Snark of the Universe

You and I, my fellow Hoo-Hoo brothers, have walked the path together this past year, a path of discouragement and of inspiration. Whenever I needed bolstering, it was just for the asking.

I want to pause and salute our excellent staff, both of whom have served us so effectively this past year. I also acknowledge the support of the employees of Smith Lumber who carried my load so often. When traveling, I have been overwhelmed with your hospitality. I have received so much more in one year than I could hope to return in a lifetime. Now my administrative year is coming to an end and as I look forward I know you will open your hearts to our new snark just as you have done for me. The wonderment of our fellowship goes on, and so it should for the world is a better place because of it.

We have all worked hard this year and we did accomplish together a new beginning. There is a new rededication to the purpose of our fraternity and to its growth and well being. We've accepted changes and have made progress in many areas. As a result, there is a new respect and outlook growing for Hoo-Hoo every day everywhere.

Now, where do we go from here? One way - and that's ahead. There can be no excuses for any kind of lag when our new leader and his team take over in September. Our new snark will be Dan Brown. He is a fine and well qualified leader and he will have one of the best boards we've ever had to help him, but of course he will need your support.

I gave you the best there was in me, and you returned your best unfailingly. I thank you for what has to have been the crowning year of my life. I have had no greater experience than this. But I promise to be your snark until September 15, 1981 and not let up my efforts before then.

Fraternally,
Robert VanEvery L-73186

Chairman's Report

December, 1980 - In this report I will just mention the highlights of my Hoo-Hoo year. In December, Betty and I flew to Boston to meet the Snark and Marilyn for the Boston club's Concat and Banquet. The hospitality in Boston was super as always and the Concat and entertainment were fantastic. I have been fortunate enough to have attended two Boston Concats. That Boston group sure knows how to put on a Concat.

From Boston we went to Manchester, N.H. for a Christmas Party which was another great affair. On to New Jersey and finally to Norfolk, Virginia to visit with Bob Hayes and his wife, Mary and attend the Hampton Road's Annual Oyster Roast. This was an interesting, first class affair.

January, 1981 - To Sunny San Diego, California for the Board meeting. The Snark had a cocktail party for the San Diego members and a lot of good ideas were exchanged. Kevin Kelly, our World Traveling 2nd Vice President, had an opportunity to visit another country - Mexico. Wayne Raney was kind enough to take Kevin and a few others over to Tiajuana for lunch and some sight-seeing. A good meeting was conducted by the Snark and the final plans for the museum were discussed and finalized. I think everyone enjoyed the hospitality and the sunshine.

February, 1981 - After a little arm-twisting by Kevin Kelly, Betty and I jumped on Qantas Big Bird and were off to Australia. We spent almost a full month in Australia, visited many established clubs and hopefully helped Supreme Nine Dick Campbell in organizing a new Club in Port McQuarrie, New South Wales. A great group and I am sure that Port McQuarrie will have a great club. Spent considerable time visiting Pine and hardwood Plantations in Queensland and Victoria and South Australia. Those who attend "Kangaroo in '82" should make a point to visit the

countryside and see what a great job the Australians do with their forests. If you keep your eyes open you will probably see some kangaroos at the edge of the forest. The convention will be in Melbourne so you will see that beautiful city, but while there, you should visit Sydney, Adelaide, Mt. Gambier, Canberra and Woy Woy. The Opera House in Sydney is one of the wonders of the world. We were fortunate to be able to visit the Opera House 10 years ago while it was under construction and then again completed with all its magnificence. Another must is the Hotel Campbell on Woy Woy bay.

April, 1981 - We were off to Gurdon on the 6th to put the finishing touches on the Museum Building. With a lot of help from Nita Cabe, Dick & Fran Wilson, the Carle Halls, everything was shipshape for the dedication on April 11th. The Cabes hosted parties for us while we were there and gave us nothing but great Southern Hospitality all the time we were there. I would like to mention the Museum Committee. The Committee was made up of James A. Jones, Chairman, C. Louis Cabe, Dick Wilson, Bill Russell, Bernie Barber, Lurn Champ, Russell McClain and Gary Hester.

The dedication was great with all flags flying - U.S.A., Canada, Australia, New Zealand, Singapore and, of course, Arkansas. The museum is only one block from the old "Hotel Hall" where Hoo-Hoo was actually founded. On your way home from the Convention in Houston it might be worth your while to make a side trip to Gurdon to see the beautiful Arkansas Countryside.

Exec. Sec'y Cliff Cunningham was in attendance and the officers and Board Members were present for the dedication for the most part. Present were Chairman Jim Jones, Snark VanEvery, 1st V.P. Dan Brown, 2nd V.P. Kevin Kelly, Secretary Bill Russell.

Also present were Supreme Nine Members Gary Hester, J-7; Bernie Barber, J-6; Jack Jacobson, J-5; Carle Hall, J-8; Dick Wilson, J-9; Norm

Report from Juris I

The year 1980-1981 has been a very busy year in the Northeast. In November, 1980, Elaine and I traveled to Springfield, Mass. where we enjoyed a fine wine-tasting evening sponsored by the Western Massachusetts Hoo-Hoo Club No. 59. I'm very happy to see this club so active again.

The first week of December was a busy one. It started with the arrival of Snark Bob VanEvery and Chairman Jim Jones. The Harry L. Folsom Club No. 13 hosted a luncheon on the famous Boston waterfront. The afternoon was busy with a Concat (28 new members) and banquet while the ladies dined at Jimmy's Harborside Restaurant. Once again the Boston "guys" outdid themselves.

The following day Elaine and I were delighted to travel most of the historic sights in greater Boston with Bob and Jim and their wives, Marilyn and Betty. Lunch at the Wayside Inn was just great.

Saturday night, December 9th, we all travelled to New Hampshire for the Granite State's Annual Christmas Party (New Hampshire). **New Hampshire Convention in 1986!**

The following week Snark Bob and I continued on our tour of Jurisdiction I. Tuesday to New Jersey for a joint meeting with

Cont on next page.

Mikalsen, J-3, and the following Rameses: Jack Cheshire, Vaughan Justus, Dave Marteney, Lurn Champ and Tom Partridge. It took a lot of work and cooperation from a lot of people and the contributions we had to finally complete the project. We can't take enough space to print the names of all the wonderful people that contributed and helped make the Museum a reality.

I want to thank the Snark, Bob VanEvery, the officers and Directors for letting me participate this year in the affairs for the betterment of our great fraternity.

James A. Jones L-72703

Report from Juris III

Since my last report I have visited the ever strong North Cascade Club No. 230 where they apologized for having only 85 members at their meeting. Not enough can be said about this club which holds its meetings evenly between Everett, Mt. Vernon and Bellingham, Washington which are spaced equi-distant on the 120 - mile Northwest Washington coast.

Juris. I.....

Cont. from prec. page

three New Jersey Clubs, and finally on to Washington, D.C. to take part in a Concat on Wednesday. It's great to see all the clubs so active and also great to have the Snark and Chairman in Jurisdiction I.

Since the departure of my guests I have taken part in the New Hampshire Club's Concat in March, visited the Rhode Island Club, and then back to New Hampshire for the super great N.H. Club No. 107's Clambake at Dover Point. Snark Bob was also present at the latter event.

I have served on the "Nine" for a total of three years. Hoo-Hoo in Jurisdiction I is a viable part of our industry. The officers and directors of all the clubs are to be commended along with all the members who make up our great fraternity.

As I leave the "Nine" I do so with mixed emotions. I am sure the friendships I have made will be longstanding. However, it has been a difficult year for me in regards to the situation of Cliff and the movement of the International Office to Gurdon, Arkansas.

My wish for the future is that the fraternalism of Hoo-Hoo will continue to grow and our great organization will prosper in the years ahead.

Finally, may I express my thanks to all those who have helped make these past years memorable ones for me.

Fraternally,
Richard T. Mullen 76940
S-9, Juris I.

To the great sorrow of everyone in Hoo-Hoo who knew him, club No. 230 lost its founder and business manager, Tom Dolan 54333, in March when he failed to survive open heart surgery - and knowing Tom, I know that he felt the basic framework from which Club No. 230 evolved was good and that he left the club in capable hands to carry on its great success.

In March I attended the Billings, Montana Club No. 130's Concat and was fortunate in being able to help induct six new members into our Order.

On April 15th I was able to attend a special board meeting of the Green Peter Hoo-Hoo club No. 226 in Salem, Oregon at which time I was encouraged to hear them making plans for a June Concat. The next evening I was again fortunate to partake of another Concat - this time at the Rogue Valley Hoo-Hoo Club No. 94 at Medford, Oregon of which club I had earlier reported as having 16 reinstatements - by this time they had added 15 more to their total. All this before allowing me to assist in initiating 15 kittens. **Congratulations Medford!!**

On the 29th of April I went to the Snake River Club No. 185 in Boise, Idaho for a meeting that was sparsely attended by both members and prospective members, so the Concat was called off.

By laying over one day in LaGrande, Oregon, I was happy to attend a meeting of the Elkhorn Club No. 244 at which nine kittens were duly concatted. Elkhorn is another travelling meeting place club which varies its meetings between Baker, LaGrand, Pendleton and Hepner, Oregon. The club is growing, so the recipe must be the right one.

With a May trip to the Tacoma, Washington Jurisdiction Conference and a trip to Eureka, California for the Redwood Grove Committee Meeting, I have now totaled 10,634 miles this Hoo-Hoo year, and I am not done yet! All but 300 miles of this total has been within Jurisdiction III.

On my way to Eureka, I had a stopover at Klamath Falls, Oregon Club No. 216 for their meeting honoring Snark Bob

Report from Juris. VI

The first quarter of 1981 was a very eventful one for Jurisdiction VI!

On January 8, I attended the Los Angeles Hoo-Hoo Club No. 2 Transportation Night with the Snark of the Universe, Bob VanEvery; First Vice President, Dan Brown; Second Vice President, Kevin Kelly; Member of the Supreme Nine from Jurisdiction IX, Dick Wilson; Rameses No. 67, Dave Marteney.

Cliff Cunningham, Executive Secretary of Hoo-Hoo International, was also in attendance. A great turnout of Hoo-Hoo dignitaries were on hand for Hoo-Hoo Club No. 2 Transportation Night.

On January 9 we met in San Diego with several past presidents of San Diego Hoo-Hoo Club No. 3 for an informal reception. On January 10 the Hoo-Hoo International Board of Directors meeting was held in San Diego, which I of course attended. On January 12, Snark Bob VanEvery and Second Vice President Kevin Kelly and I met with the past presidents of San Joaquin Valley Hoo-Hoo Club No. 31 in Fresno at an informal meeting and dinner.

On January 13, the Snark, Bob VanEvery, Second Vice President Kelly and I, along with Rameses No. 72 Jim Jones met with Oakland Hoo-Hoo Club No. 39 and assisted in putting on a concat with that club. On January 14 the four of us met with Black Bart Club No. 181 in Cloverdale for their annual Sports Night, which is always a great event and well attended.

On January 15 Snark VanEvery, Second Vice President Kelly and I attended the Humboldt Hoo-Hoo Club No. 63 annual Railroad Night at the Ingomar Club. This is a very gorgeous building that was

formerly owned by the owner of Dolber Carson Lumber Co. It is an outstanding use of woodwork throughout the interior and exterior of the building. Their Railroad Night is always well attended, and this time was no exception.

