### WELCOME TO A NEW DECADE FOR HOO-HOO

I am greatly honored to serve as your Snark during this year. I ask you to join me in accepting the new challenges that lie before us; the responsibilities we face as members of Hoo-Hoo whether it be at the International or local level are monumental. Together we will continue to set the tone, style and direction of this great International Order for the decade of the eighties.

Although the responsibility is sobering, I am thrilled by this opportunity and excited by the challenges. The theme: New Decade - New Challenge - New Beginning - is the concise and appropriate heading for this newly unfolding chapter of Hoo-Hoo. As yet the pages are blank, but you and I, my fellow members, together we will fill them. Ours is a heavy responsibility. We have worked hard before. We must work even harder now to insure that we continue to grow and prosper in the years to come.

I pledge to you to give of myself this coming year and hope that you will make the same pledge. I cannot do the job before me alone. No matter how small the effort of each individual or each club may seem, united, we shall meet the challenges and accomplish our goals. Let us face this new year, in which we are embarking, united with the spirit of a new beginning. We are fortunate to have a solid foundation and an excellent reputation to build on.

During the 1980's more than ever before, the lumber industry needs Hoo-Hoo to bind all of us engaged in forest products together so this great industry will never stop moving forward with dignity. I believe the international leadership must provide guidance by suggesting programs and ideas to help local clubs inspire present members and generate interest for new members to join this great old fraternity.

Over the main entrance to our store, we have a sign which says, "No strangers pass thru these doors - strangers are only friends we haven't met." That's the way I feel about lumbermen, there are no strangers, just friends I haven't met. I hope you feel the same.

I solicit and need your input. Please let me have your ideas, your suggestions, your criticisms, your comments about any phase of this great organization. We all want Hoo-Hoo to be better than ever, to be stronger, and to be more effective. Your calls, your letters or your personal conversations will always be welcome.

These past years have been a great experience for Marilyn and me. We have enjoyed visiting many clubs and meeting many

## Report from The Chairman

### Those Memorable Years

The caption of my report should read "A Has-Been's Fairwell Address". As you know, my career as an International director and officer in our beloved fraternity is now ending. As I look back over this year and the preceding years, I am encouraged by all of the positive actions I have witnessed. Most important of all, I have seen our Order grow during most of these years. This growth is essential for our continued success. This is especially so with inflation biting into our revenue dollars at an increasing rate every year. Like the tree that the members of our Order work with, we must continue to grow to get stronger. Our potential for growth is greater now than in the past. We can thank the environmentalists for providing us with this opportunity to grow. Members of our industry, the entire forest products industry, are more concerned than ever before about how our forest products are utilized. Do you realize that Hoo-Hoo International is the only organization that provides the forest products industry an opportunity for all of its workers to gather in mutual friendship? Think about that! Gentlemen, no matter how we look at it, we have to have growth every year to remain in business. Our fun and games can only continue as long as we remain solvent. If we want to keep enjoying the good times

people. I look forward to visiting many more clubs this year. I feel I am better prepared now to work with you and for you and want to serve you well. I want to thank you for your courtesies and kindnesses in the past.

Join with my fellow board members and myself. Let's all work together with one eye on the road ahead and the other on our yard stick as we measure our progress this year. I want to thank the Atlanta Hoo-Hoo Club for hosting one fantastic convention. I know Marilyn and I enjoyed the southern hospitality and look forward to returning to your great city in the near future.

## 2nd Vice President's Report

My year as second Vice President to Hoo-Hoo International started in Hawaii at the convention. The first official

of Hoo-Hoo, then we have to do our part to keep Hoo-Hoo growing. New members should be encouraged to seek higher offices within our Order. All of this is within the guidelines of our Golden Rule and Code of Ethics. I ask that each of you return home with the goal that you will personally sign up 5 new members between now and our next convention. Keep in mind that our normal attrition rate is about 10% a year. This means that to grow, we have to sign up at least 15% to 20% more new members than the previous year, or keep a higher percentage of our present members.

I wish to thank everyone again for affording me the opportunity to serve this organization as a director and officer. It has truly been the greatest experience of my life; Most important of all, it afforded me the opportunity to build friendships with people in the forest products industry that I would never have met, had it not been for Hoo-Hoo. This is an experience that is available to all of our members. I urge each one of you to seek higher offices in our Order so that your account of memories will be as rich as mine.

Thank you all again.  
Respectfully submitted,

Chairman of the Board

function was to attend a board of directors meeting where our new Snark Jim Jones delegated various responsibilities and set goals for the coming Hoo-Hoo year. Our Snark asked that a contest between Jurisdictions 2 - 3 - 8 - 9 and 1 - 5 - 6 - 7 be undertaken for a membership drive. I was to head up the first group and work through the supreme nine members to get the contest under way. It gives me great pleasure to report that our team won hands down. We had an increase in membership in Jurisdiction 3, headed by Norm Mikalson, an increase in Jurisdiction 8, headed by Cliff Taylor, an increase in Jurisdiction 9, headed by Dick Wilson. We had loss in numbers in Jurisdiction 2. However, I know there was a good effort put forth by Fred Meyer and the clubs in that jurisdiction. Our net gain in the four jurisdictions was 55 members. "A good job, Gang!"

I attended a board meeting in New Orleans in December, an executive board meeting in Gurdon, Arkansas, and the board meeting here in Atlanta prior to the convention.

It was a great trip to Gurdon, Arkansas where we attended a club meeting way down in the boonies and were fed steaks the size of saddle blankets. The Museum building and business necessary to get it under way was reviewed by the Executive Board. It is a great project and good for Hoo-Hoo. The people in Gurdon treated us with outstanding Southern Hospitality.

During the year I met with numerous clubs and also attended the Jurisdiction 3 mini-conference in Couer D'Alene, Idaho. My wife, Elouise, and I were caught in the big blow of Mt. St. Helens and missed our plane so stayed overnight in Spokane, then escaped by a back route down through Idaho by rental car at 4:30 A.M. the next day.

It was a great year for my wife and me and we enjoyed the hospitality of many throughout Hoo-Hoo land.  
- Dan Brown - L-74477  
2nd Vice President

## Report from Juris I

Another Hoo-Hoo year is coming to a close - Things have been active in Juris I - Jim Jones made two trips East this past year. In December we visited Club No. 54 Maine where we all participated in a Concat. The ride from Boston to Maine in the "SNARKMOBILE" piloted by Joe Cusack over ice and snow was memorable to say the least - The next day Jim was honored by Club No. 13 Boston at another Concat in which Harry L. Folsom was honored by club secretary Jack Devlin. A great Concat some 27 kittens and some 350 Hoo-Hoo members and guests sat down to dinner.

January was quiet after the Holidays, however, February and March saw many Clubs holding monthly meetings and Concats. New Hampshire took in some 15 in March with the support of many members from Boston and Maine - More about New Hampshire later in this report.

Western Mass and Connecticut along with New Jersey and Albany, New York were all active in the spring and although I could not attend these functions, reports of good attendance have filtered in to me in various ways. I apologize to Wade Cory for not making New Jersey as intended. I will come in 1981 I Promise. From my mail and contact with Jim Joseph, Washington, D.C. Club No. 99 has had a busy and successful year.

Under the trying circumstances of the past year in our industry it has been difficult for me to travel as I had planned. Hopefully all of our business will get better and I will be able to visit more Clubs this coming year. I am delighted to report that through Hoo-Hoo Fraternalism Jurisdiction I have had a good year in spite of bad times. I attest that to the strong membership and good spirit of the Officers and Directors of all the Clubs and for that I commend them.

Back to New Hampshire - Jim Jones returned to Boston in early June. At that time we went to Dover Point, New Hampshire for

## Report from Juris II

Hoo-Hoo International has had a slight decrease in membership from the previous year, and I am sorry to report that almost one-third of the loss is from Juris II. The tendency is to blame things on the economy, but I am not so sure this is the whole problem. I think rather that we have not been aggressive enough in getting dues collected. I think too that we are lax in looking for reinstatements. I do not think anyone should drop out of Hoo-Hoo. Even if you move or change jobs, there is no better way to stay in touch with old friends.

To get a new member you must have ConCats. Have two ConCats a year if necessary but be sure never to let a year go by without a ConCat.

The year past has shown that you cannot let up. For example, the Detroit Club; they worked very hard, had many meetings and a most aggressive membership drive and with the result that they stayed even with last year. And I think the coming year is going to be the same kind of year.

If you believe as I do that the spirit of Hoo-Hoo is more important to us than ever, that

the Harold Littlefield Memorial Clambake - The whole day was a complete success as over 200 Granite State Hoo-Hoo's led by Emile Bernard and John Longval consumed clams and lobster. At this time a discussion was had by the Snark, myself, John and Emile as to the feasibility of holding an International Convention in New Hampshire. It was unanimously decided that the next open date be explored by HHI Board of Directors in Atlanta in September. **New Hampshire in 1986!**

In closing I would like to reiterate a couple of things:

1. Thanks to all directors and officers of the local Clubs for 1979-1980.
2. I hope to be able to visit more Clubs in 1980-1981.

Fraternally,  
Richard T. Mullen 76940

business should be conducted in an honest and open manner among friends, that a mans word is his bond, that our Code of Ethics is not just words but a way of life, then we will have to work a little harder than we have to keep the benefits of Hoo-Hoo available to ourselves and our friends in the lumber industry. Respectfully submitted,  
Fred Meyer - 58954

## Report from Juris III

For the benefit of those who merely glance at their Log & Tally while looking at the pictures, I will repeat a portion of the written report submitted and printed in the August issue.

The Jurisdiction with the greatest number of members in all of Hoo-Hoo land has been particularly hard hit by the recent decline in the lumber and plywood industries. Closures in these industries have idled more than 30,000 workers throughout the Pacific Northwest and the Northern Intermountain Region - both of which serve to comprise Jurisdiction III. However, in the face of such adversity, the July 31st count out showed a total of 1902 plus one deceased member who had paid his dues for the year but was inadvertently dropped from the roll for a net gain of 23 members overall.

The following ten clubs showed a combined gain of 87 members: North Cascades Club No. 230 with 21, Snake River Valley No. 185 - 15, Paulina Club No. 220 had 12, Willamette Valley Club No. 33 caught 9, N.E.W. Club No. 238 at Coleville, Wa. and Elkhorn Club No. 244 at Baker, Or. each had gains of 8. Seattle, Portland, and Kalispell all showed small gains. Our congratulations to these ten clubs for jobs well done. J III's most populous club, the North Cascades, extends from south of Everett to above the Canadian line and with meetings in Everett, Mount Vernon, and Bellingham, increased their membership from 252 to 273. They are justly proud of their position of being the

*Continued on next page*

number two club in the number one Jurisdiction in all Hoo-Hoo.

During the year I attended Concats at the following clubs: N. Idaho No. 155, Snake River Valley No. 185, Great Falls, Mt. No. 165, Seattle No. 34, and Spokane Club No. 16. Other clubs visited were the N. Cascades Xmas Party, Tacoma-Olympic Club No. 89, Coleville N.E.W. Club No. 238, Willamette Valley Club No. 33 for their Fun Night, and a regular meeting with NW Mt. Club No. 187 at Kalispell. In addition I was able to attend Portland Club No. 47 regular board meeting and had a luncheon meeting with Baker, Or.'s Elkhorn Club No. 244 directors and members. Several of these clubs had not seen an international officer in from two to four years -- and I hereby promise the clubs I failed to visit in the past year that they will be among the first to be visited this year -- but please send me your calendars showing meetings.

In May our J III Conference was held at the North Shore Motor Hotel at Couer d'Alene, Id. where some one hundred members, wives, and guests representing twelve of our clubs were in attendance. For a more complete account of the convention that ended with a Bang -- I refer you to your August issue of Log and Tally. Snark Jim Jones, and 2nd V.P. Dan Brown lived through it but just barely.

Jurisdiction III has 17 active clubs and 6 inactive ones -- these six clubs have a combined membership of 34 for an average of almost 6 per club -- with a nucleus such as that -- a determined effort will be made to bring these clubs back to life. At the same time all of our members at large will be contacted to urge them to join their nearest club.

In conclusion, I feel we all can learn much from the splendid record set by the North Cascades Club No. 230. Here is a club with members residing from north Seattle City limits clear to Vancouver, British Columbia that holds meetings in three different locations throughout the year, a situation in which, I have been told by old time Hoo-

## Report from Juris IV

This year for Hoo-Hoo "down-under" was remarkable for one thing and that was the communication and rapport built up with our brothers in U.S.A. and Canada. This came about because of two factors. Firstly, a large contingent of J IV members and wives attending the International Convention in Honolulu meeting and thus making friends with many from America and Canada and secondly, the outstanding job done by Snark Jim Jones in firstly visiting Australia and Singapore and secondly keeping up a constant stream of correspondence with J IV and many of our Australian Members.

Our year saw a new nation adopt Hoo-Hoo when the Singapore Club 245 was finally chartered on November 9th, 1979.

With other Australians I visited Singapore and met Snark Jim Jones and his wife Betty for the inaugural meeting in which 35 members were concated. Then onto Australia where quite an extensive tour of all the city clubs introduced Jim and Betty Jones to many new members and allowed them to renew many acquaintances.

During this year, I attended the mid-year board meeting in New Orleans and believe this has

Hoo members, that it is almost impossible to maintain interest and to maintain membership. Here is a club, whose Xmas party was limited by space to 150 couples, that had a complete sellout and the phone lines were red hot from disgruntled members who could not get tickets. It seems apparent that the record of the club accentuates the fact that with dedicated leadership, intelligent program planning, enthusiasm, and a rededication to the Principles of Hoo-Hoo these accomplishments are there for each of our clubs to seize upon and make great strides forward in this, our new Hoo-Hoo year.

