*Where beauty
and strength unite.*

All-Coast Solid-Sawn Timbers

All-Coast solid sawn timbers are among the most practical, reliable and aesthetically pleasing lumber products. Widely prized by engineers for their structural integrity and by designers for their beauty, solid sawn timbers have multiple uses across a wide spectrum of public and private facilities, from bridges and mines to the living room of a quaint mountain cabin or expansive custom home. At All-Coast Forest Products, we've been producing and distributing a variety of timber products since we opened our doors in 1975.

Our experience and expertise enables us to ask the right questions of our customers, help them evaluate their needs, then discuss the various options they might wish to consider in fulfilling those needs. Standard sizes are readily available for all species. Larger sizes and lengths can be made to order. We also offer a wide range of different corbel and knee brace designs, plus custom milling of your own detail designs.

TIME FLIES

I recently went to Oceanside, CA., with my family for a quick week-end getaway and witnessed something interesting. A lifeguard was walking around the beach “confiscating” cellphones. And I use quotation marks because he obviously didn’t take their phones from them, but for a minute, that’s what it looked like. The lifeguard was going around asking beachgoers to surrender their phones and as they’d look up with a confused and slightly shocked look on their faces, the lifeguard simply chuckled, they exchanged some dialogue and he gave them their phones back. He did this to about a half a dozen people in our area, every single person left with a somewhat nervous smile.

At this point I was getting a little curious, so I asked one of his “victims,” a mother sitting not too far away from us, “did that lifeguard just try to take your phone?” I laughed. She replied, “yea, he said he sometimes will walk around the beach and confiscate phones from parents who are texting too much and not paying attention to their kids while they play in the water.” Yikes.

Now obviously this lifeguard isn’t being 100% serious, but you have to wonder, what does he see from that lifeguard tower? How many people does he see not paying attention to the world in front of them because they’re busy looking at their phones? How many parents are paying attention to their kids and how many are buried in technological devices? Social media and technology are great things, but I do believe that if we’re not careful, it could hold us back. Time and time again I’ll come across a rant on Facebook and I ask myself, “what is this person doing to try to fix the problem they’re complaining about? Or are they just simply on their phones/computers all day arguing about it?” I constantly see groups of friends out together and every single person is on their phone. What’s the point of going out then?

My hope is that we never forget that although there’s nothing wrong with sharing our beliefs and passions on social media, in order to make change, we need to take action. It takes more than posting on Facebook and surfing the web. Hoo-Hoo may not have a huge presence on social media, but that didn’t stop the SoCal Club from raising almost \$30,000 for Wounded Warriors. Technology brings a lot of opportunity, but let’s not get lost in it. May we always remember to be present in the moment! Because time goes by too quickly.

Health, Happiness,
and Long Life.

Summer of Snark Travels

Second to having good conversation with good people, what I find inspiring is listening to some great songs. In April, my Snark's travels took me to the JIV Convention meeting in New Zealand. I arrived early Easter morning and I was on my own. But that was just fine. I proceeded to check into a nice room for the day then do a little touring of Auckland as I look for a Church for Easter Mass.

I found St. Patrick Cathedral, the oldest (Feb. 1908), and most beautiful Church in New Zealand. My visit was off to a great start. My journey continued to Rotorua to check into the convention hotel. I toured a bit and had a great dinner before heading out to Wellington. There I met Stacey and Dave Jones and had a visit with US Ambassador, Scott Brown, US Senator from Massachusetts.

It was both business and pleasure, in which we received a proclamation to honor the opening of the Hoo-Hoo Room at the New Zealand Timber Museum in Putaruru. Dave and Stacey have a long history with many timber folks in New Zealand in regards to their planting and growing of Redwoods. It was very important that they made the trip, not only to help promote Hoo-Hoo and our industry, but to be an important part of the dedication at the Museum. After spending almost 9 days in New Zealand, I was off to Vancouver to meet with Rita for our visit with the Vancouver and Cowichan Clubs, along with a visit to Whistler. British Columbia is truly beautiful and I hope to see as many as possible during our 127th Convention.

