THOUGHT FOR THE DAY - This month trivial corn

When I offer to wash your back in the shower all you have to say is yes or no. Not all this “who are you and how did you get in here nonsense –

I just stepped on a cornflake – now I am officially a cereal killer.

Apparently, there has been a survey of how people walk home from the bar – the results are staggering.

The main function of the little toe on your foot is to make sure all the furniture is in place.

I went to the doctor with hearing problems, He said “Can you describe the symptoms”, I said “Homer is the fat bloke and Marge has blue hair”.

Going into your teenagers room is like a trip to IKEA – you just pop into look but leave with 6 cups, 2 plates, 3 bowls, some cutlery and a tea-towel.

Next time you visit someone with an alexa, “alexa set 3am alarm with horror movie sounds”.

Strange new trend at the office – people are putting names on food in the company fridge. Today I had a tuna sandwich named “Linda”.

Sometimes my mind is like my internet browser 19 tabs open – 3 are frozen and I have no idea where the music is coming from.

PRESIDENT: Lachlan's Pontifications

Sorry to have missed a most fraternal car rally due to illness of my sister co-driver.

The experience of contributing to the building of a bridge for a small African village has profoundly etched on my mind the happy, uncomplicated, generous and unselfish lifestyle that these people delight in compared to the material and selfishly ambitious environment in which most of us operate. I definitely don't want to exist on cornmeal and pig intestines but the experience has let to a lot of hard thinking.

TIP FOR THE MONTH - Housekeeping

Always keep several get-well cards on the mantle – that way if unexpected guests turn up, the cards will explain how the place is in such a mess.

INDUSTRY - DID YOU KNOW -

Many of the houses flooded in the Townsville flood are still vacant due to health issues with subsequent mould.

CHIT-CHAT - Editor & wife Glenda off for a short cruise around Japan – this time without any of the children or 15 grandchildren.

Dale F progressing from bending tailgates to tail shafts.

Terry G in Samoa for next meeting!

SHARES - Last meeting

Best – John Rankine + \$3355 Saddest – Lachlan Rankine -\$832

Next newsletter change format, change for month.

Tip – buy your wife a gold bracelet (investment with side benefits)

EDITORIAL - “Be Fraternal”

In reality, to belong to and participating in Hoo Hoo is to “be fraternal”. If the name was changed to the “Timber Industry Fraternity” it may lose some of the mystique but would essentially be the same group of participants sharing the same values and company as other college or industry fraternities.

The feedback from our initial car rally on the tablelands has been most positive from all the participants even though some of the details on the itinerary were confusingly incorrect. (The final run prior to the event was unable to be taken by your editor and so the mistake remained).

All of the participants got to see some of the tableland that they had never traversed before and in general had a great fraternal tome.

As an inaugural event it provided a great experience and learning curve for myself and wife in organizing and formulating the itinerary.

While one of the aims of such activities is to attract further membership and in this case this was only family members, it is felt that with a longer preparation, publicity and organization, there would be more interest to the benefit of the club.

Mistake for the Proof Readers

NO-ONE found, (“diagnoses” instead of “deagnosis”) this was a bit hard as it wont even come up on a spell-check – This month a little more obvious! 2 mistakes

RECIPE FOR MONTH – Hangover Breakfast – Spinach & Tomato Scramble

2 Large Eggs

(or 1 egg, 2 egg whites)

½ teaspoon olive oil

2 cups baby spinach

½ cup chopped tomatoes

1 tablespoon grated parmesan

or goat cheese (optional)

Pinch salt/pepper

Directions:

Wisk eggs in small bowl.

Season with salt & pepper and set aside.

Heat olive oil in non-stick skillet-medium heat

Add spinach & tomatoes cook tossing until

wilted about 2 minutes.

1 tablespoon grated parmesan

Add eggs

Cook stirring occasionally until just set - about

1 minute - Stir in cheese (if using)

Why it works: Pass up the hearty, greasy breakfast for this scramble. Eggs Contain an amino acid, cysteine, that helps break down acetaldehyde, a toxin from alcohol metabolism.

Spinach and tomatoes are packed with antioxidants and potassium, an electrolyte. Serve with 100% whole wheat bread for extra carbohydrates to help with nausea and low blood sugar.
