## MEMO FROM THE SNARK

This will be the last time that I will have the pleasure of writing to you as the Snark. If, through the miracle of modern medicine, I live to be 100, I am sure that I will still talk with fond remembrance about the year I was Snark. Thank you for the opportunity.

Next month, the H.H.I. Convention will be held in Honolulu, and you will have a new Snark, plus several other new office holders. This scenario has been repeated for most of our 97 years of existence. This year you will have an American born Snark. A lot of people do not realize how international our organization really is. Do you know that the past 3 Snarks were Canadian & Australian?

If you can make it to Honolulu, you will find, due to Hawaii's proximity to Australasia, that there will be a large number of attendees from Australia and New Zealand (Jurisdiction 4). These two separate countries have 20 clubs and over 1,100 members. Their total area is greater than the continental U.S.A. They have a Supreme Nine just as our other Jurisdictions do. However, they also utilize 14 "Deputy Supreme 9's" to help cover this huge territory. To manage this task, they have their own budget and dues structure, and hold two board meetings a year, separate from the H.H.I. Board meetings which they also attend.

This will be a great opportunity to meet these guys, who are

also a part of this great fraternity.

Congratulations to Fred Scheffler and Dave Blasen, who have tied for Supreme 9 of Jurisdiction 3. Isn't it great to have a couple of dedicated guys battling it out for the privilege of being S-9 instead of having to beg someone to do the job?

For the information of some of our members who do not understand the process of becoming a Supreme 9, I would like to point out that anyone who has an interest in representing his area, can apply for the job. The term is for 2 years. Expenses are paid on the basis of \$1 per jurisdiction member, plus airfare to both board meetings, which you must attend. Your H.H.I. office provides admirable support and basically you visit the clubs in your Jurisdiction and represent H.H.I. in any and all matters that will assist the clubs. The job is extremely rewarding in the associations you will make, and the satisfaction of contributing to our great order. You are under no obligation to run for higher office, although to become Snark, one must have served on the Supreme Nine.

If you know of a worthy member of your club who could do the job, please encourage him to run. Have your club encourage him to run. I honestly believe that there are a lot of worthy candidates in the clubs, who just need a little encouragement.

While talking about volunteers, I have to mention, and give thanks to our past Snarks. In the past years, they have begun to hold meetings in which they discuss matters affecting Hoo-Hoo. A function of the House of Ancients has always been to act in an advisory capacity to the H.H.I. Board of Directors. I have benefited greatly this year from their advice and the way in which it was given, and it is my most sincere hope that future Snarks avail themselves of the collective knowledge of these past leaders of our organization. It can make the job a lot easier.

I think a special thanks must go to our club secretaries and treasurers. They are the unsung heroes of our order. Their work is usually uninteresting, but vitally necessary. They receive few accolades, after all, who gets excited about the books balancing? They are the ones who get the kitten's badges by the next meeting, who fight with the restaurant the next day about the 3 extra steaks not accounted for, who have to sit at that lonely table by the door, while all the guys are inside socializing, who have to be the "Heavy" with the member who is absolutely certain he paid his dues and can't find the cancelled check, who are held responsible for the postal department who delivered the meeting notice just the day before the meeting, and on and on. If we had a good secretary/treasurer in every Hoo-Hoo Club, we would never again have a membership problem! Thanks guys!

After I visit British Columbia this month, I will have visited every Jurisdiction. Unfortunately I could not visit every club. I have visited nearly 60 clubs and this has to be the great experience of every Snark. To those clubs I missed, I am truly sorry I couldn't make it. There is not a club in Hoo-Hoo that I would not like to visit. Perhaps in the next couple of years, if you run out of better choices, you might invite me back, or for the first time, I would

(Continued on next page)

(Continued from previous page)

like to think that I still have many years of Hoo-Hooing left in me.

If I could leave you with one meaningful message, it would be this. We are a fraternity. We are a brotherhood united by common livelihood and purpose. We, like any social entity, must have rules and laws for the common good. Individually, we don't always agree, and we have the right to disagree, but if we are fair-minded, we must concede that we must all move together, otherwise

we will not move at all. We are a democratic organization. We have laws which give us a process by which we can challenge that with which we do not agree. Use this process, if you find fault, but discourage renegade action that attempts to tear down that which was created by democratic process.

Health, Happiness & Long Life  
Phil Cocks L-77298  
Snark of the Universe

## VICE PRESIDENT'S REPORT

### FIRST VICE PRESIDENT LYLE HOECK L-77159

As another year is coming to a close soon, and this being my last report as 1st V.P., it seems that things are going pretty well in all of Hoo-Hoo Land. Our membership is strong and very active, but let's not let up yet.

During this past year, I have travelled from Toronto Club #53 Old Timer's Night at the Royal York Hotel, to Tacoma Olympia Club #89's Crab Feed in the state of Washington. Also attended the J-IX mini convention at Callaway Gardens in Georgia, and again out to J-III for their mini convention. Each one has been an enlightening experience and very well run. Every time you get fellow Hoo-Hoo members working together, it seems each group tries to do better than in past years. Everyone that attends will always gain knowledge of their particular areas and problems.

As we embark on another year which seems to have many things coming up, we are all going to have to strive to keep Hoo-Hoo alive and vital as it has been in the past 97 years.

We are being faced with many new problems and issues that will be brought up at the convention in Honolulu, we will have several amendments that will come up for vote. Much thought should be given to each and every issue. One amendment having to do with striking the word "male" from our by-laws will come before the membership, so each delegate should be informed by his club as to their wishes for voting. He will be registered with our secretary so only those delegates will be allowed a vote.

Another issue in reference to having a 2nd vice president, this issue was approached at the last convention in Honolulu in 1979. It is a very informative position and a good training year for the person seeking this office and further offices before becoming Snark of the Universe.

As in our Code of Ethics, we must always strive to work in unison together for the betterment of Hoo-Hoo. This will only be achieved by all jurisdictions working together as one, and not flounder away from our aims which have led us through the past 97 years. Every jurisdiction has its own problems. Most of them can be settled among themselves. One sure thing is that we all must work together to make Hoo-Hoo strong.

In our coming year, we will be faced with the issues of environmental people working against our industry, so that alone will be an important program for every member and every club to undertake work for. We shall seek to carry on the facts and information before us and promote the lumber industry world wide.

I am looking forward to our 97th annual international convention in Honolulu. It should be a beautiful setting. I look forward to working again in Hoo-Hoo. It has been a large part of

my life in the past 20 plus years. I have always enjoyed meeting so many friendly people and they always have time to visit about Hoo-Hoo, and about our lumber industry problems.

My wife, Marian, and I have found many new friends from all parts of the world and treasure their friendship to the highest degree. God willing, will see all of you in Honolulu.

Health, Happiness and Long Life.

Lyle Hoeck L-77159, 1st VP

### INTERNATIONAL VICE PRESIDENT BRENT F. CROSBY

This is the last report for Hoo Hoo Year 88-89 and it has been an eventful year for me serving as your International 2nd Vice President. I have traveled and met with a great bunch of Hoo Hoo members, and it has been most informative. I find that one can become somewhat provincial and set in his ways when he stays in his own jurisdiction. This year I have broadened my scope of Hoo Hoo's needs and reasons for existing as an International Fraternal Organization. My travels have taken me to:

- Orlando, Florida in September
- Australia and Tasmania in September and October
- Detroit in December, and
- 7 Different clubs in Jurisdiction 6 in January and February of 1989.

I also attended the:

- Mid-term board meeting in Hot Springs and Gurdon, Arkansas in March
- J-9 Mini-Convention in Atlanta, Georgia in April
- J-3 Mini-Convention in Olympia, Washington, and
- A great group at the Seattle Golf Tournament in Seattle, Washington in June.

There has been some misconception that Hoo Hoo International pays the bills for these trips, and I would like to say, I, like all of the International officers and Board members, live within a very strict and limited budget. We do so because of our love for Hoo Hoo and the fraternal gratification we receive.

During my travels, I have heard many viewpoints and suggestions that will be of great value in the coming years. The majority of the people were very positive in their thoughts and suggestions. There is and always will be a small group of people who can't see the good side of anything unless it is their idea. Hoo Hoo has not lasted 97 years on negative thinking and deeds. I believe

(Continued on next page)

(Continued from page 1)

Hoo Hoo will pass it's 100th year in Gurdon in 1992 and well beyond into the following generations, as long as we practice true fraternalism and positive attitudes. The lumber industry is being challenged and that is why each and every Hoo Hoo member must put his shoulder to the wheel, and fight for his rights to harvest our forest products. This is not just a West Coast problem. It has far reaching effect across our nation. I ask that each and every one of you get behind Hoo Hoo's "Forest Products Industry Educational Committee." As Snark Phil Cocks states, we are strictly a non-political organization, but "we are obligated by our bylaws to encourage education." There are many industry groups we can turn to for help to get the word out about our industry's problems.

## SUPREME NINE REPORTS

### Jursidiction I

The highlights of this report were the visits to clubs in J-I by Snark Phil Cocks and his wife, Sylvia, my wife, Jan and I. We travelled with them as far south as Hampton Roads, Virginia and north to New Hampshire covering about 1800 miles in 6 days. The clubs we visited were great hosts. The hospitality and good food could not have been better. The Hoo-Hoo spirit showed in all clubs and good leadership was always present.

I believe J-I is going to grow in the next year due to the many clubs in favor of the by-laws change if passed.

The last two years as S-9 for J-I have been a very happy event in my life. Time has gone by so fast, I wish I had time to do more for Hoo-Hoo before my year ends. My last act will be at the convention in September. I hope many clubs from J-I will be represented to vote on the very important proposed by-law changes.

I thank all clubs for their support in the past two years. See you in Honolulu in September.

Charlie Eaton L-72174, S-9, J-I

### Jurisdiction II

On March 30th, I visited with Jeff Cain (president) of the Ben F. Springer Club #35 of Milwaukee, Wisconsin. It was Concat night. A shortform was used to initiate the kittens, and we installed the new officers for the coming year. The incoming president, David Radloff #90957, discussions included; attendance at the Honolulu convention in September, and hosting a future convention in Milwaukee. Both subjects were met with enthusiasm and doers. So it looks promising for answers. The last international convention sponsored by the Milwaukee club was in the late 60's. Also Ed Foley, a long time Hoo Hoo of the club, was honored.

Detroit Club #28 purchased over 5000 seedling pine trees for a "Wood Promotion" project. Oakland county was contacted for a tree planting day in one of the county parks. The day set was Saturday April 15, 1989. Approx. 25 boy scouts from the Clinton Valley Troop were present and eager to help. Among the many members from the Detroit Club #28 present were Seymour Burg President, G. Graham Sec./Tres. and Terry John board member and initiator of the program. The scout I worked with said the 2

For example:

- WWPA — Western Wood Products Association
- NIFM — Northwest Independent Forest Manufacturers
- NFPA — National Forest Products Association

I recommend that you contact our "Forest Product Education Committee" Co-Chairman, Dave Jones, S-9 Jurisdiction 6 or Jeff Loth, S-9 Jurisdiction 3 for more information and assistance.

It's been a great and busy year and I am looking forward to next year with positive thoughts toward the betterment of our Great Order of Hoo Hoo. I am looking forward also to making many new acquaintances. Hope to see you in Honolulu in September.

Heath, happiness and long life.

Brent F. Crosby

of us planted 180 trees (2 hours). We had a great lunch, were a little tired but all had a good time.

I have a 30 minute video called "The Continuing Forest" available to all in Jurisdiction II. The film was underwritten by Caterpillar and was produced by a west coast producer. The video is very good, entertaining, educational and enlightening. It is in color and new, having been produced this year (1989) - please ask for use.

Remember, we have a very important issue to be voted on in Honolulu in September. The deletion of the word "male" in the by-laws. Also remember, the delegate must register prior, and then be present in Honolulu to vote.

See you in Honolulu.

Lee Stacey 62560  
S-9 Jurisdiction II

### Jursidiction III

J-III held its Mini Convention in Olympia, Washington at the West Water Inn on June 2nd and 3rd. This was another successful convention with approximately 65 people in attendance. The Ice Breaker was informal and well attended on Friday night.

We held our business meeting the following morning with good participation from all clubs represented. The issues at hand were dealt with appropriately such as the word "male" being deleted from the by-laws of International. We overwhelmingly approved this change as a Jurisdiction which was encouraging due to the significance of the change. We also voted to support the 2nd Vice President position at the International Convention in Honolulu which is subject to termination. We had two competent candidates competing for the Supreme 9 position. Fred Scheffier and Dave Blasen (both S-9's for J-III), which ended in a tie. We will be voting on this again in caucus at the International in September.

It is very important that we have each and every club represented at the International Convention in September to vote on these important issues. You must have a delegate present in order to vote so we all need your support. All clubs should fill out their delegate card and return them to me no later than August 15th. Please contact me if you need help arranging for a delegate

(Continued from page 2)

to be there.

The mini convention continued with a golf tournament and prizes being awarded followed by a very good 8-piece band. The Tacoma Olympia Club must be commended for sponsoring this event and Chairman Rick Bieich, Tom Stumpf and committee out did themselves, a big Hoo Hoo cheer for them.

As Co-Chairman of the Forest Products Education Committee I would like to report that the videos which have been sent to all International officers were shown at our J-III Mini Convention and were well received. These videos are available from your S-9 along with current information on the Spotted Owl and Timber Supply in the Northwest. The videos and information packets make a good club program and are educational as well as pertinent.

The North Cascade Club #230 had another fine golf tournament in May and President Paul Kriegal gave his farewell speech as outgoing president. Good job Paul! By the way, this is my last report as Supreme 9 for J-III. I would like to thank the Deputy Supreme Nine, Bill Hand, Kris Wales, Gil Emory, Fred Scheffier, Dave Blasen, Darrel Pardee, and Bill Patterson for their support during these past two years. I don't know where the time has gone but one thing is for sure, it has been an exciting two years and I highly recommend the job. There are some great people in Hoo Hoo and the more you become involved, the more you appreciate this fraternal organization. Thanks for all your support. See you in Honolulu

Health, Happiness and Long Life.

