MEMO FROM THE SNARK

BRENT CROSBY
L-77099

Greetings from your New International President!

I, like every Snark before me, never dreamed when we were concatenated that we would ever have the privilege and honor to become the "Snark of the Universe." In fact, I didn't even know there was a "Snark"!

I can remember very clearly that night 25 years ago in Sacramento, California, when as a Kitten with a blindfold over my eyes, a very bad taste in my mouth, and burning nostrils, I listened intently to the Degree Team go through the concatenation ceremony. They were very sincere, and gave us a clear sense of belonging. We had a great club, with dedicated officers and board of directors, who had interesting programs and projects. They worked very hard on membership and retention of their new kittens. They kept me busy and involved in club activities.

There is a very good chance that somewhere out there within our industry we will concat a new Kitten in 1990 or 1991 who, if properly guided, will, in 15 to 20 years, become the Snark of the Universe and continue to guide our great order.

There is a bumper sticker on my car that reads "Timber Grows on Solar Energy". Hoo-Hoo is no different; seeds must be planted, and new kittens nurtured by an organization that has industry dedication and purpose.

Log & Tally, November 1990, Page 2

"IF HOO-HOO IS TO SURVIVE AND INCREASE IN MEMBERSHIP DURING ITS NEXT 100 YEARS, IT IS INCUMBENT UPON EACH AND EVERY ONE OF US TO STRIVE TOWARD THESE THREE VERY IMPORTANT GOALS: MEMBERSHIP, RETENTION, AND REINSTATEMENTS."

The continuation of Hoo-Hoo International depends on picking our new members with care, helping them through their first year, keeping them busy and asking for their participation in Club activities.

If Hoo-Hoo is to survive and increase in membership during its next 100 years, it is incumbent upon each and every one of us to strive toward these three very important goals:

"Membership, Retention, and Reinstatements"

We belong to the oldest industrial fraternity in existence. Since Hoo-Hoo was founded in 1892, more than 95,000 timber related men have joined this outstanding organization, and we are active in four countries.

Our forest industry has fallen on hard times with the pressures of government and environmental controls. We need a strong and informative organization to help confront these problems. A growing and thriving Hoo-Hoo membership can help by becoming involved in these issues to make sure our forest industry survives. What is happening on the West Coast affects what is happening all across the United States and Canada. Our brothers from down under in Jurisdiction IV are fighting the same problems.

I would like to express my heartfelt thanks to the Oakland Club #39 Convention Committee and surrounding

clubs for an outstanding 98th International Convention last September. I am sure all who attended enjoyed themselves and the social events. We had great response and cooperation from sponsors and advertisers. Snark Lyle Hoeck presided over very important business sessions under some trying situations, but Lyle did a great job and held the meetings together.

I requested the Supreme Nine Members contact their local clubs to arrange my visitations within their jurisdictions. Due to the escalating costs of travel today, it would be helpful if local clubs would coordinate meeting dates to maximize visits within their jurisdictions. It is my intention to visit all nine jurisdictions in the coming year. Without your help, this will not be possible.

Remember this is a fraternal order. Let's all work together to make this year a great success, and with your cooperation, this can be accomplished.

We have a very strong group of International officers, and an enthusiastic board of directors who want to work for Hoo-Hoo and our Forest Products Industry. They want to help all local clubs to become larger and stronger.

"This is our mission."

Health, Happiness, and Long Life!
Fraternally yours,
Brent F. Crosby L-77009
Snark of the Universe

VICE PRESIDENTS' REPORTS

1ST VICE PRESIDENT

JEFF LOTH
L-81125

This is my first report as your First Vice President. It is an honor to have your support for this office. We had a great International Convention in Oakland with a good turnout and participation by all.

We had two by-law proposed changes which failed by narrow margins. There was much discussion and input on both proposed changes. The word "male" being deleted from the by-laws and changing from a 3/4 vote to a 2/3 vote to amend by-laws were the issues voted on. I'm sure we will be having more on these issues to come. The democratic process certainly works once again. We can be very proud of that.

The Brisbane Club won the Wood Promotion award, and the Seattle Club

won the Jack Cheshire Media award. A job well done by both clubs. J-III Fred Scheffler has done a great job with Project Learning Tree through the forest Products Education Committee co-chairmen Dave Jones and Fred Scheffler. S-9 Dave Jones J-VI showed what Hoo-Hoo was all about by taking home at least six awards--too many to name. Great job, Dave. You earned them all!

Our new Snark, Brent Crosby L-77009, has set our goals this coming year to Teach the Teachers about our industry and has asked each club to sponsor a teachers' night and maybe show "The Continuing Forest" video or such. We need to build support for our industry in a positive way. They need us and we need them.

I would like to thank all the members who supported me in my campaign and election to the office of Second Vice President for the next year. I will work to promote the principles of our order with emphasis on the sixth star of Hoo-Hoo.

Due to a prior commitment, I was unable to attend the Oakland convention. From reports received, I understand the programs were great and the business meetings spirited.

2ND VICE PRESIDENT

DAVE BLASEN
53110

Log & Tally, November 1990, Page 3

Our second goal is retention of membership, which we all can take part in, and a 10% increase for the coming year. All of these goals are very possible if we work together and use the tools we all have. This is a great organization if we work together for a common goal of Health, Happiness, and Long Life.

Thanks again Oakland, especially Dan Bonnington and crew for a super job, second to none. You did yourselves proud for the spirit of Hoo-Hoo and our industry.

Again, with each and everyone's support, Hoo-Hoo can be the great association it is, and yes, we can move mountains and plant trees.

Health, Happiness, and Long Life.
Jeff Loth L-81125
First Vice President

There is no doubt that our industry is headed for troubled times. Environmental and economic issues are sure to take their toll. However, if each member takes a positive approach, we can support Snark Crosby in his goals to promote the Forest Products Industry, obtain new kittens, and retain current members.

