DICK CAMPBELL

MEMO FROM THE SNARK

Well, all the preplanning by the Supreme Nines and club directors certainly enabled me to make the most of my four months of mid-year calls on clubs. Coming from summer "Down Under," to winter and then the delights of spring in North America, was as varied as the many clubs I visited. However, the common factors with all clubs was the great Hoo-Hoo fraternalism and much appreciated hospitality. Thanks to you all as well as the Supreme Nines, Deputies, Rameses and officers who from time to time travelled with me and helped in making the calls so interesting and rewarding.

During my travels I was most impressed by the vastness of the forest areas and fertile lands with so many big inland cities. I feel sure there are lots of people throughout who would appreciate the opportunity to join a Hoo-Hoo club if we could establish one in their area. Through the ongoing efforts of the S-9s and sponsoring clubs, we have recently been honored with the reactivation of Birmingham Hoo-Hoo Club No. 172, and three new clubs, Black Hills Hoo-Hoo Club No. 267 of South Dakota, Mt. Olympus Hoo-Hoo Club No. 268 in Washington state, and the Northeast Nebraska Hoo-Hoo Club No. 269. Congratulations to the new club members

and our thanks to the organizers and sponsoring clubs. Be sure of enthusiastic support by H.H.I. officers for any potential new clubs you may suggest in areas adjoining you.

A hearty welcome to all the new members concatenated this year from all at H.H.I.! Thanks to all the clubs that ran so many concats this year. A reminder to please chase up those members who have unintentionally missed out on forwarding their 1987-88 dues. We would hate to lose them if avoidable.

Our H.H.I. Executive Secretary Billy Tarpley accompanied me from San Francisco with calls in Honolulu, New Zealand and the Australian east coast. Rod Abel hosted Billy at the J-IV Mid-Year board meeting and calls in the southern states. Billy was able to discuss J-IV and H.H.I. related matters first hand with the clubs and J-IV officers. He proved to be a great ambassador for H.H.I. and America at the club meetings. It was a most successful visit and thanks to all those who hosted and entertained Billy during his action-packed itinerary.

Whilst on the international scene, the 1992 Centennial Celebration committee under the chairmanship of Rameses 70 Lurn Champ have their planning well under way. Thanks to the volunteers of the Osirian Cloister who again are organizing fund raising to keep costs down for this spectacular event. Please be sure to return the ticket butts and funds as early as possible.

A reminder of the H.H.I. convention in Orlando this September. It's a wonderful opportunity for the ultimate in Hoo-Hoo fraternalism and exchange of ideas on both a national and international scale. You also have the chance to represent your club as a delegate and contribute to discussions to help shape the future progress of Hoo-Hoo. You will be amazed at the other interesting highlights - the Florida Lumberman's Exhibition, Cape Canaveral, Epcot and Disney World! The Florida clubs and lumbermen will make this convention one you shouldn't miss. I look forward to seeing you in Orlando!

Health, Happiness and Long Life.

VICE PRESIDENTS' REPORT

FIRST VICE PRESIDENT

Phil Cocks L-77298

Time is the true test of theory and supposition. This past week I was re-reading the annual message of a past Snark. It is one of those articles that hits you between the eyes, makes you sit up and say... "This is how it really is!!!" The Snark was Robert G. Gallagher #52499 and it was his report for the Hoo-Hoo year 1958-1959. Snark Gallagher reminds us of what our organization was intended to be, what it has become and where it is going.

He quotes the preface to the anglican "Book of Common Prayer" There has never been anything by the wit of man so well devised, or so sure established that hath not in the continuance of time, been corrupted." He goes on to say that when Hoo-Hoo was conceived, it was with no greater purpose than "the convening spirit of the lumber industry, might be assuaged in one great carnival."

He warns against changes that may creep into our organization and the need for us to heed the adage "To Thine Ownself, Be True."

If you read the newspapers, you will appreciate the problems of any social fraternal organization.

Today, being a volunteer club director and a good samaritan is synonymous with making yourself the target of opportunistic "victims" and their lawyer partners. We live in the most litigious society on earth.

When we hold our meetings, we have to take abnormal care, that nothing in our conversations can be construed to be conspiratorial, so, that we do not make ourselves vulnerable to anti-trust suits, the punishment for which, often includes jail sentences and huge fines.

As an all male organization, we are increasingly being challenged to liberalise our views and admit women. Whether you agree with this step or not, as such, we could no longer call ourselves, The Fraternal Order of Lumbermen.

After running the gambit of the problems outlined, we have to also concern ourselves with liquor laws, tax compliance, liability insurance and competition from the numerous entertainment forms with which we are inundated.

Today, 96 years since our founders established our intent and the by-laws that govern us, and 30 years since Snark Gallagher wrote his warning, we endure. We endure because we have managed to meet the challenges imposed on us by a changing social environment and we have kept traditions alive, our intent untainted, and through our adherence to our by-laws and code of ethics, we still strive so that "The convening spirit of the lumber industry might be assuaged in one grand carnival."

We endure because we still have dedicated members, who by personal effort and expense, dedicate themselves to the continuation of our order.

They exemplify the fact that we are an organization of individuals, bound together by enduring traditions and rules of conduct which are still worthy in an everchanging society.

I bore my friends with admonitions, that we must never let Hoo-Hoo end up the same way as George Washinton's axe. The supposed owner of the fabled axe, showed it to a friend one day. . . "This is the original axe, but as it has been in constant use

since George cut down the cherry tree, the head has been changed 10 times and the handle 20!"

SECOND VICE PRESIDENT

Lyle Hoeck L-77159

Just returned from the J-III Mini convention in Kalispell, Montana which was vary successful. The Great Northwest Log Haul of 303 logging trucks with the backing of everyone in the lumber business throughout the northwest was very impressive. It will effect everyone in the nation I am sure, and the Kalispell club did a super job on covering the 32 mile convoy.

It seems we are having a lot of controversy as to nominations for a new 2nd Vice President. We have a member in good standing, has been very active for many years in the promotion of Hoo-Hoo. I feel we need no longer look for problems, but to look ahead to our future and give full support to our S-9 Brent Crosby L-77009 and give him all our support to become our 2nd V.P. for the coming year. I am sure Brent can come along with new ideas that will give us all a greater look in the future. What we need is new ideas and, as I have said in the past, let's look ahead not always follow the past leaders and problems as they don't seem to be the best for Hoo-Hoo International. I phoned Brent and told him I would support him and would enjoy working with him in the future. We have many new and younger members that are looking toward Hoo-Hoo and feel they want something educational out of our great Fraternal Order.

J-VIII has been increased in clubs as we have started two new clubs. With the help of our Snark Dick Campbell on April 13 we chartered a new club, Northeast Nebraska Club No. 269 and took in ten new kittens of which a president, secretary and 1st V.P. were elected.

On April 15th, the Black Hills Hoo-Hoo Club No. 267 was chartered in Rapid City, South Dakota. Snark Dick Campbell presented a charter to their new secretary/treasurer after initiating 23 new kittens along with three reinstatements. Sioux Valley Club No. 118 sent a degree team out to Rapid City for the event. Also Al Meier flew out to help in the installation which turned out to be a great evening.

I am pleased to have our new clubs and a thanks to each and everyone who helped and attended these great events. All in all it made a great trip for the Snark and S-9 George Olsen through J-VIII.

As our summer is going fast, we still cannot let up on our membership drives. We still have time for more concats.

Everyone should be looking forward to the International convention in Orlando, Florida, and don't forget to sell our 50/50 tickets.

Health, Happiness and Long Life!

SUPREME NINE REPORTS

Jurisdiction I

Charlie Eaton L-72174

In my last report I spoke of the Snark coming to J-I. We traveled together, and every club we visited gave us a great reception. The Snark's entertainment part of the program was the highlight of the evening at every club we visited. The Snark also enlightened us on some of the more serious aspects of Hoo-Hoo. I'll not go into the schedule we had, I'm sure he will give all this in his report. I would like to take this opportunity to thank everyone who helped arrange our meetings while the Snark was in J-I. Thanks to all involved.

J-I isn't up to the level I hoped it to be at this time of the year. With some extra work from the club officers, I believe we can achieve our goal set by the Snark by the year end.

I would like to congratulate all the new kittens conceived in J-I this year. We are happy to have you as new members. I am sure you will enjoy the friendship as you attend the upcoming meetings.

I will close this report hoping to see many of you at the Orlando convention in September. Thanks for making this a good year in Hoo-Hoo for me to remember.

Gordon Graham L-70604

Someone once said, "God must love poor people because he made so many of them." I gotta believe the good Lord must have extra time on his hands, because he has made a whole bunch of very fine Hoo-Hoo's as well.

My past four years on the Supreme Nine has given me proof of this and before I hang it up I'd like to thank all those who have been so tolerant with me during my tenure.

My thanks to the International executive branch over the last four years for your patience with me. I hope I've made a contribution.

Thanks to the great bunch of club officers in Jurisdiction II who have responded so well to my constant prodding to increase their membership, getting their dues in on time, etc. You men have done a great job! All your efforts have paid off, because the information out of the International office as of May 31st indicates Jurisdiction II leads all other Jurisdictions with a paid membership of 109%.

I would be remiss if I did not thank a few individuals for the help they've given me during my term as S-9.

Thanks to Ron Salvatore, the Executive Vice President of the Michigan Lumber & Building Materials Association, who makes available to Hoo-Hoo each year a booth at the annual convention. And, as a Hoo-Hoo member, his contribution to the Saginaw Valley Club #246. And thanks to Dave Millerwise who has been the keystone that holds that club together. The Saginaw Valley Club #246 has 124% paid this year.

Thanks to Jeff Cain, Russ Kilps and Eddie Foley of the Ben Springer Club #35, who have done so much to revitalize their group and I know they'd be the first to tell you their success came as a result of an active Board of Directors. They have 116% paid.

Thanks to Ken Hallgren, Harry Henningsen, Tony Boeckholt and the great bunch of guys from the Ken Hallgren Club #139. They are well organized and have good programs throughout the year. Their membership shows it! They have 133% paid.

Thanks to Jim Carr and Randy Carr of the Chicago Club #29 for their tremendous efforts this year to expand their membership. They've had some field trips which attracted prospective members and I know come fall, they will be hard at it once again. My guess is, you'll see this club grow to be one of the bigger clubs in J-II. They have 146% paid as of this writing.

And last, but not least, thanks to Dennis Karas, President of the Detroit Club #28 and to all the members of that great organization for their patience and understanding during my service on the International Board. Dennis has done a remarkable job this year as club president. He has devoted much of his effort to the increase in membership and through his perseverance the club took in 27 new members this year. Detroit Club #28 stands at 110% paid.

Serving on the Supreme Nine has been a supreme pleasure for me because it has expanded the friendships that go with belonging to Hoo-Hoo. Although I will not be active at the International level after September, I can assure you Hoo-Hoo will always be a part of my life.

With a wish for Health, Happiness and Long Life.

Since the last report things have gone very well with J-III. The Mt. Olympus Club has been chartered and we have a great up and coming new club in J-III who will need all the support we can give it. DS-9, Fred Scheffler, has been assigned this club along with Tacoma-Olympia, Seattle and North Cascade. He will do a great job. The officers have been delegated and we had more than 40 people turn out for the charter plus 15 new members assigned to the club who were either transfers or new members.

Snark Dick Campbell, Ramesys 76, Al Meier, and S-9, J-V, Bruce Woodrow and members from Tacoma-Olympia Club #089, Seattle Club #34, North Cascade Club #230, Victoria Club, and Vancouver Club #48 were all present for the charter.

Prior to the Mini Convention I met with DS-9, Kris Wales and Spokane Club #16. The Spokane Club has a great wood promotion they sponsor and it was very impressive to see how they organized and sponsored this through local schools. The wood projects the kids made were incredibly well done. Great job Spokane. We then went to visit the N.E.W. Club #238 in Colville. This group of fellows was great. They took us on an enjoyable tour through Vaggan Bros. Mill. We were also shown a terrific time as guests of Floyd Pitts and his wife at their home. We had dinner in town

(Continued on Next Page)

and President Al Skeels and members were great hosts. I was happy to see the club doing so well. Congratulations and thanks to them.

We moved into Coeur D' Alene Club #155. President Tom Gilmore and members met with us for dinner and we had a tremendous time. Bill Lentes took us on a boat trip on Lake Coeur D' Alene that was fantastic, thanks Bill. And thanks to the Coeur D' Alene Club for a great evening, keep up the good work.

Jurisdiction III had its Mini Convention in Kalispell, Montana. This was a fantastic time for everyone attending and a great success for J-III since we haven't had a convention in that area of the Jurisdiction for many years. We had a round table discussion on J-III which was very successful and we plan to do it again. The N.W. Montana Club #187 did a tremendous job putting on this convention with the support of all its members including DS-9, Bill Hand, who worked very hard on this along with DS-9, Kris Wales, from the Spokane Club. A special thank you to the Club, Bill and Kris for all your efforts in making this a successful event. You did yourselves proud.

It has been a great year. Keep up the great work. See you in Orlando.

Just over one week ago I saw Billy Tarpley disappear thru the swinging doors of Melbourne International Airport on his departure for home in Gurdon. It was sad to say good-bye because I had just completed a visit with Billy (7 days) thru Victoria, South Australia and Tasmania. We were warmly greeted by presidents and members of five clubs and met with presidents and some members of four other clubs who travelled considerable distance to meet with us.

Thank you Billy for visiting JIV and making a wonderful impression on all members (and ladies) who met you. You were a wonderful ambassador for North American clubs—you did it proud for International Office of Hoo-Hoo.

We in JIV salute you and hope we looked after you in true fraternal spirit—please come back soon.

Visitations

The Hoo-Hoo year is almost finished and I am pleased to report I have visited far distant clubs (as planned) that have not seen a JIV President for at least two years.

I have travelled over 35,000 miles and attended 20 club meetings—14 in JIV and 6 in North America. Early May I met with Perth 240 and Manjimup 250 in Western Australia. These clubs have keen members who hope to form Bunbury Club in the near future.

As mentioned earlier, a further highlight of my visits was with Billy Tarpley to Melbourne 217, Mt Gambier 214, Adelaide 212, Hobart 235, and Launceston 239.

Membership

Intake of new members has been disappointing—may reach 70 for the year—less than half of last year's total. Hopefully, loss of existing members will also be down, but I know a few clubs that will report reduced membership. Some clubs have planned

concats for early next year for various reasons but unfortunately these new members will not appear in the 1988-89 member listing. Tony Hobson will soon be calling for update of member details from each club—this information is eagerly awaited to determine final JIV members for the year.

However, my club visits indicate a continued strong Hoo-Hoo interest and I am sure the future of JIV membership will prove to be sound. This year has been a settling period as a result of:

- Changes in Federal Taxation Laws
- Uncertainty due to numerous industry take overs and amalgamations
- The apparent end (hopefully) to low building activity in recent years.

