Snark of the Universe

Not only do we have the oldest lumber fraternity in the world, but we have the greatest. In a few short years the International Order of Hoo-Hoo will be 100 years old. Many great lumber industry men have passed through our portals and many more will in the next 100 years if our members and our leaders meet the challenge we have before us today.

In the last fifteen years our organization has been losing members at an alarming rate and in the past year alone we have lost almost 5 percent of our membership. Our Rameses and Board of Directors are greatly concerned and, as a result, they voted at the Minneapolis Board Meeting to make Membership our No. 1 Priority for the forthcoming year. Several Membership Committees were formed and many meetings were held during the past convention to map our strategy. All of our Supreme Nine members as well as our Rameses have dedicated this year to help you, the local clubs, get new, good Hoo-Hoo members and to work especially hard on retaining the members you presently have.

As your Snark, I ask the officers and directors of the local clubs — please invite your Jurisdiction Supreme Nine member, or his Deputies, to visit your club. When they do, please give them a few minutes on your program. Please remember these men do get some money for travel but seldom any reimbursement for meals and lodging so, if possible, please treat them as your guest. Also, remember,

they are donating their time and energies for Hoo-Hoo and the good of the lumber industry.

I firmly believe this year we have the best and most energetic group of officers and directors Hoo-Hoo International has ever had. Without our Board of Directors, our local clubs and, of course, you, the individual members, there would be no Hoo-Hoo International. Let's all work hard this year to turn our membership numbers around by spreading the word of Hoo-Hoo in the local club areas and in the news media using newspapers, trade journals and magazines. Our goal is a 10 percent increase in membership for the forthcoming year.

I have been a member of our great organization well over twenty years and have taken a great deal out of Hoo-Hoo during these years. With the good Lord's help I dedicate this year to giving as much back to Hoo-Hoo as humanly possible. With all of us working together, let's make this a fraternity that will be around for hundreds of years to come. Let's all work towards making our meetings a place where we can get together and get acquainted, break bread and have fun. But, most of all to have an organization every one of us will proud of and will make for a better and stronger lumber industry and one that will be for the betterment of all mankind.

I will be visiting the majority of the clubs, large and small, in Hoo-Hoo Land. When I visit your club, please come up and shake my hand and tell me who you are because YOU ARE HOO-HOO!

Wishing you all Health, Happiness & Long Life.

Your Snark,

Albert J. "Al" Meier, L-71555

SNARK'S TRAVELOGUE

I believe you, as dues-paying members of Hoo-Hoo International have a right to know where your Snark has been, where he is going and what he is doing to promote the International Order of Hoo-Hoo.

During the forthcoming year I plan to keep you informed as to where I've been and which clubs I have visited and to recognize the members who are doing the most to promote the International Order of Hoo-Hoo and the leaders in the local clubs who are doing their best to encourage membership for our fraternal order.

During my visits I will bring with me a 20-minute slide presentation showing a bit of our past history, our International Headquarters, each Jurisdiction area and their leaders and what some of our clubs are doing in their area to spread the word of Hoo-Hoo and the lumber industry to the general public around the world.

I love to play golf, but as an all out effort to acquaint our members with Hoo-Hoo I prefer to attend your regular monthly meetings. Of course, I realize in some instances this will not be feasible, however I can meet with your board of directors or any one else willing to spend the time with me. In many cases I hope to bring my wife, Georgia, to attend many of the great Ladies Nite functions held throughout the universe.

We plan to start off the year leaving for Australia in early October accompanied by several other Hoo-Hoo couples. We will visit most of the clubs in Australia from Woy-Woy to Perth. We will also attend J-4's annual convention in Tasmania.

Although time will not allow us to visit New Zealand at this time, we want every member to know that each and every one of them are important to Hoo-Hoo and we hope to visit there at another time. Georgia and I visited New Zealand before the Melbourne convention in 1982 — it is such a beautiful country.

November will find me visiting clubs in the Northwest and helping with our Hoo-Hoo booth at the Western Building Material Association's 1985 Convention in Seattle the 16th-20th. This will be a joint convention with the National Lumber and Building Material Dealers Association.

The first part of December I will be attending a concat in Boston. I plan to visit other clubs in J-1 and also meet with the Granite State Club, hosts of the 1986 94th International Convention. On the 9th and 10th we will be in Detroit and then back to Connecticut for the Nutmeg Club No. 199's annual Christmas Party on the 11th. If any of you are having a meeting during that period and would like me to attend, please contact S-9, J-1, Peter Shearer. I am coordinating my activities through him and if I have the date open I will gladly visit your club. Pleaes contact Pete — he's a great guy!

The middle of January will find me in J-6 along with S-9 Brent Crosby. We would like to start our tour in Arizona, on to Southern California then up to the West Coast ending with the great concat in Redding, California on the 17th. Brent will be contacting the clubs in J-6 to make arrangements to visit your club. He is a great booster and a

real asset to Hoo-Hoo — please get to know him. I am anxious to visit the Phoenix Club No. 72 — what a booming club it is!

February is still open — maybe Eastern Washington, Montana or Oregon. Better yet, maybe back to Honolulu!

In March I will travel to Florida with the pride and joy of Jurisdiction 9, S-9 Phil Cocks. We plan to visit all the clubs in Florida. Then it's on to Gurdon the weekend of the 20th-22nd for our Mid-Term Board Meeting and the dedication of our new museum. Everyone in Hoo-Hoo Land is invited to Gurdon for this celebration. Rameses No. 70, Larn Champ is putting together a great program, including the governor of Arkansas, banquets, meetings and even a trip to the horse races in Hot Springs. You gals save this date open, it promises to be a good time for everyone in Hoo-Hoo. Please see additional information in this issue of the Log & Tally.

April will see us in Texas with the greatest Hoo-Hoo'er in the South, J-7, S-9 E.Z. Hunt. Eddie will be contacting the clubs so that we can get together.

In May I will plan on visiting most of the clubs in Oregon along with S-9 Bill Patterson. Bill promises to protect me from big bad Bill McLean. On the 30th we will join all of J-3 for their annual Mini Convention at Alderbrook Inn on Hood Canal in Washington hosted by the Seattle Club No. 34.

June hopes to find us back to J-7 with E.Z. Hunt and a smooth Martini in Wichita, Kansas on the 16th. We also plan to hopefully visit some of the clubs in Oklahoma after Wichita.

July should take us back down to Phil Cocks in Florida to attend J-9's annual Summer Conference.

August we will be with Lyle Hoeck and J-8 in the mid-west, my original home state of South Dakota. We hope to visit clubs in Iowa and Minnesota. Please contact Lyle on any dates you have available — he's a great guy to work with!

September will take us to J-1 for our 94th International Convention in Bretton Woods, New Hampshire. By this time I am sure I will be ready to be embalmed and turn my gavel over to 1st Vice President Jack Jacobson.

In between these dates I plan to visit clubs in J-5, Canada, among other areas not mentioned. I also plan on spending a little time running my Home Center operations here in the beautiful Northwest. I wish to extend an open invitation to any Hoo-Hoo member to stop by my corporate office if ever in the area. We are located just North of Tacoma on Interstate 5, exit 137.

I am looking forward to a productive, successful Hoo-Hoo year and to meeting a great deal of you members.

To all of you I wish Health, Happiness and Long Life.
Your Snark,

Albert J. "Al" Meier, L-71555

Once again another Hoo-Hoo year has begun and we must all make every effort to make it a good one. Membership cannot be stressed enough. We must stop the slide and start to increase our membership again. I, along with 2nd Vice-President Dick Campbell are co-chairing a membership committee with regards to new members.

Everyone of you in the organization are on that committee. Ask yourself, "When did I last bring a kitten"? I think if we look around, we can all find someone who would be a good Hoo-Hoo member. After you have found him, do everything you can to make Hoo-Hoo meetings a place he wants to go to — one that interests him and not one that he can see nothing in it for himself. These are the people we must retain. Statistics show we lose the greatest percentage

in the two years after joining. I ask each and every one of you, for the success of your local club, and HHI, make these new members feel welcome and get them involved with the running of your club.

I would like to extend my thanks and appreciation to the members of the Twin Cities Club for a very great and well organized convention. The Twin Cities area is a beautiful area and each and every one of the members who took part in putting on that convention can be proud of the result.

I'm very pleased to be working with Snark of the Universe, Al Meier. Al as you all know has been a worker and a very dedicated and devoted member of Hoo-Hoo for many years. As his 1st Vice-President, I will do whatever I can to promote and further the spirit of Hoo-Hoo.

Once again I would like to stress membership. We have set a goal — lets all work towards achieving it. Remember you get as much out of Hoo-Hoo as you are willing to put into it.

Health, Happiness and Long. Life.

Fraternally yours,

Jack Jacobson - 73133

DICK CAMPBELL

L-77398

Dear Fellow Hoo-Hoo,

It is a great honor to have been elected 2nd Vice President of Hoo-Hoo International during the Minneapolis convention. I look forward to the new year as a great opportunity to work with the new Snark of the Universe Al Meier, 1st Vice President Jack Jacobson and the new Board of Directors.

This year, we must pay especially close attention to membership retention and other methods whereby we can attract and hold new members. The new year holds many opportunities for us if we will all accept the challenge of giving a little extra to Hoo-Hoo this year. Our new goal of a 10 percent increase in membership is not unrealistic if we will pull together and work toward that goal.

Our organization is worth the extra work it takes to restore our total membership to what we know it can be, and if we will accept this challenge on the club level AND as individuals we will see it through to a successful ending.

HEALTH, HAPPINESS AND LONG LIFE!

Fraternally,

Dick Campbell L-77398

1985-86 INTERNATIONAL BOARD OF DIRECTORS

AL MEIER 71555

AL MEIER 71555

Al was elected and duly installed as Snark of the Universe during the recent annual convention in Minneapolis. During the Victoria convention in 1983, Al was elected 2nd Vice President after serving two years as Supreme Nine for Jurisdiction III and was elected 1st Vice President in Washington, D.C. last year. Since 1960, he has been a member of the Tacoma-Olympia Club 89 where he has served as president and held other offices within the club. Al owns five retail lumber yards in the Tacoma area and is a member of Rotary International. He and his wife, Georgia, have three children, Randy, Debra and Randi.

CARLE H.C. HALL L-57737

CARLE H.C. HALL L-57737

After his term as Snark, Carle became chairman of the Board at the convention in Minneapolis. Carle has served our fraternity in many capacities. He was elected 1st Vice President during the convention in Victoria, B.C. and served as 2nd Vice President in 1982-83. Prior to 1982, Carle served as Supreme Nine representative for Jurisdiction VIII, and at the Melbourne convention in 1982 he was awarded both the Gordie Doman trophy and the George Mueth Walking Stick for the most miles travelled as an S-9. Carle became a member of Hoo-Hoo in 1952 at Iowa Club 102 in a concat which was attended by Ben Springer, Rameses 37 and past Seer of the House of Ancients. Carle is a past president of Club 102 and retains membership there. He is retired from Iltis Lumber Company where he had worked since 1936. Since May of 1952 he had been manager of one of four retail stores operated by Iltis. Carle and his wife, Roberta, have two children, Carle, Jr. and Judy. They spend their summers in Northwest Iowa and winters in Texas. Carle's favorite sports are bowling and golf.

JOHN K. "JACK" JACOBSON 73133

JOHN K. "JACK" JACOBSON 73133

Jack was elected 1st Vice President of HHI during the 93rd Annual Convention held recently in Minneapolis. He was concated in Vancouver in 1962 and became a member of the Vancouver Hoo-Hoo Club 48. As a member of Club 48 Jack served on the Board of Directors beginning in 1970, and served two terms as president in 1976 and 1977. From 1977 to 1979 he served as Deputy Supreme Nine of Jurisdiction V, and later was elected S-9 for 1979-80 and served again in 1983. Jack is self-employed at Jacobson-Phillips, a log-brokerage and log trading company since 1972, and has been active in the forest industry since 1948. He lives with his wife, Norma, in Vancouver. The couple have two children, Kathleen and Keith.