Jeff Loth, L-81125  
Supreme Nine, J-III

## Jurisdiction IV

My year as JIV President and S9 Board Member has been busy, controversial and sometimes frustrating, but the memories of new friends will remain. Issues soon to be voted on by the membership will be the most important for Hoo-Hoo, and all members should have considered them carefully. Which ever way the voting goes, the outcome will be felt by every Hoo-Hoo member for some time to come. I know the right decision will be made and Hoo-Hoo will be even stronger as it heads toward it's centenary in 1992.

Due to business pressure, visitations up to July 1 have been confined to my home cub Melbourne 217, all meetings, Ballarat 256, Gippsland 257, North East Victoria 236, Sydney 215, Launceston 239, Hobart 235, Portland 266. The founding president of Portland 266, Doug Lillyman has been transferred to the Gippsland area. Doug was the driving force behind the start of 266 and through some tough times kept it going. Thanks Doug, a great effort.

On July 7, my wife Val and I, flew to Adelaide 212 for their lunch time meeting. Later that day we traveled on to Perth Western Australia to catch up with my Deputy S9, Terry Jones. From there we will visit Manjimup 250 and Perth 240. As always, the hospitality is first class as it was on my last visit in 1984.

Canberra 232 is next with Deputy S9 Bert Armstrong to see Deputy S9 Alf Sebire and a great little well run Hoo-Hoo club in the nation's capital. On our way to Honolulu, we are calling into

(Continued from page 3)

New Zealand to see Deputy S9 Warren Boyce in Christchurch. (Southern 263) and then up to Auckland 248 and Geysersland 264. New Zealand Hoo-Hoo's are always good to visit and the scenery spectacular.

Travelling in JIV from September 9, 1988 to September 9, 1989 I have covered some 15,300 kilometres (9,500 miles), and internationally 32,000 kilometres (19,900 miles) and after all that distance it is great to look back and remember all the Hoo-Hoo friends that have been made along the way.

JIV has seen about 80-90 new members concatenated and as yet the final figures for resignations etc., have not been tabulated. Still we are expecting growth with most of it occurring in the New South Wales area.

The JIV Board meeting was attended by all vicegerents (Deputy S9) from as far as Townsville in the north (Brian Tutton), Tasmania in the south (Geoff Pask), New Zealand in the east (Warren Boyce) and Terry Jones from Perth in the west. Sixteen in attendance all together and a nine hour busy time with plenty of input from all. No wonder Hoo-Hoo down under is so strong.

To all my vicegerents (Deputy S9), I thank you for your help in running the second biggest Jurisdiction in Hoo-Hoo and keeping it the best. (My opinion anyway.) Thank you to all club presidents and their boards. It is you that must come up with the ideas and energy to make your clubs what they are, the real grass roots of Hoo-Hoo. It is you that carry the day.

To all in Hoo-Hoo Land who have had contact with me in my year, be it supportive or critical, I thank you for a most interesting year in my learning of people, and friendships I will have for life.

Health, Happiness and Long Life,  
Ron Caddy 82362  
President and  
Supreme Nine Board Member

## Jurisdiction V

Well, here we are, summer is half over and next month is convention time. The latest membership figures show the International paid membership down from last year at this time by 60 members - of these 60 members, 9 are from J-V.

My thanks to the clubs which held Concats and to those that didn't - oh well, next year. All clubs will have a new slate of officers, coming on stream in September. To those officers, I offer my congratulations. Please remember your S-9 and Deputy S-9s are only a phone call away and are there to help you with any problems.

We, the West Coast Clubs, were honored with a surprise whirlwind visit from Rameses Kevin Kelly earlier this year.

I attended the J-III Mini Convention in Olympia, Washington earlier in the summer. We witnessed a unique exercise in electioneering for the position of S-9 for J-III. The vote turned out to be tie, so the saga will continue on to the convention floor in Hawaii. I also had the opportunity to purchase an old Hoo Hoo pin at an antique display. I had the staff at International do a search on the history of the pin based on the number (#19634) on the back of the pin. The pin I purchased was issued to a past member from Alameda, California who was concatenated in Raymond, Washington on May 25, 1907. This pin will be sent to our museum in Gurdon.

This will be my last report for J-V to the *Log and Tally*. It has been a great two years and I urge anyone who even thinks about serving on the International Board to stand up and be counted. It will be an enlightening experience that you are not likely to forget.

I enjoyed working with Rameses Dick Campbell and Snark Phil Cocks. I hope I served them well.

My thanks to the local J-V Club Presidents and their executives for the help they gave me. A special thanks to my Deputy S-9 Lynn Edey for all his efforts in looking after J-V East.

See you in Hawaii.

Health, Happiness, and Long Life,  
Bruce Woodrow 79644  
S-9, J-V

## Jurisdiction VI

The spirit of great Hoo-Hoo is alive and well here in Jurisdiction 6.

Here are just a few examples. The Inland Empire Club #117, lead by president Jack Butler, held their annual "Ladies Weekend" last May in Palms Springs and had over 100 in attendance and plan to invite other clubs to participate next year and expect to have over 200. The Central New Mexico Club #69 and president Greg Powell held their annual golf Tournament in June and had 160 golfers, the best turn out ever. The Humboldt Club #63 had over 300 at the Crab Feed again this year. The Los Angeles Club #2 is enjoying a membership increase of over 47% so far this year. L.A. Club President, Rod Kautz, should be bringing home the membership award from the Honolulu International Convention this September. The Black Bart Club #181 will have between 6 and 10 members attending the Hawaii convention. The Coast Counties Club #114 was reactivated this year. The Oakland Club #39 will be hosting the international convention next year. Jurisdiction 6 is home for Hoo-Hoo's newest club, the Maui Club #270. However there may be even a newer club (#271?) soon in J-6 with the help of Richard Dryden. This new club will be in Los Cruces, New Mexico and will encompass an area including El Paso, Texas. There seems to be plenty of interest in Hoo-Hoo in the Los Cruces area. (Chris Goff and I may have to share custody of this club next year as El Paso is in J-7.)

Please understand the above are only highlights of the goings on in J-6. All 14 club presidents and 6 Deputy S-9s have been doing a good job promoting Hoo-Hoo so far this year. There are many plans, all ready, in the works for outstanding activities throughout 1990. Things are definitely getting bigger and better in J-6.

This year the Honolulu Club is hosting the International Convention. I have heard some say that it will cost too much to go to Hawaii. Last February, I visited the Sheraton in Honolulu where the convention will be held and met with Honolulu Convention committee to review convention activities. All I can say is you will get what you pay for. The facilities are excellent and the Honolulu Club has designed a special program of activities the average visitor would never experience. If you are wondering if the trip will be worth the cost, believe me, it will.

If you have read this far you must be interested in what is going on in Hoo-Hoo. If this is true I would like to ask you to get involved in your local club, your Jurisdiction, or International. Like the saying goes, "What you receive from Hoo-Hoo depends upon what you are willing to put into it."

Health, Happiness & Long Life,  
David B. Jones L82806

## Don't shrink away from Cedar...

Order it  
Kiln Dried!

If you want the beauty and versatility that only Cedar can give, but need the stability and other benefits of seasoned wood—you CAN have it all... with Kiln Dried Cedar from Loth Lumber!

Employing the latest in industry technology, the drying system used for Loth Lumber speeds up nature's natural seasoning process while it carefully preserves all the unique features that make Cedar so popular. The result is a top quality building material that is pre-conditioned

to withstand tough climatic extremes.

What are some of the important advantages of Kiln Dried Cedar?

• greater stability • more knot security in tight-knot products • lighter weight • takes paint easier • adjusts more quickly to weather • machines better for finishing

Don't shrink away from Cedar.  
Order it Kiln Dried from  
Loth Lumber.

For information contact: Mike Carlson,  
Don Dye, Dick Kasperon

PRODUCERS OF FINE CEDAR PRODUCTS 206-793-1135

## Jursidiction VII

Gentlemen, for the first time in years Jurisdiction VII will show a positive gain in membership. Three main events in J-VII this quarter have been the Lumberman's Association of Texas Annual Convention in San Antonio, the charter of the Magnolia Club #111 in Jackson, MS, and the recharter of the San Antonio Club #20.

The concat at the L.A.T. produced 20 new members from various areas in the Jurisdiction. I would like to say thanks to Phil Cocks, Carle Hall, and Billy Tarpley for their help in promoting Hoo Hoo in J-VII while attending the convention. John Robinson and Chris Goff helped in coordinating our efforts in San Antonio and were important to our success at the convention. Congratulations to John Robinson on being elected the new president of the San Antonio Club #20. On May 11 in Jackson, MS the Magnolia Club #111 was chartered. The officers of the club are Terry Murphy—president, Harold Mayo—vice-president, and Ken Biggs—secretary. Their first general membership meeting was a concat which produced 3 reinstatements and 29 new members. When you have new constructive clubs coming on stream combined with solid and growing clubs like Wichita Club #173 and Memphis Club #92 you have a jurisdiction with new momentum.

I would like to take this opportunity to say thanks to the Deputy S-9 members who have helped support clubs in their respective areas. Serving as Deputy S-9 members were Bob Edwards from the Metroplex Club #242, Harry McGarigle from the Wichita Club #173, and Pete Prutzman from the Gurdon Club #120.

As most of you know, Jurisdiction VII has faced some very trying times in the past decade. It is heart-warming to say that through the efforts of many of our members, J-VII is now starting a new, positive growth cycle. Our goals and objectives must continue to be constructive and industry related to insure a solid future.

Fraternally,  
Bill Franks, S-9 J-VII

## Jurisdiction VIII

In April my wife and myself drove to Sioux Falls, D.S. to meet with Lyle Hoeck and Marian. We drove together to Minneapolis on April 5th, to celebrate with the Twin Cities Club #112, their Lumber of the Year recognition banquet. It was a very nice affair and they gave the recognition award to Dr. Lewis T. Hendricks, professor & extension specialist of the University of Minnesota Forestry Division.

The next thing of importance was our Snark's trek through our jurisdiction. The Hoeck's came to Omaha on Sunday, May 21st and with them, Harriet and I greeted them at the airport that evening. Sylvia had come along too. Next day the 22nd, we took off for the golf outing, dinner and concat at the Des Moines club #102. Phil and Lyle joined the group at the Willows golf course on a beautiful day and I thought played quite well. After a good steak dinner we had a good concat and enlightened six kittens. Good day! On Tuesday morning we took off for Iowa City where we're to meet with the Hawkeye Club of Cedar Rapids #193. Their President Bob Creel had arranged for us to meet at the Highlander Motel which had very nice accommodations and a very nice banquet with the club members. We all enjoyed our dinner and the Snarks address to us. The next day we returned to my Omaha Club #124 and had an evening with Phil and Sylvia at Mr. "C's" steak house. (More details in my Jurisdiction VIII news.) On Thursday we all

drove to Sioux Falls where the Sioux Valley Club #118 had a golf outing and a steak fry, golf at Willow Run a new course, and the fry at Dale Weir's country home at a lake formed by an old Quarry. A really beautiful place to have such an event. Numerous door prizes were given to the members. A truly nice affair given in Lyle's honor as the incoming Snark. They are proud for Lyle to have this honor! Next day Phil and Sylvia took off for Orlando and home.

Can't help but add that the high point of the Iowa trip was our stop at the Amana colonies while enroute to Iowa City. Here Sylvia had a really good time, looking at antiques and the many items craftwise found there. We all enjoyed the good food at the Ox Yoke where it is put on family style. Phil got his pickled beets, and Sylvia had her fill of sauerkraut which she had been craving. A fun Time!

Health, Happiness and Long Life!

Homer H. Hahn 55213

## Jurisdiction IX

As we read this issue of the *Log & Tally* we will have less than four weeks until the International convention will be taking place in Hawaii. This convention will have many important issues which will be voted on and I hope that all Club Presidents and Secretary/Treasurers will have completed the convention delegate cards that were sent out by HHI on June 12, 1989.

Another Hoo-Hoo year has passed and Jurisdiction IX did have an improved status over last year but we still have a lot of planning to do to improve more. We presently have 10 clubs in our jurisdiction and we bring in new members and for some reason, let some of our two or three year old members fall by the wayside. We need to start planning now for the coming year to try and stop this movement of losing our younger members. A strong program of collecting local as well as International dues, interesting programs at our meetings, one or two joint functions with our spouses or girlfriend might be helpful. Let's try to work on this for the coming year.

Another club has been chartered in our Jurisdiction and is known as Sunshine State Club #271. They meet on the third Friday of each month for a luncheon meeting at a local restaurant. It's primary goal is to have industry programs at each of its meetings and to try and help the Industry in our community.

Spacecoast Club #221 will have officially broken ground by the time this issue will be published. This project which they have undertaken, Hoo-Hoo Park, will take a lot of man power and also money for it to complete. We ask that if any of the clubs in our great jurisdiction or in fact in Hoo-Hoo would like to subscribe as donors, we would be more than happy to accept it. The goal for this club is to try and raise \$100,000.00 thru donations and with the help of Bravard County, the completed project will be between \$400,000.00 - 500,000.00. A Hoo-Hoo educational as well as recreational park.

I wish to thank all of you for your support this past year as your Supreme Nine and am looking forward to working with you all this coming year. Will keep you informed regarding any information from HHI and am always just a phone call away from any member in Jurisdiction IX.

Health, Happiness and Long Life.

Frank Gray L86365

## SEER DAVE DAVIS DIES AT 85; WALES TO SUCCEED

**Dave Davis L-37575  
1904 - 1989**

With deep sadness and regret, we dedicate this space in the *Log & Tally* to the loving memory of Dave Davis L-37575, Seer of the House of Ancients, who passed away at 4:30 p.m. on Wednesday, July 5, 1989 at the age of 85. The Nine Pointed medallion of the Seer of the House of Ancients was transferred after press time to Rameses 50 Ernie Wales L-45412 of Spokane, Washington who will hold that title until death.

