MEMO

...from
the Snark's
desk

Eugene D. Zanck L-68162
Snark of the Universe

The best part of our Hoo-Hoo year is now upon us! It's time to put our club programs into high gear and make Hoo-Hoo better than ever. Ask yourself how your club is doing in regards to reaching the 9 goals we set in Toronto? I take this opportunity to elaborate further on the first of these 3 goals.

We said we'd try to increase membership by advertising for members. Our first ads of this type are being run in high population areas with little Hoo-Hoo membership. More specifically, ads will be run in trade journals reaching forest products people in Wisconsin, Illinois, Ohio and Indiana. To those of you that see these ads, we solicit your comments. Your help is also asked to follow up on these ads. In other words, when dealing with suppliers, customers, or other forest products people from adjoining areas, ask them if they belong to Hoo-Hoo or if they would help in establishing a club in their area. We find that many forest products people know about Hoo-Hoo but have never been asked to join. Incidentally, we all owe a debt of thanks to our SEER OF THE HOUSE OF ANCIENTS, LeRoy Stanton for his sponsoring of these ads. His support of this advertising program shows his true dedication to Hoo-Hoo. Perhaps there are other dedicated members in our ranks that would also like to sponsor an ad. If so, let us hear from you.

In addition to running ads for members, I've assigned 4 Jurisdictions to each of our two vice presidents and given them the specific responsibility of increasing membership in their respective Jurisdiction. Having served as your 2nd and 1st vice president without specific duties, I feel these qualified people should be utilized and put to work in a constructive manner. Don't be alarmed if these VP's start riding your tail for members. The spurs they wear have been given them by the Snark

Another method of increasing membership is more active participation by Hoo-Hoo in trade association meetings. Again we need your help on this. Advise Cliff or myself when and where these meetings will be held so that efforts can be made to have Hoo-Hoo speakers included in the program. In years past when our membership was well above the 10,000 mark, concats were held at these meetings and conventions. We know from experience that the association officers are usually receptive to including a Hoo-Hoo speaker in their program. In fact, after meeting trade journalists from several associations, I find they all want Hoo-Hoo Club information to include in their publication. Unfortunately, many of our clubs have not been responsive to their request.

Report from the 1st V.P.

Since returning home from the Toronto Convention I have found myself on a very busy schedule. Up to mid-December I had visited eight clubs, the first club being the Black Bart Club No. 181 for a

Snark's Message..... Continued from prec. page

Along these same lines, trade publications will even devote issues to promoting Hoo-Hoo. We owe our thanks to the Florida Lumber and Building Materials Dealers Association for honoring Hoo-Hoo in their November issue of the "Blueprint" magazine. Their front cover carried a picture of a Hoo-Hoo degree team and was captioned "Salute to Hoo-Hoo". Tom Monahan and his staff did a terrific job on this for us. Can you as a Hoo-Hoo member and a trade association member get your organization to do the same thing? You can if you try.

Membership can also be increased by reducing the number of our 2nd and 3rd year dropouts. In other words, we're initiating new members but not keeping enough of them. The issue contains a short article entitled "How To Raise Kittens". Look at the suggestions as to what your club can do to retain these members.

Our second goal was for each Supreme IX to form one new club in his Jurisdiction. This will be easy for him to do if he receives the help and cooperation from members in his Jurisdiction. Many of you have associates or friends in nearby cities that can help him set up a club. Why not utilize these friends and give your Supreme IX a hand in forming a new club. You'll derive a lot of personal pleasure from knowing you helped form a new club. Sharing the fraternalism of Hoo-Hoo with others in the forest products industry is really what Hoo-Hoo is all about. As the old cliché goes, "Let's practice what we preach."

Again, your help is needed in setting up a club in England. We need the names of people to contact and we'll do this as soon as we hear from you. I'm certain that we have amongst our members many lumbermen doing business or having friends in England that can provide us with a list of names for forming a club.

Our third goal was to establish a Hoo-Hoo song. It's my pleasure to report that the reception to this song was extremely well received in Boston, Rochester and several other clubs I recently visited. Lois Neilson ably assisted the Boston Club in providing catchy verses to a Hoo-Hoo song sung to the tune of "I've Been Working On The Railroad". The Rochester and Buffalo Clubs both added verses to it also. The Spokane Club is working on theirs and I'm certain that the next Log & Tally will have a page or two devoted to the Hoo-Hoo song and some of the verses the clubs have added to it. Incidentally, our records indicate that the author of the song is unknown but the eminent Dee Essley first sang it in Kansas City in 1949.

My thanks again to the many members that commented on my first memo. Needless to say, it gave me great pleasure to have people ask me questions about it indicating they at least read the Log & Tally. This is certainly a vote of confidence in our present administration and is providing encouragement for all of us.
Fraternally yours,

visit to Ladies Night and Installation of Officers. The new officers are very enthusiastic and the prospects for a good year are assured.

Next visit was to the Bay Area Club No. 39 in Oakland, Calif. This club had a few problems last year, so this meeting was to revitalize the club. New officers were elected and the year looks very promising.

My wife, Betty, and I flew up to Duncan, B.C. and had the pleasure of visiting with Betty Doman and family. They are doing well. I attended the Concat at the Cowichan Valley Club, and can report that the club is doing very well and is active.

I then assisted the Sacramento Club in their installation of new officers. Their orders for white Hoo-Hoo jackets have flourished, and this may well be the unofficial uniform for Hoo-Hoo.

We then flew to Wichita where we were met by Chairman of the Board, Lurn Champ and Maxene. After enjoying the countryside of Kansas we were guests at the Champ's beautiful home and a great party, to all participating.

The next morning we visited Timber Products Corp. and were guests of Lester Neff and Roy Nash for lunch. We visited several other yards in the afternoon before attending the Wichita club's meeting as a guest of Lurn Champ. I was presented with a handmade Redwood Shovel. It is beautiful!

