All-Coast solid sawn timbers are among the most practical, reliable and aesthetically pleasing lumber products. Widely prized by engineers for their structural integrity and by designers for their beauty, solid sawn timbers have multiple uses across a wide spectrum of public and private facilities, from bridges and mines to the living room of a quaint mountain cabin or expansive custom home. At All-Coast Forest Products, we've been producing and distributing a variety of timber products since we opened our doors in 1975.

Our experience and expertise enables us to ask the right questions of our customers, help them evaluate their needs, then discuss the various options they might wish to consider in fulfilling those needs. Standard sizes are readily available for all species. Larger sizes and lengths can be made to order. We also offer a wide range of different corbel and knee brace designs, plus custom milling of your own detail designs.

A BLAST FROM THE PAST

Dear Hoo-Hoo members—

I hope everyone started their year off strong. As I was trying to decide what to write for this issue, I couldn't help but think of how many years the organization has been around. There's so much history within Hoo-Hoo and the lumber industry and yet so much we've yet to accomplish. I decided to look through some of our archives—issues dating back 80 even 90 years ago. Many of you are familiar with *The Merchant Magazine*, once known as *The California Lumber Merchant*. The magazine has been serving the lumber industry for almost 100 years. So naturally, I figured it would have some cool information from the lumber industry, and of course Hoo-Hoo.

One would think that after 90 years you would see a lot of changes within an industry. Changes for the better, changes that reflect what our country has been through and what we can expect, and the lumber industry is no different. But one thing that hasn't changed much in the industry, even after almost 100 years, is the camaraderie and the idea that your fellow lumbermen is not just a colleague or competitor, but he's a neighbor, a friend. In the August 1927 issue of *The California Lumber Merchant*, publisher Jack Dionne said it, "When you have made good men better neighbors you have done much for them, for the industry they represent, for the business they are in, and for the territory they serve," and when it comes to friendship in the industry, not much has changed since.

In 1927, the California Retail Lumber Association held its 20th annual convention in Oakland, CA. The event hosted a Concat under the direction of Vice Gerent Snark for Northern California and Nevada. The picture above was from the October 1927 event. And while it's obvious the value of friendship is still sacred, one can argue that the organization has come a long way.

Here's to the future and more success!!

Health, Happiness, and
 Long Life,

Robyn Beckett Young goes for round 2 as Snark

“Congratulations! Today’s your day. You’re off to Great Places! You’re off and away! You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose. You’re on your own. And you know what you know. And YOU are the guy who’ll decide where to go.”

This comes from the book, “Oh, The Places You’ll Go,” by Dr. Seuss. WE all need to remember these words. They ring of great truth. There’s nothing stopping us from spreading the Value of becoming a member of Hoo-Hoo. When you catch the Spark, there is no telling the places you’ll go, the people you’ll influence, the communities you will touch and the impact you’ll personally have on the forest products industry. YOU DECIDE WHERE TO GO. Whatever obstacle is holding you back from giving others the opportunity to join Hoo-Hoo, TODAY IS YOUR DAY! YOU’RE OFF AND AWAY! BE THE SPARK! I’d like to share the places I’ve been and thank all the people I’ve met for being so open and gracious to me.

continued service and commitment to Hoo-Hoo and the forest products industry! We concatted nine new kittens—Pat Siwek Murzyn, Jan Siwek, Tom LeVere, Sara Elms, Ron Thurlow, John Krief, Greg Dahlstrom, Tony Stimmler and Andy Lau. “Dear” John Gerlach also escorted the Snark in visiting Scherer Brothers Lumber-Hopkins, ADO Products, Spring Lake Park Lumber, Scherer Brothers Lumber-Arden Hills and Forest Specialists. We were thrilled to visit and meet these great companies.