Dave Davis was a prince of a man, whose kind ways and gentle nature won him friends the world over. His abiding influence will be missed throughout Hoo-Hoo Land, and we join together in expressing our condolences to Dave's widow, Dottie, and their family.

Dave, who was Rameses 48, became Seer of the House of Ancients in 1981 following the death of Seer LeRoy Stanton. The February 1981 issue of the *Log & Tally* featured an article on this historic transition, excerpts of which appeared as follows:

"The gentleman on our front cover this issue, is Dave Davis, L-37575, Rameses No. 48, and our new Seer of the House of Ancients.

Dave Davis was initiated in Hoo-Hoo in San Francisco in 1925. Together with Lew Godard and Norm Cords, both past Presidents of Oakland Hoo-Hoo Club No. 39, he helped reorganize the San Francisco Hoo-Hoo No. 9 in 1945 and served as its first President. He was appointed Vicegerent Snark for 1945-46 and State Deputy Snark for Northern California for 1947-48 by Snark of the Universe LeRoy Stanton, 31930, Rameses 41.

In 1949 he was elected to the Supreme Nine as Jabberwock serving with Snark of the Universe Martin Wiegand, 44882, Rameses 42 as well as the following year of 1950-51 to Custocatian serving with Lynn Boyd, 36660, Rameses 43.

At several of the National conventions he served at one time as Chairman of all the different committees.

At the 64th Annual Hoo Hoo Convention in Detroit, Michigan, September 16, 1955 Dave Davis was elected Snark of the Universe, succeeding John Dolcater, 37372, Rameses 47.

During his term as Snark of the Universe, 1955-56, Dave Davis visited all Jurisdictions, some several times, with a member of the Supreme Nine and Ben Springer, 34265, Rameses 37, Secretary. At this time there were over 13,000 active members in Hoo-Hoo with over 100 active clubs. It took over 50,000 miles of traveling, without any expense to Hoo-Hoo, (thanks to Simpson Timber Co.) to address over 5000 members of Hoo-Hoo with the "History and Workings of Hoo-Hoo" as well as many State Retail Lumber Conventions and the National Wholesale Lumber Association Convention in Vancouver, Canada.

In 1923, Dave Davis started in the lumber business in San Francisco and served later as Sales Manager for some of the large redwood manufacturers.

Dave maintained an active interest in Hoo-Hoo throughout his term as Seer of the House of Ancients. In his last report published in the *Log & Tally*, Dave shared with us his concept of the Golden Rule.

"The challenge of today is the challenge that has existed for centuries, to live and work together in the spirit of the GOLDEN RULE. "Do unto others as you would have others do unto you." When I was Snark in 1955-56 travelling around the country for Hoo-Hoo, this was my opening theme. Possibly you have heard it. I like it ... We must never forget that Hoo-Hoo was founded on FRATERNAL spirit, along with our Code of Ethics, in 1892. That is a long time ago. And do not forget that Hoo-Hoo is the oldest and possibly the only Industrial FRATERNAL organization in the world. We have had some great leaders over these many years that have maintained the FRATERNAL spirit in our great FRATERNAL ORDER of Hoo-Hoo. Let us not forget this ... I have been an enthusiastic member of Hoo-Hoo since I joined in San Francisco in 1925, and while I am now 83 years old, I do not think I have lost much of my spirit.

I have purposely repeated FRATERNAL because this is one of the main reasons Hoo-Hoo was founded, so as to make a UNITED FOREST PRODUCTS INDUSTRY. After 95 years we have done a good job. Could we have done better? What do you think?"

Dave's calming influence will be missed, but we look forward to the continuing influence of another great Hoo-Hoo, Rameses 50 Ernie Wales as he assumes the title of Seer of the House of Ancients.

Rameses 48, Dave Davis (center) poses with (l-r) Harry Merlo, R-29 C.D. LeMaster, Al Bell, and Joe Pepton. Harry Merlo, now president/CEO of Louisiana Pacific, was introduced to the lumber industry by Dave.

## CLUB NEWS

### Jurisdiction I

#### HARRY L. FOLSOM CLUB 13 ENDS THE YEAR WITH A DOUBLE-HEADER

The Harry L. Folsom Club enjoyed their final meeting before breaking for the summer. Family night brought out a nice turnout in April, as club families toured the Harvard Museum of Natural History. The evening provided a needed refreshment of our natural history to the adult members and opened the eyes of the youngsters throughout the evening. Plenty of pizza and soda capped the evening.

Monday evening, May 1, 1989 was a very memorable evening. As usual, the Old Timers/Past Presidents night was well attended. Old Timers night always presents a chance to communicate with the "oak trees" of our chosen industry. This night was set aside to honor these men who have spent years of dedicated time and service in the promotion of Hoo-Hoo, one in particular, Stan Sweetser of Elhide Co., who received a Lifetime Membership. The election of Officers and Directors for 1989-1990 was also confirmed as follows:

President - James M. Cusack, #83505  
1st Vice President - Mark A. Grimason #88337

2nd Vice President - Gerard W. Moynihan #89133  
Secretary - Carmen Matucchio #86177  
Treasurer - Ronald J. Harvey, #76934  
Director - Robert Chandonnet #90610  
Director - Joseph L. Burgoyne #89120  
Ex-Officio - John Belanger #86161  
Vicegerent Snark and Hospitality - Kevin Spearman #93761  
Hospitality - Joe Bock #81009  
Reservations - Charles Spencer #89140  
Publicity - Robert Horne #93751  
Membership - David Mullen #64468  
Keeper of the Scroll - Gene Flanagan #94427

Incoming President Jim Cusack will lead the Club for 89-90. The President's Pin was exchanged with outgoing President John Belanger. Many thanks to John from the entire Harry L. Folsom Club for leading Club #13 through another successful year. Keeper of the Scroll is in its second year. This position helps us keep the lines of communication open to all new kittens.

The Club's portion of the 50/50 raffle was donated to the Cliff Cunningham Fund. We will be funding the Cliff Cunningham Fund each Old Timers/Presidents night henceforth. This special fund will

HARRY FOLSOM 13 - Incoming President Jim Cusack presents plaque to outgoing president John Belanger.

help provide revenue for special awards each year.

We completed the Double-Header with Ladies Night on May 20th. A pre-performance cocktail party started the night off right. We enjoyed the antics of fellow members before being professionally entertained by the musical comedy "Nonsense." The performance brought back many memories of our glorious days in Parochial School - good or bad? It was a nice night for all and gave us an opportunity to look forward to next season. The tentative schedule for 89-90 is as follows:

Monday, September 11th - Wonderland

(Continued on page 11)

HARRY L. FOLSOM - Past Presidents: Back row: Joe Bock, Ron Harvey, Don Jahansen, Bob Gurmon, Dick Caine, Bob Randall, Randy Taylor, Dave Mullen. Front Row: John Belanger, Greg Sweetser, Emerson "Speed" Willard, John Dennison.

HARRY L. FOLSOM - Old Timers Stan Sweetser, John Dennison, Henry Zottoli, Vern Mattson, Emerson "Speed" Willard, Leo Foley.

## THE WOOD PROMOTION AWARD — ENTER NOW!

### RULES GOVERNING CLUB TROPHY

1.) The club may submit evidence covering all wood promotion projects adopted by the club, including National Forest Products Week.

2.) The entrant club will make its presentation to the judges and the convention. Tangible evidence of the project(s) must be submitted by the club delegate, who must be conversant with the project from start to finish as he may be interviewed by the judges. This evidence may consist of newspaper clippings, photos, scrap books, samples, or display material. A slide projector will be available.

3.) Each participating club must submit a written outline of the wood promotion project(s) to contain the following: (a) A description of the project(s); (b) State the goal of the project(s); (c) Tell of the method of operation; (d) Specify the relative proportion of financial and/or manpower support from co-operating organizations; and (e) Statement of the results.

4.) **DO NOT SEND CLUB CONTEST MATERIALS TO THE INTERNATIONAL HOO-HOO OFFICE.** The Club delegate is responsible for all contest materials, and for providing the *Log and Tally* with a complete story for publication. The delegate may ship the materials, addressed to himself, in care of

the convention hotel, marked "hold for arrival on September 19, 1989."

5.) Decision of the judges will be final. A club is eligible to be awarded the trophy in two or more consecutive years. In the absence of an acceptable club presentation, at the discretion of the judges the trophy may be retained in the International Headquarters for one year. In addition to the trophy, certificates will be presented to the clubs placing first, second and third. No judge shall be appointed who is a member of a club making a competitive presentation.

6.) Hoo-Hoo Clubs wishing to make a presentation for the trophy are requested to advise the International Office by letter prior to **August 20th** of each year.

7.) Each of the following facets of wood promotion project shall be rated by each judge, independently of the others, on a scale of 1 thru 10 for letters G and D and 1 thru 5 for letters A, B, E, & F, 10 being the best.

- A—Accomplishment based on size of club.
- B—Involvement of members.
- C—Immediate effect on the community.
- D—Lasting effect on the community.
- E—Written presentation.
- F—Oral presentation.

## THE JACK CHESHIRE MEDIA AWARD

The rules governing the JACK CHESHIRE MEDIA AWARD are as follows:

### AWARD RULES

1. **Intention:** The intention of the award is to encourage and recognize media achievements of the clubs in Hoo-Hoo International. The award shall be for the best media efforts and achievements and recognizes the importance of Hoo-Hoo supporting itself and its sponsoring industry by the sensible use of this important vehicle.

2. **Titles:** The name of the award shall be the JACK CHESHIRE MEDIA AWARD. The trophy plaque has been provided by Hoo-Hoo International and will serve as a perpetual award.

3. **Eligibility and submissions:** (a) All clubs in H.H.I. are eligible for the award and may make a submission at the call of the HHI executive. (b) Each entrant shall provide full details of their media efforts by way of reports, clippings, photos, videos or films or any other evidence including audience. (c) Entrants shall provide its submission by the time stipulated by the international office, which is the 9th day of August preceding each annual convention. (d) The eligible media shall be newspapers, radio and television, either local or of wider circulation or coverage, and shall include the public media, forest industry media, and company or other in-house media. (e) Media coverage can include that of club activities to the public and to the industry, industry activities to the public or any other media coverage which promotes the ac-

tivity and role of Hoo-Hoo. (f) Entrants shall provide the name(s) of the people who achieved this media result. (g) Entrants may provide additional written comment explaining any special feature, local difficulties or any other factor which they feel should be considered by the judges. (h) Submissions can be made for single or a few outstanding media achievements or for sustained media effort and achievements during the Hoo-Hoo year under consideration.

4. **Judging:** The JACK CHESHIRE MEDIA AWARD shall be judged by the judging committee. The time of the judging shall be during the annual HHI convention. The selection of the winner shall be at the sole discretion of the judges and no right of appeal will be considered. The judges shall consider the following criteria when making the decision but have the right to decide the relative importance of each of the criteria.

5. **Judging Criteria:** (a) The primary criteria shall be the media exposure of the Order of Hoo-Hoo, its image and the role that Hoo-Hoo and the forest industries play. (b) Judges shall consider both the work put in — gaining media attention is hard work! and, the quality of the result. (c) Judges shall consider all the forms of the media-printed word, radio, television. (d) The award shall be for the "media coverage" rather than the "activity" since the "activity" may possibly be the basis of other Hoo-Hoo awards.

6. **ANNOUNCEMENT OF THE WINNER OF THE AWARD AND PRESENTATION OF THE TROPHY:** The winner of the award shall be announced by the judging panel at the HHI Annual Convention and shall be presented to representative of the winning club.

HARRY L. FOLSOM CLUB — Stan Sweetser (left) accepting Honorary Lifetime Membership from President John Belanger.

### STANWOOD C. SWEETSER LIFETIME MEMBER OF HARRY FOLSOM 13

Stan Sweetser has been a dedicated member of our Fraternal Order of Lumbermen for over 55 years. The Harry L. Folsom Club honored Stan during Old Timers/Past Presidents Night, May 1, 1989. John Belanger had an overview of Stan's career, citing his "World War II Pacific tour while commissioned in the Marines," "working for Weyerhaeuser Company, Wood Conversion Div. and Masonite Corp. as district sales manager." In 1959, Stan purchased Elhide Company and is currently active as chairman of the board. Thank you, Mr. Sweetser, for your valued support.

#### GRANITE STATE 107 BOASTS OVER 200 YEARS OF HOO-HOO SERVICE

The Granite State Hoo-Hoo Club No. 107 recently held its Old Timers Night in Manchester, New Hampshire. Each old-time active, life or retired member was honored with a sumptuous free dinner and was given a chance to share with the younger members and guests their aged words of wisdom gathered in over 200 years service collectively in Hoo-Hoo.

Ancient among them was Vern Simmons, who was introduced into Life Membership.

#### WASHINGTON D.C. CLUB 99 REPORTS

Women in Hoo-Hoo? Not yet, but perhaps in the future. For a number of years we have been petitioned (mainly from clubs in Canada and Australia who have been pressured by their respective governments) to strike the word "male" from our requirements for membership. This question has been voted on at past conventions and has been defeated. Once

again, we will vote on the issue at the upcoming convention in Honolulu in September.

At the March meeting of the Washington D.C. Hoo-Hoo Club No. 99, we held a lively discussion on this subject, and the members present voted to instruct our delegates to vote in favor of eliminating the word "male" from membership requirements. It must be pointed out, however, that each and every

local club will still accept or reject members as that club sees fit.

1999 Convention - Our invitation to host the 1999 annual Hoo-Hoo convention was brought up at the March HHI Board of Directors meetings and presumably will be duly voted on at the September convention in Honolulu. Our Supreme Nine member, Charlie Eaton, reports that the invitation met with favor by the board.

