MEMO

...from
the Snark's
desk

James A. Jones L-72703
Snark of the Universe

The Hoo-Hoo Club is a local chapter of the International Order of Hoo-Hoo and operates under a Charter from the parent organization.

The fundamental purpose of the Hoo-Hoo Club is to furnish the opportunity for Lumbermen and others of the Forest Products Industry to work cooperatively in the interest of their industry and their own community.

The Hoo-Hoo Theory is that all competitive evils, non-progressive methods and unfavorable conditions can be corrected if the lumbermen can be brought together frequently enough in a spirit of mutual tolerance and understanding.

The Hoo-Hoo Club provides occasions for bringing the Lumbermen together and offers programs that encourage better understanding of one another's problems. It fosters "elbow rubbing" that develops the spirit of teamwork - that makes possible unity of effort from which the entire industry benefits.

For the success of our Hoo-Hoo Museum in Gurdon, Arkansas, we will need cooperation and financial help from all Hoo-Hoo members and all Hoo-Hoo Clubs. This is a chance to do something real great for Hoo-Hoo today and for our successors down the line, our sons & grandsons. We can build this museum into something envied by other organizations involved in the timber industry, it will be so easy if every member will contribute just a few dollars.

A lot of news and pictures are coming into the Boston Office and keep them coming. The LOG & TALLY is something that we can be proud of. Cliff and Lois can't do it all without the cooperation of the members and clubs.

From Jurisdiction IV, we have news that we are soon going to have a new club in Auckland, New Zealand. Jurisdiction IV is really spreading out.

All Jurisdictions are reporting Concats and many diversified meetings from Industry nights to just plain fun nights, Ladies Nights, and even family get togethers.

All reports from Atlanta, our convention city, are coming in and the Atlanta club is putting together a program that should make almost everyone happy. The Ladies Program will be the greatest ever. So ladies get your reservations in and come to Atlanta for a great time in the New South.

To date, I have visited thirty (30) clubs. Doesn't sound like too many but they reach from Singapore and Australia to Boston and Portland, Maine. Will try to visit as many as possible for the rest of the year. Would appreciate bulletins from your clubs on your activities between now and the end of August.

Health, Happiness and Long Life!

CLUB NEWS

Maine
Club No. 54
Portland, Me.

The Maine Hoo-Hoo Club No. 54 held its monthly dinner meeting at the K.P. Hall in Gray, Maine, January 31, 1980, with some 30 members attending.

The club had as its speaker for the evening, Mr. Fred Greene, Jr., director of the New Enterprise Institute, of the center for research and advanced study of the University of Southern Maine, Portland.

The New Enterprise Institute is a university-based organization created to carry out a long-term program designed to strengthen Maine's economy and the material well-being of its people.

Greene stated that the institute's objectives are to help create more business opportunities and jobs, by giving advice and assistance to selected individual enterprises and business projects through direct counseling, emphasizing strategy, planning, marketing, and enterprise development.

The New Enterprise Institute was founded in 1974 with limited funding from the State of Maine, the University, and private resources. In 1976 the University received a five-year grant from the W.K. Kellogg Foundation of Battle Creek, Michigan, to provide the first major funding for the Institute's program, and to staff the program with experienced business professionals and to develop a sustained effort to promote enterprise development in Maine.

A question and answer period followed this most productive

Left to right, Dennis Pelletier, President; Roger E. Gowen, Secy/Treasurer and Gerald Soucy of the Milliken-Tomlinson Co., guest speaker for our February meeting.

program, as to how the institute could possibly help our industry.

The meeting was adjourned, but not before a very important reminder of our two very interesting programs coming up for February and March.

The Maine Hoo-Hoo Club No. 54 held its monthly dinner meeting, February 28, 1980, at "Happy Jack's" in Lewiston, Maine. The program for the evening, was one of the best that the club has had in a long time!

This writer, and our prez., Dennis Pelletier, were very fortunate in obtaining as our speaker, Mr. Gerald Soucy, who is in the personnel and sales training department of the Milliken-Tomlinson Co., of Portland, Me. They are distributors for IGA Supermarkets in Maine and New Hampshire.

Gerry's program was on complete security for the retail lumber yards and wholesale plants. He did a tremendous job in converting his material from the food industry into ours, be it lumber at the retail or wholesale level.

Knowing the importance of this program, we sent out notices to all our non-member friends in the industry, who are in the area and could attend the meeting. The response was just great with over 50 attending!

Gerry is well known throughout the State of Maine for his fine program on security, presenting it to the leading dept. stores, and even to his competition in the food line. He has even had the blessing of the Portland Police Dept., in their lending one of their sgts., who is in security at the dept., to travel with him. He has also been on TV in Bangor, Maine.

Gerry even made surveys of local yards, and found that security could certainly be tightened up considerably. Both in the showroom and yard areas. All should take heed. Statistics show, he said, that the dollar amount lost by internal theft in our industry, and others, are staggering.

He cited various cases that one just wouldn't believe, and ways that shop-lifting are done without detection, from the monies, to the goods.

Gerry topped the evening off, with two fantastic films, that just captivated the group! Not one muscle moved! Not one could believe their eyes on ways that women and men make off with items.

A standing ovation was given to Gerry for his fine program, and incidently, a member of our neighboring club, the Granite State Hoo-Hoo Club, was in the audience, and after the meeting, invited Gerry to present the program whenever possible.

Vancouver
Club No. 48
Vancouver, B.C.

The Vancouver (B.C.) Hoo-Hoo Club No. 48 celebrated February with its 8th Annual Lumbermen's Ball at the Terminal City Club on Saturday, February 23rd. "We started with cocktails about 6:30 P.M.," reports Earl Wilcox, "had a fantastic dinner at 7:30 and then danced until well after midnight. It was a sellout crowd which really enjoyed the British Columbia Seafood and Baron of Beef dinner. We had a really lively band and everyone enjoyed the evening."

Omar Derkach was the program chairman for the evening and he is thanked by the members and guests attending. "We are planning a Concat in April, a fund-raising dinner in May, golf tournament in June, Annual Picnic in July, and our annual meeting in September," said Earl, "Then comes the ladies Night and Draw in October."

"Our club membership is up again with a large number of enthusiastic members and all functions are well attended."

"If I do not believe as you believe, it proves that you do not believe as I believe, and this is all that it proves."

All were reminded again of our program next month, with Dick Dolby of the Maine State Fire Marshal's Office, as our guest speaker for the evening.

The Maine Hoo-Hoo Club held its monthly dinner meeting, March 20, 1980, at the Red Coach Convention Center, in Portland, Maine.

Again, our Prez. Dennis Pelletier deserves a Hoo-Hoo cheer for the fine job that he did in arranging this meeting. Dennis was very fortunate in getting a very bust Dick Dolby of the Maine State Fire Marshal's Office as our guest speaker for the evening.

Then to add a little more icing to the cake, so to speak, he arranged with Don Thompson, Sec'y. of the Maine Home Builders Assn. to have his members join us for a joint meeting. Needless to say, another whiz-bang meeting! Had over 50 attend the meeting!

Dick started out by telling us just exactly what his duties are, and man, he has some power! I think if an exit sign was burned out in a public building, he could shut them down! He explained the codes, regulations, the enforcements of single, multi-family dwellings, commercial buildings, the do's and don'ts on wiring, heating, explaining fire alarms and smoke detectors for all residential and commercial buildings.

A little humorous side to the evening, seems Dick had to be in Portland, and was ahead of us at

the Convention Center, and used the time waiting for us, to inspect the Convention Center! Guess the Center passed his inspection with flying colors, as we held the meeting!

The Waterville, Maine gang!

Boy, what a great meeting!

Jeff Fox - Portland explaining things to the Yarmouth, Maine gang.

He cited different cases that he has experienced, some comical, but most very serious....problems with sprinklers, alarms, seems they raise their brows on second and thirf floor eating establishments quite high.

Dick also discussed the energy crunch we are all hit with, talking about being very careful with installation of the wood-burning stoves, fireplaces, and the all important do's and don'ts about this new fad.

George Herman, John Harrison and George Rodman - doesn't believe a word!

The Lewiston, Maine gang!

A question and answer period followed the fine talk, and Dick stressed very strongly that all one has to do is call the Fire Marshal's Office if there is a question of any kind, that is what they are there for, and that goes for any state.

Buffalo
Club No. 71
Buffalo, N.Y.

Buffalo club members spent a wonderful evening at the Ziegfield Follies Show on February 1, 1980 at the Executive Motor Inn, Buffalo, New York.

Mike Flury of Quality Lumber, was Chairman, Vic Lichtenthal and Rich Carier, Iroquois Door Company, also Chairman.

Mike did a splendid job of arranging a very entertaining evening for 35 Buffalo club members and guests.

Rochester Club No. 184 had representatives, Bucky Lischer and wife, Fred Meyer also of Jurisdiction II and wife Babe. Fred brought guests Hal Seymour and wife from Elitsac Lumber, Castile, New York.

The Follies Show had girls dressed in Las Vegas style costumes with a singer comedian as the main attraction of the show. A very entertaining night with a fine dinner was had by all.

Mike and Jim Flury with their wives. Mike was chairman of the event.