Thanks to our host, Brad Techy, who took us sightseeing for a few days in Vancouver and for having us as guests at the Club 48 reverse raffle dinner event at The Terminal Club. Those who went on the Alaskan Convention Cruise would certainly remember how wonderful it was. We had over 100 in attendance, all of which were very meaningful to be with. There are so many hard working and dedicated folks who are the heart and soul of our industry.

Now it's off to Vancouver Island with Judy & The Smurf for a great BBQ dinner with members of the Cowichan Club's Board and an educational tour of the BC Forest Discovery Centre. The center was beautifully restored and rededicated with the Help of Hoo-Hoo's Cowichan Club. This will also be on our Whistler Convention tour. Don't miss out! Onto Whistler! One of the most gorgeous rides you'll ever take and when you arrive it's even better (I was told to keep this a secret, so you can find your own ending). Please participate in helping to Sustain and Grow Hoo-Hoo!

Health, Happiness & Looooong Life,

The Legacy of Barney Wagner

Leaders in Lumber is a special feature in Log & Tally meant to celebrate groundbreaking individuals who made a difference in the lumber industry.

This is a short history of Barney Wagner. His career started when he was 12 years old working for a family owned lumberyard and hardware store, sweeping floors, stocking shelves and stacking lumber. At 16, he worked at another lumberyard and hardware store that was your typical neighborhood business. He'd fill nail bins, mix paint, perform janitorial duties, custom cut plywood, make round top fencing with a band saw, and the list goes on.

After graduating from high school in 1965, he entered the U.S. Navy at 18 and spent an extended tour in Vietnam aboard a small combat ship in the Tonkin Gulf. He was honorably discharged in 1969. Barney resumed his career in the lumber business with the same lumberyard as he was promised a job upon returning home.

In the early 1970's, Barney joined Al Meier and became part of a start-up with a new lumberyard called South Hill Lumber. After many years, Barney and Al became partners in one of the new yards that would eventually become Al Meier's Building Centers, which had 6 yards in the Pacific Northwest. In 1991, we sold Al Meier's Building Centers to Lumbermen's Building Centers. Barney contin-

ued with Lumbermen's as director of operations. After 5-½ years with Lumbermen's Building Centers, it was time to move on. Barney developed a great reputation with vendors, customers and contractors. He realized what the people of rural Western Washington needed and in 1997, after 30 years in the lumber and building material industry, he had a vision.

The ideology of Arrow Lumber & Hardware was founded on legendary customer service along with honesty, integrity and commitment. In March, 1997, Arrow Lumber & Hardware started in a small field in Puyallup, WA. The crew consisted of only two men with Al Meier as a partner. Both Al and Barney put in matching funds for the start-up. Barney and his protégé, Shawn Roehr, who was only 16 when Barney introduced him to the lumber business, founded Arrow Lumber & Hardware. Barney was impressed with Shawn's eagerness to learn and drive to succeed. The two worked 16-hour days, purchasing, selling and delivering, and soon the business began to grow. In June of 1997, Arrow Lumber & Hardware purchased the complete operation of Inter-Mountain Building Materials in Eatonville, WA. This would be their first official store location

which is still in operation today.

About two years later, Barney, Shawn, and Al went on to pursue development of their next location in Buckley, WA. After Barney, Shawn and Al had completed the plans, construction commenced in the spring of 1998. This project was Arrow Lumber's flagship location and would be their second independently owned and operated store. The location would also become the Corporate office for the business. The Buckley location officially opened for business on August 6, 1999.

Nearly a month later, an opportunity became available for a third location in the town of Port Orchard, WA. The three then purchased and accepted ownership of Bethel Builders Home Center. As previously planned, Barney purchased all the assets from Al Meier and became the sole owner. Shortly after, Shawn Roehr became partner in all business operations.

In keeping with rural focus, Arrow Lumber & Hardware chose Randle, WA., as their next location. This location would be their fourth independently owned and operated store. The Randle location opened for business in April 2004.

[Continued on pg. 22]

Make Room For Hoo-Hoo

The museum has several flags on display at the entrance.

Above the HHI proclamation is the official Star of Hoo-Hoo.

HHI Proclamation on display.

The organization's motto sits above the entryway doors.