BEN SPRINGER 35 — Torsk dinner chairman Ed Foley takes a stand.

### BEN SPRINGER 35 HOSTS ANNUAL TORSK DINNER

The Annual Torsk dinner of the Ben Springer Club No. 35 was held at Dania Hall in Racine, Wisconsin on April 30, 1989. The fish was excellent, but the Danish firewater was better.

A good time was had by all attendees. The program chairman was Ed Foley.

David Merrill, reporter

### REPORT FROM BEN SPRINGER 35

A total of 25 persons attended the concat and election of officers and directors of the Ben Springer Club No. 35 on March 30. Nine men walked into the land of Hoo-Hoo: Bryan T. Halvorson, mark Hempel, Daniel R. Kostrzewa, Charles J. Lewin, Lee R. Polacheck, James P. Revak, Thomas A Sanchez, Troy D. Sef-

finga, and Virgil A. Waugh.

Elected to the office of president was David Radloff 90957, Vice President Harold Smart 90959, Vicegerent Jeff Cain 90291 (retiring president.) Three Board members were elected that night - Marc A. Shuter 90298 (elected to 3rd term), William Klemundt 83330 (1st term), and David L. Ziehr 81511 (returning after 10 year layoff). All positions in our club are two year terms.

Thanks to outgoing Board member Jame J. Bodnar 92188 for his service but we know he will be on committee work. Jim's membership committee brought 20 new kittens in two years. Good job!

Thanks also to Harry Henningsen 79242, Deputy S-9 of J-II, for his help this evening with pictures and raffle work. A fine evening for a great group!

Jeff Cain, reporter

DETROIT 28 — As part of the club's Wood Promotion project, Detroit Club 28 purchased 5,000 seedlings which were planted in an Oakland county park with the help of area Boy Scouts. See details in J-II report by Lee Stacey, page 2.

DETROIT 28 — The Boy Scout crew poses for a quick photo before planting 5,000 seedlings as part of a Detroit Club 28 Wood Promotion project.

### HALLGREN FEATURED IN LOCAL NEWSPAPER

Ken Hallgren L-66051, namesake of the Ken Hallgren Hoo-Hoo Club No. 139 of Northern Illinois, was featured recently in a special article in *Mid Week*, a DeKalb County, Illinois newspaper. Ken is a past member of the Supreme Nine, and is currently serving as Deputy Supreme Nine for J-II while also doubling as secretary/treasurer of his club. The following is the article as it appeared in its entirety.

#### Hallgren inspires

The commitment DeKalb native, Kenneth Hallgren, has to his community and family are worthy of note on their own merit. The fact that he gives this time despite ill health has earned him special recognition.

Hallgren, 63, president of the DeKalb Park Board and former co-owner of Hallgren Lumber Co., has been named Patient of the Year by the National Kidney Foundation of Illinois.

He was nominated for the award by Sondra King, coordinator of the DeKalb Area Food Pantry; and David Emanuelson, director of the DeKalb Park District.

"Kenneth is well-known in this community. He's an exceptional human being with a positive outlook - thinking of others, unselfishly giving his time and talents, not dwelling on his own problems," said King, assistant professor of nutrition at Northern Illinois University.

Hallgren has lived with kidney disease for about seven years. He was on hemodialysis for two years, and had a transplant which was unsuccessful.

He then was put on continual ambulatory peritoneal dialysis, which is a type of dialysis that can be done by the patient at home, but now is back on hemodialysis, which requires trips to Rockford Memorial Hospital three days a week.

Hallgren often has to make emergency trips to Rockford and to the Mayo Clinic in Minnesota. More often than not, he drives himself, because he insists on being independent.

"He's really been 'through the program' as far as treatment, dietary/fluid restrictions, side-effects of medication, and all the ups-and-downs that are part of this disease," said King.

Hallgren also was a candidate for a second transplate, but doctors no longer consider him eligible because of his age and because of heart damage he sustained during a previous operation.

"He has an absolutely indomitable spirit that inspires those who know him. He's so involved and committed to various causes in our community, it's hard to believe what this man accomplishes," King said in her nominating letter.

Hallgren is president of the park board, and in his fourth year of a six-year term. He is a member of the First United Methodist Church, and is responsible for overseeing maintenance and repairs there.

He's been working as a shopper for the food pantry, located at the church, since 1986.

"He makes sure the pantry is stocked and either buys food locally or makes trips to food banks in Carol Stream or Sterling. He donates his truck, time, and usually does all the loading and unloading of the 1,000 pounds of food," said King.

For many years, Hallgren has been a leader in the lumbermen's association, the International Concatenated Order of Hoo-Hoo. The Northern Illinois Chapter voted to change its name to the Ken Hallgren Chapter. "an honor not bestowed in other chapters," King said.

Hallgren also is active in the Elks Club, Masonic Lodge and the Shrine. He serves on the Fairview Cemetery Board and the Ellwood House Board.

(Continued on next page)

(Continued from page 15)

"When the shelter for the homeless found a permanent site, guess who went through is own kitchen and donated a set of dishes, pots and pans and utensils?" said King.

He's also been a volunteer at the shelter, helping with the cooking and visiting with guests.

Doing for others started with Hallgren's family. His wife of 37 years, Carol, died in 1983 of Lou Gehrig's disease, a very debilitating illness.

"He cared for her at home so she never had to be hospitalized or institutionalized, even though he was on dialysis himself during that time. And, even though she was in a wheelchair the last few years, he took his wife to visit Scandinavia and Australia," said King.

Hallgren also has five children and eight grandchildren who live around the country, and who he visits regularly.

"I don't think I ever met anyone who inspires me as much as Kenneth," said Emanuelson.

"To me, he is a hero. A hero is not a famous politician, a great athlete or a movie star, but someone who every day has to have the courage to go on living."

Hallgren received his award April 8 at the Chicagoland Patient Day, hosted by the kidney foundation in Countryside.

"I was half stunned when I heard my name," Hallgren said about the announcement that completely surprised him.

"I've always been busy. I enjoy it. I don't want to sit around and commiserate about my troubles. If I did, I'd probably give up," he said.

## Jurisdiction III

### REPORT FROM SPOKANE 16

The April 20 meeting of the Spokane Club 16 was an unusual and very interesting and informative meeting. John Bergman gave a fine talk on the "why" and "what" and "how" of Security Systems for both homes and plants. If you have any questions, call John at Security Center Northwest. Randy Lenten was very interesting in telling us about Jet Skiis and Jet Ski Races. Thanks to both John and Randy for a fine program.

The following Hoo-Hoo members attended the Clinic Meeting recently held in Spokane: John Ailport, Williams Lake, B.C., Canada (& a Past President); Joe Brown, Polson, Mont.; Past Pres. Chuck Dehner, Ken Perry, & Ernie Wales, Spokane; and Lorin Hearst and Director George Miller, Missoula, Mont.

This time we had a woodworking display instead of a contest. We had the usual great quality, but fewer entries.

Each displayer and teacher was given a tour of Dellen Wood Products Plant. Thanks Bill and Dave. A Hoo Hoo Woodworking exhibiting T-shirt, a lunch with a fine speaker, Scott Richner, and a certificate of participation.

The Nominating Committee under co-chairmanship of Jack Eskeberg and Bill Lenten offered the following candidates who were officially elected June 9.

President, Dave Lenten  
1st V.P., Stan Smith  
2nd V.P., Dan Loessin  
Secty/Treas., Ernie Wales  
Directors, Joe Belknap, Willie Gilerist, Jerry Hudson, Walt Ruffles, Jim

Price, Shawn Sinclair  
VGS, Rich Copeland  
Dep. S-9, Kris Wales  
Honorary (previously elected): Bill Lenten, Norm Mikalson, Gene Zanck.

### REPORT FROM WILLAMETTE VALLEY 33

The February meeting was quite successful, even if 6" of snow and close to 0° weather prevailed. We had Snark Phil Cocks out from Orlando, FL, along with 6 Rameses which included Al Meier, Dick Wilson, Dan Brown, Jimmy Jones, Jack Jacobson and Dick Campbell from down under (Woy Woy, Australia). In all, we did real well. Oh yes, Jeff Loth from Goldbar, WA the S-9 flew down with a friend and Bill Patterson came over from Klamath Falls. We had lots of fun and hope to make this an annual affair to bring the Rameses together.

The board selected Nat Giustina as lumberman of the year and whenever Nat decides to come back to the rain of Eugene from Palm Springs, we will present him with the award and life membership.

The Club has received letters thanking us for our donation of \$1000 each to the YMCA, Eugene/Springfield Kidsports program, Eugene Hearing and Speech Clinic, and Eugene Junior League. The Junior League sent us a copy of the booklet we helped them fund which deals with families and young people saying "NO" to drugs. This money really went a long way and I think every Club 33 member may be proud of our donations. A majority of the money went to help our young people and we think that is what counts these days.

### REPORT FROM TACOMA OLYMPIA 89

One of our events we hold every year that is separate from our regular monthly meeting is our Past President's Club meeting. This year we held it in March. Seventeen past presidents showed up to enjoy the fellowship. One of the things we do is initiate the immediate past president into the club. This usually takes some soul searching on everyone's part. This year, past president Jim Smith made the grade.

Our April meeting was a regular meeting with a short concat and a program by Maritime Ventures. We brought in new kittens Harlan Skaulen of E.R.S. Trucking, and Roger Telsey of Custom Moulding.

Our May meeting was our annual Wives Night. We held it at the Fife Community Center. Dinner was catered by Eddie's Catering. The theme was Western, so everybody was in their best western clothes. Prizes were given for best costumes. Steve Basket and his wife won first prize.

There were dance lessons and dancing so everyone that was there had a great time. Unfortunately, our photographer was in California on vacation so no pictures were taken.

Our June meeting was Past President's Night and election of officers for the coming year. The club buys dinner for all the past presidents on this night. Present were 18 past presidents.

Our new president for the year is Bob Daga of Al Meier's Building Centers. Vice President is Tom Stumpf of Western Wood Preserving.

We also had a short concat and brought in Richard Dewar and Terry Qualls from North West Pallet Inc.

John Crawford, reporter

TAC OLY 89 — Photo of the carving that master carver Jim Smith is presenting to the Hoo-Hoo Museum.

TAC OLY 89 — George Koenig presides over his last meeting as president.

### REPORT FROM WINEMA 216

Wow! We expected 50 people at the March meeting of the Winema Club 216 and got 78, but the beans and beer held out pretty well. The loggers helped subsidize our HALF PRICE - LOGGERS NIGHT. From all reports, it was a smashing success. Yeah Loggers! Pete Crebbin and Denny Holl showed old time logger movies. Pete muttered something about Boise and Denny told some "old jokes."

Joe Wampler swapped raffle tickets with Mike Garrett and then won the color T.V., Hap Brown won a Hoo Hoo jacket. He said he never wins anything - so that was good. A couple of guests and quite a few sponsors were sprinkled in among the members which was nice also.

Bill Putnam won the Logger of the Year Award. He and Mari (that's how she spells it) can go to dinner on the club. Bill says the certificate will only buy drinks. Oh, well! Bill helped out alot on the crab feed. He donated his priceless time and a truck load or two of ratty old firewood to the club (stuff D.G. could not make into chips). He also got a work party together

to cut the wood, deliver it and collect the money. Thanks Bill, Mike Garrett, Rick Dryer, Ken Cushman, W.K. Patterson and wood buyers.

O'Boy - You should have been there in April. We initiated 14 kittens. Please welcome to the Empire of Hoo Hoo: John Benson - J & B Logging, Ken Dixon - Newman & Crebbin Logging, Daryl Ensminger - Newman & Crebbin Logging, Odel Hethcock - Triple 7 Logging, Donn Jensen - Weyerhaeuser Co., Pat Juhl - J & P Wholesale, Gary Koepke - Ben-Fab, George Lockett - George Lockett Trucking, Michael Martinez - Weyerhaeuser Co., Joe Primm - Cascade Timber Co., Robert Reinke - Weyerhaeuser Co., John Richmond - Richmond Contracting, Jay Schindler - Ben-Fab, Leroy Spiker - Newman & Crebbin Logging. They were all good sports and passed all the tests with an A plus. A couple of them are lucky, too. Joe Primm won two of the cash drawings while Bob Reinke pulled in a 10 spot.

Other raffle winners were Bob Wampler - \$10, Bill Egner - \$20, Mike Pellegrino - \$20, Mike Balcom - \$20, Wes

Sine - \$20, and Bill Taylor - \$20 and \$10. (Lucky Dog) Seriously, it couldn't have happened to a nicer group of people. I hope you all win again next month.

72 people attended this concat. We had to set extra tables up, but ole Dave dug around in the kitchen and covered for us beautifully. The food and service was great. Thanks Molatoes!

The "Brass Rail Safari" in May was a "neat-o" excursion! Some 40 members and guests enjoyed the scenery, libations, the rest stop on Timber Mtn., the goodies prepared by Ann and Jennifer, and then made short work of the great "basque" bread, soup, salad, shrimps and steaks at the "Rail." What a feast it was!

The group moved to support Dave Blasen for Supreme 9 at the coming "Mini" in Olympia. Lotsa money was won on the raffle, even the barmaid won \$25. — And we were home by 11:45 p.m.

**HOO HOO 187  
NORTHWEST MONTANA**

Hoo Hoo 187 grew by twelve new members last month when the Club initiated this year's crop of kittens. The Club's membership now includes 93 active members. The kittens survived the gruelling process and have joined a very active club noted for its activities.

Hoo Hoo 187 mixes strong commitment in support of the timber industry with a number of opportunities for fellowship, enjoyment, and just plain fun. The April meeting featured the Club's annual Shoot Out and Steak Dinner at a local trap club. Club notable, Gary Hurd, won the shooting contest with 24 of 25 clay targets.

Jeff Wallace and Keith Engebretson took top honors in the team shoot. Bud Clinch won everyone's appreciation for organizing the event and serving as head chef.