DICK CAMPBELL L-77398

DICK CAMPBELL L-77398

J. Richard "Dick" Campbell L-77398 of Woy Woy Bay, New South Wales, Australia was elected 2nd Vice President of Hoo-Hoo International in Minneapolis. Dick is president of Campbell Building Materials in Woy Woy where he founded the Woy Woy Hoo-Hoo Club 260 last year. Dick is also a member of Sydney Club 115 where he has served as president and member of the Board of Directors for many years. As Supreme Nine Member for J-IV in 1980 Dick was awarded the Gordon Doman trophy for Outstanding S-9 members, the Membership Trophy for greatest percentage increase in membership, and the George Mueth Walking Stick for most miles travelled in the interest of Hoo-Hoo. Dick and his wife, Diana, have three children: John, Mark and Jenny.

BERNARD B. BARBER L-48864

BERNARD B. BARBER L-48864

Bernie was elected as Secretary-Treasurer of HHI for the fifth term during the Minneapolis convention. Prior to his election to this position he served as Supreme Nine of Jurisdiction VI for three years. He was instrumental in the reactivation of the San Joaquin Valley Hoo-Hoo Club 31 and is now serving as that club's Secretary-Treasurer. He was also active in initiating a wood promotion program in Fresno known as Lumber JACS. He is an active Rotarian and Mason, a member of ASAE, Temple Teheran and Executive Secretary of the Woodwork Institute of California. He is President of Bernie Barber and Associates of Fresno where he and his wife, Elaine, live.

GORDON GRAHAM L-70604

Gordon joined the Detroit Hoo-Hoo club in 1960, and served on their Board of Directors from 1967 to 1970. He became Club President in 1970, Vicegerent Snark in 1971 and has served continuously as Club Secretary-Treasurer since 1975. He was chosen Hoo-Hoo of the Year in 1980, and has served as Assistant Treasurer for the International for the last several years. In addition, Gordon has been an active delegate at 16 of the last Hoo-Hoo conventions. He retired from Johns-Manville in 1982 after 37 years as a Sales Representative in their Building Materials Division. He has been married to June for 41 years and the couple have three children: Gordon J. who works for Cheboygan Lumber Company, Cheboygan, MI; Robin L. McCarthy, who is a registered nurse; and Pamela K. Graham, who is also a registered nurse and lives in Minneapolis, Minnesota.

GORDON GRAHAM L-70604

BILL PATTERSON L-78917

Bill was elected to Supreme IX at the Twin Cities Convention in September 1985. His past positions with Hoo-Hoo have been Secretary, Vice-President, and President of local Winema Hoo-Hoo 216 in Klamath Falls, Oregon. He has also held the position of Deputy Supreme IX, Juris. III and served as a Mini-Convention Chairman. He is married and has two sons that are active in Hoo-Hoo. They both work with him in heavy construction. Bill started in the logging business in 1947 by putting together a log truck that came in a box that he purchased from U.S. Surplus Properties. If he has any spare time, he likes to fish and hunt.

BOB FROST 83454

Bob was elected 1st Vice President of Jurisdiction IV during last year's J-IV convention and succeeds Worrall McCarthy as president. Bob will serve a one-year term as Supreme Nine Representative on the Hoo-Hoo International Board of Directors. Bob is with Simmonds Lumber Pty. Ltd. at Beacon Hill, N.S.W., Australia and is a member of Sydney Hoo-Hoo Club 215 where he has been a driving force behind the success of that club. Bob is very active in many trade associations in the South Pacific and in his spare time he enjoys boating and game fishing. He and his wife, Beverley, have two children.

M. KEITH WADDELL 84324

Keith has come up through the ranks of Toronto Club 53, where he served as club president in 1983. Keith has been in our industry for 43 years serving the trade in wholesale, retail and marketing. For the last 9 years he and his partners have been serving the industry through their wholesaling company, McFadden Hardwoods Ltd. The company specializes in hardwood plywoods and exotic paneling from around the world. One of Keith's hobbies is woodworking. Keith and his wife, Maggi, have met many new friends through Hoo-Hoo conventions and look forward to his year as Supreme Nine for Jurisdiction V.

BRENT F. CROSBY L-77009

Brent is a member of both Oakland California Club 39 and Sacramento, California Club 109. Brent joined Hoo-Hoo in Sacramento and was on the Board of Directors and went through the club offices until elected president in 1974 and 1975. He also became active in Oakland Club 39 upon transfer to the Bay Area and served as a director until elected club president for the years 1982 and 1983. He was also honored as recipient of the Lumber Man of the Year Award in 1981. Brent was appointed Deputy Supreme Nine for Jurisdiction VI in 1976 and held that position until elected to the Supreme Nine in Washington, D.C. in September, 1984. Brent has spent the last 25 years with the Kaiser Industries (Kaiser Fir-Tex & Gypsum), and Domtar Gypsum America, Inc. (A division of Domtar, Inc., Montreal) who purchased the Kaiser assets in 1978. He works as Regional Sales Manager out of their Oakland, California corporate office. He has two married daughters, Lynn & Leslie, and five grandchildren who live in Sacramento, California. He and his wife, Jeanne, live in Walnut Creek, California.

EDDIE Z. HUNT 85910

Eddie Z. (Easy) Hunt was elected to a second term as Supreme Nine Representative for Jurisdiction VII during the Minneapolis convention. He was first elected to that position in 1981 at the Houston convention where he was a relative newcomer to Hoo-Hoo. Eddie is a member of Metroplex Hoo-Hoo Club 242, as well as the Texas Forestry Association, Associated General Contractors, American Sub-Contractor Association, and the National Association of Home and Apartment Builders. Eddie and his wife, Martha, and their two sons live in Duncanville, Texas. He is president of Wheat Lumber Company, a retail lumber business in Dallas.

SUPREME NINE REPORTS

Jurisdiction I

It is difficult to know what to write for a S-9 report when you have only been one for a few hours. But, as I sit here on the plane returning to Philadelphia from the international convention in Minneapolis, I am full of enthusiasm and pride for my new job as S-9, J-I. It's a wonderful experience to be in Hoo-Hoo and particularly rewarding to have the opportunity to serve at this level (about 35,000 feet)!

A gathering of the Clan is always a warm and wonderful experience to meet so many fine new people and renew old coveted acquaintances is truly one of the great pleasures in Hoo-Hoo life. The diversity of countries and backgrounds of the members adds a genuine international flavor that would be hard to duplicate elsewhere.

Our members are our peers. These are the people with whom we share the worldwide forest products industry. We share its benefits and its problems together. What better forum to expose and consider our multifaceted and complex vocation than with people who understand its joys and sorrows.

These thoughts are part of what our fraternity is all about. It makes you wonder why we don't have ten times the members and perhaps more countries involved. Surely, part of the answer is to make more people aware of who we are and what we are all about. Mention your fraternal affiliation when talking to someone within our industry. It could start to generate interest and the rest would be easy.

With these thoughts, and many more, in mind, I look forward to serving our officers and members. I would like to say a special thanks to a few of the people who have given me the encouragement to run for office; Joe Kuczynski, Wade Cory, Lee Roberts and all the great guys in my own special club Walt Whitman 171. Thank you all and here we go.

HEALTH, HAPPINESS, AND LONG LIFE!

Pete Shearer 84945

P.S. I would greatly appreciate an officer from each club in Jurisdiction I to please call me at 215-699-3555 and give me an update on your current situation. There is much information needed for me to do a good for you.

Jurisdiction II

I don't believe any delegate in attendance at the Minneapolis Convention went home without a clear understanding of our mission for this coming year. The theme was definitely "MEMBERSHIP."

The Board of Directors (Supreme Nine Members) and the Executive, all agreed that our problem with the overall loss in membership in the last few years was not so much in getting enough new members — our problem is "keeping them!"

As testimony to this, consider the fact that in the last year we initiated into Hoo-Hoo 481 new members, but during the same period we lost 315. Not much progress for all the effort that each club goes through to create the atmosphere for a proper initiation.

Our overall membership went from 7423 in 1984 to 7108 at the end of 1985. We, here in Jurisdiction II, had 437 paid members in 1985 and 408 paid in 1985 — a loss of 29.

We've just gotta do a better job of keeping those men that we initiate each year! I think each club secretary will see from his records that our greatest loss occurs with the first and second year members — those men who do not return to your meetings after they are initiated or within the following year. This is the period of greatest vulnerability to loss.

Each club makes an investment in time and effort when they initiate a man into their club. Why not do what we can to protect this investment? Let's all try to put forth more effort to plug this leak!

A membership committee has been established at the International level and the club secretaries will see more contact from this office and the Supreme Nine, in an effort to close the "Communication Gap." The committee has established a realistic goal of 10 percent increase in membership for the coming year and I believe we, in Jurisdiction II, can handle this challenge.

In my opinion, the improvement in membership will be tied directly to an improved relationship with the local clubs. It is important therefore, that each club secretary send to the International office their "Club Officer Report Form" at once, so that the proper people can be contacted.

I implore you to help me this year to improve our membership in Jurisdiction II. I need your assistance! Let's show our International officers that Jurisdiction II is equal to the membership challenge!

Please let me know what I can do to help. My address is 32250 Old Forge Lane, Farmington Hills, MI. 48018, phone 313-553-4084.

Fraternally yours,

Gordon Graham L-70604

Jurisdiction IV

After a great year we are wound up and heading for our Launceston J-IV convention — 17 visitors from U.S.A. including the Snark of the Universe Al Meier, a great contingent from our own jurisdiction plus the great Tasmanian hospitality will certainly make this a convention to remember. Judging for all awards will be close with the high quality of the entrants.

At Minneapolis the new Snark has made new membership and retention of existing members the number one priority. We must all help Al in this drive. We have all benefited in many ways by being members of Hoo-Hoo. Let us all through Hoo-Hoo put something back into our industry so together both can grow stronger. Whilst remaining non-political we will work with all sections of our industry and would seek requests from any sections which feel the Hoo-Hoo organization can be used to the benefit of all.

During the next 12 months, I hope to continue the great work done by Worrall McCarthy and with the assistance of Tony Hobson and Rob Abel will fully utilize the energies and abilities of our Vicegerent Snarks.

Two new clubs will be formed in New Zealand this year. One at Christchurch and the other at Rotorua. Remember, we now have a new club at Cairnes, so try and arrange any

visit to coincide with a club meeting. Refer to your new membership directory for contacts.

Minneapolis was a great success for J-IV with Brisbane Club 218 winning the Wood Promotion award and Worrall the Walking Stick award for the most miles covered in the interest of Hoo-Hoo. Our Aussie-Yank Phil Cocks won the Gordie Doman Award for the Supreme Nine who contributed most during the year plus the membership trophy.

Dick Campbell is now 2nd Vice President of International. Give Dick full support on his road to Snark on our Bi-Centenary Year - 1988. Congratulations, Dick! Health, Happiness and Long Life!

HI, fellow Hoo Hoo members:

Wish I had seen more of you at the convention but it was good to meet with friends again and renew friendships. This is my second year as S9 for J5. Last year I filled the void for Jack Jacobson as he took on the job as 2nd V.P. If the rest of the year is anything like the first week after coming back from the convention, it's going to be a busy time. The day after returning home the Toronto Club 53 had their annual golf outing. Kitchener-Waterloo Octoberfest Club 262 had their first official meeting 4 days later and are already looking for a wood promotion project for this year. Then an executive meeting for the Toronto Club 53. Haven't heard from the other clubs out west or Alaska but hope it's because they are as busy as the clubs in the east.