- North Cascade Club #230 — I enjoyed a meeting with the Club Officers arranged by Joe Monks 94234 and Will Miller 100298. We also visited Buse Timber & Sales, Inc., Northwest Hardwoods and Sierra Pacific.
- Seattle Club #34 — Bryan Ashbaugh 101346 put together an awesome last-minute Crab Feed that was very well attended. We concatted five new

members: Zack Hoppenrath, Cameron Anderson, Joseph Noble and Sandy Stumpf, Linda Kay Bedney Viguerie for Tacoma Olympia Club #89.

J1 – FOLSOM CLUB 13

We ended 2017 with a bang by concatenating 22 new members to our club. We were blessed by a visit from the ever Sparky Snark Robyn Beckett Young and also R102 Mary Moynihan and her wonderful friend and Hoo-Hoo kitten Mary Rigney. It always makes our Con Cat special when we have out-of-town guests that are so dear to us. Attendance that night was one of the best in recent years and the group of kittens one of the liveliest in some time. We hope to keep them all engaged in Hoo-Hoo so they can get the most out of our order. Joining this year: Ashley Hogg, Conner Madden and Emily Stepanis, Mid Cape Home Center; Jason Bruno and Terry Hranio-tis, Russin Lumber; Phil Collins,

Collins Crane; Dave Elkas, Hardie Siding; Max Fatello, Marketing and Sales; Kevin Galicia, Parksite; Patrick Giguere, Howe Lumber; Matt Lenge and Rick Post, Wolf Building Products; Jon Linscott, Huber; Mark Martell, Warren Trask Co.; Jason Oliver, Mozzone Lumber; Craig Orndoff, LBM Advantage; Daniel Oteri, Boise; Michelle Packer, Huttig; Lindsay Robidoux, Sherwood; Daniel Spillane, Brosco; Stephen Stowe, Botello Lumber; Alan Wall, Holden Humphrey.

I certainly speak for the Folsom Club and all of Hoo-Hoo when I say welcome to our club and the Hoo-Hoo Family. Please get involved and remember the part of the ceremony that read, “you will get out of the club what you put into it!” We need your input, energy and ideas. Make the club your own!

We will be having a pin night March 27th followed by Old Timers/Insider Outsider night May 1st. Both of these events are usually well attended.

Snark Robyn and 1st V.P. Jack Miller spent a great deal of time calling on major companies in Maine and New Hampshire, trying to spark some life into each of those clubs. There is a good deal of momentum forming and we hope to be able to establish boards for these two clubs shortly. At the NRLA show recently, an old friend who said she would like to see about reestablishing a club in western Connecticut approached me. This would include western Massachusetts and the eastern upper state New York region. It’s all good news but lots of work to do. On a sad note, we lost one of the most passionate and spirited Hoo-Hoo

members of not just our club, but the entire Hoo-Hoo world when Joe Burgoyne passed away suddenly on February 16th. Joe represented everything that Hoo-Hoo stands for and will be sorely missed by all. He was the Deputy Supreme Nine J1. Joe passed away during the NRLA show in Providence and in typical Joe Burgoyne style, got to be with all of his friends just before he passed. Anyone that ever met Joe knew that they were a friend from the first time they shook his hand till the last time they saw him. Joe had Health, Happiness and Long Life written in his obituary and was a lifetime member of the Folsom club. His energy and devotion was second to none and I can't say in words how much he will be missed, not just by the Folsom club, but by all his fellow Hoo-Hoo friends that traveled from all over the country to say goodbye and to the ones that couldn't make the trip but sent their love and prayers. RIP Joe. We love and miss you! Unfortunately I will not be able to attend the Mid Year convention in Atlanta in March but we will be well represented by both Jack Miller and Warren Biss.

Happy Spring to all!

J2 – DETROIT CLUB 28

Detroit #28 has been quite active in Hoo-Hoo Land. Yes, the Snark is from Detroit so we ignite from her Sparks. Our Forest Festival in Gurdon, AR., was a great event attended by Jim Maicki L-86469, Snark Robyn Young 99870 and

Greg Young. Weather was a little colder and cloudier than previous. The Hoo-Hoo float was full of spark and shine and there was candy to pass out to the kids along the parade route. The Hoo-Hoo Museum is filled with amazing memorabilia; every year I seem to discover something new and different about Hoo-Hoo International history when I go. If you haven't, just once, check out the the Hoo-Hoo International Museum in Gurdon. You won't be disappointed, you'll be amazed.

