MEMO FROM THE SNARK

JEFF LOTH
L-81125

This is my first report to you as your new Snark of the Universe. I am very proud to have this opportunity to address you in this position. We have a lot of positive things to look forward to this year, but first, I would like to report on the International Convention in Australia. This convention was a great success in many ways. The members down under did themselves proud. Convention Chairman Tony Hobson was exceptional in his organization of the convention, with the help of members like Norman Long, S-9 Kevin French, and Rameses Dick Campbell. Club presidents like Peter Fairbank of the Brisbane Club and Michael Daghish of the Melbourne Club had their members there in rare fashion supporting the convention. Good job guys. All members present and clubs are well deserving of a great Hoo-Hoo cheer. We had a ball, and I would like to thank each and everyone of you for your tremendous support. That is what Hoo-Hoo is all about.

Woy Woy Club, which I am proud to say I am a member, put on a huge party for its visitors, and I would like to thank Dick and Diana Campbell for a lovely afternoon, especially the ride in Dick's 1927 Dodge, the Snark Mobile.

My good friend, Neil Oliver, President of Sydney Club, awarded me a beautiful clock which I am proud to have been given me by that outstanding club. That will help keep me on time guys. I will leave it on Australia time for good measure so I do not wake someone up with a phone call down there at the wrong time.

The Brisbane Club had two functions for its visitors, one at the Gold Coast and one in Brisbane. We all had a great time at both places. Thanks to Tom Donahue and Ken Bunney.

"RIGHT NOW WE HAVE ONE VOTE PER 50 MEMBERS. WE HAVE MANY CLUBS WITH LESS THAN 50 MEMBERS, AND I FEEL WE NEED MORE INPUT BY MEMBERS TO BE FAIR TO ALL."

Club president Peter Fairbank awarded its new Snark a beautiful clock, also, and Worrall McCarthy, my good buddy, I promise to be on time for the next meeting and not leave you hunting for the Snark. My warmest thanks to everyone.

I am looking forward to our board meeting in Gurdon in October. We will finalize the budget and objectives at that time and will continue to report to you through the *Log & Tally* as the year carries on. During my travel I am looking forward to meeting many of you I have not yet been able to meet.

Some of the objectives for this year are to gain your support for a by-law change from 75% to 66 2/3% for voting on issues which is in accordance with Roberts' Rules of Order, and getting as close as possible to one member one vote for our organization. Right now we have one vote per 50 members. We have many clubs with less than 50 members, and I feel we need more input by members to be fair to all. I will be looking for your support on these issues this coming year.

I am asking each member to please support, through their respective club levels, our Forest Products Education Fund which we are trying to budget extra funding for its activities. This is a very important tool we have to educate the public through schools, etc., on what our industry does and its benefits to society.

Until next time,
Health, Happiness, and Long Life
Jeff Loth L-81125
Snark of the Universe

VICE PRESIDENTS' REPORTS

1ST VICE PRESIDENT

DAVE BLASEN
53110

We have just returned from the International Convention in Leura, N.S.W., Australia. What a wonderful six days of meetings and fraternalism.

The host clubs--Newcastle 237, Woy Woy 260, Sydney 214, and Canberra 232--in conjunction with the convention chairman, Tony Hobson, did a tremendous job to see that everything ran smoothly. The two years of work behind the event was evident, and the result was an excellent convention.

As is customary, assignments were given out at the Board Meeting. My assignment is membership. So, I set out to learn a little about Hoo-Hoo's membership and here are some of the facts I uncovered:

Membership in 1956-57 was an impressive 13,844;

By 1990-91, total membership had dropped to 6,063, reflecting a drop of 591 members from the prior year;

Hoo-Hoo International has shown an increase in membership from one year to the next in only 13 of the last 35 years.

The numbers are disconcerting and are reflective of a trend which, if it continues, will bring the end of a valuable fraternal organization. The numbers also spell out my task, though, and I am confident that with your involvement we can turn around that trend.

I have been given the assurance by each of the Supreme Nines that they will support your club in its membership drive. To facilitate that effort, I will be providing an outlined membership campaign to the Supreme Nines; they will, in turn, share this plan with your club.

Basically, I see that the declining numbers can be turned around with focused action in three areas--Retaining current members; Reinstating members who have dropped; and Recruiting new members. The membership campaign your Supreme Nine will bring to you will revolve around these three R's.

Watch for further details from your Supreme Nine... in fact, if you haven't heard from him by the time you read this in the *Log & Tally*, CALL HIM!

Looking forward to a successful year of membership growth.

Health, Happiness, and Long Life.
D. W. Blasen 53110
First Vice President

2ND VICE PRESIDENT

MANNY LITVIN
60272

After 38 years, here I am elected to Second Vice President of Hoo-Hoo International. Thanks to all of you that voted for me to start the run up through the chairs.

As we all know, our membership has slipped, and we must do what we can, and I am ready to get into the breach and help out to increase our membership. Dave Blasen is setting out a program that you will be hearing from him, and I do hope that all of the clubs will grab his ideas and run with it to the best of their HUSTLE and to follow his suggestions for programs that we all hope will bring in new members. I estimate that it will take at least three years for us to see any results in his program, if we all work at it.

The board appointed me to oversee the selling of advertisements in the four issues of the *Log & Tally*. In prior years, each issue was the responsibility of two S-9's, and it was agreed that all S-9's should work to sell ads for all four issues. I will be talking to each of the members of the nine shortly and hope we can fill the L&T and increase cash flow, which is very important with a declining membership. To all in Hoo-Hoo Land, please do what you can to secure ads and make your S-9's job easier.

Most of the revenue is from the Pacific Northwest. There must be plenty of manufacturers and wholesalers all around the U.S. and Eastern Canada that could benefit from placing ads in our L&T. Would all of you take a look in your area and see who might be interested?

Health, Happiness, and Long Life,
Manny Litvin 60272
Second Vice President

1991-1992 INTERNATIONAL BOARD OF DIRECTORS

BRENT F. CROSBY
L-77009
CHAIRMAN OF THE BOARD

Brent was elected to serve as Chairman of the Board for 1991-1992 during the 99th Annual Convention in Leura, N.S.W., Australia. He was Snark of the Universe during the 1990-1991 year. Brent is a member of both Oakland Club #39 and Sacramento Club #109. He joined Hoo-Hoo in Sacramento and was on the Board of Directors and went through the club offices until he was elected president in 1974 and 1975. He became active in Oakland Club #39 when he transferred to the Bay Area. In 1982 he was elected president of the club and had previously served as a director. In 1981, Brent received the Lumber Man of the Year Award. Brent was appointed Deputy Supreme Nine for Jurisdiction VI in 1976 and held that position until elected to the Supreme Nine in Washington, D.C. in September 1984. After 26 years with the Kaiser Industries and Domtar Gypsum America, Inc., Brent retired. He was Regional Sales Manager out of the corporate offices in Oakland. He is currently Director of Sales/Management Training for Pacific Coast Building Products. He and his wife Jeanne have two married daughters, Lynn and Leslie, and five grandchildren. Brent resides in Walnut Creek, California.

JEFF LOTH L-81125
SNARK OF THE UNIVERSE

Jeff was elected Snark of the Universe for the 1991-1992 year at the 99th Annual Convention in Leura, N.S.W., Australia in September. He was First Vice President in 1990-1991 and Second Vice President in 1989-1990. Jeff is a member of North Cascade Club #230 where he has served as vicegerent snark, president, vice president, secretary, and on the board of directors. In addition, he served as Deputy Supreme Nine of Jurisdiction III for two years before serving as Supreme Nine of J-III from 1987 to 1989. Jeff started the Forest Products Education Committee as Supreme Nine of J-III and co-chaired the committee with Dave Jones, Supreme Nine of J-VI. Jeff has also served as chairman of the Selective Service Board LB-1 and as president of the Western Red Cedar Association. Jeff is President of Loth Lumber Company, Inc., in Goldbar, Washington. He and his wife, Sherry, have three children. Jeff's hobbies include boating, fishing and classic cars. Jeff and Sherry make their home in Snohomish, Washington.

D. W. BLASEN 53110
FIRST VICE PRESIDENT

At the 99th Annual Convention in Leura, N.S.W., Australia, Manny was elected Second Vice President. He joined the Detroit Club #28 in 1953 and served as secretary/treasurer for five years, and then as vice president and president. He served a total of ten years on the Detroit Board of Directors. He was a Supreme Nine for two years, 1964-1966, and attended seven conventions. Manny served as Supreme Nine for J-II for the 1990-1991 year. He and his wife, Bernice, have been married forty-eight years and have three children and eight grandchildren. Manny's father started the family lumber business in 1918. Manny is now retired.

BERNARD B. BARBER
L-48864
SECRETARY/TREASURER

Dave was elected First Vice President at the 99th Annual Convention in Leura, N.S.W., Australia. In 1990-1991, he served as Second Vice President. He has been a member of the Portland Club #47 since 1949, and has served in all offices of the club except secretary/treasurer. He has served his club as a member of the Board of Directors and Advisory Board for ten years and has also served as Scholarship Chairman. Dave started in the lumber business in 1947 after being discharged from the U.S. Army. He served in the European Theatre as Artillery Forward Observer. In 1953, he started a wholesale lumber business. Over the 38 years the company has existed, it has expanded to a remanufacturing facility specializing in Douglas Fir and Hemlock Clears. Dave now sits as Chairman of the board in this family-owned business. In other areas, Dave has been associated with the Boy Scouts of America, NAWLA Board of Directors, Portland Wholesale Lumber Association, and he received the Lumberman of the Year Award in 1988. He and his wife, Dorothy, have been married forty-seven years and have four children and four grandchildren, with one more on the way.

MANNY LITVIN 60272
SECOND VICE PRESIDENT

For the eleventh time Bernie was elected Secretary/Treasurer of Hoo-Hoo International at the 99th Annual Convention. Prior to his election to this position, he served as Supreme Nine of Jurisdiction VI for three years. He was instrumental in reactivating the San Joaquin Valley Club #31 and is now serving as that club's Secretary/Treasurer. He was also active in initiating a wood promotion program, known as Lumber JACS, in Fresno. He belongs to Temple Teheran and is Executive Secretary of the Woodwork Institute of California. He is President of Bernie Barber and Associates of Fresno, California, where he also makes his home.

**GERALD R. RIVET 86662
SUPREME NINE, J-I**

Jerry Rivet was elected to his first term as Supreme Nine from J-I at the International Convention in Leura, Australia, in September 1991. Jerry's home is in Tyngsboro, MA, where he lives with his wife Jackie, and their four children, Daniel, Denise, Donald, and Dianne. Jerry has been vicegerent, president, and fund raising chairman in his club. He also has been representative guest speaker and served on the convention committee. Jerry is active in his community. His hobbies are model trains, shortwave radio, music, boating, and guest speaking. He is employed in outside retail sales, specializing in blueprint takeoff and trusses and does on job site analyzing and takeoff.

**BOB CARPER L-66161
SUPREME NINE, J-II**

Bob was appointed to the Supreme Nine at the International Convention in Australia. He will be finishing out Manny Litvin's term. Bob joined the Detroit Club #28 in 1956 and has served in various positions, including president twice, 1973 and 1981. He and his wife, Maryhelen, have enjoyed attending many International Conventions in the past, starting in Hawaii 21 years ago. Bob retired from Wallen Lumber Company in Detroit in December 1988.

