*Where beauty
and strength unite.*

All-Coast Solid-Sawn Timbers

All-Coast solid sawn timbers are among the most practical, reliable and aesthetically pleasing lumber products. Widely prized by engineers for their structural integrity and by designers for their beauty, solid sawn timbers have multiple uses across a wide spectrum of public and private facilities, from bridges and mines to the living room of a quaint mountain cabin or expansive custom home. At All-Coast Forest Products, we've been producing and distributing a variety of timber products since we opened our doors in 1975.

Our experience and expertise enables us to ask the right questions of our customers, help them evaluate their needs, then discuss the various options they might wish to consider in fulfilling those needs. Standard sizes are readily available for all species. Larger sizes and lengths can be made to order. We also offer a wide range of different corbel and knee brace designs, plus custom milling of your own detail designs.

Marines from the 29 Palms Combat Battalion, and Wounded Warrior Battalion, Camp Pendleton

SEIZE THE DAY

SoCal Club’s Don Gregson Memorial Golf Tournament took place just a couple of weeks ago on June 8. It was a lively event that supports Wounded Warriors Project, City of Hope and Homes for our Troops, and the turnout was awesome. We had tons of great photos and my publisher shared with me a few images of the Marines who attended. All of them are enlisted sergeants and it looked like they were really enjoying themselves.

As always, the great Mike Nicholson shared with me some details of the event a couple days later- how they’re excited to give thousands of dollars to each organization and that eight Marines were in attendance. Another piece of information that stood out to me? They were soon to be deployed. In fact, “many of them are leaving for their fourth and fifth tours as we speak,” Mike added.

It got me thinking that life is short. We really don’t know what tomorrow brings and we can waste the time we’ve been given, or we can spend it serving and loving each other. Something I find fascinating about this industry is how close everyone is. It’s something I’ve witnessed among my colleagues as they’re out at industry events, and it’s something I’ve experienced myself as I’ve been building relationships of my own. Helping create this magazine has been fun in many ways, mainly seeing how Hoo-Hoo is changing and evolving, how clubs are aiming to serve, and how relationships keep getting stronger.

This is Kent Bond’s last report as Chairman and he said it just right. Sometimes, “a few words of wisdom and encouragement from friends are enough to propel you down a new path, one that will lead to many great experiences.” This is one of the reasons why this industry, and this organization, is thriving. I encourage you all to keep serving in your own ways and in your clubs. Keep encouraging the next generation that this is a special industry, and to hold on close to these relationships we value so much.

Health, Happiness, and
Long Life.

—STEPHANIE ORNELAS

We've Got Hoo-Hoo's *In All the Right Places*

OH, THE PLACES you'll go! The Three Amigos-Heather Gattone 100067, Scarlett Beckett 101527 and yours truly-spent a month visiting JIV together. Heather sent out an open invitation to meet and greet the Snark and received great responses. She then spent time organizing an itinerary that would capture as many clubs as possible.

Thanks, Heather, for the dedication you placed into preparing this trip. It was Purrfect! We began with a surprise trip to Uluru and Ayers Rock. We rode camels, had "Dinner Under the Stars," walked the "Field of Lights," watched the sunrise and sunset over Ayers Rock, and were taught the history of this spiritual place.

Onward to the JIV Convention in Bunbury, Australia. The Leschenaultia Club #274 knows how to put on a convention! We had one of the best (60s themed) icebreakers and industry tours I've ever attended. We stopped by Plantation Logging owned by Jeff Loton 98851, the Forest Products Commission Auction, and had lunch at Wellington Forest where we got to meet LuLu the Kangaroo. Our final stop introduced us to Mechanical Fuel Reduction hosted by Brad Barr 100248. Congratulations to Lloyd Harvey Strack 84754 who was given an honorary Lifetime

Membership for his years of commitment to Hoo-Hoo! We also toasted Joe Burgoyne with espresso martinis in his memory. Joe was well loved around the world.

Off to the Malaysia meeting with Clarence CL Tan 100271 and the Malaysia Club #275. We toured Clarence's company, Kim Wood Industries, and Tong Sim showroom, and had an authentic Chinese dinner with members. I was privileged as Snark to hand out 10 membership kits to their new kittens.

This club is rebuilding with five more kittens in the wings, goals to reinstate Jakarta, Perkumpulan Industri Kehutanan Club #283 Indonesia and looking to open up a new club in Malaysia. The Malaysia membership also surprised my daughter Scarlett with a Happy Birthday song and cake for her 30th. She celebrated in two continents on her actual birthday thanks to our Hoo-Hoo family.

We then visited North East Victoria Club #236, Adelaide Club #212, Mt. Gambier Club #214, Ballarat Club #256, Brisbane Club #218, Launceston Club #239 and North West Tasmania Club #272. We passed through Melbourne and back to our home sweet home in Sydney. The Sparklights follow:

- We had a fantastic dinner meeting with

Malaysia Hoo-Hoo Club #275

the North East Victoria Club #236, arranged by newly-elected President, Raymond Sanders 96754. The club celebrated 43 years that night.

- Mt. Gambier Club #214 arranged a dinner and tour of the timber museum they sponsored. I attended my first Anzac Day and visited the Railway Lands Nature Play Area, which the club had supplied materials and helped complete. I also got to visit the Hoo-Hoo Lookout, erected in 1966, Blue Lake and Mt. Gambier Sink Hole.

- Our event with Ballarat Club #256 was on Anzac Day. There was a guest speaker, the event opened with taps being played and the club was given two award pins for their Hoo-Hoo banner. Congrats! We also visited a park that the club donated materials to build a massive playscape. The Ballarat Botanical Gardens were magnificent. We were introduced to the Wollemi Pine thought to be extinct. It was Tree-mendous! See it online!