On January 16 Snark VanEvery, First Vice President Dan Brown, Second Vice President Kevin Kelly, Rameses No. 72 Jim Jones, and I met with the Shasta-Cascade Hoo-Hoo Club No. 133 and assisted with their concat. With both vice presidents, the Snark, Member of Supreme Nine and Rameses No. 72 present, it probably was a record for participation in any concat, except perhaps at a convention.

On February 21, I attended Hoo-Hoo club No. 31 Ladies Night, held at Roger Rocka's Good Company Music Hall. On March 24 I attended a great Sports Night with Sacramento Hoo-Hoo Club No. 109. A great program of sports figures from football and boxing were presented and answered questions from the audience - an outstanding Hoo-Hoo meeting.

On March 27, I attended Hoo-Hoo Club No. 31 annual Casino and Cioppino Night. On April 11, another highlight of my term in office was attending and participating in the dedication ceremony of the Hoo-Hoo Museum in Gurdon, Arkansas. This was the culmination of a lot of work for many members of Hoo-Hoo International, as it now is a reality.

All in all, I am pleased to report that it was a very active first quarter of 1981 for Jurisdiction VI. Concats were held by several clubs, in addition to those I personally attended.

very successful Convention in Atlanta, we all left the city on a high note, even though there seemed to be some despondency and uneasiness in some areas of Hoo-Hoo land relative to membership, we took the challenge to go out and do a good job. As the Hoo-Hoo year draws to a close we find these dark thoughts were to no avail. We are keeping abreast of last year's totals. This is surely a pat on the back for the club officers and shows a job well done.

Jurisdiction VIII is ahead of last year in totals. Most of the clubs have been very active. During the year, my wife and I were guests at a most magnificent Ladies Night in both Sioux Falls and Omaha Clubs. I participated in five Concats and various functions at all the clubs in my Jurisdiction. I attended the Twin Cities Club meetings three times, Southern Minnesota twice, Omaha Club twice, and my own home club many times. At this writing I am busy in the final stages of developing a trip for our Snark and myself in Jurisdiction VIII. We will be in Minneapolis for a noon Luncheon with representatives from the Twin Cities Club, Southern Minnesota Club and the St. Cloud Club. Then we fly to Sioux Falls where we will be guests at an outing, steak fry and Concat.

This being my first year as an International Officer, I found the job very challenging. I believe that even greater accomplishments can be made during my second year. It seems the first year you are really trying to do a job and find answers for the clubs.

One of the highlights of this year was our visit and our ability to help in the dedication of the museum in Gurdon. This was such a great day, I felt that we certainly have a great beginning in our new environs. Now to further enhance this structure with all the memorabilia from days gone by in Hoo-Hoo, with the assistance of Dick Wilson, my good wife, Roberta, and I we have added eight beautiful showcases to the Museum. My wife and I found the community very pleased with

Report from Juris IV

The most important individual event of the year was to represent Jurisdiction IV at the Convention in Atlanta last September. It was magnificently organized and because of the direct contact with so many club executives with similar problems to ours down under, I was able to formulate my plans for J-IV. Basically they were to increase communications throughout the Jurisdiction.

Return from Atlanta via Orlando, Houston and Los Angeles Clubs, I repacked my bags and went to Wellington, New Zealand where Tony Eaton and I started the ball rolling for a new club later this year. We then went to Auckland, New Zealand where we were joined by Kevin Kelly and other Aussie Hoo-Hoo and had the pleasure of chartering the Auckland Hoo-Hoo Club No. 248 and installing our long time friend Jim Taylor as president. This club is now well established and recruiting new members.

all the efforts and of course looking forward with Hoo-Hoo in this area.

My hope as we approach 1981-1982 Hoo-Hoo year is that we are able to reach the goals set and proceed to higher membership totals. This can be accomplished if we all put forth that little extra effort. Good luck to all and on to HOUSTON.....

My deepest thanks to all Jurisdiction VIII officers. It is because of you that we are able to hold up our end, thanks also to our Snark and all International officers. A special thanks to Cliff Taylor, former Supreme Nine Member who established many high ideals that are still being followed. Thanks to Cliff and Lois at the International Office for their patience. My appreciation to our good friends Jim Jones, Tom Partridge and many others for their guidance throughout this year.

Juris. IV.....

Cont. from prec. page

The Hobart, Tasmania Club hosted a most successful Juris. IV Convention in October with an attendance in excess of 200 delegates.

In November I drove to the north coast of New South Wales and spread the word about Hoo-Hoo and proposed a club be established in Port McQuarrie. This was followed up in February in the company of Jim Jones and other helpers, culminating in the chartering of the Timbertown Hoo-Hoo club No. 249 on the 28th of April.

December 8th was our first Executive Meeting since October and was well attended and gave witness that things were going to plan, particularly with the organization of the 1981 J-IV Convention and the 1982 International Convention.

After the Christmas Holidays we were pleased to have a visit from Chairman Jimmy Jones and his Secretary/wife Betty who visited Sydney, Brisbane, Adelaide, Mt. Gambier, Melbourne, N. E. Victoria, Newcastle and Timbertown clubs. Before returning to the States, Jim attended our second Juris IV Executive meeting at Sydney airport with a full compliment of interstate representatives.

In March, the J-IV clubs gave particular emphasis to celebrating World Forestry Day with special V.I.P. industry meetings, tree planting, seedling sales, etc. This proved to be a most successful event promoting good will both for the timber industry and Hoo-Hoo. In the company of Jack Henry, Commissioner of N.S.W. Forests, and one of his assistants, Sydney Club's Bill Hindmarsh flew to Grafton to celebrate the occasion with N.E.N.S.W. Club. They had been joined by their wives in combating the "greenies" who are threatening action which could cut drastically the hardwood production in this most important region.

April saw meetings in Melbourne with Kevin Kelly and Doug Howick, visits during a

most harrowing airways strike to Hobart and Launceston Clubs in Tasmania. May was devoted to visits to Adelaide, and Mt. Gambier Clubs then to Western Australia and Perth and the chartering of Manjimup Club No. 250. The Perth members did a great job of organizing here with 30 new members for "Manji" with a very keen committee who will make this a forceful club for the future.

Singapore Club No. 245 has had a few growing pains to overcome and have lost a few inactive members. However, during my visit in June, Club President Ho Mun and his enthusiastic committee demonstrated their progressive approach to consolidating the club, their willingness to support the establishment of a new club in Malaysia and enthusiasm to help with the proposed M.V. "Krait" restoration project.

Shortly I leave with New Zealand Vicegerent Tony Eaton for Wellington where we hope to establish the second New Zealand Club and then to Christ Church to assess the potential for a club there and then visit the Auckland Club.

In July I plan on chartering the 1st New Guinea club in Vanima sponsored by 2nd V.P. Brian Hoar, and hopefully establish another club in Port. Morseby. On the way back I conclude my visits at Brisbane where they are finalizing the J-IV convention for early September so that our contingent can get over to Houston and present a cocktail party and, we trust, convince a lot of Hoo-Hoo men to visit us in 1982. We are hosting our last executive meeting on July 22nd. We have had a busy and rewarding year having increased our membership total and also the number of clubs. We need another two National flags to present at the opening of the Houston Convention.

Our clubs have increased their cooperation with each other in exchanging monthly news letters and do feel they are a contributing part of a truly International Fraternity.

Everyone here is excited about hosting the 1982 convention.

An Appeal From the C.F.A. of B.C.

Dear Hoo-Hoo Members:

The Canadian Forestry Association of B. C., is a non-profit, non-political organization, devoted to the promotion of the wise use of our renewable resources.

To help promote the "wise use" of our forests, we are developing a Forestry and Logging Museum at our Silver Lake Forest Education Centre (located in the centre of British Columbia) which will be used by school teachers, students, summer campers, and the general public to get a better appreciation of the forest industry and to look back at the "interiors" logging history.

It is our intention to start with the horse logging era and have artifacts that show the industry through the past number of decades. Displays will be both indoors and out, and will include forest protection equipment, hand tools, vintage mechanical logging equipment, and technical artifacts.

We plan to set up displays showing what the old blacksmith shop looked like, and a typical old fire look-out tower, complete with radios, fire finders, etc.

The Silver Lake Camp is celebrating 10 years of operation this year. It is used extensively and up to 70 campers spend three to seven day sessions in log buildings, and are taught forestry, and forest related subjects like map reading and how to use a compass, tree identification, and more.

We need the help of fellow Hoo-Hoo members to send us information and pamphlets, etc., about other logging museums,

Cont on next page.

Combined with the fantastic effort of the '82 Convention committee and cooperation and support of interstate clubs, I'm sure our visitors will have one of the greatest adventures of their lives when they visit the "Kangaroo in '82!"

On Tuesday, March 31st, the annual Spring Hoo-Hoo Event was held at the Dania Hall in Racine, Wisconsin, and over 60 gathered for this Torsk Dinner. All of Hoo-Hoo land was, in numbers and geographically, well represented. At least a half dozen members from the Northern Illinois Club No. 139 traveled about two hours to be present. Northern Illinois Club President, Ernie Pinne, was introduced and he invited Ben Springer Club Members to their golf outing.

Club No. 35 members and guests enjoy the Torsk Dinner.

The San Joaquin Valley Hoo-Hoo Club No. 31 held a most successful Annual Casino Night for the benefit of the Chester G. Harsher, Jr. Memorial Scholarship Fund. Says Bernie Barber, Club Secretary, "this event always includes the preparation of cioppini as well as barbecued steaks, and the meal was delicious."

This year's event was successful enough to raise over \$1000 for the scholarship fund.

Bernie Barber, Jr., right, poses with auctioneer Nick Bonetto.

In memory of the late Chester G. Harshner, Jr., Hoo-Hoo Club No. 31 has established a Memorial Scholarship Fund. This scholarship is available to any person who meets the qualifications listed below, who is sponsored by a member in good standing of Hoo-Hoo Club No. 31. It is no longer necessary to be a relative of an employee of the lumber industry.

The applicant must have completed at least one year of college, junior college, or an approved technical or trade school. The amounts of the

scholarships to be awarded in the Fall of 1981 will be determined by the trustees, depending on the number of applicants and other factors. The scholarships may be used to defray expenses of attending any university, college, junior college or trade or technical school the applicant desires.

Applications may be obtained from Hoo-Hoo Club No. 31, P.O. Box 11428, Fresno 92773. The deadline for filing applications will be August 1, 1981. The applicants will be notified of the date and place for a personal interview.

The trustees will make their selection of the successful applicants prior to August 28, 1981, and the awards will be granted at the beginning of the school term.

WHERE IT'S AT!!

If you don't already know, the site of the 1981 International Hoo-Hoo Convention will be the Houston Oaks Hotel in Houston, Texas.

As you can see by the sketch below, the hotel is in the midst of everything to see and do.

The Houston Oaks Hotel has been a favorite in the hearts of Houstonians and travelers for over seven years. The Houston Oaks is a perfect balance of friendliness and comfort with 400 of the largest guest rooms and suites in Houston. All have oversize beds, full-length windows, balconies, views and special appointments, and just steps away a magnificent swimming pool and patio.