I have just recovered from the Honolulu Convention, Christmas and New Year! Business is blooming in this part of Aussie, so things look good for my trip to Atlanta.

The enclosed photo is the first meeting of the Directors of the Sydney, Australia Hoo-Hoo Club No. 215 which we had aboard Peter Smith's 35-foot boat on Sydney Harbour. Note the bridge in the background. We now have a big program for the year which includes a V.I.P. night with Industry and Senior Government guests for World Forestry Day.

The next Jurisdiction IV meeting will be held here in Sydney with Kevin Kelly, S-9, travelling up to see us and to join our V.I.P. meeting afterwards.

Health, Happiness and Long Life

This certificate was signed by Jimmy Jones, Snark of the Universe; Dick Campbell, Deputy Supreme Nine; Peter Smith, President, Sydney Hoo-Hoo Club No. 215; Bob Frost, Past President of the Sydney Club; John Campbell, Past Treasurer, Brisbane Club and Ken Parsons, Past V.P., Sydney Club.

Can anyone in Hoo-Hoo land help me with any objects or stickers that may be available for decorating my Hoo-Hoo bar? I have lots of shelves, mirrors and hanging space to adorn, and already have entertained three Hoo-Hoo groups this year! Besides my ukelele, I have installed a Pianola - so everyone get in good voice when you come to visit us in Australia in 1982.

Sioux Valley
Club No. 118
Sioux Falls, S.D.

The Sioux Valley Club No. 118 held their Annual Concat in Sioux Falls, S.D. on February 12th and brought no less than 19 new members into our great Order. This was done with the help of a most able and experienced degree team.

Snark of the Universe Jimmy Jones was with us as well as Rameses Tom Partridge, and Supreme Nine Member Cliff Taylor. It all made for a great and memorable Concat.

The evening prior to the Concat, a number of Hoo-Hoo members and wives attended a welcome dinner for Jim and Betty Jones who were enjoying their first trip to South Dakota....Our club presented Snark Jimmy with a pheasant tie tac, symbolic of our State Bird, and earrings for his lovely wife, Betty.

The Snark's visit and the Concat were made in conjunction with the South Dakota Lumbermen's Convention which is held in Sioux Falls every February.

Following the Concat, the Sioux Valley Club and the South Dakota Retail Lumbermen's Association, jointly sponsored a social hour and formal banquet at the Downtown Holiday Inn. Each of the new members was given a Hoo-Hoo pin and a free ticket to the Banquet as a special welcome to the club.

This is a very enthusiastic club with an excellent base of long-time members along with many new members who are becoming more active.

We believe that Hoo-Hoo International is a well established organization with a lot of potential in promoting the lumber industry. Social functions promote good fellowship among friends and competitors.

As our next club project we are tentatively planning a golf outing and steak fry for Huron, South Dakota on Tuesday, June 24th.

Snark Jimmy Jones poses here with our club 19 (count 'em) new members. We hope they all become active!

San Joaquin Valley
Club No. 31
Fresno, Calif.

The famous San Joaquin Hoo-Hoo Club No. 31 held the Annual Ladies Night on February 23rd with a very good turnout. Perhaps the success of the affair can be attributed to the fact that was once again held at Roger Rocka's "Good Company Music Hall."

We all had libitations of one sort or another and then settled down to a fine dinner which was followed by a professional production of the very famous musical "Fiddler On The Roof." The cast approached the calibre of the Broadway version, and a good time was had by all in attendance.

Though the news is a bit outdated, I'm sure the Hoo-Hoo members who attended the Detroit Club's annual Christmas luncheon will enjoy the coverage.

Art Brooks reports that it was as usual, a very large crowd that turned out for the Christmas festivities including special guest, Snark of the Universe, Jimmy Jones.

The luncheon was held at the beautiful Plum Hollow Golf Club where a trip to Toronto was drawn for along with many other door prizes for the lucky members on hand. Each member was also asked to bring along a gift for the exchange. The program Chairman for the day was Jim Frensley.

The night preceding the Christmas luncheon, special guests from Hoo-Hoo land were invited to enjoy the hospitality at the home of Bob and Marilyn VanEvery. The pictures displayed are proof enough of the evening's success.

Tom Osborne receiving a redwood gift from Jimmy Jones.

This is how well Jim Frensley and his committee signed in the many attendees.

Snark Jim presents the Club Charter to the newly formed Saginaw Valley Club.

Fred Meyer, Supreme Nine for Jurisdiction II asks that all clubs work on increasing their membership.

January's meeting of the Detroit Club took place at the VFW Hall in Southfield, Michigan. The meeting was very

well attended according to Club reporter Art Brooks. As a special bonus for paid up members with early reservations, a \$2.00 dinner discount was awarded.

The speaker for the evening was Warren Koch of Continental Wood Products whose talk dealt with "All Weather Wood Foundations". The program turned out to be a very informative one complete with slides, literature and much expertise from both Pat Dineen and Dick Blue.

All members were prompted to bring their prospective kittens to the next meeting. Sponsors for new kittens would be able to participate in a lottery for a trip to Toronto.

Bill Graves, reading the past recipients of the Detroit Club's Lumberman of the Year Award, is extremely overwhelmed to have his name included on this trophy.

The January meeting of the Nutmeg Hoo-Hoo Club No. 99 took place at the Cabin Restaurant in beautiful downtown Meriden, Connecticut.

The theme of the evening was "Prognostication Night" and was billed as the most informative meeting of the year.

The speakers for that night consisted of a fine crosssection of industry representatives including Larry Cantliffe, Jr. who spoke primarily on the current and future outlook for both the Redwood and Cedar products market and whether or not dealers would think of stocking up now or wait until a future date.

The second panelist was Bob Ingham, Manager of Champion Building Products whose main topic was Plywood. He touched on what some of the major corporations' prognostications were for the months ahead, the major changes which were taking place and also what portion of the market alternative products would take in 1980.

The third speaker was Dick Riley of Boston whose topic was Cargo, Futures of Lumber & Plywood and current market trends and possibly how we in the industry can maintain profits through the use of futures.

The Nutmeg Club's March meeting consisted of a social outing at the Plainfield Dog Track. This was a combined meeting with the Western Massachusetts Club.

The very reasonable fee of \$9.00 a person included bus fare to the track, dinner and admission. After that point you were on your own!

Future meeting ideas have been discussed by the club including a Father, Son/Daughter Night, and a visit from the Snark of the Universe perhaps combined with the Connecticut Retail Lumber Dealers Golf Outing.

**North Idaho
Club No. 155
Coeur d'Alene, Idaho**

The North Idaho Club held a regular monthly meeting on January 10th in Coeur d'Alene, Idaho. At this meeting plans were pretty well completed for the Valentine party to be held in February at which Jim O'Donnell of northwest Pine Association will be the speaker.

A new project, landscaping a state-owned recreation area at hauser Lake, was discussed and will be followed up after more information becomes available.

The program for our January meeting was Ed Javorka from the U.S. Forest Service who brought us up to date on land use development in the Panhandle National Forests.

H.S. Draheim was our program chairman for the evening and the meeting was well attended. W.M. Sims won the door prize of a fifth of Scotch which was donated by the club.

Due to many conflicts, the flu and stormy weather, the Valentine Party was not too well attended, but this did not dampen the enthusiasm of those attending.

No business was conducted, but W.P. McCarthy presented the Club's Krueger Award to L.L. "Bud" Mason - a scroll and plaque. This honored Bud's many years in resource work, particularly reforestation, and also his service to Hoo-Hoo.

The speaker was Jim O'Donnell of the Northwest Pine Association who presented a very humorous but informative talk on resource management problems and our need to get involved.

R.R. Mason won a bottle of wine which was donated by the club.

The Club's March meeting was held at the Iron Horse Restaurant in Coeur d'Alene. Our Supreme Nine Member, Norm Mikalson, was with us to help in planning for the Jurisdiction III meeting to be held in May here in Idaho. He also briefed us on the International Board of Directors Meeting which was held in New Orleans early in December, and about the plans for a Hoo-Hoo Museum in Gurdon, Arkansas - the Birthplace of Hoo-Hoo.

Speaker for the evening was Gary Hoagland. He spoke on property valuations, interest rates and taxes.

K. S. Draheim won the door prize of a fifth of Scotch which was donated by the club.

Future plans call for a Jurisdiction III meeting and our Woodworking Contest.

A. L. (Al) Kerper is a famous name in the Shasta-Cascade Club No. 133 of Redding, California. He has held the office of Club President, among others; was the Club's Lumberman-of-the-year, and has been the Chairman of the Hoo-Hoo International Redwood Grove Committee for several years.

Such dedicated service to Hoo-Hoo deserved some real recognition, so in November, 1979, the club had a testimonial dinner in Al's honor, and also honored him for his 50-years of service to Hoo-Hoo. Needless to say, it was a highly successful event!

After an attitude adjustment period, there was a find dinner and even a couple of short speeches.

If anyone on the west coast deserved a testimonial, it was Al!

The evening was the best of such concats for some years and was highlighted by the presence of Snark Jim Jones, Jurisdiction VI Director Bernie Barber, Deputy Supreme Nine Member Brent Crosby, Al Kerper and Bert LeBeck.