- Jim Bowden 86504 with Timber & Industry eNews from Down Under greeted us, took a few fun pictures and created a great article for Hoo-Hoo now on our website under Publications. Thank you, Jim! We met with the Brisbane Club #218 for dinner and I was presented with a hand-made carved wood bowl by Alfred Chapple.

- Back to Sydney! Ron Gattone 99428 and I created our own Hoo-Hoo Sydney Club event, running a 5k to benefit MS. Thanks to Ron's encouragement and positive input, we completed the run and marked it off our bucket list!

- We stopped in Hobart, Tasmania. Hello to Hobart Club #235!

- Met with the Launceston Club #239 for dinner. President Andrew Fullbrook 100245 introduced me and knew more about me than I did. Thanks, Andrew! We stayed with Lindsay 83484 and Lorraine Morllng who were gracious hosts. They took us to the Hoo-Hoo Haven, which the club gifted to the community on May 14, 1992.

- North West Tasmania Club #272 had a business and dinner meeting. Pres-

ident Leanne Coward 101103, and her husband, Adrian 100243, did an awesome job welcoming us and sharing their goals of getting young members. This is the theme all over the world.

- David Pratt 101013 and Auckland Club #248 are planning the JIV 2019 Convention in Rotorua. We stayed in Rotorua for several days as David showed us the great time all will enjoy attending. The convention will begin on April 24 and there will be many options to tour throughout New Zealand before and after. Plan now to attend, and feel free to contact David Pratt via email at davepratt133@icloud.com if you have any questions. We visited the New Zealand Timber Museum hosted by Ian McGregor 98077 and Tony Jaques, which presented beautiful hand-crafted wooden bowls from the museum to Heather and I. The exciting news is there will be a Hoo-Hoo Room to share our history and artifacts, which will officially open during the 2019 JIV Convention. If you'd like to donate, please contact David Pratt.

- Auckland Club #248 also planned a luncheon where Star of Hoo-Hoo recipients, Colin Mason 88205 and Ross Maloney attended. These gentlemen are in their 90's and still going strong.

I had the opportunity to visit JV with a short stop to see how the Seattle Club is doing. Brad 95518 and Leslie Techy were my hosts in Vancouver Club #48, and Jan Bradford 99092 planned our get together with the Co-wichan Valley Club #229. Sparklights:

- Brad, along with Russ Paton 100712 and the support of JV, will reinstate the Okanagan Club #208 this summer with 10 kittens waiting in the wings.

- Brad graciously did quite a bit of cold-calling with me. We visited six businesses and shared the values of membership and feel confident the Vancouver Club #48 will be growing.

- Bryan Dyck 98001, President of Delta Cedar, and Glen Franke 100557, CEO, arranged a tour of their facility. They're so dedicated to our industry

Members of Mt. Gambier Club share lunch

Ron Harrington awarded the star of Hoo-Hoo

A Dedication to Hoo-Hoo History

Auckland Club 248 sponsors Hoo-Hoo section at the New Zealand Timber Museum

Big news for JIV and Hoo-Hoo! The New Zealand Timber Museum has reserved an area to be called the Hoo-Hoo Museum Room, thanks in large part to sponsor Auckland Club 284.

The room will be able to store HHI/JIV history and artifacts and have the opportunity to share it with those who visit. David Pratt, Ian McGregor and Tony Janks of the Auckland Club #248 will also be reinstating the Rotorua, Geysersland Club #264, with future plans to have their meetings in the Hoo-Hoo Room.

Snark Robyn visited the club and was presented with a handmade wooden bowl from the museum along with Heather Gattone. The site is still in the construction and planning phase, and is expected to be completed December of this year.

New Zealand Timber Museum, also known as Putaruru Timber Museum, carries a vast collection of displays and information from the 1900's, showcasing the world that was the establishment of forestry.

Robyn Beckett and Heather Gattone are presented with handmade gifts.

David Pratt, Ian McGregor and Tony Janks of the Auckland Club #248 .

**NOTICE OF CHANGES AND/OR AMENDMENTS TO THE CONSTITUTION
OF THE INTERNATIONAL CONCATENATED ORDER OF HOO-HOO, INC.**

Greetings fellow Hoo-Hoo members:

Having reviewed proposed Hoo-Hoo International By-Law changes presented to the Legislation and Good of the Order Committee before and after the the mid-year board meeting on March 10, 2018, the proposed by-law changes were approved by the committee. This article is to inform the membership of all proposed changes.

—MICHAEL CLOTHIER 99942

Chairman of the Legislation and Good of the Order Committee.

1. Proposed Change: Article 5, Section 4 (b): ADD- a period after the word "Jurisdiction." Delete phrase "but with the requirement that the candidate will have at some prior time served as a member of the S9 for a minimum of one (1) year" ADD - "The candidate for Snark will have at some prior time served as a member of the S9 for a minimum of 1 term and as a Vice President prior to becoming Snark."

HHI By-Laws Article 5, Section 4 (b) now states: The Snark of the Universe, the 1st Vice President, 2nd Vice President, and the Secretary-Treasurer shall be elected from the general membership without regard to Jurisdiction but with the requirement that the candidate will have at some prior time served as a member of the Supreme Nine for a minimum of one (1) year.

2. Proposed Change: Article 6, Section 1: The Board of Directors elected at the Annual Convention shall hold its first Board of Directors meeting at that site and time. There shall be further Board of Directors meetings held within the year after the adjournment of the Annual Convention with a minimum of one meeting in October at the Hoo-Hoo International Museum in Gurdon, Arkansas. Other meetings shall be in such a place and such a time as the Snark may designate. A concluding Board of Directors meeting shall be held at the site of, and immediately prior to, the next Annual Convention.