Health, Happiness, and Long Life.
Dave Blasen 53110
Second Vice President

1990-1991 INTERNATIONAL BOARD OF DIRECTORS

LYLE HOECK L-77159
CHAIRMAN OF THE
BOARD

LYLE HOECK L-77159
Lyle was elected to serve as Chairman of the Board for 1990-1991 during the 98th Annual Convention in Oakland. He is retired president of R-B Tank Company of Sioux Falls. He joined Hoo-Hoo in 1967 and has been active ever since. He served as president of the Sioux Valley Hoo-Hoo Club #118 in 1972, was his jurisdiction's S-9 for three years, and has attended every international convention since Victoria, B.C., in 1983. Lyle started working in our industry in August 1968 learning the business of manufacturing of redwood tanks. He bought the business in 1969 and had previously managed several lumber yards in South Dakota and Minnesota. Lyle and his wife, Marian, have three sons, L. Mike, Randy, and Tim, who are all active in the family business. Lyle enjoys hunting, fishing and golf.

BRENT F. CROSBY
L-77009
SNARK OF THE
UNIVERSE

BRENT F. CROSBY L-77009
Brent was recently elected Snark of the Universe at the 98th Annual Convention in Oakland. He was elected Second Vice President in Orlando in 1988 and First Vice President in Honolulu in 1989. He is a member of both Oakland Club #39 and Sacramento Club #109. He joined Hoo-Hoo in Sacramento and was on the Board of Directors and went through the club offices until elected president in 1974 and 1975. He also became active in Oakland Club #39 upon transfer to the Bay Area. He served as a director until elected club president for the years 1982 and 1983. He was also honored as recipient of the Lumber Man of the Year Award in 1981. Brent was appointed Deputy Supreme nine for Jurisdiction VI in 1976 and held that position until elected to the Supreme Nine in Washington, D.C. in September 1984. Brent retired after 26 years with the Kaiser Industries (Kaiser Fir-Tex & Gypsum), and Domtar Gypsum America, Inc., a division of Domtar, Inc., Montreal, who purchased the Kaiser assets in 1978. He worked as Regional Sales Manager out of their Oakland corporate offices. He is currently Director of Sales/Management Training for Pacific Coast Building Products. He has two married daughters, Lynn and Leslie, and five grandchildren who live in Sacramento, California. He and his wife, Jeanne, live in Walnut Creek, California. Brent is also a member of B.P.O.E. and the Construction

JEFF LOTH L-81125

Jeff was elected a International First Vice President in Oakland after serving as Second Vice President during 1989-1990. Jeff is a member of the North Cascade Hoo-Hoo Club #230 where he has served as vicegerent snark, president, vice president, secretary and on the board of directors. In addition, he served as Deputy S-9 of Jurisdiction III for two years before serving as S-9 of J-III from 1987 to 1989. Jeff started the Forest Products Education Committee as S-9 of J-III and co-chaired the committee with Dave Jones, S-9 of J-VI. Jeff has also served as chairman of the Selective Service Board LB-1 and as president of the Western Red Cedar Association. Jeff is president of Loth Lumber Company, Incorporated, in Goldbar, Washington. He and his wife, Sherry, have three children. Jeff's hobbies include boating, fishing and classic cars. Jeff and Sherry make their home in Snohomish, Washington.

JEFF LOTH L-81125
FIRST VICE PRESIDENT

DAVE W. BLASEN 53110

Dave was elected Second Vice President at the Oakland convention. He has been a member of the Portland Hoo-Hoo Club #47 since 1949, and has served in all offices of the club except secretary/treasurer. He has served his club as a member of the Board of Directors and Advisory Board for ten years, and has also served as Scholarship Chairman. Dave started in the lumber business in 1947 after being discharged from the U.S. Army after serving in the European Theatre as Artillery Forward Observer. In 1953, he started a wholesale and lumber remanufacturing business, and the family company, Blasen & Blasen Lumber Corporation, has just completed its 37th year. In other areas, Dave has been associated with the Boy Scouts of America, NAWLA Board of Directors, Portland Wholesale Lumber Association, and he received the Lumbermen of the Year Award in 1988. He and his wife, Dorothy, have been married forty-six years and have four children and four grandchildren.

DAVE W. BLASEN 53110
SECOND VICE PRESIDENT

BERNARD B. BARBER L-48864

Bernie was elected as Secretary/Treasurer of HHI for the tenth term during the Oakland Convention. Prior to his election to this position, he served as Supreme Nine of Jurisdiction VI for three years. He was instrumental in the reactivation of the San Joaquin Valley Hoo-Hoo Club #31 and is now serving as that club's Secretary/Treasurer. He was also active in initiating a wood promotion program in Fresno known as lumber JACS. He belongs to Temple Teheran and is Executive Secretary of the Woodwork Institute of California. He is President of Bernie Barber and Associates of Fresno where he and his wife, Elaine, live.

BERNARD B. BARBER
L-48864
SECRETARY /TREASURER

WARREN BISS L-90909
SUPREME NINE, J-I

JURISDICTION I

WARREN BISS L-90909

Warren is serving as Supreme Nine of J-I, and in that capacity, is starting his second year on the Board of Directors. Warren is associated with his family business, Biss Lumber Company of Taunton, Massachusetts, and has been very active in Hoo-Hoo for some time. He has attended several international conventions and has served as president, vice president and vicegerent snark of the Roger Williams Hoo-Hoo Club #51. Warren also serves as vice president of the Fall River Rod & Gun Club, director of the Massachusetts Skeet Shooting Association, and is a member of the Charles H. Titus Masonic Temple. His hobbies include skeet, collecting lumber memorabilia, and following Winston Cup and Winston Modified racing.

MANNY LITVIN 60272
SUPREME NINE, J-II

JURISDICTION II

MANNY LITVIN 60272

Manny joined the Detroit Hoo-Hoo Club #28 in 1953. He served as Secretary/Treasurer for five years, then as vice president and president. He served a total of ten years on the Detroit Board of Directors. He was a Supreme Nine for two years, 1964-1966. He attended seven conventions. He and Bernice have been married for forty-seven years and have three children and eight grandchildren. Manny's father started the family lumber business in 1918. Manny is now retired.

FRED SCHEFFLER
89278
SUPREME NINE, J-III

JURISDICTION III

FRED SCHEFFLER 89278

Fred was appointed to the position of S-9 of J-III in Oakland and will serve the remaining one year term on the HHI Board of Directors. He will be replacing Dave Blasen who was elected Second Vice President. Fred has served Seattle Hoo-Hoo Club #34 in all offices. He served as Deputy S-9 for two years. Fred and his wife, Sue, live in Seattle, Washington, with their four children. Fred is very active in promoting Project Learning Tree. Fred is employed at North City Lumber Company, Inc., of Seattle, and enjoys officiating high school basketball games and fishing.

