an S-9. Carle became a member of Hoo-Hoo in 1952 at Iowa Club 102 in a concat which was attended by Ben Springer, Rameses 37 and past Seer of the House of Ancients. Carle is a past president of club 102 and retains membership there. He is retired from Iltis Lumber Company where he had worked since 1936. Since May of 1952 he had been manager of one of four retail stores operated by Iltis. Carle and his wife, Roberta, have two children, Carle, Jr. and Judy. They spend their summers in Northwest Iowa and winters in Texas. Carle's favorite sports are bowling and golf.

DICK WILSON L-51796  
*Chairman of the Board*

**DICK WILSON L-51796**

Richard W. "Dick" Wilson was duly installed as Chairman of the Board at the 92nd Annual Convention in Washington, D.C. Dick and his wife, Fran, live in Atlanta, Georgia where he has been a member of the Atlanta Hoo-Hoo Club 1 for 36 years. Dick's history and involvement in HHI is extensive. Before being elected Snark of the Universe in 1983, Dick had served as 1st and 2nd International Vice Presidents and spent four years as a member of the Supreme Nine. He was the recipient of the membership trophy for three of the four years as an S-9. Dick is a loyal Hoo-Hoo who has spent a lot of time and money working for the betterment of our fraternity. He began his career in lumbering with the Atlanta Oak Flooring Company and was employed by Wheeler, Osgood of Tacoma, Washington. He later became associated with Timber Products Sales Company in Atlanta where he is now employed.

**AL MEIER 71555**

In 1973-74 he was elected club president and then became the first president of club 47 to be elected for a second year. He twice served as Vicegerent Snark and at the time of his election was State Deputy Snark for North Oregon. Darrell has been in lumbering since 1945, and has performed a surprising variety of tasks and specialities in the business. He is now owner of a pallet business and is also mill superintendent for St. John Forest Products. He has two children, Darla Kay Cook and Victor. Darrell has attended 11 consecutive international conventions.

**WORRALL J. McCARTHY L-86521**

Worrall is presently serving Hoo-Hoo as President of Jurisdiction IV as well as Supreme Nine for that region. He has had a short but aggressive career in Hoo-Hoo. Worrall became a member of Club 218 in Brisbane in August 1980; he served as Social Director of 218 in 80-81, 2nd Vice President of JIV 81-82, 1st Vict President of JIV as well as President of Brisbane Club 218 in 1983-84. He was elected to the office of President of JIV and Supreme Nine in September, 1984. He currently operates his own freight business in partnership with his wife, Barbara, a business which they have had in operation since 1975. Their company engages in one of the longest hauls of timber by road as well as many specialized movements of freight. He has been married to Barbara for 18 years on the 6th of September, 1984; they have three children — Son, Warren, 15 years and Daughters, Veronica, 13 years and Filipa, 5 years. He is very dedicated to the Hoo-Hoo Fraternity and we will undoubtedly see a lot more of him in the future.

**WORRALL J. McCARTHY L-86521**  
*Supreme Nine Representative, J-IV*

**M. KEITH WADDELL 84324**

Keith has come up through the ranks of Toronto Club 53, where he served as club president last year. Keith has been in our industry for 42 years serving the trade in wholesale, retail and marketing. For the last 8 years he and his partners have been serving the industry through their wholesaling company, McFadden Hardwoods Ltd. The company specializes in hardwood plywoods and exotic paneling from around the world. One of Keith's hobbies is woodworking, and he has just completed five pine rocking horses for his grandchildren. Keith and his wife, Maggi, have met many new friends through Hoo-Hoo conventions and look forward to his year as Supreme Nine for Jurisdiction V.

**M. KEITH WADDELL 84324**  
*Supreme Nine Representative, J-V*

**BRENT F. CROSBY 77009**

Brent is a member of both Oakland California Club 39 and Sacramento, California Club 109. Brent joined Hoo-Hoo in Sacramento and was on the Board of Directors and went through the club offices until elected president in 1974 and 1975. He also became active in Oakland Club 39 upon transfer to the Bay Area and served as a director until elected club president for the years 1982 and 1983. He was also honored as recipient of the Lumber Man of the Year Award in 1981. Brent was appointed Deputy Supreme-Nine for Jurisdiction VI in 1976 and held that position until elected to the Supreme-Nine in Washington, D.C. in September, 1984. Brent has spent the last 25 years with the Kaiser industries (Kaiser Fir-Tex & Gypsum), and Domtar Gypsum America, Inc. (A division of Domtar Inc., Montreal) who purchased the Kaiser assets in 1978. He works as Regional Sales Manager out of their Oakland, California corporate office. He has two married daughters, Lynn & Leslie, and five grandchildren who live in Sacramento, California. # CONVENTION '84

## Washington, D. C.

### GREAT CITY - GREAT CLUB - GREAT CONVENTION

At 11:59 on Wednesday, September 12, the curtain rang down on what all participants generally agreed had been another highly successful, well organized Annual Convention. Hosted by Washington, D.C. Hoo-Hoo Club 99 at the well-known Shoreham Hotel, it seemed as if almost every hour brought another highlight.

Snark Dick Wilson hosted a lively cocktail party for early arrivals on Saturday evening, September 8. Dick seemed to be genuinely surprised at how many "early birds" there were, but then word of free drinks does have a way of circulating!

Things got serious on Sunday morning when an all-day meeting of the Supreme Nine got under way. Attended by many of the ten Rameses at the convention and by many of the incoming Nine members, the meeting seemed to be highly productive.

Registration Chairman Charlie Eaton, assisted by his wife Janice and Patty and John Mills, opened the registration booth at 11:59 AM. Many members quickly picked up their registration packets. In the same room with the registration booth was a hospitality area where registrants could greet each other, or sit down and chat over light snacks. Ladies

Chairman, Sally Kern and some other wives of local members were on hand to greet all who stopped by.

At the Ben Springer Icebreaker Party, which began at 5:29 PM, all had an hour and a half to munch and sip at the open bar which was provided. At the suggestion of Reservation Chairman, Neill Dumont's wife Jane, everyone had an opportunity to have their picture taken with President Reagan — President Reagan being in the form of a very realistic, life-size cardboard cut-out which two local entrepreneurs take to various locations and functions around the city.

(Continued from Page 8)

Co-Chairman Hal Miller presided at the business sessions on Monday, and following the presentation of the flags of the seven Hoo-Hoo nations, a greeting from a representative of the Mayor's office and the invocation by a local minister, Washington Club President Greg Schumacher welcomed everyone on behalf of the host club. The officers and directors presented their reports at the morning session, followed by committee appointments and nominations at the afternoon session. Luncheon and cocktails provided a nice interlude to the business sessions, and Snark Dick Wilson was duly surprised by the appearance of Eastern Onion's messenger and belly dancer, reputedly compliments of Central Florida Club 115 and S-9 Phil Cocks. While the men were in their business meetings, the ladies boarded busses which took them to the unique White Flint Mall in nearby Bethesda, Maryland. On the way, they enjoyed a narrated tour of Embassy Row, where they passed embassies of many of the foreign countries.

Monday evening was another enjoyable affair, as everyone enjoyed a drive-thru trip of the Naval Academy and the waterfront of Maryland's capital city, Annapolis. From there the road led across the famous Chesapeake Bay Bridge to Kent Island, where a sumptuous crab, chicken and beer feast awaited everyone.

Tuesday saw about fifteen golfers heading for the Washingtonian Golf and Country Club for a golf outing hosted by Golf Chairman Harold Hershey and his committee. The balance of the participants went on an all-day tour of Washington and suburban Virginia. Highlights of this trip were tours through the White House, Mount Vernon and Olde Towne, Alexandria, Va.

On Wednesday, Co-Chairman Lee Roberts presided at the business sessions which featured a discussion of the Operations Manual by Rameses Gene Zanck and Wood Promotion presentations by three Australian clubs, New Castle, Brisband and Melbourne. Hal Miller introduced the speaker for the joint luncheon, Jim

Boren, whose presentation was highly amusing. Jim, who is self-proclaimed president of the International Order of Professional Bureaucrats, says that he is a candidate for President of the United States with the slogan "I have what it takes to get what you've got!" The afternoon business session featured the awarding of Golf Trophies and the election of new officers and directors.

Following the closing of the business session and the retiring of the colors, Concat Chairman Jerry Gibala got a lively Concat rolling in which five Kittens, including our newly-hired Executive Secretary Billy Tarpley, were led through the Onion Patch. It should be noted that the Degree Team was composed of a combination of newcomers and oldtimers and also reflected the diversity of Hoo-Hoo. Australian Doug Howick and Rameses Bill Bader from Toronto gave the team an International flavor, while Warren Biss from Providence, RI, attending his first Hoo-Hoo convention, helped represent the newcomers.

Champ presided over the Embalming of Snark Dick Wilson. Lurn had requested a black wooden casket as part of the ceremony, so local member Larry Dale got one custom made in his millwork shop and the embalming turned out to be most amusing and entertaining.

Closing out the convention was the Snark's reception and dinner-dance in The Shoreham's famous Blue Room. The new officers and directors

and their wives were introduced, and the members of Washington's Convention Committee were also presented. Snark Wilson presented Hurricane Lamps properly inscribed to the outgoing officers and directors and to a few other worthies. There were four raffles which had been conducted during the convention, and the winning tickets were drawn at the banquet. 1985's host city, Minneapolis, auctioned off a free registration for next years convention, and this was won by Tom and

Maureen Osborne of Detroit. A lovely Redwood Burl clock was won by Worrall McCarthy of Brisbane, and Eddie Hunt and Fritz Lee won hunting knives. The proceeds of these raffles went to the museum in Gurdon.

