Memo from the Snark

DAVE BLASEN 53110

"During my visits with 11 clubs in four jurisdictions it is apparent that clubs who have a permanent secretary/treasurer function with ease, good organization, and professionalism."

During my visits with 11 clubs in four jurisdictions it is apparent that clubs who have a permanent secretary/treasurer function with ease, good organization, and professionalism. It takes time to become familiar with the paper work and the overall organization. One year is not enough time to become familiar with the job. The operation manual, supplemented by help from the staff at Gurdon, provides one with the necessary information to do a good job as secretary/treasurer. This position should not be used as a succession through the chairs to club president, but rather as an anchor for club stability. I feel this is one of the most important jobs in any club. The officers' manual devotes 13 of the 22 pages to the functions and duties of the secretary/treasurer. In addition to sending the incoming club president to the annual convention, many clubs show their appreciation to the secretary/treasurer by paying all or part of his expenses to attend this convention.

The mid-winter board meeting will be held at Gurdon on Friday, February 5th, and Saturday, February 6th. Members are always welcome to attend. If you have a special subject you want to discuss, please let us know the content in advance in order that it can be included in the agenda. If you are unable to attend and have a concern, please submit this in writing to the board with a copy to your S-9 so that he may make the formal presentation to the board. Remember, this is your organization, and the people whose names appear on the International stationery are there for only one purpose, and that purpose is to serve you for the good of the Order. Please use them.

Health, Happiness, and Long Life
Dave Blasen 53110
Snark of the Universe

The first quarter of our 101st year has just passed, and it is a pleasure to report a comparison with past years. We are 6% ahead in paid members; 9% ahead in new members; and a terrific 48% ahead in reinstatements. I have had the pleasure of participating in five concats in three jurisdictions. We had from three to fifteen kittens at well organized concats. These are conservative figures as I'm sure there are clubs who have not yet forwarded the paper work to Gurdon. We are on the right track--the Three R's Are Working.

Jan-Evert Hermans, Supreme Nine for J-V, arranged for visits with Victoria Club #183 where we had the opportunity to see the street in Old Town paved with wood blocks supplied by the Victoria Club. That evening we were in Duncan, B.C., with Cowichan Club #229, one of whose projects is the support of the Forestry Museum. Dorothy and I were invited to the Vancouver Club #48's Ladies Night. All I can say is what an extravaganza. Words cannot describe this event--you and your wife have to attend in person to appreciate this celebration.

In December, Dorothy and I attended Christmas parties and meetings with Roger Williams #51, Harry Folsom #13, Detroit #28, Ben Springer #35, Ken Halgren #139, and Tacoma-Olympia #89. The hospitality, including being met at the airport and tours of the area, was great and much appreciated. We would also like to extend our appreciation to Supreme Nines from J-I Jerry Rivet and his wife Jackie, and J-II Bob Carper and his wife Maryhelen for coordinating meetings with the various clubs and driving us from point to point.

Vice Presidents' Reports

1ST VICE PRESIDENT

MANNY LITVIN 60272

This year I wanted to work on what can be done to reactivate clubs.

I am working now with six clubs, and I hope to have meetings during January, February, and March of 1993. I also am working with two active clubs on the idea of inviting all lumbermen in each of the club's marketing area who are not members of the local club. These meetings would all be similar in the fact that the question is "WHY HOO-HOO?". I will report to you in the next issue on just how we did. I would hope that you will look at the Centennial Edition of the Log & Tally and see how many cities did have active clubs and now none exist. We do have some of those cities with dues paying members, but no action.

If we are looking to increasing our membership, we need to reactivate clubs and start up new clubs in areas where there is a potential for a club. We also need to keep inviting those non members to our educational and social events. Sooner or later some will join.

Has everyone paid their dues?
Health, Happiness, and Long Life.
Manny Litvin 60272
First Vice President

2ND VICE PRESIDENT

EDDIE Z. HUNT L85910

As I said in my report in the November issue of the Log & Tally, it is the responsibility of the Second Vice President to coordinate the advertising sales for our magazine, and I have done what I can in the last few months to accomplish this task.

I feel that most of our success has come from personal contact with our suppliers and business associates, and that we will be even more successful if we continue in this method.

I would really urge each and every member to contact someone in their club or business and ask them to support the Log & Tally by purchasing either a small advertisement or maybe even using their business card as a small ad. The cost is very minimal and would be of great service to our Order.

We would like to thank each company who has advertised in the past and, especially, the new advertisers who have just come on board.

The new advertisers in this issue are Louisiana-Pacific, Blasen & Blasen, Hall Forest Products, Brisbane Hoo-Hoo Club #218, and Hanel Lumber Company. Many thanks to these organizations and the people responsible for getting them to support our magazine.

Health, Happiness, and Long Life,
E.Z. Hunt L85910
Second Vice President

HOO-HOO INTERNATIONAL ANTI-TRUST POLICY

The following anti-trust policy as adopted and practiced by Hoo-Hoo International is printed here for the purpose of public information.

"Neither Hoo-Hoo International nor any of its jurisdictions, officers, directors, or members will participate in, meet for the purpose of, or even authorize any discussions, agreements, comparisons or other conduct which could be construed as or give rise to an inference of contracting, conspiracy, combination, tying, unfair competition, monopolization, pricing or any other activity which could lead to an inference of restriction of competition, price fixing, markups, discrimination, market allocation, or any other conducts prescribed by the Sherman Antitrust Act, the Clayton Act or any other state or federal law relating to competition.

"The purpose of our fraternity is to provide a vehicle for social gatherings, comradery, and most importantly, the promotion and enhancement of the forest products industry, both in this country and throughout the world. This policy has been carried on since the inception of this fraternity and is implemented through each member and jurisdiction's participation in community affairs, education, and generally in the promotion of forest products."

Supreme Nine Reports

JURISDICTION I

Hello to everyone in J-I. Before I forget, Merry Christmas and a Happy New Year to everyone. Hoo-Hoo in J-I is having it's ups and downs. Some clubs are going in a very positive manner while others are just in the same old rut. A few have just stopped having meetings. We must all think in a very positive mode. Meetings are the backbone of our organization. They may be in the form of a guest speaker, sports event, or better yet, a concat. If we don't make an effort to get together, how are we to succeed as an organization? A good example of the type of meeting might be as the Folsom Club of Boston has every fall--"Insiders-Outsiders Night". The sales people from the retail side get to meet the people from the wholesale side. This usually brings them out, and they get to see the voice at the other end of the phone.

The Maine Club is still in the process of trying to get up monthly meetings. John Woods from the Granite State Club is giving a helping hand to Jake Carr. They will accept all the help that is available to them. Give them a call. Let's all get together and give a helping hand. Deputy Supreme Nine Mark Grimason is also on this project.

The Roger Williams Club is on a roll. Former Supreme Nine Warren Biss and new Deputy Supreme Nine Kevin McFee are in the planning stages of a J-I Mini-Convention. More on this later. They also will have a concat on March 1, 1993, in Providence, Rhode Island. I attended last year. This is a must attendance. They even have a time set aside for blue print reading. This year it is good construction principles from the solid base foundation to curved and arched tops. As this is my last year as J-I, Kevin will be in contention of the Supreme Nine vacancy.

The Granite State Club has been meeting every month. They have had a golf tournament, guest speakers from the lumber industry, hockey game, family night at the planetarium, and "Insider-Outsider Night". This year's president Steve Johnson and officers are doing a great job of keeping this club in great shape. An excellent program to keep everybody happy. Also, glad to see Joe Cade as an officer. His return is a big plus. This club will have a concat in March, I believe.

The Snark made his journey to the east in early December. His first stop was in Providence, Rhode Island, with the Roger Williams Club. Warren, Kevin, Warren's dad, a few guys from Massachusetts and New Hampshire, myself and members from the club had a great meal. The guest speaker let us in on the latest info from Hoo-Hoo land and the forest products industry. As I had to leave to get back home, Warren and his crew took care of Dave and Dorothy with plenty of northeast seafood and sightseeing of Rhode Island after.

Log & Tally, February 1993, Page 4

Then to Boston. First was a Snark's luncheon with past officers of the Folsom Club in attendance. Also present were officers from other clubs in J-I, deputy supreme nines, and past presidents. This was a great turnout and was very impressive. Then it was time to go and see???? You guess it--the Cardinal was there again. Where was Jeff Loth? We buried him, but Dave took his place two years in a row. Not bad. Dave had a great time on this one. He had a white horse, and the Cardinal had a red one. Colors look good together. Hats do not match. Then it was concat time. President Joe Burgoyne and officers did a great job. Plenty of new kittens, great laughs, excellent meal, and short speeches. The entertainment was very well received by all and proved once again--to sell you have to show your products to receive monies for excellent quality. Dave and Dorothy were met by some of the Washington Club and Boston Club people Saturday night. Joe Bock and wife were the host for this event. If I forgot anyone, I apologize. Lots of new people and names to remember.

Sunday was my wife Jackie and myself's day with Dave and Dorothy. It was a very cold day to say the least. From our trip to see the scenic New Hampshire area, brunch with waffles topped with strawberries, maple syrup and whipped cream, Dave just sat down to eat. To keep everyone happy, we just helped him along. We all put on about nine pounds each. On our return to Boston we stopped at a large mall for some gift buying. Then we were in, as Boston people say, a traffic jam. Ask Dave and Dorothy about it. Command, when do we move? Answer, leave auto in neutral and go with the flow of traffic.

A Bientot.

Health, Happiness, and Long Life.

Jerry Rivet 86622

Supreme Nine, Jurisdiction I

JURISDICTION II

Realizing the publication date of this Log & Tally, I still wish to extend to all Hoo-Hoos everywhere, a happy and prosperous 1993.