Next day we got up at 5:00 AM and drove to Gurdon, Arkansas. We arrived at 4:30 PM for a 5:30 PM meeting with Gurdon Club. Chairman Champ made a short speech and we had a discussion on the Log Cabin in Gurdon which is being considered as a home for the Archives of Hoo-Hoo International.

Early the next morning we met with Gurdon Mayor McClain and Louis Cabe for a tour of the cabin and the new city facilities. The repairs and changes needed to convert the Log Cabin City Hall to a museum were discussed, but a full report of that will be forthcoming from the Committee Chairman, Lurn Champ. After a catfish lunch as guests of Louis Cabe, we were on our way back to Wichita.

From Wichita we journeyed to Detroit to attend Bob and Marilyn VanEvery's cocktail party on December 5th. The Detroit Club's Annual Christmas Luncheon was held the next day at the Plum Hollow Golf Club where over 200 lumbermen

Report from the 2nd V.P.

After attending the 86th Convention in Toronto, I attended the new Board's first meeting of the Hoo-Hoo year with Snark Eugene D. Zanck presiding.

I was given the task of preparing a membership drive program. After much planning, a program was finalized. The theme was to be one-on-one. Each club president was mailed a copy of the program either to be used in its entirety or altered to work to

gathered. Several International Officers were there including Snark Gene Zanck, Supreme Nine Member Cliff Taylor, Supreme Nine Member George Pletch, and myself. We all shared the fraternalism of the Detroit Club members. Would you believe I won a wooden snow shovel and had to carry it all the way home?

One more stop in beautiful Southern Minnesota. Checked into the Holiday Inn at 9 degrees below zero, warmed up and drove to Pine Island for a cocktail party at the home of Donna Hess. Never have I seen a home so beautifully decorated for the Holidays!

Saturday Snark Gene and Jackie Zanck arrived to attend the Southern Minnesota Club Christmas Party. This time it was 19 degrees below zero, but it did not hamper the enthusiasm of the party. Attending from Minneapolis were Ramses Tom and Terry Partridge, and Supreme Nine Member Cliff and Myrtle Taylor.

Sunday morning we were up early to drive to Minneapolis to catch a flight home. We arrived in San Francisco at noon with the temperature at 56 degrees ABOVE zero.

Will make the final check for the 1979 convention in Honolulu in February, but I'm sure there are no loose ends there.

1st Vice President.

the best advantage for a particular club.

We don't know the results at this early date, but the Supreme Nine members and the International office seem to think the drive will be successful.

I would like to suggest to every Hoo-Hoo member that he always keep the friendly hand of Hoo-Hoo extended, because we have much to offer our fellow lumbermen. When preaching the virtues of Hoo-Hoo, here are nine good reasons for every lumberman to belong to this great Fraternity.

• 1.) Your club is part of the only International organization coordinating every branch of the lumber industry into a cooperative unit.

• 2.) Your club is enrolled under and has the privilege to use the only insignia standing for Lumberdom in its entirety throughout the world.

• 3.) Your club participates in the LOG & TALLY - the only fraternal organ of Lumberdom - devoted to the activities of Hoo-Hoo and news of the industry.

• 4.) Your club has the services of an International Office which disseminates the activities of your club and passes along to you helpful ideas devised by other clubs.

• 5.) Each member of your local Hoo-Hoo Club has admittance to the concatenations and meetings of all Hoo-Hoo Clubs throughout the world.

• 6.) Your club and its members have contact, association and a bond of fraternalism with prominent and progressive Lumbermen outside your local membership.

• 7.) Your club and each member has the pride of association with most progressive men who are giving a service to the trade and humanity as the Nation's Home Builders.

• 8.) Your club is affiliated with an organization that is the most powerful influence for building good will for every branch of the lumber industry, promoting the lofty ideals as defined in our Code of Ethics.

• 9.) Your club members have the potential to join together as a

united front not only as a voice in your own community but together with well over 100 Hoo-Hoo Clubs throughout the world to further the use of wood.

Armed with this ammunition there should be no excuses for each of us not to bring one new member into our Order this year.

The office of the 2nd Vice President is unfunded, so I am unable to travel as extensively as the Snark or 1st Vice President, but I will make every effort to attend any function either of them attend in this part of the country. Most of my work is done either by phone or mail.

I was recently made an honorary member of the Detroit Club's Board of Director and I attend the monthly Board meeting regularly.

It is the Detroit Club's custom to have a Snark's Reception the night prior to the club's Annual Christmas Luncheon at which the Snark is the guest of honor. Again this year my wife, Marilyn, and I were honored to be asked by our club to host the reception at our home. There were plenty of spirits, food and entertainment and most of our town's dignitaries turned out to welcome the Snark. Also in attendance were 1st V.P. Jim Jones and Betty, Supreme Nine Member Fred and Babe Meyer, Supreme Nine Member George and Agnes Pletch and Snark Gene and Jackie Zanck. This was Hoo-Hoo at its greatest. There were retailers, wholesalers, manufacturers - men from every facet of our industry shoulder to shoulder with only one desire in mind - make a great industry even greater.

Fraternally,
Robert VanEvery L-73186
2nd Vice President.

CLUB NEWS

Washington

Club No. 99

Washington, D.C.

The Washington, D.C. Hoo-Hoo Club No. 99 held a regular meeting on October 18th at the Washingtonian Country Club. We had our social hour at 6:00 PM. which was followed by a delicious buffet dinner at 7:00 PM. After the club business was discussed we had a 50/50 drawing for \$28.00 which was won by Bob Wyatt or Martin Wiegand, Inc. The door prize was a wine and cheese basket donated by Curtis Lumber and won by Lee Roberts also of Martin Wiegand Inc.