Washington was especially pleased to have had ten Rameses take part in their convention. They were Bill Bader, Dan Brown, Lurn Champ, Wade Cory, Brad Dempsey, Jimmy Jones, Kevin Kelly, Tom Partridge, Bob VanEvery and Gene Zanck.

Snark Dick Wilson was the subject of a visit from an Eastern Onion messenger carrying best wishes for the departing Snark, and . . . . .

### REPORT OF THE COMMITTEE ON ADMINISTRATION

(submitted during the 94th annual convention in Washington, D.C.)

1. We accept and approve the reports of the treasurer and other officers of the Supreme Nine.

2. We recommend that the budget as approved by the Board, shall be strictly adhered to and that no line item may be exceeded by more than 5 percent without prior approval by the Executive Committee.

3. We recommend that the Executive Secretary submit a monthly trial balance to the Board of Directors.

4. We remind all members of the importance of submitting their annual dues by December 9.

5. We appreciate and compliment the officers and members of the Supreme Nine for their dedicated efforts for our great fraternal order.

6. We support the Board and Executive Committee in their appointment of Mr. Billy W. Tarpley

as executive secretary and consider him a valuable asset to the Order. We appreciate the assistance of Board members and the executive together with staff, in making this changeover so effectively.

7. We appreciate and compliment current and past officers of the Order in supporting our aims, goals and objectives. Special appreciation is recorded for the efforts of Rameses Lurn Champ for his initiatives and services during the year, thus setting a great example for us all.

8. We recommend the adoption of the suggestions from the floor in respect to our Centenary Celebration in 1992. Firstly: the formation of a Centenary Committee to be acted upon as soon as possible by the incoming Board of Directors. Secondly: the contribution of members paying \$10.00 per head in U.S. funds per year spread over the next six years in an effort to help every member of Hoo-Hoo International attend the 1992 centennial convention; and the production of a suitable book for the

occasion. We also recommend regular progress reports be given to the members via the LOG & TALLY.

Respectfully submitted,

## A LETTER FROM AGRI SECRETARY JOHN R. BLOCK

Dear Mr. Roberts:

On behalf of President Reagan, congratulations to the International Order of Hoo-Hoo on the occasion of their 92nd annual convention. It is an honor and privilege for us to have a fine organization like yours visit us here in the Nation's Capital. I would like to take this opportunity to tell you that the President and I heartily support the ideals of your organization.

As the President will point out in his National Forest Products Week Proclamation in a few weeks, our forests have contributed beyond measure to America's economic and social growth. Without the forests to meet our needs for housing, paper, chemicals, and many other products, this Nation would not be the economic envy of the rest of the world. In fact, many of the blessings we, as Americans, take for granted would be nonexistent without the forests to provide them. Of course, it should also be remembered that it takes the skills and expertise of Hoo-Hoo members to bring the bounty of the forests to the American people.

I join with the President in wishing each of you continued happiness and success.

Sincerely,

JOHN R. BLOCK, Secretary

To all Delegates, International Members, and Guests in Attendance at the 92nd Annual Convention:

On behalf of the Convention Co-Chairmen, Committee Chairmen, Officers and Members of Club 99, I would like to thank you for making the recently concluded convention a huge success.

From the slow elevators at the Shoreham to the beauty and peacefulness of Mount Vernon, I am sure you left Washington with many memories. Recall one more time the Chesapeake Bay Bridge, eating crabs, the changing of the guard at Arlington, Jim Boren, and our devotion to the Washington Redskins.

Although we are still paying bills, it is my feeling that the museum in Gurdon will benefit from your attendance as any funds remaining have been earmarked for the museum.

In closing, let me be the first to officially invite you to return to Washington in 1999 as Club 99 hosts the 107th Annual Convention.

Until we meet again, Health, Happiness, and Long Life. Sincerely,

Greg Schumacher, President  
Washington D.C. Hoo-Hoo Club 99

FOR SOME UNUSUAL REASON, many of the conventioners returned to their respective homes suffering from harsh cold or flu symptoms which lasted for several days. Upon retrospect, the victims of this mysterious illness recalled that Kevin Kelly R-75 ARRIVED at the convention with similar symptoms. Hence, at least one illustrious (but ailing) Hoo-Hoo was able to derive some inspiration from this circumstance and, with pen in shaking hand, wrote this little ditty:

### ODE TO A RUNNY NOSE

Some had sore throats and aching head,  
Some called for doctor and nurse.  
Is this disease convention bred?  
No! It's KEVIN KELLY's KURSE!

# SECRETARY/TREASURER REPORT

REPORT TO HOO-HOO INTERNATIONAL  
92ND ANNUAL CONVENTION SHOREHAM HOTEL,  
WASHINGTON, D.C.

Mr. Snark and members of Hoo-Hoo International, there is great news to report this year, and unlike some previous years, there is no bad news.

The total paid members remain about the same as last year, at 7,358. There are 5,442 regular members, reinstatements, 372; new members 675; and J-IV had 869. Several clubs were reactivated during the year, which accounted for the increase in new members and reinstatements. As always happens, many of our brothers do not renew their membership.

The total income from dues is \$112,775 compared to \$111,027 last year. The total income from interest, sale of buttons, specialty items and advertising was \$13,284 compared to \$15,810 last year, which included a \$9,000 donation from the Cabe Family. Log and Tally advertising income alone was nearly \$5,000 compared to \$52 last year. The advertising income was due to the efforts of Phil Cocks 77298, and his Supreme Nine committee members. The total income from all sources was \$126,059 compared to the total of \$116,238, which was estimated for budget purposes. This indeed is good news!

The total expenses for the year were \$105,909, whereas the approved budget was forecast at \$117,300. Most of the expenses were equal to or less than the amount budgeted. A few items, however, did exceed the budget, the principal one being expenses for printing the Log and Tally, professional services, and data processing. The main items that were less than the budget included the reimbursement for travel expenses for officers and Supreme Nine members. This amounted to over \$8,000 less than the amount in the budget, and certainly this generosity on the part of some of the officers and Supreme Nine members should be noted by the membership. Some members did not request any reimbursement at all, while others did not use all the expense money that was authorized in the budget. There were some other items of less importance that were budgeted and for which no money was spent. I am extremely pleased to report that the non-profit corporation had

income in excess of expenses for the year. The total membership equity now is \$61,152 as of August 31, 1984. A complete auditor's report will appear in the November issue of the Log and Tally.

There are two separate Hoo-Hoo corporations, First — Hoo-Hoo International, and Second — Hoo-Hoo Museum of Gurdon, and there is great news about the financial situation of the museum.

The IRS recently approved this corporation as a charitable corporation, which means all donations to Hoo-Hoo Museum are deductible from federal income taxes. The only income to the Hoo-Hoo Museum are donations and a small amount of interest. The expenses are for picture framing, furniture, repairs and additions to the buildings and grounds. There are no salaries or other expenses involved in the operation of the museum. Much of the furniture and all of the display fixtures have been donated. The building was completely remodeled and repaired a few years ago, all with contributions.

It now appears that more space will be required, and plans have been made to construct an annex and to acquire additional display fixtures. Funds need to be raised for this purpose. Since donations are now tax deductible, it is our hope that gifts will be made to the Hoo-Hoo Museum in memory of Hoo-Hoo members and in recognition of all types of occasions. Many such contributions have already been received. There are two raffles in progress at this convention to raise funds for the museum. A hunting knife and a Redwood burl clock are the prizes, and in addition, Hoo-Hoo Museum T shirts are available for purchase. At the convention last year over \$2,000 was raised. We hope to do much better this year.

At the present time there is \$13,599.66 in the Hoo-Hoo Museum treasury. The cost of the new annex will exceed \$15,000. Consequently, many more donations are needed. All the officers and directors of the museum, as well as members of the Hoo-Hoo Museum Committee will appreciate your help in raising the additional funds required to continue and expand the museum.

Respectfully Submitted,

# SUPREME NINE REPORTS

## Jurisdiction I

**JOE  
KUCZYNSKI**

**82765**

At the close of my first year as a member of the Supreme Nine, I am happy to report that it was a good year in terms of membership, and a successful one for me. My goal of meeting with every club within the Jurisdiction I was nearly met. Those clubs that I could not get to last year will be first on my list this year. Overall membership within Jurisdiction I was 888 paid as of August 1984 compared with 907 in August 1983. The good part is that most clubs reported good concats this year. Only 2 active clubs, Evergreen and Maine, did not report any concats. One club, Roger Williams had 2 concats, while Nutmeg and Western Mass, held a joint concat. Snark Dick Wilson and I attended 3 concats, Nutmeg-Western Mass, and Harry Folsom, while I attended Walt Whitman, Roger Williams and Granite State. These numbers are all well and good, but we still have a serious problem of attrition of old and new members. We need to do better in keeping the "Kittens" coming back to our meetings. What can we do? What kind of programs does it take to make it work? We can and should exchange ideas in the Log & Tally, and by fostering more joint meetings between clubs. To this end, I am proposing a Jurisdiction I mini-convention sometime in the Spring in Atlantic City or nearby areas. The purpose would be to bring together club officers and guests in so that fellowship and exchange of ideas could occur.

Another problem facing our fraternity is a lack of purpose and recognition among our peers in the industry. Oh sure, we can all recite "that the purpose (of Hoo-Hoo) shall be to advance, practice and encourage education, science, and benevolence among its members and to promote health, happiness and long life of its members". I think we can safely say that as Hoo-Hoo members we score high on fraternal part, but only get a C- on promotion and education of the wood industry.

We need to be more visible to our partners, co-workers, trade association members, competitors, and associates. In short, we have to be seen and heard. We have to keep our name out in front! If each of us does his part, the dynamics of the club begins to grow, pretty soon we can "reach out and touch someone!"