HHI By-Laws Article 6, Section 1 now states: The Board of Directors elected at the Annual Convention shall hold its first Board of Directors meeting at that site and time. There shall be a further Board of Directors meeting held within six months of the adjournment of the Annual Convention. The meeting shall be held at the International office or in such place and at such time as the Snark may designate. A concluding Board of Directors meeting shall be held at the site of, and immediately prior to, the next Annual Convention.

3. Proposed Change: Article 8, Section 2: Vice Presidents

(a) First Vice President

The First Vice President shall, in the absence or disability of the Snark of the Universe, perform the function of Snark of the Universe.

The First Vice President will also serve as Chairman of the standing committee on Membership and see that the Board's policy on recruitment, retention, and reinstatement is carried out.

The First Vice President will also serve as Chairman of the Operations Manual and see that this document is up-to-date and placed on the Hoo-Hoo International website and in the hands of all Club Presidents.

In the interest of continuity, it is the duty of the First Vice President to review and update the International Concatenated Order of Hoo-Hoo Strategic Plan before taking office as the Snark of the Universe.

(b) Second Vice President

The Second Vice President shall, in the absence or disability of the First Vice President, perform the functions of the First VP.

The Second Vice President will serve as liaison between the Snark of the Universe and Supreme Nines.

The Second Vice President will stay in direct communication and update the Supreme Nines with all important information coming from the Hoo-Hoo International office and/or the Snark of the Universe. They will assist in communicating responsibilities and reports needed by the Snark of the Universe, Editor of the Log & Tally or Hoo-Hoo International Office.

HHI By-Laws Article 8, Section 2: Vice President now states. The Vice President shall, in the absence or disability of the Snark of the Universe, perform the function of Snark of the Universe.

The Vice President will also serve as Chairman of the standing committee on Membership and shall see that the Boards policy on recruitment, retention, and reinstatement is carried out.

The Vice President will also serve as Chairman of the Advertising committee for the Log & Tally.

In the interest of continuity, it is the duty of the First Vice President to review and update the International Concatenated Order of Hoo-Hoo Strategic Plan before taking office as the Snark of the Universe.

4. Proposed By-Laws Change: Article 15, Section 1: Add -

(c) The only ceremonies officially recognized by Hoo-Hoo International for the purpose of inducting new members is found in the Hoo-Hoo International Operations Manuel under the heading of Induction Ceremonies/Concatenation.

Hoo-Hoo By-Laws Article 15, Section 1 now states:

(a) Concatenations are meetings held for the induction of members. Concatenations may be held by the Deputy Supreme Nine, the Vicegerent Snark or club officers as delegated within their respective areas.

(b) Whenever applicants are ready for induction the Hoo-Hoo International Executive Secretary may, upon instruction from the member of the Supreme Nine for that Jurisdiction, forward to the Vicegerent Snark an authority blank.

5. Proposed By-Law Change to Article 7 - Addition Committees are to be added and listed properly:

MARKETING COMMITTEE – (Editor of the Log & Tally, Webmaster, 1st VP, Membership Chair.

1. Review Vision and Mission statements and make recommendations to the board.

2. Develop a plan and market the Hoo-Hoo brand.

3. Review annually and make recommendations to the board regarding the design and functionality of the website.

4. Develop and implement promotional tools.

TECHNOLOGY COMMITTEE: 4 Members including 1st VP and Marketing Chair.

1. Complete the website update and implementation.

2. Review Membership Management software with the Executive Secretary.

3. Review and make recommendations of software, alarm systems, communications, hardware updates needed for the HHI office.

4. Review and report to the board regarding technical functionality of the website.

FROM THE SNARK'S DESK

and members. We appreciate their support.

- Heading to the island, Jan Bradford, Deputy S9, arranged a whale watching excursion with Bruce Davidson 85737. We were fortunate to see over 20 whales consisting of several family pods. It was a dream come true!
- Paul Beltgens 90980, owner of Jemico Enterprises LTD, took us on a mill tour and even allowed the Snark to operate one of his new pieces of equipment. What an experience. He is nicknamed "Paulmart," because he can find any piece or part you need.
- Clint Cowan 98487 with the Cowichan Club arranged a tour of the B.C. Forest Industry Museum followed by a salmon dinner. Rob Spiers 100808 arranged for the freshest salmon dinner possible through his employer, Compaq. Rob, who is a professional chef, also cooked the salmon to perfection. Best I've ever tasted! We had plenty of Goodwill and Fellowship on hand too.
- Michael Clothier 99942, Deputy S9 IIII, and his wife, Donita Clothier 100353, met me in Seattle. They arranged a dinner with the Seattle and Tacoma Club membership.

I want to thank you all for these life experiences, lessons and memories, and for keeping the Spark alive and well. We have some of the most inspiring people who are dedicated to the lumber industry and Hoo-Hoo.

We've met some amazing goals and achievements together, such as growing membership and reinstating clubs, keeping HHI in the black, building the bench with the largest number of Deputy S9s in years, aligning ourselves with organizations that touch our communities and youth, sharing our stories and passions with others and keeping the legacy of Hoo-Hoo in the forefront of our membership. Continue to cold-call, share our marketing tools, get those Hoo-Hoo business cards from Stacey Jones and hand them out. Ignite, Invite and Instill the Values of Hoo-Hoo to everyone you meet.

I'd like to close with partial lyrics of a song by Grace VanderWaal, a 12-year old girl who won America's Got Talent last year, called "Light the Sky."

Be A Spark!