The program was unusual and exciting. Club Vice President Jim Joseph, who holds a 5th degree Black Belt in Tae Kwon Do (Korean Karate), and a group of his students gave the members a demonstration in the martial arts. The program consisted of a brief explanation of Karate followed by women's self defense, knife defense, sword fighting with real swords, sparring, multiple attacks on a girl by two men, and the breaking of a 14-inch cinder block with the bare fist. The highlight of the evening (for the members, not for this reporter) was seeing their 2nd vice president almost get his ear torn off while he was attacking a pretty young girl (for demonstration only). The exhibition was well received and the club members gained a lot of respect for 15-year-old girls who wear black belts, and guys who carry swords.

The November meeting was a little different and was a high success. The club held a "Vegas" Night at the Washingtonian

Country Club. Members, along with their wives and guests, enjoyed a night of gambling at the gaming tables that were set up by the local Optimist Club. Right after cocktails and buffet dinner, the Casino was opened and members and guests had a choice of roulette, black jack or the wheel of fortune. For \$1 they could get \$2,000 in play money to gamble away or to increase their fortunes. The club purchased gifts that were auctioned off at the end of the evening for the money that was won. The largest purchase of the evening was a silver tea service that went to Donna Joseph for \$1,800,000.00. Those who did not gamble or lost early at the tables, could dance to live music furnished by one of the local bands. The highlight of the evening was the 50/50 draw for \$950. It was won by Glen Pyles of the Pyles Lumber Company. Everyone in attendance seemed to have a good time and plans are already underway for the same event next year.

Bill Dockeray and Donna Joseph, wife of the vice president, look on as the house pays them off at the Wheel of Fortune.

Some pretty serious faces show up at the black jack tables.

In December the club held its annual Concat. We had three new members come into the Order in a ceremony that was enjoyed by all. Lee Roberts, a past Supreme Nine Member, officiated over the proceedings which saw Francis Dembinsky, Jr., Dave Skilling and Richard Clark be welcomed into the Washington, D.C. Club. The 50/50 drawing was won by George Romnosky of Kern Distributors, and the door prize was won by one of the new members, Frank Dembinsky, Jr.

At the Wichita Club's October meeting, six new members were brought into the Order. New members were Robert Anderson, National Gypsum Co.; Tim Fox, RACO Building Centers; Les Langston, Simpson; Mart Madison, Affiliated Home Centers; Dave Stewart and Jerry Weimer, Chandler Corp.

At this meeting Club President Harry McGarigle presented to Dr. Kleffner, Director of the Institute of Logopedics, a check in the amount of \$4,017.76. This money was raised at our Annual Auction held last spring made possible through area dealers donating their time and the merchandise that was auctioned.

At the club's November meeting, International 1st V.P. Jimmy Jones attended. A reception was held the night before at the home of Laurn and Maxene Champ in honor of his presence. About 40 people attended the reception enjoying the excellent dinner and refreshments.

On December 8th the club had its annual Christmas Dance which was attended by about 50 couples. The dance was a great success but the bad weather did keep a few couples at home by the fire.

Sixty-five golfers enjoyed a beautiful day of golf September 29th at McNary Golf Course, Salem, Oregon. "One of the best run Hoo-Hoo golf tournaments in the Northwest," said Earl Stelle. Perhaps he was prejudiced by the fact that he won low gross honors with a 75. But others agreed that the golf, dinner and awards presentations were a lot of fun and in the true spirit of the Hoo-Hoo.

The low net Callaway rotating trophy was won by Bud Campbell from the C&NW, Eugene, who said, "It's a miracle." "No," said Chairman, Dick Martin, "It's the Callaway System." First flight winners included Ralph Lulay, Jim Senner and Ralph Walker. Second flight winners were Warren Brune, Don Andrews and Wayne Anderson. Third flight honors went to Rex Bowell, Bill Peebles and Tom Gilstrap.

Six companies donated \$25 each for K.P. and Long Drive awards. The K.P.'s went to Larry Hanlon, Merle Waby, Bob Walton and Dan Diffendaffer. Long drive honors went to Harry "The Gorilla" Nelson and Doug Berquist. Tom Weise received a beautiful High Gross trophy for taking the most strokes. The highlight of the presentations was the awarding of a mounted buffalo skull by sponsor Malcolm Hurd.

Hurd to the man with the shortest drive on number one hole. The distinction was won by Phil Kelson.

For next year, the Committee is pondering how they can top a buffalo skull.

Phil Kelson, left, receives from Malcolm Hurd "The Skull" for short drive on No. 1.

Dick Martin, left, awards the Green Peter Rotating Trophy to Bud Campbell.

The true spirit of Hoo-Hoo is captured by these joyous groups at the Green Peter Golf Tournament.

LADIES NIGHT DRAW

One of the last male bastions remaining in Vancouver, B.C. was invaded recently when it held a special evening of fun for all (and profit for some) with members' female companions as special guests.

The site was the Terminal City Club, normally a decorous establishment limited to male members only. The night (unforgettable for several) was Friday, October 20, 1978.

It was an evening of lucky draws. With 120 numbers on the board representing the 240 in attendance, the first ticket drawn won a prize of \$100.00. Every tenth ticket holder whose name was pulled from the barrel received a \$70.00 prize. The final (and perhaps luckiest) winner was Helen Fulkerson, who won the grand prize of \$500.00, plus all her sidebets made that evening, plus the heartfelt good wishes of the entire gathering.

"Snark of the Universe" Gene Zanck and his wife Jackie were Club No. 48's guests of honor. Gene regaled the gathering with tales of Snarkdom adventures and advantages, and with compliments to Club No. 48 for its achievements over the years.

In recognition of his past year's work, outgoing Club No. 48 president, Joe Gosse and his wife Marilyn, were presented with a set of Sterling silver wine goblets, and the gathering welcomed in newly elected president, Rod Noga for the 1978/79 season.

Chris Potter, reporting for the Vancouver Hoo-Hoo Club No. 48 tells us that the annual Pancake Brunch was planned for last August 19th. It was to have run in conjunction with the Festival of Forestry and the P.N.E. Parade. Alas, the weatherman was not very kind and it poured rain all day so the club had to cancel the Brunch off.