Here are some ideas to think about! Club and regional advertising in trade papers and association newsletters. Joint meetings or invitations with state and regional trade associations. "Insider-Outsider" nights for Wholesale-Retail companies. National advertising blitz in national trade magazines by the international office. I am sure you have some other ideas, if you do, please share them in the "Log and Tally".

Here's to a successful year. Health, happiness and long life!

Thank you for your confidence in electing me as your J-II representative on the Supreme Nine. I look forward to the coming years as an opportunity to work with the club officers and directors of our jurisdiction in an effort to start new clubs, reactivate old ones and increase our membership and stature.

At the same time I look forward to doing my part to help Hoo-Hoo International expand its horizons and to spread Health, Happiness and Long Life to prospective members everywhere. We are all members of a wonderful organization, and this could be the year that HHI grows by leaps and bounds.

With the help of club officers, directors and members in J-II and the other eight jurisdictions, we can work together to improve our service and carry our message throughout the world.

Fraternally,

Dear Hoo-Hoo Brothers,

We are starting a new Hoo-Hoo year. We kicked it off in Washington D.C. with a Board of Directors meeting, Thursday morning, September 13, 1984 at 4:30 A.M. PST.

We had a very productive meeting and are looking at 1984-85 with renewed excitement. I got a chance to meet and talk with Billy Tarpley, and I am sure we are in good hands at the International head office. I had a great time in Washington meeting new people and renewing old acquaintances. We now have a great project that every member of Hoo-Hoo can take part in. We are making plans for the 100th birthday of Hoo-Hoo in 1992. I'm sure there will be more information coming in the Log & Tally.

I started this year out by helping the Portland Hoo-Hoo Club 47 bartenders serve at Harry's Party at L.P.'s hanger in Hillsboro, Oregon. It was a fund raiser for the Western Forestry Center. The Portland Hoo-Hoo Club 47 furnished all the booze and bartenders. They were trying to raise approximately \$10,000.

Next it was on to the Salem Green Peter Hoo-Hoo Club 226 for dinner after their golf tournament on September 21, 1984. I won a door prize — two tickets to the University of Oregon and Pacific University football game on September 29th worth \$24.00. That is the same date as the Aussie night in Seattle, so I auctioned them off to the highest bidder for \$25.00. Louis Buschbacher of Portland Hoo-Hoo Club 47 was the winner. The \$25.00 will go to the Museum Building Fund to help with the new addition.

The golf tournament was a great success. There was 105 golfers, 5 more than ever before. I had a great time, and Thank You, Louie.

Also at the golf tournament, one of our members, Dave Duncan of Hoo-Hoo Club 47 advised me that he will be placing a full page ad in the Log & Tally for his Company, Mary's River Lumber Co. Thanks, Dave.

At this writing I am looking forward to "An Evening With The Aussies" in Seattle, Washington on September 29, 1984, with Hoo-Hoo Club 34.

There is also a trip to Montana being planned for sometime during the Hoo-Hoo year. More on this at a later date.

On May 31, June 1 & 2, 1985, we will be having our mini convention at Seaside, Oregon at the new Shilo Inn. This should be a great time and everyone is invited. Hope you can attend. Snark Carle Hall will be there, along with Al Meier and Jack Jacobson.

This will put us well into our Hoo-Hoo year with lots more to come. I'll be looking for you at the meetings. Health, Happiness and Long Life.

Fraternally Yours,

## Jurisdiction IV

**WORRALL  
McCARTHY  
L-86521**

JIV is alive and is hauling full throttle down the highway to a successful year. I am proud to advise that since our local convention which was held in Perth, Western Australia in September this year, JIV has really come alive.

A Vicegerent Snark was appointed for New Zealand. This position was accepted by Colin Mason 88205 and Colin has already got Hoo-Hoo in New Zealand headed in the direction of becoming one of the strongest areas of Hoo-Hoo in the universe.

We have a dynamic team of Vicegerent Snarks working in JIV to represent the membership of the various clubs in the region. Having taken the bit between their teeth and with their willing and active participation in the running of the Jurisdiction, it sure makes the job of Supreme Nine a lot easier.

Colin Mason, Vicegerent New Zealand, has advised me already that Wellington Club No. 251 is no longer in recess and is in the process of being re-formed. An additional two clubs are planned for formation in New Zealand this year, one being in Christchurch and the other in Rotorua; both are strong timber areas. Good work Colin!

Singapore Club 245 has been borne again in the doctrine of Hoo-Hoo. This is under the guidance of Brisbane Club 218.

It intended to work hard this year to eliminate the situation of clubs in recess. They will either be active clubs with financial membership by August 1985 or they will not exist.

Port Moresby Club No. 253 and Vanimo Club No. 252 situated in Papua New Guinea will be subject to the recommendations of Chris Krans 88737 who has been commissioned to work with the JIV board on the allocation and reorganization of any members found still to be working in Papua New Guinea. It is believed at this stage that the members still in that area will become part of a mainland Australia club and be classed as a country member.

(Continued on Next Page)

(Continued from Page 19)

I feel it is unwise to fool ourselves with regards to the number of clubs we have in the Jurisdiction when we have clubs which are not viable clubs and have nil membership still on our listing and on the basis that maybe one day they may come alive or someone may move to that area in the future.

We, in JIB, are acting now to make every effort to reactivate any such clubs before we discount them.

As we have changed the date of our convention in JIV to October each year, this will allow the installed Snark the opportunity to visit with the Jurisdiction at the time of our local convention.

Our convention in 1985 will be in Tasmania, a very picturesque part of Australia. Make an effort to come and you won't be disappointed.

I heard a rumour that if Al Mier becomes Snark in 1985, he will pay the travel expenses of any financial member of Hoo-Hoo in the U.S.A. who is prepared to travel to Tasmania with him. Don't disappoint Al as we all know that he has a real generous heart.

I was fortunate to visit some beautiful places when I left Washington, D.C. after the convention.

I thank you all for the tremendous Hoo-Hoo hospitality shown to both Barbara and myself. If you aren't careful, we will tow the State of Oregon away from the U.S.A. and add it on to Queensland, then we will have one real hell of a paradise.

To Jimmy Jones, your "howdy tin" is on the shelf at home but I was very disappointed because it left Reno empty.

Dan and Eloise Brown with Bill and Ny Patterson showed Barbara and myself the greatest hospitality and some of the biggest trees I have seen in my life.

After leaving Dan and Eloise in Reno and sitting in the airport waiting for our flight to San Francisco and reflecting on what we had just seen and done during our stay in America, it sure makes you stand tall and feel very proud to be a Hoo-Hoo with so many marvellous friends who we would never ever have gotten to know except for Hoo-Hoo.

I believe Ezi Hunt lent the forest people in Oregon some of those big sticks which we saw up there. I am still trying to work out how they freighted them all the way from Texas without losing their leaves.

Brothers, back on the serious note. It is requested that if any Club in JIV can be of assistance to any Club in Hoo-Hoo anywhere, please drop us a line so that, through the exchange of ideas or by corresponding with the members of a club in the U.S.A., we can, combined, spread the gospel of the greatest fraternity in the universe and work together to make the Order of Hoo-Hoo truly international as misunderstandings seldom occur between friends.

Health, happiness and long life.

What a thrill it was to be in Washington, D.C. for the 92nd annual Hoo-Hoo International convention! It was there that I and four other fellow Hoo-Hoo were inducted into the Supreme Nine.

As you know, Jurisdiction V covers thousands of miles, and I and my Deputy Supreme Nine members will have to get our wheels turning to visit as many clubs as possible in the next year.

Here in J-V, we will attempt to get all clubs in touch with another so that Hoo-Hoo will know what is happening in other clubs. Also, if we communicate more effectively, Hoo-Hoo members from out-of-town may make a greater effort to visit the various clubs in our jurisdiction.

We also will see that newsletters from our clubs are better circulated throughout J-V, and that the individual members become better acquainted with activities and members in other clubs.

During my term as S-9, I hope to visit with as many of you as possible so until we meet...

... HEALTH, HAPPINESS AND LONG LIFE.

First I want to thank the delegates and local club members for their vote of confidence in electing me as their representative on the Supreme-Nine from Jurisdiction VI.

The convention in Washington, D.C. was another great event for Hoo-Hoo, and many positive proposals were presented and initiated to assist local clubs to better understand International's roll toward helping all members within the order.

Upon returning from Washington, D.C. I have had the opportunity to attend three club meetings for installation of officers and two club board of director's meetings. I was present at Club 181 Black Bark (Ukiah, California) meeting at the Swiss Colony Winery in Asti, California on September 19th. David Jones, L-82806, was installed as president. On September 20th, Oakland, California Club 39 installed Tom Fogarty, 89167, of Osborne Lumber Company as president along with a great group of officers and a dynamic board of

directors. On September 27th, Sacramento Club 109 presented awards to the previous year's company sponsors (members of the Order of the Black Cat) and patrons who helped to defray the cost of their meetings and entertainment. Also present at the meeting were Jim Jones, Rameses "72"; International Secretary-Treasurer Bernie Barber of Fresno Club 31; and Dick Campbell of Australia Woy-Woy Club 260. Incoming President Scott Watson, 83559, and his new officers and board of directors put on a fine meeting and were super hosts to the visiting officers from the International Order.

Jimmy Jones, Chairman of the Museum Committee, explained the need for construction of an Annex Building adjacent to the Museum. (I am sure there will be information in this issue explaining it in detail.) In this vain, I'm asking all club presidents in Jurisdiction VI to give consideration to making a donation to this project. Oakland Club 39 directors voted \$250.00 be sent to Gurdon at their meeting on September 26th.

I will also be working with all of the Deputy Supreme-Nines in Jurisdiction VI toward increasing company advertisement for the Log & Tally. We have already booked (4) two-time ad placements since the convention, Capitol Plywood Co., Sacramento & Reno, Hulbert Lumber Co., Newark, Calif., Osborne Lumber Co., Newark, Calif., D.M.K. - Pacific, Fremont, California.