—ROBYN BECKETT YOUNG 99870
Snark of the Universe

Northwest Tasmania Club #272

Tony Jaques gifts Robyn Beckett Young with a hand-crafted wooden bowl from the New Zealand Timber Museum.

Snark Robyn Beckett Young and Heather Gattone of Mt. Gambier Club.

"Stars, they got nothing on us.
I don't think you understand.
Let's go out and do something we never
do (for Hoo-Hoo!)
Cause I feel like I can do anything when I
am with you.

You and me we stand out in a crowd.
Cause we are not afraid to let our light
out

Trust in me and have no doubt
Cause we will be tearing through the
clouds.

I think we were born to Shine...
We are brighter than fireflies.
We're gonna light the sky."

SHINE AND BE A SPARK!

WHAT YOU WANT. WHEN YOU NEED IT.

Manke Lumber Company is family owned and has been serving the needs of the lumber industry since 1953. We take pride in milling and stocking quality lumber in a full range of commodity sizes and larger dimension timbers. We also answer your market needs for a wide variety of treated lumber products.

Our forest products are milled from carefully harvested Northwest trees ready for distribution to you—on time and at the right price.

Located in the Port of Tacoma, we have ready access to deep water shipping, rail heads or trucking terminals for longer haul loads. Manke operates its own fleet of trucks and is at your service for straight or mixed loads by truck, rail or sea.

We manufacture primarily Douglas fir and western hemlock, including

- 2x4 thru 2x12, Lengths 8-20'
- 3x4 thru 3x12, Lengths 8-26'
- 4x4 and wider, Lengths 8-26'
- 6x6 and wider, Lengths 8-26'
- 8x8 and wider, Lengths 8-26'
- Timber sized up to 12x12

Sharing the News of Hoo-Hoo

HHI – CHAIRMAN'S REPORT

I hope this finds you well and planning to attend the 126th annual Hoo-Hoo Convention in Plymouth! My time as Chairperson ends when Rameses 104 appears in September. It has been a great ride! When I began my Hoo-Hoo journey in 1982, I never could've imagined such a rewarding experience. I'm eternally grateful for the cherished friendships and relationships developed during my time with Hoo-Hoo.

Sometimes, when a new opportunity presents itself, tackling it seems daunting, risky or just too much for the plate. Often, a few words of wisdom and encouragement from friends are enough to propel you down a new path, one that will lead to many great experiences. Thank you to all who have pushed me and mentored me throughout my Hoo-Hoo journey.

You taught me so much. Never underestimate the potential for great rewards when exploring something

new! Thank you to those who have gone before me and shared their passion for Hoo-Hoo and the forest products industry by donating their time and effort to sustaining Hoo-Hoo and moving it forward. Thank you to those loved ones and Hoo-Hoo family we have lost. You contributed to my life experience and I'm fortunate to have known you. My memories of you are stories to pass on and the stuff of our Hoo-Hoo heritage and traditions that ultimately and undeniably validate the invaluable benefit of the personal connection fostered by the fellowship generated through Hoo-Hoo. Thank you to my wife and family for allowing me time and space to enjoy and employ my Hoo-Hoo passion. It takes a team!

Thank you to all Hoo-Hoo members, the Snark, the Hoo-Hoo International board of directors and our executive secretary and crew for their dedication to promoting and maintaining a strong and viable Hoo-Hoo for future generations of forest products industry members to enjoy. You get out of Hoo-Hoo what you put in.

Health, Happiness, and Long Life!

—KENT BOND
Chairman

J3 – WILLAMETTE VALLEY CLUB 33

Club 33 held their 77th Annual Golf Tournament June 1 at Shadow Hills Country Club, Junction City, OR. 52 golfers showed up for a 9:00 shotgun start. The weather had sprinkled the day before but blue skies were on hand to greet the golfers. A great day of fun and golf on the course. Shadow Hills CC kitchen staff put on a nice hamburger buffet. A number of non-golfers attended the lunch.

Jeff Hendrickson, Zach Konnie, Kem Reffstrup, Mark Pavlak.

First and second prizes were handed out, along with prizes for long drives and closest to the pin. Several ladies golfed, and Denise Godin from British Columbia won both LD and KP for the ladies. Club 33 had a number of out-of-town and out-of-state golfers play. We want to thank all the golfers. Over 40 sponsors contributed and had their name on a wooden sign on the course. Thank you to our sponsors! Your donations are the cornerstone of our funds to operate the club the next business year.

And a big thank you to the individuals and companies donating prizes for the raffle.

President Amy Nystrom's new granddaughter is back at Boston Children's Hospital and having had very serious surgery. We pray for little Adalyn's health and successful recovery. To date, Club 33 has donated \$500 to the Children's Miracle Network (Costco) and with the final closure of the golf books,

J3 – TACOMA-OLYMPIA CLUB 89

We've been enjoying beautiful weather for about a month and all the flowers and shrubs are blooming—bad for those with allergies, but so gorgeous outside. On April 15 a group of us (Mike Clothier, Nick Clothier, Nancy Brown, Jim Miller, Chad Dagais, Joe and Terry Hammerschmith) met at Starboard Door to prepare the wood (donated by RFP Manufacturing) for our bird house project at Snake Lake. This year Mike and Bergy designed a sparrow house.

On April 21, we met at Snake Lake to participate in their Earth Day celebration. This is always the best event of the year for me. I love all the kids' faces when they complete the birdhouses. Jim Miller, Mike Clothier, Mike Hinthorne, Nancy Brown, Joe and Terry Hammerschmith all participated.

On May 8 Club #89 had their annual Old Timer's meeting. This always gives us a chance to enjoy hearing about the "old days" in the lumber

industry. Three of our Old Timers are 90+ years of age and they all vowed to be at next year's meeting. It was a very enjoyable evening for all of us!