We had a great time catching up with members who went to the annual Hoo-Hoo holiday party that was held at the historic Dearborn Inn. It was sold out for the second year in a row. 85 Hoo-Hoos and wannabees were in attendance. Snark Robyn Young gave a rousing speech embracing our order, the importance to our industry, and recruiting youth. Our lumber industry in all facets is a solid career choice, many do not realize. We need to educate our young more about our industry. Detroit has some new board members: Mike Plaskey 98571 and Jim O'Brien 101716, and two new kittens, Steven Zacharias and Jackie Maicki.

Remember, if you have not sent in your dues for 2017, you are PAST DUE! We're looking forward to our Golf Outing (location is in the bag), this June at Coyote Golf Club South Lyon, MI. We've also got Skeet Shoot in the works.

I'm excited that JII Sharon Woodcock from True Value will help to resurrect the Chicago Club.

Health, Happiness, and Long Life!

J3 – TACOMA-OLYMPIA CLUB 89

I'm so glad spring is here and summer is right around the corner. Our weather in the Pacific Northwest has been wonderful compared to the rest of the U.S.—a relatively mild winter and the plants are already showing little green buds. On January 16th the Seattle Hoo-Hoo Club #34 held their annual Crab Feed. Snark Robyn was in attendance and held a short form concat. Our Club is happy to welcome two new members: Linda Bedney Viguerie and Sandy Stumpf. A big Hoo-Hoo welcome ladies! Our club was honored to host Snark Robyn and husband Greg as well as Past Snark Kent Bond for a dinner at Johnny's Dock Restaurant on January 17th. Robyn, Greg, and Kent had the opportunity to visit Manke Lumber Company and S9 Mike Clothier's Starboard Door Company. Johnny's Dock Restaurant has been around for a very long time but the service was terrific and we were treated to a very professional card trick show by the bartender. In attendance were Nancy Brown, Chad and Bob Dagais, President Mike Hinthorne, Larry and Linda Viguerie, Mike and Donita Clothier, and Joe and Terry Hammerschmith. It was a great evening! Club #89 had their annual Crab Feed on February 13th at the High Cedars Golf Course in

Orting. We also had a raffle and a silent auction. In March we met at the Harmon Brewery in downtown Tacoma to enjoy a four-course brewer's dinner that is accompanied by a different beer for each of the courses. A quick thank you to member Les Sjöholm. Since 1986 Les has been the one who makes Club #89's badges. He's provided the unique wood badges, engraved the badges, provided the magnetic clips and finished the wood badges. He now has the engraving and magnetic clips done at a local shop, but still does all the finishing at his own expense. Job well done Les and a big thank you for all of your efforts.

13 – WILLAMETTE VALLEY CLUB 33

Club 33 held their annual golf tournament at Shadow Hills CC. About 60 golfers showed up and the weather Gods were wonderful. A shotgun start at 9:00 started the day out. Many had fun, some even golfed! After a nice buffet lunch provided by SHCC, prizes were handed out to some of the lucky golfers. Raffle tickets were sold and a variety of nice prizes were won, including the grand prize of a 43" Flat Screen TV donated by Club 33. The annual Crab Feed, scheduled to be held January 19th, had to be cancelled, owing to the crabbers were on the beach. We rescheduled for February 9th. Some of the finest Dungeness Pacific Ocean crab was served. Over 155 members and guest's had a great time, enjoying the crab and socializing. A number of individuals and companies donated a host of prizes for the

raffle. Our very own member, Big Jerry Szerlip, sold a total of \$1,105 in raffle tickets! Great job, Jerry! Besides the seven we give out with dinner, Jerry sold the tickets at 7 for 45. Terry Haddix, the J-III Deputy S-9 and Portland Club 47 member, along with a bunch of Patrick Lumber folks trekked down from Portland. Late last spring, Club 33 welcomed in new member Randy Stout of Allied Distribution. This fall we took J.T. Taylor, Sales Manager Lumber Business, Roseburg, into the club.

