VOLUME 96

NO. 1

Log & Tally (SPS 317-560) is published quarterly for \$5.99 per year by the International Concentrated Order of Hoo-Hoo, Inc., P. O. Box 118, Gurdon, Ark. 71743. Second class postage paid at Gurdon, Ark., and additional mailing offices.  
POSTMASTER: Send address changes to Log & Tally, P. O. Box 118, Gurdon, Ark. 71743.

## FROM THE SNARK'S DESK

It was 24 years ago, in 1962 that I joined Hoo-Hoo. Little did I think at that time that I would have had the privilege and the honour of accepting the challenge as your SNARK OF THE UNIVERSE.

I feel very humble and want to thank you for the confidence you have shown in me. In accepting this office I want to reassure you, I will do everything within my capabilities to uphold the Honour and Traditions of this great Fraternity.

Not only do we have the oldest industrial fraternity in existence, having been founded in 1892, but we have the greatest. Since Hoo-Hoo was founded, over 92,000 have entered its gates and it is now active in four countries. Our fraternity encompasses all segments of the industry, from the woods to the end user. No other industry that I know has a fraternity that brings you into personal contact with all its phases.

Our forest industry is now showing signs of recovery and is looking upward. Hoo-Hoo this past year, although did not reach our set goal, also showed signs upward. We as leaders of International have made membership an on-going number one priority and need your help once again in an all-out effort to bring in new members and as ever important, hold the members we now already have.

It is imperative that if Hoo-Hoo is to remain strong and grow stronger the task falls on you and all members to ensure that your club remains strong. Everyone should take a careful look at their own home club and if membership is falling or they can't interest any new members in joining, find out why. Is it because of the type of programs, locations of meetings, or does the day of meetings conflict with other things.

We have a great and energetic group on the board this year. All of these S9's and officers weren't recruited for this job, they volunteered. They volunteered because they want to see Hoo-Hoo continue to grow stronger. These men are there to help you, communicate with them, invite them to your meetings. They won't know you have a problem if you don't tell them.

I ask for your suggestions and co-operation this year to help me work with you to make this Fraternal Order even stronger. If each of you pledge, as I have, to do what you can to encourage new members to join and also present programs that will retain the members you already have, we will I'm sure, reach our goal.

I would like to offer my congratulations to the Granite State Hoo-Hoo Club No. 107 and all the members and their wives who worked so hard to make this past convention such a memorable event. A beautiful hotel in a very beautiful part of the country and great fraternalism.

I plan on visiting every jurisdiction this term. I will be working closely with your Surpeme 9 to help me plan visits so that I may visit as many clubs as possible. If you have a club that is having problems, contact your S9 and he will let me know. Hopefully between us, we can solve whatever problems arise.

The purpose of Hoo-Hoo is Fraternalism. Get out and spread the word. Attend your club meetings and take an active part in its activities. Get to know your competitors, you will find they are friends too. We are all joined together in Hoo-Hoo for the same basic reason — to help better the forest products industry.

Remember, this is your Fraternal Order, help me this year to keep it on the rise and make this year the success I know we can.

Health, Happiness and Long Life.

Jack Jacobson — 73133  
Snark of the Universe

## VICE PRESIDENTS' REPORTS

1ST V.P.  
DICK  
CAMPBELL  
L-77398

As Co-Chairman of the Membership Committee, my first duty is to thank all those members and clubs, whose efforts turned the tide of membership from a loss to a gain of 2 percent for the year. Though Snark Al's objective of 10 percent was not achieved, his plan was successful and has been adopted as an on-going project. Let's all contribute to the security and growth of this universally acclaimed fraternity with the same effort this year.

Supreme 9, Bob Frost kept me busy in the South Pacific Region with the job of Secretary-Treasurer of JIV, visits to JIV clubs and chartering the two New Zealand Clubs. Believe me, it gave me further appreciation of the problems and effort needed to co-ordinate operations between H.H.I., S-9's and Clubs.

The board meetings and particularly the work sessions and round table discussions with the members who attended the New Hampshire Convention were most successful. As the reports will indicate, many constructive decisions were made in respect of facing the external problems of the day, increasing the overall efficiency of Hoo-Hoo operations and greater expectations for the future.

Most importantly the great fraternal spirit of Hoo-Hoo has been evidenced to me during my visits as far south as New Zealand, throughout Australia, Canada and the U.S.A. to the Granite State Club up North, who held such a successful Convention. I visited 1st V.P. Jack Jacobsen in Vancouver making calls with him on our way to a pre-Convention discussion with Snark Al in Tacoma. All told I met with members from nine clubs on my way to the convention and shared this great Fraternal experience with them. It is this ingredient throughout Hoo-Hoo, that makes our efforts to advance Hoo-Hoo, so rewarding.

My thanks to Snark Al and my fellow directors and all the members with whom I've had contact this year, for making it both rewarding and enjoyable. I am looking forward to a busy Hoo-Hoo New Year as 1st Vice President and membership of several active committees.

Health, Happiness and Long Life.

Dick Campbell L77398

2ND V.P.  
PHIL  
COCKS  
L-77298

On Wednesday, September 17th, at the Mount Washington Hotel, Bretton Woods, New Hampshire, your club delegates saw fit to elect your new H.H.I. officers for 1986-87. As a past Supreme Nine, I look forward to advancing in the order, but not without a uncertain step towards becoming Snark of the Universe. There are no guarantees, and if the job is not done, there will be challenges and certain defeat, if the trust given is not warranted. For that is what we are — trustees! Temporary trustees, in whose hands ninety-four years of tradition and continuance have been placed. One thousand ghosts look over our shoulders, saying "Don't destroy that which we have nurtured and handed to you in trust!"

If I stumble, help me up. Help all our officers from the Snark of the Universe to the least club officer, in preserving and advancing our fraternal order.

This year our main theme is again membership. The bleeding has been stopped!

First Vice-president, Dick Campbell and myself have been given the task of co-chairing membership.

If you have conducted a successful membership drive, share your ideas with us.

The first attention to membership should be by the local clubs, **now!** Any unpaid member is **overdue** and you need to prompt, cajole, mug, beg, whatever it takes to get his dues in. Believe me, this is the easiest time to collect. A member has little incentive to pay a full years dues next July. Don't forget to collect **local and international**.

If you don't belong to H. H. International, you don't belong to Hoo-Hoo, so avoid hassles for your club, and embarrassment for your member, and collect both.

Congratulations to Granite State Hoo-Hoo Club 107 for a flawless convention. Their organization in the mortal realm was surpassed only by the arranging of a snow storm the day before our mountain trip. How did you get HIM on your convention committee?

Fraternally,

Philip A. Cocks L77298  
Second Vice-President

# 1986-1987 INTERNATIONAL BOARD OF DIRECTORS

AL MEIER 71555

**AL MEIER L-71555**

Al became Chairman of the Board after a successful term as Snark of the Universe last year. Al previously served as 1st and 2nd President of HHI and also served as Supreme Nine representative of J-III. He has been a member of Tacoma-Olympia Club 89 since 1960 where he served as president and held other offices with the club. Al owns five retail lumber yards in the Tacoma area and is an active member of Rotary International. He and his wife, Georgia, have three children, Randy, Debra and Randi.

JOHN K. "JACK" JACOBSON 73133

**JOHN K. "JACK" JACOBSON 73133**

Jack was elected to the high office of Snark of the Universe during the 94th Annual Hoo-Hoo Convention in Bretton Woods, New Hampshire. He was concated in Vancouver in 1962 and became a member of the Vancouver Club 48. Jack served two terms on the club Board of Directors, and also served as president in 1976 and 1977. He was appointed to the position of Deputy Supreme Nine of J-V from 1977 to 1979, and was later elected as the Supreme Nine representative for 1979-80 and served again in 1983. Jack is self-employed at Jacobson-Phillips, a log-brokerage and log trading company in Vancouver since 1972. He has been an active member of the forest industry since 1948. He and his wife, Norma, live in Vancouver. They have two children, Kathleen and Keith.

**DICK CAMPBELL L-77398**

Dick was elected International 1st Vice President at the recent convention in New Hampshire. He has been closely associated with the Lumber Industry since 1947 when he worked with a bush sawmill in the hardwood regions of southern New South Wales. For the past 20 years, Dick has been Managing Director of his family company which was involved initially in lumber distribution and now specializes in resawing and retailing at Woy Woy, 50 miles north of Sydney. His initial training was in engineering, and he later graduated in Commerce and Management at the Sydney Institute of Technology. He is currently a fellow of Australian Institute of Management. His interests are water skiing, collecting lumber industry hats, and getting a singalong going with his ukelele. Dick's eldest son, John, is a member of the Brisbane Hoo-Hoo Club 218 and his younger son, Mark, was concatted into the Woy Woy Club 260 with four Phillipines two years ago. Dick's daughter, Jenny, has just returned from an 18 month visit to America where she attended meetings in Minneapolis and Gurdon. Dick is a life member of Sydney Club 215 which he joined in 1966. He has also served as president of the Sydney club and Woy Woy Club and served as an S-9 member for J-IV. His wife, Diana, is a Hoo-Hoo Ette of Club 8 in the USA and is a willing hostess to those who visit them at "Gurdon" — Woy Woy Bay.

DICK CAMPBELL L-77398

**PHILLIP A. COCKS L-77298**

Phil was elected to serve as the International 2nd Vice President during the 94th Annual Convention in Bretton Woods. He served two terms as Supreme Nine member from Jurisdiction IX and was later nominated for the position of vice president. Phil was born in Tasmania, Australia in 1937. He joined the Sydney Hoo-Hoo Club 215 while managing Harrison's Timber (Moorebank) Pty. Ltd. In 1968, he and his wife, Sylvia and their two children, Geoffrey and Andrew, came to the United States and settled in Orlando. There he manages his businesses which include a door trim company, windows, architectural hardwood and custom door and millwork manufacturing. Phil is very active in the Central Florida Club 115 where he served as president. Phil also serves as Chairman of the HHI Advertising Committee.

PHIL A. COCKS L-77298

**BERNARD B. BARBER L-48864**

Bernie was elected as Secretary-Treasurer of HHI for the sixth term during the New Hampshire convention. Prior to his election to this position he served as Supreme Nine of Jurisdiction VI for three years. He was instrumental in the reactivation of the San Joaquin Valley Hoo-Hoo Club 31 and is now serving as that club's Secretary-Treasurer. He was also active in initiating a wood promotion program in Fresno known as Lumber JACS. He is an active Rotarian and Mason, a member of ASAE, Temple Teheran and Executive Secretary of the Woodwork Institute of California. He is President of Bernie Barber and Associates of Fresno where he and his wife, Elaine, live.

BERNARD B. BARBER L-48864

A. K. "PETE" SHEARER III 84945

GORDON GRAHAM L-70604

BILL PATTERSON L-78917

**A. K. "PETE" SHEARER III 84945**

A. K. "Pete" Shearer III 84945 is serving the second year of his term as Supreme Nine Representative for Jurisdiction I. Pete is a member of Walt Whitman Club 171 where he has served as president, 1st Vice President and 2nd Vice President and on the Executive Committee for 2 years. Pete is president of A. K. Shearer Company in North Wales, Pennsylvania where he and his wife, Ann, and their three children live. Pete is also a member of Eastern Building Materials Association, and the Philadelphia Reserve Supply Company. During his free time Pete enjoys fishing and socializing.

**GORDON GRAHAM L-70604**

Gordon was elected to serve a second term as Supreme Nine member for J-II during the recent convention in New Hampshire. He joined the Detroit Hoo-Hoo club in 1960, and served on their Board of Directors from 1967 to 1970. He became Club President in 1970, Vicegerent Snark in 1971 and has served continuously as Club Secretary-Treasurer since 1975. He was chosen Hoo-Hoo of the Year in 1980, and served as Assistant Treasurer for the International for several years. In addition, Gordon has been an active delegate at 16 of the last Hoo-Hoo conventions. Gordon is the author and co-author of several promotional and informational booklets used by HHI. He retired from Johns-Manville in 1982 after 37 years as a Sales Representative in their Building Materials Division. He has been married to June for 41 years and the couple have three children: Gordon J. who works for Cheboygan Lumber Company, Cheboygan, MI; Robin L. McCarthy, who is a registered nurse; and Pamela K. Graham, who is also a registered nurse and lives in Minneapolis, Minnesota.

**BILL PATTERSON L-78917**

Bill is currently serving the second year of his team as S-9 representative from J III. His past positions with Hoo-Hoo have been Secretary, Vice-President, and President of local Winema Hoo-Hoo 216 in Klamath Falls, Oregon. He has also held the position of Deputy Supreme IX, Juris. III and served as a Mini-Convention Chairman. Bill was appointed chairman of the Wood Promotion Committee during the international convention in New Hampshire. He is married and has two sons that are active in Hoo-Hoo. They both work with him in heavy construction. Bill started in the logging business in 1947 by putting together a log truck that came in a box that he purchased from U. S. Surplus Properties. If he has any spare time, he likes to fish and hunt.

**TONY HOBSON 85812**

Tony is a very active member of Newcastle Club 237. Having served the club as President, Treasurer and Board Member for many years, and a key participant in the club's success during that time. Tony is the first member of club 237 to have served the JIV Board in any capacity and he became Supreme Nine for Jurisdiction IV at the JIV Convention in Auckland, New Zealand in October. Tony has served the Housing Industry for all of his working life and has been Managing Director of Decks Building Supplies Pty Ltd. for the past fourteen years. Tony and his lovely wife Margaret have three children and live at Valentine on Lake Macquarie.

TONY HOBSON 85812

**M. KEITH WADDELL 84324**

He has come up through the ranks of Toronto Club 53, where he served as club president in 1983. Keith has been in our industry for 43 years serving the trade in wholesale, retail and marketing. For the last 10 years he and his partners have been serving the industry through their wholesaling company, McFadden Hardwoods Ltd. The company specializes in hardwood plywoods and exotic paneling from around the world. One of Keith's hobbies is woodworking. Keith and his wife, Maggi, have met many new friends through Hoo-Hoo conventions and look forward to his year as Supreme Nine for Jurisdiction V.

M. KEITH WADDELL 84324

**BRENT F. CROSBY L-77009**

Brent is a member of both Oakland California Club 39 and Sacramento, California Club 109. He joined Hoo-Hoo in Sacramento and was on the Board of Directors and went through the club offices until elected president in 1974 and 1975. He also became active in Oakland Club 39 upon transfer to the Bay Area and served as a director until elected club president for the years 1982 and 1983. He was also honored as recipient of the Lumber Man of the Year Award in 1981. Brent was appointed Deputy Supreme Nine for Jurisdiction VI in 1976 and held that position until elected to the Supreme Nine in Washington, D.C. in September, 1984. Brent has spent the last 26 years with the Kaiser Industries (Kaiser Fir-Tex & Gypsum), and Domtar Gypsum America, Inc. (A division of Domtar, Inc., Montreal) who purchased the Kaiser assets in 1978. He works as Regional Sales Manager out of their Oakland, California corporate office. He has two married daughters, Lynn & Leslie, and five grandchildren who live in Sacramento, California. He and his wife, Jeanne, live in Walnut Creek, California. Brent is also a member of B.P.O.E. and the Construction Specialists Institute.

BRENT F. CROSBY L-77009

EDDIE Z. HUNT 85910

**EDDIE Z. HUNT 85910**

Eddie Z. (Easy) Hunt is currently serving the second year of his second term as Supreme Nine Representative for Jurisdiction VII. He was first elected to that position in 1981 at the Houston convention where he was a relative newcomer to Hoo-Hoo. Eddie is a member of Metroplex Hoo-Hoo Club 242, as well as the Texas Forestry Association, Associated General Contractors, American Sub-Contractor Association, and the National Association of Home and Apartment Builders. Eddie and his wife, Martha, and their two sons live in Duncanville, Texas. He is president of Wheat Lumber Company, a retail lumber business in Dallas.

LYLE HOECK 77159

**LYLE HOECK 77159**

Lyle was elected to a second term as S-9 representative for J-VIII during the convention held recently in New Hampshire. He is president of R-B Tank Company of Sioux Falls. He joined Hoo-Hoo in 1967 and has been active ever since. He served as president of the Sioux Valley Hoo-Hoo Club 118 in 1972 and attended the international convention in Minneapolis. He also attended the international convention in Victoria, B.C. in 1983. Lyle started working in our industry in August 1968 learning the business of manufacturing of Redwood tanks. He bought the business in 1969 and had previously managed several lumber yards in South Dakota and Minnesota. Lyle and his wife, Marian, have 3 sons, L. Mike, Randy and Tim who are all active in the family business.

FRANK GRAY L-86365

**FRANK C. GRAY L-86365**

Frank was elected to serve as the Supreme Nine Representative from Jurisdiction IX during the 94th International Hoo-Hoo Convention at the Mount Washington Hotel, Bretton Woods, New Hampshire. He was born in Whitinsville, Mass. on May 17, 1930. He joined Central Florida Hoo-Hoo Club 115 in 1978 and has been active ever since. He served as Club Treasurer for two years and has been a very active Deputy Supreme Nine. He has served on the Board of Directors for the past three years. He has organized and chaired the two Jurisdiction IX Mini-Conferences held on July 4th week-ends. Frank and his wife, Mary, have five children, Mark, David, Kathy, Paul and Stephen. They are the proud grandparents of 11 grandchildren. Frank is associated with Southern Door Company, a division of Chesapeake Industries, Inc., as a Sales Representative covering two-thirds the State of Florida selling Architectural, Institutional, Commercial, and Residential Doors available in Prefinished, Primed, Unfinished, Plastic Laminate in Solid Core Hollow Core and Fire Rated Doors. Frank also is Co-Chairman of the 1988 International Hoo-Hoo Convention which shall be held in Orlando, Florida.