Media

South Pacific Log & Tally (SPLAT) continues to appeal because of sterling efforts from club liaison officers, Malcolm Powell, editor and Jim Bowden layout and typesetting. April issue was also excellent. Cost of production and distribution (direct mail) slightly exceeds advertising revenue (as budget). Thanks to Ron Caddy, 1st V.P. for his efforts.

Member listing 1988-89 will again be a vital communication link for members. Advertising revenue will this year be well in excess of \$10,000 (ahead of printing and distribution costs). Thanks to the efforts of 2nd V.P. Neil Olliver.

Mid Year Board meeting was held in Brisbane on 7th June 1988 to coincide with a visit from Snark Dick Campbell and Billy Tarpley who attended and made significant contribution to the business discussions.

Main points of International interest were:

1. JIV Convention 1989 by Brisbane 218 to be held prior to HHI convention in Honolulu.
2. Kevin French progressive sawmiller from Tasmania will become 2nd V.P. next year.
3. An additional vicegerent snark was appointed for area 7 to now include two active clubs in North Queensland. Brian Tutton (esc Melbourne Club) has accepted the position.

Future Events

- * Eocpo 88 April to October is on in Brisbane as Billy Tarpley can confirm.
- * Phil Cocks and party will visit early October.
- * JIV Convention in Sydney 7-9 Oct. 88.

Conclusions

Realising this will be my last report in *Log & Tally* let me say it was great to work with Snark Dick Campbell and his board including Billy Tarpley.

The year has been most rewarding for me in JIV and I thank all vicegerents, presidents and members for their ready support in the interest of Hoo-Hoo.

Since this will be my last report before the International Convention in September, I would like to congratulate any club who has entered the Wood Promotion Contest. Remember it is the responsibility of the club delegate to make sure all materials get to the convention and to provide the *Log & Tally* with a complete story for publication.

Congratulations to Jurisdiction V for the membership increase. Vancouver #48 is at 104%; Victoria #183—103%; Cowichan Valley #229—117%.

Vancouver Club #48 is once again sponsoring an Exchange University Student with Melbourne. Anyone wanting any information on this project can contact the Vancouver Club executive direct or make contact through myself.

Victoria Club #183 held a Past-President evening along with our election of new officers. It was good to see the old time faces again. I want to thank Beth at H.H.I. for researching our club history and providing us with a list of Past Presidents. The new officers are eager to serve in the forthcoming term.

At the time of printing Cowichan Valley #229 will be holding their summer bash. We hope to see many Past Presidents at the function.

Toronto #53 and Octoberfest #262 are busy with many summertime projects.

I missed attending the Jurisdiction 3 Mini Convention in Kalispell, Montana due to business commitments. Fred Fudd from Victoria and Jack Jacobson, Chairman of the Board, attended and brought back some wild story about Snark Dick Campbell running afoul of the local police force — something to do with erratic Australian driving habits. Perhaps Dick will explain if you corner him in Orlando.

I would like to offer a "thank you" to all clubs in Jurisdiction V who helped make Snark Dick's tour through our Jurisdiction a memorable one. A special thanks to Hod Mechlam of the Cowichan Valley Club who guided Dick to a most successful salmon fishing trip.

By the time this is printed some clubs will have new officers to start the new year. I want to thank the outgoing officers for their service and to welcome the new officers. Please remember that we of Hoo Hoo International are here to serve the local clubs and will assist in any way we can. Please don't hesitate to give any one of us a call.

With the convention coming in Orlando I hope to see as many delegates from Jurisdiction V as can possibly make it.

Fraternally,
Bruce Woodrow — 79644
Supreme 9, Jurisdiction V

Jurisdiction VI

Brent F. Crosby

With this August issue of the *Log & Tally* and the International Convention in Orlando, Florida in September, I am completing my multi-terms as Supreme Nine for Jurisdiction VI.

I would at this time like to thank all of the local club officers and members throughout the Jurisdiction for their help and assistance over the years. We have seen some clubs that were faltering become strong again through the efforts of local club management and direction.

With all of the good things that have happened, and there have been many, i.e., super concats, great entertainment, well planned product nights, and the participation of the reigning Snarks who travelled throughout Jurisdiction VI, I know it was stimulating and appreciated by both the local clubs and the Snarks, Rameses, and visiting international officers who participated. The two trips by Billy Tarpley, Executive Secretary, are still returning residuals by establishing closer contact between the International Office and the local clubs.

The one disappointment has been the loss of membership. Throughout the Jurisdiction we have had great membership drives and concats, but we continue to lose new members, our retention has been the pits. There has to be a key factor we are overlooking. After a year, "where's the new member?" For the last time from me as your S-9 "take care and interest in your new kittens" — don't concat them then forget them, make them a part of your club program. Build a cadre of future officers. You were there once, bright-eyed and bushy-tailed and someone gave you that little touch of being wanted — think back and try it on a new kitten. If you do I am sure you will look back with pride in yourself and the person you helped. Club officers, directors, international officers all started out as new members (kittens). Try to remember what sparked you (them) to follow the road to Hoo Hoo pleasure.

Thanks to all of you in Jurisdiction VI. It has been a true pleasure.

Health, Happiness and Long Life,

Brent F. Crosby

Jurisdiction VII

Bill Franks 84101

Jurisdiction VII's major challenge is maintaining and increasing membership. We need a unified effort on each club's part to achieve a positive result. Perhaps each club could schedule an additional concat or simply put out an extra effort on any recruiting activities already planned. To date, only one J-VII Club has achieved a 100% plus membership status. Congratulations to the Memphis Club #092. I would suggest that each incoming Club President and slate of officers consider appointing a membership chairman and or membership committee. Recruiting, retaining and recognizing good quality members is an extremely important part of keeping our clubs and Jurisdiction healthy.

September 13 - 17th are the dates for the 96th Annual Hoo Hoo Convention in Orlando, Florida. If you have never had the

opportunity to make a convention trip, you should really consider attending. The International Convention offers Industry related fellowship, fraternalism and fun. September 9th marks the beginning of the new Hoo Hoo Year. A major function of the Convention is to set goals and plan a course of direction for the upcoming year. A local club can realize many benefits from having an incoming officer or representative attend the convention. It is a time and experience that can really help a club President or Secretary get ideas on how to co-ordinate local club functions with International programs.

As I write this message, we will have less than two months left for the 1987-88 Hoo-Hoo year, the 96th year of the International Order of Hoo-Hoo since its founding. It will also be less than a month to go till the 96th International Convention, being hosted by Central Florida Club #115 at the Marriott World Center located in Orlando, Florida. The dates for this convention are September 13 thru September 17, 1988. We ask that the Hoo-Hoo members of Florida try to make plans now to attend as many of the Hoo-Hoo functions as they possibly can. Once you attend an International convention you certainly will get a broader knowledge of the International Order and also your interest in Hoo-Hoo broadens. You have the opportunity of meetings so many great people in our industry. Like anything else that we do in life, whether it be in our personal life or our business life; what we put into it is what we get out of it.

Tuesday evening is our host icebreaker party, Wednesday we have business sessions all day and that night at Rosie O'Grady's. Thursday morning finish up business sessions. Friday evening a luau at Sea World and then on Saturday, awards breakfast, installing of the Snark, embalming of the Snark Saturday afternoon and then a concat. Your 1988 International Convention committee feels that this will be the greatest convention ever held and ask each and every one of the Florida members of Hoo-Hoo for your support.

As for our 1988-1989 Hoo-Hoo year, we will be under the direction of one of our own members, Snark of the Universe Mr. Philip Cocks of Central Florida Club #115.

Hopefully all of the clubs in Jurisdiction IX have put their operation plans for the Hoo-Hoo year 1988-1989 into action and will be ready come September, the beginning of the Hoo-Hoo year. I ask that each club submit in September, the officers report form, to Gurdon, Ark., that each club start right away in collecting International as well as local dues, begin preparing for at least one concat during the year and an all out program in trying to reactivate as many members of Hoo-Hoo in our area as we can.

To all members of Hoo-Hoo International, a fraternal organization for our great industry, let's get ourselves involved in our local clubs activities, the International activities. We belong to an organization that brings us together in our industry. Become active, wear your pin proudly and promote this great organization in our daily activities.

Again, we get out of Hoo-Hoo only what we put into it. See as many as possible at the greatest International Convention in Orlando in September.

Congratulations to the two new Hoo Hoo Clubs in J-VIII. Northeast Nebraska Hoo Hoo Club #269 and Black Hills Hoo Hoo Club #267.

The Snark, Lyle Hoeck and myself travelled in J-VIII. On Monday, April 11th we met with the officers and the Board of Directors of Hoo Hoo Club #102 in Des Moines, Iowa for lunch. Thanks to Gary Shine for setting up that meeting.

April 12th we were with the Hawkeye Hoo Hoo Club #193 for a dinner meeting. Thanks to Frank Park for the nice evening. Thanks to the Omaha Club #124 for getting together a meeting to start the new Northeast Nebraska Club #269.

On Wednesday the 13th, John Krotter was elected secretary. The 14th we were in Sioux Falls, South Dakota at Sioux Valley Club #118. President Steve Sprenger and the Board of Directors have that club growing and going strong. Friday Sioux Valley Club #118 rented an executive bus and we all travelled out to Rapid City, South Dakota. We had a concat to start Black Hills Club #267 with 23 new kittens and 3 reinstatements, a great start. John Garhart was elected president and Boyce Gillies was elected secretary/treasurer.

On the 16th we traveled in the bus to Mt. Rushmore and then to Deadwood, South Dakota where we met John Garhart for lunch. He gave us a tour of the town. Thanks John. Back to Sioux Falls, South Dakota late Saturday night. Sunday Dick and I drove back to the Twin Cities.

April 18th the officers and Board of Directors of Twin Cities Hoo Hoo #12 met with the Snark at a noon luncheon meeting and then a general meeting in the evening at the Past President and Lumberman of the Year Awards night. Congratulations to Frank Jones, the new lumberman of the year.

Tuesday morning Rameses Tom Partridge and I had breakfast with the Snark and put him on a airplane to Denver, Colorado. Sell the 50/50 tickets. If anyone needs more give me a call.

MESSAGE FROM THE SEER OF THE HOUSE OF ANCIENTS

In my last message I said that I would give you a run down on some of the history of your present SEER, Dave Davis L-37575, so here it is.

Born in Salida, Colo., May 22, 1904. Came to Oakland, CA., at the age of two and have lived in California ever since. Attended school in Oakland, CA., where in high school I was captain of football, basketball and track. Did not go to college. Out of high school I went to work for Chas. R. McCormick Lumber Co., in San Francisco as office boy and then stenographer and salesman. This is when I joined San Francisco Hoo Hoo Club #9. During the next years I was associated with Coos Bay Lumber Co., Union Lumber Co., Rockport Redwood Co., Dave Davis Lumber Co., Simpson Redwood Co., Georgia-Pacific Corp., and Van de Nor Lumber Co. So you can see that I have been around. During WWII Hoo Hoo was dormant, together with the fact that Secretary Isherwood ran away with all the Hoo Hoo money. With WWII and no money Hoo Hoo had to be reorganized. Oakland Hoo Hoo Club #39 and possibly a few other clubs kept active through the war. After the war we, in San Francisco thought we should get San Francisco Hoo-Hoo Club #9 reactivated, which I helped to organize and serve as President. From then on I was dedicated to Hoo Hoo, serving as Northern California State Deputy Snark, two terms on the Supreme 9, Snark of the Universe in 1955-6, and now as SEER. During my term as Snark I was instrumental in organizing:

Redwood Empire HH Club #65 — Santa Rosa, CA.
Shasta Cascade #133 — Redding, CA.
Charlotte, N.C. #96 — Charlotte, N.C.
Humbolt #63 — Eureka, CA.
Wichita #173 — Wichita, Kansas
Black Bart #181 — Ukiah, CA
Santa Clara Valley #170 — San Jose, CA.
Ventura-Santa Barbara #186 — Ventura, CA.
Willamette Valley #33 — Eugene, OR.

At the International Hoo Hoo Convention in Detroit, MI., in 1955 I was elected Snark. What a thrill.

During my term as Snark we had a membership of over 13,000. While traveling for Hoo Hoo I had logged over 50,000 miles (without any cost to Hoo Hoo), visiting clubs in the USA and Vancouver, B.C. We did not have any clubs in Australia—what a great job they are doing for Hoo Hoo, and our present Snark Dick Campbell L-77398, who is from Woy Woy, Australia has just finished visiting many clubs in the USA and Canada. I congratulate him for his efforts and dedication to Hoo Hoo. Of course, all past Snarks are dedicated to our Order, as well as many more faithful officers and members. To have served as Snark was one

of the highlights in my life, besides my marriage to Dorothy and our son Donald, who is a successful realtor and developer in Marin County, Palm Springs and Las Vegas.

The first Snark that I ever met was Arthur Hood #32511, Rameses #32, in the 1920's at a Hoo Hoo meeting at the Mark Hopkins Hotel in San Francisco. At that time I marvelled at seeing a Snark and hearing him speak, not ever imagining that someday in 1955 that I would become Snark. In later years I got to know Art Hood.

Of the many Hoo Hoo Concats that I have attended, there are a few that stand out, such as when I flew to Albuquerque, N.M. where Bob Gallagher #L-52499, Rameses #57, a member of the Supreme 9 and later Snark, met me at the airport with a MARIACHI band and a police motor escort to the city of Albuquerque. Another was the formation of Black Bart Hoo Hoo Club #181, when we had 99 kittens, and Jim Hennessy was responsible for this great Concat. In Charlotte, N.C. at the formation of Club #96 they had a live black cat in a cage who no one could manage, and it was a riot.

At my farewell Concat as Snark at the 1956 National convention at the Fairmont Hotel in San Francisco, the Concat team wore black bow ties with white jackets and all memorized their parts. This was very impressive. When I was embalmed and became Rameses #48, Ben Springer #34265, Rameses #37, in the presence of 9 Rameses, presented me with my Rameses ring, which I have always worn. At the banquet and dinner dance of the final night of the 75th National Hoo Hoo Convention there were 600 Hoo Hoo members and their wives being entertained by Hilo Hattie and her troupe from Hawaii. This concluded a very successful convention that Lew Godard #30131 and Al Bell #45756 organized. Also this concluded my term as Snark. Our new Snark was Cliff Schorling #45533, Rameses #49.

At this writing, Dottie and I live in a high rise retirement residence in Greenbrae, about 25 minutes across the San Francisco Bay Bridge to downtown San Francisco, complete with life time care, full medical and hospital, three complete meals, maid service once a week, you name it and we have it. This is our 19th year and we thoroughly enjoy our easy life.

During my 63 years in Hoo Hoo I have met and become associated with many fine forest products Hoo Hoo members—not to mention their nice wives—which I will always remember.