**FRED SCHEFFLER 89278
SUPREME NINE, J-III**

After being appointed S-9 for J-III and serving the one year left on Dave Blasen's term as S-9, Fred was elected Supreme Nine for J-III at the 99th International Convention in Leura. Fred has served the Seattle Club #34 in all offices and served as Deputy S-9 for two years. Fred and his wife, Sue, live in Seattle, Washington, with their four children. Fred is very active in promoting Project Learning Tree. He is employed at North City Lumber Company, Inc., of Seattle, and in his spare time enjoys officiating high school basketball games and fishing.

**KEVIN FRENCH 84421
SUPREME NINE, J-IV**

Kevin is beginning the second year of his term as Supreme Nine for J-IV. He is the owner of French Enterprises in Tasmania, Australia. Kevin has served J-IV as first and second vice president. He is a member of the Launceston Club #239, and he and his wife, Jan, make their home in Tasmania. They have three children. Away from work, Kevin enjoys boasting and trout fishing.

**JAN-EVERT HERMANS
L-81682
SUPREME NINE, J-V**

At the 99th International Convention in Leura, Australia, Jan was elected to his second term as Supreme Nine for J-V. Jan is president of Swevik Enterprises, Ltd., a log and timber brokerage business in Vancouver,

B.C. Jan joined Vancouver Club #48 in 1974 and became a director the following year. In 1988-89 he served as president of the club. In honor of Jan's outstanding service to Club #48, he was presented a life membership by the club in October 1990. Jan and his wife, Linda, make their home in Coquitlam, B.C., Canada. They are the parents of twin daughters, Christy and Valerie. Jan's hobbies are skiing, computers, stained glass, and photography.

**DAVID JONES L-82806
SUPREME NINE, J-VI**

Dave is serving the second year of his second term as Supreme Nine of J-VI. Dave served as Chairman of the Redwood Grove Committee for five years and has been a faithful attendee of international conventions in the U.S. and abroad. Dave was president of Black Bart Club #181 of Ukiah, California, and served several terms on the club's board of directors. Dave is president of Foster Lumber Yards of Vallejo and Fairfield, California. Rameses 72, Jimmy Jones, is Dave's father. Dave is active in Rotary, Chamber of Commerce, and is a past board member of the Solono County Private Industry Council. Dave and his wife, Cheryl, reside with their family in Benicia, California, where Dave enjoys sailing, bike riding, photography, and drawing.

**FRANK ARANZA, JR. 90328
SUPREME NINE, J-VII**

Frank was elected to his first term as Supreme Nine for J-VII in September in Leura, Australia. He is a member of Houston Club #23 and has served as president, vice president, secretary/treasurer, Chairman of the Board, and is currently on the Board of Directors. He is an account specialist with Dow Chemical Corporation's Construction Materials Division. Frank is co-founder of the Riata Committee, an organization pledged to providing scholarships to needy students. Frank and his wife, Robin, have two daughters and a son and one granddaughter. His favorite hobbies are playing with his 17 month old son, fishing, volleyball, camping, white water canoeing, dancing, and golf.

**ROBERT E. CREEL 53443
SUPREME NINE, J-VIII**

Bob is beginning the second year of his two-year term as Supreme Nine of J-VIII. He is a member of Hawkeye Club #193 and has served as president and has spent 30 years on the Board of Directors. He started in Hoo-Hoo in Chicago 41 years ago. Bob retired from International Paper Company. He is active in Kiwanis, American Lumber Dealers Association, and the University of Missouri Alumni Association. Bob and his wife, Cleatus, live in Cedar Rapids, Iowa, and are the proud parents of three sons. Bob enjoys creative writing, bicycling, and golf.

**PAT STORY, JR. 83773
SUPREME NINE, J-IX**

Pat was elected Supreme Nine of J-IX at the 99th International Convention in Leura, Australia, after being appointed by the HHI Board of Directors in March 1991 to fill the unexpired term of Frank Gray. Pat is a member of Atlanta/Dick Wilson Club #1 and has served his club as president twice, as vicegerent, as board member, as treasurer, and as deputy supreme nine. He is Vice President of Purchasing for Cofer Brothers, Inc., in Tucker, Georgia, and has been with them since 1968. Pat and his wife, Shirley, have three children and three grandchildren. His hobbies are cooking and white water canoeing.

SUPREME NINE REPORTS

JURISDICTION

Hello! to everyone in "Jurisdiction One". This being my first introduction to you since being elected to represent this area located in the Northeastern part of Hoo-Hoo, I sincerely say a big thank you to all. My first and foremost task, as well as International's, is to get back on the right track and go get the "Lost & Forgotten" former members who have left our Hoo-Hoo organization. We are always seeking new members, but how about those who were with us and now are forgotten? If you really think about it, a phone call or a little reminder that you are attending a meeting might just get him back. Then what do you say? Well, now not only do you have someone to attend with you, but you are showing the way for others to do the same. It is a well known and proven fact that most people will do and follow a leader.

I have been in contact with three J-I clubs so far. It is very important for all clubs to submit the Hoo-Hoo International "Club Officer Report Forms". I need these to do my J-I assigned duties. As a reminder to all, get to the Vicegerent Snark the information on a "Rush Plus", please. I would also like to get on your mailing lists so as to be able to plan and schedule the possibility of my attending a meeting, if I am in your area at a corresponding time.

Log & Tally news reports with pictures and write-ups would be greatly appreciated by the main office. I would say, rule #1 send it in on time if possible (yes!) a must. Rule #2, send a lot of pictures and lots of writing. (Like a good movie, let the editors do the editing.) Rule #3, see Rule #1 & #2, and do the best that you are able to.

If any clubs need to contact me, you may do so at any time. I will send each club in the near future all the information and my outlines for this coming year regarding former members who have left our organization. Clubs that need any forms, such as member transfers, applications for reinstatements or membership, may contact me or International for such items. Please remember that the *Log & Tally* does accept and will quote you on rates from 1/8th page to 1 page advertising. Order blanks are available. Inquire at International.

September meetings included: Folsom Club #13 - Night at the Races. This was a dog racing track with lots of Hoo-Hoo members in attendance and no big winners. Played #9 all night. "No" winners; Granite State #107. "Recycling" was the issue. Had a guest speaker on subjects from the state of New Hampshire. Issues covered were paper, clapboard, metalbands, pressure treated and fire proof lumber and plywoods; Roger Williams #51 - Election of new officers and board of directors. Plans for this year and next month reviewed.

If you want to be listed or mentioned, I "MUST" hear from you.

I would like to personally thank Mr. Warren Biss and the Roger Williams Club #51 for giving us these past two years an outstanding individual who gave us all an example of what a Supreme Nine is all about. I have spent some great times with Warren at many Hoo-Hoo functions and meetings. Most times we were in agreement. This was good as I am smaller and older than he is. When we were not, I spoke in another language, shook my head, and we would both have a good laugh. To his Mom and Dad, I will

call even more, just to get his expertise and qualified assistance - so he is not off the hook just yet. To Warren, I say "A Bientot."

Health, Happiness, and Long Life.
Jerry Rivet 86622
Supreme Nine, Jurisdiction I

JURISDICTION

Congratulations to Manny Litvin on being elected Second Vice President. I am looking forward to working with the clubs in J-II as the newly appointed Supreme Nine to finish out Manny's term. Would all the club secretaries send me the list of all officers. I hear membership will be high on the agenda, so that means we must work together to increase the numbers in each club.

By the time you read this, I will have been to the October board meeting and will be updated on all the news and ideas.

Health, Happiness, and Long Life.
Bob Carper L-66161
Supreme Nine, Jurisdiction II

JURISDICTION

As the new 1991-92 Hoo-Hoo year starts out, I would like to thank the club officers that ran their clubs for the 1990-91 Hoo-Hoo year. If I could be of any assistance, please feel free to get a hold of me.

I just returned from the 99th International Hoo-Hoo Convention from DOWN UNDER in Leura, Australia. I was very happy with the turn out from Jurisdiction III. Thanks for attending Dave and Dorothy Blasen, Gil and Lois Emory, Buzz and Lynne Gascoine, David and Donna Gleason; David and Marlene Lentes, Randal Lentes, William and Ellen Lentes, Gordon and Fedora Loth, Al and Georgia Meier, Jean and Gloria Chase, and the new Snark of the Universe, Jeff Loth and his wife Sherry.

The only issue that was voted for was the gender in the bylaws. It was defeated 73 to 58. Here is the run down from Jurisdiction III: Spokane #16, 1 for and 1 against; Willamette #33, 2 for; Seattle #34, 3 for; Portland #47, 2 for; Tacoma #89, 3 against; Northwestern #187, 2 for; Winema #216, 5 against; Green Peter #226, 1 for; North Cascade #230, 6 for; N.E.W. #238, 1 against; Elkhorn #244, 1 for; members-at-large, 1 for. Total 19 for and 10 against.

So the bylaws stay the same. But I hope that the members of the given club feel the same way that your club voted. The convention was first class and a job well done to the Convention Committee members, and a special thanks to Neil and Pam Olliver for their hospitality.

Our goal for this year is to promote the forest products education of the public. Let's not sit back and think that someone is going to fight our battles for us. We all need to get involved on some kind of educational program. Membership is always a major goal of ours. We started the 1990-91 year with 6654 Hoo-Hoo members and ended the year with 6063 members. That's a -591 members, so if we can't find new members let's keep the ones we have.

SUPREME NINE REPORTS

Again, to the brothers of Jurisdiction III, thank you for your support.

Health, Happiness, and Long Life.

Fred Scheffler 89278

Supreme Nine, Jurisdiction III

JURISDICTION

Hoo-Hoo in J-IV has fared far better than our industry has over the past year. I am more than delighted with our membership when one considers the vast numbers who have lost their jobs as a result of the downturn in the Australian economy. We started this year with 1112 members and finished with 1060, a net loss of 4.7%. I have been associated with our industry for over 40 years and have never seen anything that resembles the market conditions we are living with today, so all one can say is that it shows the strength of Hoo-Hoo in our country. The clubs with real gain this year are Auckland 248, up 37% and Perth 240, up 17%. Congratulations to these clubs for a great effort. As mentioned before, Burnie Club 272 is performing very nicely, we unfortunately have not been able to get other new clubs under way. The starters are Leschenciuilia (Bunbury W.A. area) one in Victoria (Bairnsdale) and one in New Zealand, but I believe these clubs can be up and running when we see some improvement in the economy. People are very reluctant to commit themselves when there are so many uncertainties around, and I don't blame them.

I have visited the following clubs during the year: five visits to Launceston; two visits to Hobart, Melbourne, Sydney, and Perth; and one visit to Burnie, Adelaide, North East Victoria, Canberra, Manjimup, Geysersland, Southern Club, Brisbane, Mt. Gambier, Ballarat, and Newcastle; plus a joint meeting of Launceston and Hobart for a total of 26 meetings.

Unfortunately, I have not had time to get to Woy Woy 260, as I have visited Dick Campbell's home at Woy Woy on four occasions for the 99th Convention Committee meetings.