Snark Jim was the Visiting Officer of the Degree Team and recited the Code of Ethics and gave the new as well as the older members an inspiring message. It is worthy of mention that Snark Jim's attendance makes this the thirteenth of the past thirteen Snarks to attend this annual event.

In addition to Snark Jim, the Degree Team was made up of Director Juris. VI, Bernie

Bernie Barber, Jr., Supreme Nine Member from Jurisdiction VI, poses with his wife, Elaine.

I think that all of us in the lumber industry are experiencing difficult times. I would like to suggest that each of us take a moment to read our code of Ethics...then go out and live by them in our everyday lives. We all have a tendency to forget about those we serve: our employers, employees, and customers.

Communication is essential in every club. Miscommunication or the failure to communicate leads to misunderstandings and division. It causes problems in clubs and in other aspects of life. Misunderstandings in clubs causes loss of membership and diminution of potential.

Our fraternalism is diminished if it isn't shared. Its potential is diminished if we don't keep expanding our membership and clubs. If someone had not started your club and invited you to join our fraternity you would not be reading this article now. I ask that you and your club make every possible effort to start a new club in your area in the near future. Generations of Hoo-Hoo will remember you for it.

Each one of us was born with the ability to be a salesman so let's go out and do a selling job of Hoo-Hoo. Hoo-Hoo experience is a way for men to acquire new friends in the lumber industry with whom he can experience a rich fellowship. A way for men to keep their attention focused upon the ideals of the lumber industry and the quality of life our industry can provide. Hoo-Hoo experience should come through growth experience for every member. We must be sure that every member has a continuous opportunity for personal involvement in our order to assure him of his personal life enrichment.

Fraternally,
Robert VanEvery L-73186

Report From Juris. II

Clubs in Jurisdiction II are becoming active as Spring moves into Summer. Among the activities, **Buffalo** held a "Las Vegas Nite"; **Rochester Club** a "Monte Carlo" and also their Annual Presidential Ball. The new **Syracuse Club** is having regular monthly meetings as the **Erie Club**.

A third Annual Mini-Convention is planned for the weekend of June 6, 7 & 8 at the Dearborn Inn in Dearborn, Michigan. Please contact:

Bob VanEvery
33715 State St.
Farmington, MI 48024

For details and Reservations, But Hurry! Time is short and you won't want to miss out.

The **Ben F. Springer Club** had a most successful Christmas party plus their annual Fish Bake and the **Pittsburgh Club** is lining up Suzanne Sommers for their annual bash in May.

Ken Hallgren reports that the **Northern Illinois Club** had their Annual Concat and the **Detroit Club**, as usual has done it all. The new **Saginaw Valley Club**, after an early setback because of their new officers being transferred to new territories, is reorganized and ready to go.

I want to urge all Jurisdiction II members to try and send as many delegates as possible to the convention in Atlanta this September and to work on a membership drive. Stay in touch with other clubs and try to visit some of the clubs in your area.

Also, if you haven't held a concat yet in the '79-'80 year, please plan on having one before the end of July. Although October is the official month for holding concats, these can be held at anytime and more than once a year. So don't wait!

See you at the Jurisdiction II Convention!

Report From Juris IV

As I write this newsletter Jim and Betty Jones will be winging their way across the Blue Pacific. Home to California for a rest before the mid-year board meeting of the Supreme Nine in New Orleans December 1st, '79.

It all started by my meeting Jim & Betty in Singapore November 4th. We met the next day with Singapore club officials and ironed out their local problems. On the Tuesday Steve Stevenson flew into Singapore and his help was invaluable to the new committee in that city. On the Wednesday the last of the Aussies arrived - Arthur Twiddle and his wife Norma.

On the Thursday evening we held a practice Concat and in fact put through 6 new members so they could take their places on the board of Singapore Club. That brought to 11 the members initiated, and left 24 for the following evening.

After our practice session Ho Mun the President elect then took us all to a Chinese dinner and this man who has an angelic appearance is the biggest devil in Singapore.

A favourite practice of the Chinese is when with friends to challenge them to drink in one gulp the whole glass of whatever beverage they may be drinking. Its called Yam Seng and Ho Mun is an expert at the game, in fact, I would thing "Champion of the World" or at least "Champion of half the World": Without us asking he would appear at our table as each round of drinks were

served, with his angelic smile challenge all the sundry then proceed to Yam Seng his own glass of beer. Everyone has to do the same. As I'm a non-drinker it became damn near impossible to Yam Seng the soup, the Shark Fins keep getting in your throat.

No doubt Ho Mun is an excellent choice for President of Club No. 245.

The club inauguration and Concat was well organized and it was terrific to see Max Cosh of Adelaide and Terry Smith from Launceston Clubs arrive in time to take part.

All 24 new kittens enjoyed the night and the club is shaping up to being an excellent one.

For the buffet dinner we all mixed around very well in the true spirit of Hoo-Hoo fellowship.

The club had honorable guests in Mr. Dzafir Ridzwan, Chairman Timber Industry Board of Singapore and the M.C. for the night Charlie Chan called first on a local to sing then challenged the Australians present to present a number. With the help of Arthur Twiddle, who sang seconds, we rendered "Waltzing Matilda" to everyone's enjoyment. Terry Smith representing Tasmania told an Aussie joke and this was quickly replied to by Jim Jones representing U.S.A. and a visitor Frank Cope from Montague Meyers of England told a very good story.

The evening ended early and everyone felt it was the start of a really great club.

The next evening Jim & Betty Jones, Steve Stevenson and the writer boarded the Singapore Airlines Boeing for home and the start of a busy but great tour of Australia for the Snark.

MONDAY 12th NOVEMBER:
We were honored to have our November J IV meeting attended by not only a full compliment of Vice Gerent Snarks and officers, but by Snark Jones as well. This was an all day meeting and we are pleased to say through the good graces of Bro. Des Gill TAA are again helping us with us reduced air fares for all officers flying into Melbourne for the J IV board meetings. When I say we have been able to negotiate half economy fares for our officers you

will realize just how much saving this is with J IV officers domicile in Melbourne this year then it is the cheapest place to meet.

Also the use of T.A.A. meeting rooms at Tullamarine is a big help.

Our Snark addressed the meetings on Hoo-Hoo as an order and stressed item 3 of our code of ethics "To establish the spoken word on the basis of the written bond", that we should encourage in our members this fellowship so that Hoo-Hoo will be a better and stronger order for the timber industry in the future.

The meeting got down to business and with our new Vicegerent Snarks taking part it was a lively one.

Firstly, let me congratulate the new officers.

Deputy Supreme Nines

Dick Campbell &
Doug Howick.

Treasurer

Arthur Twiddle

Secretary

Ian Marks

and our Vice Gerent Snarks who remain on the board.

Ernie Rhodes - Victoria.

Ron Anderson

- New South Wales

Max O'Rielly - South Australia.

The quality of our new area representatives certainly complimented our board

Col Galley - Queensland.

Brian Hoar - West Australia.

Jack L. Risby - Tasmania.

This covers the pertinent points, I will write next month, but in the meantime, I would like to remind club executives, I will be officially visiting all clubs during 1980, if there is a particular night then I would like to remind club executives, I will be officially visiting all clubs during 1980, if there is a

particular night then I will try and fit it in for you, but please bear in mind I must for time and economic reasons try and work visits to neighbouring clubs on a neighbouring night basis.

Finally I would like to thank all those members who played such a big part in the visit of Jim and Betty Jones. They managed to visit the following clubs:—

MELBOURNE
HOBART
ADELAIDE
MT. GAMBIER
BRISBANE
SYDNEY

And at most of these visitors from neighbouring clubs made the effort to drive some distance to attend, and for this effort we are all grateful.

Nominations!

Houston Hoo-Hoo Club No. 23 takes great pleasure in once again placing the name of W.A. "Bill" Russell, L50220 in nomination for the office of Secretary/Treasurer of this great International Order of Hoo-Hoo. Bill will be seeking his fifth term and if past performance means anything, he is not only deserving of this office, but we cannot afford to be without a man of experience and fiscal responsibility in this all-important post.

I don't need to remind you of the faithful service and loyalty Bill has given Hoo-Hoo over the years. To us he is "Mr. Hoo-Hoo".

When convention time comes in Atlanta, let's make it unanimous for Bill Russell, Sec./Treas.

Respectfully submitted,

OUR TRAVELLING SNARK

The February Log & Tally story about my travels ended in mid-December, and I took a few days from my appointed rounds to celebrate Christmas and New Years - I really needed some rest after travelling some 55,000 miles in four months!

So in January I visited with the Shasta-Cascade Club No. 133 and attended their concat at the red Lion Inn in Redding, Cal.

Over 100 members were in attendance and the club brought 25 new members into our Order. Highlight....One of the Kittens won a LIFE membership!

Although the club's 1st and 2nd V.P.'s were unable to attend, the turnout and fraternalism were the greatest. Not only was the concat a great one, the club also had several reinstatements.

Snark Jones poses with Al Kerper, a mainstay of the Shasta-Cascade Club, and Dave Jones.

Peering through the branches are Snark Jones and Director Barber posing in front of the Red Lion Sign.

Supreme Nine Member Bernie Barber presents Dave Jones with his Deputy Supreme Nine Certificate.

Snark Jimmy Jones poses with an axe presented to him by club No. 133.

