LOG & TALLY

NOVEMBER, 1988 VOLUME 98, NO. 1 48 PAGES

Log & Tally (ISSN 017 990) is published quarterly for \$5.00 per year by the International Confectionery Order of Hoo-Hoo, Inc., P.O. Box 118, Gurdon, Ark. 71731. Second class postage paid at Gurdon, Ark. and additional mailing offices. POSTMASTER: Send address changes to Log & Tally, P.O. Box 118, Gurdon, Ark. 71731.

PHIL COCKS L-77298

MEMO FROM THE SNARK

As of writing, it is just a few days since the completion of our 96th International Convention. As convention co-chairman, it is with some relief that I can report that everything went well, and hopefully all the delegates returned home safely. My personal thanks go to Frank Gray and Larry Jordan who handled everything at the convention for us and to the Florida Lumber and Building Materials Dealers Assoc. whose kindness in allowing us to share their convention is greatly appreciated. Pat Anderson in particular. Her professionalism was evident in all events.

In 2 days time, we will, together with 25 Hoo-Hoo members and wives, begin our visit to Hawaii and Australia, visiting clubs and the membership of 18 clubs, over a period of 3 weeks, ending with Tasmania, where I was born 51 years ago.

This year, on behalf of our Board of Directors, I ask for your re-dedication to the furtherance of our order. Fraternal and industrial organizations have come and gone over the past 100 years, but ours has endured and will celebrate our 100th birthday in 1992 in Gurdon, Arkansas.

How about planning on being a part of that celebration? The convention committee is planning on underwriting a good part of the cost, making this a really affordable convention. If you haven't attended a H.H.I. convention before, this would be a great one with which to start.

Each year at our International Convention we recognize those Supreme 9 members who have worked hard and have made a really worthwhile contribution to Hoo-Hoo. This man, Gordon Graham, from our Detroit Club, walked away with a truckload of awards. Gordon, congratulations, I know you and your club must be very proud.

The board approved donations to 4 worthy causes, and recommended a 5th. H.H.I. has donated \$1000 to Project Learning Tree, the first of 3 annual contributions that will make us an association sponsor. Another \$1000 was given to the World Forest Institute which will be matched by Louisiana Pacific, Trees for Life received \$250 and Pennies for Pines received \$250. The other project recommended was Operation Phoenix. The first 3 projects are international. As a matter of fact, the Hoo-Hoo-Ettes have led the way with Project Learning Tree having given \$2000 over the past 2 years and adopted this project because it was international.

Congratulations to Betty Jones, Hoo-Hoo-Ette member and wife of Rameses 72, Jimmy Jones, who has been made co-chairman for Project Learning Tree for the state of California.

The last 2 projects, Pennies for Pines and Operation Phoenix, are restricted to California and are directed at replacing timberland destroyed by fire in 1987.

Information on all the above will be sent directly to your club, by the individual organizations. Pennies for Pines and Operation Phoenix are being sent to our California clubs, but if you are not in California and are interested, call Billy Tarpley.

Local clubs, as always, determine those projects in which they become involved. It behooves us at local or international level to be responsible and supportive to those areas of our industry that need help.

We urge you, if you are not already involved, to consider the above projects, or any other worthy project that would benefit our industry. Our clubs are not meaningful, unless we make a worthwhile effort to support our industry. We have found that clubs without a purpose seldom succeed. Too many other worthwhile things compete for our time.

I remind you of Article 2, of our Articles of Incorporation... "The general purpose of this corporation, shall be to advance, practice, & encourage education, science, & benevolence among it's members..."

Once you have made a commitment, document and record your member's involvement and make an additional smaller project of presenting your efforts in competition for the Wood Promotion Award at next Years annual convention. If you can't be there to present it (but we hope you would!) have your Supreme 9 or Deputy Supreme 9 do it for you.

All the information needed for you to enter this competition is contained in that little used publication called "Operations Manual."

This year the board again decided to place increasing and

(Continued on next page)

(Continued from previous page)

retention of membership as our major goal. We just about held the line last year, in a year in which several organizations, for one reason or another, suffered huge declines in membership. Again, it was noted by our resident statistician Gordon Graham, that we had no problem attracting new members. We simply didn't do a good job of keeping the ones we had. This is the single most important area for any club officer interested in maintaining good membership, in which to begin looking.

Does your club have a decent program? Do you plan your club's programs ahead, or play it by ear, meeting to meeting? Most importantly, do you involve your members in these programs? If you feel that a get together every now and then, with drinks and a meal, will keep your club strong, you are kidding yourself!! If, and I make this statement as illustration only, you did lit-

tle to obtain new members & concentrated the bulk of your efforts on retention, we would probably increase our membership. (Make an effort at both, just in case!)

As a final note, I urge you to protect those ideals & traditions that make us unique, and guarantee our ability to survive. We are a social, fraternal organization, with unique ritual and a 100 year history. We are the oldest industrial fraternal organization in the United States. We break no laws. We take no sides in political or economical issues. We are guided by our past and are proud of our antiquity.

May we always, as we move forward, be able to look back and say to those who brought us here, that we were good caretakers. Health, happiness and long life.

Philip A. Cocks L-77298
Snark of the Universe

VICE PRESIDENT'S REPORT

FIRST VICE PRESIDENT LYLE HOECK L-77159

SECOND VICE PRESIDENT BRENT CROSBY L-77009

Having just finished our convention in Florida and returning to start another year in Hoo Hoo, it seems we all have our work cut out for us. Our membership was down only slightly which brings a new challenge to all of us as our new Snark has again set a goal of 10% increase. Retention will be a big project for all clubs along with going after new members. As we all journey thru clubs all over our International we need to find out what our members are, interested in, what kind of programs, what social events or again what they want for programs in the coming year, then if we as officers and program committees follow the ideas we will gain in membership and make stronger clubs.

We want to thank all the committees and members of JIX who made our convention the success it was.

Our new Snark Phil Cocks will be leading all of us this year, so everyone and all members need to get behind him, support him in his thoughts, programs and leadership. I will endeavor to do what I can to help make 1988 and 1989 a great year in this fraternal organization.

Health, happiness and long life. Lyle Hoeck L77159

Please allow me to extend a note of thanks to all the clubs who authorized their delegates to cast a vote in favor of electing me to the office of International Second Vice President during the international convention in Orlando. I look forward to a good year for Hoo-Hoo, and I hope you and your club will be looking for ways to increase your membership and improve the quality of your programs.

The 5-On-1 Recruiting and Retention program is being implemented this year to provide a foundation for your club's membership activities. If you are not familiar with the 5-On-1 program, contact Billy Tarpley at the international office for more details.

Thank you again for your support! I hope to see many of you during the 88-89 year, and I wish you the best for Health, Happiness and Long Life!

Fraternally,

Brent Crosby L-77009

1988-1989 INTERNATIONAL BOARD OF DIRECTORS

DICK CAMPBELL L-77398

PHIL COCKS L-77298

DICK CAMPBELL L-73398

Dick became Chairman of the Board at the recent convention in Orlando. He has been closely associated with the Lumber Industry since 1947 when he worked with a bush sawmill in the hardwood regions of southern New South Wales. For more than 20 years, Dick has been Managing Director of his family company which was involved initially in lumber distribution and now specializes in resawing and retailing at Woy Woy, 50 miles north of Sydney. His initial training was in engineering, and he later graduated in Commerce and Management at the Sydney Institute of Technology. He is currently a fellow of Australian Institute of Management. His interests are water skiing, collecting lumber industry hats, and getting a singalong going with his ukelele. Dick's eldest son, John, is a member of the Brisbane Hoo-Hoo Club 218 and his younger son, Mark, was concatted into the Woy Woy Club 260 with four Philippines three years ago. Dick is a life member of Sydney Club 215 which he joined in 1966. He has also served as president of the Sydney Club and Woy Woy Club and served as an S-9 member for J-IV. His wife, Diana, is a Hoo-Hoo Ette of Club 8 in the USA and is a willing hostess to those who visit them at "Gurdon" — Woy Woy Bay.

PHILLIP A COCKS L-77298

Phil was elected to serve as the Snark of the Universe for 1988-89 during the 96th Annual Convention in Orlando. He served two terms as Supreme Nine member from Jurisdiction IX and was later elected to the position of vice president. Phil was born in Tasmania, Australia in 1937. He joined the Sydney Hoo-Hoo Club 215 while managing Harrison's Timber (Moorebank) Pty. Ltd. In 1968, he and his wife, Sylvia and their two children, Geoffrey and Andrew, came to the United States and settled in Orlando. There he manages his businesses which include a door trim company, windows, architectural hardwood and custom door and millwork manufacturing. Phil is very active in the Central Florida Club 115 where he served as president. Phil also served as Chairman of the HHI Advertising Committee and the Membership Committee.

LYLE HOECK L-77159

Lyle was elected to International 1st Vice President during the convention held recently in Orlando. He is president of R-B Tank Company of Sioux Falls. He joined Hoo-Hoo in 1967 and has been active ever since. He served as president of the Sioux Valley Hoo-Hoo Club 118 in 1972 and attended the international convention in Victoria, B.C. in 1983. Lyle started working in our industry in August 1968 learning the business of manufacturing of Redwood tanks. He bought the business in 1969 and had previously managed several lumber yards in South Dakota and Minnesota. Lyle and his wife, Marian, have 3 sons, L. Mike, Randy and Tim who are all active in the family business.

LYLE HOECK L-77159

BRENT F. CROSBY L-77009

Brent was recently elected International 2nd Vice President at the 96th Annual Convention in Orlando. He is a member of both Oakland, California Club 39 and Sacramento, California Club 109. He joined Hoo-Hoo in Sacramento and was on the Board of Directors and went through the club offices until elected president in 1974 and 1975. He also became active in Oakland Club 39 upon transfer to the Bay Area and served as a director until elected club president for the years 1982 and 1983. He was also honored as recipient of the Lumber Man of the Year Award in 1981. Brent was appointed Deputy Supreme Nine for Jurisdiction VI in 1976 and held that position until elected to the Supreme Nine in Washington, D.C. in September, 1984. Brent recently retired after 26 years with the Kaiser Industries (Kaiser Fir-Tex & Gypsum), and Domtar Gypsum America, Inc. (A division of Domtar, Inc., Montreal) who purchased the Kaiser assets in 1978. He worked as Regional Sales Manager out of their Oakland, California corporate office. He has two married daughters, Lynn and Leslie, and five grandchildren who live in Sacramento, California. he and his wife, Jeanne, live in Walnut Creek, California. Brent is also a member of B.P.O.E. and the Construction Specialists Institute.

BRENT F. CROSBY L-77009

BERNARD B. BARBER L-48864

Bernie was elected as Secretary/Treasurer of HHI for the eighth term during the Orlando convention. Prior to his election to this position he served as Supreme Nine of Jurisdiction VI for three years. He was instrumental in the reactivation of the San Joaquin Valley Hoo-Hoo Club 31 and is now serving as that club's Secretary/Treasurer. He was also active in initiating a wood promotion program in Fresno known as Lumber JACS. He is an active Rotarian and Mason, a member of ASAE, Temple Teheran and Executive Secretary of the Woodwork Institute of California. He is President of Bernie Barber and Associates of Fresno where he and his wife, Elaine, live.

BERNARD B. BARBER L-48864

CHARLIE F. EATON L-72174

CHARLIE F. EATON L-72174
Charlie is currently serving his first term as Supreme Nine of Jurisdiction I. Charlie is a member of the Washington D.C. Hoo-Hoo Club No. 99 where he has served as President, Vice President, member of the Board of Directors, and is currently an advisor on the club's Board of Directors. In addition, he served as Deputy Supreme Nine in Jurisdiction I for the 1986-87 year. He is also a member of the National Rifle Association, Ducks Unlimited, the Isaac Walton League and the Montgomery Coin Club. His hobbies include camping, sports, coin collecting and hunting. He is employed at Thomas W. Perry, Inc. in Chevy Chase, Maryland. Charlie and his wife, Janice, have four children and reside in Rockville, Maryland.

LEE STACEY 62560

LEE STACEY 62560
Lee is no stranger to the Hoo-Hoo International Board of Directors. He has served a previous term as Supreme Nine of Jurisdiction II from 1969 to 1970. He also served as president of the Detroit Hoo-Hoo Club No. 28 in 1966, and served on the board of directors of the Detroit Club for many years. Lee is owner of Lee Stacey Wholesale Lumber in Highland, Michigan. His hobbies include collecting coins, bolos, and walking canes, and tying flies for trout fishing.

JEFF LOTH L-81125

JEFF LOTH L-81125
Jeff is currently serving his first term as the Supreme Nine member for Jurisdiction III. Jeff is a member of the North Cascade Hoo-Hoo Club No. 230 where he has served as vicegerent snark, president, vice president, secretary and on the Board of directors. In addition, he served as Deputy S-9 of Jurisdiction III for two years. Jeff has also served as chairman of the Selective Service Board LB-1 and as President of the Western Red Cedar Association. Jeff is Vice President of Loth Lumber Company Incorporated in Goldbar, Washington, and he and his wife, Sherry, have three children. Jeff's hobbies include boating, fishing and classic cars. Jeff and Sherry make their home in Snohomish, Washington.