I traveled to Mt. Gambier for our J-IV Convention held in October 1990, and to Hot Springs and Gurdon in March '91 for the HHI Mid-Year Board Meeting, a total of 73,000 kilometres. The clubs I have missed are Auckland 248, Portland 266, (Who were committed to you with Mt. Gambier on my visit to that club, but unfortunately, not one member from that club turned up on the night.) Gippsland 257, North Queensland 265, Far North Queensland 261, and North East New South Wales 241.

We have not been able to get Far North Queensland and North East New South Wales interested in any meetings over the past two years, so have decided to put these clubs into recess. Without the extra load (99th Convention) next year I will endeavor to get these clubs back into an active roll. I am not overly confident, but can only try.

The 99th Convention has added a lot of extra work load my way this year, and as a result, some clubs have missed out on the attention they would normally receive, however, these clubs will get extra from me next year.

Fund raising for the HHI Centennial had to be put on hold as J-IV have been very active in fund raising for our 99th Convention. Now that we have covered our costs for this convention we have asked Kevin Kelly to get into fund raising for next year. Kevin believes we will have many problems in fund raising until our economy picks up, and that won't be until sometime in 1992.

Communication between HHI and J-IV seems to cause some problems, and I will address this with Beth Thomas after the convention.

I have enjoyed my year as S-9 president and will look forward to my second year in 1992.

Health, Happiness, and Long Life.

Kevin French 84421

Supreme Nine, Jurisdiction IV

JURISDICTION

First, I would like to thank my Jurisdiction for all their support in the last two years. My mentor and tormentor, Jack Jacobson L-73133, nominated me for an additional term of two years, which was accepted in Leura. Membership will be first and foremost on my mind. I know we had hoped for our clubs to do better. Our jurisdiction is down overall by 11%. That is not totally bad, when you consider the conditions we are experiencing here in B.C., and in the rest of Canada. I would like to see each club in Jurisdiction V take a good look at their recruiting program and come up with some innovative ideas to get more members involved. If there is one thing I would like to arrange for in the coming year is more interaction between the clubs. Each one of us have good ideas and maybe by venting this in joint business meetings, we may achieve a formula that creates an atmosphere of interest in Hoo-Hoo.

Toronto Club #53:

Although I did not make it to Toronto, I have had numerous phone calls with members of that club. Again, a million thanks to Keith Waddell, my very trusted Deputy Supreme Nine for the past two years, for all his support. When I needed answers to many of my questions regarding the Toronto Club, Keith was always there. My thanks also to Tommy Thompson who religiously provided me with the "Cat-O-Log". Keith has been reporting that they have had many good programs laid on but very poor support for some of them. Next year will be better. It was very good to see both Keith and Maggie at the convention in Leura. I am sure they will both agree that this year's convention was a good one. I have once again asked Keith to help me for another two years as Deputy Supreme Nine, which he enthusiastically agreed to. "Isn't that right, Keith?"

Victoria Club #183:

The Victoria Club has suffered most as a result of conditions here in B.C. Many mills have shut down in the Victoria area, and many members have had to move in order to find employment. Even so, you have a nucleus of fellows that are doing their best to keep things going. With the following fellows attending this year's convention, Bruce Woodrow and Fred Frudd, both former Supreme Nines in J-V, and Doug Donald, the Victoria Club is in good hands. Doug Donald is heading up a wooden block paving program in downtown Victoria. Hang in there, Victoria. If you need any help from any of us, let us know.

Cowichan Valley Club #229:

I had the opportunity to attend a few functions in Duncan. They have a very enthusiastic club. With fellows like Jerry Doman, Nolan Davies, Mike Hooper and Leo Kossey, to name just a few, who really make that club tick. They had a very good turnout at their fund raising in April. Later this summer I attended a softball tournament. At first, the Cowichan organizers had hoped to get the Vancouver Club and the Victoria Club to attend this. Next year

fellows, we are going to attend from Vancouver. What a great day I had having never played this game before. I played a bastardized version of it in Sweden called "brannbol", but not like this. This was super! Nolan had to tell me continuously where to go and stay and catch and, thanks Nolan. It was a good outing. My body has not been the same since.

Vancouver Club #48:

My club. What can I say? We are not only the biggest, but we are the best. The support that we get from our members and their companies is absolutely outstanding. If it sounds as if I am bragging, you bet!

We had a very busy schedule in 1990/1991. We started the year with the AGM, at the end of September, and as some of the Melbourne members can attest to, we have a bit of fun. In February, we had our second Concat; April our Men's Draw and main fund raiser for the year. In May, we have Alternate Strokes, an event where the ladies can try to totally aggravate their partners. June is Men's Golf; July our Family Picnic at Evans Lake, the Forestry Education Center that we are so committed to. The Vancouver-Melbourne Exchange Program has turned out to be an enormous success. Although we did not have an exchange as such this year because of the convention in Leura, the Melbourne Club will send over two fellows for next year. This year Doug Saunders and yours truly represented Club #48 at a function held in Melbourne on September 3rd. The founding fathers of this program, Jack Jacobson and Doug Howick, to name a few, deserve a big hand for getting it off the ground. This program is an all out effort to promote fellowship as well as gain knowledge of each other's forest products. We strongly recommend that other clubs do similar programs.

With this many events we need strong support, and, believe me, we get it. Personally, I must take this moment to thank all the directors and members for their generous support. So, I put in a few hours to help out. Every hour, every minute is rewarded by the directors' and members' support, and for that I will be forever grateful to the Vancouver Club #48. This has been some kind of year for me.

Closing thoughts:

When your club is putting on an event, or a fund raising campaign or just simply an outing, SUPPORT IT! Many hours of preparation go into a function, and the organizers DO DESERVE everyone's support. That's what HOO-HOO is all about. We are going into the last year before our Centennial Convention. Just think about it for a while. Our organization will be 100 years old next year. I am sure our founding fathers had no idea it would last this long. Let's hope that the next 100 years will give us, and our Forest Industry, Health, Happiness and Long Life.

With that, I would like to wish you all a Very Merry Christmas and a Healthy, Happy and Prosperous New Year.

Jan-Evert Hermans L-81682

Supreme Nine, Jurisdiction V

JURISDICTION

Greetings:

There are only two thoughts I would like to leave with you in this report. The first is that it is now time to begin your plans to attend the Hoo-Hoo Centennial Convention this September. The second is that we all must go to work to hold onto our members and attract new ones.

The countdown has begun towards the Hoo-Hoo Centennial Convention. Believe it or not, this convention is going to be a sellout. Rooms, meals, entertainment, and meeting space has been reserved for 480 people MAX. Fifty

members and guests are expected from the Houston Club alone. This convention will be the Hoo-Hoo event of a lifetime. Outstanding guest speakers, entertainment, and old fashion Hoo-Hoo fellowship will await you in Hot Springs next September. Hell, the registration fee will be only \$99.99 per person for four days of fun. At that rate you can't afford to stay home. So start planning now and get your reservations in early. You will find all the details in this Log & Tally.

The Hoo-Hoo year 1991-1992 will be a pivotal year for our fine organization. Economic conditions may be responsible for our loss of members (591) last year. It is easy to think this is the case. However, we have lost nearly 1200 members in the last four years, a trend that we MUST stop! If the economists are right and the economy, including the lumber industry, does improve going into 1992, we will have yet another opportunity to add members to our roles both by adding new members and by reinstating past members during improving business times. Hoo-Hoo's prosperity, Hoo-Hoo's survival depends on efforts from each of us. The time to act is now. Please help by asking a lumberman to join your local club.

Some upcoming meeting dates for annual Hoo-Hoo events in Northern California. All members are welcome to come visit Jurisdiction VI in the great redwoods and Shasta Cascades in January 1992: Black Bart Club #181 - Industry Night, Ukiah, CA, January 22, 1992; Humboldt Club #63 - Eureka Crab Feed, Eureka, CA, January 23, 1992; and Shasta Cascade Club #133 - Concat, Redding, CA, January 24, 1992.

These are three great events all members are invited to attend. Could be an interesting three days if you have the constitution for it. If you would like more information, call me at (707) 557-3000.

Finally, I would like to thank Deputy Supreme Nine Ed Gavotto for filling in for me at the International Convention in Leura. I was not able to attend at the last minute, and Ed did a fine job filling in for me and the members of J-VI.

Health, Happiness, and Long Life,

David B. Jones L-82806

Supreme Nine, Jurisdiction VI

JURISDICTION

G'Day Mates. I am writing to you prior to going to our 99th down under. Great Hoo-Hoo has been most generous to me and part of my family (Robin and Trey). We will not return from Australia before this report is due into Gurdon.

It is a great honor to be elected your Supreme Nine in Jurisdiction VII. I pledge to each of you to do my best and only hope that I can measure up to my predecessor, S-9 Chris (Tuffer) Goff L-86656.

During my term in office I have set specific goals to accomplish. Although these are my goals, I will need the help of each club in Jurisdiction VII to accomplish them. In order of importance:

1. Appoint Deputy Supreme Nines for Jurisdiction VII by October 31, 1991.

2. Attend a meeting at each club (preferably a concat) by March '92. I have a head start here East Texas Hoo-Hoo Club #135 held a concat on August 14, 1991, and 14 new kittens were brought into our order. Way to go Gary, Joe, and Robert! Thanks for the invite.

3. Work with each club in J-VII to establish a charitable project benefiting the community and furthering the goodwill of Hoo-Hoo by August 31, 1992. If your club has a project already, let me know what it is and how we (HHI) can help.

(CONTINUED ON NEXT PAGE)

SUPREME NINE REPORTS

(CONTINUED FROM PREVIOUS PAGE)

4. Increase membership by 15% in J-VII by August 31, 1992. I was once told by someone I respect, that any good salesman can increase his business by 15% (if he tries) in a healthy economy. Our business is the Concatenated Order of Hoo-Hoo. Our economy is healthy (misinformation concerning environmental issues, misinformation concerning the timber industry, Project Learning Tree participation, the Oldest Industrial Fraternal Order in the United States, our Centennial Convention, our motto: Health, Happiness, and Long Life, our pledge to follow the Golden Rule and our charitable work). We have many ideas to sell and there are many kittens out there waiting to buy. We have only to ask and follow-up.

5. Push for 99.9% of J-VII active membership attending our Centennial Convention in Hot Springs, Arkansas. For most of us it's a year away. You can begin planning now. For the incoming kittens, insist that they set aside that week or weekend in September to attend. Our Centennial Committee is striving to make it affordable. Hot Springs is right in our own backyard. It would be a real shame to pass up this opportunity to visit with your fraternal brothers from all over Hoo-Hoo land. To actually stand in Gurdon where our Order was created. Car pool or even bus pool your club to the Centennial Convention. You won't regret it. Consider a fund raising project to offset the transportation and convention cost for your club.

6. Activate the inactive clubs in J-VII by August 31, 1993. I need the help of those members whose clubs no longer meet on a regular basis.

Those are my goals. I ask for your support to accomplish them.

Just a word or two on increasing the excitement and interest at your club's meetings. Our motto is Health, Happiness, and Long Life. Consider using each one of these ideals as topics for your meetings, with the fourth being CONCAT.