Sincerely & fraternally,
Dave Davis L-37575,
Rameses 48

THE BULLETIN

A Monthly Journal Devoted to the Interests of Hoo-Hoo

Vol. I.

ST. LOUIS, MO., NOVEMBER, 1895.

No. 1.

NOTE: The masthead above and material below are copied directly from the FIRST issue of *The Bulletin*, which was the predecessor of the *Log & Tally*. Notice the date on the masthead, November, 1895, only three years after the founding of Hoo-Hoo in 1892. The editor was Scrivenor George K. Smith of St. Louis, Missouri. A copy of the publication and all subsequent publications of HHI are maintained at the Hoo-Hoo Museum in Gurdon. — Editor

IN OFFERING this, the first issue of THE BULLETIN, we feel it necessary to offer a few explanatory words to quiet in some measure the fears of the lumber press. We do not want to "surreptitiously" secure all your subscribers, although the victory might be "sweeter" if gained by this means. We do not want to see "To let, printing outfits at half price," posted all over the doors of your offices, NO. For this reason we have proposed to circulate THE BULLETIN free of charge among all good cats Hoo pay their dues. It will not be forced upon those Hoo-doo not wish it. But this little BULLETIN, sprawling here with unopened eyes upon great Hoo-Hoo's footstool (4th floor, Equitable Building), has good reasons for attempting to exist. The Order has now grown in magnitude until it is imperative that some official organ be circulated containing the news of the Order, announcements of any character, proposed concatenations, lists of members recently initiated, change of address, removals, members desiring to make a change in their business connections or secure employment, members desiring to employ others in any capacity in their business, and anything which would draw the members closer together and enable them to render mutual aid or kindness. Then, too, Hoo-Hoo has some capable literary talent, whom we hope to persuade to contribute, cheerfully and without pay, to our columns, for the edification of all Hoo-Hoo.

Right here it might be well to offer an apology in advance for any clippings which may appear as purely "original." If our editorial friends recognize any of these as their own production, we humbly beg that this error will be pardoned, and that they will make nine bows in humble submission, and murmur softly B. T. T. O. T. G. B. C. Seriously, we would respectfully ask that any one belonging to the Order having any information, suggestions, or news of any kind to impart which would be of interest to any member, will in the future use these columns.

THE BULLETIN is the only official medium of Concatenated Order of Hoo-Hoo, recognized by the Supreme Nine, and all other publications are unauthentic and unauthorized.

[From the ST. LOUIS LUMBERMAN.]

PRESENTED TO THE PAST SNARK.

As previously arranged, the souvenir voted by the Hoo-Hoo to Past Snark William Eddy Barns was presented to him on Thursday, October the 10th, at the House of Public Comfort, at the St. Louis Fair Grounds. The presentation was witnessed by a large number of Hoo-Hoo, visiting lumbermen, appreciative friends, and as well by quite a number of the fair sex. Chairman Jack P. Richardson, of the committee appointed to arrange for the selection and presentation of the souvenir, called the meeting to order, and in his usual felicitous manner stated that the charm and chain which he now had the honor of presenting to Past Snark Barns was but a feeble token of the appreciation felt by the members of the Order for the services he had rendered during his administration as Grand Snark of the Universe. In that period, under his able guidance, the Order had flourished in a most encouraging manner, and it was thought fitting that some slight recognition should be given to such generous and unselfish devotion to the interests of the Hoo-Hoo Order.

Continuing, Chairman Richardson said that the souvenir was bestowed upon Past Snark Barns, not only because of his worth as a man and his loyalty as a follower of the Great Black Cat, but also as the publisher and managing editor of the greatest yellow pine lumber paper in the United States. Mr. Richardson then stated that the Past Snark would now be taken in charge and promptly executed by the present Snark of the Universe, James E. Defebaugh, whom the chairman introduced amid great applause and to the unbounded pleasure of all present. Grand Snark Defebaugh then addressed Past Snark Barns as follows:

"Most Worthy Resident of House of Ancients: In the life of every man who is called upon at one time or another to serve his country, his constituents or his admirers, or who in the eternal fitness of things is elevated by reason of his personal qualifications or aptitude to the incumbency of a position where these qualifications are made subservient to the interests of those responsible for his elevation, there comes a time when virtue has its reward; a time when sterling worth is recognized; a time when appreciation and

(Continued on Next Page)

(Continued from Page 8)

gratitude must assume a form more substantial than verbal expressions, when acknowledgment and recognition of faultless administration are fittingly unrestricted.

"It is little more than a year ago, when at the annual assemblage of the Concatenated Order of Hoo-Hoo, the highest honor which the Order can bestow, the office of Snark of the Universe, was conferred upon you, and it becomes my pleasurable duty as your successor to make substantial acknowledgment on behalf of the Order of their recognition of the ability which characterized your administration. It is only when faced with grave responsibilities that the worth of a man is shown in its true light. It is only when we meet with obstacles that we can demonstrate our ability to surmount them. The prosperity of the Order at the close of your incumbency is an eloquent tribute to the natural possessiveness of executive power in your nature, and the lustre of your retirement to the House of Ancients is typical of the lustre of this diamond which I now have the honor of presenting to you. So long as it scintillates when kissed by the sunlight, just so long will you occupy a warm corner in the hearts of those who had a part in this acknowledgment, who in session, on the afternoon of your enforced retirement, voted an appropriation for this mark of their esteem.

"It should be a pleasurable recollection to you that the Hoo-Hoo convention which voted this mark of gratitude was composed of delegates, not from a small district, but from a territory embracing thirty old States, and that the action was unanimously approved. It is also fitting that this mark of esteem should be bestowed upon you at your own home, and on this occasion, when surrounded by friends with whom you come in daily contact, we reverse the parable that 'a prophet is not without honor except in his own country.'"

Mr. Barns expressed his surprise and pleasure at the form and the spirit shown in his execution. He had previously been mummified at Minneapolis as a result of his contact with the Chamber of Horrors, so that, in a terrestrial sense, he was constructively a silent quantity. But on such an occasion as this the rule of a departed and rarified Egyptian could not be adhered to. He must burst the winding cloth and shake off the dust of accumulated ages. He begged to say that his lot as Snark had been a pleasant one. He had had loyal friends and hearty co-workers, both in and outside of the Order. His work as a newspaper man had also fallen on pleasant lines. He could wish his successor no greater pleasure or higher honor than such loyal and unswerving friendship as had been accorded him, the speaker, by the Hoo-Hoos and the lumbermen of St. Louis. His debt of gratitude to them was beyond payment or description.

Reverting to the high and exalted office of Snark, he begged to remind the present incumbent that, without malice aforethought, but simply in a spirit of friendly advice, based on practical experience, the most interesting stage of snarkism is the last—the passing of the Snark. That it would be extremely interesting to his successor he had no doubt. He could predict that safely. The rumblings of the coming cataclysm could already be heard. He held in his hand a warning notice of the approaching end, coming from a seer and poet of the Order of high degree, which he would read.

TO THE SNARK.

In bright and scintillating light your path now lies,
Paved with kingly honors; and your eyes
Glow with a pardonable pride which well befits you,
Yet whose glory dies on Hoo-Hoo day
Must tread a thorny and lugubrious way,
For worldly pomp and homage every Snark must pay.
When comes his passing
You walk in blissful ignorance of earthly woe;
Your ignorance is bliss, for we who know
Your very dread of things which dignity forbids will lay you low
And on you jump;
Your kingly heart will take a sudden thump,
As swiftly down the palace stair you make a slump,
When comes your passing.
Dost know, proud monarch, that your time will swiftly come,
That homage swiftly fleets and that the sum
Of deference paid by others is but dusty dross; that the hum
And Hoo-Hoo ding,
Both pleasing and delightful to our earthly king,
Are like unto proverbial treasures which take wing.
When comes the passing.
Already we who gave to you this earthly grace
Lay plans for your translation to the place
Where snarks are quietly and peacefully laid away, and the pace
Which we will set
Will fairly curl your whiskers; we will let
The shrieking, gnashing hordes and Past Snarks pay their debt,
When comes your passing.
But when earthly sins you've fully expiated,
Paid with price of woe, and been translated
To Hoo-Hoo realm, the glittering House of Ancients and there mated
With deposed kings,
You'll realize the hollowness of worldly things,
Yet looking forward to September nine, which brings
The Grand Snark's passing.
VICEGERENT.

The International Wood Promotion Trophy

RULES GOVERNING CLUB TROPHY

1.) The club may submit evidence covering all wood promotion projects adopted by the club, including National Forest Products Week.

2.) The entrant club will make its presentation to the judges and the convention. Tangible evidence of the project(s) must be submitted by the club delegate, who must be conversant with the project from start to finish as he may be interviewed by the judges. This evidence may consist of newspaper clippings, photos, scrap books, samples, or display material. A slide projector will be available.

3.) Each participating club must submit a written outline of the wood promotion project(s) to contain the following: (a) A description of the project(s); (b) State the goal of the project(s); (c) Tell of the method of operation; (d) Specify the relative proportion of financial and/or manpower support from co-operating organizations; and (e) Statement of the results.

4.) **DO NOT SEND CLUB CONTEST MATERIALS TO THE INTERNATIONAL HOO-HOO OFFICE.** The Club delegate is responsible for all contest materials, and for providing the *Log and Tally* with a complete story for publication. The delegate may ship the materials, addressed to himself, in care of

the convention hotel, marked "hold for arrival on September _____, 19____."

5.) Decision of the judges will be final. A club is eligible to be awarded the trophy in two or more consecutive years. In the absence of an acceptable club presentation, at the discretion of the judges the trophy may be retained in the International Headquarters for one year. In addition to the trophy, certificates will be presented to the clubs placing first, second and third. No judge shall be appointed who is a member of a club making a competitive presentation.

6.) Hoo-Hoo Clubs wishing to make a presentation for the trophy are requested to advise the International Office by letter prior to August 20th of each year.

7.) Each of the following facets of wood promotion project shall be rated by each judge, independently of the others, on a scale of 1 thru 10 for letters G and D and 1 thru 5 for letters A, B, E, & F, 10 being the best.

- A—Accomplishment based on size of club.
- B—Involvement of members.
- C—Immediate effect on the community.
- D—Lasting effect on the community.
- E—Written presentation.
- F—Oral presentation.

CLUBS — COMPETE FOR THE JACK CHESHIRE MEDIA AWARD

Once in a great while, a man comes along that exhibits the highest possible standards of ethical conduct, honesty, and compassion for his fellow man. There have been several such great men that have walked through the onion fields and given a life of service to Hoo-Hoo ... all the while living every day by our Nine Points of the Code of Ethics. One such man was the late JACK CHESHIRE Rameses 64 from Albuquerque, New Mexico. And in honor of his continuous love, devotion and hard work for our order the International Board of Directors has established an award for clubs that follow in his footsteps of continually and persistently promoting Hoo-Hoo.

The award is called the JACK CHESHIRE MEDIA AWARD.

This award is presented at each annual convention to the club that does the most to use local media to promote Hoo-Hoo on the local level and internationally. This includes coverage by newspapers, television and/or radio stations, and magazines.

A large plaque bearing the names of the JACK CHESHIRE MEDIA AWARD recipients is maintained in the Hoo-Hoo Museum in Gurdon, but each winning club is awarded a separate plaque to carry back to their clubs.

The rules governing the JACK CHESHIRE MEDIA AWARD are as follows:

AWARD RULES

1. **Intention:** The intention of the award is to encourage and recognize media achievements of the clubs in Hoo-Hoo International. The award shall be for the best media efforts and achievements and recognizes the importance of Hoo-Hoo supporting itself and its sponsoring industry by the sensible use of this important vehicle.

2. **Titles:** The name of the award shall be the JACK CHESHIRE MEDIA AWARD. The trophy plaque has been provided by Hoo-Hoo International and will serve as a perpetual award.

3. **Eligibility and submissions:** (a) All clubs in H.H.I. are eligible for the award and may make a submission at the call of the HHI executive. (b) Each entrant shall provide full details of

their media efforts by way of reports, clippings, photos, videos or films or any other evidence including audience. (c) Entrants shall provide its submission by the time stipulated by the international office, which is the 9th day of August preceding each annual convention. (d) The eligible media shall be newspapers, radio and television, either local or of wider circulation or coverage, and shall include the public media, forest industry media, and company or other in-house media. (e) Media coverage can include that of club activities to the public and to the industry, industry activities to the public or any other media coverage which promotes the activity and role of Hoo-Hoo. (f) Entrants shall provide the name(s) of the people who achieved this media result. (g) Entrants may provide additional written comment explaining any special feature, local difficulties or any other factor which they feel should be considered by the judges. (h) Submissions can be made for single or a few outstanding media achievements or for sustained media effort and achievements during the Hoo-Hoo year under consideration.

4. **Judging:** The JACK CHESHIRE MEDIA AWARD shall be judged by the judging committee. The time of the judging shall be during the annual HHI convention. The selection of the winner shall be at the sole discretion of the judges and no right of appeal will be considered. The judges shall consider the following criteria when making the decision but have the right to decide the relative importance of each of the criteria.

5. **Judging Criteria:** (a) The primary criteria shall be the media exposure of the Order of Hoo-Hoo, its image and the role that Hoo-Hoo and the forest industries play. (b) Judges shall consider both the work put in — gaining media attention is hard work! and, the quality of the result. (c) Judges shall consider all the forms of the media-printed word, radio, television. (d) The award shall be for the "media coverage" rather than the "activity" since the "activity" may possibly be the basis of other Hoo-Hoo awards.

6. **ANNOUNCEMENT OF THE WINNER OF THE AWARD AND PRESENTATION OF THE TROPHY:** The winner of the award shall be announced by the judging panel at the HHI Annual Convention and shall be presented to representative of the winning club.

NOMINATIONS

The Sioux Valley Hoo Hoo Club #118 would like to nominate Lyle Hoeck, L-77159 to the position of First Vice President of Hoo Hoo International.

As a member of our Sioux Valley Club, Lyle has gone through the chairs, serving as club President and on numerous committees. Lyle was the Supreme 9 for J-8 for three years before becoming 2nd Vice President last year at the Seattle Convention.

Lyle's dedication to Hoo Hoo runs deep and true. He has worked diligently at building membership and strong clubs throughout J-8. As a highlight this April he over-saw the organization of a new club in Norfolk, Nebraska and the re-activation of the Black Hills, Hills Club in Rapid City, South Dakota.

As 1st Vice President, Lyle will continue to work hard for the aims and ideals of the great Fraternity.

Oakland Hoo-Hoo Club #39 is honored to place in nomination Brent Crosby, Sr. #77009 for the International 2nd Vice Presidency.