Plans are currently underway for the annual Summer Outing (July) in which Club members, wives, and invited guests from lumber firms gather in the Flathead Valley to enjoy three days of outdoor sports and festivities. Last year the event featured golfing on one of the many beautiful courses available in the area and charter fishing for huge lake trout on the famous Flathead Lake. This year the event includes a golf scramble at West Glacier Golf Course and a thrilling whitewater raft trip down the Falthead River.

But it isn't all fun and games for Hoo

Hoo 187. The Northwest is in a bitter struggle to maintain its timber industry and is opposed by a multitude of environmental organizations. The Club has joined the political feud and is doing what it can to promote the continued supply of timber for harvest and the maintenance of our timber industry. When the dust clears, the decisions which will greatly affect the means to maintain our lives and businesses will probably end up being made in the Nation's capitol. The support of the rest of the Hoo Hoo organizations in this country will be important in persuading our leaders to ignore emotional hype and to vote in favor of conservation (the wise use of resources) rather than blind preservation and waste.

**NORTHWEST MONTANA 18 — New kittens, Front row: A.J. King, Bob St. Onge, Jake Heckathorn, Don Kisler, Curtis Rice; Left to right, back row: Joe Bybee, Kevin St. Onge, Keith Engebretson, Jeff Sorg, Bryan Hurd, Dan McEntire, Frank Dillon.**

**NORTHWEST MONTANA 18 — Degree Team (l-r) Sam Hansen, Howard Hurst, Al Johnson, Clyde Smith, Jim Bell, Denny Foster, Jack King, Wally Foster, Dave Larson, John King.**

**NORTH CASCADE CLUB #230**

Our March meeting was Logger's Nite at the Mt. Vernon Elks. Karl Stout lined up a great program for us. Over 100 members and guests were able to meet in an informal atmosphere to discuss from all sides mutual problems that face our industry.

President Paul Kriegel kept the meeting short and to the point so that we could all get home at a reasonable hour.

Our April Concat was held at the Cascade Club in Everett. According to the older members North Cascade used to hold their meeting at that location. We should never have left. They put on a fantastic meal for us and did everything possible to

make our night enjoyable. Let's hope we have more meetings there.

Almost 30 kittens were concat that night much to the delight of the entire gathering.

Herb York was elected treasurer for the upcoming year and the new board members took office and will be getting next years agenda and schedule worked out over the summer.

Congratulations to the new kittens and all the new Club officers.

May finished off our year at the Bellingham Golf and Country Club. The rain held off and stayed to the south while we enjoyed a very pleasant day.

The beer and hot dogs were Johnny on the spot to keep us ardent hackers go-

ing over the full 18 holes.

None of the pictures from the Golf Tourney came out so we will have the camera checked over and have it ready for next year.

The club wishes to thank again all the members who donated towards the prizes for the tournament.

This year's President Paul Kriegel expresses his appreciation for the help and support he received all year long. It takes work and cooperation from many people to make a years calendar come off without a hitch. This probably best expresses what Hoo Hoo is all about - working together for the good of all.

At the June Board meeting next years  
(Continued on page 19)

(Continued from page 18)

officers were elected and installed. They are President Dick Vurai, Vice President Bruce Fritch and Treasurer Herb York. Any questions, comments, problems or helpful ideas should be directed their way. They are already hard at work preparing for next year.

Over the summer all of us should keep in contact with kittens we have sponsored over the last couple of years to keep their enthusiasm up so they will be ready to participate in the coming years.

**NORTH CASCADE 230 — A hello and a handshake goes a long way in Hoo-Hoo!**

**NORTH CASCADE 230 — A close up of the great food at the Cascade Club.**

### REPORT FROM MT. GAMBIER 214

The Mt. Gambier Hoo-Hoo Club entertained about 220 people at a gala Timber Industry Dinner Dance held on April 1st. This was held at the newly opened Oatmill Restaurant complex and aptly fitted the timber theme with its massive timber beams, timber floors and fittings and a great timber atmosphere.

The club introduced six new members into Hoo-Hoo at the meeting held May 8 at the Silver Birch Hotel. Total membership of the club is now in excess of 50 people.

MT. GAMBIER 214 — Val and Brian Page really enjoying themselves.

### REPORT FROM PERTH CLUB 240

April saw the introduction of a new concept - a meeting held over two nights in two different locations. On the first night, Perth Observatory Director, Mike Candy, addressed a good roll-up of members, wives and visitors on the mysteries of astronomy.

The second night saw Hoo-Hoo's and hangers-on sally forth into the forbidding darkness of the Darling Range to the Perth

### REPORT FROM WOY WOY 260

Graham Martin provided club members with an exciting outline of the proposed Timber Industry restructuring and the new training scheme obligations to

employers at our February meeting.

The March meeting held with the Newcastle Club gave us details of the use of Newcastle Port for landing West Coast timbers thus lessening the hold ups at

Sydney.

Attendance at our annual Golf Day in April was the best ever. Despite the continued rain, President John welcomed 51 players and 70 members and guest for the Presentation Celebration.

**VANCOUVER 48  
HOSTS GOLF TOURNEY**

The Annual Golf Tournament hosted by Vancouver Club 48 was held June 15th at the University Golf Club. Good weather and a shot gun start made this well organized event another great success.

The low gross trophy went to Ian

VANCOUVER 48 ALTERNATE STROKES — Club President Jan Hermans (r) offers preliminary tips to the Hugh McCutcheon!

The Island team had a bit of help in the form of Wayne Coulsen in goal, who was scouted by the NHL. The Mainland Nets were courageously defended by John McCutcheon.

It was a well played clean game with the odd heavy body check and the occasional stick between the legs, just to show that everyone still had the keen edge of competition.

VANCOUVER 48 — A life membership award was presented to Ted Pratt for his many years of dedicated service to Hoo-Hoo.

Shopland while the low net went to Tom Denton. Winners of the John Hruby memorial Trophy were the foursome of Hugh McCutcheon, Jim Baird and Norm Halliday, led by the awesome Rod Noga. Special awards were presented to Ted Pratt and Bob Fladgate for their many years of dedicated service to the Vancouver Club.

Dana from K.F. Evans Ltd. and Carmen from Metropolitan Trading Ltd. turned out as the score and time keepers and general cheerleading section.

Next years game should be very interesting as we are sure the Mainlanders will be looking to reverse the score on the Islanders.

Dick Smith was the happy winner of a free trip draw to the international convention in Hawaii.

Congratulations to Chris Potter and Scott Canning for organizing a great event. Many thanks to all those who generously donated the many prizes given out.

**VANCOUVER 48 HOSTS  
ALTERNATE STROKES  
GOLF TOURNAMENT**

It was a drizzly, miserably cold morning, when 78 enthusiastic golfers (husbands and wives) showed up for the second annual Vancouver 48 Alternate Strokes Golf Tournament on May 27th. To make sure everybody got off on the right foot, so to speak, Hugh McCutcheon provided the golfers with "kick off cheer" and Gloria Noga was on hand assisting as a "cheer-leader." The day continued with a barbecue dinner, awards ceremony and dancing. It was a day and evening enjoyed by all.

### 11TH ANNUAL LA/ORG CTY HOO-HOO ANGEL BASEBALL NIGHT

Los Angeles Hoo-Hoo Club #2 held its 11th Annual Angel Baseball Night on Wednesday, April 26th. 150 tickets were purchased by L.A., Orange County and Inland Empire Lumbermen for the evening at Anaheim Stadium which included dinner, beer & wine and viewing the game from the privacy and comfort of the football pressbox high atop the "Big A".

This year's event, the largest since the 1st outing in 1978, drew lumbermen up from San Diego and down from as far away as Petaluma.

The evening was made doubly enjoyable by the combined generosity of the Detroit Tigers, who bowed to our California Angels 1-0; and the lumbermen themselves, who, during the 7th inning stretch, reached into their pockets for \$470 in contributions to the club's Children's

### SAN JOAQUIN VALLEY 31 TAKES STEPS TO COUNTER SPOTTED OWL MOVEMENT

Officers of the San Joaquin Valley Hoo-Hoo Club No. 31 recently undertook a project to distribute information to every Hoo-Hoo club providing information on the Spotted Owl movement, and other industry events in the Pacific Northwest.

Printed below is a letter from club president Bill Barr:

Gentlemen:

Hoo Hoo Club No. 31 would like to take a moment of your time to discuss a matter of great importance. Most of you are aware of the problems facing the lumber industry today. For those of you who may not be currently active in the industry, we would like to give you a brief update on the current events in the Pacific Northwest, in particular, the Spotted Owl debate.

On March 23, Federal District Judge William L. Dwyer, issued a preliminary injunction on the harvest of more than one billion board feet of old growth Douglas Fir in western Oregon and Washington. This injunction is the result of a lawsuit filed by a preservationist group headed by the Seattle Audubon Society to protect the Spotted Owl.

This group contends that the Spotted Owl needs up to 2,000 acres per breeding pair, and that 1,000 pairs are needed to maintain a stable population. If this injunction is seen through to a decision, the states of Oregon and Washington will lose an estimated 52,000 jobs with an annual payroll of 1.2 billion dollars.

Club No. 31 does not wish to argue

the merits of this lawsuit. We only want to point out that in view of the outcome of many certified studies, it appears there are thousands of breeding pairs of Spotted Owls, where only a few hundred were thought to exist.

Club No. 31 knows that if this injunction is extended, it will not only affect the Oregon and Washington economies, but will quickly spread to the entire country. The lumber industry is already seeing a rapid increase in the price of lumber and the scarcity of certain items due to speculation resulting from this injunction. This inflationary trend will adversely affect the housing industry, from which we all derive our livelihood.

This chain of events has prompted the Board of Directors of Hoo Hoo Club No. 31 to ask each of you to write your congressman, or, at the very least, call his office and explain to him the far-reaching ramifications of a logging moratorium. This is not just a problem for Oregon and Washington, but represents the bread-and-butter for all of us.

Please contact your congressman as soon as possible.

Health, Happiness and Long Life.

Bill Barr, President  
Hoo Hoo Club No. 31

### OAKLAND 39 REPORTS ON RENO TRIP

25 members of the Oakland and other Northern California Hoo-Hoo Clubs met in Reno to advance plans for the 1990 Golden Gate convention.

Led by chairman Dan Bonnington and international 2nd Vice President Brent

Crosby, the program planning and convention advertising was discussed.

The advance packet for the promotion at the 1989 convention in Hawaii was discussed.

Most members went and returned on the Fun Train.

Program options for the 1990 convention will include a golf tournament, excursion on the San Francisco Bay and possible trips to the Win Country and Fisherman's Wharf. The 1990 convention will be a fun packed event.

### CENTRAL NEW MEXICO 69 HOSTS ANNUAL GOLF TOURNEY

Greetings from New Mexico!

The Central New Mexico Hoo-Hoo Club No. 69 held its annual golf tournament June 2 and 3rd at the Rio Rancho Golf & Country Club in Rio Rancho, New Mexico. This is becoming a big event in the industry. This year 168 golfers participated including entries from New Mexico, Arizona, Texas, Colorado, Wyoming and Idaho. Tournament proceeds will go to New Day Inc., a non-profit organization helping abused and unwanted children in the Albuquerque area.

Special thanks to tournament chairman Monty Lane, and committee members, Greg Cheshire, Mike Kidd, and Bob Shook for all their hard work. We would also like to thank the many sponsors this year without whom this event would not be possible.

Our club will have a family picnic in  
(Continued on next page)

(Continued from page 27)

August. Hope to see everyone at next year's tournament.

Hoo-Hoo Club 69 and New Day, Inc. would like to express our appreciation to the following companies for their help with the golf tourney.

ABC Trucking, Arlo Lott Trucking,

J.C. Baldrige Lumber, Bates Lumber, Blucher Lumber, Boise Cascade Corp., Capital Lumber, Cheshire Sales, Desert Mountain Inn, Duke City Lumber, Empire Clarklife, Escon, Exim, Inc., G&C Trucking, Sweazea Trucking, Triple L Transportation, Wildcat Trucking, Hicks Co. Trucking, Huttig Sash & Door,

### BLACK BART MEETING REPORT

On May 17, 1989 Black Bart Club #181 held their annual "Sports Night." This meeting was organized by Black Bart members, Dave Snodgrass and Dave Damon. Over 70 Hoo-Hoos came to hear guest speaker and cornerback from the world champion San Francisco 49ers, Eric Wright. Eric has played in and has been on the winning team in 3 Super Bowls. Black Bart members heard what it was and is like to play in professional football and

some stories about football personalities like Joe Montana and "Hacksaw" Reynolds. Eric also answered many questions from the floor. Interests ranged from drugs in pro football to what it is like to win the Super Bowl.

Eric's talk was followed by an extensive raffle. Prizes included autographed footballs, jackets, and 49er boxer shorts. In addition to the raffle, two items were auctioned off. Kent Bond purchased a L.A. Rams hat for \$30.00. This hat had rare

value as it was autographed by a 49er. (this means a lot in California) Gary Gamble bought two 49er/Ram tickets donated by the guest speaker for \$150.00. Funds raised with the raffle will be used to send Black Bart members to International Convention in Honolulu this coming September.

The 2 Daves put together a great meeting.

Black Bart Club Reporter  
Pete Lipshitz

### LA CLUB #2

LA Club 2 is planning a meeting featuring Joe Wheeler General Manager of L/Ps Coastal Division as guest speaker. Joe has visited several California Hoo-Hoo clubs so far this year discussing the short-

tage of raw materials. This meeting will be held on June 21 at Industry Hill & Sheraton Resort in the city of Industry and will be a joint function with the Inland Empire Club. Club #2 is still leading all Hoo-Hoo Clubs with a membership increase of 48% so far this year.

### SAN DIEGO CLUB #4

San Diego Club #4 will be holding Redwood Industry Night June 22. Guest Speaker Joe Wheeler will talk about the supply of redwood lumber this year and in the years to come. This meeting will be held at the Stardust Hotel Tower Room.