A special mention is due Jan Hermans and Harvey Cook who put in a lot of time and effort picking up pancake mix, griddles, coffee urns, etc., and also making all the arrangements to make the Brunch go well then had to return everything unused.

On July 23rd the club entered its own bathtub in the Annual Nanaimo to Vancouver Bathtub Race. The tub was piloted by our own intrepid Captain Harvey Cook.

After a good start out of Nanaimo Harbour, the assist boat had an argument with an island and lost. Consequently, as the rules state that every tub must be accompanied by an assist boat, our tub was unable to continue.

Harvey's closing words on the event were that he has now served his club and country and next year it will have to be some other crazy fool's turn at the helm.

August 20th was club No. 48's Annual Club Picnic at Evans Lake. We had an enthusiastic gathering and, under sunny skies, everyone took part in sports, swimming, canoeing and generally having a really pleasant day. The staff at Evans Lake Camp laid on the hamburgers, hot dogs and drinks.

Rod Noga was the program chairman for this annual event.

September 21st was a general business meeting with election of officers and directors. Our outgoing president was Joe Gosse who becomes Vicegerent Snark, and our new president is Rod Noga.

First vice president is Morley Deans, 2nd vice president is Jan Hermans, Treasurer is Don Carpenter.

Snark Zanck Visits Boston

Snark of the Universe Eugene D. Zanck L-68162 made a trip to the Boston area before visiting Rochester, New York, Detroit, Michigan, Milwaukee, Wisconsin and Rochester, Minnesota.

Zanck spent one full day at the International office in Norwood, Massachusetts on Thursday, November 30th before Cliff Cunningham drove him to Boston to a joint cocktail party sponsored by the Harry L. Folsom Hoo-Hoo Club of Boston and the officers of the Northeastern Retail Lumbermen's Association.

There were forty Hoo-Hoo members present at the party which was held at the Stella Restaurant in Boston's waterfront, right next to the aquarium.

After a cocktail hour-and-a-half, we sat down to an appetizer of hot sauteed shrimp and baked stuffed quahogs that turned out to be a meal in itself. This was followed by a choice of anything from the menu, and of course most of us ordered lobster. There was a great deal of fellowship and fraternalism which lasted until late in the evening when we broke up to return to our homes, hotels, or whatever.

Horace Pierce, Exec. V.P. for Northeastern Retailers, appears to be enjoying the evening.

Snark in Boston

Continued from preceding page

The next morning Cliff Cunningham met the Snark for breakfast at the hotel and talked business and Hoo-Hoo until noon when the Massachusetts Retail Lumber Dealers Association had a joint luncheon with the Harry L. Folsom Hoo-Hoo Club at the Sheraton Boston Hotel. Of course there was a cocktail party before the luncheon which consisted of everything from soup to nuts and it was delicious.

The Mass. Retailers outgoing President was Joe Cusack, past Supreme Nine Member for Jurisdiction I and also a past President of the Harry L. Folsom Club. He was presented a plaque for his efforts on behalf of the Massachusetts Retailers Association.

Past Mass. Retail President Joe Cusack proudly displays his award.

Randy Taylor, a past President of the Harry L. Folsom Club, was elected President of the Mass. Retailers and gave a very short acceptance speech.

Incoming Mass. Retail President, Randy Taylor, addresses the gathering of about 200 for lunch.

There were numerous other speakers including various officers and directors of Mass. Retailers, and the featured speaker for the afternoon was Douglas Riker, N.B.C.'s Washington correspondent for T.V. Mr. Riker gave a very informative talk and kept the entire audience in stitches at the same time. He made a few predictions which this writer is not at liberty to relate at this time.

Douglas Riker of N.B.C. Television fame tells another good joke. He had a lot of 'em.

Other dignitaries at the table included Snark Gene Zancck and the Folsom Club's new President, Bill Cotting.

Snark Zancck with Folsom President Bill Cotting at the head table.

Would you believe it was now time for the Concat? With Gene Zancck as visiting officer, it was a great pleasure to welcome 25 new members into our great Order. The new members were put through their paces without a hitch.

Visiting officer Gene Zancck addresses the Folsom Club's class of 25 new members. His welcoming remarks were appreciated.

And now it's time for another cocktail hour! We had to go upstairs for the cocktail party, but no one seemed to mind since the hors d'oeuvres were free-donated by several of the local wholesalers and retailers.

Snark Zancck poses with the Folsom Club President, Bill Cotting.

Club President Bill Cotting gives some words of wisdom to Randy Taylor, new Mass. Retailers President.

After this elongated cocktail hour we went down one flight for our usual banquet which consisted of lobster bisque, salad, Roast Prime Ribs of Beef (a Sheraton specialty), and the usual trimmings and dessert.

There were practically NO speeches at the banquet, but the highlight of the evening was Snark Gene Zancck leading 246 men in singing the Hoo-Hoo Song. There was one verse made up especially for the Boston members (words by Lois Neilson) which was a big hit. It was such a hit, as a matter of fact, that Gene had to lead us through it twice!

Snark Zancck poses with the class of 25 new members.

Nutmeg Club No. 199 Hartford, Conn.

On Wednesday evening, the 15th of November, over 30 members of the Nutmeg Club No. 199 and the Western Massachusetts Hoo-Hoo Club No. 59 were hosted by the Stevenson Lumber Company of Stevenson, Connecticut. We were provided with an excellent tour of STELCO'S facilities which included a mill, a specialty millwork plant plus the usual yard, equipment and storage areas. Of note was their newly opened cash & carry store which is a retailer's dream.

After the tour and superb dinner was served at a nearby restaurant where the club members had a chance to compare notes and generally have a fun evening. The larger-than-normal turnout proves that it is the program that will bring out the

members, so more of this type of meeting is planned for the future.

On October 10th, the Nutmeg Club held its first meeting of the year at the Cabin Restaurant in Meriden, Connecticut. Since it was the night before a holiday and the first game of the World Series, only a handful of brothers turned out for the meeting.

