## MEMO ...from the Snark's desk

**W.A. BADER L-75318**  
Snark of the Universe

In the beginning.....

Since 1892 fraternalism has been a working spirit within the forest products industry. No other industry can claim the heritage we have in Hoo-Hoo. Well established on the continents of North America, Australia and surrounding islands, it is truly International in scope and yet its very strength of purpose rests with the individual member and the fellowship he enjoys and contributes in his local club.

The year 1976 has seen our industry faced with new as well as old challenges as the world seeks a balance between it's wants and needs. The members of our Order, with their spirit of fraternalism, continue to work in their communities both as representatives of the forest products industry and as fellow citizens.

The members of many local clubs have built strong organizations to meet their local needs and the programs developed by them for this purpose are many and varied.

While our Order—it's aims and purposes—are centred on the individual in his own community, the fraternal spirit is bound together in the world wide community of HOO-HOO International. Unlike business conglomerates controlled from the top, the activities of HOO-HOO International are directed by individuals—the representatives of the nine regional jurisdictions that comprise this fraternity.

A challenge to HOO-HOO International and it's Board of Directors is to give guidance and leadership to the individual clubs, to provide them with the means to strengthen themselves and ultimately to strengthen the fraternal spirit of every individual member of those clubs.

This coming year HOO-HOO International has an experienced Board to direct it's activities. It recognizes the need of many clubs to be strengthened and built up to the level of success enjoyed by others. To help meet this challenge an "operations manual" is being prepared for use by the local club executives to guide them in detail on how to organize themselves to achieve maximum success. We will not be locking for gain on an International basis nor on a Jurisdictional basis, but in the local club. Your Supreme Nine Member will be cooperating with local executives by assisting them in recognizing areas where they can apply the successful programs of other clubs to their own particular needs and resources.

It's important—indeed essential—that a local club applies it's resources towards building the kind of organization that will be having members of our industry wanting to participate because they see in it an opportunity to work within their community in a spirit of fraternalism on a program of benefit to the community, to their industry and to themselves.

The spirit of fraternalism is first of all an individual thing, a personal expression. These individuals unite in a local club and these groups become part of the world wide fraternity of HOO-HOO International. But it all begins with you. The challenge to HOO-HOO International this year is also your challenge. If you contribute yourself in the fraternal spirit of HOO-HOO, if you work within your club and

## ANOTHER FANTASTIC CONVENTION!

It seems as though our International conventions get better each year, and the Albuquerque convention in September was no exception. We had five consecutive days of sunshine with temperatures in the 80's and the humidity about 7 per cent.

Albuquerque is nestled in the foothills of the Sandia mountains, and the scenery is beautiful. The city itself is about 5,000 feet above sea level and Sandia Peak towers over the city by another 5,000 feet.

### ICEBREAKER

So the convention started off with a bang on Sunday, September 12th with the Icebreaker Reception. Almost everyone who was registered attended and enjoyed the cocktails, music and conversation. The music was so good that when the cocktail party came to a close, the orchestra was inveigled into staying an extra hour or so at the dance floor by the poolside. Beautiful night.

**Joe Shipman and Mrs. Frank**  
See enjoy the festivities.

Perhaps one of the highlights of the evening was when our Supreme Nine member, Jim Jones, arrived dressed in the bathrobe which Len Putnam presented to him when he was "under the weather." It had so much stuff fastened to it that it must have weighed about 30 pounds.

**Here's Jimmy Jones with wife, Betty, in his beautiful new bathrobe.**

### Monday Sept. 13

Monday morning started promptly at 7:00 A.M. for everyone, and there were no exceptions. John Chiado's "Tee-Cart" parade made sure of that. With someone playing reveille in the hotel courtyards on a regulation bugle, we just had to get up. The "Tee-Cart" dispensed your choice of a "Bloody Mary" or a "Margarita," and not many people turned down the pretty bartender who did all the mixing.

### 1st Business Session

The first general convention session started out with an impressive

presentation of the colors (U.S., Canada, and Australia) done exceptionally well by a group of school-age boys and girls.

Convention Chairman and Ramesses #64, Jack Cheshire, presided during the festivities, and then turned the podium over to Club President Don Kruse.

The "meat" of the general business sessions will be found elsewhere within these pages.

The men broke for lunch around noon and thoroughly enjoyed a delicious roast beef dinner that melted in their mouths. This was followed by guest speaker, astronaut/scientist Harrison Schmitt, who was one of the first men on the moon. His talk was interesting and humorous, and brought a great number of questions from the floor. He was so interesting that his audience kept him on his feet for over 40 minutes.

The general business session continued after lunch and broke up so that everyone could take the Sandia Crest tram ride and have dinner at the summit.

*Continued on next page*

**Club #13 President, Dick Mullen, poses for the cameraman with Sam Gurvitz.**

## Tram Ride

Although this reporter did not take the tram ride (he had a tooth ache) the reports from those that went were more than favorable.

The view on the way to the peak was breathtaking and from the crest one could see the city of Albuquerque spread out below like a huge fan. Then came the early evening hours and the city's lights twinkled on one by one until the city looked like a sea of lights. It was beautiful.

Dinner was served at the summit with a choice of seven entrees. How

Mrs. Margaret Marteney and Mrs. Pat Bader talk over the Hoo-Hoo Convention.

## Snark's Message.....

*Continued from preceding page*

your industry this year to strengthen yourself and your club. International will see a gain far exceeding any in our recent history. We will have met the challenge envisioned by our founders in building a strong and growing fraternity.

Fraternally yours,  
W.A. Bader L75318  
Snark of the Universe

they got all that food up there is a mystery to us, but it was another delicious meal for everyone. Yes, New Mexico is truly the "Land of Enchantment."

After returning from the tram ride and dinner, it seemed that everyone made use of the poolside tables — we all sat and talked (some politics, we presume) and generally enjoyed the company of both old and new friends.

Past S-9 Member Lee Roberts and his wife, Bunny, check into the hotel.

## Tuesday Sept. 14th

Tuesday was supposed to be an "open" day, but there was plenty to do on that "off" day. It all started promptly again at 7:00 A.M. with John Chiado's "Tee-Cart", the bugler, the bartender and the serenading guitar player.

At 9:00 A.M. there was a golf tournament for both the men and the ladies—at about the same time three bus loads left the hotel to visit the Indian Pueblo, Isleta. This was an unusual and interesting trip. We toured the inside of the Indian Church, and watched some of the Indians baking bread in ovens located in their backyard. Incidentally, the bread was delicious.

Other Indians displayed Indian Jewelry and pottery, all of which was for sale, and we toured through an Indian artist's gallery.

Later we toured through an Indian silversmith's plant and watched as they made jewelry.

Back to the buses again and now we were on our way to Nino and Gloria Sanchez's house for a delightful outdoor Barbeque. Once

The Convention chairman, Jack Cheshire, poses with his wife, Marie.

Past Supreme Nine Member George Meuth explains to Graeme Smith the history of the George Meuth Walking Cane.

again everything was perfect—hospitality, food, beer, and the desert—a cake with a black cat on top of each piece.

Back to the Hotel again in time to get cleaned up for the cocktail party sponsored by the Portland, Oregon Hoo-Hoo Club #47 which will host the 1977 International convention. This took place in the Snark's suite on the 12th floor. What a fantastic view from the 12th floor!

To finish up our "off" day, the convention committee planned for

us a **Western Barbeque** at poolside. There were at least 8 different kinds of salad available, short ribs, barbecued chicken, roast beef, and this was with all the trimmings. A seven-piece orchestra played beautiful music for dancing until midnight. The weather remained phenomenal.

Our favorite bartender, Barbara Wilkerson, and the bugler, Don Kruse, both of whom awoke us at 7:00 A.M. every morning.

## Wednesday Sept. 15th

The "Tee-Cart" parade started off the day again promptly at 7:00 A.M. More Bloody Marys and Margaritas, more beautiful bartenders, better service, smiles from everyone—it was another wonderful morning.

After breakfast, the general convention session started once again with three local clubs competing for the wood promotion trophy. The three clubs were: Spokane Hoo-Hoo Club #16; the Billings, Montana Club #130, and the Melbourne Hoo-Hoo Club #217 (Australia). We are glad we were not on the Wood Promotion Trophy Committee because all the presentations were near perfect. However, the Spokane Club #16 took the honors and also the beautiful wood carved trophy back to Washington. The trophy has been in and out of three countries in the past few years, and it remains to be seen who wins it next year.

Gene Zanck 68162, made a fine presentation of his efforts in be-

Above are Club #69 President Don Kruse and his wife, Beverly.

Vaughn Justus, Rameses #59, poses with his wife, Peggy.

half of the logging contests which are conducted by about 140 schools and institutes throughout Canada and the U.S. It was a slide presentation punctuated by pertinent comments from Gene. It was well presented and received.

This was followed by a joint luncheon for both men and women where we heard Ernestine Evans, Secretary of State, speak about her efforts with the New Mexico State Government.

After the luncheon there were awards for both the ladies and men's golf tournaments. Actually, no one lost. It seems that everyone who played received some sort of a trophy. The ladies low gross was won by Sally Kern, and the ladies low net was won by Betty Jones. The men's low gross was won by Paul Kern. The trophies were tremendous.

Donna Hess, wife of our beloved past Secretary/Treasurer, Henry Hess 46786, received a beautiful plaque in remembrance for Henry's devotion to Hoo-Hoo International since his induction in 1944. Henry served as a club officer, a Supreme Nine member, an assistant Treasurer, and Secretary Treasurer since 1970.

According to this young lady, it was always pleasant around the outdoor swimming pool.

Miss Mindy Marteney enjoys Hoo-Hoo company in the Snark's suite.

## Embalming of the Snark

The very serious ceremony of the Embalming of the Snark was overshadowed this year by the presence of seven (7) past Snarks. They were Vaughn Justus Rameses #59, Jack Cheshire Rameses #64, Robert Gallagher Rameses #51, Leonard Putnam Rameses #65, Philip H. Dawson Rameses #66, David B. Marteney Rameses #67, and John Hickey Rameses #56. After the Embalming ceremony, outgoing Snark, Tom Partridge joined their ranks to make eight (8) past Snarks present.

William A. Bader L-75318 joined the ranks of our Snarks by accepting his office officially and donning the garb of his office while his lovely wife, Pat, beamed in approval.

The concat which was held prior to the Embalming Ceremony was witnessed by the full convention and ushered 10 new members into our Order.

Snark Tom Partridge and his wife, Terry accept the cheers of the audience before Tom is embalmed.

Our new Snark, Bill Bader, makes it official by donning the garb of his office.

Presiding over the Embalming ceremony is Rameses #59, Vaughn Justus.

Helping Vaughn Justus embalm the old Snark are Bob Gallagher, Rameses #51; Dave Marteney, Rameses #67, and Leonard Putnam, Rameses #65.

Above are Phil Dawson, Rameses #66; John Hickey, Rameses #56, and Jack Cheshire, Rameses #64. Seven Rameses helped embalm Snark Tom Partridge 45201.

## Final Night

The entire 4 days were all letter perfect. Nothing remains now until the Snark's Reception, Banquet and Dance. Another perfect night!