The official opening and dedication of the Hoo-Hoo Room at The New Zealand Timber Museum in Putaruru, Central North Island, was on April 26. Snark Jack Miller led the dedication with an official proclamation from Hoo-Hoo International and a recognition certificate from the US Ambassador to New Zealand.

Many items, both current and from the past, are on display, including memorabilia from Doug Howick, Snark Richard (Dick) Campbell, and many others. One of Dick's ukuleles was donated by his family and is currently on display. The museum curator tried to keep Rameses David Jones' jacket, but unfortunately, he wanted it back.

Four Rameses join Snark Jack Miller (far right) at the event.

Jack Miller led the dedication at the museum in front of club officials and members.

The members of the museum are to be commended on their effort to bring this room to fruition, especially since it is from donated funds. Tony Jacques and Ian McGregor are to be commended for their effort together with the members of Auckland Club 274.

The museum is one of the few in New Zealand specializing in the timber industry. Its location has been the most thriving timber district in New Zealand for over 100 years. Photos and documents relating to the area have been donated and collated and it's become the repository of several historic buildings that have been restored and house several collections.

What better place to house the new Hoo-Hoo Room, which has our motto "Health, Happiness and Long Life," the Hoo-Hoo logo emblazoned along with the Star of Hoo-Hoo painted over the doors leading up to it. It's the place to visit next time you're in New Zealand.

Mayor Jenny Shattock and Jack Miller in front of the Hoo-Hoo Room entrance doors.

Your Partner for Western Species

We own 440,000 acres of sustainably managed redwood and Douglas-fir timberlands in Northern California and operate two sawmills in Scotia and Ukiah, California. In addition to our redwood and Douglas-fir capabilities, our pressure treated business is the largest waterborne wood preserving operation in the Western U.S. We operate four wood preserving plants with locations in Coos Bay and White City, Oregon, Loveland, Colorado, and Washougal, Washington. Three distribution centers with locations in Fontana and Woodland, California, and Ferndale, Washington enable us to package and ship customer orders quickly and efficiently.

We invite you to learn more about our product lines, operations, and inspirational projects built with our wood. Please visit MendoCo.com.

Manke Lumber Company is family owned and has been serving the needs of the lumber industry since 1953. We take pride in milling and stocking quality lumber in a full range of commodity sizes and larger dimension timbers. We also answer your market needs for a wide variety of treated lumber products.

Our forest products are milled from carefully harvested Northwest trees ready for distribution to you—on time and at the right price.

Located in the Port of Tacoma, we have ready access to deep water shipping, rail heads or trucking terminals for longer haul loads. Manke operates its own fleet of trucks and is at your service for straight or mixed loads by truck, rail or sea.

We manufacture primarily Douglas fir and western hemlock, including

- 2x4 thru 2x12, Lengths 8-20'
- 3x4 thru 3x12, Lengths 8-26'
- 4x4 and wider, Lengths 8-26'
- 6x6 and wider, Lengths 8-26'
- 8x8 and wider, Lengths 8-26'
- Timber sized up to 12x12

Sharing the News of Hoo-Hoo

HHI – CHAIRMAN'S REPORT

It's hard to express in writing the passion and pride you have in belonging to Hoo-Hoo. My life changed for the absolute better when I joined this organization many years ago. What if noone had invited me to attend my first Hoo-Hoo event? What if I never received the opportunity to become a member? What if other members didn't welcome me into their lives and pour some goodwill and fellowship into me?

I'm thrilled the Detroit Club #28 members took a moment and shared the value of joining. It changed my life forever. I have been fortunate to have met so many members as I traveled to clubs during my term as Snark. This gave me the opportunity to give back to Hoo-Hoo what it so generously gave to me. You don't have to be the Snark to do the same! The value of membership is priceless, and we all should be proud to extend these values to others in our industry.

This should be the core of why we are Hoo-Hoo members. But, as I

have shared before, it takes a Spark to ignite the desire in someone to attend a meeting and become a member. I still want to encourage you to invite someone to every event you attend and instill in them the values of becoming a member.