**The Granite State Hoo-Hoo**

September 19, 1986

The Granite State Hoo-Hoo  
Club #107

Dear Fellow Hoo-Hoo Members,

The 94th International Hoo-Hoo Convention "New Hampshire In The Fall (And Winter)" has come to an end. On behalf of The Officers, The Directors, and The Members of The Granite State Hoo-Hoo, Club #107, we wish to Thank You for visiting with us and for all that you did to make it such a Huge Success! As we mentioned in our closing remarks, all of our efforts and all of the efforts of the Staff of The Mt. Washington Hotel would have gone unappreciated but for You Being With Us.

For those of you who did not attend this 94th Convention, we of The Granite State Hoo-Hoo strongly suggest that you start planning now to attend the 95th Convention in Seattle, Washington in 1987. We understand that costs are a major consideration in attending The International Convention. Our suggestion is that you start raising funds now to help supplement the costs of the delegates who will attend from your club. Please believe us when we say that Only By Attending An International Hoo-Hoo Convention Can One Fully Appreciate The Fraternal Order of Hoo-Hoo.

We Wish You and Yours

Health, Happiness and Long Life

Sincerely,

The Convention Committee  
of The Granite State  
Hoo-Hoo Club #107

Charlie Desmarais  
Bob King

# SUPREME NINE REPORTS

## Jurisdiction I

This will be a brief report on the State of Hoo Hoo Land in Jurisdiction I to all of the membership.

We did increase our membership in this past year in JI as our Supereminent Snark charged us to do a year ago. We were unable to gain the sought after 10 percent increase, however. It is a tough job to do and I feel that we did well, but I also know that we could have done better.

Equally important is the fact that the Order of Hoo Hoo has become more widely known throughout our Jurisdiction and the world. This has been achieved with the use of trade journals, newspapers, building material and association shows and word of mouth. This type of recognition is hard to monitor and may take awhile to show up in the form of increased membership, but it does work and will have a desirous effect in the near future. No longer is our name just for teasing and taunting alone. It is now beginning to take on a more serious and gently enveloping aura; one which has our nonconcatinated comrades asking themselves if perhaps they should be shown the wonderful way to the Wisdom of Wood.

There is a very positive feeling abounding in our fraternity because of the very fine leaders that have been coming on board over the past few years. A very positive feeling indeed as we are getting our Hoo Hoo House in Order which is witnessed by the agenda of business to be

conducted at this International Convention. We will then, in good time, be able to enjoy the fruits of our labors by greeting fine new members and visiting expanded clubs and, hopefully, newly started ones.

It does take, however, very dedicated people to make all of this happen. Many of us are busy in our own environs and the demands on our time can be great. We must, therefore, seek out those among us who have developed available time, either through reduced business activities or retirement and encourage them to devote what they have to our order. These can be the leaders of lumber who could become the backbone of a club and help spread the workload. These people do exist and finding them and putting their timber talents to work can be a big help to any club.

Those fine leaders that I refer to can most certainly be found in the Granite State Club 107. They did an outstanding job in organizing and administering the 94th Annual Hoo Hoo Convention. Rocky Furman and his fine team put on a world class affair that all future events will try to emulate. Congratulations!

Thanks to all of you for the opportunity to serve our wonderful fraternity in this past year. I look forward to the coming year.

HEALTH, HAPPINESS AND LONG LIFE!

## Jurisdiction II

### YEAR END RESULTS —

During the convention in Bretton Woods, NH in September the final membership figures were released and they showed a 1.5 percent increase over last year for the entire International. The biggest increase took place in Australia and New Zealand where they added 221 new members. This was followed by the Canadians, who showed an increase of 63.

The Australians and Canadians really take Hoo-Hoo seriously and should be an example for all to follow.

Our little Jurisdiction did not fare so well, going from 425 members in 1985 down to 400 in 1986.

Here are the figures for the eight active clubs in our Jurisdiction.

	1985	1986
No. 28 Detroit	168	162
No. 29 Chicago	21	17
No. 35 Ben Springer (Milwaukee)	52	45
No. 71 Buffalo	15	9
No. 139 Northern Illinois	45	44
No. 179 Pittsburgh	16	14
No. 184 Rochester	41	30
No. 246 Saginaw Valley	39	49

Congratulations to the Saginaw Valley Club — the newest club in Jurisdiction II — for their 26 percent increase in membership. As I said previously, you will be hearing more good things from this very young and very aggressive group.

### THE YEAR AHEAD —

For the rest of us, we've got a job to do and I am confident that at this time next year our Jurisdiction will see a turn-around and we'll show some positive results.

To accomplish this I'm going to need the help of every one of you 400 men who make up Jurisdiction II!

I know each one of you receive a copy of the *Log & Tally* and I hope, if you read nothing else in the magazine, you will peruse this column because this is the most direct link I have with each one of you.

Here's how you can help! Before you toss this magazine aside, please take a minute to write your check for your 1986-87 Hoo-Hoo dues and mail it to your club secretary. Don't wait for a dues notice! You know the amount from last year! Do it NOW!

Each one of you are one-four hundredth of an effort to keep Jurisdiction II alive and well. Your Hoo-Hoo dues is a very small investment in the industry in which you make your living, but an important one if we are going to accomplish our goal.

Thanks in advance for your immediate payment!

And finally, as the man says in the "Bartles & James" wine cooler ad on TV — "THANKS FOR YOUR SUPPORT!"

Health, Happiness and Long Life.

## Jurisdiction III

JIII came through 1985-1986 year with a decline of 56 members from a total of 1505 members for 1985 to 1451 members for 1986. Two clubs that met the 10 percent increase in membership were 16-Spokane-114 percent and 220-Paulina-111 percent. 230-North Cascade-106 percent, 216 Winema-105 percent, 33-Willamette Valley-102 percent, and 244 - Elkhorn - 100 percent. I want to congratulate Spokane and Paulina for meeting the 10 percent increase in membership and a partial congratulations to the other clubs that maintained the membership over 100 percent.

For those clubs under 100 percent for the year 1985-1986, I will work with the coming year to help to increase their membership any way I can.

JIII membership has declined since 1984 — 1592, 1985 — 1505, and 1986 — 1451 paid members. These were the years of lower prices on the wood products and there were a number of mill closings and layoffs but now the production is coming back a little so we will have to look out there and find some good eligible new members. I will try to convey some ideas that have made it possible for some of the clubs to maintain a large membership and the smaller clubs that have held their members at a steady level.

1. A yearly program with meetings every month.
2. Following the format in the Hoo-Hoo Club Manual.
3. Screening of prospective members.
4. *Planning & Performing* a good concat with a little "Cat Play."
5. Plan a few things for the lady behind the member.
6. Vary meeting places, new food and surroundings.

There are many ways to make the meeting enjoyable instead of the "same old thing." Pass on new ideas and suggestions to the officers and board members.

I did a little traveling this last summer to Club 94 — Rogue River for their family picnic on the Rogue River, Bingo nite at Club 33 — Willamette Valley, Winema 216 with the Snark "Somebody," Paulina 200 also with the Snark and to a steak fry at Goose Lake 258 (the best steak ever!).

North Cascade 230 is to be congratulated for the excellent Mini-conference in May. The committee Dick

(Continued next page)

(Continued from Page 9)

Vuori, Dave Weiser, Mel Smeder and ("quiet") Bob Byers, of course they had the support of President Jeff Loth.

1987 20 annual Mini-conference will be in Klamath Falls, Winema 216, May 29, 30 and 31st. Make your plans now to attend.

The International Convention will be in Seattle in September 1987.

In closing — JIII was in fifth place (96 percent) with all the other Jurisdictions in paid membership (7-31-86) and while JIII has the largest membership (1451) we will have to keep working as JIV - Australia - New Zealand is catching up fast with 1109 members this year.

Winema 216 enjoyed a visit for several days by Dick Campbell, 2nd Vice President of Hoo-Hoo International from Woy-Woy - Down Under.

Nuff for now. I will see you and your clubs this winter. Fraternaly H.H.L.L.,

Arthur H. (Bill) Patterson  
Supreme Nine JIII

## Jurisdiction IV

Here we are again at the start of another Hoo-Hoo year. The past few years in Jurisdiction IV have been very successful and Bob Frost's team has just completed a crackerjack year. Jurisdiction IV has never been in better shape. Membership at an all time high and our financial base strong.

Jurisdiction management in JIV is a team effort and much of our recent success is a culmination of programmes worked on for some time. I am confident this effort will see our membership growth continue again this year, and our clubs continue to implement the magnificent programmes we have come to expect.

We have recently put into place steering committees to ascertain our potential to establish clubs on the South Coast of NSW and Bunbury on the South West Coast of Western Australia. Our efforts in Canberra (Australia's National Capital) appear to be coming to fruition with a steering committee established to reactivate the recessed club down there. I hope to shortly return to Wellington to reactivate Club 251 on New Zealand's North Island, this club has been in recess for a number of years, through our inability to find the right people to lead them.

I have just returned from the Jurisdiction IV Convention at Auckland and am delighted at the prospects for JIV. Our committee system at Convention has proven to be a winner by utilizing the talents of the Delegates in attendance. Again our awards where fiercely competed for, the eloquence of our club presidents a sheer delight, and the content of their reports clearly displaying the reason for our Jurisdiction's success. Colin Mason, Colin Perris and their team have done a tremendous job in organizing the convention in conjunction with the South Pacific Forest

Products Conference, well done fellows you know mere words cannot express my appreciation.

Snark, Jack Jacobson is in Australia as I write this report, he spent a week in New Zealand attending the JIV Convention, and basking in the New Zealanders hospitality. All that is now behind him and we have him back at work with a heavy programme visiting the Australian clubs, no doubt he will maintain the pace and both he and our clubs will be better for the experience.

I have a rough programme mapped out for the year ahead and will be trying to visit as many clubs as I can fit in, however, my priorities will lie with clubs that can benefit most from my efforts. Naturally our younger clubs and areas where we are making an effort to form or reactivate will receive my greater attention.

Fraternaly,

Tony Hobson, Supreme Nine JIV

## Jurisdiction V

As your Supreme Nine of JS it is an honour to give this first report after a great convention in New Hampshire.

September was a busy and exciting month starting with the visit of Snark Al Meier to the Eastern part of JS. He made his last official visit before convention to Toronto Club 53 and Octoberfest Club 262. The meeting in Kitchener was also well attended by the Toronto members. Al lived up to his German heritage by enjoying his first pigtailed and draft beer. Unfortunately the Toronto Annual Golf Tournament was cancelled due to torrential rains and Al missed the fun of this yearly occasion. We did have a very successful golf day later on in September.

I wish you could all have attended the International Convention. The convention is a great exposure of ideas, and new acquaintances from all over. It renews friendships — and one can really feel the Hoo Hoo fellowship in motion.

We were pleased to have the 2 new Presidents attending the Convention: Ralph Ayers of Toronto Club 53 and Bob Diachuk, Vancouver Club 48. Also attending were Lynn Edey, Vice Jerent, Toronto; Roy Anderson, Vice Jerent, Vancouver and Tommy Thompson Publicity, Toronto.

This year, Snark Jacobson is again emphasizing new membership. As you know JS exceeded our goal of 10 percent and we want to continue with this high momentum of new membership for the coming year. Out of the round table discussion at the convention it was suggested to help your neighbour clubs by participating with them and thus reinforcing both clubs.

Bruce Woodrow, our new Deputy Supreme 9, informs me that he is expecting big things from the western clubs, so I am asking all members to keep Bruce informed and let's make this our best Hoo Hoo year ever.

(Continued next page)

(Continued from Page 10)

Snark Jack Jacobson is planning a visit to the Eastern clubs in December, so we are looking forward to the start of a great year.

I would also like to take this opportunity to wish you all — THE BEST OF THE FESTIVE SEASON AND A TERRIFIC 1987.

Keith Waddell 84324 S-9, J-V

## Jurisdiction VI

I would like to thank all of the members of Jurisdiction VI for their help during the 1985-86 Hoo Hoo Year. The local club officers, Board of Directors, and Deputy S-9 members were very helpful in arranging hotel reservations, transportation, and club meeting dates to fit into the travel schedules of international officers and myself.

During the International Convention at Bretton-Woods, New Hampshire in September, I was re-elected to a second two-year term as your Supreme Nine Officer for Jurisdiction VI.

Last year (1985-1986) was a very busy year, with club visits, concats, and board of director meetings. Travel was extensive — I visited 14 of the 19 clubs in Jurisdiction VI.

These clubs were in California, Nevada, New Mexico, and Arizona. I missed Hawaii, Utah, and Colorado, which were scheduled for April, May, and June, but due to medical problems the first part of April I had to postpone these visits.

The objective passed down from International at last year's convention in Minneapolis was to obtain a 10 percent increase in membership. Jurisdiction VI did not make that objective — we actually had 93 percent paid membership.

### "THAT WAS LAST YEAR"

Jurisdiction VI will continue the membership drive during the 1986-1987 Hoo Hoo Year, to meet the goal of 10 percent membership gain over the 1985 paid membership (1,167). We were looking for 100 percent retention and an increase of 117 new members. During the 1985-86 year we had 12 concats and added 112 new members. This points directly to our problem.

### "LACK OF RETENTION"

Now that we have found our "PROBLEM" let us address it in a constructive manner.

We fulfilled our target of approximately 10 percent increase in new membership, but lost 188 old members, for a net loss of 76 members. (What a way to run a business.) Chapter 7 — Here We Come.

During the new Hoo Hoo Year we have concats planned, and it is hard work to find new qualified kittens to bring into the Order. What a waste of time and effort if we ignore them and they are not active members the following

year. Every club president and secretary has a copy of the membership printout sent by H.H.I. that shows first paid members and second, inactive members. The inactive list is a "GOLD MINE" to be worked to stop this deficit in membership.

The above will be the theme I will carry to each club during my visits this year. I have copies of the H.H.I. printouts and I plan to do an audit before I meet with you, and Let's Together see if we can stop this erosion and not find ourselves in "CHAPTER SEVEN."

HEALTH, HAPPINESS & LONG LIFE.

Brent F. Crosby  
S-9, Jurisdiction Six

## Jurisdiction VII

I have just returned from the International Convention in Bretton Woods, New Hampshire, and I take pleasure in reporting to each of you in Jurisdiction VII that it was probably the best Hoo-Hoo Convention I have yet to attend. The Granite State Hoo-Hoo Club 107 should be heartily commended for a job well done, and the Convention Committee should be especially proud of the results of their labor.

As most of you are aware, our goal for last year was a ten percent growth in our membership, as it will be again this year. We did not attain our goal, but we did manage to stop the slide we have encountered over the past few years and to at least post a two percent gain. It was especially depressing to me that our own Jurisdiction did not even maintain our past numbers, and I would ask each of you in Jurisdiction VII to please help me make 1986 & 1987 a year of growth.

I would like to thank Al Meier for his hard work and dedication this past year and to especially welcome our

incoming Snark, Jack Jacobson, and pledge to him the support of every member within Jurisdiction VII.

HEALTH, HAPPINESS & LONG LIFE.

Fraternally,

E. Z. Hunt S-9, J-VII

## Jurisdiction VIII

First off, I want to congratulate the Granite State Club 107 and Rocky Furman and everyone for the outstanding convention held at Mt. Washington. It was run as smooth as ever, everyone was kept busy all the time, even the ladies were kept busy with things going on at all times. We were all pleasantly surprised at the complete package. New Hampshire was at its greatest and the hotel and staff couldn't have been nicer.

As for membership in J-VIII, we showed a decrease. Club 150 Southern Minnesota received a trophy for the largest increase of 183 percent gain over last year in all of the Hoo-Hoo International. President Chuck Sprenger and Secretary R. Hackerson and everyone in Club 150 are to be commended for their excellent work. Twin Cities Club 12 won the Wood Promotion trophy for their work. Rick Geary gave an excellent presentation for the club.

Our new Snark Jack Jacobson has again set a goal of a 10 percent increase for the coming year. Every member in Hoo-Hoo International is going to have to put in a little extra work in keeping Hoo-Hoo on the move.

I was elected to another term as Supreme Nine for J-VIII. It will be my hope that we will have a better showing for the next year. I will try to make more concats and meetings in J-VIII. I would like to have every club in J-VIII to send me a list of their functions for the year and as soon as clubs have held their elections I would like a list of new officers.

This is the last report for the year 1985-86 and it has been quite a year. I have attended several concats, two lumbermen's conventions, several dinners and not to mention a few golf outings. They have all been exciting and

(Continued next page)

(Continued from Page 12)

informative. Jurisdiction VIII took in a lot of new kittens and also have had quite a few reinstatements during the year. We have had 3 clubs in J-VIII reaching the 100 percent mark and over.

Club 118 Sioux Valley held their golf outing at Brandon, South Dakota on August 19th and the annual R & R Day was a great day with about 102 golfing. Members and guests golfed on their 9 hole course and afterwards held their trap shoot followed by the steak fry. We were honored by having Carle Hall attending.

At this time, I would like to thank all the clubs and officers who helped make this a great year. Our past Snark Al Meier spent a week in May with me traveling about 1100 miles in J-VIII and visiting clubs in Iowa, Minnesota and South Dakota where he was able to show his slides which were enjoyed by everyone.

Again, our problem seems to be getting everyone involved in Hoo-Hoo and getting dues paid. New members are not as much a problem as keeping the old members. The clubs that have several meetings, outings, or other activities seem to be the most active. Some clubs never seem to have anyone taking charge to get things rolling.

Hoo-Hoo International is again showing signs of overall increasing membership.

It is my hope that in the following years, J-VIII will show a better increase, so with everyone working a little harder, that will be possible.

HEALTH, HAPPINESS AND LONG LIFE!

