Dan Brown L-74477
Snark of the Universe

As we enter the new year, it is only fitting that we turn our attention towards Jurisdiction IV. For the first time, our International Convention in September will be held outside the North American Continent. The Australians have been preparing a convention second to none. It will truly be "Kangaroo In '82". Although we have had several great conventions in Canada, going "down under" where the water drains counter clockwise will certainly add a new dimension to our International image. Australia will be in their springtime in September and Melbourne, the host city, has many outstanding things to offer. I was in Australia a couple of years ago and I can personally say it is a great place to see. The people are really friendly and it will be an experience of a lifetime for anyone who can attend.

As your Snark, I have visited clubs from coast to coast. My wife, Elouise, and I have been shown great hospitality everywhere we have traveled. Our next important function will be the mid-year Board of Directors meeting that will have taken place in Palm Springs, California prior to publication of this Log & Tally. The Board's efforts and decisions will be directed towards Hoo-Hoo's serious business with a high emphasis on fraternalism. It is up to your officers and directors to see that your wishes as members and clubs be ever foremost in their minds when directing the conduct of our order.

The final details will be implemented for the move of the International office from Norwood, Mass., to Gurdon, Arkansas. This move was approved by the Board of Directors three Board meetings ago in San Diego, California hopefully returning Hoo-Hoo to its birthplace and establishing a permanent International office along with our Hoo-Hoo Museum is the correct and wise decision for our Order. Let's all get behind the effort and see to it that we give it all the support we can.

Fraternally,
Dan Brown L-74477
Snark of the Universe.

Whence Came The Redwood Grove

It has been suggested that we tell the membership again the why, when and where of the Hoo-Hoo Grove.

At the Hoo-Hoo International Convention assembled at Detroit, Michigan, in September 1922 a report was made to Snark E.G. (Major) Griggs 2234, Rameses 27, by Chaplin Simpkin and C.D. LeMaster 29727, Rameses 29, representing a Redwood Memorial Grove Committee.

A proposal was made to obtain approximately 100 acres of magnificent specimens of Redwoods (Sequoia Semper Virens) located on the south fork of the eel River in Northwestern California, at a cost of \$23,000.

It was proposed to raise \$40,000 to purchase the tract and erect buildings, camp sites, etc. to provide accommodations for members of Hoo-Hoo. And it was proposed to accept subscriptions in the amounts of \$99.99, each payable on demand of the committee. The obtaining of the 500 subscriptions was never accomplished.

As indicated above Brother Simpkin was a full time Chaplin of Hoo-Hoo. He was an emissary of the Snark and attended all Concats that the Snark could not personally attend. At the time of his death in 1929 or 1930, it was proposed to establish a lasting memorial in his honor. Among the many suggestions a Redwood Grove was proposed and these plots were very popular at the time.

These were depression years, again the project was not accomplished and the International went into limbo for several years.

When C.D. LeMaster, Rameses 29 and then Seer of the House of Ancients passed away in March, 1967, many of his friends thought a memorial should be established for this Hoo-Hoo great.

The then Snark Vaughn Justus 50593, Rameses 59, appointed a study committee composed of Roy Stanton, Rameses 41; the then current Seer of the House of Ancients; Harvey Koll, Rameses 54; Dee Essley; Al Bell a past International Vice President; Larry Owen, Rameses 63, and at the time a nine member, and Al Kerper current Committee Chairman. Again, many suggestions were made and among them a Redwood Grove.

Committee member Al Bell had a close relationship with Newton Drury of the Save-the-Redwoods League and obtained the locations of a number of available groves, all of which were visited by most of the Committee. The present grove X65B, a ten acre plot in the Prairie Creek State Park was selected for a number of reasons: #1 cost - \$12,400 - \$6200 from Hoo-Hoo and \$6200 of matching funds from the State Park System; #2 - because of the excellent trees on this plot, and #3 because of fair access.

The \$6200 mentioned was raised by popular subscription from Hoo-Hoo members and

not one cent then or since has come out of the International Treasury.

It should be mentioned that immediately after the dedication in late 1967, it was determined by the Committee that the Hoo-Hoo Grove was for all Hoo-Hoo rather than for any one or more individuals.

The Hoo-Hoo Grove X65B is located about 11 miles north of Orick, California, about halfway between Orick and Klamath, California. It is located on East Ridge Road which runs parallel to Highway 101 about 1-1/2 miles to the East. ANYONE CAN VISIT THE GROVE BY CONTACTING THE PRAIRIE CREEK RANGER STATION south of Orick, California and they will gladly arrange transportation at no cost.

Larry Owen, Rameses 63 was original chairman. He passed away during Leonard Putnam, Rameses 65, term and he appointed Al Kerper L44255, as permanent chairman. At the Committee's annual meeting in May, 1981 Al resigned prior to the meeting because of Health reasons, but the Committee refused his resignation and unanimously re-elected him the permanent chairman. Dave Jones was elected Vice Chairman of the Committee.