Norman L. Mikalson 65163  
Supreme Nine, Jurisdiction III

helped to bring Hoo-Hoo in J IV to a closer relationship with all other Supreme 9 members and particularly to our executive Secretary Cliff Cunningham and Lois in Boston.

All clubs in Jurisdiction IV are most active, I have visited each one from Perth W.A. to Hobart in the South and Brisbane in the North. I believe all clubs to have had good executives this year and are well placed to continue with Hoo-Hoo work in the future because of the calibre of people coming forward in each and every club.

All clubs are financially sound and support many and varied local and national industry and charitable appeals.

World Forestry Day, March 21st annually has become a very well supported project, dinners and symposiums were held by Sydney, Adelaide, Mt. Gambier, Hobart and North East New South Wales Clubs, where possible our J IV officers attended and supported these projects.

The Hobart Club through their active Public Relations committee organized a special date stamp for World Forestry day, and over 7,000 articles left Hobart G.P.O. with this date stamp.

All clubs conducted worthy projects and two were really noteworthy.

The North East Victoria Club arranged a Hoo-Hoo Hospitality area at the huge Forest Industry Machinery Exhibition held every five years at Myrtleford in Victoria, reputedly the largest exhibition of its kind in the world it features of \$60,000,000 (Aust. currency) worth of harvesting and processing machinery. On the opening day apart from a huge influx of overseas exhibitors, 21,000 people visited this fair grounds and a very large amount of people visited the Hoo-Hoo marquee just inside the gateway.

The N.E. Victoria Club played hosts to people from all over, many of them Hoo-Hoo members who called to have a quiet drink, a hot coffee or just to rest and talk with friends.

## Juris. IV.....

Continued from prec. page

This project went for four days of the exhibition, on the third night this club also organized a Hoo-Hoo meeting at the Myrtleford Football Social Club. It was an outstanding success, members and visitors from many parts of the world gathered, 250 of them altogether, to hear guest speakers and be entertained by local country folk singers and poets.

The other project was one organized by the Northern New South Wales Club at Grafton N.S.W. where the huge forest area is being threatened by preservationists who wish to stop timber getting and convert all the rain forest into National Parks. This club formed a club for ladies, wives, mothers, girl friends, sisters and anyone interested in the forest and business areas in this part of the State.

This club has been called L E A F. it stands for Ladies Environmental Awareness of Forests, and it is to bring an understanding of what sawmillers and foresters are doing to not only use the forest, but to protect it by managing on a sustained yield, multiple use programme.

Our Jurisdiction has an executive Snark, who is always the Supreme Nine Member, Treasurer, Secretary and first and second Vice-President, and nine Vice-Gerent Snarks, who look after two clubs each at present. We have had four J IV meetings this year and will hold two at our annual Convention in Hobart. One before and one after as H.H.I. does also. Attendance is always good and I thank all those people who helped so much by attending these meetings and who worked so hard for Hoo-Hoo in Jurisdiction IV during this year.

Whilst in Australia Snark Jones said we should make every effort to find a way to finance the "Log & Tally" to all our Members, again as we once did before J IV became our area. After long consideration of the fine job Cliff Cunningham did of investigating all possibilities and

## Report from Juris V

This is my first year as Supreme IX member for Jurisdiction V. Membership has dripped from 650 members to a total paid membership of 610 as of July 31, 1980. As of today we have picked up another 20 of these that were unpaid. I don't think this is so bad for a year in which the market has fallen the way it has.

During the year I attended most of the meetings and social functions with the Vancouver Club and some with Cowichan Valley Club and also the Victoria Club. Deputy Supreme IX Bill Noble of Toronto attended the Toronto meetings and Deputy Supreme IX Jack Martz visited the Calgary meetings.

Through the efforts of Bill Noble, Moncton, New Brunswick is nearer to having a club formed.

cost for the cheapest way this could be accomplished we decided to investigate our own small version of this popular magazine, from this "The South Pacific Log & Tally" was born, we hope to have only three editions annually, the first two were terrific and a feather in the cap of our editor Sydney Member, Ron Anderson.

For some three years now, we have been working on the formation of clubs in our neighbouring country New Zealand and we now hope that early October bill see this bear fruit with the formation of a club in Auckland. At least three other clubs should follow soon after.

Finally, it would not have been possible for me to have done this job without the support of my wife Margaret and family and my two wonderful helpers at K.F. Kelly & Sons, my assistant Geoff Smythe, who is also a Director of the Melbourne Hoo-Hoo Club 217 and my Secretary, Mrs. Toni Wallace, both of whom have made my task both easier and a pleasant one.

May I wish members everywhere Health, Happiness and Long Life.  
Kevin F. Kelly 75940  
S-9, Jurisdiction IV

He is very confident of a club starting up in this upcoming year.

Jack Martz has been very active with the lumbermen in Edmonton, Alberta. There is interest there and again it looks as if a new club may start there this coming year.

All clubs have had a very active social year. Toronto Club No. 53 brought in 16 Kittens this year. The club is still continuing with its Industrial Arts Scholarship Programs. Toronto Club's social functions included Ladies Nights, Nights at the races, Old Timers Nights and a Golf Tournament. Special guest for their Woodchoppers Ball was 1st V.P. Bob VanEvery.

Stampede City Club No. 196, Calgary, is a club of 44 members. 7 others were initiated this year. The Calgary Club held a Stag at a local brewery - it was very well attended. Calgary also held a Concat and a Golf Tournament. They hold regular business meetings once a month. Unfortunately my trip to Calgary had to be cancelled at the last minute when they had to cancel a mixed social. Seems there are too many Curling Tournaments in the latter part of Winter that people are involved in.

Victoria Club No. 183 - Membership for this club stayed the same as last year - 62 paid. Victoria had a full social year starting with a visit from the Snark Jimmy Jones and his wife, Betty. Victoria social events included a Fund Raising Dinner - \$50.00 elimination draw, Las Vegas Night. Golf Tournament and Family Picnic.

Victoria Club supports the Junior Forest Wardens with cash donations. The 1983 Convention will be hosted by Victoria. This is definitely a part of the country you won't want to miss seeing. The executives and directors are already well into their planning stages.

Cowichan Valley No. 229 - Duncan B.C.

Membership is down by 10 from last year, but 5 of these have transferred to other clubs. Cowichan was pleased to have Snark Jim Jones and his wife, Betty, as guests at a luncheon in

## Report from Juris VI

During the year we have attempted to have all of the clubs in Jurisdiction VI obtain as many new members as possible. In several areas we were quite successful.

I participated in concats held at the Sacramento Hoo-Hoo Club No. 109, Black Bart Hoo-Hoo Club No. 181, Shasta Cascade Hoo-Hoo Club No. 133, Oakland Hoo-Hoo Club No. 39, and of course, on two different occasions at my own San Joaquin Valley Hoo-Hoo Club No. 31. I had

October, Over the year they have held two Fund raising Dinners, (the elimination draws type) special dinner meetings with guest speakers, Fishing Derby, Golf Tournament and Family Picnic.

Cowichan Valley supports a number of organizations such as High School Woodworking Contests, Junior Forest Wardens, Cowichan Valley Forestry Museum and various bursaries to Forestry students.

Vancouver Club No 48 - This is the largest club in Jurisdiction V - 226 paid members. This is up 18 from last year. Vancouver Club was honored with a visit from Snark Jim Jones and his wife, Betty. Vancouver held a Ladies Night Draw, Lumberman's Ball, Concat, Fund Raising Dinner, Golf Tournament and Family Picnic this year. They also hold regular Directors meetings once a month. Vancouver still supports the Canadian Forestry Association. (Monies given goes toward camp development at the Evans Lake environmental Centre, a camp used by the school children of the Vancouver area.)

I cannot give a report on Anchorage, Alsaka as all attempts to contact them have failed.

I want to thank Deputies Bill Noble and Jack Martz for their assistance this past year and look forward to working with them this coming year.

Fraternally,  
JACK JACOBSON - 73133  
Supreme IX, Jurisdiction V

planned to attend the Phoenix, Arizona Hoo-Hoo Club No. 72 concat; however, the rains came from Phoenix, flooding the city, causing the group to cancel the concat. I was unable to be present at the rescheduled meeting. Unfortunately, our plans to reactivate Reno Hoo-Hoo Club No. 129 did not materialize; however, we are not writing this off and will continue our efforts to reactivate this club.

During the year Jurisdiction VI held 17 concats, and a total of 141 kittens were concatenated into the Order.

Shortly after returning from last year's convention in Honolulu, I attended a reception sponsored by San Francisco Hoo-Hoo Club No. 9 and the California Redwood Association for the group from Jurisdiction IV, who were touring the West Coast. The following day Snark Jimmy Jones had another reception and dinner at his home for the group. I assisted Jimmy by performing the duties of bartender, which gave me an excellent opportunity to meet the entire Australian delegation and learn first hand of their drinking habits. They are a terrific group, and I am looking forward with a great deal of pleasure to attending the 1982 convention in Melbourne, Australia.

I attended Redwood Night, an informative evening regarding Redwood, sponsored by Oakland Hoo-Hoo Club No. 39. Pete Johnson, California Redwood Association, was the main speaker.

I attended a testimonial dinner in honor of Al Kerper L-44255, Shasta-Cascade Club No. 133, in Redding. It was a splendid tribute to Al on the occasion of his 50 years of service to Hoo-Hoo. I attended Old Timers' Night, sponsored by the San Diego Hoo-Hoo Club No. 3. It was a great evening, and I renewed old friendships and made several new ones. I was presented with one of their Old Timers' Trophies.

I attended Southern California Mini-Convention at Diamond Bar Country Club. This is an annual event sponsored by Inland

Empire Club No. 234 and San Diego Club No. 3. Unfortunately, this year the Mini-Convention occurred when the lumber industry in San Diego was on strike so none of the members from that area were able to attend. They were all home suffering from overwork due to the fact they have been performing strenuous labor activities in their yards replacing the strikers. Normally Dee Essley L-31675 receives a trophy for being the most ancient person in attendance; however, this year Dee was unable to attend and the trophy was given to Bert Holdren L-43171. I received a cup as the third most ancient in attendance.

I consider one of the highlights of my term as Member of Supreme Nine from Jurisdiction VI to have the opportunity to author the motion to execute a lease agreement with the City of Gurdon for their former city hall, the building to be used as a Hoo-Hoo Museum. It was my particular pleasure to recently visit Gurdon, Arkansas with Snark Jimmy Jones, and learn first hand how the remodeling is progressing, which indeed it is. At this time the Snark and I met with Mayor Russell McClain and Louis Cabe, former owner of Gurdon Lumber Co., and one who has been extremely generous in his contributions to assist in the remodeling of the former city hall.

I am extremely enthusiastic about this project, and sincerely solicit all members' financial support for it. Please send your contributions so that you will have your name enshrined on the permanent plaque to be located in the Museum.  
Sincerely and fraternally,

## Report from Juris IX

I had rather end the past Hoo-Hoo year 1979-80 with a report of how the New Hoo-Hoo year is beginning.

After having worked on the Atlanta convention I made a trip

## Report from Juris VII

Jurisdiction VII, for 1980 is much like the economy...It did not hold its own.

Efforts were made to re-activate and re-establish four new clubs, however, because of the press of business on my part, as well as people in the various towns, we were unable to activate any new clubs.

The Highlight of this year has been the Hoo-Hoo Museum in Gurdon, Arkansas.

I was fortunate enough to attend the Executive Board meeting at Gurdon, Arkansas, April 14-16, 1980. This committee met with Mr. Louis Cabe and the Mayor of Gurdon, Mr. Russell McClain. Plans were made for the needed and necessary repairs on the old city hall, in order to have a proper home for the Hoo-Hoo memorabilia.

Snark Jones arranged for the contract on the repairs and improvements, and at this time, most of the work has been completed.

We are continuing to solicit funds from this Jurisdiction and we need funds from all Hoo-Hoo Land to put this museum over the top.

The Houston Club has had two annual golf tournaments this past year, plus several other fund raising projects to earn the money to host the Cocktail Party, to be held during the Atlanta convention, as a promotion for the 1981 Houston International Convention.

Trusting the 1981 Hoo-Hoo year will bring a much more fruitful year, with the economy generally picking up.....we will continue along the ways of Health, Happiness and Long Life  
Very truly yours,  
Gary B. Hester - 81283

to Orlando, Florida to attend the Florida Lumber & Building Material Dealers Convention. This organization works closely with Hoo-Hoo and we had a Con-Cat on Friday, Sept. 26th, and we initiated 27 kittens. These kittens were from all over the State and will be members of Miami, Orlando, Tampa, Jacksonville, and Ft. Meyers clubs. This event was a rally of all these clubs.

I wish every member of Hoo-Hoo could have been on this Convention floor among all the exhibits among about 600 people when all of a sudden about 2:30 in the afternoon Bud Ryan and Frank Grey, past pres. and Sec. of the Orlando club No. 115 broke out several cases of Hoo-Hoo caps for sale. Within 30 minutes we watched a SEA of Hoo-Hoo caps cover the whole convention floor in the crowd.

Hoo-Hoo is very strong in Florida. I only wish all other clubs were as enthusiastic as all the Florida clubs and the Atlanta, Ga. club.