Lyle Hoeck S-9, J-VIII

## Jurisdiction IX

Having just returned from the 94th Hoo-Hoo International Convention at the Mt. Washington Hotel in Bretton Woods, New Hampshire and having been elected as your Supreme Nine, I carry back from the Snark of the Universe, Jack Jacobson 73133, and the remaining officers and members of the Board of Directors their greeting for a year of HEALTH, HAPPINESS AND LONG LIFE. A year

which the Board of Directors have committed to all members, an increase of membership and a very strong retention program.

This can only be accomplished with the help and support of all our clubs in Jurisdiction IX. Knowing the clubs in our fine Jurisdiction, I committed to the Snark that we would work very strongly towards obtaining the membership increase and retention program.

We in Jurisdiction IX will be honored to have visitation of Snark Jack some time after the 1st of 1987. As soon as I have been informed as to his traveling schedule, I will notify all of our clubs so that we will be able to make up a traveling schedule in Jurisdiction IX.

I am looking forward to working with you all this coming year and will try to make a club visitation to all of our fine clubs, as soon as possible, so that we might put into action some programs to accomplish the membership and retention programs. We also would like to get clubs interested in participating in the Jack Cheshire Media Award and the Wood Promotion Award programs. We all need to put forth a little effort to get involved in the fine fraternal organization and to enjoy the results we receive from involvement in HOO-HOO International.

While at the convention, we had the pleasure of being present for their 1st snow, Sept 16, — 6" on top of the mountain. We had beautiful weather while we were there — from 30-65. We were fortunate to see the changing of the leaves. We took many pictures and hope that we will have an album put together so that it can be shown at one of my club visitations. Remember, 95th convention, Seattle and the BIG 96th in Orlando.

Here's to a great year in Jurisdiction IX and from all of us in this great Jurisdiction, we are proud and pleased to have one of our own great members on his way up the ladder towards the honor of Snark of the Universe, 2nd V.P. Phil Cocks L77298.

HEALTH, HAPPINESS, AND LONG LIFE.

**TREASURER'S REPORT**

by

International Secretary/Treasurer  
Bernie Barker L-48864

There is exceptional good news and some, unfortunate news, as happens frequently when discussing conditions of the fraternity.

The unfortunate news is that the Snark's goal of a 10 percent increase in members did not materialize. However, it is not all bad, as there was an increase from 7,108 members in 1985 to 7,215 in 1986. This was due primarily to a large number of new members, but a lot of regular members did not renew their memberships in 1986.

The extremely good news is that the amount of money received from dues, reinstatements, new members, etc., exceeded last year, which was \$118,037, and this year 120,098. The total amount of money received, including *Log & Tally* advertising, sale of specialty items, and interest, etc. was \$141,515, compared to a year ago, which was \$140,791.

The total expenses for this year were \$124,447, compared to the amount in the budget, which was \$135,250. Some of the expenses that did not use the amount contained in the budget were: officers and directors travel expenses, as some of the officer and directors did not request any reimbursement. Ritual equipment, utilities, promotion, Operations Manual, also the Seer of the House of Ancients all were below the amount budgeted.

Two items exceeded the budget: (1) The same as all firms-liability insurance went up substantially; and (2) Purchase a new piece of equipment to keep the computer operating.

The total assets as of August 31, 1986 were \$116,514, and the members' equity is \$107,206 compared to \$90,138 last year. The funds are primarily in CD's and Money Market accounts.

**HOO-HOO MUSEUM OF GURDON  
Financial Report, September 1986**

The very good news as far as the financial condition is concerned is the total income received last year from memorial gifts, raffles, World Series pool, sale of specialty items, and a \$5,000 donation from W.O.P.S. from J-IV was \$17,099.66.

The total expenses for the year were \$16,555.25, including \$7,371.44 for construction of the new annex.

The following are the present account balances:

CD	\$12,000.00
Savings	6,835.38
Checking	1,654.93
	<u>\$20,490.31</u>

*New England*

*In The Fall*

**The 94th Annual Hoo-Hoo International Convention  
Adjourns at Bretton Woods, New Hampshire**

The 94th Hoo-Hoo International Convention, "New England in the Fall," is now part of Hoo-Hoo's history. From all indications, the hard work that Granite State Hoo-Hoo Club 107 put in to make it a great convention paid off handsomely.

The convention got underway on Sunday, Sept. 14. The setting was one of the most beautiful in New England — the Mt. Washington Hotel in Bretton Woods, New Hampshire. The leaves had started to put on their brilliant fall colors, which was expected, but the New England weather had an unexpected surprise in store for convention goers, who numbered more than 200.

Check-in went smoothly, and Hoo-Hoo members soon found themselves listening to New Hampshire State Senator John Stabile welcoming them to the state during a brief dinner speech.

As people marched into the grand ballroom after dinner for the opening ceremonies, they were treated to a live performance of the U.S., Canadian, Australian and New Zealand national anthems by Fred Petra and his orchestra. The Rev. John Tim then delivered the invocation and turned the ceremonies over to Rocky Furman, president of Granite State Hoo-Hoo Club, and Snark of the Universe Al Meier.

Business sessions started bright and early Monday morning. Following the Pledge of Allegiance and roll call, members heard reports from the officers and a report of club operations from Billy Tarpley. During the second half of morning business session, several ways of gaining new members and retaining old ones were discussed, as well as

the club's programs and projects. New Supreme Nines and Deputy Nines were chosen for the upcoming year, and their duties and responsibilities were discussed.

The new Supreme Nines are Pete Shearer, North Wales, Pennsylvania; Gordon Graham, Detroit, Michigan; Bill Patterson, Klamath Falls, Oregon; Tony Hobson, Lambton, New South Wales, Australia; Keith Waddell, Mississauga, Ontario, Canada; Bret Crosby, Walnut Creek, California; Eddie Z. Hunt, Dallas, Texas; Lyle Hoeck, Sioux Falls, South Dakota; Frank Gray, Ocoee, Florida.

Lunch speakers on Monday were Bob Berg from Resource Information Systems in Bedford, Mass., an economic forecaster who gave a statistical overview of the forest industry, and Paul Bofinger of the Society for the Protection of New Hampshire Forests, Concord, N.H., who outlined the society's work to keep lands open for logging, govern cuttings and offer professional forestry services.

Convention planners had arranged many activities throughout the convention for women conventioners and Monday morning was no exception. Activities included a tour of the hotel, culinary arts demonstration, bridge tournament, tennis clinic and hydroaerobics (aerobics in a swimming pool).

On Monday afternoon conventioners had a choice of a golf tournament, tennis tournament, various hikes on hotel grounds, wine tasting, massage demonstration and champagne putting contest.

Monday evening got underway with a cocktail party in

*(Continued next page)*

**NEW HAMPSHIRE** — Conventioners were well entertained by the Brettonians who were equally as talented at serving as they were at singing.

**NEW HAMPSHIRE** — The beautiful Mt. Washington Hotel provided five days of fun and fraternalism for Hoo-Hoo.

NEW HAMPSHIRE — Convention delegates file into the general assembly room to begin the morning's session.

NEW HAMPSHIRE — Mr. Paul Bofinger (right) of the Society for the Protection of New Hampshire Forests received a beautiful carved duck from convention committeeman Charlie DesMarais.

NEW HAMPSHIRE — The procession for the embalming of the Snark was long and impressive.

NEW HAMPSHIRE — The pall bearers "tote" the Snark to his embalming ceremony.

(Continued from Page 15)

the Conservatory Room sponsored in part by the Seattle Club as host of the 1987 Hoo-Hoo International Convention. After dinner in the main dining room, the 1930's logging documentary, "From Stump to Ship," moderated by Henry Nevison in the grand ballroom.

On Tuesday morning, Hoo-Hooers woke up to find it snowing, proving to everyone that New Englanders do not boast idly when they say, "If you don't like the weather, wait a minute." The Cog Railway trip to the top of Mt. Washington, the Northeast's highest peak, had to be put off until the next day, but some people from Australia, New Zealand and Florida, didn't care at all. This was the first time they had seen snow.

The convention committee was well-prepared with an alternative program for inclement weather. Snark Al Meier moved his business sessions from afternoon to morning, and indoor activities were scheduled, including an indoor putting contest, parlor games, slide show "History of the Mt. Washington Hotel" and fashion color analysis. Of course, some people, like Floridians Rick and Cheryl Miller and their children, were outside playing in the snow.

Tuesday morning business sessions included selecting

winners for the Wood Promotion Award and Jack Cheshire Media Award and committee reports on nomination of officers.

Women's activities included a shopping spree to North Conway, palmistry, classical music recital and a trip to Stickney Chapel, which is famous for its wood carvings.

The men's and women's luncheon on Tuesday featured down Maine humorist Dean Jack Dennison from the School of Forestry, University of Massachusetts, Amherst. His 45-minute routine had everyone rolling in the aisles.

The snow was gone by Tuesday afternoon, but the ground remained too wet to play golf or tennis. The free afternoon was taken up with swimming, playing cards and general relaxation.

Hoo-Hooers from beyond New England got a special treat at dinner Tuesday evening — a New England clambake, complete with lobster, steamers, chowder, corn, baked potato, cole slaw and other traditional fare. This was followed by what was described as a super show put on by the Brettonian's, the hotel's singing and dancing waiters and waitresses.

Wednesday morning arrived bright and clear, the beginning of a spectacular New England day. Getting the

day off to a great start, 129 people boarded buses that took them to the depot of the Mt. Washington Cog Railway for a trip to the top of 6,200-ft. Mt. Washington. The 90-minute ride to the mountain's summit was rewarded by a view that stretched a hundred miles east to the Atlantic Ocean. Some adventurers remarked that the trip down seemed a lot faster. They were right. It takes only 60 minutes for the Cog Railway to return to its starting point, and everyone made it back safe and sound.

The highlight of Wednesday's luncheon was the presentation of awards and plaques. The Wood Promotion Award was won by the Twin Cities Hoo-Hoo Club 12, and the Auckland Hoo-Hoo Club 248 won the Jack Cheshire Media Award.

Afternoon business sessions included reports on budget, membership, museum and convention procedures. Nominated officers gave campaign speeches, followed by the election of new officers. Discussion of old and new business closed the convention's general business sessions.

Then came the long-awaited moment — the Embalming of the Snark — which, with everyone participating, showed the true spirit of friendship and fellowship that are what Hoo-Hoo really means to its members.

The Embalming began with a procession. A horse-drawn hearse carried the Snark in his coffin, followed by the Rameses and members of the Granite State Hoo-Hoo Club in their traditional robes. Everybody in the hotel watched as the procession drew up to the front of the hotel as an appropriate funeral dirge played. The coffin was carried through the lobby to the Grand Ballroom for the ceremony.

The Embalming of the Snark and installation of officers was followed by the new Snark's reception and a banquet where additional awards were presented.

The new Snark of the Universe in Jack Jacobson, Vancouver, British Columbia. New officers include Chairman of the Board Al Meier, Tacoma, Washington; First Vice President Dick Campbell, Woy Woy, New South Wales, Australia; Second Vice President Phil Cocks, Orlando, Florida; Secretary-Treasurer Bernie Barber, Fresno, California.

Thursday morning left time only for breakfast and goodbyes as people checked out and either returned home or continued their tours of New England and Canada.

Granite State Hoo-Hoo Club members left the convention hoping that their fellow Hoo-Hooers got as much out of attending the 94th Hoo-Hoo International Convention as they got out of planning and preparing it.

NEW HAMPSHIRE — Conventioneers enjoy a wonderful lunch in the Mt. Washington's lovely dining room.

NEW HAMPSHIRE — It was rumored that Joe "Bear" Breeden downed five lobsters in one sitting during the Crab Feed. Mike Knigge (right) and Glen Agee (lower right) witnessed the event.

NEW HAMPSHIRE — Embalming team: (l-r) Carle Hall R-77, Kevin Kelly R-75, Dick Wilson R-76, Ernie Wales R-50, Snark Al, Dan Brown R-74, Jimmy Jones R-72, Laurin Champ R-70.

NEW HAMPSHIRE — New Snark Jack Jacobson (standing left) accepts the official gavel from outgoing Snark Al Meier as others look on.

CONVENTION — Delegates enjoyed cocktails from the hotel's beautiful observation room.

CONVENTION — Following the Snark's banquet, conventionneers danced the night away.

CONVENTION — The audience thoroughly enjoyed the embalming of the Snark in the Grand Ballroom.

CONVENTION — Three members of the Harry Folsom Club 13 of Boston present museum chairman Jimmy Jones with a beautiful plaque in honor of the late Cliff Cunningham, who served as Executive Secretary of HHI for many years.

CONVENTION — Snark Jack Jacobson (in white robe) presents HHI's D.D. (Designated Drinker) Ross Hunnicutt with a specially modified hardhat complete with loudspeaker on top for when service gets slow at the bar.

CONVENTION — Walter and Warren Biss of Roger Williams Club 51 generously displayed a beautiful exhibit of woods and buttons for everyone's enjoyment.

THE WORLD'S LARGEST EXPOSITION OF PRODUCTS FOR THE DO-IT-YOURSELF MARKET

Focus on today's customer.

INTERNATIONAL ORDER OF HOO-HOO VISIT THE HOO-HOO LOUNGE AT THE SHOW

## This March, the focus is on your needs as a building materials dealer.

MARCH 8-11, 1987 • McCORMICK PLACE • CHICAGO, IL

Four days of opportunity and excitement for building material dealers. This March, the focus is on YOU at the 12th annual National Home Center Show. Your customers, your product and information needs... and most importantly, your future growth and profitability. More than 1,400 leading manufacturers will be showcasing thousands of products and services tailored to your do-it-yourself and professional customers. No buying group, association or wholesaler show offers the COMPLETE range of home improvement products you'll find at the 1987 National Home Center Show.

Exciting seminars and workshops geared to your specific needs and interests. Here's your opportunity to listen to and interact with experts who understand and can offer solutions to the challenges and opportunities you face on a daily basis as a building materials dealer. You'll

come away with a wealth of ideas to help you successfully compete and thrive in the home improvement marketplace. Opportunities are everywhere at The National Home Center Show. Gather profitable ideas you can apply to your own business at special educational exhibits like the Home Center of the Year Awards Display and the Advertising Display Center. Relax and enjoy the company of your fellow dealers after Show hours at our FREE social hour. Plus, you can hold the line on travel expenses by taking advantage of our special hotel rates and rock-bottom airline fares.

Save \$10 by pre-registering TODAY for The National Home Center Show. Fill out the registration form below and return it to us by February 6, 1987. You'll receive a FREE Show badge by return mail and avoid the \$10 at-Show registration fee. Mail yours TODAY!

### Free Pre-Registration Instructions

1. Must be received in the show office by February 6, 1987. Confirmation of pre-registration and hotel reservation forms will be mailed within three weeks. Free badges will be mailed after January 5, 1987.
2. Late mail registrations will not be processed. Register again at Show. (At-show registration fee \$10.00)
3. REGISTRATION COMPUTERIZED. ALL INFORMATION MUST BE FILLED IN.
4. NO ONE UNDER 16 YEARS OLD ADMITTED.

Hotel forms will be sent on receipt of pre-registration forms.

## AWARDS PAGE

**JACK CHESHIRE MEDIA AWARD** — The first recipient of this prestigious award was the Auckland Club 248, accepted by J-IV S-9 Bob Frost (right) from Rameses 74 Dan Brown.

**PERCENTAGE INCREASE** — For the greatest percentage increase in membership, this award went to S. Minnesota 150. It was accepted by R. J. Kratochvil (center), flanked by Snark Al (left) and J-VIII S-9 Lyle Hoeck.

**GORDON DOMAN TROPHY** — Bob Frost (right) S-9 of J-IV was this year's recipient of the Gordon Doman Trophy which is presented to the most outstanding S-9 member for the year. Rameses 77 Carle Hall presented the award to Bob.

**OLD TIMERS TROPHY** — Rameses 50 Ernie Wales L-45412 (right) of Spokane received the Old Timers trophy this year for the lowest Hoo-Hoo number at the convention.

**MEMBERSHIP AWARD** — Rameses Hall presents J-IV S-9 Bob Frost with the membership award for the greatest percentage increase within a jurisdiction. J-IV activated three new clubs last year, helping to increase its membership 25 percent.

**WOOD PROMOTION** — Rameses Hall presented the 1985-86 Wood Promotion Award to Rick Geary who accepted it on behalf of the Twin Cities Club 12. Rick presented the entry by the club during the competition.

## 1986-87 INTERNATIONAL BOARD OF DIRECTORS

**BOARD OF DIRECTORS** — Seated L-R: Int'l Secretary Treasurer Bernie Barber, Chairman of the Board Al Meier, Snark Jack Jacobson, 1st V.P. Dick Campbell, 2nd V.P. Phil Cocks. Standing L-R: Executive Secretary Billy Tarpley (not a Board member), S-9 J-IX Frank Gray, S-9 J-VIII Lyle Hoeck, S-9 J-VII E.Z. Hunt, S-9 J-VI Brent Crosby, S-9 J-V Keith Waddell, former S-9 J-IV Bob Frost (standing in for Tony Hobson), S-9 J-III Bill Patterson, S-9 J-II Gordon Graham, S-9 J-I Pete Shearer.

**WALKING STICK** — S-9 J-III Bill Patterson (left) accepts the George Mueth Walking Stick Award from Carle Hall for the S-9 travelling the most miles within his jurisdiction for the good of Hoo-Hoo.

**SILVER LIFE CARD** — Jimmy Jones (right) presented Louis Cabe of Gurdon with a sterling silver Life Membership card in honor of his generosity and concern for Hoo-Hoo International.