Then came a very rewarding trip to the Pauline Club in Prineville, Oregon. It was a well-attended meeting and once again, good fellowship and fraternalism prevailed.

Vicegerent Ed Wilson and Snark Jones pose beside a Juniper Tree - native to that area.

Snark Jones poses with a gift from the Pauline Club - a set of Onyx bookends - a very rare gift. Jim's wife beams approval.

Bert Hagen, Joe Fitzgerald and Ed Wilson auction off some gifts for the ladies presents.

Then there was the Auction Night at the Sacramento Hoo-Hoo Club No. 109 - also in January. It was held at the Tuesday Club in downtown Sacramento.

Well, I must say it was a capacity crowd and they all enjoyed an excellent buffet dinner.

The auction items are donated by wholesalers, retailers and individuals. This is the club's Annual Fund Raiser for charity work and club promotion.

Club President Bob Creasy is owner of the Folsom Lumber Company, a retail operation.

Left to right are Donna Martin, Snark Jones and Myrtle Harwood.

Al Dodrill of Higgins Lumber Company hams it up a little. Al's company is one of the LOG & TALLY Advertisers.

Also in January I visited the Eugene, Oregon Club No. 33.

This is a real friendly club made up of all age groups and there is a lot of participation in everything by everyone.

This was a Concat affair and it

Bert LeBeck does a fancy handshake with club president, Bob Creasy.

Above are Tom Murdock, V.P. Earl Stelle and Bob Newland, a kitten who played for the New Orleans Saints.

was one of the best Concats I have seen in a long time. Eighteen (18) new members were brought into our Order. The Concat was held at the Thunderbird, where most of the Hoo-Hoo functions are held.

Snark Jim Jones shows off the two-man saw (hand painted) presented him by the Eugene, Oregon Club No. 33.

Snark....

Still another trip in January - this time to Oakland, California Club No. 39. It was an Industry Night meeting. The W.W.P.A. put on a program of milling and grading West Coast softwoods with a slide presentation followed by a question and answer period.

The meeting was held at Francesca's which is near the Oakland airport. One Hundred hearty souls turned out for the meeting which was one of the largest crowds for a regular meeting for a long time.

Here's Dave Mensing, a Past President and Secretary/Treasurer of the Oakland Club No. 39.

Dwight Curran the program chairman for the evening.

Ralph Boshion, a club Past President and John Enright, a past Supreme Nine Member from Juris. VI.

Bob Mathias, Club Past President with Bill Scott, President of the Humboldt Club No. 63.

I guess no Snark's travels would be complete without a trip to Honolulu to visit our famous club No. 142, and that's just what I did in February. It was a regular monthly meeting held at the same Japanese Tea House which we visited during the Convention in 1979. Great food and service.

It seems that no Vicegerent Snark pins and Certificates had been awarded to the club in the last few years, so this was taken care of without waste of time. The pins and also the certificates were awarded to Nagao Yamada, Jim Lovell, Bob Kiode, Ham Ahlo and Bill Striker. (Remember Ham? He was that great speaker at the banquet last September.)

Above are pictured (L to R) Hamilton Ahlo, Bob Loide, Jim Lovell, Snark Jim Jones and Bill Striker.

Jim Lovell and Snark Jim Jones get a chance to relax.

Three recipients of the Vicegerent Snark Pins and Certificates are Bill Striker, Jim Lovell and Ham Ahlo.

Good group!!! Nagao Yamada, Wayne Meredith, Paul Meredith, John Whitmarsh and Bill Striker.

Of course no Snark's Travels would be complete without a trip to Klamath Falls, Oregon to visit the Winema Hoo-Hoo Club No. 216. I went there to help them celebrate their Valentines Party. This was a BIG time. The club had coverage on TV, radio and in the newspapers.

Can you believe that I was met at the airport by three (3) convertible Volkswagons - one red - one white and one blue - and escorted past the radio, TV and newspaper offices with banners flying.

Spent the first day with Rameses No. 65 Leonard Putnam, his wife, Tommy, Ben, Jimmy and Bill McLean. We toured the countryside in Leonard's new motor home. We toured the lava flows and Tule Lake in California.

Believe me, there was a record crowd at dinner and at the party following. There were some presentations made during the festivities, but I think I'll let the pictures tell the story. A picture is worth a thousand words, they say.

Snark Jones with Tommy and Leonard Putnam in front of Leonard's Snow-Cat almost at the top of an 8500-foot mountain. Note snow flakes.

Snark Jones has just presented Len Putnam, Rameses No. 65, with a 14-carat gold plated hard hat. Name plate says "Rameses No. 65." Leonard said the Snark bought the hat three years ago before the price of gold went up - that's how cheap the Snark is!

The Mayor of Klamath Falls has just presented Snark Jones with the "Key to the City."

Merle Clark, John Tretch and Bill McLean pose for the photographer.

Snark Jones has just presented Rameses Putnam with the "Rameses of the Year Award" - can't repeat what Mr. Putnam said!

The highlight of the evening was the presentation to Snark Jones of a black 10-speed bike complete with C/B radio, AM/FM radio, an air horn, lights, bell, etc. On the rear is a sign which says; "Traveling Snark Jimmy Jones." A license plate also adorns the bike.

There could be only one person to dream up a bicycle like that - Rameses No. 65 Leonard Putnam. Leonard is one of the most popular Past Snarks of recent years, and is known everywhere. Hope to see him in Atlanta at the convention this year.

At Sioux Falls, South Dakota we had quite a Concat. Club No. 118 had a booth there at the Retailers Convention and they managed to sign up a couple of members from Missoula, Montana. This club is a real credit and an asset to Hoo-Hoo, and we can expect bigger things from them in the future.

Rameses Tom Partridge poses with Jim Jones.

Snark Jones poses with Myrtle Taylor at the Hoo-Hoo booth.

Steve Sprenger, Club Secretary, poses with Nels Husseby, a Club Secretary for 20 years.

TO EVERY HOO-HOO IN THE WORLD...

All the members of Atlanta Club No. 1 want to issue you a personal invitation to attend the 88th Annual Hoo-Hoo Convention September 10-13 here in Atlanta, Georgia, U.S.A.

Throughout this issue of the LOG & TALLY you will find information about schedules, reservations etc., and we hope that you will make your plans early.

The Colony Square Hotel is an ideal site for our convention. It is out of the hustle of downtown, located in Atlanta's cultural center and we will have an entire section of banquet halls, meeting rooms, etc. virtually to ourselves.

We have gone all out to make the wives program particularly exciting and complete, and hope you all can attend as couples.

The entire membership looks forward to meeting you and enjoying the convention with you.

Fraternally,

Pat Story
President

ATLANTA CONVENTION GOLF TO BE HELD AT SNAPFINGER WOODS

Gene Schettgen, chairman of the Golf Tournament for 1980 convention has finalized plans with Snapfinger Woods Country Club located just outside Atlanta.

This 27 hole course designed by Joseph Lee is a challenge for the best and a pleasure to play for all.

It was selected as the qualifying course for the 1979 LPGA Open held in Atlanta.

The beautiful clubhouse has excellent food and facilities, and the course itself, nestled in the rolling foothills of the Piedmont Plateau, is really beautiful. A dedicated membership keeps it in excellent condition and in September should be at its peak.

Atlanta: Best of the old, brightest of the new. The restored Civil War-vintage cannons in Grant Park (named for Atlantan Lemuel P. Grant and not union general Ulysses S. Grant!) contrast with the city's modern skyline that includes the cylindrical shaft of the world's tallest hotel.

Atlanta Club No. 1 Atlanta, Georgia

1980 Convention Host

The Atlanta, Georgia Hoo-Hoo Club No. 1 currently stands at "2" in its countdown from "10" in "Countdown to Convention." We are, as you should all know by now, that we are hosting the 1980 Hoo-Hoo International Convention to be held September 10-14, 1980.

Under the guidance of convention chairman Weems Jones, and our Supreme Nine Member Dick Wilson, plans are nearing the final phase, and the entire club is looking forward to showing you all some real good times and Southern Hospitality. Our enthusiasm has been increased by several GREAT meetings which were planned and executed by our 1st V.P. Ron Cocker, assisted by Jim Wilson, and the most important "Calling Committee" of Steve and Ira Longino.

A joint meeting in the fall with both wives and sweethearts attending, included a golf tournament and it proved so successful it was repeated in April. The fall tournament was won by Carl Harmon. The April tournament proved even better with a huge turnout for our

"Pitch 'N Putt contest", roast beef buffet and continuous country music by a band furnished by Vicegerent Bob Vorderbrug, and Charles Mullinex, a comic speaker invited by club member Don Cooper. Mr. Mullinex was really good, and since he is in the lumber business in Tupelo, Mississippi, he would make an excellent speaker for any Hoo-Hoo club looking for a great comedy talk.

Other meetings which have helped us financially as well as increasing our membership were an "Old Timers Night" where we reinstated a number of old members who are now actively participating; an "All you can eat and drink for \$9.99" night; and our best attended meeting ever - a regular meeting which featured as speaker Fulton Kukyendall, an Atlanta Falcon linebacker who drew a record crowd. Fulton was invited by his room mate at the Falcon Camp, our treasurer, David Lee.