Brent's long service to Hoo-Hoo includes serving our wonderful organization in many different ways and capacities. Brent is a former president of our Oakland Club #39 and is now serving on the Supreme Nine for Jurisdiction VI. He has also been especially active in both the Sacramento and the Black Bart Clubs, along with other clubs in Jurisdiction VI.

Both with Brent's long outstanding service to Hoo-Hoo and his management capabilities and background with both Kaiser and Domtar Gypsum, we believe, make Brent a very valuable asset to the International Order of Hoo-Hoo.

Brent has traveled many miles to promote Hoo-Hoo, both within Jurisdiction VI, across the continent, and internationally as well. We feel he will represent Hoo-Hoo extremely well in an officer capacity for the Hoo-Hoo International.

Again, it is our privilege to nominate Brent Crosby for the 2nd Vice Presidency for the upcoming year.

I am pleased to second the nomination of Brent Crosby, L-77009 to the office of 2nd Vice President for 1988-89. I have spent much time with Brent and find him to be one of the finest men and greatest promoters of Hoo-Hoo that I have known in the twenty some years I have been a member. When I was Snark, Brent made all the arrangements to visit the clubs throughout J-6 and took two weeks of his own vacation time from work to accompany me on the tour.

Brent joined Hoo-Hoo in Sacramento in 1964 when he was employed by Kaiser's Building Products Division. He has served as president of Sacramento Club #109 and Oakland Club #39 and two terms on the Supreme Nine representing Jurisdiction 6.

Brent has been in the building industry field all of his life. His great grandfather owned the first sawmill in the Puget Sound area at Tumwater, Washington and his ancestors were very instrumental in the lumber and logging industry in the Puget Sound area from 1851-1946.

Brent is currently a Regional Manager for Domtar, Inc., a diversified Canadian corporation engaged in the manufacture and marketing of a wide range of forest products, construction materials and packaging. With its annual production capacity of 340 million F.B.M. they are the 4th largest lumber producer in Eastern Canada. Over 75 percent of their lumber production is exported to the U.S. Domtar's head office is in Montreal; it employs more than 15,000 people in some 80 locations throughout North America. The forest products division of Domtar's Pulp & Paper Products Group operates three major sawmills. Other operations include wood preserving, laminating, roofing and fiberboard, corrugated containers, recycling, newsprint and kraft pulp and containerboard as well as gypsum products.

I know Brent to be a fine person, a great leader and he certainly will be a great asset when he becomes Snark of the Universe. Your support will be appreciated.

Brent is currently a Regional Manager for Domtar, Inc., a diversified Canadian corporation engaged in the manufacture and marketing of a wide range of forest products, construction materials and packaging. With its annual production capacity of 340 million F.B.M. they are the 4th largest lumber producer in Eastern Canada. Over 75 percent of their lumber production is exported to the U.S. Domtar's head office is in Montreal; it employs more than 15,000 people in some 80 locations throughout North America. The forest products division of Domtar's Pulp & Paper Products Group operates three major sawmills. Other operations include wood preserving, laminating, roofing and fiberboard, corrugated containers, recycling, newsprint and kraft pulp and containerboard as well as gypsum products.

I know Brent to be a fine person, a great leader and he certainly will be a great asset when he becomes Snark of the Universe. Your support will be appreciated.

WASHINGTON D.C. CLUB 99 REPORTS

Snark's Visit—On April 26, twenty-two members of our club met with Snark Dick Campbell and had a thoroughly en-

joyable evening. After a brief talk about the state of Hoo-Hoo, Dick presented Honorary Life Memberships to Fordham Radue and Bob Riley, Jr. Russell Sowers and Fred Watkins were not able to be present, but they were also recognized. This club is certainly proud and fortunate to have men of this caliber as members for the past 50 years. Dick also entertained us

with his ukulele and by singing a few Australian songs.

Winners—Charlie Eaton drew his own number in the 50/50 and took \$60 home, while Ron Payton won the door prize, which was donated by Armstrong Lumber. Richard Thomas' name was drawn for the attendance prize, and since he was present, he was awarded \$70. The attendance prize for April will now be \$10.

Kittens—Cat Tamer Brian Roberts led twelve Kittens through the Gardens at our March meeting, and we are happy to welcome them to our club.

Sincerely and fraternally,
Lee F. Roberts L61463
Secretary/Treasurer

DETROIT 28 — The Botsford Inn served as the venue for Detroit Club's annual concat.

DETROIT CLUB #28 HOLDS MINI CONCAT

Our April meeting found us with eight kittens who couldn't attend our February concat and with the Snark visiting us we didn't want them to miss this meeting. So with the assistance of Snark Dick Campbell, we held a mini concat. The kittens were instructed in the ways of Hoo-Hoo and saw how international our organization is.

Dick Campbell was presented the key to the city of Farmington by Rameses 73, Bob Van Every, Rameses 66, Phil Dawson, gave Dick our traditional Motor City memento, and engraved hub cap.

Others in attendance were JII S-9, Gordon Graham and former S-9 Dick Ashton.

Dick Campbell ended the meeting with some catchy Australian songs accompanied by his ukulele.

DETROIT 28 — The Detroit Club held its annual concat at the historic Botsford Inn. Founded in 1836, it is the oldest inn located in Michigan on the National Register of Historic Places, and at one time was owned by Henry Ford. The meeting was well attended and 20 kittens were initiated. The evening was finished with an excellent dinner and lots of fellowship.

DETROIT 28 — Rameses 66 Phil Dawson (right) presents Snark Dick Campbell with an engraved hub cap, commemorating his visit to the Motor City.

KEN HALLGREN 139 — S-9 Gordie Graham was all smiles after Richard Wagner piped in the Snark to the meeting to a Scots Campbell Clan tune. The club welcomed the Snark and Gordie on April 7, 1988.

KEN HALLGREN 139 — Club secretary Ken Hallgren (left) and Deputy S-9 Harry Henningsen (right) present Snark Dick Campbell with a plaque bearing a photo of his "Hoo-Hoo Uke." After a concat, music was provided by Tom Stasiac on his vintage concertina, Richard Wagner on his bagpipes and a sing-a-long to Snark Dick's ukelele.

NOTE FROM KEN HALLGREN HOO-HOO CLUB NO. 139

September 7th is the date for the annual joint golf outing with the Ken Hallgren Hoo-Hoo Club No. 139 and the Ben Springer Hoo-Hoo Club No. 35. This

year's event will take place at the Twin Lake Country Club in Twin Lakes, Wisconsin. The Ken Hallgren Club will be the official host for the outing, so let's get all our good golfers and take home the trophy.

September is also the month for our international convention in Orlando, Florida. It will start on September 13 and end on September 17th. Plan on going and have some real fun.

SNARK ATTENDS ANNUAL TORSK DINNER AT BEN SPRINGER CLUB NO. 35

Ben F. Springer Hoo-Hoo Club No. 35 holds its annual torsk dinner in Racine,

Wisconsin on April 6, 1988. The Guest of Honor for the event was Snark of the Universe, Dick Campbell.

Dick provided the entertainment for the evening, and was proclaimed by club

members to be the only Hoo-Hoo member in existence who is shorter than Ed Foley - but he sings better.

About 50 people attended the dinner and a fun time was had by all. Program chairman was Ed Foley.

JURISDICTION III Mini Convention Report

Through Jurisdiction III Mini Convention was held in Kalispell, Montana, May 27th thru the 29th. Dignitaries included the Snark and his wife, Internationals 1st and 2nd Vice Presidents, six Rameses, three Supreme 9's, many club officers and

members making this J-III Mini a very high powered conference.

Starting at registration and continuing through the western family day BBQ the fun and games were nonstop. Noteworthy was the appearance of the "Montana Money Maker" (Sheep) at the banquet Saturday night and also the A R R E S T of the Snark, for illegal parking, at the business meeting. Most noteworthy however, was the exceptional round of business meetings held all day Saturday.

Those in attendance walked away with a better understanding of how International and JIII can help their local clubs.

The Northwestern Montana Club 187 would like to extend their appreciation for being able to hold the Mini in Kalispell and special thanks to the 78 plus guests from out of town who found their way to Kalispell. We hope that those attending have fond memories of Northwestern Montana.

RAMESES 50 ERNIE WALES NAMED SPOKANE ROTARIAN OF THE YEAR

Congratulations are in order for Rameses 50 Ernie Wales L-45412 who

was named the 1988 recipient of the Fred K. Jones Memorial Award which is given to the Rotary Club of Spokane Rotarian of the Year. The award was presented on May 5th to Ernie, who did not know he

was to be so honored. Ernie's wife, Ellen, son Kris 74542, and grandson Kent were invited to attend the meeting as guests of the Rotary club.

Good for you, Ernie!

J-III MINI — A well planned prank resulted in the arrest of the Snark in Kalispell for illegal parking and driving without "international" drivers license.

J-III MINI — Deputy S-9 Kris Wales and convention chairman Bill Hand pose with the car which served as the focal point of a beautiful prank played on the Snark. The car in the photo is identical to a car loaned to the Snark by Club 187 member Holly Larson. Members found the "junkie" months earlier and purchased it for the prank.

COMMITTEE REPORTS FROM THE J-III MINI

June 2, 1988

During our afternoon "Grass Roots Seminar" at the recent J-3 Mini Convention in Kalispell, Montana, the attendees were broken down into small working groups, and asked to answer several questions regarding Hoo-Hoo, and how to make it better. Following you will find a list of the questions asked, and capsulized answers to them. Please remember that each question was asked of not more than two groups, and that there really are no "right" or "wrong" answers to these questions. What will work in one situation, may not be as successful in another. I hope that you will disseminate this information to all the clubs in J-3, and that it will be of some help to them.

1. How can we increase meeting attendance?

A. Meetings must be interesting and informative — kittens and other members meet in small groups and plan meetings — eg. plant tours — guest speakers — poll members to determine best meeting night — phone committees — interesting programs — speakers.

2. How can we recruit new members?

A. Membership drive — focused effort with incentives for teams that have the best results — Reinstatements — identify potential members — they are already qualified, but why did they let their membership lapse? — sell the organization on its merits — have quality programs — advertise in trade publications — manufacturing journals — industry newsletters and bulletins

— convention notices and brochures — through existing members — offer rewards — \$ or trophies or ? — invite potential members to meetings — good meetings result in more members (and more attendance).

3. How can we help to charter/reinstate a new (old) club?

A. Talk up Hoo-Hoo during sales (or purchase) calls — Personal contact with prospects or members of defunct club(s) — Refrain from buying from a certain supplier until he comes to a Hoo-Hoo function.

4. Should Hoo-Hoo become more politically involved? If so, to what extent?

A. NO, as a club — but individually, use club as a catalyst — support causes as an information source or base — use club to become more informed about forest products issues — pass on contacts to those who are interested (members and non-members).

5. What can our club do to make Hoo-Hoo better?

A. Emphasize the Golden Rule to the lumber industry — have HHI get a poster size copy of the Code of Ethics printed which the club(s) can display during their meetings — could also be given by clubs to members for posting in their offices — start telling our story — take credit for what we do — tell people what we do for the community.

6. How can Hoo-Hoo combat environmentalists?

A. Hoo-Hoo should not get involved directly in confrontations, but we should

promote our industry, multiple use, and help, wherever possible, to educate the public.

7. How can we get old members more involved?

A. Ask them — get them on a committee — keep them informed — don't forget them — have good programs — old timers night (over 65 - buy his dinner and recognize with a little history of the individual) — past president's night — mailers — phone committee pick and emphasize with their calls — offer transportation to older members who have trouble driving.

8. Should the meeting place (of the club) be changed regularly?

A. Depends on services and facilities — try to stay in one place if possible — in clubs with distance problems, best to move meeting to different localities occasionally — club should meet on the same night and at the same place regularly, but special events may alter this from time to time.

9. How can we raise more money for the club?

A. Raffles — add extra (like \$.50) to cost of meals — Casino Night with prizes solicited from suppliers — sell script — use winnings (script) to purchase raffle tickets — give donated prizes to raffle winners — fines — no name tag at meetings — no Hoo-Hoo pin at meetings — advertising (at meetings eg. mentioning a firm's name) — grading schools — product information seminars — raffles (with a cause - split proceeds with the winner (eg. Osirian

(Continued on Next Page)

(Continued from Page 19)

Cloister) — special events — Logging shows — golf tournaments — casino nights — auctions — surcharge for non-members participating in events — sell advertising in bulletins and notices — charge more than cost for events — sell Hoo-Hoo products — hats — shirts — coats — belt buckles.

10. Is price (cost) a real, detriment to meeting attendance?

A. Yes, to some extent, but new members knew the costs before joining — type of facility affects cost — king of meal (menu) affects cost.

11. What was our most successful program/meeting?

A. Old Timer's Night at an historical museum (lots of stories about the "good old days") — Christmas party (for kid's charity) — tour of mill - Forest Service official spoke re: timely problems regarding difficulties in the timber sale arena today — casino night - wives involved and help-

ing in dealing, etc. — crab feeds — horse race night with Hoo-Hoo race and Hoo-Hoo blanket awarded to winning horse — lady's night with reverse drawing (1st and 10th, money back; 5th, 15th, etc. win bottle of wine; last ticket out wins \$500) — golf outings (tournaments) — trap shoots.

12. How can we insure Kittens become involved in club activities?

A. Put them on program committees (responsible for one meeting, with other members) — get on other committees — insure he is invited to each meeting (phone calls, etc.) — let them know their efforts are appreciated and encourage them to bring in other members — talk to them at meetings — make the kittens mix with other members — get kittens involved in the next Concat — make the next meeting after a Concat interesting to them.

13. How do we get dues paid on time?

A. Mention dues in meeting notices — Directors make calls starting in January — list delinquent members with sellers of

dinner tickets at meetings — unpaid members not allowed to attend Concats — have member(s) circulate at meetings and try to collect — read list at meeting (by February).

14. What can the Supreme Nine or Deputy Supreme Nine do to promote Hoo-Hoo in your club?

A. Inspiration, ideas, spread the word — through visitations and correspondence — attend various club meetings, but notify in advance — convey information between clubs.

I thought the meeting was educational, inspirational and comical, all at the same time. Bill Hand and his able crew are to be complimented. Tacoma/Olympia has a touch act to follow, which they will do with aplomb, I'm sure.

Health, Happiness and Long Life!

REPORT FROM SPOKANE 16

Again, our (22nd) Annual Woodworking Contest was highly successful and much appreciated by the Junior and Senior High Schools participating. The instructors were especially proud and pleased. A new school, Mountain View Jr. High participated and won an Hon. Mention.

At this meeting the Nominating Committee report was read and the nominees were unanimously elected.

Snark's Whirlwind Visit

Snark of the Universe (HHI Pres.) Dick and Diana Campbell, from Woy

Woy, Australia arrived in Spokane at 5:00 P.M. Tuesday, May 24, and attended three Hoo-Hoo Club Meetings plus a Mini Convention in Kalispell, Mont., before heading for Hawaii, New Zealand and more Club calls in his native Australia. They stayed one night with Pres. Jack and Helen Eskeberg, three nights with Ernie and Ellen Wales, and two nights in Kalispell.