I'm looking forward to visiting as many clubs as possible during the next two years.

Health, Happiness and Long Life,

I feel it is unwise to fool ourselves with regards to the number of clubs we have in the Jurisdiction when we have clubs which are not viable clubs and have nil membership still on our listing and on the basis that maybe one day they may come alive or someone may move to that area in the future.

We, in JIB, are acting now to make every effort to reactivate any such clubs before we discount them.

As we have changed the date of our convention in JIV to October each year, this will allow the installed Snark the opportunity to visit with the Jurisdiction at the time of our local convention.

Our convention in 1985 will be in Tasmania, a very picturesque part of Australia. Make an effort to come and you won't be disappointed.

I heard a rumour that if Al Mier becomes Snark in 1985, he will pay the travel expenses of any financial member of Hoo-Hoo in the U.S.A. who is prepared to travel to Tasmania with him. Don't disappoint Al as we all know that he has a real generous heart.

I was fortunate to visit some beautiful places when I left Washington, D.C. after the convention.

I thank you all for the tremendous Hoo-Hoo hospitality shown to both Barbara and myself. If you aren't careful, we will tow the State of Oregon away from the U.S.A. and add it on to Queensland, then we will have one real hell of a paradise.

To Jimmy Jones, your "howdy tin" is on the shelf at home but I was very disappointed because it left Reno empty.

Dan and Eloise Brown with Bill and Ny Patterson showed Barbara and myself the greatest hospitality and some of the biggest trees I have seen in my life.

After leaving Dan and Eloise in Reno and sitting in the airport waiting for our flight to San Francisco and reflecting on what we had just seen and done during our stay in America, it sure makes you stand tall and feel very proud to be a Hoo-Hoo with so many marvellous friends who we would never ever have gotten to know except for Hoo-Hoo.

I believe Ezi Hunt lent the forest people in Oregon some of those big sticks which we saw up there. I am still trying to work out how they freighted them all the way from Texas without losing their leaves.

Brothers, back on the serious note. It is requested that if any Club in JIV can be of assistance to any Club in Hoo-Hoo anywhere, please drop us a line so that, through the exchange of ideas or by corresponding with the members of a club in the U.S.A., we can, combined, spread the gospel of the greatest fraternity in the universe and work together to make the Order of Hoo-Hoo truly international as misunderstandings seldom occur between friends.

Health, happiness and long life.

What a thrill it was to be in Washington, D.C. for the 92nd annual Hoo-Hoo International convention! It was there that I and four other fellow Hoo-Hoo were inducted into the Supreme Nine.

As you know, Jurisdiction V covers thousands of miles, and I and my Deputy Supreme Nine members will have to get our wheels turning to visit as many clubs as possible in the next year.

Here in J-V, we will attempt to get all clubs in touch with another so that Hoo-Hoo will know what is happening in other clubs. Also, if we communicate more effectively, Hoo-Hoo members from out-of-town may make a greater effort to visit the various clubs in our jurisdiction.

We also will see that newsletters from our clubs are better circulated throughout J-V, and that the individual members become better acquainted with activities and members in other clubs.

During my term as S-9, I hope to visit with as many of you as possible so until we meet...

## Jurisdiction VII

**JOE  
H.  
BREEDEN**  
L-82467

Dear Hoo-Hoo Brothers:

All of you who missed the International Convention in Washington, D.C., missed one heck of a good time. As the official representative for Jurisdiction VII, I would like to say THANKS to Hal Miller, Lee Roberts, Greg Schumacher and all the members of the Washington D.C. Club 99 and their wives for showing us a good time. I think everyone came away from the convention with a renewed enthusiasm that will make the coming Hoo-Hoo year a very successful one.

I believe that this year will be a year of new horizons for all of Hoo-Hoo. Just in this Jurisdiction alone, I see several clubs that will be reactivated and even some new ones that will be forming. With the guidance of Snark Hall and the rest of the officers of HHI it should be one of the best years we have seen. We have a good slate of officers and some new blood on the board of directors and the headquarters running somewhat smoother now. A combination of these three elements along with the gift of fraternalism should mean only one thing of Hoo-Hoo International — "ONWARD AND UPWARD."

I would like to request one thing at this time from all the clubs in Jurisdiction VII that each club secretary send me a copy of their scheduled meetings for the upcoming Hoo-Hoo year. It is time again for me to put on my running shoes and try to visit each and every club in Jurisdiction VII. My promise when elected as Supreme Nine was to visit every club of the jurisdiction during my two year term — I almost made it the first year but I will try my best to do it again this year. Hope to see ya soon.

Health, Happiness and Long Life.

Fraternally Yours,

Thank you for electing me as your new Supreme Nine member. I look forward to working with our new Snark, Carle Hall and also all of the officers, directors and members of Hoo-Hoo.

On September 24th our local Sioux Valley Club 118 held a meeting at the Elks Club. A nominating committee was selected and officers will be elected on our Ladies Appreciation Night, November 17.

I also had the pleasure of sitting in with some of the members of the Twin Cities Club who were setting up committees for the next year's convention in Minneapolis.

I am looking forward to meeting with all the different clubs in Jurisdiction VIII and hope to see as many as possible.

I would like to have all the clubs in Jurisdiction VIII to send me a list of their activities and dates.

## Jurisdiction IX

**PHIL COCKS**  
L-77298

Dear Hoo-Hoo Brothers,

The fourth quarter is always one of great activity, culminating in the Florida Lumber Dealers Annual Convention in Tampa and the Hoo-Hoo International Convention in Washington, D.C.

Sylvia and I attended both and enjoyed both a great deal. I was honored to receive the Walking Stick Trophy for the most travelled Supreme 9. Dick Wilson's year as Snark seemed to pass so quickly and we will miss him. On the other hand, Carle Hall will assuredly do an outstanding job as our new Snark. Our concat at the F.L.M.B.D.A. convention in Tampa was a great success with 23 kittens tip-toeing through the onion patch — what made it even better, was the fact that 3 international officers came directly from the Hoo-Hoo convention in Washington to assist in the concat. We want to thank Kevin Kelly, Rameses 75, and Dick Campbell L-77398, president Woy Woy Club 260, both from Australia, and Jimmy Jones, Rameses 72 from California, for making the trip down and thinking enough of Jurisdiction IX to help us out.

I am very proud of the fact that Jurisdiction 9 now has the highest percentage of paid-up members in the U.S.A. — 92 percent.

We have brought some innovations into the jurisdiction this past quarter. On July 4-7, 1985 we will be holding a jurisdiction convention at Palm Coast, between Jacksonville and Daytona Beach. We ask for the co-operation of all clubs in making this a success. We will have international officers in attendance and the whole program will be family oriented. Deputy S-9 Frank Gray (305) 656-5181, is the convention coordinator.

October 20th marks the first all Florida Hoo-Hoo Clubs Golf Challenge. Miami club is hosting the first tournament

and a permanent trophy will be transferred (or kept) by the winning club each year.

Billy Tarpley is our new Executive Secretary in Gurdon, and I had the pleasure of meeting this young man in Washington and was very impressed. All club secretaries and treasurers should contact Billy on matters of members dues, etc. and I'm sure you will find him willing and ready to work.

The F.L.M.B.D.A. donated a booth to the Florida Hoo-Hoo clubs at it's convention in Tampa. Traffic at the booth was high — it was well located and quite a lot of Hoo-Hoo paraphernalia was sold and, more importantly, a lot of Hoo-Hoo booklets were handed out.

Next year, if we are fortunate enough to have a booth, we will have to insist on each club assigning personnel to assist people working the booth. Woody Whitacre was run ragged accepting money from prospective kittens and not being told what local club dues were. In spite of the confusion, it was a great success and we have to thank Woody and Frank Gray for their efforts in making it possible. On a sadder note, Central Florida club lost about \$1500 of merchandise, stolen from a vehicle in a parking lot.

Frank Gray, deputy S-9, has been a great help to me this year. He has accompanied me on most of my club visits and is a tireless worker on various jurisdiction projects. THANKS FRANK!

The forthcoming year holds a lot of promise. Our goal is to start at least one more club and to try to generate some interest in the Carolinas.

If a club would like me to visit for some particular function, I would appreciate it if you would let me know in advance. I intend visiting each club and some months may suit better than others.

I look forward to seeing you all in the upcoming year. I think it is appropriate that as the ninth jurisdiction, we reflect on the ninth point in our Code of Ethics — Recognize the abiding power of co-operation and organization and so to act as individuals that the Order of Hoo-Hoo shall ever be regarded with honor as a source of Community Benefit and Goodwill.

HEALTH, HAPPINESS AND LONG LIFE.

Fraternally,

Phil Cocks L-77298, S-9, JIX

### REPORT FROM DETROIT CLUB

1983-84 was a very busy year for the Detroit club. The highlights of the year was celebrating our 60th anniversary. We are sorry to have to announce the death of Virgil J. Leech L-35116, a charter member of our club since that meeting.

The annual golf outing was held on June 21st. A record number of members and their guests turned out for this event.

The club's annual meeting was held on August 23rd. This meeting is always well attended since all paid up members enjoy their meal and drinks on the club.

Mike Tannuzzi 69937 was elected president of the club for 1984-85.

The following members announced their retirement:

William Graves L-77068  
H. Michaels 53404  
Conrad Sullivan 53411

The Detroit club salutes and thanks Kenneth Hallgren for a job well done the past two years representing Jurisdiction II.

Our club is specially happy to have Gordon Graham as the new J-II representative.

## CHICAGO CLUB 29 HOLDS MEETINGS FOR REACTIVATION

Thanks to the many dedicated and loyal Hoo-Hoo in Chicago, Club 29 is currently being reactivated in full force!