Dee Horton, our 2nd V.P. in charge of membership, has done an excellent job of recruiting and we now have a record number of paid members.

Attendance at meetings is up, the treasury is in good shape, membership at a record high and convention plans in high gear and running smoothly. Everything is "A-OK" in Atlanta.....so come on down in September and let us show you our town.

The 1980 officers for club No. 1 are: Dee Horton, 2nd VP; Jim Turner, Secretary; Ron Cocker, 1st VP; Pat Story, President; David Lee, Treasurer and Bob Vorderbrug, Vicegerent.

COVER STORY

ATLANTA'S STONE MOUNTAIN

Stone Mountain Memorial Carving, the world's largest relief sculpture, depicts the mounted figures of (from left) Confederacy President Jefferson Davis and Confederate Generals Robert E. Lee (astride his horse Traveller) and Thomas J. "Stonewall" Jackson.

To gain perspective on the proportions, which are hard to comprehend from ground level, the 90-foot-tall (28 meter) figure of Lee is equal to a nine-story building. His horse is 145 feet (44 meters) wide, or the size of five locomotives. The carving, begun in 1923, was completed in 1970 after several lengthy interruptions.

Stone Mountain is the world's largest mass of exposed granite - more than five miles (eight kilometers) in circumference and 583 acres (236 hectares) of exposed surface. It is estimated to be 285 to 294 million years old.

Surrounding it is a 3,200 acre (1,295-hectare) educational/recreational park with lake fishing and riverboat rides; authentic, 18-building antebellum plantation; skylift and hiking trail to the top of the 825-foot (252-meter) mountain; scenic, steam-powered railroad ride around the base; game ranch; antique auto and music museum; exhibits of the 1861-1865 Civil War in Georgia; 90-room inn and facilities for swimming, picnicking, golf, tennis, camping and boating.

Stone Mountain Park is 16 miles (26 kilometers) east of Atlanta.

Snark....

The rest of my story has nothing to do with club visitations, but I think they warrant some space.

Brian Page, from the Mt. Gambier, Australia Club came by recently on his way to Particleboard Symposium at the University of Washington. He presented us with a tray and goblets made from the very rare "Blackwood."

Brian Page holds tray and goblets made of rare blackwood.

Another surprize recently was a visit from another Aussie, Norton Ladkin. Norton is a past Supreme Nine Member from down under. We took them to the Sacramento Club's Sport's Night where the No. 1 attraction was "Bo Bo" Olsen, former welterweight champion of the world. Norton knew a fellow from Aussie that fought Bo Bo a couple of times and they hit it off pretty well. My son, Dave, took Norton and his wife Helen to visit a Glu-Lam plant, then back to San Francisco.

At Sports Night - Cecil Jones, Ed Jones, Norton Ladkin, Dave Jones and Snark Jones - seems like a lot of Jones's!

Harry L. Folsom

Club No. 13

Boston, Mass.

A dinner-meeting of the Harry L. Folsom Hoo-Hoo Club of Boston was held Feb. 4 at Knights of Columbus Hall, 1211 Highland Ave., Needham, Mass.

Guest speaker for the evening was Mr. Andrew Card, Republican Minority Whip in the State House of Representatives. he discussed many of the important issues now being considered at the State House.

The Folsom Club, world's largest Hoo-Hoo Chapter, held its most recent monthly dinner-meeting last Monday, March 3, also in Needham, Mass. at K. of C. Hall. It was "Sports Night" and many of the members brought their daughters and sons to hear the special guest speaker, Mark Buben, a defensive lineman with the New England Patriots football team.

Pictured below is a group of new Folsom Club members initiated in the last Concat, receiving final debriefing at the Feb. 4 meeting. Their membership pins were also distributed at this meeting.

The Harry L. Folsom Hoo-Hoo Club will gather again on April 12 for its Ladies Night, a dinner-dance to be held at Kings Grant Motor Inn, Route 128, Danvers.

Left to right are Bo Bo Olson, Norton Ladkin, Snark Jones and Bert LeBeck. Bert worked his heart out to make the evening a success and got 225 people to turn out for the evening.

The regular monthly meeting of the Harry L. Folsom Hoo-Hoo Club for March was held on the 3rd at the Knights of Columbus Hall in Needham, Mass.

It was the annual "Sports Night" for the club, and many members brought their sons and daughters to see and hear the special guest speaker, Mr. Mark Buben, a defensive lineman for the New England Patriots football team.

Mark delighted the kids and members alike by showing movies of the team in action, answering numerous questions, and by passing out autographed pictures.

Mark started his football career in Boston where he played college football at Tufts University in Medford, Mass. After graduation, he signed as a free agent with the New England Patriots and was outstanding in his rookie year as a defensive lineman and on special teams.

The accompanying photos show some of the members and their youngsters enjoying "Sports Night."

Club No. 23
Houston, Texas

Bill Franks, reporting on the Houston Club's Annual ladies Night and Bingo Party, advises that the affair was held at the Briar Club and was sponsored by Mr. Sig Sigur.

There were 44 members and wives present to enjoy the evening's events. First there was a cocktail hour which was followed by dinner.

Each year at this meeting the club names the "Houston Hoo-Hoo Club Man of the Year." This year's recipient was Mr. Herbert F. Adey L-16642.

Herbert F. Adey L-16642

Mr. Adey was born in Dallas, Texas September 18, 1887. In 1905, at the age of seventeen, he joined the Crowell-Spencer Lumber Co. of Long Leaf, LA and joined Hoo-Hoo in Lake Charles, LA on September 24, 1905. Mr. Adey's father was also a Lumberman and a member of Hoo-Hoo, No. 2138. In 1913, Adey was employed by W.M. Cady Lumber of McNary, LA. Mr. Adey remained with this firm for twelve years becoming Sales Manager, General Manager and finally Assistant to Mr. Cady.

He took two years of absence to join the Marine Corps during WEI 1917-19. He enlisted as a private and went to O.C.S. becoming a First Lieutenant. In

1925 he accepted a position with Harry S. LaFond of New York and stayed until 1930. During the time of the Depression until 1936 he remained employed but in other than the Lumber business. In 1936 he joined Temple Lumber Co. at Diball, Texas. he became Sales Manager of their Houston Office, then retired in 1958. Mr. Adey was the first President of the Local Hoo-Hoo Club, first appointed when the club was re-activated and then elected to a full term. On April 25, 1956, Hoo-Hoo Club No. 23 bestowed Mr. Adey with a Life Membership.

May 20, 1958 he was honored as "Lumberman of the Year" by the Houston Retail Lumber Dealers Assn. Now on February 20, 1980 he is being honored as "Hoo-Hoo Man of the Year."

Mr. Leonard Craig, Club President, presented the award and Mr. Herschel Payne accepted the plaque for Mr. Adey.

After the Hoo-Hoo Man of the Year award, all eyes focused on the Bingo activities. Some of the callers for the games were Sig Sigur, Ross Hunnicutt, Roy Cummins, Solly Moglovkin, Lee Sanders, Ken Rosenberger, and Bob Ridley. Prize winners were Linda Breeden, Jo Sanders,

Susan Lodge, Mary Payne, Mark VanSickle, Tom Long, Skip Crowe, Ken Rosenberger and Earl Remmert. This concluded our Annual Ladies Night and Bingo party.

Our monthly meeting, reports Bill Franks of the Houston Club, was held January 24th at the memorial Plaza Holiday Inn. The cocktail sponsor for the evening was Walker-Kurth Lumber Co. We had 55 members and guests present. our guest speaker for the evening was Mr. Barry Werner, Sports Director for the local KIKK radio station.

Inland Empire
Club No. 117
Riverside, Calif.

Inland Empire Hoo-Hoo No. 117, held its regular meeting at El Rancho Verde Country Club, Rialto, on March 29, 1980. 36 golfers braved the cold north wind, turning in some great scores, under the circumstances. Winners were Dave Bufe', Art Villas, Ray Munson, Don Derbes, and Harley Hart. Jack Williams won the HACKERS AWARD.

With a turnout of 62 members for dinner, the Happy Hour was one of the better ones we've had. Chip Roepke, one of our new members, won the \$50.00 attendance prize.

Our guest speaker, Jim Youngblood, defensive back for the L.A. Rams, gave a great talk on pro football, followed by a question and answer period. Many questions from the members kept Jim going for over an hour.

May 16th, 17th, 18th, 1980, was announced as the date for the 27th Annual ladies Night at the Erwan Gardens Hotel in Indian Wells.

Club No. 47 held its second annual Christmas dinner again at the Red Lion at Jantzen Beach.

The gala affair was attended by club members wives and invited guests.

Ray, Pat & Ann of the D & R G W RR are enjoying their own donation...

The music was provided by the John Reitz Orchestra, and this year we had the pleasure of a nine piece group.

The D & R. G. W. railroad provided a flowing champagne fountain to the delight of all the members.

The arrangements this year were handled by Mr. Bill Bond, Jr. our first Vice President and we extend him a hearty thanks for a job well done.

President Dave Blasen opened the affair with a Merry Christmas to all and hoped for a very peaceful New Year and hoped we would have as good or better turn out for next years party. A scrapbook is going to be kept of this and other events. Anyone interested in the pictures, please contact President Dave.