On May 24, Snark Dick, S-9 Jeff Loth, etc., attended a meeting of Spokane Hoo-Hoo Club.

On May 25, the Snark, Pres. Jack, Rameses Ernie, Dep. S-9 Kris Wales and S-9 Jeff Loth, joined N.E.W. Hoo-Hoo

members, for a tour of Vaagen Bros. Lbr. Co.'s computerized sawmill at Colville, followed by a cocktail party with their ladies (and ours) at the home of N.E.W. Sec. Floyd and Betty Pitts. The men then went to an N.E.W. Hoo-Hoo Meeting, and the ladies went to the Roadhouse Restaurant.

Thursday noon, the Snark, Jack and Ernie attended a Rotary meeting, while Ellen Wales hosted a luncheon in honor of Diana at the Spokane Club.

After lunch, V.G. Snark Bill and Ellen Lentos took the Campbells and other

members and ladies on a great boat ride on beautiful Coeur d'Alene Lake.

That night, Snark Dick, Pres. Jack, S-9 Jeff Loth, Dep. S-9 Kris Wales, VGS Bill Lenten, Secty. Ernie Wales, Rameses Al Meier, D.S. 9 Gil Emery and others attended the regular meeting of the North Idaho Hoo-Hoo Club, while the ladies ate at the fabulous Coeur d'Alene Resort Hotel.

Helen Eskeberg hosted a small dinner in her home for Diana on May 24.

J-III Mini, Big Success

A very interesting, informative, and entertaining mini convention was put on by the Northwestern Montana Hoo-Hoo Club May 27, 28 and 30th.

Attending were Snark & Mrs. Dick Campbell from Woy Woy Australia, 1st VP & Mrs. Phil Cocks from Orlando, Florida, 2nd VP & Mrs. Lyle Hoeck from Sioux Falls, S.D., five Past Snarks, i.e. M/M Ernie Wales, Spokane; M/M Gene Zanck, Spokane; M/M Dan Brown, Klamath Falls, OR.; M/M Jack Jacobson, Vancouver, B.C. Canada; Past S-9 Ken Hallgren from Illinois; S-9 Jeff Loth and five Dept. Supreme 9s, and many interested Hoo-Hoo's and their guests including children. Several families had three generations present.

Several gifts were presented, including a Hoo-Hoo jacket to Kris Wales, and a Cribbage Board wall plaque to Bill Lenten by Jeff Loth, plus various certificates to others. Snark Dick gave Kent Wales a Snark's banner and wrote on it, "to Kent Wales — Designated Helper."

Northwest Wood Products Clinic

The Annual meeting of NWWP Clinic was held in Spokane at the Sheraton Hotel, May 16 through 18.

Our members attending were Past Pres. Chuck Dehner, Ernie Wales from Spokane, and George Miller and Lorin Hearst from Missoula, Mont.

George was re-elected to the Board of Directors and Ernie gave the report of the Forest Clinic Foundation. John Ailport was expected, but did not come.

SPOKANE CLUB 16 ANNUAL REPORT 1987-1988

June 20, 1988

Our Spokane Hoo-Hoo Club #16 started the new year (early) with a Patio Party at the beautiful home of Vicegerent Snark Bill and Ellen Lenten, on August 12, 1987. New officers and directors were properly installed by Rameses Gene Zanck.

Again a fine Activity Calendar and Membership Roster were printed by Dellen Wood Products, (Bill Lenten, President).

In September, five members and their ladies attended the Hoo-Hoo International Convention in Seattle, Washington.

Our first meeting in September featured a luncheon in Coeur d'Alene, Idaho, followed by (final) tour of the 80 year old Potlatch sawmill and planning mill, soon to be dismantled, and burned in June, 1988, as a "Fire Fighter Exercise." The site will be a resort in the future.

Our October meeting was a casino-style Fun Night at the Dellen Wood Products Plant, in which money was raised for our 22nd Annual Woodworking Contest for Junior and Senior High School students.

In November, we met at the plant of Pacific Wood Furnishings for a catered dinner and tour of this interesting wood furniture plant.

In December, we were hosted to a nice catered dinner and a tour of Quiki Box Manufacturing Company by Director Arlin Looney, Jr. The plant now specializes in making high quality cabinet doors from alder and oak, (although not in the same door), and not boxes, anymore.

Our January, 1988 meeting featured a Concat for new members and honored

our Past Presidents, at a dinner at the Red Lion Motor Inn.

Our February meeting was our regular Valentine's Party for our ladies, and was a dinner at the Ridpath Hotel and a theater party afterwards at the Interplayers Ensemble, Spokane's professional theater group. An enjoyable time was had by all in attendance.

In March we toured the plant of the Inland Empire Paper Company, and met for dinner afterwards at the Hungry Farmer restaurant.

In April, we met members of North Idaho Hoo-Hoo Club #155 and toured the plant of Idaho Veneer Company at Post Falls, Idaho, and followed with a joint dinner meeting at Templin's Resort. An outstanding talk was given by U.S.F.S., Panhandle National Forest Supervisor Bill Morden, who outlined the present timber shortages brought on by people requesting Timber Sale Reviews, which stop the Timber Sales immediately, or, at best, postpone them for lengthy periods of time. This was illustrated a few days later with the nationally televised Logging Truck trek with 303 trucks taking logs from 5 states to Darby, Montana, because a mill there was shut down for lack of logs.

May was a particularly busy month. First, we met for dinner at Sak's with Snark Dick Campbell of Woy Woy, Australia, and Supreme Nine Jeff Loth of Gold Bar, Washington. Helen (Mrs. Jack) Eskeberg hosted Diana Campbell and several Hoo-Hoo ladies for dinner in her home. The following day, some of our officers escorted Snark Dick, and our ladies escorted Diana Campbell to Colville, Washington, for the men to tour the new computerized sawmill of Vaagen Brothers Lumber Company, Inc. The North East

(Continued on Next Page)

(Continued from Page 28)

Washington Hoo-Hoo Club Secretary Floyd and Betty Pitts hosted us and some of their members at a cocktail party at their home, prior to a dinner meeting of the N.E.W. Club #238, with a separate dinner for the wives. Snark Dick and S-9 Jeff were honored speakers.

The following day, Spokane Hoo-Hoo Club #16 President Jack Eskeberg, Rameses Ernie Wales and Snark Dick attended a Rotary club meeting, and Dick spoke briefly while Ellen Wales hosted Diana and several other local Hoo-Hoo ladies to a luncheon. In the afternoon, Vicegerent Snark Bill and Ellen Lenten hosted a small group on their yacht on Coeur d'Alene Lake, followed by a dinner meeting with the North Idaho Hoo-Hoo Club #155. The "honored" guests were Snark Dick and S-9 Jeff, Georgia Meier, wife of Rameses Al, from Tacoma, Washington, joined the ladies for dinner at Beverleys (restaurant) in the Coeur d'Alene Resort.

On May 27, Deputy Supreme Nine Kris Wales and his children escorted Snark Dick and Diana to Kalispell, Montana, for the J-3 Mini Convention, which was well attended by 2 HHI Vice Presidents, 5 Rameses, and 5 Deputy S-9's. A very fine Convention was enjoyed by all, including four of our members and their ladies. North West Montana Hoo-Hoo Club #187 hosted the three-day meeting, a family affair with children.

Also, on May 27, we had our Annual Awards luncheon and presented certificates and checks to the student winners of the Woodworking Contest. At this meeting new officers and directors were elected for the ensuing Hoo-Hoo year.

Our June meeting was the ever popular "Night at the Races" at Playfair Race Track. One of the races was the "Hoo-Hoo Race," and a blanket with the Hoo-Hoo Emblem was presented to the winning horse.

In July, there will be an informal planning meeting. In August, we expect to have a Patio (or Boat) Party with our ladies, and install the new officers and directors.

We started our Hoo-Hoo Year with 75 HHI and 8 Associate members on the roster, and ended the year with 76 HHI and 8 Associate members.

Respectfully submitted,
Hoo-Hoo Club of Spokane #16, Inc.

SPOKANE CLUB 16 HOLDS MILL TOUR AND MEETING IN APRIL

One the finest and most interesting meetings of the Spokane Hoo-Hoo Club No. 16 was the tour of Idaho Veneer Plant at Post Falls, Idaho, conducted by North Idaho Hoo-Hoo Club president Tom Gilmore and past president Bob Burke, both of the Idaho Veneer Company. The members in attendance were much impressed by the veneer plan and the Idaho White Pine and Cedar thin veneers which are sold all over the country and to foreign countries, such as Taiwan, where one of the company's officials was at the time of this writing.

Following the tour, a dinner meeting was held at the Templin's Resort Hotel in Spokane where president Jack Eskeberg opened the meeting and introduced North Idaho Hoo-Hoo club president Tom Gilmore, who spoke briefly. President Jack then introduced Deputy Supreme Nine Kris Wales who outlined the activities

SEATTLE #34

It's been a busy 1988 for #34. We started off the new year with nationally known speaker and author, Ron "Ice-man" Rearick. Ron, a former mob strongman and convict, has since joined in the battle to save young people from the path of drugs and violence that dominated his life for so many years.

In February, at our annual Past Presidents Night, we feasted on crab and concatted five new members into our great order. Several kittens were not able to attend, so in May, while Snark Dick Campbell was our honored guest, we introduced six more kittens to the great land of Hoo-Hoo. With the help of Rameses Al Meier

planned for the visit of Snark Dick Campbell and his wife, Diana. Kris also talked about plans for the J-III mini convention which was held in Kalispell, Montana.

Rameses Gene Zanck spoke briefly about HHI and offered for sale the tickets for drawing at Orlando.

Idaho club president Tom Gilmore then introduced the guest speaker, William Morden, the U.S. Forest Service supervisor of the Panhandle National Forest.

He talked for nearly an hour on how the U.S. Forest Service operated on its timber sales, emphasizing how the "appeals" system works to stop many prospective sales, and even some timber sales already in operation.

It is a chilling situation which has drastically reduced the availability of timber sales offers, and it is predicted that in a few years there will be more and more sawmill closures with resulting lay-offs, loss of tax money, and considerable higher prices for lumber. It was a very informative talk followed by a question and answer period.

beefing up our degree team, it was a great meeting.

Our ladies were with us at Longacres Racetrack Paddock Club for an evening watching the ponies run in April. All the trackside window tables were reserved for the club. Member Dave "2 Dollar" Gleason showed the rest of the crowd how to collect at the winner's window after someone pointed out which end of the horse was the rear. Thanks to meeting chairman, Dan Powell, it was a fun time for all.

The annual June Golf & Field Day was held at Mt. Si golf course in unseasonably rainy weather. Our shotgun

start event was poured on for about eleven holes before the clouds finally relented. One golfer was heard to remark that the putts went pretty well once the ball was up on a plane. In spite of the downpour, it turned out to be the best attended tourney in recent memory, with hardly any no-shows, and lots of out-of-town guests. Dan "K.P." Powell, Keith "Chippie" Chase, and Ed "Landscaper" Williams, took member golfing honors. Thanks to the generosity of member company donations to the prize drawing fund, hardly anyone went away empty-handed.

The Board has accepted a proposal

that our September meeting be a steak-fry picnic with our ladies invited. We look forward to an enjoyable outing.

SEATTLE HOO HOO CLUB #34

Seattle Hoo Hoo Club #34 is happy to report a most enjoyable May meeting. As usual, the meeting was held at the Seattle Swedish Club overlooking beautiful Lake Union and the Seattle Skyline.

After a social hour and a fine "steak and potatoes" dinner, President Fred Scheffler called the meeting to order. He gave a brief report on the club and with the help of Judge Godfrey & Tom Vogel, announced up-coming events. Included

was the long awaited June 10th Golf and Field Day held at Mount Si Golf Club. Dan Powell is the favorite to repeat.

President Fred then was pleased to introduce "Snark of the Universe" Dick Campbell. All 68 members and guests were delightfully treated by Dick's conversation and music. Dick was happy to say that Hoo Hoo is going strong in all parts of the country, as well as overseas. It was also apparent that the snark's visit to Seattle Club #34 was a most enjoyable one.

A special thanks goes out to President Fred Scheffler who resided over his last meeting. From all club members — "A Job Well Done."

PORTLAND 47 — 20 new kittens await their walk through the onion field at the April meeting of the Portland Hoo Hoo Club.

PORTLAND 47 — Club 47's kittens listen closely as the Golden Rule is explained.

REPORT FROM PORTLAND CLUB 47

Our Portland Club has been very active. We had our popular meeting at the Horse Track here in Portland. Members from the Eugene and Salem, Orgeon Clubs also attended. As usual, the horses won!

Snark Dick Campbell attended our steak fry in April when we had more than 20 new kittens initiated, a club record.

Several club members, journeyed to Kalispell, Montana for the J-III Mini-Conference.

We held our first ever trap shoot and

barbecue. Everyone had a bang up time and wants to do it again next summer.

By the time you read this we will have had our annual golf tournament - barbecue. Members from up and down the West coast attend and gets more popular every year.

REPORT FROM TACOMA OLYMPIA CLUB 89

After our great crab and beer bust of March, the Tacoma Olympia Hoo-Hoo Club No. 89 returned to its more formal meeting in April.

We had 57 members plus 12 past presidents for the meeting. Our first speaker was James Armstrong who discussed the new logging regulations proposed for the Mt. Baker National Forest that would cut logging by 50 percent. This measure was opposed by all in attendance.

Our featured speaker was Lt. Col. Leroy Roberts (retired) one of the famous Black Squadron fighter pilots who flew 42 missions in Italy in WWII against the

enemy, then flew 106 missions in Korea against the enemy.

He gave an interesting talk with slides about the early days at Tuskegee, then advanced training and into combat flying.

We initiated five new kittens — Joel Donovan (McMillan-Bloedel), John Roots (Hall Forest Products), Doug Dixon (Al Meier Building Centers), Gene Spenser (Puget Sound Log Scaling), and Sandy Bremner (Tubafor Mill).

Our May meeting was a Ladies' Night. We boarded the Spirit of Tacoma, an 80 foot ship and cruised to Gig Harbor and up through Tacoma Narrows and returned. We had dinner on board. Dick Campbell, the Snark of the Universe, was our special guest. Dick led the singing and a fine time was had by all.

In April, eight of our members drove a van to Port Angeles to help charter a new club in that city.

Over Memorial Day weekend, ten of the club members attended the Mini convention hosted by Northwest Montana Club No. 187 in Kalispell. It was an outstanding affair well hosted and enjoyed by all.

Our June meeting as Election Night and Past President's Night. We had 46 members for dinner including 17 past presidents. George Koenig of Paxport Mills is our new president, and Bob Dagais of Al Meier Building Centers is our new vice president.