## REPORT OF COMMITTEE ON RESOLUTIONS

**Whereas**, Hoo-Hoo has suffered the mortality of a number of our beloved members, one of which was Lorin Swift, one of the oldest of our brothers, **Be it resolved** that our Executive Secretary be instructed to transmit to the families of these brothers, our sincere sympathy and prayers and

**Whereas**, Snark of the Universe, Al Meier has led our Order for the past year travelling extensively throughout this land, helping to spread the philosophy, brotherly love, fraternalism and the joy of belonging to Hoo-Hoo, and for efforts

**Be it resolved** that the convention delegates assembled here for this convention offer their thanks and appreciation to Snark Al Meier for his leadership, and

**Whereas**, the officers and Supreme Nine members have faithfully and efficiently performed their duties for the Hoo-Hoo year,

**Be it resolved** that the participants assembled for this convention extend thanks and appreciation to each officer and Supreme Nine member for a job well done, and

**Whereas**, our Executive Secretary Billy W. Tarpley, with the very capable assistance of his Administrative Assistant, Beth Thomas, has done an outstanding job in carrying out the affairs of the Order, compiling, editing and publishing of our *Log & Tally* Magazine,

**Be it resolved** that this convention and its delegates on behalf of the entire membership, extend our sincere thanks to Billy and Beth for a job well done, and

**Whereas**, William A. Russell, Secretary Treasurer Emeritus, through illness is unable to attend this convention and is sadly missed by his many friends,

**Be it resolved** that the members of this convention and fraternity send their sincere thanks and prayers to Bill in appreciation of his devotion to the Order, and

**Whereas**, Lurn Champ, Rameses 70 and his devoted wife Maxine worked so tirelessly to coordinate the mid year board meeting and Museum Annex dedication, and

**Whereas**, James A. Jones, Ramesis 72 has dedicated yet another year to the furtherment of our museum,

**Be it resolved** that all members of this convention and fraternity give sincere thanks to Lurn, Maxine and Jimmy for their efforts in Hoo-Hoo, and

**Whereas**, the hard work, time and effort of the Granite State Hoo-Hoo Club 107 has put together a convention full of hospitality, fraternity, sociability, frivality and when necessary dignity and solemnity, all of which has helped make this 94th International Convention a most enjoyable event and an outstanding success for all delegates and their mates who have attended.

**Be it resolved** that the delegates to the convention do hereby extend their thanks and appreciation to the convention committee, officers, members, and supporters in the industry, of the Granite State Hoo-Hoo Club 107, who have made this convention such a success and,

**Whereas**, the Seattle Hoo-Hoo Club 34 has offered to host the 95th Annual Convention in 1987,

**Be it resolved** that the *Log & Tally* Magazine take such steps as are necessary to publicize this convention, and

**Whereas**, Hoo-Hoo International is a fraternal organization of lumber and forest products persons, who are

concerned about each other in spirit of health, happiness, and long life, and

**Whereas**, involvement in the lumber and forest products industry is one of our main goals,

**Be it resolved** that Hoo-Hoo International continue to support the efforts of the industry organizations, who promote a better understanding of the forests as a reasonable renewable resource, and continually support proper management of these resources, and we the officers and directors of Hoo-Hoo International assembled in Bretton Woods, New Hampshire acting in the spirit of fraternity and good will, do hereby put our seal to these resolutions on the 17th day of September, 1986.

Respectfully submitted,

E. Z. Hunt L85910  
Lurn Champ 70  
James A. Jones 72

## REPORT OF COMMITTEE ON LEGISLATION AND GOOD OF THE ORDER

The following is the report of the committee on Legislation and Good of the Order, presented to the 94th annual convention at Bretton Woods, New Hampshire.

### LEGISLATION AND GOOD OF THE ORDER:

We, the committee on Legislation and Good of the Order at the 94th annual convention wholeheartedly supports the process by which the convention delegates are allowed to vote on the proposed changes in the International by-laws and the articles of Incorporation.

As a statement of policy the committee recognizes that all requirements have been met to present the two proposed changes in the current International By-laws to be voted on by the general assembly of the 94th annual convention, and in the interest of fairness and brotherhood the committee will make no recommendation on the proposed changes.

For the Good of the Order, this committee does recommend that the budget committee furnish the members of the Supreme Nine and the Supreme Nine nominees a copy of the recommended budget at least 48 hours before the vote on the budget comes to the convention floor.

**WE DO NOT FEEL THAT THE** Supreme Nine and the Supreme Nine nominees should be required to vote on an item as important to Hoo-Hoo International and the proposed budget without sufficient time for study and discussion with members of his jurisdiction.

We do feel that this recommendation is for the good of order.

Dick Wilson, Chmn  
Dave Jones  
Gordon Graham  
Dan Steer  
Carle Hall  
Lyle Hoeck  
Bill Phillips  
Ernie Wales, by request of the committee

## MEMBERSHIP REPORT

This past year Snark Meier and the board voted to try to make an increase in membership of 10 percent. We set up two committees. The first was a new member committee, co-chaired by 2nd V.P. Dick Campbell and myself. The other committee was a committee on retention — chaired by S9 Gordon Graham.

With everyone pushing on for the 10 percent increase we at least stopped the slide and had a net gain of 2 percent, we started the year with 7108 members and ended with 7215 for a gain of 107 members. Only 4 jurisdictions had a gain — 5 lost up to 7 percent.

The good news was we had 901 kittens this past year, which represented a gain of 13 percent, but the bad news is, we lost 794 old members for a loss of 11 percent making the 2 percent net gain. We were able to re-instate though 270 members who had dropped out in previous years.

When you can go out and bring in an increase of 13 percent new members but at the same time lose 12 percent of your members from previous years seems to indicate not a lack of people in the industry, but a lack of the proper programs to keep them in Hoo-Hoo once you have concated them. (Questionnaire — how many replys received — What is the result?)

I think everyone who is on the executive or even a member of a local club should sit down and analyze what his

club is doing. What events are not drawing the members. If your club hasn't sent out a questionnaire to find out what your members want — do it right away. If we could have cut the drop-outs by half, we would be close to our goal.

Respectfully submitted,

J. K. Jacobson 73133

## NOMINATION

WORRALL J. McARTHUR L86521

Has served in the capacity of Club President, Vicegerent Snark, & Supreme 9; has successfully promoted the growth of Hoo-Hoo in Australasia; has directed several projects resulting in the promotion of the Forest Products Industry & furthering the cause of Hoo-Hoo; has created W.O.P.S. (Wooden Outhouse Preservation Society.) resulting in a gift of \$5,000 to the Museum, in Gurdon; has unselfishly dedicated his time, resources and money to Hoo-Hoo Internationally; has the desire, willingness, and resources to seek higher office in H.H.I.

I take pride in placing his name in nomination for 2nd V.P. Hoo-Hoo International for 1987-1988.

### TACOMA-OLYMPIA

#### CLUB 89 REPORTS

June third election meeting was held at the U.P. Station. Sixty-two members were present.

A big ruckus was started prior to the meeting by The Snark of the Universe. He called a halt to the cocktail hour so President, Bob Vandervall could announce that Robert Anderson was retiring as club bartender. The President then presented him with a life membership from the club in appreciation of the thirty-three years as club bartender. Mr. Anderson is also a past president of Club 89. The Snark then presented him with a life membership pin. I

think the presentation touched his granite heart.

The election was held. While ballots were being counted, a short form Concat was held. Snark of the Universe, Al Meier, presided and concated David C. Deloney of Ore Pac, and Charles Crommett of Lumbermens.

The talley committee announced that Paul Anderson, Jr., Bob Dagis, Jim Smith and Barney Wagner were elected to the board. The new board retired and elected Les Sjöholm, President; Jim Smith, Vice President; Jack Harrington, Recording Secretary; and Dick Smith Secretary-Treasurer. The permanent pot of \$63.50 was won by Dave Peters. The door prize was donated by Vaughn Building Materials. It was won by Jim

Smith.

On June 6th the sun came out for Club 89's annual golf tournament at Oakbrook Country Club. Ninety plus golfers turned out for a fine tournament.

Dick Smith 76488

Our annual ladies' night was held at the Vienthaller Winery May 2nd. Thirty-three couples came to enjoy the evening of good food, good drinks, dancing and good company. The Snark of the Universe was on hand also. The view from the Vienthaller is really great.

The evening was topped off when the Snark presented his friend, First Vice President, Jack Jackson, with a cow-chip that can tell time. Jack thought it was kind of a crappy gift.

### SPOKANE CLUB 16

#### News Item August 7, 1986

The August meeting of Spokane Hoo-Hoo Club 16 was held at the "all wood" home of Rameses Ernie and Ellen Wales, on their Patio. The weather was perfect, dropping from 103 degrees earlier in the day to a comfortable 70 plus degrees.

A social hour with beer and/or wine was held at 6:29, followed by a fine patio dinner. The salads were catered, but dips, and a hot bean dish was cooked by Ellen, and the hamburgers were barbecued by Dep. S-9 Kris Wales.

After dinner, Pres. Perrin Zanck called the meeting to order, and thanked Ellen & Ernie for their hospitality, and thanked the members and their wives for their attendance.

Pres. Perrin advised that the Nominating Committee, Norm Mikalson,

Chairman and Bill Glindeman and Tony Perry had presented a list of nominees for offices, and read the list. These were unanimously elected.

Secty Ernie Wales made a few remarks about the very successful Hoo-Hoo year we had just finished. He advised that our Associate Member, Katie Reikofski and her husband, Dave had participated in the Pend O'Reille River Poker/Canoe Trip, and that member Howard Peuck's wife, Doris had just retired as Rotary Club Exec. Secretary, and that Doris was honored by the Rotary Club with a "This is your life Program" and presented 2 Round Trip tickets to London. Secty Ernie said he would be happy to retire if the Hoo-Hoo Club 16 wanted to give him 2 tickets to London. (Apparently, the Club did not see fit to do so, and Ernie remains Hoo-Hoo Secretary Treasurer). Then Ernie told that member and 1st Vice Pres. Jack

and his Helen Eskerberg had just become grandparents of a baby girl.

At this point, Pres. Perrin turned the meeting over to Ramese Gene Zanck, who then installed the new officer and directors. A touch of glamour was added by having pretty Ellen Lentes "stand in" for, and accept the gavel and President's Pin for her husband, now President Bill Lentes who was in the wilderness of Montana at that time.

It was interesting to note that there were three sets of 2 generation families in attendance, i.e. Ellen and Ernie Wales, and son, Kris Wales; Ellen Lentes and son (Director) Dave Lentes; and Rameses Gene and Jackie Zanck and son, Perrin Zanck.

At this point, the formal meeting was adjourned, and the members and their guests were escorted on a tour of "A Lumberman's Dream House," complete with a Hoo-Hoo den.

SPOKANE 16 — New officers — (l-r) Directors Norm Mikalson and Tony Perry. Sect-Treasurer Ernie Wales, director Dave Lentes, 1st V.P. Jack Eskeberg, past president Perrin Zanck, Ellen Lentes (standing in for Pres. Bill Lentes) and "installer" Gene Zanck.

SPOKANE 16 — The Hoo tree at the patio party in the Wales' home.

SPOKANE 16 — Immediate past president Perrin Zanck (left) receives the presidential plaque from Rameses Gene Zanck.

SPOKANE 16 — Ernie Wales, Rameses 50, visits with the clubs newest member Joe Belknap.

SEPTEMBER 1986

New Members

Newest members are Neal "Randy" Fosse, Jr., new owner of Empire Forest Products, Inc., and from this Company, Bruce Johnson (re-instated from Humboldt, Calif. Hoo-Hoo Club, and new member Jerry Hudson — all sponsored by Ernie Wales.

Four other new members are Rick Lentes from Sentel Corp., and Randy Lentes, Brad McKnight and Shawn Sinclair from Dellen Wood Products, all sponsored by Pres. Bill Lentes.

We welcome these new members, and wish them "Health, Happiness and Long Life."

THANKS

We, again, thank Dellen Wood Products, Bill and David Lentes, and their Wanda Hudson, for the fine Activities Calendar and Roster of our great Club.

Please note, that basically, we will be meeting on Wednesday nights, instead of Thursday nights, as this was the unanimous vote of those attending the planning meeting. However, do read the Hi-Lights to be sure about the meetings.

HOO-HOO VISIT

Northwest Montana Hoo-Hoo President Bill Hand and his wife, Linda and their children spent Labor Day Weekend at Deputy S-9 Kris Wales Lake home at Newman Lake. Kris reports a great weekend with water skiing, and even some repair work done.

Nominating Committee:

Members Norm Mikalson, Chairman, Bill Glindeman) and Tony Perry, offer the following slate of Officers and Board Members for the new Hoo-Hoo year:

- President: Bill Lentes
1st Vice President: Jack Eskeberg
2nd Vice President: Bob Managhan
Secretary-Treasurer: Ernie Wales
Board Members: Rich Copeland, Dave Lentes, Al Litzenberger, Tony Perry, Jim Price
Honorary Board Member: Carlyle Chick
Directors Emeritus: Gene Zanck, Norm Mikalson

Vicegerent Snark: Perrin Zanck
Deputy Supreme 9: Kris Wales
20th Woodworking Contest

Again, this was a great success. Contributions were good, and we even had some "seed" money to apply to next year's contest. We wish to acknowledge and thank Old National Bank of Washington (Bill Endress), and Martin Wood Products (Merald Yingst) for their contributions, as well as all other listed in last Hi-Lights.

Our fame has spread, as John Bayliss, of Pro Education Magazine in St. Petersburg, Florida, (5000 circulation) called and asked for pictures and a story on the Contest. His request was honored.

We were also pleased to have Kenneth Jacobson of Inland Empire Woodworking Guild display several of his projects.

ANNUAL REPORT — 1985-1986

We started the year with a wonderful, full Activity Calendar and Membership Roster printed by Dellen Wood Products (First V.P. Bill Lentes.)

As of the June meeting, scheduled for a Night at the Races, (Playfair Race Track), we have stayed with our schedule — without deviation: i.e. September was a Truss Plant tour of Bestway Structures and a short form Concat (4 Members — 2 in Missoula). Later we concat a fifth member, (who thought he had been, was reinstating, but this proved wrong.) October was a highly successful Sports Night and dinner at Playfair Race track. November was Football Highlights of Seattle Seahawks. December was different... Ladies Night out... a fellowship dinner... no program... with our wives and lady friends, and dancing... quite successful. January was Past Presidents night and another concat... 3 members. February was the highlight of many a year... our 65th Anniversary and Valentine Party for our Valentines... nearly 80 present... an outstanding program by noted columnist and Editorial Head, Dorothy Powers... MC was Past Pres. Kris Wales who had been President at our 50th Anniversary celebration. Among the distinguished guests: Snark Al Meier, First V.P. and Mrs. Jack Jacobson and S-9 and Mrs.

Bill Patterson. Outstanding gifts were exchanged. March meeting was very good, being timely, a program on Investments and Taxes (and Tax Shelters) by our Vicegerent Snark, Al Stadtmueller, C.P.A. April was a very interesting program on Fishing in the NW, and May was our 20th Annual Woodworking Awards luncheon for Senior and Junior high school students, with \$450 in prizes dispensed, and 28 lunches bought for the winners and their instructors. June 20 will again be a night at Playfair Race Track. July is scheduled as a "non-meeting," but a gathering to plan for next year... and August, we hope, may be an outing at a lake, replacing summer "Pool Parties" of several recent years.

At the present time, we have 81 paid members, less one death, or 80... 10 percent new HHI membership goal.

Ernie L. Wales, L45412, Secty
May 30, 1986

REPORT FROM GOOSE LAKE CLUB 258

The regular meeting of the Goose Lake Club 258 was held June 20 at the Lake County Fairgrounds. We have had rent-free use of this facility for the past year, as the members of our club performed a good amount of landscape work on the grounds, using heavy equipment and a number of volunteer hours of labor.

Our Supreme Nine representative Bill Patterson of Winema Club 216 was in attendance to issue cards and pins to six new members who were initiated at a concat held in March of this year.

Goose Lake Club 258 is made up of predominately "boots and jeans" workers and as a result we have a lot of fun and do not always do everything by the book. It is a sound club and we look forward to continued success in the future.

At the time of this writing, the club is putting together a float for the Labor Day parade, which is sponsored by the Lake County Round Up and Fair Board on the 1st of September. We will also have a load of saw logs in the parade to be auctioned off at the fair. The proceeds will go into our emergency fund to help the families of our members should any problems arise.

E.C. Hall, Club Secretary

GOOSELAKE 258 — S-9 Bill Patterson (second from right) prepares to give cards and pins to new members with the help of Dick Emery (left). New members from left are Warren Sheer, Rick Leach, Dan Collins, Gary McKendree & Kevin Pardue. Sam Sperling was absent.

GOOSELAKE 258 — S-9 Bill Patterson and Pres. Dick Emery congratulates "Choc" Shelton on the terrific job he did on the steaks.

BULLETIN FROM WINEMA CLUB AUGUST

Malin Park Barbe! About 60 attended. Things got off to a "slow start," and the "Mozzies" had a field day — But the steaks and other "goodies" were super. Supreme 9 Bill Patterson conducted the "swearing in" ceremony. Sine became President, Bluhm Vicegerent Snark. We retired Dunn, and finally met Judy!

"From good hand to good hands!"

JULY

The Eagle Ridge Steak Burn — And it was a good one! One of the "Ancients," Bob Johnson arrived with his party shortly after lunch — Last one thru the gate was Bob Mezger. He still runs on

"Bank Time." The libations were cool, the food excellent & the fellowship of high class Hoo Hoo quality. Our thanks to Balcom & "Bear Cat" for the water trucks, Balcom & Strunk for the beer, Dunn & Stone at the gate, Lyon & Pellegrino at the bar, Fowler for the parking, Sine & Co. on the "mozzies," and Downing and crew from Columbia Ply (plus wives) for the food dispensing. And a special thanks to Oregon State Forestry for the fire truck.

We could thank Prexy Bluhm for picking up the ice, steaks, salad, rolls, coffee, tickets, change etc. plus all those other little things he did, but he's the president & is expected to do that, you should try following him at one of those soirees' — Jeez! Thanks Dave!