I would like to extend my Thanksgiving greetings to Hoo Hoo friends in the U.S., our Thanksgiving in Canada will be past when you receive this issue and I hope my Canadian brothers didn't eat too much turkey. I would also like to take this opportunity to wish everyone in Hoo Hoo my best wishes for the coming festive season and hope everyone has a happy, healthful and prosperous New Year.

My project for the coming year is to strengthen existing memberships and clubs, get new members involved, and make a stronger Jurisdiction 5. No one can work alone and I need all the help and enthusiasm you can give me. Start off by contacting me and see what we can do for each other. Let's mix in "86".

I will not go through a lengthy travelogue and functions involved during the 1984-85 year. That has pretty well been covered in previous Supreme Nine reports in the Log & Tally.

I do believe that naming clubs and people visited during the year are important inasmuch as it gives recognition to the club members and their functions during the year.

Jurisdiction Six has a membership of 1,167 and has 22 clubs of which 15 are active and 7 are inactive. I had visitations to 10 of the active clubs and 2 of the inactive clubs. The visits to the inactive clubs was to assist them towards reinstatement. Of the ten clubs I visited I participated in Concats, regular meetings, board of director meetings, golf tournaments, Redwood Grove meeting, and social activities which included wives and friends.

The most important and discouraging factor which must be addressed during the coming year is the loss of membership in Jurisdiction 6 and International during the past year. It is great to have concats and bring in new members but there seems to be a tremendous loss during the first year for new kittens. It is the consensus that many new members are lost due to the lack of interest shown to new members by local clubs. It is imperative that new members be assisted toward becoming active in local club activities which proves to them that there is a purpose rather than just a social benefit in belonging to Hoo Hoo.

Each of the club secretaries have received a new membership list from the International Office in which paid-up members are shown, and members that have not paid in the last several years have been purged from the active membership list and are listed separately. The list of unpaid members will assist the local club officers and Deputy Supreme Nines toward looking for these wayward and lost members. I believe if the effort is put forth that many of these members will be brought back to active status if requested by the local clubs. It certainly gives us a track to run on toward increasing local club memberships.

As your Supreme Nine for Jurisdiction 6 I will be contacting local club officers and Deputy Supreme Nines toward re-establishing inactive members and recruiting new members during the 1985-86 year.

It is very important that each club secretary make out the "Club Officer's Report" Form and mail it to Billy Tarpley at the International Office in Gurdon, Arkansas. Without this report it is almost impossible for the international office to correspond with the proper people and keep the clubs up to date on what "International" is doing for the local clubs. Also, if this report is not submitted your club will not be listed in the Log & Tally.

I have completed my first year on the Supreme Nine and have just returned from the International Convention in Minneapolis, Minnesota. I am looking forward to working with our new Snark of the Universe, Al Meier and the other international officers during my second year on the board.

I have begun to make out my itinerary for the coming year, and I would appreciate the club officers within Jurisdiction 6 sending me a copy of their club functions for

the coming year so that I can make plans to attend as many as possible.

HEALTH, HAPPINESS, AND LONG LIFE,

I feel very honored to again be elected to the Board of Directors. I am really looking forward to working with our new Snark, Officers and the other S-9's to bring Hoo-Hoo into the mainstream of the Forest Products Industry.

I would like to congratulate the Twin Cities Club No. 12 on a very fine convention and to thank them for their hospitality and hard work to make our stay in Minneapolis-St. Paul a very enjoyable and informative experience. Martha and I would especially like to thank Mr. & Mrs. Tom Partridge, Mr. & Mrs. George Olsen and Mr. & Mrs. "Shorty" Ford.

The most pressing problem in our organization is the alarming rate of membership decrease. We must all do our best to stop this decline and to make our order grow and prosper throughout our great industry.

Fraternally,

As I come to the end of my first year as Supreme 9 I would like to finish with several activities in J-8.

Aug. 13th, Club No. 118 held their Annual R & R Golf and trap Shoot at the Brandon Country Club where about 120 Golfed on their 9 Hole course, which was well organized by Norm Elkland. Afterwards everyone went to the Izack Walton Club for the Trap Shoot and Steak fry. We were pleased to have our Snark, Carle Hall and 1st Vice President Al Meier attend. Al flew in on Saturday and drove to Kimball and White Lake, S.D. area to visit his relatives. When he returned on Monday, we toured Sioux Falls along with the Battle Ship South Dakota Memorail, which Al served on. We spent Monday evening with several Hoo Hoo members discussing Hoo Hoo in general. Tuesday, the 13th, Al had to show us all how to win a Golf Trophy in So. Dak. Both Carle

(Cont'd on next Page)

and Al gave short reports on Hoo Hoo and the International Convention coming up. Many prizes were given out by drawings along with a Shot Gun.

September 10th Southern Minn. Club No. 150 held their last Golf outing of the year at the Owatona Country Club. They had a large turnout and everyone had a good time golfing. A great Sirlion Steak followed a Hospitality hour. Twin Cities Club No. 12 President Roger Scherer gave a report on the upcoming Convention in Minneapolis.

September 9th Club No. 118 held their annual Election at the Elks Club. I encouraged members to try to attend the convention.

Friday, September 13th Marian and I drove to Minneapolis for the International Convention. Saturdays Board meeting was very informative and a lot was accomplished. We all have a lot of work ahead trying to keep our members we have along with new Kittens. It is the duties of all of us to work harder in the future to increase membership by keeping those with us active in our local Clubs. As I travel around J-8 Jurisdiction I will encourage Clubs to attend every meeting and to take active part in local activities. We in J-8 were very fortunate to have a small increase in membership.

With our new Snark, Al Meir leading us along with the rest of the Officers we should have a great year. I am sure he has many new ideas for all of us.

At this time, I want to thank the Minneapolis Club for putting on a great Convention. Everyone had a great time. Now is the time for another year to work harder and increase our membership.

Last thing is, I would like all clubs in J-8 to send me a

report on all new club officers, and keep me informed on your club activities.

HEALTH, HAPPINESS, AND LONG LIFE.

Our '85 Convention was held one week prior to writing this report, and I arrived back in Orlando, enthused and gratified from a week of great fraternalism and some hard work at business meetings, the results of which, guide our Order.

The most important issue addressed at this convention is MEMBERSHIP. S-9 Gordon Graham illustrated a serious trend that has afflicted Hoo-Hoo. The decline in membership. I am sure that Gordon will address this problem in greater and better informed detail elsewhere in this journal, but, I challenge all of Jurisdiction IX's members to continue their aggressive search for new members and meet or exceed the Hoo-Hoo International goal of 10 percent increase — let's define that a little further, 10 percent increase means retaining all our paid members and adding another 10 percent to that figure. Incidentally, our jurisdiction won the award for the greatest increase in

membership from 626 paid members to 668, or an increase of 6 percent. We have to give a lot of credit to Central Florida Club No. 115, and our recently re-activated Jacksonville Club No. 52. I would like to say that we did an outstanding job, but in all honesty, we won by default. Of 9 jurisdictions 7 lost members — Jurisdiction VIII and ourselves were the jurisdictions to increase.

The responsibility lies with club officers. If we don't plan interesting meetings, have active committees and all the things that can make Hoo-Hoo a desirable organization to belong to, we will continue to decline.

On to lighter things — the Board of Hoo-Hoo International gave their blessing to hold the Hoo-Hoo International Convention in Orlando, in 1988. We are excited that the Florida Lumber and Building Materials Dealers Association have offered to run a joint convention with us. This opportunity opens us so many bonuses for us — guarantee room rates, greater participation, lower costs, a professionally run convention, etc. But of most importance, the opportunity for a larger segment of Hoo-Hoo membership to attend a well run, economical convention in possibly the most desirable vacation area in the world!

An occurrence of interest took place at the convention. At the suggestion of Supreme-9 Gordon Graham, Jurisdiction II, an old society was rejuvenated — the Osirian Cloister. This is a group of dedicated Hoo-Hoo members (past Snark's) and they will act as an overlook committee. One has been appointed to supervise each Supreme IX. Dick Wilson, Rameses No. 75, will be looking over my shoulder to make sure, I'm doing a good job for this jurisdiction. For those of you who know Dick, you know I'm in a heap of trouble if I don't do right as there are very few people in Hoo-Hoo with his dedication to, and love for, Hoo-Hoo.

I would appreciate if all Jurisdiction IX clubs would put Dick on their mailing lists, for meeting notices, etc. and keep him informed. His address is: Dick W. Wilson L-51796, Timber Products Sales Co., 3071 Peachtree Road, Atlanta, GA 30305; phone (404) 261-2895.

Jurisdiction IX held its first Summer Conference (there were too many people in attendance to call it a mini-conference) at Cocoa Beach on July 4th weekend.

We were especially gratified by the large number of International Officers who attended — Snark Carle Hall and wife Roberta, Museum Director and Rameses No. 72, Jimmy Jones and wife Betty, Chairman of the Boards and Rameses No. 75 Dick Wilson and wife Fran, 1st Vice President (now Snark) Al Meier and wife Georgia, 2nd Vice President Jack Jacobson, Supreme 9 of Jurisdiction III, Darrell Pardee.

Presidents of Officers of all Jurisdiction IX clubs were in attendance and all enjoyed the events which included golf tournaments, beach party and fireworks display, dinner dance, two business sessions — 1 international and 1 local. Deputy Supreme 9 Frank Gray organized the conference and was ably assisted by Deputy Supreme 9 Larry Jordan, Chuck Browning, wives and members of Central Florida Club No. 115, host club. Next year Jacksonville Club No. 52 will host the conference with support from Central Florida.

Everyone had a great time — the conference was well planned and run and all are looking forward to next July 4th weekend.

A group of Hoo-Hoo members and wives from the U.S.A. will be making a three week trip, visiting Hoo-Hoo clubs in Australia and attending the Jurisdiction IV Convention in Launceston, Australia, during October. Sylvia and I will be accompanying them and looking forward to the trip.

I will be visiting all clubs soon, and I'm waiting for the Snark to let me know his itinerary in this area. If there are certain functions that you would like me to attend, please let me know a little in advance.

In the meantime, Best wishes,

Health, Happiness, and Long Life,

MERRIMENT IN MINNEAPOLIS !!

The 1985 Hoo-Hoo International Convention was a big success

Your Twin City Club 12 hosted the 93rd International Hoo-Hoo Convention at the Hyatt-Regency Hotel on Sept. 14th thru the 17th. We got a break in the weather with three days of sunshine that made our activities most pleasant.

The Convention was kicked off with a cocktail party the evening of the 13th. The hotel facilities were superb and their Hors D'oeuvres table was most elegant. Strolling musicians provided music during the evening.

General meetings were held on Sunday and that noon the men's stag luncheon was chaired by Roger Scherer. Bill Fenzel, Congress from the 3rd District of Minnesota gave an interesting report on what to expect in Washington, D.C. balance of this year. He felt no tariff on Canadian lumber but perhaps free trade between Canada and the U.S. The trophy for the lowest Hoo-Hoo number attending the Convention was Howard Cosler L-33110 of R.B. Thompson Lumber Co. Will be on display at the yard till Sept. "86." Howard is 93 years old. That evening members were bused to St. Paul for three hour trip on the Johnathan Paddleford on the Mississippi River. A dinner of Barbequed ribs and chicken with fresh corn on the cob was served. A Combo played dance music during the trip and a most festive evening was had by all.

Tuesday was an open day with 36 golfers playing at Braemer golf course in Edina. Rest of the members had a

bus tour of the Twin City area. Buses stopped at the Union depot in St. Paul for lunch where they had a choice of three different style restaurants. That evening the New Hampshire club hosted a Cocktail party all those attending got a jar of their local Maple syrup.

Tuesday general meetings were held till noon when a joint luncheon was held. A humorous speech was given by Jack Taylor from Columbia, Mo. that was enjoyed by all. At three p.m. a Concat was held with ten kittens initiated by all past presidents of the Twin City Club. The Embalming of the Snark followed with Dick Wilson and rameses providing the humor.