Time moves so quickly that by the time you read this the mid-year board meeting will be history. We again, I am afraid, will be fighting a uphill battle for membership. Retention, Reinstatement, and Recruiting is still the membership program. Those clubs that use it and work at it will be successful. If any clubs in J-II are in need of help, please make your needs known, and I will do everything in my power to assist you.

Only one club in J-II has changed presidents this year. The Detroit Club #28 has changed. Walt Tomalis 93096 has assumed the presidency, and we wish Walt the very best during his term of office.

A flurry of activity took place in J-II in December as all clubs held Christmas events.

Detroit Club #28 started off on December 8th with their traditional Christmas Luncheon. This year it was back to Plum Hollow Country Club thanks to Ran Leech 75783. Ran has been so gracious as to again sponsor the luncheon at this beautiful facility. Highlights of the program included Snark Dave Blasen setting us straight as to the condition of the lumber industry on the west coast. The other highlight was the naming of Seymour Burg L80553 as the "Hoo-Hoo Lumberman of the Year". Seymour is truly deserving for his many years of hard work in the Detroit Club. Congratulations, Seymour!

Ben Springer Club #35 was next on the 9th with a Christmas dinner party to honor Snark Dave and Dorothy Blasen. This was done in true Milwaukee tradition. The planning was so well done that they even had snow falling during the evening. Maryhelen and I enjoyed the festive evening very much. Thanks to club president Harold Smart 90959 and his wife Jane, plus all the good Hoo-Hoos in the Milwaukee area. It was a fine evening.

The very next night, the Ken Hallgren Club #139 was the host for another Christmas dinner party for Snark Dave and Dorothy. This, also, was a most pleasant evening with club president Tony Vechiolla 93587 and club secretary/treasurer Al Dummler 93581 hosting the evening. The setting made it possible for a lot of Northern Illinois Hoo-Hoos to meet and hear Snark Dave's message.

On December 17th the Saginaw Valley Hoo-Hoo Club #246 held their Seventh Annual Christmas Luncheon in Flushing, Michigan. This was a fun-filled afternoon in the best tradition of Hoo-Hoo. They had drawings and entertainment, not to mention a terrific lunch?-dinner. Club president Jim Carroll 90378 and his officers did an excellent job of planning. The high point of the day was the naming of Dave Millerwise 83686 as the club's "Hoo-Hoo Lumberman of the Year". This was a fine selection as Dave has worked long and hard for Hoo-Hoo.

The above brings you all up to date, and it is a pleasure to report that all clubs are functioning and striving for a bigger and better Hoo-Hoo year in 1993.

Health, Happiness, and Long Life.

Bob Carper L66161

Supreme Nine, Jurisdiction II

JURISDICTION III

This year I've started out very slow on club visits, but I should start picking up through May.

I do need to hear from the clubs in Jurisdiction III when is the best time to visit your club.

With the ever changing time in the forest products industry, mills closing, and changing managements, it's even more important to stay on top of the two "Rs", Retention and Reinstatement. As Snark Blasen has stated, you must have a good program to keep members attracted to meetings. The officers of the club need to held regular board meetings to plan ahead.

I've found and have tried to adhere to the seven "Ps": Prior, Proper, Planning, Prevents, Piss, Poor, Performance.

As co-chairman of the Forest Products Education Committee, I would like to ask if there are any members out in the great Hoo-Hoo land that would like to help on this committee, by new projects and help to promote the forest products industry. Please contact myself or S-9 Frank Aranza.

If you want to know what's happening around the world, what do you read? The newspaper! If you want to know what's happening in the stock market, you read what? The "Wall Street Journal". If you want to know what's happening around the forest products industry, you read what? The Log & Tally. What better way to reach out to 5000 members in the forest products industry and inform them of information about your club and/or your own business than by advertising in the Log & Tally? For information please contact any S-9 or any HHI officer or HHI office.

Note, May 21-23, Seattle Club #34 is hosting the J-III Mini Convention in Leavenworth, Washington. A great time will be had by all. So set aside that date and come attend that conference. The time has come that I am looking for a replacement for S-9, J-III to replace me. Please inform me if you or anyone you know is interested.

Health, Happiness, and Long Life.

Fred Scheffler 89278

Supreme Nine, Jurisdiction III

JURISDICTION IV

New Year greetings from J-IV. By the time this goes to press, we will be gearing up for 1993 after the summer holidays. The year starts for most clubs with February meetings. The J-IV board also meets in mid February to get the year off to a good start.

Looking over the past few months, our clubs continue to be a focus for new ideas and developments in the industry, with a good mix of fraternalism. Many clubs are involving the wider community. We believe the industry needs more of this.

Sydney's "Meet the Teacher" nights are a fine example. The club brings the true story of the forest industries to the teaching profession who have daily contact with school children across the state. A hundred or so Hoo-Hoo members and a like number of skeptical teachers, with a fine meal, good wine and thought-provoking speakers are all that it takes. Sydney has done it three times in the past twelve months, with excellent results by all accounts. We are proud of them.

Clubs are holding golf days to raise funds for the Norton Ladkin Memorial Award, a trust to fund industry people to follow up on new developments and report back to Hoo-Hoo. These golf days and regular club projects have three benefits: they involve members, they support worthy causes, and they help make Hoo-Hoo more attractive to

Continued on next page

Log & Tally, February 1993, Page 5

Supreme Nine Reports

Continued from previous page

industry people. Projects like Hobart's sheep manure sales and Brisbane's clean-outs of timber oddments from merchants yards are good examples.

Rotorua have their Timber Museum project at Putaruru. Those of us at the J-IV convention at Rotorua saw the museum and recommend it to any visitor, local or overseas, with an interest in the industry.

To help wind down for Christmas and the summer break, clubs have held their usual Christmas functions. These give members' other halves a chance to take part socially, such as Newcastle's ferry (converted into restaurant) evening and Canberra's family BBQ, and the other club functions across New Zealand and Australia.

We are even hopeful of being able to reestablish Hoo-Hoo elsewhere in the Asia Pacific region, and some good solid groundwork is being done in this. We hope to be able to report good news on this in the not too distant future.

We wish all Hoo-Hoos a happy and prosperous New Year. Health, Happiness, and Long Life!

Gerald Ryan 88156

Supreme Nine, Jurisdiction IV

V JURISDICTION

Firstly, A Very Happy, Healthy, and Prosperous New Year to you all. 1993 could, by a little imagination, be a good one. As I am writing this, the Vancouver scene is absolutely incredible. For the first time in many years we have snow and quite cold at that. I cannot remember snow staying around for this length of time since I arrived in Canada. To me, it is good old Viking tonic.

I had the great pleasure of taking Snark Blasen around to visit with the Vancouver Island clubs. We had lunch with Fred Frudd and Doug Donald from the Victoria Club #183. After lunch we visited the street that Hoo-Hoo helped to pave with wooden blocks. If you are in Victoria this is a must to see. A bronze plaque will be erected to dedicate both the Victoria Club #183 and Cowichan Valley Club #229. Well done, fellows. Nice to see this project completed.

After the Victoria visit, Snark Blasen and I drove up to Duncan to participate in the Cowichan Valley's Men's Draw. As always, it is very nice to meet up with the fellows from Cowichan. They go all out to make you comfortable and welcomed. Compliments must go out to the chefs. They grill up the best BBQ steaks, bar none.

Snark Blasen and wife Dorothy visited with Club #48 at their annual Ladies' Night Reverse Draw. Although I was not present, I understand from Dave that he thor-

oughly enjoyed himself. Club #48 presented Dave with a wooden carving commemorating his visit.

In closing, all I can wish for and wish for all of you is continued Health, Happiness, and Long Life. Time is flying by, and it seems that we all get wrapped up in our own endeavors trying to make ends meet. I sincerely hope that 1993 will prove to be a good one for our industry. We do need one.

Jan-Evert Hermans L81682

Supreme Nine, Jurisdiction V

VI JURISDICTION

I do hope that each and every one in Hoo-Hoo Land had an enjoyable Holiday Season and will have a prosperous New Year. Now it is time to get back to work.

I would like you in Jurisdiction VI to know who I have asked to serve as state deputy snarks. They are William "Bill" Harley, Jr. L55027, Central New Mexico Club #69; Chuck Pensinger 70229, Phoenix Club #72; Dave Rinell 71186, Honolulu Club #142; Gary Grambel 79683, Black Bart Club #181; Scott Watson 83559, Sacramento Club #109; Mike Nicholson 89383, Inland Empire Club #117; Warren Hoffman L89459, San Diego Club #3; and Bill Sullivan 94729, Coast Counties Club #114. I ask for your input and suggestions of any nature dealing with the affairs of Hoo-Hoo or our lumber industry. If you have any ideas, jot them down, write, fax or phone them to me or one of my state deputies. We are here to advance the principles of Hoo-Hoo.

Hoo-Hoo needs new members! You and your officers must make a commitment to make it happen, whatever it may take. Start planning now! Examine the niche in your area within the lumber field. You will find new members. With that in mind our biggest fault is with the retention of our current membership. Your officers, especially the club secretary, will need all the help they can get from you. Their is no MAGIC to the retention of members: just hard work!

At the time this report is being produced, Jurisdiction VI has had two concats. The first one was held on November 18, 1992, by Black Bart Club #181 in Santa Rosa, California. Fourteen (14) new kittens. The team was led by Elmer McDade 71595, Dave Higi 94349, Jackson Finck 95928, and club president Ken Carter 95532. The second was held on December 3, 1992, by San Diego Club #3 in San Diego at the Red Fox. Thanks to G.T. Frost L83698 and club secretary Dave Kibbes 89460, Club #3 concatenated twenty-two (22) kittens and reinstated nineteen (19) from our inactive members. By the time you receive this copy of

the Log & Tally, concats should be held in January by Sacramento Club #109, Inland Empire Club #117, Oakland Club #39, and Shasta Cascade Club #133. Good luck to you all.