You'll discover delicious food and atmosphere in all five restaurants in the Savory Room to a light tea break at the Sidewalk Cafe.

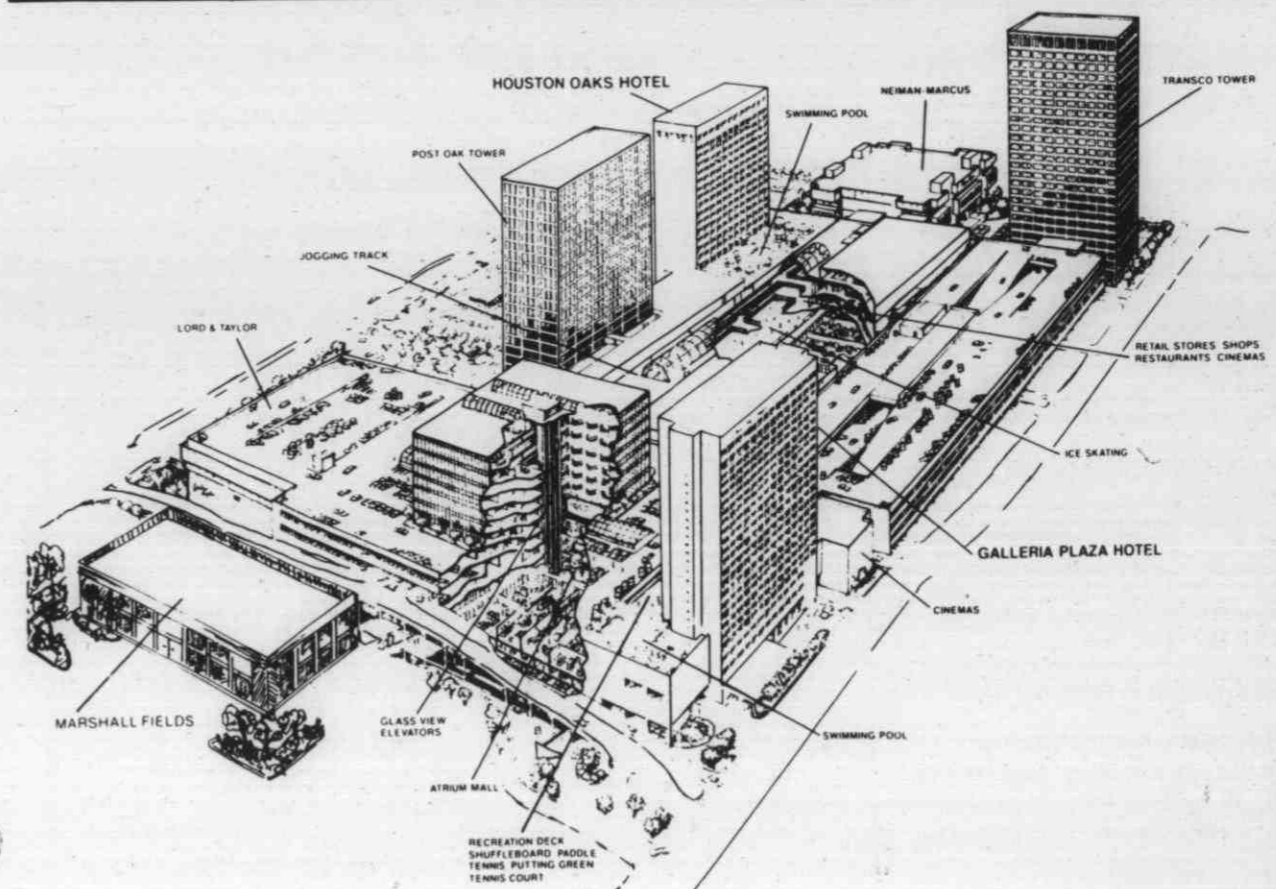

Not the least of Houston Oaks' charm is the fact that it's part of the glamorous Galleria in the heart of Houston's Magic Circle. Enclosed by a uniquely designed glass ceiling and climate-controlled for year-round comfort, this elegant shopping and entertainment center houses an Olympic-size ice skating rink and the most glamorous collection of shops in the world — including Neiman-Marcus,

Tiffany, Lord & Taylor, W. & J. Sloan — many businesses, personal services, boutiques, theaters and restaurants. And right across the street, there's Saks Fifth Avenue and Sakowitz.

The Galleria

A place unlike any in the world an American Galleria. Created in the tradition of the covered streets of Europe and Galleria, Houston, embraces you with sound, color, movement. The new game is Galleria - going. Everyone's skating. Dating. Walking. Talking. Shopping. Restaurant hopping. Finding. And unwinding under the Galleria's sparkling European glass dome ceiling. This is the place to meet, to shop, to walk, and be entertained, the Galleria is reminiscent of the market place of old. Here, porticoed shops on balconies beckon shoppers through unusual doorways. There are varieties of restaurants, boutiques and furniture stores, shops, art galleries, and fashion stores for men and women.

Shopping Hours: 10:00 a.m. 'til 9 p.m. Monday thru Friday. 10:00 a.m. 'til 6:00 p.m. Saturday.

**Car Rental Discount
For Hoo-Hoo Available**

Brothers:

I would like you all to know that I have negotiated a discount arrangement with National Car Rental for paid members of Hoo-Hoo International, which will take effect about August 1, 1981. This will enable any member going to the Houston Convention to Obtain a discount in the event he needs to rent a car.

Because time does not permit us to send each of you a National Car Rental I.D. Card before the convention, you will have to ask the renting agent to check for the Hoo-Hoo rate.

You will receive your National Car Rental I.D. card along with your 1981-1982 Membership Card after you pay your dues. This is a good reason to pay your dues immediately after you receive your dues card.

**Challenge
Unanswered**

Ed Note: In the May LOG & TALLY we published a challenge to anyone who could beat the age of 26 years as a local club president.

We have had numerous replies - closest of which were from G. Burton Mullen 71894, who was president of the Harry L. Folsom Hoo-Hoo Club No. 13 at the age of 28, and also Ted Fullmer 82643, who was club president of the Portland, Oregon Hoo-Hoo Club No. 47 at the age of 27.

Both are close, but no cigar!

We will accept additional challenges until the deadline for the next issue of Log & Tally which is October 1st, 1981.

See you all in Houston!

Stevens County's third annual high school forestry contest, held May 7, 1981, drew 65 participants from four area high schools to determine top dog in youth forestry and conservation. Colville High captured top team and individual honors with marty Heggan's effort of 564 points.

Kettle Falls finished second in team competition and third in individual scoring with Dennis Tarbert's 529 points. Chewelah placed third with Jeff Jackson second place individual score of 541 points.

Let's see, now, how does this dumb thing work? (photo by Statesman Examiner.)

Young man on the compass course.

The contest, which is coordinated by the Stevens County Conservation District, involves personnel from Washington Department of Natural Resources (DNR), USDA Extension Service, Boise Cascade Corporation, Soil Conservation Service, and the U.S. Forest Service. Local clubs, Hoo-Hoo and Upper Columbia Timbermen, Inc., are involved in sponsorship of awards, set-up and scoring.

Contestants are scored in tool identification, plant identification, timber cruising, timber stand improvement, log scaling, legal descriptions, compass course, and percent of slope (vertical measurement) course.

N.E.W. Hoo-Hoo is proud to participate and assist in the sponsorship of this event. Trophies are awarded to each of the top three schools. A special travelling trophy is awarded by N.E.W. Hoo-Hoo to the first place school. First, second, and third prizes are also awarded for individual scores. These awards are normally outdoor equipment.

N.E.W. Hoo-Hoo will be involved at least five more years as that represents the number of slots left on our travelling trophy.

The Nineteenth Annual National Hoo-Hoo-Ette Convention held in Eugene, Oregon, May 15, 16, 17, 1981, hosted by Hoo-Hoo-Ette Club No. 2 was a highly successful event thoroughly enjoyed by all in attendance. It was a happy combination of business and pleasure.

As speaker of the evening, Don Lee Davidson, Davidson Industries, had a most receptive audience.

The new National President is Jennie Dulany of Max Hill Lumber Company. Highlights of the Saturday evening banquet was the presentation for "Lumber Woman of the Year" awarded to Tilley Miller of Southwest Plywood. Anne Murray, founder was honored for her many years of dedication to the Hoo-Hoo-Ettes.

**Cover Story
Museum Dedication**

As promised in recent issues of *Log & Tally*, a formal dedication of the Museum was held in Gurdon, Arkansas on Saturday, April 11th, 1981 at 2:00 P.M.

At ease in Mr. Cabe's home are 1st V. P. Dan Brown and Rameses Dave Marteney

Many of the officers and directors of Hoo-Hoo International were on hand for the occasion with some arriving four or five days early to put the "final touches" on the museum.

Int'l 2nd V. P. Kevin Kelly, left, and Exec. Sec't Cliff Cunningham read an old Gurdon Times story about Hoo-Hoo.

Mr. C. Louis Cabe, a resident of Gurdon and a staunch Hoo-Hoo supporter and member, had a couple of parties at his beautiful home for the Hoo-Hoo members who were in Gurdon, their wives and several of the townspeople who are interested in promoting Hoo-Hoo. The generosity and hospitality shown by all the Gurdon people was unsurpassed. They were simply great!

At the ceremony itself, the program started off with three young ladies singing a medley of three religious songs. Microphones and an electric

Within the museum a display of Rameses photos hangs on the back wall.

Gurdon Club President Gene Garland, with shovel, helps Kevin Kelly, kneeling, plant another tree, as another Hoo-Hoo member looks on.

Supreme Nine Members Norm Mikalson, Carle Hall and 1st V.P. Dan Brown inside the museum.

organ set up in front of the building lent a degree of dignity and atmosphere to the event.

Hoo-Hoo Chaplain Jimmy Brunson gave the invocation and asked for guidance in all endeavors of Hoo-Hoo.

Club President Gene Garland presents plaques to Jimmy Jones and Laum Champ for their work on the Museum.

Jack Jacobson, Norm Mikalson and Gene Garland.

C. Louis Cabe then gave a short welcoming address for all followed by Museum Chairman Jimmy Jones. Jimmy thanked everyone for coming, especially those who traveled long distances.

Mrs. Betty Jones cuts the Museum ribbon and officially opens the Museum to the public.

Bernie Barber collects the money for the banquet.

Hoo-Hoo Notables, officers and Rameses were introduced as well as the numerous distinguished guests.

The local schools had completed a poster contest prior to the dedication, and appropriate honors were bestowed on the pupils who had worked hard to win the contests. The junior Kadohadacho Club also presented awards.

Following this there was a dedicatory prayer by Reverend Henry Ratcliff and a fine dedicatory address by the Mayor of Gurdon, Russell McClain.

Left to right are Chaplain Jimmy Brunson, Gurdon Club President Gene Garland, Bernie Barber, Jimmy Jones, C. Louis Cabe, Snark Bob VanEvery and two unidentified gentlemen from Gurdon.

Head table at the banquet consisted of Dan and Elouise Brown, Jimmy and Betty Jones and Bob and Marilyn VanEvery.

The large gathering at the Banquet was very attentive.

A large red ribbon had graced the front door of the Museum all day, and Mrs. Betty Jones, wife of the Museum Chairman, had the honor of cutting the ribbon to "officially" open the Museum to the public.