See you all in September!

WINEMA CLUB 216 REPORTS

March

"Loggers Nite" or probably better yet called "Sportsman Nite" was a "howler" - 53 hardy souls turned out for a nite of great food, with "Ribs," baron of beef and all those other goodies - Plus the "loggers" sprung for the wine - what a way to go! Dan Brown was honored as "Logger of the Year" for his great conservation efforts on behalf of the "Spotted Owls" - He doesn't cut "old growth fir", only "bug-killed" lodge pole - Probably raises Hell with the bugs, but sure doesn't ruffle any owl feathers - Wouldn't be surprised if Washington doesn't call him back for greater honors - Anyway Prexy Wunder presented Dan with a most congenial "owl" sitting on a limb and the group felt that it was an honor well earned - Dan Applebaker introduced guest speaker Elvin Hawkins of Medford, a wheel in the Oregon Hunters Assn. who took us on a "Mtn. Sheep" hunt. Hawkins has some super fine photos of the big rams of the Wallowa Mtns. before they all died of domestic sheep disease - Can you imagine a photo of the 2nd largest ram ever measured taken at a distance of about 8 feet. You could see the "tar-weeds" on his shoulders and legs! Anyway the group loved every minute of it - Wood Sine, Bill McLain, Jim Rogers, Johnny Miles and

Mike Hanson were the raffle winners - What a nite!

April

We had a great concat and (6) hardy souls joined our ranks - new members are "Ed Freese", Circle D, "Vic Nork," P & R Wampler, "Walt Seals," Seals Logging, Bobby Jones, "Jeld Wen," Ken Austin, "Jeld Wen & "Greg Jolly," Weyco - "Welcome aboard," guys - Come join in on the Brass Rail Safari and get acquainted.

Nominations were opened for Officers and Directors for 1988-89; Pres.- Ed Maloney, VP - Ted Paddock, Treas. - Bill Nelson, Secty. - Buzz Wagner, Directors - Villa, J. Miles, Netzer, Schmidt, Pellegrino, WK Patterson, V.G. Snark - Wunder.

MAY

The "Brass Rail Safari" to Alturas as "Super" with some 43 hardy souls aboard. "Beckys" snacks were wolfed down & washed down and the rhetoric was something else - And that great food at the "Rail" - Dave Molatore joined us & even he was impressed - Soup, salad, eyetalian, shrimp, steaks, "Dago Red" & Basque bread - And the "Snark of the Universe," Dick Campbell. "The Aussie" sang and strummed and we "waltzed Matilda" un-

til her feet hurt. We were about (2) hours late in getting home, but it was worth it - Hope someone found Crebbins hat!

The "Snark" visited with us for about a week, made the trip to Alturas, spent a day "logging" in the Mt. Shasta area with Mike Balcom & dogs, and joined in the Hoo Hoo Ette's Natl. Convention - He's one great Ambassador for Hoo Hoo, even if you can't always understand him, and a great pleasure to be with. Sings like a bird, and really tears that "ukulele" up - A proper mate, he is!

The Hoo Hoo Ettes' Convention was a great success. The 22 women who comprise our Klamath Falls Club are to be highly complimented on a job well done. The evening in Dorris at the mill where they put on a "sit-down" dinner for about 160 plus and the 200 plus at the Elks on Saturday Night took some real doing - And you haven't lived until you've heard Applebaker recite "Cowboy" poetry. That big Dude is way better'n half good. And Nelson at the Mike Auctioneering off some goodies for better than \$1,000.00 for their scholarship. Ladies, we salute you! You're a real credit to the lumber industry and we sure enjoyed being invited to your festivities.

And a number of our guys went Kalispell. Hear from them next month.

NORTH CASCADE 230 REPORTS

Another good year has passed for North Cascade #230 under the very able leadership of Pres. John Denby. Vice President Paul Kriegel and Treasurer Dick Vuori. All of our meetings went off without a hitch. Behind the scenes things might have been in an uproar, but out in

front everything was fine.

The new officers for next year are the following: Pres. Paul Kriegel, Vice President Dick Vuori, Treasurer Bruce Fritch. Board members are: Christ Sectrist, Clyde Shoemaker, Winton Wefer and Jim Chambers.

We extend our thanks to John Denby and "retiring" board members Bruce

Fritch, Steve Runge and Bert Powell.

Meeting dates for next year are 9/20, 10/19, 11/9, 12/20, 1/18, 2/15, 3/15 and 4/19. If you have any suggestions for programs for these meetings contact any of the club officers or board members.

Programs this year covered drug abuse to the Snark's visit. Any input you may have on programs is appreciated.

MELBOURNE HOO-HOO CLUB 217 CELEBRATES 25TH ANNIVERSARY

On June 18th, the Melbourne Hoo-Hoo Club No. 217 celebrated its 25th Anniversary in grand style as the Melbourne club members and Rameses supported the meeting. Hoo-Hoo International and all Hoo-Hoo clubs extend a warm welcome to our new brothers at the Mt. Olympus Club 268!

Of its 19 club presidents, 17 were in attendance, with one apology and one deceased. A good record don't you think?! The Snark was also there with his trusty uke, along with Kevin Kelly.

The club bestowed life memberships on Ron Williams, a past president and a foundation member. He has served on all board positions and was editor of the Melbourne club news for many years, and still is the club photographer.

The other man to receive a life membership was Gerry Glasscock, a guy who just works and works for Hoo-Hoo, a real background stalwart who has been praised by all Melbourne club presidents since he joined.

In honor of the club's 25th anniversary, a 115 page booklet was published highlighting the club's history. The booklet features a full color cover with articles, photos and advertisements inside celebrating Melbourne club's Silver Anniversary.

ON FEELING "DOWN HOME" IN DOWN UNDER by Billy Tarpley 91099 HHI Executive Secretary

Here in Arkansas, we are famous for our Southern hospitality. We pride ourselves on making visitors feel "Down Home." During my visit to Jurisdiction IV in June, I was treated to the finest of "Down Home" hospitality from my friends Down Under, and I shall always consider it a privilege to recount the many kindnesses that were extended to me during those two and a half weeks.

Although my stay in each area was very brief, lasting friendships were formed that will forever serve to remind me of the warmth and friendliness which has come to characterize the Hoo-Hoo men in Jurisdiction IV. That being my first trip to the South Pacific, there were many North American Hoo-Hoo's who, prior to my departure from the United States, called my office to tell me of the many pleasant experiences they had while travelling Down Under. They each had favorite stories which were obviously very special to them, and almost every story dealt with the hospitality of the Australian and New Zealand Hoo-Hoos.

During our two days in New Zealand, we not only had the pleasure of meeting with the Auckland and Rotorua clubs, but we had an opportunity to view the beautiful countryside and mingle with the people. My arrival in Sydney on June 4th marked the beginning of a journey that would take me to Woy Woy, Canberra, back to Sydney, then on to Brisbane, Townsville,

Cairns, Melbourne, Mt. Gambier, Adelaide, Hobart, and Launceston. My two week stay in Australia was brief but eventful! I was treated to outdoor barbies as well as formal dinners, cocktail parties galore, and even attended an Australian rules football game which I thoroughly enjoyed (finally caught on to the game around the third quarter, but never fully understood the penalty system!).

Having been raised in Gurdon around thick forests and beautiful stands of Southern Yellow Pine, I truly enjoyed the time I spent in the forests of the A.C.T. and Tasmania. Thanks to our guides, David Black of A.C.T. Forests and Peter Holyman of ANM Ltd. in Hobart, my travel companions and I were treated to first class tours of the local logging operations, reforestation efforts, experimental production operations, and mill tours in the various areas. While touring the operations, I had my trusty camera in hand to document the various operations we encountered as well as the wide variety of trees in the areas so that a slide program could be produced for presentation to the civic groups and Hoo-Hoo clubs in Gurdon and elsewhere. The photos developed well and are currently being converted to slides.

My visit to J-IV was at the invitation of the J-IV Board of Directors and was funded by the jurisdiction and the Melbourne Hoo-Hoo Club. It was a great honor for me to make that trek across the ocean to examine the way Hoo-Hoo operates in the South Pacific, and I believe the visit was a vehicle to help secure the

bonds of friendship in our fraternal Order. Wherever my travels take me in Hoo-Hoo Land, I find that there is a common thread of purpose that binds us all - to strengthen the global timber industry through Hoo-Hoo. That is why our Order has stood the test of time. Indeed we are united by our common participation in the timber industry, but we are also united by our love for Hoo-Hoo and our dedication to the Golden Rule.

To try to thank everyone who helped make my trip so memorable is almost impossible, but in mentioning a few I would like to thank the men who travelled with me at various intervals such as Snark Dick Campbell, J-IV President Rod Abel, J-IV 1st V.P. Ron Caddy and Brian Tutton. Many thanks also to those who invited me into their homes: Colin Ferris in Auckland, Dick Campbell in Woy Woy, John Cadona in Canberra, the Snark's sister Ruth Williams in Sydney, Rod Abel in Brisbane, Col Hall in Cairns, Bert Armstrong in Melbourne (for 3 nights), and David Didwell in Mt. Gambier.

Congratulations on the anniversary of 25 years of Hoo-Hoo in Jurisdiction IV, and may your next 25 years bring the best of ...

HEALTH, HAPPINESS AND LONG LIFE!

VANCOUVER CLUB 48 HOLDS FUND RAISING DINNER AND REVERSE DRAW

Program Chairman Jack McLeod and Co-chairman Joe Gosse both did a terrific job of making the annual Vancouver Hoo-Hoo Club No. 48 Fund Raising Dinner a complete success on May 2 at their Terminal City Club.

Snark Dick Campbell was in attendance along with J-V Supreme Nine Bruce Woodrow, J-III Supreme Nine Jeff Loth and Gil Emory. Everyone in attendance enjoyed an excellent meal and open bar.

In the reverse draw, the first name out was Brian Kask who won \$1,000. Every 50th name out received \$100. Last out received \$5,000. When the draw narrowed down to two names, Ken Johnson and Bruce Scollen decided to split the booty. Bruce Scollen received \$2,000 and Ken Johnson received \$3,000 for being the last name drawn.

Proceeds from this very successful evening will go to the Junior Forest Wardens Camp improvements at Evans Lake. J. Earl Wilcox, reporter

CHANGE OF VENUE FOR VANCOUVER CLUB 48 ANNUAL GOLF TOURNAMENT

The annual golf tournament hosted by the Vancouver Hoo-Hoo Club No. 48 was held May 31, and this year we had a change of scenery and a new format.

The tournament was held this year at the University Golf Club and it was a shotgun start, which has every player coming in at the same time practically. It was raining very hard in the morning but the sun came out before tee off and it remained nice for the remainder of the day. The course was great.

The trophies were handed out after a fabulous barbecued steak dinner. The President's Trophy went to Alec Clark. The Low Gross trophy was won by Bob

Hodder, Jr., and the Low Net for a Hoo-Hoo Paid Up member went to Dwayne Duncan.

This year a new trophy was added — The John Hruby Memorial Trophy. Tom Jones and Rod McKerlich donated the trophy to be competed for annually. John Hruby, Sr. was very well known in the lumber industry and had many friends. We will miss him greatly. This is a great way to remember John.

Winners of the John Hruby Memorial Trophy this year were the foursome of Blair Rodgers, Kirk Nagy, Alec Clark and Dwayne Duncan.

Congratulations to Bob Fladgate and Joe Gosse for putting on a great event. Many prizes were donated to a lot of happy participants.

VANCOUVER CLUB 48 HOLDS CONCAT AND ANNUAL MEMBERSHIP MEETING

The annual concat and general membership meeting of the Vancouver Hoo-Hoo Club No. 48 was held at the Bella Casa Restaurant in April. A great dinner of ribs and all the trimmings was enjoyed by the members and kittens.

The names of the eight kittens who were enlightened that evening are Christopher Agassiz, Jean Deaulieu, Robert Fechner, Douglas Johnson, Roland Baumeister, Robert Cooper, Dan Hanuse, and Eric Lemke. Welcome, Men!

Our club sponsored Andrew Neil to represent us in Australia last year, and he presented a slide and talk show which was very informative and well received. To

round out the evening, we enjoyed live entertainment.

VANCOUVER CLUB 48 HOSTS GOLF TOURNEY

The Vancouver Hoo-Hoo Club No. 48 hosted its annual Alternate Strokes Golf Tournament May 14 at the Carndustie Golf and Racquet Club, which was well organized by chairman Jan Hermans and co-chairman Doug Saunders.

The tourney consisted of golf tee-off in sixsomes playing 3-ball. A great dinner with dancing followed the big event.

Jan and Doug did a really fine job as the weather cooperated and everyone really enjoyed themselves. We are sure it will

be repeated next year.

Golf awards were presented as follows:

Best Team Gross - Wendy Colley and Hugh McCutcheon

Best Team Net - Diane Askin and Grant Sundahl

2nd Team Gross - Wendy Colley and Pete Madison

2nd Team Net - Patty Mekechnie and Bob Diachuk

Valiant Effort Award - Ann Bowles and Tim McKenzie

TORONTO HOO-HOO ELECTED PRESIDENT OF C.L.A.

Jim Hickey #7787 adds another prestigious position to his long list of accomplishments. At the 1988 Annual Convention, Jim was elected President of the Canadian Lumbermen's Association.

Jim, son of the late John Hickey, past Snark of the Universe, started his adventure through the lumber business with MacMillan Bloedel in 1965. In 1967 he joined Vicply Inc. in Coboconk, Ontario. Jim served as President of the Hardwood Plywood Manufacturers

Association from 1975 to 1978. He was a director of the Hardwood Plywood Association in 1979. In 1985 John Hickey #77370 and Jim sold Vicply Inc. and formed the present day Kingswood Panels Inc., sounds similar to Kingsway Lumber, their fathers lumber business. The Kingsway Panels Inc. produces Melomine panels and hardwood plywood panels in Elora and Fergus Ontario.

Congratulations Jim, we are sure the energy you bring to everything you do will be a great asset to the Canadian Lumbermen's Association.

REPORT FROM VICTORIA CLUB 183

Back on February 25 the Victoria Hoo-Hoo Club No. 183 held its main fund raising dinner at the Princess Mary Restaurant. It was a great success with lots

of good fellowship among the members and guests.

On April 29, we had an executive lunch meeting with Snark Dick Campbell. Afterwards, Fred Frudd, Bruce Woodrow and Robbie Robinson took the 4 p.m. ferry to Port Angeles participate in the charter

meeting and formation of the Mt. Olympus Hoo-Hoo Club No. 268. There were 40 men in attendance at the dinner and J-III Supreme Nine Jeff Loth was the emcee. Twelve kittens were concatenated that evening.