We had a moment of silence for two of our brothers who had passed away. They were Barry L. Morgan 40993 and Les Storer 69604. It was suggested and approved that we as a club do something for the families and Dave Derby was asked to follow this through.

Bill Lowry gave his report on the International Convention in Toronto and thanked the club for making the trip possible. He showed samples of flyers, spoke of programs put on by other clubs and said that the main emphasis of International this year was to gain members.

Snark Zancck leads the throng in song after the banquet.

The grand finale was the entertainment for which the Boston Club has become famous. And now it was bed time

Club No. 133

Redding, Calif.

The Shasta-Cascade Club's November meeting consisted of a panel discussion conducted by several lumber industry leaders. They were: Phil Austin, Fibreboard operator; Roy Crane, President and manager of Crane Mills; Bert Lillis, Forestry Manager, L-P Corp; Cal Martin, Manager Husdon Lumber Co. and Milt Schultz, Manager Paul Bunyan Lumber Co.

Club President John Crane served as Moderator and each panel member commented on the following topics:

Resource - Lumber available to each panelist and the industry.

Manufacturing - Why they produce certain items and not others - production facilities and markets.

Political - What industry can do to protect industry from land-grabs set aside for wilderness areas.

Labor - Contracts, rates for various positions, available skilled labor, turnover, etc.

Drought and fire killed timber - stain, bugs, etc.

After each topic there was a question and answer period from the audience of over 60 interested members and guests, all of which made this one of our better meetings. No question about it, the success of this meeting assures similar future meetings.

Forest Products Week, October 15-21, 1978, was highlighted in the Redding area by a joint meeting of the Shasta-Cascade Hoo-Hoo Club No. 133 and the Redding Trade Club.

The affair was sponsored by 77 lumber and related firms of Redding and surrounding areas. Over 490 lumbermen and industry men attended the steak dinner and entertainment.

The Redding Trade Club selects a Citizen of the Month for each of their monthly meetings. The Hoo-Hoo members name a lumberman of the year for the October meeting. This year that person

was R.H. (Bob) McKean 66742, of Redding. He is President and owner of McKean Lumber Co., a wholesale lumber firm and is a partner with Louis Cattanach, Jr., in L & B Lumber and Milling Company, a remanufacturing firm, both located in Redding. The awards were presented by John Crane 83155, President of the Shasta-Cascade Hoo-Hoo Club and by lumberman George Rogers 84373, for the Trade Club.

Bob was born in a lumber environment in McCloud, California. He received his early schooling in McCloud and completed his education at the

University of Oregon in Eugene. After leaving college he served over two years in the Korean War.

His start in lumber was in 1956 with Main Lumber Company of Redding in the capacity as sales trainee and in a few years was promoted to Sales Manager. He remained in this capacity until 1968 when he started his own business as mentioned above.

Bob was one of several lumbermen that started the highly successful Lumbermen Invitational Golf Tournament held each Spring in Redding. This

Club No. 243
Greensboro, N.C.**

In July of 1978 at the Holiday Inn Four Seasons in Greensboro, North Carolina, a new Hoo-Hoo club was started and named the Greensboro, Piedmont Hoo-Hoo Club No. 243, Inc.

With the help of four members from the Atlanta Hoo-Hoo Club, Weems Jones, Dick Wilson, Bennie Sims and Fred Killgove, and two reinstated members - John Schultz and Bob Bertini of McCoy Lumber Industries, the Concatenation was held initiating 19 new members.

Shasta-Cascade..... tournament brings 200 plus lumbermen and railroaders to Redding from Salt Lake City, Reno, San Diego, Seattle, Portland and all points in between. He has served as chairman and has been Secretary/Treasurer of this organization for the past 15 years.

He is a 23-year member of the Shasta-Cascade Hoo-Hoo Club of Redding and surrounding areas and has served as Secretary/Treasurer in past years.

Bob is a member of Riverview Golf and Country Club and a better than average golfer. Other hobbies are deer hunting with bow and arrow and rifle - and fishing when his busy schedule permits.

Monthly meetings are being held at "The Place" in Greensboro the third Monday of each month at 6:59 P.M.

Mr. John Schultz was elected President of the new chapter. John was the key man in helping organize the new chapter spending many hours of his time getting it all together.

Supreme Nine Member Dick Wilson briefs us on the merits and importance of Hoo-Hoo.

New Club President John Schultz makes his acceptance speech and welcomes all the new members.

**Harry L. Folsom
Club No. 13
Boston, Mass.**

The Harry L. Folsom Hoo-Hoo Club of Boston gathered Nov. 6 for its monthly dinner-meeting at its new headquarters, the Piety Corner Club, Waltham, Mass.

The usual congenial cocktail hour was followed by a generous New England Boiled Dinner. Due to the relatively small turnout of slightly over fifty members, there was ample food for the hungry lumbermen infamous for their ravenous appetites. The door prizes distributed after dinner were kindly donated by Winde-McCormick co., Inc.

Guest speakers for the evening was Mr. Dick O'Connor, a group supervisor in the Drug Enforcement Administration of the Department of Justice. His presentation, complete with a graphic color film, outlined the progress his department has made in controlling drug traffic.

He noted that his office, which covers all of New England except Connecticut, was for years secondary to the New York office. This changed, he said, when they shut off the "French Connection" and drugs began to come in from Mexico, which now ships 80% of the Heroin in the U.S. The Maine coast is ideal for smuggling, he added.

Mr. O'Connor followed his interesting discussion with a color film that was unpleasant, to say the least.

Designed to illustrate the after-effects of drug abuse, the film depicted actual victims suffering withdrawal symptoms and being treated for drug overdose at hospitals. When the lights came on after the film, at least 90% of the audience had fled to the bar.