During the past Hoo-Hoo year I have covered every state in my jurisdiction with the exception of Virginia and they are in good hands with Bob Hayes as State Deputy Supreme Nine. I visited every active club and made several trips to Charlotte, N.C. and Knoxville, Tenn. to get these clubs going. I have been unsuccessful with either of these clubs but I have not given up and will try very hard this year to activate both.

Birmingham has been a disappointment but we still have several members who are willing to help and we will have a club in Alabama regardless of how the old club performed.

It is my opinion that the 1980 Convention in Atlanta was a success and many people, too many people to mention here were responsible for the way it was handled. All of the people who worked on the convention know what they did and we will hand out the credits within our own club.

I wish to thank the members of the Deputy Supreme Nine who helped me during the past year, especially Davis Lee, Joe Ledford

and Bob Hayes. And Club Presidents Pat Story, Bud Ryan, Art Hughes and the others who worked to make their clubs a success. Keep up the good work fellows we need you more than ever.

Even though I did win the membership trophy this past year I will not brag too much but I will promise you that I will work harder this year and with all your help we will make this jurisdiction a leader in Hoo-Hoo.

Fraternal yours,  
Dick Wilson L-51796

## Committee on Resolutions

WHEREAS, Hoo-Hoo, in the past year has suffered the mortality of 59 members, and these losses have been deeply felt by all of us, BE IT RESOLVED that each of us in his own way pause a few moments and give thanks to his Supreme Being for allowing us to have shared the lives of these brothers and for the wonderful example of brotherly love while they have left us as their legacy to our Order and mankind, and BE IT FURTHER RESOLVED that our International Secretary be instructed to transmit to the families of these brothers, our sincere sympathy and prayers, and

WHEREAS, Hoo-Hoo and all of its members has just suffered the loss through death of our beloved Seer of the House of Ancients, Leroy Stanton, Sr., and his loss has touched us all deeply, BE IT RESOLVED that each and every one of us give thanks to his Supreme Being for having with us a part of his life and brotherly love which he has left us as his legacy to mankind and to our Order, and, BE IT FURTHER RESOLVED that our International Secretary be instructed to send our deepest sympathy and prayers to his family, and,

WHEREAS, Dave Davis - Rameses No. 48, is now our new Seer of the House of Ancients, BE IT RESOLVED that our

Executive Secretary be instructed on behalf of this convention and its delegates and the entire membership to send congratulations and best wishes for his continued good Health, Happiness and Long Life, and, WHEREAS, Snark of the Universe James A. Jones, has lead our Order for the past year in an inspired and motivating manner, helping us to achieve higher goals and ideals by giving unselfishly of his time and energy, travelling extensively throughout all Hoo-Hoo Jurisdictions, spreading the philosophy of brotherly love and the joy of belonging to Hoo-Hoo, and for these efforts, BE IT RESOLVED that the convention delegates assembled offer their thanks to the Snark for his inspirational leadership throughout this past Hoo-Hoo year, and

WHEREAS, the Officers and members of the Supreme Nine have faithfully and effectively fulfilled their duties for the past Hoo-Hoo year and have done so in an exemplary fashion, BE IT RESOLVED that the delegates assembled at this 88th International Convention extend thanks and appreciation of their individual clubs, to each Officer and Supreme Nine Member for that job well done, and

WHEREAS, our Executive Secretary, Clifford H. Cunningham, and his Administrative Assistant, Lois M. Neilson, have done an outstanding job in carrying out the affairs of our Order during the past Hoo-Hoo year, and particularly the way in which they have collaborated in the compilation, editing and publishing of our Log & Tally magazine, which has achieved a position of excellence in fraternal publications, BE IT RESOLVED that this convention and its delegates, on behalf of the entire membership, extend our sincere thanks to Cliff and Lois for a job well done, and

WHEREAS, the hard work, energy, time and effort of the Atlanta Hoo-Hoo Club No. 1 has culminated in a convention unsurpassed in hospitality,

sociability, frivolity, fraternity and, at the proper times, dignity and solemnity, all of which have made this 88th International Convention an outstanding success and a most memorable and enjoyable event for all attending delegates and their wives, BE IT RESOLVED that the delegates to this convention do hereby extend their thanks and appreciation to the Convention Committee, Officers of the Atlanta Hoo-Hoo Club No. 1 and its members and their many fine and loyal friends and supporters in the industry who have combined to make the convention such a success, and

WHEREAS, the Houston Hoo-Hoo Club No. 23 has graciously offered to host the 89th Annual Convention in 1981, and the Melbourne Hoo-Hoo Club No. 217 has graciously offered to host the 90th Annual Convention in 1982, and Victoria Hoo-Hoo Club No. 183, BE IT RESOLVED that the Order's Log & Tally magazine take such steps as are necessary to publicize these conventions, and

WHEREAS, Rameses No. 70, Larn R. Champ, has unselfishly given much of his time and effort in obtaining and seeing to the renovating of a building in Gurdon, Arkansas which will be made into a permanent museum for Hoo-Hoo International, BE IT RESOLVED that this convention and its delegates on behalf of the entire membership extend to Larn our sincere thanks and appreciation for a job well done, and

WHEREAS, the reports of the officers are customarily merely noted and filed, and WHEREAS this year we heard some of the best creative writing outside of expense account reports, therefore, BE IT RESOLVED that special recognition be given to the following:

1.) To our Secretary/Treasurer, W. A. (Bill) Russell, for his explanation of a \$3,000 loss as a benefit to the Order.

2.) To the Supreme Nine Member from Jurisdiction II, Fred Meyer, for his explanation of a loss of members which

## Report from the Executive Secretary

Gentlemen, our 1979-1980 Hoo-Hoo year found our membership at 8,296 paid members. This broke down as 6,234 renewals, 1,006 new members, 318 reinstatements and 738 foreign, which includes Australia and Singapore.

### Administration.....

*Continued from preceding page* that no line item be increased more than 5% without prior approval of the Executive Committee.

5.) We recommend that a cost of living adjustment for the Executive Secretary and his assistant be considered by the Board of Directors.

6.) We recommend that a feasibility study be conducted in regards to moving the administrative offices to Gurdon, Arkansas.

7.) We ask each member to read over the Code of Ethics and incorporate its precepts into his way of life.

8.) We remind each member, in the words of our ritual, "Be Progressive" - Progressively promote the best interest of the Forest Products Industry. Centuries of service have proven the value of its products. Make the most of the opportunities to progress.

Respectfully submitted,  
Fred Meyer, Chairman

I might add here that Jurisdiction IV is planning a new club in Auckland, New Zealand to be activated in early October.

Our total membership showed a decrease of 172 which I do not consider a catastrophe because the nation's economy and the general economy in the lumber and timber industry is not exactly what we are accustomed to.

We continue to lose about as many members each year as we take in. In my humble opinion this is because the new members are not asked, or assigned, to do a particular job in the local club. To

Cliff Cunningham L-71880

keep a man's interest in a fraternity such as ours, a new member must be made to feel "at home" at the meetings, and he should feel as though he is wanted as a member by putting him on a committee or otherwise giving him something important to accomplish.

It appears from this desk that most of our membership is lost from members who have just recently joined - say, two or three years ago.

The International office is open to any suggestions in order to improve our Hoo-Hoo image. If you have any suggestions, please feel free to write the International office or telephone us. Your suggestions will be mentioned at the very next board meeting and

any action deemed advisable by the board will be initiated promptly.

The new Hoo-Hoo Museum in Gurdon, Arkansas is coming along at a rapid pace. Donations have come in better than expected, but we still need money for showcases, heaters, and a host of other things to make our museum a success. Please send any donations of money, memorabilia, in fact anything relating to the lumber and forest products industry. Even old LOG & TALLY magazines are scarce for a few issues, and the older "Hoo-Hoo Bulletins" are at a premium. Museum chairman Jim Jones says he would like to have old woodworking tools and anything relative to retailing, wholesaling and logging to place in the museum. The Hoo-Hoo Museum may just be the biggest thing that ever came down the turnpike for Hoo-Hoo.

News of your club's activities remain the most important part of the Hoo-Hoo Log & Tally magazine. It is the only way we have of letting other clubs know what your club is doing. Send us a story with photographs of what is going on in your area and we'll publish it in the next issue. Please remember the deadlines, however, for they are important. Deadline dates appear elsewhere in these pages. We can't guess what you are doing, you MUST tell us.

Membership, at this writing anyway, is coming in about the same as last year, but it is still too early to tell where we will stand at the end of the year.

Executive Secretary

# Officers and Directors Hoo-Hoo International 1980-1981

Robert VanEvery L-73186

Robert C. VanEvery L-73186 was duly installed as our new Snark of the Universe at the International convention in Atlanta on September 13th, 1980. Bob has served as the International 1st and 2nd Vice President, and served five consecutive years as a member of the Supreme Nine from Jurisdiction II. He also held various local offices in the Detroit Club No. 28 including that of President, Vice President and Vicegerent Snark. He is presently serving on the Club's Board of Directors. Bob first joined Hoo-Hoo in 1962 and has since become a Lifetime member in the International Order. His civic affiliations are with the Farmington Chamber of Commerce, American Legion, Lodge of Elks, Kiwanis, and the Michigan Retail Lumber Dealers Association. He is currently President of the H.A. **Dan Brown L-74477**

**Kevin F. Kelley 75940** of Victoria, Australia has the prominent distinction of being the 1st member from Jurisdiction IV (Australia, Singapore and just recently New Zealand) to hold a position of Officer of Hoo-Hoo International. Kevin was elected at the 88th Annual Convention in Atlanta to serve as our International 2nd Vice President after having completed a very successful term as Supreme Nine member from his Jurisdiction. Kevin also received the Gordon Doman Memorial perpetual trophy which is to be presented each year to a worthy member of the Supreme Nine. Kevin has been involved in timber wholesaling, importing and timber treating for the last twenty-four years - firstly with the Duncan Sawmilling Group and since 1972, with his own company K.F. Kelly & Sons who are specialists in New Zealand timber imports to Australia. He has been a member of the Melbourne Hoo-Hoo Club No. 217 since 1966 and has served as Treasurer, Secretary, V.P. and President of his local club and also Deputy Supreme Nine for two years. He is also a member of many industry committees, local school boards and community projects. Kevin resides with his wife Margret in Springvale, Victoria. Their children's names are Christopher, Paul, Peter, Brendan, Fiona and Bernadette.

**Kevin F. Kelly 75940**

**W. A. (Bill) Russell L-50220** was re-elected this year at the 88th annual convention to serve his fifth term as Hoo-Hoo's International Secretary/Treasurer. He joined Hoo-Hoo in May, 1948 at Houston, Texas. He served as President of the Houston Club in 1952-53 and served as Deputy Supreme Nine of Texas. He was General Chairman of the International Convention held in Houston in 1953, served as Supreme Nine Member representing Jurisdiction VII in 1959-60 and again in 1969-70. Bill's first International convention was attended in 1952 and he has not missed a Hoo-Hoo convention since, and does not intend to as long he is alive.

**W. A. (Bill) Russell L-50220**

**Richard T. Mullen 76940**

**Richard T. Mullen 76940** is presently serving his third year as Supreme Nine for Jurisdiction I, having filled an unexpired term for his first year as Supreme Nine. Dick joined Hoo-Hoo in 1967 as a member of the Harry L. Folsom Club No. 13 of Boston. He became a member of their Board of Directors in 1970 and in 1976 was elected President of the club. He worked for G.A.F. Building Products Division from 1959-67, in the retail lumber business from 1970-77. In December of 1977, he opened his own business, Eastern Wholesalers, Inc. of Needham, Mass. He presently calls on retailers in Eastern Massachusetts, Southern New Hampshire and Rhode Island. He is a member of the Northeastern Retail Lumberman's Association, Piety Corner Club and a Deacon for the First Congregational Church. His hobbies include pro sports, particularly golf and ice hockey which he coaches for the local high school.

**Fred Meyer 58954**

**Fred Meyer 58954** was elected at the Atlanta Convention to serve a second term as Supreme Nine member for Jurisdiction II. Fred joined the Buffalo Hoo-Hoo Club in 1952 and served on their Board of Directors. From there he transferred to the Rochester Hoo-Hoo Club in 1959 and served as their club President and for years as their Secretary/Treasurer. He is also Past President of the Rochester Timber Club, Past President of the Empire State Lumbermen's Assoc. and a member of the Advisory Board of Rochester Home Builders Assoc. and still active in all of the above. Presently he is employed as Sales Rep of the Rochester area for Iriquois Door Company which is headquartered in Albany with branches in Buffalo and Syracuse. They are wholesale distributors of millwork. Fred and his wife Mary-Edna reside in Rochester, New York.

**Norman L. Mikalson 65163**

**Norman L. Mikalson 65163** of Spokane, Washington is serving the second year of his term as Supreme Nine for Jurisdiction III Norm joined Hoo-Hoo in 1956 but did not get involved in organizational activity until the late sixties but once involved, Norm went through the Board of Directors of his local club, becoming president in 1972, then Vicegerent Snark and then President again in 1976 followed by another year as Vicegerent Snark. In 1977 he was the instigator in the formation of the N.E.W. club No. 238 of Colville, Washington and followed this club with a membership drive in his own Spokane Club No. 16. Among his business affiliations, Norm is past president of the Northwest Wood Products Clinic, a unique organization of lumber manufacturers who meet once a year to exchange ideas of benefit to the industry and its members. During the years 1919-29, he was raised in and around the family sawmill in Western Montana. In 1942 he entered into partnership with his brother in a sawmill endeavor in eastern Washington and stayed in the mill business until they sold their mills in 1973. Norm's wife's name is Mabel and they have two children, Kristin Mangino and Jofred Mikalson.