The benediction was said by Reverend William Hughart.

Following the dedication ceremonies, a banquet was held in a local motel in Arkadelphia, a town 20 miles north of Gurdon. That was great affair, too. It was inexpensive and delicious. There

were few speeches and the best part of all was the collection taken up for the museum at that time. A total of \$402.35 was added to the Museum coffers.

Supreme Nine Member Bernie Barber started the collection off by being the first to donate.

And so a very busy day came to a close with many of the participants leaving for home the next day.

Club No. 217
Melbourne, Australia

Don't think for a moment that the Australian 1982 Convention Committee has been loafing these past few months! The committee meets regularly to discuss plans for Australia's first opportunity to host the Hoo-Hoo World. In later issues of LOG & TALLY magazine a more finalized version of the program will be presented, but for the time being the following agenda is printed for your information.

The Executive Committee of the 1982 International Convention meets regularly. At a recent meeting the cameraman snapped the above. Gathering around Convention Chairman Doug Howick are: (Standing left to right) Eddie Rhodes, Ron Williams, Graeme Smith, Brian Tutton, Peter Hogg and Con Hickey. Seated are Kevin Kelly, Gerald Glasscock and Chairman Doug Howick.

Jurisdiction IV - Australia
1982 International Convention
Melbourne
15-22 September 1982

It has been decided that information will be made available for all feature issues of Log & Tally so that all members can be kept informed of progressive planning for the 1982 adventure. Currently, the proposed agenda is as follows:

Day 1 - Wednesday, 15 September 1982
Arrival of overseas delegates
Cocktail party and official welcome.

Day 2 - Thursday, 16 September 1982
Australian tour - Healesville sanctuary, the Dandenongs, lunch in the bush, tulip farm, Silvan Dam etc.
HHI Board Meeting.

Day 3 - Friday, 17 September 1982
HHI Business day including special stag luncheon
Official VIP night

Day 4 - Saturday, 18 September 1982
Optional shopping/social/sporting day
Home hospitality entertainment.

Day 5 - Sunday, 19 September 1982
Tour to Ballarat, Sovereign Hill, Creswick Forestry School, Forest Nursery including barbecue lunch.

Day 6 - Monday, 20 September 1982
Industry seminar day including luncheon
Evening cocktail party by hosts of 1983.

Day 7 - Tuesday, 21 September 1982

At a recent meeting of the Melbourne Club No 217, President Doug Howick talks to guest speaker Kevin Lyngcoln and visitor Bill Keating about the Hoo-Hoo Organization.

To express his club's appreciation for an excellent address on plywood in residential building, Club President Doug Howick, left, presents Plywood Association's Chief Engineer Kevin Lyngcoln with a set of Hoo-Hoo drinking glasses.

A man who, sixteen years ago became the second President of the Melbourne Club, is no longer a member, but at our March meeting he was a most welcome visitor. He is Dr. Jack Boyd, seen above pointing the finger at popular member and Club Gurdon, Peter Whelan.

Ala Kazam Sis Boom Baa!!! It was a "Sports Night" to remember, with the crowd rolling in to get an early start at 6:19 PM, warming up the bar rails and talking with old friends and acquaintances. That helped make this a true evening of Hoo-Hoo Fellowship! President Bruce called the meeting to order at 7:29 PM and turned the evening over to Committee Chairman Bert LeBeck and Fred Spencer. Brother Bert called Past President Bob Creasy to the podium for the Pledge of Allegiance, and 2nd Vice President Art Horne for our Prayer. Then came a short speech from each of our seven "Sports Night" guests.

Above are Bernie Barber, Jr., Bobo Olson and Paul Hofer.

Here are Roger Schildmeyer and Al Dodril.

In between the speakers we conducted our Raffle until all 30 footballs (autographed) and

boxing gloves were given out. Our Supreme Nine member, Bernie Barber, led us to our Hoo-Hoo chant.

It was to say the least a most informative night, with a good question and answer session. I'm sorry that I could not note all the names of those who asked questions. Bert LeBeck told us of one of our boxing gloves that was presented to a visitor from Australia at our 1980 Sports Night which is now being turned into a club award down under. We're proud of that!

Fred Holmes and Jimmy Jones.

Bert LeBeck and Fred Spencer did another fine job in putting together "Sports Night '81." We saw lots of seldom seen faces - people who don't make it to a regular meeting. Come and join

us for every meeting - it helps to make those evenings complete - a full Hoo-Hoo Club No. 109! Well, 9:30 came around quite soon, and Brother Bert gave Hoo-Hoo golf caps to all our guests and thanked all for attending - then we adjourned having enjoyed another great evening together.

Guests from the 49ers included Dan Bunz, Paul Hofer and Skip Vanderbrundt.

Guests from the Raiders were Tony Cline and Jim Otto.

Guests from the ring were Sal Lopez and our old friend, Bobo Olson.

Bill Graves, reporting for the Detroit Hoo-Hoo Club No. 28, tells us about the April Annual Old Timers Night with over 90 members and guests in attendance. To the Detroit Club, an "Old Timer" is anyone with a Hoo-Hoo number below 63,000. The group enjoyed entertainment by "The Redheads."

There were 26 "Old Timers" on hand for the occasion and each one gave his name, Hoo-Hoo Number, and had a few words to say to the attendees. Many of them had their sons with them who are also Hoo-Hoo members.

We also had a short form

Here's a pretty fair shot of club No. 28's "Old Timers" which numbered twenty six in all.

Concat the same evening for six new kittens, one of whom belongs to the Saginaw Valley Hoo-Hoo Club in Saginaw, Michigan. That's what we call cooperation between the clubs!

Bob Carper was the program chairman and he was assisted by Seymour Berg.

Tom Persing won the Tom-Cat drawing.

**Spokane
Club No. 16
Spokane, Wash.**

Our Spokane Hoo-Hoo Club was founded in Spokane, Washington in January of 1921 - 60 years ago, and was named, then, El Kad Elko, which was supposed to be Lumber in Indian. Among the prominent lumbermen who helped found the Club, or later joined in 1921 were James M. Brown, Sr. - later to be Snark, and E. F. Wales, father of Past Snark Ernie Wales and grandfather of Past President Kris Wales. Also joining the Club that year were now Live Members Homer Kendall and E. Lee Smith.

About 2 1/2 years later, the El Kad Elko Club affiliated with the International Concatenated Order of Hoo-Hoo and became the Hoo-Hoo Club of Spokane No. 16. It is the only Hoo-Hoo Club which has continued meetings and operations for 60 years - especially staying operative all during the depression of the 30s. It is also the most International of all Hoo-Hoo Clubs with members living in California, Oregon, Washington, Idaho, Montana, Colorado, Illinois,

Massachusetts, and in the Country of Denmark.

The Club Secretary puts out a monthly publication called "The Hoo-Hoo HiLights", with as much news as he can garner.

We try to have a 9 point program through the year, and this year was no exception. Our program for the year is listed herewith:

- (1) We had a fine Golf Tournament in September - this after actually starting the year a month early with a meeting and installation of officers and directors in August.
- (2) We sponsored a booth at the National Convention of the Society of American Foresters held in Spokane. We signed up members in our Club & HHI from Illinois, and generated interest in Hoo-Hoo with other delegates present.
- (3) In the line of Community Service - through a request to our Hoo-Hoo Club, Secretary Ernie Wales gave programs to Senior Citizens at the Salvation Army and at the Hillyard Community Services Building. Not neglecting youth, Ernie lectured to the class of our member Prod. Bob Grotefend on Lumber

Wholesaling at Spokane Community College.

- (4) Our Club again held a highly successful Crab Feed and Style Show just prior to Christmas.
- (5) In the Fraternal Spirit of Hoo-Hoo, we held a joint meeting and Concat with the North Idaho Hoo-Hoo Club in Spokane in January, 1981. In February, Members Glindemann, E. Wales and Gene Zanck and their wives attended the Valentine Party of the North Idaho Hoo-Hoo Club in Coeur d'Alene, Id.
- (6) In March we hosted our wives at an outstanding meeting with a fine program on climbing Europe's highest mountain located in Russia. A local Banker, Tom Garrett showed slides and told of his experiences in the program he called "Up the Caucasus".
- (7) Another outstanding Program was the dinner, meeting and plant tour of Rameses Gene Zanck's plant, Pre Built Structures, Inc. held in April. We were also honored to have Snark of the Universe (Int. President) Bob Van Every make an official visit to our Club in May.

More On The Museum

Jimmy Jones L-72703, Chairman of the Museum Committee, has put out another plea - not especially for money (we always need money) - but for artifacts and mementoes or anything else pertaining to Hoo-Hoo or the timber industry.

Says Jim, "We now have eight (8) show cases in the museum at Gurdon which were donated by Supreme Nine Member Dick Wilson. Dick was helped in his endeavor by Ted Hughes of Atlanta, were transported to Gurdon by Dick Wilson, and were assembled by Carle Hall, Supreme Nine Member from Jurisdiction VIII and his wife, Roberta."

"Now that we have all those beautiful showcases, we need items with which to fill them," said brother Jones. "Anyone who drives to the convention in Houston this year would do well to take a small side trip to Gurdon and see what we have accomplished with the museum."

After the dinner, President Norb Edwardson called the meeting to order. He thanked the Pre Built people, i.e. Gene, 1st VP Daryl and Perrin Zanck for their hospitality.

S-9 Norm Mikalson spoke briefly about the recent Gurdon Museum Dedication, and also about the up-coming Jurisdiction '3 Mini-Convention, as well as the Houston Convention.

S-9 Norm "surprised" long time Secretary, Ernie Wales, Rameses 50 by presenting him with the new Secretary's emblem to his regular Hoo-Hoo pin. Wales was pleased and appreciative.

Gene Zanck then gave a brief explanation of his Company's operations, and showed many fine slides of the various buildings the Company has built. His presentation was well received, and appreciated by the members and their guests.

Several new members were signed up.

When Snark Bob VanEvery was our guest at the Meeting May 14, Ernie Wales presented to him, a letter of Welcome from Spokane's Mayor Ron Bair, along with Mayor Bair's Proclamation making VanEvery an "Honorary Citizen of Spokane". The proclamation extolled the aid that VanEvery had given to the Lumber Industry, to the Hoo-Hoo Organization, and to the Lumber Industry in Spokane.

On motion made by Ernie Wales, seconded and unanimously passed, Club No. 16 put into Nomination for HHI 2nd Vice President, our present S-9, Norman Mikalson.

At the Jurisdiction 3 Meeting, the Jurisdiction, also, put in

Nomination for HHI 2nd V.P. Spokane No. 16 Club member Norman Mikalson.

News Item May 22, 1981
Spokane Hoo-Hoo Club, again, sponsored its Annual Woodworking Contest for High and Junior High School Students. The items were displayed in the fine large Lobby of the Lincoln Mutual Savings Bank. They were judged on Monday, and Club No. 16 hosted the Winners and their instructors at the "Awards Luncheon" on May 22. Acting Pres. Daryl Zanck chaired the meeting. After welcoming all, he called on Rameses Gene Zanck, who gave a fine History of Hoo-Hoo, which was very interesting to the "non-lumber people" in attendance. Then Zanck (Daryl) called on Ernie Wales, who made a Special Surprise Award to Delvina Coffman, Hoo-Hoo's long time "Secretary" to the Secretary". Wales Lumber Company Secretary (Emeritus). The Certificate read "This is To Certify That Delvina Coffman on May 22, 1981 is Awarded "Top Honor" in the Appreciation category for participation in the Annual Woodworking Contest -- Sponsored by Spokane Hoo-Hoo Club No. 16".