Dick O'Connor, center, a group supervisor in the Drug Enforcement Administration of the Department of Justice, was guest speaker at a recent dinner-meeting of the Harry L. Folsom Hoo-Hoo Club of Boston. He is pictured with Bill Cotting, left, president of the club, and Bill Lynch, the committee chairman who arranged for O'Connor's appearance.

The twenty-two new members are: Don Fandrem, George McPherson, Wayne Werner, Ron Botham, Eldon Green, Mike Daughtry, John Singer and Larry Bry.

Also, Maury Bry, Duane Charter, Jim Cagle, Dale Krug, "Ole" Olafson, Rich Cone, Reggie Olson, Bill Benson, Glenn Wright, Gary Gustafson, Gary Sylvia, Bert Clark, Jerry Arney and Stuart Book.

Later in the evening the officers for the new Hoo-Hoo year were introduced. John Hallberg is the new president; George Litzenger is vice president; Don Hudoch is treasurer and last but certainly not least is Will Marschall, secretary. The secretary is the workhorse of the club and, Will has done an excellent job of handling his duties and seeing that all went well this past year. Houston, Texas**

Bill Franks, reporting for the Houston Hoo-Hoo Club No. 23, says his club held a regular monthly meeting September 28th at the Marriott Hotel. President Melvin Allen called the meeting to order after a brief cocktail hour. The Cocktail hour was sponsored by Southern Pine Wholesale - Mr. Joe Breeden. Dinner was served followed by a discussion on some general business matters - items such as the Houston Club's support of the International Convention. (1.) We had 18 members and 12 wives present at Toronto. (2.) The need for dues to come in promptly (3.) Set up committees to handle matters related to our semi-annual golf tournament.

sponsor for the evening was Slaughter Brothers, Inc. After dinner was served there was a general business meeting, and the guest speaker was Mr. Hans Von Mende of the Houston Hurricane Soccer Club. He gave an informative talk on the introduction of pro soccer to Houston, and after the talk we saw a short highlight film of the 1978 soccer playoff games. Following the film the cash drawing was held and the meeting was adjourned.

**"HOW TO
RAISE KITTENS"**

Give them something to do during their first year in Hoo-Hoo. This will help them feel that they are a part of our organization.

Have the kitten understand that the initiation is merely the first part of his becoming a member. The second part is serving his "kittyship", much the same as a doctor serves an internship for a year or two following his graduation. During their "kittyship" a kitten can and should be asked to do certain things for the club. Examples are selling raffle tickets, writing a news release, picking up another member for his meeting and most important of all, signing up two additional members during his "kittyship".

Put the kittens on your meeting call list. Assign members to each kitten to call for each meeting thereby affording the kitten the opportunity to meet other members in his club.

Most important of all, keep introducing yourself to new kittens so that they continue to feel important to your club. Ask a kitten to sit next to you at your next meeting. Better yet, bring a kitten to your next meeting.

Detroit

Club No. 28

Detroit, Michigan

Pat Carmody, reporting for the Detroit Club No. 28 (Detroit is the automotive capitol of the World and allows the Detroit members to have one day R & R at Sugarbush Farms.)

"This was an enjoyable hayride and dance," explains Pat, "and it was fun- and fun is part of being a Hoo-Hoo."

Bob Hoffman was the program chairman.

The event was attended by many.

But the November meeting was held at the Red Cedars Restaurant in Southfield, Michigan. The title of the evening was "Focus-78," and was presented by Champion Building Products Corporation. Both Bob Brown and Jack Murdoch of Champion deserve recognition for an excellent presentation.

There were 75 members present, and Dave Pusz of H.A. Smith Lumber Company, won the 50/50 drawing.

Bill Summerfield, Bob Brown and Jack Murdock enjoy the evening.

Above are Jim Riley, Seymour Burg and Gordon Graham.

Now the Snark is getting ready to come to the Detroit area. Bob and Marilyn VanEvery hosted a cocktail hour complete with hors d'Oeuvres and live entertainment, at their home in

Farmington, Michigan. All Detroit officers and directors (with wives) came along to welcome Snark Gene and Jackie Zanck and some of the International set: Jim and Betty Jones, Fred and Babe Meyer and George and Agnes Pletch.

Bob VanEvery, "Mickey Mouse" Graham and Snark Zanck pose for the cameraman.

Bob Carper and Jim Jones do a little reminiscing.

The "spread" (lavishly prepared by Marilyn and a beautiful daughter, Maureen) was delicious. With dinner and live entertainment, an enjoyable evening was had by all attending.

Bob VanEvery finally did show up a little before midnight with the local Judge and some Farmington dignitaries after being elected President of the Huron River Hunting and Fishing Club. The Judge promised not to prosecute anyone due to consumption or condition.

Thank You, Marilyn and Bob!

Gene Zanck, Bob VanEvery (late arrival), Mayor of Farmington Dick Tupper and recording artist Ronnie Bell (loaded with talent).

The Detroit Club's Christmas Luncheon followed the very next day - it was almost like two parties in one. The Plum Hollow Country Club was host for the Annual Christmas Party. The head table was made up of club officers and International officers including Snark Gene Zanck, Jim Jones, Fred Meyer, George Pletch, George Poulos, Jim Freensley, and Bob VanEvery.

Over 185 members and guests enjoyed the gathering and especially the singing of the Hoo-Hoo Song which was lead by Snark Zanck.

Tom Osborne presented Gene Zanck this instrument with which to edit his future speeches.

Bob VanEvery accepts the Detroit Club's Annual Lumberman of the Year Award.

Phil Dawson, Rameses No. 66, presents Gene Zanck the Edsel Award. It is one of the seven remaining hubcaps (we have them all).

LOG & TALLY

Rochester

Club No. 184

Rochester, New York

The Rochester Hoo-Hoo Club No. 184 held a Concat at the Captain's Cove Restaurant in Fairport, New York November 7th.

"We welcomed four new members into our order," says George Hoke, reporting for the club.