**J. Richard (Dick) Campbell 77398** of Woy Woy, Australia is the new President and International Supreme Nine Member for Jurisdiction IV which at this writing now encompasses not only Australia, but also Singapore and New Zealand. Dick also served as Director of Eaton Building Materials of Woy Woy, New South Wales for the last five years. His hobbies include jogging, water skiing, golf and as many Hoo-Hoo are already aware, guitar. Dick attended both the Honolulu and Atlanta Conventions and in the spirit of true brotherhood and fun, brought along his ukelele and entertained all in attendance with his native songs. I might add that both he and his wife Diana put together an excellent duet. Dick is a member of the Sydney Club No. 115 where he has served as President and also as member of the Board of Directors for the last ten years. Dick and Diana have three children: John, Mark and Jenny.

**J. Richard Campbell 77298**

**John K. (Jack) Jacobson 73133** of Vancouver, B.C., Canada is beginning the second year of his elected term as Supreme Nine member for Jurisdiction V which encompasses Canada and Alaska. Jack was concatenated in Vancouver in 1962 and became a Director of the Vancouver Club No. 48 in 1970. He went through the chairs in his club and became club President for two years beginning 1976. Jack also worked on the Vancouver Convention Committee to help make what was a very successful convention in 1975. He also served as Deputy Supreme Nine under George Pletch between 1977 and 1979. He has been self-employed with partner Ken Phillips in Jacobson-Phillips Logs Ltd., a log brokerage and log trading firm since 1972. He and his wife Norma live in Vancouver with their two children - Kathleen, 22 and Keith, 19.

**John K. Jacobson 73133**

## Rochester Club No. 184 Rochester, N. Y.

On Wednesday, August 27th, at Oak Hill Country Club, the Rochester Hoo-Hoo Club No. 184 honored Mr. Arthur Blanchette, of Rochester Lumber Company, with a "Roast" in celebration of his 53 years in the Lumber Industry.

A total of 71 "old cronies" and fellow employees signed in for this affair, much to the surprise and delight of Mr. Blanchette, who had no inkling of the affair before arriving at the club. It was a prime example of the esteem everyone has for this "gentleman of the lumber industry."

In a series of speeches emceed by David Long, President of Rochester Hoo-Hoo, Mr. Blanchette was "gently roasted." Mr. Horace Pierce, Executive Vice President of the Northeastern Retail Lumbermen's Association initiated the actual roasting and was followed by speakers representing old friends and past and present employers.

A surprise speaker was Mr. Sherman Hagberg, who is retired after 42 years as Athletic Director at Rochester Institute of Technology, where "Art" Blanchette has previously been honored by being named to the Rochester Institute of Technology "Sports Hall of Fame."

Mr. Blanchette was presented a plaque by Mr. Fred Meyer, representing the International Order of Hoo-Hoo, naming him as "Lumberman of the Year, 1980."

Mr. Blanchette was chosen for

his 53 years in the industry and his past contribution to the good will of the industry and his continuing contribution as an everyday worker at the age of 79. "Art" will be 80 years old in February.

He started in 1927 with Stevens & McMillen Millwork and from 1953 to the present has been with Rochester Lumber Company.

He also was one of the charter members in 1957 of Rochester Hoo-Hoo Club No. 184.

## N. E. W. Club No. 238 Colville, Wash.

Summer, with its long days and short nights was not exactly inactive for the N.E.W. Club No. 238! The quiet, serene waters of the Columbia river frothed with excitement during the second Annual Walleye Derby which was held in June. It's uncertain whether there were more walleyes on the shore or in the water.

July brought forth the chefs to handle the Bar-B-Q for the Kettle Falls, Washington 4th of July blowout.

August, a good month for beer and logging, saw us all involved in both.

Our perception, insight and hindsight became entwined in the efforts producing the First Colville Logging Olympics. One heck of a good show, also supported at least in spirit by the Hoo-Hoo beer garden.

Last but not least, the club acquired a 1926 White Truck which we are restoring to mint condition in a log haul configuration. The truck should be a key promoter of our industry through exhibit in fairs, parades and museums. Bill Berrigan, project chairman, parts scrounger and historian is calling for help in running down bits and pieces like a radiator, shroud, running boards, mag switch, hand throttle, lights, etc. His address is W. C. Berrigan; Rte 1 Box 14M; Kettle Falls, Washington 99141.

If you know the whereabouts of a '26 C-Cab White Truck, shell, or parts thereto, get ahold of Bill ASAP. The project is in progress at Schauls' Shop in Colville for those interested.

## Australian News

Immediately after the International Convention in Honolulu in 1979, 44 people representing seven Australian Hoo-Hoo Clubs spent an additional three weeks touring the West Coast of America and Canada.

The entire tour ran particularly smoothly. The industry visits were interesting and educational, the hospitality from local Hoo-

Hoo members was overwhelming and members of the Australian group ended even better friends than when they started.

This editor's desire would be to publish the entire bit of what was published in the Australian Forest Industries Journal, but space simply does not permit it. However, we will reproduce some of the photos which appeared in the article.

Hoo-Hoo member Ken Rudling and his wife, Noel, have just learned that they won the club raffle of a trip to Tasmania.

At the Ladies Night recently, the speaker was Father Brosnan, center, Chaplain of Pentridge Prison, seen here sharing criminal chat with Peter Hogg, right, and Fellowship Committee Chairman Peter Roberts.

Also seen at the Ladies Night were Doug Howick and wife, Barbara, right, shown here talking to guest Ian Gallagher.

Harry Walker (Sydney) and John Parkinson (Hobart) with a massive Douglas Fir Log at the Longview Mill of Weyerhaeuser Company. "It just about matches the size of some of the old growth Eucalypt in Tasmania!"

Everywhere the Australian contingent went the hospitality was excellent. **Vancouver**  
Club No. 48  
Vancouver, B.C.

J. Earl Wilcox, reporting for the Vancouver Hoo-Hoo Club No. 48, tells once again of that club's most successful fund raising dinners which is held annually. This "Reverse Draw" has been successful for many years and this year was no exception.

A limit of 350 tickets are sold and during the evening names are drawn until only one is left in the barrel, and that person gets \$5,000! This event was sold out two weeks beforehand.

The first name drawn gets the sum of \$70 (the price of a ticket), and every 50th name drawn gets his money back. The ticket includes an open bar and a really top notch dinner. A most enjoyable evening.

This event was once again held at the Terminal City Club on May 8th.

A. Hambrook, J. Williams, Bill Smith, D. McKinnon and Roy Zenko's names were the last five names to remain on the board, and they all decided that they would split the \$5,000 and take home \$1,000 each.

Club Vice President Chris Potter was the program chairman, and he was assisted by Ed Reid.

"Our club," writes Earl, "is very active and thanks to Bob Fladgate, our membership chairman, the club is in good shape and there is great interest regarding the Australian Convention in 1982.

This is what the "Big Board" looked like before any names were drawn. Note that there are 350 names on the board.

You can see both expectation and anguish on the faces of these lumbermen.

Only five names remain in the annual "Reverse Draw." The five finalists decided to divide the \$5,000 into 5 equal parts, so each man received \$1,000 cash.

Club No. 33  
Eugene, Oregon

September 18th, Thunderbird Motor Inn Eugene, Oregon. Eight kittens were welcomed into the Willamette Valley Hoo-Hoo club this evening. Our thanks to A & R Lumber for providing the paraphernalia for the TESTS. Newly constructed and lighter equipment was built especially for this occasion and it was really appreciated. The following kittens survived the ordeal and are now fully concatenated members of Hoo-Hoo: Jerry Solomon and Doyle Hall of Mt. Mazama Timber; Jeff Hodge of Georgia Pacific; Douglas Surrat of Surrat Transportation; Ron Guard of Oregon Cedar; Gary Reed of Reed's Fuel; Vince Bodenhammer of Weyerhaeuser; Tom Shea of Union Pacific Railroad. Kind, Gentle, Compassionate Cat-Tamer, Terry Hickson and his crew did an excellent job of bringing all the kittens through with out loss of life.

Club No. 1  
Atlanta, Georgia

The Atlanta Club No. 1 decided to take it easy after all the hoopla of the convention. We had our post convention meeting on September 22nd. After meeting all the summer on convention business, we did away with all business and just had a good time.

the nominations for the award to be given during the October meeting in conjunction with Wood Products Month.

Paul DeMerit and Tom Shea find something to laugh about.

George Litzenberger, '79-80 president, passed the gavel to Will Marshall, in-coming president. Will then introduced the officers and board for the coming year. They are Don Hudock, V. Pres., Jim Holm, Sec., Ron Bonham, Treas., George Litzenberger, Chairman of the Board, John Hallberg, Deputy S-9, Terry Hickson, Max Allen, Earl Stelle, Tim McGuire, Chuck Lowe, Rich Cone, Bill Youngmayer.

Chairman of the Lumberman of the Year committee, Denby Mackie, was on hand to present

Deputy Supreme Nine of Southern Oregon, John Hallberg, checks his name tag to see who he is.

We met at Holiday on Lake Lanier Marina, with 29 hearty crew members, for an hour cruise up Lake Lanier to Holly's landing Restaurant. We had a seafood buffet, all we could eat, that is by far the best in Atlanta.

Following dinner, the overnight crew cruised back down the lake under a beautiful harvest moon. The one hour cruise up the lake turned into a three hour cruise back. No one was in any hurry to leave the boat, the friends or the booze.

The Atlanta Club does not want to let the enthusiasm of the convention subside. We have many more meetings like this one planned for the future. We have a large base of members from which to work and hope we can attract many new members.

## Detroit

Club No. 28

Detroit, Michigan

Art Brooks, reporting for the Detroit Hoo-Hoo Club No. 28 tells us about the Annual Golf Outing held recently at Paypointe Country Club. It was very well supported by the club's members and guests with a turnout of 120 for dinner and 75 golfers. Guests included former President of the Toronto Hoo-Hoo Club No. 53, and members from the newly formed Saginaw Valley Hoo-Hoo Club in Michigan.

Although the weather was a little damp, the players enjoyed the challenge and completed their rounds in time to enjoy cocktails and dinner.

Low net golf scores (three tied for first with a 69) included Harry Still, Fred Coopridier and Gary Hamilton. Low gross winners were Dennis Kerwin (76), Ben Benson, Jr. (79) and Jack Noyle (81).

Longest drive (309 yards) went to Dick Forbush; Shortest Drive went to Bob Schier (73 yards) and closest to the pin was Ed Sahratian (4'6").

Program Chairman was Pat Carmody. There were plenty of door prizes and gifts, but Ron French won the TV set, and there were 3 winners of \$25 each for the 50/50 drawing.

Jim Riley, Tom Osborne, Jr., Perry Moloney and Fred Coopridier assisted Pat Carmody as program chairman.

Jack Gillespie, Bill Ward and Tom Osborne, Sr. tell some stories about "The Good Old Days."

Cliff Williams, Hugh Faulkner and George Poulos enjoy the dinner after the outing.

Ron French, right, wins the 19" TV set which is presented by Tom Osborne, Jr. while Pat Carmody looks on.

Detroit Club No. 28 had another annual meeting and election of officers on August 28th at the Botsford Inn.

It was very well attended, and the Tom Cat Award went to Frank Korte and Lee Stacey won the 50/50 door prize.

New officers elected for the 1980-1981 Hoo-Hoo year include the following: Robert L. Carper, President; William S. Graves, Vice President; Gordon Graham, Secretary/Treasurer and Tom Osborne, Jr. as Vicegerent Snark.

Tom Osborne, Jr., right, presents gavel to incoming club president Bob Carper.

## Portland

Club No. 47

Portland, Ore.

The Portland Hoo-Hoos held their first annual Steak Barbeque at the Western Forestry Center on August 28th. Pat Pond of the Green Peter Hoo-Hoo in Salem, Oregon was chief cook for the evening's festivities which was deemed a tremendous success. Much thanks to go out to Ron Dunn and Marty Richmond for their help and culinary advice.

Also on the agenda was the election of the new officers for the 1981 term. President Glenn Lowe will join in command with 1st V.P. Scott Greg, 2nd V.P. Bud Palviny, Sec'Treas. Marty Conlin, Vicegerent Snark Dave Blasen, State Dep. Snark Ted Fullmer, Publicity Chairman Steve Hart, and Phone Notification Chairman John Fullmer.

Bob Carper accepts his new office as Club President.

Outgoing President Tom Osborne, Jr., accepts gift from Joe Dewey - a stereo - which will be used on the boat they own together.

On September 25th, the club held a Concat which saw several new members join our organization. Besides new kittens, old cats Darrall Pardee, Pete Jackson, and Glen Lowe conducted a discussion of events occurring as the recent convention in Atlanta.

A special meeting will be held at the Western Forestry Center on November 13th. Billed as a "membership push", a free dinner and all the beer you can drink was offered as a tempting incentive. Only one catch...1981 Membership Dues must be paid.

Ron Dunn and John Fullmer are trying to decide how they want their steaks done.

New Club President Glenn Lowe explains to Pat Pond, President of the Green Peter Hoo-Hoo Club No. 226, that the steaks have to go on the coals before serving.

## WHERE TO BUY HARDWOOD PLYWOOD AND VENEER

A directory of the major hardwood plywood and veneer manufacturers has been published by the Hardwood Plywood Manufacturers Association and is available to purchasers and specifiers in fifty states and Canada, announced HPMa President, James B. Lester.