After this, each winner was presented with his Certificate, a list of all winners and his prize. Prizes given were 1st Prize, a \$75.00 Savings Bond; 2nd Prize, a \$50.00 Savings Bonds; 3rd Prize, \$15.00; and Honorable Mention \$10.00.

We had many many favorable comments from the public, from the parents, from fellow Rotarians (announcement of the Contest ran 2 weeks in a row in the Rotary Hub), from the teachers, and of course, from the students themselves.

Iowa Club No. 102 Des Moines, Iowa

The Iowa Hoo-Hoo Club No. 102 conducted its award night on Monday, April 13th at the Gateway in Ames, Iowa, and presented two Iowa State Forestry Students with welcome scholarship checks. The young men, Dan Harker and Jeff Prestemon, were presented by Floyd Manwiller, Professor of Wood Sciences, I.S.U. Department of Forestry. Virgil Beran, President of Club No. 102, stated that the organization is glad to have this part in promoting wood use and conservation through its scholarship awards. Terry Anderson, Secretary and Treasurer, awarded the checks to the pleased recipients. The thumb nail sketches of the recipients bear out the confidence the department had in these men.

Left to right are Terry Anderson, Dan Harker, Jeff Prestemon and Professor Floyd Manwiller.

Dan Harker is a Forest Products major specializing in business administration. He is from Downers Grove, a suburb of Chicago, and attended the College of DuPage before entering Iowa State. Dan's summer experiences include work in a large industrial plant, in warehousing, and in customer sales. In the forestry department he helped one of the graduate students with his research in wood quality.

Jeff Prestemon is a Forest Management major specializing in forest biology. He is just classified as a Junior and is enrolled in the Honors Program. He is from Ames, Iowa; his father is a professor in the Forestry Department.

No. Idaho Club No. 155 Coeur d'Alene, Idaho

The North Idaho Club No. 155 held the regular May meeting which was the last before the three-month summer break. Held on the 14th, at the Iron Horse Restaurant in Coeur d'Alene, there was a great crowd in attendance. Club V.P. Sims presided in the absence of Ken Draheim. The principal order of Business was the election of officers for the 1981-1982 Hoo-Hoo year. Elected were W. M. Sims 84493, President; Bob Ohmstede 87168, 1st V.P.; T. L. Gilmore 86144, 2nd V.P.; Carl Krueger 62636, Secretary/Treasurer. Installation of officers will be held in September.

The evening's program was on the Idaho State legislative session, just passed. This was put on by Bob Scates and guest Terry Sverdsten, both members of the past legislative body. Very interesting.

Earlier in the day Snark Bob VanEvery met at luncheon with several members of the club. He was brought to Coeur d'Alene by Ernie Wales and Norm Mikalson from the Spokane Club. It was an honor for us to have this opportunity of seeing and visiting with the Snark and his wife.

Ray Mason 86146 won the door prize of a fifth of Scotch which was donated by the club.

A regular monthly meeting of the North Idaho Club No. 155 was held April 9th at the Eagles Hall in Coeur d'Alene, Idaho with a very fine turnout of our members.

It was a joint meeting with the Coeur d'Alene Women in Timber and the Associated Logging Contractors. Many attending were the Idaho Logger's Fair Representatives from all over the state - about 200 total. It was a fun affair with free beer and a spaghetti dinner hosted by a group of suppliers.

Entertainment was by the Dramatic Arts Club of Coeur d'Alene High School and a slide show of past Logger's Events.

Andy Griffith Joins A. F. Inst.

Actor and television star Andy Griffith will serve as a spokesman for the forest products industry in a new public information campaign sponsored by the American Forest Institute.

Griffith -- a former science teacher who owns and manages a Tree Farm in North Carolina -- has agreed to participate in efforts to help inform the public about the need for increased forest productivity to meet a projected doubling of demand for wood and paper products at reasonable costs to American consumers.

He will record public service announcements for radio and television, make public appearances, and participate in industry activities, according to William J. Ahlfeld, Vice President - Communications for AFI, the information and education arm of the forest products industry.

"Andy Griffith is more than a spokesman. As a Tree Farmer and conservationist he understands and appreciates the benefits of good forest management," Ahlfeld said.

"Andy will help let the public know that good forest management increases the production of timber to supply the wood and paper products people need while protecting the environment, recreation and wildlife values of our nation's woodlands," Ahlfeld said.

A native of North Carolina, Griffith manages a 135 acre Tree Farm in Dare County, N.C., which has been certified by the American Tree Farm system, sponsored by AFI. The program now in its 40th year encourages 41,000 Tree Farm members to manage their 82 million acres of forest lands for greater productivity.

Vancouver

Club #48

Vancouver, BC Canada

Thursday, April 9th was the date for the Vancouver Club No. 48's Annual Stag and Concat. This year it was held at the Sir Walter Raleigh Restaurant in Vancouver with a very good attendance. After the usual libations, we put twenty kittens through their paces and added another 20 members to our roles.

Guess who - !?

Glenna Clark was the winner of the \$500 draw, **not** Pamela Anderson as reported in the February Log & Tally. The Editor accepts the apologies of the club reporters.

The new kittens are: Jac McLeod, Larry Houston, Win Walker, Dave Duncan, Bob Lee, Bob Henderson, Graham Lusk, Bernie Kasper, Reg Bergen, Ken Hansen and Fred Sampson. Also, Pat Burns, Mike Dorais,

A bunch of the boys were whooping it up -

Part of the degree team - Jan Herman, Jack Jacobson and Don Carpenter.

Bill Montgomery, Dick Smith, Jim Moore, Greg Severson, Steve Nichols, Gary Faessler and Carl Hilbrandt.

The Concat chairman was Morley Deans with Bern Day in charge of the festivities.

Under the direction of Bob Fladgate, the membership committee has raised our roles to a total of 275 members. This is the highest in recent memory.

The always exciting Annual Fund Raising Dinner was held on

May 11th at the Terminal City Club in Vancouver.

Each ticket sold for \$70 which included dinner, an open bar and your name in the barrel. The annual event is always a sell-out and this year was no exception. The "reverse" draw does not all happen "at once" - it takes quite a while! The first number drawn out of the barrel wins a TV set. Thereafter, every 50th number gets his original \$70 back, and the last number drawn wins the sum of \$5,000. Not a bad take home! A total of 350 (maximum allowed) tickets were sold.

The winner of the TV set was Kim Nichols (first out), but the big winner was club member Barrie Ihaksi 85523 - 5,000 big ones!

The chairman of the huge event was Ian McFall 84295 and he was assisted by Ed Reid 79701.

Hugh McCutcheon 85236, warns the chairman that his number **must** be out last. (it wasn't.)

The Vancouver Hoo-Hoo Club was honored by a visit from the Snark of the Universe, Bob VanEvery and his charming wife, Marilyn in May. Bob and Marilyn arrived in Vancouver on Sunday the 11th and were met by Supreme Nine Member Jack Jacobson and his wife, Norma. They all enjoyed dinner together and on Monday had a tour of the City. Then over to the Island to visit the Cowichan Valley Club No. 229 and the Victoria Club No. 183 arriving back in Vancouver Tuesday just in time to attend a

Bob and Marilyn were guests of the Jacobsons that evening and were taken to the airport Wednesday morning. The VanEverys were off to the Redwood grove meeting and some festivities in Kalamah Falls, Oregon.

All who were in contact with Bob & Marilyn thoroughly enjoyed their visit and we wish to thank them for honoring us with their visit.

Logger Rhythms From Club No. 48

Logger Rhythms pounded out on the dance floor can't be as rambunctious as they sound, because British Columbia's Club No. 48 was welcomed back to North Vancouver's Canyon Gardens for its seventh consecutive Lumbermen's Ball on February 14th.

Perhaps it was the auspices of St. Valentine which added a touch of stateliness (rather than massacre) to the shindig, which saw 75 couples tripping the light fantastic to the beat of the local band which offered everything from soft-core rock to hard-core Hoe-down. Or perhaps Saint Valentine should take a back seat and defer to organizers Frank Scott and Don Carpenter, who should get the credit for making the event a huge success and paving the way for more of the same in the near future.

Central Florida Club No. 115 Orlando, Fla.

Little has been heard from the Central Florida Hoo-Hoo Club No. 115 recently, but suddenly we got a fine note of the club's activities over the past Hoo-Hoo year.

September, 1980 - the club had an election of officers and our officers for the current year are: Phil Cocks, President; Jack Phillips, 1st V.P.; Tom Moore, 2nd V.P.; and Bud Ryan, Vicegerent Snark.

Also, Frank Gray, Treasurer; Larry Jordon, Secretary, and Buel Sawyer, Sgt. at Arms.

Also in September we held a Concat at the Regency House in Orlando during the Annual

Florida Lumber and Building Materials Dealers Association's convention with 22 new members being put through their paces.

President Phil Cocks and Henry Schwerdt, among others, attended the International Convention in Atlanta and reported it was well organized and true Southern Hospitality was shown.

October, 1980 - This was an eventful month with plans being made for the Annual Christmas Dance. Frank Gray announced that Club No. 115 had the largest membership in Jurisdiction IX at that time. Also, Lou Wadsworth Building Company in Bunnell, Florida brought down a couple of wild hogs that were expertly prepared on our new Barbeque by Harry Aroian, Cook Lumber, and

Wichita Club No. 173 Wichita, Kansas

Our fiscal year coincides with that of Hoo-Hoo International, therefore the first meeting of our year is in September. That's the meeting when our new officers are installed. These individuals are nominated at the May meeting, elected at the June meeting and given the next three months to prepare for "their" year.

"Their" year, 1980-1981, was a very active year: They arranged eight informational meetings, a concat, a community auction and four social functions. They also

Buel Sawyer. Harry and Cook Lumber built and donated this great cooker. It was a meal to remember!

November & December - We had as our guest speaker attorney Linton Waterhouse who spoke to us on the Florida Lien Law and the anti trust laws. Mr. Waterhouse is most knowledgeable on these laws and provided an interesting evening.

A real great time was had by members and guests at the Annual Christmas Party and dance sponsored by the F.L.B.M.D.A. and the Hoo-Hoo Club. Those and the Hoo-Hoo Club. Those that missed it this year had better plan on making it next year!

incorporated the club (for only \$58.15).

Very few organizations can boast a better series of informational programs:

1. The District Attorney.
2. The Executive Director of Junior Achievement.
3. An advocate of free enterprise (formerly on the Board of Governors of the John Birch Society, Co-Founder of one of the nation's leading private schools, etc.)
4. The Executive Director of the Wichita Crime Commission.
5. The most recognized writer, columnist, music critic, reporter, etc., of this area's leading newspaper.
6. The state's best known T.V. Anchor Man - for almost

January, Feb. & Mar. - We

started off the year with another bang-up Concat that brought several more members into our Great Order. Plans are being made for a Hoo-Hoo Booth at the September FLBMDA convention. A bus trip to a famous seafood restaurant was planned and executed to New Smyrna Beach which was a good tome for members, family and friends.