(Continued on Next Page)

(Continued from Page 38)

The next night we held our Ladies' night, and we were honored to have Rameses 78 Al Meier and lady, Georgia, Rames 70 Jack Jacobson and lady, Norma, and Snark Campbell in attendance. Dick was presented with a burl clock and he gave out Hoo-Hoo banners to Fred Frudd, Doug Donald, and Gordon Hooge. A good time was had by all, and if Snark Campbell could only find his camera he would feel a lot better.

SNARK OF THE UNIVERSE VISITS THE TORONTO CLUB 53 AND OKTOBERFEST CLUB 262

The Snark of the Universe, Dick Campbell L-77398, arrived in Toronto, Monday, March 28th. Dick was driven to St. Catharines where he met Frank Bodogh, 62692 of the Toronto Club. Frank arranged a full afternoon for us and we got started as soon as we arrived. First stop was the Sky Tower which looks out over Niagara Falls, both the American and Canadian Horseshoe Falls. Next stop was the rapids at the top of the falls and then the souvenir shop. The climax of the visit was a helicopter ride with Dick escorted by Frank to point out sights of interest. These included the falls and all lumber reload yards in Niagara Falls. There were brief stops at the Whirlpool Rapids, Brock's Monument, Queenston and Niagara on the Lake. We returned to Frank's home where we sampled some Niagara area wines and then were treated to supper at a fine restaurant. Dick and I returned to Toronto to join the Executive at the Holiday Inn for a nightcap. By the time we arrived the Executive had given up on us so we shared our nightcap with Gord Graham, Supreme Nine for Jurisdiction II.

Tuesday, I am not sure what Dick did, but he was certainly at the Columbus Hall for our meeting. He thanked us all for coming out, played a few tunes on his ukulele which included a sing along. Dick presented the Club members, Bob Seldon, Frank Bodogh, Jeannie Pascal, Tommy Thompson, Lynn Edie and Bill Bader with mementoes of his visit. We had an enjoyable evening with lots of laughter and good feelings generated by a great person and a fine Snark.

I received a kind note from Dick thanking us for our attention and hospitality during his visit to Toronto.

COWICHAN VALLEY 229 REPORTS

The Cowichan Valley Hoo Hoo Club held its annual golf tournament on Saturday, May 7, 1988 at the Mount Brenton Golf Course in beautiful Chemainus, city of Murals. A steak barbecue and "refreshments" followed the awarding of trophies. Lyle Crawford took home the perpetual "Hammie Baillie Memorial Trophy" and Gary Urton won low net. Our thanks to Leo Kossey who again did a great job organizing this very popular

event. Gordie Doman not forgotten ... Last year the need of the Cowichan District Hospital was in the area of extended care where gerontology is the up and coming specialty and many of the staff required educational upgrading in order to provide the care the elderly people require and deserve. The contribution from the G.S. (Gordie) Doman Memorial Foundation assisted in bringing such a program to reality.

COWICHAN VALLEY 229 — Club president Jerry Doman (third from left) is joined by several guests enjoying a great steak barbeque after a day of golfing.

OKTOBERFEST HOO HOO CLUB 262 VISITS CONESTOGA COLLEGE

On Monday, May 30th, the President of Club #262, Gerry Omand welcomed a group of thirty members and guests to Conestoga College. Among the crowd were three members of the Toronto Hoo Hoo Club, Steve Boghossian, Tom Gorelle and Tommy Thompson. The group assembled in the Guild Room for a tour of the new Woodworking Skills Development Center due to open in September of this year. The group was broken up into three sections after a general introduction by College Staff as to what they have tried to establish with the new facility. We viewed the new buildings which contain kilns,

finishing facilities, lathes, shapers, sanders, presses, splicers, jointers, drills, saws, planes and woodworking machinery of all kinds. Fifty new machines have been added to those they already have to give the students an opportunity to learn skills on machinery he may encounter in the work place. Many machines have manual, electrical and computer controls on the same machine. This allows the student to develop the skill to operate the machine no matter how it might be installed by his future employer.

The College requires funds to finish the interior decor of the entrance way, staff rooms, classroom and hallways. The Kitchener Hoo Hoo Club is considering some venture as its Wood Promotion project to assist the College.

HOO HOO CLUB 3 SAN DIEGO

On May 26 of this year our club, in conjunction with the San Diego Lumberman's Association, sponsored the annual Architectural Awards Programs for the county's junior colleges. The Awards Dinner was attended by 64 architects, instruc-

tors, members, wives, and students. There were 42 entries from three colleges, with Southwestern winning 5 of 7 awards, including first place.

Over the 22 years there have been approximately 1,000 student entries. A large number of those participants have gone on to become licensed architects. Several have served as architects and judges for the contest in recent years. In addition to the students and instructors, our industry has been exposed to at least 50 practicing ar-

chitects who have worked on the contest. They write the specifications for the project emphasizing the use of wood and wood products inside and out, and later judge the entries. In addition, 600 or 700 others have attended the dinners or been involved with the contest. This awareness of the quality and capability of our products is a long term benefit to our business.

The summer is shaping up well in San Diego - come visit.

BLACK BART HOO-HOO CLUB #181 CLUB REPORT

On May 25th, 1988 the Black Bart Club held our 4th annual Prawn Feed at the Veterans Hall in Cloverdale. Those attending enjoyed pre-dinner entertainment as there was an aerobics class in an adjoining part of the building. Past President, Dave Damon, missed part of this function as he had to go home for a cold shower. This function was organized by Black

Bart members Maynard Stubberfield and Bill Plumber. Dinner was superb. The prawns were so plentiful you could literally eat as many as you liked.

At this meeting the Black Bart Tee Shirt was debuted. Sales were brisk. Funds raised will be used for regular club activities. Yes, if there are any left, we plan to sell a few down in Orlando.

The guest speaker was Margie Handley, one of seven Cal-Trans (Califor-

nia Department of Transportation) Commissioners. Margie spoke about road and highway projects either being planned or underway in North Western California. Road conditions in this area play an important part in daily lumber business activities. Margie's talk was well prepared and was heard with great interest.

Submitted with great respect;

SAN JOAQUIN VALLEY CLUB 31 HOSTS FUND RAISER FOR MEMORIAL FUND

On Friday, March 18, 1988, Hoo-Hoo Club No. 31 held a fund raiser for the Chester G. Harshner Memorial Fund. This was in the form of a Casino Night. The proceeds from the evening's activities ex-

ceeded \$1,000.00, and will be used to provide scholarships for college students.

Don Johnson was general chairman of the event, which offered a choice of barbecued steak or cioppino. Bob Schlotthauer was chairman of the preparation of the cioppino and Elmer Rau of the barbecued steak. Craig Gaffney was in charge of dispensing the libations from our

own bar.

This annual event has provided several thousands of dollars for scholarships that have been presented to college students in the area of Fresno and the Central Coast. It is one of the largest and best attended activities the San Joaquin Valley Hoo-Hoo Club No. 31 has annually.

The 35 percent tariff imposed on Canadian wood shakes and shingles has led U.S. mills to increase sales 64 percent during the 18 months following the federal action, according to Northwest Independent Forest Manufacturers.

Largest and fastest-growing segment of the wood-preservation industry is pressure-treated lumber, and analysts say the industry can look forward to a healthy growth rate of about 4 percent a year for the next five years.

CONCAT AT HOUSTON 23

Kitty! Kitty! Kitty! Houston Hoo-Hoo Club No. 23 held a concat on June 23 at the Allen Park Inn near downtown Houston. There were 24 "CATS" and 4 "KITTENS" in attendance. Festivities started at 6:29 P.M. during which time our kittens were used and abused by Cat Tamer

Kyle "Killer" Williams.

A special 'boob' hat was auctioned off by Prez Mike during the meeting. Bear Breeden was the lucky buyer after much spirited bidding.

Club No. 23 is happy to welcome Jerald McAnelly, Timothy Squyers, Don Drake, and Peter Kane to the ranks of Hoo-Hoo. Jurisdiction VII Supreme Nine Bill Franks was on hand to get our kittens started off on the right foot.

The nominating committee presented

its list for the slate of officers for the new year. Club elections will be held at our regular July meeting. The annual trip drawing for the International Convention was also held at this month's meeting. Trip winners were Bob Ridley, Christopher Goff, and Leonard Craig. Several alternates were also chosen in the event that one or more of the winners is unable to attend.

HOUSTON CLUB 23 SPONSORS GOLF TOURNEY

Houston Hoo-Hoo Club No. 23 held their annual sponsored golf tournament on May 17 at the Inwood Forest Country Club in Houston. Tee time started at 8:29 A.M. and stopped at 1:29 p.m. The tournament was a large success thanks to 33 sponsors in Gold, Silver, Bronze, and Supporting sponsorship categories. A portion of the funds raised will go to support Boys Country, a Christian care center for children from broken homes. Houston Hoo-Hoo Club No. 23 has supported Boys Country with donations and supplies for four years.

A hard day of golfing was followed by fun and frivolity in the 19th Hole. Forty-three (43) members and guests tried the links in search of a winning score and fifty-one (51) members and guests were on hand for the awards dinner and prize drawing. Out of town guests were present from Austin and Diboll, Texas and Griffin, Georgia.

Among the winners: Ray Skinner - 1st low net guest, Barbara Ramsey - Ladies 1st low gross, Glen Carter - 1st low net member, Joyce Barnfield - Ladies 1st low net, Mike Knigge - 3rd low net member. More winners - door prizes: Marc Hoover - 4½ gal. whisky basket, Chris Goff - 1 doz. golf balls, Von Simpson - ball retriever, Don Drake - beer cooler.

Grand Prize Raffle Drawing - Jim Moncreif - 25" GE remote control color TV.

Up-coming events - Happy Birthday Chris Goff, June 1. Concat on June 23, election and installation July 28.

HOUSTON CLUB 23

Houston Hoo-Hoo Club No. 23 held their regular monthly meeting on April 28 at the Allen Park Inn at 7:29 P.M. It was preceded by a cocktail and fellowship hour at 6:59 P.M. There were 17 members and 1 guest present.

Jurisdiction VII Supreme 9 Bill Franks gave a lengthy and highly detailed report on the HHI Mid-Year Board Meeting with additional comments by Ross Hunnicutt - V.P. of the Houston Club. Committee reports were given by Frank Aranza and Von Simpson. Up-coming events - Golf Tournament - May 17.

REPORT FROM GURDON CLUB 120

The Gurdon Hoo-Hoo Club No. 120 welcomed 8 guests to its April meeting as members embarked on a campaign to attract new members to Hoo-Hoo. The evening was enjoyed by all in attendance.

The Gurdon Hoo-Hoo cooks, Maurice Stricklin, Bill "Doc" Kirby, James Franklin and Autrey Horne did their usual fantastic job of laying out a hearty spread of steak and all the trimmings. Following the meal, the group retired to the meeting room of the club's cabin on White Oak Lake to hear an interesting program from the Arkansas Forestry Service rangers regarding the AFS local nursery and tree stand improvement program.

Club 120 is currently in summer break, but will resume meeting in September when plans will be made for the upcoming concat.

TWO NEW CLUBS IN JURISDICTION VIII!!

A big Hoo-Hoo WELCOME goes out to the new members of the two new clubs in J-VIII - the BLACK HILLS HOO-HOO CLUB NO. 267 and the NORTHEAST NEBRASKA HOO-HOO CLUB NO. 269. Both clubs were chartered in the presence of Snark of the Universe Dick Campbell which is a true honor for any

new club.

The Black Hills Club No. 267 was chartered on April 15 with 23 kittens, 3 reinstatements and 3 transfers. International 2nd V.P. Lyle Hoeek reports that the club is already showing strength and plans another concat later on. Lyle added that Rameses 78 Al Meier of Tacoma, Washington flew back to his old stomping grounds of South Dakota for the event, and was a great addition to the evening.

The Northeast Nebraska Hoo-Hoo Club No. 267 was chartered on April 13

with 10 kittens. A total of 27 men were in attendance for the event, many from the Omaha Hoo-Hoo Club No. 124 which had worked diligently to develop the new club. Lyle reports a lot of interest in the area, and said the club plans another concat later.

A hearty Thank You goes out to Lyle and the other HHI officers who attended the charter ceremonies, and many thanks to Lyle for the time and energy he expended in working toward establishing these new clubs!

HOUSTON 23 — As fine a herd of winners that ever came out of a Houston Hoo-Hoo golf tournament. Congratulations!

HOUSTON 23 — No winners here, but (l-r) Roland Massey, Gary Knesek and Buddy Haile sure enjoyed that barbecue.

HOUSTON CLUB 23 SPONSORS GOLF TOURNEY

Houston Hoo-Hoo Club No. 23 held their annual sponsored golf tournament on May 17 at the Inwood Forest Country Club in Houston. Tee time started at 8:29 A.M. and stopped at 1:29 p.m. The tournament was a large success thanks to 33 sponsors in Gold, Silver, Bronze, and Supporting sponsorship categories. A portion of the funds raised will go to support Boys Country, a Christian care center for children from broken homes. Houston Hoo-Hoo Club No. 23 has supported Boys Country with donations and supplies for four years.

A hard day of golfing was followed by fun and frivolity in the 19th Hole. Forty-three (43) members and guests tried the links in search of a winning score and fifty-one (51) members and guests were on hand for the awards dinner and prize drawing. Out of town guests were present from Austin and Diboll, Texas and Griffin, Georgia.

Among the winners: Ray Skinner - 1st low net guest, Barbara Ramsey - Ladies 1st low gross, Glen Carter - 1st low net member, Joyce Barnfield - Ladies 1st low net, Mike Knigge - 3rd low net member. More winners - door prizes: Marc Hoover - 4½ gal. whisky basket, Chris Goff - 1 doz. golf balls, Von Simpson - ball retriever, Don Drake - beer cooler.

Grand Prize Raffle Drawing - Jim Moncreif - 25" GE remote control color TV.

Up-coming events - Happy Birthday Chris Goff, June 1. Concat on June 23, election and installation July 28.

HOUSTON CLUB 23

Houston Hoo-Hoo Club No. 23 held their regular monthly meeting on April 28 at the Allen Park Inn at 7:29 P.M. It was preceded by a cocktail and fellowship hour at 6:59 P.M. There were 17 members and 1 guest present.

Jurisdiction VII Supreme 9 Bill Franks gave a lengthy and highly detailed report on the HHI Mid-Year Board Meeting with additional comments by Ross Hunnicutt - V.P. of the Houston Club. Committee reports were given by Frank Aranza and Von Simpson. Up-coming events - Golf Tournament - May 17.

REPORT FROM GURDON CLUB 120

The Gurdon Hoo-Hoo Club No. 120 welcomed 8 guests to its April meeting as members embarked on a campaign to attract new members to Hoo-Hoo. The evening was enjoyed by all in attendance.

