MEMO ... from the Snark's desk

L.R. Champ L-75820
Snark of the Universe

We are going into the final months of this great year in Hoo-Hoo. We will be going to Toronto, Canada to attend the 86th annual convention. I urge each of you to explore, share, and grow in Hoo-Hoo. Attend this convention, your club should promote delegate attendance at this and all conventions.

Conventions are more than social gatherings of Hoo-Hoo and their wives. More than opportunities for Hoo-Hoo to enjoy the special camaraderie that exists among club members. These are important but conventions are also occasions where Hoo-Hoo discuss their services and projects. We analyze how these programs can be improved and expanded to the utmost. Here Hoo-Hoo choose their leaders and shape the constitutional structure of Hoo-Hoo International at all levels.

These are true values of conventions and why it is important for all Hoo-Hoo Clubs to be fully represented. I encourage each Hoo-Hoo Club member in the International to send its quota of delegates to the 86th International Convention in Toronto, Canada September 10-13, 1978.

The International election along with the official sessions and special events will make this convention a memorable event for every Hoo-Hoo Club member in attendance. Hoo-Hoo will enjoy the fellowship of other Hoo-Hoo from around the Universe and come to understand the scope of Hoo-Hoo and the active care provided for more than 8,000 members throughout our great Universe.

Hoo-Hoo International has grown in the number of new members we have initiated as well as in the new clubs we have formed and reactivated and the many members we have reinstated. This has all happened because you wonderful dedicated people care enough to extend our friendship and concern for our fellow man in the Lumber Industry for love of all mankind.

Throughout all this great Universe the leadership and the support of the officers of the International Board as well as all the local clubs has been most rewarding for me this past year. The super co-operation from our International Office from Cliff and Lois has been most appreciative. The concern of all the people and their wives have had for the Snark and his first lady are most rewarding and most cherished memories. This has without a doubt been the most happy year of my entire life. I have traveled some 100,000 miles, visited with 60 clubs, and spent 135 days traveling, and enjoying every minute of it.

IN MEMORY OF OUR DEAR FRIEND GORDON S. DOMAN

G.S. Doman L-74610

We have lost a true friend and a man dedicated to the welfare of all mankind. We have precious memories of his noble deeds for others and his most humble and kind concern of all will be a living monument in the memories of all who knew him. In the few short years I have known Gordy, I have much admiration for the dedication he had for all people and his care and concern and love for his family.

Snark's Message . . . Con. from preceding page

As we look forward to future years, let's get bigger and stronger, for as we well know people needing people is the key to success in this great order. We need to keep that link of friendship bound together and make it an even more stronger link by keeping the members we have and extending our hand for those new members.

Remember happiness is neither virtue nor pleasure, nor this thing, nor that, but simply growth. We are happy when we are growing.

To serve as your Snark this past year is of a rare and most rewarding privilege. Remember always that you the individual Hoo-Hoo and the club of which you are a member, form the foundation of our International Order of Hoo-Hoo. Upon your shoulders rest the success and progress of Hoo-Hoo, only your dedication and perseverance will enable Hoo-Hoo to remain the largest Industrial Fraternal Organization in the world in answering the Lumber Industry and human needs.

You the individual Hoo-Hoo must, and I am confident will, continue to demonstrate that people needing people through Brotherly love and love of all Mankind, make all things possible.

Fraternally Yours,
Laurin R. Champ L-75820
Snark of the Universe

It was most rewarding to hear people tell of the concern Gordy had for people. As I traveled this great Universe this past year I have had this told to me by so many people. He was that kind of man who found peace of mind in helping other people in a quiet sort of way. I was fortunate to have spent a lot of time with Gordy this past year. He had to be the greatest man I have ever known, who could solve all problems without causing a lot of thunder. He had that plus way of making it all work out for all concerned.

Gordy loved Hoo-Hoo, his wisdom and ambition to serve all mankind for the betterment of Hoo-Hoo was always uppermost in his thoughts. His outstanding smile and personality bonded with lots of wisdom shall be a memory in the hearts of all his friends in Hoo-Hoo land.

We have been most fortunate to have had the honor of having

such a great friend and leader in the midst of Hoo-Hoo. His memories will be with us forever. Gordy once told me if you have five true friends you have far more than money can buy, there is no doubt that Gordy had many more. To know him was to love and respect him.

I personally have lost a great friend. It is men like him that make your own life richer by having known him. He leaves us an inspiration that will live forever. We have beautiful and lasting memories of our dear Brother and Friend who will be missed but never forgotten. God love him Forever.

Laurin R. Champ
Snark of the Universe

Important Announcement

Be it known that shortly after the death of our International 2nd Vice President, Gurdial S. Doman, Snark Laurin R. Champ L-75820, made the following appointments after conferring with each of the officers and directors of Hoo-Hoo International:

For the office of 2nd Vice President, James A. Jones L-72703, formerly Supreme Nine Member for Jurisdiction VI.

For the office of Supreme Nine Member for Jurisdiction VI, to replace James A. Jones, Mr. Bernard B. Barber, Jr., 48864, Secretary/Treasurer of the San Joaquin Hoo-Hoo Club #31 of Fresno, California.

These two appointments were approved unanimously by the Officers and Directors of Hoo-Hoo International.

TORONTO NEWS

Site of the 1978 Hoo-Hoo Convention People City — Toronto, Ontario

Your ticket to Toronto and the 86th Annual Convention is 1st Class only. You read about our city in the February **Log & Tally** and now we want to give you some specifics about the convention program and what your registration will buy for you.

The **Harbour Castle** is the finest hotel we can offer you. It is located directly on the waterfront and you need only walk out the door to catch the ferry to the Toronto Islands that you view from your room. Every room overlooks Lake Ontario and the Toronto Harbour. Virtually all rooms have exotic "real wood" panelling and are beautifully furnished. Its restaurants include the **Posiedon** for seafood lovers, the **Chateaufort** for gourmet dining, and the **Lighthouse**, a revolving restaurant at the top of one of the two towers. For those who make room reservations early, the hotel staff will endeavor to have our rooms in the same general area of the hotel. A **Special Bonus** right now is that the Ontario Government has temporarily removed the 7% hotel tax and for those traveling from the USA, your dollar is currently worth more than 13% over the Canadian dollar, so your bonus exceeds 20%. That's quite a discount on the already reduced room rates which are normally about 20% higher than our convention rate.

On **Sunday evening** we will walk from the hotel to the shore and board the Royal Canadian Yacht Club launch for a short journey to Toronto Island and the Yacht Club for our Icebreaker and sumptuous buffet.

Monday Morning and afternoon the men will be in business sessions, but taking a break for cocktails and luncheon at the Harbour Castle. The ladies will be treated to a tour of the "People City" and the surrounding countryside. September in Ontario is particularly beautiful as the changing colours of the hardwood trees are at their best. They will enjoy lunch at a site where both the food and scenery can be fully appreciated.

Monday Evening is a big one. We will take everyone to a special dinner in the Imperial Room of the Royal York Hotel, Toronto's number one supper club. A **special entertainer** is going to be there that week and arrangements have been made for him to do an exclusive show just for the members attending the Hoo-Hoo Convention.

The **Harbour Castle** and the **Royal York** are only blocks apart and both are in the heart of downtown Toronto which is always alive with people — day and evening.

Tuesday Morning we are buying everyone breakfast 1,150 feet in the air in the revolving restaurant of the 1,815 foot high CN tower — the tallest free-standing structure in the world. From there you can take the day off to shop in the Eaton Centre — the newest, most modern shopping complex of its kind, or at the many boutiques that surround the centre. You could take a tour to Niagara Falls, the Science Centre or just about anywhere. There will be a special "Tour Booth" set up in the hospitality room where you will be able to pick and choose.