Health - a doctor, a masseur, a psychologist, etc.
Happiness - Golf tournament, sports outing, Randall's Restaurant, Casino Night, Sweetheart Night, etc.

Long Life - Old Timers Night, popular old members roast, exercise instructor, etc.

Then boost the excitement with new blood (here Kitty, Kitty, Kitty) - a CONCAT. Sit down at the beginning of each new year and plan that year's events. Send out that year's meeting schedule and events with your first meeting announcement. As Joe (Bear) Breeden would say, "this is your" jurisdiction. I'm only here to follow through on your wishes.

I hope you'll accept my ideas as your own and run with them...by the tail of the great Black Cat. Hoo-Hoo!

Health, Happiness, and Long Life.
Frank Aranza, Jr. 90328
Supreme Nine, Jurisdiction VII

VIII JURISDICTION

Our clubs were honored on August 6, 7, and 8, to have Brent Crosby, Snark of the Universe, join hands here in the verdant Midwest with the brethren and look at our operations.

LOG & TALLY, November 1991, Page 12

He flew into Sioux Falls, South Dakota, from his home in Walnut Creek, California, and participated with vigor and appetite in golf, trap shoot, and the giant steak dinner. Lyle Hoeck was the perfect host as always.

I drove up from Iowa. Homer Hahn and associates came from Nebraska, and a grouping of others. Then Brent and I drove on over to Minneapolis for a session with the Twin Cities aggregation. Our over all guide was Tom Partridge, whose face and state of well being stimulates us one and all.

August 7, was dinner with Tom, and then the following noon we met with the officers and board of the Twin Cities Club. Two men came down from the Central Minnesota group to pay their respects. This has always been a robust Hoo-Hoo area.

The fall and winter calendar up there contains many exciting events of interest. Brent promised to return to join us in ice fishing, skiing, and the like, on the northern lakes of Minnesota. We will show the best of the four seasons to Brent.

The Australian convention has come and gone. It was reported to be a grand occasion. This jurisdiction was ably represented by Royce M. Munderloh of Omaha. However, our clubs were all saddened by the untimely death over there of Mrs. Bernard Barber, wife of the Hoo-Hoo notable. We as one extend sympathies to the family.

Ever forward to health, happiness, and long life.

Robert E. Creel 53443
Supreme Nine, Jurisdiction VIII

IX JURISDICTION

Shortly, I will be appointing Deputy Supreme Nines in the following locales and would appreciate feedback as to qualified prospects: Jacksonville, FL; Tampa/St. Petersburg, FL; and Miami/Fort Lauderdale, FL. I will be contacting active members in those areas for suggestions. Currently Jurisdiction IX has only three clubs who meet on a regular basis: Atlanta/Dick Wilson Club #1; Central Florida Club #115; and Hampton Roads Club #154.

I desperately need help in restarting the dormant clubs, and the main thing I need is the names of key people in those clubs who can provide the leadership necessary.

On May 15 through 17, 1992, Atlanta/Dick Wilson Club #1 is sponsoring a mini-convention at the Raddison Resort-Jekyll Island Club on Jekyll Island, Georgia. This short convention at the century old "Millionaires Club" will cost \$150.00 per couple, and will include a Friday night cook-out, Saturday golf tournament, Saturday night banquet, and breakfast Saturday and Sunday. This will be an excellent opportunity to get together for fun and to get our heads together to strengthen HOO-HOO in Jurisdiction IX.

CONTACT ME PLEASE!!!! Office 404-938-3200, home 404-934-1834, or FAX 404-493-3624.

Health, Happiness, and Long Life.

CENTENNIAL FUND RAISING EFFORT TOPS \$68,000 MARK

**THE MAIN GOAL OF THE FUND RAISING
COMMITTEE IS TO KEEP THE REGISTRATION COST
AS LOW AS POSSIBLE TO GIVE EVERY MEMBER
THE CHANCE TO ATTEND**

To date we have sold advertising sponsorships totaling \$68,200. Our Centennial Fund recently received a big boost during the 99th Annual Convention in Sydney, Australia--both Melbourne Club #217 and Brisbane Club #218 have each committed to a \$5,000 Corporate Sponsorship. Also, this month we have received a \$3,000 Contributing Sponsorship from Willamette Valley Club #33 and a \$1,000 Centennial Sponsorship from San Joaquin Valley Club #31, and we have received unofficial, verbal commitments from several other Hoo-Hoo clubs. To be a committed sponsor, we must have your signed commitment application on file.

The "Club Challenge" has brought us a total of \$19,400 from nine Hoo-Hoo clubs proudly sponsoring our 100th celebration. They are as follows: Corporate - Melbourne Club #217 and Brisbane Club #218; Contributing - Vancouver Club #48 and Willamette Valley Club #33; Centennial - Oakland Club #39, Tacoma-Olympia Club #89, and San Joaquin Valley Club #31; and Individual - Adelaide Club #212 and Ben F. Springer Club #35.

The main goal of the Fund-Raising Committee is to keep the registration as low as possible to enable every member the chance to attend. We still have a good percentage of our goal to achieve to cover all expenses, and we need the help of each and every member in every Hoo-Hoo club.

There are still several \$3,000 and \$1,000 advertising sponsorships available for the commemorative issue of the *Log & Tally*. Remember, this issue will be distributed to every member throughout the world and re-read for many years to come. We are encouraging each of you to speak to your business associates, suppliers, and manufacturers and urge them to participate in our once-in-a-lifetime convention.

Be sure to review the sponsor list on pages 18 and 19. Please continue to support these convention sponsors. Without their generous contributions, our 100th year celebration would not be the memorable, historic event we are anticipating.

If you have any questions, please contact any member of the committee which was listed on page 15 of the *May Log & Tally*.

Al Meier, R78 and Jack Jacobson R79
Co-Chairmen
Fund Raising Committee

**BEFORE THE OFFICIAL CENTENNIAL CELEBRATION FUND RAISING CAMPAIGN BEGAN, A
NUMBER OF DONATIONS WERE MADE WHICH WE WOULD LIKE TO GRATEFULLY
ACKNOWLEDGE:**

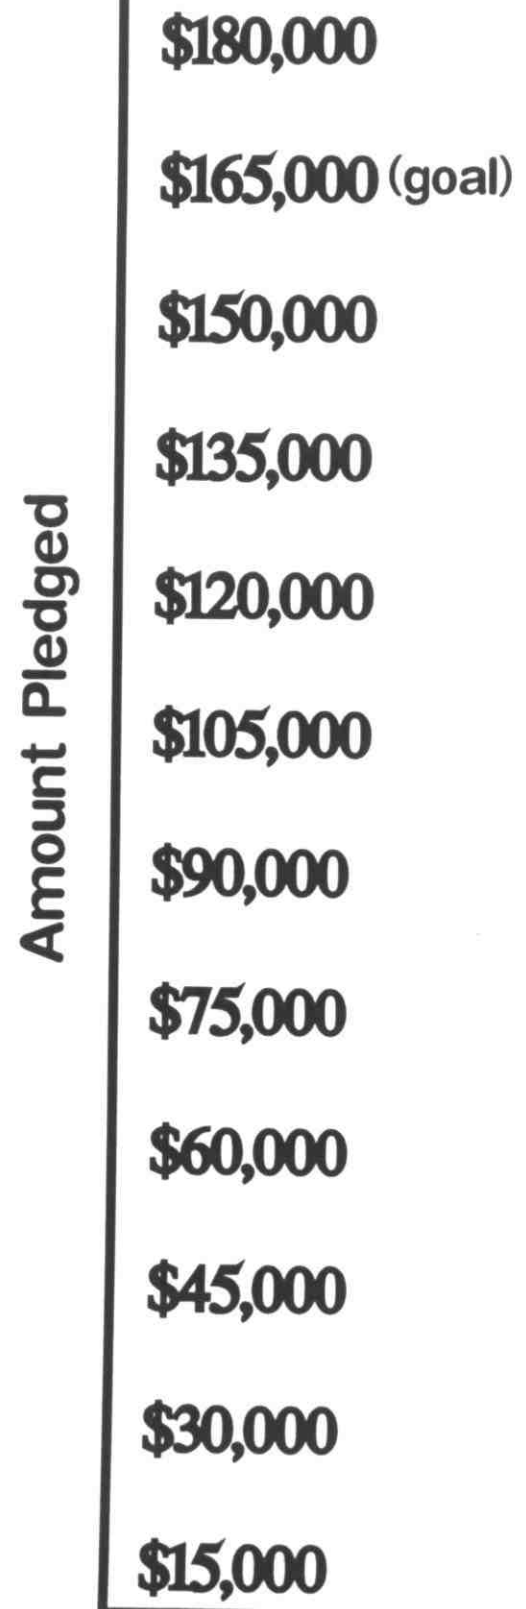

BEAUMONT HOO-HOO #4 - \$54.54; THE 1986 MID-YEAR BOARD MEETING - \$1823.02;
THE OSIRIAN CLOISTER ('87 CONVENTION) - \$3,717.87; J-IV CONVENTION - \$160.00;
D. PARDEE - \$100.00; T. PARTRIDGE \$6.00; B. CROSBY - \$50.00; MARCH 1990 BOARD OF
DIRECTORS MEETING - \$39.00; MARCH 1990 DONATION - \$36.00; ALMEIER - \$10.00;
JURISDICTION IV - \$200.00; W.O.P.S - \$421.14; FRITZ LEE - \$100.00; DICK SCOTT - \$500.00; AND
CHARLIE LYONS - \$100.00, FOR A TOTAL OF \$7,317.57. THANK YOU ALL FOR YOUR
GENEROSITY.

**"THE 'CLUB
CHALLENGE'
HAS BROUGHT
A TOTAL OF
\$19,400 FROM
NINE HOO-HOO
CLUBS"**

LOG & TALLY, November 1991, Page 13

CENTENNIAL

FUND

RAISING UPDATE

Pledged to Date

years

HAS YOUR CLUB MET THE CHALLENGE YET.....

The Club Challenge is a way for your club to show its support to the Centennial Celebration in September 1992. So far, nine clubs have committed to take out an advertisement in the Centennial Issue of the *Log & Tally*. There will be only one issue of this special *Log & Tally*, and it will be sent to every member of Hoo-Hoo around the world. It will be a "collector's copy" and read for years to come.

I said in the previous *Log & Tally* that the size of your ad depends on your ability and size of your market, but also needs your enthusiasm. It should not cost your club anything except the time and effort your members put into it.

Remember, a \$3,000 ad will make two prepaid registrations plus a room for two for four nights available to some lucky member of your club, and a \$1,000 ad will give your club two free registrations.

Selling draw tickets to cover this is an easy and inexpensive way to offset the cost, but it is not the only way. You may have some other fund raising event which you would like to hold. The important thing is to get the project started now.

The nine clubs that have committed already represent approximately 10% of the active clubs. Let's get the other 90% active!

This is your Centennial Celebration. Get behind it and help make it the greatest ever. You don't want to be left out. The next one won't be until 2092.