April - 1980 - The West Orange Country Club was the scene of the Hoo-Hoo Golf Tournament at Orlando. We had a Barbeque at the FLBMDA grounds for allowing our club No. 115 the use of the hall and the grounds for our meetings this year.

President Phil Cocks set up for another Concat.

twenty years.

7. President of one of the state's largest Savings and Loan Associations and the President-Elect of the State S & L League.
8. An entrepreneurial residential and downtown developer and politician (recent candidate for U.S. Senator).

We're not very proud of our Concat. The Concat Team performed in their usual exemplary fashion. Everything ran smoothly. Only thing was we had just one kitten - and he was transferred away from Wichita about three months later. Just wait till next year.

Our auction is patterned after the one started about eight years ago by the Billings Club No. 130. This was the fifth year for our club. It is always held in May and the proceeds - all of them over actual expenses - go to the Institution of Logopedics for the treatment of individuals with brain dysfunctions. The material auctioned may be out-of-date merchandise of good stuff. Either way it is provided by various local retail and wholesale lumber and related firms.

The local news media provide good support with public service announcements on both radio and T.V. This activity always attracts a lot of attention for our club, provides a lot of money for a very worthwhile cause and generates a lot of fellowship among our members. We usually generate \$7,000 to \$9,000, of which at least 75% goes to the Institute.

Our social activities this year included a Christmas party with our ladies, a Snark's party in June, also with our ladies, a golf tournament also in June and a family picnic in August.

We regret to report that, in spite of such a superb and varied schedule of activities and programs as we have just outlined, we have had to struggle just to keep our membership numbers stable, let alone be concerned about growth.

Los Angeles
Club No. 2
Los Angeles, Ca.

The Los Angeles Club No. 2 feels very fortunate that the International Board Meeting was held last January in nearby San Diego, for many officers and directors were able to "stop over" in Los Angeles to attend one of Club No. 2's meetings.

Other than at a convention, the club feels that the attendance of international officers was the most ever for a local club meeting.

Present were: Snark Bob VanEvery, 1st V.P. Dan Brown, 2nd V.P. Kevin Kelly, Rameses David Marteney, Executive Secretary Cliff Cunningham, Supreme Nine Bernie Barber and Supreme Nine Dick Wilson.

Larry Crabtree and "Roody" Roodman.

It was a nice evening for all. We had a drawing for all present. Most of the drawings were won by the International officers, but no one seemed to care.

Paulina
Club No. 220
Redmond, Ore.

On June 18th, the Paulina Hoo-Hoo club No. 220 had a Concat and brought four new members into our Order. They are: K.R. Hanson, O.A. held, T.L. Partin, and S.H. McQuire.

We were honored to have as our visiting officer Norman Mikalson, Supreme Nine Member for Jurisdiction III, who helped us greatly in the orientation of not only the new kittens, but offered remarks to inspire our older members, also.

On May 29th we had an outing at Gilchrist, Oregon where we enjoyed a famous Southern Fried Chicken Dinner with the traditional black-eyed peas, greens, corn bread 'n' gravy, succotash and all the rest of the stuff that goes with it.

Following the dinner, brothers Fran Commack and Charlie Schotts showed us slides and narrated their trip to Mainland China. The scenes depicted some interiors of a Chinese sawmill and a log deck as tall as a man's Hoo-Hoo. Our brothers spent three weeks there and found the Chinese to be early risers and energetic tour masters. This, coupled with jet lag, enabled our brother to really enjoy getting home again to Central Oregon.

Houston
Club No. 23
Houston, Tx.

The Houston Club held a regular monthly meeting on March 26th at the Ramada Inn in Houston. The cocktail sponsor for the evening was Baird Lumber Company represented by Bill Baird. This evening was designated "Houston Astros Night."

First we had a brief highlight film of the Astros in action, and then our guest speaker was Larry Enis, a sports reporter for Channel 2 news, who gave us an update on this years Astro team.

We had 52 members and guests on hand. In closing we had our cash drawing with Joe Breeden winning \$10, Roy Cummins won \$15 and Solly Moglovkin won \$25.

On April 11th there was the formal dedication of the Hoo-Hoo Museum in Gurdon, Arkansas.

Our club had nine representatives there. They were: Mr. & Mrs. Bob

Our Spring Golf Tournament was held April 13th at Willowisp Country Club. Winners were:

Members Low Gross - George Bohannon 75; Cliff Shafer 81 and Larry Rogovein 85.

Members Low Net - Cal Johnson 70; Bob Vaughan 71 and Joe Jaramillo.

Some of the door prizes were won by Ken Rosenberger - B-B-Q smoker; Paul Tawater - Ice Bucket; and R. D. Wright - gun case.

Eddie Hunt from the Dallas - Fort Worth area won the longest drive. In the whiskey basket drawing the winners were Cal Johnson, Chris Goff and Eddie Hunt.

Mrs. Patsy Sensat won the grand prize - a color TV set.

The Annual Texas Lumberman's Association Convention was held in Houston May 1st and 2nd. Through the courtesy of Mr. Joe Butler, space was made available for the Texas Hoo-Hoo Clubs. Clubs represented were the Houston Club, Metroplex Club, San Antonio Club and the Beaumont Club. Thanks go to Mr. Bill Schubert who coordinated and scheduled the local members.

A few of the Houston members present were Leonard Craig, Joe Breeden, Bob Ridley, Ross Hunnicutt, Chris Goff, Tom Long, Roy Cummins, John Johnson and Bill Schubert. Some of the Dallas-Fort Worth Metroplex members were Eddie Hunt, Brian Weir and Mike Tubbs.

Our Spring Concat was held May 28th. The cocktail sponsor for the evening was Olsen-Guerra Lumber Company represented by Dan Guerra.

Our visiting officer was Snark of the Universe, Bob VanEvery. Bob received a Texas welcome and the traditional Texas hat. While in Houston, Bob got to see the Galleria Plaza at our Convention Hotel, the Houston Oaks.

Cowichan Valley

Club No. 229

Duncan, B.C.

On April 10th, the Cowichan Valley Hoo-Hoo Club No. 229 held its annual \$50 fund raising dinner at the Rotary-Kin Hall in Chemainus, B.C. with everyone in attendance having a great meal. It was very well attended and a great job was done by Glynne Jones and his committee.

A check for \$1,500 was presented to the Cowichan Valley Forest Museum for its 3rd grade student program. These students are taken through the museum and shown the different aspects of the forest industry from tree growth to finished product. Each student receives a piece of craft pulp.

On May 19th we were visited by the Snark, Bob VanEvery, and his wife. They were given a tour of the British Columbia Forest Museum and then came a no-host luncheon with three members from Victoria coming up including S-9 Member Jack Jacobson. After lunch the Snark and his wife were presented with Cowichan Valley Indian Sweaters.

Snark Bob VanEvery and his wife, Marilyn, model their new Cowichan Valley Indian Sweaters.

Our club had a golf tournament in May, also. It was very well attended by members and guests. Low gross was won by Gary Urton and the low net was shared by Bob Irvine and Leo Rossey. A special thanks go to Clem Tremblay and his golf committee. General election was held on

Beaumont

Club No. 4

Beaumont, Texas

It's Summertime down in Texas and things are really Hot. The Beaumont Hoo-Hoo No. 4 is no exception. In Beaumont there has been everything from Ladies Night to Con-Cats.

At the May meeting it was Bingo & Ladies Night. The meeting was held at Moncla's in Beaumont. Companies in attendance were Northside, Boise Southern, Boise Cascade, American Paneling, Flintkote, Eastex, Cameron Wholesale, Roy Lee Lumber, Dixie Plywood, and Britton & Cravens among others. All of these companies mentioned were also gracious enough to bring a door prize or two.

The Big Prize winner of the Big Jackpot at the end of the evening was Elwood Granger from Boise Southern in DeQuincy, Louisiana.

In June, Gulf Oil was the program, as Bob Price from the Port Arthur plant paid the club a visit. Bob talked about the future supply of oil in the United States, where it will come from, cost, and profits of the oil companies as well.

At this meeting it was also announced that Henry Landry, Vice Snark, would be our official Representative to the International Convention in September in Houston. Also, at this meeting the new Louisiana club was discussed in detail. It was announced that the Snark of the Universe would be in attendance and that

approximately 15 kittens would be Con-Cated at this time.

Jay Foxworth, from Lake Charles, the President elect of the new club was in attendance at this meeting and expressed his thanks and gratitude to the club for their hard work in getting the new club off the ground. Final plans were also made for the trip to the Lake Charles area for the meeting on the 23rd of June, and the meeting was adjourned.

The Happy hour was sponsored by Landry Lumber and a good time was enjoyed by all.

Lastly and most importantly, on June 23 the Beaumont Hoo-Hoo No. 4, along with the Snark of the Universe, set out for Lake Charles to start the new club. This will be the only club in Louisiana. This club was also the first new club for the Snark of the Universe during his year's tenure. An overwhelming crowd was on hand. A total of 16 kittens were Con-Cated at the meeting. The Happy Hour was sponsored by the Powell Lumber Co. and American Paneling.

Also, the club wished Mr. Roy Lee, Life Member and Charter Member of the Beaumont Hoo-Hoo, a quick recovery from an accident and hopes to see him back in full swing shortly.

If you think you have a more active club than Beaumont Hoo-Hoo No. 4, lets hear from you, because the Beaumont club is like a drum with a hole in it - HARD TO BEAT.

Snark VanEvery is interviewed by the news media on his arrival.

Ragin' Cajun

Club No. 249

Southwestern, La.

On June 23, 1981, a new breath, a new beginning, and A NEW CLUB was formed in the Great State of Louisiana. In Lake Charles, Louisiana, the "Ragin' Cajun Southwest Louisiana Hoo-Hoo club". This club is the only Hoo-Hoo Club in the State of Louisiana.

The Snark-of-the-Universe himself, Bob VanEvery made a special trip to Louisiana to help start the club. At this Con-Cat and chartering, the Club Con-Cated eight new members and had two re-instatements pledged and accepted.

Also participating in the Con-Cat were the Beaumont Club and Houston Degree Team. The Beaumont Club had 8 kittens Con-Cated. The Houston Degree Club consisted of Gary Hester, Supreme 9 Member, John Kelly, and Leonard Craig.

What Hank Landry says just has to go as long as he has that paddle in his hands!

The officers for the New club are as follows: Jay Foxworth, President; Joe Vincent, 1st VP; and Bernard Smith as Secretary/Treasurer. The club will be meeting at the Chateau-Charles Sheraton in Lake Charles. The club feels that their main membership will come from all of the Southwest Louisiana area, and ask if you, or if you know of anyone, interested in the club to

please get in touch with them. Their meeting night is the second Tuesday of each month.

Snark Bob VanEvery, C.N. Magee and S-9 Gary Hester take a breather from planning the ceremony.

Stan Bradlow, Joe Vincent and Tom Lockett from the Ragin' Cajun Club.