JURISDICTION IV

KEVIN FRENCH 84421

Kevin was elected Supreme Nine and President of J-IV during the recent convention in Oakland. Kevin is owner of French Enterprises in Tasmania, Australia. Kevin has served J-IV as first and second vice president. He is a member of the Launceston Hoo-Hoo Club #239, and he and his wife, Jan, live in Tasmania, Australia. Kevin and Jan have three children, and Kevin's hobbies include boating and trout fishing.

KEVIN FRENCH 84421
SUPREME NINE, J-IV

JURISDICTION V

JAN-EVERT HERMANS 81682

Jan is serving as Supreme Nine of J-V and is starting the second year of his two-year term on the HHI Board of Directors. Jan is president of Swevik Enterprises, Ltd., a log and timber brokerage business in Vancouver, B.C. Jan was born in Ornskoldsvik, Sweden, in 1938 and emigrated to Canada in 1957. He later moved back to Sweden where he completed armed services duty in 1962 and joined the UN forces in the Gaza Strip through 1963. After moving back to Canada he married his wife, Linda, in 1965, and their twin daughters Christy and Valerie were born in 1970. Jan joined the Vancouver Hoo-Hoo Club #48 in 1974 and became a director the following year. He left the directorship for a few years while serving as a coach and director for his daughters' gymnastics and diving clubs, but rejoined the Hoo-Hoo Club #48 board in 1985. He was president of the Vancouver Club in 1988-89. Jan's hobbies are skiing, computers, stained glass and photography.

JAN-EVERT HERMANS
81682
SUPREME NINE, J-V

JURISDICTION VI

DAVID JONES L-82806

Dave is serving his first term as Supreme Nine of Jurisdiction VI. However, Dave is no stranger to international operations. In fact, he has served as Chairman of the Redwood Grove Committee for five years and has been a faithful attendee of international conventions in the U.S. and abroad. Dave has served as president of the Black Bart Hoo-Hoo Club #181 of Ukiah, California, and has also served several terms on the club's board of directors. He is also active in Rotary, Chamber of Commerce, and is a past board member of the Solono County Private Industry Council. Dave is president of Foster Lumber Yards of Vallejo and Fairfield, California, and is the son of Rameses 72 Jimmy Jones. Dave and his wife, Cheryl, reside with their family in Benicia, California, where Dave enjoys sailing, bike riding, photography, and drawing.

DAVID JONES L-82806
SUPREME NINE, J-VI

CHRIS GOFF 86656
SUPREME NINE, J-VII

VII JURISDICTION

CHRISTOPHER GOFF L-86656

Chris is currently serving his first term as S-9 of J-VII, and is starting his second year on the HHI Board of Directors. Chris has been an active participant in Hoo-Hoo for many years, having attended several Hoo-Hoo conventions in three countries, and also serving the Houston Hoo-Hoo Club #23 in many capacities. Within the local club, Chris has held the offices of president, vicegerent snark, vice president, secretary/treasurer, and director. He has also served the community through membership in the Jaycees and Rotarians. He is also currently serving on the Education Committee for the Lumberman's Association of Texas. Chris is employed at Wood Protection Company of Houston. His hobbies include fishing, woodworking, and construction.

BOB CREEL 53443
SUPREME NINE, J-VIII

VIII JURISDICTION

BOB CREEL 53443

Bob was elected Supreme Nine of J-VIII at the recent convention in Oakland and will serve a two-year term on the HHI Board. Bob is a member of Hawkeye Hoo-Hoo Club #193. Bob retired from International Paper Company. He is active in Kiwanis, American Lumber Dealers Association, and the University of Missouri Alumni Association. Bob and his wife, Cleatus, live in Cedar Rapids, Iowa and are the proud parents of three children. Bob's hobbies are bicycling and playing golf.

FRANK GRAY L-80305
SUPREME NINE, J-IX

IX JURISDICTION

FRANK C. GRAY L-86365

Frank is currently serving his third term as the Supreme Nine representative from Jurisdiction IX. He was born in Whitinsville, Massachusetts, on May 17, 1930. He joined Central Florida Hoo-Hoo Club #115 in 1978 where he served as Club Treasurer for two years and was a very active Deputy Supreme Nine. He has served on the Board of Directors for the past four years. More recently, Frank formed the Sunshine State Hoo-Hoo Club #271 in Orlando. He has organized and chaired the five Jurisdiction IX Mini Conferences held on July 4th weekends. Frank and his wife, Mary, have five children, Mark, David, Kathy, Paul and Stephen. They are the proud grandparents of fourteen grandchildren. Frank is associated with Frank Gray and Associates of Orlando. Frank also was co-chairman of the 1988 International Hoo-Hoo Convention which was held in Orlando, Florida.

SUPREME NINE REPORTS

I JURISDICTION

I am starting to become a little suspicious about this Hoo-Hoo organization. Last year, as I left the 97th convention, I glanced out the window and was greeted by a full moon. While in route to this year's convention, I discovered it would be a spirited one, as, once again, that big old moon would be smiling on another convention.

The international board meeting went well. Fortunately, we didn't have vital issues to attend to. However, for the good of the order, we raised the life membership dues to allow the interest to, at least, cover the life members annual dues.

At the ice breaker cocktail party, sponsored by the Pacific Lumber Company, we were warmly received by the Oakland Club, who also arranged a first class buffet. As the party drew to a close, members of the host club individually bid us a warm farewell.

Snark Lyle Hoeck called our annual business session to order. As reports were given, it became evident that we in Hoo-Hoo let Lyle's goal of a 10% gain in membership down. We in JI were actually 2% off from last year. We will try harder this year to meet Brent Crosby's goal of a 10% gain in membership.

Fred Scheffler, our new S-9 from JIII, reported for our education committee regarding our sponsorship of Project Learning Tree and the problems we are encountering in the west. Fred spoke of the millions of acres of second and third growth forest that are closed for harvest because of the misconceptions due to the preservationists. I think it is time to educate our children, the future of this country, about what purpose our forest products industry plays in this world. Fred recommended a teachers' night to educate about the benefits of the forest products industry.