Jack Jacobson, Rameses 79
Co-Chairman
Fund Raising Committee

CENTENNIAL CONVENTION INDIVIDUAL SPONSORSHIPS

THE \$200 INDIVIDUAL SPONSORSHIP WAS PURPOSELY INCLUDED AS A PART OF THE CENTENNIAL FUND-RAISING PROGRAM TO ALLOW ALL HOO-HOO MEMBERS AND OTHERS IN THE LUMBER INDUSTRY THE OPPORTUNITY TO PUBLISH THEIR BUSINESS CARDS IN THE HISTORIC, COMMEMORATIVE CENTENNIAL ISSUE OF THE LOG & TALLY. IF EVERY HOO-HOO MEMBER WOULD SEND IN HIS BUSINESS CARD WITH PAYMENT OR URGE A BUSINESS ASSOCIATE TO SEND IN THEIR CARD AND PAYMENT, OUR GOAL WILL SOON BE REACHED.

PROCEEDS FROM SPONSORSHIPS WILL BE USED EFFICIENTLY, AND AS NECESSARY, TO MAKE THIS 100TH YEAR CELEBRATION OUR MOST SUCCESSFUL CONVENTION EVER.

DON'T MISS YOUR CHANCE. PLEASE COMPLETE AND SEND YOUR PAYMENT TODAY.

CENTENNIAL FUND RAISING STRIKES GOLD IN LEURA

The Centennial Committee hit the jackpot at the 99th International Convention in Leura, N.S.W., Australia. The Melbourne Club pledged \$5,999.00 AUS to the Centennial, and the Brisbane Club pledged \$5,000.00 AUS. Thanks go to Mike Dagleish and the board of directors of the Melbourne Club and to Peter Furbank and the board of directors of the Brisbane Club for their generous contributions which will help make the Centennial a real extravaganza.

**MELBOURNE CLUB
#217 AND BRISBANE
CLUB #218 MAKE
GENEROUS
DONATIONS TO THE
CENTENNIAL.**

Dave Jones, Supreme Nine J-VI and a member of Black Bart Club #181 in Ukiah, California, has also received a \$3,000 pledge from the Diablo Timber Company to help us along.

At the 99th Convention, fees for the Centennial Convention were decided. They will be \$99.99 US for a single and \$199.99 US per couple. These fees are very reasonable in this day and age, considering that they pay for all meals and a few drinks. Most of the entertainment has been contracted for. Many other details are left to work out, but we are well on our way. It is hoped that all Hoo-Hoo members will continue to contact prospective advertisers for the special May 1992 issue of the *Log & Tally*. The deadline for advertisers to have their ads to HHI is November 30, 1991. This special *Log & Tally* will have excerpts from Hoo-Hoo's history beginning with 1892 on through the present.

A real fun convention with a lot of first class entertainment is planned, including blue grass, big band music, jazz band, stage shows, and some special entertainment for the ladies. The ladies will participate in many of the events, and the men and ladies will have breakfast, lunch, and dinner together each day.

Get your convention registration in soon and also your hotel registration. Registration forms for each are printed on page 17. Because of space limitations for meals, entertainment and rooms, it is necessary to have a cut-off of 500 participants. Register early and don't miss out.

--Jimmy Jones, General Chairman, Centennial Committee

**RAFFLE TICKETS

KIND HOO-HOO
CENTENNIAL QUILT**

Betty Jones displays the beautiful handmade quilt which will be given away at the Centennial Celebration in September 1992 in Hot Springs. Tickets are available at six for \$5.00, and you don't have to be present to win. For information on how to purchase tickets, contact the HHI office at 501-353-4997.

the UP

Report by Dick Campbell L77398 on behalf of the Convention Committee

Our venue, the "Fairmont Resort", not only afforded the 232 delegates and partners who attended five-star accommodations and a host of in-house activities, but its team of most hospitable staff helped the convention to run smoothly and most enjoyably. Friday the 6th saw board members, Rameses, and "early birds" book in for an early start Saturday morning of the International Board Meeting. This lasted all day, chaired by Snark Brent Crosby, who with his hard working wife, Jeannie, hosted a well attended, relaxing cocktail party in their suite that evening.

Sunday at 7:30 saw the JIV Board Meeting get underway, chaired by S9 Kevin French. HHI Board members and Rameses attended this meeting to become 'au fait' with the operations and position of the jurisdiction. After the luncheon break, the HHI board met again and finished in time to greet the newly registered delegates at the evening Ice Breaker function. Snark Brent Crosby made the official welcome and after adequate refreshments and the renewing of old friendships, the contestants for the "Great Hoo-Hoo Joke Off" were called to relate their stories. No less than 12 enthusiastic comedians went into action before the judges and a delighted audience. All countries in Hoo-Hoo land were represented with a wide variety of well

rehearsed tales. The ultimate winner was Peter Hollyman of Hobart Club, who was awarded the "Great Hoo-Hoo Joke Off Shield". A few more refreshments and off went the delegates on their merry way, some even to become more merry!

Delegates assembled at 8:30 Monday morning for the preliminary discussion by the Chairman of the day on the theme of the Convention "Promoting Productive Conservation", the Convention Agenda, and appointment of the HHI Committeemen. After the Chairman's welcome to delegates, the presentation of the International flags, and introduction of Snark Crosby to a standing ovation, we all loosened up to the "Hoo-Hoo Yell". The invocation was given by Rameses Kevin Kelly, a further welcome by Convention Chairman Tony Hobson, and then the work session got underway. Promptly at 9:09 on the 9th day of the 9th Month, 1991, the 99th HHI convention was officially opened by Snark Brent Crosby, a most significant time and date for the accent on our revered number 9.

(continued on next page)

The 99th Annual Hoo-Hoo International Convention Chairman, Tony Hobson, and his lovely daughter, Natasha, share a dance at the Snark's Dinner Dance the final evening of the convention.

Shown here happily contemplating his round of golf at the International Convention in Leura NSW, is the new Snark of the Universe, Jeff Loth, left, with John Croke, center, a former president of Brisbane Club, and Neil Oliver of Sydney Club. It is reported that Jeff's first shot off the first tee not only went out of bounds onto a road between the fairway and the Fairmont Resort buildings, but it hit a passing truck and was never found. Nevertheless, Jeff completed his round in the rather wet conditions.

Secretary/Treasurer Bernie Barber conducted the official tally of clubs represented, followed by Second Vice President Dave Blasen's introduction of the five Rameses present: Jimmy Jones R72, Kevin Kelly R75, Al Meier R78, Dick Campbell R80, and Phil Cocks R81. First Vice President Jeff Loth called for a minute of silence for an unfortunately large list of fellow members who passed away during the year. Reports by board members were received and will be published separately.

Items before the meeting for caucus and voting were the election of officers and the motion involving the admission of females to HHI. This motion was adequately discussed on pros and cons and did not receive the required 75% of votes of 'yea' to alter the Articles and Bylaws.

Round table questions, particularly apropos to increasing membership, had many interesting and constructive suggestions coming forward. General business and discussion was most interesting and emphasis was placed on a constructive program to promote membership increases in all jurisdictions.

Non delegates had a bus tour of the Blue Mountain attractions for the day. The evening was free.

Tuesday 10th October at 7:30 a.m. saw delegates seated for the International Forest Products breakfast. Our guest speaker, Robyn Loydell, raised in a family of loggers, and who is the Foundation President of the "Forest Protection Society", gave an excellent account of her group's efforts to overcome the damage done by the "greenies" to the timber industry. Her main suggestion was that all we lumber people and our families should express our case to all we meet.

After an interesting question and comment time we had several suppliers speak on their products and then adjourned to the display area where exhibitors and delegates chattered over the items on show.

By this time the long standing drought broke and aspiring golf champions had a view of the Leura Golf Links being deluged with heavy rains and wild winds. Most of the golfers braved these hazardous conditions - all high scoring except Hammie Ahlo who came home with a 62 net! Hammie survived the swab and blood tests for drugs and was

Out-going Snark of the Universe, Brent Crosby, receives the traditional nose rubbing *madri* welcome from a Rotorua, New Zealand native.

duly awarded the "A Grade" trophy with Gary Daniels the "B Grade". Yes, several ladies lasted the distance with Lavonne Munderloh being awarded the ladies' trophy. The International Golf Challenge Shield was won by "North America". Their average net score being 78.4 while "Down Under" was 79.5. Houston's Frank Aranza on maximum handicap was awarded the "Bradman Trophy", Don Bradman being our greatest Aussie Cricketer. Frank's high score would have made Don ecstatic! Well done winners. "Down Under" will be out to get that shield back home at the next International Golf Day.

After thawing out in the hot tubs and showers, we all dressed up for the Delegates Forest Industries Dinner and the Ladies Fashion Extravaganza. I had the honor of hosting our guest of honor, His Excellency, Vice Admiral Peter Sinclair A.O., the Governor of New South Wales. He proved to be very interested in Hoo-Hoo operations and achievements which I

(left to right) Tony Hobson, Chairman of the Convention Organizing Committee, Kevin French, President of Jurisdiction IV, and Brent Crosby, Snark of the Universe, at the 99th Annual Convention.

Tilling Timber was one of many sponsors associated with the 99th Annual Convention in Leura. Enjoying lunch are (left to right) Norm Tilling, Jeff Loth, the new Snark of the Universe, and Kerry McCoy, manager of Tilling Timber (Sydney) Pty. Ltd.

had listed for him on an International basis. Like many seagoing men, he is a wood carver by hobby, specializing in building small ships to be kept in bottles. He was most complimentary towards our activities and in particular our JIV project to raise funds and timber to rebuild the "M.V. Krait". This small ship left Australia during World War II, disguised as a Malaysian fishing boat, and blew up six Japanese ships in Singapore Harbour, a feat well known to the Governor as a past Officer in Charge of the Australian Fleet. He presented the Golf Trophies with particular mirth at Frank Aranza's award and demonstrated at our function how an extremely busy gentleman can be both humorous and interesting. On the business side our guest speaker, Peter Perkins, a top promotions man from the National Association of Forest Industries, gave us details of the program used to educate the public on the advantages of

Sustained Forestry. He, like Robyn Loydell, emphasized it is our job as Hoo-Hoo's, Down Under and overseas, to make personal efforts to spread the good word. Rameses 81 Phil Cocks thanked the speakers who were able to meet the delegates personally to the extent that the Governor's batman had to prise His Excellency away to get him back to Sydney for engagements the next day. Before his departure, our night's sponsor, Jeff Loth, presented him with a Hoo-Hoo watch. A truly memorable night, with the Governor delighted as he left wearing his Hoo-Hoo gift.

The weather fined up for Wednesday's Forestry Field Day, but a cold wind from our snow fields to the south made us all rug up. We saw the latest methods of harvesting Aussie hardwoods and explored the large and beautifully lit Jenolan Caves. Our buses

converged on the "Half Way Hotel", a typical bush pub where we were entertained by a bush band singing colonial ditties and the delegates singing a few Hoo-Hoo songs. We reluctantly left the good food and beer to return to Fairmont - no rest for the wicked as several Hoo-Hoo's sponsored a disc jockey to get a disco going for those still energetic, until the early hours of the morning.