Mr. Lester, President of Eggers Plywood, Two Rivers, Wisconsin, said that complete information is included on HPMa members in the United States, Canada, Netherlands, South Africa, and Finland. The buyer's guide is now available to manufacturers of household and office furniture, kitchen and bathroom cabinets, luggage, musical instruments and flush doors, as well as plywood distributors, architectural millwork producers, mobile home manufacturers, flooring applicators, etc. The directory answers the many questions received by HPMa from customers and specifiers seeking hardwood plywood and veneer products.

Listed in the brochure are 71 manufacturers and prefinishers of hardwood plywood, 72 manufacturers of fine face and commercial veneer, and veneer sales agents. Information on each

Bud Shanafelt decided it was his night to harass Marty Richmond.

hardwood plywood company plant includes complete address and phone number, sales personnel, maximum and preferred sized manufactured, glue type (interior and exterior), species and specialty items manufactured. Information on veneer manufacturers includes minimum and maximum thickness and length manufactured, whether the veneer is unspliced or spliced, rotary, plain sliced, half round or sawn, and species available.

The five divisions of HPMa -- Laminated Flooring, Cut-to-Size, Prefinish, Stock Panel, and Veneer and Affiliate are described. An order checklist is furnished. types of veneer cuts and veneer figure types are illustrated. Veneer and Affiliate members that manufacture adhesives, adhesives extenders, finishes, machinery and core stock are listed with their products.

The 30 plants participating in the HPMa Flamespread and Structural Listing Programs are listed include Giles & Kendall, Inc., manufacturers of aromatic cedar paneling and Potlach Industries' prefinished lumber paneling. The two companies participating in the Association's Kitchen Cabinet Flamespread Property Verification Program are also included.

HPMa's technical activities are illustrated with photographs of the ASTM E-84 25-foot Tunnel Furnace, ASTM E-162 Radiant Panel, ASTM E-72 Racking Test, ASTM E-72 Racking Test, ASTM E-662 AMINCO Smoke Box, ASTM E-648 Flooring Radiant Panel, PS 51-71 Type II Glue Bond Testing, and analyzing building materials for their formaldehyde content.

### Sioux Valley Club No. 118 Sioux Falls, S.D.

The Sioux Valley Club's R & R Day was held August 21st at the Isaac Walton League Clubhouse near Sioux Falls, South Dakota with golf at the Brandon Golf Course. A record number of 63 golfers rounded the links, and over 100 attended a great steak fry with all the trimmings. Many competed in the trap shoot which was held before dinner.

Ed Kranz won the golf trophy with low net. Don Peterson won the trap shoot with Tom Fellows and Dave Schave tying for second. Pete Homan, who chose not to shoot for score, hit 50 out of 50 - not bad, Pete!

E. M. Kapp displayed the golf trophy he won at our travelling outing at Huron in June.

Thirty suppliers contributed \$30 each for the event. There were 120 people in attendance at various times including Cliff Taylor, Supreme Nine Member. There were lots of door prizes and lots of winners, too.

Left to right are E. M. Kapp, travelling trophy winner; Don Peterson, 1st place Trap Shoot; Tom Fellows and Dave Schave, 2nd place Trap Shoot, and Ed Kranz, 1st palce Trophy Winner on August 21st.

The chow hounds gather around the steak grill. They were good steaks, too!!

### Spokane Club No. 16 Spokane, Wash.

On May 20, 1980, Ernie and Ellen Wales accompanied Spokane's Mayor Ron Bair, Bill Pupo, assistant to the City Manager, and eleven other business and professional people to Lubeck, Germany as members of the Spokane Trade Mission. The confirmation and completion of the Spokane/Lubeck Sister City status occured when the official papers were signed in the Rathaus by Mayor Ron Bair for your City, by Marie Meyer for the (Spokane) German American Society, and by Ernie Wales for the Spokane Sister Cities Societies. Then all signed the "Golden Book", usually reserved for Kings, Queens, heads of State and other dignitaries. A Champagne reception followed the formal ceremonies. The hospitality and good will

shown to the group was outstanding, and included lunches and dinners in famed old restaurants, receptions in private homes, a tour of the area and to Travemunde, and a dinner given in the Rathaus. A return visit to Spokane by members of the Lubeck group is expected next October.

Business contacts were arranged for the members of the Trade Mission and their counterparts in Lubeck, and in Hamburg at a Trade Fair, and in Amsterdam, Netherlands. Some business was generated, and more is expected.

When Mayor Bair and the group returned to Spokane, Ernie and Ellen went to Denmark and visited many of Ellen's relatives, there.

Ernie attended Rotary meetings in Hamburg, Germany; Amsterdam, the Netherlands; and Kongs Lyngby, Denmark. He reports the Rotary Meetings were interesting and enjoyable, even if he didn't speak the languages.

While in Lubeck, Ernie signed up a new member for Hoo-Hoo Int. and Spokane Hoo-Hoo. he is William E. Lenten of Spokane. he and his wife, Ellen were on the Tour, and Bill and Ernie made joint contacts in the lumber field in Lubeck, Hamburg, and Amsterdam.

While in Denmark, Ellen and Ernie visited with our Danish member, Vagn Hansen and his family. Vagn and Ernie took a short trip to Malmoe, Sweden.

The 1980 winners of the 14th Annual Hoo-Hoo Woodworking contest were announced on May 30th. As usual, there were countless entries in the contest in several categories from Large Furniture to Small Furniture to specialty items, and there were winners, 2nd places, 3rd places and honorable mention in all divisions.

(See page WP-3 in the Hoo-Hoo Operations Manual for urles of the competition.)

Jeff Ulrich won first place in the large furniture division, for his beautiful walnut hutch.

Ruth Spangenberg won first in the small furniture division for her matching mirror set.

Brad McCracken won the medium furniture division for his rocking chair.

Specialty division was won by Mike Mitchell for his water ski, and John Redka won first in the Senior Large Division for his butcher block.

This annual event was sponsored by several local companies and even more individuals.

The Spokane Hoo-Hoo Club No. 16 held an "extra" meeting at the Stockyards Inn on August 14th.

Norb Edwardsen, Chairman of the Nominating Committee read the slate of officers and they were all duly elected shortly thereafter. The newly elected officers are: Norb Edwardsen, President; Daryl Zanck, 1st V.P.; Dick

### Black Bart Club No. 181

Ukiah, Calif.

The Black Bart Hoo-Hoo Club No. 181 of Ukiah, California held its Annual Family Bar-B-Q on August 10th at the Harwood Grove at Branscomb, California.

Bostrom, 2nd V.P.; Ernie Wales, Sec/Treas.

The new directors are: Doug Feeney, Steve Hoob, Ken Olsenberg, Ted Schnug and Kris Wales.

Supreme Nine Member Norm Mikalson then appointed and installed Steve Page as Vicegerent Snark of the Spokane Club No. 16.

Club Secretary Ernie Wales then introduced the program by talking briefly about Spokane's Mayor Ruth Bair's Trade Mission to Germany and Holland. Bill Lenten spoke on his reactions and ideas of the Mission. Then Bill Pupo, Assistant to the City Manager of Spokane told of his ideas and experiences on the Mission, and advised that Spokane is trying to set up a "Tax Free" facility near the airport for import/export of goods.

The final part of the program was a slide presentation on the Trade Mission to Lubeck, Germany by Herman Swartz of Triangle Nut House. The presentation was well received with many questions asked. Much Lubeck history was told and beautiful buildings shown.

It was a good turnout with nearly 50 people in attendance. Most were Hoo-Hoo people with kids and some mill people from Harwood Products.

We had Trap Shooting and tennis and it was just a fun time in the Redwood Grove.

The Harwood people are sure long on hospitality! There was a steak Bar-B-Q plus libations and all the trimmings.

Joe Gilley, Del Cole, Jack Harwood, Warren Lewis and Chris Johnson shared the responsibilities of a good time, and they were very successful.

Joe and Treavor check over one of the guns used in the Trap Shoot.

The Black Bart Hoo-Hoo Club No. 181 had their 23rd Annual golf match and stag Barbecue recently with about 85 members participating in the golf, swimming and Barbecue.

The golf match was held at the Ukiah municipal Course during the morning and early afternoon hours, then the swimming pool was opened at Max Schlienger's residence in Ukiah. Swimming was followed by libations, served at poolside at Max Schlienger's patio. All this was followed by a real fine Barbecue at Max's.

Joe Mayfield was the chairman of the event which was held July 25th, 1980.

Earl Cagle and Glen McKinney relax for a moment.

**East Bay  
Club No. 39  
Oakland, Calif.**

It was a big night on the East side of San Francisco May 16th as nearly 160 lumbermen converged for a day of fun and frolic.

Many spent the day golfing under warm and sunny skies, and more came for the dinner and fun that followed. Lumbermen from as far away as Salinas, Monterey, Morgan Hill, Santa Rosa and Eureka were there.

It was a classic California evening, warm and invigorating and those who joined in had a good time at this event which started originally in 1932!

Traditionally held on the 3rd Friday of May each year, this event was terrific. Especially was this so for Bill McDaniel of Pearson Lumber Company in Pleasant Hill, California. Bill won the drawing which awarded him airplane fare, 9 nights and 10 days at Brent Crosby's condominium in Hawaii. Now all Bill has to do is work out the time off from his boss, Ralph Boshion.

Another big turnout evening for the Oakland Club was Redwood Night with Pete Johnson. Nearly 100 members were present from all over the San Francisco Bay area. The evening was festive and fun because some of the Hoo-Hoo Ettes joined us to hear Pete Johnson of the Redwood Inspection Service talk about Redwood. Another fine educational evening.

Plenty of retailers and several wholesalers were present. During the course of the evening, Bernie

## Club Secretary Job Reviewed

In the Hoo-Hoo Handbook and Manual for Secretaries the following words appear -

### SECRETARY HOLDS KEY POSITION

"Much of the success of a Hoo-Hoo Club depends on the work of the Secretary."

"It is to be noted that of all the club officers the Secretary is probably the most active. It is, therefore, important that due consideration be given to the selection of the man for this office. He must be willing to apply himself and to take care of the many details necessary for the successful operation of the club".

### THE DUTIES OF A CLUB SECRETARY

"The Secretary of a Hoo-Hoo Club should have on hand at all times the Hoo-Hoo Handbook, which contains the Articles of Incorporation and By-Laws of Hoo-Hoo International. It should serve to answer any questions pertaining to the administration of Hoo-Hoo. The principal point of contact with the clubs is the Secretary of the club. The local Secretary is charged with the responsibility of keeping the club functioning in good order.

In general the duties of the Secretary are as follows:

1. **Membership Roster:** Maintaining a membership roster is the work of a Secretary, but in order to do this job properly it is necessary to work closely with

the Treasurer. In practice, the details of the membership roster may be entirely in the hands of the Secretary, who may be charged with the responsibility of sending out due bills, collecting the funds, and then turning the checks over to the Treasurer.

2. **Minutes:** The Secretary shall record the minutes of all meetings of the club, as well as of the Board of Directors and, in many cases the Committee meetings. It is important to keep an accurate record of all club activities.

In writing minutes, the following points should be covered:

- A. Name of club, with date, time place, and type of meeting.
- B. Name of presiding officer.
- C. A record of those present and names of special guests.
- D. A brief summary of the meeting. Detailed motions made and seconded, and by whom, and final action thereon.
- E. Committee reports and Treasurers reports that should be filed and recorded.

**Records:** All club activities should be recorded. The Secretary's records should include Membership Roster,

Minute Book, Committee lists, files of Committee reports, Treasurers reports, and all standing rules. A copy of the club's By-Laws as well as the National By-Laws should always be on hand. Reports on dues received which come from the Treasurer should be filed. members must be credited with payments made.

**Correspondence:** The Secretary shall attend to all matters of correspondence. He reads correspondence at meetings. He notifies members of appointment to committees and officially notifies members of appointment to committees and officially notifies those elected to office of such election. He outlines instructions. He writes an annual report. he is responsible for correspondence with, and for regular reports to the National Office.

## NOTICES AND CALLS

The Secretary may also be charged with the responsibility of getting out notices or bulletins

## 1981 Convention Site - Houston, TX

Houston and its famous Galleria, the great hospitality complex, will be the site of the 1981 convention.

The dates are September 12-15, at the Houston Oaks hotel in the Galleria Complex.

The Galleria consists of several Hotels, an Olympic - size ice skating rink, swimming, tennis, art galleries, 4 theaters, bowling lanes, over two dozen exciting restaurants and bars, and 200 international shops and boutiques.

The shops and boutiques include such glamorous and well known names as Tiffany's, Neiman-Marcus, Lord & Taylor, W. & J. Sloane, and right across the street, there's Saks Fifth Avenue and Sakowitz.

All of the shops in the multi-level Galleria are enclosed in a uniquely designed glass ceiling and climate controlled structure.

When the ladies can be coaxed out of the Galleria, they will join in such activities as a Highlights tour of the City of Houston, the Johnson Space Center, (home of NASA), and join with the men for a Texas Rodeo at Simonton, Texas, and a possible National

The Rodeo is scheduled to contain some activities that include teams from the Hoo-Hoo Clubs across the globe. It will be an event to remember forever, and will be a spectacle that has never been seen at any previous convention. The Houston Club has been preparing for this convention for over a year. It will be one of the finest in the history of Hoo-Hoo.