After the meetings, we attended to the important things. We loaded up a bus to take us to Jack London Square, named after the famous author and adventurer. At Jack London Square, we

boarded a boat and went for a dinner cruise over San Francisco Bay. I think all had a great time. Also, as a point of interest, while in the area, I discovered that Jack London owned three ships, second of which was named the "Snark". I wonder if this is what helped propel him to greatness!

The next morning it was time for our annual golf tournament. Not being a golfer, I attended a wine tour of the Napa Valley, one of the world's foremost wine producing centers. We not only enjoyed wine tasting but also had a nice picnic lunch. I would like to thank Dave Jones for a job well done, as well as the Black Bark Hoo-Hoo Club for sponsoring the tour.

At the annual awards banquet, I had the honor to accept two awards for the Walt Whitman Club. I accepted, but surely the club deserves the credit for having the greatest percentage of gain (72%) in Hoo-Hoo International, and also the award for the most new members. Great Job!

I would also like to congratulate Brent Crosby for being elected the new Snark of the Universe. I would also like to welcome the newly elected S-9's and look forward to working with them.

Health, Happiness, and Long Life,
Warren A. Biss L-90909
Supreme Nine, Jurisdiction I

II JURISDICTION

It was good to get back on the Supreme Nine.

The hot issue was the voting on the change to delete the word "male" and to change the percentage from 75% to 66-2/3%. Both lost, and the vote on deleting the word "male" lost by a higher number than it did at the last convention.

The big problem I found was that with the delegate locked to vote as directed by their members, when a fire broke out, there was no way we could change our vote. Look what took place: not one of the persons running for sec-

ond vice president attended the convention. I felt that unless they were sick or some serious family problem happened, they must be at the convention to run for office. I and others could not change our vote. If someone wanted to nominate from the floor, the only ones who could vote for that person were the non-committed delegates. So, if anyone was nominated, it was impossible to be elected. I really think the voting method now in force needs to be changed, or at least the S9 delegate should be given the thoughts on what their members think, but he should not be locked in, as when he gets to the convention the ground can change, and that is what took place this time. I hope next time our members will give the delegate the authority to vote as he sees it on the ground. (Would you send your congressmen/senator to Washington this way with a locked in vote and no escape route?)

We have a membership problem. The new Snark, Brent Crosby, at our Board Meeting on Thursday, stated that during his year in office MEMBERSHIP WILL BE THE TOP OF THE AGENDA. He wants all clubs to boost their numbers by more than 10%. When I served on the Nine back in 1964, we had 12,000 members. Now we have 5795 in the U.S. and Canada. Without an increase in membership, the cash flow at the International will become very dangerous. In fact, it was brought up that we need to ask each club to send in \$1000 between now and December 31, 1991. I hope you all will join in and support this issue.

I did bring up the subject that there is no MARKETING MANAGER. What business can survive without a marketing plan and someone to push it? I am hoping that during my two years in office, we will all work together and develop strong working committees in each club to bring in new people plus those that dropped out.

Let's make them fight to join our great FRATERNAL ORDER OF LUMBERMEN, CALLED HOO-HOO.

SUPREME NINE REPORTS

(CONTINUED FROM PAGE 9)

Call me with your ideas and let's set up a special meeting of your club to talk about membership. I have wheels, will travel, call and I will be there. MY PHONE IS 313-737-6997.

Health, Happiness, and Long Life.
Manny Litvin, 60272
Supreme Nine, Jurisdiction II

JURISDICTION III

My name is Fred Scheffler 89278. At the 98th Annual Hoo-Hoo International Convention in Oakland, CA, I was appointed as Supreme Nine member of Jurisdiction III by the Board of Directors of Hoo-Hoo International. This appointment is to fill out the one year remaining term left open by the election of Dave Blasen #53110 to the office of Second Vice President of Hoo-Hoo International. This is a great honor to serve Jurisdiction III after the fantastic job Dave has done over the last year.

I would like to thank Dan Bonnington #88886 and the Executive Convention Committee and Oakland Hoo-Hoo Club #39 for a job well done. Jurisdiction III had thirty members and guests present at the convention, including honored members, Seer of the House of Ancients, Ernie Wales #L-45412, Spokane Club #16; Rameses #74 Dan Brown #L-74477, Winema Club #216; Rameses #78 Al Meier #L-71555, Tacoma-Olympia Club #89; and the newly elected First Vice President of Hoo-Hoo International, Jeff Loth #L-81125, North Cascade Club #230. Thank you all for being there.

The newly elected Snark of the Universe, Brent Crosby #L-77009, has set the goals for the up-coming year as a year for retention, as well as the 10% increase in membership. I feel that with the help of the Deputy Supreme 9's, club officers, and the greatest membership in Hoo-Hoo, we will achieve this goal.

Log & Tally, November 1990, Page 10

As Co-Chairman of the Forest Product Education Committee, I am going to work extremely hard on Project Learning Tree this year.

I hope that we, in the greatest Fraternal Order of Lumbermen, can spend as much time and effort educating the world around us to the uses and needs of the forest product industry as we spent on the "male" issue over the last few years.

Congratulations to the Seattle Club #34 on winning the Jack Cheshire Media Award. Great Job! I hope I will be able to visit every club in Jurisdiction III this year, so I will appreciate the club secretary sending me the club notices.

Thank you all, again. I need and appreciate your support.

Health, Happiness and Long Life!
Fred Scheffler 89278
Supreme Nine, Jurisdiction III

JURISDICTION IV

Greetings from all members in JIV. This is my first report for the Log & Tally, and it is a bit rushed as I am trekking across America. After the convention, we have had two days in San Francisco, one day in the Napa Valley, two days at Los Angeles, two days in Buffalo, NY, at Niagara Falls, two days at Dayton, Ohio, and then it is off to Canada for five days. We get back to Aussie Land just in time for our JIV Conference which is to be held at Mt. Gambier in South Australia.