Our new officers and Board of Directors for 2018-2019 are: Vicegerant, Vicegerent Bergy Berglund; President Chad Dagais; Vice President Jim Miller; Secretary/Treasurer Terry Hammerschmith; Board of Directors Mike Hinthorne, Nancy Brown, Donita Clothier, Mike Clothier, Bob Dagais, and Joe Hammerschmith. On June 11 Larry and Linda Viguerie hosted Snark Robyn at their beach house on Commencement Bay. Robyn was on her way home the next day, but in between that we gathered for a great day on the deck at Larry and Linda's. Mike and Donita Clothier, Joe and Terry Hammerschmith, Chad and Bob Dagais, and Jim Miller came, with Jim arriving in his boat and giving the ladies a small tour of Commencement Bay. There were seals, birds, and huge container ships for viewing. Add some pizza for dinner and it made for a pleasant evening.

June 15 we had our 7th annual Mel Smeder Memorial Golf Tournament. The Tournament was held at High Cedars Golf Course in Orting, WA. First place winners were the team from RFP Manufacturing (Jeff Brigge, Jon Root, Marc Rix, Doug Koch) with a score of 61. Two ladies in the tournament were winners with Sara George winning KP, women's and Maureen Smeder (Mel's widow) winning longest drive.

A big thank you to all of our generous sponsors: Historic Brooklyn Tavern, Pape Material Handling, Two Five Trees, Western Wood

Preserving, RFP Manufacturing, Asphalt Patch Systems, Fulcrum Trading Co., Arrow Lumber & Hardware, Alta Forest Products, Matheus Lumber, and Weyerhaeuser. Screw Products' Jim Miller Donated the hotdog lunch. We had some great raffle prizes from a group of generous donors including a one-person kayak, which was won by Bob Dagais, 80, who said he used to use a kayak when he was about 12 years old. A fun day with super weather, good food, and terrific people!

Quite a few of us are planning on attending the international convention in September. It's always a treat to see all my Hoo-Hoo friends.

—TERRY HAMMERSCHMITH
Secretary/Treasurer

J3 – WINEMA CLUB 216

We continue to hold monthly meetings and in the last few months we had a Valentine's Day dinner, which was very successful even though we had less than 30 people attending. It's always fun to see old faces and new members alike at our annual party. The rest of the winter and spring we held dinner meetings with some guest speakers. Ron Loveness continues to enlighten us on all the exploits of Paul Bunyan. Our speaker in June, Major Ryan Bartholomew, historian at Kingsley Field in Klamath Falls, OR., gave us a fine report on how and when the major railroads came to our area. Our June meeting was our election. The following were elected to positions on our board: President, Ron Loveness; Vice President, Jon Hawthorne; and Secretary/treasurer, Paul Wunder. Board mem-

FOR THE GOOD OF THE ORDER

bers Bill Nelson and Dave Prewitt were also elected at the meeting. July is our annual steak fry and the installation of officers will take place in August.

—PAUL WUNDER
Secretary/Treasurer

J3 – N. CASCADE CLUB 230

Our Presidents night was a jam-packed evening beginning with free dinners honoring Past Presidents, followed by updates concerning the forest products industry by our guest speaker, Matt Comisky with the American Forest Resource Council. After the talk and Q&A session, we conducted our annual Concat. We formally inducted two members, Bill Caford and Michael Hansen, into our Club.

One of our most popular events is our annual golf tournament. What a lovely day to get out of the office

Kittens Bill Caford and Michael Hansen.

or field and pit your foursome team against others in a friendly, best ball, shotgun tournament. Some beginner players showed up again this year and were coached by the more seasoned players. The awards steak dinner was excellent and everyone was a winner. They all took home a prize no matter how their team placed.

2018 Low Gross Winners

We ended our fiscal year in the black and were able to donate \$1000 to the Deming Logging Show fund for Busted UP Loggers, a very worthwhile charity for those who have been injured in the logging industry.

—WILL MILLER
Secretary/Treasurer

HHI – JURISDICTION IV

Our club honors Doug Howick L80748 Past JIV President, Life Member of Melbourne Club 217 and Hoo-Hoo International and

the official Hoo-Hoo historian. All of us who knew Doug were impressed by his fountain of knowledge of all things Hoo-Hoo, a legend within the Timber Preservation Industry, a poet and could turn just about any number into a 9. Doug was an industry icon and a gentleman. He will be missed by us all. Our condolences are sent to Sigrid and their families. We also honor Bob Frost 83454 Past JIV President and Life Member Sydney Club 215 and Murray O'Connor 101239 member of North West Tasmania Club 272.

In April JIV held the Annual Convention in Bunbury Western Australia and was hosted by Leschenaultia Club 275. Congratulations to the organizing committee for a very enjoyable convention. Starting with the Ice Breaker with a 70's- 80's theme, it was a fun evening with everyone laughing at what we were wearing. Some of us only had to get clothes from our wardrobes without having to buy them!! The Industry Tour was fantastic and a most enjoyable day was

had by all and culminated with drinks watching the sun set over the ocean. A special event of the Convention was that Harvey Strack was made a Life Member of Leschenaultia Club 275 (there were a few tears even from Harvey).

I'm sure that the Snark will have covered her travels to JIV in her report, however here is a short excerpt from them commencing with the JIV Convention and then a 5-hour flight to Malaysia, back to Sydney for 2 days, then to North East Victoria Club in Wangaratta, followed by a trip to Mt Gambier and then onto Ballarat. We then went back to Sydney for a day, and it was off to Brisbane. After Brisbane we left for Hobart, Launceston and Burnie and from there we finished in Rotorua, New Zealand. Snark Robyn expressed her gratitude for each of the clubs that hosted her, her daughter Scarlett, and of course the Hoo-Hoo members that made all of the travel arrangements and drove the distances. Our next convention will be hosted by Auckland Club 248 April 25-29. Congratulations to Alfred Chapple 86498 Member of Brisbane Club 218, who was awarded the Star of Hoo-Hoo at the recent Pioneers Luncheon in Brisbane.