We immediately put him to work as a Director. We're looking forward to our annual golf tournament June 1st at Shadow Hills CC.

13 – WINEMA CLUB 216

We've had several meetings since our last Log and Tally report. Last year we brought two kittens into the order and one member who was initiated at a board meeting and wanted to go through our concat. Our meeting was held at what we call the "bat cave," an old potato cellar in Merrill, OR., on the Ahern Ranch. Our concat was a blast! The bat cave was a little bit cool but we all managed to have a good time. Our dinner that evening was steak sandwiches and home-made chili and a chocolate cake decorated in Hoo-Hoo manner. Our new members are Shelly Kilgore and Mike Rettmann. Our vice president, Ray Jacobsen, also went through the concat. 26 members were in attendance.

We held our annual elimination drawing to close out 2017, which

was held at the restaurant at our local airport. Fifty-three members, spouses, and guests were in attendance all hoping to win the big prize of \$1000. We draw 100 tickets out of the barrel and the last one out is the big winner. Not only do we give a prize for the last ticket drawn, but every fifth ticket received a prize. When all the smoke had cleared, Ron Loveness walked away with \$50, Shawn Blair with \$100, and Paul Wunder and Dick Barlow who split a ticket each got \$500. It was a great meeting and everyone seemed to have a good time.

Kent Bond and Robyn Beckett Young were honored to be in the presence of three Star of Hoo-Hoo recipients— Paul Wunder 85881, Dick Miles 77718 and Ron Loveness 74160.

Our annual crab feed was scheduled for January 12th, but there was a hang-up. The Oregon Fish and Wildlife postponed the crab season from the middle of December to the end of December, and again to the first of January, and again to the end of January. That left us out because all venues large enough to hold our crowd were reserved and we had to cancel our crab feed. Meanwhile, Kent Bond was taking Robyn around the Pacific Northwest to visit clubs. It took a while to get our schedules in sync

Deeply Rooted in Our Community

Hoo-Hoo people are generous. The funds raised at club events like golf tournaments, crab feeds, and surplus building material auctions supply the monies that are redistributed to bring positive change to those in need. Trust that your support is appreciated.

but we managed to have a meeting with Robyn, Kent, and Greg in attendance. Robyn talked a bit about HHI and we gave her a couple of gifts, one of which was an Edsel hubcap that the Detroit club gave to Leonard Putnam when he was Snark. We gave it to Robyn and told her to return it to the Detroit club for safekeeping. We also presented her with a king-sized gavel for those big meetings. All in all, it was a good meeting and we appreciate the visits from the Snark.

At our Past Presidents Night meeting, the featured speaker, Jerry Bonagofsky, of the Washington Contract Loggers Association, spoke about logger safety issues and classes through their Master Logger certification program. He also touched on other issues including logger and trucker shortages and rates. After the meeting, the club held a Concat induction of our newest members. This year, our club has experienced a mini resurgence of memberships, with some former members reinstating and new members joining. The annual Golf tournament at Avalon Golf Links was a fun and rain free event. It was great to see familiar faces and a few new people this year. Note: a North Cascade first, Dave Kriegel made a hole in one! All golfers, good and not so good, took home a prize at the awards ceremony.