The club held a dinner meeting on Thursday, September 6 for the purpose of accepting membership applications. Club officers reported that new members would find the club a fun organization with many worthwhile projects. In addition to promoting the lumber industry, club 29 regards its meetings as an opportunity for people to meet in social surroundings and get to know one another.

The club held its October meeting at the William Tell Restaurant in Countryside, Illinois and reported rapid growth with new prospects coming regularly.

Keep up the good work men and a big thanks to Kenneth Hallgren 66051 for helping the club reactivate.

### ROGUE VALLEY HOO-HOO CLUB 94

The 24th Annual Rogue Valley Golf Tournament, held in Medford, had one of the biggest turn-outs in recent years. Over 160 golfers from Oregon, California and Washington enjoyed a beautiful day of golf, lunch, refreshments and many prizes. Don Crane successfully defended his title from last year, firing a low gross 72. A local television station taped coverage of the tournament, interviewed President Doug Seeley, and reported this event on the evening news. A cocktail party, hosted by the local railroads, was held the evening before the tournament for the golfers and their guests, and as usual R. J. Higgins

and his crew put on a great party. Many thanks to all the volunteers and sponsors whose hard work helped make this tournament so successful.

Installation of officers was held September 6th, at the Bella Union Restaurant. Officers for the new year are: President-Bruce Monson, 1st Vice President-Mark Hefley, 2nd Vice President-Scott Rainwater, 3rd Vice President-John Gottwald, Secretary-Dave Disselbrett, Treasurer-John Missilin, Sgt. at Arms-Phil Burke, Photography-Terry Patterson, Correspondence-Terry Downey.

Rogue Valley Hoo-Hoo Club 94 has had a very successful year promoting the lumber industry and charitable activities within the community. GOOD LUCK to the new officers and another successful year for HOO-HOO.

(L-R) Doug Seeley, Dick Maurer and Vince Stout.

Jim Golding, John Crane, Joe Derrah and Bob Crane.

Phil Shugart, George Rogers and Don Cherovsky.

Bob Johnson, Sterling Wolfe, Sr. and John Geijsbeek.

Terry Patterson, Dick White, Glenn Miller and Jim Page.

Gene Sjostrand, Ken Ghiz, Mike Cox and Dan Froehle.

Duane Darnell, Dick Maurer, Dick Clark and Lloyd Haneberg.

## SEATTLE HOO-HOO CLUB 34 REPORTS

Seattle Hoo-Hoo Club 34 kicked off the 1984-85 season with our September 11th meeting at Seattle's renowned Swedish Club. Over 50 members showed up to enjoy a delicious steak and talk about everybody's favorite fall subject, FOOTBALL!

Seattle has the luxury of boasting two great teams, the University of Washington Huskies under everyone's number one coach, Don James; and Chuck Knox's hard hitting Seattle Seahawks. This always poses a difficult question for the Board as to whom we should solicit as a guest speaker.

For our September meeting we chose John Harris, free safety for the Seahawks. Harris, a seven year veteran from Arizona State, showed a highlight film of the 1983 season entitled "Cinderella Seahawks". After the film, Harris candidly fielded questions from the members for an hour. His answers were frank and direct, and unlike some previous speakers, he never ducked a question. GO SEAHAWKS!

On a philanthropic note; the Seattle Club was pleased that it was able to donate one hundred dollars to the Jerry Lewis Labor Day Telethon for the Muscular Dystrophy Association. We hope other clubs may take our lead in the future.

Seattle 34 sends its best wishes to all our fellow Hoo-Hoo Clubs throughout the world and looks forward to a great 1984-85 year.

JUDGE GODFREY, L-88601

## NORTH CASCADE 230 TOPS BUSY SCHEDULE WITH FINE GOLF TOURNAMENT

A full field of 36 foursomes birdied and bogeyed for the gold and other awards at the annual North Cascade tournament held on May 25 at the Bellingham, Wa., Golf and Country Club. Barbecued "dogs and beer" at the turn for lunch, and a fine awards dinner attended by 150 in the evening made for a memorable day's relaxation in the Hoo-Hoo tradition. Many thanks to a hard working golf committee for this great tournament. Awards M. C. Bob Byers, who, handicapped by a broken zipper, nevertheless did an admirable job of announcing the following winners: Member low gross, Barry Miller, 79; second low gross, Brian Jones, 82. Member low net, Don Stewart, 71, second low net, Lloyd Campbell, 72½. Guest low gross, Steve Johnson and Bill Hemphill, both 76. Guest low net, Tom Tsaka, Mark Donner, Steve Johnson, Dick Thompson, and Paul Bazeley, all 72.

The Tom Dolan Memorial Trophy was won this year by the foursome of Fred Leamer, Carl Brask, Brian Jones, and J. R. Dorsey with a net of 295½. Longest drive award went to slugger Bob Mairs, and closest to the pin went to marksman Jim Lewis. Dale LeMaster copped the stamina award with an undisclosed score.

No golf tournament is complete without a nail driving contest. Congratulations to this year's heavy hammers, Dennis Anderson, first place; Craig Green, second; and Jack King, third.

Earlier 1984 Club 230 events were a Beer and Crab Feed at the Mt. Vernon, Wa., Elk's Lodge on January

18, and Past Presidents' night at the Everett, Wa. Yacht Club on February 21.

On March 21, Club 230 was entertained on Loggers Nite at the Mt. Vernon Elk's Lodge by Ray Poppe, who gave a slide presentation showing scenes of his and other well-known logger contestants in climbing, falling, and bucking contests and demonstrations throughout the country. It was evident from his display of the tools of his trade, the saws and axes which he uses in competition, that they are definitely of a "close shave" potential.

On April 17, at the Everett Yacht Club, a Concat of 16 kittens, and election of new directors were held. The new members who were properly enlightened and instructed included: Jim Chambers, Ciel Clements, Mark Edick, Tom Haddox, John Kingman, Ken Lind, Roy Pugsy, Chris Secrist, Bob Sheldon, Don Stewart, Jerry Stuck, Ron Watts, Dave Eastman, Joe Menish, Ron Larson, & David Chamberlain.

New directors elected at the April 17 meeting are, Melvin Smeder, 89024; Buster Meece, 82537; and Dick Vuori, 85053.

Club 230 members thank those committee chairmen, assistants, and others responsible for the fine meetings held to date, and look forward to the balance of the 1984 meetings and events.

### NORTH CASCADE CLUB 230 REPORTS

North Cascade Club 230 members, along with Tacoma Club 89 and Seattle Club 34 members are planning activities for a group of Aussies that will be in this area the end of September. Plans call for a

dinner cruise on Elliot Bay and Lake Washington as well as tours through some of the local retail lumber yards.

Your club officers and directors have been hard at work planning the coming years meetings and activities. All club members are invited to come out and enjoy our club programs.

### SPOKANE AND NORTH IDAHO JOINT BOAT TRIP

The Spokane and North Idaho Hoo-Hoo clubs had their joint summer boat trip the evening of July 28. Attendance was down from last year, about 50 members and guests made the trip. The weather had been hot and dry, and all looked forward to a cool evening on Lake Coeur d'Alene. However, the elements fooled us. About 8:30 P.M. we were hit by a severe storm, wind, lightning and some rain. The lake got very rough, and our boat, the JodiAnn rolled considerably. The skipper of the boat told everyone to sit down and stay seated. He headed back for the dock, which we reached shortly after 9:00 P.M. Most passengers were glad to get ashore. As one lady said, "At least we can say that this boat ride was different, and will be long remembered!"

## TACOMA OLYMPIA HOO-HOO CLUB 89 REPORTS

Our first meeting this year saw 55 members in attendance.

Our new President, Rick Bleich, presented the past presidents plaque and gavel to "Mac" McInelly and Barney Wagner. Rick also presented them with the past presidents pin. These items were late in coming but they were well received.

Members of the board wore new windbreakers with the Hoo-Hoo emblem on the back. These jackets are available for \$33 each. Les Sjöholm will take your order.

The Seattle Club announced a cruise from Seattle for the visiting Australians and also, they are sponsoring a plywood grading school for 50 people in October. Please call Les Sjöholm for information.

Rick announced a long form concat for October meeting. Remember all names must be passed on by the board so please get the names in early.

Rick will fly away with his new bride to the annual Hoo-Hoo convention being held in Washington

D.C., September 9-12.

Also, our own national 2nd Vice President, Al Meier will be in attendance at the D.C. meeting. He is running for 1st national vice president — on his way to Snark of the Universe. A man of Al's size may have trouble running very fast but he will have all of the Hoo-Hoo Club 89 pushing him.

Vice President Bob Vandewall introduced the director of real estate for the Port of Tacoma, Bill Ketterell as our guest speaker.

He informed us of new developments on the tide flats. He had a large area map which pointed out what has been done and where the new customers and new roads will be placed. His comments enlightened the events of the evenings.

The raffle prizes were won by Jon Orlon, Gene Sailor, Earl Miller and George Washburn.

Ten dollar door prize was donated by Ore-Pac Building Materials and was won by Frank Chase. Gene Sailor won the \$14.75 permanent pot. That sailor????? Boy he sure has fun!!!

### WORDS OF WISDOM FROM J-IV PRESIDENT WORRALL McCARTHY

#### Brothers in Hoo-Hoo

Back to work after nearly a month of travel and conventions is very hard to adjust to. For the members who were fortunate enough to make the Perth convention and experience Hoo-Hoo at its best, you should have returned back to your homes full of enthusiasm for spreading the word about the greatest fraternity in the world. To the members who could not make it to Perth, talk to one of the ones who did, and maybe some of the convention bug will rub off on to you and you will book early for Launceston in '85. Launceston will be a top convention so book early and help the organizers.