JUNE

Election nite, and the club elected the following officers for 1986-87:

- Vicegerent Snark — Dave Bluhm
President — Wes Sine
Vice President — Paul Wunder
Treasurer — Ralph Lyon
Secretary — Buzz Wagner

Directors: Rocky Stone, John Fowler, John Hall, Ed Maloney, Mike Pellegrino

It was also the annual visitation of the Snark of the Universe, and Snark Al Meier in rare form. "Barbs" thrown by McLean, and "Rameses" Brown & Putnam kept his attention, and the crowd laughing. President Bluhm presented him with a "Polish" chain saw, and wife Georgia with flowers and the 70 present enjoyed the show.

GOOSELAKE 258 — Board members Gordy and Grisel and Everett Leach maintain the refreshment bar for one of the hostesses and new members Dan Collins and Rick Leach.

GOOSELAKE 258 — Members enjoy delicious meal prepared by our own kitchen committee.

In honor of Rameses 65, Leonard Putnam's 60th birthday, his friends in the Winema Club 216 dedicated the following poem to him.

#### THE LEGEND OF LEONARD

Sixty years ago, when it was 20 below  
The Town of Keno had an event,  
A baby boy, his parents joy,  
Was born in a tattered tent.  
His folks had met, with a drunken vet  
And told him with great zeal,  
That the little bundle, was a stomach  
rumble  
That turned out to be real.  
As the years went by, and the Keno sky  
Turned smoggy like the L.A. ooze,  
Leonard P..... (for it was he)  
Unfortunately got hooked on the booze.  
But the hand of fate, was not too late,  
For he met a lass named Tommy.  
She pulled the dog out of his fog  
And he asked her to be a mommy.

They made a team, that won esteem  
From people far and wide.  
She made the loser an ex boozer  
And taught him not to get fried.  
By stealing a truck and lots of luck  
He went logging with abandon.  
The trees in the West became his test,  
So he cut them down at random.  
To be fair, there are stumps out there,  
That Leonard didn't bother.  
Also children out there, but who could  
care,  
That Leonard didn't father.  
Now many years later, His Mater and  
Pater  
Would be able to point with pride,  
To the fruit of their loins, that maker  
of coins,  
Who is sixty and hasn't yet died.

B.C.

#### WILLAMETTE VALLEY 33 REPORTS

We are kicking off the 1986-87 year by honoring our past presidents. A PRIMERIB dinner at a price you can't refuse is in store for all HOO-HOO'S and any future members. Price for HOO-HOO'S and their guests will be \$8.00. Get this: Past-Presidents will get their dinner for just \$4.00.

The June golf tourney was an outstanding success. Nice cool day and fun had by everyone. We need to take a moment to say thanks to DICK TUTT and DENNIS REINWALD for a job well done. This was the largest tourney ever. The EUGENE COUNTRY CLUB did their usual fine job. The food at lunch and dinner was great.

A moment of sorrow touched the HOO-HOO'S after the golf tourney. We regret to say that member CHUCK WOOD suffered a heart attack that evening at home and is no longer with us. CHUCK had been an active member for over 10 years and had just been elected to the BOARD OF DIRECTORS. He will be missed!

(Continued next page)

(Continued from Page 30)

We appreciate all our sponsors and want to recognize their efforts. As you remember, each one received a fine looking piece of hemlock, finished very well and each sponsor had their name on it. Each plaque was displayed all day on the Eugene Country Club golf course during the golf tourney.

#### REPORT FROM NORTH CASCADE 230

Summer is usually a quiet time for North Cascade Club 230. At our June board meeting we elected new officers for the coming year — Treasurer, Paul Kriegel, Vice-President John Denby and President Dave Weiser. We discussed our meetings for the next year and appointed chairman for each meeting.

All of us are looking forward to a successful year. Our biggest job will be to keep our new kittens active and interested in Hoo Hoo. We also must keep bringing prospective members to our

meetings and encourage them to join our organization.

Our September board meeting saw us finalizing plans for our first two regular meetings, September at the Bellingham Golf & Country Club and October at the Everett Golf & Country Club. The meeting chairman have everything running smoothly.

I just returned from the International Convention in New Hampshire. It was a lovely place to hold a convention and everyone seemed to enjoy the surroundings. The meetings were not without controversy, but this exchange of ideas and feelings can only lead to better understanding and a better Hoo Hoo organization.

To those who have been following the hunt for the person who stole the light bulb from Snark Meier's slide projector you can relax because we have found out who did it. This person has been properly punished and in keeping with club policy his name is being withheld to protect the innocent & the guilty.

Dave Weiser

N. CASCADE 230 — Don Stewart walks away after winning yet one more trophy at the annual May Golf Tournament.

WEAR YOUR  
HOO-HOO PIN  
WITH PRIDE!

#### Jurisdiction IV

##### MT. GAMBIER 214

March 10 was an excellent meeting for Club 214. Guest speaker was Peter LE MESSURIER who spoke on making money out of the Share Market.

It was a joint meeting with Appita and several guests joined the Kitten Prospect List of 214. A good example of good programme — good publicity — good meeting and healthy clubs.

Geoff BANKES of Mt. Gambier continues to load up the back. As well as being Chairman of Appita's Forestry and Wood Products Group and the 8A Section, he has now become part of the executive committee of Appita, quite an honour. By the way, Geoff finds time to act as 214 President as well.

Russell HAY is recovering from food poisoning — he bit his tongue.

Max O'REILLY of 212 Adelaide, to take over the SA Vicegerent's job at the Auckland Convention, will provide good liaison with the Adelaide Convention Committee.

Mount Gambier had a cricket match in April. The President's short

eleven defeated the Secretary's mottley bunch. Scores are hazy due to the scorer's condition but appears 90 beat 77. Margot HAY had the perfect score — 9 runs before being bowled over by Donna LILLYMAN.

##### SYDNEY CLUB 215 WEST COAST PANEL NIGHT

This evening was enjoyed by all of the 133 members and guests in attendance. The Panel covered the new standards for Dry framing lumber and also what is happening in other markets vital to West Coast producers.

If anyone needs to know more on these standards they should contact Australian Standards Office at North Sydney. The new standard is good bedtime reading at \$21 per copy, and for those of us who really care about our market, Mr. Fred Allen of the Timber Training Committee is organizing training courses on this standard.

One particular point which came through from Mr. Dick Darnoc and Mr. Terry Warren is that it does not matter what specie or specification we are selling or involved in, we as an

Industry should not be little factions fighting one another, but securing more timber use per capita in Australia, and if we really need to fight anything it should be non-forest products that are eroding our markets.

Our thanks to panel members Jim Bettles, Jerry Daly, Ron McLean, Mark Rees and Terry Warren for a job well done.

Our annual Novacastrian Golf day at Everglades was held in the same great atmosphere as of previous years. If anything, it improves every year. Our thanks to Diana and Dick Campbell for their wonderful hospitality.

As you may have guessed Sydney did not win the event and no matter how we juggled the scores Woy Woy club beat us by 1/2 a point. Newcastle club won all the major individual trophies and the only trophy Sydney won was a new trophy "Nearest the Fanny" won by Neil Olliver and if you need to know more about this trophy we suggest you contact Mr. Tony Hobson of Newcastle Club, as he is the only person who can fully understand the implications.

(Continued from Page 31)

To the 70 percent of members who missed the August meeting, I do feel sorry for you, whatever the reason, and we do recognize that there was other timber promotions on at the same time, but there are an awful lot of members out there that just could not be bothered. This meeting was of special significance to all involved with products that are sourced from forests whether producers - merchants - importers - foresters.

Dick Darnoc, Managing Director for Weyerhaeuser Aust Pty Ltd., Chairman TDA and now Chairman for "The National Forest Industries Association" (N.A.F.I.) presented an excellent paper that left everybody very interested and I would like to think behind the project in thought if not physically.

N.A.F.I. is Dick's brainchild, and its aims are to bring all State bodies - associations - corporations, etc., under one identity for the purpose of arresting our eroding markets, with the major aim to get Australians to use more timber per capita basis. It is interesting that in the last 30 years our population has increased on a very high level, but Australian timber consumption is still on the same level as 30 years ago.

One can not give justice to N.A.F.I. in such a brief explanation, but let's just say the major corporations have put their money where their mouth is, so they must obviously think the project is a very worthwhile industry need. For a better explanation of N.A.F.I. all I can suggest is that next time you know of Dick speaking grab the opportunity with both hands, as a few hours spent in a meeting with Dick Darnoc is not a health hazard, but can certainly be of value to our industry, and who knows it may just keep you in your vocation within the Timber Industry.

Dick mentioned that the Timber Industry had been good to him, and in his last few years before retirement he would like to give something back, and N.A.F.I. is his way of doing it.

There is not one member of our Club who does not owe their living standards today to the forest industry, so please, next time you are asked or required to do a small task outside of your daily routine give it some

consideration as it can be a very rewarding experience.

#### OBITUARY

We were saddened to learn of the death of one of the committee's most valuable members — **Someone Else**.

His passing creates a vacancy that will be hard to fill. **Someone Else** had been with the committee from the beginning and did far more than the normal persons share of work. Whenever there was a job to do, a helping hand, or just an ear required, one word was on everybody's lips, let **Someone Else** do it. Whenever there was a need for volunteers, everyone assumed that **Someone Else** would step forward.

**Someone Else** was a wonderful person, sometimes appearing super-human.

**But a person can only do so much. Were the truth known, everybody expected too much of Someone Else.**

Readers Digest, March 1986

#### SYDNEY 215

A West Coast Panel night was presented to the Industry in May to an Audience of more than 130.

The A.G.M. in June featured invitations to all Club past Presidents and was highlighted by a short address by three of these past Presidents representing the different eras of the club's short history.

The Sydney Timber Team who competed in the "City to Surf" last year, raising \$250 for the National Heart Foundation through sponsorship, plan to repeat the effort and hope to crack the \$500 barrier.

They are looking for extra sponsors. Any new joggers can contact Keith JOHNSTON on his new number 868 2000.

Their motto for '86—  
**"NO GAIN WITHOUT PAIN."**

#### MELBOURNE CLUB 217

##### President's Annual Report

The 1985-86 year has been a very active one for our club, and I am proud to have had the responsibility of guiding the club during that time, and to have had such great support from my Executive and Board of Directors.

During the year we made the decision to make the South Yarra

Club our permanent venue for dinner meetings, with the exception of those meetings when numbers in excess of 120 are expected. The S.Y.S. is a central location, the venue is good and the food excellent.

One big event that stands out in my memory is the marketing seminar, "Survival in the '80's" conducted over four nights last September. The Education and Training Committee under two chairmanships, started originally by Arthur Webb and completed in Roy Le Messurier's term, are to be congratulated for presenting such a comprehensive seminar to our industry. This project will be put forward as an entry in the "Special Wood Promotion Trophy" at the JIV Convention in Auckland in October.

This year we finally became an incorporated identity after some eighteen months of negotiating to have our constitution modified and accepted by the Commission. The Treasurer will be required to keep additional records but greater legal protection to the rights of Directors has been ensured.

We made substantial donations to charity during the year with cheques being presented to the Sun Toy Appeal, The Salvation Army, the Berry Street Child and Family Care. In addition a refrigerator was donated to Berry Street plus a parcel of toys that were manufactured by the Blackburn Attendance Centre.

Ron Williams, who as editor of Club News has won the Club News Award for the last two years, was forced to resign early in the year due to work pressures. We thank Ron for his past efforts. We were delighted to have Andy Blackwell take up the reins of this very challenging position and produce some excellent copy. Thanks also to his hard working offsider Gerald Glasscock for his contribution, and for his efforts in producing June and July issues while Andy was enjoying a holiday overseas.

A delegation of American Hoo Hoo visitors, headed up by Snark of the Universe, Al Meier, paid us a visit last September prior to travelling on to Launceston for the convention. In the very short time our guests were in Victoria they received a tour of Melbourne and were driven by coach

(Continued next page)

(Continued from Page 32)

to club meetings at Ballarat and Gippsland. Our thanks to Ron Caddy and Brian Tutton who devoted several days to chauffeuring them around.

In early June we ran a one day industry coach tour to Gippsland to allow participants to get a first hand look at logging and sawmilling operations of hardwood and softwood species. The tour included a visit to Jim Micah's mill at Erica, followed by a comprehensive tour of A.P.M.'s radiata pine operations at Maryvale. The Directors feel this is a very beneficial exercise for educating counter and yard sales staff of local merchants. It is hoped to carry it on as an annual activity.

The Directors have recently initiated two projects which hopefully will come to fruition in the following year. One is a fellowship exchange programme to be co-ordinated with our sister club in Vancouver.

Basically it involves Vancouver accepting one of our members or visa versa, for a period of say 6 months, and in that time the visitor would work at several establishments covering various aspects of the local timber industry. The recipient would board privately with local members. The object of the project is to further the timber education of a member, who, in his present work situation is not likely to be given the opportunity of making a similar tour. The project will be conducted by the Education and Training Committee.

The second project concerns the beautification of a picnic area at Gembrook which is detailed in another article in this newsletter. We hope this area will become a popular picnic spot for Hoo Hoo members and friends to enjoy. This project is controlled by the Community Projects Committee.

On the 30th June we held our V.I.P. Dinner at Chaucer's with special guest speaker, Mr. Andrew Hay, President Melbourne Chamber of Commerce. It was a terrific night for Hoo Hoo with some 280 members and guests in attendance. Mr. Hay acquitted himself very well, and I was delighted to finish my year on such a high note.

I would like to thank my fellow Board members for all their hard

work and efforts in producing another very successful Hoo Hoo year.

My sincere thanks to my backstop and Vice President, Bert Middelhuis, who shouldered a large work load and did it well. I wish Bert every success as the incoming President and know he'll do a great job for the club.

Health, Happiness and Long Life,  
Peter Whelan 78108, President

#### JUNE MEETING

Annual V.I.P. Night 30.6.86

The speaker for the evening, Mr. Andrew Hay, President of The Melbourne Chamber of Commerce, addressed 280 industry personnel and their guests on the problems facing Australian business today.

In a hard-hitting and forthright address he urged the abolition of leave loading and penalty rates, renewed discipline in Government spending, return to a 40 hour week, withdrawal of the Family Allowance from those who don't need it, and slashing of funds to the States.

Andrew Hay stated that half of the community is supported in some way by Social Security. He believes that husbands who have deserted their wives should be made to support them, it should not be a burden on the community.

Andrew believes that the present tax system offers little to encourage hard work and reduce the incentive to succeed. He is in favour of a flat 25 percent tax rate with removal of the tax-free threshold.

Andrew stated that in the past few years some 50,000 new Laws had been passed by Governments, adding to the already horrendous amount of "Red Tape." He also believes the Trade Union Movement has too much power, quoting that 55 percent of Australian workers were Union Members compared with 18 percent in the U.S.A. and 22 percent in the U.K.

There is no doubt of Andrew Hay's conviction to see changes in our system and only time will tell whether he is successful in his endeavour to do so.

#### MEMBERSHIP REPORT

During the year there has been a number of members who have had

changes of employment, changes of addresses, phone numbers, marital status, etc., and these will all be updated in the new membership directory due for release at convention time.

We hope that all members who require changes to their director listing have passed the relevant information on to our Secretary.

Over the past 12 months the following members have resigned:

DENNIS HOGG  
JOHN WALTERS  
MICHAEL MOORE  
RICK NEWMAN

We have gained Graeme Younger who has transferred from the North East Club and lost: BRIAN TUTTON — transferred to Far North Queensland Club, MICHAEL RAMSEY — transferred to Adelaide Club, JOHN WILLINGTON — transferred to Brisbane Club.

At the convention last year in Launceston we held a concert for Geoff McConvill and Tony Scerri, and at the A.G.M. tonight we hope to welcome another six members whose names appear elsewhere in this issue.

Melbourne Club membership after the A.G.M. will be 148 members making it one of the largest and

#### BRISBANE 218

The spirit of Hoo-Hoo is alive and well in Brisbane. February saw the inaugural combined meeting of the Brisbane Club with North-East New South Wales at the Tweed. Both Clubs have enthusiastically agreed to make this an annual event, greatly spreading that fraternal spirit between the clubs.

The Club has endeavoured to support the Timber Industry, with Bill GLASSON the Minister for Lands, Forestry, Surveying and Mapping, being guest of honour for our meeting on World Forestry Day. In addition Mike AHERN, Minister for Industry, Small Business and Technology, was guest speaker at our V.I.P. luncheon in May. Backing this effort has been Bill GLASSON's monthly contribution to Cats Tales, with Mike AHERN's speech reproduced in our June edition.

Brisbane Club are the organisers for the Timber Week Dinner to be

(Continued on next page)

(Continued from Page 33)

held at Jupiters Casino on the Gold Coast on Friday, August 22, i.e. the Friday night of the Timber Congress. We would certainly like to have a large number of interstate and overseas members and their friends at the dinner.

#### INNOVATION AWARDS

Organisation for the Timber Industry Dinner is well advanced and Bill GLASSON, Minister for Lands, Forestry, Mapping and Surveying will crown the winning Miss Timber whilst Russ HINZE, Minister for Local Government, Main Roads and Racing, will officiate in the presentation of the Innovation Awards.

These prestigious awards, presented behalf of the Timber Week Secretariat, will again be sponsored by Brisbane Hoo-Hoo Club 218 in 1986.

This year the Awards will be presented at the gala Timber Industry Dinner, to be held at Jupiter's Casino on the Gold Coast at the close of the Australian Timber Congress on August 22, 1986.

The Awards will be made to the individual or organisation who is judged as having been the most innovative or has taken exceptional initiative in respect of the following industry activities within Queensland.

Category A: Production — including methods of harvesting, sawmilling, processing, etc.

Category B: Promotion — including advertising, promotional and technical publications, customer service initiatives, displays etc.

Category C: Product Development — including new or improved products, development of new markets, etc.

If, in the opinion of the judges, there is a single outstanding nomination, worthy of greater recognition, an overall "Award of Excellence" will be made.