For **The Golfers** we have something special — golf at Glen

Abbey. Designed by Jack Nicklaus and the new permanent home of the Canadian Open, this is one of the most beautiful golf courses anywhere. They will only accept 64 golfers and we will be holding these places open for those out-of-town registrants who reserve in advance. Be sure to reserve now as the Toronto members are anxious to play if you don't. Naturally we will transport you there following the breakfast at the CN tower. This arrangement is a special coup for our golf chairman.

Tuesday Evening will be left open for the 1979 Convention Host Club, Honolulu Club #142, to give you their very special advance welcome.

How are we doing so far? **Wednesday Morning** is again set aside for business, but at noon the fellows and gals get together for a mixed cocktail reception and luncheon at the Harbour Castle. In the afternoon all will be treated to the most unique Concat you have ever witnessed. Those who attended the 1964 Convention in Toronto will recall that special Concat. Well, we are going one better this time.

There is also a ceremony known as the "Embalming of the Snark." This is an authentic ceremony and history tells us of the embalming 32 centuries ago of Rameses II, the Egyptian Pharaoh of Light. His embalming was accomplished by having his insides removed and his brain siphoned out through his nose. He was then dried, stuffed with straw and resin, and wrapped in 300 feet of bandages. Now we do not expect to embalm our retiring Snark in the same

Con. from preceding page

manner, but we do assure you that the ceremony will be "special."

Wednesday Evening is the **Grand Climax** to the convention and it will also be special. It is a **Theme Night — THE ROARING TWENTIES** — and we want you there dressed for the part. The music will start at the beginning and our Cabaret

will go on all evening with music before, during and after dinner in the main Harbour Castle Ballroom.

What more can we say? We will be doing everything possible to show you the finest time of your life. Your registration cost is \$199.99 PER COUPLE (Canadian funds) for a package that actually costs closer to \$275.00. Remember, if you are starting out with US

dollars, this \$199.99 Canadian is equal at present to about \$176.00 USF.

We are expecting a heavy registration for this convention. One club has already booked 25 rooms so we ask you to send in your reservation to the Harbour Castle NOW. It doesn't cost anything in advance.

We also want to have your reservation for golf at the Glen

Jurisdiction IV Convention 1978

Sydney, New South Wales will host a large gathering of timbermen in September 1978 for the 10th All Australia Timber Congress. Apart from the Australian representation delegates have indicated their intention of attending from North America, South Africa, New Zealand, the United Kingdom and South East Asian countries.

As you would expect, Hoo-Hoo members are heavily involved in the organization of the Congress and to take advantage of the presence of such a wide

Sydney Club #215 Pays Tribute to Alan Gardner 56539

Recently the Sydney (Australia) Hoo-Hoo Club #215 elected Alan Gardner 56539 as its first LIFE member in recognition of the major role he played in establishment of Hoo-Hoo in Australia and for his continuing support for the movement generally and Sydney Club in particular.

Al, a Canadian whose home has been in Australia for the last two decades, was initiated at Vancouver, British Columbia in September 1951 and when Norton Ladkin and Lindsay LeMessurier sought his help in starting a club in Adelaide in 1962 it was inevitable that he would become enthusiastically involved becoming the first Vicegerent Snark of Australia.

Alan has a silver jug to mark the granting of his LIFE membership plus the grateful thanks of the members for his "sterling" work in Hoo-Hoo.

representation from the timber industry in Sydney on this occasion, Jurisdiction IV has decided to hold its annual convention in the same city.

The Timber Congress is to run from Sunday Sept. 24 to Friday Sept. 29. The program for the Hoo-Hoo Convention covers the period Thursday evening Sept. 28 to Sunday Sept. 30. Both Timber Congress delegates and Hoo-Hoo members can attend the work session and banquet for Friday Sept. 29.

Grafton, N.S.W., Australia was the site of the founding of another new Hoo-Hoo club in Australia. It is to be called the North East N.S.W. Hoo-Hoo Club #241.

According to the Jurisdiction IV President's Newsletter, 21 members were signed up to join, but only 15 could attend the ceremony. Special thanks to Jim Foster of the Brisbane Club who has worked so hard to put this club on the road. Also thanks to members of the Brisbane and Sydney clubs.

The New Club officers are:

Five additional members were elected to the Board of Directors.

The Brisbane Club staged a most successful luncheon meeting at Chardon's Hotel in June. The theme was "Bring your Secretary." This was to reward the ladies for their efforts in helping Hoo-Hoo behind the scenes.

The Sydney Club saw 7 new members brought into the order on June 19th. The film "Project Wooden Toy" was shown to club members who, incidentally, had three craft teachers from the State Schools present. The film, was appreciated by members and visitors alike, Juris IV President, Des Gill, was very impressed by the enthusiasm shown by the Chairman of their Toy Project Committee, Doug Prendergast.

The Newcastle Club #237 staged a successful meeting on June 20th. "Project Wooden Toy" again raised some enthusiasm and a new committee was formed to get this project under way.

All Australian Clubs are requested to get behind the "Gottstein Memorial Trust Fund" Drive to raise the additional \$120,000 over the next three (3) years. The overall target was \$20,000 of which \$80,000 is in hand.

INTERNATIONAL DUES STRUCTURE

As publicized in LOG & TALLY in recent issues, the International Dues for membership in Hoo-Hoo are now as follows:

REGULAR RENEWALS	\$12.99
REINSTATEMENT (any member who is unpaid for one year or more)	\$12.99
Plus Reinstatement Fee	5.00
TOTAL	\$17.99
NEW MEMBERS	\$12.99
Plus Initiation Fee	10.00
TOTAL	\$22.99
LIFETIME MEMBERSHIP (Never again to pay International Dues)	\$199.99

We regret this increase of \$1.00 per year per member, but soaring costs and inflation have forced this action. The above fees are in effect immediately.

**Tree Planting
Program Takes
Efforts of Many**

A tree-planting ceremony was held recently at the Vallejo, California City Hall through the generosity of Hoo-Hoo International and a local business with the cooperation of Vallejo government agencies.

It all began several months ago when Jim Jones, owner of Foster Lumber Yards, Inc., and Hoo-Hoo's 2nd VP, approached City Councilman John Cunningham with an idea for a community project.

Jones explained that Hoo-Hoo was prepared to sponsor a gift of trees if they could be put to good public use. Hoo-Hoo would persuade the Weyerhaeuser Company and the Georgia-Pacific Corp. to provide trees.

Cunningham took the idea to Inter-Agency Committee on Schools. Cunningham suggested the committee consider accepting the trees for school ground and park beautification. The members discussed the proposal and agreed the trees would be an excellent joint project.

Thus far, 80 trees have been planted by volunteer help from the Vallejo Kiwanis Club.

A fraternal organization and local business, with cooperation of local government agencies, are yielding "green" results - in the form of trees - for the citizens of Vallejo, California. **Redwood Grove
Committee Meeting**

The Annual meeting of the Hoo-Hoo Redwood Grove Committee was held this year on April 30 and May 1 in Eureka and Orick, California.

Snark Lurn Champ and his wife, Maxene, and John Hickey, Rameses #56 joined the group in meetings and a visit to the Redwood Grove.

Committee Members in attendance were Al Bell; Dan Brown and his wife Elouise; Roy Dunbar and his wife Marylin;

Dave Jones and Cheryl; Jim Jones and his wife Betty; Committee Chairman Al Kerper and his wife Fran.

On Sunday the committee discussed the why, when and where of the Grove and had a final review of the slide presentation which will be available to all Hoo-Hoo Clubs in the near future.

Monday the group of 15 journeyed to the Prairie Creek State Park Ranger Station and from there were transported to the Hoo-Hoo Grove where the first time visitors as well as those who had visited before,

**Very Low Hoo-Hoo
#s In Minnesota**

Three top officials of Twin City Hardwood Lumber Company in St. Paul, Minnesota hold some of the lowest numbers in Hoo-Hoo.