More fraternalism, conviviality, good fellowship and tears as our members prepare to depart the following morning. There were a few cocktails again, a magnificent dinner, more dancing until midnight, and then it was suddenly over.

Lots of good-byes could be heard in the lobby next morning, and many others saying, "see you next year," but no one regretted attending one of the best International Hoo-Hoo Conventions ever sponsored.

Shown above are 29 photos taken at random during the Albuquerque Convention. They have been put together as they are strictly in the interest of economy, but they cover the full four days of festivities from September 12th to September 15th. You will find other convention photos elsewhere in these pages.

# CLUB NEWS

## Winema Club #216

Klamath Falls, Ore.

The Klamath Falls Winema Hoo-Hoo Club #216 hosted its annual officers' installation at the Winema Motor Hotel Ballroom on August 12, 1976.

Members and wives in attendance were impressed by the installing officer Rameses #65 Leonard Putnam. The new officers are as follows: President, John Tritch; Vice President, Bill Chase; Treasurer, Kurt Schmidt; Board of Directors, Bill Patterson, John Fowler, Bob Pryor, Stan Merers, and Harlan Loveness; AND Vicegerent Snark, Tom Monterossi.

Tom Monterossi the out-going President was presented with a beautiful burl wall clock by Ron Loveness in behalf of the club. A fine dinner of cornish game hens was served.

Leonard Putnam, Rameses #65 and installing officer for the evening. He's terrific.

The Klamath Falls Winema Hoo-Hoo Club #216 held its September meeting at the Sportsman Hotel in Tulelake, California. It should be noted that the club ventured into Jurisdiction #6 and **neither Jimmy Jones nor any of the other members were there to greet us.**

Club #216's new officers are (l to r) Harlan Loveness, Dave Bluhm, Tom Monterossi, Bob Pryor, Bill Patterson, Kurt Schmidt, Stan Meyers and John Tritch.

This was the first meeting for our new officers President John Tritch, Vice President Bill Chase, Secretary Dave Bluhm, Vicegerent Snark Tom Monterossi, Board of Directors Bill Patterson, John Fowler, Bob Pryor, Stan Meyers, and Harlan Loveness.

We were served a fine prime rib dinner with the dinner wine hosted by the Loveness Lumber Co.

Left to right are: Kurt Schmidt, treasurer; Jeannie Monterossi; Ron Loveness, president of SFPOWTS; Tom Monterossi, and John Tritch, Club President. Tom Monterossi is being presented a burl clock.

A pen and pencil set was presented to our speaker Barney Cavanaugh, who is well known to the area Hoo-Hoo members. Barney then delighted the entire club with his talk on the annual meeting of the Order of the Antelope and his enlightening experience with Cliff Cunningham of Norwood, Mass.

Harlan Loveness, speaker Barney Cavanaugh and John Tritch.

## Portland Club #47

Portland, Oregon

Portland Hoo-Hoo Club #47 started the year of the "Convention 1977" off right. They had a dinner dance for the Installation of officers on September 23rd. The ladies provided all the salads, vegetables, and deserts, and the entree was catered. Everyone attending had an excellent time. After Dinner music was provided by the "Merle Lotz orchestra" and everyone danced until dawn.

The Portland club owes a sincere thank you to Jeannie Scott and Donna Buschbacher and all the ladies in attendance at the party for a very enjoyable evening. These ladies organized all the assorted salads and vegetables and deserts. They also decorated the tables with flowers from their own gardens. This added a very pleasant

Howard Vaeretti and Ernie Fullmer are trying to decide who is going to dance with who's wife to the "Hustle."

Club #47's newly elected officers (l to r) Ted Fullmer, Secretary/Treasurer; Louie Buschbacher, President; John Pein, 2nd V.P. First V.P. Mike Scott is not pictured.

Frank Lucas receives an affectionate kiss from Sandy, one of the lovely ladies who attended the dinner and dance. Louie Buschbacher looks on.

atmosphere to a very enjoyable evening. The orchestra had their work cut out for them, trying to play music for the young couples and the not so young couples.

Everyone joined in when Mary Ellen Fullmer gave lessons on how to dance the "Hustle". Darrell Pardee and Paulette had the floor to themselves when the band played the anniversary waltz. Congratulations

Paulette, after 14 years with Darrell you deserved the night out.

The young couples stayed in their chairs when Ed Frank and Merritt Marthaller, John Pein and RoseMary Pein, Lex Taylor and May Taylor, Ernie Wilson and Mrs. (Mike) Wilson gracefully danced around the floor to the tune of the big band sounds that the band performed so well. These couples may not be young in age but they definitely showed everyone that they are young at heart.

The newly elected officers for the Portland Hoo-Hoo #47 are: Louie Buschbacher, President Mike Scott, 1st Vice-President, John Pein, 2nd Vice-President, Ted Fullmer, Secretary-Treasurer and Doug Fullmer, Publicity. These men along with Lex Taylor, General chairman, will be in charge when Portland hosts the International Convention in 1977. DON'T FORGET, make plans now to visit PORTLAND, the world famous Forestry Center and the renowned Rose Gardens in 1977.

Bob Cramer and his date for the evening, Sandy, seem to be enjoying themselves.

We will be helping to HOST the INTERNATIONAL CONVENTION in 1977

## Vancouver

Club #48

Vancouver, BC Canada

At a recent meeting of the Vancouver (B.C.) Club #48, Club President Jack Jacobson presented a check for \$2,000.00 to Mr. Dick Lyster of the Canadian Forestry Association.

This is the first payment on a 5-year commitment of \$10,000.00. The money is to be used for the Junior Forest Warden Camp at Evans Lake, near Vancouver.

The Vancouver Club #48 was one of the founders of this camp in 1958 and has since that time contributed over \$45,000.00 to the camp development.

Club President, Jack Jacobson, presents check in the amount of \$2,000 to a representative of the Canadian Forestry Association, Dick Lyster.

The Vancouver Hoo-Hoo Club #48 each year presents a log birling trophy at the Pacific National Exhibition—International Loggers Sport. J. Earl Wilcox (left) presents Ron Hartill with the top Logger Award. The weather was such that the contest could have taken place outside the specially built pool.

## Central Minnesota

Club #91

St. Cloud, Minn.

Central Minnesota Hoo-Hoo Club #91 held its annual summer golf outing at Cold Springs-Richmond golf course August 9th. Good crowd of golfers were on hand for golf in the afternoon and a fine steak dinner was provided by the local ladies. Weatherman provided almost perfect weather that afternoon. Several Twin City Club members drove up for the evening including Snark Tom Partridge.

## East Bay

Club #39

Oakland, Calif.

July 20th was a great occasion for Club #39 of Oakland, California. This night was to honor "Mr. Redwood of the Bay Area"—the one and only Lew Godard, a 50-year Hoo-Hoo member.

A couple of other people there have been friends and business associates of Lew for 50 years or more; Dave Davis, Rameses #48 of Hoo-Hoo International, and Leo Hulett, of Hardwood Industries (formerly Willits Redwood Products.)

Standing is Club #39's guest of honor, Lew Godard.

Rameses #48, Dave Davis, talks about Hoo-Hoo, past and present.

Lew Godard is a retired partner in Hobbs-Wall Redwood Co., with Al Bell, a former V.P. of Hoo-Hoo International. Al was unable to attend, but sent his best wishes.

Dave Davis, Rameses #48, gave some interesting observations on Hoo-Hoo International both past and present.

The sum of \$250 was raised by raffling off 4 bottles of hooch.

Above are Leo Hulett, Lew Godard, Mack Giles and Dave Davis.

Jim Jones, Supreme Nine Member; Lew Godard, guest of honor, and Bert LeBeck, Deputy Supreme Nine.

## Sioux Valley

Club #118

Sioux Falls, SD

The 26th annual stag party was held by the Sioux Valley Club at Sioux Falls, South Dakota on August 19th. The main sports of the day were golf and trap shoot without about 50 playing golf and 55 participating in the trap shoot.

The golf trophy was won by Jim Foldenaur from Twin City Hardwood Co.

The trap shoot was won by Dick Gukinsen and the runners-up were Bob Carroll and W. Griese.

There was also a raffle of a suit carry-on bag which was won by Jim Meert of Sioux Falls. Ten people won door prizes which were donated by local dealers and wholesalers.

## Washington

Club #99

Washington, D.C.

Seventeen of twenty-eight living past presidents of Washington, DC Hoo-Hoo Club #99 were present to be honored by the Club as the new Hoo-Hoo year opened on Wednesday, September 22, at the Kenwood Country Club, Bethesda, Md. A fire in late July gutted the Club's long-time meeting place, the Washingtonian Motel and Country Club, but this failed to hinder the annual golf outing, which was also held in conjunction with past president's night.

Program chairman Lee Roberts L-61463 called upon the club's senior living past president and charter member of the club, W.A. H. "Willie" Church 44847 to install the new officers and directors of Club #99, Lance Downing 46539 was inducted as president, while Howard Jesneck 67744 was installed as vice president. George Dockeray 78378 was recognized as he starts his second year as secretary-treasurer. The new directors, who were initiated for three year terms, were Jerry Gibala 79303 and Ron Price 82058.

Golf outing chairman Harold Hershey 50877 then took over to award prizes for various degrees of achievement on the links. Most notable of these were to Bob Davis 63597 for low gross, low net to Bob Mattingly 60533, longest drive hit by Tom Kilby 56901 and closest to the hole to none other than Brother Hershey.

Five of the Club's six members who were in Albuquerque were present and reported on various aspects of the recent convention. They included Dale Abbott 74707, George Dockeray, Charlie Eaton 72174, Wallace Murphy 52820 and Lee Roberts. All were unanimous and lavish in their praise of the outstanding job done by the host club.

Lee Roberts then introduced each past president, and also recognized those who were unable to be with the Club. Special greetings were conveyed on behalf of Bill

**Victoria  
Club #183**

*Victoria, BC Canada*

Kind of quiet year for Club 183, however, an excellent evening out at the famous Empress Hotel was our Ladies Nite this year with 37½ couples turning out—a large increase over the year before—we hope to have 50 couples at next year's function.

General Meeting and election of Officers for the new term held in June with Pat Corneille elected Pres.; Fred Frudd 1st V.P.; Jube Wickheim 2nd V.P. and Doug Donal Sec. Treas.

Friday, August 13th Club 183 chartered a bus and took a large contingent of members and guests to Cowichan Valley for the annual Summer Bash. A rolling bar added to the trip and the excellent BBQ Salmon and good friends topped off the nite.

We look forward to our Fund Raising Dinner November 5th and a major project planned for the winter and spring which will require the help and participation of all of our members.

J. F. Chalmers

**Club #99**

*Continued from preceeding page*

Shook 46057, who had called Brother Lee from his home in Ft. Lauderdale, Florida shortly before the start of the meeting. A moment of silence was requested following a reading of the names of the Club's thirteen past presidents who are no longer living.