### SAN JOAQUIN #31

San Joaquin #31's next meeting will be the Coast Frolics at San Luis Obispo over the weekend of July 28 & 29. For more info call Bill Barr (800) 521-3284. The Fresno Club also has a Video Tape for loan entitled "The Continuing Forest" and "My Daddy is a Lumberman." T-shirts for sale for more call Bernie B. Barber (209) 237-7304.

### OAKLAND CLUB #39

A night with the American League Champs Oakland A's will be held on June 26. Activities will include first class Hoo-Hoo tail gate party. Club prez Larry Markham says the A's will kick everyone's ass this year. Including the Dodgers or Giants! Don't agree? Larry says put your money where your mouth is.

### HUMBOLDT #63

Industry Night meeting this coming June 8. This function will be held at the Ingamar Club. That's a class way to hold a Hoo-Hoo meeting. Start planning to join the Golf Tournament "Behind the Redwood Curtain" at the Baywood Country Club on August 11. cocktail party will be held on the evening of the 10th. Contact Jim Hunter at (707) 443-7024. Len Adamo will be resigning as Club president as of June 8. Len is being transferred to L/P's finger jointing plant in Red Bluff.

### CENTRAL NEW MEXICO #69

Central New Mexico #69 had over 160 play golf in Club #69 annual tournament held earlier this month. This was the best turn out for this event to date. Greg Powell and his board just keep on keepin' on.

### PHOENIX CLUB #72

Phoenix Club #72 had 80 golfers at the Hoo-Hoo Mountain States Golf tournament held last month, their best attended meeting this year. Club #72 won't be having any meetings until this fall. I suggested to Club president Rich Bilby that a Hoo-Hoo function combined with next years Formula 1 Grand Prix might bring in Hoo-Hoo members from all over. I would sure go down. If you are interested call Rich at (602) 252-4961.

### SACRAMENTO CLUB #109

Held their annual golf Tournament back on May 26. Had good turn out and everyone survived. On June 20th Club #109 will be holding a meeting with Gil Murray formerly with Collins Pine. Gil will speak about forest practices and the log supply situation in the Sierras.

### COAST COUNTIES CLUB #114

Coast Counties Club #114 held their first Concat in many years back on May 4. They brought in 12 new members. Also received several reinstatements and membership transfers. Club #114 has golf tournament lined up for Friday, June 30th. What better place to play golf?

### INLAND EMPIRE CLUB #117

Just completed their annual Ladies weekend in Palms Springs. They had over 100 attendees again this year. Club Prez Jack Butler says Club #117 will be in competition with Eureka next year to increase attendance to over 200 like the crab feed. Next years date has already been chosen for mid May 1990. Kent Bonds' wife Cindy won the grand prize of a diamond ring. Kent transferred to the Black Bart Club this year. Next meeting will be at El Rancho Verde on July 21.

### SHASTA CASCADE #133

Held their golf tournament on May 5. Again a successful event. For info on upcoming meetings call Charlie Schweitzer (916) 275-8851.

### HONOLULU CLUB #142

Has just completed the High School wood working awards program. Club #142 awards prizes to students that have created outstanding wood working projects. Club President Clyde Kunida says the club is now turning all its attention to this years international convention this September. I can assure you that this is one convention not to miss.

### BLACK BART #181

Black Bart #181 will be holding the Annual Black Bart Golf Tournament on July 21 at the Ukiah Municipal Golf Course. BBQ and awards will follow. Over 60 golfers are expected to enter. Call John Blatchford for details (707) 743-1154. On May 17 Eric Wright, from the World Champion San Francisco 49'ers was guest speaker at Sports Night. It was a good meeting. Over \$500 was raised with raffle. Raffle money will be used to send Black Bart members to HHI convention in Hawaii this September.

### MAUI CLUB #270

Maui Club #270 is planning a Concat for June. The Maui Club welcomes visitors from the mainland to visit when you are in the islands. For meeting places and dates call Dave Ackerman (808) 871-8888. The Maui Club #270 will also be working on some special activities for the convention.

### REPORT FROM SAN ANTONIO #20

REMEMBER THE ALAMO! was not the cry heard at the Barn Door Restaurant on Tuesday, May 23rd; but the 27 members and guests present at the organizational meeting of the San Antonio Club #20 did let their presence and enthusiasm be heard and felt by all!

John Robinson, chairman of the steering committee, opened the meeting by

our newly elected president, John Robinson, followed the election. Texas sized decisions were made:

1) Our meetings will be held on the third Tuesday of every month and begin at 7:29 p.m.

2) Every other meeting will be devoted to industry (or related) speakers and presentations.

3) "16" oz filets were OK.

Our next meeting will be held on Tuesday, June 20th. Our guest speaker will be Bob Bass, Assistant to the Chairman, of the San Antonio Spurs basketball team.

Health, Happiness and Long Life from the Alamo City.

Charles Bowles 94691

### SAN ANTONIO CLUB

To all members, future members, and guests, I am happy to say it is good to see the San Antonio Hoo-Hoo Club active again.

Twenty-eight enthusiastic members and guests attended the organizational meeting on May 23rd held at the Barn Door Restaurant. John Robinson, head of

SAN ANTONIO CONCAT — Nineteen kittens from 3 states went through the onion patch at the 1989 Lumberman's Association of Texas convention in San Antonio in April. This concat marked the reactivation of the San Antonio Club No. 20.

L.A.T. CONVENTION — (l-r) HHI Executive Secretary Billy Tarpley, Rumeses 77 Carle Hall, Joe Jaramillo, and Snark Phil Cocks at the Hoo-Hoo booth in San Antonio. The all wood backdrop was constructed by Chris Goff of Houston Club 23.

stating the purpose of the club:

1) To bring together all persons associated with the lumber industry for an evening of social togetherness.

2) To provide a forum for discussion.

3) To eat "16" oz filets.

4) To make the public aware of the view points of the lumber industry.

John then introduced Bill Franks, S9-J-VII. Bill related the purpose of Hoo-Hoo International, its goals, and its educational programs.

After a sumptuous dinner of "16" oz filets, an election of officers for the remainder of the Hoo-Hoo year was held with Bill Franks officiating. The elected officers are:

President - John Robinson

Vice President - David E. Jackson

Secretary/Treasurer - Charles Bowles

Cat Tamer - Ken O'Connor

Board of Directors - Bill Burk,

Melvin Allen, Gary Hester

A short business meeting, chaired by

This is great timing as the NBA draft is only one week way. (Insider information for those in attendance? - possible)

#### Upcoming Special Events For The New Year

For those who can not go to the convention in Hawaii this year, GOLF. Our first golf tournament will be held on September 9, 1989 at the Northcliff Country Club.

Our first concat will be held on September 19, 1989. We will bring in the new year by initiating new kittens and re-installing old members.

#### Our Special Thanks

To Bill Franks and Billy Tarpley: For their assistance in our reorganization.

To our company sponsors: Burk Lumber Sales, Dixieply of San Antonio, Alamo Forest Products, for their generous help in sponsoring our startup and first meeting.

Buie Forest Products for sponsoring our June meeting.

the steering committee, got the meeting started.

Those in attendance were:

Jim Brown, Kenneth Moore, Charles Wright, Matt Freeman, Melvin Allen, Bob Buie, Bill Burk, Gary Hester, Jim Tingle, Mel Gallion, Bob Burk, Roland Luhring, Bill Sexton, Brazos Guido, Ralph Grimes, Charles Bowles, Joe Colleran, Bill Franks, John Robinson, John Hord, Gary Henderson, Tom Rice, Jeff Klare, John Viner, David Jackson, Tim Ruse, Lowell DeSart, and Ken O'Connor

Bill Franks, representing the International Order of Hoo-Hoo, officiated at the election of offices for the remainder of the Hoo-Hoo year. The elected officers are:

President - John Robinson

Vice President - David E. Jackson

Secretary/Treasurer - Charles Bowles

Cat Tamer - (And a good one) Ken O'Connor

Board of Directors - Melvin Allen,

(Continued on next page)

(Continued from page 32)

Bill Burk, Gary Hester

Let us remember that the purpose of the Hoo-Hoo Club includes uniting all lumbermen constructively and to bring the

interests of the lumber industry to the public.

I want to thank you for your time for coming to our May 23rd meeting. It was good to see you and I hope to see you, and

your friends and customers, again at the Barn Door Restaurant on Tuesday, June 20th.

Respectfully, David E. Jackson

SAN ANTONIO 20 — Elected officers (l-r) Cat Tamer Ken O'Connor, Director Bill Burk, President John Robinson, Secretary Charles Bowles, Director Melvin Allen, V.P. David Jackson, Director Gary Hester.

SAN ANTONIO 20 — Past presidents (back row l-r) Mel Gallion, Melvin Allen, Jim Brown, Tom Rice, (front row) J-VII S-9 Bill Franks, Bill Burk, Gary Hester.

SAN ANTONIO 20 — J-VII S-9 Bill Franks (right) presents a new club charter to president John Robinson (left) as V.P., David Jackson looks on.

## Welcome Back, San Antonio #20!

SAN ANTONIO 20 — (l-r) Ron Luhring, Mel Gallion, Jeff Klare, Jim Brown.

**HOUSTON 23  
HOSTS GOLF TOURNEY**

Houston Hoo-Hoo Club #23 hosted their annual golf tournament on May 9, 1989 at the Inwood Forest Country Club. The event was attended by 59 participants. A barbecue dinner and awards ceremony was held that evening in the Clubhouse and was attended by nearly 80 members, guests, and ladies. Many thanks to Bob

Ridley and Fritz Lee for Greeting, signing up, organizing teams, and scorekeeping. The success of these tournaments would not be as great without their unselfish devotion of time.

Winners of the tournament:

Member - Low Gross - Keith Watts 1st, John McAnelly 2nd, Lee Sanders 3rd.

Member - Low Net - Carlos Ripley

1st, Tom Rice 2nd, Kyle Williams 3rd

Guest - Low Gross - Bob Weaver 1st, Ed Edmonds 2nd, Wes Webb 3rd.

Guest - Low Net - B. Cote 1st, John Leslie 2nd, Jim Ellis 3rd.

In addition to these winners, John Leslie received Longest Drive, Ed Radke - Closest to the Hole, and Wally Swanson for Longest Putt.

HOUSTON 23 GOLF — Kyle Williams (left) receiving trophy from chairman Mike Knigge.

HOUSTON 23 GOLF — Jim Moncrief (left) and Joe Breeden ready to assault the greens of Inwood.

HOUSTON 23 GOLF — These ??? are winners ???

HOUSTON 23 CONCAT — Kittens Albert Martin and Dan Ledeman enjoying their feast.

**CONCAT AT HOUSTON 23**

On April 27, 1989, the Houston Hoo-Hoo Club #23 held a concat at the Allen Park Inn near downtown Houston. The meeting was attended by over 30 members and considerable attention was given to trimming the whiskers of Kittens Dan Lederman and Albert Martin. Fortunately they were able to survive the rigorous trials the Degree Team put them through and we are happy to welcome our two

"Cats" to the land of Hoo-Hoo. Health, Happiness and Long Life. Christopher Goff

**REPORT FROM HOUSTON 23**

Kittens Albert Martin and Dan Lederman were concatenated into Houston Club No. 23 on the evening of March 30, 1989. Health, Happiness and Long Life to these 2 new members!

Our monthly meeting on April 27th featured guest speaker Buddy Hacken of the Houston Sports Association. Mr. Hacken spoke to Club 23 about major league baseball.

**MAGNOLIA HOO-HOO CLUB 111**

A charter and concat was held May 11, 1989 in Jackson, MS. Twenty-nine kittens entered into the order of Hoo-Hoo along with three re-instatements. Billy Tarpley, executive secretary and J-VII Supreme Nine Bill Franks were present. Five local Hoo-Hoo members also joined the Magnolia Club. Officers: Terry Murphy, President; Harold Mayo, Vice-President; Ken Biggs, Secretary-Treasurer.

The Magnolia Club plans to rotate the meetings periodically around the state of Mississippi to encourage statewide participation. A fall "Deep South" golf and cookout is in the planning stages. "Y'all watch for the announcement and join us for a day of southern hospitality.

WICHITA 173 OFFICERS — Flanked by Rameses 67 Dave Marteny (end left) and Rameses 70 Laurn Champ (end right) are the 1989-90 officers and wives: (l-r) Donna Miller, secretary Dave Miller, president Craig Scott, Karin Scott, treasurer Brent Hartman, VP Harry McGarigle, Mary McGarigle.

**REPORT OF THE JUNE 19, 1989**  
**MEETING OF THE**  
**WICHITA HOO-HOO CLUB NO. 173**

Once again we want to be sure to tell VP Harry McGarigle how much we enjoyed the great party he planned for us at our June meeting. This was a joint meeting with the Mid-Kansas Chapter, C.S.I. at which both their organization and ours recognized the efforts put forth by many members during the previous year. We had 34 members, their ladies and other guests in attendance. The C.S.I. group numbered 33 which means there were a total of 67 in the audience. Here are some of the Hoo-Hoo people who put in their appearance at that meeting:

Former member Tim Fox, Byron Hess and his guest Doris Carnes, Dick Wilkerson, Roger Wilkerson, Roy Nash, Lester Neff, Jack Simmitt, Bill and Maxine Clark, Ralph Kelly, Craig and Karin Scott, Cliff and Carol Rizley, William

Rizley, Don Shreffler\*, Al and Adelaide Fry, Laurn and Maxene Champ, Brent Hartman, Dave and Margaret Marteny, Harry and Mary McGarigle, Otis Melcher, Don and Georgia Miller, Dave and Donna Miller, Ken Hobbs\*, Donnie Girrens\* and Larry Sparks. \* = New Members.