They are Harry B. Sutton L-11886 (2nd lowest), Lawrence S. Clark L-32504 (37th lowest) and Ralph E. Thorp L-38654 (105th lowest.)

Sutton is the surviving member of three who founded Twin City back in 1911. He was working in the South when initiated into Hoo-Hoo in 1904. In 1911 he had moved to St. Paul and with Henry Gipson and David Dworsky founded the Twin City firm. He has been president for more than 25 years and still holds the title. It is more than an honorary one because at 96 years of age he still goes to the

office daily and oversees the business. It is now liquidating, its valuable property in the midway district between Minneapolis and St. Paul having been sold to the Metropolitan Transit Company who plan their headquarters office and garage on the site. Sutton plans to open a private office nearby with the present Vice President, Bob Berg a veteran of 38 years with Twin City.

Larry Clark, retired as Executive Vice President in 1967 after 35 years. He is the son of David F. Clark who, with Charles F. Osborne in 1885 started the firm of Osborne and Clark dealing in Hardwoods with a yard in Minneapolis and also retail yards in a number of towns in Central Wisconsin. This partnership was dissolved in 1915 when Osborne died. The company then incorporated as Osborne and Clark Lumber Co. wholly owned by Clark interests. Larry came to the firm in 1922 upon graduation from College. He joined Twin City in 1932 following a disastrous fire that destroyed the Osborne and Clark plant and office. He was Executive Vice President of Twin City for ten years before retiring. He is a 54 year Mason and active in the Senior Shriner unit of Zuhrah Temples. During his business career he was active in Hoo-Hoo, holding most of the Club #12 offices. He was also a member of the Supreme Nine and for a very short time acted as National Executive Secretary.

The "S" in Hoo-Hoo

It is a common error to say "Hoo-Hoos" in referring to more than one member of our Order.

To be correct, leave off the "s". Thus:

He is a Hoo-Hoo.

We are Hoo-Hoo.

They are Hoo-Hoo.

The "s" belongs only where Hoo-Hoo is used in the possessive, thus:

That is Hoo-Hoo's opportunity.

Also, please try to remember that "Hoo-Hoo" is always hyphenated!

Club #142

Honolulu, Hawaii

1979 Convention Host

The Honolulu Hoo-Hoo Club #142 held a concat on February 23rd, and brought another five new members into our Order.

A general membership meeting followed the concat and then there was lots of food and drink served in the traditional Japanese manner.

Jim Lovell was the program chairman.

Jim Jones, Supreme Nine Member for Jurisdiction VI, and Bert LeBeck, Deputy Supreme Nine in Jurisdiction VI, journeyed to Hawaii to visit the Honolulu Hoo-Hoo Club #142 in May.

The two travelers met with the club at the Tripler Army Hospital Officers Club the evening of May 18th.

Dave Ackerman and Jim Lovell, Club President, pose for the cameraman.

The meeting was called to order by club President Tad Ogi. There was a discussion about the upcoming convention in Toronto in September. Mr. Jones and Mr. LeBeck volunteered

Nagao Yamada advised all present that the 1979 Honolulu Convention dates had been changed from September 16-19, 1979 to September 15-18, 1979.

This was followed by a presentation of two films by club member Takahashi, Chairman of the Wood Promotion Committee. The films were **Miracle of Wood and Engineered 24" Framing**. Both films were well received.

Jim Jones made a special presentation of the ATGA

Award to Nagao Yamada who is the 43rd recipient of this award.

Bert LeBeck presented a special award to Dave Ackerman, Tad Ogi and Nagao Yamada for attending the Portland, Oregon Convention in 1977. This award featured an unusual fruit created by Mr. LeBeck for this occasion.

The following evening, May 19th, 1978, the Honolulu Hoo-Hoo Club met jointly with the Hoo-Hoo-Ette Club #17. It was more of a get-together than a meeting.

Above are Jim Jones and Tad Ogi at the May 18th meeting.

Club President Jim Lovell chats with past Club President Dave Rinell.

"We met aboard the M.S. Hawaii State," writes Jim Jones. "We sailed out to sea up past Diamond Head with cocktails and dinner on board. A great time was had by all 124 persons participating."

February 23rd, our Board of Directors met to cover such transactions as the Snark's visit in March, April's nite at the races, and formation of a nominating committee for May's elections.

March 15th, Snark Larn Champ L-75820 visited Club #99 on a Wednesday evening. After a brief talk by the Snark on fraternalism and brotherly love, #99 presented the Snark with a bushel of freshly dug, world famous Chesapeake Bay oysters for him to transport back to Kansas (via airlines), as he sees fit. At this time we were informed that the Snark was going to visit Washington, D.C. for a couple of days.

Snark Champ dives into oysters while Jimmy Richards and Jerry Gibala look on.

Bob Middleton finds something to laugh at.

We don't, to this date, know who iced down the oysters for the duration of Snark Champ's visit, but we do know that he was well entertained by Laurel Building Supply and Martin Wiegand until his departure.

I have now confirmed that Snark and oysters had a safe trip back to Kansas.

In April the Washington, D.C. Club had its annual night at the races with two bus loads of members and guests indulging in the festivities at Shenandoah Downes in West Virginia.

May's meeting consisted of a rained out golf outing and election of officers for the next Hoo-Hoo year. Election results were as follows:

President, George Dockeray
Vice President, Jim Joseph
Sec./Treas., William Dockeray
Chairman, Howard Jesneck
Director, Neill Dumont
Director, G. Dove

The close of the meeting saw R. Green win the door prize, and Lee Roberts winning the 50/50.

June's make-up golf outing was won by Marty Wiegand with low net, and low gross to Ross Robinson. Door prize was won by George Dockeray and the 50/50 was won by John Golvin.

Vancouver

Club #48

Vancouver, B. C., Canada

On April 13, 1978 at the Sir Walter Raleigh Restaurant, the Vancouver Hoo-Hoo Club #48 had a Concat and Stag Night. The event was very well attended and everyone had a hilariously good time.

They brought 25 new members into our Order which brings that club's membership in the vicinity of 225 paid members.

Al Rendle and Bud Facey were the Co-Chairmen for the evening.

Then on May 4th was Club 48's annual Fund Raising Dinner at the Terminal City Club. This event is held each year to raise money for the running of the Junior Forest Warden's camp at Evans Lake in British Columbia.

Deputy Supreme Nine Member Jack Jacobson reaches into the barrel for another lucky number.

Club President Joe Gosse and Vice President Rod Noga are about to give someone the "bad news."

The event was a complete sellout. The first ticket drawn (worth \$100) was that of Chris Potter and the last ticket drawn (worth \$5,000) was that of B. Johal.

Morley Deans was the program chairman and he was assisted by Ed Reid and Omar Derrach.

And on June 8th Club #48 held the Annual Golf Tournament at the Glenacres Golf Course in Richmond, B.C. A record number of 140 golfers turned out for the affair which featured many prizes furnished by the companies throughout the local area. A cup was given for low gross and lot net.

Low gross was won by Ian Shopland (74) and low net was won by Ted Smaback. Closest to the hole was won by Ian Shopland and Barry Tyer while Barry Tyer and Bill McKechnie won the longest drives.

Club #238
Colville, Washington

Steve West, reporting for N.E.W. Club #238, tells us that on April 17th there were sixteen new members brought into the Order. Thirteen of them were for their own club, and three were brought up from the Spokane Club #16 for initiation.

Chuck Wright was not able to attend this concat because of an injury to his right hand, but it was voted unanimously to accept him without initiation.

"We appreciated the Spokane Club's participation," said Steve, "and we had some dignitaries as well. There were Gene Zanck, 1st Int'l VEEP; Larn Champ, Snark; Ernie Wales, Rameses #50, and John Howard, President of the Spokane Club."