Now for our HHI Convention at Oakland. It was great catching up with our old friends from across the sea and also making new friends. It was also great to see our Aussie friends at the convention. Congratulations to Danny Bonnington and his small team of workers for the fantastic job they did. The conference ran like clockwork from start to finish. Well done fellows. Conference activities will be covered by Neil Olliver and myself at the Mt. Gambier conference, but I must make mention of one

item that did get plenty of discussion, and that was "fraternalism". Hoo-Hoo was built on fraternalism within the timber or lumber industry. Much was said about it during the convention. Well done fellows. A full report on the conference will be presented at our Mt. Gambier conference by Neil Olliver and myself. Conference items deleting the work "male" and changes in percentage on voting caused a lot of lively discussion before voting. We in JIV have a lot of work to do to sort out our female membership problems. Suffice it to say that we will be talking associate membership.

One item on the agenda I was most impressed with was Fred Scheffler's report on "Project Learning Tree", a project recommended to all clubs. Every member should get involved as we need to have members informed who can get out into the big, wide world and extol the values of a healthy forest industry. Hoo-Hoo has done well over the last 98 years, but if we don't do more to convince the public that we can have a healthy forest as well as a viable industry for generations to come, can we see another 98 years in Hoo-Hoo?

Health, Happiness, and Long Life.
Kevin French 84421
Supreme Nine, Jurisdiction IV

JURISDICTION V

It is with regret that I must report that our jurisdiction did not meet its 10% increase in membership. The problem with the Kitchener Club did not help our percentage. Victoria, Cowichan and Toronto had a slight drop in membership. Vancouver gained slightly.

A) Victoria suffered the most. A number of mills shut down in their area. A genuine effort to retain and gain members will be of a very high priority this coming year.

B) Although the Cowichan Club did not achieve a 10% increase, they

have a very solid and enthusiastic membership. Good events were scheduled throughout the year.

C) The Vancouver Club gained only 2.5% this past year. They have the potential of gaining well over 10%. Vancouver continues to have solid programs and very good support from companies and members. The 1994 Convention will be held at beautiful Whistler, B.C., and plans to make it a real smashing event are well under way.

D) The Toronto Club lost only 5.4%. According to Keith Waddell, the Deputy Supreme Nine, Toronto is going through some tough times as well. To keep the club at the current level speaks highly of their membership chairman.

E) The Kitchener Club pulled out early in the year and apparently has no desire to continue. However, Keith Waddell has been in contact with some of the members, and, hopefully, we can get this club going again.

This being my first year as a Supreme Nine was a bit of a disappointment for me. I had really hoped to visit more of the clubs and maybe even try to get some of the past clubs re-activated. I suppose this is a dream that all Supreme Nines have upon taking office. With the members at large here in Canada it can be done.

I would like to take this opportunity to thank my Deputy Supreme Nine, Keith Waddell, for his assistance throughout the year, plus keeping me informed of the goings on in the east. I sincerely hope that the coming year will be as positive as this past one.

In conclusion, hearty Hoo-Hoo thanks must go out to the Oakland Convention organizers who did a masterful job in putting on a very successful convention. Special thanks to directors and members from my club, "Vancouver Club #48" for their support.

Health, Happiness, and Long life to you all...
Jan-Evert Hermans 81682
Supreme Nine, Jurisdiction V

JURISDICTION VI

Many thanks! to the members, club officers, and Deputy S-9's in Jurisdiction VI for the largest increase in membership than in any other jurisdiction last year. Because of their efforts I received from Snark Lyle Hoeck last September at the International Convention in Oakland, the annual membership award. I got the prize, but the members of Jurisdiction VI did the work.

I would like to announce the appointment of a new Deputy Supreme 9 member. He is Charlie Schweitzer #84376, from the Shasta-Cascade Club #133 in Redding, CA. Charlie will be working with the Redding and Eureka Clubs.

It is early November, and the industry has faced many attacks in recent months. The world economy is slowing down. Many companies are consolidating, some closing their doors permanently. Layoffs in some regions have begun. The near future will test all of us. These times will also test the strengths and values of Hoo-Hoo. These next few months are sure to be challenging. But these are also opportune times. Because only the strong are sure to survive. In regards to Hoo-Hoo, now is the time for you to get more involved in your local club and through Hoo-Hoo, more involved in the industry. Become more active, more knowledgeable, more visible to this industry through Hoo-Hoo. By doing so you will make yourself and Hoo-Hoo a more valuable asset to the Lumber Industry.

You will receive from Hoo-Hoo what you are willing to put into it.

In closing, please accept my best wishes for a very happy Thanksgiving, Merry Christmas, and one hell of a prosperous New Year.

Health, Happiness, and Long Life,
David B. Jones L-82806
Supreme Nine, Jurisdiction VI

JURISDICTION VII

We have just returned from the 98th Annual Convention in Oakland and gotten back into the daily grind at the office.

The convention group was smaller than normal, but we put our best Hoo-Hoo foot forward, and a good time was had by all.

I have some great news and some bad news. The bad news is that as a Jurisdiction we suffered an 11.68% decrease in membership. There are a number of things we can blame, but the truth is we could all have done something to support our local club and also International. Talk about Hoo-Hoo and industry problems and how we singularly or as a group can help the underinformed public understand our problems. The GREAT news is that The Snark and I, along with Rameses Jones and Meier, reactivated Club #26 in Little Rock in July. The Arkansas River Valley Club #26 is off to a healthy start with 22 members. We also attended the Mississippi Lumber Manufacturers Association convention in Biloxi, MS, and concated an additional nine members. 1991! Here we come!!

Joan and I were fortunately able to attend the dedication of The James A. Jones and the Jones Family Redwood Grove in the Paul M. Dimmick State Park. It was fantastic!! Anyone that is able to visit redwood country should do so. The majesty of the Sequoia has a way of humbling oneself. The communion with nature is as close as your skin.

Fred Scheffler, S-9, J-III, has done a tremendous job bringing Project Learning Tree information and materials to local club level. PLT can use our members' help either as a facilitator or as a supplier advisor to help them understand the chain of supply from forest to home. This one program can do more to educate our underinformed children about managed productive forests and their role in the future of our nation.

I would like to see the month of February to be used as MEMBERSHIP month with special emphasis on reinstatements. We have much to offer from

a membership standpoint, and the reason a person left may no longer be present. Please mark your calendar and don't hesitate to talk about your INTERNATIONAL organization.