There were 125 registered guests from outside the Twin Cities and 42 local members attending various events.

The Convention was a success because of the work done by the Co-Chairman Dick Hogan and George Olsen. Chairman for the daily events, Dick Jones on the 14th, Rich Geary on the 15th, Jim Carlson on the 16th and Peter Miller on the 17th. Shorty Ford handled the welcoming committee, Jim and Tom Omeara along with their wives did a great job of handling the registration. Steve Weeks handled the publicity, Tom Fahey the transportation, Jim Carlson, the golf, Don Butler bus tours, Eric Canton the entertainment, Bill Gits and Tom Scanlon the Concat. Jim Toepel the

A letter that I received from the New Snark Al Meier of Tacoma sums up the feelings of most people that attended the Convention.

Dear Tom: "It was great to see you at the Mpls Convention, as Chairman of the 93rd, you did a superb job. It had to be one of the best conventions I've attended during all the years in Hoo-Hoo, your people are to be commended for the fine work and performance."

Old Timer's Trophy - The award for the lowest Hoo-Hoo number at the convention was awarded to (r) Howard Cosler L-33110.

Museum Director Emeritus - Jim Jones (center) was presented a plaque by Bernie Barber (l) proclaiming him Museum Director Emeritus in honor of his dedicated service to Hoo-Hoo and the museum. Jim's wife, Betty, looks on.

Wood Promotion - Bill Philip (R) accepts the Wood Promotion Award for the Brisbane Club from Laurn Champ as Al Meier observes.

Wood "Toilet Seat" - Mrs. Bill Patterson was the high bidder for this toilet seat (\$330) with proceeds going to the museum fund. Dick Wilson presents the award.

COMMITTEE REPORTS

TREASURER'S REPORT

There is good news and bad news, as frequently happens when discussing conditions of the fraternity.

The bad news is that the total number of paid members dropped from 7423 in 1984 to 7108 in 1985. It is always discouraging to learn that we lose many members, even though we also have many new kittens each year.

The good news is that the amount of money received from dues, reinstatements and new members exceeded last year, which was \$112,775, and this year \$118,037. This, of course, was due in part to the increase in amount of dues which went into effect a year ago. The total amount received, including sale of specialty items, advertising in the Log & Tally, and interest, was \$140,791 compared to a year ago, which was \$126,059.

The total expenses for the year were \$111,805, compared to the budget, which was \$124,190, which, of course, is always good news.

Some of the specific expenses that exceeded the budget were telephone, printing, promotion. Some of the expenses that did not meet the amount budgeted were Supreme Nine Intra-Jurisdictional expenses, the officers travel expense, and the Operations Manual.

The total assets at the end of the fiscal year were \$105,852 and members' equity was \$90,138 which is in CD's and money market accounts. Bernard B. Barber L-48864

MUSEUM REPORT

First, I want to thank the Twin Cities Hoo-Hoo Club 12 for the participation in our fund raising for the museum at the Hoo-Hoo International Convention in Minneapolis. They gave us space at the registration desk, sold our merchandise and kept track of the monies.

The auction of the Oak toilet seat donated by Bernie Barber and the Hoo-Hoo tie donated by Bob Frost was a great success. I want to thank Niletta Patterson for buying the toilet seat and Jeff Loth for buying the Hoo-Hoo tie. The Museum realized over \$600 from the two items.

Also, I would like to thank all of the participants who bought tickets on the Redwood Burl Clock and the Redwood carying of the American Indian.

As chairman of the museum committee I would like to invite everyone to Gurdon, Arkansas March 20-22, 1986 for dedication of our new building. Plan ahead and be there. If you have business in the Southeast plan a trip in March and come to Gurdon. Thanks again to everyone for the cooperation and the participation.

Jimmy Jones

REDWOOD GROVE REPORT

During the 1984 Convention in Washington, D.C. over \$800.00 were raised to be used towards the purchase of a redwood bench and bronze plaque. This bench and plaque has been purchased and placed in the HOO-HOO Redwood Grove in recognition of the work AL KERPER had done for HOO-HOO.

The total purchase price of both bench and plaque was \$1100.00. The Redwood Grove committee took the \$800.00 raised in Washington, put it with approximately \$100.00 left in the Redwood Grove Treasury, which has left us in the red.

REPORT OF COMMITTEE ON ADMINISTRATION

Tuesday, September 17, 1985

1. We accept and approve the reports of the Treasurer and other officers of the Supreme Nine.

2. We recommend that the budget as approved by the Board, shall be strictly adhered to and that no line item may be exceeded by more than five (5) percent without prior approval by the Executive Committee.

3. We recommend that the Executive Secretary continue to submit a monthly trial balance to the Board of Directors.

4. We appreciate and compliment the officers and members of the Supreme Nine for their dedicated efforts for our great International Order.

5. We compliment the Executive Secretary, Billy Tarpley, and his assistant, Beth Thomas, for their efforts and cooperation with the officers of the Order during the year.

6. We remind all members of the importance of submitting their annual dues by December 9.

7. We recommend that the Board give consideration to the funding of the Executive Secretary's promotional activities and travel.

8. We appreciate and compliment the continued effort of Rameses Jimmy Jones and his Museum committee, and in particular the efforts in providing the extensions to the building which affords much improved housing of the museum artifacts and additional working space for the administrative staff.

9. We commend the Executive Secretary and staff for the regular and informative production of the Log & Tally and express special appreciation to Phil Cocks and members of the Supreme Nine for their efforts in gaining advertising to subsidize the costs. We remind all members and club secretaries of the importance of submitting suitable copy for inclusion in this valuable publication.

10. We recommend that the Committee for the 1992 Centenary Celebration be formed by the incoming Board, as outlined in the previous report.

11. We appreciate and compliment the efforts of First Vice President Al Meier, Gordon Graham and their supporters for investigating and formulating plans for increasing the Order's membership. We accept and approve the formation of the New Membership Committee, the new "Osirian Cloister", and the Membership Retention Committee and accept this subject to be of prime importance to the survival and growth of our great Order. We most earnestly recommend the fullest cooperation with such committees by the international officers, Rameses, Club Officers and all members to achieve a health, growth pattern as recommended and adopted at this 1985 Hoo-Hoo International Convention.

Respectfully submitted,

COMMITTEE ON MEMBERSHIP — 1985 Hoo-Hoo International Convention — submitted Tuesday, September 16, 1985.

By direction of the Board of Directors, the Membership Committee has instituted the following committees to address the problem of membership decline in Hoo-Hoo International: (1) **Committee on New Members**; co-chaired by incoming 1st Vice President Jack Jacobson and incoming 2nd Vice President Dick Campbell; other members are Brent Crosby of J-VI, Phil Cocks of J-IX, Lyle Hoeck of J-VIII, Keith Waddell of J-V, and Bob Frost of J-IV. (2) **Committee on Retention**; chaired by Gordon Graham; other members include Eddie Hunt of J-VII, Bill Paterson of J-III, Pete Shearer of J-I, and Bob Frost of J-IV.

The **Committee on New Members** will work to upgrade and improve new member packets issued by the international office, assist each Supreme Nine in forming new clubs and reactivating disbanded clubs, and will help local clubs coordinate recruiting activities.

The **Committee on Retention** will study methods to implement new programs designed to prevent the loss of 1st and 2nd year members.

The Executive Secretary will seek to develop, with the help of other committee members, programs to draw inactive members back into active membership in the local club and HHI. One method will be a series of letters from the Board of Directors, Snark of the Universe and Supreme Nine member addressed to the inactive individual. It is the opinion of the committee that the lack of attention given the individual by international has contributed greatly to the decline in membership. Hopefully, individual attention will help restore pride in Hoo-Hoo.

The committee also appointed a Rameses from each jurisdiction to serve as a member of the new "Osirian Cloister." The Rameses appointed are as follows: J-I, Wade Cory; J-II, Bob Van Every; J-III, Dan Brown; J-IV, Kevin Kelly; J-V, Bill Bader; J-VI, Jimmy Jones; J-VII, Laurin Champ; J-VIII, Tom Partridge; J-IX, Dick Wilson. The Cloister will serve as an "oversight" committee in monitoring the efforts of the Supreme Nine in working toward membership retention and will offer assistance in achieving that much desired end.

As a means to promote the benefits of Hoo-Hoo International, the Committee voted to establish the "Jack Cheshire Media Award," as recommended in 1st Vice President Al Meier's report which was adopted by the Board of Directors September 14, 1985. The award would be presented perpetually at annual conventions to the club which did the most to promote Hoo-Hoo during the past year. A plaque would serve as the award to remain at the Hoo-Hoo Museum in Gurdon. Winners of the award would be presented with a certificate and the name of the club would be inscribed on a gold plate and affixed to the plaque for posterity. The rules governing eligibility for the award would be very similar to those utilized in J-IV.

WOOD PROMOTION WINNING ENTRY BY BRISBANE CLUB 218

The Brisbane Club this year sponsored "Timber Week '85" — a week long industry promotion of wood products.

Space was taken up in the City Mall by way of promotional literature — manned by a minimum of two Hoo-Hoo members — all day during business. 2,000 trees were given away along with "Thank You Mother Nature for Timber" stickers. A "Fashion Parade" was also held three times per day to attract attention.

At the same time at the Brisbane Exhibition Grounds, approximately 14 member companies staged displays ranging right up to a "complete house." This was held in conjunction with the Brisbane Home Show which was sponsored by a newspaper-Radio-Television station.

At the Home Show Exhibition Hoo-Hoo also had a stand where we raffled a barbecue setting in cypress. Ticket sales exceeded \$3,000 and the prize was donated, so profit was good.

The culmination of the week's activities was the Annual Timber Ball. Two events happen at this that are of significance. Firstly, a Miss Timber and Miss Timber Charity Queen contest is run. The girls raised more than \$11,000 so this, added to the \$3,000 from the raffle, made for a substantial contribution by the club to local children's charities.

The second big item at the Timber Ball, which was attended by 360 people, many of whom of course were not Hoo-Hoo members, was the presentation of Timber Innovations Awards. These fall into these categories, each of which attracted a cash prize of \$500. The categories are:

(1) Promotion — won by a firm who re-constructed a colonial style house within their warehouse, showing how much timber the old house used. (2) Production — won by a sawmilling company who designed a "straightening" machine for green hardwood studs. (3) Education — won by our timber research council for a kit-form educational box-of-tricks for distribution through Queensland schools.

The whole week proved an exercise in bringing Hoo-Hoo together to work for wood promotion rather than just for our equally important role of fraternalism.

The Brisbane Club 218 wishes all at Minneapolis Health, Happiness and Long Life! (Presented by Bill Philip L-84008 of the Brisbane Hoo-Hoo Club 218)

NOMINATION

Another Hoo-Hoo year has come to an end. Looking ahead to the Hoo-Hoo year 1986-87, I would like to nominate Phil Cocks of the Central Florida Hoo-Hoo Club to the office of International 2nd Vice President for the Hoo-Hoo year 1986-87.

Phil has done a great job in his club, jurisdiction and for Hoo-Hoo International. As a Supreme Nine member Phil works very hard not only in his own jurisdiction, but all over Hoo-Hoo Land, helping in any way he can in the advancement of the Hoo-Hoo cause.

The election is one year ahead, but time goes very quickly. I just want to be on record of giving my support to Phil Cocks.

Fraternally,
Jimmy Jones, Rameses 72

THE EXECUTIVE'S PRAYER WANTED... A MAN

A man who can find things to be done without the help of a manager and three assistant.

A man who gets to work on time in the morning and does not imperil the lives of others in an attempt to be the first to quit work at night.

A man who is neat in appearance and does not sulk because of an hour overtime in emergencies.

A man who listens carefully when he is spoken to and asks only enough questions to insure the accuracy carrying out of instructions.

A man who looks you straight in the eye and tells the truth every time.