The evening included a slide presentation and display of axes used in college logger's competition. This was presented to NEW Hoo-Hoo in hopes of entering such a competition in local fairs with N.E.W. sponsorship.

At the head table are Gene Zanck, 1st V.P., Club President Gene Kinder and Snark Larn Champ.

Central Florida
Club #115
Orlando, Florida

In conjunction with the Florida Lumber and Building Materials Dealers Association Convention in Orlando, Florida April 14, 1978, the Central Florida Hoo-Hoo Club #115 was reactivated through the efforts of Dick Wilson 51796, Supreme Nine Member of Jurisdiction IX, and several of the members of the Miami Hoo-Hoo Club #42, plus other regular Hoo-Hoo members who participated in the reactivation ceremonies.

The final result was that the Central Florida Hoo-Hoo Club initiated 16 new members and accomplished 10 reinstatements that fine day in Florida.

Left to right are Joe Ledford, Florida Deputy Supreme Nine; Dick Wilson, S-9 for Jurisdiction IX; Larn Champ, Snark of the Universe, and Archie Brott, President of the Miami Hoo-Hoo Club #42. Larn Champ is presented a Florida Cypress clock in appreciation for his visit to Central Florida. The clock was presented by and from the Miami Hoo-Hoo Club #42.

N.E.W. Club President Gene Kinder and Snark Larn Champ have a laugh over the hard hat.

But that is not all! There were many members-at-large in attendance from all over the state of Florida and there is a movement afoot to reactivate the Fort Meyers, Florida Club, also. Also, the Jacksonville, Florida Hoo-hoo Club is interested in becoming an active organization again after many years of dormancy.

Hoo-Hoo Salutes
Nels Huseby 52317

The Sioux Valley Hoo-Hoo Club #118 had a fantastic meeting on February 14th at the downtown Holiday Inn in Sioux Falls, S.D. "We initiated 19 new members that night," says Club President Bob Lewis, "and our meeting was followed by a social hour and banquet (and dance) at the Arkota Ballroom."

The club is planning a golf party for June to be held in Brookings, S.D. which will be Nels Huseby's Appreciation Day in honor of the lumberman from that city. He has just retired as club Secretary/Treasurer after 29 years of devoted and capable service. Nels has divulged his age to be 79 years.

Nels was born in Norway and came to South Dakota with his parents. His father was a building contractor and lumber dealer in Baltic, S.D.

Nels was engaged in the retail lumber business in Brookings.

In 1949 he was one of the 50 charter members of our Hoo-Hoo Club and has served continuously since then as Secretary/Treasurer until his retirement in April.

Program Committee members for the evening were Verne Anderson, Bob Bauman and Bob Lewis.

Birmingham
Club #172

Birmingham, Alabama

Through the efforts of Dick Wilson 51796, Supreme Nine Member for Jurisdiction IX, the Birmingham, Alabama Hoo-Hoo Club #172 was reactivated after many years of dormancy. Dick says he is sure that the club will thrive.

There were thirty-three new members brought into the Order plus a few reinstatements. The club will have about 10 more new members shortly for the men who could not make it to the concat.

The degree team consisted of

Club #118's new members include (1st row) Marv Symes, Ephriam Kapp, Francis Zigaty, Ed Knutson, Harley Bowquin and Mark Sorenson. 2nd row: Art Kautz, James Meade, Jerry Carlson, Richard Wooton, Douglas Fritzsche, Vaughn Hoskins, Mike Strumm, Marty Zeeck and Garry Mittler. Not pictured are W.R. Findley, L.J. Hoffman and W.I. O'Brien.

The Sioux Valley Club's Degree Team included: 1st row: Robert Kerwin, Clem Hoppel, Lee Johnson and Merwin Hendricks; 2nd row: Dale Wier, Dave Morton, Terry Penning, Wendall Ames, Bill Scott and Don Green.

Weems Jones, Mike Day, Ron Coker, Harry Anton, Carl Scheneck and Bruce Roberts.

Also, Joe Niolon, Jr., Roland Arent, Dee Horton and Larn Champ, Snark of the Universe, was the visiting officer.

Newly elected officers of the Birmingham Club are as follow: President, **Harold Fletcher**; 1st V.P., Collie Follett; 2nd V.P., Ed Galt; Secretary, Lorne Whiskin and Treasurer, Bill Rice.

The Directors are: Van Marcus, Zollie Derryberry and Ed Taylor. The Vicegerent Snark is Michael Bailey, and the Deputy Supreme Nine is Doug McCary.

For the 24th time the Shasta-Cascade Hoo-Hoo Club #133 held its annual Ladies Night on February 18, 1978 at the Red Lion Inn in Redding, California. It was the best ever, thanks to Co-Chairmen John Crane, vice president, Bob Shepard, Secretary and Craig Gilbert.

The huge dinner dance plus many door prizes and other "give-aways" brought out the usual crowd.

Renewable Resources

After you've made a sizable investment in America's renewable resource, you want only the best transportation possible.

We understand.

And that's why our investment in a transportation system can pay off for you.

Just as you've found ways to double the yield from each acre of land through careful forest management, so we've found ways to do more with our railroad. In fact we began preparing for your business long ago.

Last year, we poured \$180 million into new equipment, track, and facilities. Among other things, that money bought 90 new locomotives, thousands of new freight cars and three quarters of a million new cross ties. Last year wasn't an exception. Over the past decade, we've invested more than a billion

dollars in our roadbed alone.

We've done all this to attract your business. And we expect to keep it.

We can handle it.

Numerous slides of the "Sky Crane" in action were shown. The average cost of this helicopter is in the area of \$6 million, or about the same as a modern sawmill. This machine is used only in the logging industry where heavy lifts and fast operation can be performed.

Average cost of operation is \$60 per minute and must stop every 50 minutes for refueling and maintenance. It makes a round trip every three minutes from the logging site to the landing and will handle 25 million logs per shift.

Only lumber operations with a helicopter bid on timber in

remote areas and average stumpage values in these areas are about one third of those that can be logged by conventional tractor operations.

Following the slide program a question and answer period was held and most all in attendance participated.

The Shasta-Cascade Hoo-Hoo Club #133 held its 10th annual Burney Bash on March 24th at Burney, California.

Irish turkey (Corned Beef and Cabbage) plus keg beer followed a lengthy cocktail hour.

Over ninety members and guests from Redding and surrounding areas attended and all had high praise for committee chairman Ron DeWitt for putting on this annual as well, if not better,

than before. He had good help from previous chairmen Brandy Brandeberry and Harveu Witherspoon.

Again, Harvey's wife, Donna, did a superb job of decorating the hall - all in a forest and logging motif.

The momentum for this annual affair continues. A.L. Kerper L-44255

**Cowichan Valley
Club #229
Duncan, B.C., Canada**

Bob White 83716, reporting for the Cowichan Valley Club #229 tells us of a \$50 Fund Raising Dinner held at the Rotary Kin Hall in Chemainus, B.C. in February. Sixty members turned out with about ten more who cooked and served with the sun shining bright and warm. A good time was had by all and we added about \$900 to the club's coffers.

Winner of the top prize was Ed Probyn.

For this very successful event R. Hinchliff and B. King should be congratulated. Since this event, Bruce King has had open heart surgery and the report is that the operation was

successful and he is doing very well.

On May 6th, about 48 members turned out for a golf outing at Mount Brenton Golf Course in Chemainus. The weather cooperated beautifully. After the tournament the members turned their hands to barbecuing their own steaks (not one complaint!)

There was a fine selection of prizes and trophies for the various winners. Club vice president Gary Urton won the low gross and G. Koster won the low net. The club team consisted of the above two men plus Al Wallace who won the team trophy. This trophy is for friendly competition between the Cowichan Club #229 and the Victoria Club #183.