In closing, we, as your Supreme Nine, need your help in attracting companies, associations and individuals to advertise in our Log & Tally. Please help in this cause.

I bid you all,

Health, Happiness, and Long Life.

Edward L. Gavotto

Supreme Nine, Jurisdiction VI

VII JURISDICTION

1992 is coming to a close and a new year (1993) patiently waits to unfold. A change is in the air, and no one is certain what this new year will bring. Whatever it brings, good or bad, we can and must make the best of it. It is a proven fact that one twig alone is easily broken, but several twigs banded together can withstand a much greater force. It is with this mind set that I am writing this report.

A club's strength comes from its members. When a member chooses not to continue his membership, we all lose. I know in many cases it can't be helped. I also know in many cases it can be helped. In either case, the member and the club loses.

I am proud to note that we are strengthening our great organization. In the year 1991-1992, we increased reinstatements by 74% over the year 1990-1991. Our Snark of the Universe, Dave Blasen, points out that one reason for our success was that each inactive member received a personal invitation to rejoin our ranks. Our continued success depends upon us, the active members. Personally contact those inactive members, tell them we need them. Let them know "Once a Hoo-Hoo, Always a Hoo-Hoo."

Several clubs in J-VII have been busy since my last report:

- Magnolia Club #111 donated \$350 to Project Learning Tree. This money was raised during their Spring Golf Tournament.
- Gurdon Club #120 participated the City of Gurdon's Forest Festival.
- Houston Club #23 donated over 50 pairs of socks and underwear to Boys Country. This is an annual event.
- Metroplex Club #242 held a concat and concat enated seven (7) new kittens.

Speaking of kittens, I am planning the first annual reunion for all the Cats who were concatenated during the 1992 Lumbermen's Association of Texas Convention. Nothing fancy, but something to bring us all together. If you were there you know how great it can be. Bring a kitten. Our Snark of the Universe, Dave Blasen, is making arrangements to be there.

I hope you and your family have a safe and happy holiday season.

Health, Happiness, and Long Life.

Frank Aranza 90328

Supreme Nine, Jurisdiction VII

VIII JURISDICTION

Greetings from the frozen northlands. J-VIII as a whole was blessed with a generally good economy during the past year, and a lot of forest products were consumed. The coming year, at this time, appears to be a repeat.

Jurisdiction VIII is holding steady in its membership, and, hopefully, it will increase. I still plan to make a visit to all the clubs in the near future. I have written to all the clubs in Jurisdiction VIII requesting to be put on their mailing list. Response was not the greatest. In order to fulfill my duties as one of the Supreme Nine, I am repeating my request.

I am looking forward to the winter meeting in Gurdon with the other officers and directors to get some guidance from the more experienced members.

Health, Happiness, and Long Life.

Royce M. Munderloh 84331

Supreme Nine, Jurisdiction VIII

IX JURISDICTION

Immediately following the fabulous Centennial Convention in Hot Springs, our new Snark and vice presidents started to work with fervor and enthusiasm. They launched some new programs and fresh approaches to some old programs.

Unfortunately, some of the new officers elected at the club level have not, so far, demonstrated their leadership.

Dues collections, new members, reinstatements, and club participation are all woefully down in most clubs, and, in Jurisdiction IX, in all clubs.

I urge the newly elected presidents to lead and require your other elected officers to perform their jobs they were elected to.

1. Insist that your vice president for membership formulate and carry out a program to RECRUIT, REINSTATE, AND RETAIN MEMBERS.
2. Require your vice president in charge of meetings to plan ahead for entertaining and interesting meetings - get good speakers or programs and get the word out.
3. Get your treasurer to work at collecting dues and promptly forward to Gurdon the International dues.
4. Insist that your club secretary send out a newsletter or at least a meeting notice to keep other officers and members abreast of your club's progress. Also, be sure that they make the required reports to Gurdon. (As of this printing the list of new officers has not been make by two clubs in J-IX.)
5. Require that committees perform their jobs. (i.e., Call Committee - phone members for meeting reservations; Publicity Committee - make reports to the Log & Tally.)

It is easy to claim a number of excuses for a club's poor performance, but the main reason is a LACK OF LEADERSHIP FROM CLUB PRESIDENTS - Let's Get Busy and Get Hoo-Hoo Strong Again!!!

Health, Happiness and Long Life.

Pat Story 83773

Supreme Nine, Jurisdiction IX

NOMINATIONS FOR HOO-HOO INTERNATIONAL OFFICERS FOR THE 1993-1994 HOO-HOO YEAR

Nominations for International Secretary/Treasurer

I would like to nominate **Bernard B. Barber, Jr.**, for the position of secretary/treasurer of Hoo-Hoo International. It is obvious that Bernie has done an outstanding job as secretary/treasurer for the past several years.

Sincerely and fraternally,
Bill Barr 87304
San Joaquin Valley Hoo-Hoo Club #31

It is with great pleasure, as Secretary of Granite State Hoo-Hoo Club #107, that I nominate **Warren Biss L90909** of the Roger Williams Club as secretary/treasurer for the International Order. Upon speaking with Jerry Rivet, Supreme Nine, Jurisdiction I, and Warren himself, it is with great confidence that Granite State makes this nomination.

Health, Happiness, and Long Life.
Wesley D. Robichaud 92662

Nomination for Supreme Nine, Jurisdiction I

I, with the full support of the Roger Williams Hoo-Hoo Club #51, am proud to nominate **D. Kevin MacPhee 94283** for the position of Supreme Nine in Jurisdiction I. Kevin will be finishing his term as club president and able to proceed into the office.

During Kevin's guidance as president through the recession, Club #51 was the only club in Jurisdiction I to post a membership gain. I believe he will carry that positive and momentum and attitude into the office of Supreme Nine. Kevin has been active in Jurisdiction I visiting northern clubs with frequency.

As a past Supreme Nine, I think Kevin has the right outlook for the office.

Health, Happiness, and Long Life,
Warren A. Biss L90909
Past Supreme Nine Jurisdiction I
Secretary Club #51

OPERATIONS MANUAL REVIEW

THE SNARK HAS CHARGED ME WITH THE RESPONSIBILITY OF REVIEWING THE "OPERATIONS MANUAL" AND SUBMITTING MY SUGGESTIONS AND RECOMMENDATIONS TO THE BOARD.

THE "OPERATIONS MANUAL" SHOULD BE A HOO-HOO CLUB'S BIBLE. IT CONTAINS JUST ABOUT EVERYTHING A CLUB PRESIDENT AND SECRETARY NEEDS FOR THE SUCCESSFUL RUNNING OF A CLUB.

IT IS THE MOST USEFUL AND LEAST USED TOOL WE HAVE.

PERIODICALLY, IT IS NECESSARY TO UPDATE THE MANUAL AS A RESULT OF DECISIONS PASSED DOWN BY THE BOARD OVER THE PAST COUPLE OF YEARS. HOWEVER, AS THE MANUAL ALSO HAS A WEALTH OF CLUB AIDS, SUCH AS SAMPLE FORMS AND SUGGESTIONS, WE SHOULD ALSO CONSIDER ANY SUGGESTIONS THAT YOU MAY HAVE THAT WOULD MAKE THE MANUAL MORE USEFUL.

PLEASE CONTACT ME IF YOU HAVE ANYTHING TO CONTRIBUTE.

PLEASE ALSO KEEP IN MIND THAT WE CANNOT ARBITRARILY CHANGE THOSE ITEMS FOR WHICH A BYLAW CHANGE IS NECESSARY.

TENTATIVE AGENDA
1993 HOO-HOO INTERNATIONAL CONVENTION
SEPTEMBER 12 - 15, 1993
SIoux FALLS, SOUTH DAKOTA

SUNDAY, SEPTEMBER 12:

Registration Desk open 11:59 A.M. - 4:59 P.M.
 Ice Breaker 5:59 P.M.

The Ice Breaker is being hosted by the Tri-State Association of Building Material Suppliers.

MONDAY, SEPTEMBER 13:

Registration Desk open 7:29 - 9:29 A.M.
 Men's Breakfast 7:29 - 8:29 A.M.
 Men's Business Meeting throughout the day
 Ladies' Brunch 9:59 - 11:29 A.M.
 Ladies' shopping tour or historical district tour

Evening: Picnic in the Park. We will board buses at 5:29 for a trip to Newton Hills State Park for a Hog Roast dinner with all the trimmings and loads of entertainment.

The picnic is being sponsored by the South Dakota Retail Lumbermen's Association.

TUESDAY, SEPTEMBER 14:

Tuesday is a free day for convention guests to enjoy themselves and renew acquaintances. We have the following organized events scheduled:

Ladies & Men's Golf (green fees extra)
 Local Tours

Tuesday evening Vancouver Hoo-Hoo Club #48 has tentatively scheduled a social for their upcoming convention in 1994.

WEDNESDAY, SEPTEMBER 15:

Men's Breakfast 7:29 - 8:29 A.M.
 Business Meeting 8:59 A.M.
 Ladies' Continental Breakfast 8:29 - 9:29 A.M.
 Joint Luncheon 11:59 A.M. - 12:59 P.M.
 Embalming of the Snark 2:59 - 4:29 P.M.

Wednesday evening will be the traditional banquet with cocktails starting at 6:29 P.M. followed by dinner and dancing.

September 16 - 19: optional bus tour of the western and Black Hills regions of South Dakota.

Louisiana-Pacific gift to Hoo-Hoo Museum finalized

Harry Merlo, Chairman and President, Louisiana-Pacific Corporation

Harry Merlo stunned the crowd at the Centennial Convention with his announcement of a \$50,000 gift to the Hoo-Hoo Museum.