Health, Happiness and Long Life,
—HEATHER GATTONE 00067
Chairman of the Board JIV

J4 – MT. GAMBIER CLUB 214

Our last meeting was June 18 at the South Australian Hotel and it was a success! Our club honors passed member Doug Howick L80748 of Melbourne Club. Doug was a friend to all and a celebrated research at the CSIRO Division of Forest Products. He was the author of over 50 published scientific papers and was very important along with other CSIRO people in the early work on treated timber including major research projects and thus our Radiata Pine industry has its important treated wood sector.

Added work was on Australian Timber Standards and other regulatory sectors. Doug was at our Club 50th celebration and at our last Convention, which he contributed to both. He also was editor of the TPAA Newsletter, which kept us up-to-date on treated timber and the important role of TPAA as a certification entity. He could create poetry out of the letter 9.

We continue to highlight the free publication, Timber and Forestry E-News, based in Queensland, in our Purrer newsletter. Jim Bowden of Brisbane Club is editor.

It is very worthwhile to subscribe to, bearing in mind it is free, but also highlights and reports on important industry issues and keeps one up-to-date about wider industry issues and important advances. Cross Laminated Timber is one massively important product now being produced at Wodonga and a hardwood plant is propped for Tasmania. Timber and wood products have a great importance as a renewable product and carbon storage and in reducing carbon emissions. There is a seismic shift to green building products and practices.

Timber treatment is associated with CLT, etc. including flame reduction treatment, and CLT is proven safe in high-rise buildings. Many have already been built in Australia mainly in capital cities. DNA sequencing is now being applied to hardwood tree growing and better wood for sale. I personally am very excited about long-term possibilities for our industry and sustainability and new and old products.

Health, Happiness and Long Life,
—BRIAN PAGE 82335
Purrer Editor Club 214

J4 – BRISBANE CLUB 218

Club 218 had the pleasure of hosting a dinner on May 4 to welcome Snark Robyn to Queensland. Our club president, Pieter Verlinden, was on holiday so it was my privilege to welcome both Robyn and Heather Gattone, chair of JIV board to Queensland.

Brisbane Club 218

The dinner, attended by 11 stalwart Hoo-Hoo's and their spouses, was conducted as a dinner meeting and followed the usual business format. Snark Robyn gave a very interesting and informative address on the vitality of Hoo-Hoo International and gave generously of her time to answer many questions from the floor. Her thoughts on how we could apply some of her experiences to our local situation were much appreciated. Heather also updated the gathering on JIV happenings

and a lively debate ensued.

Snark Robyn was presented with a Queensland Rosewood bowl and lid, turned by a local supporter, as a memento of her visit. The evening was enjoyed by all and closed on a very positive note. 48 timber industry identities, some still active, some retired, met on June 8 for the “Queensland Timber Pioneers” luncheon. This group included foresters, sawmillers, timber merchants, fabricators, and other allied occupations.

Dr. Gary Bacon (forester) gave an informative and interesting address on the history of the timber industry in Queensland. Jim Bowden 86504, past president of Brisbane 218 and journalist par excellence, arranged this hugely successful event and also entertained us all with a summary of his career highlights in journalism.

Ray Lamari R96, Jim Bowden, star recipient Alfred Chapple and Ron Gattone R101.

218 members led by David McIntyre 85815, sold raffle tickets to benefit the Humming Bird House, a charity dedicated to palliative care for children. \$1,500 will be presented to them. Rameses 101 Ron Gattone shared the significance of the Hoo-Hoo Star before inviting yours truly to the podium and presented me with the award, star #55. I'm enormously honored and humbled to know my fellow Hoo-Hoo's.

—ALFRED H. CHAPPLE 86498
Secretary/Treasurer

HHI – JURISDICTION V

Snark Robyn arrived at in our Jurisdiction on June 4 for a week's visit. There was a lot planned over the week. On Tuesday, we toured around Granville Island, B.C., and out and around UBC. There, we stopped and looked at the student residence that is built all of wood (except elevators). It stands 18 stories tall and is something to see. On Wednesday, we did a tour of Delta Cedar Products' mill. Many

thanks to Glenn Franke, who was our tour guide of the mill and Sunbury Cedar. Robyn and I then visited a number of businesses that had potential for new Hoo-Hoo members. Follow ups with these businesses will be done. Wednesday night, Club 48 held a directors' meeting at the Rogue Bar and Grill in Gastown. It was a great chance for her to meet our club directors who work tirelessly on our behalf. Many thanks to all of them!

On Thursday, we caught the ferry from Tsawwassen to Swartz Bay and drove up to Cowichan Bay. Jan Bradford and Bruce Davidson then met us and Snark Robyn went whale watching with the two of them. They had a great time! I took the time to drive over to Port Renfrew from Duncan. Having lived on Vancouver Island early in my life, I lived in a logging camp at Harris Creek. At that time, the only way into the camp was by getting on a speeder at Port Renfrew and travelling the train line into Harris Creek. It is quite different from that now. Jan and Rocky Bradford invited us for dinner at their place. It was a fantastic evening!

The following morning, Paul Beltgens treated us to a tour of his facilities at Paulcan Enterprises in Chemainus. In the afternoon, we toured the B.C. Forest Discovery Centre in Duncan. That night, Club 229 put on a function there for us. Thank you to everyone at Club 229 for their great hospitality!