Our thanks to Joe Facey, program chairman, for a job well done.

In March the club had a general meeting and concat at the Village Green Inn. It was another successful dinner meeting with very good attendance which made for an interesting and spirited night.

All the clubs elected directors presented their reports at this time. I would like to congratulate these directors for the hard work they are putting into their respective positions. It's this kind of work that makes our club as successful as it is. We brought six new members into our Order which brings our total to over 100 members.

On June 5th club #229 participated in the sponsorship of the Cowichan Valley Day. One of the club's projects is to help sponsor this day at the British Columbia Forest Museum. We provided ice cream

Annual Report

We now begin our tenth year of operation with the following officers in charge of our growing club. Harry Stuchell 49775 Pres; Cliff Barlament 79090 Vice Pres; Ron Smith 81755 Sec-Treas; C. Corbin 78835 Vicegerent; Tom Dolan Business Mgr; Directors are Gordy Iverson 82104, Dick Weiss 81527, Ed Mason 68305, Doug Greenshields 82817, Scott Findlay 83660, Frank Roesler 80157.

The past year under the leadership of C. Corbin we experienced one of the most active years of all. The membership grew and the meeting attendance averaged out at 112 per meeting. The nine meetings of the year included a Turkey Shoot, Christmas Party, Crab Feed, and our Annual Golf Tournament. Our other meetings brought many interesting guest speakers to our platform.

All the special meetings and events were very well organized by the various Chairmen responsible for the affairs. Many of our members served willingly on the committees and this spelled success and super enjoyment for our members. Our new Club Golf Champion is Bill Kunzmann of Bellingham.

The Westport Fishing Trip was held the first part of June and the report was that the seas were very clam and so were the fish. There are plans in the works for a fall trip to the Seattle Watershed area. This could be something very special to all the members. A new event was added at the golf tournament. Arm Wrestling. The younger members wiped out all the mature members with some strain.

Club golf champ Bill Kunzmann and Gary Kieland, golf chairman.

Gary Jack, proud winner of the low gross.

Dick Thompson, 2nd low gross.

Darryl Long was also a winner.

Arm wrestlers at work.

Here's Jeff Loth, new club arm wrestling champ, heavyweight division.

The yearly financial report showed a modest surplus and no raise in local dues will be needed. We were represented at the Portland International Convention by President C. Corbin, Tom Dolan, Neal Mix, and Gil Emory. At the May Jurisdiction Meeting the club had eight members and their wives present. They say it was one of the best in recent memory. The Calendar-Roster will be

available before the September meeting and all member should request one from a board member in the area where he lives. There will be changes so study it carefully. We thank all the members for their strong support this past year and hope that some of the casual attenders will begin to join in more often and enjoy the fraternalism of this great club. See you all in September.

Nutmeg

Club #199

Hartford, Conn.

The Nutmeg Hoo-Hoo Club of Connecticut #199 held its regular May meeting at the Cabin Restaurant in Meriden Connecticut on May 9th. It was election of officers, first on the agenda, and the following officers were elected for the coming Hoo-Hoo year: President, Bill Lowrey 76393; Vice President, Archie Dworman 57112; Treasurer, Dave Derby 80547, and Secretary, Dick Wilson 71895.

Vicegerent Snark is John Caruso 66704 and Deputy Supreme Nine Nominee is Fred Dunne 68371.

Club Directors are: Chuck Adams 58932, Don Ginn 74774 and Leon Slomkoski 49898.

It was also **Old Timers Night** wherein all those members with Hoo-Hoo numbers below 60000 were treated to a free meal. A discussion of programs for the coming year, and a round of who could tell the best joke was also featured.

Once again, this year we will participate with the Connecticut Retail Lumber Dealers Association Golf Outing to be held at the Indian Hills Country Club in Newington, Conn.

We have a live wire in our new club President, Bill Lowrey.

Mississippi Valley

Club #131

Rock Island, Ill.

About 60 interested parties showed up for the reactivation of the Mississippi Valley Hoo-Hoo Club #131 on April 10th, 1978. New officers for the inactive club were voted into office. They were: **Dillon Franks** 80005, President; **W.K. Olson Jr.** 72762, 1st Vice President; **Dallas Eblen** 80684, Secretary/Treasurer, and **D.F. Mills** 69075 was elected Vicegerent Snark.

A mailing was sent out to past members and to prospective members, and the first meeting was held on May 22nd, 1978. We had a guest speaker who gave a presentation on the local mortgage loan problems and situation.

We are pleased and optimistic about the future of Club #131.

Everyone there seemed to be having a good time.

Club #183

Victoria, B.C., Canada

Fred Frudd 73230, reports that the Victoria Club held a concat May 18, 1978 at Jack Lee's Chinese Village. After Cocktails and an excellent dinner, 10 new members were initiated to the order. The degree team consisted of the late Gordon Doman, Peter Small, John Storie, Wiggha Yubb, from the Cowichan Valley Club #229 and Rudy Reicheneder, Robby Robinson, Bruce Woodrow,

Frank Krieger and Tommy Blackwood of the Victoria Club. The new members are Doug MacFarline, Richard Krieger, Robert Day, Bruce Smith, Robert Eddy, Sam Crisp, William Bean, Norman Trace, Bruce Davidson and William Barr.

On June 16, 1978 the Victoria Club held its annual general meeting and election of officers at the Princess Mary Restaurant in Victoria. After Cocktails and Dinner the election of officers to take office in September was conducted by the nomination chairman Duff McCaghey 71549. Elected for Snark, Rudy

Reicheneder 75229, 1st. V.P. Robby Robinson 68558, 2nd V.P. Bruce Woodrow 79644, Sect./Treas. Doug Donald 77244. Perhaps Gene Zanck and his lovely wife Jackie will accompany Larn and his wife to this outing. President Champ was the guest of our Social Chairman, Holly Larson, after his arrival from Spokane and Holly takes his entertaining of guests very seriously.

After the Snark had been duly introduced to the group by Holly Larson he gave a very enlightening talk with the theme "Love". Even though this was a joint meeting with wives there was so much business to conduct that we had a regular meeting. Gary Hurd talked about the Big Sky Logging Championship which we will host June 17th and 18th. This championship is the 3rd largest in the United States. Virgil Walter reported on the Northwest Helicopter Service which is on standby 24 hours every day to assist persons in need of medical attention through accidents or sickness. Our industry relies on this service to bring injured workers out of the woods to the hospital. The helicopter service is in need of financial assistance and Virgil asked industry for donations.

North Idaho

Club #155
Coeur d'Alene, Idaho

North Idaho Hoo-Hoo Club #155 again conducted the Loggers Contests at the annual Coeur d'Alene Days celebration May 13, 1978. This was also a celebration of the 100th anniversary of the founding of the town. The weatherman did not cooperate, it was cold and wet, but the event was a success regardless. This event is for men, or women, who take part for the fun of it. There are no cash prizes, and the 'pros' are not invited. The Davaz Logging Co. team won the Lucky Lager team trophy for the third time, and was given permanent possession at the club meeting May 18. D.E. Davaz, 84235, is a club member.

Hoo-Hoo in charge of the contests were H.M. Kitzmiller, 76397, and D.E. Weistaner, 78528, but many others helped.

The North Idaho Hoo-Hoo Club #155 had a regular monthly meeting on April 20th, 1978 at the Iron Horse Restaurant in Coeur d'Alene, Idaho.

The business of the meeting was mostly concerned with the Coeur d'Alene Days logging contests, and the woodworking contest on May 13th.

We will have a joint boat trip with the Spokane Hoo-Hoo Club #16 and other clubs - the exact date has not yet been set.

A nominating committee for the 1978-1979 officers was appointed.

On April 18th we had the privilege of having a luncheon with the Snark of the Universe, Laurin Champ L-75820.