During the term of Tom Partridge, Rameses 68, it was proposed to make a slide presentation of the trees in this grove. Pictures were taken in the past as well as current pictures completed the 80 slide program and

Lee F. Roberts L-61463, S-9 Member from Juris. I, reports that his Jurisdiction was greatly honored in December by a six-day visit from Snark Dan Brown L-74477, and his lovely wife, Elouise. During the visit, Dan and Lee attended a membership meeting with the Maine Club #54 in Portland, Contacts with the Harry L. Folsom Club #13 in Boston and with the Washington Club #99 in Washington, D.C. and met with the Officers and Directors of the Granite State Club in Manchester, N.H. (#107). In addition, Dan, Elouise and Lee were treated to a tour of the site of the 1986 Convention at Wentworth-By-The-Sea in Portsmouth, N.H. conducted by the Club President, Joe Kuczynski and his wife. Lee Roberts took his guests on a short tour of some of Baltimore's historic sites, and Washington Club President, Jim Quinn and his wife, Judy, showed the Browns through the battlefields of Gettysburg in Pennsylvania. Juris. I sincerely hopes that the Browns will return and visit some more of its great clubs and

Laurin Champ, Rameses, 70 proposed a complete set for each Jurisdiction. This was accomplished and presented to each of the Nine Jurisdiction Directors for showing by each club in their respective Jurisdiction. IT IS THE SINCERE HOPE THAT THESE SLIDE PROGRAMS WERE PASSED ON to any and all newly elected Jurisdiction directors and a request by the Committee that they be shown to inform the entire membership of Hoo-Hoo's valuable asset. The current committee consists of Al Bell, former International V.P.; Int'l Sec/Treas Bernie Barber; Snark of the Universe Dan Brown; Roy Dunbar, Past S-9 member; Dave Jones, Vice Chairman of the Committee; Rameses 72 Jim Jones; Chairman Al

see some more of the sites in the northeast.

Membership in the Jurisdiction is at least holding its own. As of December 9th we had 537n paid members, second only to Jurisdiction III's 1146 members. Our percentage of 56% paid lagged behind Juris. III and Jurisdiction VII which had 65% and 64%. However, shortly after these figures were compiled, the Walt Whitman Club and the Harry L. Folsom Club and the Washington, D.C. Clubs submitted a total of 91 renewals, kittens and reinstatements, which would raise our percentage to a respectful 67%. There are still four clubs which so far have not submitted many dues, but they will be coming in soon.

Lee Roberts confesses that there are a few clubs in his Jurisdiction that he has not yet established contact with, but he will be doing this very shortly, as he expects to visit every club at least once during the year. Meanwhile, Lee is pleased to announce that he has made the following appointments as Deputy Supreme Nine:

Maine - Roger E. Gowen L-62504.

New Hampshire - Emile R. Bernard 74209

kerper; Juris III Director Norman Mikalson; Rameses 65 Leonard Putnam; Bill Scott, President of Humboldt Hoo-Hoo Club of Eureka, CA and Sam Wetzel.

As previously mentioned the cost of the Hoo-Hoo Grove was \$12,400- 1/2 paid by Hoo-Hoo members. In 1975 we had an appraisal made by the Save-the-Redwoods League and based on current stumpage values this appraisal was in the area of \$220,000 to \$240,000. A truly valuable asset.

In order to seek greater participation by local and International Hoo-Hoo members, it was decided that we hold the 1982 ANNUAL GROVE MEETING on FRIDAY MAY 21st FOLLOWING THE JURISDICTION III MINI CONVENTION. The TENTATIVE AGENDA will be as follows: Grove members will arrive Eureka, California on

Thursday afternoon MAY 20th. Redwood Grove business meeting will be on FRIDAY MAY 21st. SATURDAY MAY 22nd will include a tour of the Hoo-Hoo Redwood Grove and meeting with the Eureka Hoo-Hoo club at Prairie Creek State Park. This meeting will be of a festive, family type nature including a BBQ and picnic.

The Hoo-Hoo Redwood Grove heartily INVITES ALL HOO-HOO MEMBERS AND FAMILIES TO ATTEND. Surely this will be an opportunity not only to enjoy the day with other Hoo-Hoo friends and family but you'll also be able to view one of Hoo-Hoo's most valuable assets, the Redwood Grove.

INTERESTED MEMBERS may CONTACT: Dave Jones Vice Chairman Redwood Grove Committee, 3280 Sonoma Blvd.; Vallejo, California 94590.

Club No. 16

Spokane, Washington

One of our most famous Hoo-Hoo Clubs is the Spokane Hoo-Hoo Club #16. It is a very active club with lots of activity all the year around.

Last year Snark Bob VanEvery took a trip up to Spokane and was entertained

royally by Rameses Ernie Wales and Rameses Gene Zanck. It was a very memorable visit for Bob and the Spokane Hoo-Hoo Club.

The Spokane Hoo-Hoo Club #16 had a very unusual but interesting and enjoyable meeting on Thursday, October 15th, 1981.