HHI – JURISDICTION V

I first want to wish everyone in Hoo-Hoo all the best this year! 2017 and early 2018 have been a busy for Jurisdiction V! It's great representing you as the Supreme 9 for Jurisdiction V. While we are one of the largest jurisdictions in Hoo-Hoo geographically, we continue to have our two strong clubs, namely the Cowichan Valley Club 229 and the Vancouver Club 48. I want to thank the board of directors of both of these clubs whose hard work is so much appreciated by all of us. There have been many other clubs come and go over the years in the rest of Canada and Alaska. For various reasons, they are inactive. One of my goals continues to be getting some of these clubs resurrected. Take some time to look at our great international web site (www.hoohoo.org). Make sure you claim your account by clicking on the top right hand corner's icon. You can then get into all the things that the web site has to offer. I encourage you to look at the Jurisdiction maps under the Our Clubs icon. It's a great way to see where all the clubs that are active and inactive have been. I wish to thank the Seattle club for all of

their hard work to make a memorable convention in 2017! For those of you who haven't attended an HHI convention, I encourage you to try and go. 2019 is going to be hosted by the Vancouver Club 48 at Whistler and I know their board of directors are already working hard to make it a great convention! Leslie and I brought Robyn, our Snark of the Universe and her husband, Greg, up to Vancouver after the convention for a few days. We met some of our membership and also had a visit to the Evans Lake Forest Education Society camp up above Squamish. It was a lot of fun! I want to say thanks to Sandy McKellar and Jan Bradford who have agreed to take on the roles of Deputy Supreme 9 for our Jurisdiction. I look forward to working with both of them. Make sure to try to attend as many events as you can that your club puts on. The directors work hard to put these events together. Help support them and your local club by trying to attend. It is much appreciated!

HHI – JURISDICTION VI

I'm sure you're all tired of hearing this same old message from me about how well the clubs in Jurisdiction 6 are faring, but with continued success of Southern California 117, Black Bart 181, Humboldt 63, and Sacramento 109, I know the plan is working. With the addition of Sacramento, and continued increase in membership in the other clubs, J6 has expanded its member base to well over 250 loyal members. It wasn't too many

FOR THE GOOD OF THE ORDER

years back that the membership in J6 was half that amount. How does it happen? Why the success? These questions are really pretty simple to answer. The lumber industry is faring much better these days. But more importantly, there are many dedicated men and women in J6 who understand that the philosophy of Hoo-Hoo, the golden rule and code of ethics, is not just a club motto; that treating others as you want to be treated and being of sound moral character are more important than making a buck.

Finally, the comradeship in J6 is so strong that competitors can sit down together and discuss what's really important: health, happiness, and long life. It's really not that hard and it really doesn't take that much extra time. If just three or four members from each club stepped up, Hoo-Hoo International, as a whole, would have unprecedented growth. It would be unstoppable.

Good luck to you all.

HHI – SOUTHERN CALIFORNIA CLUB 117

Southern California Club 117 had the pleasure to host the 10th annual Don Gregson Memorial Golf Tournament on June 7th last year. Since all the proceeds of the tournament go directly to the City of Hope, Wounded Warrior Project and Homes for Our Troops, one of the highlights of the tournament was the participation of 12 wounded Marines from the Wounded Warrior Battalion, Camp Pendleton, and 29 Palms California. Along those lines one of the items the Marines and other players received was a wristband. One side of the band reads Wounded Warriors Project and the other simply says “DUTY.”

I’ve thought a lot about the word DUTY ever since I put on my band. Is duty the sole responsibility of our service men and women? Does the word belong expressly to our president, senators, and representatives? Are priests, rabbi’s, pastors, and meuzzins the only ones tied directly to that word? I think not. To me duty is a word that needs to be re-added to all our vocabularies on a regular basis. In the lumber business we have a duty to educate the young and old about renewable forests. We have a duty to be involved in our communities in a viable way, and a duty to be helpful to our peers. We have a duty to only speak the truth. And finally, we

have a duty to our higher power and the Unites States of America.

In short we simply need to keep our duty to the Hoo-Hoo Code of Ethics. Doing that accomplishes all of the above.