#### NORTH EAST VICTORIA 236

On Tuesday, 15th April during the week of F.I.M.E., the north East Victoria Hoo-Hoo Club conducted a very successful timber industry dinner at Myrtleford. There was an

international atmosphere among the 180 members, guests and F.I.M.E. participants. Geoff SANDERSON was in attendance with a party of Japanese businessmen, and Canadian and American visitors to F.I.M.E. were also represented. There were a number of New Zealanders in attendance including several members from the two newly formed clubs in that country.

We had Hoo-Hoo members from as far north as Cairns and as far west as Perth. Our backward Snark, Chris KRANS headed up the big W.A. contingent with some 15 members from Perth and Manjimup. It was the biggest roll up of Club Presidents, Vicegerent Snarks and Hoo-Hoo VIP's seen outside a JIV convention.

Amongst the many notables were:

LEW FISHER—President  
Gippsland Club.

BOB FROST—President JIV.

KEVIN KELLY—Rameses  
75. PETER ROBERTS—

Vicegerent Victoria.

PETER WHELAN—President,  
Melbourne Club.

It was a memorable night and the Northeast members and their ladies involved in the organizing are to be congratulated.

#### NEWCASTLE 237

Club 237 has enjoyed successful visits to local industries in recent months. Apart from being educational and entertaining these visits have provided an excellent opportunity to promote our own industry.

In February, we visited the shipbuilding yard of Carrington Slipways Pty. Ltd. We were shown the latest computerised equipment used for both the designing and actual building of ships. The success of this company against international competition is proof of the need to keep abreast of the latest technology.

In June members went "underground" to inspect the working of 2 local coal mines. We were taken 300 metres below the surface to the mine face (some 100 metres wide) to observe at close quarters the

operation of the 2500 Tonne long wall miner. As we crouched below the hydraulic roof supports among the noise and dust, up to our ankles in mud, wishing we hadn't worn our Karandonus shoes or Pierre Cardin jackets, the timber industry suddenly looked pretty damn good!

#### NORTHEAST N.S.W. 241

Club 241 has started the year with some notable achievements. The first event was a joint meeting and social evening with our sister club Brisbane 218, at the Seagulls League Club at the Tweed. This was an exceptional event, and very much enjoyed by all who attended. It is expected that this will now become a permanent fixture on the two clubs calendar.

The second event was the Ladies and Guests evening held on "World Forestry Day", very well attended due to our guest speaker, Tim MOORE, State Opposition shadow Minister for Planning and Environment, and the obvious interest the timber industry has in this area.

Tim generated quite strong opposition by the gathering to the Liberals Policy on national parks and state forests, and there was considerable follow ups in the local and metropolitan press, T.V. and radio. To his credit, the local member Ian CAUSLEY, National Party, was quite forthright in disagreeing with Tim MOORE and the Liberals Policy, to the approval of the gathering.

Club 241 was very pleased to note very recently that Ian CAUSLEY has now been appointed Shadow Minister for Natural Resources. We would like to think we had something to do with that.

It is hoped to have John AQUILINA, Minister for Natural Resources as guest speaker at our changeover dinner in September.

The third event was to sign up our newest and most far flung member Dick McNAIR from Portland, Oregon, U.S.A. With members in Queensland, Fiji and U.S.A. we are really spreading our wings. It is expected that Al MEIER will arrange a concatenation for Dick in the States.

#### AUCKLAND 248

The hectic pace continues as we move on from the most successful charter nights of Southern Club 263 and Geyserland Club 264.

For the April dinner we were hosts to an Industry Forum which debated the Government's move to establish a Forestry Corporation. A record turnout of 162 members and guests were present to take part in the first public discussion on this very important restructuring of our Public Sector forestry activity. The stage is now set for ongoing dialogue as the form and operating discipline of the new Corporation develops.

The AGM was held on 3 June and a good turnout showed the Club to be in fine health. The outgoing Board recommended a second term for President Ross Molony to maintain continuity in the lead up and running of Convention '86. The Club unanimously endorsed Ross' nomination and we welcome him as

President for 1986-87. Shaun Hurst is Vice-President following a most successful term as Meetings Director. New Board members are Ken Shields, Vic Watson and Ed Weedon. Vic must be eligible for the Hoo-Hoo Book of Records. A charter member of 248 he has only missed one meeting in six years and his election to the Board came just four days short of his 80th birthday. Still going at a pace which leaves many of our young executives exhausted. Thank you Vic.

A feature of the AGM was the Concatination of eleven new members and we were privileged to have Steve Retter of Sydney Club 215 on the initiation team.

We are looking forward to a strong turnout of JIV members at the Convention and ask you all to give us your support.

#### WOY-WOY 260

A Treated Timber Seminar in March attracted 80 guests. Lots of

good information on application and marketing from Speakers and question time.

#### GEYSERLAND 264

On our club's charter night, we received numerous messages of congratulations and support. We thank everyone for their best wishes.

Geyserland Club 264 is now underway and any visitors to Sulphur City are most welcome. Club nights are bi-monthly — August, October, etc.

Brian Keen, Rotorua 87)287 is our meetings convenor while Peter Simmons at P. O. Box 833 Rotorua is our secretary.

Thanks again to everyone for thinking of us on charter night.

## Jurisdiction V

#### VANCOUVER 48 REPORTS

The Vancouver Hoo-Hoo Club 48 held its annual Golf Tournament and Dinner at the Greengreaves Golf Course on June 18. It was a great day for golf with a full sellout of 142 golfers.

There was some great golf and some not so great, but everyone had a fun day with a terrific dinner in the club house afterwards including the trophy and prize awards. Many prizes were donated so that most people come away with a prize.

Ted Pratt did a bang-up job as usual with the golf and dinner. Low gross was Ian Shopland who won the Simmons Saw Cup. The Wray Clark trophy was won by Dwayne Haffner and the Ted Pratt trophy was won by Barrie Ihaksi.

VANCOUVER 48 — Four of the golfers who enjoyed the day's activities. (Sorry, no names available.)

VANCOUVER 48 — Another "double twosome" at the Vancouver club's Golf Tourney.

(Continued from Page 33)

held at Jupiters Casino on The Gold Coast on Friday, August 22, i.e. the Friday night of the Timber Congress. We would certainly like to have a large number of interstate and overseas members and their friends at the dinner.

#### INNOVATION AWARDS

Organisation for the Timber Industry Dinner is well advanced and Bill GLASSON, Minister for Lands, Forestry, Mapping and Surveying will crown the winning Miss Timber whilst russ HINZE, Minister for Local Government, Main Roads and Racing, will officiate in the presentation of the Innovation Awards.

These prestigious awards, presented behalf of the Timber Week Secretariat, will again be sponsored by Brisbane Hoo-Hoo Club 218 in 1986.

This year the Awards will be presented at the gala Timber Industry Dinner, to be held at Jupiter's Casino on the Gold Coast at the close of the Australian Timber Congress on August 22, 1986.

The Awards will be made to the individual or organisation who is judged as having been the most innovative or has taken exceptional initiative in respect of the following industry activities within Queensland.

Category A: Production — including methods of harvesting, sawmilling, processing, etc.

Category B: Promotion — including advertising, promotional and technical publications, customer service initiatives, displays etc.

Category C: Product Development — including new or improved products, development of new markets, etc.

If, in the opinion of the judges, there is a single outstanding nomination, worthy of greater recognition, an overall "Award of Excellence" will be made.

#### NORTH EAST VICTORIA 236

On Tuesday, 15th April during the week of F.I.M.E., the north East Victoria Hoo-Hoo Club conducted a very successful timber industry dinner at Myrtleford. There was an

international atmosphere among the 180 members, guests and F.I.M.E. participants. Geoff SANDERSON was in attendance with a party of Japanese businessmen, and Canadian and American visitors to F.I.M.E. were also represented. There were a number of New Zealanders in attendance including several members from the two newly formed clubs in that country.

We had Hoo-Hoo members from as far north as Cairns and as far west as Perth. Our backward Snark, Chris KRANS headed up the big W.A. contingent with some 15 members from Perth and Manjimup. It was the biggest roll up of Club Presidents, Vicegerent Snarks and Hoo-Hoo VIP's seen outside a JIV convention.

Amongst the many notables were:

LEW FISHER—President Gippsland Club.

BOB FROST— President JIV.

KEVIN KELLY—Rameses 75.

PETER ROBERTS— Vicegerent Victoria.

PETER WHELAN—President, Melbourne Club.

It was a memorable night and the Northeast members and their ladies involved in the organizing are to be congratulated.

#### NEWCASTLE 237

Club 237 has enjoyed successful visits to local industries in recent months. Apart from being educational and entertaining these visits have provided an excellent opportunity to promote our own industry.

In February, we visited the shipbuilding yard of Carrington Slipways Pty. Ltd. We were shown the latest computerised equipment used for both the designing and actual building of ships. The success of this company against international competition is proof of the need to keep abreast of the latest technology.

In June members went "underground" to inspect the working of 2 local coal mines. We were taken 300 metres below the surface to the mine face (some 100 metres wide) to observe at close quarters the

operation of the 2500 Tonne long wall miner. As we crouched below the hydraulic roof supports among the noise and dust, up to our ankles in mud, wishing we hadn't worn our Karandonus shoes or Pierre Cardin jackets, the timber industry suddenly looked pretty damn good!

#### NORTHEAST N.S.W. 241

Club 241 has started the year with some notable achievements. The first event was a joint meeting and social evening with our sister club Brisbane 218, at the Seagulls League Club at the Tweed. This was an exceptional event, and very much enjoyed by all who attended. It is expected that this will now become a permanent fixture on the two clubs calendar.

The second event was the Ladies and Guests evening held on "World Forestry Day", very well attended due to our guest speaker, Tim MOORE, State Opposition shadow Minister for Planning and Environment, and the obvious interest the timber industry has in this area.

Tim generated quite strong opposition by the gathering to the Liberals Policy on national parks and state forests, and there was considerable follow ups in the local and metropolitan press, T.V. and radio. To his credit, the local member Ian CAUSLEY, National Party, was quite forthright in disagreeing with Tim MOORE and the Liberals Policy, to the approval of the gathering.

Club 241 was very pleased to note very recently that Ian CAUSLEY has now been appointed Shadow Minister for Natural Resources. We would like to think we had something to do with that.

It is hoped to have John AQUILINA, Minister for Natural Resources as guest speaker at our changeover dinner in September.

The third event was to sign up our newest and most far flung member Dick McNAIR from Portland, Oregon, U.S.A. With members in Queensland, Fiji and U.S.A. we are really spreading our wings. It is expected that Al MEIER will arrange a concatenation for Dick in the States.

#### AUCKLAND 248

The hectic pace continues as we move on from the most successful charter nights of Southern Club 263 and Geyserland Club 264.

For the April dinner we were hosts to an Industry Forum which debated the Government's move to establish a Forestry Corporation. A record turnout of 162 members and guests were present to take part in the first public discussion on this very important restructuring of our Public Sector forestry activity. The stage is now set for ongoing dialogue as the form and operating discipline of the new Corporation develops.

The AGM was held on 3 June and a good turnout showed the Club to be in fine health. The outgoing Board recommended a second term for President Ross Molony to maintain continuity in the lead up and running of Convention '86. The Club unanimously endorsed Ross' nomination and we welcome him as

President for 1986-87. Shaun Hurst is Vice-President following a most successful term as Meetings Director. New Board members are Ken Shields, Vic Watson and Ed Weedon. Vic must be eligible for the Hoo-Hoo Book of Records. A charter member of 248 he has only missed one meeting in six years and his election to the Board came just four days short of his 80th birthday. Still going at a pace which leaves many of our young executives exhausted. Thank you Vic.

A feature of the AGM was the Concatination of eleven new members and we were privileged to have Steve Réttter of Sydney Club 215 on the initiation team.

We are looking forward to a strong turnout of JIV members at the Convention and ask you all to give us your support.

#### WOY-WOY 260

A Treated Timber Seminar in March attracted 80 guests. Lots of

good information on application and marketing from Speakers and question time.

#### GEYSERLAND 264

On our club's charter night, we received numerous messages of congratulations and support. We thank everyone for their best wishes.

Geyserland Club 264 is now underway and any visitors to Sulphur City are most welcome. Club nights are bi-monthly — August, October, etc.

Brian Keen, Rotorua 87)287 is our meetings convenor while Peter Simmons at P. O. Box 833 Rotorua is our secretary.

Thanks again to everyone for thinking of us on charter night.

## Jurisdiction V

#### VANCOUVER 48 REPORTS

The Vancouver Hoo-Hoo Club 48 held its annual Golf Tournament and Dinner at the Greenacres Golf Course on June 18. It was a great day for golf with a full sellout of 142 golfers.

There was some great golf and some not so great, but everyone had a fun day with a terrific dinner in the club house afterwards including the trophy and prize awards. Many prizes were donated so that most people come away with a prize.

Ted Pratt did a bang-up job as usual with the golf and dinner. Low gross was Ian Shopland who won the Simmons Saw Cup. The Wray Clark trophy was won by Dwayne Haffner and the Ted Pratt trophy was won by Barrie Ihaksi.

VANCOUVER 48 — Four of the golfers who enjoyed the day's activities. (Sorry, no names available.)

VANCOUVER 48 — Another "double twosome" at the Vancouver club's Golf Tourney.

VANCOUVER 48 — Ted Pratt (right) presents the Simmons Saw Cup to Ian Shopland for low gross at the annual golf tourney.

VANCOUVER 48 — Golf tourney chairman Ted Pratt (left) takes a break with Jack Jacobson and Dan Steer.

## TORONTO CLUB 53 REPORTS

### President's Message

September signaled the start of another busy Hoo Hoo Fall. We began September with a visit from the SNARK OF THE UNIVERSE, Al Meier, who took part in the Oktoberfest Club's Concat on the 10th and joined us at Nobleton on the 11th for our annual Golf Tournament.

Several members including Keith Waddell, Lyn Edey, Tommy Thompson and myself attended this year's International Convention in New Hampshire September 14-18.

Bob Seldon, our First Vice President has arranged two dinner meetings to be held on October 27th and November 24th. This year's WLDA Christmas Party will be held on December 9th and your club will once again operate the bar. Please circle these dates on your calendar now and plan to be there.

Our business meetings provide an opportunity for our new members to develop friendships with other members; for our old timers to keep in touch with the changes taking place within our industry and provides a forum for all the other members in between to swap a few lies.

I believe business meetings are a barometer of our club's health — the better attended our meetings the more interest there is in Hoo Hoo. This year's executive is charged with providing you with interesting meetings, at reasonable costs at a central location. We believe we have done so and would like you to come out and see for yourself.

I also believe that new members

are critical to the long term survival of our club. We require approximately 15 new members per year to make up for those members who drop out for various reasons. I would like to challenge every club member to participate in this year's new member drive and help achieve a target of 30 new members.

Please feel free to call me at 298-0862 or 1-800-268-5579 anytime during the Hoo Hoo year to discuss any matter concerning your club. See you in September.

### Kitty Litter

We have a new Deputy Supreme Nine. Welcome aboard Bruce Woodrow of the Victoria Hoo Hoo Club who will be assisting Keith Waddell of the Toronto Club. Keith is our current Supreme Nine for Jurisdiction V.

The Wholesale Lumber Dealers Association sent a note of Thanks to all the Hoo Hoo members who helped make their Annual Golf Tournament a great success. Teresa will be including information in their July letter regarding the Toronto Hoo Hoo Club's September Golf Tournament.

Two of Toronto Clubs members who attend most meetings and functions on a regular basis are currently under the weather. Both Les McKimmie, 60303 and Jimmy Ralph, 82653 have been missed at our meetings and we wish them both a speedy recovery and hope to see them real soon.

Two of our younger members have started a new Forest Products Distribution Company. Bob Walker, 88466 and Kirk Thompson, 87182 have set up Thompson & Walker

Forest Products. We wish them every success in their new venture.

Harold Stainton of Meteor Plywoods is retiring. Ted Wright will be replacing Harold in the purchasing department. Maybe Vince Grogan 77138 could bring some of his fellow employees along to the Hoo Hoo meetings.

### OLD TIMERS & ELECTIONS NIGHT May 26, 1986

May's meeting, held at the Triumph Hotel, was attended by 37 members and guests. The meeting featured a report by the outgoing executive, followed by the election of your club's new executive for the 1986-87 year commencing July 1, 1986.

Past President	Lyn Edey
President	Ralph Ayers
1st VP	Bob Seldon
2nd VP	Art Moseley
3rd VP	Brent Stief
Treasurer	Dave Morrow
Secretary	Gord Fraser
Public Relations	Tommy Thompson

Two amendments to your club's bylaws were passed unanimously. (These amendments were listed in the last Cat-O-Log.)

After the elections Lyn Edey presented the Man of the Year award to Ralph Ayers.

The 50-50 winner of \$75 was our good friend and old timer Claire Laking. Claire immediately donated \$25 to your club's scholarship fund — thanks again Claire.

Following the formal part of the meeting, a 30 minute colour movie entitled "WINTER CAMP" was shown.

(Continued next page)

(Continued from P. 36)

### Membership Survey Results

45 members, representing one-third of Toronto Hoo Hoo Club 53's total membership responded to our recent survey. After tabulating and analysing the response it became apparent that the majority favour maintaining the "Status Quo." However comments accompanying the survey indicate there is still room for improvement.

The following are the survey results:

1. MAINTAIN FULL SCHEDULE OF MEETINGS (26 said yes, 7 had no response, 12 favoured 2 major meetings)
2. MONDAY MEETINGS (Monday-29, Tuesday-5, Wednesday-1, Thursday-4, Friday-Null, No Comment-6)
3. DINNER MEETINGS (dinner only-36, Luncheon only-2 combination-7)
4. INDUSTRY RELATED TOPICS (Industry-38, General Interst-3, Social Concerns-1, No Comment-3)

General Comments mentioned quality of speakers, cost and location and advance notice of meetings. To sum up your survey results:

Maintain current schedule of dinner meetings on Monday evenings. The meetings should have good speakers on industry related topics and be well publicized.