RON CADDY 82362
Ron was elected Supreme Nine and President of Jurisdiction IV during the 1988 convention in Orlando. Ron has been an officer in J-IV for several years, having served as 1st and 2nd Vice President. He joined the Melbourne Hoo-Hoo Club No. 217 in 1975 and first served on the fellowship committee. He became chairman of the Public Relations committee in 1978, and also joined the club's board of directors. In 1979 he was appointed the Public Relations and Publicity Chairman for the 1982 international convention in Melbourne. He later was elected vice president of Club 217 in 1982 and in 1983 was elected to the office of president. Ron has attended two previous international conventions and 12 of the past 13 J-IV conventions. The highlight of Ron's Hoo-Hoo career came on April 29, 1988 when he was introduced to her royal majesty, Queen Elizabeth II at Government House as the official representative of Hoo-Hoo for Jurisdiction IV. Ron is president of Grange Timber in Epping, Victoria. He and his wife, Val, have one son, Heath, and one daughter, Nicki.

RON CADDY 82362

BRUCE WOODROW L-79644
Bruce is currently serving his first term as the Supreme Nine representative for Jurisdiction V. Bruce is a member of Victoria Hoo-Hoo Club No. 183 in Victoria, British Columbia where he has served as vicegerent snark, president, vice president, and on the board of directors. In addition, he has served as Deputy Supreme Nine of Jurisdiction V in 1986-87 and was a member of the 1983 convention committee. Bruce is also active with the local Chamber of Commerce and the Local Ratepayers Association. He and his wife, Joan, live in Victoria where he owns and operates Woodrow Log Scaling Ltd. Bruce and Joan have three children, and Bruce's hobbies include skiing, camping, boating and fishing.

BRUCE WOODROW L-79644

DAVID JONES L-82806
Dave was elected Supreme Nine of Jurisdiction VI at the Orlando convention, and, in that capacity, will serve a two-year term on the international Board of Directors. However, Dave is no stranger to international operations. In fact, he has served as Chairman of the Redwood Grove committee for four years, and has been a faithful attendee at international conventions in the U.S. and abroad. Dave has served as president of the Black Bart Hoo-Hoo Club No. 181 of Ukiah, California, and has also served several terms on the club's board of directors. He is also active in Rotary, Chamber of Commerce, and is a past board member of the Solono County Private Industry Council. Dave is president of Foster Lumber Yards of Vallejo and Fairfield, California, and is the son of Rameses 72 Jimmy Jones. Dave and his wife, Cheryl, reside with their family in Benicia, California where Dave enjoys sailing, bike riding, photography and drawing.

DAVE JONES L-82806

DAVE JONES L-82806

BILL FRANKS L-84101

WILLIAM B. (BILL) FRANKS L-84101

Bill is currently serving his first term as Supreme Nine for Jurisdiction VII. Bill is a member of the Houston Club No. 23 where he has served as Vicegerent Snark, President, Vice President, Secretary, Treasurer and as Chairman of the 1981 Houston convention. In addition, he presently serves on the club's Board of Directors. Bill, who is an avid Aggie, is also a member of the Houston Livestock and Rodeo Association, and Boy Scouts of America. Bill is employed by Slaughter Brothers, Incorporated and he enjoys hunting, fishing, horses and camping. He and his wife, Susan, have two children and live in Stafford, Texas.

HOMER H. HAHN 55213

HOMER H. HAHN 55213

(ED. NOTE: At press time, we were pleased to learn that Homer H. Hahn 55213 of the Omaha Hoo-Hoo Club No. 124 had accepted the position of Supreme Nine member for Jurisdiction VIII. That position had been left unfilled as of the close of the 96th annual convention on September 18. Thanks to Homer, J-VIII will now be represented on the Board of Directors and he will serve as the Supreme Nine for a two year term. Homer accepted the position at the request of Snark Phil Cocks, and explained that he will not be able to travel during his term as S-9. He asked that clubs in J-VIII be aware of his limitations, but he pledged to do what he can for the jurisdiction. Knowing Homer, that can be quite a lot! Homer has served as secretary/treasurer for the Omaha club for many years, and has also been a faithful delegate at international conventions. Good Luck, Homer, and thanks for your dedication to our great Order!)

FRANK GRAY L-86365

FRANK C. GRAY L-86365

Frank is serving his second term as the Supreme Nine Representative from Jurisdiction IX. He was born in Whitinsville, Mass., on May 17, 1930. He joined Central Florida Hoo-Hoo Club 115 in 1978 and has been active ever since. He served as Club Treasurer for two years and has been a very active Deputy Supreme Nine. He has served on the Board of Directors for the past three years. He has organized and chaired the two Jurisdiction IX Mini-Conferences held on July 4th weekends. Frank and his wife, Mary, have five children, Mark, David, Kathy, Paul and Stephen. They are the proud grandparents of 11 grandchildren. Frank is associated with Frank Gray & Associates of Orlando. Frank also was co-chairman of the 1988 International Hoo-Hoo Convention which was held in Orlando, Florida.

The Clear Choice...

Old Growth Western Red Cedar

The term "old growth" applies to the large, first growth, or virgin timber. Old growth is found in three principal areas: the Olympic Peninsula of Washington State, Vancouver Island, and the Coastal Region of British Columbia. The size and age of old growth trees make them an excellent source of clear lumber. The coloring of old growth is particularly attractive, with shades ranging from the almost pure white of the narrow sapwood to the dark reddish-brown of the heartwood.

Old growth Western Red Cedar offers many advantages as a construction material. Some of the most notable are:

- exceptional durability • great strength • in-place dimensional stability • light weight • outstanding visual quality • even-grained texture • resistance to splitting • easy workability

Loth Lumber specializes in producing building materials from the finest old growth Western Red Cedar available. Our concern for quality has earned us an enviable reputation for products such as clear bevel, kiln dried, and kiln dried tight knot bevel siding. Call us today and see why our old growth Western Red Cedar is the clear choice.

SUPREME NINE REPORTS

Jurisdiction I

Congratulations to the Central Florida Hoo-Hoo Club No. 115 for hosting a great convention, one of the best I have attended.

My second year as S-9 of J-I will be active as I hope to see as many clubs as possible. This year the Snark Phil Cocks will also be seeing some clubs in J-I. If you have any special meetings or events coming up, please contact me so we can schedule our visits if possible at that time.

Last year, J-I had a loss of 70 members. This year, I am asking all clubs in J-I to try and retain their new members. Retention of new members seems to be where we experience most of the loss.

In the last *Log & Tally* only one club in J-I reported news. Please have your publicity chairman get on this for the next *Log & Tally*.

The Washington D.C. Club No. 99 is working on starting a new club in the Roanoke, Virginia area. Thanks to Club 99 President Joe Dempsey for his efforts in this regard.

Any Club needing assistance, please feel free to contact me or the international office for help. Also send information to international on new officers as this will help in making contacts when needed.

HEALTH, HAPPINESS AND LONG LIFE!
Charlie Eaton L-72174, S-9, J-I

Jurisdiction II

Nice to be back in the action arena of the International Order of Hoo Hoo. Attending my first meeting of the board of directors I found little has changed from when I served on the S-9 in 1968/70. I learned Hoo Hoo is much stronger today financially as well as fraternally — which proves quantity is not always a winner. Yes, we have, 50% fewer members.

I am going to try to reactivate some of the old clubs as well as establish new ones. Also, increase the membership of the existing clubs. I plan to visit with all the clubs in Jurisdiction II in the coming months. So please advise your upcoming meetings.
Lee Stacey 62560

Jurisdiction III

The Hoo-Hoo International Convention in Orlando was a great success. Everyone who attended the convention was very impressed.

Jurisdiction III is thriving and doing well. We are all looking forward to the coming year with great enthusiasm under the leadership of our great new Snark Phil Cox.

I'll be traveling around the Jurisdiction and I am looking forward to visiting your club. The Deputy 9's have been a great asset for all of us in helping tie the Jurisdiction together. Most of the clubs have sent me their activity calendars for the coming year. If you have not yet sent your calendar of events, please do so. I would appreciate receiving it.

The new 5 on 1 Program is in effect this year and this means there is to be 5 members for each new kitten to help support him through the first year. I'm convinced this is a good program. We must keep those kittens involved for the betterment of the clubs and Hoo Hoo International in the coming years.

Thanks to all of you for your support during the last year. It was a great year and I am looking forward to the year ahead. With your continued support, I know it will be another exciting and successful year.

HEALTH, HAPPINESS & LONG LIFE
Jeff Loth, L-81125
Supreme Nine, J-III

Jurisdiction IV

Greetings from the Hoo-Hoo brothers in Australia and New Zealand! It was my great pleasure to attend the 96th annual Hoo-Hoo international convention in Orlando where I had the opportunity to make new acquaintances and re-establish some old friendships.

J-IV suffered net loss of 55 members last year, but we plan to overcome that loss and add new clubs in West Sydney and Bunbury during the 1988-89 year. We were most pleased with the visit of Snark Phil Cocks and his delegation in September and October. Everyone seemed to enjoy themselves, and we look forward to the next Hoo-Hoo entourage from North America!

As we enter our new Hoo-Hoo year, please accept our best wishes for Health, Happiness and Long Life, and we look forward to seeing you at the 97th annual Hoo-Hoo international convention in Honolulu in 1989.

Fraternally,

Ron Caddy 82362

Jurisdiction V

At this time of writing, Yours Truly has just wrapped up the International Convention in Orlando. I had hoped to see more from our Jurisdiction. We had in attendance - two from Toronto, two from Vancouver and three from Victoria. It was nice to see old friends again and to meet new friends. That is what makes conventions great. Everyone is exposed to new ideas and old problems.

Congratulations to the Vancouver Club on their excellent entry in the Wood Promotion Contest. Although the winner was the entry from Perth Club, the Vancouver submission was well prepared and well presented.

I was pleased to see Club Reports from every Club in our Jurisdiction in the previous *Log and Tally* - keep it up and send in pictures.

(Continued on next page)

(Continued from page 8)

A common problem that generated much conversation at the Convention was Retention of our members. The responsibility lies with your club officers to have interesting meetings, active committees for fun social events. (Does your club have one or two newer members on these committees?) It takes dedicated people to make it work. Many of us are busy in our own business or work place and demands on our time can be great. Again it is up to your club officers to seek out those who have time either through reduced business activities or retirement and encourage them to devote their expertise to the good of our Order.

All of you should have received your dues notice by now. Right now - write a cheque and send it to your Treasurer.

Elsewhere in this issue or subsequent issues will be details on the 5 on 1 Recruiting and Retention Program. Please read it carefully and work hard to implement this worthwhile and proven program.

We elevated our past Snark of the Universe into The House of Ancients. It was an honour to serve Dick Campbell (and his broken Ukelele) and I look forward to serving Phil Cocks for the upcoming year.

Your Deputy Supreme Nine is Lynn Edey. He, in the East, and myself in the West are here to act on your behalf as a liaison with Hoo Hoo International. We are here to serve you - Call us. Health, happiness and long life

Bruce Woodrow
Supreme Nine Jurisdiction V

Jurisdiction VI

This is my first report as the newly elected Supreme 9 to the members of Jurisdiction 6.

Our jurisdiction includes the states of California, Nevada, Arizona, Utah, New Mexico, Colorado, and Hawaii and has a total of 14 active clubs including the newest in Hoo-Hoo, the Maui Hawaii Club #270. As of July 31, 1988 there were 1057 active members in this jurisdiction.

Snark of the Universe, Phil Cocks, has set a goal of a 10% increase in membership this year. This is only 106 new members in all of Jurisdiction 6 or an average of 7.6 members per club. With a COLLECTIVE EFFORT, we can reach this goal

Progress is already being made. On September 14, 1988 in Orlando, Hoo-Hoo International became one of a very elite group

of sponsors of a national education project called "Project Learning Tree." This is an effort of the American Forest Foundation to educate school children and their teachers on the facts about how our industry operates and the role the lumber industry plays in the United States economy. As sponsor of such a massive project Hoo-Hoo International will receive the national recognition that our organization deserves. With this new recognition it will be easier to attract and keep quality new members. Information will be forthcoming on how individual clubs will be able to participate on the local level.

I believe membership in Jurisdiction 6 will grow if interaction between clubs is increased. It is my goal to improve communication between all clubs in Jurisdiction 6 so more interaction might take place. This will be done through a monthly newsletter sent to each club President and Secretary. This letter will include information regarding upcoming activities for each club in the jurisdiction and a section entitled "Dave's BS" which will have information about the jurisdiction as a whole.

Success will come by working together. I ask you for your input and suggestions on what I or Hoo Hoo International can do to make Hoo Hoo a more viable, productive and valuable organization to the members of Hoo Hoo and the lumber industry. If you have ideas, please call, write, or FAX them to me. Or contact one of the Deputy Supreme 9's in Jurisdiction 6, they are:

Norman Lum	#88850	Honolulu #142
Dan Bonnington	#88886	Oakland #39
Dennis Mills	#90701	Phoenix #72
Warren Hoffman	#L89459	San Diego #3

These gentlemen have agreed to help me with my duties this year. I would like to take this opportunity to thank them in advance for the help that they will give me.