As we are holding our JIV Convention after the HHI Convention (Minneapolis, U.S.A.), the new Snark who will be Al Mier, a person a lot of you have met, will be installed before our convention starts and told me that he and his wife, Georgia, will be attending the Launceston Convention.

I believe Dan and Eloiese Brown, and approximately ten to twelve other Hoo-Hoo's from U.S.A., will be coming with the new Snark.

You have to represent you this year a very experienced team. With the strong backing of Rod Abel 75979 as Secretary-Treasurer, and Bob Frost 83454, Vice President, I am able to feel very confident for the forthcoming year.

Hoo-Hoo is owned by the members. Jurisdiction IV members need to come alive and participate in the planning and running of their Order. If you have anything which you believe should be done, or maybe things are being done that you feel are wrong, don't sit back and mumble behind your hand. Write to your local V.G.S. and make him aware of your thoughts so that we can all participate and not just a few administrators.

I know that it has been expected of the JIV President to visit all clubs

possible in his year of office, and in the past this has been done and done well. I ask you to think about it, and if you feel that your club can gain anything by the President or Vice President visiting with you, please let me know and we will discuss the matter.

It is intended this year to work hard to eliminate clubs in recess; they will either be active Hoo-Hoo clubs, or they won't exist by August 1985.

It is intended to visit only clubs that extend an invitation to do so and only when I can fit it in with business or my private holiday arrangements. The funds allocated to Presidential travel will be used for a second board meeting where I feel it can be of benefit to more members.

You have a dynamic team of Vicegerent Snarks representing you; work with them for the advancement of your clubs.

Your board will meet twice this forthcoming year. Don't let us direct you — instead, give us the guidance to LEAD you forward. Both meetings will be held at areas where they can be of benefit to any club that needs help to get their act together. Your executive will hear any submissions from your V.G.S. for a meeting to be held in such areas. It is intended that board meetings will take place at week-ends and your V.G.S. will have details of the format.

Brothers, I ask that you all get into gear with regards to outstanding projects. Robin told me that the poor response to the worthy Bushfire Trust Fund is affecting the Roberts household matrimonial bliss. Peter won't go to bed at night, he just walks the streets in frustration mumbling something about trying to motivate monuments.

Don't let the Roberts marriage suffer any longer. Get behind Peter, let us get the fund fully subscribed — and let us do it NOW!!! Peter needs your support in fund raising now, and not next year. Make it a practice to give at least 100 percent of what your Gurdon raises each meeting until the target is reached.

My closing plea is one against apathy. Apathy is the disease that affected Doug Prendergast. It cost him about \$20.00 per day for aspirin and valium as well as the wig he had to buy after he had pulled all his hair out. This was all caused by apathy . . .

the apathetic way the members treated the Log and Tally with regards to the supplying of reports and information for the editor to publish. We get good people to do a job and we tend to try them out by failing to cooperate with them. To Doug Prendergast 83465, the award you should receive is not in Hoo-Hoo — the Victoria Cross is a military award. For your brave efforts, I personally extend my honest congratulations for your MEGA-EFFORT.

Brothers, don't let us try to break the good spirit of Ron Williams 74388 by lack of cooperation with articles for Log and Tally or by filling advertising when required. The job on Log and Tally does not have a lot of thanks going with it — there is just a hell of a lot of hard work and Ron Williams 74388 has taken up the challenge and will do a good job. You can help him to do a better job by cooperating with him.

Until we meet again in person, I bid you all Health, Happiness and Long Life.

PRESIDENT WORRALL L-86521

#### BRISBANE CLUB 218

Arising out of the visit of several members of Brisbane Club 218 to Singapore en route to Perth to the JIV convention; it has been decided to endeavour to assist Singapore Club by incorporating a section in the Brisbane Cats Tails for Singapore.

In fact, Brisbane is going further by incorporating sections also for the Port Moresby and N.E. New South Wales Clubs.

While this may take a couple of months to settle down, it is no doubt a step which will help these other clubs until such time as they develop their own club newsletters.

A review of the last years efforts showed that we had enjoyed a busy year, faced up to the hard decisions, gave our industry the full support it deserved particularly during Timber Week, and finished the year with as many members as we started.

The year ahead will certainly be a busy one. The program being drawn up by "The Nine" is larger than last years and will need the participation of all members if we are to achieve our aims. Again, Hoo-Hoo will be the

major supporter of the timber industry.

Saturday, October 13th is to be our annual President's Dinner. This year it is particularly significant as it is the celebration marking our 21st anniversary as Club 218.

This years President, John Crooke and Secretary, Don Brandon are two of the seven original foundation members still active in the Club.

#### President's Report from Adelaide Club 212

President, Paul Wright, of Adelaide Club 212 presented his report to the members for the 1983-84 year.

**1. Membership.** Seven new members joined during the year, but with transfers and resignations, net membership fell from 58 to 57. It is a project of the committee to increase membership in the coming year by at least 10 percent.

**2. World Forestry Day and Timber Week.** A delegation of Hoo-Hoo members were received by the Lord Mayor of Adelaide, Mrs. Wendy Chapman.

**The Minister of Forests, Mr. Frank Blevins,** officially opened the Hoo-Hoo booth in the Rundle Mall, for the sale of native shrubs and trees. Sales exceeded all previous efforts by 300 percent. **Our most successful year yet.** All profit went to the Greening Australia Committee.

A joint Hoo-Hoo, TDA Dinner was held as part of Timber Week and was extremely well attended. We were honoured to have JIV President, Doug Howick, present. All attendees were entertained by guest speaker, John Riggs, from the Woods and Forests Department.

**3. 1987 JIV Convention.** Planning is well underway for this important event, which will celebrate 25 years of Hoo-Hoo in the South Pacific region. Committee Chairman, Maurie Drewer, has an enthusiastic committee organized which should ensure the success of the occasion.

In his closing remarks, Paul thanked his committee for the past year and added that the club is ideally positioned to move ahead and make 1984-85 the best in our club's history.

**An appeal was made to all members to get behind the committee and support all functions and activities organized.**

#### AUGUST DINNER MEETING GUEST SPEAKER

A very entertaining report was presented by Wally Pratt, the Quality Control Officer for the R.P.A.A.

Wally's theme, "Quality Control Standards In Timber Manufacture" was based on his observations while on a recent Gottstein Fellowship Award trip overseas.

During his six week tour he covered more ground than "Burke and Wills". He commenced his tour in Vancouver, proceeding down through the United States as far south as New Orleans.

On the way he visited thirteen different regulatory authorities concerned with Q.C. in glulam, preservation, seasoning, trusses, plywood and stress grading, visual as well as mechanical. An interesting comment made was that some producers have mechanical stress graders that they can dial to the stress grade required.

The eleven companies visited read like the "Who's Who" of the American Lumber Industry and were involved in panel door production, joinery, plywood, glulam, trusses, as well as timber production.

Mid-way Wally spent two days in San Francisco to visit son Chris who was competing in the U.S. Gold Cup Series as a lead up to the Olympic Games. While there he stayed at the Hotel Del Coronado, constructed exclusively of timber and the location for the movie "Some Like It Hot".

After four tiring weeks Wally then flew to London for four days rest. While there he took the opportunity to visit the tomb of Lewis Carroll in the floor of Westminster Cathedral. His name should be familiar to Hoo-Hoo members as the author of "The Hunting of the Snark".

Then it was off to Germany for visits to another six companies mainly concerned with Q.C. in finger jointing and glulam production. He also paid a visit to the Weinig Factory to inspect their Q.C. in machining.

The Dimter Company laid on a car and driver while he was there, and it appears that the Auto Cahn is not a place for "Sunday drivers". Wally

(Continued from Page 29)

remarked that 240 kph is not a comfortable speed at which to travel.

In concluding, Wally thanked the people responsible for helping to organize his trip and gave a special mention to an old stalwart of Adelaide 212 Club, Norton Ladkin for his invaluable assistance.

His closing comments related to his journey home on a QUANTAS Jumbo Jet. While visiting the "mens" room Wally was attracted to a sticker attached to the mirror, it read: "KEVIN KELLY - SNARK OF THE UNIVERSE - WAS HERE".

Brian Groves, in his usual quiet, unassuming style, moved a vote of thanks and presented Wally with some '81 Hoo-Hoo Red to mark the occasion.

### VANCOUVER 48 — ANNUAL MEETING AND CONCAT

The Annual General Meeting and Concat of the Vancouver Hoo-Hoo Club 48 was held September 20 at the Bella Casa Restaurant.

First on the program was a beer and crab dinner arranged by Joe Gosse, John McCutcheon and Ed Reid which provided all the Dunganess crab you could eat. Really great!

Following the feast, the club heard a convention report from International 2nd Vice President Jack Jacobson, Frank Scott and President Ian McFall.

Next came the election of new officers and directors for 1984-85 conducted by Joe Gosse. New officers are:

Past President: Ian McFall  
President: Dan Steer  
1st V.P.: Roy Anderson  
2nd V.P.: Bob Diachuk

New Directors for the club are Frank Scott, Chris Potter, Ed Reid, John McCutcheon, Omar Derkach, Dave Campbell, J. Earl Wilcox, Ted Hill, Doug Easton, Joe Gosse, Bern Daye and Ted Pratt.

The club also concated 17 kittens under the capable direction of Frank Scott. The new members are Greg Hruby, Loni Miles, Joe Mountford,

Michael Thorston, Tom Jones, Dave Milne, Fred Ogawa, Richard E. Tretheway, Blake Willson, Bernie Bonas, Robert Chang, Rick Hiebert, Morris Hudon, Bill Kemp, Tom Pick, Doug Saunders and Lou Skiber.