The Portland Hoo-Hoo Club held its first meeting of the year on January 24, 1980. This meeting was for the purpose of a special membership drive; the following format was presented:

LOG & TALLY

**TO THE LADIES
WELCOME SOUTH...**

Although fall is not far away the weather in Atlanta during September is still SUMMER. The days are rather warm, 78° to 80° in the daytime and 72° to 75° during the evening hours.

September 10 - arriving day for most so you may wear your traveling clothes to the Ice Breaker cocktail party. This is a casual get together, however, it is a free day for dinner, the only free dinner day you will have, so you may wear the same attire you would to any nice restaurant.

September 11 - This is a GO! GO! day for sure. The men will be in a business meeting most of the day, but, ladies you will be on the GO. We will be touring the elegant northside homes, Governors mansion, and lunching at a famous Southern antebellum restaurant. Then on for some shopping. You should wear comfortable light weight clothing, slacks, or skirt and blouse would be great. By all means wear some comfortable shoes.

Later this same day we will go to Stone Mountain for a tour of the park, a ride up the mountain by the sky-lift or many other rides and attractions. We will have cocktails aboard the river boat and a barbecue with Southern entertainment. We will wear casual clothes for this whole event.

September 12 - Ladies we will be off and going again. We will be traveling to Madison, Ga. The town that General Sherman found too beautiful to burn. A visit at a trappist monastery and many other interesting things to do and see. You will wear casual and light weight dress for this trip too.

The men will be playing golf or making a mill tour and they should dress for that kind of thing.

We will all arrive back at the hotel with plenty of time to change for the cocktail party hosted by the Houston Hoo-Hoo club. The Atlanta club will host a dinner after the cocktail party. You could dress for this if you like. The men should wear jackets for this occasion.

Mr. Dave Blasen, Chairman of Portland Hoo-Hoo Club No. 47 presents a \$2,500 check to Western Forestry Center Director John Blackwell. The contribution is to help construct the Forestry Center's planned \$1 million Education Building. Dave challenged the club membership to match the club contribution. Nearly \$60,000 must yet be raised to fund the new building.

September 13 - This is our big day ladies, We will be free the whole morning for get together in a hospitality room. We will join the men for a joint luncheon and later we will join them for the embalming of the snark so street clothes will be in order for this event.

The evening of Saturday the 13th is our dress up affair. We will dress like "Southern Belles," so dream up your version of Scarlett O'Hara. If you choose not to dress Southern we will accept you as a Yankee. Dress in your favorite long evening gown and adorn your neck with a velvet choker that our Atlanta club will

give you when you arrive here. Our men will also be furnished with a Southern Colonels tie with streamers to supplement his Southern attire.

Ladies you should bring with you a very light sweater or a thin jacket just in case it does turn late September weather while you are here.

Rental costumes will be available for both men and ladies. See you in Atlanta

Northern Illinois
Club No. 139
Rockford, Illinois

The Northern Illinois Hoo-Hoo Club has held various meetings this Hoo-Hoo year. One of these was the Annual Golf outing held as a combined get together with the Ben F. Springer Club of Milwaukee. The scene of the golf match between these two Jurisdiction II clubs was the Crystal Woods Country Club.

Several Milwaukee and Northern Illinois Hoo-Hoo gather at the Annual Golf Match to admire the attractive trophy.

Outgoing President Gene Schwebke on left congratulates new President Artie Bergstrand as V.P. Ernie Pinne and Secy. Harry Henningsen look on.

On March 20th, the Northern Illinois Club held a Concat at the Cloven Hoof Restaurant at Marengo, Illinois. The evening was complete with roast beef and ham dinner, the cost of which was picked up by the club for new members. The guest speaker for the evening was Dan O'Byrnof Weyerhauser, a Structural Engineer whose topic was on laminated beams.

Phil Mork of Wisconsin and Ed Sembell of the Illinois Lumber Dealers Assn. hold the trophy made by the Milwaukee Club. The Ben F. Springer club of Milwaukee and the Northern Illinois Club competed for this trophy in their annual golf match.

Dale Benson, Milt Stading, Lee Ratray and Hal Matousek at Northern Illinois No. 139's Golf Day at Crystal Woods.

The club also held a Las Vegas Night on April 17th and was planning an all day educational and tour program for their May 15th meeting.

Lewis Grant Esq., reporting for the Tucson Club No. 110, advises that the club's Golf & Dinner meeting held at the Skyline in February "had to be one of the best outings we've ever had. The weather didn't cooperate completely, with showers catching us on the front line, but overall it was a pretty good day for golf with 19 golfers turning out.

The dinner meeting was excellent - for food, (two 'meals' served to some) and good attendance with 34 showing up."

He also reports that the club welcomed ten new members into the club at the Skyline dinner meeting: Fred Bilbrey, Lumber Country; Bill Nolte, Lumber Country; Bob Jeffery, Champion; Adolph Gomez, Sam Barker, Jim Daher, Guy Wilson, Jerry Schoenberger, Dave Clay and Phil Evans all of Wickes Lumber.

The next reported meeting was also a golf tournament at the 49'ers Country Club.

Spokane
Club No. 16
Spokane, Wash.

The Hoo-Hoo Club of Spokane No. 16 held a "special" joint meeting with The Rotary Club of Spokane No. 21 on Jan. 3. Seated at the head table, and introduced by Pres. (Rotary) Ed McWilliams were HHI Director (S-9) Norm Mikalson, Vice Pres. Norb Edwardsen, and Secty. Ernie Wales.

The Program was Monica Spiker, a Forester and teacher at Spokane Community College, who showed slides and talked about Forestry in Austria and Switzerland. Her program was excellently given, and well received by the members. She showed and pointed out that Good Forestry Management can be had along with good recreational pursuits.

Also introduced at the meeting was Sonja Olsen, who had been recommended by Hoo-Hoo Club and Sponsored by Rotary Club, and was awarded a year's scholarship for "Technical Training" in Germany.

We are grieved to note the sudden and untimely passing away of Hoo-Hoo Member Grant G. Walter No. 84580 on Jan. 5, 1980. Though Grant had only been a member of our Club since 1977, he was well liked and will be greatly missed. Grant and Ernie Wales had done some "Boy Scouting" together a few years ago.

Spokane Club No. 16's Secretary, Ernie Wales, proudly sent us a clipping from the Spokane Chronicle with the heading "40 Years Ago." The article mentioned a dinner dance held at the Desert Hotel on January 27th, 1940 with Jack West as Chairman of Arrangements. He was assisted by Fred Bartleson, Harry Wall, Ernie Wales and Hal Dixon.

Members of Hoo-Hoo Club of Spokane No. 16 entertained their wives and sweethearts at the Annual Valentine Dinner on Feb. 14 at the Gateway Hotel. There was a very good turnout, especially when one considers that it was a very cold, snowy, blizzard.

Honored at the head tale with Pres. & Mrs. Steve Page were S-9 Norm Mikalson and his wife Mabel.

Dep. Snark John Howard introduced his special guests, Bishop and Mrs. Leigh Wallace, and John presented Bishop Wallace with an "honorary" membership in our Club No. 16. Bishop Wallace, a former Retail Lumber Yard operator, and former HHI member spoke briefly, and was pleased to again be with fellow Hoo-Hoo members.

Sect'y. Ernie Wales introduced his special guests, Rotarian member and Mrs. Stan Green, and Exec. Sect'y. of Rotary Club of Spokane Doris Pike and her husband, Howard. Doris was thanked for the co-operation and favors of our fine Rotary/Hoo-Hoo, co-operation. Ernie also introduced Hoo-Hoo member and

Mrs. ben Castilla. Ben has just made application for a Rotary International (overseas) Technical Training Scholarship. It is hoped that Ben will win this award, and will further his Forestry studies at a College in Spain in 1981-82 year.

Ernie Wales spoke briefly on the History of HHI and Club No. 16. He read the Hoo-Hoo letter of April 10, 1929 regarding a gavel made from a 1 million year old tree.

S-9 Norm Mikalson spoke and brought us up to date on the Hoo-Hoo Memorial Museum in Gurdon, Ark.

HOWARD WINS AWARD

Past Pres. Kris Wales presented Gene Zanck, Rameses No. 71, and Tony Perry, last years award winner, who then presented the "Snark Gene Zanck Award" to John Howard, for being the outstanding Hoo-Hoo of the past year. This was a surprise to all assembled, and especially to John.

The Program of "Flat Wheels and the 5' Fare" was presented by Randall Johnson, a former VP of Washington Water Power Co. Randall prefaced his program with some history of the founding of Spokane by the establishment of the first sawmill in 1871. The program was excellent and well received by all. ---- a very nice evening for members and their Valentines.

Club No. 230

Arlington, Wash.

The North Cascade Hoo-Hoo did it again! They had 288 people turn out for the Christmas Party which was a great success with everyone enjoying a fine dinner and dancing.

Supreme Nine Member Norm Mikalson and his wife were our guests for the evening. Norm gave us a run-down on the planned Gurdon, Arkansas Hoo-Hoo Museum which is fast becoming a reality.

Thanks to Doug Greenshields, our chairman for the evening, the members had a fine dinner and a great time.