Festivities wound up with the drawings for the door prize, which was a half-gallon of Cutty Sark donated by Herndon Lumber & Millwork Corp. and the 50/50 pot, which yielded \$39 to the winner. Rusty Lamar, a guest and grandson of one of our past presidents, won the door prize and the 50/50 winner turned out to be golf winner Bob Mattingly.

November 17 will be Concat time, and it appears as though there will again be a good group of Kittens waiting to pass through the Onion Patch.

Above are a couple of shots of Club #183's members on bus ride to Cowichan Valley and the Summer Bash.

**Tacoma-Olympia  
Club #89**

*Tacoma-Olympia, Wash.*

The Tacoma-Olympia Club held a regular monthly meeting on September 7th after a regular Summer shutdown. The club's new president, John Crawford, did an excellent job of conducting his first meeting, at which a convention report was made by the delegates.

Tony Merkel was the program chairman, and there were 72 members in attendance.

Hal Panks won a \$10 door prize which was donated by the Savage Wholesale Building Materials Co.

Bill Walstead (left) sells raffle tickets to Rawlin McInelly.

Here is club #89's new president, John Crawford.

Our happy bartenders—past presidents Jim Frost and Bob Anderson.

Left to right are Mort Jacobson, Larry Hurd, Percy Quick and Burl Bickford.

**Paulina Club #220 Redmond, Oregon**

1.) Dan Burdett, Kievan Madden, Gene Sjostrand, Mike Carter, Frank Commach and Earl Peterson. 2.) Jim Fairchild, Dean Dodson and Ted Saunders. 3.) Gene Sjostrand, Dan Burdette, Bert Hagen and Bill Anderson with Whatshername. 4.) Mike Carter, Ted Zinnie, Ross Loveland and Loren Irving. 5.) Mark Jellick, Tom Houston,

Mike Carter and Tony Gallagher. 6.) Bill Anderson, Ed Sturza, Ted Saunders and Jim Lee. 7.) Al Glasson, Jr., Pinky Bergstrom, Dean Dodson and Jim Fairchild. 8.) Jim Fairchild and Pinky Bergstrom with imported white beer. 9.) Louis Buschbacher in the bush.

Club President Ted Saunders (right) was presented a Hoo-Hoo tie by the great Hoo-Hoer of the Northwest, Tom Dolan.

Approximately 120 Hoo-Hoers from all over the Northwest participated in the 6th Annual Paulina Chapter #220 Golf Tournament in Prineville, Oregon on August 16th and 17th. The two day show in the traditional spirit of the annual event, did not include a rerun of the now famous activities at the Pioneer Club.

Bunk Moore, Dean Dodson, Ted Saunders and Ed Wilson did an excellent job of organizing the activities of the unwieldy participants from the Pine Country. The only measurable rainfall in Prine-

ville for 11 years was recorded the only day prior to the event, but did not hamper the presiding spirit of Hoo-Hoo.

Fun was had by all, as may be witnessed by the accompanying photos.

Loren Irving  
Vice President  
Paulina Chapter #220

## Big study session

### Story at a Glance

Young people by the hundreds enthusiastically participate in Southern California Grading Seminar . . . 568 attend . . . 102 seminars plus industry films and displays.

The enthusiasm, vigor and involvement of the lumber and building materials industry was readily evident among the 568 persons attending the First Annual Southern California Grading Seminar.

Held at the Simpson Building Supply distribution center at Cerritos, it was co-sponsored by Simpson and the Orange County Hoo-Hoo club and chairmanned by club president Jim Martindale, the driving force behind the event.

Martindale also extended special credit for organizing assistance to Simpson's Frank Stanger, Cerritos manager, and his staff.

Running from 5:30 p.m.-8:30 p.m., there were 17 booths, that put on a total of 102 well-attended seminars plus four forest products industry films. Talks were held both in the big Simpson warehouse and in the surrounding yard.

Supporting sponsors included 12 industry associations, 8 lumber companies, 2 Hoo-Hoo clubs, 4

HEADTABLE included (1) D. C. Essley, Tom Partridge, president of Hoo-Hoo International, Jim Fridsham, South Bay Redwood, pres. of L.A. club. (2) Harold M. Frodsham, Bert Holdren, Lloyd Webb. (3) Fred Thomson, Inland Lumber and John Lipani, Weyerhaeuser. (4) George Clough "M.C. Extraordinaire" of Inland Lumber. (5) George Otto, Burns Lumber. (6) Bert Holdren, Rialto Lumber. (7) Robert Osgood, who won the Prize for Waggle. (8) Bob Halbert with trophy

Hoo-Hoo-Ette clubs, representatives from the railroad and trucking industries and *The Merchant Magazine*.

A breakdown of those attending showed 40% were retail yard per-

sonnel; 35% retail sales and/or office people; 10% wholesale yardmen; 10% building inspectors and 5% were architects and others related to lumber and building materials.

Lumber: Claude Curry, Far West Fir Sales. Earl Crockett, retired. (14) Paul Orban, Carvel Brown, Orban Lumber Co., Charles Wilson, Lane-Stanton. (15) Allan Taylor, Boyle Heights Lumber; Bill Rau, Peoples Lumber; Ken Kenoffel, Arkay Lumber. (16) Ed Fountain Sr., Ed Fountain Lumber Co. (17) Ed Gavotto of San Diego. (18) Dale McCormack, Twin Harbors Lumber; George Loos, Inland Empire Club president.

**Through Hoo-Hoo  
A UNITED  
LUMBER INDUSTRY**

**Buffalo  
Club #71  
Buffalo, NY**

The Buffalo Hoo-Hoo Club #71 sponsored a Wood Working Contest at the West Hertel Middle School in Buffalo, New York.

Hoo-Hoo Board Members did the judging at the West Hertel Happening Day which is an Open House for parents.

Thirty students entered the competition and three winners were selected from this group. **1st Place** - Richard Waciewga - Project: Key Rack Planter - Prize Awarded - Black & Decker Electric Drill; **2nd Place** - David Moss Project: Model House - Prize Awarded - Black & Decker Saber Saw - **3rd Place** - Sue Bush - Project: Country Store - Prize Awarded - Calculator.

Buffalo Public School Superintendent Eugene Raville made the presentations at the school assembly program May 27th, 1976.

Club #71's woodworking contest winners and their prizes are Sue Bush, David Moss and Richard Waciewga.

Club officers Vernon Hans & Vic Lichtenthal were in attendance for the presentation.

Buffalo Hoo-Hoo Club #71 held their Annual Race Night at Hamburg Raceway June 15, 1976. Eighty-two members and guests attended this popular event.

Many thanks to Vern Hans for a job well done.

We didn't have many winners financially, but we won quite a few good friends.

Left to right are Victor Lichtenthal, winners David Moss, Richard Waciewga and Sue Bush. On the right is Vernon Hans.

Judging the entrees are Richard Carrier, Bob Armstrong, Frank Koiseur, Ed Reynders and Vern Hans.

At the Buffalo Club's annual race night, #8 (not #9) was the lucky winner. Pictured above are the jockey, owner, trainer and the Club #71 officers.

The first place winner was a key rack planter won by Richard Waciewga.

**Black Bart  
Club #181  
Ukiah, Calif.**

67 members of the Black Bart Hoo-Hoo Club #181 turned out for an Annual Bar-B-Que at Jack Frank's house in Ukiah, California recently. There was a day of golfing at the Ukiah Municipal Course and swimming in Jack Frank's olympic-size pool in the afternoon.

Libations were served from 6 P.M. followed by a steak Bar-B-Que at 8 P.M.

This was the 19th year the club has sponsored this event, and a good time was had by all attending.

Roy Nielsen was the program chairman, and he was rewarded by a good turnout of 67 members.

Above are Gary Gamble, Betty Foster, and Mr. & Mrs. Joe Bowman.

Del Cole, reporting for the Black Bart Hoo-Hoo Club #181 in Ukiah, California, reports that his club had a wine-tasting and steak bar-b-que on September 15th at the Italian Swiss Colony Villa on the Russian River in Cloverdale, California.

"There was much champagne, cold duck and all kinds of other wines," explained Del Cole in a recent communication. The dining area is completely covered with a wild grape arbor and the setting is fantastic.

An excellent meal was served by the Los Robles Lodge of Santa Rosa—cloth table cloths and napkins, plenty of wine, fresh pineapple, melon, etc.

Mr. and Mrs. Joe Mayfield enjoy the wine-tasting night.

Tasting the wine are Jack Powell, Bob O'Brien, Phil Griswold and Maynard Stubberfield.

Bill Gittings was the program chairman, and he was rewarded by a turnout of 110 people.

This unusual shot shows Cor-des Langley, Joe Bowman and Carl Force.

Above are Roy and Jean Nielson.

Dave LeBeck and Dan Daughton grin for the cameraman.

Joe Gilley holds up a steak that anyone could be proud of!

Maynard Stubberfield, new President of Club #181, poses with his wife.

More grins from Ed Olson, Don Sundstrom, Hank Monje and Art Atkinson.

## Spokane Club #16

Spokane, Wash.

Past Snark Ernie Wales, L-45412, secretary for the Spokane Hoo-Hoo Club #16 has summed up the last Hoo-Hoo year activities for his club in 12 short sentences.

- 1.) A great gold tournament.
- 2.) Work with youth at Spokane Community College, including an ecology bulletin board, donating two trophies for the logging contests, and furnishing judges for the logging contests.
- 3.) Annual crab feed and style show.
- 4.) Annual wine tasting dinner.
- 5.) Annual Valentine Party for ladies.
- 6.) Sponsored Keep Washington Green luncheon for poster contest winners.
- 7.) Annual woodworking contest for Jr. and Sr. High School members.
- 8.) Sponsored Jeff Howard to Youth Natural Resources Management Camp.
- 9.) Continued to promote wood through newspaper articles, talks to schools, Rotary clubs, Kiwanis Clubs, etc.
- 10.) Donated to the "Explorer" Scouts to help their olympics.
- 11.) Had joint concat and meeting with the Missoula-Bonner Hoo-Hoo Club.
- 12.) Held joint meeting with the North Idaho Hoo-Hoo Club.