Harry Merlo, Chairman and President of Louisiana-Pacific Corporation, stunned the crowd at the Centennial Convention in Hot Springs, Arkansas, in September with his announcement that he would present the Hoo-Hoo Museum with a gift of \$50,000 worth of Louisiana-Pacific stock. After all the legalities were worked out, the stock arrived in Gurdon in November. As a new stockholder myself, I can tell you the stock is already worth considerably more than the original \$50,000. The funds are in a foundation trust which will be used to meet future financial needs of the Hoo-Hoo Museum in Gurdon. Thanks again, Harry, for your sincere support and thoughtfulness.

Jimmy Jones
Chairman
Hoo-Hoo Museum Committee

J III MINI CONFERENCE

Wear Your Hoo-Hoo Pin With PRIDE!!!

NO-HOOVZOO

G'Day Mate!!

I'm Darren Creevey, the secretary of the organizing committee for the 1996 HOO-HOO INTERNATIONAL CONVENTION to be hosted by BRISBANE CLUB #218.

This convention is guaranteed to be the best ever. It will be held on the beautiful FRASER ISLAND (the largest sand island in the world), a veritable paradise just off the coast of Queensland. A new resort has just been completed on the island, and its construction shows a remarkable contrast in the use of timber and steel. An absolute must to see! You'll be able to take four wheel drive wilderness tours around the island and follow in the footsteps of the island's early timber getters as you explore McKenzie's Jetty and Sawmill; you'll see majestic Satinays and Brushbox up to 12' in diameter, go whale watching, go fishing, or just simply relax and enjoy the beautiful surroundings that the resort has to offer.

On the way to the resort we will be stopping at Gympie for morning tea. While in Gympie you will visit the Gympie Gold Mining and Historical Museum where you will see first hand how Gympie was started. We will also be stopping at the Woodworks, the Timber and Forestry Museum, where you will see how the Timber Industry was started in Queensland.

We will be travelling through Maryborough before embarking on a 30 minute Catamaran ride which leaves from Hervey Bay.

If this sounds like fun, so far, remember, this is just the beginning!! Watch for more updates in the Log & Tally with detailed descriptions of the fun and exciting places you'll visit and things you'll want to do.

START MAKING PLANS NOW FOR THE 1996 HOO-HOO INTERNATIONAL CONVENTION HOSTED BY BRISBANE HOO-HOO CLUB #218

JURISDICTION

HARRY L. FOLSOM CLUB #13

The Harry L. Folsom Club #13 held their annual concat at the Sheraton Boston on December 5, 1992. Over one hundred members turned out as 13 new kittens were welcomed to the brotherhood of Hoo-Hoo. The economy here in the northeast continues to gain speed, and the fine attendance at Club #13 events are a hopeful sign for '93.

The crowd on hand for the ceremony was treated to a fine show. As usual, Junior Hoo-Hoo Paul Mulligan was in rare form talking the kittens to task. For their part, the 13 newest members did themselves proud, and we expect them all back in 12 months to check out the concat from the other side of the room.

Honored guests included Snark of the Universe Dave Blasen; Rameses Brent Crosby; Supreme Nine for Jurisdiction I, Gerald Rivet; Roger Williams Club #54 treasurer, Warren Biss; Roger Williams Club #54 president, Kevin McFee; and Washington, D.C., Club #99 past president, Jimmy Quinn.

During dinner Snark Dave Blasen was presented with a sterling engraved Paul Revere Bowl to commemorate the event.

Working hard for the Boston club to make this concat a success were president Joe Burgoyne, ex-officio Gerard Moynihan, treasurer Ron Harvey, secretary Carmen Mattuchio, Jr., first vice president Bob Chadonnet, second vice president Bob Fitzpatrick, director I Bob Horne, and director II Mike McLaughlin.

--submitted by Jim Ben-Aaron

HARRY L. FOLSOM CLUB #13. Club president, Joe Burgoyne, left, welcomed distinguished Hoo-Hoo guests to the club's concat in December, center, Snark of the Universe, Dave Blasen, and right, Rameses 83, Brent Crosby. Thirteen kittens were concatenated.

ROGER WILLIAMS CLUB #51

In the spirit of "The Hunting of the Snark", the Roger Williams Hoo-Hoo Club #51 is hunting for Atlanta. The Roger Williams Hoo-Hoo Club #51 journeyed to Hilton Head, S.C., for their fall golf tournament. After our challenge to, and nubbing of, the Nutmeg Club #199 this spring, Club #51 was hoping to start a (Yankee/Rebel) North-South Challenge with the Atlanta-Dick Wilson Club #1. We wrote a challenge to that club, and Atlanta had a very positive response. The team left hoping to play the people that can play golf all four seasons, but the Atlanta Club never made the tee. If we continue to get no response from Atlanta-Dick Wilson Club #1, we may have to challenge the Woy Woy Hoo-Hoo Club. In the spirit of "The Hunting of the Snark", Roger Williams Hoo-Hoo #51 is still hunting for Atlanta.

WASHINGTON, D.C., CLUB #99

Washington Club #99 celebrated the Holiday Season with a Christmas party on December 15th. The evening featured the annual Christmas raffle after a marvelous dinner consisting of hand carved steamship round, boneless breast of chicken, baked potato, green beans, and more.
--from "Cat Tales"

GRANITE STATE CLUB #107

On Monday, October 5th, the Annual Harkinson Golf Tournament was held at the Manchester Country Club. Seventy-five golfers took on the challenging course and were joined later by other members for cocktails and dinner. Supreme Nine, J-I, Jerry Rivet, was presented a check to offset travel expenses from this summers 100 year celebration in Gurdon, Arkansas. Following dinner, Jerry and Tom Desmarais recounted their experiences to members.

Golf awards were handed out to the following: Low gross, Mike Kelly 82, Walter Kolodziej 83, and Tim Johnson 83. Low net went to Tom Eithier with a 73, while John Dennison, Ray Steenbeke, Tom Desmarais, Dave Norris, Tom Magee, Dick Gladu, and Ray Labay all garnered 74's.

The November meeting was held at the Christa McCauliffe Planetarium in Concord, NH. This was Family Night with over forty members attending the event with their wives and children. The planetarium is a memorial for Christa McCauliffe, the first teacher in space who died in the space shuttle Challenger disaster in 1986.

Following the show, dinner was served at the May Kin Restaurant in Concord. The December meeting will be held at the University of New Hampshire and will be followed by the UNH vs. Brown hockey game. Health, Happiness, and Long Life and Happy Holidays.

NUTMEG CLUB #199

Nutmeg Club #199 held its election of officers on November 10, 1992, at the Cabin Restaurant in Meriden, CT.

—from the club's newsletter

GRANITE STATE CLUB #107. Jerry Rivet, Supreme Nine, Jurisdiction I, was on hand for the club's Harkinson Golf Tournament in October.

GRANITE STATE CLUB #107. Tom Desmarais, left, and John Woods prepared for dinner after a day of golf.

JURISDICTION II

KEN HALLGREN CLUB #139 OF NORTHERN ILLINOIS

The Ken Hallgren Hoo-Hoo Club of Northern Illinois recently held its annual fall education program for members and guests. The evening's speaker, Stan Zielinski, representative from the Illinois Lumber and Material Dealers Association, spoke to the group about the timber supply issue that faces the lumber industry. Zielinski talked about a growing world population and its need for even more lumber products. However, he said, the lumber industry is doing something about it.

He explained to the group that the National Lumber and Building Material Dealers Association (NLBMDA) provides information to people through its public education programs about the nation's forests that explains that trees are a renewable resource. Further, the timber industry does practice reforestation, and America's forests are actually growing in size. In fact, some 2 billion seedlings will have been planted in the United States during 1992. That is an average of about 6 million new trees planted each day.

At the end of the presentation, the group watched the informative NLBMDA video presentation, "Generations Building The Future". The tape presents a balanced view of our national forests and how the timber industry is managing this precious national resource.

Club president Tony Vecchiolla said he was pleased to see a big turnout for the event. He said all lumber people need to be informed and better understand our industry in order to educate the public.

Log & Tally, February 1993, Page 38

In December, the Club held its annual Christmas party in Crystal Lake. The group welcomed Snark of the Universe Dave Blasen and Mrs. Blasen, and J-II Supreme Nine Bob Carper and Mrs. Carper.

Club president Tony Vecchiolla reports that over twenty club members and their wives gathered for the Christmas party to enjoy some refreshments, a great meal and to share their thoughts about everything from traveling to sports. After dinner the Snark gave an enlightening speech on the condition of the lumber supply in the north-west and the various reasons why supply is short.

After dinner, Tony presented the Snark a \$50 check for his favorite cause or charity. Later, gifts, provided by Joe King of Cedar Siding, were raffled off to the group.

JURISDICTION III

SPOKANE CLUB #16

Members, wives and guests of Club #16 gathered in the conference room of Dellen Wood Products on October 8, 1992. Many visited the office of secretary/treasurer Ernie Wales, Seer of the House of Ancients, to see the "corporate headquarters of Spokane Hoo-Hoo Club" and to see the many Hoo-Hoo artifacts in Ernie's office.

A short social hour was followed by a fine dinner featuring BBQ hamburgers, excellently prepared just outside the office by our host, Dellen president Bill Lenten.

After the meal, a short Hoo-Hoo meeting was chaired by president Shawn Sinclair. New member Brian Romeike was introduced. He will be concated in January. Bill, Ernie and Kris Wales, and Rameses Gene Zanck gave interesting highlights of Hoo-Hoo's recent 100th Convention in Hot Springs/Gurdon, Arkansas.

Kris Wales advised that we are now taking applications/reservations for the "Entertainment 93 Book". These books have added great pleasure for participants and have supplied needed funding for the club, eliminating the need for raising local dues.

The evening concluded with a program by Bill Lenten. He gave a fine history and background about Dellen Wood Products followed by an extensive tour of Dellen's "new plant" and "old plant", highlighting the new and sophisticated technology and machinery. It was truly an eye opening, educational and informative tour. We are all grateful to Bill Lenten and his company for one of our best meetings.