Through your own experiences with Hoo-Hoo, ignite that desire in others to become a member. That personal invitation combined with a heartfelt talk on your history with Hoo-Hoo can change a life. What are you waiting for? Invite, Instill and Ignite the Value of Membership. Contact the HHI office for resources to support your personal mission. And don't miss the Whistler Convention! NOW's the time to experience Hoo-Hoo at its finest. Register now at hoo-hoo.org! Keep Sparking!

Health, Happiness and Long Life!

RM 104 ROBYN BECKETT YOUNG
99870

Chairman of the Board

HHI – SECRETARY &
TREASURER

We're not yet sure where his name originated, but "Oakie" is fitting to the lumber industry. Oakie will be club #51's puppy number eight, and our latest project for America's VetDogs. Thanks to the generosity of our conventioners from the Plymouth Convention, our next puppy, not yet born, will be our ninth effort, and will be named Rameses. We thought that would give us the opportunity to see his upbringing and give us the option of letting you all watch him grow, hopefully, into a working dog with

Oakie is Club 51's 8th dog.

a Hoo-Hoo #9 pedigree.

Health, Happiness, and Long Life,

WARREN BISS L-90909

Secretary/Treasurer

HHI – JURISDICTION IV

As I travel around JIV visiting Clubs and enjoying the company of our members, I'll be promoting the 4R's:

1. Relevance – Let's think about what makes Hoo-Hoo relevant again to your clubs and its members.

2. Reinvigorate – Light a fire or, as our past Snark Robyn says "SPARK" some life back into our members.

3. Reinstatement – Think about the members your area has lost and send out a personal invitation to re-join.

4. Retention – Do all we can not to lose any members this year.

I'm looking forward to seeing you all at your club events and meetings. Remember to keep me and the JIV Secretary up to date of your meetings and events, and I will make every effort to be there. Here are just some updates!

VALE: Martin Pretty L82360 Life Member and stalwart of Melbourne #217

CLOSE CALL: Ron Caddy L82362, Past President of JIV and member of Melbourne #217 has had a very close call and suffered a stroke while at his doctors' office – way to go Ron – now at home and recovering well!

Future Conventions JIV: 2020 Kuala Lumpur hosted by Malaysia Hoo-Hoo Club #275

JIV'S 50th year! A special event

April 16-20, 2020. Information will be available shortly on registrations. Be sure to attend the International Convention this September 11-14 in Whistler, BC. Registration available online hoo-hoo48.org. Contact Heather on jivsecretary@iinet.net.au for anything secretarial and reach out to Trish on jiv.treasurer@outlook.com for anything financial.

Health, Happiness and Long Life,
RM 97 RAY LAMARI 97512
S9 Jurisdiction IV

HHI – JURISDICTION V

I'd first like to thank each one of you who have financially sponsored the HHI convention in Whistler this September! Without your support, these conventions would be impossible to put on. I would also like to thank Stirling and Christina for all their hard work in making this convention happen!

We recently had Snark Jack Miller and his wife Rita up in Jurisdiction V in May. They attended events that Clubs 229 and 48 put on. Both events were well attended, and he got to meet many of you. I also drove Jack and Rita up to Whistler where they got to meet Club 48's directors and look around where the HHI convention will be in September at the Westin Resort & Spa!

Whistler is very close geographically to Club 48 and 229. This is a great opportunity for you to attend and see what a Hoo-Hoo convention is about. You won't be disappointed! Over the years, I've made so many friends and acquaintances from all over the world by attending these conventions. It brings a whole

different light to what Hoo-Hoo is about!

I hope to see many of you there! As always, thanks to the directors of Club 48 and 229 for all of their hard work all of the time.

Health, Happiness and Long Life,
BRAD TECHY 95518
Supreme 9, Jurisdiction V

HHI – JURISDICTION VI

Hello from Northern California! After a long and rainy winter, we bypassed spring and have gone straight into summer. And it's hot! Fires unfortunately have already started. We know how it's been the

Edgar Massoletti, Jeremiah Pauley, Rich Geary, Joseph McCormick.

Don Gregson Memorial golf tournament .
[More photos on pg. 15]

past few years. Membership dues are wrapping up for 2018-2019. As of June 1, Sacramento Club #109 is 61 members strong, Black Bart #181 is at 85 members, Southern Cal #117 is at 96, and Humboldt Club #63 is at 44.