At our April 20th meeting we initiated three new members. They are: Darrell A. Benson, Edwin R. Haglund and Martin J. Zimmer.

A door prize of a fifth of scotch, donated by the club, was won by Joe Zimmer, one of the new members.

the Iron Horse Restaurant in Coeur d'Alene. Reports indicated that the logging contests were a success, but the fund raising project was only partially so. The Davaz logging Company won the Lucky Lager Trophy team trophy for the third time in a row and was given permanent possession. The

woodworking contest had to be cancelled because of lack of space.

Nominated and elected to take Club Office in September were the following: W.P. McCarty 84236, President; K.L. Olson 83040, Vice President, and Carl G. Krueger 62636, Secretary/Treasurer. A Second Vice

Snark of the Universe, Laurin Champ, made his annual pilgrimage to Gurdon, Arkansas, the Birthplace of Hoo-Hoo recently. He and other officers of Hoo-Hoo were guests of the Gurdon Hoo-Hoo Club at a supper at the Hoo-Hoo cabin. Looking over the monument were Charles Cabe,

member of the Gurdon Hoo-Hoo Club #120, who was the host to the Snark, Gary Hester of Houston, TX, a member of the Supreme Nine, Buddy Durham of Houston, TX, Jim Brown of Austin, TX and Deputy Snark of Texas, and Peter Rudolph of Gurdon, ARK, the Arkansas Deputy Supreme Nine.

President will be elected at the September meeting.

The program was a talk on research in the utilization of dead white pine, given by Dr. Shell Christofferson of the University of Idaho College of Forestry.

W.P. McCarty was the program chairman and he was assisted by John Howe. L.L. Mason won the door prize of a fifth of Canadian Whiskey which was donated by the club.

same time and he and Gene Zanck joined us at our home. Gene has requested that I send this photo to you in the hopes of publishing it in the LOG & TALLY.

It was a wonderful evening when we mixed Rotary and Hoo-Hoo at the same time as we had the top two officers and the Rameses at our home along with the District Governor nominee of Rotary from Nishinomiya, Japan, and a former City Council Member.

I believe we served Lurn Champ his first Saki as well as other goodies that my wife, Ellen, had prepared.

Ernie L. Wales and his wife, Ellen, attended the 25th Anniversary of former Supreme Nine Member Joe Evans and his wife, Evalyn. Joe is from the Evans Lumber Company of Buffalo, New York. Joe married the former Evalyn McCoy Wallis in Superior, Montana in March of 1953. My wife, Ellen, and I were their attendants. They met at the Hoo-Hoo International Convention in Spokane back in 1947.

The Spokane Hoo-Hoo Club #16 met with the Spokane Rotary Club on March 16th to hear a very fine speech by a former lumberman, Robert Holding, Manager of Wood Products Association in Missoula, Montana. This was a very successful, joint meeting.

Also, former Hoo-Hoo Club President as well as former Rotary President and past District Governor Greek Wells was honored at a special day in a special program at the Rotary Club meeting on April 6th.

The Spokane Hoo-Hoo Club #16 has the final results of its annual Woodworking Contest which the club sponsors in the local junior and senior high schools each year. It was their 12th annual contest.

In the large furniture division first place was won by Rick Van Leuven; 2nd place by Keith Backtold, and 3rd place by Ken Schlepp.

In the medium furniture

division first place was won by Mark Oye; 2nd place by Randy Gallion and 3rd place by John Engle.

In the small furniture division first place was won by David Hodge; 2nd place by Dana Hopkins and 3rd place by Barry Litton.

In the specialty Division first place was won by Keith Backtold; 2nd place was won by Mark Higginbotham and 3rd place by Merelene Stenson.

The Junior Division 1st place was won by Jeff Workman; 2nd place by Doug Dixon (deceased) and 3rd place by Mike Johnson.

In the Junior Division Doug Dixon (deceased) was the 2nd place winner. He (and others) had been released from school to see President Carter when the President was in Spokane. On the way home, he and others chased a squirrel that ran into an irrigation pipe. Doug picked it up to shake out the squirrel and the pipe hit a high-power line and he was electrocuted. His parents had us make the savings bond in the name of Doug's younger brother. Both Mr. & Mrs. Dixon came to our meeting and accepted the award for Doug. It was a very emotional time, and President John Howard called for a silent prayer for the parents, stating "Doug is O.K., but let's pray for comfort for his parents." Believe me, his parents are grateful to Hoo-Hoo for this posthumous recognition.

The other thing of newsworthiness is that the instructor for Garry Junior High winner, Mr. Randy Lothspeich, announced that he had gone "full circle" as he had been a student winner in our contest a few years ago.

Another note - the Spokane Hoo-Hoo Club #16 has officially nominated one of its members, Eugene Zanck L-68162, for the position of Snark of the Universe for the coming Hoo-Hoo year. This had been inadvertently omitted from an earlier edition of the LOG & TALLY magazine, and the editor apologizes for this omission.

Club #23

Houston, Texas

The Houston Hoo-Hoo Club #23 held a regular monthly meeting at the Marriott Hotel in Houston on March 23, 1978. It was more than a regular monthly meeting because they had a concat and brought thirteen new members into the Order. The club now has 160 plus members - all paid.

Says Leonard Craig, reporting for the club, "we have been having a little trouble with members making reservations to attend the meetings and then failing to attend, so a resolution was passed to bill members if they say they are coming and fail to do so. It has worked well so far."

Tom Fair, a club past president, had open heart surgery and was reported to be doing well. He is now back at work and looks wonderful.

The Houston Chemical Company sponsored the cocktail party.

The balance of the meeting was devoted to discussion and a call for volunteers to work on the golf tournament coming up in May.

The May Golf Tournament was held on May 11th at the Inwood Forest Country Club

with some 200 members and guests attending. It was another financial success and a good time was had by all.

Club #23's June meeting was held at the Marriott Hotel in Houston. Forty eight members and guests attended but a few of our members were in Dallas, Texas to help reactivate the Dallas Club.

The cocktail hour was sponsored by Loessin and Herndon Lumber Company.

The program chairman was the club president, Cliff Shafer.

During the cocktail hour and between courses at dinner, there was dancing to a large 15-piece orchestra which favored the music of the big band era of the 40's and 50's.

The Harry L. Folsom Hoo-Hoo Club of Boston celebrated "Old Timer's Night" on May 1 at

Knights of Columbus Hall, 1211 Highland Ave., Needham, Mass.

The well-attended dinner meeting also featured a Short Form Concat and the Election of Officers for the 1978-79 year.

In a departure from the usual procedure, the Degree Team was made up entirely of the veteran lumbermen holding the lowest membership numbers in the Folsom Chapter. Nine new kittens were put through their paces to become new members in the largest club in the

International Hoo-Hoo organization.

Members voted for the following slate of officers for the upcoming year: William F. Cotting, Jr., President; Arnold L. Tarmy, 1st Vice President; Alden P. Hatheway, 2nd Vice President; Jack W. Deylin, Secretary; William H. Balsor, Treasurer; and Ronald J. Harvey, Ex-Officio.

Pat Carmody, reporting for the Detroit Hoo-Hoo Club #28, tells us that the March meeting was another successful event for the club. Featured at this meeting was Bruce Robinson, noted authority on market and economic forecasts, gave his famous "Robinson Report" to our interested audience.

Cocktails and dinner were served at this event.

Mr. Robinson provided a lively and informative format.

Pat Carmody was the program chairman, and he was assisted by Joe Dewey, Jr., George Poulos and Tom Osborne, Jr.

There were over 75 members present. Larry Hayes won the \$25 cat award and Randy Taggart was the winner of the 50/50 drawing.

Joe Dewey, Jr. and Bob Carper were co-chairmen of the event which was attended by over 50 people.