New members are Cliff Donahower, Steve Davis, John Fields and Tom Kearse. Jurisdiction II Supreme Nine Member Fred Meyer was there to welcome the new members.

The Rochester Club is initiating a "PR" program to make the local area more aware of Hoo-Hoo and the lumber industry.

Dave Long and Phil Welch were the program chairmen.

At the Rochester Club's Christmas Dinner/Social on December 2nd at the Bean Feed Restaurant, Snark Gene Zanck and his wife, Jackie, were in attendance. Gen and his wife attended a cocktail party at the home of Fred and "Babe" Myer with the local directors. We then joined the rest of the members for a fine beef dinner. Each lady present received a flower corsage.

Gene Zanck held competition from several groups present for some original lyrics to the Hoo-Hoo song. The pace became so fierce that even the regular

restaurant patrons became involved.

Note: two invited guests were so impressed with the fellowship they stated they would join only if they could have their applications signed by the Snark. Needless to say the signed applications were in the next day's mail.

Bill McArthur discusses either fishing or golf with Gene Della Pietra.

Everyone seems to be enjoying the Rochester Club's Christmas Social.

Mississippi Valley

Club No. 131

Rock Island, Illinois

The Mississippi Valley Club's August meeting was a couples event - a boat ride on the Mississippi River aboard the "Julian II" which we renamed the S.S. Hoo-Hoo for the evening. A turnout of over 100 people enjoyed the ride, the refreshments and the dinner aboard.

The club's September meeting - we had a guest speaker from the Iowa-Illinois Gas and Electric Company on Insulation. A very interesting and instructive speaker.

Also at this meeting it was voted that the club request a transfer from Jurisdiction II to Jurisdiction VIII since the vast majority of the club's members reside in Iowa and not in Illinois - the line which makes up the difference between the two jurisdictions.

The October meeting featured a guest speaker on all weather wood foundation.

Mr. & Mrs. D.W. Franks are also enjoying the boat trip.

Dillon Franks and Dallas Eblen seem to be enjoying the trip on the boat.

Don Gillespie grins for the cameraman as the cruise comes to an end.

Ted Schoen and Del Cole seem to be closing another lumber deal.

The Black Bart Hoo-Hoo Club #181 scored another biggie at the Konocti Harbor Inn over the weekend of June 16, 17 & 18 at Clear Lake, California. It was the usual weekend deal but there were 130 in attendance to enjoy golf, swimming, dancing, playing Pee-wee golf, fishing, or just relaxing for a very enjoyable weekend.

We had a great steak dinner dance with over 130 in attendance. Jack Pavell was the program chairman, and our thanks go to him for a most enjoyable weekend.

The Black Bart Hoo-Hoo Club held an Installation of Officers in September at Papa John's in Cloverdale, Calif. We had a wine tasting stint which was enjoyed by everyone, and this was followed by the best New York Steak Dinner we have had in a long time.

We had a guest from Minneapolis, Minnesota and one from Augusta, Georgia and they thought the California hospitality was superb.

Above are Gay and Alvin Lyly. Al is the new club president.

Jimmy Jones and his wife, Betty, were there and we enjoyed having them come up from Napa to join us.

Joe Bowman and Del Cole were the program chairmen and 6 bottles of wine were given away as a door prize.

Outgoing president Harry Ford frames new president Al Lyly with token of his office as Jimmy Jones looks on.

Posing for the photographer are Bill and Beverly Carter.

Del Cole, reporting for the Black Bart Club No. 181 tells us that last August the club had a family Bar B. Q. at Harwood Grove in Branscomb, California. All those who attended were treated to a great steak Barbecue with all the trimmings. There was trap shooting, tennis and just a great time under the redwoods. The Harwood family sure does a good job on this event for our club. There were about 80 in attendance.

Some of us never realized how much fun trap shooting could be.

Spare The Tree & Spoil The Forest

Del Cole, reporting for the Black Bart Club No. 181, informs us that his club had a "Super" Concat on November 15th at the Broiler Steak House in Redwood Valley. Members had a choice of steak or seafood dinner.

"There were seven new members brought into the Order," says Del, "and we had two reinstated members, also."

John Rhodes was the program chairman and he was assisted by Joe Mayfield. There were 37 in attendance.

Here are Fred Galten, Del Cole and Ed Hamson laughing it up.

This is Keene Kirksey talking to Ed Hamson.

What would happen if trees were spared the woodsman's ax and no longer used for lumber and other wood products?

We'd have fewer forests, answers the Southern Forest Products Association (SFPA), because if there were no market for trees many owners would soon convert their forestland to some use which would produce an economic return.

Forests would give way faster to pastures for raising cattle, fields for growing soybeans and concrete strips for airports, highways and other invasions of urban sprawl.

There would be fewer well-managed forests, SFPA adds. Fewer forests to foster natural beauty, conserve water, check erosion, serve as a home for wildlife and provide hunting, fishing, camping and other recreational areas.

MacBEATH HARDWOOD

MacBeath has inventories and extensive stocks of three and four inch top grade lumber in sugar pine and hardwoods including maple, cherry, walnut, ash and others. In addition, we maintain excellent stocks of one and two inch hardwood and spruce. We also offer mouldings, treads, risers, sills, dowels, thresholds, fine plywoods, veneers and chopping blocks. Accessory supplies and millwork facilities give complete buying convenience with quality assurance second to none.

North Idaho Club No. 155

Coeur d'Alene, Idaho

The North Idaho Hoo-Hoo Club No. 155 held a regular monthly meeting on November 9th in Coeur d'Alene, Idaho.

Norm Mikalson of the Spokane, Washington club gave a short report on the International Convention which was held in Toronto, Ontario in September, and after some more or less routine matters were disposed of, we had a Concat and brought five new members into the Order.

The Program Chairman was Keith Olson, and new member Tim Olson won the door prize of a fifth of Scotch which was donated by the club.