Sacramento Club 109 held its annual Silver Dollar Golf Tournament at Alta Sierra Country Club in Grass Valley, CA., in early May. Close to 100 golfers attended including myself. It was another well-planned event by the board and everyone had such a good time. Sacramento Club #109 is thriving and doing well since being revitalized in 2015-2016. They'll be hosting the 2020 International Convention in Sacramento, so make your plans to attend!

Southern California Club # 117 held its 13th annual Don Gregson Memorial Golf Tournament on June 7. I was able to attend this tournament as well along with about 200 other golfers. The tournament was held at Los Serranos Golf Course in Chino, CA.

A large majority of the proceeds from this event are contributed to the Wounded Warrior Project. Jeremiah Pauley, US Army Retired Veteran, was the guest speaker at the luncheon held after the golf tournament. He gave an emotional talk on how the Wounded Warrior Project helped him recover from PTSD. What a great organization they are.

The Black Bart Club #181 has several upcoming events. First is the Sporting Clay Shoot to be held at Ukiah Pistol and Rifle Club on August 9. Then the Black Bart Golf Tournament will be held October 11 at the Ukiah Valley Golf Course.

Finally, the annual Concat will be held at the Cattlemen's Restaurant in Santa Rosa, CA., on November 13.

Humboldt Club #63 will be holding its annual "Behind the Redwood Curtain" golf tourney August 16 at Baywood Golf & Country Club, Arcata, CA.

I mentioned in a previous report that one of my goals would be to work on getting the Oakland Club #39 or San Francisco Club #9 back up and running. I will continue to work to complete that goal.

Have a pleasant summer/winter (depending on what part of the world you are in).

Health, Happiness and Long Life,
EDGAR MASOLETTI 99908
Supreme 9 Jurisdiction VI

HHI – JURISDICTION VII

Greetings from JVII and Houston Club # 23! Our 12th annual Frank Aranza Golf Tournament took place on June 24. The popular event was another large turnout and sponsored Boys and Girls Country here in Houston. Keep an eye out for pictures from the event in the next issue! We hope to see many old and new faces in Whistler, BC, this September.

Health, Happiness and Long Life,
ROLAND MASSEY 84609
S-9 Jurisdiction VII

J3 – WILLAMETTE CLUB 33

Club 33 has been busy preparing for the Annual Golf Tournament June 7, at Shadow Hills CC. This year the Club honored longtime

member and co-mill owner Wm. "Bill" Hallstrom. Bill was an honorary lifetime member of Club 33 and was concated February 13, 1953. Bill passed in October of last year in his 66th consecutive year of membership in Club 33. The tournament was open to the first 100 members. Bill was active in the local Kidsports and was one of the original Directors, so Club 33 is donating \$20 to Kidsports in Bill's name for every paid golfer this year and donated a total of \$1,780.00

Club 33 donated \$1,000 to The Children's Miracle Network (Costco) this year. Costco is aiming for a goal of \$100,000, with the funds going towards helping the construction of a home next to our local hospital for those needing a room with family in the hospital for an extended stay.

Our club has a record 14 Kittens this year! We concatted several kittens June 12th after lunch at the Long Timber Brewery in downtown Monroe, OR. (owned by president Amy Nystrom and new

member, husband Todd Nystrom).
The tavern opened May 28 and is a
huge success!

Respectfully,
ARCHIE BROWN L-86469
Secretary Treasurer

J3 – TACOMA-OLYMPIA CLUB 89

Summer is here and I should be
out tackling the many “projects”
needing to be done in my very
wild, overgrown landscape. The
Club helped out at the Earth Day
Extravaganza on April 20. This
year we helped the kids build
planter boxes. Snake Lake provided
the dirt and seeds. We have many
returning kids plus some brand
new 2 to 4-year-olds that have so
much fun. This year Jim Miller of
Screw Products donated screws
and brought screw guns for the
kids to use or they could use the
usual hammer and nails. Almost
all the kids wanted to use the
screw guns. Thanks, Jim, for the

generous donation! And a big
thank you to RFP (Jeff Brigge) for
donating wood! I can’t begin to
express how much fun this event
is each year. The kids, oldest and
youngest, are all so adorable.