Health, Happiness, and Long Life.
Christopher Goff L-86656
Supreme Nine, Jurisdiction VII

VIII JURISDICTION

Summer is the time for great outdoor activities, and the area Hoo-Hoo's have been hard at it. The several golf outings, picnics, fish fries, and the like, have been enthusiastically and well attended.

Golf records perhaps were not set, but the efforts were there. The food has always been classy, fit for the gourmets among us. Camaraderie is always of high order, and smiling faces were plentiful at meetings.

The great event in the month of September, yea 1990, was the International Hoo-Hoo Convention held in sunny and fertile California, with Oakland the seat of the activity. Accommodations were in the swank Hyatt Regency Hotel.

A boat trip was made on San Francisco Bay, four short hours, excellent provender as always. The high point was sailing past the city completely alight and shining. The following day, three buses loaded with delegates and wives toured Napa Valley, heart of the wine-making country, where adequate samplings were made.

The women folk from all about were well represented and added their praise which has to be given to the Bay Area clubs for the great hosting of this event which we all will remember for many years.

Delegates from Jurisdiction VIII attending were as follows: Lyle Hoeck, outgoing Snark of the Universe; Bruce Braaten, Vern Anderson, and Steve

Log & Tally, November 1990, Page 12

Sprenger (Nice support for Lyle!); Homer Hahn, Omaha Club #124; Bob Creel, Hawkeye Club #192; and Carle Hall, Des Moines Club #102.

Robert E. Creel 63443
Supreme Nine, Jurisdiction VIII

IX JURISDICTION

The 1990-1991 Hoo-Hoo year has just begun, and hopefully the plans for the year have been made by all the clubs in Jurisdiction IX. The 98th convention held in Oakland, CA, was very interesting and well-planned by the Oakland Hoo-Hoo Club #39. The new Snark of the Universe, Brent Crosby, has asked that all clubs in Hoo-Hoo spend this coming year on creating interest in returning back to Hoo-Hoo many of the members who have fallen away. I ask that all clubs work this coming year in trying, through interesting programs and worthwhile industry projects, in getting those who have been initiated and joined our organization, yet have lost the interest to become an active part of us.

We need to send into Hoo-Hoo international, if you have not done it yet, the 1990-1991 Officers' Report form so that Beth and Vicki will have the information. I also ask that all club secretaries and treasurers try to send in International dues on a regular basis and try to obtain 100% paid up membership.

Our Centennial Convention, 1992, was discussed in length at the Oakland Convention, and we all should start preparing to make plans for this convention. The convention committee certainly is trying to do everything that they can do to make it one of the greatest conventions ever. One hundred years is something which we all should be quite proud of. Remember the 100th Convention to be held in Hot Springs, Arkansas, in September 1992.

Health, Happiness, and Long Life.

HOO-HOO INTERNATIONAL MEMBERSHIP DIRECTORY FOR 1991

Last year we availed ourselves of the service of an organization who assembled a membership directory. Many found the cost of this directory to be UNAFFORDABLE. This year HOO-HOO INTERNATIONAL will assemble a membership directory using the same resources that compile and prints our LOG & TALLY. This directory will not only be affordable, but will also include information regarding clubs, officers, meeting dates, as well as information about our Fraternity, including our By-laws, Code of Ethics, Jurisdictions, and Clubs.

We envision that this directory will be invaluable to our members and will be used extensively by our membership. In a sense, it will be an INDUSTRY DIRECTORY.

We ask your co-operation in completing the form below and returning it to HOO-HOO INTERNATIONAL, P. O. BOX 118, GURDON, AR 71743.

You must be a MEMBER IN GOOD STANDING to be included in this directory. All members (except members of J-IV) will be listed. By completing the form below, you decide how much, or how little, of the information requested you want us to list. Only the information you provide on the form will be listed in the directory. If you want to be excluded from the directory, you MUST fill in your name and address and Hoo-Hoo number, check the box marked "I do not want to be included in the directory", and return the form to the INTERNATIONAL office. If you do not return the form, your name and address as maintained on Hoo-Hoo records will be listed in the directory.

THE DEADLINE FOR RETURN OF INFORMATION IS DECEMBER 31, 1990.

1990 CONVENTION REPORT

Enjoying the moment at the 98th Annual Hoo-Hoo International Convention in Oakland, California are (left to right) Dan Bonnington, General Chairman of the Hoo-Hoo Convention; Brent Crosby, newly elected Snark of the Universe; and Bernie Barber, Jr., Secretary/Treasurer.

The presentation of flags and national anthems for the United States, Canada, Australia, and New Zealand and the state of Hawaii began the 98th Annual Hoo-Hoo International Convention at 8:29 a.m. on Monday, September 10, 1990, at the Hyatt Regency Hotel in Oakland, California. Following an invocation by Father John LoSchiao, S.J., President, University of San Francisco, the group was led in a Hoo-Hoo yell by Rameses Dick Wilson.

Day Chairman Scott Fossum welcomed the delegates to Oakland on behalf of the host Oakland Club #39, then introduced Snark of the Universe Lyle Hoeck who was greeted with a standing ovation. Following the introduction of the Snark, Mr. Fossum introduced Dan Bonnington, General Chairman, who also extended a welcome to the delegates.

The convention was officially called to order at 8:39 a.m. by Snark Lyle Hoeck who then called on Secretary/Treasurer Bernie Barber, Jr., to conduct an official tally of the clubs represented at the convention. The tally

Log & Tally, November 1990, Page 14

concluded that the following clubs were represented: Atlanta #1, Los Angeles #2, San Diego #3, Harry Folsom #13, Spokane #16, Houston #23, Detroit #28, San Joaquin Valley #31, Seattle #34, Oakland #39, Portland #47, Vancouver #48, Roger Williams #51, Toronto #53, Central New Mexico #69, Tacoma-Olympia #89, Washington, D. C. #99, Iowa #102, Granite State #107, Sacramento #109, Coast Counties #114, Sioux Valley #118, Omaha #124, Ken Hallgren #139, Honolulu #142, Black Bart #181, Victoria #183, Hawkeye #193, Sydney #215, Winema #216, Melbourne #217, Brisbane #260, Maui #270, and Sunshine State #271.