We're trying to expand the number of clubs in Jurisdiction V to bring Hoo-Hoo to more areas. Currently, we are close to getting the Okanagan club going again. Plans are also being worked on to get a club going in the Port McNeill/Port Hardy area. If you know anyone that you think might be a great candidate to be a member in one of these areas, please let me know and I will contact them.

I want to wish everyone a great summer and I look forward to seeing you in the near future!

Health, Happiness and Long Life,
—BRAD TECHY, 95518
Supreme 9, Jurisdiction V

J5 – COWICHAN CLUB 229

As I write this report, I'm sitting back, taking a breath and still feeling in awe at the amazing few days our club members and families spent with our Snark, Robyn Beckett Young. We knew she was coming to our club to check out how we are doing and to give us input and encouragement, but we forgot how much energy she exudes when she enters a building/boat/business/home/museum.

She came to us with words of encouragement and ideas of how we can make our club, and all of Hoo-Hoo, into a better organization. Time for me to come out of my shell and approach businesses about joining Hoo-Hoo Club 229 and to work with Jurisdiction V Supreme Nine Brad Techy to start new clubs in our area. Whew!

Our club has been having our regular fundraising events for many years at the same places and seeing many of the same faces. This past spring we changed the location of our Spring Social and we saw the new locale bursting with members, friends and potential new members who were enquiring that night about how they could join Hoo-Hoo. That felt good!

A few weeks later we held our annual golf tournament at a new location, and the feeling of it now being held at THE perfect place came from everyone. We see bigger and better tournaments in our future.

This past spring our club was pleased to donate funds to the B.C. Forest Discovery Centre so they can upgrade and modernize parts of the museum, and restore a Shay locomotive. The history of west coast logging is what brought us together,

and when we encourage the next generation to explore and discover what's happening, this livelihood and HHI will continue on.

Our club continues to maintain its numbers, with new members signing up, and grieving the loss of older members. We are still feeling the loss of Fred Frudd, who passed away in the fall, and Al Crosson, who passed away this past winter. They were both very dedicated Hoo-Hoo members who stayed involved for many years.

Good luck to you all.

—JAN BRADFORD 99092
Deputy S9, Secretary

HHI – JURISDICTION VI

This will be my last report to the membership as s9j6. I'm turning over the reins to my good friend and longtime Black Bart club member Edgar Massoletti and his deputy John Taylor of Sacramento club. As I leave this position I leave Jurisdiction 6 in quite great shape. All four clubs are growing and prospering. They all have regular meetings and are very civic-minded with their charity work. Those items are what makes Hoo-Hoo grow and are the reasons for the continued strength in Jurisdiction 6. I'm sure that under Edgar's supervision the clubs in J6 will

60s-theme ice-breaker mixer at the JIV Convention in Bunbury, Australia.

continue in this direction.

I can't start to think about how many years I've held this position, but quite a few. During those years I have enjoyed a brother and sister hood second to none. There have been ups and downs about how the club should be run, but always with a genuine caring for one another and for the well-being of the club in general. I have to thank dear friends from down under, Ron and Heather Gattone for inspiring me to continue on when I was prepared to step down several years ago. It would not be proper for me to close without saying that without Beth Thomas I would have surely failed many times over. She's the heart and soul of this club and I care for her deeply. To Snark Robyn, thank you for being you. You are truly a spark.

Good bye to you all! If you're ever near Southern California, look us up.

—MICHAEL NICHOLSON 89383
Supreme Nine, Jurisdiction VI

J6 – SACRAMENTO CLUB 109

February 10 was a fantastic evening aboard the historic Delta King Riverboat docked on the Sacramento River in Old Sacramento as the Club held its 2nd annual Valentines Dinner & Dance. 82 people were in

attendance including visitors from Black Bart #181.

The venue was decorated to highlight the nautical theme of "Come Sail Away with Me." The table centerpieces featured beautiful flowers, nautical lanterns and included a message in a bottle: the "Principles of Hoo-Hoo." Guests enjoyed a wonderful meal and an evening of dancing. When the party was over, revelers went to local establishments to continue the evening.

Many members stayed the night on the Delta King or at the other local boutique hotels and explored the unique charms of Old Town Sacramento over the weekend. Mark your calendars for February 9 next year, as the Riverboat has been reserved again for next year's party. The Third Annual Sac 109 Silver Dollar Golf Tournament was held on May 11 at Alta Sierra Country Club in Grass Valley. On Thursday night before the event, an informal gathering was held for out of town visitors.

Event Chairman Jeff Squires and his committee scored a hole in one with this outing; from 61 participants in the first year, we have grown to over 94 players. In addition to a great day of golf, the dinner that followed was superb.

Sacramento Club 109 appreciates

the support of the Hole Sponsors and participants for buying lots of raffle tickets. The club raised funds that will be donated to our charities. This years tournament was dedicated to longtime industry professional Doug Heryford, who passed away last October.

Next year's event will be even bigger and better; the reception and social will be held at the historic Holbrooke Hotel the evening before and will be open to all club members and participants.

Health , Happiness, and Long Life!

—JOHN TAYLOR
Treasurer

J8–TWIN CITIES CLUB 12

Twin Cities Club #12 sponsored three Project Learning Tree teacher continuing education credit workshops in partnership with the Minnesota Department of Natural Resources. Workshops were conducted under the auspices of Laura Duffey, Education Specialist-Division of Forestry, Minnesota Department of Natural Resources. Typically, we cover teacher fees for attending, textbooks, and breakfast treats, coffee and lunch for the day. We apply colored Hoo-Hoo stickers to each textbook and distribute multicolored handouts detailing

Participants and organizers at the annual Twin Cities Memorial Golf Tournament and Picnic at Highland National Golf Course in Saint Paul.

