# SOLID SAWN Beautiful, real wood

## ALL-COAST TIMBERS

Genuine All-Coast Solid Sawn Timbers provide sound structural integrity and natural aesthetics that only real wood can deliver. Our timbers are an excellent choice to add authenticity to rustic retreats, backyard patios, gazebos, horse barns, timber frame structures and custom homes.

We stock rough-sawn Douglas Fir, Redwood and Western Red Cedar and can provide fresh-milled textures to order — resawn 4 sides, surfaced 4 sides and hand-hewn. All-Coast can make corbels and kneebraces from any timber to your specification.

For top-quality products, look for the All-Coast Genuine Solid Sawn Timber and Quality Corbel seals.

## EDITORIAL

Hi all from the International Office! I hope this magazine finds you well. There have been quite a few cold days here but it's starting to look alot like Springtime.

Things that have been happening at the office in Gurdon.

- New roof has been completed .
- Leaking HVAC unit repaired for no more leaks.
- Mid year was held on February 26.

In this Log & Tally, there is a registration form and information about the 130th Annual Convention.

We want to encourage everyone to come and see your fellow Hoo-Hooers! I look forward to seeing everyone in September.

Respectfully Submitted,

# FROM THE SNARK DESK

From the Snark's Desk

This year so far has most definitely been a learning experience. So much to try and learn in such a short time frame. We are slowly coming out of the Covid air I believe and hope. . Some clubs are totally back to as normal as can be in these times while some are slowly getting there.

I made the East Coast swing to Boston with a short stop to see the falls in Canada on the way to Detroit. As we were leaving to drive on the way to Minnesota it started snowing. From Minnesota we went to Sioux Falls, South Dakota. Had a great time at all the clubs.

Thanks so much for the hospitality. It was so great seeing people that I've not seen in years.

My West Coast visit was just as enjoyable. I flew into Reno and was greeted by Gary and Jay and Gamble, what great hosts. Gary, Steve Allison, and I drove to Sacramento, Ukiah and Eureka.

Great meetings at all three places. In Eureka it was the first time I had ever had crab. It was delicious. It was so great seeing old friends and making new ones.

It was so great on both trips to see and feel a renewed energy in Hoo-Hoo. Lots of new kittens have been concated and it was so great to see youth being brought in.

Just wanted to thank one and all for your help and patience. We as a club have to modernize and change with the times. I truly believe working together and keeping an open mind we can achieve our goals and

keep this great organization moving forward. Again thank you one and all for everything that you do for this great organization.

Health, happiness and long life to one and all.

## Hoo-Hoo Club 109 Sacramento

I survived the Concatenation and my first Hoo-Hoo Trifecta so I'm officially a Kitten, meow! My survival kit consisted of Liquid IV with lots of water and a spicy bloody mary half way through the trip. The Trifecta was a blast, anyone that hasn't done it yet is missing out. It's 3 clubs, in 3 days, with amazing cats caravanning together through Northern California following the Snarks of the Universe...who have the best stories & I hope to top them one day LOL

Being new to this industry and only working at LP Building Solutions for 1.5 years, the club has benefited me in so many ways. I've attended a few dinners and golf tournaments so far, have met great people from all over California but it's been the best way to network.

Hoo-Hoo is like a family, in a very short time I've made new friends, connected with my customers at their events but most importantly I've learned so much from every member that's also become a mentor.

Listening to the history from the committee at the Hoo-Hoo Concat inauguration meeting and hearing the legendary Snark's stories inspires me to carry on these traditions to the next generations.

I hope that more women in the industry and young professionals are motivated to join their local clubs. I've learned a lot personally and professionally from every Hoo-Hoo member while talking about business, sharing funny stories and having a good laugh.

I'm looking forward to the 130th Annual Convention in Sacramento this September 10th.

I can't wait to attend the Victoria, British Columbia convention in 2023 because I'm also Canadian and will be able to visit family in Vancouver. I wish you all a wonderful 2022 year filled with good health, happiness and long life!

See you at the next Hoo-Hoo event,

# HHI FIRST VICE PRESIDENT

Hello everyone, I hope the Spring brings us all a new season of hope and growth! It's been another tough winter for us up here in British Columbia with the recent floods and snow on top of the Covid.

Hopefully the end is near as we are all getting tired of the Covid lock downs and restrictions. I have had to step back to being 2nd Vice President due to a family medical problem which has increased my workload and reduced my available free time. I will continue to help our club in any which way I can! The Cowichan Club 229 continues to work hard towards running a very entertaining and eventful International Convention in September 2023.