A man who does not pity himself for having to work.

A man who is cheerful, courteous to everyone and always determined to "make good".

A man who, when he does not know, says: "I don't know," and when he is asked to do anything says: "I'll try".

EDITOR'S NOTE: Recently, I had the honor of addressing a BMAE conference in Leland, Michigan about Hoo-Hoo. Rameses Bob Van Every of Detroit and his wife, Marilyn, were kind enough to extend every hospitality to me during my stay. I felt a reprint of the following letter was in order.

August 28, 1985

Bob and Marilyn Van Every
33715 State Street
Farmington, MI 48024

Dear Bob and Marilyn,

I can't possibly thank you enough for the wonderful hospitality you showed me during my visit to Michigan.

There aren't too many people who would wait till the wee hours of the morning to pick up a guy at the airport, invite him into their home for two nights, take a full day out of their busy schedule to drive him to and from a town five hours away for a 40 minute talk, treat him to a wonderful night out, serve him breakfast and return to the airport all in the course of a day and a half!

You are great friends and I so much appreciate everything you've done. If I can ever return the favor just let me know.

THANK AGAIN!

Sincerely,
Billy Tarpley

TACOMA OLYMPIA HOO HOO CLUB 89

Our September meeting brought out 50 members with 12 past presidents.

Two items of interest for the club is that our good friend Bert Vaughan

NEW OFFICERS FOR DETROIT CLUB

President Jim Maicke

2nd V.P. Paul Court

Secretary-Treasurer Gordon Graham

is feeling good and gained weight. The other is that our former Secretary-Treasurer Larry Hund has been having heart trouble and is in intensive care at Tacoma General Hospital. As of this date, September 23, he is in stable condition and was resting better this last weekend. His wife Blanch said he still has a long way to go yet.

Our own First International Vice President told us about the upcoming International Convention where he has been elected "Snark of the Universe". Three cheers for Al Meiers and the Tacoma Olympia Hoo Hoo Club 89. We can all be proud of this achievement. Al told us that his real objective for this year will be getting the membership increased. He plans to do this by getting interested lumber people to join and keeping their interest in the club so that they will

stay with us. Our membership at this time is 181. Al said that he would like to see that increased 10 to 20 percent next year. Going along with this our president Bob Vandewall will be appointing a Committee of four or five to work on new kittens. Volunteer or you may be drafted!!

Club 89 would like to invite all of Jurisdiction III to a reception for the Snark of the Universe on November 12th. We will be sending out more information to each club.

Give a big hooray for the chairmen of the annual auction, Barney Wagner. He and co-chairman Les Sjoholm worked hard and the club members donated very generously. Barney reported that we netted approximately \$3,300.00 after expenses.

Our speaker for September was Randy Stevens, marketing manager for the Seattle Mariners. All baseball fans were pleased to find out the Mariners are out to win. He brought with him some bats, hats and posters to raffle off. Ted Vaughan and Bob Brokenshire won bats for the grandkids. Farmer, Sheffler and Miller won hats. Ray Dickerson and Paul Anderson won posters. Ken Thompson won a set of Mariner glasses and 10 bucks. Bert Vaughan was drawn for the permanent pot but was not present.

Dues notices are in the mail so please get your payments in early.

HOO HOO CLUB OF SPOKANE 16

The first Hoo-Hoo Meeting of the year under President Perrin Zanck was called to order at 7:29 P.M. at the Plant of Bestway Structures in Spokane Thursday night, Sept. 19, 1985. The members were treated to a fine "Lite" Social hour, and a fine dinner cooked by Bestway employee, Joyce Thompson, prior to the meeting.

A Short Form Concat was held to initiate 4 new members (2 others had been concat in Missoula, Mont. on July 2). A proper mix of levity and seriousness ensued with the degree team reading from a 1924 edition of holding a Concat, and ended with a very dedicated and inspirational message on Hoo-Hoo by Visiting Officer, Rameses 71, Gene Zanck.

Following the Concat, the members were given a fine tour of the Plant by owners Al Bair, Cecil Cleveland and Gary Smith. The plant is very efficient and makes Trusses of various sizes and panels for walls, etc. Later Joyce Thompson demonstrated the Computer used to "set up" all of their various jobs. It was a very good, enjoyable and interesting meeting.

GREEN PETER HOO-HOO HOLDS 11th ANNUAL GOLF TOURNAMENT

The weather cooperated beautifully on Sept. 20, 1985, the last day of summer, for the Green Peter 11th annual golf tournament at McNary Golf Course, Salem, Oregon. One hundred and five golfers whacked away with differing degrees of intensity, assisted by a new feature

this year . . . two lovely ladies dispensing refreshments from a roving cart, to nurture to those who could not last between stationary kegs. Char-broiled hamburgers were served on the Course and a spirited putting contest was followed by a delicious steak dinner.

The ever-present Red Shirt Gang was particularly vocal for one of their

own members. Roger Freeman, winner of the Buffalo Head for the shortest drive on No. 1 hole. Door prizes contributed by many added to the fun for all.

The two big winners from last year's tournament repeated this year, an unusual occurrence. Bernie Reichal won the low gross trophy with a 74 and Don Dickey repeated as low net Callaway winner. First flight winners

were Ron Vickers, Brent Walker and Stan Andrews. Tom Ross, Rick Williams and Ken Boardman were second flight winners. Third flight honors went to Doug Woodcock, Don Andrews and Bill Blackerby. Winners of the fourth flight were Don Jones, Anne Pond and Walt Wirfs.

Long drive award was won by Jim Hall, accurate drive by Mike Maehara and K.P.s. by Randy Freeborn, Doug Fish, Don Dickey and John Nolan.

High Gross honors went to Randy Johnson who became ill when thinking about his round. All look forward to next year's tournament.

Pat Pond, President and Master of Ceremonies, was totally shocked when John Pien of the Portland Club presented him with a hand-carved wood plaque for his devoted work for both Clubs.

SEATTLE HOO HOO CLUB 34

The Seattle Hoo Hoo Club 34 got off to a flying start at the September 10th meeting. All 57 members in attendance enjoyed a terrific steak dinner at the Swedish Club. Club officers worked hard at promoting the sales of both hats and bumper stickers to the new members.

This year's president, Steve

Matson addressed the Club with important issues such as prompt dues payment, and attendance of our monthly meetings. Steve who is attending the convention in Minneapolis, will be bringing back some valuable ideas for Seattle's 1987 convention.

The highlight of the night was the introduction of our guest speaker from the Seattle Seahawks, Charle

Young. Back by popular demand, Charle's speech outlined the importance of unity within an organization and the use of setting positive goals. Midway through the program, Charle opened up the floor for an informal question and answer period. Charle did make one very clear point: the Seattle Seahawks will be going to this year's Super Bowl.

WINEMA HELPS HOST FORESTRY EDUCATION TOUR

Winema Hoo-Hoo No. 216 participated with the local area schools, Forest Service and other businesses and organizations in putting on a Forestry Education Tour. The Education Station sponsored and manned by members of Winema 216 focused on informing the students about wood products originating from the local area. The program included many samples of locally produced and manufactured products.

Those students participating were all local 6th grade students. The tour lasted three days with different students each day. Approximately 200 students a day attended the tour.

Please see Bulletin for more information.

WINEMA HOO-HOO CLUB REPORTS

Thanks to Dave Bluhm and a lot of others, the Eagle Ridge Steak Fry was a huge success. Thanks go to Bill Patterson and John Hall for the new stairs, Tom Strunk for out houses, Weyerhaeuser for the fire truck, Mike Balcom and Bear Cat Logging for the watered road, Ben Starr and Columbia's crew for the grill and Mike Pellegrino and Ralph Lyon for the excellent bartending.

New officers for the club are as follows: Vicegerent Snark, Ken Dunn; President, Dave Bluhm; Vice President, Wes Sine; Secretary, Buzz Wagner; Treasurer, Paul Wunder. The Board of Directors are John Hall, Ed Maloney, Bill McLean, Arthur Patterson, and Pete Crebbin.

HOO-HOO CLUB OF SPOKANE NO. 16

News Item

The last meeting of Hoo-Hoo Club 16 of Spokane was held at the Poolside of the spacious and very interesting home of Vice President & Mrs. Bill Lenten. Our wives were our special guests.

After a Social Hour, a fine barbeque dinner was served.

President Al Stadtmueller opened the meeting with thanks to Bill and Ellen Lenten for their hospitality. Then 2 new members and their wives were introduced.

The President then read from a letter of information about the Snark Ernie Wales Safe Driving Cup, established in 1958 by the late E. Ralph Edgerton. The Cup was then awarded for 1985-86 to new member Howard Peuck, who was greatly surprised and pleased to receive it.

After telling the members and their wives about the planning for the next Hoo-Hoo year, with many interesting meetings in the offing, President Al turned the meeting over to Rameses 71, Gene Zanck. Gene, then, "officially" installed the new officers and directors (as listed herein).

Perrin Zanck, the new President was welcomed by all, and his Presidents pin was pinned on him by his mother, Jackie Zanck.

All agreed that this was one of our more enjoyable meetings, and that the Club had had a fine successful year.

PEUCK AWARDED CUP

Howard Peuck was awarded the Snark Ernie Wales Safe Driving Award (Cup) for his many, many miles of Safe Driving his car, pickup, and large trucks for his employer, WICO. Howard retired September 1. Congratulations and best wishes, Howard! The Cup was donated to the Club by the late E. Ralph Edgerton, a long time member of Hoo-Hoo and 17 year Chairman of Timber Products Bureau. All recipients, except L.C.H.S. driving instructor, John Stantus, have been our club members.

PAST SUPREME NINE MEMBER MIKALSON CLIMBS KILIMANJARO

A LATE-LIFE MARCH PUTS MAN ON TOP MT. KILIMANJARO

Norman L. Mikalson was 25 years old in 1936, when Ernest Hemingway's insightful short story, *Snows of Kilimanjaro*, first appeared in print, and 49 more years were to pass before Mikalson himself would climb Africa's highest mountain.

"I read in the *International Travel News* that you don't need crampons or rappelling or special equipment to reach the top," Mikalson relates today. "I told all my friends I was going to do it, and then I had to do it."

Norman Mikalson describes

himself as semi-retired from the forest products business. He and his brother operated a sawmill in Spokane, one at Arden and another in Colville for 30 years before selling out to Plum Creek Timber Co., a Burlington Northern subsidiary. Attending to their 30,000 acres of timber holdings in Northeast Washington and the Idaho Panhandle keeps him in marvelous physical condition.

Mikalson was 15 days past his 74th birthday when he ascended Kilimanjaro's Kibo summit on June 21, 1985, to watch the sun rise over Africa. He believes he is the oldest man ever to complete the climb.

The last day of the trek was pure torture, he confides. Although unaffected by altitude sickness as so many who attempt it are, "my legs felt like they were made of jelly." He had to take 25 steps at a time, then rest.

Kilimanjaro, a dormant volcano, rises 19,340 feet from the Serengeti plain in Tanzania as the world's highest free standing mountain. Its

Norm Mikalson

height is the more awesome because, unlike the peaks of the Himalayas, there are no other mountains around.

The top is always covered with snow and ice, despite the closeness to the equator, and a glacier fills the crater.

"A lot of people climb it," Mikalson says. "There were two other parties on the trail at the same time I was: eight Germans and 16 young Americans." The mountain is a Tanzanian national park, which provides guides and sleeping huts a day's hike apart along the trail. As Mikalson tells it, the ascent is a long, steady trek up a slope that starts at 4,500 feet. The trail is rough in places over roots and rocks through the jungle and crosses seven ravines. Above the timberline, the climber picks his way through lava rock and treacherous slide areas.

The sleeping huts, A-frames built by Norwegians, are outfitted with bunks, and a larger one at each location houses a dining hall and a dormitory. The last compound is at 15,500 feet, from which the climber starts at night in order to reach the top before sun-up.