J6 – BLACK BART CLUB 181

Black Bart Hoo-Hoo club #181 hosted its annual Industry Night in Ukiah on January 24 with great success. Over 80 people attended from various forest products industries including retail, wholesale, forestry and hardware. Hoo-Hoo members from as far as Detroit, Seattle, Portland and Australia enjoyed the night at the Broiler, and were treated to a speech from the Snark Of the Universe Robyn Beckett. The illustrious Star of Hoo-Hoo was awarded to two life-long members Gary Gamble and David Jones. Both were very deserving of the award and were gracious enough to give a speech regarding their history in the lumber industry and how important Hoo-Hoo has been to them. The night ended with a lively raffle that almost everyone enjoyed; Can’t win em all! Hope to see you next year. The club also held an annual new-member Concatenation at Cattlemen’s Restaurant in Santa Rosa on February 21st. The event was well attended. After a meet and greet, President Randy Jones started the meeting off with the pledge of allegiance. Vice President and event chairperson Jim Lewman took the reins and the meeting continued with information about upcoming events. The Cat Tamer prepared six new members for their journey and assisted them as they

participated in a traditional Hoo-Hoo Concatenation. Bryan Warring, OrePac; Adam Hill, Simpson Strong-Tie; Charlie Elliott, Central Valley; Scott Kudrna, Central Valley; and Matthew Slack, Conrad Forest Products; successfully completed the ceremony and were congratulated and welcomed by the Degree Team and the membership as new members of International Order of Hoo-Hoo and Black Bart Hoo-Hoo #181. Speaker Eric Ziedrich, Owner of Healdsburg Lumber Company and Past President of the North Bay Builders Exchange briefed the group about the progress being made to rebuild Santa Rosa and other areas devastated by fire in October of 2017. Thank you Eric! We enjoyed a tasty dinner served by a very attentive and friendly staff at Cattlemen’s. The meeting was adjourned. Black Bart Hoo-Hoo #181 also welcomes Melissa Moore, Foster Lumber and Kevin Caughron, Woodply Forest Products as new members to Hoo-Hoo International and Black Bart #181. Melissa and Kevin participated in their Concatenation at Sacramento Club #109 at Club Pheasant in West Sacramento on January 23rd. Thank you Sacramento 109 for treating our newest members so well! A hearty “welcome” from all of us at Black Bart to our newest members! THANK YOU to all who attended. The value of Hoo-Hoo

comes from meeting face to face with friends and associates from all facets of this great industry we belong to. Hoo-Hoo truly is family.

J6 – JURISDICTION VII

Welcome all! For those of you who remember me, I was the Supreme Nine for J7 in the late '90s and early 2000s. I had to take a Hoo-Hoo break while I worked on my health and now with the last one as a senior in high school, I'm falling back into the ranks. It is an honor and a pleasure to serve Hoo-Hoo and I hope to help bring J7 back to life and become thriving.

My goal is to work with the strong forestry colleges in the jurisdiction to create events that draw our membership together with the youth looking for that career choice, hence bringing the youth to join the knowledge base that we represent. I look forward to building some great programs that will help put Hoo-Hoo over the top.

FROM THE SNARK'S DESK

- Tacoma-Olympia Club #89 brought together several of their Club Officers for a dinner. We visited Starboard Door owned by our very own S9 of J3, Mike Clothier 99942 along with Manke Lumber Company. Scott Manke took us to lunch at the Cliff Restaurant where we discussed our great industry while watching seals play and boats move about the water..
- Portland Club #47 — Once again President and Deputy S9, Terry Haddix 97381, out did herself by arranging an event at American International Forest Products, where we concatted 6 new kittens—James Bitner, Matthew Sahebi, Bryan Haddix, Ken Timmons, Jeff Richmond and Mason Virnig. You'll be proud to know your Snark came in first for her team in one game. We also visited Elk Creek Forest Products and Terry Haddix will be planning another Hoo-Hoo introduction event. Elk Creek will be joining the Portland Club #47, which is an indicator of how businesses are seeing the value in their employees joining Hoo-Hoo.
- Winema Club #216 — Paul Wunder brought together his club officers for a great night of Italian food and an early morning breakfast to wish us all the best as we continued to travel. We did meet up with some snow in Klamath Falls, but enjoyed the beautiful views it gave us.
- Sacramento Club #109 — We attended the annual Concat Dinner and six new members stood before the Degree Team! Frank Addiego, Jack Hart, Chris Karabinus and Jim Schoot joined the Sacramento Club. Kevin Coughron and Melissa Moore joined Black Bart and are busy planning the re-activation of the Oakland Club #39.
- Black Bart Club #181 — Industry night was a huge success with over 85 people at last count. We honored Rameses 95, Gary Gamble 79682 and Rameses 96, David Jones L-82806 with the