Stay tuned

Health, happiness, long life

# HHI CHAIRMAN

I had a great run as Snark and now have been enjoying traveling with Snark Paul and visiting some of the clubs again. We traveled to Boston and had a great time with their new board and membership, continued on to Detroit and had an amazing luncheon with about 50 members.

**Scott Talbot, Tom Siwek,

**Glen Medberry, Patricia Medberry,

**Twin Cities**

We took the long cold drive and continued on to Minneapolis and had dinner with about 70 members at a very nice venue that had an awesome meeting room just outside of the bowling alley, and continued on to Sioux Fall, SD where we had a quaint meeting and learned about the struggles of the club.

**Ron Paul, Tom LaVere**

In January we went to Sacramento and had a concat with 12 kittens, what a joyous celebration with some amazing people, then on to Ukiah, CA, and shared a filled evening with great food and hospitality at Industry Night in Black Bart.

I owe an apology to Rich in Eureka, CA as I made it all the way there, but I said 5 more minutes mom to catch the bus and bam, it was 10 pm, but in Hoo-Hoo fashion, not all was lost, I joined them at the bar. The land of Hoo-Hoo is alive and well and back to growing. The kittens are coming and while we have not forgotten COVID, we are moving on and getting business and relationships back to the new normal. I would charge each of you to do what these clubs are doing, hold events, get together, observe your social distancing guidelines, but as I went to these clubs, it was as if we had not been apart for years and the friendships were strong and alive and never missed a beat.

## The Cats Tales Sharing the News of Hoo-Hoo

### J2-Detroit Club 28

Detroit #28 Hoo-Hoo Christmas Party December 6, 2021 @ the Dearborn Inn. Quite an affair, we had 3 Rameses (oh my, in a row 104,105,106) 3 Kittens (two Mantay's & one LaPointe) 1 Snark (Paul Todd). An additional 37 folks enjoyed a great lunch, an auction, comradery, comments from our distinguished Ramases and Snark. The auction was a huge success. Detroit #28 official Auctioneer is #105 Jack Miller. Jack manages to get folks to open up their wallets. 105 has completed 9 Plus auctions for Detroit 28. Hoo-Hoo words of wisdom we heard by #104 Robin, #105 Jack, #106 Steve leading up to Snark Paul Todd. You can't help but to feel good when Snark Paul Todd gets in front of the room and before speaking flashes that winning smile of his. After Snark's comments the room was on a Hoo-Hoo High.

Mr. Chris Mergel from C.J. Link Lumber is Detroit #28 Lumberman of the Year. Donations from members and Detroit #28 benefitted Detroit Blight Busters. John George and D.B.B. has been knocking down blight in Detroit for 30 years. That is about all to report. Covid has changed our world immensely. This pandemic has affected EVERYONE. Hopefully by 3rd Quarter this year we will be over / done with this pandemic.

### J3-Tacoma Olympia Club 89

Happy Spring (I hope it is early!) to all my dear Hoo-Hoo friends. Circumstances are gradually improving in our area but not nearly fast enough. Masks are still required when you venture out but you can still go out to eat, go to movies and meet with friends. As I've said over and over, I can't wait for this virus pandemic to be over and a thing of the past. Club #89 has still not been able to hold

any events. We were thinking about our usual Crab Feed in early February and maybe moving it out a couple of months but so far haven't done any planning. Three of our members attended the Seattle Club's Crab Feed a few weeks ago. It was a much smaller group than usual but Mike Hinthorne reported that that gave the people that were attending a chance to discuss possibly holding events jointly. We have lost so many members this last couple of years and so have the Seattle Club, so that might be a good option. Like I said, things are improving so maybe we can get together and plan a golf tournament. Some sad news to report another member of our Club passed away on August 2, 2021...

Les Sjolholm. (I believe Les was also a member of the Seattle Club.) Les had been fighting pancreatic cancer for approximately 17 months before losing the battle. Les was a Past President from 1987. He attended many of our events and meetings. I so enjoyed his calls because he knew so many people in the lumber industry and was able to fill in the gaps that I wasn't aware of. Les was also the creator of our Club's unique name badges. Les will be missed by all of us in Club #89. I am sending his obituary in that I found online. I regret not including Les in my Christmas newsletter that I sent to all members in December.