Thursday morning was devoted to the JIV business with quite a number of HHI delegates attending, others being involved in committee meetings. The ladies had an optional shopping bus tour organized and returned to enjoy the "Embalming of the Snark". Thanks to the talents of Doug Howick, this proved to be completely different to the previous ceremonies. He based it on the poem "The Hunting of the Snark", with the Rameses dressed in uniforms as characters of the crew, with video excerpts from the musical and lots of action and lights. It finished with the vanishing of the outgoing Snark Brent Crosby in a pall of smoke from an explosion front stage. We were pleased when Brent

(continued on next page)

appeared in one piece after the "future Convention Presentations" to be installed with the other HHI officers.

The day was saddened by the sudden passing of Bernie Barber's dear wife Elaine. We paid our respects accordingly and on Bernie's insistence went on with the business at hand. Elaine was having a wonderful time at the mixed and ladies functions and although a long way from home, was with her many oldest and dearest friends who will sadly miss her bright company.

By 7:30 p.m. the Ballroom was set up and decorated for the Snark's Dinner Dance. Our new Snark, Jeff Loth, and wife Sherry received a standing ovation by the 200 odd delegates in attendance. Jeff gave an excellent speech on the plans his new board had made and with his and the directors' enthusiasm, we feel that despite the recession, he will get the membership back on the rise again. A sumptuous repast, dancing and fond farewells made it an excellent close to the 99th International Convention.

The HOO-HOO INTERNATIONAL Board of Directors hard at work at one of their several meetings during the course of the 99th Annual Convention in Leura.

The ladies were treated to a royal time at the 99th Annual Convention in Leura. Having every bit as much fun as their husbands were (left to right) Sylvia Cocks, wife of Rameses 81 Phil Cocks; Dianne Campbell, wife of Rameses 80 Dick Campbell; and Sherry Loth, wife of the new Snark of the Universe, Jeff Loth.

During various segments of the proceedings, HHI and JIV awards were made to various clubs and individuals as listed below.

International delegates with His Excellency, Rear Admiral Peter Sinclair, Governor of New South Wales, Australia.

No one knew what it was or how it got into the convention, but it could dance. Actually, it was only Chris Goff, Supreme Nine from J-VII, having a great time at the disco.

Newly elected First Vice President, Dave Blasen, was caught at a serious moment during one of the International Board of Directors' meetings at the 99th Annual Convention in Leura.

99th Annual Convention committee members present Rameses 81 Phil Cocks with the official convention jacket for his help with the United States and Canadian delegates and tour. Phil spent many long hours with travel agents and airlines putting together the "South Pacific Tour".

SNARK EMBALMED IN UNFORGETTABLE FASHION

The "cast of characters" featured during the embalming of the Snark were (left to right) Rameses 78 Al Meier, as the Barrister; Rameses 80 Dick Campbell, as the Baker; Rameses 72 Jimmy Jones, as the Bellman; Rameses 81 Phil Cocks, as the Billiard Marker; and Rameses 75 Kevin Kelly, as the Butcher.

THE ELABORATE PRODUCTION FEATURED VIDEO CLIPS TAKEN FROM A STAGE PLAY OF THE "HUNTING OF THE SNARK"

Based on Lewis Carroll's "The Hunting of the Snark", the Embalming of the Snark at the 99th International Convention in Leura, N.S.W., Australia, was an extraordinary event.

Doug Howick of Melbourne Club #217 handled the production and choreography and put on a tremendous show. I have seen the last 28 embalming, and this was undoubtedly one of the best, if not the best. It will be a challenge for Dick Wilson and his crew to come up with something of the same caliber.

The cast of characters included Al Meier, R78, as the Barrister; Dick Campbell, R80, as the Baker; Phil Cocks, R81, as the Billiard Marker; Kevin Kelly, R75, as the Butcher; and myself, Jimmy Jones, R72, as the Bellman.

The elaborate production featured video clips taken from a stage play of the "Hunting of the Snark" produced in England some time ago. These were shown on a big screen. A short video came on to start the program, then our crew started the ceremony, there was more video, and at the conclusion, Brent Crosby, behind a pall of red smoke, actually disappeared before the lights came on. The whole thing went like clockwork, thanks to Doug and the participation of the Rameses in the cast. I am sure at least 99% of the Hoo-Hoo's present, including wives and guests, enjoyed the production. Welcome to the House of Ancients, Brent, wherever you are. Thanks, again, Doug Howick!

--Jimmy Jones.

RESOLUTIONS AND GOOD BYE OF THE ORDER

Let it so be resolved that the 99th Hoo-Hoo Convention in Leura, New South Wales, Australia, sponsored by Jurisdiction IV and hosted by the Sydney, Newcastle, Canberra and Woy Woy Hoo-Hoo Clubs, has been an outstanding and successful convention, and therefore the Clubs and the Jurisdiction should be congratulated and commended by all of Hoo-Hoo Land.

And, therefore, the Committee and its Chairman, Tony Hobson, who have worked diligently and effectively for the past five years, with dedication of their time and efforts to make the 99th Hoo-Hoo Convention one of the finest in the history of Hoo-Hoo, and for the complete pleasure of Hoo-Hoo members and wives and guests from four nations fortunate enough to be in attendance. Therefore, we extend our sincere thanks and congratulations for a job well done and also their wives and families for sharing and contributing to this successful event. Also, a special thanks to Kevin French, President of Jurisdiction IV for his untiring efforts and travel in joining in the many meetings of the Convention Committee that he attended.

Whereas the Snark of the Universe, Brent Crosby, and his Officers and Directors, have successfully guided the International Order of Hoo-Hoo through its 99th year with wisdom and dedication during most difficult economic times. Also a special thanks to the Snark wife, Jeanie, and the wives and families of the Officers and Directors, for their patience and understanding and sharing of their husband's time and effort for all members of Hoo-Hoo International.

And whereas the Rameses have continued to contribute their knowledge and wisdom and dedication to the Order and to the House of Ancients and our Seer, Ernie Wales, therefore we extend our sincere thanks, and therefore wish them health, happiness and long life.

And whereas the dedication and loyalty of our office staff at our Headquarters in Gurdon, Arkansas, Beth Thomas, Manager, and her Assistant, Vicki Hughes, for their excellent administering of their duties and their additional efforts above and beyond the call of duty, therefore we extend our fullest appreciation and thanks for a job well done.

And whereas Joyce Taylor has successfully and professionally produced and edited our *Log & Tally* Magazine and for the continued improvement in the quality and appeal to our members, we offer her our sincere thanks also.

And whereas the continued contributions of our advertisers in our *Log & Tally*, we would encourage all Hoo-Hoo Members to support them whenever possible to demonstrate our thanks to them.

In conclusion, therefore, we thank the many sponsors and guest speakers for their contributions to the success of the 99th Hoo-Hoo International Convention and Forest Products Conference.

Al Meier, Chairman
Jimmy Jones
Dick Campbell
Kevin Kelly
Phil Cocks

CLUB NEWS

JURISDICTION I

WASHINGTON, D.C., CLUB #99

Club #99 held their "Past President's Night" on September 17, 1991, at the American Legion Post 270 in McLean, VA. In October at their monthly meeting, the guest speaker was Albert Goetzl, Vice President for Economics and Informational Services at the National Forest Products Association. He has testified before Congress and regulating agencies on a wide range of lumber related issues. His remarks concerned the spotted owl and the potential impact on the industry at the wholesaler/dealer level.

Jack Norris has arranged a fall golf outing for October 24th at the Loudon Golf and Country Club in Purcellville, VA. The club's annual concat will be held in November. The club is striving to recruit new members and urges all members to bring prospective kittens to the October meeting so that they might see what Hoo-Hoo is all about.

GRANITE STATE CLUB #107

The Granite State Club #107 met Wednesday, September 11th at the Capital City Diner in Concord, New Hampshire. Peg Boyles, guest speaker from the New Hampshire Resource Recovery Association, spoke to the club about the importance of waste management in our industry. The increasing problems with costs for proper disposal of sheetrock, pressure treated products, cardboard and steel banding were addressed. Peg stressed the need to work closely with waste management companies to tailor a program to meet your needs. New club president, Tom Desmaris, and recently appointed Supreme Nine for Jurisdiction I, Jerry Rivet, presented Peg with a donation for the non-profit organization to conclude the meeting.

Jerry looks forward to the upcoming year and plans to attend meetings at each Jurisdiction I club. He also looks to increase overall membership while reinstating past members. Granite State #107 wishes Jerry the best of luck in his new position.

Upcoming club functions include the fall golf outing and new products night in October.

DETROIT CLUB #28

July found Detroit Hoo-Hoo Club #28 holding our annual election of officers and directors. Nearly 40 members voted in the new slate while dining on their choice of chicken, fish, or prime rib sandwich. The setting for our meeting was the "Key Largo" restaurant in Walled Lake, MI. The outstanding banquet facilities, great food, outdoor deck overlooking the lake, and the beautiful weather offered a very relaxing atmosphere for the members to share good food and good times.

The following members are congratulated for their unanimous appointments: vicegerent snark - Terry John; president - Nelson Cady; first vice president - Walt Tomalis; second vice president - Jeff Lorenz; secretary-treasurer - George Reneaud; sergeant-at-arms - Ed Zajac; directors - Seymour Burg, Dominic Iannuzzi, Matt Miller, Dennis Karas, Jim Osebold, Bob Miller, Jim Peterson, Jr., and Bob Batz.

As always, the highlight of the evening was the ever popular 50-50 drawing. Second place was happily accepted by our most gracious waitress, and first place was awarded to Al Sidney. Special thanks go out to all the members that helped plan and carry out a very successful 1991-1992 election.

KEN HALLGREN CLUB #139 OF NORTHERN ILLINOIS

A major event recently took place. The Ken Hallgren Northern Illinois Hoo-Hoo Club and its Wisconsin neighbor, the Ben Springer Hoo-Hoo Club, met at their annual get-together, the Hoo-Hoo Golf Classic at Twin Lakes Country Club, Wisconsin. We understand the battle was fierce (not the game...battling the great, multitudinous and colossal northern Wisconsin mosquito).

GRANITE STATE CLUB #107. Tom Desmarais, standing, presents Skip Bly with a gag door prize, a moustrap, at the club's September meeting.

JURISDICTION II

You'll recall the Illinois club lost the traveling trophy last year by a fraction of a margin. There was some talk of a recount at the time, but the Illinois club, (a stand-up and fair-minded group) not wanting to see a bunch of grown-up guys cry, decided to let the Wisconsin club have the trophy for the year.

However, this year was remarkably different. The Illinois club battled its way on through to win the big one. As club president, Tony Vecchiolla said, "...It was a storm without the desert".

The Illinois winners beat Wisconsin by using a complicated system described as the "stroke method". An observer said they wore out two pencils doing the calculations. The Illinois group led with a winning 1457 strokes over Wisconsin's 1472 strokes. No recount was needed.

"The traveling trophy is now back in safe arms resting on the shelf in my office," said Tony. "It was a super turnout." Sixty-five golfers showed up to play the friendly but hilly course. Later, the evening get-together saw seventy-two Hoo-Hoo members enjoy a great meal, good stories and warm fellowship.

Mark your calendar now for next year's Hoo-Hoo Challenge at Twin Lakes CC, WI, Thursday, September 17, 1992. Congratulations, Ken Hallgren Northern Illinois Hoo-Hoo. You did good!