On invitation from our Director, Bill Lentes, mem-

bers and guests gathered at the "Cut-up" plant of Dellen Wood Products. There was a "Beer & Peanut" social hour at which time Bill told us a few things about his company. Then the members were treated to a tour of this fascinating plant which makes wooden parts for 30 million mouse traps

annually plus washboards, parts for windows, rails for shutters, and many other items. Many of the various machines were "home built" by one of their key employees. This writer has never seen such a clean and orderly plant with its very efficient "flow."

At 8:00 PM, all adjourned to the Depot Restaurant just around the corner for a fine buffet style dinner. Club President Daryl Zanck called the formal part of our fine meeting to order and thanks were given to our host Bill Lentz and his son and associate, Dave. The company has a profit sharing trust

with their employees, and have worked out a remarkable computer system for guiding in the investment funds. Much interest was expressed and many questions asked.

Gene Zanck, Rameses #71, and Past S-9 Member Norm Mikalson spoke briefly on the Hoo-Hoo Convention in Houston and "whetted all our appetites" for the coming convention in Australia.

After dinner the group returned to another two plants of Bill Lentz nearby. We were treated to a tour of their facility which is a computer/Laser printing establishment which makes forms, statistics, reports etc. at unbelievable speeds.

We went to their "Dellog"

plant which uses their sawdust from the cut-up plant for making pressed fire logs. We were told that the machine that makes the logs comes from Switzerland.

All in all this was an outstanding evening of Hoo-Hoo fellowship, enjoyment and education.

Each year the Spokane Club sponsors a woodworking contest for the local schools in and around Spokane. This year was no exception as the contest was another splendid success.

The Spokane Hoo-Hoo Club #16 held its Annual Crab Feed and Style Show Thurs. night, December 10th at the Ridpath Hotel. A good turnout, with members arriving from as far away as

The photographs above will attest to the abilities of the many students who entered the contest this year. There are several categories in the contest including large, small and medium furniture divisions, laminating division, etc. The judges really had

a hard time determining the winners in each of the several categories. Many parents and instructors were on hand at the final judging and everyone involved had a great time in all their efforts.

Wichita Club No. 173 Wichita, Kansas

The Wichita (Kansas) Hoo-Hoo Club #173 held their annual auction recently, the proceeds of which were donated to the Institute of Logopedics. This year the Club presented a check in the amount of \$6,400 to Mr. Frank Kleffner, the Institute's Director. In the past five years the Club has raised over \$30,000 for the Institute.

Lumber yards in the area donate lumber and building materials to be auctioned. Items include lumber, doors, windows, paneling, paint and numerous other items.

Each item is sold to the highest bidder and Hoo-Hoo members donate their time and energy to help this worthy cause.

The Institute was founded in 1934. Since its founding the Institute has served over 50,000 children and adults in a three-fold program, service for those with handicaps affecting speech, hearing and language. Clients receiving

training at the Institute have come from all 50 of the United States and from several foreign countries. The majority of clients range from 3 to 18 years - the youngest served was 2-months and the oldest is over 90 years of age.

Treasurer Kent Vice, left, presents \$6,400 check to the Institute of Logopedics Director, Frank Kleffner.

The Club is very proud of the contributions made to the Institute each year through the courtesy of the area lumbermen.

Recently installed officers of the Wichita Club for the new Hoo-Hoo year are: Joe Simmitt, President; Wayne

PRAYER FOR A THOUGHTFUL SOUL

Lord, Thou knowest better that I know myself that I am growing older and some day will be old.

Keep me from the fatal habit of thinking I must say something on every subject & on every occasion.

Release me from craving to try to straighten everybody's affairs.

Make me thoughtful but not moody; helpful but not bossy. With my vast store of wisdom, it seems a pity not to use it at all - but Thou knowest, Lord, that I want a few friends at the end.

Keep me from the recital of endless details - give me wings to get to the point.

Seal my lips on my aches and pains. They are increasing, and love of rehearing them becomes sweeter as the years go by.

I dare not ask for grace enough to enjoy the tails of others but help me to endure them with patience.

I dare not ask for improved memory, but may I have a growing humility and a lessening cocksureness when my memory seems to clash with the memories of others.

Teach me the glorious lesson that occasionally I may be mistaken.

Keep me reasonably sweet. I do not want to be a Saint - some of them are so hard to live with - but a sour old person is one of the crowning works of the devil.

Give me the ability to see good things in unexpected places and talents in unexpected people. Give me the grace to tell them so. Amen.

Harry L. Folsom
Club No. 13
Boston, Mass.

The grand old Harry L. Folsom Hoo-Hoo Club #13 of Boston for years has been the largest Hoo-Hoo Club in the world, and it looks very much like they are not about to lose that distinction this year. On Friday Night, December 11th, the club held its Annual Banquet, Concat and Entertainment for paid members only. Chalk up another large success for the Folsom Club!