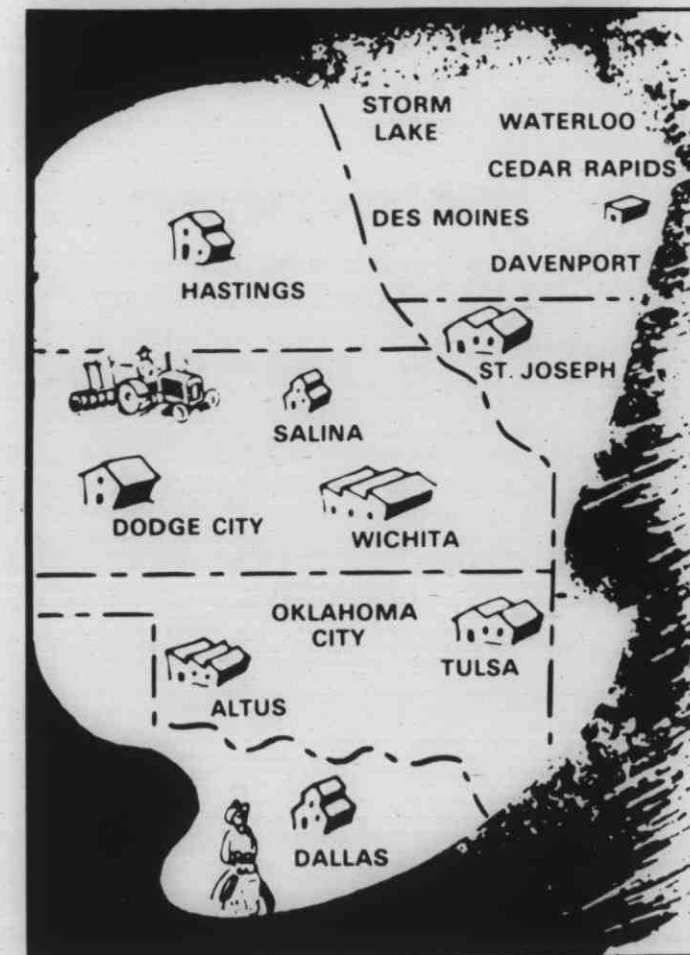

The Spokane (Washington) Hoo-Hoo Club #16 had another extremely successful woodworking contest again this year with the entries again being displayed in a local bank for the viewing public. Here with are some pictures of some of the more spectacular items the youngsters made.

**Willamette Valley  
Club #33  
Eugene, Oregon**

John Hallberg, reporting for Club #33, tells of another annual trap shoot and crab feed which once again proved to be one of the year's best attended meetings. Sunshine, fresh crab and plenty of beer brought eighty plus members to the Cottage Grove Rod and Gun Club.

The fun began with a warm-up shoot held between 4:59 and 6:29. The elimination shoot was then

held from 6:49 to 7:29. From 7:29 to 8:59 crab and all the fixins was served while a general meeting was held.

The first order of business was to elect officers for the new Hoo-Hoo year. Charley Willett, last year's club resident' pinned the gavel on John Huston of Cone Lumber Company, president elect. Dick Tutt, J.H. Baxter Company, was elected to serve as vice president; John Hallberg, Foothill Lumber Sales, remains as secretary; Ron Weiss, Missouri Pacific RR, was elected to serve as treasurer, and George Litzenberger, Weyerhaeuser Company, was elected to serve on the board.

After the general meeting trophy shoot resumed. John DeMarco, Standard Forest Products, placed first among the experienced shooters, and Chet Wilson, J.H. Baxter Company, was a close second.

Steve Hammans, Western Empire Forest Products, surprised everyone—most of all himself—by winning the novice shoot hands down.

On display for the first time was the club's hand carved sign. It could add something to other club's meetings, too. Anyone wanting additional details should contact John DeMarco, Jr., c/o Willamette Valley Hoo-Hoo Club #33, P. O. Box 423, Eugene, Oregon 97401.

1.) Bill Benson, Dick Tutt and Ron Weiss.  
2.) George Litzenberger and Charley Willett.  
3.) Wayne Mertens, Bill Benson and Dan Kelsay.  
4.) Max Allen, George Litzenberger and Rich Min-  
kler, our club secretary for the last seven years.  
5.) Jerry Esterberg, Gib Mitchell and John DeMar-  
co, Jr. 6.) BANG!

Shown above is Club #33's new hand carved sign. See text in story on how to get additional details for a sign made up for your club. It's beautifully done and not as expensive as it looks.

You have to get up pretty early in the morning if you want to get a head start on the fun at the Willamette Valley Hoo-Hoo Golf tournament and fun fest. Some hearty souls have been teeing off at 5:30 A.M. for several years. This is especially noteworthy since the refreshment committee doesn't take their stations until 9:00. This year's tournament — our 35th — held at the Eugene Country Club, June 11, 1976 proved once again to be the hi-lite of the year.

Old friends from all over the U.S., Canada and yes, even London, England enjoyed the festivities at the Eugene Golf and Country Club. What's more fun than a round of golf with your buddies on one of the Northwests finest courses and then settling down to a market discussion (with refreshments) before dinner. For those that wanted to make a little side money and compete a little more there were chipping and putting contests.

Club #33 owes a special note of thanks to Steve Grimes and friend for generating enthusiasm at the putting contest. Every Club needs those dedicated members.

We weren't blessed with our usual sunny skies for this year's tournament. A light rain began to fall but ol' Steve had them crowding around the putting greens and we literally had to drag the people away. Wonder what his secret is!

Over 400 answered the dinner bell. When everyone was sufficiently stuffed the prizes were awarded. Low gross for the **second straight year** went to Dick Davis of American International. There's been a movement under-

way for Dick to play all by himself the day before the rest of us. Francis Bailey came in 2nd low gross and Jim Blackman 3rd. George Litzenberger of Weyerhaeuser took Low Net. George played the course like he knew every blade of grass. Norm Siefken gave everyone a break this year and left his burmuda shorts home. He must have been serious about his game this year because he scored 2nd low net. Oscar Weed tallied 3rd low net. There were six awards for Cal-loway. 1st place: Jack Ruble, 2nd place Don Wagner, 3rd John Staley, 4th Ed Nolte, 5th Ancel Berg, 6th Jim Bradbury.

1st place finishers were awarded a handsome trophy plus a \$55 merchandise prize from the pro shop. 2nd place received trophies and \$36 worth of merchandise. 3rd place—trophy plus \$30 gift certificate.

There were assorted long drives and K.P.'s too numerous to mention. There was but one gross injustice during the whole affair. We have yet to come up with a suit-

able prize for one of our members who deserves more than just a pat on the back for finishing the round. Gil Cuddeback of Cuddeback Lumber here in Eugene finished with a high gross total of 195. Indications are this will stand as a course record for some time to come!

The program chairmen were Charley Willet and John Hallberg, and they were assisted by Ron Weiss and Will Marshall in the putting contest, and Chuck Woods,

John Huston and George Litzenberger in the chipping contest.

A smaller than expected turnout failed to dampen the spirits of the Willamette Valley Club Concat held the evening of April 16th at the Country Squire Inn, Eugene, Oregon. Under the guidance of our past Snark of the Universe, Len Putnam, twenty-one new members were welcomed into our fraternal Order.

After the "Tests" Mr. Putnam soothed everyone's jangled nerves

with an impromptu and much appreciated talk on the meaning of Hoo-Hoo. It never ceases to amaze us how Len can hold an audience in the palm of his hand. This is the best possible way to start a new member off in Hoo-Hoo. Thanks again, Len!

Len Putnam gets things shaped up for the concat with degree team members Charley Willett, Mac McDaniel, Vern Gregg, Darell Richardson, Bob Stanton, Carl Remy, Frank Lucas and Frank Borek.

### North Cascade Club #230 Arlington, Wash.

The Cascade Post of Northwestern Washington held its first fall meeting September 21 at the beautiful Bellingham Country Club. An informal round of golf in the afternoon, with some forty of the members participating, was followed in the evening by a delicious dinner at the club house. Apparently, by the lack of boasting, no one broke par or even came close; but all enjoyed the challenging and well-kept fairways.

After a relaxing dinner of roast beef and baked salmon, the club meeting was opened by way of introduction of guests. One visitor, a relative traveling on business, was a member of the Kansas City Post; another visitor was a company representative from Holland.

Sixty-seven members were present during the evening and all appreciated the presentation given by two representatives, Tom Spinks and Orman Darby, from Georgia-Pacific; some slides and a short talk, about the increased usage of supposed waste material for new and unusual by-products, was interesting entertainment.

Most everyone had a chance to visit and talk over business, as the day's activities began after lunch and lasted into the evening. But the best description of the Cascade Post's event was given by the visitor from Kansas City, who praised the spirit and enthusiasm of all the members when he said that this was one of the finest Hoo-Hoo events of which he had ever taken part.

All had a good time, although the golfers may have been a little tired the next day at the mill.

## Log & Tally Deadline Dates

Log & Tally magazine is published quarterly in November, February, May and August of each year.

Copy and advertising deadline date is the first day of the month prior to publication. Hence, deadline dates are October 1st, January 1st, April 1st and July 1st.

## FOUND IN THE LOBBY!

*This International office has been notified that the Albuquerque Hilton Inn found a red garment bag on our checkout day with the name "Hamer's" on the front. The garment bag contained a brown suit, a blue suit and three shirts. On one of the suits there was a Deputy Snark lapel pin.*

*Will the proper owners please form a line and write to: Mary Wills Hilton Inn 1901 University NE Albuquerque, NM 87107 or call Mary Wills at (505) 243-8661.*

## OBITUARIES

**Henry C. Hess 46786**

Henry C. Hess 46786, Secretary Treasurer of Hoo-Hoo International since 1970, passed away July 16th, 1976, after a brief illness. He was 69.

Mr. Hess has served Hoo-Hoo long and well. He joined Hoo-Hoo in Minneapolis, Minnesota in 1944. He was Supreme Nine member of International representing Jurisdiction VIII from 1967 to 1969 when he became International Assistant Treasurer. He became the International Treasurer in 1970 and was made Secretary/Treasurer immediately after the death of Ben F. Springer.

During his tenure on the International Board he made many friends throughout the world. He journeyed to visit the clubs in Jurisdiction IV (Australia) as well as the Canadian and U.S. clubs. He will be sorely missed by all who knew him.

He leaves his wife, Donna, another good friend of Hoo-Hoo.

**Fred J. Dias** 59020 of Fort Bragg, California, at the age of 71. Fred was employed by Union Lumber Company for 45 years prior to his retirement in 1966.

He joined the ranks of Hoo-Hoo at Santa Rosa, California in 1952 and had been a member of the local Redwood Empire Club #65.

**Leonard A. Cheshire** 41964 of the Central New Mexico Club #69 passed on May 20th in an Albuquerque hospital, at the age of 76.

Leonard first became a Hoo-Hoo member at Amarillo, Texas in 1927 and had been an active member of Club #69 along with his son Jack Cheshire, present Chairman of the 1976 Hoo-Hoo convention, and past Snark of the Universe.

**J. Harold Dollar** 63150, we have been advised, has passed away. He was a resident of San Francisco and a member of the local Hoo-Hoo Club #9 of that city.

Harold was born 1919 in Shanghai, China. He first joined Hoo-Hoo at San Francisco in 1955.

**H. F. Gustafson** L29536 of Council Bluffs, Iowa. Brother Gustafson went through the Golden Gates of Hoo-Hoo in 1917 and shortly thereafter became a Lifetime member of the Order.

He was a local member of the Omaha Area Club #124 of Nebraska.

**G.W. Harms** 46748 of Racine, Wisconsin on January 13, 1976. Member Harms was affiliated with Ben F. Springer Club #35 of Milwaukee and had been an active member of that club until recently.

**Howard W. Johns**, known to many of his friends as "Mr. Lumberman", went to his rest April 27, 1976.

All of Mr. Johns' career was spent on the West Coast and his travels on lumber carried him to all the contiguous states and Alaska. His most recent employer was the Chicago & Northwestern Transportation Co. of Seattle, Washington where he was General Sales Mgr., Forest Products.

**Ray E. Noble** 48888 of Visalia, California. Brother Ray was a member of the local San Joaquin Club #31 where he first became a member in 1947.