JURISDICTION

SPOKANE CLUB #16

On August 3, on a beautiful cruise on the yacht of Bill and Ellen Lenten, new officers and directors were installed by club member Al Litzenberger. They are as follows: president - Dan Loessin; first vice president - Shawn Sinclair; second vice president - Elzya Jordan; secretary/treasurer - Ernie Wales; vicegerent snark - Bill Lenten; deputy supreme nine - Dave Lenten; directors - Jerry Hudson, Jim Price, Walt Adams, Randy Lenten, and Mike Sheehan; and directors emeritus - Jack Eskeberg, Norm Mikalson, Gene Zanck, Kris Wales, and Bill Lenten.

Past president and mini-convention chairman, Dave Lenten, was recently elected "Hoo-Hoo of the Year". He received the "Snark Gene Zanck Award for Outstanding Service to Spokane Hoo-Hoo Club #16". This is the highest award given by Club #16. Congratulations, Dave, for an outstanding job. We appreciate you and your good efforts for us all.

The first meeting of the new Hoo-Hoo year was held at the home of club president, Dan Loessin, on September 24, 1991. The weather was perfect with a full moon shining down on the assembled Hoo-Hoo members, spouses, and guests.

The main program, given after a delightful meal cooked and served by Dan's mother and his sister-in-law, was a report of the HHI convention in Australia. Both Bill Lenten and his son David, as well as Bill's wife Ellen, gave glowing accounts of the convention and side trip to Dick Campbell's home in Woy Woy.

Club #16 is happy to welcome three new members. Garry (Bill) Candler is a new member sponsored by Rich Copeland. Jack Demmons was signed up by Ernie Wales, and Burrill Bresemann, a long time member and past president was reinstated.

The Forest Clinic Foundation, on a unanimous vote by the directors, Ernie Wales, Al Stadtmueller, and Lorin Hearst, have awarded \$1000 scholarships to each of the following forestry students: Paul Clements and Kim Pence, University of Idaho and Christian L. Frank, University of Montana.

SEATTLE CLUB #34

Seattle #34 began the new Hoo-Hoo year with a meeting and dinner at Mercerwood Shoreclub, Mercer Island, Washington, September 10th. Our guest speaker was Dennis Beyak, Assistant General Manager of the Seattle Thunderbirds hockey club.

Bruce Olson, first vice president, presided over the meeting in the absence of Buzz Gascoigne, who was in Australia for the International Convention. Former board members Dave Oppenorth and Matt Hobbs, were presented certificates of merit for their three years of outstanding service on the board.

Seattle has a full schedule of events planned for the membership this year, which will end with our annual golf tourney in June. A plant tour, joint meeting with our brothers in Tacoma, Christmas Party, crab feed and concat, special event planned by the Past President's Club, and sporting event are on the slate for our members.

PORTLAND CLUB #47

President Jock Voelzke, Portland Hoo-Hoo Club #47, presented a plaque to Valerie Johnson, Chair, Oregon Lands Coalition, at the club's September 19th meeting.

"We hereby recognize your continuing support of the forest products industry and your promotion of wood products," said Voelzke in making the award.

As program speaker, Johnson urged members and their families to play active roles in presenting factual information on the forest products industry in their communities and before legislators. "First, be aware of current problems; then participate in forestry educational programs; and finally, take personal action to counteract

efforts of those opposing multiple uses of forest lands for either commodity production or recreational activities. Animals, fish and scenery are also forest products," declared Johnson.

The September meeting was "Ladies Night" and featured a salmon bake. Club officers pitched in to grill the salmon on a portable barbecue "pit" brought in for the occasion and set up outside the meeting hall at the World Forestry Center. Total attendance was approximately 56.

The following officers for 1991-1992 were installed: president - Jock Voelzke; first vice president - Mike Holm; second vice president - Jim Talley; secretary -

LOG & TALLY, November 1991, Page 32

TACOMA-OLYMPIA CLUB #89

We had just finished our June meeting electing a new president and some board members, when our Annual Lumber Auction was upon us. We held it Saturday, June 15th, at Ehli Auctions. It was fairly successful, given the controversy in the forest products industry over the spotted owl and old growth cutting. Although there was not as much lumber and building products as in past years, it was better quality, so we are able to continue our scholarship program.

Our next event in June was our Golf Tournament at Madrona Links. Eighty-nine golfers enjoyed a perfect day and a great round of golf. The Bert Vaughan Perpetual Trophy was won by Max Rix, Select Millwork sales.

The club took the summer off except for a couple of board meetings. September 3rd we had our first meeting for the 1991-1992 year. The program for this meeting was our Annual Sports Night. We had 35 members present. We had the marketing director of the Tacoma Rockets, a new expansion team in the Western Hockey League. We also had the coach and assistant coach from our Tacoma Stars indoor soccer league. Both teams play in the Tacoma Dome, the largest wood dome in the world. The ice is uncovered for hockey then covered for indoor soccer. A great idea.

Our November meeting will be a joint meeting with Seattle Club #34. We plan a turkey raffle and lots of good fellowship.

--submitted by John Crawford.

WINEMA CLUB #216

The June meeting was election night, and Dave put us on a good spread! The first order of business was to change the club's bylaws to increase the number of board members from 5 to 7. Officers and board elected were as follows: vicegerent snark - Bill Nelson; president - Bob Anderson; vice president - Mike Pellegrino; treasurer - Joe Wampler; secretary - Paul Wunder; directors - Ken Dunn, Dave Danforth, Dick Miles, Bill Neubert, W.K. Patterson, Mark Hanna and Dick Barlow.

Bob Anderson of the USFS gave a presentation on their efforts to locate the spotted owl population. It was most interesting. The crowd loved it and asked a lot of questions. Mark Hanna showed a video on "Our National Forests" which was very well received.

The Hoo-Hoo Golf Tourney at Harbor Isles June 22 was a sell-out. Gary Koepkes team won all the marbles, shooting something like 11 under.

The July meeting was our annual safari to "Eagle Ridge", a very rustic spot. There were 1/4 pound "franks" for appetizers, then steaks cooked to perfection. Between the drive up, the food, and the atmosphere, it makes for an unforgettable evening.

Installation of the newly elected officers took place in August at Malin Park. Approximately 125 members and guests enjoyed Ralph and Mike's bar and the "dogs" and

GREEN PETER CLUB #226

One hundred and forty-four golfers teed off in beautiful sunny weather at the 17th Annual Green Peter Golf Tournament, McNary Golf Course, Salem, Oregon, September 20, 1991. Using a shot-gun start, the players completed play in approximately 5 hours, in time for libation prior to the prime rib dinner. No one came away hungry.

Winner of the low gross award was Buzz Campion with a smooth 74. Low net Callaway went to Don Frank. First flight Callaway winners were Harry Nelson, Gary Davisson, and Bill Bourgaize. Second flight awards went to Jeff Otjen, Darrel Richardson, and Dan Diffendaffer. Third flight winners were Paul Cheatham, Dough Bergquist, and Dale Johnson. Fourth flight awards went to Preston Sparks, Darin Kannier, and Chuck Doolan.

Harry Nelson returned to form this year by jumping all over his drive on number one hole and winning the long drive contest. John Brandis was a dead-eye on number 12 and won the accurate drive competition. Russ Pratt won K.P. on no. 4; Don Frank took K.P. honors on #7, and Mike Scott won K.P. on no. 14. For taking the most strokes all day, Jim O'Neil won the High Gross award (132) but did not pick up his prize because he was seen practicing on the putting green.

A highlight of the evening was a presentation of a plaque to Pat Pond for his many years of dedicated service to the golf tournament and to the Green Peter Hoo-Hoo Club. Pat has done an outstanding job as president of the club and has now turned over the gavel to Scott Catonwine. Every one looks forward to next year's tournament.

--reported by Don Andrews

JURISDICTION

PERTH CLUB #240

The 1991 Gottstein Fellow, Terry Jones, addressed the club at its July meeting and gave a description of his recent visit to the Milan Furniture Fair. That visit was taken by Terry as part of his studies under the Gottstein Fellowship. Terry was also involved in the fair to the extent that our local industry is pushing at that enormous market known as the EEC a range of our local products, including the recently developed Valwood. This gave Terry an experience very much hands on. A pleasingly high rate of bona fide customer inquiry was started at Milan and is continuing. This augurs well for the Western Australian industry if sound commercial arrangements can be put in place.

The August meeting of Perth Club #240 was an open meeting with spouses and guests attending. The guest speaker was Robert Jenkins, a stress management consult-

ant, with the Australian Institute of Management. In his opening remarks, Mr. Jenkins confirmed what most of us suspected in the first instance, which is that each of us suffers a level of stress irrespective of whether we think we do or not and irrespective of whatever role or function we are involved in. A key factor in managing stress was shown to be a relatively simple one of acknowledging the fact that stress exists and identifying its component causes. This then better places one to manage the problems resulting from stress and the stress itself. The club enjoyed an interesting address on a subject not easily covered in a short session.

Following a great deal of further activity, a project team consisting of Ron Usher, Bill Nicholls, Fred Acott and Roger Morgan have further refined the proposal for Hoo-Hoo involvement in the development of a demonstration forest and forest education facility, called The Hills Forest Concept. Perth Club #240 will be actively involved in refurbishing the facility, supplying and painting the exteriors, and seeking sponsors and manpower to complete interiors. Perth Club will also seek involvement in any committee for present and future planning and will have a picnic on the site in September to enable members and guests to inspect and discuss the project. Perth Club will seek recognition through the naming of one building as "The Hoo-Hoo Hut", or some such.

and examined the most often asked question of a proposed new member: "What is there in Hoo-Hoo for me?"

So, in keeping with the 90's, we feel Priority One has to be to give something back to the members. This may also encourage some of those companies which chose not to pay member's dues to a social club to rethink their position when it comes to Hoo-Hoo. Secondly, as a result of our first priority, we hope to bolster membership.

Thus, for the year 1991/92 we chose two areas of current affairs to focus on: 1) Safety in the Work Place and 2) Environmental Waste.

The October meeting will have informed speakers on this issue as well as on-going information in the "Cat-O-Log". Environmental waste will be addressed at our March meeting. It is our hope companies, as well as individuals, will find our new objectives worthwhile, and that they will take advantage of our reduced rates for new members.

As an extra incentive to join Club #53, for the year 1991/92 we present a free September meeting for all those who choose to attend, which includes free chicken wings, veggies, and parking; for first time new members, membership dues for the year will be \$24.99; and reinstatement fees for members who have allowed their memberships to expire will be waived. These people will pay the regular fees of \$53.99 instead of \$59.99. Toronto will pick up the extra which must be sent to Gurdon.

--from the "Cat-O-Log"

VII JURISDICTION

PHOENIX CLUB #72

Another Hoo-Hoo year has past, and a new one is on the way. The board of directors had its first meeting this past month and have decided to keep the same format as last year. The following is our agenda: We will have golf outings each month, October through June. Each outing will cost our members or guests \$45.00 which will include golf, cart and prizes. Immediately following each golf outing, we will meet to award prizes for that day. On the day we play golf we will have no scheduled dinner meetings. We will schedule not less than two dinner and business meetings. These will be announced at a later date.