The Snark, Phil Cocks, is to visit 5 clubs in Northern California during the week of January 16, 1988 plus a reorganizational meeting of the Coast Counties Club #114 in Monterey, California. Regular meetings will include the Oakland Club's (the 1990 convention host club) Concat on 1/17, the Black Bart Club's (this is my home club & maybe the best club in Hoo-Hoo) Industry-Nite 1/18, the "World Famous" Eureka Crab Feed 1/19, and the infamous Redding Club's Concat 1/20. All Hoo-Hoo members are invited to attend these meetings and I guarantee you will have something to write home about. Space may be limited particularly at Black Bart and in Eureka. Contact Club presidents **John Blatchford** of Black Bart (707) 743-1154 & **Len Adamo** of the Hum-bolt Club (707) 444-8081 to reserve space.

(Continued from page 9)

The 1989 International Convention will be in Honolulu sponsored by Hoo-Hoo Club #142. It is unfortunate that most members do not take the opportunity to participate on the international level by attending the annual convention. However, what better place to combine a vacation, meet people of our industry from all over the world, and participate in the largest and oldest Industrial Fraternity in the nation? Start planning now and come to Hawaii, it's only 10 months away.

It is the responsibility of each Supreme 9 member to represent the International Board to all clubs in his respective jurisdiction and to represent all clubs to the International board. You can count on me to do my best to fulfill the duties of Supreme 9. With the assistance of the Deputy S-9's, clubs, officers, and all members of Jurisdiction 6, I predict a very prosperous year for Hoo Hoo.

Respectively Submitted,
David B. Jones L82806

Jurisdiction VII

September the ninth marks the beginning of the new Hoo Hoo year. At our 96th Annual Convention held in Orlando, Florida, Phil Cocks was duly installed as Snark of the Universe. Along with Phil, Lyle Hoeck, Brent Crosby and Bernie Barber were installed respectively to the offices of First Vice-President, Second Vice-President and Secretary/Treasurer. New to the Board of Directors is Ramses 80 Dick Campbell. Three new Supreme Nine members were also installed, J II - Lee Stacey, J IV - Ron Caddy and J VI - Dave Jones. At this time I would like to say thanks to the Central Florida Club #115 and its members for a great convention. Co-chairman Larry Jordan and Frank Gray did a great job of co-ordinating our convention with the FLBMDA.

The primary objective laid out by Snark Cocks immediately addressed membership. Jurisdiction VII has been asked to increase its membership by a net amount of ten percent. In addition to membership we have a goal of starting or reactivating two new clubs in J VII. Starting new clubs, reactivating inactive clubs, along with recruiting and retaining our present members is of utmost importance. One way to improve your club's membership is by adopting the 5 on 1 Recruiting and Retention Program. Start now planning and organizing your next concat. Seventeen new kittens were enlightened and concatenated into our order during the International Convention. That is the way to start off a new year.

Presently in J VII there are three Deputy S-9 members. Those members are Bob Edwards - Metroplex Club #242, Harry McGargile - Wichita Club #173 and Pete Prutzman - Gurdon Club #120. If possible, the Deputy S-9 members should start now planning to attend the Mid-term Board Meeting in Gurdon on March 10, 11 and 12th, 1989. Please feel free to contact any one of us or Bill Tarpley in Gurdon if we can be of any help to your individual clubs.

Health, happiness and long life.

Bill Franks S-9 J VII

Jurisdiction IX

We have just completed the 96th International Hoo-Hoo Convention held at the Marriott World Center in Orlando and a member of Central Florida Club #115, Phil Cocks, became Snark of the Universe. It was one of the best conventions held and was in conjunction with the FLBMDA. A great time was had by all that were able to attend. The Snark has asked each of the Supreme 9's to try to accomplish three major programs which He will be working very diligently towards. We have had many successful concats in the past but do not get the new kittens involved in the operation of the club and they loose interest. We ask that each member who knows of a Hoo-Hoo member who has fallen away, try to interest him into reactivating and becoming involved in the local club. Another major program which the snark would like for each club to do is try to structure your meetings with good programs. This helps very much to interest the members who have fallen away due to lack of interest and also creates an interest for those who would like to join Hoo-Hoo. We also ask that each club set up a program to insure that the members on the rolls as of the end of the 1987-88 Hoo-Hoo year pay their local dues as well as international dues. The dues statements have been sent out from international with the local as well as international amounts due. We would like to see an increase in every club this coming year and this can be achieved if we all try to support the local as well as international movement. This is the greatest fraternal organization made up of members that all are in the same industry, the lumber industry, and can really be proud of.

I would like to congratulate Hampton Roads Club #154 for having the largest increase, 143%, in membership for the year 1987-88. This could only be accomplished with the support of its members who did an outstanding job. Thank you Hampton Roads Club #154. We are all pleased with your great accomplishments. Good luck in 1988-89.

Members of Jurisdiction IX, I would like for you to try and plan to attend the 5th annual mini-conference of Jurisdiction IX. The Atlanta Club #1 will be the host club for this mini which will be held at Calloway Gardens, a beautiful resort area in south Georgia. The dates for this wonderful weekend will be April 21, 22, & 23, 1989. The registration fee per couple will be \$150.00. We will be informing all members of Jurisdiction IX more about the mini in the very near future but we certainly would like for you to start considering it.

Looking forward to working with each club this coming year and if I can be of assistance in any way, please contact me. We are looking for a large increase in Jurisdiction IX this coming Hoo-Hoo year and this can be accomplished with good concats, good meetings with good programs, and all working towards trying to bring back into Hoo-Hoo those members who have not been active and fallen by the way side. Remember, once a Hoo-Hoo, always a Hoo-Hoo.

Health, happiness and long life.

OSIRIAN

CLOISTER

The Osirian Cloister, long rooted in the deep mysteries of our Order, was at one time the personification of the highest ideals of Hoo-Hoo, and the new Osirian Cloister which is active today has the same high ideals. In the early days of our fraternity, the Osirian Cloister consisted of men who had proven by their acts of loyalty and service to Hoo-Hoo that they should be exalted to a higher degree of recognition. Today, in 1988, the men who constitute the "new" Cloister are equally deserving of this honor as their predecessors of old.

The Osirian Cloister was reactivated in 1986 thanks to several international officers and Rameses who recognized the need for an organized body which could enlist the expertise of men who had served Hoo-Hoo in different capacities. A roster of this Order would include the names of Rameses, Vicegerent Snarks and past Supreme Nine members, but only those who had worked diligently for the benefit of the Concatenated Order of Hoo-Hoo.

The man who was the primary force behind the reactivation of the Cloister was Gordon Graham L-70604 of Detroit, Michigan. Serving as Supreme Nine for J-II, Brother Graham developed an interest in the history and purpose of the Cloister, and after consulting several Rameses who agreed that the new Cloister could be an attribute to Hoo-Hoo International the decision was made to launch a campaign to reactivate the group.

Within a short time the Cloister was reactivated, and the members voted to adopt, among other things, a project aimed at raising money for the Hoo-Hoo Centennial Celebration. The Cloister devised a 50/50 raffle draw whereby tickets were sold for the raffle, and buyers took the chance that they would be the lucky winner who would win half the total monies collected. To date, the raffle has produced over \$10,000 for the Centennial Fund.

Below is an article prepared by Brother Graham which is designed to give interested parties a brief description of the Osirian Cloister.

Osirian Cloister by Gordon Graham L-70604

The History

To understand the existence of the Osirian Cloister, we must go back to the genesis of Hoo-Hoo and look into its structure as it was in the early days of our order.

There is evidence that the Cloister was active as early as 1893 — one year after our fraternity came into existence. This leads us to believe it was an integral part of Hoo-Hoo from the start.

As a further confirmation of this, the "Tablets of the Law" (By-laws) which governed the Cloister in those early days, refers to Section No. 2 of Article V of the Constitution of the Concatenated Order of Hoo-Hoo. It reads in part —

"The Osirian Cloister Shall constitute the Upper Chamber of Hoo-Hoo."

And in those same Tablets of the Law, Article II, Section 1, reads —

"The name of the Upper Chamber of Hoo-Hoo is The Osirian Cloister and the dwellers within the Sacred Retreat shall be called Osirians"

This is clear proof that the Osirian Cloister existed from the very beginning of Hoo-Hoo.

In articles appearing in the old "Hoo-Hoo Bulletin" — the forerunner of our present-day *Log & Tally* magazine, there are references to Hoo-Hoo having two degrees. One was the "Friendship Degree", which was the initiation we all went through when we joined Hoo-Hoo. The other degree was a much more formal function and was called the "Osirian Degree". This was also known as the "Degree of Immortality."

Membership

The requirements for membership in the Cloister were — (1) that a man be a member in good standing in Hoo-Hoo for a period not less than two years (2) he had attained the office of Vicegerent Snark and/or (3) he had been a member of the Supreme Nine.

The men who were selected for the Osirian Cloister Degree were chosen with great care and each Osirian was limited to one candidate per year, which he presented to the Cloister for acceptance the day prior to the annual convention.

It was also at this meeting that discussions were held regarding matters pertaining to the good of the order. These matters were then conveyed to the officers and Supreme Nine members

(Continued on next page)

(Continued from page 12)

during the business sessions of the convention. It was in this manner that the Cloister made their feelings known to the officers and board.

Object of the Order

There is no question about the object of the Osirian Cloister, because it is so succinctly written in the Tablets of the Law, Article III, Section 1. It is one brief and pointed statement, which reads as follows —

"The object of the Osirian Cloister is to protect and further the interests of the Concatenated Order of Hoo-Hoo, and members of the Cloister."

Purpose

After much research into the Osirian Cloister, we are sure their purpose was threefold — to review the past, take inventory of the present and to lay constructive plans for the future.

Conclusion

When you consider the fact that every year some changes are made at the international level, there is little chance for continuity due to the diverse opinions of those in charge.

The men in the Osirian Cloister, since they sit outside the system and do not change with the same degree of frequency, can look at all phases of the order with complete objectivity and provide input to strengthen the fraternity.

In our membership, we have a tremendous resource and capacity for service to the entire Hoo-Hoo organization. All we need do now is to tap these resources and capacity.

The Osirian Cloister is the vehicle that fills this objective.

This banner and the masthead on page 12 are reprinted from the October 1925 issue of the Hoo-Hoo Bulletin, which later became the Log & Tally.

ORLANDO "88" SUCCESSFULLY!!

CONVENTION — An international group gathered for the Orlando Convention. Pictured here are (l-r) Rameses 75 Kevin Kelly from Melbourne, Australia, Rameses 77 Carle Hall of Des Moines, Iowa, International Sec/Treas. Bernie Barber, Jr. of Fresno, California, and Shirley & Pat Storey of Atlanta, Georgia.

The 96th Hoo-Hoo International convention "Orlando '88" is a part of Hoo-Hoo's great history. From the remarks which were heard during the convention, the hard work that co-chairman's Phil Cocks, Frank Gray, and Larry Jordan put in to make it one of the greatest conventions held by Hoo-Hoo International, certainly paid off.

The convention started Tuesday evening September 13th with a icebreaker gathering sponsored by Central Florida Club #115 at the Mariott World Center, the convention hotel. This hotel is the largest hotel in Florida with 1,540 rooms, located just three miles from Disney World and Epcot Center. The setting and its surroundings can only be described by those 200 that were in attendance. A facility with its own golf course, tennis courts, 5 acres of pool and deck surroundings, 7 individual water falls and

CONVENTION — New Snark Phil Cocks (standing) and his wife, Sylvia, pose with guest speaker Harry Reasoner during the Saturday luncheon.

many other wonderful features.

This great convention was hosted by Central Florida Club #115 and the Florida Lumber and Building Material Dealers Association, (FLBMDA). Check in went very smoothly and as you passed the registration desk for the hotel it was very enjoyable to hear the "ohs, ahs, look at that," from the delegates that were checking in. A sight that was very impressive.

On Wednesday, September 14th, we conducted a business session for the men and left the women to be on their own to visit Disney, Epcot, Sea World or just rest and relax in the beautiful setting and wonderful Florida sunshine. On Wednesday evening we boarded buses and departed the hotel for church street station, the home of Rosie O'Gradys, Cheyenne Saloon,

CONVENTION — Rameses 78 Al Meier (center) always attracts the lovely ladies, in this case, Sylvia Cocks (left) wife of new Snark Phil Cocks, and Diana Campbell, wife of 87-88 Snark Dick Campbell.

CONVENTION — Rameses 76 Dick Wilson (left) and Rameses 75 Kevin Kelly (right) visit with Executive Secretary Billy Turpley (second from left) and J-VII Supreme Nine Bill Franks.

CONVENTION — "Enough is Enough!" Elaine Barber may have said as she appears to have destroyed Dick Campbell's toy ukelele with a Karate chop.