The club's November meeting featured dinner for members and guests at the Sea Galley restaurant and then off to the hockey game at the coliseum across the street.

Jim Haygreen of Alpine Lumber Company in Post Falls, Idaho, comes to our club from the Tacoma-Olympia Club, and Ellsworth Clenton Wright with Dellen Wood Products has transferred his membership from the Bend, Oregon, club. We're glad to have Jim and Ellsworth and new kitten Brian Romeike joining us.

"Industry Night" was held December 10th at Casey's Restaurant. Norm Mikalson and Kris Wales were program chairmen. The film "Logging, Past and Present" was shown.

--submitted by Ernie Wales with excerpts from "Hoo-Hoo Hi-Lights"

WILLAMETTE VALLEY CLUB #33

Yes, it is that time again. Club 33's Annual Reno Night. And this time the Frat. boys helped out with the dealing and other vital things. Once again, the committee of Don Stow and Bill Dickson had some great prizes in store for the winners. Members and guests received a raffle ticket and \$5000 in "funny money" to play the various games of their choice. When everyone was finished playing about 10:30 p.m. "winnings" were traded for raffle tickets at the rate of \$5000 for one ticket. The idea was for everyone to have a chance to win, and, better yet, have a fun evening.

The local Hoo-Hoo-Ette group was invited to share the evening with us.

A great concat was held on October 28th at the Red Lion. Snark of the Universe Dave Blasen came down from Portland and presided over the event. Jim Tally, Deputy Supreme Nine of J-III, came with Dave. Club #33 concated 10 kittens. Welcome to the club, new members!

The club continues its drive to break the 100 member mark this year. Thanks to the 58 who have renewed for 1992-93. Then another thanks to the 7 who have reinstated. Finally, we have 11 new members in the club. Along with our two life members, our total paid in October is 78 members. At the end of 1991-92, we had 82 paid, an all-time low. We have 24 from last year yet to pay. Hey guys, how about sending your check for \$29.99 and continue belonging to a Forest Products organization now in its 101st continuous year? Hey, we're on a roll and going strong. We plan meetings in February, March and April. Looks like another concat in February or March. We continue to have folks wanting to sign up and belong to our club.

The club now has a banner. It is 30" x 74" in size, made of vinyl and pretty handsome to view. We hope to have it displayed at all Hoo-Hoo events.

The board has decided to recognize a different organization every month who has supported Hoo-Hoo in a big way. This is our way of saying "thanks". During October, Shasta-Sierra Lumber was awarded the banner. All five sellers, including owners and member Mel Pellow and Bill Fogel are members of our club. Thanks for your support!!

During November, Cascade Pacific Industries will display the banner. Manager Dan Casebier was concated on October 28th along with Wally Anderson and Mike Johnson. Mike Shelton is already a member, and Al Privette reinstated. Al Cowan belongs to the Portland Club. A really good showing. Thanks, Cascade Pacific Industries.

Please welcome the following new members into Willamette Valley Club #33: Wally Anderson, Dan Casebier and Mike Johnson of Cascade Pacific Industries; Larry Barnes, L.M. Barnes Company; Larry Foley, Jon Howard, and Mike Hunsaker of Willamette Industries-Saginaw; Skip Macy, United States Shippers; Ron McEvers, Commonwealth Plywood; Charles Schardf, Schardf's Lumber Sales; and Leo Vandermark, Eugene Forest Products. And thanks to the following for reinstating: Joe Harbert and Roger Jensen of J.H. Baxter and Company; Frank Jason, Hirt and Wood Lumber Company; John McLaughlin, Wood Products Credit Union; Al Privette, Cascade Pacific Industries; and George Van Vleet and J.A. Walsh of Willamette Industries-Saginaw.

Club News

SEATTLE CLUB #34

Our kick-off meeting in September was a social event with a raffle and report from Bruce Olson, president, just returned from the HHI Centennial Convention in Gurdon. Thirty-four members gathered to spend time getting to know each other and have a good time, with fellowship the main purpose.

Four members of the Puget Sound Region Hoo-Hoo-Ette Club #21 joined us for our October meeting. Tim Boyd, Director of Governmental Relations for the Washington Forest Protection Association, was our guest speaker. Founded in 1908, the WFPA is involved with management of privately owned forest land through working cooperatively with state agencies, Native American tribes, and others. Tim's speech and the following question and answer session was informative and spirited.

To encourage attendance and prompt payment of dues, Seattle #34 has a \$250 drawdown at the October meeting. All paid-up members have a ticket in the raffle basket. First man drawn gets \$50, and the last drawn gets the balance. Bob Brodie was first out, and the last two, Scott Nicholson and Jack Pellham decided to split the remainder. The fellows were very generous, and collectively returned \$150 to our scholarship fund, which is supported by our bar jar, aluminum cans, and various other donations. We have a \$1,000 goal again this year.

Seattle was pleased to host the joint November meeting with our brothers from Tacoma/Olympia #89 on the 10th. We held a trap-shoot at the Sumner Sportsman's Club, where our own Larry Panush tied with Jeff Peterson from Tac/Oly for top honors with the scattergun. After the competition we had a fine barbecue buffet and raffled off 28 turkeys to grace holiday tables. Fifty-five members and guests enjoyed a spirited evening of Hoo-Hoo brotherhood.

The annual Christmas party and raffle was held on December 14th at Papagayo's Cantina in Bellevue. Second VP Harvey Scott and past board member Matt Hobbs did an outstanding job rounding up over 30 raffle prizes with a total of \$999 for the members, not to mention arranging for the top-notch entertainment. A prime rib dinner was enjoyed by 60 attendees, and John Bratland walked away with the top raffle prize, a 26" remote control stereo color TV.

Future meeting activities will include a crab-feed/concat, hockey, casino night, and bowling.

PORTLAND CLUB #47

Portland Hoo-Hoo Club #47, at its November 1992 meeting, featured a guided tour of Wheeler Museum (Exhibit Building), one of four buildings that comprise the World Forestry Center in Portland, Oregon. The tour was led by staff member Pete Kent and was planned in part to familiarize newly concatenated kittens with the Center which hosts the club's monthly meetings.

Fittingly, the club holds its functions at a magnificent and dramatic monument to wood, the commodity in which

members deal in their businesses. Wheeler Museum was the first building to be erected in 1971 as a unit of the present-day four-building compound that's known internationally as the World Forestry Center. Funded privately by members of the forest products industry in the Pacific Northwest, it was the replacement for the world-famous Gallery of Trees (Old Forestry Building), destroyed by a disastrous fire in August 1964. The Gallery had been constructed as a centerpiece of the 1905 Lewis and Clark Fair and featured tall columns of giant Douglas fir logs.

Since 1971 three other buildings have been added to the compound, bringing the total space in the Center to 65,000 square feet. Chronologically, the individual buildings added are Cheatham Hall, Miller Hall, and Merlo Hall. Each structure honors the name of a principal financial donor and supporter of Center activities.

The World Forestry Center is a world-class, non-profit educational organization whose facilities are dedicated for public use and in whose buildings people can learn about forests and their management and also about forest products and uses through fascinating animated exhibits and educational programs. Principal "host" of Wheeler Museum is a spectacular 70-foot tall Talking Tree which explains how a tree grows.

Other exhibits dramatize the destructive Tillamook Fires of 1933, 1939, and 1945 and the massive rehabilitation program that reforested the scorched acres. Also included in the Museum is a Forestry Hall of Fame featuring biographies of prominent forest industry principals in the Pacific Northwest. Other exhibits show various forest products and their uses.

A popular attraction in the Museum is the Forest Store. It offers unique gifts and items made of western woods, including myrtle wood, juniper, ponderosa pine, and redwood. Books, calendars, stuffed animals, food items and jewelry items are related to the flora and fauna of Pacific Coast forests.

Newest building in the compound is Harry A. Merlo Hall which houses the World Forestry Institute, serving as a database and informational clearinghouse for international forestry. Portland Club #47 usually holds its monthly meetings in either Cheatham Hall or Miller Hall, each of which has facilities and class rooms for public educational programs.

All the halls feature the use of wood products externally and internally. Laminated and trussed beams support the massive roof sections. Interior paneling includes many western species, such as Douglas Fir, western hemlock, Sitka spruce, white fir, western red cedar and ponderosa pine. The halls are widely used for weddings, receptions, forest industry meetings and seminars and touring exhibits, such as one by the Smithsonian on World Rain Forests.

The Center also manages the 70-acre Magness Tree Farm, a second-growth forest in which management methods are demonstrated through workshops and tours.

The November meeting also marked a significant moment in the history of Club #47. Fifteen new kittens were concatenated, making this induction by far the largest

PORTLAND CLUB #47. The club concatenated 15 new kittens at its concat in October at the World Forestry Center. The new kittens are, back row, left to right, Cline Hatch, Brian Parkhurst, Dave Halsey, Brian Kirwan, Paul Cochran, Phil Flemming, Steve Getsiv, Jay Jackson, and Gordon Halle. Front row, left to right, are John Wright, Bart Charles, Nick Staten, Dave Bond, Joe Stolzoff, and Bob Crow. A hearty Hoo-Hoo welcome is extended to each one of these fine new kittens.

number of new members ever concatenated. "Growing recognition of the benefits derived from networking with fellow lumber persons, particularly under current economic stresses, has stimulated intense interest in our 100-year-old group," declared club president Mike Holm. The following kittens were inducted: Dave Halsey, Disdero Lumber Company; Joe Stolzoff, Wood International Corp.; Paul Cochran, Hampton Lumber Sales Co.; Philip Flemming, Y

TACOMA/OLYMPIA CLUB #89

Our October meeting was held at Diamond Jim's Restaurant. Present were 40 members and guests. This evening was our long form concat. Concatenated were Steve Jamroski and Chad O'Mealy from Belco Lumber. From Pacific Western Lumber were Bill Hayes and Gary Newman. Snark of the Universe Dave Blasen honored us with his presence. He drove up from Portland with Jim Tilly. He gave a short talk about the Centennial Convention.