Ray was born July, 1912 at Visalia.

**Robert H. "Jack" Rawles** L-39238 of Richardson, Texas passed to the Chapter Eternal on April 12th, 1976.

According to his son, Jack, member Rawles received his Honorary/Life membership in Hoo-Hoo International recently, having been a member of HHI for 50 years.

Brother Rawles was a member of the Dallas Hoo-Hoo Club of Texas. He was 72 years of age.

**George S. Radovich** 80287 of Fresno, California.

George went through his initiation at the San Joaquin Hoo-Hoo Club #31 in October, 1971. He was born March, 1925 at Kerman, California.

**Wilbur T. Snow** 61954 of Hyattsville, Maryland. Wilbur had been a member of the Washington D.C. Club #99 where he first joined the Order in 1954. He was born at Trenton, Kentucky, October 1st, 1918.

**Norman N. Spear** 56876 of Cheyenne, Wyoming in March, 1976. Norman was a recent member of the Southeast Wyoming Club #140 where he was initiated in 1951. Brother Norman was born at Denver, Colorado June 16th, 1919.

**Albert Terpstra** 73880 of Chamblee, Georgia died in March, 1976. Brother Al was born in Demotte, Indiana May 21, 1921 and among other positions in the lumber industry, had been a sales person for the International Paper Co. of Atlanta.

Al joined the fraternity in January, 1963 at Kansas City, Missouri and was a recent member of the Atlanta Club #1.

**Charles H. Strout** 67955. Mrs. Alice Strout advised us recently that member Charles passed away on April 16th, 1976.

Brother Charles was a resident of Reading, Massachusetts and a recent member of the Harry L. Folsom Hoo-Hoo Club #13.

# OBITUARIES

Henry C. Hess 46786

Henry C. Hess 46786, Secretary Treasurer of Hoo-Hoo International since 1970, passed away July 16th, 1976, after a brief illness. He was 69.

Mr. Hess has served Hoo-Hoo long and well. He joined Hoo-Hoo in Minneapolis, Minnesota in 1944. He was Supreme Nine member of International representing Jurisdiction VIII from 1967 to 1969 when he became International Assistant Treasurer. He became the International Treasurer in 1970 and was made Secretary/Treasurer immediately after the death of Ben F. Springer.

During his tenure on the International Board he made many friends throughout the world. He journeyed to visit the clubs in Jurisdiction IV (Australia) as well as the Canadian and U.S. clubs. He will be sorely missed by all who knew him.

He leaves his wife, Donna, another good friend of Hoo-Hoo.

**Fred J. Dias** 59020 of Fort Bragg, California, at the age of 71. Fred was employed by Union Lumber Company for 45 years prior to his retirement in 1966.

He joined the ranks of Hoo-Hoo at Santa Rosa, California in 1952 and had been a member of the local Redwood Empire Club #65.

**Leonard A. Cheshire** 41964 of the Central New Mexico Club #69 passed on May 20th in an Albuquerque hospital, at the age of 76.

Leonard first became a Hoo-Hoo member at Amarillo, Texas in 1927 and had been an active member of Club #69 along with his son Jack Cheshire, present Chairman of the 1976 Hoo-Hoo convention, and past Snark of the Universe.

**J. Harold Dollar** 63150, we have been advised, has passed away. He was a resident of San Francisco and a member of the local Hoo-Hoo Club #9 of that city.

Harold was born 1919 in Shanghai, China. He first joined Hoo-Hoo at San Francisco in 1955.

**H. F. Gustafson** L29536 of Council Bluffs, Iowa. Brother Gustafson went through the Golden Gates of Hoo-Hoo in 1917 and shortly thereafter became a Lifetime member of the Order.

He was a local member of the Omaha Area Club #124 of Nebraska.

**G.W. Harms** 46748 of Racine, Wisconsin on January 13, 1976. Member Harms was affiliated with Ben F. Springer Club #35 of Milwaukee and had been an active member of that club until recently.

**Howard W. Johns**, known to many of his friends as "Mr. Lumberman", went to his rest April 27, 1976.

All of Mr. Johns' career was spent on the West Coast and his travels on lumber carried him to all the contiguous states and Alaska. His most recent employer was the Chicago & Northwestern Transportation Co. of Seattle, Washington where he was General Sales Mgr., Forest Products.

**Ray E. Noble** 48888 of Visalia, California. Brother Ray was a member of the local San Joaquin Club #31 where he first became a member in 1947.

Ray was born July, 1912 at Visalia.

**Robert H. "Jack" Rawles** L-39238 of Richardson, Texas passed to the Chapter Eternal on April 12th, 1976.

According to his son, Jack, member Rawles received his Honorary/Life membership in Hoo-Hoo International recently, having been a member of HHI for 50 years.

Brother Rawles was a member of the Dallas Hoo-Hoo Club of Texas. He was 72 years of age.

**George S. Radovich** 80287 of Fresno, California.

George went through his initiation at the San Joaquin Hoo-Hoo Club #31 in October, 1971. He was born March, 1925 at Kerman, California.

**Wilbur T. Snow** 61954 of Hyattsville, Maryland. Wilbur had been a member of the Washington D.C. Club #99 where he first joined the Order in 1954. He was born at Trenton, Kentucky, October 1st, 1918.

**Norman N. Spear** 56876 of Cheyenne, Wyoming in March, 1976. Norman was a recent member of the Southeast Wyoming Club #140 where he was initiated in 1951. Brother Norman was born at Denver, Colorado June 16th, 1919.

**Albert Terpstra** 73880 of Chamblee, Georgia died in March, 1976. Brother Al was born in Demotte, Indiana May 21, 1921 and among other positions in the lumber industry, had been a sales person for the International Paper Co. of Atlanta.

Al joined the fraternity in January, 1963 at Kansas City, Missouri and was a recent member of the Atlanta Club #1.

**Charles H. Strout** 67955. Mrs. Alice Strout advised us recently that member Charles passed away on April 16th, 1976.

Brother Charles was a resident of Reading, Massachusetts and a recent member of the Harry L. Folsom Hoo-Hoo Club #13.

*Continued on next page*

## More Obituaries.....

C.C. "Sti" Stibich L31139, recently awarded an Honorary/Lifetime membership in Hoo-Hoo International after serving over 50 years, passed away suddenly on April 26.

Sti was 89 years of age and in spite of recent advance warnings of heart trouble, worked up to the day of his passing as National Sales Representative of the Lamson Lumber Company of San Francisco. He was also a past president of the local San Francisco Club #9 and International State Deputy Snark of the Bay district area in 1933.

Patrick H. Tynan 63449, past president of the San Francisco Club #9, passed away in June 1976 at age 50.

Pat joined the Sales force of the Lamson Lumber Company of San Francisco in 1958 after five years with the Dant & Russell Co. and two years in partnership with Henry Winfree in the wholesale lumber business.

He first joined Hoo-Hoo in 1955 at Fresno giving much of his time and efforts to the organization, particularly to the San Francisco Club where he served in various capacities including that of President from 1972 to 1974.

Michael G. "Sonny" Zincone 73829 of the Garden State Hoo-Hoo Club #108, passed away on April 19, 1976 at age 47. He was president of Zincone Bros. Lumber & Supply Co. of Newark, New Jersey and resided in Fairfield.

"Sonny" was a staunch supporter of Hoo-Hoo and a generous contributor to the club's charity fund. (C.L. Barber, Club Sec/Treas).

Henry J. Smith 58059, of Savannah Georgia died on August 20th, 1976. Brother Smith joined Hoo-Hoo in Savannah on April 23rd, 1952, and was very active in Hoo-Hoo affairs until poor health prevented his activities. He was 69. He is survived by his good wife, Sigma.

# Mail Bag

Greetings from old 32504!

Sorry we cannot be with you at the convention but the cards just didn't fall that way. Please give my greetings to all my Hoo-Hoo friends you see.

Mary and I are both well. Had our 75th birthday celebrations this summer as well as our 52nd wedding anniversary.

Sincerely,  
Larry Clark 32504

Dear Cliff:

Where did the past year go? Anyway here are my dues for 1976/1977. Lumber business continues to be good for us out here in the West. **Log & Tally** is better than ever and Bill Niesen and I are NOT growing older!

Best regards,  
Paul Ward  
Niesen-Ward Forest Products, Inc.

(Editor's note) The following telegram was received at the convention in Albuquerque, New Mexico, and addressed to Thomas M. Partridge, Snark of the Universe.

Tom: Trust you have a successful convention and regards to all.

Guy Morris  
Adelaide Hoo-Hoo Club #212  
(Australia)

George W. Evans, Jr. 61138, passed away September 8th, 1976 at Sun City, Arizona. He was 69 years old.

George was initiated on February 3, 1954 at Atlantic City, New Jersey, and was very active in the Walt Whitman Hoo-Hoo Club #171, and will be missed by all his brother Hoo-Hoo and his customers.

He is survived by his wife, Gertrude and his son, William G. Evans.

I am now the proud president of the Hobart (Tasmania) Hoo-Hoo Club #235—formally formed 23 April last with help from the Melbourne (Australia) club and Jurisdiction IV.

As a matter of interest, our club is the one referred to page 4 in the February, 1976 LOG & TALLY.

Trusting your convention will be a beaut, and please give my fondest regards to Vaughan and Peggy Justus.

Fraternally,  
Jack L. Risby 81643  
Hobart, Tasmania, Australia

Dear Cliff:

Justus Lumber Sales, Albuquerque, New Mexico, recently moved their office and distribution yard to expanded warehouse facilities of Southwest Insul-Bead. In addition to our regular forest products distribution, we will be sales representatives for Southwest Insul-Bead.

Our new location is 3526 Broadway S.E. Albuquerque, NM 87102.

Fraternally,  
Vaughan Justus, Rameses 59

Since it appears that Austin, Texas Club #207 is not likely to be activated in the near future, it has been determined by a group of ex-officers, and Directors to donate money remaining in our account to the International.

To that end I am enclosing Cashiers Check in the amount of \$362.17, with the request that this money be used in some scholarship fund, and that Austin Hoo-Hoo Club be acknowledged as contributor.

Yours fraternally,  
W.C. Lambdin, Treasurer  
#52866

## Report on Hoo-Hoo Redwood Grove

Dear Tom:

This is to bring you, the Vice-Presidents, Secretary Cliff, the Nine and members of the Grove Committee up to date as to the status of any developments this past year pertaining to the Hoo-Hoo Memorial Grove.

The committee did not hold its usual May meeting in Eureka this year for two reasons—at the time two stalwart members of the committee were not available. Both Leonard and Tommy Putman experienced health problems as did Jim Jones, who had a rather serious operation scheduled. All are flying high again.

I did make a fast one day trip to determine if there were any new developments as to the Park Department obtaining the buffer strip between the east boundary of the park and the proposed freeway. I was assured by both Mr. A.D. (Tiby) Philbrook, Supt. of Parks and Recreation also by Mr. William Allison, Supt. of Prairie Creek Ranger Station on no change whatever of the Parks Dept. obtaining this strip. They both did mention of the pressure by certain organizations to obtain more land for wilderness, recreation parks or what else, and an equal pressure by lumber firms and private hold-

Gentlemen:

We are returning under separate cover your film entitled, "The Forest Productive".