Your incoming executive appreciates your response and will use the results in planning the 1986-87 Hoo Hoo Year.

**Ralph D. Ayers, President of Hoo Hoo Club 53, 84310**, was promoted to Manager Ontario Region responsible for operating the Kitchener and Agincourt Distribution Centres.

**Gerry McNeill, Hoo Hoo Club 82652**, was promoted to Sales Manager for the Agincourt Distribution Centre.

**Dick Dychuck, President of Hoo Hoo Club 262, 91754** was promoted to Sales Manager for the Kitchener Distribution Centre.

How about that! Three promotions and all are Hoo Hoo members.

Another change involving Toronto Club 53 members **Doug Morgan, 86099**, **E. H. Morgan 65795**, and **J. B. Morgan 86100**. These members have operated Midway

Lumber and Birchland Veneers in the town of Thessalon for many years. This year they have added a plywood manufacturing plant and are producing hardwood plywood panels of Birch, Maple, Red Oak, and many other species. If you have any questions about what they are purchasing or able to supply you as a customer just call Doug Morgan at 705-842-2430 and he will be more than pleased to hear from you and assist in any way possible.

### Who's Who in Hoo Hoo

Some of you may have received a call from me already. I am in the process of preparing an updated 1986 book but many of you did not send in your update last year, many have changed your home address, I'm not sure but some may have even changed their wives or husbands, some have changed employers or have become self employed. If any changes have occurred in your case would you please call me, Tommy Thompson, 416-793-0561 and give me your update. I would like to have this as accurate as possible but I need your help. The book should be ready for printing by the end of September so please call me as soon as possible with your changes. It will be greatly appreciated and save me a lot of time trying to locate and talk to the members I feel have made changes.

### Editor's note

I must apologize for the poor reproductions of the pictures in the last Cat-O-Log. I had selected some pictures which included Chuck McFadden at various Hoo Hoo functions but in the copies it was almost impossible to recognize anyone in the pictures. Kwik Kopy has offered to produce a better reproduction and print them for us at no charge, they recognize it was not up to the same standard they normally supply us for our Cat-O-Log.

### More Kitty Litter

We have two of our most regular members under the weather. Past President Les McKimmie has been missed at our recent executive meeting, we all hope he will be feeling well enough to join us at Nobleton Lakes as we all know Les enjoys a game of golf and good fellowship.

Past President Dunc Pollard is in Queensway hospital recovering from an operation. Mrs. Pollard advises that Dunc went through the operation with flying colours and could be going home as early as Wednesday September 10th. If you would like to drop by Dunc is in room 120, or you can phone him at 259-6671, extension 1201. I'm sure Dunc would like to see or hear from his Hoo Hoo friends.

This Forest Industry Trivia Quiz was sent to me from one of our members.

1. What country is home to the world's largest forest industry?  
Answer \_\_\_\_\_
2. Which country is the world's largest exporter of softwood?  
Answer \_\_\_\_\_
3. Only three of North America's 20 largest lumber producing companies are headquartered outside Western Canada and the Western United States of America. Can you name them?  
Answer: 1. \_\_\_\_\_  
2. \_\_\_\_\_  
3. \_\_\_\_\_
4. The world's tallest standing tree is the Sequoia Semervirens at Redwood Creek, Humboldt County, Guess its height? a) 308 ft. b) 457 ft. c) 382 ft.  
Answer \_\_\_\_\_
5. What species rates as the world's slowing growing tree?  
Answer \_\_\_\_\_

6. British Columbia is home to many world champions in Logging. The World Champion All-Round Logger is Ron Hartill of Sooke, on Vancouver Island. Another legendary figure in Log Rolling is from Vancouver Island. Do you know his name? (He'll be at Wood Expo)  
Answer \_\_\_\_\_

7. The oldest tree was a bristlecone pine (Pinus longaeva) which grew 10750 ft. above sea level at Wheeler Ridge in the California Sierra Nevadas. Guess its age? a) 3,300 years b) 4,000 years c) 4,900 years  
Answer \_\_\_\_\_

We will give the answers in our next Cat-o-Log.

Tommy Thompson, Editor

## Jurisdiction VI

### REPORT FROM SAN JOAQUIN VALLEY CLUB 31

The new officers and Board of Directors for the 1986/87 year are as follows:

Bill Barr, President  
Don Oldenkamp, First Vice-Pres.  
Mike Riley, Second Vice-Pres.  
Bernie Barber, Jr., Sec.-Treas.  
Mike Bakula, Vicegerent Snark  
Wally Kennedy, Sgt-at-Arms

Don Johnson, Board Member  
Gary Long, Board Member  
Greg Gomon, Board Member  
Ed Myers, Jr., Board Member

At a recent Board of Directors meeting, the following activities were assigned for the coming Hoo-Hoo year. The exact dates are left to the discretion of the chairmen of each event.

CONCAT, November, 1986, Bill Barr, Don Oldenkamp, Greg Gomon, and Mike Bakula.

CAL BOWL, December, 1986, game and tailgate party, Bill Barr and

Bernie Barber, Jr., co-chairmen.

CRAB FEED, February, 1987, Mike Riley and Wally Kennedy, co-chairmen.

SPORTS DAY, May, 1987, Gary Long and Greg Gomon, co-chairmen.

CASINO NIGHT, April, 1987, Don Johnson, general chairman, Don Oldenkamp, assistant.

COAST FROLIC, July, 1987, Don Oldenkamp and Roy Parsons, co-chairmen.

FAMILY DAY, date unknown, Mike Riley and Eddie Myers, co-chairmen.

SAN JOAQUIN VALLEY 31 — Bobby Rader, Wally Kennedy, Ted Mathews.

SAN JOAQUIN VALLEY 31 — Co-chairman Roy Parsons (left), Tom Martin, and Co-Chairman Don Oldenkamp (right).

SAN JOAQUIN VALLEY 31 — Wally Kennedy and wife, Bev, (center) with son-in-law and daughter on either end.

SAN JOAQUIN VALLEY 31 — Mr. and Mrs. Roy Wallingford and Dale Winslow.

S. J. Valley 31 — Arnold Volny and Bernie Barber, Jr. with their wooden ties.

### SAN JOAQUIN VALLEY 31 HOSTS 12TH ANNUAL COAST FROLIC

On July 25, 1986, San Joaquin Valley Hoo-Hoo Club No. 31 held its 12th Annual Coast Frolic at the Shore Cliff Lodge, Pismo Beach, CA. The chairman of this event was Roy Parsons, and Don Oldenkamp was co-chairman. A Golf Tournament was held at the Black Lake Golf Course,

Nipomo, with a turnout of 24 golfers. Winners of the tournament were:

**Ladies Division**  
Kathy Toth, Low Gross  
Roberta Parsons, High Gross

**Men's Division**  
Dave Mankins, Low Gross  
Gary Johnson, Low Net  
Dave Mankins, Closest to the Pin  
Tom Martin, First Place, Callaway  
Howard Mankins, High Gross

### OAKLAND CLUB 39

Vicegerent Snark Frank Kinney of Hulbert chaired the September meeting in the absence of Snark Andy Joseph. It is reported that Andy, General Manager at Hulbert, was secluded at an undisclosed site at Yosemite with his wife, Marcia, and little Jane Alice.

Andy left his garden and greenhouse for a break before the fall planting of herbs and flowers. Since leaving the ranks of college football coaching Andy has become one of the West Coast's leading authorities on growing Marigolds from seed.

### — NEW KITTENS —

Kirk Malley, of Piedmont Lumber-Walnut Creek, was concatenated this year into the International Order of Hoo-Hoo. Kirk, who has been at Piedmont for three years, is the catcher on their championship slow-pitch team. Being single gives Kirk more time for Jet Skiing, Four Wheeling and other kinds of jetting, kinds of jetting.

Concatenated in 1986 was Scott Fossum of Rolando Lumber. Scott came to Rolando a year and a half ago from Dunn Lumber in Everett. He is also single and lives on a 36-foot boat in Alameda. His home phone is often answered by his black Lab, Moose. Scott spends some time scuba diving.

Scott was joined this spring by a venerable old cat from Washington, his father, Paul Fossum. Paul, 70598, was Concatenated in Seattle, November 18, 1959.

You will meet other 1986 Kittens at future meetings and read about them here in the future.

### — A CAT TALE —

It was a cold dark night when the train chugged out of Gurdon heading for St. Louis, January 21, 1892, for yet another lumbermen's meeting.

The Smoking Car was rocking at a fast clip before all the regular camp followers found their places. They seemed more intent on continuing their discussion of forming an organization than playing cards. George Smith started by saying, "I have a friend named Fred who is always inviting me to his lodge. He never calls his president, President. They call him something else." Starr Mitchell replied, "Sure, all fraternal

organizations do that. What shall we call ours?"

There was a pause. Arthur Johnson, often called a mirthful man, took a flask out of his coat pocket and took a swig of Diet Pepsi. He swished it around and after swallowing, placed his tongue in his right cheek and said simply, "Snark."

"Snark?" It was dismissed as quickly as stated. The discussion went on and on, with such names as "Prez," "Terminator," and "Fly" being prominently reviewed. Finally, the subject ended by George Schwartz saying, "OK, OK, it's Snark of North America."

There was silence, which meant agreement. The silence was long enough to mean the same as a motion and a second and a unanimous vote, (a tradition that still exists today in some clubs). The decision was final. Almost.

As the train jogged along, Rudolph Struss looked through the window into the starry night. After awhile he said, "But, (another tradition) what if there are trees on

Mars? There is water there you know." This caught everyone by surprise, including Arthur.

Since it was quite late, or really early, the discussion was short. Eddy Barnes said without opening his eyes, "Move we call the president, Snark of the Universe." George Smith said, "Second." After a long pause all assumed that the motion had passed and was final-final. (Another tradition.)

Watching the night fading into light, Arthur Johnson, a mirthful man, reached for his flask and took a swig of Diet Pepsi and said to himself, "Lewis Carroll, Make My Day."

If Arthur had read about Alice and not the Snark, today we might call the president, Alice, or Sue.

When fifteen board members from Oakland Hoo-Hoo Club 39 attend a joint meeting of Northern California clubs at Konocti, October 3, 4, and 5, they will, no doubt, lift their Diet Pepsis and toast Snark of the Universe-elect Jack Jacobson of Vancouver, B.C., "Snark of the Universe!"

BLACK BART 181 — During the mini at Konocti Snark Jack Jacobson (left) installed new officers Ray Stephenson, president (center), and 1st V.P. Jackson Finck (right).

### MINI AT KONOCTI

A meeting between five of the Northern California Hoo-Hoo Clubs was held October 4 and 5 at the Konocti Harbor Inn in Clear Lake to discuss the possibility of holding a joint international convention in 1990. The meeting was organized by Dave Jones, president of Black Bart Club 181.

Dave reported the idea was discussed but no formal action was taken. The group will meet again November 15

to make a final decision.

During the two day meeting, the new officers for the Black Bart Club were installed. Those clubs participating were Black Bard 181, Humboldt Club 63 of Eureka, Shasta-Cascade Club 133 of Redding, Oakland Club 39, and Sacramento Club 109.

The group was proud to host the new Snark of the Universe Jack Jacobson for the gathering, along with Rameses 72 Jimmy Jones.

## Jurisdiction VII

### HOUSTON CLUB 23 Holds Past President's Night

On June 26, the Houston Hoo-Hoo Club 23 held our Past President's and Old Timer's Night. We had approximately 75 members present. This function was held at the Anheuser-Busch hospitality room with plenty of fellowship, beer and barbeque for all. At this meeting, we held our trip drawing for the international convention.

The convention trip winners were Mike Knigge, Leonard Craig, and Mark Sensat.

The July meeting featured Mr. Kemper Kaiser as the guest speaker. Kemper is currently a scout for the San Diego Padres. Bill Baird of Baird Lumber Company was the cocktail sponsor for the July meeting which was held at the Allen Park Inn.

HOUSTON 23 — Past Presidents (l-r) Leonard Craig, Bob Ridley, Fagan Cox, Hubert Herndon, A. W. Harris, Bill Franks, Dick Deiterich, Chris Goff, Joe Breeden, Ken Rosenberger, Melvin Allen, Paul Nelson, Gary Hester.

### WICHITA CLUB 173

#### —Committees—

President Steve Hayes has made the following appointments and recommendations:

Vicegerent Snark — Roy Nash; State Deputy Snark — Kent Vice; Calling Committee — Joe Simmitt, Bob McQuiston, Cliff Rizley; ARP Committee (Bartender) — Norman Dickson, chairman; Christmas Party Committee — Chuck White, Chairman; Golf Tournament Committee — Chuck White, Chairman; Family Picnic Committee — Chuck White, Chairman; Awards Committee — Steve Hayes, Chairman, assisted by officers & members; Institute Playhouse — Harry McGarigle, Chairman.

#### — Awards —

Dick Wilkerson will be administrating the same system that we have had going for the last five years; He will be looking for a replacement this year..

**Door prize:** This is a raffle essentially. There will be a winner's name drawn from the "hat" containing the names of the participants for that evening.

**Lapel Pin.** At each regular meeting, one name will be drawn from the "hat" which will contain the names of all our paid up members. To win, that individual must be in attendance at that meeting and be wearing his Hoo-Hoo lapel pin. Don't have one? Your club secretary has a few for sale at \$5.99 each. The winners will receive \$5.00. If there is no winner, the \$5.00 will carry forward and be added to the next drawing. We will start out our new Hoo-Hoo year with \$5.00 in the pot at the Sept. Meeting.

#### — Meeting Notices-Bulletins —

This year Craig Scott will be publishing and mailing our meeting notices-Bulletins. We wish to express our grateful appreciation to him for performing this task for our club.

## Jurisdiction VIII

### CONCAT AT SOUTHERN MINNESOTA CLUB 150

On June 11, the Southern Minnesota Club 150 held our concat at the Oaks Golf and Country Club in Hayfield, Minnesota. We concat 7 new kittens into our club. At our outing we had 32 members in attendance for golf, supper and concat.

With the addition of our seven new members, our membership in the international Hoo-Hoo has reached 42, a good increase from 25 registered members last year.

The new members are Dean Jensen, Dennis Gaul, Gary Olson, Mike Turgeon, Cory Carlson, John Kupkey and Mike King. WELCOME MEN!!

Chuck Sprenger, President

LOG & TALLY

### GOLF OUTTING AT SIOUX VALLEY 118

The Summer Golf Outting of the Sioux Valley Hoo-Hoo Club 118 was held June 24 at Canton, South Dakota with an overflow crowd of 58 golfers attending. It was a beautiful day and everyone thoroughly enjoyed the hospitality and fellowship. The Championship flight was won by Doug Glenn. The First flight was won by Dan Konz and the 2nd flight was won by Del Osvog.

There were many prizes given away following the steak dinner. Many thanks for a great go to the host

and Secretary of Club 118, Bruce Braaten.

### SIOUX VALLEY CLUB 118 HOLDS R&R DAY

Some 140 members and guests attended R & R Day on August 19 at Sioux Falls, South Dakota. The Brandon Country Club was the site of the golf tourney and the S. F. Isaac Walton Club was the site of the steak fry, raffle, door prizes and refreshments.

Attending were Chairman of the Board Carle Hall and Supreme Nine member Lyle Hoeck.

Despite rain showers there were 110 golfers. Gold trophies were presented to Dennis Thomsen (Championship flight, 9 holes), Doug Hainje (18 holes), Vaughn Fellows (1st flight), and Dave St. Pierre (2nd flight). The trap shoot was won by Pete Homan shooting 24 out of 25.

This was another fine outing enjoyed by all bringing many friends together in the fraternity of Hoo-Hoo.

A big thank you goes to Gary Hageman and his many committee workers.

Norm Ekeland, reporter

SIOUX VALLEY 118 — Lounging at the Brandon Country Club during R&R day.

SIOUX VALLEY 118 — Dale Weir (left) and Art Zanfas agree this Hoo-Hoo business can be fun.

SIOUX VALLEY 118 — Hoo-Hoo men enjoy the fellowship of the R&R Day.

SIOUX VALLEY 118 — Dean Gulbransen and Doug Hainje waiting to tee off with John Haines and Wendell Ames.

### GOLF TOURNEY AT SOUTHERN MINNESOTA CLUB 150

The Southern Minnesota Hoo-Hoo Club 150 held a golf outing at the Owatonna Country Club on September 9. Bad weather hampered the attendance but not the spirit.

The Golden Club Award (worst drive) was awarded to Jim Mortenson 62897 for the most skips on a water hole.

New officers for the 1986-87 year were also introduced. The program chairman for the event was Dennis Meillier who was assisted by

committee members Wynn Virgin and John Alexander.

A special thanks goes to Dean Jensen for mounting the Golden Club on a special plaque. It will become a traveling trophy for future outings.

Richard Hackerson 80942, reporter

## Jurisdiction IX

### JURISDICTION IX SUMMER CONFERENCE

Jurisdiction IX held its annual Summer Conference in the old historical town of St. Augustine, on Florida's North Coast, on the July 4th weekend.

Approximately 80 members and wives enjoyed the activities which included three cocktail parties, golf, sightseeing, boat trip and viewing of fireworks and ended with a dinner dance.

The business meeting was well attended and we were fortunate to have the Snark of the Universe Al Meier, 1st Vice President Jack Jacobson, Chairman of the Board Carle Hall, Rameses 72 Jimmy Jones, Executive Secretary Billy Tarpley, and Deputy S-9's Frank Gray, Larry Jordan and Ted Anderson in attendance. The meeting flowed very smoothly and included a message

from the Snark, 1st V.P., Chairman of the Board, Museum Chairman Jimmy Jones and reports from the J-IX clubs. The upcoming proposed by-law changes were discussed and five clubs pledged to have delegates in New Hampshire to vote J-IX's stand on these issues.