The November meeting was our joint meeting with Seattle Club #34. We met at the Sumner Gun Club for a real turkey shootout. We had a wonderful time, and Seattle Club raffled off about 30 frozen turkeys. Jeff Peterson won the shooting with 69 hits out of 75 clay pigeons. We hope to do the same program next year.

December was our Annual Ladies' Night and Christmas Party at the Tacoma Club up on the sixteenth floor of the Interstate Bank Building overlooking beautiful downtown Tacoma with all its Christmas lights. Seventy people attended. All the ladies received a gift. We had dinner and a Christmas sing along. A very nice evening which we hope to expand next Christmas.

Club News

TACOMA/OLYMPIA CLUB #89. Four past presidents lined up at the Sumner Gun Club. They are John Crawford, Larry DeRocher, Fred Bleich, and George Koenig.

TACOMA/OLYMPIA CLUB #89. Club president, John Humphrey, left, listens as Snark of the Universe, Dave Blasen, reads from a plaque presented to him by Tacoma/Olympia Club #89.

effort he put out and the fine job he did with the presentation and for the job he does each year with the 6th Grade Forestry Tour.

Ted Paddock gave a short talk about the convention in Hot Springs. I guess everyone had a great time, and if you were only going to attend one convention, this should have been the one.

Our November concat brought three kittens into Hoo-Hoo: Don Baxter, Jeld Wen; Vern Huck, Weyerhaeuser; and Dave Duffy, Sycan Forest Products. Let's all do our part to make the new members and everyone at the meetings feel like a part of this great brotherhood.

"Past Presidents' Night" was held December 14, 1992, at Molatore's Restaurant in Klamath Falls. The BIG elimination drawing that evening produced another repeat winner, namely Tom Strunk, who won the big one not too many years ago. Ed Maloney took home the second prize, and Barlow-Wunder received the 50. All in all it appeared that everyone present had a great time. A couple of guys got just a

little nervous towards the end. Bren Raffaely was drawn 98th for the second time in four years. He and Hap Hanson were extremely close (but no cigars). Over the years, there have been only four winners out of twelve who weren't past presidents: John Fowler, Rocky Stone, Harry Lundgren, and Brad Finch. This should convince more of you to run for office and become a "past president" to increase your odds of winning.

Coming events are the January "Employers' Night Crab Feed" and the Annual Valentine Dinner and Dance in February.

--excerpts from the "Bulletin"

The October meeting was truly "Forester's Night" for one, namely Bob Mezger, who was not only honored as being a forester, but he won the shotgun, too!

Ron Loveness spoke to the club about his attempt at the International Convention to secure the Wood Promotion Trophy and the fact that he won first runner-up. Handouts outlining his presentation were also given out to those attending the meeting. Ron deserves a lot of credit for the

TACOMA/OLYMPIA CLUB #89. Some of the lovely ladies who attended the club's Christmas party got a chance to visit with Santa. From the looks on their faces, Santa must have told them he was going to bring them everything they wanted for Christmas.

WINEMA CLUB #216

The September meeting was "Old-Timers Night" at Collier State Park, and it was a smashing success. Forty-seven members and guests went to the meeting and devoured the 45 steaks Chuck and Fred had prepared. I think the chefs and a couple others had to split a steak. Thanks for being so understanding.

Bob Kennedy again took the delegation through the museum, explaining exactly what all that stuff up there is. There was a slight "flat beer" crisis for a short time, but W.K. Patterson and Melitas Restaurant somehow got bubbles into the beer, and everyone was happy.

There were five old-timers from the Winema club present for their free dinner: Dan Brown, Bill Patterson, Jim Rogers, Bob Kennedy, and Bob Mezger.

The 6th Grade Forestry tour on Clover Creek Road was held this year on September 22, 23 & 24 and was again a great success. There were about 900 students, teachers and others present who were instructed by 43 people at eight different stations. The Winema club provided some excellent speakers, including Ron Loveness, Buzz Wagner, Ken Dunn, Dick Miles, Kurt Schmidt, Dave Danforth and Lowell Netzer. A tip of the Hoo-Hoo hat to Loveness and Schmidt for putting this one together.

JURISDICTION IV

MOUNT GAMBIER CLUB #214

Mount Gambier Club #214 held a concatenation on Saturday, October 31, 1992, at the Silver Birch Motel.

Special guests included the Jurisdiction Board Member, Peter Childs of Adelaide. Also from Adelaide were Lindsay Reid, Gary Daniel, Bob Mudge, and club president Brian Stewart. Attendees from Portland were Lyall Saunders and Martyn Hayden.

The club welcomed three new members, Graham Roseler, Andy Cusack, and Mark Forster, into the club. The concatenation was arranged by Bob Klintberg and assisted by Dave Didwell.

On Sunday, November 1, 1992, the club held a very successful Timber Industry Golf Day at the prestigious Mount Gambier Golf Club in Attamurra.

A field of 72, including three ladies, competed in an Ambrose Fours Competition for an excellent set of prizes. Some of the scoring was quite hot, helped by excellent weather on the day which was squeezed in between days which were otherwise very inclement.

The main event, the Colin Moreland Perpetual Cup for the 18 hole handicap, was won by R. Hoyer, B. Hanson, G. Daniel and Russell Hay, shooting 68 of the stick, net 55. Runners-up were J. McGuire, G. Cox, P. Dempsey, and N. Murphy, with a net 56 and 5/8ths. Seven fours scored below a net 60.

First nine winners were N. Clayton, D. Perryman, M. Hellyer, and W. Richardson, and for the second nine, A. Gray, D. Schebella, D. Page, and A. Dow.

The famed Naga Trophy was excellently and easily taken by K. Trimmell, D. Leamey, Barry Hickey, and Doug

MOUNT GAMBIER CLUB #214. The NAGA trophy, referred to as the "famed" NAGA trophy, was won by K. Trimmell, D. Leamey, Barry Hickey and Doug Lowe at the club's Timber Industry Day golf tournament in November. It's fair to say that this trophy inspires a considerable amount of curiosity.

MOUNT GAMBIER CLUB #214.

The club welcomed three new members at their concatenation in October. Club president Colin Moreland, left, greets kittens Andy Cusack, Graham Roseler, and Mark Forster, along with Jurisdiction IV South Australia representative Peter Childs of Adelaide, right.

Log & Tally, February 1993, Page 44

MOUNT GAMBIER CLUB #214. The Moreland Trophy winners at the Timber Industry Day golf tournament were, left to right, Gary Daniel of Adelaide Club #212, Russell Hay with his eyes closed (which is how his partners described how he played golf), Ron Hoyer, and Barry Hanson, club vice president.

Lowe. Discretion prevents release of this score, which was quite convincing.

Winston Prowse took the longest drive for golfers, and Kel Butler that for non-golfers on the 17th. Nearest to the pins were Winston Prowse 6th, Ron Hoyer 8th, Jock McGuire 10th, and Brian Page 16th.

Presentations were made by Hoo-Hoo Club vice president, Barry Hanson. Organizers were Dave Douglas, Bob Klintberg, Peter Height, and Lew Parsons. The latter two drove the refreshments bus. All sponsors were well recognized on the day and thanked.

Happy 30th
Birthday to
Mount
Gambier!
Happy
Birthday to
You!!!

MOUNT GAMBIER CLUB #214's 30TH BIRTHDAY CELEBRATION. Past president Laurie Judd, left, presented a Life Membership pin to Malcolm Morrison.

Mount Gambier Hoo-Hoo Club #214 celebrated a birthday on December 1, 1992, with a wonderful affair, well attended, well organized and conducted, providing a night of great fellowship. Held at the Jen's Hotel, the place of the club's first meeting, it truly commemorated our achievement in reaching 30 years in great style. President Colin Moreland was in the chair but delegated most of the ceremony to Russell Hay as master of ceremonies.

About 75, including spouses, attended. Special guests included Lindsay and Joan Le Messurier and Peter Childs of Adelaide; Doug Howick, Ake Ackerfeldt and Andy Blackwell of Melbourne; Pat Shelton and Robert Smith of Ballarat; and Lyall Saunders and Marty Hayden of Portland. We also had Bob Cowan, Alec Stratford, Vin Zed, Greg Clements, Fred Birrell, Eric and Mary Roughana, and Dennis Mutton, to name a few.

Past presidents included Bob Cowan, Bob Klintberg, Dennis Mutton, Geoff Doyle, David Douglas, Eric Roughana, Malcolm Morrison, Bill Chant, Laurie Judd, Geoff Banks, Brian Page, Russell Hay, Dave Didwell, plus current president, Colin Moreland. Geoff Doyle arranged some old photos which were on display and recalled truly remarkable memories.

Colin Moreland welcomed the gathering. The roll call strained a lot of memories. A long list of apologies was

Log & Tally, February 1993, Page 46

MOUNT GAMBIER CLUB #214's 30TH BIRTHDAY CELEBRATION. On hand to help Club #214 celebrate were, left to right, Eric Roughana, a founding member of Club #214, John Richardson, club member, Julie Richardson, his wife, and Lindsay LeMessurier, life member of Adelaide #212 and a founder of Hoo-Hoo in Australia.

read, particularly from out of town, and some wonderful messages of congratulations were from Des Gill, Peter Koren, Gerry Ryan, etc. Apologies from founders included Don Downs, Barney Symons, Ken Wait, and Bob Page's widow Val.

Malcolm Morrison gave the toast to the club recalling timber parades, balls, Lookout designed by John Willington, conventions, golf down the main street and the missing A on the ANZ Bank, the infamous Cats' Whiskers wine, and many, many good times. The toast was drunk. Laurie Judd then responded on behalf of the club, and in thanking Malcolm also announced his Life Membership, our first, and a very big surprise to him and well earned and deserved. Some of Malcolm's service included club president, vicegerent, projects, the cat tamer at many concatenations, and regular attendance over many years.