Bob Frost of the Sydney Club 215 in Australia and an associate member of the Woy Woy Hoo-Hoo Club 260, both in Australia, presented J. Earl Wilcox with a banner of the Woy Woy Hoo-Hoo Club 260, both in Australia, presented J. Earl Wilcox with a

### TORONTO CLUB NO. 53

Toronto Club is a very active club. The year started off with a golf tournament then a Halloween masquerade party. In December they held the annual Christmas party. They hold monthly meetings with invited guest speakers, speaking on a range of different subjects. April was a combination of an old timers night

banner of the Woy Woy club for the archives as Vancouver has some associate members of Woy Woy. Earl was also presented with one of the new life membership pins by International 2nd Vice President Jack Jacobson.

The evening ended with a great live entertainment show arranged by Omar Kerkach. The whole evening was a great success and was enjoyed by all.

### REPORT FROM COWICHAN VALLEY CLUB 229

Cowichan Valley started off this Hoo-Hoo year by hosting a day and dinner at the Forestry Museum in Duncan during last years convention at Victoria. They have held two fund raising dinners — \$50.00 reverse draw type, a St. Patricks Day raffle and a golf tournament. Some of the money that is raised is used to fund a Bursary at the local college for a forestry student. They also support a wood promotion for grade 9 students in high school. Projects are judged and prizes given for the best entries. The school which has been judged as the best toward wood promotion also gets an

award. Members of the Cowichan Club also sit on the board of the Gordy Doman Memorial Fund. This fund is presently over \$35,000.00. A heart machine was recently purchased for the Duncan hospital from this fund.

They also give a grant to the Forestry Museum to help defer costs of a school program for children in grades 3 to 5 who attend an environmental familiarization course.

The membership for the club is 69 paid at present.

This was only a partial year for me as S9 as I accepted the position in January to fill in for Keith Warren who was unable to continue. I enjoy Hoo-Hoo and the people in it I have met, and in future will continue to work for and promote Hoo-Hoo in any way I can.

Health, Happiness and Long Life.

Ed Reid was Skipper for the cruise.

### VICTORIA CLUB NO. 183 VICTORIA, B.C.

After very successfully hosting last years convention, Victoria started off the new season with a Fund Raising Dinner. During the season they held a Ladies' Night, Christmas Party, A Stag Night, Ladies' Reverse Draw, Mixed Golf and a Mens' Golf Tournament and finished off the summer with the annual members picnic. During the year they bought and donated two canoes to the local Boys Scouts. Supplied prize money for the Sooke Loggers Sports Day and donated money to the local food bank for the needy. They also have set up a Bursary fund and will decide during this new term of how to disperse it. Victoria is a city that was also very hard hit with mill layoffs and closures but were able to keep their membership at 55 paid members.

#### VANCOUVER 48 ANNUAL PICNIC

August 12 was the date of the Vancouver Hoo-Hoo Club 48 Annual Family Picnic at Evans Lake Forestry Centre. There were outdoor sports for all ages, including fishing, hiking and walking, swimming and boating. Because of inclement weather in Vancouver the attendance was down slightly, but the weather at the lake was fairly good and all who attended spent an enjoyable day.

Organizers for the picnic were Dave Campbell, Doris Wilcox and Chris Potter.

Doris Wilcox, Cliff Prest and his wife, Lorraine, and grandson.

#### REPORT FROM VICTORIA CLUB 183

The following report was filed by H. R. Robinson of the Victoria Hoo-Hoo Club 183:

Back in April we held a very successful Las Vegas night at the Princess May Restaurant which was well attended by members, guests and their ladies. We had a few couples from the Vancouver Hoo-Hoo Club 48 headed by then Supreme Nine for the J-V, Jack Jacobson.

On May 6, we staged a mixed 2-Ball Golf tournament at the Mitchasin Golf Club. We still get a laugh when we think about it. We will have a repeat performance in October.

On June 30 we got down to serious golf. The Men's Classic

Invitational Tournament was held at the Mitchasin Club followed by dinner and prizes. This was chaired by Fred Matthes.

On July 10 we held a general meeting and elected new officers as follows:

President — Jim Redecapp  
1st V.P. — Fredd Matthes  
2nd V.P. — Bill Bean  
Secretary — Bill Barr

Directors are still to be appointed.

During the summer we held our annual picnic which was enjoyed by all. We also donated 2 Frontier Explorer canoes to the Boy Scouts at Camp Barnard which were well received.

The club is now busy with our Annual Fund Raising Dinner to be

held on October 26.

For the first time in many years there was no representative of our club to the international convention. Even though our club subsidizes our president for his expenses, he felt that it was just too expensive for he and his wife to attend. The thing that kills us as Western Canadians is the high cost of transportation and the 70 cents dollar is a deterrent at this time.

On the other hand, we had several couples attend the J-III Mini-Convention at Port Ludlow in May. Distance was not a problem and the cost was reasonable. Looking at the future it appears that the J-III Mini was well supported at the international convention in the Eastern U.S.

Dear John,

I am writing on behalf of The Florida Hoo-Hoo Clubs to thank you for the booth you provided us, at your Associations Convention at Tampa in September. The size and location of the booth was excellent and we had good traffic on both days.

It provided us with an opportunity for great publicity for our organization and several dozen booklets on Hoo-Hoo were handed out. Our Concat, which you made a part of the program, was extremely well attended, and another 23 Kittens attained "Cathood."

Your staff, as usual, did a terrific job. Our out of state guests commented on the professionalism with which the Convention was run.

Again, thanks and I hope we can have the opportunity to do it again next year.

Sincerely,

Phil Cocks

## NEW ANNEX PLANNED FOR HEADQUARTERS

by Billy Tarpley 91099, Executive Secretary

In the August issue of the *LOG & TALLY*, I reported that we are making constant improvements in the operations here at headquarters, as well as making progress in enhancing the looks of our building. One way we can improve the operations AND looks of our building is to construct additional office space so that Betty and I will have room to spread out and the museum will have room to grow. Thanks to the concern of Jimmy Jones R-72 and several other Hoo-Hoo, these plans are already in the making.

At HHI's request, Don Stone 88358, a local builder and member of the Gurdon Hoo-Hoo Club 120, has offered a proposal to construct a 24' x 30' x 8' log building made of 6" lodge pole pine or spruce finished inside and out for only \$15,000. The price includes a 2-ton Bryant heating and cooling unit with back-up heat strips. An existing concrete slab will serve as the foundation for the annex which will be connected to the current structure by a covered breezeway or "CAT-walk." In addition, we would like to build a fire-proof room within the annex to protect our records and equipment, which, if destroyed in a blaze, would leave us devastated. The fire-proof room would cost about \$5,000, making the total needed, \$20,000.

To date, \$7,300 has been taken in generous donations and pledges, and we need more, much more. This new building will make the difference between our having

enough workspace to expand and continuing to operate in cramped quarters. As museum director, I would like to see our museum full of interesting, education materials and exhibits about HHI and the lumber industry, and with the new office building we would have about 40 percent more area for additional displays.

Won't you help us by making a TAX DEDUCTIBLE donation today? That's right! TAX DEDUCTIBLE (see article on next page). Any amount is appreciated, and remember we have an additional \$12,700 to raise.

Let's take advantage of this wonderful opportunity to step out and make a commitment to growth and expansion, while giving our museum some breathing room.

Also, remember that we always welcome Hoo-Hoo materials and artifacts to display in our museum. In the future, we will need to build new display cabinets to house our additional items, but for now we will find a place for all artifacts.

If you have never visited the museum, please drop by when you are in the area and have a cup of coffee with us. We would love to see you walking through the door!

HEALTH, HAPPINESS AND LONG LIFE!

Fraternally,

# MUSEUM REPORT

by

**Jimmy Jones Rameses 72**

**Chairman, Museum Committee**

First, I would like to thank the officers and directors for appointing me permanent chairman of the museum committee. We have come a long way in the last few years in renovating the museum building and furnishing the interior. We are gradually running out of space, but if you have any Hoo-Hoo material you would like to be displayed in the museum don't hesitate to send it to Gurdon. We will find a place for whatever you have.

We are about half way financially on starting the new building and hope to be able to start building before the New Year. To all that contribute we will promise you every dollar will be spent wisely in constructing the new annex and furnishing it with cabinets, office furniture, carpet, shelving, etc. The annex will give us much more room in the present building as we will move all of the old records and the Executive Secretary's office in the new building.

This will make it much easier for the Executive Secretary to work on the *LOG & TALLY* and his general office work in an orderly fashion, and will give us the extra space in the existing building for displays. I would hope that all members who haven't had the opportunity to contribute will send in whatever they feel like they can afford to help expedite the construction of the new building.

We would like to thank Hubert Herndon for donating the beautiful knife to the museum which raised several hundred dollars for the new construction; also many thanks to those that have already contributed. What has been done up to now and the construction of the new building will be paid for by private donations which are now tax deductible. Make out your check to the Hoo-Hoo Museum and we will be ready to start in a few months.

I would also hope that the officers and directors of HHI will help inform members during their travels of what we are trying to accomplish here. With a little help from many people we will meet our goal soon.

Those who haven't been to Gurdon and seen the museum and your headquarters, come to Arkansas November 30th. Enjoy the beautiful countryside, see your headquarters and I'm sure you will feel very proud of what HHI has in Gurdon!

Fraternally,

*Jimmy Jones*

### ATTENTION - ATTENTION!

ALL CONTRIBUTIONS TO THE HOO-HOO MUSEUM IN GURDON ARE NOW TAX DEDUCTIBLE! That's right. Whenever you make a donation to the Hoo-Hoo Museum, you can take a deduction for that amount on your next tax report. What a wonderful way to support the efforts of Hoo-Hoo International, and what a wonderful way to get a break for yourself! To make a donation to the museum, make a check payable to Hoo-Hoo Museum, and send it to: P.O. Box 118, Gurdon, AR 71743. Make note of your contribution and watch for the cancelled check to come through your bank statement. When tax time rolls around, simply include that donation in your list of deductions, then lean back and smile knowing you helped Hoo-Hoo International while helping yourself. That time is just around the corner, so don't delay — make that donation NOW!