We wish to thank you very much for your prompt mailing of the film to us. The entire seventh grade saw it, as well as several eighth grade classes. It was exactly the kind of film Mr. Hemphill, our Industrial Arts teacher, wanted.

If you have additional films to loan, we would appreciate a listing.

Thank you again for your prompt response to our request.

Very truly yours,  
Clara Wisbach  
Media Specialist

ers of timber to keep these groups or agencies from obtaining additional land.

Mr. Smith, Dist. Engineer of the State Highway Dept. did feel that the proposed freeway was further in the future because of the State and Federal Government austerity programs, but he did state that the present two lane highway was continuing to be more congested because of log and lumber trucks and most of all increased tourist traffic.

My report of a year ago was not read at the Vancouver convention, neither were parts of it published in Log & Tally. I will repeat two important developments in the past two years.

There has been much mention made of the possibility of shifting the present Hoo-Hoo Grove to one more accessible. This was thoroughly investigated by Committee member Al Bellwith Newton Drury of the Save the Redwoods League. Any groove more accessible and with **not** as good timber would cost an additional \$50,000. The committee did not pursue

such a move further. Eventually the Hoo-Hoo Grove will have good access when the freeway is built along the east boundary of the park and the Park Dept. obtains the buffer strip between the east boundary of the park and the freeway. Then the Park Dept. will put East Ridge Road in good condition, not only to provide access to the existing groves in that area but also to make additional groves more saleable.

Now for the good news, as to the present value of the Hoo-Hoo Grove. This was purchased in 1969 for \$12,400 of which Hoo-Hoo members contributed \$6,200 and the State matched this amount. An appraisal was made a year ago in August by the Save the Redwoods League and valued at \$200,000. It is today valued at \$250,000. This is based on a cruise of the timber on the 10 acres of 100,000 feet per acre and the million feet of Douglas Fir and Redwood valued at \$200.00 per Board foot plus the value of the land. This tells the story of the value.

Kansas City (816) 471-8500    Baltimore (301) 837-3980    Los Angeles (213) 222-5111    Houston (713) 861-6192

## Redwood Grove.....

As I proposed some three years ago that we develop a slide program of the Grove, but this is slow in coming. I have some good pictures of the trees, better pictures of the people involved from the day of dedication to the present. Former Gov. Ronald Reagan mentioned at a luncheon meeting that if you see one redwood tree you see them all. So it is with taking pictures. Take a picture of one big tree, then a picture of the next big tree and they both look alike. Also because of shadows, from real dark to bright sunlight it takes the best of equipment. Leonard has this equipment and should have a good slide program. Perhaps some day we can get together on this and develop a tray of eighty slides for showing to all clubs.

I have been asked several times as to the title of the Hoo-Hoo grove. This property is in the States Park System. Land is purchased by the Save the Redwoods League and resold to individuals or organizations and put into the Parks system which match funds in an equal amount. Any monies received by the Save the Redwoods League is used to purchase additional land.

All committee members are enthusiastic about the project, it is a good Hoo-Hoo International asset.

Fraternally  
Al Kerper L-44255  
Chairman  
Redwood Grove Committee

## Report of the Committee On Administration

We, the Administrative Committee of Hoo-Hoo International, approve, accept, and compliment the report of Executive Secretary Clifford H. Cunningham. We highly recognize the fine work and dedicated years given by our great Treasurer, the late Henry C. Hess. His passing has certainly left a void in the organization of Hoo-Hoo International, and in the lives of its members.

We appreciate and compliment the work of Chairman David Mar-

teney and Snark Tom Partridge, as well as Editor Lois Neilson. We further compliment the year of dedication from the Supreme Nine members, the local club officers, and all members of Hoo-Hoo International.

We recommend that the Executive Secretary submit a quarterly trial balance to the Treasurer and Executive Committee, and we urge all local clubs to remember December 9 as deadline for submitting annual dues.

Respectfully Submitted,  
Gerald A. Jewett, Jr., Chairman  
Lee Roberts  
Al Meier  
Gordon Graham  
Roy Dunbar  
Robert Ford  
Wm. Gлиндeman

## Report from Juris VII

Robert Hertling 75872

The first year of my term as a member of the supreme nine, is just about to end, to me it has been very educational as to the greatness of Hoo-Hoo. My first trip was to go to the Houston Club #23 for their annual golf tournament. They were the most gracious hosts. Jim Brown picked me up at the airport about 1:00 A.M. in a very bad rain storm, bedded me down at his home, made breakfast, then we headed for the golf matches. We had a great five-some which consisted of Jim Brown-Gary Hester-Roy Cummins-Tom Rice, and yours truly, what a day.

Then the evening affair, what a dinner. There were golf prizes and also quite a few attendance prizes, and you should see the way they raise money for their club. All you have to do is ask the mem-

bers of this club as to the way they used to make money, (Oh Boy) all in all Lourn Champ and myself were treated with the red carpet treatment. We had a business meeting with regards to the Jurisdiction Mini Convention to be held in Houston, Texas. This Houston club is very young and active with the help of the older members they really get the job done.

My next tour of duty was to have a meeting with the Wichita Club #173 at Wichita, Kansas. My wife and I were guests of the 2nd Vice President Lourn Champ and his lovely wife Maxine, they were most gracious hosts on this occasion. This was a joint meeting with the ladies in attendance. I must say we were welcomed with open arms, every one was just as friendly as could be. Also in attendance was the Snark of the Universe, Tom Partridge, also 2nd Vice President Lourn and Maxine Champ. We had a wonderful meal and the food was excellent and we also had quite an evening of entertainment. Not to be forgotten the Chairman of the Board Dave Marteney and his lovely wife, Margaret. This was all held at the Canterbury Inn in Wichita. This is the greatness of Hoo-Hoo, we were strangers to these people and they made us feel as though we knew all of them for years.

The next trip was to check on the Tulsa club on the way to Houston, Texas for the Mini Convention, I found out this club was just about defunct as they had been having trouble trying to get members to a meeting. This coming year I will try to reactivate this club and the Kansas City club.

We drove to Houston, Texas for the Mini Convention. Included in the group were the Snark Tom Partridge, 2nd Vice President Lourn Champ and wife, Chairman of the Board Dave Marteney and yours truly and wife. We held the Mini Convention in the Ramada Inn on the west end of Houston. This meeting was very good for the betterment of Hoo-Hoo. It was attended very well. The forum we had was well rounded out as to the various parts of Hoo-Hoo. There was quite a discussion on the Monongahela question, it was decided

to write to the various Senators and congressman from the States in Juris. #7 to ask them to look into this bill in Washington, D.C. We heard from Snark Tom Partridge, also 2nd Vice President Lourn Champ with regards to the Log & Tally Magazine also a very nice talk from the Chairman of the board Dave Marteney and yours truly made a small talk on keeping the clubs active and trying to reactivate the clubs that are having trouble keeping going.

This mini convention was handled very well by the Houston Club. I must say they have a very active and aggressive bunch of members. They all work hard and they have quite a few young men and just enough of the older men to help them with the problems of the club. There were members of the Beaumont, and Austin and some other towns in Texas present at the seminar so as we ended the meeting and had the dinner dance and party on Saturday nite, I think that all those at the meeting and seminar gained some very good thoughts with regards to Hoo-Hoo International.

On leaving Houston we headed back towards Gurdon Arkansas for a meeting with the Gurdon Club #120. This was quite a social meeting as we were taken out to a lake or a river cabin, the weather was a bit on the wet side but this did not dampen the spirits of the social meeting. In attendance were the Snark of the Universe Tom Partridge, the Lt. Governor of the State of Arkansas was on hand to make our Snark an Official Arkansas Traveler. We all were asked to say a few words by the President of Gurdon Club #120 Roe McCasland who is a member of Potlachs Ind. in Arkansas. While the men were at the meeting the ladies of the Gurdon club took the wife of Snark Partridge and Supreme Nine Rep. Bob Hertlings wife to a lovely dinner and evening of entertainment for which we were very thankful to the Gurdon Club.

The next bit of business for my first year was to attend the annual board meeting in New Orleans, La. This meeting was held on Saturday March 20th. This meeting to me was very informative and I realized that a board member has

a job that is the link between each club and its members and he must stay abreast of all the things that pertain to the club and to Hoo-Hoo International. Later that evening we were invited to a cocktail party given by the late Henry and Donna Hess, which I know we all send our deepest sympathy to Donna Hess, with this parting word I am only too grateful to have served Juris VII and I hope I have done something for Hoo-Hoo if only in a small way—thanks for everything.

Fraternally yours,  
Bob Hertling  
Supreme Nine Juris VII

## Report from Juris. IV

Graeme T. Smith 74395

Over the past twelve months three major factors have contributed to the outstanding success of Hoo-Hoo within Australia.

1. At the commencement of my term as President, I pledged that I would do all I could to increase the membership to 500. To our pleasure membership has galloped up to reach 519.

2. The formation of two new clubs, namely Hobart and North Eastern Victorian gave me a lot of joy and satisfaction at being able to influence people within our industry, into forming clubs outside of our normal run of inter-capital clubs.

To continue the same theme of starting new clubs and building membership within Australia, I have no hesitation of saying that there will be another two clubs forming in 1977.

3. Life Membership honours were presented to Norton Ladkin and Lindsey Le Messurier in Ade-

laide this year. Both contributed enormously to the formation and the success of Hoo-Hoo in Australia over the past twelve years.

## Club Reports

**Adelaide 212**—Early in 1976 Jurisdiction meet in Adelaide and later attended a regular monthly meeting which was enjoyed by all Jurisdiction IV Executives. Under the reign of Guy Morris and the watchful eye of Vice Gerant Snark Des Gill, the Club has been doing exceptionally well.

**Mt. Gambier 214**—an extremely busy club and one that never ceases to amaze me. Each year the town celebrates Timber Week with several activities planned by members of the Hoo-Hoo Club. A Timber Ball always ends the week which is usually attended by some 600 guests.

**Sydney 215**—has also had a busy year, and I look forward to my return to Australia when in October I will attend the annual Congress. At this stage approximately 250 delegates and wives will be flying to Sydney to attend.

**Melbourne 217**—this is the largest club in Australia and one which goes from strength to strength. We are indebted to people like Brian Tutton for his work in forming the Hobart club and also Kevin Kelly, Peter Youl, Bob Lamb and Andrew Showers for their contribution and influence in forming the North Eastern Victorian Club.

**Brisbane 218**—has a strong ambition to aid charity and certainly succeeds in doing so. During the past year they raised over \$10,000 which was distributed to various charitable organisations.

This year I attended their Timber Industry Ball which was an enormous success.

**Canberra 232**—has had its share of problems, the effect of the economy has been felt largely in Canberra, and this in turn has had an effect on the attendance and the motivation of a lot of members there.

We believe and hope that with the new office bearers and the assistance from Jurisdiction IV, Canberra will come alive again.