Doug Howick and Andy Blackwell spoke in regard to the Timber Congress and the Hoo-Hoo Convention in Melbourne in October 1993, and about Andy aspiring to be Snark of the Universe. Doug also recalled the exploits of the Holy Trinity, Vin Zed, Greg Clements, and Fred Birrell.

Geoff Banks then introduced the guest speaker, Dr. Dennis Goulding, the local veterinarian who attended the gold medal winning equestrian team at Barcelona. This was a marvelous talk illustrated by slides giving an insight into the effort, expense, organization, and dedication of all concerned and the comradery of the team, support grooms, and handlers, etc. Dennis had a big job in attending to injury and complaint, horse fitness, team selection and transport. Some of his regular work included blood tests, drug tests, fitness training, fitness monitoring, etc., on a daily basis. Dave Didwell gave the word of thanks.

A mass Gurdon session followed including Brian Page, Barry Hickey, and Peter Whitehead, and a very nice bag of loot was collected. The evening closed a little after eleven with people in drives going to the Green Room Bar or talking and reminiscing in friendly groups.

BRISBANE CLUB #218. It seems like a long time until 1996 rolls around, but these guys are not wasting any time getting ready for the 1996 Hoo-Hoo International Convention which will be hosted by Brisbane #218. Members of the convention committee are hard at work on plans for the convention now. From the left, committee members are, standing, Steve Phillips, Colyn Lamplouch, and Tom Donohue. Sitting are Graeme Miles, Ralph Butterworth, Darren Creevey, Worrall McCarthy and Charlie Henry.

JURISDICTION

VANCOUVER CLUB #48

The Terminal City club was the location for our 17th Annual Ladies' Night. Held on Saturday, October 17, 1992, this event was a sell out with 152 couples attending.

First order of business was for the wives and girl friends to make their bets for the evening draw. Following the renowned Terminal City Club's Smorgasbord, introduc-

tions were made that included our Snark of the Universe, Dave Blasen and his wife, Dorothy.

A feature event of the night was a "Donor Auction" of items generously donated by a number of companies. We are grateful to the following companies who kindly donated items for this event: A&A Trading Ltd., B&I Forest Products Ltd., Harbour Air Ltd., Hodder Tugboat & Harken Towing, J.K. Jacobson Ltd., S.A. Mowat Ltd., Norpex Enterprises, E.R. Probyn Ltd., Rivtow Straits Ltd., Stag Timber and Delta West Trading.

Excitement mounted as the draw down started. Bonnie Kerr's ticket was the first drawn out of the barrel, and she won a prize of \$250. Each 25th person to have their ticket drawn won \$50.

The last five ladies who still had tickets left in the barrel were Kathy Matich, Debbie Jacobson, Mary-Ann Nagy, Michelle Marshall and Lois Burtrum. Rather than continue to draw, they split the \$2,000 grand prize between them. Thanks to Doug Sanders for organizing a very successful event.

Our annual "All you can eat" crab dinner held October 29, 1992, was the usual success. Prior to the evening festivities the AGM was held. New and old officers were elected and re-elected. A total of 14 eager kittens showed up at Bella Casa Restaurant to partake in the annual concatenation. Once again Maurice "the Terrible" Hudon and the not so terrible Terry Malcolm organized a splendid evening for everyone to enjoy.

We welcome new members Rob Scheel, Peter Lang, Keith Wakefield, Lars Mathiesen, Robert McCracken, Jose Gomez, Stuart Trober, John Schertzer, Berndt Olesen, Rod Barclay, John Mohammed, Micheal Morley, Robert Maisey, and Glenn Overhoff.

VANCOUVER CLUB #48. Club president Scott Cannins presented a wooden carving to Snark of the Universe Dave and his lovely wife Dorothy who were special guests at the club's Annual Ladies' Night in October.

VANCOUVER CLUB #48. The final five in the draw down at the club's Annual Ladies' Night were Kathy Matich, Debbie Johnson, Mary-Ann Nagy, Michelle Marshall, and Lois Burtrum. They all ended up winners, splitting the \$2000 grand prize.

COWICHAN VALLEY CLUB #229

A new litter of kitties was adopted into the Cowichan Valley Hoo-Hoo Club No. 229 November 19, 1992.

The club's annual concat initiation ceremony at the B.C. Forest Museum in Duncan ran purr-fectly again as eight kittens were welcomed into the Order of Hoo-Hoo. Daryl Jones, Bill Duncan, Ron Anderson, Chris McLean, Wayne Sinclair, Doug Peterson, Dan LaRose and Dale Foote didn't pussy-foot around with the series of tests they were required to complete. They pounced right into them.

A ninth potential kitten, Murray Hall, was absent and will be put through his paces at a later date.

Log & Tally, February 1993, Page 48

Highlighting the evening was the presentation of the Hoo-Hoo Member of the Year award to outgoing president Mike Hooper. Hooper, now the past president, put a great deal of time and energy into the club in many capacities.

The club also held its Christmas party at the B.C. Forest Museum for the second straight year December 10 and the fall stag. The stag was one of the most successful yet, with the addition of roulette wheels and a blackjack table making the evening more complete.

The new executive of the club leapt right into its duties and got the 1992-93 year off to a great start. President Al Crosson is working hard to get better turnouts to all club functions.

Joining Crosson on the immediate executive are Mike Osborn, vice president; Bob Barlow, treasurer; Wayne Erickson, secretary; and Jerry Doman, vicegerent.

The chairmen of the various subcommittees include Gary Shelton and Wayne Lamontagne, ways and means; Rob James, membership; Don Bodger, publicity; Crosson, bingo; Steve McAdam, bursaries; George Robbins, G.S.D. Memorial; and Keith DeLure, bar manager.

In other club-related happenings, Hooper is looking into the possibility of getting the club involved in sponsorship of a logger sports show at the B.C. Forest Museum. Details are still to be worked out.

Some world championship loggers reside in nearby Ladysmith, so Hooper has commitments from them to attend if the project goes ahead. Loggers sports has become scarce in the Cowichan Valley, other than at Lake Days in Lake Cowichan, despite the area's rich forestry history.

In his latest report on the G.S. (Gordie) Doman Memorial Foundation, chairman Robbins indicated the committee and Don Brown, executive director of the Cowichan District Hospital, have agreed that the balance of the trust account be held at \$25,000. The interest will be used for education and training programs for hospital personnel.

The fund stood at \$45,000 at the end of March, leaving about \$20,000 to be expended. Brown identified a number of educational programs the hospital has committed to provide its staff in the fiscal year ending March 31, 1993.

Included are workshops on team building, emergency preparedness and discharge planning.

Randy and Jerry Doman of Centurion Lumber have maintained an important connection with the community through their support of the Duncan Basketball Association. Centurion donated the money for the association to buy uniforms for all 18 of its boys and girls youth teams.

SAN JOAQUIN CLUB #31

Through the years, the members of the Lumber and Building Materials Industry have been more than generous in helping to sponsor the club's yearly activities. This support has been instrumental in allowing the club to offer a widely varied agenda.

In the past year, Hoo-Hoo Club #31 has held a Casino Night to raise funds for The Chester G. Harshner, Jr., Memorial Scholarship Fund. The club has also held a well-attended mill trip and a Coast Frolic Day plus a Ladies Night Crab Feed which, by the way, is scheduled for February 13, 1993.

With the continued financial support of our sponsors and members, Hoo-Hoo Club #31 will again be able to offer this type of quality agenda.

Health, Happiness, and Long Life.

PHOENIX CLUB #72

The club's September and October golf outings were two great events. September 11 and 12, 1992, the club played two days of golf at Rio Rico. Wally Pensinger shot a pair of 68's to win the Low Net trophy. The best team was Jim Gonsalevs, John Hammond, Pete LaValley, and Mike Baker, a guest of Western Molding. Other guests were Charlie Foss, a guest of Pueblo Lumber and Mike Christy, a guest of his dad, Marty Christy.

On October 13, 1992, the golf outing was at Alta Mesa Country Club with 38 golfers teeing off. Duncan Hossack came away with the low net prize. Second low net went to Ed Cox. Dan Roads not only took a low gross, but he also won one of the closest to the pin events. Second closest to the pin went to Terry Burkholder. Nice golfing, you guys. Hal Webster and Larry Tostenson brought guests Dave Chambers and Pat Plazck; Mike Brady brought Armondo Mendoza; Pat Craghead brought Strech Hensley; John O'Malley brought Bud Lundgren; and Ed Cox's guest was Bob Ransom.

We had a good turnout for our November outing at Scottsdale Country Club. We played a game called Cha Cha Cha or 1 best ball on the first hole, 2 best balls on the second hole, 3 best balls on the third hole, and keep repeating until all 18 holes are played. Now listen to this: The foursome of Wally Pensinger, Wayne Cundiff, Frank Heldt, and Earl Heldt won with a score of 112. Not bad, EH. Also winners on the closest to the pin holes were Mike Brady, and Steve Garrison. Nice going, you guys.

Log & Tally, February 1993, Page 50

For our Christmas outing, we had a nice turnout with 36 golfers braving the cold weather for a fun round of golf. We played a game called Sucker in the Bucket, and the winners were Bill Swaney, Armondo Mendoza, Jim Hill, and Stuart Ralston. Congratulations to the team. Our winners for the closest to the pin were Frank Snyder and Bill Dunlap with another congratulations due to some fine golfers. At the dinner we had a Santa's helper that gave out golf balls to those in attendance.

--from the club's newsletter

SACRAMENTO CLUB #109

The club's Forestry Night meeting was on December 3, 1992. Forty-five members and guests showed up to hear two very interesting speakers. Duane Nelson of the U.S. Forest Service spoke on salvaging the burnt timber from the Cleveland fire in the El Dorado National Forest. He is heading up the team that will handle that. Chris Conrad spoke on new growth in some of the old forests. Chris is a private forester with Fiberboard Corporation.