On May 7 we had our Annual
Old Timer’s Meeting. Anyone
who was or is still working in the
lumber industry and over the age
of 65 qualifies as an Old Timer. We
have about four or five people who
are 85 to 95 years old. They always
have wonderful stories to tell that
give the rest of us a glimpse into
the years before we were involved.

At the meeting, we surprised
#87953 Bob Dagais with the Star of
Hoo-Hoo #32. Bob was President
of the Club in 1990 and continues

to serve on the Board of Directors. He also continues to show up for most of our events despite recent health issues. I remember Bob at our December Toy Giveaway at the Boys and Girls Club handing out extra gifts of little cars to several of the boys. Chad kept telling him they already had a toy, but Bob was really getting into the spirit of the day. Congratulations ,Bob! You are a well-deserving Star recipient.

On June 14 we had the 8th Annual Mel Smeder Memorial Golf Tournament at High Cedar Golf Course in Orting. Special thanks to Mike Hinthorne who was in charge of the tournament!

Respectfully Submitted,
TERRY HAMMERSCHMITH 99531
Secretary/Treasurer

J3 – WINEMA CLUB 216

The spring and summer months are busy ones for our club. We've been wanting to make our annual bus trip to the Brass Rail Restaurant in Alturas, CA., for several years, but we finally put the trip together this year. The bus trip to the Brass Rail was enjoyed by 33 members and guests. The 5-course meal of steak, shrimp, beans, soup, salad, Basque bread, Basque wine, and ice cream was as good as we remembered. On the way down, places and events of local historical significance were pointed out and briefly described. Topics included the Modoc Indian War, early wagon trails, railroads and unique geological features. On the way back, videos of 1940s lumbering were shown to those who stayed awake. Todd Kepple, manager of the Klamath County Museum, and Ryan Baartholomew, past president of the Klamath Historical Society, added comments that legitimized the discussions. A record of 24 gallons of Basque wine was brought home in the luggage compartment of the bus. In past years we have had the honor of having several Snarks of the Universe and Supreme 9's on the trip.

On Fathers' Day weekend, Collier State Park Logging Museum hosted Living History Day. Winema members, especially Dick Barlow played an important part in getting the old machines running and keeping them running for the event. The machines are

from the 1940s and earlier and they include Cats, steam tractors, a sawmill, shingle mill, and a lot of other equipment are displayed and operated. In September we will again be manning a station at the Oregon State University extension service sixth grade forestry tour. Our station points out many products produced from our forests in Klamath County. About 700 students, teachers, and parents will attend and our club has proudly been involved for over 50 years.

Fraternally Submitted,
PAUL WUNDER L-85881
Secretary/Treasurer

J3 – NORTHWEST MONTANA CLUB 187

Hoo-Hoo 187 proudly presented the annual Lumberman of the Year and Woodpecker of the Year awards at the annual Montana Logging Association membership meeting held in Kalispell May 18. Roger Ziesack was awarded Woodpecker of the Year and Mike Newton longtime lumber professional was awarded Lumberman of the Year.

Mike served a 12-year term on the Board of Directors of the Intermountain Logging Conference and was recognized by the Forest

Roger Ziesack, Woodpecker Award (right).

Mike Newton, Lumberman of the Year (right).

Resources Association as the Outstanding Logger in their western region.

Every year for the past 30 years, Stoltze Lumber has sponsored a Family Forestry Expo. Demonstrations of equipment, logging practices, kinds of trees, and a little logging competition by the Flathead Valley-Community College Forestry team, make it a great experience.

The last two years, Hoo-Hoo 187 has provided the people to serve up hot dogs and chili at the logging camp lunch. This year, 800 dogs were served.

CRAY WEYRAUCH 96370
Publicity Chair

J5- VANCOUVER CLUB 48

Join us in the beautiful village of Whistler in British Columbia, Canada, for the 127th HHI

Family Forestry Expo.