Over 180 Hoo-Hoo members attended the banquet which was the feature of the evening.

DIGNITARIES

Snark of the Universe, Dan Brown, was present and acted as Visiting Officer on the Degree Team. Twenty Three new members joined the Order on that memorable evening.

Supreme Nine Member from Jurisdiction One, Lee F. Roberts L-61463 was also in evidence and making himself known to the members in Boston.

CONCAT

It takes about two hours for the Boston Club to "process" its new members, and it took about the same length of time this year as well. As usual, not one new member was stricken during the initiation, and a fantastic time was had by all who attended.

After the Concat a no-host cocktail party was held with hot and cold hors d'oeuvres served - all sponsored by retail lumbermen. It didn't take long to go through a lot of trays of food.

Then it was upstairs for the Banquet of Roast Prime Ribs of Beef with everything from soup to nuts to go with it. The huge Sheraton-Boston Hotel did its usual great job in putting on a fine spread.

ENTERTAINMENT

All during the dinner a fine orchestra played for our entertainment and then they accompanied the dancers and magicians that followed. It was a great evening.

Club President Dick Cain (right) presents a Paul Revere Bowl to Snark Dan Brown.

Pictured above are many of the 23 new members initiated by the Harry L. Folsom Hoo-Hoo Club in December. There were 23 in all, and none of these look any worse for wear.

A really super degree team for the Boston Club is joined by Snark Dan Brown who acted as the visiting officer.

The turnout of members from the Harry L. Folsom Club #13 was quite heavy on October 5th because the speaker was our own Sam Gurvitz 47612, of New England Millwork, Inc., who gave a very interesting talk and slide presentation on his recent extended trip to the Peoples Republic of China.

Sam's talk was most interesting and held the attention of all members.

The meeting was held at our usual meeting place in Needham, Mass., the Knights of Columbus Hall.

Prior to Sam's talk, Club President Dick Cain gave the members a rundown on the recent Hoo-Hoo Convention in Houston, Texas.

Club #13's own Mr. Sam Gurvitz 47612, starts his very fine talk and slide presentation on China.

Club President Dick Cain tells the members about the convention in Houston last September.

Supreme Nine Member Lee Roberts (on right) presents Jim Cusack with his certificate as Vicegerent Snark.

Central Florida

Club No. 115
Orlando, Florida

The Central Florida Club No. 115 is becoming what we think is one of the most active clubs going. We are growing at such a fast rate that we will soon be the largest Club in all of Hoo-Hoo.

In October we held our regular monthly meeting which is always an event in itself, but in addition we had our Annual Golf Tournament on October 16th at the West Orange County Country Club in Orlando. The Tournament was a great success with over forty members playing. Denzell Simmons is to be congratulated for organizing and coordinating this event. Among the winners were Bob Panning, Mike Smyth, Joe Lusk and Phil Cocks who all received prizes at the November meeting.

Also in the month of November the following Club members traveled to Jacksonville on the 19th to hold a Concat and reactivate the Jacksonville Club #52. The members traveling were Phil Cocks, Larry Jordan, Bill

CENTRAL FLORIDA.....

Also traveling all the way from Georgia were 2nd VP Dick Wilson and Supreme Nine Member David Lee. The Concat was held at the Huttig Sash & Door Warehouse in Jacksonville where Mark Jones is manager. By the way, Mark is one of our new members in Jacksonville and was initiated that night.

Out of the 15 kittens initiated, the first slate of officers for Club #52 were elected and they are: President Kenny Holmes, VP Jim Clark, Sec/Treas Ken Proctor and Vicegerent Snark is Paul Rochester. Paul is a third generation Hoo-Hoo as his father belongs in Lansing, Michigan, and his grandfather also belonged in Cadillac, Michigan.

On hand for the festivities was Mr. Bill Beckham with

Number 42984, who joined in Ocala, Florida in 1927!

On December 11th Club No. 115 and District 4 of the FLBMDA combined to put Hoo-Hoo back into Christmas with a Christmas Dance and Buffet. There were over 100 people in

attendance dancing to and enjoying the music of "The Carousels." There was a buffet style dinner with plenty of refreshments and good fellowship. This was a good party with good friends put on by two good organizations!

Judge Godfrey, Bud Poe and Emery Brace share a moment at a recent meeting.

that was offered. The drawdown itself took about 30 minutes to complete, but no-one complained. After all but one member was eliminated, Doug Meekers stepped forward to claim the prize. The raffle proved to be a positive step for more than just Doug since a record number of members payed their dues at such an early

date.

We expect the drawdown raffle to become a regular part of the Seattle club's agenda each year in the future.

In addition to the raffle, the Seattle Club gave away fifteen frozen turkeys to the members to help get them into the Holiday spirit.

Joe Polin and Steve Kallberg enjoy a laugh.

The birds were given away during the drawdown and proved to be a welcome consolation prize for the many who did not win the grand prize award. A good time was had by all who attended this November meeting and 'twas evident that the Holiday spirit was growing in the City of Seattle.