Also, included in the convention's activities will be a golf tournament at one of the two most beautiful country clubs in Texas. Both clubs would like to honor Hoo-Hoo with hosting the tournament, and negotiations are under way now, for the Sunny September classic. Speaking of sunny, Houston's September weather is primarily bright, sunny, and warm, with warm tropical evenings. Start making your plans now to attend!

## 1981 Conventio Site - Houston, T

Houston and its fan Galleria, the great hospit complex, will be the site of 1981 convention.

The dates are September 1: at the Houston Oaks hotel in Galleria Complex.

The Galleria consists of sev Hotels, an Olympic - size skating rink, swimming, ten art galleries, 4 theaters, bow lanes, over two dozen exci restaurants and bars, and international shops boutiques.

The shops and boutique include such glamorous and known names as Tiffan Neiman-Marcus, Lord & Tay W. & J. Sloane, and right at the street, there's Saks Fifth Avenue and Sakowitz.

All of the shops in the multi-level Galleria are enclosed in a uniquely designed glass ceiling and climate controlled structure.

When the ladies can be coaxed out of the Galleria, they will join in such activities as a Highlights tour of the City of Houston, the Johnson Space Center, (home of NASA), and join with the men for a Texas Rodeo at Simonton, Texas, and a possible National

covering meetings to be held. Such notices or bulletins should always be dated, and should include the following: the date, time, place, and type of meeting. In the case of notices for Directors' meetings, the specific purpose of the meeting should be stated.

It goes on and on, but so much for the Secretaries duties.

During the early stages of World War II Winston Churchill made his famous statement to the British Parliament about the few fighter pilots who performed so well during the Battle of Britain. He said "never have so many owed so much to so few".

## Paulina Club No. 220 Redmond, Oregon

Well, we've been at it again! Yep, initiated four little kittens into our Order. Paulina 220's still growing.

New Members are:

William Charles Close  
Larry A. Land  
Jerry Allen Wallace  
Samuel Lee Haynes

We also nailed a trio who requested reinstatement:

James Thomas Ivory  
James Ivan Heron  
Robert D. Whittier 75266

The concat was held at Dillon's Restaurant, Bend, Oregon, Friday evening June 20, 1980. As special guest of honor we had 2nd Vice President, Dan Brown, L-74477 and State Deputy for Northern Oregon, Ted Fullmer, 82643. Both officers made pertinent remarks to the kittens and to the membership in our order and it's special significance

particularly in these trying times of recession which have impacted so seriously on all facets of the wood products industry. Additionally, Ted Fullmer brought back an enthusiastic report of the Juris III meeting, Coeur d' Alene, Idaho, May 16, 1980. It was our understanding that Paulina 220 was the only Club to report membership growth.

Election of officers was also held on June 20, the results of which are as follows by unanimous vote:

**Singapore**  
Club No. 245  
Singapore

The Singapore Hoo-Hoo Club was officially gazetted on the 8th of June, 1979 in the Singapore Government Gazette notification number 2083. The Club then had 10 founder numbers.

On the 9th of November, 1979 the Singapore Hoo-Hoo Club held its inaugural meeting at a local hotel. At the inaugural meeting

**Houston**  
Club No. 23

The Houston Club also had a meeting at the Anheuser-Busch Brewery on July 24th. This meeting was designated as the Past Presidents and Old Timers Night. We had plenty of beer and Bar-B-Que and fellowship for all.

The success of this meeting can be measured by the fact that we had 95 members and guests present.

Following the introduction of 15 past presidents we had our cash drawing with the following results:

Sig Sigur (\$10) - Gary Hester (\$15) - Wendell Lammers (\$20).

24 new members were concatenated.

At this ceremony we were honoured to have had the presence of distinguished overseas guest amongst them were Mr. Jimmy Jones, Snark of the Universe, Kevin Kelly - President JIV Australia, Steve Stevenson part President JIV, Arthur Twiddle JIV Treasurer, Terry Smith and Max Cosh.

I am very pleased to mention that the overseas visitors thought the Inaugural was very well organized and with Singapore Club the Order of Hoo-Hoo had now truly become "International".

The local press has also given us good coverage and write ups on the club gave us good exposure in both the English and Chinese Press.

Since 9th of November we have had 4 other dinner meetings where guest speakers were invited. The dinner meeting is designed to provide fellowship amongst members, bring about an exchange of ideas and is an important means of communicating with all members of the Club.

In order to promote the activities of the Club the Committee set up two sub-committees - Social Committees

**Rogue Valley**  
Club No. 94  
Medford, Oregon

The Rogue Valley Hoo-Hoo Club No. 94 in Medford, Oregon, had a very successful 1980. On January 17th we were pleased to have Snark James A. Jones for our Annual Concat which was held at the Rogue Valley Country Club where we brought in 16 new members to our Order.

February saw our Annual Valentines Ball which was

headed by Mohamed Hussin Topiwala and Membership Committee headed by Ku Pak Ming.

The Committee also set up a newsletter for restricted circulation to members only and Phua Kia Chew has been appointed its first editor.

Though the Club is still very young and in its formative stage I am pleased to report that it is making good progress. By the time of the Annual General Meeting in September 1980 we hope to have a membership strength of 65.

The Rogue Valley Club is lucky to have two golf outings each year - the main tournament being held

the first Friday in August in Medford, Oregon and out Mini-Tournament every May in Grants Pass, Oregon. Both were well attended and a good time was had by all.

The number 11 hole at Grants Pass has been designated as the Lumbermen's Hole. The Rogue Valley Club has helped to make many improvements on this real fine hole.

## Walt Whitman

Club No. 171  
Camden, New Jersey

Ralph Dages L-63070, Secretary/Treasurer of the Walt Whitman Hoo-Hoo Club No. 171 and sales representative for the MacMillan, Bloedel Building Materials Company in Camden, N.J., organized a vacation and mill visits to British Columbia from June 14th to 21st, 1980. The group consisted of the following:

Ralph C. Dages; David Baird 86153, Haddonfield Lumber Co.; Frank Panna, Jr. 84396, Pres., J.E. Mitchell Company; Vincent Tague 79938, President, Tague Lumber Co.; Anthony Venezia 82639, Sec./Treas Hill Brothers Trucking Co.; and -

Donald Plump, President Frost Watson Lumber Corp.; Timothy Rosenheil, V.P., Ace Lumber & Millwork; John Waldner, Pres., Waldner Lumber Co.; Don Riley, Pres., J.T. Riley, Inc.; Ed Schlotz, Pres., Sykes, Schlotts, Collins Lumber Co.; Mr. and Mrs. David Knipe and Mr. and Mrs. Davis Schrenk.

The men all went salmon fishing the first day. Don Riley took the honors with a 22-pound salmon. The second day they visited MacMillan, Blowdell's mills Canadian White Pine Division and the Vancouver Plywood and Mainland Processing Division.

## San Joaquin Valley

Club No. 31

Fresno, California

On September 19th, the now famous San Joaquin Valley Hoo-Hoo Club No. 31 held their 33rd Annual Valley Frolic at the Fort Washington Golf and Country Club. Chuck Wills was the able chairman of the event.

Winners of the golf tournament were:

Low Gross - Terry Huntsman, President; Second Low Gross - Mike Bakula; Low Net - Ted Mathews; Second Low Net - Bill Oberholser; Third Low Net - Tom Long.

It was a beautiful day for golf and there were quite a few golfers around for the event.

All were impressed how lumber was manufactured and processed. Also, how plywood and Texture 1-11 were manufactured at the Vancouver Plywood Plant.

Leaving Vancouver, B.C., we

all had R & R at Reno, Nevada and Lake Tahoe. Tony Venezia was the big winner, and all returned home with a new knowledge of the lumber industry.

On board fishing vessel at Vancouver - Dave Knipe, Dave Schrenk, Ralph Dages and Don Plump.

## And Another Great Convention!!

This writer has attended eleven of the last twelve conventions and has yet to figure out how each one seems to get better than the last. The Atlanta Convention was no exception.

This year's (1980) convention deviated from the norm in that it started on a Wednesday evening instead of the usual Sunday evening. Snark Jimmy Jones hosted a cocktail party for all the

early arrivals on Tuesday evening in his hotel suite. Believe me there were a lot of "early" arrivals!

*Continued on next page*

Here are just a few of the "early" arrivals at the convention who attended the Snark's cocktail party in his hotel suite. If you look closely you won't find anything but smiles in the entire lot. It was a fun evening amidst many squeals of delight as some of the ladies met each other for the first time in a year.

LOG & TALLY

Kevin F. Kelly, Supreme Nine Member from Jurisdiction IV, was presented a complete "Texas Cowboy" outfit by Snark Jones including boots, spurs, hat, gun belt and a 7-inch barrel 6-shooter (fake).

Tom Osborne and his wife Maureen were celebrating their first anniversary at the convention. Still in love!

As the evening progressed the party began to break up and each went on his own way, but there was fraternalism and frivolity at the Snark's suite to hold everyone until the cocktail party the following night - The Icebreaker.

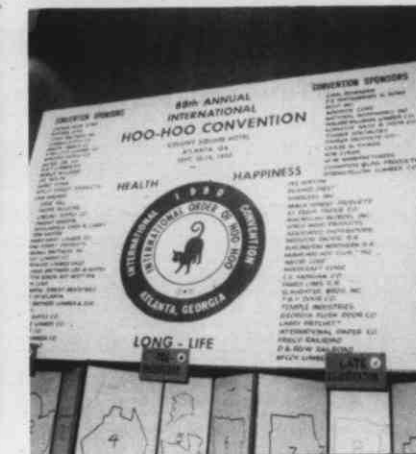

### REGISTRATION

Most of the convention attendees registered during the day (Wednesday, September 10th) prior to the Icebreaker

party. The registration desk was something else again. It was well arranged and there were no delays. Also in the registration area were some showcases displaying everything from metal Mint Julep Cups to Hoo-Hoo neckties which were for sale at very nominal prices. Also displayed were the names of the donors who helped make the convention possible.

This is a shot of the very efficient "front office" of the Convention Committee.

The display cases, we understand, are to be donated to the Hoo-Hoo International Museum by the Atlanta Hoo-Hoo Club No. 1

plenty of food for everyone. It was still the beginning of the convention and many old friends got together and many people made new friends as well. ## And Another Great Convention!!

This writer has attended eleven of the last twelve conventions and has yet to figure out how each one seems to get better than the last. The Atlanta Convention was no exception.

This year's (1980) convention deviated from the norm in that it started on a Wednesday evening instead of the usual Sunday evening. Snark Jimmy Jones hosted a cocktail party for all the

early arrivals on Tuesday evening in his hotel suite. Believe me there were a lot of "early" arrivals!

*Continued on next page*

Here are just a few of the "early" arrivals at the convention who attended the Snark's cocktail party in his hotel suite. If you look closely you won't find anything but smiles in the entire lot. It was a fun evening amidst many squeals of delight as some of the ladies met each other for the first time in a year.

our nine jurisdictions.

After a short welcoming  
address, Snark James A. Jones L-

followed (again deviating from  
the norm) a concat at which 16  
new members were brought into  
our Order. All of the kittens  
passed with flying colors.

Chaplain Jimmy Brunson.

Now it was time for a coffee  
break and there was much  
chatting for about 30 minutes.

There was a very short

discussion on the Hoo-Hoo  
Operations Manual which was  
followed immediately by the  
officers' reports, and then a few  
awards were made by various  
people. Norm Mikalson received  
the coveted "George Mueth  
Walking Stick" and Gordon  
Graham was presented his own  
"Wooden Toilet Seat."

Since Jurisdiction IV (Australia)  
won the walking stick last year, Dick  
Campbell, representing Juris. IV,  
presented the stick to Norm  
Mikalson.

Now it is time for more  
cocktails and lunch.

After a great chicken feed, the  
guest speaker was introduced. He

The state produces 16,000 tons of

and the state is growing 55%

produces 2.3 billion board feet of

After lunch the business  
session resumed once more.

Snark Jones appointed his  
committee chairmen and then  
there was a report on the Hoo-  
Hoo Museum in Gurdon,  
Arkansas by several of the  
officers and directors who had  
been there recently. The  
consensus was that the Museum  
is probably the greatest thing  
that ever came down the turnpike  
as far as Hoo-Hoo is concerned.

The Mayor of Gurdon, Russell  
McClain, was there to answer any  
questions as was Mr. Louis Cabe,  
a staunch Hoo-Hoo Supporter  
and Museum enthusiast.

The Hoo-Hoo Museum got more plugs during the convention than a plank floor.

This was followed by a report of the Nominating Committee which was chaired by Bernie Barber, Jr. 48864.

The slate was as follows: Snark, Robert VanEvery L-73186; 1st Vice President, Dan Brown L-74477; 2nd Vice President, Kevin Kelly 75940; Sec/Treas., W. A. Russell L-50220.

Supreme Nine Juris II, Fred Meyer 58954; Juris IV, J. Richard Campbell 77398; Juris VI, Bernie Barber, Jr., 48864 and Juris VIII, Carle H. C. Hall L-57737.

Supreme Nine Members for Jurisdiction I, III, V, VII and IX remain in office for one more year according to our by-laws. They are: Juris I, Dick Mullen 76940; Juris III, Norm Mikalson 65163; Jack Jacobson 73133; Gary Hester 81283 and Dick Wilson, L-51796.

Mr. Ken Coleman 71801, ran for the office of Supreme Nine of Jurisdiction VI and was defeated. Verner Anderson 80580 ran for the office of Supreme Nine Jurisdiction VIII and was defeated.