Star of Hoo-Hoo—two men who have dedicated their lives to our industry and our organization. Congratulations! Kent Bond also received a special gift from the Snark for his dedication and personal touch. George Reneaud L-65762 had received the coveted bronze cat from the Willamette Valley Hoo-Hoo Club 33 while he was Snark in 1998. When George left this earth, his cat was given to me for safekeeping. I just knew George would want Kent to have the cat due to his one-on-one

style, which I labeled “The George Reneaud Way.” You are a Spark, Kent! Just in the travels above, we concatted 60 new kittens and visited businesses to help re-activate 4 clubs. That's progress!

Dr. Seuss was right! You are the one who decides where to go in life! Be the Spark that shares the Values of Hoo-Hoo with Others.

Health, Happiness and Long Life.

A SAPLING GROWING STRONG,
NOW BREAKING THROUGH THE
EARTH.
A SAPLING WAITING TO BECOME ONE
WITH OUR MOTHER EARTH.
FROM SEEDS THAT ARE PLANTED ALL
THROUGHOUT THE VAST LAND
FROM SEEDS BLOWING IN THE WIND
AND THEN, SOFTLY THEY LAND.
BIRDS AND OTHER ANIMALS THEY ARE
ALL HELPING IN THE PLANTING
BIRDS DROPPING THE GATHERED
SEEDS ALL PART OF THE PLANTING.
A FOREST MUST HAVE A BEGINNING,
SOMEWHERE FOR IT TO START.
A FOREST FROM A TINY SEED
WARMED BY THE SUN, THIS IS A START.
NATURE ALONE OR WITH HELP FROM
OTHERS BRINGING FORTH LIFE
NATURE BEING NURTURED IN THE
EARTH BRINGS A FOREST TO LIFE.
WE ARE CUSTODIANS OF, OR THE
CAREGIVERS OF, OR, IF YOU WILL
WE ARE THE WOODLAND’S MOTHERS,
FATHERS, NURTURERS IF YOU WILL.
A HEALTHY WOODLAND GROWING,
GROWING, READY TO PRODUCE AND
IN TIME
A HEALTHY GROWTH THAT IS CARE-
FULLY CHOSEN TO PROVIDE HOMES
ALL IN GOOD TIME.
OUR GOOD MANAGEMENT AND
CONTINUED CARE OF OUR GREAT
WOODED LANDS
OUR GOOD MANAGEMENT WILL
CONTINUE AS WE CARE FOR OUR
FORESTS, OUR WOODED LANDS

READ ALL ABOUT IT

In this busy industry and booming economy sometimes it's hard to find free time. When you do find it though, check out these books written by fellow Hoo-Hoo members, meant to enlighten the forest products industry now available.

The Legacy of Lumber written by Black Bart Hoo-Hoo member Ken Dunham is a history book of the lumber industry in the west. The book tells the story of the lumber industry in American, from colonial times to the present, with a particular focus on the rich lumber history in California.

Colonies in Collision is a comprehensive story of humans in their battle to save wood in structures from termites by Life Member and Melbourne Club member Doug Howick. Howick uses his extensive research experiences to journey through a 230-year history. "The wonder of it all is locked in the cryptic, secret world of the termites themselves," explained Howick.