HAWAII'S FINE IN '79

Honolulu Club No. 142 has been planning for over three years to make the 1979 Convention the greatest ever. All of our beautiful people in Hawaii will extend a warm Aloha to each of you during your arrival and stay in this Paradise of the Pacific.

Nagao Yamada is our convention Chairman and all of you who know him from past conventions know that he is a doer and will get the show on the road. "Yama" is ably assisted by Wayne Meredith as Vice-Chairman.

In charge of the program is "Ham" Ahlo who is also known to many of you from the Portland convention and visits to many of your cities. "Ham" has everything ready to go starting with the Icebreaker in the beautiful gardens of the Sheraton. This will be followed by the Stag Luncheon, Joint Luncheon, and Ladies' Tour and Luncheon. the Japanese Tea House Party and the optional tour of the famous Polynesian Cultural Center. There will be plenty of time for recreation with golf scheduled at the Kulima course and swimming and surfing at the beach fronting the hotel.

The Honolulu Hoo-Hoo-ettes will be in charge of registration and will be in assist in the Ladies' program.

Bill Striker, ever hear of him, will be in charge of transportation and he will see that you get to the Tea House, golf, Cultural Center and the Ladies' Tour.

In your free time there are many places to go such as, the Arizona Memorial at Pearl Harbor, National Cemetery of the Pacific at Punchbowl, Sea Life Park in Waimanalo, Iolani Palace, Kawaiahao Church, and on and on. All of this time you will be enjoying the beautiful flowers, sunshine, people and the ocean.

• In the next issue a complete program will be shown along with registration forms. Be sure to sign up early as you will not want to be an absentee at the greatest convention ever.

• At our 1971 Convention there were many who made post-convention tours to the Neighbor Islands. Once you are here you should take advantage of this opportunity. The tour group will have personnel available at the registration desk to assist you in arranging accomodations.

Metro-Plex

Club No. 242

Dallas, Texas

Frank Parrott, reporting for the Metro-Plex Club No. 242 of Dallas, Texas tells us that the club held its first Annual Fall Golf Tournament recently at the Park Valley Country Club in Grand Prairie, Texas. Beer and a Bar-B-Que followed the tournament and it was a wonderful day for all who attended.

Winners in the tournament were Gary Hubbard, Bernie Doyle, and Art Conrad.

The Fulmer Lumber Company donated a beautiful Hoo-Hoo monogrammed golf bag for "closest to the pin" on a par 3 hole.

Program chairman was Lewis Furr and he was assisted by Gary Tucker and Mike Conners.

There were 32 golfers and 48 dinner guests which is certainly commendable for a club so recently activated.

From the sale of raffle tickets, the club purchased a color T.V. set and it was won by Ted Carrol of Pineville Kraft Lumber Company.

Frank also adds that the club has had five meetings since the club's initial gathering last July and attendance has been growing at each meeting. "Hoo-Hoo is a great organization," writes Frank, "with a lot to offer anyone in the lumber business or associated industries. I'm very happy to see the Dallas-Fort Worth area re-establish a Hoo-Hoo Club here and feel that we have the makings of an excellent chapter."

Club president Ted Fullmer chats with Frank and June Lucas - DRGW RR.

Walt Whitman

Club No. 171

Camden, NJ

Ralph Dages, Secretary/treasurer for the Walt Whitman Club No. 171 reports that for the 5th year in a row his club has 100% paid membership. This is always accomplished by December 9th of each year. Hoo-Hoo International congratulates Ralph and the other hard working officers of the club.

The club also held a Concat on November 30th and brought seven new members into the Order. There were also two reinstatements.

The new members are: David Baird, Jim Cissel, Frank Dalinsky, Bill Hunt, John Regan, Tom Teall and Al Trubin, Jr.

Orange County

Club No. 234

Orange County, Calif.

The Children's Hospital of Orange County, California is \$1,000 nearer to obtaining the main pump unit needed for the hospital's Extra Corporeal Membrane Oxygenation machine (ECMO), according to Dennis L. Richardson, president of the Orange County Hoo-Hoo Club No. 234.

He said that the club is soliciting additional contributions from individuals and companies in the lumber industry during the holiday season in an effort to match the gift.

The ECMO machine is used primarily to treat children suffering from heart failure and severe lung trauma.

Richardson said his group is asking for \$50 maximum donations per company or individual. The group can be reached by writing Dennis L. Richardson, Orange County Hoo-Hoo Club No. 234, P.O. Box 752, Tustin, California 92680

Rogue Valley

Club No. 94

Medford, Oregon

Dave Disselbrett, reporting for the Rogue Valley Club No. 94, tells us the new officers for the club are: Brad Monson, President; Mike Cox, Vice President; Jim Busch, Treasurer and Dave Disselbrett, Secretary.

The new Directors are: Dean Norman, Bob Hodges, Steve Campbell, Jerry Foster, Bill Dickey, John Austin, Tracy Reynolds and Chris Cornett.

The club recently held its second annual Little Reno Night at the Knoll Country Club in Ashland, Oregon. Under the great leadership of Jim Busch and Bob Hodgins it was a great success. Over sixty people attended for the steak dinner and a chance to be a big winner. Included in the prizes were ten turkeys.

The big winner was Tom Reynolds, who won a portable T.V., but he was closely followed by Mike Cox, Judy Dipple, Linda Peterson, Gary Cox, John Weaver and Ron Larson.

Tucson

Club No. 110

Tucson, AZ

The Tucson, Arizona Club's October golf outing was held at the Arthur Pack Municipal Golf Course and once again the weatherman smiled on Hoo-Hoo. Nineteen golfers turned out to enjoy the match.

After golfing we met at the Westward Look for cocktails, dinner and entertainment. Naturally the cocktail hour was successful and the meal was delicious. Because the World Series was on television that night, it appeared there might be a conflict of interest. However, the entertainment was selected by Jim Barlow and he presented a fine Eastern dancer by the name of Jeannette Benidon who quickly made all the attendees forget all about the World Series.