Jurisdiction Caucuses were held almost immediately after the afternoon session was over and another day had come to a close, or should have come to a close, but no! More plans for the conventioners! Thursday evening was the Stone Mountain Party for both men and women. The story on the Stone Mountain party may be found elsewhere in these pages.

Friday, September 12, should have been a day of rest and relaxation, but the Atlanta Hoo-Hoo Club had something planned for everyone. The men had a choice of either golf or plywood and lumber mill tours. From what we can gather, it was about a 50/50 choice. The golf match was held at the famous Snapfinger Woods golf course and it was a real challenging course.

The mill tour was well attended, too. The mills toured were the Woodcraft plywood plant and the Continental Forest

This is a close-up photo of the new Museum Front Door which was donated by Dick Wilson, L-51796 - Supreme Nine Member of Jurisdiction IX.

lumber mill. Those that attended this mill tour learned a great deal, because both of these mills were practically new with new machinery and techniques throughout.

The ladies had a choice of golf or a tour of Antebellum Madison, Georgia (The City that was too beautiful for General Sherman to burn).

After everyone had returned there was another surprise waiting for us in the form of a cocktail party sponsored by the Houston Hoo-Hoo Club No. 23 (1981 Convention host) which was followed by a super banquet sponsored by the Hoo-Hoo Clubs of Jurisdiction IX.

The Houston Club's cocktail party was a dandy. There was plenty of booze and beer for everyone and some really tempting hot and cold hors d'oeuvres. According to Jack Cheshire, Rameses No. 64, the Chili was good, but not as good as that made in New Mexico. It just wasn't "hot" enough!

Not hot enough!

And after the Houston Cocktail Party everyone repaired to the dining room for the Jurisdiction IX Banquet, and what a banquet it was! The food was not only excellent, but the entertainment was fabulous.

The entertainment consisted of the "Wits End Players" - four young (?) people who sang, danced, told jokes and kept us all in stitches for almost an hour. This same group originated many

Very Funny Wits End Players

years ago with Dick VanDyke, who eventually left them for bigger things as we all know, but they were a lively group and it was lots fun and entertainment for all.

And then after the Juris. IX banquet everyone was a little tired again, and the weak, lame and lazy went to bed. Some of the "hangers-on" however, repaired to various and sundry lounges and bars for additional entertainment, but this writer deemed it more advisable to go to bed.

Saturday, Sept. 13th was a new day! There was a special breakfast for Hoo-Hoo only on the roof of the hotel (Crown Room) which was well attended, and this was followed by a general business session for the men. There were committee reports (see reports elsewhere in this issue of Log & Tally followed by the election of officers. The results of the election appear somewhere above.

After a short coffee break there were Wood Promotion presentations.

Three clubs competed for the Wood Promotion Trophy this year. They were the Metro-Plex Club No. 242 (Dallas/Fort Worth, Texas), presentation by Roy Deering 86089; Detroit Hoo-Hoo Club No. 28 (Detroit, Michigan), presentation by Gordon Graham L-70604, and the Portland Hoo-Hoo Club No. 47 (Portland, Oregon), presentation by Glen Lowe.

The Wood Promotion Committee must have had a

terrible time coming up with a winner because each of the presentations was very well received.

The winner was the Metro-Plex Hoo-Hoo Club No. 242 for their efforts in supplying building materials for the Ronald McDonald House in Dallas. Text of the Presentation follows:

"In the 1978-1979 Hoo-Hoo year, the Dallas/Fort Worth Club No. 242 was formed in Jurisdiction VII.

"In that same year our Club President, Tom Rice, was approached by Dr. Dale Fuller, MD of the Children's Research Center, who had received a letter from Snark Gene Zanck. Dr. Fuller was seeking help from somewhere in the lumber industry. Our membership decided to help all possible following a meeting which Ed Clark, Ronald McDonald House Building Chairman, was the guest speaker.

"Brother Doug Crider 86685, volunteered to coordinate the material list gathering and delivery as needed. We were like a group of actors in the "hurry up and wait" situation. It took about 12 months for plans to be drawn and be approved by the City Planning Board and then another two months to get the dirt work approved.

"On June 15th of this year, we were advised by the general contractor (also donating his time and labor) that the material would be needed in approximately 3 weeks. Doug Crider approached 3 local yards for collection and

delivery of materials. Within 2 weeks the membership had secured all the plate stock, studs, decking, ceiling joist and rafter material for delivery. Materials were gathered from a radius of 100 miles from wholesale and retail yards alike. One cash contribution from the disbanded Lumber Jack of Dallas was received for \$1,745. Many other cash contributions were also received.

"Last week 3 roofing manufacturers donated 90 squares of roofing at a cost to the club of only \$358. This roofing is being applied now. Our next step is to secure the door units for the interior rooms.

"The house will contain 6,600 square feet with living quarters for maintenance and house keeping personel and 12 bed rooms for those who qualify during their stay.

"To qualify, the family must live at least 100 miles from the Dallas/Fort Worth area and be required to have some form of medical treatment every day they are in town.

"The house is located near two hospitals - The Children's Medical Center and the Wadley Cancer Institute. It is a home away from home for the families with something in common: A child with Leukemia, Cancer or other serious illness.

"Thanks to many other organizations and individuals in the Metroplex area, the house is no longer a dream, but soon to be a reality.

"You have heard 'Deep in the Heart of Texas' - we prefer 'Deep in the Big Heart of Texas'."

Then there was a joint cocktail party which was followed by a Luncheon where the ladies joined the men for a magnificent repast.

Snark Jones wasted no time during the luncheon to present awards to the Hoo-Hoo officers and directors who have worked so hard during the past year to make Hoo-Hoo the success it is. We are sorry there is no room for all the photos taken by the editor, but suffice it to say that every officer and Supreme Nine Member received some token of appreciation from our Snark.

Roy Deering from the Dallas/Fort Worth Hoo-Hoo Club No. 242 poses with the annually awarded Wood Promotion Trophy.

Life Member Loren Swift L-34021 again accepts the "Old Timer's" trophy for being the lowest active Hoo-Hoo number in attendance at the convention. Four years in a row!

Snark Jim Jones receives a box of cigars from newly elected S-9 member Dick Campbell, from Woy-Woy, Australia. The box was made of wood peculiar to Australia.

Golf trophies were awarded, too!

Dick Wilson L-51796 holds court momentarily after he received the Hoo-Hoo Membership Trophy for the third year in a row. Dick is said to be one of the hardest working members of the Board.

Chairman of the Board, Gene Zank, receives his plaque for his dedication to Hoo-Hoo International.

More golf trophies.

Now comes for the fun part of the convention. It was time for Snark Jimmy Jones to be embalmed! The embalming

ceremony is an annual event. No past Snark may become a member of the House of Ancients without first having been embalmed.

This particular ceremony took place in Alliance Theater of the Atlanta Art Center. It was just around the corner from the hotel, but the Atlanta Club thought it would be fun to drive the officers and directors to the theater in antique cars!

Australia's Kevin Kelly beams from the seat of an ancient convertible. Note the couple in the "rumble seat!"

Another of the Antique cars used to transport the dignitaries to the Embalming Ceremony.

Once in this huge theater, four Rameses held court and proceeded with the ritual. Rameses holding court were Jack Cheshire, Dave Marteney, Larn Champ and Gene Zank. They directed that the Snark be brought center stage where a crew of men started to wrap him like a mummy. All the time there was a golden tomb in the rear. We just seemed to sense that Jimmy would eventually be placed in the tomb, but that was not to be for a few minutes. Two gentlemen entertained the large audience for many minutes while Jimmy contemplated what was to come next.

At this point the lid was lifted from the tomb and out stepped

Snark Jimmy has been mummified! Here an entertainer tells him what to expect in the next world.

the most beautiful belly dancer we have seen in recent years!

Slowly she turned as she removed herself from the tomb to entertain our Snark.

...And did she ever entertain him!

After some bumps, grinds and the usual cavorting, Jimmy was "placed to rest" in the tomb and he was pronounced by the four

presiding Rameses as "An Ancient."

This concluded the embalming ceremony and already it was time to return to the hotel to prepare for the Snark's Reception and final banquet of the convention. What a busy day!

### Snark's Reception And Banquet

The reception was held in the Varandah Lounge of the hotel and, although a little crowded, the closeness gave everyone a sense of "belonging."

It's a shame that we can't afford to print some of the photos we took in color. The ladies

gowns were elegant! The reception lasted an hour or so and everyone went to the roof for the banquet which was a banquet to end all banquets! An enormous

buffet was in the center of the room and certainly no one went hungry! There was food enough for an army, whether it was Union Army or Confederate! Most of the men chose the Confederate army costume, and of course the ladies were dressed in the traditional "Southern Belle" attire, although there were a few exceptions.

And the fourteen-piece orchestra was one of the swingiest dance bands we have heard for a long time. The name of the band was the Dean Hudson Orchestra, and it was a good one.

There was a short break in the evening's festivities when our

### Stone Mountain Party

One of the major highlights of the Atlanta Convention was our trip to Stone Mountain, Georgia to see the world's largest stone relief sculpture carved out of the world's largest known mass of exposed granite measuring more than five miles in circumference.

Some of the Hoo-Hoo chose to take the skylift for a breathtaking view of the sculpture close up. The sculpture included the mounted figures of Confederacy President Jefferson Davis and Confederate Generals Robert E. Lee and Thomas J. "Stonewall" Jackson. We were told by our tourguide that on the anniversary of the completion of the sculpture, a cocktail party was held on the shoulder of Robert E. Lee whose figure measures over 90 feet tall.

Following our viewing of the sculpture and a tour of an authentic southern plantation, we were off to a cocktail cruise given on the riverboat Henry W. Grady, a tripledeck paddlewheeler. The cruise was complete with free flowing cocktails and what else but a Dixie-land band. The spirit was an exuberant one as all enjoyed the uniqueness of the occasion, the beautiful mountain scenery and the true southern hospitality - and there was more to come.

### New Books By FPRS

The THESAURUS OF FOREST PRODUCTS TERMS has recently been published by the Forest Products Research Society (FPRS). The THESAURUS provides the forest products industry with a controlled vocabulary for indexing and retrieving forest products literature, unavailable until now.

The THESAURUS is an alphabetical listing of 3,821 valid descriptors currently used in the AIDS/FOREST PRODUCTS Information Retrieval System, developed by FPRS. The entries cover subjects from harvesting of trees to marketing of wood fiber, and chemical products from the forest. FOREST PRODUCTS, (or AIDS, or FOREST) is the name assigned to the AIDS file available through the Systems Development Corporation (SDC) ORBIT data base in Santa Monica, California.

The THESAURUS provides a reference for accurate keyword assignment and a guide for effective search strategies. The hierarchical listings show terms which are more inclusive than (broader terms), more specific than (narrower terms), and closely associated with (related terms and related concepts) each descriptor. Brief definitions or longer explanatory notes are added for clarity.

The THESAURUS is available for \$30.00, plus 10% of the total order for postage and handling from FPRS, 2801 Marshall Ct., Madison, WI 53705, 608/231-1361.

Our paddlewheeler docked at the Lakeside Center where we were escorted to a scrumptious barbecue complete with pit-cooked chicken, pork and of course the south's famous Brunswick stew and much more. While we waited to enter the center, our convention host, Dick Wilson advised that there was a bit of backup in the chow line but

the good news was that liquid refreshments were now available. No sooner did he make this announcement than our Atlanta hosts were serving cocktails to everyone who wished one - now that's hospitality and the Atlanta Hoo-Hoo really know what it's all about.

After dinner we enjoyed the humorous presentation of Ludlow Porch, a local radio host, who

brought us much hilarity with his explanation of many of our used and misused expressions including the word "wierd". Porch offered some very poignant examples of weirdness and following that evening the expression "now that's wierd!" got a good work-out amongst the convention goers. It was a lot of fun - thank you Ludlow - and thank you Atlanta. Hoo-Hoo.

## STONE MOUNTAIN PARTY!

Here are just a few of the many photos taken during the Stone Mountain Party. Just another one of the many

surprises that the Atlanta Club had planned for the conventioners!

## We Get LETTERS

It was a great pleasure having a large group of Hoo-Hoo members tour our Madison, Georgia plywood facility this past week. We were very impressed with their interest in the southern pine lumber and plywood market. We are aware that their time is valuable and we appreciate the opportunity of showing this operation to them. Please express our thanks to them for their interest.

Sincerely,  
James J. Davis  
General Sales Manager

Our club is following the progress of the Hoo-Hoo Museum in Gurdon, Arkansas and wholeheartedly support the effort. At a recent meeting our Board of Directors decided to contribute \$200.00 to the cause and we are planning to send a check with our candidate for Supreme Nine, Vern Anderson, to the convention in Atlanta.

We are encouraging individual members to donate as well. You might expect several contributions, in this way also, from our club.

Very truly yours,

Dear Snark and Board Members,  
I am in receipt of a LIFE membership certificate and card, and I am at a loss to know who I should address this note of appreciation. To play safe, I extend my warm appreciation to Snark Jim Jones, The Supreme Nine, all officers and members of Hoo-Hoo along with my sincere thanks.

My work in Hoo-Hoo, both local and International was both

enjoyable and fun.

Health, Happiness and Long Life to everybody.

Going to have to pass-up the Atlanta Convention this year. business has not been good and I have a deal pending that I doubt will materialize till next week. Looks like one of the best coming. I have not missed a convention since 1952.

Best regards,  
Tom Partridge L-45201

Dear Brother Jones:

I want to acknowledge receipt of and thank you and your organization for the Honorary Life Membership plaque that you sent to me recently - this surely recalls pleasant memories of long ago when I was a fairly active member of this organization but after 53 years of membership I have learned to sit on the side lines and let the younger cats take over.