(Continued from page 14)

Lilie Marlane, Pheneous Fog, The Orchid Room, and the Church Street Market Center. A delicious buffet was held and then enough time left to allow everyone to visit the different places at Church Street Station. A great time was held by all and am sure that many fond memories were taken home as well as little tokens purchased as souvenirs.

We finished our business sessions and elected our new officers for the coming year on Thursday, September 15th. The new officers for the Hoo-Hoo year 1988-1989 are:

- Snark of the Universe — Phil Cocks
- 1st Vice President — Lyle Hoeck
- 2nd Vice President — Brent Crosby
- Secretary/Treasurer — Bernie B. Barber
- Supreme IX from Jurisdiction 2 — Lee Stacey
- Supreme IX from Jurisdiction 4 — Ron Caddy
- Supreme IX from Jurisdiction 6 — David Jones

Thursday afternoon a golf tournament and tennis tournament was held in conjunction with the FLBMDA group. On Thursday

evening a joint party was held with Hoo-Hoo and FLBMDA delegates. A buffet and dance contests were held at which we had about 450-500 in attendance.

On Friday morning a joint breakfast was held with 675 in attendance and had as our guest speaker, Mr. Sam Snead, who also played in the joint golf tournament which was held on Thursday. One of the members who was playing in the foursome with Sam Snead, Clint Dawkins, owner of big "D" Lumber Yard in Jacksonville, Florida had a hole in one. A fine breakfast was held and we listened to Sam Snead tell of some of his golf experiences. After breakfast the opening of the exhibit hall took place, at which there was 256 booths displaying their products. At noon, lunch was held jointly and had as our guest speaker, Ms. Patricia Neal, who presented a very impressive program which held everyone's attention. At this luncheon we had a total of 745 delegates attending and enjoying the fine food and program. On Friday evening we again boarded buses and left for Sea World where we had a great show and luau. A wonderful time was held by all that

CONVENTION — Outgoing Snark Dick Campbell (right) accepts an appreciation plaque from new Snark Phil Cocks following the official exchange of the Snark's gavel and robe.

CONVENTION — (l-r) New Supreme Nine members Ron Caddy of J-IV, Dave Jones of J-VI, and Lee Stacey of J-II and their wives listen as Rameses 78 Al Meier conducts the installation of officers ceremony.

(Continued from page 15)

attended.

On Saturday morning we held our awards breakfast and also installation of our new officers. Our past Supreme IX member, Gordon Graham, from Jurisdiction IX received three of the awards and certainly went to a very deserving individual. A great way to exit from the Supreme Nine and the board of directors will miss Gordon, but am told that the new Snark of the Universe, Phil Cocks, will have things for him to do. A very nice award program took place and after this we attended a short video presentation published by one of the sponsors of different shots taken during the convention. A very enjoyable video, which will be available for presentations by notifying HHI headquarters and letting them know so they can put you on the list to send it to. This will not be available for probably 60 days. Will be a great program for your club meetings. It has many numerous shots taken at the convention. We then had our luncheon and had Harry Reasner as the guest speaker. After lunch we held the embalming of the Snark which was presented by the seven Rameses that were in attendance. A great job was done on Dick Campbell, something which he will always remember. Following the embalming, a concat was held at which time 17 new kittens were brought into Hoo-Hoo and will be helpful to the local club.

The Saturday evening dinner dance and show, the Lettermen putting on about an hour concert, was a tremendous success. We

were very fortunate to have a new member for the Lettermen put on a great solo for the crowd. One of the Florida Hoo-Hoo members of Central Florida Club #115, a member who had been the cook for the past 10 years for every Hoo-Hoo meeting and function, a member who has been dedicated to Hoo-Hoo's "88" convention; Harry Ardian, was brought up by the leader of the Lettermen group and was shown how to sing romantic songs to the ladies. Little did he know, you don't ever have to show Harry anything. He certainly put on a tremendous act, one that would be hard to follow and everyone really did enjoy his performance. Harry, we your convention committee, and your friends, say "Thank you for such a great addition which you made to our great, if not the greatest, Hoo-Hoo International convention."

We, the members of the 96th International Hoo-Hoo convention can only say that you made it possible for the success of this the 96th International convention. Without your attendance and your co-operation during the convention, we would not have had the success that we had. We enjoyed the many hours which we put into it to put this on. This could not have been possible with out the support and contributions we received for the past five years from the individuals as well as the corporations that contributed to Orlando "88". A great time was had by all by a great fraternal organization that allowed us to have this fun. Without Hoo-Hoo, this could not have been possible.

CONVENTION — Outgoing Snark Dick Campbell (standing in stripes) pleads his case with the audience as the Rameses, clad in gowns and wigs, conducted a mock trial during the embalming of the Snark ceremony. Dick lost.

CONVENTION — Rameses 78 Al Meier (left), Rameses 72 Jimmy Jones, new Rameses 80 Dick Campbell and new Snark Phil Cocks pause for a photo following the embalming ceremonies. Both Al and Jimmy confirmed that the robes & wigs were warm!

CONVENTION — (l-r) Rameses Dick Wilson, Jimmy Jones, Gene Zanck, Kevin Kelly & Al Meier "suit up" for the embalming of the Snark.

CONVENTION — (l-r) International Vice President Lyle Hoeck, Diana Campbell, Fred Frudd and Peter Smith gather for a photo during a Hoo-Hoo cocktail party.

GORDON GRAHAM WINS THE HOO-HOO TRIPLE CROWN

Congratulations to Gordon Graham L-70604 who was the recipient of three of HHI's most prestigious awards at the Orlando convention.

Gordon received the Gordon Doman Memorial Trophy for outstanding Supreme

Nine representation.

He also was the recipient of the Totem Pole Membership Trophy for achieving the greatest percentage increase in membership per jurisdiction.

And third, he earned the walking stick

award for the S-9 who traveled the most miles in their jurisdiction for the good of Hoo-Hoo.

CONGRATULATIONS, Gordon. You earned them.

CONVENTION — Gordon Graham, S-9, J-II, accepts the Gordon Doman Memorial award for the outstanding Supreme Nine member from Snark Dick Campbell.

CONVENTION — Gordon Graham (right) shows his pleasure at receiving the Totem Pole Membership award for achieving the greatest percentage increase per jurisdiction (9 percent increase).

BARBER BAGS OLD TIMER'S AWARD

International Sect/Treas. Bernie Barber, Jr. L-48864, was the recipient of the Old Timer's Award at the Orlando convention. The Old Timer's Award is presented to the delegate with the lowest Hoo-Hoo number. Brother Barber joined Hoo-Hoo in 1947.

CONVENTION — Snark Campbell (r) presents the Walking Stick Award to Gordon Graham for being the S-9 who traveled the most miles in his jurisdiction for the good of Hoo-Hoo.

Osirian Cloister 50/50 Drawing Produces Big Winner!

The Osirian Cloister held their second annual 50/50 drawing at the recent convention in Orlando. The drawing this year was opened to all members in Hoo-Hoo by sending tickets to every club in the International last April. Club officers were asked to make the tickets available to their members.

Tickets went to Hoo-Hoo Clubs all across the United States, Canada, Hawaii and as far as Australia and the participation in this effort to raise money for the Centennial (Hoo-Hoo's 100th Anniversary) was excellent.

Approximately \$14,000 was raised through the sale of 50/50 tickets and the lucky winner was Jeanne Crosby, the wife of the newly elected 2nd Vice-president Brent Crosby. Jeanne collected \$6,999.99!

It's as if lighting struck the same place twice! Last years winner of the 50/50 drawing was Marian Hoeck, the wife of the then incoming 2nd Vice-President. Anybody want to run for second VP.

(See photo on page 14)

CONVENTION — New Rameses 80 Dick Campbell (center) poses with four of the seven Rameses who attended the Orlando convention. Pictured above are (l-r) Rameses 76 Dick Wilson, Rameses 72 Jimmy Jones, Campbell, Rameses 77 Carle Hall, and Rameses 75 Kevin Kelly. Rameses 71 Gene Zanck, Rameses 74 Dan Brown and Rameses 78 Al Meier were unavailable for the photo.

INTERNATIONAL SECRETARY TRESASURER'S REPORT

By Bernie Barber

There is good news and bad news, as seems to have happened regularly in the last few years.

The bad news is the amount of money received from dues, reinstatements, new members, advertising, interest, sale of buttons and other items was \$157,218.00. The amount budgeted was \$159,930.00. Thus, we are short \$2,712.00 of our anticipated income. We also lost 326 members overall after taking in new members and reinstatements. This loss more than accounted for our loss in anticipated income.

The good news is, the amount of money spent during the year 1987-88 was \$147,776.00 compared to the budgeted amount of \$157,791.00. This was \$10,014.00 less than the amount budgeted for the year. This was due primarily to the fact that some officers, directors and deputy supreme nines did not request reimbursements for their travel expenses. The income in excess of expenses was \$9,441.00 for the year 1987-88. Total assets were \$156,159.00 and liabilities were \$30,900.00, leaving a members' equity of \$125,258.00

Health, happiness and long life.
Sincerely and fraternally,

Bernard B. Barber, Jr. L-48864
Secretary/Treasurer

Perth Hoo-Hoo Club 240 Wins 1988 Wood Promotion Award

The 1988 Wood Promotion contest at the 96th Annual Hoo-Hoo convention in Orlando, Florida attracted three outstanding entries, but the Perth Hoo-Hoo Club No. 240 of Western Australia was chosen the winner. Other entries were the Detroit Club No. 28, and a joint entry by the Melbourne Hoo-Hoo Club No. 217 and the Vancouver Hoo-Hoo Club No. 48. All three entries were excellent, and the men who made the contest presentations to the convention did a first class job.

An outline of the presentations is provided below:

Perth 240 — John Kelderman presented a video showing how the Perth Club developed the Creative Youth Awards contest for handicapped youth in Perth. Students built woodwork items for competition in four categories: (A) Open section, which allowed no assistance, (B) Individual Assembly, which allowed for minimum assistance, (C) Teacher Assistance, which allowed for up to 50 percent teacher assistance, and (D) Team section, which allowed up to four students to work on one team project. He said that 70 items were displayed in the education department and all students received certificates on awards night which attracted 400-450 attendees. The club has conducted the project since 1985.

Detroit 28 — Gordon Graham presented a video regarding the club's program for handicapped youth entitled — "A Step Beyond." The program was so named because this project was a "Step beyond" other wood promotion projects conducted by the club. This program was coordinated by club president Dennis Karas who contacted the Lutz School, which provides work experience for handicapped youngsters. The club donated several power tools and materials to the class, and invited the students to display the items they had made for public viewing. Students were presented with a certificate at the completion of the course, which was made available at the request of the club to introduce the students to woodworking. The items produced by the students were primarily craft items. Following the completion of the video, Mr. Graham presented the Hoo-Hoo Museum with a wooden goose magazine rack produced by the students at the Lutz School.

Melbourne 217/Vancouver 48 — Graham Younger of the Melbourne Club reported that the two clubs have implemented an exchange program that allows a representative from each club to travel to the other club's area to study the local timber industry. After a stay in Canada, he said he was travelling through North America and will eventually travel to North Carolina to study American methods of hardwood production. Mike Roy of Vancouver has already completed his tour of Australia on a similar mission. He said the program was designed to allow representatives from each club an opportunity to study the industry on various levels.

WOOD PROMOTION — Snark Dick Campbell (r) poses with wood promotion entrants (l-r) John Kelderman of Perth 240, Gordon Graham of Detroit 28, Graham Younger of Melbourn 217 & Jan Hermans of Vancouver 48. The Perth Club 240 was named the winner of the 1988 award.

WOOD PROMOTION — John Kelderman of Perth Club 240 makes his winning presentation for the Wood Promotion Award.

WOOD PROMOTION — Gordon Graham of Detroit Club 28 explains the club's project entitled "A Step Beyond."

WOOD PROMOTION — Graham Younger of Melbourne 217 makes a joint presentation on behalf of Club 217 and Vancouver Club 48.

Melbourne Hoo Hoo Club No. 217 Walks Away With The 1988 Jack Cheshire Media Award

Being the sole entry for the 1988 Jack Cheshire Media Award did not prevent the Melbourne Club No. 217 from formulating a top grade presentation as demonstrated by club president Bert Armstrong who made the presentation on the Club's behalf at the 96th annual Hoo-Hoo convention in Orlando.

"The Melbourne Club No. 217 modestly contends that this submission is an achievement of SURPRISE AND ENTERPRISE." Brother Armstrong said as he stood before the delegates and judges. The motto "Surprise and Enterprise" rang true throughout the presentation which came complete with a bound volume of reports, letters, articles, promotion literature and other materials that were utilized by the club to promote Hoo-Hoo during the 1987-88 year.

The summary below was prepared by the club, and appeared in the presentation packet following the title page. The summary is printed below.