FOR THE GOOD OF THE ORDER

the benefits of Hoo-Hoo.

The first workshop was on April 7 at the Children's Country Day School, Mendota Heights, MN. John Gerlach and his son Philip were present on behalf of Hoo-Hoo, and there were 25 teachers present. Wendy Trembly was the facilitator. Curriculum included topics such as Tips for Leading Outdoor Programs, Get in Touch with Trees and We all Need Trees and Twig Observation. Paul Boehmer served as club emissary at the Ney Nature Center in Henderson, MN., at the second workshop on April 21. Paul briefed the 22 teachers on the Who, What and Why of Hoo-Hoo. Josh Sweet and Beth Beuch were facilitators.

The third Project Learning Tree Workshop was May 12 at the Wargo Nature Center, Lino Lakes, MN., and 26 educators were present at this early childhood workshop. Goals were to demonstrate fun, effective forest education lessons for indoor and outdoor classrooms and to distribute resources on trees, forestry and the lumber products industries.

The board of directors hosted the Twin Cities Hoo-Hoo Club

Ron Paul & Mary Beth of Twin Cities club.

12 Members Memorial Golf Tournament & Annual Picnic on June 4. All golfers were pleased to see the smiling countenance of Rameses 102 Mary Moynihan and club treasurer Ron Paul when

registering for the tournament. The day was the most beautiful year-to-date. The course was a lush green. The sky was as blue as blue can be and the breeze was light, keeping the golfers cool.

A foursome representing Weekes Forest Products, led by Bob Fabian, won the tournament and took possession of the trophy that goes with winning.

Twin Cities' Project Learning Tree session at the Children's Country Day School April 7.

We Salute You!

We thank the men and women who came out to support our charity groups at the Don Gregson Memorial Golf Tournament on June 8, 2018 at the San Dimas Golf Course. In the past 10 years proceeds from this tournament have exceeded \$100,000 — with more added this year! Club 117 thanks all the golfers, sponsors, and supporters for making our efforts a success.

Proud supporters City of Hope, Wounded Warrior Project and Homes For Our Troops

MEMBERS IN MEMORIAM

We announce the passing of some of our dear members. We offer our deepest condolences to their loved ones, with hopes that fond memories will keep them near.

DONALD BUTLER

L-65896

Twin Cities 12 · Lake Elmo, MN.

Donald Butler died April 19. Born in Anthon, IA., on November 14, 1930, Don was a graduate (1951) of the since-renamed School of Forestry at the University of Minnesota. He held several jobs including serving as a lieutenant on an Air Force construction squadron and then worked for several lumber companies including Lampland Lumber Company, where he met Frank Villaume in the 1960s.

In 1975 Don and Frank became co-owners of Gibbs Lumber Company in Minneapolis until 1980 where he became the sole owner, and Gibbs relocated to Lake Elmo, where his wife Nancy joined him in running the company.

DAN APPLEBAKER

85223

Winema Club 216 · Jacksonville, OR.

Dan Applebaker passed away April 21. He was born in Medford, OR., on Aug. 12, 1946, to Lewis and Ilene Applebaker and grew up in Jacksonville, OR. After graduating from Medford High School he attended Oregon State University, earning a degree in forestry. Dan had a long and illustrious career in the timber industry, having worked for the BLM, Boise Cascade, Alpine Veneer and many years with Modoc Lumber Co., where he retired.

In 1993 he served as president of the Oregon Logging Conference.

Dan was a long-time member of the Winema 216 Club and was always known as the club's "cowboy poet," giving many performances for fellow members. Dan leaves behind his wife Betty, and 4 sons, 1 daughter and numerous grandchildren.

RANDY BARNES

96204

Winema Club 216 · Klamath Falls, OR.

Randy Barnes died April 18 after a long battle with cancer. He was born March 20, 1948, to Arlie and Virginia Barnes in Goldendale, WA. The family moved frequently in his early childhood and eventually settled in Klamath Falls, OR. He served in the U.S. Navy aboard the USS Keasarge in Subic Bay, Philippines. He married Darlene Witt in 1969 and they had two children.

Randy worked for various lumber companies and the Burlington Northern railroad. He was a long time member of Winema Hoo-Hoo #216. He had an absence for a while but recently reinstated his membership.

DOUG HOWICK

L-80748

Melbroune Club 217 · Brighton, VIC

Doug Howick passed away June 1 in Melbourne, Australia. Doug authored more than 60 scientific papers on forest products entomology and wood technology. After his early education Doug joined the Merchant Navy serving as an electrician on the Shaw

Saville Line's M.V. Romanic. His career in wood protection began when he first joined the CSIRO Division of Forest Products in Melbourne. Doug was an avid supporter of Hoo-Hoo International serving as JIV president from 1983-1984. Doug also wrote a monthly industry column in Australia Timberman in the '90s titled "Howick-citing."

AL CROSSON

89389

Cowichan Valley Club 229 · Chemainus, B.C.

Al Crosson joined Cowichan Valley Club in 1981 and held almost every position possible, spending the last 20 years being Vicegerent Snark. "He leaves us with a deep loss in our club, and in our friendship. We will miss him very much," said club secretary Jan Brandford.

NORMA JACOBSON

Langley, B.C.

Norma Jacobson, wife of Rameses 79 Jack Jacobson L-73133 for 63 years, passed away on April 18, 2018. Norma and Jack attended many HHI Conventions and she was a lovely woman who will be missed.

If you have a loved one in the organization who recently passed away and would like to honor them in Log & Tally, email us at info@hoo-hoo.org.