At his request, a service will not be held. And some more sad news to report. A past member, Chris Cowan passed away on December 14, 2021. Chris "went quietly in the night" and his death was unexpected. There will be no services at this time. A Memorial will be held in the Spring. Chris was also a Past President from 1999. This past Monday night Joe and I met Larry and Linda Viguerie and Mike Hinthorne at The Ram restaurant on the waterfront for their special Monday Happy Hour. It was so much fun to see people and share some laughs and good fun. I haven't heard anything about an International Convention this year....understandable.

## J3-Northwest Montana Club 187

Greetings from Northwest Montana. Spring in Montana triggers our break up season where almost all loggers come in for a short break and the mills hope they have enough logs in the yard to get through the next few months. It's a great time for the club as this time off allows our members to concentrate on getting to a meeting and enjoying some fellowship instead of working. This last winter, Club #187 returned to its honored tradition of having a Christmas party after having to cancel last year due to Covid. Over 70 people enjoyed a fine dinner and a wonderful night of socializing. This night is also our main fundraiser for our Needy Families account. With these funds we are able to help families in need with basic necessities. The main focus is to help before Christmas with any monies left over to be used throughout the year. A big thank you to all those who donated money, we will make sure it is put to good use. May this spring season be very prosperous to you all.

**Health, Happiness and Long Life!**  
**Tim McEntire**  
Vice President, #101854

## J3-Winema Club 216

We have been suffering through the pandemic along with everyone else. We have managed to hold some meetings, though. We held our elimination drawing in December. This year we awarded \$1150 in cash prizes and about 20 consolation prizes as well. In January, we held our crab feed and the crab was the best ever!

With the pandemic and just the way it is, our attendance is very poor at all of our meetings. We used to have a couple of hundred attending our crab feed and now we only get about fifty.

We are looking forward to our Valentine party in February and our St. Paddy's Day corned beef and cabbage feed in March. Respectfully submitted,

**Paul Wunder**  
Secretary/Treasurer 85881

## J4-FNQ Cairns Club 261

The FNQ Hoo-Hoo Club 261 celebrated our annual Christmas party this evening, in the Wonderful Quaint township of Yungaburra. As always we had a great evening of Fun, Friendship and Fraternalism, however tonight we surprised 2 long term members with Club Life Membership.

John Rankine and Dale Ferguson are both foundation members of the original club

incorporated in 1985, before going into recess prematurely in 1990 due to the Greens World Heritage Forestry decision, which shut down the whole timber industry in Far North Queensland. Fast forward to 1995, and Club 261 rose from the ashes and is still alive today.

Rankine Timber was closed down this year (after 100+years of trading), and both Dale and John have finally retired. We thank them for their service to the timber industry, and in particular Hoo-Hoo International!

## J6-Sacramento Club 109

Starting the year out with a bang. We held our annual Concat at Cattleman's Restaurant in Rocklin January 25th with an attendance of over 50 people. The better news is that we had 11 Kittens. We were honored to have Paul Todd, The Snark and three Ramses Gary Gamble, Steve Allison and Dave Jones. The Sac 109 Concat is the first leg of the Northern California "Trifecta". A nice contingent from 109 made it's to Ukiah for Black Bart 181 Industry Night on Wednesday and then to Eureka for The Humboldt 63 Crab Feed on Thursday evening. (Friday was kidney dialysis).

We are getting set for our 5th annual Valentine's Day dinner dance on February 12 at the Delta King in Old Sacramento. It seems we will once again be sold out which is not an easy thing to do these Covid days. But we're looking forward to a nice evening of rug cutting, just hope there aren't too many muscle pulls. On the calendar for May is our annual Silver Dollar Golf Tournament. Pre-tourney Cocktail Party and reception on the 19th and golf on the 20th. Last fall's event was rained out so we just basically postponed the event to May so we pretty much already have a full field. We are extremely happy to be hosting the 130th annual International Convention this September from the 10th to the 13th.

# FOR THE GOOD OF THE ORDER

Please go to the Hoo-Hoo website for information and registration information. We invite everyone to come to Old Sacramento and enjoy the warm hospitality of Northern California.

**J6-Black Bart Club 181**

Industry Night 2022

Black Bart Hoo-Hoo Club 181 held its annual Industry Night event on January 26th at the Broiler Steakhouse in Redwood Valley, California. Guests from Georgia, Washington State, Oregon, and all parts of California traveled to enjoy an evening of fun, fellowship and networking with their lumber industry peers. Pre-dinner cocktails and conversation were enjoyed by the masses.