Mikalson says he arranged for his safari party at a hotel in Moishi, a Tanzanian city of about 100,000. His guide, Douson, two porters and a camp cook cost \$50 for five days. "The hotel charges only \$16 a night, including dinner and breakfast, and they provide your food for the trail," he reports.

Altogether, his African trip cost him about \$4,000, Mikalson says, including round-trip air fare and three days and nights at the Nairobi Hilton.

(Cont'd on next Page)

(Cont'd from Page 28)

He went by himself. His wife, Mabel, preferred to remain safely at home in Spokane.

But she was on hand, along with television cameras, for welcome-home hoopla at the Spokane Airport, whence he had departed on June 12.

His Kilimanjaro climb bore little likeness to the Hemingway story of writer whose misspent life flashes before him as he faces death from gangrene. Hemingway portrayed it as a vision of himself as he might have been.

The author's symbolic frozen leopard was absent, too, and that suited Mikalson just fine. In fact, his only disappointment of the trip was that the batteries in his video camera ran down, causing him to lose his footage of wildlife on the Serengeti.

Would he recommend the adventure to others? "You bet," Mikalson says. "With good health, and proper training, most anyone can make the climb."

The Spokane Club 16 was honored this last 4th of July when two of the "Big" Hoo-Hoos from the Twin Cities Club paid them a visit. The above picture shows Shorty and Marly's Ford visiting with Spokane incoming President Perrin Zanck, Katie Reikofski and Rameses Gene Zanck.

ADELAIDE 212

Following our Timber Week seedling sales in Rundle Mall, a check for \$1,250.00 was presented to Peter Roberts for the Ballarat Bushfire Trust.

Planning is underway for the Jubilee 150 Timber Industry Dinner to be held on Friday, March 21, 1986. It will be an official part of the South Australian Jubilee 150 activities to celebrate the 150th birthday of the State. The dinner, organized by 212 will be held on World Forestry day, at the end of Timber Week in Adelaide. All members Australia-wide are invited to the premier Industry event of the year! Information from Paul Wriht (08) 292 2106.

Foundation and Life Member of 212, Lindsay LeMessurier was 70 years old on 29th May. Best wishes and a small gift were sent from the club.

Current committee of 212 have re-introduced the 'Timber Industry (W.J. Rees Memorial) Award.' The Award, in memory of 212 member Bill Rees who was killed in New Guinea while working. The Award which includes a selection of technical books and a five-day study Tour will be awarded annually to a student of the South Australian Institute of Technology, School of Architecture.

The announcement and presentation will be made at the Timber Dance each year and the winner will be required to submit a report of the inspection tour to the club.

MT. GAMBIER 214

Adelaide and Mt. Gambier clubs held a hoiint weekend at Bordertown over the June long weekend. Most arrived. The result was an excellent example of Hoo-Hoo fraternalism.

The Adelaide team was strong, Paul and Harold and Mary Wright, Carl and Grace Lindh, Max and Marg O'Reilly, Maurie and Kathie Drewer and Bob and Chris Mudge and children and grandmother. A small but determined Mt. Gambier team was Russell and Margot Hay, Laurie and Chris Judd and children, Brian and Sue and Val Page and friend Glad Bayley. Worrell and Barbara McCarthy joined the group as VIPs.

A bright start to the weekend was a beautiful Saturday night dinner enjoyed by all. Sunday was a day trip

(Cont'd on next Page)

with the Bordertown National Trust visiting Bob Hawke's birthplace and original home, then to Claytons Farm, an ambitious project to restore this very old farm where last century's time had remained still. Then to the Mundulla-Hotel for the final visit.

After a late-late lunch, rain prevented a further tour, Worrall and Barbara had to leave to catch a plane to Perth and were fare-welled.

Monday was return home for the old and new friends and sincere goodbyes from all. A feature was the fraternalism and immediate friendships between both clubs. While numbers were the only minor disappointment relying on the old faithfuls, the great success gave confidence for the future. Many comments of regret have already been issued by non-attenders.

BRISBANE 218

As this edition goes to Press, we will see the end of another very SUCCESSFUL Hoo-Hoo year for the Brisbane Club. Outgoing President John Croke will no doubt proudly reflect on his 12 months of office with an assurance that he has maintained a high level of activity and inspiration within the membership.

The closing highlight to the present year is without a doubt, the formation of the new Far North Queensland Hoo-Hoo Club 261 now based in Cairns.

With one of the Industry's major events of the year only days away, the South-east corner of our State is experiencing some very busy "behind the scenes" activity.

August 16 sees the staging of this year's "Innovation Awards and Miss Timber Dinner" and many companies are now finalizing their entry nominations for the prestigious Innovation Award presentations.

In its second year of operation, awards will again be presented this year to the company or organization judged most outstanding in the areas of Production, Promotion and Product Development. The same evening will see Final judging of entrants of the Miss Timber Quest, a major annual function which Brisbane 218 has now been arranging for the last 15 years or so. 1985 Quest entrants now number 8 girls, all of

whom are presently very busy finalizing their fund raising activities.

Our Annual General Meeting on August 22 will incorporate change of Office Bearers and incoming President Malcolm Powell is well prepared for the takeover. A staunch club supporter, Malcolm is also a past recipient of our "Alan Trist Memorial Award" presented each year to a Club member for outstanding participation and contribution to club activities.

Our new "9" is a good blend of old and new and the 85-86 year promises to achieve the usual high standard of club activities for which Brisbane Club is renowned, with fraternalism again the keynote.

218 has been proud to have a JIV President from our ranks for the last year. Worrall's untiring and devoted attention to Hoo-Hoo activities in general has provided the Jurisdiction with strong leadership over the last year and we are sure that all clubs have benefited from this as much as we have.

Our sister club, North East N.S.W. held its A.G.M. and changeover in June and combined a Concat of 5 new members on the same evening. We wish new President Ken Sipple all the success for the year ahead.

HOBART 235

Dr. Bob Brown, well-known conservationist, was Guest Speaker at a dinner meeting late last year.

He left us a much better informed politician, but we doubt we altered his direction.

Launceston and Hobart jointly celebrated World Forestry Day at a V.I.P. Dinner in Hobart. It was a ladies' night function which attracted over 140 members and guests.

Colourful Tasmanian Premier and Minister for Forests, the Hon. Robin Grey and General Manager, A.P.P.M., Mr. Peter Wade, were joint guest speakers who devoted their time to the topic of Forestry.

The successful evening raised \$600 which was donated to the Ballarat Bush Fire Appeal.

It is hoped this celebration will become an annual event on World Forestry Day with the venue alternating between Launceston and Hobart.

Another joint meeting between

the two clubs late in April at Ross near Launceston, culminated in a concat which saw four new recruits enter the order.

Only two months until the TAS-"Mania" Convention in Launceston: All intending delegates are warmly welcomed.

Any late starters are encouraged.

NEWCASTLE 237

Late last year a public appeal was launched in Newcastle to raise finance for the Rescue Helicopter service. The service was in difficulties due to a lease expiry and the helicopter was removed from service.

Newcastle Club made a contribution of \$500 when a check was presented to Terry Mulville, Director of the 2KO-Westpac Helicopter service. The funds were raised from the proceeds of a Beer and Wine Raffle.

The April meeting changed format in the forum of a tour of hardwood mills in the Gloucester-Stroud area.

Members visited Ron Nicholas' mill at Stroud and thanks go to Ron for the hospitality shown to us on this visit.

The party then proceeded to Gloucester and visited Fennings and Tatlor Timbers Mills. These mills were well worth inspection and showed how a modern, mechanized mill can operate with a minimum of employees.

The past few months have been a busy period for the club with a highlight being a family day Tour of Nobbys Signal Station where, once again, we were given VIP treatment and an enjoyable morning was had by all who attended.

It is with the deepest regret we record the untimely death of our club director and close friend, Frank O'Grady.

Frank was taken from us on the afternoon of Saturday, 23rd March, 1985, after having completed a round of golf which, apart from his family and our Industry, was his great passion in life.

ADELAIDE 212

Following our Timber Week seedling sales in Rundle Mall, a check for \$1,250.00 was presented to Peter Roberts for the Ballarat Bushfire Trust.

Planning is underway for the Jubilee 150 Timber Industry Dinner to be held on Friday, March 21, 1986. It will be an official part of the South Australian Jubilee 150' activities to celebrate the 150th birthday of the State. The dinner, organized by 212 will be held on World Forestry day, at the end of Timber Week in Adelaide. All members Australia-wide are invited to the premier Industry event of the year! Information from Paul Wriht (08) 292 2106.

Foundation and Life Member of 212, Lindsay LeMessurier was 70 years old on 29th May. Best wishes and a small gift were sent from the club.

Current committee of 212 have re-introduced the 'Timber Industry (W.J. Rees Memorial) Award.' The Award, in memory of 212 member Bill Rees who was killed in New Guinea while working. The Award which includes a selection of technical books and a five-day study Tour will be awarded annually to a student of the South Australian Institute of Technology, School of Architecture.

The announcement and presentation will be made at the Timber Dance each year and the winner will be required to submit a report of the inspection tour to the club.

MT. GAMBIER 214

Adelaide and Mt. Gambier clubs held a joint weekend at Bordertown over the June long weekend. Most arrived. The result was an excellent example of Hoo-Hoo fraternalism.

The Adelaide team was strong, Paul and Harold and Mary Wright, Carl and Grace Lindh, Max and Marg O'Reilly, Maurie and Kathie Drewer and Bob and Chris Mudge and children and grandmother. A small but determined Mt. Gambier team was Russell and Margot Hay, Laurie and Chris Judd and children, Brian and Sue and Val Page and friend Glad Bayley. Worrell and Barbara McCarthy joined the group as VIPs.

A bright start to the weekend was a beautiful Saturday night dinner enjoyed by all. Sunday was a day trip

(Cont'd on next Page)

(Cont'd from Page 30)

with the Bordertown National Trust visiting Bob Hawke's birthplace and original home, then to Claytons Farm, an ambitious project to restore this very old farm where last century's time had remained still. Then to the Mundulla-Hotel for the final visit.

After a late-late lunch, rain prevented a further tour, Worrall and Barbara had to leave to catch a plane to Perth and were fare-welled.

Monday was return home for the old and new friends and sincere goodbyes from all. A feature was the fraternalism and immediate friendships between both clubs. While numbers were the only minor disappointment relying on the old faithfuls, the great success gave confidence for the future. Many comments of regret have already been issued by non-attenders.

BRISBANE 218

As this edition goes to Press, we will see the end of another very SUCCESSFUL Hoo-Hoo year for the Brisbane Club. Outgoing President John Crooke will no doubt proudly reflect on his 12 months of office with an assurance that he has maintained a high level of activity and inspiration within the membership.

The closing highlight to the present year is without a doubt, the formation of the new Far North Queensland Hoo-Hoo Club 261 now based in Cairns.

With one of the Industry's major events of the year only days away, the South-east corner of our State is experiencing some very busy "behind the scenes" activity.

August 16 sees the staging of this year's "Innovation Awards and Miss Timber Dinner" and many companies are now finalizing their entry nominations for the prestigious Innovation Award presentations.

In its second year of operation, awards will again be presented this year to the company or organization judged most outstanding in the areas of Production, Promotion and Product Development. The same evening will see Final judging of entrants of the Miss Timber Quest, a major annual function which Brisbane 218 has now been arranging for the last 15 years or so. 1985 Quest entrants now number 8 girls, all of

whom are presently very busy finalizing their fund raising activities.

Our Annual General Meeting on August 22 will incorporate change of Office Bearers and incoming President Malcolm Powell is well prepared for the takeover. A staunch club supporter, Malcolm is also a past recipient of our "Alan Trist Memorial Award" presented each year to a Club member for outstanding participation and contribution to club activities.