At the Detroit Club's regular June meeting, the Ambassador from Canada, Bill Bader L-75318 told us all what's in store for all Hoo-Hoo members and their wives when they attend the Toronto International Convention in September.

As usual, Bill did an excellent job and we are confident that our membership will be well represented at the convention.

Bob VanEvery, Supreme Nine Member for Jurisdiction II, and his wife Marilyn, will host a pre-convention cocktail party in preparation for the Toronto Convention.

Bill Graves and Dusty Anderson were the co-chairmen for the evening. Sixty members attended the meeting and Jim Miner won the 50/50 drawing.

Jurisdiction III Conference

I am reporting to you in regards to our Jurisdiction III Conference which was held May 5, 6, & 7th at Kah-Nee-Ta Vacation resort in Warm Springs, Oregon.

We had a fantastic weekend. The weather was beautiful, the food and drinks outstanding. We had reps from almost all the active Hoo-Hoo clubs in the J-III. We also had an abundance of dignitaries. Snark of the Universe Larn Champ and his wife Maxene, 1st VP Gene Zanck and Jackie, 2nd VP Gordon Doman and Betty, S-9 J-II Bob VanEvery and Marilyn, S-9 J-III (THE BIG BOSS) Dan Brown and Elouise, State Deputy Snark Louie Busch-

bacher and Donna (Northern Oregon), State Deputy Snark Al Meier and Georgia (Western Washington), State Deputy Snark Norm Mikalson and Mabel (The birthday girl)

The Boss of Jurisdiction III, Dan Brown 74477, "Bad News No. 2."

(Eastern Washington).

The festivities started Friday evening with an out of doors Salmon Bake with real Indian Dancers. Saturday morning the men had 5 hours of conferences that were very beneficial to all in attendance. We had reports from all the clubs and state deputy snarks on what everyone is doing. We exchanged ideas to make the clubs better and easier to run. Words of Wisdom flowed freely from the visiting dignitaries, reports were made by them on their numerous travels and meetings.

The women had Saturday morning free to ride horses, play tennis, golf, swim or chase INDIAN BRAVES. I'm not sure how they did on the latter event. We did see a lot of happy Indians though.

Saturday at noon we had our annual Golf Tournament. We had 32 pro golfers in attendance. Some of the real hardy ones were going to rough it and walk the 18 holes until a local fisherman brought up a 4' rattlesnake from the river next to the 1st and 2nd hole. There was a mad dash to the pro shop for golf carts. Reports from the local pro were that he was offered up to \$100.00 for a golf car, so much for the real hardy golfers.

Golf awards were presented at the Dinner that evening. Dale Johnson, Portland Club took 1st Low Gross with a scorching 78. Al Nistad, Paulina Club won 2nd Low Gross with an outstanding 82. Steve Kallberg, Seattle club and Neil Brown tied for low Net. Steve won the coin toss for 1st low net and Neil received honors of 2nd low net. KP on #1 was Ted Fullmer, Portland Club, KP on #10 was Larry Hurd, Tacoma-Olympia club, Long Drive on #8 was Ted Fullmer, Long Drive on #18 was Jim Lewis North Cascade club. There was some question as to how Ted received two awards especially since he was the golf chairman and in the very last foresome. Bob Donnelly, Eugene club stood up in his defense and vouched for his honesty. Everyone knows that all Sawmill Sales Manglers are of the utmost integrity and after all Ted did play with no less than two of these fine Hoo-Hoo. We all agreed that Ted must have got lucky. We should also mention the winner of high gross for the tourney, Gary Powell, Seattle club with a 132. I think Gary must have remembered that Rattle-Snake.

Sunday morning was started out with a buffet brunch followed by an Art Show and Auction. Plans were already being made to have another Conference next year.

Highlights for the meetings on Saturday morning were reports from each club concerning what they are doing to help improve their clubs. It is an excellent

The Willamette Valley Hoo-Hoo Club #33 held its 37th Annual Golf and Fun Fest on June 16th — one week later than originally planned because of the NCAA golf championships. The NCAA's were held in our liquid sunshine while one week later we were blessed with a beautiful sunny day.

Individual winners for the day were George Champion, low gross; Ed Holmes, 2nd low gross; Ed Holmes, 2nd low gross; Gary Davidson, 3rd low gross.

Low net was won by Bob Collier; 2nd low net by Bob Park; 3rd low net by Paul Streight.

In the Calloway George Drake took first; Franz Miller 2nd; F. Bailey 3rd; K. Watt 4th; H. Johnson 5th; Dick Gann 6th and Doug Hones 7th.

There were long drives and K.P.'s to numerous to mention. Of note, however, was the K.P. by R.F. Olson on #12. He was awarded \$100 donated by the Cone Lumber Company of Goshen, Oregon. Mr. Olson came just 16 inches from a hole-in-one! Another K.P. winner walked away with a portable T.V. set. First prize in the chipping contest held on the Patio was Gary Hellwege, a very skillful winner.

opportunity to exchange ideas to help improve all the clubs in J-III. We do realize however, that J-III is the best in all of Hoo-Hoo and of course the largest. We also intend to maintain this distinguished position.

Louie Buschbacher, Portland club, and Norm Mikalson, Spokane club, announced that they intend to run for Supreme 9 J-III in 1979. These two men will be campaigning throughout the Jurisdiction for the remainder of this year. Both men are very well qualified for the position and we wish them both the best of luck.

Snark of the Universe, Laurn Champ, our special guest for the event, spoke to us about the meaning of Hoo-Hoo. Later, Dick Tutt, Club President, presented the Snark with a 7-foot hand painted whip saw depicting a typical Western Oregon scene.

Mark Allen was program chairman and, as usual, through his efforts the evening was a total success.

On September 22nd, 1977, club #33 had its first Concat and brought 15 new members into the Order. The event was held at the Thunderbird Motor Inn in Eugene, Oregon.

Chairman Daryl Richardson put together the special tests for the new members and deserves most of the credit for the success of the evening.

The fifteen new members are: Don Campbell, Dan Davis, Jerry DeMarco, Chuck Lowe, Ron Burke, Terry O'Toole, Charles Madsen, bob Donnelly, Don Hudock, Terry Hickson, Jack Masson, Roger Forrester, Darrell Whitesell, Gene Klohs and Ray Daniel.

Granite State

Club #107

Manchester, New Hampshire

On Monday, June 12th, 1978, the weather was most cooperative with the Granite State Hoo-Hoo Club #107. This was the day of the annual Clambake.

Held as usual at Simpson's Pavilion, Dover Point, Durham, New Hampshire, the popular summer gathering was hosted again by Harold Littlefield of Littlefield Lumber Co., Portsmouth, N.H. Somehow, Harold managed to keep the price at \$12, for two lobsters per lumberman, plus the usual chowder, steamed clams, dessert and coffee. On top of all this, there was plenty of free beer all afternoon and evening and large chunks of Harold's famous cheese spotted at convenient locations. In fact, Harold even threw in an open bar this year.

The club was honored by a special visit from the current Snark of the Universe, Lurn Champ. Lurn, who is even more traveled than the previous Snark, Bill Bader, followed Bill as the second Snark in history to attend the New Hampshire Outing.

Some of the members arrived at mid-afternoon for some horse shoe pitching, but the bulk of the crowd arrived around the social hour after a hard day at their respective lumber yards.

There was plenty of free beer and the famous cheese that Harold manages to get every year and an open bar, not to mention the "hospitality wagon" set up by Doug Webb and his Saxonville Wholesale Warehouse gang. The serious eating started about 7:30 p.m. with the chowder, steamers and lobsters. The beefeaters had a choice of steak at the same price, but there were few takers.

Following the dinner, there were many ticket-holders. The new slate of officers of the Granite State Hoo-Hoo were announced and the outgoing president, Bob Silberblatt presented a handsome plaque to the Snark, Lurn Champ.

