

Star of Hoo-Hoo Price Change

Dear Hoo-Hoo Member:

Those of you who have seen the Star of Hoo-Hoo would agree that its appearance and meaning is very special to our organization. The Star was created to be given to those recipients who display the Spirit of Hoo-Hoo, and support the organization through their great commitment to that organization and its membership.

During the General Business Meeting of the 2016 Hoo-Hoo International 124th Convention held in Cairns, Australia, a well argued discussion took place on the intrinsic value of the Star of Hoo-Hoo.

It was argued that the worthiness of ownership is somewhat diminished by making it available at such a low cost and to any individual or enterprise.

It was further argued that more emphasis be placed on the worthiness of the ownership by increasing the price to \$499.00UD, and limiting purchase to Hoo-Hoo Clubs only in order to assure that each Star is awarded to only the most worthy recipients. Members at Large may be nominated by a fellow member who will present an essay to the HHI Board of Directors for approval, and then be responsible for the fee of the Star and presentation.

Beginning November 1, 2016, the Star of Hoo-Hoo will cost clubs \$499.00UD each until further notice.