In January the club held its Annual Beer and Creb Feed with 157 crab-grabbers in attendance. A great deal of work was done by Gordon Iverson and his helpers who cleaned over 300 crabs, and this is no small chore! It was the first time that we had more crabs than this group could eat, so we gave away sacks of crabs to many lucky winners. Scott Findlay made arrangements for the meeting hall and our kegs of beer. It was a great evening.

On February 19th we met at the Everett Elks Club with 117 in attendance. Mr. Steve Peterson was guest speaker who showed the film "North Slope Oil Fields." Thanks to our President Cliff Barlament, our dinner showed a great improvement over the last meeting held here. Door prizes were won by Jack King and Lloyd Boyce.

The March 19th meeting was held at the Mt. Vernon Elks Club with President Cliff Barlament presiding. A slide presentation by the Skagit Historical Society showed early logging equipment which was used in our area. We all enjoyed seeing how they handled the problems of getting the timber cut and moved in the early days.

The Club has had very successful meetings so far, and we plan to close out our season with a Concat in April and a golf Tournament in May.

Seattle

Club No. 34

Seattle, Washington

On February 12, 1980, Seattle Hoo-Hoo Club No. 34 held its monthly dinner meeting. Norm Mikalson, Supreme Nine Member for Jurisdiction III, was present to oversee the concatenation of sixteen new kittens into the Order. There were seventy-five members present for the Concat, which was one of the best held in Seattle in several years. Vice Gerent Snark John Bratland deserves all the credit for organizing this super meeting.

The following is a list of all those new kittens; Phillip Bagwell, Richard Barnes, Stewart Capps, David Freeman, Stuart Green, Gregory Halverson, Robert Hamilton, Odd Johansen, Bill Jungers, Craig Knoll, Gerald Leland, Ruben MacPinlac, Robert

Jim Carpenter, Seattle's oldest Past President, extoles the virtues of the Order.

Maiers, Wes Peters, Dean Rogers, and Douglas Warnaca. Congratulations to these new members.

Club No. 34 is a vibrant growing club, and with the continued infusion of new blood into our organization we will continue to grow and prosper in purpose.

Seattle Hoo-Hoo Club No. 34 held its monthly dinner meeting at the norselander Restaurant in Seattle, March 11, 1980. Program Chairman, Vice President Dave Bair arranged to have Pete Trogdon, assistant manager of Pacific Alaska Cargo Lines, as guest speaker for the evening.

Vice President and program chairman, Dave Bair take to the podium in order to introduce Pete trogden, guest speaker at Seattle's March meeting.

Mr. Trogdon, with the aid of an extensive slide show, explained the intricacies of barge shipments to remote parts of Alaska. A tip of the hat to Pete Trogdon; those were beautiful.

The meeting was well attended with about sixty members and guests present for the evening.

Club No. 34 is planning for its annual "Long Acres Day" at the race track. Included in this event is a delicious buffet dinner in the Turf Club as well as a fun day, with good friends "playing the ponies." This event will take place May 21.

Also being planned is Seattle's annual Golf and Field Day to be held Friday, June 13 at Mt. Si Golf Course, near Snoqualmie, Washington. As in the last five years, Golf & Field Day will also include a tennis tournament to be held on the same day in Issaquah Tennis Club.

Seattle Hoo-Hoo Club No. 34 would like to extend a cordial invitation to all Hoo-Hoo members to come to Seattle and participate in their Golf and Field Day (including tennis), June 13.

Sincerely,
Randy W. Bailey - 80949

**N.W. Montana
Club No. 187
Kalispell, Montana**

Lum Owens, right, presents his shoes to Virg Walter who had expressed hopes that he could fill them.

Preliminary planning for the Fifth Annual Big Sky Loggers Championships has been completed between the two major sponsors, Chapter 187 of the Ancient and Concatenated Order of the Hoo-Hoo, and the Kalispell Chamber of Commerce.

Gary Hurd will again be chairman of the big show scheduled for June 14-15 at the Flathead County Fairgrounds.

Hurd said there are several new events to head up the big show which carries \$13,500 in prize monies for professional and amateur loggers.

"We again expect the top professionals of the logging world to be with us — men and women from Canada, New Zealand and the Pacific Coast — at we have had in the past," Hurd said.

The Kalispell chamber will be working in close coordination with the Hoo-Hoo chapter in presentation of events this year. Big Sky Logging Championship buttons are now on sale at most businesses throughout Northwest Montana. Purchase of the button has several advantages this year. It is the entry fee into the beard contest, admission to the Big Sky Logger dance and worth \$1 below the admission price of adult tickets at the gate on show days.

The beard contest is open for anyone who can grow a beard or moustache. Trophies will be

awarded for the longest beard, the greatest growth, most unique, color and texture best groomed and best moustache. The hirsute will take on some of the aspects of the Montana diamond jubilee celebration.

Trophies will be awarded after judging at the loggers dance. Registration for the beard contest closes April 1. Entrants may register in person or mail their registration to the Kalispell chamber, Box 978, Kalispell.

The Hockaday Center for the Arts and the Kalispell Historical Society are preparing an exhibit of the logging industry in northwest Montana, "The First 40 Years," which will include many old photos of industry activity from woods to mills. The main exhibit will open June 6 at the Hockaday center and will be shown through July with plans for satellite exhibits throughout the valley.

Left to right are Dusty Moller, Virg Walter and Gary Hurd. Gary was giving a report of the Big Sky Logging Day to be held June 14 to 15 at Kalispell.

A new member, left, is congratulated by member Bob Thompson as Mike Dawson looks on.

Howard Hurst, John Hammett, Brent Hall and Gary Hurd talk about the serious business of lumber.

The Loggers dance will be June 7 in the Stagecoach ballroom at The Outlaw Inn, the kickoff event of a week of activity to culminate in arena completion. The logger of the year will be announced during the dance and presented with a silver buckle provided by the First Northwestern Bank.

Music will be by the "Blue Mesa," a country-western group. Dress for the affair is logger-style with admission by a Logger days button.

Saturday, June 14, the St. Mathews School group will serve breakfast from 7 a.m. until 10:30 a.m. either in the school basement or outdoors, depending on weather conditions. The Big Sky Loggers parade will form at 10 a.m. at the courthouse to move along a line of march ending at the fairgrounds. Logging events begin at noon Saturday, continuing in the arena again at 7:30 p.m. Final show will open at 1 p.m. Sunday.

Arena events will include double bucking, speed climbing, the Montana tug-of-war, hot saw, spring board chop, Montane relay, log burling and many more.

Outside the arena will be exhibits of equipment and history.

Hurd said, "Plan now to set aside June 14-15 for the Fifth Annual Big Sky Loggers Championships. Support the logging industry by buying buttons early."

The Northwestern Montana Hoo-Hoo Club No. 187 held its election of officers at the Outlaw Inn in Kalispell on Nov. 21, 1979. The new officers are:

President -- Virgil Walter; 1st Vice President -- Jim Bell; 2nd Vice President -- Pat Connell; Secy./Treas. -- Matt Mateka.

Following the election a Concat was held for our new kittens (6). A very exciting initiation -- everyone having a good time.

Our six new members (November) Back row: Ron Schlegel, Les Schlegel and Mike Dawson. Front Row: Pete Mast, Dusty Moller and Rich Groswiler.

An organizational meeting for Hoo-Hoo Club No. 187 was called by Pres. Virg Walter Jan. 3rd. Committees were appointed and agenda for the coming year was discussed. The meeting was held at the Hind Quarter.

The first order of business was the presentation of the Presidents pin to Virg Walter by outgoing President Lum Owens who then received his past Presidents pin from Virg.

A letter from our local Women in Timber advising us that women in other areas are becoming interested in starting clubs in their areas. Keep up the good work gals!

The pot drawing for the night went to Jim Hurst's wife for \$18.75. Two other wives were not so lucky as their husbands were not there.

The N. W. Montana Hoo-Hoo Club No. 187 annual Crab Feed (ladies night) was held at the Homesteader on Valentines Day with a good turn out and everyone having a good time.

Norman Mikalson from Spokane, Wa., a member of the Supreme Nine was a guest at our March 19th meeting. He spoke about the importance of increasing membership within our club. As the new members are the life blood of our organization.

WOODPILE

Club No. 99 brought in the "80's" with a dinner meeting at the Washingtonian Country Club on January 16th. Thirty-five members and guests were in attendance, which wasn't too bad considering our meeting was the same night as a University of Maryland home basketball game!

Our guest speaker for the evening was to have been Martin Punky, the director of the Maryland State Lottery. Unfortunately, Mr. Punky was rushed to the hospital three days prior to our meeting!! Undaunted by this set-back and through the efforts of Howard Jesneck, a film of the "1979 Masters Golf Tournament" was shown and enjoyed by all.

There was also a discussion on hosting the "1984" Convention in Washington which will be reported on further in the next Log & Tally. Our door prize was won by Charlie Weaver, and "smiling" Gus Smarr won the 50/50.

Club President, Jim Joseph, gives the Treasurer's report.

Guest speaker at our club's February meeting, Merle Cokins.

In February, thirty-three members and guests attended our meeting. A discussion was held by long-time member Russell Lamar on having a "local" lifetime membership in Club No. 99. J. P. Dempsey had just returned from a trip to Florida and had been to see Bill Shook, a life-long member of Club No. 99. J. P. had some self-addressed envelopes from Bill with a request that some of his old friends drop him a line.