Continued on next page

## Juris IV .....

Jurisdiction IV realises that it is at a disadvantage being so far away from Hoo-Hoo International, but we have been lead to believe that we can expand towards the East, as an enquiry has been received concerning formation of clubs in Singapore and Kaula Lumpur.

Jurisdiction IV and its Clubs believe that through Hoo-Hoo—a united timber industry, and I can guarantee all people in Hoo-Hoo International that no Jurisdiction is stronger or has more going for it than Jurisdiction IV Australia.

## Report From Juris VIII

Gerald A. Jewett, Jr. 55519

Jurisdiction VIII in Mid-America includes the states of North Dakota, South Dakota, Nebraska, Minnesota and Iowa. This past twelve months has been successful for most of the clubs in Jurisdiction VIII.

This last year I have attended Concats of the Central Minnesota Club #91, Iowa Club #102, Omaha Club #124, Southern Minnesota Club #150, Hawkeye Club #193 in addition to many other regular meetings and the popular annual Christmas Party of Southern Minnesota Club #150 which was held at Rochester, Minnesota was very enjoyable.

In visiting the various clubs I found a good deal of effort has been spent this last year in obtaining new members and collecting of dues. As early as last January, Hawkeye Club #193 was one of three clubs in Hoo-Hoo that was 100% paid up. The Jurisdiction still has not been able to reactivate clubs in Duluth and Waterloo

which it appears is going to take a lot more time and effort.

Thanks to the past few years work of the Twin Cities Club #12 in the environmental program the Ecology Bulletin Board has really taken hold in some clubs. Iowa Club #102 built an Ecology Board like Eric Canton put together for the Twin Cities Club. The last two State Lumber Conventions in Iowa it got lots of exposure. Twin Cities Club #12 has sent out 359 Ecology Bulletin Boards and has had 857 Publication Requests.

Our Jurisdiction now has six "Forest Productive" Hoo-Hoo films in circulation and they appear to be gaining on number of showings this last year over the previous year. Iowa Club #102 has received a good response by offering showings at the Des Moines Area Community College, Johnston School System, Ames School System, Kiwanis Clubs, etc. Twin Cities continues their distribution of films through the University of Minnesota Extension Film Library with great acceptance.

Most of the clubs in the Jurisdiction are supporting some type of scholarship program in the Forestry Departments of the Universities and Technical schools. It appears a great deal of good will come from these programs.

While lumber people in our Jurisdiction seem very busy in their respective businesses, the Clubs have continued to carry on their many variety of activities. Twin Cities Club #12 continues to participate with the Northwestern, Lumberman's Association Annual Convention programs, University of Minnesota's Annual Lumberman's Short Courses and have now established a Speakers Bureau for representing the voice of the industry to their community.

Iowa Club #102 President, Charlie Strom, died this summer after a series of heart flare-ups. Charlie was a loyal Hoo-Hoo, serving on the Supreme Nine, attending the annual conventions including Vancouver last year, accompanying me on a number of visits to try and help clubs with projects and Concats. However, thanks to Carle Hall, Iowa #102 Secretary-Treasurer, this Club is moving full speed ahead with a variety of ac-

## "The Hoo-Hoo Traveling Cane"

By  
George W. Mueth, 53978

The long, dreary eight hour shifts at the St. Louis County Water Company's pumping station weighed heavily on Francis Xavier Hagemeyer. Nothing to do but read the paper, work a crossword puzzle or twiddle one's thumbs in between the periodic checks of pressure gauges and gallonage levels.

He mulled over his youth in Creve Coeur, (Missouri) where the old-timers sat on the barrels around Dierberg's General Merchandise Store and—you guessed it—WHITTLED.

Taking some of the skills he remembered from shop classes 'way back yonder in school and sharpening every cutting and carving instrument he had in his workbench.....and cadging some "scrap lumber" off the local yard, he set off on his career as chief whittler and bull-slinger of old Creve Coeur.

When he wasn't at the pumping station, you just might find him swapping stories and selling his masterpieces at the Creve Coeur Inn (family tavern, neighborhood style).

He would carve such things as nameplates for desks, little figurines, and walking sticks. Much of his craft centered around hand-carved inlay work and he also hued out round balls that would roll free in the cubed chambers out of which they were cut...ala the Hoo-Hoo cane handle.

Francis X (Frank) Hagemeyer sold the Ol' Moose the walking

activities every month. My thanks also to Carle Hall for being so greatly helpful to me and other clubs in our Jurisdiction.

On behalf of Jurisdiction VIII, I want to thank our Snark, Tom Partridge, for being so generous of his time in Jurisdiction VIII. Tom was present at every Concat I attended, as well as, many of the other meetings in the Jurisdiction—A Great Snark.

Sincerely submitted by,  
Gerald A. Jewett, Jr., 55519

## To all HOO-HOO Members of Jurisdiction II,

I was honored to be re-elected to another term on the Supreme Nine at the last International Convention held in Albuquerque, New Mexico.

My Hoo-Hoo career started in 1962. I began by serving on the board of directors of the Detroit Club, continuing through the various offices becoming president in 1966. I have attended eight out of the last ten International Conventions.

I am owner and President of the H.A. Smith Lumber & Building Supply Company located in Farmington, Michigan. This has been my life-long career, starting with the company some thirty-one years ago.

It has been my goal in the previous three years on The Supreme Nine to visit all the clubs in Jurisdiction II each year. This will continue to be my goal this year. In the next few months, the first Hoo-Hoo Club Manual will be published and sent to each club president. I would like to visit each club shortly there after so we may go over the manual together. I would prefer that this is arranged to be done at a general business meeting or at a board of directors meeting. The manual, written by our current Snark Bill Bader, if followed will improve and increase the membership of your local clubs. It has taken Bill and the Interna-

stick over a few Budweisers one day in about 1964 and since Mueth's traveling budget had been fractured by his 2 year stint on the supreme nine, he allowed as how it would be fitting and proper and damn-well-deserved to award such a cane to the man who put the most time and money into touring his jurisdiction and promoting the image of Hoo-Hoo.

I have agreed to get little brass nameplates for affixing to the cane itself and will forward them to our Australian connection Graeme Smith, so that, once installed, all will know what year and who wore out the most shoe leather for our beloved BIG BLACK CAT!

Mrs. Mike Wilson, Donna Buschbacher and Merritt Marthaller seem to be enjoying themselves at the dinner and dance for the Installation of Officers of Club #47.

## Report From Juris V

After attending the board meeting in Vancouver, I attended a social function hosted by the Victoria Club. I would like to thank them for the wooden one piece chair they kindly presented to me. In September I attended the annual meeting of the Victoria Club #183. I have been attending most of the directors meetings of Cowichan Valley Club #229, including their annual meeting and general meetings, also the joint annual meeting of Victoria and Cowichan Club which was held at the Village Green Inn at Duncan, January 29th.

Made a trip March 2nd to attend Toronto Club #53 meeting and concat at the beautiful 'Inn of the Park' where I was royally treated.

The board meeting in New Orleans in March was eye opener for a new supreme nine member. Snark, Tom Partridge conducted a meeting second to none and I was surprised at the amount of business that was conducted with serious thought and input by the executive and supreme nine members.

tional office months to assemble the data this manual contains. I hope all clubs in Jurisdiction II will use the manual as it has been intended.

I will give special attention to clubs having membership problems. Snark Bill Bader has made the increasing of membership his first priority. All Clubs in Jurisdiction II held concats last year. The problem has been one of losing more old members than the gain of new members. This, of course, results in an overall decrease of membership. This is not a unique situation existing only in Jurisdiction II, but in many other Jurisdictions as well.

To those of you I have not met, I hope that during this Hoo-Hoo year we will meet and get to know one another. I think you will find that I have a background of knowledge and experience in the local as well as the international level. To promote fraternalism between the local and international levels, we must have the cooperation of all the local club secretaries of making available the names and addresses of your new officers.

In closing, remember in Hoo-Hoo.

STRANGERS ARE ONLY FRIENDS THAT HAVE NOT MET.

Sincerely,  
Robert VanEvery L73186

Other functions were attended as follows:

1. Cowichan Club #229—Golf tournament—May 1st.
2. Victoria Club #183—Ladies Night—May 15th.
3. Visit to Junior Forest Warden Camp at Wardrober Creek, Youbou, B.C. with the Cowichan Valley Club directors on May 27th. (Cowichan Valley Club has contributed several thousand dollars towards a clubhouse).
4. Flew up to Calgary, Alberta to attend Stampede City Club #196 annual meeting, election of officers and concat. I might add Leo Hancock of Hanco Lumber Sales must be congratulated for his efforts in bringing the Stampede City Club back to life. The newly elected Snark, Jack Martz, I know will take many steps forward with his enthusiasm and knowledge of Club operations.
5. I have several more functions to attend prior to the convention in Albuquerque, New Mexico, which will keep me on the go for Hoo-Hoo.

My wife Betty and I had the "great honour" of hosting the June directors meeting of Cowichan

## Juris V.....

Continued from preceding page

Valley Club #229 at our home along with a "curried chicken" dinner especially prepared by my wife.

I have now attended any functions of the Vancouver Club this year, but plan to do so next year. I purchased a sixty dollar dinner ticket which had a first prize of four thousand dollars plus but unfortunately did not win. I wonder because I was not there if my ticket was pulled out early in the draw! Jack Jacobson, Snark of Vancouver Club #48 has been working hard to correct a few areas that required attention and has done a terrific job. Congratulations Jack to you and your directors. I have been in touch with Jack via telephone on a fairly regular basis.

I was not able to visit the Midnight City Club #200 in Anchorage, Alaska but that visit will be on my 1977 itinerary. Probably in early summer!

This report respectfully submitted:

G.S. Doman—Supreme Nine, Jurisdiction V.

## Tree's Friend Is "Cold" Person

To a tree, Greg Brown is a "cold" person.

On more than one occasion he has calmly watched little seedlings freeze to death.

Then he has torn apart the seedlings—right down to their cells—to find out why some trees are more cold-hardy than others.

The "autopsies" are beginning to pay off. The University of Missouri—Columbia professor of forestry had identified factors ranging from a "supercooling" phenomenon to a built-in "antifreeze" that could help us have more cold-hardy trees in the years ahead.

And he and his colleagues have isolated and identified a glycoprotein (a protein bound with sugars) which binds the water in the cells and keeps it from turning into ice. They found the glycoprotein in black locusts, well-known for their

hardiness. Similar glycoprotein has been found in fish which live in the Antarctic Sea.

Brown's basic research findings will be used by plant breeders who will now be better able to select for cold hardiness. Others will use his information to develop chemicals that will stimulate plants to produce glycoprotein or other forms of plant "antifreeze."

Manufacturers are already selling cyro (cold) protectants which basically slow plant growth. "Dormant plants are more hardy," explained Brown.

The UMC research will help protect trees from early fall freezes and late spring freezes—something that would be worth millions of dollars to the fruit and nursery industries.

"And by extending a tree's hardiness, we could introduce desirable species into areas where they couldn't grow before," said Brown.

One of the most cold-hardy trees is the black locust. It survives harsh weather much better than the hickories, black walnuts, red-buds, cottonwoods and others.