Our dues structure will remain the same as last year, also. As members of Hoo-Hoo #72, either as an associate or regular member, the cost will be \$49.99 per member per year.

The first scheduled golf outing will be on October 15, 1991, at Scottsdale Country Club.

SACRAMENTO CLUB #109

The Annual Golf Tournament, which was rescheduled from May, was held Friday, August 23, at the Sequoia Woods Country Club in Arnold, CA. The sponsor for the event was All-Coast Forest Products, and Jim Fyfe provided the beverage cart.

Club #109 held a general meeting and installation of officers on Tuesday, September 17, 1991 at the Tuesday Club in Sacramento. Sponsor for the evening was MacBeath Hardwoods.

The next meeting will be October 29, 1991, featuring guest speaker Chris Conrad of Fibreboard.

COAST COUNTIES CLUB #114

Coast Counties Hoo-Hoo Club #114 met September 12, 1991 in Santa Cruz. The guest speaker was Don Zea of the California Forestry Association who discussed several topics of interest, including political action to be taken by the CFA. The meeting was well attended. Upcoming events are The Annual Sporting clay Tournament in October, Industry Night in November, The Christmas Give Away, benefiting a local home for battered women and children, in December, and the Concat in January.

VIII JURISDICTION

HOUSTON CLUB #23

Houston Hoo-Hoo #23 held their annual election of officers on July 25th at the Allen Park Inn near downtown Houston. Twenty-seven members were on hand for fun,

fellowship and a hotly contested election. The new officers for 91-92 are: president - Joe "Bear" Breeden; vice president - Bob Ashley; secretary/treasurer - Guy Browning; chairman of the board - Jim Moncrief. Chris Goff, Supreme Nine, J-VII, conducted the installation of officers. Prez Bear outlined a full, fruitful year for the club with activities and programs for everyone.

Chris Begala, sports director of KILT radio, was the speaker at Club #23's regular meeting on August 22. He covered all the Houston sports strata, from professional to high school in football, baseball, and basketball. Some of his "behind the scene" observations and predictions were challenged from the floor. We will have to wait until later in the year to see who's right, the amateurs or the pro. Twenty-four members and guests were on hand for a very enjoyable evening.

Sports was the focus of our September meeting as thirty-one members and guests trekked to the Astrodome for a home game between the Astros and the Giants. We had two Skyboxes behind first base line with an eagle eye view of the game. Large and vast quantities of amber liquid were consumed in an effort to cheer a win for the home team, to no avail. Several kittens were present and a Concat is brewing for the October meeting.

Houston Hoo-Hoo Club #23 congratulates Frank Aranza, newly elected Supreme Nine for Jurisdiction VII. He will be a credit to our club and International.

--submitted by Christopher Goff, The Wonder From Down Under, L-86656

WICHITA CLUB #173

Wichita Club #173 held a meeting on September 16, 1991, to install their new officers for 1991-92. They are: president - Dave Marsh; secretary - Ken Hobbs; and treasurer - Donnie Girrens.

SIoux VALLEY CLUB #118

On September 12, 1991, Sioux Valley Club #118 Convention Committee held an auction of items donated by manufacturers, wholesale, and retail lumber dealers for the benefit of the 1993 International Convention.

The auction was considered a huge success, and special thanks are given to all who supported the auction. Special thanks to Dean Gulbransen, former club member,

who donated his auctioneering services for the day and to ringmen Larry Meyer #75658 and Rick Petzoldt #93866.

The auction was the first major fund raising event held by Sioux Valley Club #118 for the International Convention, and if all of our fund raisers are as successful as this, it will be a great convention.

Please make plans now to attend the 1993 International Convention to be held in Sioux Falls, SD, on September 12-15, 1993.

Fraternally,

Bruce Braaten #88523

1993 Convention Committee Secretary/Treasurer

IX JURISDICTION

ATLANTA/DICK WILSON CLUB #1

On Sunday, July 21st, the newly elected officers and their wives were treated to a fantastic brunch at the home of Robert and Jan DeNeefe. This mid-summer brunch meeting has been held the last three years and has proved to be an excellent way to familiarize the new officers with their duties and responsibilities, and to make plans for the next year's program.

This year was particularly memorable because of the beautiful brunch Jan prepared, and the DeNeefe's fantastic

LOG & TALLY, November 1991, Page 38

ally remodeled home in "old town" Conyers. In such an atmosphere, it would be difficult not to have a good meeting.

Robert, our new vicegerent, and Jan had as their guests: Blase and Marliisa Grady, president; Gary and Patty Harris, first vice president; Jim and Dessa Bergen, treasurer; Pat and Shirley Story, secretary and Supreme Nine; and Mark and Dianne Tyrrell, medicine man. Second vice president Pate Boven was out of town.

Plans for our nine meetings in 1991-1992 were laid out, including a Braves game at The Stadium Club, a pro football night with the Atlanta Falcons, a bowling night, cookouts, a golf tournament, and a mini-convention for Jurisdiction IX to be held at Jekyll Island on the Georgia Coast May 15-17, 1992. In addition to the nine regular

SIoux VALLEY CLUB #118. Part of the crowd which attended the club's fund raising auction for the 1993 International Convention are shown inspecting the quality merchandise which was donated by manufacturers, retailers and wholesalers.

meetings, there will be a board of directors meeting in early December to monitor the club's progress and correct any shortcomings.

Last year the Atlanta Club showed a 14% gain in membership (now at 72), and we have nine prospects that we hope to concat in November.

Mike Obryan #92114 was handed a big surprise at the Atlanta Club's September meeting in the form of a check for \$1600. This prize money was from the drawing held at the recent convention in Australia. This was a 50/50 split with the other half going to the Centennial Fund. Mike is on the board of directors of the Atlanta Club, and several members have reported seeing Mike a week later still wearing a huge grin.

Health, Happiness, and Long Life
Pat Story #83773

CENTRAL FLORIDA CLUB #115

The May meeting of Club #115 covered routine club business. A nominating committee was appointed for the elections coming up in August. The club's goal is to obtain \$1000 in the scholarship fund as soon as possible.

At the June meeting the golf tournament was rescheduled for June 21st, due to rain delay. Phil Cocks volunteered to represent the club on the FLAMBDA Wood Promotion Council. A committee was appointed to look into how Club #115 can held the Space Coast Club with their Hoo-Hoo Park project. The club needs \$40,000 for its share in the park, and they have \$5000.

OBITUARIES

WE MOURN THE PASSING OF OUR DEVOTED HOO-HOO BROTHERS

IN MEMORY OF

THERESE ELAINE CAMY-BARBER

Elaine Barber, wife of Hoo-Hoo International Secretary/Treasurer, Bernard B. Barber, Jr., died September 12th, while accompanying her husband to the 99th International Convention in Leura, N.S.W., Australia. Mrs. Barber was from a pioneer Fresno family which founded Fresno's first daily newspaper in 1876. In addition to her husband, Mrs. Barber is survived by two sons, Bernard Bradley of Orinda, CA and William Michael of Fresno, and three grandchildren.

TODD W. CLIFTON 59883
Stuart, Iowa
Member Iowa Club #102

ROY A. CLOTHIER 52749
Edmonds, Washington
Member Seattle Club #34

A member of Seattle #34 for 40 years, Roy passed away on June 25, 1991. He is survived by his wife of 55 years, Laura, sons Arthur, Roy, Rick, and Kirk, and by nine grandchildren and two great grandchildren.

ART CRAUTHANEL 80387
Member of San Diego Club #3

Art was a past president of San Diego Club #3. He passed away September 22, 1991. He retired from San Diego Wholesale in 1983 after working there for 10 years. Previously, he worked 20 years for Sullivan Hardwood. He is survived by a daughter, Susan Maxwell, and two grandchildren. He was preceded in death by his wife, Mildred, a national past president of the Hoo-Hoo-Ettes.

BRUCE HOOPER 45160
Minneapolis, Minnesota
Member Twin City Club #12.

Bruce Hooper was initiated in 1936 and had the lowest Hoo-Hoo number in Twin Cities Club #12. He passed away in Minneapolis on August 21, 1991, at the age of 86. He was in Hoo-Hoo for 55 years. He is survived by his wife, Jane, three daughters, Julianne, Betsy, and Marilyn, and seven grandchildren.

WALLY KENNEDY 49223
Fresno, California
Member San Joaquin Valley Club #31

Wally Kennedy, 67, passed away August 13, 1991. Both Wally's father and his grandfather were members of Hoo-Hoo. Wally was

extremely active in Hoo-Hoo, particularly Club #31. He was president of the club in 1954-1955. He was also instrumental in arranging to have ten signs placed in the Sierra Nevada Mountains east of Fresno in 1956. The signs read: "Protect Our Forest. Your Future Homes. San Joaquin Valley Hoo-Hoo Club #31". Most of the signs are still in the area where they were originally placed. Wally is survived by his wife, Beverly; two sons, Kim and Matthew; three daughters, Kristy, Ann, and Joan; and three grandchildren. Wally will always be remembered for the huge smile that was always covering his face. He enjoyed life immensely and, of course, his family was extremely important to him.

FRED H. MASS 44053
Hope, Idaho
Member Missoula Club #10
Fred H. Mass passed away September 16, 1991, in Missoula, Montana.

THOMAS W. MOORE 83961
Dunwoody, Georgia
Member Atlanta/Dick Wilson Club #1

Atlanta/Dick Wilson Club #1 lost a good friend August 8, 1991, when Tom Moore, 83961, died of a heart attack. Tom was an active member of Club #1 until he retired a few years ago. He served several terms on the board of directors. Tom was 73 and is survived by his wife, Virginia, three sons and a daughter. He lived out the Hoo-Hoo motto of "Health, Happiness, and Long Life". He will be missed.

ALLEN R. NISTAD 76104
Hillsboro, Oregon
Member Portland Club #47

Allen R. Nistad, 69, was a retired vice president and general manager of Kinzua Corp. who held numerous executive positions in the timber industry. He was with Kinzua Corp. for 35 years and was responsible for the management of a 230,000 acre tree farm. He also oversaw the corporations plywood manufacturing facilities in Heppner and Kinzua. Mr. Nistad was active in many capacities within the forest industry. He is survived by his wife, Lilly May, a son Warren, a daughter Carol, and two grandchildren.

E.L. SMITH L-35879
Spokane, Washington
Member Spokane Club #16

E. Lee Smith, 98, died in June 1991. He was former president and chairman of the board of Building Supplies, Inc. He was a past president of Spokane Club #16 and was active in many civic organizations. His wife of 60 years, Mabel "Peg" (Weller) Smith, died in 1981. Survivors include two daughters, Tirza Williams and Margaret Shelton, three grandsons, and three great-grandchildren.

RICHARD W. TINDALL 77922
Anchorage, Alaska
Member Midnight Sun Club #200

THOMAS B. WYLIE 79239
San Diego, California
Member San Diego Club #3

Thomas Wylie died July 27, 1991. A past president of Club #3, he worked for Dixieline Lumber Co. for 27 years. He is survived by his wife Sharon, his daughter, Pam Hartnett and sons Mike and Steve.