The Black Bart Club #181 had a rousing time on Sept. 23rd with their Annual Installation of Officers and a Wine Tasting Party at the Italian Swiss Colony Winery in Asti, California.

"There was lots of great wine," writes Del Cole, "and a really great meal amidst a beautiful setting."

DECEMBER

Since the Norselander was such a success in November, we held the December meeting at the same place for our Annual gala Christmas gathering of local members and their guests. They made this years event truly special.

Dick Rust and Waldo Bueing smile after dinner at the Christmas Party.

Member Ron Brookins pauses for a moment of refreshment.

Over 140 attended and were treated to an excellent steak dinner with entertainment that was especially festive.

The highlight of the evening was the over \$1000 in first rate gifts and prizes which were given away. The prizes included cameras, ice chests, power tools, household appliances and even a 19" color TV set. The tension mounted throughout the evening as the gifts were distributed. The greatest anticipation came as the winning number for the TV set was drawn. The lucky winner of the night turned out to be Steve Mattson. Steve is now the owner of a brand new TV set which he will no doubt use to watch the Washington Huskies win in the Rosebowl this year.

All of us in Seattle wish everyone in Hoo-Hoo a very prosperous New Year!

Doug Weil enjoys an after dinner cigarette at the November meeting.

Dave Damon was the Program chairman, and he managed to have 77 members make it to the party.

Of course at the Installation there were ladies invited, too, and they made the most of the evening.

New officers installed included Roy Nielson, President; Bob Handegard, 1st V.P.; Dave LeBeck, 2nd V.P. and Secretary/Treasurer was Rich Stolz.

New President Roy Nielson gets the Royal Seat from outgoing President Dave Damon.

**Winema
Club No. 216
Klamath Falls, OR**

The Winema Hoo-Hoo Club #216 had a "Forester's Nite" on October 8th at Molatore's Restaurant in Klamath Falls, Oregon. There were about 40 members in attendance.

The Foresters presented a program and film on the future of the Logging Industry in the Klamath Basin. Tom Orr, a retired Forester who just returned from Scandinavia, presented a slide show describing the logging practice in Sweden and Norway.

The Club had a chance to see some beautiful scenery, even if everyone didn't listen to the presentation, as they were enjoying the free beer also provided by the foresters.

Our own Snark of the Universe, Dan Brown.

Dan Brown, Snark of the Universe, gave a very good report on the Houston Convention.

The Winema Club had the distinction of being the only club to produce three Snarks. In addition to Snark Brown, we have produced Rameses #60 Bob Johnson, and Rameses #65 Leonard R. Putnam. We would like to convey our special congratulations to Dan Brown and wish him a very successful year.

The Winema Club Members propose a toast to the new Snark of the Universe, Dan Brown.

President Keith Cloudas, Tom Orr and Snark Dan Brown display the proper attire for enjoying a real spaghetti dinner.

Club #216 also had a Concat on November 12th at the Sakura Restaurant in Klamath Falls, Oregon.

The apprehensive kittens were Roger Davis, Brad Finch, Carl Pace and James Dyer.

After the Concat, the new members were given a rousing welcome by the Winema Club members.

Our new members Carl Pace, Brad Finch, Roger Davis and Jim Dyer.

The Winema Club's Degree Team is just about finished with the four new members.

Each year the Winema Club pays tribute to its past Presidents, and we did the same thing on December 10 at the Winema Motor Hotel. Ten of the 19 Past Club Presidents were on hand for the event.

The Program for the evening was a \$1,000 Elimination Raffle which is becoming a very popular event in the Northwest.

100 tickets were sold to Hoo-Hoo members for the big drawing. All tickets were drawn from the drum and the last (100th) ticket drawn was the grand prize winner. In the interim, three \$50 prizes, ten 5ths of booze, and a .22 calibre rifle were awarded.

Jim Rogers explains just how the elimination drawing will be conducted.

The tension mounts as the last tickets are drawn.

The lucky winners were Jim Rogers, Don Horsely, Paul Kanna, Larry Sowell, Royal Loveness, Tom Strunk, Bill Patterson, Warren Lough, John Tritch, Wes

Here we have three of the Winema Club's Past Presidents Bill McLean, Leonard Putnam (Rameses #65) and Tom Monterossi.

John Fowler, Lowell Netzer, David Bluhm, Brad Finch and Jim Rogers are all enjoying the excellent steak dinner.

Sine, Bernie Agrons, Len Putnam, and the Grand Prize was finally won by Past Club President, Bill Metler.

A good time was had by all, especially by those who won!

Our special thanks to Jim Rogers for organizing and ramrodding this drawing to a smashing success.

NOTICE!

Tom Partridge, Rameses #68, from the very cold state of Minnesota writes us that at some time during the Houston Convention, someone ripped off one of his Hoo-Hoo license plates.

Times are tough, people,

and if you are the culprit, Tom asks that you send this office a check for \$50 as that it the cost of replacing the license plate.