During the meeting Gary Hester spoke about Hoo-Hoo on a regional level and what they have done and hope to do. The Snark reminded the new club and the new club members that it was their responsibility to see that Hoo-Hoo grows in the state of Louisiana. he also reminded them that it is friendship and fraternalism that makes for a stronger overall industry. "By working together in friendship and harmony we can create better relations in the Industry". The Snark also asked the club members to keep in mind that the morning after the meeting is just as important to the club as the meeting itself in representing the club.

Powell Lumber Co. and American Paneling sponsored the Happy Hour for the Con-Cat. The club is now taking pledges for sponsorship of the Happy Hour for their next few meetings.

The Victoria (B.C.) Hoo-Hoo Club No. 183 held their Annual Las Vegas Night last April 10th at the Princess Mary Restaurant in Victoria.

After a fine smorgasboard dinner, the club initiated their first Ladies Reverse Draw. This was similar to the club's very successful fund raising dinners that the men have had for quite a few years. In this draw there were 75 couples tickets sold and the ladies name only was put on the board.

Snark of the Universe, Bob VanEvery and his wife, Marilyn arrived in Spokane by plane at noon, May 14. They were met by S-9 Norman Mikalson and Rameses 50 Ernie Wales. They were then taken to Coeur d'Alene, Idaho for a "quick" lunch with officers of the North Idaho Hoo-Hoo Club, including Pres. - Elect Walt Sims, Past Pres. "Bud" Mason, and long time Secretary Carl Krueger.

After lunch, the Snark, Marilyn and the Spokane members were given a tour of the wonderful Museum of North Idaho. Both Krueger and Mason are extremely active in the Museum, and were bursting with pride while showing it.

The Spokane Hoo-Hoo Club hosted the Snark to dinner, a program of "Report of Spokane Hoo-Hoo", a brief talk by S-9 Norm Mikalson, a presentation of a gift of a Circle Saw battery operated Clock created by Deputy Snark John Howard, a talk by Snark Bob VanEvery, and finally a fine Concat for 5 new members of the Spokane Hoo-Hoo Club.

New members formally and impressively inducted into membership were:

- Kermit Kilcup, 88645
- Edward J. Miles, 88820
- John Bly, 88543
- Pat McIntyre, 88544
- Martin Phillips, 86433

Entries will be displayed in the lobby of the Lincoln Mutual Savings Bank until May 22nd. On May 22nd, the winners will be hosted to a luncheon and will be given their prizes at that time.

The VanEverys, the Gene Zancks and the Mikalsons will drive across our beautiful Evergreen State of Washington to attend the Jurisdiction 3 Conference in Tacoma, Wash.

**Portland
Club No. 47
Portland, Ore.**

With Summer now upon us, the Portland Club "swings" into high gear with the Annual Golf outing in July. This year is expected to have as large a turnout as ever at the Forest Hills Golf Course in Cornelius, Oregon. The competitive spirit is urged by activities such as putting contests, Longest drive, Shortest drive and KP holes. If that's not enough, how about free beer on the couse, free hamburgers at the turn, climaxed by a steak dinner with awards presentation?

Portland's April meeting featured our annual scholarship presentation. This year's recipient was David Lyon, currently a Junior at O.S.U. Each year a well-deserving Junior is selected at the School of Forestry to receive the Scholarship.

Portland's April meeting featured our annual scholarship presentation. This year's recipient was David Lyon, currently a Junior at O.S.U. each year a well-deserving Junior is selected at the School of Forestry to receive the scholarship as well as opportunities for summer employment. David spoke briefly about his background and career objectives. Also, this night saw four new kittens join our ranks. - Brian Johnson, last year's scholarship student, Doug Bussey of Boise Cascade, Tom Garza of Fullmer Lumber Co. and Kevin Gibson with Tree Products. All were able to locate their respective Hoo-Hoo's.

At the May meeting, Earl Chalfan and Pat Pond served as cooks for our second steak Barbecue. The speaker this evening was Joe Huff, a member of the Portland Police Department. Portland's law enforcement agency has been the subject of numerous headlines of late, so this timely presentation was well attended and received. Mr. Huff's talk and slide show centered around drug abuse since his area of expertise is narcotics. Judging from all the questions, the night was deemed a real

"bust."

And once again the Portland Hoo-Hoos took to the rivers of Oregon. June was couples night and we chartered the 50-foot yacht Yachts-O-Fun for a spectacular trip down the Columbia River and through the heart of downtown Portland on the Willamette river. The girls really enjoyed themselves as did our special guest Dan Brown, 2nd International Vice President.

Nominations!

To Whom it May Concern:

Since I am planning to move to Phoenix, Arizona in late September, I hereby withdraw my name as candidate for Supreme Nine Member from Jurisdiction I for the coming Hoo-Hoo year.
Ralph C. Dages L-63070

Dear Cliff:

On June 11, 1981 the membership of Winema Hoo-Hoo Club No. 216 nominated Dan Brown L-74477 for the office of "Snark of the Universe" for the year 1981-1982.

Sincerely

President Winema No. 216

Dear Cliff:

Please be advised that this is an official announcement that the Spokane Hoo-Hoo Club No. 16 formally nominates present Supreme Nine Member Norman Mikalson to the position of International 2nd Vice President, for the coming Hoo-Hoo year.

Norm has been a highly successful sawmill operator as well as a tree farm operator. He had held various positions in our club such as Director, Vice President, President (twice, but not in succession), Vicegerent Snark, Deputy Supreme Nine and now Supreme Nine Member for Jurisdiction III. Norm has traveled 12,000 miles this year as S-9 and has visited every Hoo-Hoo Club in this large jurisdiction. He is eminently qualified for the position of 2nd Vice President and would do a fine job as Snark.

Sincerely and fraternally,

Secretary & Rameses No. 50

Gentlemen:

It gives me great pleasure to advise that the Spokane Hoo-Hoo Club No. 16 has nominated Brother Norman Mikalson 65163 for the office of International Second Vice President of Hoo-Hoo International.

I know from personal contact and experience that he has traveled thousands of miles and spent hundreds of hours for the betterment of Hoo-Hoo. As each of you is aware, Jurisdiction III has the largest membership of any Jurisdiction in our Order. It also encompasses a large geographic area. Brother Norm has visited every active club at least once, and in many cases two or three times.

In addition to his Hoo-Hoo travels, he has unselfishly given of his time to work Hoo-Hoo exhibits at forest products industry conventions. He presently owns and operates tree farms covering thousands of acres and prior to that had his own sawmill for many years.

It gives me great pleasure to request your support in the nomination of Brother Mikalson for this high office in our Order. Fraternally,
Eugene D. Zanck L-68162
Rameses No. 71

Dear Cliff:

NEW Hoo-Hoo Club No. 238 is proud and pleased to support the nomination of Brother Norm Mikalson, 65163, for 2nd Vice President of Hoo-Hoo International. Norm has been tireless in the promotion and support of Hoo-Hoo. He was particularly instrumental in the formation of our club.

Wishing health, happiness, and long live, I remain,
Fraternally yours,
Paul T. Christian 78963
President

We, the members of the Atlanta Hoo-Hoo Club No. 1, as well as other clubs in Jurisdiction IX, wish to place the name of Dick Wilson L-51796 in nomination for the office of Second Vice President of Hoo-Hoo International for the 9181-1982 Hoo-Hoo year.

Dick is a familiar face to most of us throughout the Hoo-Hoo Universe, and is presently Senior Hoo-Hoo on the Supreme Nine.

He has served three successive terms on the S-9 and, as we all know, is one of the most dedicated and well thought of members of Hoo-Hoo. For his first three years on the Board, Dick won the membership trophy for his fine work in Jurisdiction IX.

These are just a few examples of his hard work and vitality that he has offered us. We feel that there is not a better qualified or motivated man to aspire to this office, and that only the best interests of Hoo-Hoo would benefit from this election.
David Lee 83769, President
Atlanta Hoo-Hoo Club No. 1

Dear Cliff:

I would like to take this opportunity to second the nomination of Dick Wilson for the Second Vice President of the International Order of Hoo-Hoo.

Dick has done a great job in his Jurisdiction, his local club, and all of Hoo-Hoo. Dick intends to go to the International Convention in Australia in 1982.

If there was ever a deserving candidate for 2nd Vice President it is Dick Wilson, the present Senior Hoo-Hoo whose number is L-51796.

For more progress of the principles of Hoo-Hoo, I remain,
James A. Jones L-72703
Rameses No. 72.

Dear Cliff:

The Los Angeles Hoo-Hoo Club No. 2 respectfully submits in nomination for Second Vice President of Hoo-Hoo International for the coming Hoo-Hoo year, the name of Supreme Nine Member Richard Wilson L-51796.

Doug Willis 85863
President, L.A. Club No. 2

Dear Cliff:

It is with a great deal of pleasure that the San Joaquin Hoo-Hoo Club No. 31 seconds the nomination of R. W. (Dick) Wilson L-51796, for Second Vice President of the International Order of Hoo-Hoo. We know of no

individual better qualified to carry out the responsibilities and duties of this office.

Dick has demonstrated his love of Hoo-Hoo during his terms as a member of the Supreme Nine from Jurisdiction IX. he has increased the number of clubs in that Jurisdiction greatly. it is our firm conviction that he would do an outstanding job as Second Vice President.

Bernard B. Barber, Jr. 48864
Secretary, Club No. 31

Gentlemen:

I would like to express my endorsement of Richard Wilson's nomination to the position of Hoo-Hoo International Second Vice President.

Personally, I believe Dick has all the excellent qualifications necessary for such a position. He is truly dedicated which is proven by his outstanding record.

He has served his fellow members well while representing them on the Supreme Nine, and has become a most popular member.

With Dick's enthusiasm and vitality, I feel he is the choice for second Vice President.

Dear Cliff:

The Washington, D.C. Hoo-Hoo Club No. 99 takes great pleasure in nominating Lee F. Roberts L-51463 as Supreme Nine Member representing Jurisdiction I for the Hoo-Hoo term 1981-1983.

Lee has served in many capacities in Club No. 99 and has also served on the Supreme Nine in past years. He is certainly very capable to handle this assignment.

Fraternally,
Jim Quinn 74714, President
Wash., D.C. Club No. 99

Dear Cliff:

The Board of Directors for the Victoria Hoo-Hoo Club No. 183 wish to nominate Fred Frudd 73230, for the post of Supreme Nine Member representing

Jurisdiction V for the coming two-year term.

Fred is past President of the Victoria Club and a long time member and staunch supporter of Hoo-Hoo, and we feel that he is truly worthy of this great honor.

And so with pride, we tender the name of Fred Frudd 73230, for the position of Supreme Nine for Jurisdiction V.

Bill Bean 85736
Sec'y, Victoria Club No. 183

Dear Cliff:

This letter is to inform you that the Vancouver Hoo-Hoo Club No. 48 fully supports the nomination of Fred Frudd 73230, from the Victoria Club No. 183 as Supreme Nine Representative from Jurisdiction V.

C.F.B. Potter 80485
President, Vancouver Club No. 48

Dear Cliff:

This letter is to advise that the Toronto Hoo-Hoo Club No. 53 wholeheartedly supports the nomination of Mr. Fred Frudd 73230, of the Victoria Hoo-Hoo Club No. 183, for Supreme Nine Member of Jurisdiction V. Fred is a hard working Hoo-Hoo and deserves the nomination.