Following the club tally, Snark Hoeck introduced the Rameses present: Rameses 50 Ernie Wales; Rameses 52 Dick Scott; Rameses 72 Jimmy Jones;

At right, Snark of the Universe, Brent Crosby, and his lovely wife, Jeanne, enjoy a dance at the conclusion of the 98th Annual Hoo-Hoo Convention.

Rameses 74 Dan Brown; Rameses 76 Dick Wilson; Rameses 79 Jack Jacobson; Rameses 80 Dick Campbell; and Rameses 81 Phil Cocks.

Snark Hoeck called on International First Vice President Brent Crosby to read a list of Hoo-Hoo brothers who had passed away during the year. The delegates then observed a moment of silence in memory of these Hoo-Hoo brothers.

Snark Lyle Hoeck reported that after receiving the resignation of Billy Tarpley in October of 1989, he formed a committee to take up the matter in Gurdon on October 28th. He said that this committee's decision had been unanimous to hire Beth Thomas as manager with Vicki Hughes as her assistant and Joyce Taylor editor for the *Log & Tally*. He said he felt the committee had done the right thing as all of them went on to do a great job.

Snark Hoeck reported that the Executive Committee held a meeting on May 5, 1990, during the J-IX mini-convention in reference to accepting the resignation of Larn Champ as Chairman of the Centennial Committee. Jimmy Jones was elected to fill this chairmanship.

International First Vice President Brent Crosby reported that nominations had been received and recorded on behalf of the following: Brent Crosby,

Snark of the Universe; Jeff Loth, International First Vice President; Dave Blasen, Lee Stacey and Worrall McCarthy, International Second Vice President; Bernie Barber, Jr., International Secretary/Treasurer; Manny Litvin, Supreme Nine of J-II; Fred Scheffler, Supreme Nine of J-III; Kevin French, Supreme Nine of J-IV; Dave Jones, Supreme Nine of J-VI; and Robert Creel, Supreme Nine of J-VIII.

International Secretary/Treasurer Bernie Barber, Jr., reported members equity is \$95,635; total revenue \$147,200; total expenses \$146,248 with income in excess of expenses of \$952. He said income received from dues had been less than budgeted and expenses had also been less than budgeted. A complete auditor's report is printed on page 20 of this *Log & Tally*.

Chairman Phil Cocks read the office manager's reports. Following the reading of the manager's reports by Phil Cocks, the Supreme Nines from J-IV, J-V, and J-VI gave their reports.

There was a discussion regarding the procedure as to whether the first amendment to vote on would be the reduction from 75% to 2/3 rule to amend the by-laws. The board decided to vote on deletion of the word "male" first and then vote on the percentage change.

At luncheon there was an excellent address by Mr. Kevin Eckery, Vice President of the Timber Association of California. He discussed the tremendous importance of three measures on the California ballot, one of which was sponsored by the Timber Association and other industry leaders.

Following lunch the Snark announced subjects for round table discussions.

The 1990-1991 Hoo-Hoo International Board of Directors: (left to right, back row) Warren Biss, Dave Jones, Chris Goff, Manny Litvin, Bob Creel, Jan Hermans, Fred Scheffler, and Kevin French. (Front row) Lyle Hoeck, Chairman of the Board; Bernie Barber, Secretary/Treasurer; Jeff Loth, First Vice President; and Brent Crosby, Snark of the Universe. (Not pictured is Dave Blasen, Second Vice President.)

There were nine items assigned with an officer or a Supreme Nine member to chair each round table discussion.

ROUND TABLE DISCUSSIONS

Item #1 - Is Current Dues Structure Satisfactory? Bernie Barber reported that the members met and discussed the dues issue and also local dues that each club sets themselves. The final decision was that the present dues structure is satisfactory.

Item #4 - Is the Current Jurisdiction Geographical Structure Adequate? This committee was handicapped by not having a map of the jurisdictions. It was suggested that this question be more fully developed at the mid-term board meeting.

Rameses attending the Oakland Convention were (left to right) back row: Ernie Wales, Dan Brown, Jack Jacobson, Al Meier, and Dick Scott. Front row: Dick Wilson, Lyle Hoeck, Carle Hall, and Jim Jones.

Log & Tally, November 1990, Page 15

Item #5 - What Can We Do To Promote More Interest In The Hoo-Hoo Club? The committee came up with the following: Resell the basics of the value of being a Hoo-Hoo member; have businesses support their employees participating in Hoo-Hoo clubs; and Hoo-Hoo needs to be sold to businesses and industry.

Item #6 - Methods of Increasing Membership and Retention. Mr. Crosby deferred to Scribe Bill Sullivan who reported the following suggestions: hold a concat at lumbermen's conventions once a year; have meetings in other towns; solicit from lumber related businesses; and membership retention. Mr. Sullivan reported the committee also discussed reinstatements and had the following suggestions: go after retirees and drop-outs; check the non-active roster from International; and have a club reunion.

Item #7 - If the Word "Male" is Deleted, How Should We Handle Concats? This committee stated that each club is unique in background and history and the uniqueness of each club in each particular area should be kept, but tone down the concat a little so it is done in a more tasteful way.

Item #8 - Should Hoo-Hoo Have a Full Time Ambassador In Addition to the Snark? Mr. Scheffler reported the overall consensus of this discussion was that if the Deputy Supreme Nines are doing their jobs and contacting the clubs then it should be enough. There is a need to have the Snark keep his eyes on

(CONTINUED ON NEXT PAGE.)

(1990 CONVENTION REPORT
CONTINUED FROM PREVIOUS PAGE)

the reports, making sure everything is going well with that particular jurisdiction. It was suggested that the budget for the Supreme Nines be increased to include mailings, phone calls, etc.

A report on the roundtable discussion "Is The System of Voting Adequate or Fair?" is published in this issue of the *Log & Tally* on page 18.

Snark Hoeck then introduced the candidates for office. Each candidate present made a brief presentation. The meeting was adjourned for individual jurisdictional caucuses. During the evening there was a delightful cruise of San Francisco Bay with dinner and dancing.

Tuesday was set aside for golf at the Alameda Golf Course and a wine tour of the Napa Valley via bus with a luncheon served at the V Sattui winery. An excellent tour was arranged by Black Bart Hoo-Hoo Club Chairperson. Dave Jones did an outstanding job. The tours of both V Sattui and Inglenook wineries were very interesting and, of course, there was ample time for the delegates to purchase wine from the two wineries.