SUMMARY

1. This submission recognises the importance of Hoo-Hoo supporting itself and its sponsoring industry by sensible use of the media.
2. To commemorate the occasion of the twenty-fifth anniversary of the foundation of our Club, a special team led by foundation member Andy Blackwell 74590 produced and published a special "25th Birthday Book" covering major events and achievements by the Club over the last quarter of a century.
3. Overwhelming support was received from companies and individuals of the local forest products industry to such an extent that the entire project was funded from industry advertisements in the publication.
4. This submission does not rely entirely on the "25th Birthday Book" however, as it is considered that the following media achievements are also relevant:
 - (a) The efforts of the Melbourne Club's special Silver Anniversary Book Subcommittee to bring the book and its contents to the attention of the print, radio and television media, as well as to the general public and to all members of Hoo-Hoo both nationally and internationally.

- (b) The production of a special edition of the pamphlet "Hoo-Hoo — An Ideal in Action" for wide and on-going distribution.
- (c) The extensive coverage of the Club's 25th Anniversary celebrations, and of Hoo-Hoo in the July 1988 edition of "Timber Trader and Building Material News".
- (d) The special arrangement that Melbourne Hoo-Hoo Club has with "Timber Trader and Building Material News" whereby, in return for supplying that trade journal with Hoo-Hoo and industry news on a regular basis, the journal reserves space in every edition for all local Hoo-Hoo Clubs. In addition, half of all annual subscription fees to "Timber Trader" is donated to Melbourne Hoo-Hoo Club to assist the Hoo-Hoo movement in this State with its many and varied community service projects on behalf of the timber industry.

MEDIA AWARD — Melbourne Club president Bert Armstrong makes Club 217's presentation for the 1988 Jack Cheshire Media Award.

HOO-HOO INTERNATIONAL TO SPONSOR FOUR SPECIAL PROJECTS THIS YEAR — INCLUDING PROJECT LEARNING TREE

The 1988-89 Board of Directors adopted a proposal by new Snark of the Universe Phil Cocks to lend its financial support to four outstanding industry projects, including Project Learning Tree which captured the imaginations of delegates at the 1987 Hoo-Hoo convention in Seattle, Washington.

The other projects which will receive Hoo-Hoo support this year are the World Forestry Institute, Trees for Life, and Penny Pines.

In proposing these projects to the Board, Snark Cocks said, "As a non-profit fraternal organization, it behooves us to pay an increasing charitable role in our industry community as a responsible, caring and involved agency, within the industry from which we gain our sustenance." The Board members agreed, and voted to support the above named projects by making a financial contribution and endorsing their purposes.

PROJECT LEARNING TREE, a division of the American Forest Foundation, is an environmental education program designed for teachers and students grades kindergarten through 12. The program uses the forest as a window into the natural world, and its primary function is to educate students in conservation practices and resource use. PLT provides instructional programs for teachers, and is international in application. HHI will become an "Organizational sponsor" and will work with PLT to disseminate information to Hoo-Hoo clubs which want to sponsor the PLT program in their local schools.

THE WORLD FORESTRY INSTITUTE, located in Portland, Oregon, is described as an evolutionary stage in the growth of the World Forestry Center. WFI stresses the importance of sustainable resources and international cooperation, and fills a much needed niche in the arena of global resource management

by making a meaningful contribution to international policy and economic development. WFI will carry out these goals through exhibits on international forestry, an information center for international forestry, symposia on global resources and economic development, and international forest research activity. The construction budget for WFI is \$2,000,000, and all donations are matched by Louisiana Pacific Corporation.

TREES FOR LIFE is an international project with a goal of planting 100 million fruit trees in developing countries. The project is designed to increase public awareness of environmental destruction and world hunger in developing countries. The cost of planting six fruit trees is \$18.00. Trees for Life is headquartered in Wichita, Kansas.

PENNY PINES is a project which was born out of disaster. In 1987, 800,000 acres of California forests burned, ten firefighters lost their lives, and 1.9 billion board feet of timber was destroyed. For \$68.00 per acre, the Forest Service will plant one acre of trees in a California National Forest, and will provide the same protection from fire, insects and other hazards as given other national parks. Of course, this is a localized program, but HHI will strive to encourage all California clubs to participate in Penny Pines on a very active level.

A fifth project which will receive no financial support from HHI, but has received an endorsement is **OPERATION PHOENIX**. The goals of Operation Phoenix are similar to Penny Pines, being localized in California as a project aimed at resource recovery on lands damaged by fire. The information has been collected by HHI and will be disseminated to California clubs.

Information on the all five programs is available through the international office at (501) 353-4997 or FAX (501) 353-4151.

Snark Cocks Announces Plans To Encourage The Use of The 5-On-1 Recruiting and Retention Program

The 5-On-1 Recruiting and Retention program was introduced to clubs last year to provide a foundation on which to build a membership development program for the local clubs, but this year Snark Phil Cocks plans on promoting the implementation of the 5-On-1 plan on a broader scale.

"In past years, Hoo-Hoo clubs have experienced difficulty in recruiting new members and retaining them for more than one year," the Snark said during the Board of Directors meeting held September 18, "but the 5-On-1 plan can provide the basis that many clubs need to improve their abilities to recruit and retain new members."

The basis for the 5-On-1 plan is simple: FIVE club members volunteer to recruit ONE prospect for Hoo-Hoo, thereby providing maximum attention to the recruit, but requiring a minimum of time from the members. The same five members are responsible for

the recruit for one year after he joins Hoo-Hoo to insure he attends meetings and takes an active role in the club.

The 5-On-1 plan is the culmination of membership development seminars as conducted by the American Society of Association Executives (ASAE), and has proven effective for other membership based organizations in North America.

Implementation of this program is not mandatory, but it can be a useful tool to offset the loss of membership your club may be experiencing. Snark Cocks has encouraged the Supreme Nine and Deputy Supreme Nine to promote the use of the 5-On-1 program in the various jurisdictions, and all clubs will be provided with a copy of the 5-On-1 program.

For more information of the 5-On-1 Recruiting and Retention program, contact Executive Secretary Billy Tarpley, c/o Hoo-Hoo International, P.O. Box 118, Gurdon, Arkansas 71743.

Spacecoast Hoo-Hoo Club 221 Adopts "Hoo-Hoo Park" Project

In June 1987, the officers of Spacecoast Hoo-Hoo Club No. 221 decided to undertake a project to promote Hoo-Hoo. After several meetings with Brevard County commissioners, a parcel of county acquisitioned land was selected and given to the club for the purpose of developing the land into a public park.

At the October 1987 meeting of the Brevard County Board of Commissioners, a brief history of Hoo-Hoo was presented by Commissioner Sue Schmidt. It was then that a pitch was made by Ron Thompson, Cal Hoar and Frank Gray that the club would like to develop the site into a public park area. The board voted favorably on the proposal and the land was then donated to the club. This was the first parcel of land given to a group to develop, which was a first for Hoo-Hoo as well as the county.

Many meetings have taken place between Ron, Cal and Frank and the Department of Parks and Recreation. During these meetings the park has been planned and agreements between Club 221 and the county have been made. During this time the park has become known officially as "Hoo-Hoo Park," and will remain so, far into the future.

The county has hired an organization to do an environmental analysis of the site. They have also hired an architectural firm to draw plans for the park. The county has also agreed to clear the

land, supply fill, build a parking area and provide utilities. The club has agreed to build the park which will be an educational park promoting the use of wood and wood products. The park will consist of approximately 3,500 foot of boardwalk, a nature center, rest areas, picnic tables and identification plates for the variety of trees and plants on the property.

This lively piece of property is approximately 6.5 acres one mile north of the Rockledge city limits and has frontage on U.S. Highway 1 and 315 feet of frontage of the Indian River.

The preliminary costs of the park items are as follows:

Boardwalk	\$20.00 per foot
Covered table 8x8	\$20.00 each
Covered shelter 16x16	\$600.00 each
Nature Center 30x30	\$10,000.00
Restrooms	\$5,000.00
Bench rest area	\$100.00 each
Tree I.D. plates	\$15.00 each

Any donations from clubs or individuals will be greatly appreciated.

Be a plank owner in the Boardwalk for \$20.00 per linear foot and receive a certificate of appreciation and ownership!

Upcoming issues of the *Log & Tally* will have a progress report and further information on the environmental analysis, details on the boardwalk and other park items.

Hoo-Hoo Park is going to be around for a long time, so jump in and help with your donations. Donations may be sent to Hoo-Hoo Park Project, c/o Cal Hoar 92815, 5965 Cannon Avenue, Cocoa, Florida 32927. Telephone (407) 632-6685.

CLUB NEWS

Jurisdiction I

REPORT FROM WASHINGTON D.C. CLUB 99

BOARD MEETING — At a June 15 meeting of the Club 99 Board, many plans were made to get the 88-89 year off to a flying start. Among the items decided -

The Board will set up a telephone committee to contact most members prior to the meetings in an effort to get a more accurate count on the attendance. We have to guarantee the Marriott on how many meals we will need, and pay for any not served, so the necessity of a good count is evident.

Our programs for the fall will be:

16 Nov - CONCAT - Jack Gibala in charge

14 Dec - Christmas Party, \$5000 raffle

NOTE - The Board feels that kittens should attend at least one meeting prior to being concatted, so ALL POTENTIAL KITTENS FOR THE NOVEMBER CONCAT MUST COME TO EITHER THE September or October MEETING.

OTHER NOTES - The price of dinners will be \$22 next year - one free drink included.

Delegates to the Orlando Convention will be Joe Dempsey, Charlie Eaton, Jim Quinn and Lee Roberts.

CONCAT — We will have a concat in November, and it should be noted that all prospective Kittens MUST attend either the September or October meeting in order to be eligible for the Concat. This is a departure from past practices, but the Board feels that this will help insure that we get Kittens who are interested in the club and will help our retention rate in the future.

ATTENDANCE PRIZE — Again this year we will have a monthly drawing for an attendance prize. The club will put \$10 in the pot and the name of one of our members will be drawn. If that member is present, he will receive the \$10. If he is not present, the money will carry over to October and another \$10 will be added to the pot. But remember, YOU MUST BE PRESENT TO WIN.

50/50 DRAWING — We will again have another 50/50 Raffle this year, and the format will be similar to past years. Final details haven't been settled on, but tickets are likely to be \$100 each, with only 99 tickets available, and several prizes to be awarded. Watch this space next month for all of the details.

NEW FORMAT — You will note our new, expanded format this year for our monthly newsletter. Thanks to the support from several new commercial advertisers, plus an expanded list of Illustrious Living Legends, we were able to enlarge our newsletter and be able to pay the extra expense from our additional advertising revenues. Thanks again to all who have made this improvement possible.

DUES — Annual dues of \$30.00 for regular members and \$10.01 for Life Members are now due and payable. If you have not already paid, Sec/Treas Lee Roberts will be happy to accept your dues at the meeting.

CALENDAR OF COMING EVENTS

November 16 — CONCAT. Vice Gerent Snark Jack Gibala will have charge of the initiation ceremonies. Remember, all kittens MUST attend either the September or October meeting to be eligible to join.

December 14 — Christmas Party and Dinner Dance. This will be our annual gala for our wives and girl friends. It will also be the time for the drawing for the winners in our 50/50 Raffle.

All of these meetings will be on Wednesdays at the Tyson's Corner Marriott. Mark these dates on your calendar NOW.

Jurisdiction III

SPOKANE CLUB 16 REPORTS

Some 27 members and their ladies thoroughly enjoyed the Patio Party at the interesting home and wood shop of President Jack and Helen Eskeberg. Rameses #71 Gene Zanck expertly intalled the officers as he has the past several years. It was a beautiful balmy summer evening.

At this meeting, 2nd Vice-Pres. Jim Price was surprised to be honored as the "Hoo-Hoo of the Year" for his dedication, interest and service to Hoo-Hoo Club of Spokane #16, Inc. Jim was awarded the Chain sawed Cat, "Snark Gene Zanck Award." Congratulations for this high honor, Jim.

Nov. 17th Meeting

This will include our wives. We will be honored to have a talk by Historian and Author, John Fahey. He will speak on "Beginning of Big Lumber in the Inland Empire." More about his later.

Personals

Al and Mary Jane Bair have moved to a new home — "a town house complex with no lawn to mow and no snow to shovel." Sounds great. Enjoy!!

Joe Belknap is now working for Jack Brace at Trumark Industries. He is the Program Chairman for the November 17th meeting.

Chuck Dehner and Jean Strough were married recently. Our best wishes to this fine couple.

Scott Cocking, son of Hoo-Hoo member Mr. and Mrs. Duane Cocking, just returned from a year of study in Switzerland. He had a very interesting article in the Spokesman Review, and commented that he will have to (again) adjust to a different culture.

Jack and Helen Eskeberg have been in San Diego, California, visiting their son, Bruce and his wife, and baby sitting their granddaughter, while her parents vacationed in Hawaii.

Thanks, again, to Dellen Wood Prod. Company, Bill Lentos, President, and to Roxana Pepper, for printing our fine Activities Calendar and membership Roster. We all do appreciate this.

PLEASE SEND DUES IN TO SPOKANE HOO-HOO CLUB, PROMPTLY.

Thank You.

SEATTLE CLUB #34 LOG & TALLY NEWS REPORT

After an enjoyable summer, Seattle #34 kicked off the new year with a steak-fry picnic for members and their ladies. It was a super event.