The plate is no good to anyone except for decoration so please cooperate.

Portland, Oregon**

Closing out the final quarter of 1981, the Portland Hoo-Hoo Club #47 met at the Western Forestry Center to pay tribute to the elder brethren at "Old Timer's Night." This October meeting also saw 11 new members join our ranks and this blend of old and new made for many enjoyable "tall tales."

Stan Norman (left) and Phil Taylor are recognized as holders of very low Hoo-Hoo numbers at Old Timer's Night.

Sporting the lowest Hoo-Hoo number of #41049, Mr. Seldon Andrews walked away with their first place prize of \$50 for being in attendance. Brother Andrews promptly donated his prize money to the Club's General Fund. We all thank him from the bottom of our big hearts.

Far and away the holder of lowest Hoo-Hoo number was Seldon Andrews, 41049, here speaking briefly of the "good old days."

Also on tap at this meeting was our guest speaker, Mr. Michael Reding who is with the Pacific Northwest Bell Telephone Company. He is a specialist in "Stress Management" and his talk was interesting as well as informative.

November's meeting was what might be called a very alarming success. Free to all paid members, the evening featured Casino Night with plenty of refreshments and entertainment for all. Attendance was at its very highest and those who missed the fun of the evening were truly regretful. But worry not, our fellow members, we will do it again sometime, of that you can be sure.

Finally, closing out the year with our Annual Xmas Party, the Portland Club dined and danced to the Del Herreid Quartet at the Western Forestry Center.

All of us at Portland #47 join to wish all our brothers around the world a Happy and Prosperous 1982.

The Houston Hoo-Hoo Club #23 held their Annual Fall Golf Tournament at Willow-ship Golf and Racquet Club. The weather was ideal - a perfect fall day. Some of the members in charge of committees were Fagan Cox, George Steele, Gary Hester, Mike Knigge. Joe Breeden, our vice president, was our golf chairman. After an excellent dinner the golf prizes were awarded.

Champion low net was won by James Rafter and followed by Mark Sensat and Cliff Shafer.

Champion low gross was won by Cal Johnson and he was followed by Larry Roovein and Bob Zeigler.

The Atlanta Hoo-Hoo Club #1 held its November meeting on Lake Lanier. At least once a year the entire Atlanta Club is invited aboard Gene Cofer's Houseboat for a cruise and seafood buffet.

This time we had on board six kittens who were concatenated on the Lake Banks after dinner.

New members are Eddie Pate, Ted Andrews, Steve Young, Doug Dilbeck, Phil Freeman, and Bob Smith.

The degree team consisted of Gene Cofer, Pat Story, Ira Longino, Charles Magbee, Don Peavy, Carol Owens, Dick Prest, Bob Vorderbrug and John Walker. For those who can't remember, we all had a good time.

Our Christmas party had a Country Western Theme, and many members and their wives came in Western attire.

Decorations and food were taken care of by many industrious Hoo-Hoo wives, and they were excellent.

**Victoria
Club No. 183
Victoria, BC, Canada**

The Victoria Hoo-Hoo Club #183, or at least the Board of Directors of the club, met September 23rd to welcome International VP Kevin Kelly with his wife and two daughters. He was also accompanied by S-9 Member Dick Campbell, from down under.

They did a very good job selling the 1982 convention in Australia! They are expecting a good turnout for that convention.

Above are Fred Frudd, S-9 for Juris. V, Dick Campbell from "down under" and Mr. Ed Brown, from Club #183.

On October 23rd, the Victoria Club #183 held a Concat at the Red Lion Inn, and

we were honored to have Snark of the Universe, Dan Brown as our guest. He also took part in the Concat in which we initiated eight new members into our Order.

Snark Brown was traveling with Al Meier, the S-9 from Juris. III who was also put to work as a member of the degree team.

It was a sentimental trip for Dan Brown as he and his wife stayed here at the Empress Hotel on their honeymoon a few years ago.

Visiting the Victoria, BC Club #183 was 1st Int'l VP Kevin Kelly, shown above.

ment experiences. He had worked, before his retirement, in printing offices ranging from small town weeklies to the New York Times where he worked at the copy desk about 14 years.

He is married to the former Lillian Yarbrough of Gurdon and following graduation from college they moved to N.Y.C. where McClain attended Columbia University receiving an MA degree in 1945 and a Ph.D. in 1955.

McClain later moved to administration and teaching. For five years he was administrator of the New York Publisher's Association Pension and Welfare Fund, and for ten years a lecturer in the New York University School of Education.

In 1977 McClain retired and he and his wife returned to Mrs. McClain's home town of Gurdon. McClain's home town is that of Malvern, about 40 miles from Gurdon. In 1978 McClain was elected Mayor of Gurdon and has served in that capacity since that time. The McClains have one daughter, Mrs. Richard Roberts of Tulsa, Oklahoma, a granddaughter, Amy, and a son-in-law who lives in Tulsa, Oklahoma.