Several dignitaries were present among this wonderful group of lumber people. Black Bart Hoo-Hoo extends a hearty "thank you" to Snark of the Universe Paul Tood for traveling from his home state of Georgia to be with us. Paul gave a meaningful talk about Hoo-Hoo and the importance of fellowship and the friendships that develop from participating in Hoo-Hoo. Rameses 95 Gary Gamble, Rameses 96 David Jones and Rameses 106 Steve Allison were also in attendance and their presence was very much appreciated. The Supreme Nine for jurisdiction VI and member of the Sacramento Hoo-Hoo Club 109,

John Taylor also attended, and we were very happy to have him. The President of Sacramento Hoo-Hoo Club 109 Pat Zan spoke about the upcoming convention in September of 2022 in Sacramento, CA. This event is not to be missed! Pat is offering free shots of Fernet Branca to anyone who signs up early! President Jeff Ward stood in for our very humble and beloved Industry Night emcee and chairman Dave Dahlen who was home oiling his new knee. President Ward did a remarkable job of managing the agenda for the evening. The raffle went smoothly. Jeff thanked the many sponsors of Black Bart Hoo-Hoo Club 181 without whom Black Bart would be less effective at giving back to our industry and our communities.

President Ward awarded the Star of Hoo-Hoo, an award given to a Hoo-Hoo a member that most exemplifies the Hoo-Hoo spirit and the advancement of the organization, to Edgar Massoletti Black Bart 181 member 99908 and past Supreme 9, jurisdiction VI. Congratulations Edgar! President Ward presented John Mayfield Junior #72113, Joe Mayfield #75541 and

Gary Gamble #79682 and Rameses 95 with their 50-year pins for 50 years of continuous membership in Black Bart Hoo-Hoo Club 181! Congratulations and thank you! Dinner, as usual, was delicious. The Broiler did an outstanding job of providing for us. We thank all members and guests for attending our Industry Night event and look forward to seeing you again in 2023!

## J8-Twin Cities Club 12

Greeting from Club #12

Finally, after a long Covid wait we were able to have a gathering of members & guests on December 7th. We did a Christmas gathering and an annual recognition banquet.

December 2021 TC #12 event ---- Boehmer and special guests. Paul Todd, Steve Allison, Paul Boehmer and Jack Miller.... All saying "Hoo-Hoo" in Christmas cheer.

We had nearly fifty members and guests attend. We recognized past Presidents John Gerlach 100500 and Bridget Reynolds 101409 with plaques for their service, both served two terms as President.

## Group shot from December 2021 event. Twin Cities #12.

As a Special Recognition to a company, we presented the President of Weeks Forest Products, Tom Le Vere with a plaque for ongoing support of Club #12 thru sponsorships of mailings, printings, support of recruiting new members, huge contributors to our food shelf drive, support to our MN DNR Project Learning Tree for teachers and much more.

Thank you! As a special quest we had in attendance – Snark of Universe Paul Todd, Chairman of the Board Steve Allison, and Rameses Jack Miller.

As the year progresses, we look forward to having some type of golf outing, and a fall gathering of some sort. Time will tell as well as having Covid dictate what we can do.

We never realized how smooth and easy we had it in 2019. 2019 we whined about 25% tariff on stair parts from China. That was nothing. 2020 arrived Jurisdiction II with excitement for a new year, new goals, new accomplishments. Then February 2020 arrived with Covid 19 and it just kinda went downhill from then. Manufacturers, distributors, retailers, restaurants, all around the world closed for 6 weeks to 6 months in Jurisdiction II.

In 2020 inbound container freight jumped from \$7,000.00 to \$12,750.00. Anti-Dumping of moulding from China in 4th quarter 2020 was going to happen. First Quarter of 2021, Anti Dumping became effective mouldings from China. A profile we used to pay .25 costs .57 if out of China. Mills scramble to supply mouldings from other countries. Container freight jumped from \$12,750.00 to \$29,000.00!! 1x4 Fingerjt Primed Wood we sold First Quarter 2021 .4607 per lineal foot – end of 2021 our sell

price is \$1.09 per lineal foot volume in line with 2019 & 2020. It's just crazy out there. Jurisdiction II is surviving just fine. No one is sitting on their hands, we are all scrambling to take care of our customers, co-workers, family, friends. Finding new supply routes, new suppliers, even some new customers. Settling into 2022 our skin is quite a bit thicker. We are accepting our new normal. What else can you do?