# MUSEUM REPORT

by

Jimmy Jones Rameses 72

Chairman, Museum Committee

First, I would like to thank the officers and directors for appointing me permanent chairman of the museum committee. We have come a long way in the last few years in renovating the museum building and furnishing the interior. We are gradually running out of space, but if you have any Hoo-Hoo material you would like to be displayed in the museum don't hesitate to send it to Gurdon. We will find a place for whatever you have.

We are about half way financially on starting the new building and hope to be able to start building before the New Year. To all that contribute we will promise you every dollar will be spent wisely in constructing the new annex and furnishing it with cabinets, office furniture, carpet, shelving, etc. The annex will give us much more room in the present building as we will move all of the old records and the Executive Secretary's office in the new building.

This will make it much easier for the Executive Secretary to work on the LOG & TALLY and his general office work in an orderly fashion, and will give us the extra space in the existing building for displays. I would hope that all members who haven't had the opportunity to contribute will send in whatever they feel like they can afford to help expedite the construction of the new building.

We would like to thank Hubert Herndon for donating the beautiful knife to the museum which raised several hundred dollars for the new construction; also many thanks to those that have already contributed. What has been done up to now and the construction of the new building will be paid for by private donations which are now tax deductible. Make out your check to the Hoo-Hoo Museum and we will be ready to start in a few months.

I would also hope that the officers and directors of HHI will help inform members during their travels of what we are trying to accomplish here. With a little help from many people we will meet our goal soon.

Those who haven't been to Gurdon and seen the museum and your headquarters, come to Arkansas November 30th. Enjoy the beautiful countryside, see your headquarters and I'm sure you will feel very proud of what HHI has in Gurdon!

Fraternally,

Jimmy Jones, Rameses 72

### ATTENTION - ATTENTION!

ALL CONTRIBUTIONS TO THE HOO-HOO MUSEUM IN GURDON ARE NOW TAX DEDUCTIBLE! That's right. Whenever you make a donation to the Hoo-Hoo Museum, you can take a deduction for that amount on your next tax report. What a wonderful way to support the efforts of Hoo-Hoo International, and what a wonderful way to get a break for yourself! To make a donation to the museum, make a check payable to Hoo-Hoo Museum, and send it to: P.O. Box 118, Gurdon, AR 71743. Make note of your contribution and watch for the cancelled check to come through your bank statement. When tax time rolls around, simply include that donation in your list of deductions, then lean back and smile knowing you helped Hoo-Hoo International while helping yourself. That time is just around the corner, so don't delay — make that donation NOW!

### HOO-HOO CHAPLAIN JIMMY B. BRUNSON DIES AT AGE 78

Jimmy Bascome Brunson 63039, who served for years as chaplain of Hoo-Hoo International, died in late July.

Jimmy served Hoo-Hoo well from the time he was concated February 28, 1955 at Memphis until his death at Moscow, Tennessee. He was born in Gotman, Mississippi on March 24, 1906 and later became a partner in Bolen-Brunson-Bell, a wholesale lumber company at Memphis.

Jimmy served as S-9 for then J-IV from 1962 to 1966. He served one term as International Vice President from 1967 to 1968, and was later elected S-9 again from 1968 to 1970. Jimmy was nominated for International Vice President again in May 1970 but was defeated by another late, great Hoo-Hoo, Jack Cheshire.

Jimmy was a good friend to many in Hoo-Hoo, and will be missed by all.

As a testimony to his years of dedication to HHI, read the accompanying letter on Jimmy's death we received from Jimmy Jones, Rameses 72.

### A MEMORY OF JIMMY BRUNSON

July 27, 1984

Dear Billy,

The chaplain of HHI is dead. I met Jimmy Brunson on Toronto, Ontario in 1964 at my first

Jimmy B. Brunson, 1906-1984.

international convention. For the last twenty years he and his late wife, Marguarite, have been good friends of Betty and myself. In the last few years, Jimmy had gone through a lot of pain and troubles with his sickness.

Jimmy was appointed chaplain of HHI by Leonard Putnam when Leonard was the Snark. That was my first year on the S-9. Jimmy has visited with Betty and myself several times in Napa Valley. Jimmy was on the S-9 from old Jurisdiction IV for many years. He was also very active helping Larry Owen in raising money for the Hoo-Hoo Redwood Grove and came for the dedication.

Jimmy was Vaughn Justus' Vice President when Vaughn was the Snark. Jimmy chose at the time not to go on as Snark. In later years, he tried again for V.P. but was defeated by Jack Chesire who went on to be Rameses 64.

When I was Snark, I had my Board meeting in New Orleans and asked Jimmy and Marguarite to come down which they did. I also arranged for Jimmy to be in Gurdon acting as chaplain for the dedication of the Museum. I have, and so has HHI, lost a very good friend.

Fraternally,

Jimmy Jones

### W. ARCHIE VAUGHAN 48573

W. Archie Vaughan 48573, 82, of Honolulu died in March of this year. He was owner and president of A. Von Lumber, a wholesale lumber company out of Oregon and Hawaii for the last 40 years.

He spent a lifetime in the lumber industry, starting as a "whistle punk" at Coos Bay logging as a young boy. He began his wholesale career during the war in Portland, Oregon buying lumber for the Army Engineers. He moved to Hawaii in 1956 and was active in his own business until retirement in 1982.

### BURT JOHN COULON, JR. 89241

Brother Burt John Coulon, Jr. 89241, 54 of Atlanta died in August of this year. He was concated January 16, 1982 at Atlanta, where he was employed as District Manager for Chicago Metallic Corporation.

### HOWLAND BOYER 53934

The Omaha Area Hoo-Hoo Club announced recently the death of a former member, Howland Boyer 53934 on September 7, 1984. Howland was concated April 14, 1950 in Omaha. He was born February 2, 1911 and served in the retail business.

## A NOMINATION

I wish to place the name of Dick Campbell L-77398 in nomination for the office of Second Vice President of Hoo-Hoo International.

John Richard Campbell, L-77398, was born May 16, 1927, Sydney, Australia.

He qualified in Engineering, Sydney Technical College, 1947. He immediately associated with the Timber Industry. His first assignment was to design and build a logging contracting hardwood mill 100 miles from Sydney.

He graduated from N.S.W. Management College in 1958, and is currently an Associate Fellow of the Australian Institute of Management.

He started his own business with his wife, Diana, in 1959, acquiring Smith Bros. Timber Handling Pty. Ltd. in 1967.

He joined the Sydney Hoo-Hoo Club 215 in 1967.

Since joining Hoo-Hoo he has served 12 years with the Sydney Club as a director, including two years as president. He has served two years as Vicegerent Snark for N.S.W. in Jurisdiction IV, and president of JIV and Supreme Nine member of HHI 1980-81. Life membership was bestowed by Sydney Club in 1982.

He retired as director of Sydney club recently to start up Woy Woy Club 260 as foundation president. It now has 80 local and overseas members.

His son John is a member of the Brisbane Club, and Mark was initiated into the Woy Woy Club by Dick in the Philippines with four executives of the Matimco Timber Co.

His wife, Diana, who is employed in their timber retailing business in Woy Woy, is an enthusiastic supporter of Hoo-Hoo. They always enjoy the opportunity of entertaining guests (and many have been welcomed from overseas, including the writer) in their Hoo-Hoo bar at "Gurdon" Woy Woy Bay. Dick promoted the "Gurdon Reserve" at Woy Woy Bay, and it was dedicated by Kevin Kelly in July, 1984.

Dick's enthusiasm and ability have been rewarded with successful growth of the clubs of which he has been a director, three awards from HHI at the end of his year as S-9, during which period he chartered six new clubs for Jurisdiction IV.

Dick has been a regular delegate to HHI conventions. I first met him at the 1979 convention in Hawaii. He has planned the future five years to devote maximum time to Hoo-Hoo International. Incidentally, Jurisdiction IV is right behind him, and will support him as may be required.

I know Dick will serve HHI well in fulfilling the duties of the office. It is with great pleasure that I place the name of Dick Campbell in nomination for the office of Second Vice President of Hoo-Hoo International.

## THE BUILDER

He builded a home on a quiet street,  
And planted a garden trim and neat;  
A shaded pathway led to the door  
And bars of sunlight fell on the floor.  
The windows glowed when nights were dim  
And spoke to the heart like an evening hymn.

The noise of the world seemed far away  
And peace dwelt there through the live long day;  
The doorway smiled as in welcome there  
And offered a refuge from strife and care.  
The whole house seemed as we passed along,  
Like the tender notes of a happy song.

And with grateful heart the builder knew  
That the work of his hands was fine and true.  
With infinite patience and earnest care  
He had builded a home that was like a prayer.  
And it stands by the roadside all day long,  
And speaks to the heart like a beautiful song.

## DO YOU JUST BELONG?

(Reprinted from the bulletin of Harry L. Folsom Club No. 13.)

Are you an active member,  
 The kind that would be missed,  
 Or are you just contented  
 That your name is on the list?  
 Do you attend the meetings  
 And mingle with the crowd,  
 Or do you stay at home  
 And crab both long and loud?  
 Do you take an active part  
 To help the work along?  
 Or are you satisfied to be  
 The kind that "just belong?"  
 Do you ever go to visit  
 A member who is sick,  
 Or leave the work for just a few  
 And talk about a clique?  
 There is quite a program scheduled  
 That means success, if done,  
 And it can be accomplished  
 With the help of everyone.  
 So attend the meetings regularly,  
 And help with hand and heart,  
 Don't be just a member,  
 But take an active part.  
 Are you an Active Member?  
 Are we right or are we wrong?  
 Are you an Active Member?  
 Or — Do You Just Belong?