Brown said there are three main reasons for the black locust's cold-toughness.

One is the glycoprotein explained earlier.

Another is that the locust, like other cold-hardy plants, has a special type of cell membrane that tends to keep ice out of the plant's cells. The membrane also allows water to move out of the cells more quickly. Without water in them, ice can't form.

"It's the formation of ice that kills the cells," said Brown. "If this happens in the 'vital' parts of the tree—like the bud tips—results are fatal. Fruit production is lost for at least a year, and the tree may never recover."

Another factor which makes trees more cold-hardy is the "supercooling" phenomenon. "Without going into a lot of physiology," said Brown, "some plants have mechanisms which tend to keep ice crystals from forming. For example, in trees like black locusts, cellular ice crystals won't form until cell sap reaches 15 degrees Fahrenheit or below."

## Report from 1st Vice President

Laurin Champ L-75820

I feel it is a great Honor to be elected to the office of First Vice President of the greatest Fraternal Order in the world, Hoo-Hoo International.

As your First Vice President, I will definitely cooperate with our Great Leader, Snark Bill Bader. One of the duties of the 1st VP is membership. Our Snark would like to see this raised about 1,000 members. I will be contacting and visiting many of our clubs this year. Let's work and surprise our Snark by rising above this quota, plus putting the delinquent members back on the active roll.

I suggest you appoint a chairman of inactive membership or some manner in getting old members back with us. Call me or write me any time I can be of service.

I believe as our motto "Through Hoo-Hoo A United Lumber Industry", which makes for stronger brotherly love and fraternalism of our great order.

Fraternally Yours,  
Laurin R. Champ L-75820

Another minor reason for black locust's toughness is their built-in "antifreeze."

"Living cells contain lots of sugars and other organic substances which act as an antifreeze," said Brown. "Just like the antifreeze in your car, they lower the freezing point and protect plants at colder temperatures."

Now that UMC researchers have identified the processes which affect cold-hardiness, Brown said the next step is manipulating these processes—for the benefit of trees and their friends.

So you see, Greg Brown isn't such a "cold" person after all.

## Executive Secretary's Report

Clifford H. Cunningham 71880

Many of the Jurisdiction reports are within these pages, and those which are not are within the pages of the August, 1976 LOG & TALLY magazine. Your Supreme Nine members are all hard at work to make Hoo-Hoo International a better organization.

Your new International officers include **Thomas M. Partridge** 45201, Chairman; **William A. Bader** L-75318, President; **Laurin R. Champ** L-75820, 1st Vice President; **Eugene Zanck** 68162, 2nd Vice President; **W.A. (Bill) Russell** L-50220, Secretary/Treasurer; **Leroy H. Stanton** L-31930, Seer of the House of Ancients, and **Cliff Cunningham** 71880, Executive Secretary.

The Jurisdiction Representatives are: Juris I, **Joseph W. Cusack**, 70543; Juris II, **Robert Van-Every** L-73186; Juris III, **Clair Richey** 77463; Juris IV, **Colin Wilson** 77413; Juris V, **G. S. Doman**, 74610; Juris VI, **James A. Jones**, L-72703; Juris VII, **Robert Hertling**, 75872; Juris VIII, **Gerald Jewett, Jr.**, 55519, and Juris IX, **Robert E. Hayes**, 70754.

There appeared to be a very tight race for the 2nd vice president's position which was won by Eugene Zanck. James Jones, who opposed Mr. Zanck for that position, was elected for an additional term as the Supreme Nine member for Jurisdiction VI.

A newcomer to the Board of Directors is **Joseph W. Cusack**, 70543, the new Supreme Nine Member for Jurisdiction I which

## More on the Convention....

### Ladies Program

What a wonderful convention it was for the ladies—thanks to the very enjoyable activities which were planned for us.

Hospitality was at its peak where ever we turned from early morning "Tee" on our veranda to coffee and Lilly's home made cookies in the Garden Room.

**Monday's** detour from the men began with a shopping tour to the very quaint little district of Old Town. It was here that the women

includes the six New England States, Delaware, Maryland, New Jersey, Eastern New York, Eastern Pennsylvania, and Washington, D.C. It's a big territory, but we have a big man to cover it.

The advent of a "Club Operations Manual" has everyone on the Board of Directors excited. The manual is designed for all clubs with suggestions for improving attendance, dues collection, etc. It even includes samples of club stationery, dues notices, club meeting announcements, brochures, etc. These manuals will be sent free of charge to all Club Presidents around the first of 1977. It is hoped that the Supreme Nine Members will be able to present these manuals to each of the clubs and explain the workings as they do. In the event that your Supreme Nine Member is not able to be in touch with your club about these manuals, it will be sent to your club president with a letter of explanation and introduction. Any questions should be directed to the Hoo-Hoo International Office, 1416-20 Providence Highway, Norwood, Mass. 02062.

The author of this report urges you all to read the Snark's report which begins on page 2 of this LOG & TALLY. We have a very hard-working Snark this year and he is expecting a marked improvement in the Hoo-Hoo membership. It's up to you and your club to help us reach a goal of 9,000 members this year.

Respectfully submitted,  
Clifford H. Cunningham 71880  
Executive Secretary

could hardly wait to get rid of "all that spending money". In fact I don't think there was too much left of the Indians' wares when the Hoo-Hoo wives departed!

Lunch that day honored Terry Partridge, the Snark's wife, with a very lovely pewter platter. And each of the Past Snark's wives and Supreme nine wives received very pretty red peppercorn earrings.

For those who were feeling a bit brave that day, the menu at the La Placita Dining Room offered a variety of Mexican foods from beef filled tacos to honey filled sopapillas (soft pillows). Those not as brave picked the American roast beef with whipped potatoes and took tastings from their neighbors!

Not that everything wasn't enjoyable enough that afternoon, but to make things even more pleasant, we were entertained with a fashion show by lovely ladies, some of whom were the club's own Hoo-Hoo wives. And what a very fine job they did.

Evening time that night took both the men & ladies to the magnificently breathtaking view of the Sandia Mountains and the Sandia Peak Tram ride.

The over two mile ride up the mountainside gave many & varied panoramic views and left most of us with pictures we'll always remember, (especially those of us on that "infamous" ride!)

Once at the top, you were either very relieved to have land under foot and headed straight for the restaurant, or like some you couldn't get enough of the beautiful scenery so took advantage of the rustic walk around the lookout deck.

Then it was dining in the very relaxing atmosphere of the Sandia Peak restaurant with a menu which included Coq au Vin, beef en brochette, prime rib and other appetizing choices.

Those who returned down the mountain at dusk witnessed an unbelievably beautiful sunset. The night scene was also very pretty with the lights of the city burning for miles below.

Continued on next page

## More on Convention

*Continued from preceding page*

Tuesday's program brought the ladies and many of the men to the Indian village of Isleta where we viewed the village women cooking in the primitive but very efficient outdoor ovens.

The oven was heated with charred wood and as many physically witnessed, the oven became quite hot! Within five minutes of placing pizza-type platters in the stone, igloo-looking hearth, the Hoo-Hoo members and wives were feasting on a delicious fruit filled pastry, along with some homemade bread which had been baked earlier.

Much of the activities the ladies enjoyed from this point on are covered elsewhere in this issue. But I think all the ladies would be in agreement that it was a grand time in the ol' town of Albuquerque both day and night.

Thank you once again, our very gracious hosts and hostesses of Club #69!

Club #69 Treasurer, Manny Aragon, smiles with a sigh of relief after the convention comes to a close.

Rameses #65, Len Putnam, poses for the photographer.

W. A. (Bill) Russell L-50220, newly elected International Secretary/Treasurer, poses with his wife, Nan.

Mr. & Mrs. Sam Gurvitz from Boston, Mass. relax in the hotel lobby.

This is a small view of the 2nd business session of the convention.

Snark Bill Bader and wife, Pat, wave to the audience after the embalming ceremony.

Darrel Pardee, Club #47, shows the easy way to get his Bloody Marys at 7:00 a.m. in the morning as Howard Smallridge (R) beams his approval.

Bill Russell, left, presents "Mr. Slivers" to Bill McLean, the original owner. "Mr. Slivers" had been misplaced somewhere in Texas for the last three years or so.

Our new President, Bill Bader, makes some notes by poolside just prior to the final business session at Albuquerque.

Dan Brown, Bad News #2, shows us all how to relax in Jack Cheshire's back yard just prior to the convention.

Graeme Smith displays his numerous awards, plaques, trophies and mementos to a gathering of the new officers and directors of Hoo-Hoo International.

Bill Russell gives thanks for his trophies and his Rene Richards Tee Shirt.

Graeme and Yvonne Smith (Australia) pose for the cameraman with new Snark Bill Bader and his Wife, Pat.

Marie Cheshire and Chairman Dave Marteney ham it up a little for our photographer.

Convention chairman Jack Cheshire smiles with his lovely wife, Marie after a hard day's work making sure everything "went well."

Club #47 president Louie Buschbacher and his wife, Donna, smile at the convention.

Dear Cliff:

At our last Board of Directors Meeting of the Harry L. Folsom Hoo-Hoo Club #13 of Boston, Massachusetts, the Officers and Directors voted "unanimously" to be the Host Club for the 1981 International Convention to be held in Boston in the month of September.

We would appreciate any efforts you can make in behalf of this request.

Fraternally,  
Jack W. Devlin  
Secretary #79595

**A reminder! International dues are payable now! Members not paid by December 9th, 1976 will be considered delinquent.**

**N.W. Montana  
Club #187  
Kalispell, Montana**

On August 13th and 14th, 1976, the Northwest Montana Hoo-Hoo Club #187 held its 12th Annual Summer Outing, advertised as "Wood Products Seminar". This event has become very popular attracting guests from Madison and Green Bay, Wisconsin, cities in Oregon, Washington and guests and members from various cities in Montana. Also, this year we had guests from the Province of Alberta, Canada.

The outing commenced on Friday afternoon with a golf tournament for both men and women on the Kalispell Golf course which event attracted 52 people. Later in the evening a cocktail party was held at Holly Larson's home for the embellishment of the body with the nectar of the spirits. After the cocktail party a dinner featuring baron of beef was served at the Elks Club in Kalispell. 134 members and guests attended the dinner and were entertained by Doctor Charlie who told his famous wine story. After the dinner Jim Groschup presented awards to the members and guests.

For 54 hardy golfers tee-time was at eight A.M. Saturday morning at the Whitefish Lake Golf course. For the non-golfers a three hour raft float was arranged by our member and river guide, Jack King assisted by Paul Dowler and Ed Marks. This float took place on the North Fork of the Flathead River and was arranged to bring the 47 people that took the trip to the cookout site on the Flathead River at about the same time as the golfers would be arriving.

The menu for the cookout on the banks of the river was baked pig, barbequed chickens, corn on the cob, potato salad, vegetable salad and refreshments. 108 people enjoyed the cookout.

All in all this was one of the most successful summer outing and everyone that attended wants to return next year. Much appreciation goes to Jim Groschup, Louie Cestnik and Norm Schiele

**Jim Bell, club secretary, (right), gives some refreshment to a very thirsty golfer.**