Lumbermen came from far and wide to the New Hampshire Club's Clambake. They came from Maine, New Hampshire, Vermont, Eastern and Western Massachusetts and even Rhode Island.

The Club Clambake Organizer, Harold Littlefield, left, poses with his capable assistant, Bill Trobec.

Two lumbermen decided to sell their businesses, pool their resources, and buy a cocktail lounge. They immediately closed it and began to paint and fix it up inside. A few days after repairs were completed and there was no announcement of the re-opening, a friend asked one of the new owners:

"Say, when are you guys gonna open this place up again?"

"Open up, hell," replied the ex-lumberman, "we bought this place for ourselves."

Dear Cliff:

Greek Wells is an outstanding man, a fine Rotarian and exemplifying the Community Service avenue of Rotary, Greek is a fine citizen.

Ellen and I cut our holidays short by a day and flew all night from the dominican Republic (about 22 hours in transit) to be here in Spokane for me to honor Greek, and for Ellen to give the nominating committee report for Women of Rotary.

Greek's interest has gone beyond his patent law practice, with his interest in our country's natural resources and especially the timber industry. Greek served for several terms as chairman of the Timber Products Bureau of the Spokane Chamber of Commerce.

Jane Elmore and Mrs. Helen Moore and two half brothers; Luke Gavotto of Fresno and Carl B. Gavotto, L36385 of San Diego.

Vernon M. Mattson L32185 of Newtonville, Massachusetts and a longtime active member of the Harry L. Folsom Club of Boston, died on April 18, 1978 at the age of 85. Brother Mattson was the former owner of the Watertown Lumber Co. of Watertown, Mass., a firm which he operated for 55 years. He was also involved, among other civic interests, in the Watertown Rotary Club and the Fraternity Lodge. He was recently awarded an Honorary/Lifetime membership in Hoo-Hoo having served as a member for over 50 years. He first joined the Hoo-Hoo fraternity at Boston August 14, 1922. He is survived by his wife, Anna (Cavanaugh); two daughters, Dorothy A. of Newtonville and Elizabeth M. Fitzgerald of Maine and a son, Vernon Jr. of Weston.

Through this association, he was invited to join the Spokane Hoo-Hoo Club #16 and Hoo-Hoo International. Greek gave that group of his talents, knowledge and experiences. He served as a Director, Vice President and then as President of the Spokane Club.

As a long time secretary of the Spokane Club, it was my pleasure to serve one of my terms under Greek's presidency.

With all of Greek's accomplishments and honors, he is still humble enough to call me "boss."

As we say in Hoo-Hoo, Greek, "we wish you health, happiness and long life."

Dear Cliff:

Received the parcel and letters and want to thank you and Lois very much for all the work you put into the research for us.

Everything here will be used in my "History of Club #48" and will give us the records we really needed.

...Again, thanks for a wonderful job by both of you.
Fraternally,
J. Earl Wilcox
Vancouver Club #48

Ed. Note: Mr. Wilcox was so grateful for the work done by Mrs. Neilson that he wired a beautiful plant to the International office for Mrs. Neilson.

The Directors of Rockwell Lumber Company, Houston, Texas, in a meeting June 6, 1978 elected by acclamation Mr. William A. Russell to be Executive Vice President of Rockwell Lumber Company.

Mr. Russell has been an industrious and energetic manager and we are happy to have him as a director of the corporation.

Dear Cliff:

Thank you very much for your nice letter of June 29.

The S-9 lapel pin and certificate of office arrived in fine shape. I am certain that I will need lots of help from you and Jimmy Jones to fulfill the duties of this office. It came as quite a surprise to me.

You may rest assured I will do the best I can for the benefit of Jurisdiction VI and Hoo-Hoo.

Sincerely yours,
SAN JOAQUIN HOO-HOO CLUB #31

Dear Cliff:

The nomination of Jimmy Jones as 1st V.P. of International is a great step forward.

Through the years of being acquainted with Jimmy, this man symbolizes what Hoo-Hoo stand for.

I wish to second his nomination and to add that through such capable men as Jimmy, Hoo-Hoo will continue to grow and prosper for many years to come.

Fraternally,
Gary B. Hester 81283

Dear Cliff:

Thank you for your letter of April 5. I am pleased things looked pretty good this year.

The fact the Order has continued to exist through thick and thin means to me that the Order has something to offer the lumber industry.

Ken Hallgren told me today that we had a meeting in Quad Cities, and it was a good one. I had planned to attend, but it was not to be. Some day soon I will go down there and see if I can help in some small way. It's been about 10 years but there should be some of the old timers around to reactivate.

Bob VanEvery wrote and said, among other things, that he planned to leave the Supreme Nine for the 2nd V.P. position. Should he elect to do so, I hope Ken Hallgren succeeds him. Ken is a good man with the good of the order in his heart and mind.

Health, Happiness and Long Life.

Sincerely,
Clarence E. Sandstrom 45016
Past Supreme Nine Member.

thanks for all the effort he has put forth this past year on behalf of Hoo-Hoo International.

The coming year in our area will be most active for our Hoo-Hoo members and we will continue our efforts to maintain an interesting and active operation for our large membership.

Dear Cliff:

The Roger Williams Hoo-Hoo Club #51 would like to place the name of Domenic Gautieri 67739 as Secretary/Treasurer of Hoo-Hoo International for the year 1978-1979. Domenic is a 20 plus year member of Hoo-Hoo and the Roger Williams Hoo-Hoo Club, and, having been International assistant treasurer for several years, we believe he would be an outstanding treasurer.

Respectfully,
Peter Hoogerzeil, 1st V.P.

Ken (Pop) Joy Receives Thanks

Ken (Pop) Joy L-44088 - a past Supreme Nine member of Hoo-Hoo International - casually dropped into the office recently with two large boxes of old Hoo-Hoo Bulletins, Log & Talys, letters and other memorabilia which he donated to this office.

Some of the magazines go back to 1930 which was the year that Ken joined Hoo-Hoo International in Boston, Mass.

Among other things donated by Ken was a picture of Benjamin F. Springer L-34265; Rameses 37 and Past Seer of the House of Ancients.

Ben was born December 14, 1887 and died March 6, 1974 in Milwaukee, Wisconsin.

The picture below is one of Ben taken at the International Convention which was held in Boston in 1950.

"April 19th was Railroad Night for the Black Bart Hoo-Hoo Club #181," writes Jimmy Jones, a member of that club. "As usual there was a great group in attendance. Good food and lots of prizes, plenty of friendliness and a swell time was had by all."

Hoo-Hoo members all up and down the Pacific Coast were in attendance.

Report from the Vice President

As convention time approaches, our thoughts turn to what takes place at our Convention. We all know that we elect our International officers for the forthcoming year. Another important item that can take place is the input of ideas from members as to how to improve our order. It is my opinion that every International officer and director has a responsibility to present member ideas to the board whether he is in agreement with the idea or not. Input from our members as to how to improve our order can and should become an important part of our Convention.

If you have any ideas which will improve our order, I highly recommend that you convey these ideas to our leaders. I can assure you that any ideas given me will be presented to the Board whether I concur with them or not. As one studies the make-up of our order and its by-laws, it's easy to see that we have in these by-laws the provision to make changes in our order as they become necessary.

We all know that in order to maintain growth in our order, we continually must review our procedures and up-date them according to need. This same type of input holds true for successful club functions or projects. Bring these to the convention and present them to the officers or at the convention sessions.

I personally like to hear from members who have improvement ideas or who have questions about how our order is run. I then can present these to the board in your behalf. This sometimes gives me a label of being a controversial person but I feel this is a compliment because controversy causes people to think and when people think, things get done.

Fraternally yours,
Eugene D. Zanck
Vice-President