Secretary Dave Marteny, who is a member of both organizations, served as Master of Ceremonies for the evening. He opened the meeting by welcoming one and all and then introduced the presidents of each organization. After their welcoming remarks, we got down to the serious business of handing out the certificates and other awards. In addition to the eight presented by President Laurn Champ to the deserving members of the Wichita Hoo-Hoo Club, twenty were presented by their president to C.S.I. members, non-members, and firms which had contributed to their success during the year.

Those receiving Certificates of Merit from Hoo-Hoo were:

WICHITA 173 CONCAT — Kittens (l-r) Don Shreffler, Dick Stineman, Jim Whitley, Ken Hobbs, Lee Boyer, Craig Alley, Dolen Lott, Brad Katt, Donnie Girrens.

HARRY B. MCGARIGLE 71664, for his tireless efforts in providing the effective leadership required for the revitalization of Club No. 173 during the 1988-1989 fiscal year.

BRENT C. HARTMAN 93670, for accepting the responsibility of and performing admirably as the treasurer of Club No. 173 during their largest growth year, 1988-89, in over ten years.

CLIFFORD E. RIZLEY 76845, for his dedicated service in cheerfully ministering to the needs of the members and guests of Club No. 173 during the attitude readjustment period (ARP) at each of their 1988-89 meetings.

KENT L. VICE 84119, for his continuing contribution to Club No. 173 in many ways but especially for his tireless administration of the activities related to the 1989 auction.

DON F. MILLER 60683 for accepting the responsibility of membership chair-

(Continued on next page)

WICHITA 173 CONCAT — Degree team (l-r) Craig Scott, Jack Simmitt, Chuck White, Don Miller, Roger Wilkerson, David Marteny, Dave Miller, Brent Hartman, Kent Vice, Joe Simmitt.

WICHITA 173 CONCAT — Observers (l-r) Lester Neff, Bill Clark, Car Tamer Roy Nash, Larry Sparks, Ed Moore, Byron Ness.

(Continued from page 37)

man of Club No. 173 during the 1988-89 year and thus helping to generate the largest number of new members for this club in any one year since 1978!

ROY L. NASH L64232, for effectively directing and managing the largest concatenation for this club in any one year since 1978, using for the first time ever the new improved (sanitized) version of the ritual.

BYRON F. HESS 84116 for serving in 1988-1989 as one-half of the most effective telephone/reservation team in the history of Club No. 173.

OTIS I. MELCHER 67125 for outstanding service and dedication to Club No. 173 during the past thirty-two years and for the 1988-89 year as part of the best telephone/reservation team in the history of this club.

Following the awards presentations, Mr. Joey Jackson and his associate, Harry, were introduced.

Joey Jackson is a nationally acclaimed ventriloquist. He and Harry have appeared before many audiences including some of the toughest (in Las Vegas). When they're not entertaining elsewhere, they make their home in Hutchinson, Kansas.

Joey Jackson and Harry discussed current events, sex, politics and religion with each other and with the members of the audience. Harry proved to have an exceptional oratorical style which is very reminiscent to that of Charlie McCarthy. Someone observed that he must be directly related to Don Rickles because of the sensitive manner in which he commented on the delicate subjects which invariably came up during conversations with his audience.

### REPORT FROM WICHITA 173 MAY MEETING REPORT

VP Harry did it once again didn't he? Wasn't that a great steak dinner? In addition to the "old" and new members mentioned above, here are some of the other people who put in their appearance at that meeting:

Former member Tim Fox and his guest Tim Cole, Bob Hayes, Byron Hess, Bill Clark, Chuck White, Larry Sparks (who chauffeured one of our kittens down from Kansas City), Roger Wilkerson, Al Fry, Steve Hayes, Joe Simnitt, David Miller, Lester Neff, Bob Alexander, Cliff Rizley, Roy Nash, Jack Simnitt, Dick Wilkerson, Harold Bealman, Kent Vice, Craig Scott, Don Miller, Dave Marteney, Laurin Champ, Brent Hartman and Harry McGarigle.

President Laurin Champ opened the meeting with a welcome to one and all.

He acknowledged the grateful appreciation of the club to Don Miller, as Chairman of the Membership Committee, and Roy Nash, as Cat-Tamer, in arranging for an outstanding group of kittens to experience an equally outstanding Concatenation.

He noted that the ritual which we used was brand new... a sanitized version which eliminates many of the "tests" of the kittens. This was brought about by recent litigation which has prompted insurance companies to drop those organizations already covered and not to accept any new ones that practice induction ceremonies in which the initiates are subject to being "touched."

Chairman Kent Vice noted that he and VP Harry (and Mary) McGarigle worked

the auction for two full days. He also reported that Laurin Champ was there all of both days and Dave Marteney showed up both days but that neither of them did a lick of work. He observed several others that did work a part of one or both days. These included Brent Hartman, Steve Hayes and Byron Hess, and that they should receive proper recognition. Others who should receive proper recognition are Joe Simnitt, Craig Scott and Chuck White...they didn't show up at all! Nice going, guys!

He reported that the total take at the auction was \$25,016.65 and of that the Wichita Hoo-Hoo Club No. 173 will receive only \$540.28 for presentation to the Institute of Logopedics! If all of the consignees had contributed the requested amount (8%), we would have been able to give over \$2000 (8%) of \$25,016.65 to the Institute! There will be no auction next year (1990) but there will be one the following year (1991). It will be handled in the good old fashioned way which we have proved over the years works so well. He expressed the very sincere appreciation of the club and of the Institute to all the consignees who participated but especially to those eight (8) who contributed a part or all of their proceeds to us for the gift to the Institute.

#### Trees for Life Speaker

The speaker at our May meeting was Mr. Balbir Mathur. He is the President and Executive Director of Trees for Life, Inc. He returned from India on his second trip there this year, just in time for our meeting. Mr. Mathur was born in India in 1936 and arrived in Wichita in 1958 to continue his studies at the Wichita State

(Continued on next page)

(Continued from page 38)

University. He already had earned his BA and MA in political science in his native country.

He reported to us that in the world today, there will be thirty trees destroyed for every one which is planted! At this rate there will be a famine in 65 countries by the end of this century! He started by planting one tree at a time and ultimately enlisting the aid of a "healer." This effort has grown and expanded and today over 15,000 people are planting and caring for new trees. Their goal is to plant one million new trees.

He noted that it is necessary to create an awareness that "wood" is just as much a part of our lives as is "air" and "sunshine" — "we just simply must plant at least as many as we cut (harvest)." In the U.S. they now have 100,000 students planting one tree each. Next year they hope to have 500,000 students planting one tree each.

At this point Mr. Mathur offered each of us in the audience a "Tree Planting Kit" in hopes that we would present it to a teacher who in turn would involve his or her students in a tree planting program using additional kits that would be provided

using donated funds. (The kits cost \$.50 each and, of course, contributions would be gratefully accepted.)

Just before we adjourned, President Laurin asked Harold Baalman and Past President Jack Simnitt to say a few words on "The Good of the Order."

Harold led off by saying that he was originally attracted to the local Hoo-Hoo Club by the quality of the speakers - the bulletins were well written and everything sounded good - then after getting in the club, he discovered the real value of membership... the people. These people became friends, real friends - the kind you can count on for help when you really need it. After recounting an actual incident to substantiate his claim, he noted that "...through Hoo-Hoo, business friends help each other. Sooner or later you will realize the benefits. It's a good investment for business!"

Jack recalled that he was among the charter members of this club. "I feel like I grew up with the club. I remember dances, the Hoo-Hoo Bowling League, the picnics, etc., but the most important thing was the friendly contacts — getting to know these people was the greatest!"

### WICHITA 173 APRIL MEETING REPORT

VP Harry really does throw a great party, doesn't he? Just ask any of these people... they were there:

Bob and Kay Alexander, Buck and Gladys Alley, Lee Boyer\* and Sheri Benham, Laurin and Maxene Champ, Donnie Girrens\*, Brent and Denny Hartman, Bob and Louise Hayes, Steve Hayes, Byron Hess and Doris Carnes, Ralph Kelly, Dolen\* and Mrs. Lott, David and Margaret Marteney, Harry and Mary McGarigle, Otis Melcher, Dave and Donna Miller, Don and Georgia Miller, Cliff Rizley, William Rizley, Craig and Karin Scott, Chuck White, Roger and Carol Wilkerson and Kent and Annie Vice.

\* = kitten (not Concatenated)

President Laurin Champ opened the meeting with a welcome to one and all.

Otis Melcher, with an ecumenical prayer, requested a blessing on the food and the people assembled.

At that point everyone's attention turned to the food. As was expected, the ladies prepared a sumptuous feast, fit for a king (which seems only appropriate, wouldn't you say?).

WICHITA 173 CONCAT — Kittens on back row (l-r) Don Schreffler, Ken Hobbs, Lee Boyer, Jim Whitley, Dolen Lott, Donnie Girrens. Front row: Craig Alley, Brad Kant, Dick Sineman. Craig & Donnie are 2nd generation Hoo-Hoo, and Craig is brother to TV actress Kirstie Alley of "Cheers."

WICHITA 173 — (l-r) Bob Alexander, Lester Neff, Chuck White, and Bill Clark.

### TWIN CITIES 12 SELECTS HENDRICKS AS 1988-89 LUMBERMAN OF THE YEAR

Dr. Lewis T. Hendricks, professor and Extension Specialist at the University of Minnesota College of Forestry, was selected recently as the 1988-89 Lumberman of the Year by the Twin Cities Hoo-Hoo Club No. 12 of Minneapolis/St. Paul. Dr. Hendricks received his award at a special ceremony held in his honor on April 5th.

TWIN CITIES 12 — Dr. Lewis T. Hendricks, Professor & Extension Specialist, University of Minnesota, College of Natural Resources, Department of Forest Products, 1988/89 Lumberman of the Year Award Recipient with wife Sue and daughter Wendy.

Hendricks holds a Ph.D in Forest Products, with minors in Economics and Marketing from Michigan State University, 1967.

At the U of M, Hendricks serves as Coordinator of the Cold Climate Housing Information Center (CCHIC), funded with a \$1.2 million grant from oil overcharge funds distributed through the Minnesota Department of Public Service. The CCHIC at the university is a source of comprehensive information relative to the design and operation of energy-efficient homes. Its objective is to assist the homebuilding industry to improve dwelling efficiency with respect to economy, occupant health and safety, and extended dwelling life.

As an Extension educator, Hendrick's

work covers a wide range of topics including wood preservation, wood finishing, selection of wood materials for housing, ice dam prevention, wood heating, and wood moisture problems. He also serves as Editor of the Minnesota Forest Products Marketing Bulletin, course coordinator for the two-week Lumbermen's Short Course and one-week Hardwood Lumber Grading Short course.

He has also been published in over 30 Extension publications and U.S. Government Research Notes, and is a contributing author to the World Book Encyclopedia.

Hendricks was born in Rome, New York in 1940, and he and his wife have two children.

TWIN CITIES 12 — Dr. Lewis T. Hendricks with wife Sue and daughter Wendy being presented the 1988/89 Lumberman of the Year Award by the Forest Industry Fraternity of Minneapolis and St. Paul (Twin Cities Hoo Hoo Club #12) by Mike Scherer, past award winner and Vice President of Scherer Bros. Lumber Co., Minneapolis.

TWIN CITIES 12 — Past Recipients of the Lumberman of the Year Award presented by the Forest Industry Fraternity of Minneapolis and St. Paul (Twin Cities Hoo Hoo Club #12). From left to right: John Broughton, Don Bleise, Eric Canton, Mike Scherer, Dr. Lewis T. Hendricks (1988/89 recipient), Frank Jones, Don Boehmer, Sr., Toni Partridge, and Jim Toepel.

TWIN CITIES 12 — Past Presidents of the Forest Industry Fraternity of Minneapolis and St. Paul (Twin Cities Hoo Hoo Club #12) honored at the Annual Lumberman of the Year and Past Presidents Night Banquet, April 5, 1989. From left to right: Eric Canton, Don Bleise, Jim Carlson, Mike Scherer, Don Boehmer, Sr., Frank Jones, Don Partridge, Bill Gits.

### REPORT FROM SIOUX VALLEY 118

The Sioux Valley Hoo-Hoo Club No. 118 held its Traveling Golf Stag at the Willow Run Golf Course in Sioux Falls with many dignitaries attending. Snark of the Universe Phil Cocks was there along with the 1st Vice President Lyle Hoeck, J-VIII Supreme Nine Homer Hahn, and

Rameses 77 Carle Hall.

Some 60 golfers enjoyed the great day of fellowship culminating with a catered meal at "The Pit" hosted by Dale Weir.

The championship golf trophy was won by Ray Gallagher, the first flight by John Haines. Other golf prizes were awarded and then the drawings were made

for door prizes and the raffle.

It was indeed an honor to have Snark Phil Cocks and all the other dignitaries with us for this fine outing. Many thanks to our secretary, Kirk Johnson, to all the committee members and to our host Dale Weir for again welcoming us to this beautiful summer home.

Norm Ekeland, reporter

SIOUX VALLEY 118 — Ist dignitaries (l-r) J-VIII S-9 Homer Hahn, Snark Phil Cocks, Rameses 77 Carle Hall, and 1st Inv'l VP Lyle Hoeck enjoy the day. Club 118 is Lyle's home club.

SIOUX VALLEY 118 — Everyone enjoyed the outing.

#### OMAHA CLUB #124 HOSTS SNARK PHIL COCKS AND WIFE SYLVIA

On May 24th the Omaha club held a dinner in the Snark's honor at Mr. "C's", a renowned cafe in Omaha. Phil gave us a good talk about our Hoo-Hoo clubs status and its value to our members. Later in the evening Homer Hahn, Secretary of the club presented Phil an Admiralship in the Nebraska Navy from the governor of the state, Mrs. Kay Orr. Mr. Kurt Yost of our club used his influence to obtain it. Thanks Kurt! After the dinner we all strolled out on the new north patio, and marveled at what seemed to be a little bit of Italy.