**Tacoma-Olympia
Club No. 89
Tacoma, Wash.**

The Tacoma-Olympia Hoo-Hoo Club #89 had a regular monthly meeting in November with a pretty good attendance. There was even some newspaper coverage in the local newspaper.

The program was a short form Concat for three new members, and it was conducted by our favorite, Ted Vaughan.

Later in the program the Rugby Club of Seattle show-some movies of their recent rugby games, which were very interesting.

Our Guest Speaker Arlie French of the Seattle Rugby Team.

One of our Past Presidents Bill Kriener, sells a raffle ticket to past president Chris Rucker.

Past President Mr. Burt Vaughan #41312, wins one of the raffle prizes.

There were several past presidents of the club in attendance, although there was no special program planned for them that evening.

Lucky guy Frank Chase won the \$10 door prize donated by Northwest Forest Products.

Our club's new members are: Jim Gallagher II, Glenn Hamann and Leo Roberts.

The Tacoma-Olympia Club #89 is proud to announce that two of their Club Past Presidents have become the mayors of their respective towns. Robert W. Anderson #48633 has become Mayor of Steilacoom, Washington, and Lawrence J. Cavanaugh has become mayor of Fircrest, Washington.

A long-form Concat was the program for the evening at the regular meeting of Tacoma-Olympia Club #89 last October. Twelve kittens were enlightened. A very impressive concat was conducted by Past President Bill Walstead.

The meeting was attended by seventy people and was covered by the local newspaper. A \$10 door prize donated by the Graham Lumber Company was won by Eric Bleich.

**Buffalo
Club #71
Buffalo, New York**

The Buffalo Club No. 71 has purchased a number of jackets which are being offered to its members. The sale has been very successful since most members have purchased one. The jacket is black with an orange cat and Hoo-Hoo Club No. 71, Buffalo, N. Y. in orange letters displayed on the back. The Buffalo Club is offering the jackets to other clubs at a nominal cost of \$16.99 each when ordered in lots of twenty-five or more. Postage will be extra. Each club may have its own lettering on the jacket at the above price. The jackets are unlined and lightweight with set-in elastic cuffs, pockets and snap enclosures. Small, medium, large and extra large sizes are available. Please direct any inquiries to Buffalo Hoo-Hoo Club No. 71, P. O. Box 1038, Buffalo, N.Y. 14210.

Last July our club observed its annual "Night at the Races." About twenty-five couples attended the event at Buffalo Raceway and enjoyed a fine dinner before the program. We are sorry to report there were not too many winners.

Presenting the award in the adjacent picture are Vic Lichtenthal, Club Treasurer and Rich Carrier, President.

Bennington Lanes in Bennington, N.Y., had a full house on September 26 when the Club held its Scotch bowling and dance night. This was another fine turnout for this annual event which included bowling, a sit-down dinner, prizes and dances.

The report on our 1980

concatenation, along with the pictures, was apparently misplaced. We would like our brothers to meet our new members:

Bob Adey from Kenmore Builders Supply; Jack Cobb from Forest Materials; Wayne Luther from Monroe

Palbrun; Mike Maguire from Babcock Buffalo Lumber; Bill Flury, Eric Murray and Rick Sleaf from Quality Lbr. and Builders Supply; Jerry Quinn from Andersen Corporation. Jerry was recently transferred to the Oklahoma area.

A typical California day welcomed 28 golfers on November 20th at the Seven Hills Country Club. It was very bright and clear and calm in the mid-70's. One of those who enjoyed it the most was Carl Stockstill of American Forest Products who broke that mystical and often hard to achieve 100. Carl had a legitimate 99 and anyone who has ever played with him knows he counts every stroke.

We had an 11:30 tee-off time and the play was fast and furious resulting in a somewhat extended period of time around the 19th hole, but no complaints were heard.

Mark Blakeslee won a golf bag; George Champion won a putter; Tom Baker won cap and jacket.

Left to right are George Withey, Al Downing (L.A. Dodgers); George Champion and Don Derbes.

Attendance prize of \$25 went to Harold Schuh, and the usual "vessels of libation" were won by Steve Gabbert, Carl Stockstill, George Champion and Ken Snar.

Club No. 155

Coeur d'Alene, Idaho

The North Idaho Club No. 155 held its regular monthly meeting on October 8th at the Iron Horse Restaurant here in Coeur d'Alene. We had several lively discussions on several topics, especially about the International Convention in 1987 which we might sponsor in that year.

Other club projects were also discussed. The program planned was deferred until November, possibly at the Ladies Night planned for that month.

The meeting was not very well attended due to many conflicts at the time.

C. G. Sowder 81195, won the bottle of scotch which was donated by the club.

The North Idaho Hoo-Hoo Club #155 had a regular meeting on November 12 at the Iron Horse Restaurant in Coeur d'Alene. There were seventeen members and some guests present. The program was a presentation by Jack Dalton of the Idaho Parks and Recreation Dept. on State Parks and other phases of their program. It was very good.