As Bill Hagenstein, my good friend, wrote you in his letter printed in the August, 1980 of Log & Tally, your organization represents the spirit of fraternity and good business ethics in the lumber industry, for which we should all be mighty proud - you are to be complimented for carrying on this good work.

I note that Mr. Harry T. Kendall is listed as one of your Immortals - coincidentally I had the honor and pleasure of serving under him in the late 1920's when he was the general sales manager for the Oregon-American Lumber Co., a subsidiary of the Central Coal and Coke Co. of Kansas City, and who sponsored me and was present at my initiation into Hoo-Hoo. There were many more giants of the industry in that era and frankly in my experience I never knew a lumberman, whether he be a logger, a millman, a wholesaler or a retailer, that I ever disliked.

My son, Donald Andrews, is presently the sales manager for

the Frank Lumber Co. of Mill City, Oregon and is very active in Hoo-Hoo - he also is one I give thanks to for catching me up on my past dues.

I know you have been and are a splendid leader Brother Jones, so keep the flag flying high and that Black Cat's tail waving high into the sky.

Very sincerely yours,  
Selden S. Andrews No. 41049  
2361 N.E. 62nd Ave.,  
Portland, Oregon 97213

Dear Cliff:

In the box that I sent you containing stuff for the museum you will find an old 9 1/2 x 18" framed photo which was taken at the 1946 Convention here in Washington, D.C., and some items that Club No. 99 gave away at Christmas Parties through the years.

At the club's last meeting I tried to put some feeling into them about more business and an objective for the club. I might just write an article "Where Goest Hoo-Hoo?" as a sequel to "Whence Came Hoo-Hoo?" This might be a good column for the Log & Tally for all members to participate in.

I have been feeling better since I retired and I plan to attend most of our club's meetings. I am also doing my part in getting the 1984 Hoo-Hoo Convention here in Washington, D.C. off to a good start. I have all the records from the 1966 convention.

Fraternally,

# OBITUARIES

**LeRoy H. Stanton, Sr. L-31930**, Rameses No 41 and Seer of the House of Ancients passed away on September 11, 1980. He was born December 7, 1889 in St. Louis, Michigan. Upon the knowledge of Brother Roy's passing, a Hoo-Hoo memorial was offered by the delegation during the 88th Annual Convention in Atlanta, Georgia. (See below). Roy was a most dedicated Hoo-Hoo who served his Fraternity in many capacities from the time of his initiation in 1922. Among these was President of the Los Angeles Club No. 2 where he had been a member and an active participant in the club's reactivation during the early forties. He later served on the Board of Directors of Hoo-Hoo International in the capacity of Supreme Nine for Jurisdiction VI from 1945 to 1948. In 1948 Roy was elected to the Supreme office of Snark of the Universe at the International convention in Los Angeles. During his reign as Snark his program to expand Hoo-Hoo and make the local club the "Heart of Hoo-Hoo" resulted in the formation of new clubs in Southern & Northern California, Oregon, Washington, Nevada, New Mexico, Utah, Arizona, and in New Orleans, Memphis, Little Rock, Detroit, St. Louis, Honolulu and two in the Phillipine Islands. Roy continued to be a spokesman for Hoo-Hoo as Rameses and in 1974 upon the passing of Rameses No. 37, Ben Springer, he received the honored title of Seer of the House of Ancients.

## EULOGY

By Eugene D. Zanck  
Rameses No. 71

At 88th International Convention  
Atlanta, Georgia

It is a great honor to eulogize the memory of our recently departed brother and Seer of the House of Ancients, LeRoy

Stanton, Rameses 41, Hoo-Hoo No. 31930. Roy, as he preferred to be called, departed from our ranks Thursday morning, September 11th, at the age of 91. He was our Snark in Hoo-Hoo year 1948-1949. Even though that was before my time, I did get to know Roy well these past 5 or 6 years. During this period, Roy exemplified the ideals found in our Hoo-Hoo Code of Ethics and golden rule. Though his body became frail and thin, he retained a sharp, keen mind and wit and continually expressed to me his deep devotion to our beloved order. He always welcomed Hoo-Hoo brothers and their wives to his home as many members will attest. Officers and Directors of recent years were Roy's luncheon guests at the Los Angeles Country Club whenever they were in the area. The price of 91 long years of life probably has robbed our ranks of many members that knew Roy and served with him. I am sure that of those that remain, many remember his energy and efforts in Hoo-Hoo's behalf.

Our Seer is dead. Please stand. Let us bow our heads in respect for a moment of silence in the hope that the indomitable spirit shown by Rameses Stanton will strengthen all of us gathered at this 88th International convention. The Emblem of Revelation held by Roy during his reign will be passed on to Dave Davis, Rameses 48, of Greenbrae, California.

**R. Leland Irvine L-28399** of Salt Lake City, Utah is deceased. He was a member of the Salt Lake City Hoo-Hoo Club No. 70 of Utah where he was first initiated in 1914. Brother Harry was a resident of St. Paul, Minnesota where he ended a 67-year career in the lumber business. Sutton co-founded Twin City Hardwood Co. in St. Paul in 1911 and was still managing company affairs when he was 96. The company's growth was fueled by sales of "wagon oak" to expanding railroad companies and thrived until it was liquidated on Sutton's retirement in 1978. The Sutton Research Laboratory of St. Paul Children's Hospital was founded largely through a donation from the sale of his company. An apartment building for the elderly, Sutton Place, was also established through his efforts. Brother Sutton joined the Hoo-Hoo organization in 1904 and was awarded a Lifetime membership in Hoo-Hoo for his dedication to the Order for over 50 years. He was a member of the Twin Cities Hoo-Hoo Club No. 12.

**Don Prentice 57831** of the Missoula-Montana Hoo-Hoo Club No. 68 passed on in September at the age of 54. Don was initiated at Billings, Montana March 26, 1952. He was an executive of Vaagen Brothers Lumber, Inc. of Colville and a native of Carpio, North Dakota where he was born July 27, 1914.

## Walt Whitman

Club No. 171

Camden, NJ

The Walt Whitman Hoo-Hoo Club No. 171 held a dinner and concat at the Woodbine Inn, Pennsauken, N.J. on September 25th. This was also election of officers night. There were fifty members in attendance. For dinner they had the best gourmet buffet in the entire State of New Jersey.

**Ralph C. Dages**, longtime club Secretary/Treasurer, was voted by the members to receive a LIFE membership in Hoo-Hoo International. Incidentally, Ralph is retiring from MacMillan Bloedel Building Materials Company on October 31st, and Ralph toasted all his fellow employees and wished them Health, Happiness and Long Life. Ralph says he is going to do some travelling after he retires and will be working for a large travel agency. He will remain very active in Hoo-Hoo.

*Ed. Note: Club No. 171 has had 100 percent paid membership for the last six years and is well on the way to making it seven in a row.*

**Rupert H. Anderson 81311** of the Willamette Valley Hoo-Hoo Club No. 33 passed on recently. He resided in Brownsville, Oregon and was a native of Portland, Oregon where he was born September 21, 1932. He joined Hoo-Hoo at Eugene, Oregon January 18, 1973.

**Clair W. Hicks, Sr. 48870** of Salinas, California died in August at the age of 71. He was founder of the Hicks Lumber Company of Salinas and a native of Elkins, W. Virginia. Hicks was engaged in the retail lumber business until 1939, when he established his own company in 1945. He was a member of the Elks, past president of the Retail Lumberman's Assn. of No. Calif., charter member of the Moose Lodge and a member of Hoo-Hoo since his initiation in 1947 at Santa Cruz. He was born May 7, 1909.

### Houston Club No. 23

Houston, Texas

The Houston Hoo-Hoo Club No. 23 had a busy month of June - a golf tournament on the 16th and a regular meeting on the 26th.

The golf tournament at Willowisp Golf and Raquet Club had been rescheduled after a rain-out for the planned date in May.

Eighty-two members and guests played golf, and this year we added a double elimination tennis tournament to the agenda and we had 24 members and guests participate. Following the day of sports we had 143 members and guests at dinner.

Following the dinner we recognized several of the members who were responsible for making the event so successful. Mr. Bob Ridley and Mr. Ken Rosenberger coordinated the golf, tennis and dinner registration desk. Chris Goff and Joe Breeden made up the dinner ticket committee and Frank Parrott headed up our 1st semi-annual tennis tournament.

Chris Goff and Mark Sensat worked on the beer committee.

Without all these people the days events would not have been possible.

In tennis Keith Watts and Reed Robbins took first and Bill Burk and Mark VanSickle took second. In the consolation bracket we

found Marvin Stapper and Steve Duffy.

First five members low net scores went to George Bohannon, Cal Johnson, Tom Fair, Joe Gaulding and Buddy Haile. Members low gross went to Cliff Shafer, Solly Moglovkin and Jim Ellis.

There were about 10 door prizes awarded in addition to the regular "Whiskey Basket Drawing" including a camp stove, outing kit, clock radio, spinning reel, tackle box, light, AM/FM Portable Radio, digital clock radio and an ice cream freezer, but the granddaddy of them all was the 19" color TV won by Wayne Perry.

1) Bill Baird, A.W. Harris & Roy Cummins 2) Tom Black & Jay Foxworth 3) Ross Hunnicutt, Joe Breeden, Bob Ridley & Roy Reid 4) Buddy Durham, Mike Fellis & Bill Compton 5) Dan Guerra, Mike Knigge & Mark Wilhusen 6) Ken Rosenberger and Bill Franks.

### Juris VI News

Someone, we don't know who, decided it would be a good idea to have a Jurisdiction VI "Pre-Convention B-B-Q" for the Jurisdiction VI delegates who were attending the Hoo-Hoo Convention in Atlanta.

Believe it or not, there were 46 attending for a wine tasting and roast suckling pig. A feast fit for a king.

S-9 Member Bernie Barber, Jr. Deputy Supreme Nines Bert Lebeck and Brent Crosby.

Here's Joe Bowman, Jeanie Crosby, Bernie Barber and Bert LeBeck.

Enjoying the vittles are Ralph Boshion and Carl Carlson.

### Portland

#### Club No. 47 Portland, Oregon

A real outstanding event was held recently by the Portland Hoo-Hoo Club No. 47. It was a trip by bus out of town to tour the Weyerhaeuser Lumber Mill which is located in Kelso, Washington.

Of course there were festivities on the bus on the way up and what seemed like more festivities on the way back. It was a great trip and everyone had a great time.

Glen Lowe and Louis Buschbacher enjoying the view of the mill.

Pete Jackson says, "I know we had more people on the way up!"

Dave Mensing, the new club President for the Oakland Hoo-Hoo Club No. 39.

This was an outstanding experience for some of the guests on this first visit to an operating mill. Even the hard hats were fun to wear for most of us.

Darrel Pardee says, "You ought to see the one that got away!!"

### CLIS News

California Lumber Inspection Service announces that it will host its fourth annual training school and clinic, for hardwood graders and potential graders, in early January. The event will occur in Fremont, Calif. in order to serve the industry's need for quality control and grade recovery in various species of hardwood.

Inquiries can be made C/O CLIS, PO box 6989, San Jose, Ca., 95150 or phone 408-297-8071.

Our new Seer of the House of Ancients, Dave Davis L-37575, Rameses No. 48, poses, left, with Snark Jimmy Jones L-72703. Mr. Davis became Seer of the House of Ancients at the death of Seer LeRoy Stanton L-31930 during the convention in Atlanta in 1980.

Our "Old Board" managed to get together long enough for a photo. Standing: Bernie Barber, Jr., Dick Wilson, Fred Meyer, Norman Mikalson, Dick Mullen and Bill Russell. Seated: Kevin Kelly, Gary

Hester, Bob VanEvery, Jim Jones, Gene Zanck and Dan Brown. Absent when the photo was taken are Cliff Taylor and Jack Jacobson.

Our new leaders include Kevin Kelly, 2nd Vice President; Robert VanEvery, Snark of the Universe;

James A. Jones, Chairman of the Board, and Dan Brown, 1st Vice President.

This fine group of people are all members of the Atlanta Hoo-Hoo Club No. 1 with wives and other

helpers who made our convention such a great success. They all worked their hearts out!

MISCELLANEOUS PHOTOS

Doug Howick, Chairman of the Convention Committee "Kangaroo in '82" and Jimmy Jones with black Hoo-Hoo cat made by Linda Breeden of Houston, Texas. Note Singapore flag in the background. Doug was interviewed on Vallejo radio station KNBA and given a cassette of the interview to take back to Australia.

North Idaho  
Club No. 155  
Coeur d'Alene, Idaho

On September 11th the No. Idaho Hoo-Hoo Club No. 155 held its first meeting of the 1980-1981 Hoo-Hoo year after a three-month brea. The first meeting was very well attended and new officers were installed. A past President's pin was presented to outgoing president Keith Olson, by the new president Ken Draheim 84491.

In the photo accompanying this article are most of the officers with the club's Paul Bunyan sized gavel made from a section of the historic Mullan Tree, blown down in a 1962 windstorm. Only good Hoo-Hoo are capable of wielding this gavel!

R. M. Scates 87170, won the door prize of a fifth of scotch which was donated by the club.

At Club No. 155's installation of officers are (L to R) Past President Keith Olson, Installing officer Howard Walton, new President Ken Draheim, 1st V.P. Walt Sims and Sec/Treas Carl Krueger. 2nd V.P. Daryl Benson was not present.