Welcome to 2022.... hoping it goes smoother than 2021. When writing the reports for the Log & Tally I am always trying to figure out what hat I am wearing at the moment. This edition is no different. Jurisdiction V has had

a rough go the last few years, and with restrictions still in effect, as of the beginning of February. We have not been able to have group meetings or events, so, with our fingers crossed, we hope things open up soon. Zoom meetings were fun, and a good way to meet, while not meeting..... but the novelty is wearing off. On that note, spring time golf tournaments are happening this year, with Cowichan Valley planning on having a tournament in early May. This will be our first fundraiser since fall 2019, and we hope we have not lost our touch in how to show people a good time, while raising money for the club, and the community. Cowichan Valley club has been donating to the British Columbia Forest Discovery Centre almost since the club began, in 1969.

The Centre is always thankful for donations, and the last few

years it has been even more needed. Along with funds being used for general upkeep, we have had members who have been donating time and product to keep the Discovery Centre in a positive view with the public. If people have access to Facebook, it would be great if you took a look, and joined the BC Forest Discovery Centre page. There is information on what they do for the community, involving their seasonal changes. One part of the Discovery Centres work these last few years is a rebuild of their Shay locomotive. The project is extensive, costly, and is involving innumerable people and services in the community and province.

# MEMBERS IN MEMORIAM

## LES N. SJOHOLM, #87199

Les “Lester” N. Sjolholm was born June 11, 1948, in Shelton, Washington, to Rose (James) and Gunnar Sjolholm. He died at home in Lacey, Washington, on August 2, 2021, surrounded by family after a courageous fight against pancreatic cancer.

Les graduated from Shelton High School in 1966. He went on to earn two A.A. degrees, one from Centralia College and one from Olympic College, and then attended The Evergreen State College. During his lifetime, he worked many different jobs, including flipping burgers, veterinarian assistant, stocking grocery shelves, setting chokers, and guarding inmates. In 1978, he found his true calling, working in the wood products industry, where he continued until his death.

In 1970,, he married Linda Renecker, also from Shelton. They lived in Shelton until moving to Lacey with their two children in 1980. He loved to make people laugh, often playing practical jokes on them. In recent years, he rekindled his love of hiking. He also enjoyed playing chess with his high school friend, going to hockey games, spending time with his three grandchildren, and helping his neighbors whenever asked. He had a big personality with a robust laugh and never met a stranger. On a sunny day, you could find him driving with his windows down and music blasting, much to his wife’s dismay.

He was very proud of his Swedish heritage and had bragging rights for eating Surströmming with his nephews in Hårnösand. His family in Sweden was very important to him and he cherished memories of times spent with them. He liked to tell people that they would need to talk like The Swedish Chef (Muppet Show) to pronounce his last name correctly. Making Swedish Pancakes for the grandkids was one of his favorite things to do.

He is survived by his wife of 51 years, Linda; mother-in-law, Clarice; son, Josh;

daughter-in-law, Amy; daughter, Julie; grandkids, Connor, Anna, and Parker; brother, Lars; his dog, Chase; and his cat, Purple.

At his request, a service will not be held.

## CHRIS COWAN, #96699

This obituary information was from a Facebook post by Chris’ brothers: F. Scott Cowan and Brad Cowan.

Tuesday, December 14th, our brother Chris crossed to the other side. He went quietly during the night. While his timing was unexpected it was not surprising. Rest well and pain free Chris. Enjoy a beer with Dad.

(There will be no services at this time. Memorial in the spring.)

Chris served as President of Club #89 in 1999.

Manke Lumber Company is family owned and has been serving the needs of the lumber industry since 1953. We take pride in milling and stocking quality lumber in a full range of commodity sizes and larger dimension timbers. We also answer your market needs for a wide variety of treated lumber products. Our forest products are milled from carefully harvested Northwest trees ready for distribution to you—on time and at the right price.

Located in the Port of Tacoma, we have ready access to deep water shipping, rail heads or trucking terminals for longer haul loads. Manke operates its own fleet of trucks and is at your service for straight or mixed loads by truck, rail or sea.

We manufacture primarily Douglas fir and western hemlock, including

- 2x4 thru 2x12, Lengths 8-20'
- 3x4 thru 3x12, Lengths 8-26'
- 4x4 and wider, Lengths 8-26'
- 6x6 and wider, Lengths 8-26'
- 8x8 and wider, Lengths 8-26'
- Timber sized up to 12x12

# Proven Products Great Margins Rapid Turns It's What We Do

When you start a new program, you want it to grab hold quickly, turn easily, and become a profit center for your company. This is exactly how a Screw Products, Inc. display will perform in your stores, and precisely what the screws will do when used: start quickly, grab hold, finish strong and become a permanent fixture. It's impossible to specialize in many things, we specialize in screws.