Business included a discussion pro and con of hosting the International HooHoo Convention in 1987, and final action will be taken in November.

A joint meeting and Concat with the Spokane, Washington Club #16 was agreed on for January.

J. W. Brooks, 88511, won the door prize of a fifth of scotch which was donated by the club.

One of Hoo-Hoo's very best friends and Secretary of the North Idaho Club #155, Carl Krueger 62636, was honored recently as he was selected to receive the 1981 Mayor's Citizen of the Year award.

Carl, 75, is so honored for guiding the Museum of North Idaho out of its doldrums to the brink of solvency.

The Museum hit its stride in 1981 as between 24-25,000 visitors passed through its doors, said Lee Fossum, a member of its Board of Directors, and it never would have got there without our friend Krueger.

Krueger solicited donations from sources that apparently had never been approached before, and it lit a fire under the volunteers - including Fossum - who had never truly been galvanized to action before.

Coeur d'Alene C. of C. President Sandy Emerson said Krueger won the award as much for his past accomplishments as for his most recent ones.

The following were the lucky winners of the great "vessels of libation" - Steve Mattick, Bill Morris, Ron Mason and Ted Shaffer.

John Suverkrup made a suggestion that we have bumper stickers made up which say "Lumbermen do it by the foot". Not a bad idea!

Warren Haskins is recuperating at home from a cardiac arrest - we all wish him well.

The 34th Annual Valley Frolic, sponsored by the San Joaquin Valley Hoo-Hoo Club #31, was held on Friday, October 9th, 1981, at the Tropicana Inn, in Fresno.

The golf tournament was held at Fig Garden Golf Course. While the attendance was a little less than in previous years, it was still excellent when we consider the condition of the lumber market. Those who were in attendance had a terrific evening of fun and fellowship.

The Golf low gross was won by Mike Bakula, and 2nd low gross was won by Dave Pierce. First low net was for Chuck Wills and 2nd went to Ted Mathews

On August 23rd, Club #230 held a Past President's Picnic which has become an annual affair of the North Cascade Club. It was held at Jim Morrison's summer home at Guemes Island in Anacortes. Nine Past Presidents and their families attended including President-Elect Ron Smith and his family. Barbecued salmon, furnished by Gordie Iverson, provided a wonderful meal. The wife of a departed brother Tom Dolan 54333, Hazel Dolan, was a guest and brought her usual excellent vegetable combination from her own garden.

The first meeting of the new Hoo-Hoo year was held on September 15th at the Bellingham Golf & Country Club. Six foursomes went up early to play golf. Vicegerent Gordie Iverson was embalmed with the appropriate ceremony conducted by Past Presidents Gil Emory, Jim Lewis and Jim Morrison.

AUSTRALIAN FILMS AVAILABLE

Those of you who attended the convention in Houston last September will recall seeing a couple of movies presented by Jurisdiction IV (Australia) to publicize their Convention coming up in September, 1982 (Sept. 12th to the 19th.) The movies were both educational and amusing to all who saw them.

Both of these movies are available to all on the North American Continent from several points. Ask for them by name - #1 is "Waltzing Matilda" and #2 is "Outback Festivals." They are available from the Australian Tourist Commission at the following locations:

FEBRUARY 1982

ANNOUNCEMENT

Russell H. McClain 88090, has been named Executive Secretary of Hoo-Hoo International, The Fraternal Order of Lumbermen. He assumed some of the duties of the office on November 1st, 1981 and will succeed Cliff Cunningham L-71880, of Norwood, Mass. on February 1st, 1982.

Together with a Committee of the Order they will accomplish moving the International Headquarters from Norwood, Mass., to Gurdon, Arkansas on February 1st. The new address of the Headquarters will be:

P.O. Box 118
Gurdon, Arkansas 71743.

Mr. Cunningham has been Executive Secretary of Hoo-Hoo International for twelve years, but decided it was not his desire to move to Arkansas and leave his home in Massachusetts. He leaves Hoo-Hoo with the best wishes of the leaders of Hoo-Hoo who have expressed appreciation for his twelve years of excellent service. He plans to engage in other employment in Norwood.

Plans to transfer the International Headquarters to Gurdon began with the Toronto Convention in 1978 when McClain and C. Louis Cabe of the Cabe family, long-time leaders in Arkansas lumbering & forestry, appeared before the Board at that convention. They offered a wooden log cabin on Gurdon's main street as the Hoo-Hoo Museum. It was later decided that the new building would house both the museum and the International headquarters and a woodlands heritage to be developed by Hoo-Hoo. The museum was formally dedicated in April, 1981, and hundreds of people have viewed the displays that have been assembled.

Plans are to publish LOG & TALLY from Arkansas and to center all operations of International Hoo-Hoo in the new Gurdon Building.

Selection of Dr. McClain was made by the "Selection Committee" after candidates had been interviewed in Houston, Texas at the 1981 Hoo-Hoo Convention.

Dr. McClain comes to the office as Executive Secretary from a variety of employ-