Our new "9" is a good blend of old and new and the 85-86 year promises to achieve the usual high standard of club activities for which Brisbane Club is renowned, with fraternalism again the keynote.

218 has been proud to have a JIV President from our ranks for the last year. Worrall's untiring and devoted attention to Hoo-Hoo activities in general has provided the Jurisdiction with strong leadership over the last year and we are sure that all clubs have benefited from this as much as we have.

Our sister club, North East N.S.W. held its A.G.M. and changeover in June and combined a Concat of 5 new members on the same evening. We wish new President Ken Sipple all the success for the year ahead.

HOBART 235

Dr. Bob Brown, well-known conservationist, was Guest Speaker at a dinner meeting late last year.

He left us a much better informed politician, but we doubt we altered his direction.

Launceston and Hobart jointly celebrated World Forestry Day at a V.I.P. Dinner in Hobart. It was a ladies' night function which attracted over 140 members and guests.

Colourful Tasmanian Premier and Minister for Forests, the Hon. Robin Grey and General Manager, A.P.P.M., Mr. Peter Wade, were joint guest speakers who devoted their time to the topic of Forestry.

The successful evening raised \$600 which was donated to the Ballarat Bush Fire Appeal.

It is hoped this celebration will become an annual event on World Forestry Day with the venue alternating between Launceston and Hobart.

Another joint meeting between

the two clubs late in April at Ross near Launceston, culminated in a concat which saw four new recruits enter the order.

Only two months until the TAS-"Mania" Convention in Launceston: All intending delegates are warmly welcomed.

Any late starters are encouraged.

Golf director Ted Pratt did a great job, as usual, with the tournament at Green Acres Golf Course and the dinner and trophy presentation at Bella Casa Restaurant

June 19th. The weather was terrific and both events were fully attended.

The Simond Saw Trophy for low gross, which date back to 1927, was won by Ian Shopland. The Wray Clark trophy for low net was won by Rick Fortunato, and the Ted Pratt Trophy was won by Pete Madison.

There were many prizes to be given out and a very enjoyable day of golf and dinner made it a great outing.

The Annual Meeting and concat was held September 19 at Bella Casa Restaurant features as "Beer and Crab Night." And the Ladies Reverse Draw Night was held October 19 at the Terminal City Club.

ANNUAL MEMBERS AND FRIENDS PICNIC TO EVANS LAKE JUNIOR FOREST WARDENS CAMP — AUGUST 11, 1985

This year for a change we held it on a day the camp was in session so we could see the Wardens - boys and girls performing their camp activities,

such as buck sawing, axe throwing, first aid and fire pump use as well as supervised swimming and boating. This is the camp that Vancouver Hoo-Hoo club 48 supported quite fully over the years. And it is great to see it so well run and organized.

Camp Custodian Andy Savory, Camp Director and Lifeguard Gary

Charland and "Cooky" Eleanor kept the cookhouse open for us which was great.

It is a beautiful wilderness spot with a lake and trails and forest for teaching the Wardens how to protect and enjoy the Great Outdoors.

**REPORT FROM TORONTO
53 PRESIDENT
LYNN EDEY**

As your incoming President I would like to thank all the members for giving me this opportunity to serve you as President for one year. I would like all members to feel free to call me at 416-821-2606 and tell me the things they would like to see, hear, or have done to make our club a better club for you the members. If you have suggestions as to better places for our meetings in the East, Central or West ends of the city, persons we could have as guest speakers who would be interesting, any suggestions will be greatly appreciated. Ralph Ayers, as our executive in charge of making all the arrangements for our meetings, has proposed an excellent agenda for the 1985-86 season.

Our annual golf tournament is on

September 19th at Nobleton Lakes with Gord Condie as our golf chairman. Gord has put a lot of work into this tournament and I would like to thank him for his efforts. Due to a fire at Nobleton Lakes, Gord and his committee has arranged that we play golf at Carrying Place. Please watch for complete details from Gord elsewhere in this Cat-o-Log.

The annual International Hoo-Hoo Convention will be in St. Paul Minnesota from September 14th until September 18th and I will be attending with three other members of Toronto Club 53, Keith Waddell, Supreme Nine for Jurisdiction 5, Bill Bader, Rameses past Snark of the Universe, & Tommy Thompson. This will be my first convention, so I am looking forward to meeting new clubs and friends. I have an advantage

travelling with Bill Bader who will introduce me to the people he has come to know through his many years in Hoo-Hoo and his contribution as Snark. (Hopefully they will only be connected with Hoo-Hoo clubs if you know what I mean.)

One of my aims as your new President is to encourage new members. I am going out to all of you to bring a work associate, a friend, or someone you know connected to the lumber industry to our first meeting in October. Ralph Ayers has changed the Concat to the Spring with the thought that it will give new members a chance to attend a few meetings during the year and actually see what Hoo-Hoo is all about before they join officially, so let's get these people out and increase our membership.

Keith Waddell has worked close with some people from the Kitchener,

(Cont'd on next Page)

(Cont'd from Page 35)

Waterloo area and they have been successful in forming a new Hoo-Hoo Club which will be called the "Oktoberfest" club. Toronto Club 53 has joined with them on the purchase of tickets for Oktoberfest at the Concordia Club in Kitchener, a fine German Club which is known as the home of Oktoberfest. The date is October 16th, tickets will be on sale in September on a first come basis, so get your tickets early if you plan to attend this event. To get tickets you should contact Keith Waddell, 416-674-3333, Ralph Ayers, 416-298-0862, or myself at 416-821-2606.

I would like to thank Tommy Thompson on the job he is doing on our Cat-o-Log, if anyone has any information regarding their company, their industry, or an item from a magazine that they would like to share with all the members, send it to Tommy and I am sure he will find a place for it in our Cat-o-Log.

With this 1985-86 season predicted to be a good year for all the lumber industry, I would like to see all our members make an effort to attend the meetings, support our club and make the executives efforts seem worthwhile, and have a chance to meet your old friends and new ones.

A club that works together is a successful club.

Yours truly,
Lynn Edey 88462

REPORT ON TORONTO CLUB 53 EXECUTIVE MEETINGS

Secretary - Tommy Thompson

There were executive meetings held in June, July, and August at McFadden Hardwoods offices. The next meeting is scheduled for Tuesday September 3rd at 12:30 p.m. The subjects discussed included Race Night, The Hoo-Hoo golf tournament, The new club in Kitchener area, the Industrial Arts Program, The International Hoo-Hoo convention, The Log and Tally, The Cat-o-Log, and the new dues schedule. Financially we had a break even year, some meetings we lost money, some events we made money. Our newsletter was over budget and will be adjusted in the new dues schedule.

REPORT FROM WILLAMETTE HOO-HOO CLUB 33

As your Secretary-Treasurer, I want to apologize for getting behind in some of my functions. Business has been very heavy and as like most companies, Weyerhaeuser is running with fewer people and this requires longer hours and more emphasis on work and less on HOO-HOO. Hopefully, this can all be caught up in the next month.

Included with this mailing is a bill for 1985-86 dues. We are still at \$24.99, which included \$16.99 sent in to the International. Our cookie jar is in good shape and there is no reason to raise dues. Our goal is to get members.

Membership has dropped steady over the past 2-3 years and if you know of eligible folks that qualify for HOO-HOO, get application forms from one of the directors and get things moving for more members.

Remember, dues for new members are \$26.99, which includes \$16.99 International dues and \$10.00 International initiation fees.

We owe a big thanks to the 18 companies which donated \$100 each for "buying a hole" at our annual golf tourney. It is our hope to have their names on a yearly calendar, which we hope to have out in October. At this date, some things have not been finalized yet and we want to have an accurate roster of members plus a monthly events chart for you to keep in mind.

Rich has scheduled the September meeting to elect two additional board of director members, introduce the new officers, and have an open meeting about our club. We want to know what you want to do throughout the year.

It was with a great deal of sadness we learned of the untimely death of long-time member SWEDE JOHNSON. Swede was a solid member of the lumber sales business

for years and did many things in the community. His loss will be missed. Our thoughts are with his family.

The October meeting has been firmed up as FOREST PRODUCTS NIGHT and DICK TUTT is in charge. Dick is putting together an interesting program and please keep October 31 open on your calendar.

November will be RENO night and will be held at SHADOWS HILL CC on November 15. Chuck Marelli is again in charge and based on Chuck's past experience, this will be a fun night-wives, etc. are invited.

By now, Al Meiers has become SNARK OF THE UNIVERSE (President of Hoo-Hoo International). Al if from Tacoma, Washington and I know he will be down to see us during the year.

Remember, September meeting is Wednesday, September 25. We are meeting on an off-night due to the heavy schedule of events in Eugene this fall. Finding an open night was

(Cont'd on next Page)

(Cont'd from Page 37)

difficult. The Eugene Traffic Club and PNWSAB are meeting jointly on September 26. We are aiming for the fourth (4th) Thursday of each for our business meeting, unless speaker or unusual commitments dictate a change of date. Hopefully, you will go along with this.

Dues are due. Get your cards in for the September meeting. See you there.

THANKS,
ABB

AWARDS

Speaking of the Awards Committee, Dick Wilkerson will be administrating the same system that we have had going for the last four years; he will be looking for a replacement this year.

DOOR PRIZE: This is a raffle essentially. There will be a winner's name drawn from the "hat" containing the names of the participants for that evening.

GRAND PRIZE: At the annual meeting in June, a winner's name will be drawn from the "hat" containing all the participants names from each of our regular meetings beginning with the September meeting. The prize itself is a "FEE FREE YEAR". This includes membership dues, meals, etc. In the year just past, this was a \$130.00 value. Jack Simmitt will receive the benefits for this year. Congratulations Jack. This is the fourth year for this Grand Prize. Previous winners are:

1982-83 Al Fry
1983-84 Cliff Rizley
1984-85 Ray Adleron

LAPEL PIN: At each regular meeting, one name will be drawn from the "hat" which will contain the names of all our paid up members. To win, that individual must be in attendance at that meeting and be wearing his Hoo-Hoo lapel pin. Don't have one? Your club secretary has a few for sale at \$5.99 each. The winners will receive \$5.00. If there is no winner, the \$5.00 will carry forward and be added to the next drawing. We will start out our new Hoo-Hoo year with \$15.00 in the pot at the September meeting.

MEETING NOTICES-BULLETINS

This year Perfection Truss will be publishing and mailing our meeting notices-bulletins. We wish to express our grateful appreciation to them for performing this task for our club.

SIoux VALLEY CLUB 118 REPORTS ON R & R DAY

Some 150 members and guests attended R & R Day on August 13 at Sioux Falls, South Dakota. The Trap Shoot was held at Isaac Walton Club, and Brandon Country Club was the

site of the golf tourney, raffle, door prizes and refreshments.

Attending were Snark Carle Hall, 1st Vice President Al Meier, Supreme Nine Lyle Hoeck, Tom Scanlon president of Twin Cities Hoo-Hoo Club 12, and many others.

It was a picture perfect day for golfing and an outdoor steak barbecue. The golf trophies were presented to Wayne Nielsen for the

Championship Flight, C. Christie for the First Flight, and 1st V.P. Al Meier for the Second Flight. The Trap Shoot was won by Mike Wenande who went 25 for 25.

It was a fantastic outing and an honor for our club to have the Snark, 1st Vice President and representative of the Supreme Nine join us in our fun and fellowship.

TWIN CITIES HOO-HOO CLUB 12 REPORTS

Approximately 80 Hoo-Hoos and guest played golf on a cool day August 19th at the annual golf outing held at the Majestic Oaks Country Club. More than 40 more joined the golfers for drinks and a fine steak and fresh sweet corn dinner. The Snark of the Universe Carle Hall played in a foresome with this writer. "I shoot in the low 80's," said the Snark, but said later that he was willing to play when the temperature was in the high 70's also.