Convention. By now I'm sure you've heard the news – the Vancouver Club is hosting – and you're invited! The west coast of Canada is renowned for its verdant rain forests—a bucket-list must see for anyone in the wood products/forest sector. In our rugged coastal forests, you can stand beneath monumental trees that are hundreds of years old, reaching over 200 feet into the sky. We encourage you to stay a while, either before or after the convention, and explore this unique part of the world.

On your way to Whistler, visit the Capilano Suspension Bridge park where a Treetop Adventure lets you walk in the canopy of Douglas-fir trees more than 100 feet tall. Our theme for this year's event is "A View From the Top!" Between tall trees and the height of Whistler Mountain – that's what we promise to give you!

Whistler hit the world stage when it was host to the 2010 Olympic Games, drawing millions of tourists a year! The Club 48 board has been hard at work building a dynamic program to keep you entertained, with activities for everyone. Our younger board members are heading up a guided Electric Bike Adventure Tour of the Whistler Valley. Although the bikes are electric assist, this event is definitely geared toward the outdoor enthusiasts and includes reservations at Whistler's best patio afterwards, appetizers included! If sweating your way through the forest isn't your thing, how about a spa day? Scandinave Spa Whistler offers a traditional Scandinavian bath experience in a

peaceful and natural environment. The spa's rustic installations are nestled on the edge of the Lost Lake Park where a spruce and cedar forest will both relax and invigorate you and provide an escape from daily stress. Be ready to leave the noise behind. This is a silent retreat—that means "Shhh! No talking!"

Rameses Jim Spiers will be on hand at the conference to present "Hoo-Hoo 101" - The history and Traditions of Hoo-Hoo'. And, Club 48 president Stirling Angus along with his wife, Christina Rupp, will host group activities that include a tour of a log sort yard in Squamish (south of Whistler), where you can get up close and personal with our massive timber all set against a backdrop of rock. Evening functions include dinner under the stars at the North Arm Farm in Pemberton, a village just north of Whistler nestled at the foot of majestic Mt. Currie. Friday night we will proudly show you Evans Lake Camp. Our club has been the major supporter of Evans Lake for 60 years. Enjoy the view, swim in the lake, and participate in our fundraising auction while we cook up a feast at the BBQ.

Jack Miller, our esteemed Snark of the Universe, was with us in Vancouver in May for our annual Members' Night. This is our biggest event, drawing 150+ members and guests each year. Our popular reverse draw saw member Mike Wilson head home \$2,500 dollars richer! And, as only seems fitting, Dave Trytko, who has provided the bottles for the Booze Barrow Draw for years, drew the lucky ticket and this time he got to take

it all home. There's no better way to make new friends fast! This year's highlight was an invigorating presentation and Hoo-Hoo yell led by the Snark! To thank Jack and Rita for joining us, we presented him with a yellow cedar talking stick. A Club 48 tradition, Jack's talking stick is topped with a mythical Thunderbird—a powerful supernatural being credited with creating and controlling all the elements of the spirit! His powerful wings make the thunder and lightning flashes from his eyes!

While the Snark was here visiting us in B.C. we took the opportunity to visit the Westin Resort and Spa in Whistler, where we are hosting the 2019 International Conference. The hotel is world class, and the Westin is giving our club amazing rates for the convention. You can't beat these prices anywhere in the Village. It was not only a great visit, but a perfect opportunity for us all to get to know each other. Thanks for coming, Jack! Looking forward to

seeing you both in September!

On behalf of our President, Stirling Angus, we once again invite you to Whistler, where Hoo-Hoo International will bear witness to the Embalming of the Snark, and Club 48 will usher in Matthew Burke as our new president!

Until then, HH&LL,

SANDY MCKELLAR 100486
Secretary/Comm. Manager

J8 – TWIN CITIES CLUB 12

Greetings and salutations from Minnesota! I'm filling in for a quick update from the Twin Cities. Starting with the most recent event, it was a glorious day at Highland National Golf Course in St. Paul for the annual Twin Cities #12 Memorial Golf Tournament and Picnic on June 3 (see cover).

Given how snowy and soggy/rainy the spring has been, all were in high Hoo-Hoo spirit to see the sun for a day on the course. We enjoyed some "veterans" talking about their early days of Hoo-Hoo (e.g. Bob Borstelmann who ven-

Bob Fabian, Scott Gardner, Andrew Dahlin, Jack Fabian.

ured from Flemington, New Jersey to golf in St. Paul!) and comparing membership numbers, while some first timers followed up asking more about the organization, the community service, etc.