Fraternally,
Gordon Condie 86096
Pres., Toronto Club No. 53

Dear Cliff:

As past president and current Chairman of the Board of the Metroplex Hoo-Hoo Club No. 242, it is my pleasure and honor to nominate Eddie Z. Hunt 85910, as a member of the Supreme Nine representing Jurisdiction VII for the coming Hoo-Hoo year.

Eddie Hunt has been a loyal, dedicated worker for our club; doing yeomans duty for many tasks and seeking no recognition. It is this kind of tireless and dedicated effort that makes a club grow and prosper.

Curtis Turner 85916
Club No. 242

Dear Cliff:

I would like to take this opportunity to second the nomination of Eddie Z. Hunt

85910 for Supreme Nine Member for Jurisdiction VII. Eddie has frequently attended our meetings here in Houston as well as those of his home club. He has taken a sincere interest in Hoo-Hoo as well as the lumber industry. I feel that Eddie Z. Hunt 85910, would be an asset both to Jurisdiction VII and to the Order of Hoo-Hoo. Fraternally,
Bill Franks 84101
President, Houston Hoo-Hoo Club No. 23

It is with great pride that the members of Wichita Hoo-Hoo club No. 173 enthusiastically nominate Harry B. McGarigle 71664 as a candidate for election to the office of Supreme 9, representing the "Home Jurisdiction" of the International Concatenated Order of Hoo-Hoo, Jurisdiction VII.

Harry is exceptionally well qualified for this office. He has been an active member of Hoo-Hoo ever since he was Concatenated 21 years ago. He has distinguished himself by serving well in virtually every elected and appointed office of his home club, where he is known best, including the office of president. He is a dependable member of the team and tireless worker when it comes to committee work and other thankless activities. He is an inspiring and motivating leader (which is even more thankless), often accomplishing tasks considered and pronounced by others to be impossible.

He is a faithful student, always preparing himself well for his next achievement for Hoo-Hoo. Harry and his wife, Mary, have always been attending the International Conventions for most of the last five years. He has carefully observed and thoroughly learned the workings of Hoo-Hoo at the International level. He is now ready and therefore is offering considerable talents and training to the service of Jurisdiction VII and Hoo-Hoo International.

Because those elected this year

will be expected to represent their Jurisdictions when the annual meeting will be held in Australia, in 1982, and since Hoo-Hoo International is allowing only \$500.00 to each member of the Supreme Nine making that trip, our International Treasurer, Bill Russell L-50220, is emphasizing to each Jurisdiction at the Convention in Australia next year with the further understanding that he will be responsible for all his travel and other related expenses, less only the \$500.00 from Hoo-Hoo International. Harry McGarigle proudly makes this commitment to the members of Jurisdiction VII.

Harry McGarigle has all the necessary qualifications to provide Jurisdiction VII with thoughtful, responsible representation and outstanding leadership---an engaging personality, a sincere interest in the welfare of Hoo-Hoo and Jurisdiction VII, a true dedication to the desires of his electorate, a financial independence of such sufficiency as to allow his full participation in

the activities of Hoo-Hoo International and the time to do it all, with the full cooperation and support of his employer.

It certainly must be obvious why we, the members of Wichita Hoo-Hoo Club No. 173, are so enthusiastic and proud to nominate Harry McGarigle to the Supreme 9. We are confident that when you know Harry as well as we do, that you will share our enthusiasm and pride and will be equally eager to support his candidacy and elect him to represent us in Jurisdiction VII on the Supreme 9.

Wichita Hoo-Hoo Club No. 173

Dear Cliff:

The Atlanta Hoo-Hoo Club No. 1, by unanimous vote, would like to submit in nomination for Supreme Nine Member representing Jurisdiction IX, David E. (Dave) Lee, Jr., 83769.

Dave has ably served the Atlanta Club, as treasurer during the 1980 convention year and most recently as President. During his tenure as treasurer he increased our membership to one hundred fifty members. As President he has worked

diligently to keep the membership strong.

We all feel that David will ably represent not only Jurisdiction IX, but Hoo-Hoo International as well; therefore, we are proud to place his name in nomination for this office.

Respectfully submitted,
Jim Wilson 83778
Treasurer, Atlanta Hoo-Hoo Club No. 1.

"Club 99 of Washington D.C. ended up the year in grand style," writes Greg Schumacher. "At our meeting on May 27th we elected new officers for the 1981-1982 Hoo-Hoo year. Our new officers are: Jim Quinn, President; Gerry Gibala, Vice President and Greg Schumacher, Secretary/Treasurer."

Prior to the election it was voted at the Board of Directors Meeting that our member, Lee Roberts L-51453, be nominated as the new Supreme Nine Member for Jurisdiction I. Lee has served on the Supreme Nine in the past (about 10 years ago) and we know he will represent our Jurisdiction properly since he already "knows the ropes."

We celebrated the 50th anniversary of our local Club at the meeting. Members whose Hoo-Hoo numbers were less than 50,000 were honored guests. We also were honored by another visit from Snark, Robert VanEvery. Wally Murphy reported on the Club's trip to Atlantic City, which was a

Mr. Martin Gray of the investment firm of Drexel

Report from Juris VI

During the past quarter I had the opportunity to attend the annual Sports Day of Sacramento Hoo-Hoo Club No. 109, which was one of the finest Hoo-Hoo meetings I had ever attended. It was a great pleasure to be there and participate in the fun and fellowship, and hear the great array of professional football players talk to the members present. Bert LeBeck, general chairman of the meeting, did an outstanding job, and was certainly entitled to congratulations from Hoo-Hoo Club No. 109 for his tremendous efforts.

Also, it was my pleasure to attend and participate in the dedication of the Hoo-Hoo Museum in Gurdon, Arkansas on April 11. This, of course, culminated a lot of hard work. It was a very impressive ceremony and much local participation from the citizens of Gurdon, Arkansas.

Naturally, to make a museum successful, it will require that memorabilia of the past days be returned and enlightened our membership in the areas of investment opportunities available for the small investor in these inflationary times, as well as some insight into the future of the home building industry in light of current high interest rates.

May 27, 1981

Our final meeting of the year was held in conjunction with our Spring golf outing. Fine weather brought out a group of about 40 golfers who enjoyed the weather if not the golf. This was also election night and the following were elected officers for the new year commencing in September 1981.

James Quinn - President
Jerry Gibala - Vice-President
Greg Schumacher - Secretary/Treasurer
George Brissko - Director
Wallace Murphy - Director

Many thanks to William (Past-President) Dockeray for a great year of progress for the Washington Hoo-Hoo No. 99.

Nominations!

There are so many nominations for elective office in Hoo-Hoo this year that we feel it advisable to enumerate all the nominations in these pages, plus those which appeared in earlier issues of this magazine.

forwarded to the museum. We sincerely hope that all Hoo-Hoo members will respond to this request and forward whatever they may have to Cliff Cunningham at the Norwood office for cataloging before transporting it to Gurdon. However, if the memorabilia is very large, it probably would be more satisfactory to have it shipped to the museum in Gurdon. The museum will be something that all members of Hoo-Hoo can well be proud.

It is the intention to move the International headquarters to Gurdon in the not too distant future. Inasmuch as Gurdon is the birthplace of Hoo-Hoo, it is only appropriate that our International headquarters be located there.

On May 22 I attended the annual Redwood Grove Committee meeting, at which time the Snark of the Universe, Bob VanEvery L-73186 was present, as well as First Vice President Dan Brown L-74477, Norm Mikalson 65163, Supreme Nine Jurisdiction III, and Dave Jones, who was elected Vice Chairman of the committee, and Bill Scott, president of Hoo-Hoo Club No. 63 in Eureka. It is always an inspiring experience to visit the Hoo-Hoo Redwood Grove, and this annual activity on the part of this committee should be continued and expanded.

Redwood Grove Committee Chairman A. L. Kerper L-44255, resigned prior to the meeting because of health reasons, but the committee refused his resignation and unanimously elected him the permanent Chairman of the Redwood Grove Committee.

On June 28, a party was arranged to honor our Seer of the House of Ancients Dave Davis L-37575 and his wife, Dotty, at Rameses 72, Jimmy Jones' residence in Napa. This was a very excellent party, and once again the snark, Bob VanEvery, was present. Dave met a lot of old friends and received telephone calls and telegrams from many who could not be present.

I am looking forward to

More On Houston Convention

"The Rodeo on Sunday evening, September 13th is the really big deal of the convention," says Dan Guerra of the Convention Committee. "Each Jurisdiction will be asked to supply a team of four men to compete at the Rodeo in a 'calf dressing' contest. This will be one of the highlights of the entire convention."

"It will be a really fun affair," said Dan, "and it will be even more fun since the dress is entirely western - Jeans will be the order of the day. Absolutely informal in every respect."

There are other hotels at which the members may stay besides the Houston Oaks Hotel, which is our Convention headquarters. There are four hotels within a brisk walking distance of the Houston Oaks - There is the Holiday Inn West Loop, the Marriott West Loop, the Guest Quarters, The Grand Hotel and the Galleria Plaza, right in the Galleria complex. One word of caution - no transportation will be provided from hotels other than the Houston Oaks. All transportation will leave from the Houston Oaks Hotel.

If the baseball strike is over by convention time, remember that the game will be played in the Astro-Dome which is air-conditioned to a very comfortable 71 degrees, but the dress for the entire convention period should be light clothing, both in color and weight.

The golf tournament will be at Bear Creek. This is the sight of the U.S. Amateur tournament. This is a wonderful course the

On June 26th Jimmy Jones and his wife, Betty, gave a party honoring SEER OF THE HOUSE OF ANCIENTS, Dave Davis and his wife, Dottie. Many of Dave's friends were in attendance from throughout California. He also received numerous telephone calls and telegrams from many friends throughout the Universe. Some of those in attendance were Snark, Bob VanEvery; First Vice-President, Dan Brown; Supreme Hoo-Hoo, Bernie Barber; past Member of the Supreme Nine, Bob Wright; past Vice-President, Al Bell and many Deputy Supreme Nines from Jurisdiction VI.

beauty of which has been enhanced by the copious rains in Texas this Spring which has helped make the course very green and quite beautiful. Everyone who plays will enjoy it.

"But the Rodeo will really be the big attraction," continued Dan, "and it will definitely not be crowded. We are really pushing the Rodeo."

Can you picture a real rodeo with bronc busting and all the rest that goes with it? You people from the East and Midwest will really enjoy this evening. See you in Houston!

At the Jones's party for the Seer the photographer captured 1st VP. Dan Brown, Seer Dave Davis, Chairman Jim Jones, and President Bob VanEvery.

Atlanta Club No. 1 Atlanta, Georgia

Atlanta Hoo-Hoo Club No. 1 is proud to announce our election of 1981-82 officers. They are:

President - Bob Vordeburg
First Vice President - Bob Magbee

Second Vice President - Ernie Baker
Secretary/Treasurer - John Walker

All of these we are sure will do a superb job for this year and will continue our progress to be the best Club in the Universe.

At this, our last meeting of the Hoo-Hoo year, we also drew for our trips to the Houston Convention. These trips include round trip air fare and registration expenses; a total package worth about \$400.00. The four winners were: Bob Vorderbrug, David Lee, Ira Longino, Ron Mautz. Congratulations to all of these.