Our next meeting will be a concat held January 18, 1993, when Snark of the Universe, Dave Blasen, will be "visiting officer".

--submitted by Dick Kidder 68569

SACRAMENTO CLUB #109. Guest speakers at the club's Forestry Night in December were Duane Nelson, left, of the U.S. Forest Service who spoke on salvaging the burnt timber in the El Dorado National Forest and Chris Conrad, right, a private forester with Fiberboard Corp., who spoke about new growth in some of the old forests. In the middle is Lori Tippin, a U.S. Forest Service ranger, who came as a guest.

SACRAMENTO CLUB #109. Enjoying the fellowship at the club's Forestry Night were, left to right, Jack Hulbert, a visitor from Black Bart Club #181, Roger Ekvall, chairman of the Forestry Night meeting, and Jerry Baldwin.

COAST COUNTIES CLUB #114

On December 21, 1992, Coast Counties Hoo-Hoo Club #114 held its Santa Claus Evening with the children and single mothers at the Family Emergency Shelter in Salinas. Our own Bill Baird 95073 attired himself in Santa Claus regalia and with bubbling spirit distributed stuffed animals to the children and food certificates to the mothers. All appeared extremely pleased as each were photographed on Santa's lap and given a picture to remember the experience.

All in all, 23 children took part, as well as 9 mothers. In a time of crisis and hardships for these folks, the club can feel proud of its altruism. Thanks must go to all club members and sponsors for allowing us to give a little. Thanks to Shirley for her photos and spirit.

Health, Happiness, and Long Life.

--submitted by Bill Sullivan

COAST COUNTIES CLUB #114. Santa Claus had his hands full, literally, at the club's Santa Claus Evening with the children and single mothers from the Family Emergency Shelter in Salinas. Bill Baird served as Santa and handed out presents which brought smiles to a group of children who sometimes don't have much to smile about. The mothers received food certificates, and everyone had a great time.

Club News

BLACK BART CLUB #181. Dave Dahlen, left, outgoing president of Club #181, welcomes Ken Carter, the new president, into office at the November meeting of the club's directors.

BLACK BART CLUB #181. Club treasurer Ren Reinke offers dessert to pudgy directors, one scoop of ice cream and twelve spoons.

BLACK BART CLUB #181

At the November 4th Directors Meeting at Catelli's Restaurant in Geyserville, California, the club's new officers and directors were installed. The new officers are Ken Carter, president; Karl Drexel, vice president; Jim Levee, second vice president; Bob Tjepkes, secretary; Ren Reinke, treasurer; and directors, Len Adamo, Kent Bond, Dave Dahlen, Dave Jones, Jim Lewman, Elmer McDade, Greg Goman, and Dave Snodgrass.

Black Bart Hoo-Hoo Club #181 held its annual concat November 18, 1992, at La Grande Restaurant in Santa Rosa, California. Fourteen kittens were concatenated. The new kittens are as follows: Chris Olson, Mike Stone, Grant Hayes, Gary Johnson, Bob Hildebrand, Bob Doty, Frank Van Vranken, Frank Van Vranken, Jr., Tom Fleming, Tom Schlaak, Danny Nabors, David Workman, Lee Morton, and Steve McCullagh. Thirty-five members were on hand to welcome the new kittens into the Order.

CENTRAL MINNESOTA CLUB #91. Frank and Doreen Zapf were in the spirit of the evening at the club's Costume Ball in October.

CENTRAL MINNESOTA CLUB #91. At left, left to right, John and Jean Donlin, and Ron and Sharon Nawara were dressed to kill or thrill in their outfits for the Costume Ball.

CENTRAL MINNESOTA CLUB #91. Below, Ken and Marge Hennen were barely recognizable in their costumes for the Costume Ball.

OMAHA CLUB #124

As is our custom, the December meeting is a Ladies' Night. This year we had about 40 who attended the Firehouse Dinner Theatre for a buffet and a Neil Simon musical, "They Are Playing Our Song". It was a delightful comedy and am sure enjoyed by all who attended. Our next meeting will be on February 1, 1993.

We were proud to have four of our members at the 100th anniversary and pleased that Royce Munderloh was inducted as a member of the Supreme Nine. The club is looking forward to a good year in 1993.

Wheeler Museum, the first building in the present-day, four-building World Forestry Center in Portland, Oregon, was constructed in 1971. It features a wide variety of exhibits relating to the management and uses of forests. A popular unit is the Forest Store which offers unique gifts related to forests and wood.

A VISIT TO THE WORLD FORESTRY CENTER IN PORTLAND, OREGON

PHOTOS AND CAPTIONS PROVIDED BY ALBERT ARNST

An attention-getter in front of Cheatham Hall is a set of large "high wheels" used in the forests of eastern Oregon for yarding ponderosa pine. Motive power was either oxen or horses and, later, crawler tractors. The wheels lifted one end of a turn of logs.

One of the exhibits is a 12-foot diameter cross section of a Douglas fir tree, logged south of the Columbia River. It was over 900 years old when harvested in 1959 for display at the Oregon Centennial.

Obituaries

We mourn the passing of our devoted Hoo-Hoo Brothers

HARRY DRAKE AKINS 61154
Emmaus, Pennsylvania
Member-at-Large

H. Drake Akins passed away October 16, 1992. He was a member of Hoo-Hoo since 1954. He is survived by his wife and daughter.

THOMAS WILLIAM BLACKWOOD 67513
Victoria, British Columbia, Canada
Member Victoria Hoo-Hoo Club #183

Tom Blackwood passed away November 21, 1992, in Victoria. Tom was a former owner of Pacific Pile Driving Company Ltd., of Victoria. Tom is survived by his wife Jeanette; daughters June, Joan, and Louise; and son Gerald.

GORDON R. BROWN 80380
Kirkland, Washington
Member Seattle Hoo-Hoo Club #34

Gordon "Gordy" Brown passed away October 4, 1992. Born in Minneapolis, Minnesota, August 4, 1944, Gordy moved to the northwest in 1968 and was employed in forest products sales and distribution with various local and national companies until his death.

Gordy was especially active as a member of the board in the early 1970's, becoming club president for the 1976-77 year. In part, his efforts were rewarded by a resurgence in membership and interest in our order, and the Seattle Club in particular. Many of our current activities are a result of the innovative leadership from that time.

Gordy is survived by his wife, a son, two daughters, a grandchild, and sister.

N.O. CARLSON 78832
Monroe, Washington
Member of North Cascade Hoo-Hoo Club #230

JOHN M. DENISON 54871
Woburn, Massachusetts
Member Harry Folsom Hoo-Hoo Club #13

JOHN DAVID EBEL 73575
Forest Grove, Oregon
Member-at-Large

JOHN ANTHONY EGAN 72987
San Francisco, California
Member Sacramento Hoo-Hoo Club #109

JOHN HINCKLEY 54857
Cummoiquiol, Massachusetts
Member Harry Folsom Hoo-Hoo Club #13

DANIEL ARTHUR LEDERMANN 94712
Houston, Texas
Member Houston Hoo-Hoo Club #23
Daniel Arthur Ledermann, 36, passed away January 21, 1993. He was vice president and chief financial officer of Olshan Lumber Company and was a past president of the Houston Retail Lumber Dealers' Association. Among his survivors are his wife, Dr. Karen Fern, and son, Nicholas.

JOHN L. MAXWELL 47013
La Mesa, California
Member San Diego Hoo-Hoo Club #3
John L. Maxwell died recently at the age of 80. He was a millwork manufacturer and had been a member of Hoo-Hoo since 1945. Maxwell started his own business, La Mesa Planing Mill, in 1937. In 1955 he moved the specialized woodworking business to El Cajon. The company is now owned by his son, Fred. Survivors include his wife, Audrey; sons Fred and David; and two grandchildren.

Richmond, Virginia
Member-at-Large

W.D. SMITH 61996
Portland, Oregon
Member Portland Hoo-Hoo Club #47

J.H. SUVERKRUP 64311
San Bernadino, California
Member Inland Empire Hoo-Hoo Club #117

FLOYD D. WILSON 63670
Great Falls, Montana
Member Great Falls Hoo-Hoo Club #165
Floyd D. Wilson, 86, a longtime building material wholesaler died recently after a long battle with cancer. Wilson served as office manager, purchasing agent and treasurer of Building Service Company and its successor, Boise Cascade Corp., until his retirement in 1966. He then worked part time in similar capacities for Builder's Supply Co. until 1979. Wilson is survived by his wife; four sons, Warren, Stuart, Scott, and Kirk; two sisters; seven grandchildren; and four great-grandchildren.

We built 20 YEARS of *SUCCESS* on ONE simple idea.

Waste not, want not. Over the past two decades, Louisiana-Pacific has built its reputation as a pioneer, creating new products that set the standard for the industry. We've done it by taking an aggressive lead in applying technology that uses the whole tree; and the result is a wide range of innovative, affordable building products that not only perform better than the ones used in earlier decades, but also cost less to buy and install.

It's as simple as recognizing the value of raw materials that others would allow to go waste.

Our entire line of Inner-Seal® oriented strand board products, for example, is made from plentiful, small-diameter trees once considered to be of little or no use. Our Nature Guard™ insulation and FiberBond® wallboard both contain recycled paper as a key ingredient. And L-P engineered I-Joists and laminated veneer lumber both outperform solid sawn lumber; yet our I-Joists use only half as much wood and our LVL doesn't require old-growth trees.

The decades ahead promise to bring even more challenges, as ecological concerns increase and the need to conserve resources grows more urgent. We're ready for those challenges, with the vision that recognizes a changing climate and the products that respond to that change. Because the future rests with those who make the most of their God-given resources.