Now there are five Admirals of the Navy. First Kevin Kelly, then Jack Jacobsen and Al Meier who got them the same night, then Dick Campbell last year, and now Phil Cocks. Looks like Nebraska will have to commission more ships!

OMAHA 124 — J-VIII S-9 Club 124 Sect./Treas. Homer Hahn (left) presents Snark Phil Cocks with a "Nebraska Navy Admiralship."

OMAHA 124 — Homer Hahn (right) welcomes Hawkeye Club 193 president Robert Creel.

OMAHA 124 — Picnic horseshoe champs Ron Arnsburst & Tim Patterson.

OMAHA 124 — Int'l 1st VP Lyle Hoeck (right) and Hawkeye Club 193 president Robert Creel.

#### OMAHA CLUB #124 HOLDS ANNUAL PICNIC JUNE 14TH

The picnic was held at Al Vey's farm where it has been held for some years. It was a perfect night, a little cool, but good for the appetite for those New York steaks and other goodies.

We were favored by the presence of Lyle Hoeck and his son Mike, also by the presence of Robert Creel, president of the

Hawkeye Club #193 of Cedar Rapids, Iowa. We were pleased to have these people with us. We also had State Senator Frank Korshoj too!

Many members golfed in the morning and there were some nice prizes presented, each got a new Hoo-Hoo cap. The usual Horse shoe tournament was hotly contested and the winners are pictured.

This picnic is getting to be a real win-

ner as all about Omaha, and surrounding territory try to make it. A new \$100.00 is raffled off and of course the winner is elated. A good many of our suppliers and retail yards were most generous with door prizes so a majority of our members and guests received some nice gifts. I'm sure all will return next year!

## Jurisdiction IX

### CENTRAL FLORIDA CLUB #115

Our golf tournament on Friday, May 5th had forty eight golfers show up to play Mount Plymouth golf course. As usual everyone had a super time, the beer was cold, the weather was hot and the girls on the beer cart friendly. Another good job by Mel Schrupp, chairman of all golfing events. We'll be looking forward to the fall tournament.

The May meeting was interesting as Supreme Nine Frank Gray, provided films on the forest products industry and the lumber supply.

At the June meeting discussions were held about the important of taming down

our concats, we all know something has got to be done about that. Also discussed were the nominations of officers for the 89-90 Hoo-Hoo year. It gets harder and harder to find anyone interested in serving. Any suggestions would be greatly appreciated by the nominating committee.

### REPORT FROM CENTRAL FLORIDA 115

Thanks to the generosity of many, many Hoo Hoo members, the Central Florida 115 Casino night held in March was very successful. Under the brilliant leadership of Larry Bagwell a well organized and fun filled night was had by all. There were many real good items to auction off at the end of the night for "funny money." Our hats are off to Larry and his gang. Thank you to all the members that gave of their time and money to help bring this night off.

The weekend of April 22nd, was a very good one for Hoo Hoo brothers and wives/girlfriends to get together at Calloway Gardens, Georgia. On hand were about 60 people from our industry and from all over this great land. We had a good meeting, great weather, fantastic golf and a beautiful place to hold our mini conference. Florida was well represented as well as Club #115. Our club had 5 members in attendance. It was decided that we will have next years mini here in Orlando. If you can when it comes around try to attend as it is fun and beneficial.

Our latest golf tournament was a great success, thanks to the Chairman Mel Schrupp. The weather was great and the golf better. Everyone had a good time. In the fall we will be having another tournament so if you missed this one sign up then.

CENTRAL FLORIDA 115 — On behalf of Club 115, president Bud Ryan (right) presents a \$1,200 check to Spacecoast 221 Hoo Hoo Park chairman Ron Thompson for the park project.

ROYAL PALM 202 — Greg Hayes and Jeff Sands of Royal Palm Coast Club #202 with the Keeper of the Scroll, which was made by Jeff Sands, as he was the first Keeper of the Scroll in Royal Palm Club #202. This idea came from then Snark of the Universe Jack Jacobson when he was present at one of Royal Palms concats.

### ROYAL PALM 202 ADOPTS OCTAGON

Royal Palm Club #202 has taken on as a club project helping OCTAGON which is a wildlife sanctuary and rehabilitation center for battered animals. The club has donated many loads of lumber and also trusses plus many work days for Octagon.

Octagon helps hurt and injured, abused and abandoned wild exotic animals. The sanctuary gives permanent homes to animals with no place to go but death. Octagon has raised up orphans and patched up and released back into their natural habitat over 6000 animals.

Octagon does many lectures for groups, clubs and organizations. Educa-

tional programs are available where animals are brought to schools and children are informed of the importance of animals and nature.

Anyone wishing to donate can send their contribution to the account of Octagon Sequence of Eight, C/O South Florida Bank, 2017 McGregor Blvd., Myers, Florida.

ROYAL PALM 202 — Greg Hayes with the wooden cat which is used by Royal Palm Club #202. One of their customers in Ft. Myers, Florida did the cat for that club.

ROYAL PALM 202 — Keeper of the Scroll for the Royal Palm Club #202. Made by Jeff Sands after he had gone through a concat. It is being used today and they are quite proud of their Keeper of the Scroll.

ROYAL PALM 202 — Snark Phil Cocks addresses the members of Royal Palm 202.

## Obituaries

### JAMES M. BROWN, JR. 45437

Brother James M. Brown, Jr. 45437, age 73, son of Rameses 33 James M. Brown, Sr. 33314, died April 17th in Sandpoint, Idaho. Brother Brown was considered to be one of the most influential citizens in the history of Sandpoint. His career in the lumber business began in the 1930s when he borrowed \$500 from a local bank to salvage sinker logs from the Humbird Lumber Company pond. He later started the Pack River Lumber Company which became one of the largest lumber companies in the northwest.

Brother Brown was born on January 4, 1915 in Harrison, Idaho and joined Hoo-Hoo in Spokane on August 28, 1939. He maintained his membership in Hoo-Hoo as a member-at-large.

### B.A. RITTER 63297

Brother B.A. Ritter 63297, age 86, of Nederland, Texas passed away on April 23rd. Brother Ritter was a member of the old Beaumont Hoo-Hoo Club No. 4.

Brother Ritter was born in Carthage, Texas on September 4, 1902 and joined Hoo-Hoo on March 21, 1955 in Beaumont.

### CARL ERIC REPPUN 91048

Brother Carl Eric Reppun 91048, Vice-President, Maui Hoo-Hoo Club 270, died on Thursday, April 13th, 1989, as a

result of injuries sustained in an accident at his home.

Carl was General Manager of HON-SADOR, Maui, and a member of the Board of Directors of the Maui Contractors Association. He was active in local and community affairs and a prominent up-and-coming member of the business community.

Carl was well liked and respected as a businessman, particularly because of his depth of knowledge in the construction industry, his helpful attitude, and pleasant demeanor in dealing with people.

He leaves his wife, Mary, and his daughter Seyth, who have decided to remain a part of the Maui community.

Carl will be sorely missed by all who knew him.

### RICHARD D. TOMES 93061

Brother Richard D. Tomes 93061, age 37, of Papillion, Nebraska died on Sunday, May 28, during a Memorial Day weekend auto accident in which his daughter, Michelle, age 10, was also killed. Reports indicate the accident occurred when an oncoming car crossed the center line and struck the vehicle driven by Brother Tomes. Although Brother Tomes' wife, Julie, and 13 year old daughter, Nicole, were also in the car, both were treated at an area hospital and released.

Brother Tomes joined Hoo-Hoo on February 2, 1987 and was vice president elect of the Omaha Hoo-Hoo Club No.

124. He was employed by the Ashton Wholesale Company where he had worked for 13 years.

### RICHARD H. HOLT 60600

Brother Richard H. Holt 60600, age 61, of Fresno passed away in May. Brother Holt was a very active member of the San Joaquin Valley Hoo-Hoo Club No. 31, and was vice president and owner of Holt Lumber Company.

He was born in Hanford, California on July 13, 1927, and joined Hoo-Hoo on September 25, 1953 in Fresno.

### WARREN L. HOTZ 66799

Brother Warren L. Hotz 66799, age 73, passed away in March. Brother Hotz had retired as president of the Chicago Lumber Company in Omaha, and had also served as president of the Omaha Hoo-Hoo Club No. 124.

He was born in Omaha on May 19, 1916 and joined Hoo-Hoo on February 20, 1957 in Omaha.

## NOMINATIONS

It is my pleasure to nominate Brent Crosby, #L77009, as First Vice-President of H.H.I.

Brent has been past President of the Sacramento Club #109 and the Oakland Club #39. Brent served two terms as an S9 in Jurisdiction 6 and also one year as Second Vice-President of H.H.I.

Sincerely yours,  
Frank Kinney  
#87819

The Portland Hoo-Hoo Club #47, in Portland, Oregon, would like to place into nomination for the office of 2nd Vice President, Darrell Pardee #79097.

Darrell has been a member in good standing since 1969. As twice past President of our Portland Club, he is looked upon by our brothers as someone who is always ready and willing to lend a hand in any club activity. Having served as Supreme Nine of Jurisdiction 3 from 1983 to 1985, Darrell proved this willingness to the entire Jurisdiction.

On the International level, he is proud to have attended every International Convention since Detroit in 1974, with the exception of Seattle. Ironically, that convention was closest to home; but situations dictated his absence.

Darrell has been in the lumber industry since 1945, and in addition to operating his own small business is currently Plant

Superintendent for St. Johns Forest Products. It is with their blessing that he takes on the job of 2nd V.P. and all the demands of time that position requires.

We're proud of Darrell Pardee in Portland, Oregon. You'll be proud of Darrell Pardee as your 2nd Vice President.

Health, Happiness and Long Life,  
Steve C. Hart 86762

The members of the Roger Williams Hoo Hoo Club #51 would like to place the name of Warren Biss #90909 in nomination for the position of Supreme Nine for Jurisdiction I. Warren is a dedicated brother, was an active president and vice-gerent snark and has attended three of the past four conventions.

He has the energy and desire to continue to serve the members of Jurisdiction I. Your support for Warren will prove to be well rewarded. He is a true and dedicated brother.

Please record my nomination of Warren Biss 90909 for the position of S-9 of J-I.

Respectfully,

Robert A. Latham 91681

Vice-gerent Snark

Roger Williams Hoo-Hoo #51

FAX 916-623-3889

(Nominations continued)

The Roger Williams Hoo-Hoo Club #51 would like to nominate Warren Bliss #L90909 to the Supreme Nine. Warren has displayed the intensity and devotion required to become a successful member of The Supreme Nine.

He has been active in our club since 1981 and has held the club together with his "can do" attitude. His enthusiasm has taken him to three National Conventions since 1984 and has allowed him to meet many of his fellow members.

It is with great pride that we nominate Warren for this important position.

Sincerely yours in Hoo-Hoo  
Bob Arruda

On behalf of Vancouver Club #48, I would like to nominate Jan Evert Hermans, 81682, for the position of Supreme 9 for Jurisdiction 5 for the next two year term.

Jan has served this past year as President of our club. His devotion and enthusiasm to Hoo-Hoo is shown by the record of the Vancouver Club. As membership chairman also these past three years, he has been instrumental in bringing our club from fourth largest to the largest in all Hoo-Hoo.

Jan's ideas and ability to organize will be a real asset to the HHI Board. He is not one to leave a job half-done.

It's with great pleasure that I place his name for nomination.

Health, Happiness and Long Life  
Jack Jacobson  
Rameses 79

### A SECOND

I would like to second the proposition of eliminating the Second Vice President as an office in Hoo-Hoo International. It appears to me as Secretary/Treasurer that this office, while it does not cost a lot of money, does cost Hoo-Hoo International approximately \$1,000 a year.

In my opinion this position is not necessary and does necessitate a person who desires to become Snark to spend another year in obtaining his goal. It appears that one year as First Vice President and two years on the Supreme Nine should be adequate to inform the individual of the workings of the office of Snark of the Universe.

I sincerely hope the members attending the convention in September will seriously consider the elimination of this office as it is unnecessary.

Health, happiness and long life.

Sincerely and fraternally,  
Bernard B. Barber, Jr. L-48864  
Secretary/Treasurer

## THE HOO-HOO CENTENNIAL WATCHES HAVE ARRIVED!! . . . (Now in ladies styles, too!)

The time is now! The time is here! The Hoo-Hoo Centennial commemorative watches have arrived, and they are available at the international office in Gurdon. For only \$34.99 you can be the proud owner of a centennial timepiece, and since all proceeds from the sale of the watches go to the Centennial fund, you will be making your special contribution to the 1992 centennial year! They make great gifts for your outgoing club officers, or for special presentations. Don't delay, order your watch now! Only a limited supply is available, so complete the order form below and mail it along with a check for \$34.99 to the international office! And for another special gift, read on...

### . . . GOLF SHIRTS TOO!

Back by popular demand! . . . The Hoo-Hoo golf shirt! The first supply of these high quality golf shirts went fast, and many of you have asked for more. A new supply of golf shirts has arrived at the international office, and they are priced at only \$24.99! Use the convenient order form below and request your shirt and/or Hoo-Hoo centennial watch today! Again, only a limited supply is available so act fast to secure your order! Shirt sizes run true.

## HOO-HOO PARK UPDATE

Help! Help! Help! Space Coast Club #221 with only 21 members has taken on a huge project. We have raised approximately \$12,000 but things have slowed down as far as raising money. We are soliciting businesses in and around Brevard County, Fl., but we were hoping that we might have gotten a little more from our Hoo-Hoo brethren around the world. Once again this is more than just a local use park, this is an educational facility for all who visit the area. By the time this issue is out, the land will be cleared for the parking lot, boardwalk, and restrooms. We are still accepting donations for the below listed items:

- Boardwalk \$20.00 per ft.
- Covered Picnic Table 8x8 \$200.00 ea
- Covered Shelters 16 x 16 \$5600.00 ea

We will install a nice plaque with you or your clubs name on it.