Central Florida successfully defended the Delta Cup golf tournament, and Frank Coughanour, Woody Whitacre, Betty Jones and yours truly won the Scramble. I might mention that Betty Jones has been on the winning team both this year and last year.

Ramese Dick Wilson and Fran arrived on Saturday. Dick and Shirley Lawler were the hottest couple on the dance floor. We are not too sure of the dance style, but it is somewhere between stomping a grass fire and barefoot on a fire ant nest. Scott Shea, from Jacksonville Club 52, provided the band, in which he is a pretty hot drummer and played great music all night.

On Friday night we boarded a ferry and cruised around the inlet, ate

barbeque, drank beer and wine and later watched the fireworks display — What A Great Night!

Obviously, a weekend on this scale does not happen by itself. A special vote of thanks to Darrell Childress, Wayne Posey, Stephen Pate, Loub Wadsworth, Mike Hooper and last but not least, our untiring Deputy S-9 Frank Gray (EDITOR'S NOTE: Frank is now the official S-9 representative for J-IX.)

A couple of notes of interest before concluding — Al Meier was so excited about getting to the conference that he didn't wait for a ride, but rented a car, actually he split it with Jack Jacobson — Al picked it up and Jack took it back! We also offer our condolences to Buell Sawyer concerning his ex-wife. It could have been worse Buell — it could have been you! Miami, maybe with assistance from Ft. Myers, will host the mini-conference next year.

HEALTH, HAPPINESS AND LONG LIFE!

Phil Cocks L-77298

J-9 MINI — 2nd Place winners — Golf Scramble — Darrell Childress, Frank Gray, Shirley Browning.

#### CENTRAL FLORIDA 115

We had a great time at the mini-convention in St. Augustine over July 4th! Jax put on a good show and those of us who were fortunate enough to be able to attend, thank everyone involved for doing such a great job. After a count of heads, we are proud to announce that no one fell overboard during the cruise, although for a while there we all wanted to reduce our numbers by one rather "long-winded" member. No names, right Frank! We were joined by many of our International Officers, past and present, and had a grand total of 120 people in attendance. Jack Ghiz won the prize for the largest horde, of course he always does.

During the conference we held the Delta Cup Tournament. I'm proud to say that the Cup will remain with the Orlando Club for another year thanks to a funaway victory by Mike Smyth, John Brooks, Joe Lusk and Chuck (I'm along for the ride) Browning. Great job men! The main topic at our business meeting was that of membership. We are not just discussing recruiting new members but also and most importantly maintaining these new members. Basically this comes down to a serious responsibility for sponsors of new members. These people must continue to support their pledges and see to it that they are properly introduced and assimilated into our organization. If our Kittens are happy within our group they will be more willing to attend and contribute to our functions. See what YOU can do to make us stronger!

Elections were held at our August meeting and your new officers are listed below. Congrats to the new leaders and we all wish you a happy and successful reign. I am sure that all of our active members will support you in every way possible.

Vice Gerent	Phil Whitford
President	Woody Whitacre
1st V.P.	Bobby Carroll
2nd V.P.	Peyton Vickers
Sect.	Richard Mellin
Treas.	Dave Adamson

We had sign-ups for every month for the set up and clean up committees. Thanks! Here is the line up for future reference:

Sept.	Smyth Lumber Co.
-------	------------------

(Continued next page)

(Continued from Page 44)

Oct.	G.P.
Nov.	Wilkerson Lbr.
Jan.	Huttig Sash & Door
Feb.	U-Save/Dixie
Mar.	Panning Lbr.
April	Scottys
May	Construction Components Inc.
June	Dyke Ind.
July	No Meeting
August	Officers

We also set up a tentative schedule of events such as Speakers, Old-Timers nite, Past Presidents nite, a Packwood trip, Father and Old-Timers nite, Past Presidents nite, a Packwood trip, Father and Son nite, Concats, etc. If you have any suggestions for speakers, please contact one of our officers.

Advertisers for the Newsletter are needed. If you know of any local businesses that would like to support us let us know!! The cost is \$15.00 per issue for a business card size or \$150.00 for eleven issues. Also try to support these businesses; that advertise with us in any way you can.

#### OLD CLUB 221 REACTIVATED!

International 2nd Vice President Phil Cocks and new Supreme Nine member Frank Gray reported recently that the old Brevard County Club 221 has been reactivated under a new name - **Spacecoast Hoo-Hoo Club 221**.

Phil tells us the club will function through a Board of Directors which will meet monthly and organize five or six club activities per year.

Good Luck, men of Spacecoast 221! We'll be looking forward to great things from you.

#### JACKSONVILLE CLUB 52 SAYS "THANKS!"

Club 52 in Jacksonville, Florida would like to give a warm-hearted "Thank You" to Mr. Al Meier, Dick Wilson Worrell McCarthy, Phil Cocks and Frank Gray for the support they gave us on our March concat.

To the members and future members that were not able to make this meeting they missed a once-in-a-lifetime concat by having these great people attend our concat.

We would also like to welcome our new members David Felty, Dennis Burke, Butch Coleman and Richard Carter. To you new members, please get involved, this is **your club**.

Scott Shee, Secretary, Club 52

#### TAMPA CLUB 225 ANNOUNCES NEW BOARD

Tampa Bay Hoo-Hoo Club 225 is Brian Solenberger, Secretary

SPACECOAST 221 — Seated (l-r) John Sawyer, Jack Ghiz, Fred Swayze, Ron Thompson, Dave Hanson. Standing (l-r) Phil Cocks S-9 J-IX and Frank Gray Dep. S-9.

# SEE YA' IN SEATTLE!

...FOR THE 95TH ANNUAL HOO-HOO INTERNATIONAL CONVENTION

First-time visitors are astonished at the wealth of natural beauty in and around Seattle. Literally touching the city's boundaries are thousands of square miles of evergreen forest and hundreds of miles of salt and freshwater shoreline. With this wealth of nature at their doorstep, both Seattleites and visitors concentrate much of their recreation in the outdoors.

Bracketed east and west by freshwater Lake Washington and saltwater Puget Sound, the city occupies a north-south corridor, slender at the waist and embracing numerous hills. On a clear day, the views of mountains and water are spectacular.

Most of Seattle's attractions are clustered in pedestrian-scale sections, best savored on foot. Central business district buses are free and the Monorail speeds quickly between downtown and the Seattle Center. The Seattle-King County Convention and Visitors Bureau publishes a series of walking-tour brochures available at their downtown information office at 7th & Stewart.

Crown jewel of Seattle's attractions is Seattle Center, the 74-acre legacy of the 1962 World's Fair. Its distinctive 602-foot Space Needle is the city's leading landmark. From its lofty observation deck, there's a 360-degree view of the city and Puget Sound, backdropped by the snowcapped Cascade Range to the east and the Olympic Mountains to the west.

Seattle Center is enjoyable in any season but on weekends and fair-weather days between April and October, it's a beehive of activity with outdoor concerts, amusement park attractions, impromptu performances and special events.

The five-building Pacific Science Center (with hands-on exhibits for children) can easily occupy the better part of a day. The Bagley Wright Theater is home to Seattle's repertory company and the 3,100 Opera House hosts the Wagner Festival (Ring of the Nibelung in German and English), one of the world's leading operatic events, each summer.

Downtown, just two blocks uphill from the water, Pike Place Market is one of the last authentic farmer's markets in the country. A walk through the colorful old market becomes truly a sensory experience as vendors hawk their wares in a dozen different languages; coffee, tea and spice shops assail you with their pungent odors; and seemingly limitless heaps of fresh fruit, vegetables and seafood stretch away on every hand.

Pioneer Square, the city's preserved historic district, lies adjacent to the southern end of the downtown waterfront. Here the city has its roots, centered around the original Skid Road (Yesler Way), a road used to skid timber down from the hills to Elliott Bay.

Many of the fine old brick and sandstone buildings have been painstakingly restored in recent years and a half-dozen square blocks of the district offer excellent shopping and dining as well as historic ambience. The Underground Tours

that go beneath the current-day Pioneer Square cobblestones provide a glimpse of Seattle, circa 1890.

Seattle's strong maritime environment comes into sharp focus at Fishermen's Terminal, home of hundreds of purse seiners and gill net boats. Residents often take time to stroll along the piers, watch fishermen mending their nets and admire the sturdy boats that take these men to sea.

Lake Washington Ship Canal connects Puget Sound with Lakes Union and Washington. Hiram M. Chittenden Locks, near the western entrance to the canal, offers a fine vantage point from which to watch the bobbing procession of tugs, fishing boats, barges, research vessels and pleasure craft as they are raised or lowered some 21 feet between fresh and salt water.

Getting out on the water is easy. The cheapest way is to board one of the big green and white Washington State Ferries for a ride across the Sound to Bremerton (55 minutes each way) or Bainbridge Island (30 minutes each way).

Both ferries move through the bustling harbor traffic, offer a look at the islands and residential shorelines across Puget Sound and provide stunning views of the city skyline and waterfront from Elliott Bay. Special low-cost pedestrian fares are available; the ferries depart from pier 52.

Regular excursion boats offer narrated harbor tours and cruises through the ship canal to Lake Washington. An unusual and uniquely Northwest experience is the dinner cruise to Blake Island, a state park in the Sound that can be reached only by boat. Its Tillicum Village features a North Coast Indian long house where Indians cook salmon over open-pit alder fires. Dinner concludes with a program of costumed tribal dancing.

Seattle is famous for its fresh seafood, especially local clams, oysters, salmon, halibut and crab. The best seafood restaurants also have water views where you can sit beside Puget Sound, Lake Union or Lake Washington and watch the marine traffic. But, Seattle dining is much more than seafood. Large Scandinavian and Oriental populations add the exotic fares of those regions to Seattle menus. Visitors can also partake of French, German, Italian, Greek, Polynesian and a dozen other cuisines.

As the leading commercial center of the Pacific Northwest, Seattle offers the visitor a wide range of shopping opportunities, some of them unique to this region. Northwest Indian art — ceremonial masks, totem poles, carvings, basketry, prints and jewelry — is especially sought out by art collectors. As you'd expect of a city where outdoor recreation is so much a part of the lifestyle, Seattle is the leading producer of outdoor recreation equipment in the U.S. Several large retail outlets sell everything from backpacks to snowshoes and scuba diving gear to arctic clothing.

Travelers wishing additional information can write Seattle-King County Convention and Visitors Bureau, Visitor Information Office, 666 Stewart Street, Seattle, Washington 98101, telephone (206) 447-4240.

## Obituaries

LORIN SWIFT L-34021

The man so affectionately referred to as "Mr. Hoo-Hoo," has passed away. Lorin M. Swift L-34021 died Tuesday, July 22 at the age of 96 years.

Lorin was a member of Sacramento Hoo-Hoo Club 109 and attended as many meetings as possible till the time of his death. His many, many friends mourn his passing, but he left behind a legacy of love, laughter and honor that will remain indelibly imprinted on our hearts.

The following is an obituary submitted by the Sacramento Club 109:

### LORIN MOFFITT SWIFT

"Lorin Moffitt Swift was born in Great Bend, Kansas, January 19, 1890, to Herbert and Ella Bethe Swift. He passed away July 22, 1986, at the age of 96½ years. The family traveled to California when Lorin was approximately 3 years old and lived in several cities, including Santa Maria and Santa Cruz. It was in Santa Cruz that Lorin met and later married Emma Elizabeth Skillicorn, on Valentines Day, February 14, 1912.

During World War I, Lorin served with the Engineer Corps and was attending Warrant Officer Training when the war ended.

Working in the lumber business most of his life caused them to move rather frequently. While they were in Fresno, California, a son was born, Lorin Douglas Swift. He often said that that was a good year: their son was born, he purchased a piano for Emma, and he joined the International Order of Hoo Hoo, a

lumberman's fraternal organization in which he was awarded a Life Membership. He retired from J. M. Derr Lumber Company of Elk Grove after many years of service.

He served as Commander of Manhart Post 391, American Legion at the time of World War II, and participated in civic and patriotic affairs at every opportunity. He became a member of the Independent Order of Odd Fellows when his son was the presiding officer of El Dorado Lodge No. 8. Later he became Past Grand and served as Chaplain for a number of years. He took great pride in the fact that his son became Sovereign Grand Master, the World Leader.

Lorin and Emma celebrated 67 years of marriage before her passing in 1979. They resided in Sacramento together for over 40 years. Surviving, and all Sacramento residents, are: son Lorin D., daughter-in-law June, grandchildren Donald Swift, David Swift, Gloria Laurin and her husband Robert Laurin, and great-grandson Brandon Laurin. Also residing in Sacramento are: sister-in-law Mona Stewart and brother-in-law A. E. Skillicorn and his wife Estella. Other-in-laws and nieces and nephews reside in many cities in California and throughout the United States. His special joy was sharing in the growth and development of his great-grandson — there being 93 years difference in their ages.

Lorin has been loved and respected by family, friends and associates and he leaves a legacy for all to follow. The following is a TRIBUTE to this fine gentleman who will be missed by so many: "Younger than his years. To know him is to love him. Living each day to its fullest. Always ready to help his fellowman. One of the few remaining members of 'The Old School' where honesty, hard work and freedom from debt made a man proud. Younger men could learn from him what real values are. Let us never misplace the mold from which such men were made. Take heed, watch and learn. The world needs more men like Lorin M. Swift!"

## REMEMBERING A HOO HOO MEMBER CHARLES (CHUCK) McFADDEN 62704

On Sunday, March 30th, 1986, our Toronto Hoo Hoo Club lost a staunch supporter. Chuck had attended meetings and events on a regular basis. He was on the degree team when I was initiated into the Toronto Hoo Hoo Club with Stu Teal, 84322, Ralph Ayers, 84313, Dave Pulchinski, 84317, Herb Hardy, 84313, his son Brian McFadden, 84315, Jack Playford (retired) Joe Smales, 84320, Ian Smart, 84321 and Keith Waddell, 84324. Chuck was an outstanding person in our industry, well known in most circles and very knowledgeable regarding the products that were distributed by W. Claire Duffus, where he worked until he established his own company, McFadden Hardwoods. Chuck was never on the executive of our club but like many of our members was supportive in many other ways. Chuck will be missed by his many friends.

Tommy Thompson, 84323

### JACK A. McKENZIE

Jack Averill McKenzie, died Saturday at home after a long illness.

Born in Boulder, Colo., he was a salesman for Schellville Wood Products and a 17-year resident of the Sonoma Valley.

He was a member of the Moose Lodge and the Black Bart Hoo Hoo Club 181 in Uria, California. He had resided in Cloverdale, California for about 14 years.

He is survived by his wife, Thelma McKenzie, Schellville; his mother, Ruth Csonka, Cloverdale; his sons, Layne McKenzie, Sacramento; Scott McKenzie, U.S. Marines, and Rudy Espinosa, Pasadena, his daughter, Shirley Zaccarino, Ontario; his brother, Bill Walter, Chicago, and 10 great-grandchildren and one great-grandchild.

Private interment will be at Green Mountain Cemetery, Boulder, Colo., under the direction of Duggan's Mission Chapel.

**ROBERT E. HORNE 92683**

On August 4, 1986, Robert E. "Bob" Horne was killed in an automobile accident while on a sales trip.

Bob was a police officer for 10½ years with the Jacksonville Police Department. After coming to work with St. Johns Wholesale Co., Inc. in April of this year, Bob had joined HOO-HOO at our June Concat.

Bob was a well liked and respected police officer. However, because of his desire to have more time with his family he made the decision to leave the police force and become a salesman.

When I hired Bob, he had no experience but only the desire to use his talents to represent our products. I personally have been in the lumber business for 12 years and I have never met a man that had more enthusiasm and learned as fast as Bob. There is no doubt that he was born to be a salesman.

The only thing that can begin to make his death bearable is the beautiful spirit that he left behind.

To his wife Patti, and his children B.J. and Shelley, I can only say that you are very fortunate to have had a husband and a father such as Bob.

While all of us at HOO-HOO mourn his passing, we will never forget the beautiful memories of our friend — Bob Horne.

Darrell B. Childress  
President HOO-HOO Club 52 Jax.

**GORDON GIBSON, SR. 56540**

Gordon Gibson, Sr. 56540 passed away Thursday, July 17. He was a very well known lumberman, logger and politician in British Columbia. He was very active in the Vancouver Hoo-Hoo Club and was president in 1953-54. Brother Gibson held many Hoo-Hoo get-togethers and barbeques at his estate "Spuraway" in West Vancouver.

He will be greatly missed his many friends.

**MIKE GIRODAY 77420**

Brother Giroday passed away August 24. He was a well known figure in the lumber business in the Vancouver area with very many friends and business acquaintances who will miss him greatly.

Mike was president of Vancouver Club in 1969-70 and was a great worker in Hoo-Hoo and booster of club 48's fund raising dinners.

**OWEN WADE 61325**

G. Owen Wade 61325 of Issaquah, Washington passed away August 26, 1986.

Brother Wade worked for Weyerhaeuser Company in Tacoma for most of his years as a salesman, and took an early retirement. He was born October 4, 1924, in Missoula, Montana and was concated February 10, 1954 in Chicago.

Funeral services were held Tuesday, September 2 at Issaquah Funeral Home.

**ALBERT (ANDY) H. ANDERSON**

Albert (Andy) H. Anderson 45199, member of Twin City Club 12 since 1943, died at age 85 on Sept. 15th. Survived by son Timothy, grandson Shawn. Spent his working years in the lumber industry working in both the retail and wholesale area in the Twin Cities. His last employer was Gibbs Lumber Co. in St. Paul. For many years he was secretary of the Mississippi Valley Sash & Door organization in the Twin Cities.