It's still a struggle to find those interested (and young) industry folk with time to share, but still work to do so. Next up for the club is a membership meeting late summer and task of structuring the fall event. The club continues to support Project Learning Tree (PLT) sessions, and we appreciate the efforts of Laura Duffy (MN DNR and Hoo-Hoo member) to maximize the combined efforts in session sponsorship.

Lastly, we wish the organizers of the 2019 convention great success and invite all to stop for a visit if coming through Minnesota on any convention or travels otherwise. In closing, may I extend to all on behalf of Twin Cities #12, continued Health, Happiness & Long Life.

Health, Happiness, and Long Life,
JOHN P. GERLACH 100500

We Salute You!

We thank the men and women who came out to support the Don Gregson Memorial Tournament on June 7 at Los Serranos Country Club, Chino Hills, CA. Next year's charity tournament will again be held at Los Serranos on June 5. It will be a 7:00 a.m. check-in with 8:30 shotgun start. Thanks to the strong support this year, the club met its goal of \$30,000 for distribution to our charities; The Wounded Warrior Project, City of Hope and Homes for our Troops. Our club has now donated in excess of \$150,000 to our chosen charities. We had 212 players this year and are hoping for more in 2020. All funds go directly to the charities. Come out and join us! Help our troops and our sick!

LEADERS IN LUMBER/IN MEMORIAM

[From pg. 3]

By then, Barney and Shawn had found a strong market in establishing full-service lumber yards for the “under-served” rural areas of Western Washington.

Shawn’s outstanding work ethic earned him the position of vice president and general manager and shortly after in 2005, he was named president and co-owner of Arrow Lumber & Hardware.

In July 2006, Barney and Shawn would soon capitalize on a new opportunity presented to them: The purchase of Logan Lumber Company in Orting, WA. The location had been serving the surrounding community for 10 years prior to Arrow Lumber’s acquisition. In July 2006, the Orting location became their fifth independently owned and operated store in Western Washington.

In 2007, Arrow Lumber & Hardware was ready to celebrate its 10th Anniversary. The milestone for Barney, Shawn and their veteran staff of professionals marked significant progression towards servicing these rural communities by supporting local schools, community events, food banks and customers. Main-

taining the ability to support and give back within the communities they serve is one of Arrow Lumber’s core values.

In January of 2008, commercial property was purchased in Port Townsend, WA., as Arrow Lumber & Hardware’s sixth location. Development of the commercial property was underway six months after the purchase of the land. The Port Townsend location initially operated out of a small portable building on site with limited space for retail hardware and lumber storage. In 2009, the grueling process of obtaining building permits began. It wasn’t until 2014 that Arrow Lumber was given the green light to begin construction for their newest location. Arrow Lumber & Hardware finally opened the doors to the new store as well as hosted an official grand opening in June 2015. Shawn was promoted to President and CEO in 2014.

After celebrating its 20th anniversary in 2017, the hunt continued for more opportunities for Arrow Lumber & Hardware. In 2018, Barney and Shawn purchased Levee Lumber’s operation in Ocean Shores, keeping the focus on under-served markets in Western WA.

EDWARD “HARRELL” HOLLAND 84104

Houston Club 23 · Spring, TX.

Edward “Harrell” Holland, 83, Spring, TX., passed away June 4 after a courageous battle with Alzheimer’s. A celebration of life service was held June 15th in Conroe, TX.

WADE CORY L-72945

Seer of the House of Ancients · Haskell, N.J.

Born in Orange, N.J., Wade attended Ramsey High School and graduated with the class of 1957. A student of Michigan State University, he earned his Bachelor’s degree and graduated with the class of 1961 with a degree in Lumber Merchandising. After graduation, he enlisted in the National Guard and served from 1961-1967, where his unit guarded Cape Cod for President John F. Kennedy.

Wade’s father co-owned and operated the family business, Cory and Brett Lumber, which eventually became his own and was called Cory Lumber Corp. He was the youngest-ever Snark