The Gurdon Hoo-Hoo cooks, Maurice Stricklin, Bill "Doc" Kirby, James Franklin and Autrey Horne did their usual fantastic job of laying out a hearty spread of steak and all the trimmings. Following the meal, the group retired to the meeting room of the club's cabin on White Oak Lake to hear an interesting program from the Arkansas Forestry Service rangers regarding the AFS local nursery and tree stand improvement program.

Club 120 is currently in summer break, but will resume meeting in September when plans will be made for the upcoming concat.

HOO-HOO INTERNATIONAL ORGANIZES IN THE BLACK HILLS

The Fraternal Order of the Forest Products Industry was founded in 1892 at Gurdon (Clark County) Arkansas. Six men were stranded in the Hotel Hall in Gurdon by a delayed train.

Bolling Arthur Johnson, a lumber trade journalist from Chicago, proposed to others waiting at the hotel his idea for a national fraternity. It would bring together people from all aspects of the timber industry to promote cooperation and good business practices.

But Johnson insisted that, in the spirit of fun, the organization should follow the ideals of Eastern mysticism popular with other fraternal organizations.

The spirit of fun enhances the club and its members, as it did when Boyce

Gillies called me. At first, I did not know whether or not to believe what he was saying about this club they were starting in the Black Hills area. I had never heard of a Snark of the Universe. But after meeting everyone at their first meeting at the Rapid City Hilton on April 15, I was impressed by the variety of people there and the ideals of the organization.

The Sioux Falls Chapter of the club were sponsors for the Black Hills Club. The occasion was greatly enlivened by the attendance of the jovial Snark of the Universe, Dick Campbell, president of The International Order of Hoo Hoo. Dick is a miller-retailer in Woy Woy, New South Wales, Australia. Al Meier of Tacoma, Washington, and Tom Patridge of Minneapolis (past Snarks of the Universe) were also present.

This international presence was a great privilege and a wonderful experience for the Black Hills members. John Garhart of Spearfish was nominated president of the Order, Carroll Korb of Rapid City vice president, and Boyce Gillies of Sturgis, secretary-treasurer. The Black Hills Chapter has great expectation for their club.

The fundamental purpose of the Hoo

Hoo Club "is to furnish the opportunity for lumbermen of the various branches to work cooperatively in the interests of their industry and their own community."

If 51% of your income is from the lumber or timber industry, you are eligible to be a member. I believe an organization like this would be a very beneficial element in this area. Watch for future meeting dates.

The Twin Cities Hoo-Hoo Club No. 12 held its annual Past President and Lumberman of the Year banquet at the

Sheraton Park Place in Minneapolis on April 18, 1988.

Frank Jones of Jones Lumber Corporation was honored as Lumberman of the Year.

Snark Dick Campbell attended the banquet and was presented with a hand

carved replica of a Minnesota loon. Dick concluded the evening by playing his ukulele and leading a sing-along of Australian folk songs.

The program chairman for the evening was Nick Kent. A good time was enjoyed by the 80 persons in attendance.

OMAHA CLUB 124 ANNUAL PICNIC A SUCCESS

The annual picnic sponsored by the Omaha Hoo-Hoo Club No. 124 was held on June 15th at Al Veijs farm with about 150 people in attendance. A super steak with usual picnic trimmings was served. The biggest event of the prizes was

the raffle of the \$100 bill. The winner was Dan Staffman. Many firms generously donated prizes so that about 50 of the assembled got something to take home.

The horseshoe tournament was spirited and a nice trophy was given to the winner. Earlier in the day, about 50 persons participated in the golf tourney. Some

very fine gifts were presented to the winner of the special events.

The club was honored to have International 2nd V.P. Lyle Hoeck present for the day's activities.

All in all a good time was enjoyed by everyone in attendance. A good job by the committee for the picnic.

REPORT FROM CENTRAL FLORIDA CLUB 115

Above and beyond the call of duty! That was the actions of Harry Aroian at the March meeting of the Central Florida Hoo-Hoo Club No. 115. Harry was laid up with the flu, but managed to come out and cook the ribs! Dedicated members such as this is what makes this club tick. Thank you, Harry! A big thanks also to Bob Gaynor and his crew from Wilkerson Lumber who did a fine job helping Harry and a very fine job cleaning up the Hall. Thanks to all of you.

We had 10 boats turn out "in the rain" for our Spring Bass Tournament. First place went to Gene Smith and his partner, Mr. White with Joe Brack and Bill Bell with ten fish caught for a total weight of 13 lbs. 9 oz. The Big Bass weighing 3 lbs. 9 oz. was caught by Gene Smith. Give us a break, Gene!

We had one hell of a good golf tour-

nament on May 13th. Almost 50 people played and good times were had by all. Six under was winner, with 3 groups coming in four under. Thanks Charlie and Mel for a job well done.

CARL B. GAVOTTO 36385

San Diego Hoo-Hoo Club #3 lost its oldest member in the passing of Carl B. Gavotto 36385. Carl was born in Tulare, CA, in 1898. After graduating from Tulare High School in 1917 he worked in the local bank for a short time. In 1919 he went to work in the local lumber yard. He and his mother moved to San Diego in 1922. He began working for the Benson Lumber Company in the sorting shed. Soon after he moved into sales. Carl joined Hoo-Hoo in 1922 and served as its president in 1949. He was elected to the Supreme Nine for Jurisdiction VI in 1951. Carl worked for American Products from 1936 to 1950 when he started his own business, Cal-Mex Lumber Company, as a lumber broker. He also operated a retail yard, South Bay Lumber Company, in Chula Vista from 1947 to 1960. Carl closed Cal-Mex and retired in 1978. He was an active golfer until the age of 81. He is survived by two sons, Edward L. and Rev. Robert Gavotto, O.S.A., four grandchildren, and two great-grandchildren.

GILBERT D. MITCHELL 78525

Brother Gilbert D. Mitchell 78525, age 55, passed away Thursday, June 16, at his home in Post Falls, Idaho after suffering many years from Lou Gehrig's disease.

Brother Mitchell joined Hoo-Hoo on January 20, 1969 and was a member of the North Idaho Hoo-Hoo Club No. 155. He worked in the logging industry for many years for WI Forest Products, Northwest Timber Division, as a resource manager. He retired in 1984 due to illness. When he joined Hoo-Hoo in 1969, he was a foreman for a Coeur d'Alene, Idaho logging contractor, Sverdsten Logging Company.

Gil was a past president of Club 155 and was a good Hoo-Hoo promoter.

R.F. WELCH 63148

Brother R.F. Welch 63148, age 65, passed away March 14, 1988. He joined Hoo-Hoo in 1955 and was a member of the Sacramento Hoo-Hoo Club No. 109.

URBAN V. JACQUES 79971

Main Hoo-Hoo Club No. 54 reports the death of club secretary/treasurer Urban V. Jacques 79971 at the age of 55.

Brother Jacques joined Hoo-Hoo on March 22, 1971 at Lewiston, Maine, and served efficiently as the secretary/treasurer for the past two years.

G-P COMPLETES ACQUISITION OF AMERICAN FOREST PRODUCTS ASSETS

Georgia-Pacific Corp. and American Forest Products Co., L.P., said today they have completed the previously announced acquisition by Georgia-Pacific of substantially all the assets of California-based American Forest Products Co. for approximately \$228 million.

The assets include a sawmill, particleboard plant, and moulding and millwork plant at Martell, Calif.; a sawmill at Foresthill, Calif.; approximately 125,000 acres of fee-owned timberlands in north central California, and related equipment.

NEARLY 10 TREES PLANTED FOR EVERY AMERICAN LAST YEAR

Americans set another all-time high record for tree planting last year, putting 2.3 billion seedlings — nearly 10 trees for every individual in the country — into the ground on three million acres. The area reforested is about the size of Connecticut. The forest industry and non-industrial tree farmers accounted for 87 percent of the planting effort. Tree-planting records have been broken in every successive year since 1981.

TREE FARMS SYSTEM CAPTURES TWO NATIONAL AWARDS

The American Tree Farm System, the forest industry's nationwide forestry-promotion system administered by the American Forest Council, has won two prestigious annual awards — one for conservation and the other for public-relations excellence. The Public Relations Society

of America bestowed its coveted Silver Anvil Award for "excellence in public relations" on the Tree Farm System's communications programs, and the program won the Chevron Conservation Award for "outstanding contributions to the conservation of natural resources." The 47-year-old program has enlisted 61,000 private woodland owners committed to high standards of forestry practices on their 88 million acres of timberland.

WHY RECYCLING 'STRETCHES' BUT DOES NOT NECESSARILY 'SAVE' FORESTS

While recycling paper does stretch the forest resource, it does not necessarily save trees. Much of America's paper is made from the bits and pieces left over when trees are cut up for lumber and plywood. These trees would be cut whether or not there is recycling. Tree farmers also need to thin their growing forests and thinnings may be sold as pulpwood for paper, but these trees should be cut whether or not there is recycling. Finally, a forest left on its own may generate up to 15,000 seedlings on an acre after fire, but at least 14,700 of those trees will be crowded out and die over the next 60 to 100 years. This goes on whether or not there is recycling.

PULP AND PAPER INDUSTRY NOW PACKAGING BRIDES

The bride was radiant in her wedding dress of pearl-trimmed peplum and sweetly puffed sleeves — but the dress was made of paper. Pressed by budget-conscious customers to find an alternative to high-priced new gowns and less-than-fresh rentals, California designer Susan Lane has

produced a \$140 paper version of her \$550 taffeta design. "There are many advantages to paper clothes," she says. "They can be personalized with a pen, altered with a pair of scissors and repaired with Scotch tape." The gown is part of a "Symbol Signature" collection introduced with the cooperation of the Recycled Paperboard Division of the American Paper Institute. Each design in the collection carries the recycling symbol of three revolving arrows.

MORE NEWSPRINT: REVERSAL SEEN IN NEWSPAPER READERSHIP

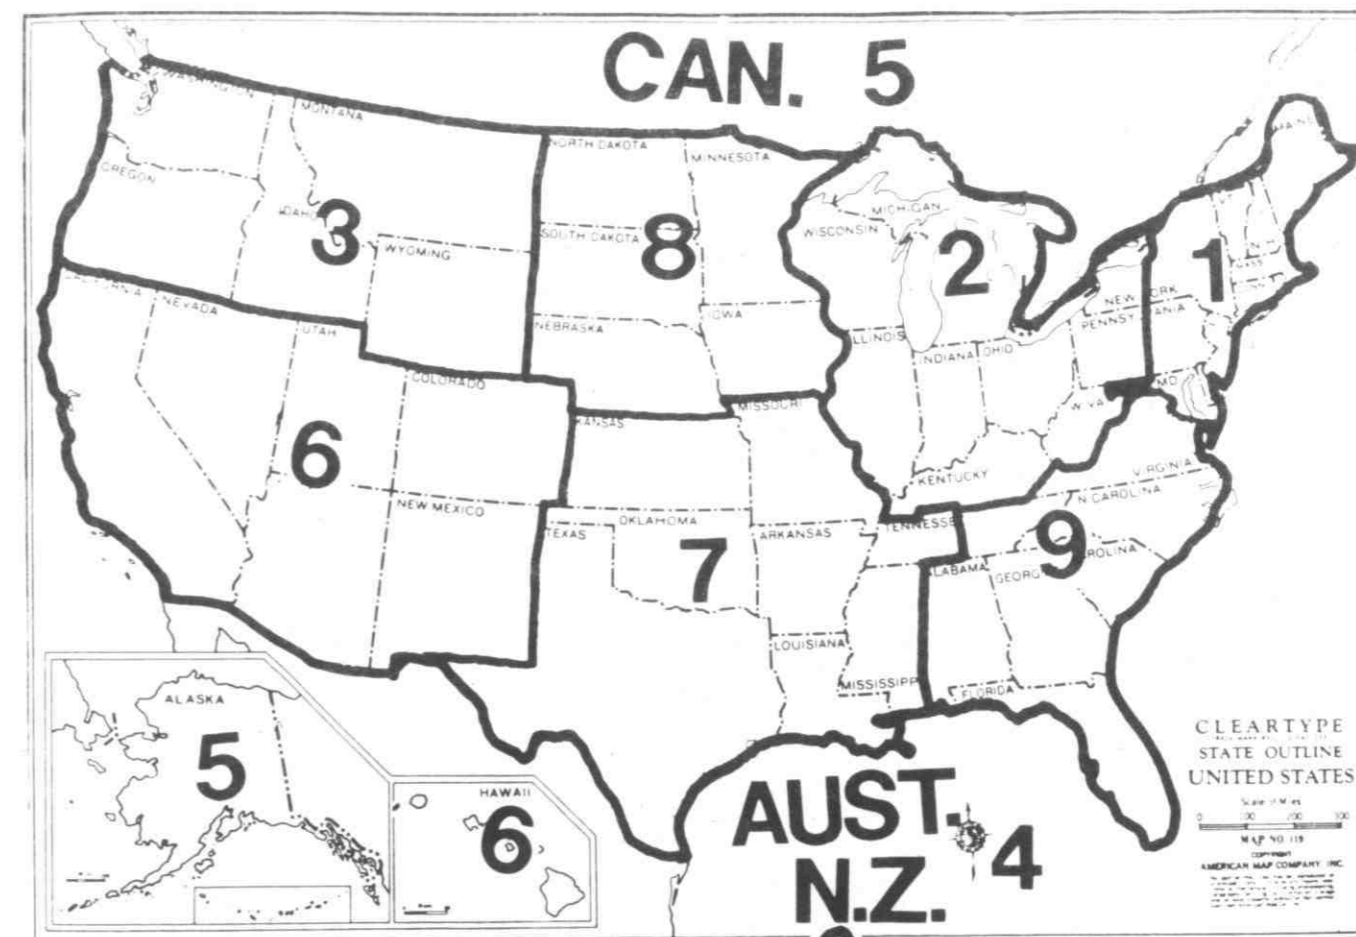

Demographic trends suggest that the shrinking circulation of daily newspapers among households may reverse itself, leading to acceleration in the demand for more newsprint. In 1970, 98 percent of households subscribed to a newspaper, and circulation totaled 62.1 million. Though circulation totals remained the same in 1980, only 77 percent of households subscribed. Today the figure is 70 percent, and the forecast for 2000 is 60 percent. But analysts say the declining trend in interstate mobility is making more people likely to subscribe to a local paper, and rising educational levels will produce more well-educated older people with a propensity to read.

ORLANDO AREA ASSIGNED NEW AREA CODE—407

If you have recently tried unsuccessfully to contact International 1st V.P. Phil Cocks or J-IX Supreme Nine Frank Gray in the Orlando area, it was probably because the area code has been changed.

The new area code for Phil, Frank and other Central Florida Hoo-Hoos is 407. Make a note of this in case you want to call these men for information on the upcoming International convention scheduled for September 13-17 at the Marriott World Center in Orlando.

Remember, the new area code for Orlando area is 407.