Looks as though the Snark has gotten in a lot of golf outings this past year. Emcees Dick Hogan and Jim Carlson had enough door prizes from club members to assure virtually everyone went home with a fine gift. Gene Moore won the grand door prize of a black and white portable TV and Jack Littfin took home the camera.

Numerous golf trophies were handed out and the low gross team travelling trophy again went to Don and Scott Prettyman, Mike Mogol of the Lumber and Millwork Barn and Herb Stanley of Pacific Muual Door Company.

Jurisdiction IX

CENTRAL FLORIDA CLUB 115 REPORTS BUSY YEAR

Jurisdiction IX has had another busy Spring and Summer. We held our Spring golf outing in April and had lots of fun, (I know, I was driving the beer cart.) At our meeting we have obtained outstanding speakers from community groups such as Straight Inc. and "The Bridge." The former is a youth drug and alcohol rehab program, and the latter being a prison ministry "half-way house" program. We are establishing Hoo-Hoo as a serious community minded organization.

In July we hosted our first annual J-9 Mini-Conference in Cocoa Beach, Florida with the help of members such as Frank Gray, Larry Jordan, Chuck Browning and Mike Smyth, it was a smashing success. We were represented by members of all seven clubs within our jurisdiction and

many international officers including the Snark, Carle Hall, himself. Including wives and children we had over 80 people in attendance. Next year's conference will be held in St. Augustine, Florida, to be co-hosted by the Jacksonville-Orlando clubs. Everyone within and outside our jurisdiction will surely be invited! Phil Cocks was nominated to the Supreme Nine for another term and he accepted with the stipulation that he be replaced for 86-87 so that he may run for 2nd Vice President of International in that year. Here I must throw in a plug for Phil in the endeavor. Hoo-Hoo could not have a better man working his way towards Snark of the Universe.

We also held our 2nd Annual Delta Cup Golf Tournament between the five Florida Clubs. The team of Mel Schrup, Tom Stead, Glenn Stafford and Peyton Vickers won the cup back from Miami 42 for Orlando 115. Jim Brock gave it up begrudgingly and warned us to watch out for 1986! Personally, I think Jacksonville 52 had more fun than anyone. They drank 56 beers (four people) and still made it to the awards dinner. Good Man, Dary!!!

In closing, I'll ask everyone to keep September 1988 in mind. That is

the year that Orlando 115 will host the International Convention. Plan to be there!!

HEALTH, HAPPINESS AND LONG LIFE!

**MEETING AT HAMPTON
ROADS CLUB 154**

On May 9th, Rameses Dick Wilson, Supreme Nine Phil Cocks and future Supreme Nine Frank Gray visited the Hampton Roads Hoo-Hoo

Club 154 to help celebrate Past Presidents Night. Much work had been done by Club President Russ McBride and Phil Cocks prior to this meeting and the results were a lot of beautiful plaques being awarded to a

lot of Old Timers and some not so old. We appreciate these fellow Hoo-Hoo'ers coming so far and as always Dick and Phil gave the club members some good advice and fellowship.

Cliff Cunningham L-71880

CLIFFORD H. CUNNINGHAM

Clifford H. "Cliff" Cunningham, 66, of Quincy, Mass., Executive Secretary of the New England Wholesale Lumber Association, died Aug. 17 at Quincy Hospital after a long illness.

Mr. Cunningham was extremely well-known in the lumber industry nationally & internationally due to his former position as Executive Secretary of the International Order of Hoo-Hoo, the lumbermen's fraternal organization, when the Club was headquartered in Boston. Cliff opted to stay in New England when the offices were moved to the club's birthplace, Gurdon, Ark. He was also Editor of their international publication "Log & Tally." While officiating at their headquarters, Cliff was in contact with lumbermen from around the world, from Boston to Sydney, Australia. Hoo-Hoo has approximately 10,000 active members around the world and about 130 clubs, and Cliff knew most of them.

Locally, he had been secretary of the Harry L. Folsom Hoo-Hoo Club of Boston, the largest in the world. An experienced professional, Cliff had been associated with Blanchard Lumber Company and the Warren Trask Company, lumber wholesalers, and for six years was editor of "The Commercial Bulletin," the lumber trade weekly.

Most recently, until the time of his death, Cliff was Executive Secretary of the New England Wholesale Lumber Association.

He was also a member of Columbian Lodge of Masons and was a U.S. Army veteran of World War II.

Mr. Cunningham is survived by his wife, Frances (Vaughn) Cunningham of Quincy; a son, Terry Cunningham; and a brother, Van Cunningham of Alfred, N.Y. Memorial services to be announced at a later date.

BILL JOHNSON 58004

Bill Johnson 58004, age 63, of the Oakland Hoo-Hoo Club 39 died September 9, 1985 in Walnut Creek, California.

Brother Johnson was the owner of Hobbs Wall Lumber Company in San Rafael, California where he went to work in 1952. He later became owner when Lou Goddard and Al Bell sold their interest in the early 1970's.

He was very active in the Oakland Club having served as a Board member for 30 years. He was president of the club in 1960-61 and was named Lumberman of the Year by the club in 1975. Because of his long service to the club the annual golf tournament "Revielle" was renamed in his honor in May 1985, and will now be known as the Bill Johnson Golf Tournament.

Johnson graduated Phi Beta Kappa from the University of California at Berkeley. He was a member of NAWLA, DUBS, University of California Forestry Alumni and the United States Marine Corps.

He frequently attended international conventions of Hoo-Hoo.

LEONARD HURD L-63142

Leonard J. (Larry) Hurd, 69, a resident of Tacoma the past 65 years, died Monday, Sept. 23, 1985.

Mr. Hurd, a past owner of Lumber Promotion, was born in Minneapolis, Minn. He was a member of First Presbyterian Church, a past president and past secretary-treasurer of the Tacoma-Olympia Hoo Hoo Club and a past Supreme Nine member of Hoo Hoo International. He also was a member of the Tacoma

Masonic Lodge and a past secretary-treasurer of the Tacoma Lumbermen's Club.

Survivors include his wife, Blanche.

Mountain View Funeral Home is in charge.

OLE MAY 47055

Ole May, former advertising manager for *The Merchant Magazine* for 13 years, died August 9, 1985, in Glendale, Ca. He was 84.

He retired from the magazine at the end of March, 1966. At that time he held the additional title of general manager.

Mr. May had worked for several lumber companies both here and in the Philippines. He worked for E.J. Stanton & Son, Los Angeles, Ca., before forming his own advertising production business, Ole May & Associates, prior to joining the staff of *The Merchant Magazine*.

Ole May is survived by his widow, Amelia, and one niece.

W.B. (BILL) HEMMINGSEN 67514

W.B. (Bill) Hemmingsen 67514 passed away on Sept. 23, 1985. He was a Past President of Victoria Club 183 and a driving force in our early years.

Bill was well known in the Pacific North West having worked for B.C. Forest Products as a logger and boom supervisor. He retired from Soke Forest Products as log manager. In recent years He was a consultant to Third World Countries sponsored by the Canadian Government. He will be missed.

JACK JONES

Jack Jones, 53, of Tacoma, died Friday, March 24, 1985.

Born in Mesquite, Texas, he was a resident of Tacoma for 20 years. He also served as president of Tacoma-Olympia Club 89 from 1982 to 1983.

He was the owner and operator of Graham Lumber Co. A veteran of the Army, he had served in Vietnam.

W.T.K. "TANK" MAY

W.T.K. "Tank" May, a veteran of lumber technology on the West Coast, died July 26, 1985, in Portland, Or. He was 82.

Mr. May devoted more than 30 years to the development and acceptance of technical information for the lumber industry. He joined the West Coast Lumbermen's Association in 1938 and became director of technical services in 1945. He stayed after WCLA merged into the Western Wood Products Association in 1964 until he retired in 1968.

He was well known for his "Douglas Fir Use Book." The basis for the present "Western Woods Use Book," it won several national awards as a best technical publication in the building products field.

Mr. May is survived by his wife, Lillian, two daughters, a son and four grandchildren.

ALFRED C. COLLIER L-35431

(Reprinted from Winena Club Bulletin)

Alfred C. "Cap" Collier, life member 35431, passed away on Friday, September 6, 1985. — Engineer, Forester, Timberbaron, rugged individualist, business man, hard-nose, philanthropist, but above all a "prime mover" and a "doer", he certainly left his mark on our community. A true lover of the outdoors, "Collier Park on the Williamson will serve as a lasting memory of his dreams" — Here he bespoke his own epitaph, saying, "May time and fortune bring you often to this pleasant place." Well done! Cap.

INDUSTRY FACING 'TRIPLE WHAMMY' FROM FOREST-TAX PLAN

The tax-simplification plan proposed by the Reagan Administration would put "a triple whammy" on the already hard-pressed forest industry and other private woodland owners, in the view of a Washington, D.C. forest-taxation expert. William Condrell of the Forest Industries Committee on Timber Valuation and Taxation said the plan would wipe out capital gains on timber, eliminate tax credits for reforestation and require full capitalization of timber investments. He said these penalties would discourage many industrial and non-industrial tree farmers from making the lengthy investment required to grow a seedling into a merchantable tree.

George A. Myles, a taxation and finance specialist for the U.S. Forest Service, also said he thought the plan as written would hurt forestry. Meanwhile, Rep. Ron Wyden (D-Ore.) has written to Treasury Secretary James A. Baker III, registering concern that the tax plan could "have a devastating impact on the nation's timber and pulp-and-paper industries" and timber-producing states.

1985 DIRECTORY OF MEMBERSHIP

The 1985 North American Wholesale Lumber Association Directory of Membership is now available to interested parties. The 92 page Directory lists over 540 companies in North America that are directly and indirectly involved in forest products distribution.

Both a "Buyers Guide" and a "Who's Who" in lumber wholesaling, the Directory provides manufacturers a roster of reliable wholesaler-distributors who marketed over 7.2 billion dollars worth of forest

products in 1984. Retail and industrial users of wood products are provided sources of supply and services. Each listing carries a firm's address, telephone, and telex numbers, personnel, species and products distributed, and market regions served.

The Directory is sectionalized by the three categories of NAWLA membership. The Wholesaler section lists 341 independent wholesalers while the Associate listings cover 152 primary and secondary manufacturers of lumber, plywood and related wood products. The final section carries a roster of 54 Affiliate Members that provide goods and services to wholesale forest product distribution.

Approximately eighty percent of the NAWLA wholesale company sales involved softwood lumber. The Directory provides the largest single market network for lumber products in existence. Those firms that operate distribution yards, remanufacturing facilities, wood staining and treating plants and reload centers are noted by their listing.

Eight pages of the 1985 Directory are devoted to the Association's organization, activities, programs and sales breakdowns for 1983. Dates and locations of upcoming Annual, Sector and Regional Meetings of the Association are listed.

Copies of the Directory may be obtained from NAWLA, 2340 S. Arlington Heights Road, Suite 680, Arlington Heights, Illinois 60005. The cost of the Directory is \$10.00 postpaid.

FOREST INDUSTRY EYES ECONOMIC BOON IN CHINA

China appears to be the one bright spot on the export market for American forest-products manufacturers, according to John Ward, Vice President for International Trade of the National Forest Products Assn. He said extensive general construction is going on in China and the Chinese are building 11 million housing units a year — six times the number in the U.S. China, Ward said, could represent a \$1 billion wood market by 2000.

MINI - BRIEFS

Nature is tough: Scientists say plants, streams, fish and wildlife are recovering rapidly in the 151,000 acres of forest land instantly "clearcut" by the 1980 eruption of Washington's Mt. St. Helens.

Three quarters of the people in developing countries rely on wood for cooking and heating.

The tropics, though containing roughly half the world's forests, presently account for only about 20 percent of the industrial wood produced.

More than one billion people in developing countries are facing fuelwood shortages, according to the UN's Food and Agriculture Organization.