The horseshoe throwers found that the nice sand pits had been used for more than pitching iron, and that the great black cat had apparently put his mark of approval on our outing in a most unique way. Victors Matt Hobbs and Dan Powell are still trying to collect thier winnings from the

vanquished.

Dan and Margie Olson, just returned from a trip to Turkey, shared many experiences with us. Dan reports that although the breath of the great Hoo-Hoo is virtually everywhere there, chances of a club getting started in that country are pretty slim.

Our next meeting will feature our annual \$250 draw-down for paid members. And a report from VP Ed Williams, who attended the International Convention in Orlando as our club representative.

A past presidents club is being formed, with a golf tourney slated in late September to start things off. The collective wisdom of our past leader organization should prove to be a real benefit to the club.

November's meeting will be a joint function with both Tacoma Olympia #89 and North Cascades #230 to be hosted by Seattle at the Swedish Club. We are looking forward to a huge turnout—Hoo-Hoo fellowship will abound.

SEATTLE 34 — (l-r) Buzz & Lynn Gascoigne, Les Sjolholm, Bill Lindgren & Harvey Scott enjoy conversation at the picnic.

SEATTLE 34 — Club members, wives & guests at the club 34 summer outing.

REPORT FROM PORTLAND CLUB NO. 47

The Portland Hoo-Hoo Club No. 47 will be very close to our popular annual Christmas party when you read this. We decorate the world famous World Forestry Center in a festive manner.

We set another attendance record for our annual golf tournament and dinner. Members and their guests attended from several western states.

Our September meeting was the installation of officers ceremony and a tour through a local winery. This was another husband-wife/girlfriend affair. Many past presidents attended.

We've just finished our October Stag Night. After a nice dinner we got down to serious business.

January starts another grading class. These are 10-week courses, very comprehensive and well attended over the years. That is probably why we all sound so knowledgeable here in Portland.

Our new officers for the 1988-89 year are:

- President - Jim McCarthy, Furman Lumber
- 1st V.P. - Brad Rodakowski, Stimpson
- 2nd V.P. - John Anderson, LJB Lumber
- Sec/Treas. - Randy Johnson, LJB Lumber

We mourn the passing of one of our stalwart members, A.D. "Al" Dugan 76666. He was very well liked, loved the lumber business and the camaraderie, and it always showed.

Doug Fullmer, reporter

REPORT FROM TACOMA OLYMPIA CLUB NO. 89

Well, the summer has flown by and it's time to start the Hoo-Hoo year 1988-89.

In June, we had our annual golf tournament out at Brookdale Golf Course. The weather was perfect and the 90 or so golfers had a great time, followed by dinner, awards, and prizes. June was also the month for our annual Lumber auction. Ehli & Sons handled the auction. We didn't do as well this year as the past year, so next year we will have to work harder.

July was a quiet month with no meeting. August, we had our first Board meeting to plan for the coming year.

Tuesday night, September 6, we held our first regular meeting of the fall season. We had as our guest speaker Lou

Whitaker, the famous mountain climber who has climbed in Alaska, South America and the Himalayas. He narrated some of his climbs backed up by film slides showing K-2 and Mount Everest. Next year, he is going to lead an expedition to Kanchenjunga (28,208 ft.) in the Himalayas, the world's third highest mountain.

At this meeting we had Armand Yapachino from Bates Vocational School, and David Bacon from Clover Park Vocational School. The club presented each of them with a \$500.00 check which goes towards the Student Loan program to help students in wood related programs at the Vo-Tech schools.

It was a great meeting and everybody enjoyed being back after the summer recess.

John Crawford, reporter

TAC OLY 89 — (l-r) Barney Wagner, Jim Sherman and Bob Dagais work on the raffle.

TAC OLY 89 — Club president George Koenig (r) poses with famed mountain climber Lou Whitaker.

TAC OLY 89 — President George Koenig (l) presents past president Jim Smith with his president's plaque and gavel.

TAC OLY 89 — President George Koenig (r) presents Clover Park rep. Dave Bacon with a \$500 check for the student loan program.

TAC OLY 89 — Armand Yapachino from Bates Vocational School thanks the club for the \$500 check for their student loan program.

**CLOSE CALL FOR WINEMA 216
PRESIDENT ED MALONEY**

Winema Hoo-Hoo Club No. 216 President Ed Maloney is thanking his lucky stars these days after an incident which could have claimed his life.

Ed, a forester for Modoc Lumber Company in Klamath Falls, Oregon was checking a timber sale in the Medicine Lake area last June when he became stuck in a snowdrift. As he was freeing his pickup, it rolled forward and pinned him against a tree.

Ed was pinned there for 11 hours before another Modoc forester, Ken McAndrews, found him at 1 a.m. on Saturday, June 11. An extensive search party had been organized and volunteers hunted for seven hours before Ed was finally located. Searchers assumed he had gotten stuck, was in a radio blind spot, and was walking out. Luckily, Ed had told people in nearby McCloud where he was going.

The truck pinned Ed just above the knee, and only after exploratory surgery did doctors determine that his leg would not have to be amputated. He did suffer nerve damage in the leg, and to date is still recovering.

Many heartfelt HOO-HOO THANK YOUS go out to Ken McAndrews and the other volunteers who aided in the search for Ed!

REPORT FROM WINEMA CLUB 216

June

Members of Winema Hoo-Hoo Club 216 enjoyed "Election Nite" at "Ribs 'n Bibs." The food was excellent and the small room made for a "cosy" meeting - Vice President Maloney presided and did a good enough job to get elected Pres. for 1988-89.

Officers elected were: Vicegerent Snark, Paul Wunder; President, Ed Maloney; Vice President, Ted Paddock; Treasurer, Bill Nelson; Secretary, Buzz Wagner; Directors, Mike Pellegrino, Chuck Ehlers, Kurt Schmidt, Lowell Netzer, W.K. Patterson.

Several members reported on the Juris III "Mini" in Kalispel - apparently a fine "mini" and enjoyed by all.

The 1st Annual Golf Tourney at Harbor Links was a great success. Pellegrino is already looking forward to next years - Understand that Wunder with a 100 handicap was an easy eninner.

Ed Maloney, next years prexy, in a freak woods accident, had his pick-up take after him and pin him to a tree where he re-

Jim Gillies

WHOLESALE FOREST PRODUCTS

Jim Gillies Lumber Co., Inc.
Yarmouth Road, Gray, Maine 04039

207-657-3318

maintained for some 12 hours before Ken McAndrews and son Kevin rescued him. This happened on June 13, and as of this date he's still in Merle West Medical Center. One leg was pretty badly banged up and is requiring a lot of surgery, skin grafts, etc. Ed starts therapy this week, and has his sights set on making the steak fry. Understand that he's borrowed an elephant gun from someone, with the idea being to shoot that mother of a pickup as soon as he gets out. A lot of praise is in order for all those great people who were involved in the search for Ed. Their efforts probably kept a serious accident from turning into another woods fatality. Had occasion to travel with the "Snark," Dick Campbell, and Mike Balcom down in the Mt. Shasta area where Mike is logging - what a day! Mike was a great host, and I'm sure went out of his way a bit to show the Aussie what our part of the world is like - Mucha Gracias, Mike, I owe you a couple!

July

Each year at this time we turn the reins of our fine organization over to a motley group of untrained, semi-literate, brash young whipper-snappers who have promised to really get us on the ball. So come join in at swearing in the new crew for 1988-89. Denry has the park ready and the brew cool!

- Vicegerent Snark - Paul Wunder
- President - Ed Maloney
- Vice President - Ted Paddock
- Treasurer - Bill Nelson
- Secretary - Buzz Wagner
- Board of Directors
- Mike Pellegrino, Lowell Netzer, Chuck Ehlers, Kurt Schmidt and W.K. Patterson.

"Knots and Knotholes"

Going by "Shoal Water Bay" Lyons had to stop to let a family of "otters" cross the road. They were really hustlin to get to the lake. And as this bulletin winds up the

year of Wunder, mebbe we should look at our track record. Our 6th grade forestry tour in October was the best ever, the club is healthy and growing with 189 paid up members who do a great job of supporting Hoo-Hoo. Our wives are still understanding, letting us out on the 2nd Thursday of each month and giving us a couple of bucks for the raffle. Our meetings and special events are well organized, well attended and greatly enjoyed. Our sponsors and industry back-up is the greatest! And we're blessed with some old heads who stay in the background but continue to guide us. We never had it so good!

So Prexy Paul, Winema #216 congratulates you on a job well done, and a special thanks to your Becky for all those goodies. It's been a real pleasure!

August

Installation of officers at Malin Park - Quite a day. Made salad at 8 a.m. Picked up the goodies and mused to Malin about 1 p.m. "Hotted" up the potato cooker and started things rolling about 4 p.m. We'd expected about 50 and 80 showed. The food was excellent, and the clouds heavy. Prexy Wunder had just started the usual exchange of gifts when all Hell broke loose with thunder and lightning. A heavy downpour of big, cold raindrops, people running for cars and umbrellas. Oh what fun! Things finally let up a bit, and Bill Patterson with his rain soaked straw topper stood under a tree and swore in, or at the officers. Had a bit of a problem collecting them and keeping them corralled. Not sure what he said but they all raised their hands and agreed to it, so guess we do have a governing body. Personally, I'm sitting in the pickup eating and listening to the pitterpatter on the roof. The important thing was that we kicked Paul upstairs and gave Ed Maloney something to do while he recuperates. From good hands to good hands.

NORTH CASCADE #230

Welcome to a new year in Hoo Hoo. Your club officers Paul Kriegel, Dick Vuori, Bruce Fritch and Harry Stuchell along with the board have been working diligently to assure you the club members a fine calendar of interesting meetings. A new idea for this year is to have each board member talk about himself and his company at the meetings. This is to let you know "Hoo" your officers are. If you have questions talk to these men, listen to their ideas. North Cascade is more than just a social club, it is a fine arena for sharing ideas, concerns, problems and successes.

Our meeting calendar is pretty much the same as in the past except for the location of the April concat. Check your calendars and note the change.

The September meeting while not an overwhelming success in terms of mem-

bers present, was able to concat 6 new members. Two of these kittens were signed up that nite. These fearless 6 were inducted to our group with the usual enthusiasm. In April they can join the rest of us welcoming a new group of kittens.

One problem that has plagued our club for many years is the attendance at the September meeting. Whether the problem is location, scheduling (vis a vis the International Convention), time of the month or just the simple fact that it is the first meeting of the new year, a solution must be found. It doesn't "hurt" the club to have small turnouts, but when you have 268 members you would expect more than 60 at the first meeting. Again this is a problem that has been ongoing for several years, but there should be a solution and we should find it.

Our new Snark Phil Cocks has come up with what he calls a five on one plan. Five club members take charge of new kit-

tens during their first year. These five include the three that sponsor a kitten. They make sure that he knows of upcoming functions and encourage him to attend all club functions that he can.

In the past this writer has had some strong philosophical differences with our new Snark, but I feel this is a good program and could definitely help in the retention of kittens. North Cascade should step forward and establish this program to ensure the strong membership position of our club.

To the new members a hearty welcome. Stay involved with club activities, attend the meetings. Don't be afraid to ask about how our club operates. Consider attending the Juris III mini-convention or the International Convention. To the "old" members, make sure the kittens you sponsored attend the meetings and explain what is happening.

N. CASCADE 230 — Snark Dick Campbell (seated) poses with new members of Club 230.

N. CASCADE 230 — Another winner from May's golf tournament.

N. CASCADE 230 — The potion is brewed for the special "balming" ceremony at Club 230.

MT. GAMBIER CLUB 214 BEGINS ITS 26th YEAR

1988 has been a busy year for the Mt. Gambier Club No. 214 as its 26th year unfolds. Club meetings have been a highlight with good numbers and programs. Captain Don O'Donnell, the Postmaster at Portland, spoke to the club on May 9 about the economic prospects of the area. Club members John Hooke talked about work cover insurance and new laws on March 19. And the big event was the visit of Billy Tarpley, Executive Secretary of HHI, and Jurisdiction IV President Rod Abel on June 13 with a ladies night and a successful holiday weekend despite the weather.

July 11 saw Andrew Moore tell the club about the Re-Tree program as well as being AGM night. The election of officers was on June 13. Laurie Judd became president, VI is Greg Richardson, Secretary Bob Klintberg and Treasurer Bruce Hamilton. The committee includes Russell Hay, Brian Page, Dennis Rea and Kevin Boulton. Immediate Past President of David Didwell.

VICTORIA CLUB 183 REPORTS

Back on June 9 we held a Past President's Night, general meeting and election of officers. Past presidents in attendance that night were Rudy Reicheneder, Bob Stewart, Fred Frudd, Rob Robinson, Bruce Woodrow, Newton Cameron, and Doug Donald.

On August 28 we held a "Hackers Croquet Tournament" at the home of Stu Wallace on Sooke, B.C. I am glad to report that there were no fatalities. We topped the day with a super steak and salmon barbecue. A good time was had by all.