The guest speaker for the evening was Merle Cokins of the National Forest Products Association. February's door prize was won by George Dockeray and the 50/50 by Phil Hearn.

Nickie, Club No. 99's honorary member, and winner of the 50/50 drawing at our March meeting.

Board member Jim Quinn had charge of the evening's program in March. Jim's guest speaker was Martin Gray, a stock broker. Mr. Gray had a very informative

Frank Debrinsky, Club No. 99's very own "Polock".

talk on the housing market and the economy in general.

The door prize was won by John Mills, and the 50/50 by our "honorary" Hoo-Hoo member Nickie, the bartender at the Washingtonian Country Club. (Legend has it that Wally Murphy bestowed this honor on her!!!)

Martin Gray, Stock Broker at our March Meeting.

LOG & TALLY

Tacoma-Olympia

Club No. 89
Tacoma, Wash.

The regular January meeting of the Tacoma-Olympia Club No. 89 turned out to be a disaster. It snowed so hard and so much that the meeting had to be cancelled!

However, the weather improved in time for the February meeting and we had a very good turnout to hear our speaker, Marshall Ritchie, of the Red Cedar Shingle and Shake Bureau.

The editors of this magazine do not know why, but it is reported to us that this club gets coverage in the local newspaper for almost every meeting of the year....wonder how they do it!

Dick Scharf was the program chairman for the evening, and Brian Baskett who won the \$10 door prize which was donated by Fife Leisure Homes.

The club is planning a Concat in April, a Ladies Night and a Golf Tournament.

This club, as usual, seems to be progressing very well.

Supreme Nine Member Jack Jacobson gives our cameraman a real Hoo-Hoo stare.

Larry Hurd, reporting for the Tacoma-Olympia Club advises that their regular monthly meeting was held on March 4th with 83 in attendance. It was our Past President's Night and we were pleased to honor (14) Past Presidents of our club along with (2) Past Presidents of the North Cascade Club No. 230.

Top from left - Jack Paukert and Joe Kiely, two recently retired lumbermen with no worries! Dale Williams - one of our raffle winners.

Bottom from left - Brian Baskett received door prize of \$10. Bill Borgen and Jack Jones talk over industry conditions.

Our special guest was Supreme Nine Member, Norm Mikalson who gave a good report about the International and also the proposed Museum at Gurdon, Arkansas.

Norm also reported on the upcoming Jurisdiction III Mini-Convention to be held May 16th and 17th.

Immediate Past President, Chris Rucker who was also our Program Chairman for the evening, introduced all of the Past Presidents and received his certificate as Vicegerent Snark.

President Bill Kriener also presented a very interesting film on Salmon fishing and the Northwest.

Our current President-elect, Bill Kriener (left) with Vicegerent Snark and Past President Chris Rucker.

Black Bart

Club No. 181

Ukiah, Calif.

The Black Bart Hoo-Hoo Club No. 181 (Ukiah, California) had their Annual Christmas Party on Friday, December 14th at Broiler Steak House in Redwood Valley, California.

After hors d'oeuvres, cocktails, super large shrimp and steak dinner there was music for dancing until everyone was ready to go home. It was a great night!

Keene Kirksey was the program chairman for the evening, and he managed to get 102 people to enjoy themselves. Among other highlights of the evening, four turkeys and one large goose were given away as door prizes....

Del Cole also reports that the club's February meeting was "Industrial Night" on the 22nd. About 66 members attended.

"We toured the Georgia-Pacific plant and enjoyed examining their new planing mill complex. Later, some toured the new maxi mill.

Tacoma - Olympia....

The door prize of \$10.00 was donated by St. Regis Distribution Yard and was won by member Bruce Hall.

The club's upcoming meetings are a "Ladies Night" planned for May 6th and a "Golf Tournament" planned for June 6th.

Past President, Russ Long, our Golf Chairman.

After the tour, 66 members & guests enjoyed either steak or seafood dinners at the Piedmont Dining Room. Quite a trip!

Bob Handegard was the program chairman for the evening.

Rogue Valley

Club No. 94

Medford, Oregon

The Rogue Valley Hoo-Hoo Club is a very active club situated in Medford, Oregon and far enough away from Mount St. Helens not to be bothered by the smoke and ashes spewing therefrom.

November 27th, long before the eruption, the club held its "Reno" Night which was attended by over 35 couples - some with luck and some without. This is one of the club's most popular events each year, and this year was no exception.

Fred Johnson was the big winner with over \$500 in chips to claim the first prize.

Good food, good conversation and plenty of Hoo-Hoo fraternalism combined to make this a very enjoyable evening for everyone.

Walt Whitman

Club No. 171

Camden, NJ

We're happy to report that the Walt Whitman Hoo-Hoo Club No. 171 was the first club in the Universe to attain 100% paid up membership.

Paulina
Club No. 220
Redwood, Ore.

It is a pleasure to report that Paulina Hoo-Hoo No. 220 once again held their Christmas Party at the unique Kah-Nee-Ta Lodge on the Warm Springs Indian Reservation, Warm Springs, Oregon.

Past President and Director Ted Saunders was Chairman of the Christmas Party Committee and he with the help of his delightful secretary, Shirly Gibson, did an outstanding job of organizing, managing, pre-registration and all the details that must be covered to put on a successful affair.

Immediate Past President, John DeMarco, left, is presented the Lumberman-of-the-Year Award by Past President Ted Saunders, our M.C. and chairman of the Christmas Committee.

(We hope everything's right!) Ted Saunders, left, and Vicegerent Ed Wilson show a great good will to each other.

We had an excellent turn-out of members and quite a number of visitors some of whom are eligible for membership (and don't think we won't "rush" them). The members were of course, accompanied by their ladies which gave our gathering considerable more class than our usual Hoo-Hoo gatherings.

I am enclosing herewith some black and white glossy prints of some of the photos taken at our Christmas Party. One of them shows no evidence of any mistletoe so it must have been a gush of good will.

President Bert Hagen, Director and Past President Ted Saunders, with Glenn and Marily Hart, guests of Ted Saunders.

"HOW TO RAISE KITTENS"

Give them something to do during their first year in Hoo-Hoo. This will help them feel that they are a part of our organization.

Have the kitten understand that the initiation is merely the first part of his becoming a member. The second part is serving his "kittyship", much the same as a doctor serves an internship for a year or two following his graduation. During their "kittyship" a kitten can and should be asked to do certain things for the club. Examples are selling raffle tickets, writing a news release, picking up another member for his meeting and most important of all, signing up two additional members during his "kittyship".

Put the kittens on your meeting call list. Assign members to each kitten to call for each meeting thereby affording the kitten the opportunity to meet other members in his club.

Most important of all, keep introducing yourself to new kittens so that they continue to feel important to your club. Ask a kitten to sit next to you at your next meeting. Better yet, bring a kitten to your next meeting.

Front Cover Pictures Needed

First VP Bob Van Every has suggested we use more pictures of club activities for our front cover as we did recently when we featured a tree planting ceremony. This can be done if the club will send an 8x10 picture taken with a good camera. Blow-ups of snapshots taken by Brownies or other small cameras just do not turn out well for front cover use. Your club can make the front cover of our magazine if you send us a good picture of an interesting club project or function. This can result in added publicity for your club if you will but take the time to send Cliff a worthwhile picture of a noteworthy activity by your club.

Hoo-Hoo Museum
Birthplace of Hoo-Hoo Gurdon, Arkansas

I, Lurn R. Champ, Rameses No. 70, Chairman of the Hoo-Hoo Museum Committee in Gurdon, Arkansas, am asking for your help. Hoo-Hoo International recently acquired this unique building in Gurdon, Arkansas to house our Hoo-Hoo International memorabilia, memoirs and any other personal effects that may be donated by our membership or their families.

The City of Gurdon, Arkansas has leased this building to Hoo-Hoo International for the meager sum of \$1.00 per year with a 25-year lease. This was agreed upon by the Board of Directors at the December 1st Board Meeting at New Orleans, Louisiana, and the lease became effective on January-1st, 1980.

We are all very excited about this and getting the ball rolling, but we need the help of each individual member and club in the Universe.

Would you like to be a charter member of the Hoo-Hoo Museum?

We plan to have a plaque which will be permanently installed in the museum with the name and Hoo-Hoo number of each donor of \$50.00 or more. However, any donations will be appreciated.

Perhaps each club would like to participate. Local clubs will also be commemorated.

The Gurdon, Arkansas Hoo-Hoo Club No. 120 has wholeheartedly consented to be the keeper of our Museum and take care of all incoming memorabilia and see that they are properly placed. The Gurdon Club will maintain the building and the grounds. Also, the Gurdon Chamber of Commerce will staff this building at no additional expense to Hoo-Hoo International.

We will have to do a little remodeling and repair work to make the interior of the building a little more attractive. The outside of the building is of log structure - what could be more appropriate? The building is located on the main street.

Please help us and become a permanent part of the museum. We also have our Hoo-Hoo monument in Gurdon and a Hoo-Hoo Redwood Grove in Prairie Creek State Park near Eureka, California.

Please send in your donation, no matter how small, to the Hoo-Hoo International office. All donations will be greatly appreciated.

Fraternally,
Lurn R. Champ L-75820