VICTORIA 183 — Past Presidents (l-r) Rudy Reicheneder, Bob Stewart, Fred Frudd, Rob Robinson, Bruce Woodrow, Newton Cameron, Doug Donald.

VICTORIA 183 — Stu Wallace oversees the preparation of the salmon.

VICTORIA 183 — This "foursome" is (l-r) Sue Donald, Doug Donald, Barbara Curley and Jim Redecopp.

COWICHAN VALLEY 229 — Ev Jones with husband, charter member Glynne after being presented with a special "T" shirt for cooking over 4,000 "spuds" for various events over the past 20 years.

COWICHAN VALLEY CLUB 229 CELEBRATES 20th ANNIVERSARY

One Hundred Twenty-four people helped celebrate our 20th anniversary on August 11th including 15 past presidents. Club members and visitors from other chapters including Victoria and Vancouver attended the festivities at the B.C. Forest Museum.

Among the celebrants was current club President Jerry Doman, son of the club's founding president, the late Gordie

Doman.

Congratulatory telegrams were read from Dick Campbell, Snark of the Universe and Kevin Kelly from Australia.

Among the many wood orientated projects supported by our club over the years are the B.C. Forest Museum, Wood Promotion and Awareness programs in local schools and Junior Forest Wardens and Provide Bursaries for our local high school and college.

A special "T-Shirt" was presented to EV Jones, wife of charter member Glynne

Jones, who has prepared and cooked over 4,000 "spuds" for various events over the last 20 years. Thanks EV.

Chairman George Robbins and his committee of Bob Irvine, Nolan Davis, Jerry Doman and Glynne Jones did an outstanding job of organizing this very special event.

We also held our first ever softball game on June 28, 1988 and with the weather co-operating we had a good turnout. Because it was so popular, it could become an annual event.

COWICHAN VALLEY 229 — Past Presidents join in celebrating Cowichan Valley Hoo Hoo Club #229s 20th Anniversary.

Left to right, back row: Peter Small, Gordon Cameron, Terry Malone, Bob Batty, Jerry Doman, Dick Drake, George Robbins.

Left to right, front row: Al Crosson, Bernie Falt, Rod Hinchliff, Bob Irvine, Ron Sims, Glynne Jones.

HOO HOO #3 SAN DIEGO

July brought us a Speaker's Night which was attended by over 70 members of the club. The evening was a panel discussion with very influential San Diegans about building industry trends in our city and county. This area faces building limitations on the November ballot and concerns over the possible effects of those measures prompted a spirited discussion. The Builder's Association, contractors, importers, and retail lumber yards were all represented on the panel. No conclusions were reached, but everyone present gained a real apprecia-

SAN DIEGO 3 — (l-r) Bill Cowling, Pres. Dixie Line Lumber, Carl Poyner of Dixie Line, Bob Morns of the Builders Association, and J. McMillian, contractor, participated in Club 3s panel discussion at the July meeting.

tion of the industry difficulties we can expect if these measures are successful. On the lighter side, our golf journey

looks good and as good as some of our hackers are, the PGA need not worry about this one!!

SAN DIEGO 3 — Speaker's Night chairman Warren Hoffman (left) visits with Dixie Line Lumber Co. President Bill Cowling.

SAN DIEGO 3 — Mark Olson (left) of La Mesa Lumber and Bill Cowling, president of Dixie Line Lumber.

SAN JOAQUIN VALLEY 31 HOSTS 14TH ANNUAL COAST FROLIC

On July 28 and 29, 1988, San Joaquin Valley Hoo-Hoo Club No. 31 held its 14th Annual Coast Frolic at Pismo Beach, California. Those in attendance at the Coast Frolic were from as far away as Danville, and of course several from the San Joaquin Valley.

Friday afternoon the golf tournament was held at Black Lake Golf and Country Club in Nipomo. Don Oldenkamp was chairman of the event. The following winners of the golf tournament were awarded prizes following the banquet at the Shore Cliff Lodge Friday evening.

Closest to the Hole on #8 — Ray Teixeria
Closest to the Hole on #17 — Ron Bass
Longest Drive on #4 — Ron Bass
Longest Drive on #15 — Jerry DeCou
Ladies Low Gross — Kathy Toth

Ladies High Gross — Roberta Parsons
Ladies Low Net — Kay McCann
Mens Low Gross — Jeff DeCou
Mens Low Net — 1. Jeff DeCou,
2. Jerry DeCou
Calloway Winner — 1. Eric Sullwold,
2. Dave Mankins, 3. Jay DeCou
Mens High Gross — Don McCann

Following the golf presentations the following motion was made, duly seconded and unanimously passed by the membership to amend Article 3, Section 1, paragraph 2 of the Bylaws of Hoo-Hoo Club No. 31 to provide for eleven directors rather than ten. Following the adoption of the new Bylaw provision, the following were nominated for officers and directors:

President	Bill Barr
Sec./Treas.	Bernard B. Barber, Jr.
1st V. Pres.	Mike Riley
2nd V. Pres.	Jay DeCou

Sergeant at Arms — Don Oldenkamp
BOARD OF DIRECTORS
John Amos — Jay DeCou
John de la Montanya — Jack Holt
Dan Sweeney

A motion was duly made, seconded and unanimously passed approving the election of the nominees to the Board of Directors and officers.

The next day at Jerry DeCou's residence in Atascadero, the members were treated to a delicious barbecue and reception around the pool of Jerry and Joyce DeCou.

LOG & TALLY

BLACK BART CLUB #181

On September, 1988 the Black Bart Hoo-Hoo Club #181 installed new officers (list attached) for Hoo-Hoo year 1988/89. This meeting was held in Redwood Valley and was well attended.

Guest speaker was Henry F. Trione entrepreneur, ex-sawmill operator, past board of director of Wells Fargo Bank, and world renowned "Truffles" expert. Henry's talk was well received. As most people probably know truffles are very valuable. Truffles, with Henry's help, have now been discovered all over northern California. Large land owners in at-

tendance were already spending their new found wealth when they found out northern Californian Truffles are not the same as European Truffles. So much for their new wealth.

During this meeting a Honolulu Convention raffle was started. Money raised will be used to offset airfare and registration and send 4 or 5 Black Bart members to the Hawaii International Convention in September '89. Winners will be selected in July 1989.

Upcoming meetings for the Black Bart Club will be a November Concat and in January Industry Night.

BLACK BART 181 — (l-r) Jackson Finck, Henry F. Trione with truffle hound, and Cliff Smoot.

BLACK BART 181 — (l-r) Immediate Past President Jackson Finck, New President John Blatchford, guest speaker, Henry Trione.

BLACK BART 181 — In order to raise money to send delegates to Honolulu in 1989, Black Bart 181 sponsors a raffle every meeting. The club wants to raise \$2,000 to \$3,000.

Jurisdiction VII

HOUSTON CLUB NO. 23

The Houston Hoo-Hoo Club No. 23 held their election meeting and installation of officers on July 28, 1988 at the Allen Park Inn. There were 28 members and guests present for food and spirits. Our cocktail sponsor for this meeting was Trailer Transport. Thanks Don.

Satch Davidson, A retired National League umpire, regaled the troops with tales of joy and sorrow behind the plate. He was behind the plate when Hank Aaron broke Babe Ruths home run record in 1974 and also presided over five (5) no hit games.

The results of Club No. 23 election: President—R. Ross Hunnicutt, Vice-President—Frank Aranza, Secretary/Treasurer—Jim Moncreif, Cat Tamer—Ward Scholl, Sgt. at Arms—James Hawkins, and Chaplain—A. W. Harris. Directors—Joe Breeden, Chris Goff, Bill Franks, Marc Hoover, Roland Massey, Ed Radke, Von Simpson, David Tschatschula,

Kyle Williams, and our very own Chairman of the Board — Mike Knigge, H.H. — L.L. Chriss Goff.

Additional Note: Members of Hoo-Hoo Club #23 delivered a new dishwasher to Boys Country on July 23. Boys Country, a Christian care center for homeless children has received support from Hoo-Hoo Club #23 for the past four years.

REPORT FROM GURDON HOO-HOO CLUB NO. 120

September marked the beginning of a new year for the Gurdon Hoo-Hoo Club No. 120, and new President Pete Prutzman has been busy planning the new year's activities.

Club 120 will launch a membership drive this year in hopes of increasing its membership by 10 percent as requested by Snark Phil Cocks, and the club was a sponsor of the power saw and crosscut saw competitions at the Gurdon Forest Festival again this year. Members of the Gurdon club also set aside a day in October to paint

the metal railing around the Hoo-Hoo Monument in Gurdon with chrome paint, which was a project taken on the request of Rameses 72 Jimmy Jones.

Club Vice President David Smith has scheduled some outstanding programs for the year. Clark County Extension Agent Ron Beatty provided the program at the September meeting during which he gave many interesting statistics on forestry and agriculture in the immediate area.

The club continues to meet at White Oak Lake in a cabin donated by Louis Cabe. For those Hoo-Hoo that might be passing through the Gurdon area, Club 120 meets the last Thursday of the month. For more information call club secretary/treasurer Billy Tarpley at (501) 353-4997.

HOUSTON CLUB NO. 23

The Houston Hoo-Hoo Club No. 23 held their election meeting and installation of officers on July 28, 1988 at the Allen Park Inn. There were 28 members and guests present for food and spirits. Our cocktail sponsor for this meeting was Trailer Transport. Thanks Don.

Satch Davidson, A retired National League umpire, regaled the troops with tales of joy and sorrow behind the plate. He was behind the plate when Hank Aaron broke Babe Ruths home run record in 1974 and also presided over five (5) no hit games.

The results of Club No. 23 election: President—R. Ross Hunnicutt, Vice-President—Frank Aranza, Secretary/Treasurer—Jim Moncreif, Cat Tamer—Ward Scholl, Sgt. at Arms—James Hawkins, and Chaplain—A. W. Harris. Directors—Joe Breeden, Chris Goff, Bill Franks, Marc Hoover, Roland Massey, Ed Radke, Von Simpson, David Tschatschula,

Kyle Williams, and our very own Chairman of the Board — Mike Knigge. H.H. — L.L. Chriss Goff.

Additional Note: Members of Hoo-Hoo Club #23 delivered a new dishwasher to **Boys Country** on July 23. **Boys Country**, a Christian care center for homeless children has received support from Hoo-Hoo Club #23 for the past four years.

REPORT FROM GURDON HOO-HOO CLUB NO. 120

September marked the beginning of a new year for the Gurdon Hoo-Hoo Club No. 120, and new President Pete Prutzman has been busy planning the new year's activities.

Club 120 will launch a membership drive this year in hopes of increasing its membership by 10 percent as requested by Snark Phil Cocks, and the club was a sponsor of the power saw and crosscut saw competitions at the Gurdon Forest Festival again this year. Members of the Gurdon club also set aside a day in October to paint

the metal railing around the Hoo-Hoo Monument in Gurdon with chrome paint, which was a project taken on the request of Rameses 72 Jimmy Jones.

Club Vice President David Smith has scheduled some outstanding programs for the year. Clark County Extension Agent Ron Beatty provided the program at the September meeting during which he gave many interesting statistics on forestry and agriculture in the immediate area.

The club continues to meet at White Oak Lake in a cabin donated by Louis Cabe. For those Hoo-Hoo that might be passing through the Gurdon area, Club 120 meets the last Thursday of the month. For more information call club secretary/treasurer Billy Tarpley at (501) 353-4997.

WICHITA 173 HOLDS JOINT MEETING WITH C.S.I.

The Wichita Hoo-Hoo Club No. 173 held a joint meeting in September with the Mid-Kansas Chapter of the Construction Specialists Institute (C.S.I.). C.S.I. is the Construction Specifications Institute with headquarters in Arlington, Virginia. There is an affiliate organization in Canada. C.S.I. was established on March 19, 1948... forty years ago. The Mid-Kansas Chapter (Wichita) was chartered on June 10, 1976, twelve years ago, and has about 80 members. There are about 20,000 members in the United States. For administrative purposes, the U.S. is divided into ten Regions. The Wichita Chapter, along with 19 other Chapters from nine states, is in the North Central Region.

Like the Hoo-Hoo organization, membership spans all elements of the construction industry; e.g., Professional Engineers, Architects, General Contractors, Industry Representatives, etc. This provides a common meeting ground, a forum, for those engaged in every facet of the industry. Thus, differences tend to be

minimized and similarities are expanded upon and capitalized. The result, of course, is a stronger, more cohesive and ever progressive industry of friendly people.

The primary thrust of C.S.I. is to provide a degree of clarity and uniformity in the writing and interpreting of construction specifications... quite simply, getting the facility built with no unnecessary delays, the way the owner wanted it to be built.

This is accomplished through a variety of voluntary educational programs starting with something as basic as a general membership dinner meeting held on the second Monday of the month at Days Inn. There are monthly "Teck Tawk" breakfast meetings where specific subjects (e.g., carpets, earth moving, fire protection sprinklers, etc.) are discussed by a panel of experts with much audience participation. For more in-depth studies of a given subject, seminars are arranged usually through the Marcus School for Continuing Education at the Wichita State University. Regional and National workshops and seminars are offered

throughout the year at various places around the country on many subjects. Many of these programs are offered on audio and video cassettes.

The Wichita Chapter annually sponsors a PRODUCT FAIR at Century II. The next one is scheduled for Tuesday, March 21, 1989. These shows provide industry people an opportunity to showcase new products and demonstrate new services being offered to the design professionals, general contractors, building owners and managers, school and government administrators, etc.

The local Chapter also maintains volumes of reference material at the local public libraries. It is developing plans to provide scholarships and other forms of student assistance.

In Short, C.S.I. in general and the Mid-Kansas Chapter in particular are eager, active and viable organizations hard at work today making improvements in the construction process while researching and planning programs for an even better future.

Dave Martene, reporter

WICHITA 173 — Don Grabendike and Byron Hess.

WICHITA 173 — (l-r) Mike Jones, Kent Vice and Chuck White.

WICHITA 173 — Rameses 70 Laurn Champ & Roy Nash.

WICHITA 173 — (l-r) Bob Hayes, Roger Wilkerson, Steve Hayes and Bill Clark.

WICHITA 173 — (l-r) C.S.I. member Eric Newcomb, Don Miller & Chuck White.

WICHITA 173 — Don Grabentike and a C.S.I. member.

SNARK AT SIOUX VALLEY 118

Members of the Sioux Valley Club No. 118 welcomed Snark Dick Campbell on April 14th along with 2nd Vice President Lyle Hoeck, Rameses Tom Partridge and J-VIII S-9 member George Olsen to a fun outing at Dale Weir's Summer home. The following day, the Snark's tour travelled to Rapid City, S.D. to charter the Black Hills Hoo-Hoo Club No. 267.

SIOUX VALLEY 118 — Club 118 members welcomed Snark Dick Campbell, S-9 George Olsen and Rameses 68 Tom Partridge to their April meeting.

SIOUX VALLEY 118 - Club members share conversation with International 2nd V.P. Lyle Hoeck (left), S-9 George Olsen (second from left) and Snark Campbell (rear).

SIOUX VALLEY 118 — Snark Campbell entertains the troops.

SIOUX VALLEY 118 — (l-r) D. Johnson, Rudy Nelson, and two other unidentified golfers pause for a snapshot.

SIOUX VALLEY 118 — (l-r) Gary Hageman, Darrell George, & Scott Olson at Club 118's R & R Day.

SIOUX VALLEY CLUB 118 HOLDS R & R DAY

About 125 members and guest attended R & R Day on August 16th hosted by the Sioux Valley Hoo-Hoo Club No. 118. The golf portion was held at the Brandon Country Club with trophies presented to Lee School (championship flight), Leroy Frank (1st flight), and Dan Konz (2nd flight).

The Trap Shoot and cookout were held at the Sioux Valley Falls Isaac Walton Club with trap shoot winner as follows: First flight (tie) — Wayne Meester and Mark Stewart; Second flight (tie) — Dick Becker and Dick Bukeisen.

Attending were Rameses 77 Carle Hall, and Second Vice President Lyle Hoeck.

Many prizes were given away following the steak fry and another successful outing was enjoyed by fraternal brothers of Hoo-Hoo.

Thanks to all who served on committees for lots of hard work and another great R & R Day. Thanks also to our outgoing secretary Bruce Braaten for all his hard work.

REPORT FROM OMAHA CLUB 124

Your secretary has just returned from the international Hoo-Hoo convention in Orlando, Florida. It was a good convention and our new Snark of the Universe was installed. Mr. Phil Cocks of Orlando is the man. He is very capable and will do a good job. Interestingly, he is a native of Australia until 20 years ago, then he came to the states for his future.

Our good friend, Dick Campbell, was embalmed as a new Rameses of our order and will be the Chairman of the Board for 1988-89.

Our concat will be in November, and although I will be in California someone will be there to take your money. Will see you in November and tell you more about the convention.

OMAHA 124 — Club Sect/Treas. Homer Hahn (left) agrees with Bernie Barber (right) when he commented, "Two perfect heads."

NEW OFFICERS AT CENTRAL FLORIDA CLUB NO. 115

Members of the Central Florida Hoo-Hoo Club 115 elected new officers for the 1988-89 year in August. Congratulations to the following men:

Vicegerent Snark	— Bobby Carroll
President	— Bud Ryan
1st Vice Pres.	— George Chandler
2nd Vice Pres.	— Mike Smyth
Secretary	— Jack Litteral
Treasurer	— Don Smith

Also elected to serve on the Board of Directors were Jimmy Tucker of G.P., Dave Adamson of Smyth Lumber, Jim Firth of Timber Products, Chuck Browning of Robbins Lumber, Harry Aroian of Cook Lumber, Denzell Simmon of Panning Lumber, Jim Hill of Logan Lumber, Ed Slappa of D & S Discount, and Scott Schilsky of Dunn Lumber.

THANKS TO CENTRAL FLORIDA 115 CONVENTION HELPERS

Many people and firms donated a lot of time and money to make the joint Hoo-Hoo/FLBMDA convention successful, and we want to say thanks to all those that gave from the heart. All Central Florida Hoo-

Hoo Club No. 115 members can be proud of what took place at the Marriott Hotel. We got a lot of praise and thanks from almost everyone who attended. Larry Jordan did an outstanding job co-ordinating things with FLBMDA, above and beyond the call of duty. Scott Schilsky of Dunn Lumber manned the Hoo-Hoo booth for 2 days with no relief, he deserves a round of thanks from everyone. Frank Gray and Phil Cocks as co-chairmen of the convention committee, which met several times a year for the last five years, did an outstanding job bringing this convention to its final hours. The convention was a big success for our club.

—excerpt from Club 115's October newsletter.

Obituaries

RICHARD SCHMIDT 57644

Brother Richard Schmidt 57644, age 66, of Lincoln, Nebraska passed away in September. Although he had reinstated his membership with the Omaha Club No. 124, he had previously served as president of the old Lincoln, Nebraska Hoo-Hoo Club.

He was concatenated on March 13, 1952 in Minot, South Dakota.

RICHARD TRITSCH 82085

Brother Richard Tritsch 82085, age 61, of Murray, Nebraska died Thursday, September 8 at Clarkson Hospital in Omaha after complications from cancer. He was manager and co-owner of Livingston Lumber Company of Murray, and was a member of the Omaha Hoo-Hoo Club No. 124. He also served on the club's board of directors.

Brother Tritsch was concatenated in to Hoo-Hoo on January 11, 1974 in Omaha.

MARK EDGERLEY

Brother Mark Edgerley of Canberra, A.C.T., Australia passed away last June. He was credited with having been instrumental in the promotion of Hoo-Hoo in Canberra in the 1970's, during which time he served as president of the Canberra Hoo-Hoo Club No. 232. Club secretary K.D. Black 92533 advises that Brother

Edgerley had been in ill health for some time.

ARTHUR W. HAMEL 78051

Brother Arthur W. Hamel 78051, age 70, of Scotia, New York passed away on April 2, 1988. Brother Hamel joined Hoo-Hoo on May 28, 1968 at Albany, New York, and was associated with the Cradle of the Union Hoo-Hoo Club No. 161 for many years.

KENNETH S. KINGTON 56548

Brother Kenneth S. Kington 56548, age 81, passed away on July 28 1988. Brother Kington was a long time member of the Vancouver Hoo-Hoo Club No. 48, and served as secretary of the club for several years.

He joined Hoo-Hoo on September 6, 1951 in Vancouver, where he was associated with Powell River Co. Ltd.

A.D. "AL" DUGAN 76666

Brother Alvin D. "Al" Dugan 76666, age 67, passed away in early October. Brother Dugan was stalwart member of the Portland Hoo-Hoo Club No. 47 in Portland, Oregon and will be missed by the many people who knew him.

He was concatenated on April 1, 1966 in Portland while he was serving as assistant sales manager for Oregon Forest Products.

INDUSTRY BRIEFS

LUMBER SOURCES AT YOUR FINGERTIPS

The 1988-89 edition of the North American Wholesale Lumber Association Membership Directory, one of the most comprehensive sources of product information is available to those involved in the buying and selling of lumber and related forest products.

The new NAWLA Directory - expanded over last year's edition is divided into four membership sections: Wholesaler, Wholesaler-Processor, Mill, and Service Supplier.

The Wholesaler section of the Directory features complete listings of NAWLA's 340 active wholesaler members, companies whose cost efficiencies in distribution add value to the lumber products they buy and sell. Arranged alphabetically by state and city, the listings include complete company addresses; telephone, telex and facsimile numbers; key personnel as well as descriptions of the species and products carried and the market areas served.

The Wholesaler-Processor section, which was introduced in last year's directory in recognition of the increase in secondary manufacturing and processing of forest products by wholesaler-distributors, contains listings of NAWLA's 25 wholesaler-processor members by state. In addition to the information contained in regular wholesaler member listings, wholesaler-processor listings also include information about their facilities and the modes of transportation available to their customers.

The importance of the value-added services provided by NAWLA wholesaler-distributors is seen in the support of the 199 manufacturers who have mill memberships in the Association. These vital manufacturers, who distribute their products through NAWLA wholesaler members, are included in a separate category of the 1988-89 NAWLA Membership Directory, placing their listings of species and products in the hands of those who are able to move their production to the marketplace.

Completing the 1988-89 NAWLA Membership Directory is the service affiliate member section. Service Affiliate members of North American are those companies that supply services to wholesaler of forest products. Their membership in NAWLA indicates their continual support and interest in wholesale distribution within our industry. In all, 74

companies, including major trucking companies, railroads, computer hardware and software purveyors, reload centers, inspection agencies, credit insurance companies, industry publications, industry consultants, and others, are featured with complete listings and descriptions of their service.

Copies of the 1988-89 NAWLA Membership Directory are available at a cost of \$10.00 per copy from the NAWLA office at 2340 South Arlington Heights Road, Suite 680, Arlington Heights, Illinois 60005.

FURMAN/SLAUGHTER COMBINE NATIONAL ACCOUNTS SALES TEAMS; NAME ELWELL V.P. & NATIONAL ACCOUNTS MANAGER

Furman Lumber, Inc., Boston, Mass., and its wholly owned subsidiary, Slaughter Brothers, Inc., Dallas, Texas, have combined their National Accounts sales teams, according to Furman President/Chief Operating Officer Hawk Furman.

Furman has named Slaughter National Accounts Vice President John Elwell, Dallas, as Furman Lumber/Slaughter Brothers vice president and National Accounts manager.

"In combining our National Accounts sales teams, we've responded directly to customer requests for a unified national accounts program for Furman Lumber and Slaughter Brothers," Furman said. "With a national accounts veteran like John Elwell as head of the combined team, our customers will receive the best possible service."

"National accounts is an important growth area for the Furman/Slaughter team," Elwell said. "Only a strong, coordinated effort will provide the consistency of service that is demanded by our customers to make it easier for them to do business."

Elwell joined Slaughter Brothers in 1982 as National Accounts manager. Just before joining Slaughter Brothers, he was Birmingham, Ala., branch manager for American Forest Products and, before that, had spend nine years with Mac-Millan-Bloedel. Originally from Hamilton, Ontario, Canada, Elwell graduated from the University of British Columbia, Vancouver.

Azaleas & Dogwoods
'THINK SPRING'
Mini-Convention
Callaway Gardens
April 21, 22, 23 1989

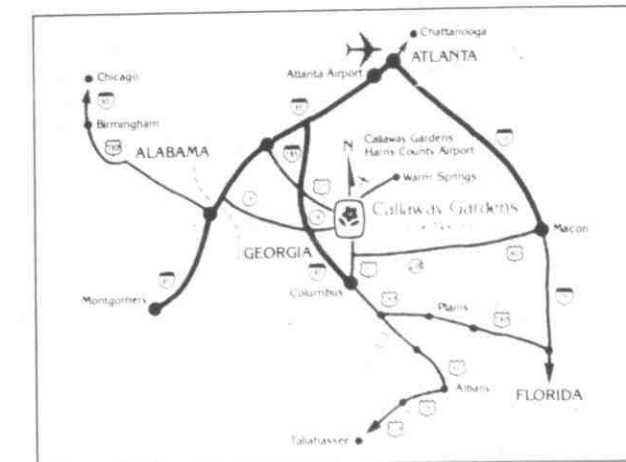

Callaway Gardens Resort & Conference Center is in the rolling foothills of the Appalachian Mountains

Callaway Gardens is only 60 miles from Atlanta's Hartsfield International Airport. There is excellent ground transportation service to and from Callaway Gardens for groups of all sizes which we will be pleased to arrange. Rental cars are another option and Callaway Gardens is associated with Hertz service.

Callaway Gardens is conveniently near Interstate and US highways and is easily accessible by automobile. The adjacent map and the specific distance and directions illustrate this advantage.

Our location makes driving from the airport and other roadways through the beautiful countryside a pleasure.

Minutes away from Callaway Gardens Resort and Conference Center is the Gardens/Harris County airport which is used principally for private, corporate and charter aircraft.