The Wednesday, September 12, 1990, business session began with the presentations for the Wood Promotion and the Jack Cheshire Media Award. The judging for both awards was performed by the Rameses who selected Brisbane Hoo-Hoo Club #218 as the Wood Promotion winner and Seattle Hoo-Hoo Club #34 as the Jack Cheshire Media Award winner.

LEGISLATION AND GOOD OF THE ORDER. Mr. Wilson reported that his committee was asked by the board to address the problem of voting. He said his committee recommends that the new Snark appoint a committee to address the following flaws in the voting procedure:

1. We recommend that no deadline should be imposed on the voting procedure, that the 10 days presently was causing concern.

2. We recommend that on absentee voting the votes should be sealed up to the time of the counting.

3. To have the board address the problem of the nominations from the floor. Under the present system the nominees from the floor have little or no chance of being elected.

4. The Snark and the Board has the authority to replace any Supreme Nine member. The board is asked to refine the entire voting procedure.

5. We recommend that the new Snark should appoint all standing committees by late October of the next Hoo-Hoo year.

RESOLUTIONS COMMITTEE. Jack Jacobson gave a report which is published on page 20 of this *Log & Tally*.

BUDGET COMMITTEE. Mr. Barber reported that the Budget Committee consisted of Jimmy Jones, Jack Jacobson, Brent Crosby, and Jeff Loth. He said Jeff Loth had been called away and Al Meier had taken his place on the committee. He said the committee reviewed all the proposed and projected income and projected expenses for the

Brisbane Hoo-Hoo Club #218 receives the Wood Promotion Award from Snark Lyle Hoeck, left, and Rameses Al Meier, center.

coming year. He said they were proposing a balanced budget so there is no deficit projected in the budget.

MEMBERSHIP AND RETENTION. Mr. Crosby reported that the membership committee suggested that we work toward a membership increase of 10% in the 1990-1991 year. He said there were problems in the industry with closing of lumber yards and manufacturing, etc. He said the committee agreed that retention is as important, if not more important, than gaining new members. He said to work for new quality members and take care of your kittens for at least the first year and to retain your existing membership by interesting programs, etc.

REDWOOD GROVE COMMITTEE. Mr. Jones reported that the new Highway 101 bypass was still not completed, but he understood that once it was complete, access would be given to the grove.

FOREST PRODUCTS EDUCATION. Mr. Dave Jones reported that the purpose of this committee was to encourage clubs to get more involved in the forest products industry's environmental affairs. He said the committee was made up of each Supreme Nine member, with Fred Scheffler and himself as co-chairmen. He encouraged all clubs and Supreme Nines, as well as International officers, to encourage activities that would promote the forest industry and educational activities for the clubs, members and guests.

PROJECT LEARNING TREE. Mr. Scheffler stated that Project Learning Tree is an award-winning environmental educational program designed for teachers and other educators working with students and uses the forest as a window into nature's world, helping young people gain awareness and knowledge of the world around them, as well as their place within it. He said that what Project Learning Tree was asking for was people from the industry to come in and explain industry related items and help set up workshops. Chris Goff said that a lot of the negative part of our industry is coming from teachers and going to our kids, and Project Learning Tree helped change that. Chris encouraged everyone's support.

ADVERTISING. Mr. Loth reported that he took on a challenge and told the Snark and others that the next issue of the *Log & Tally* would double the 12 ads it presently had. He said he appointed his committee which consisted of the Supreme Nine.

PUBLICITY. Mr. Olliver reported that he was working on the video tape about Hoo-Hoo. He said he was going to get someone to do the narration, and he also requested help in getting this going.

OPERATIONS MANUAL. Mr. Barber said there were obviously some changes needed in the manual pertaining to what happens at this convention. He said the by-law changes, if either were approved, would have to be included. He said he also thought the voting procedure would have to be changed, but this would have to be delayed until the procedure had been determined by the Board of Directors at the mid-year meeting. He said a decision should be made whether to mail out

the by-law changes right away, if passed, and wait on the balance, or to wait on everything and do it all at one time. He said he would be in contact with his committee to make this decision.

OSIRIAN CLOISTER. Mr. Wilson explained what the Osirian Cloister was. He then said that since Gordon Graham was no longer active, the future of the Osirian Cloister was uncertain. He said they still had some money and have asked the Board to continue with the Osirian Cloister through the 1992 convention. He said that it would continue through 1992 and then would probably fade away.

1991 CONVENTION. J-IV reported that the 99th Hoo-Hoo International Convention, 1991, would be held in Leura at the Fairmont Resort, 70 miles west of Sydney in the Blue Mountain National Park. He said the itinerary for this convention was in a packet each should have received.

1992 CONVENTION. Arlington Hotel in Hot Springs, Arkansas. Mr. Jimmy Jones had a lengthy report on the proposed budget and a method of raising the funds necessary. He feels that they can raise the necessary funds.

1993 CONVENTION. Ernie Wales had contact with Archie Brown of the Eugene Club. He called at this home to tell me, with a lot of apology, that he didn't have enough backing from the club itself, and with the new Spotted Owl deal, they have withdrawn their application. Snark Hoeck then asked if there was any club or jurisdiction that would be interested in holding the 1993 Convention. No response.

1994 CONVENTION. Jan Hermans reported that the 1994 Convention would be held in Whistler Resort located 70 miles northwest of Vancouver. He said they have not set their budget figures yet.

1995 CONVENTION. Milwaukee had no representative present.

A delegate from the floor from Club #99 asked to have the 1999 Convention in Washington, D.C.

Ernie Wales reported that Spokane Club #1 would be sponsoring the mini-convention May 31, 1991, in Coeur D'Alene, Idaho, for J-III, and that he would like everyone to come. He also said if you know you are coming and would let them know, it would be appreciated since it helps them in their plans.

At the joint luncheon, the speaker was Roy T. Brophy, Chairman of the University of California Board of Regents, who delivered a very eloquent

Convention Chariman Dan Bonnington, left, receives a plaque in recognition of the outstanding convention from Lyle Hoeck.

address on the subject of education in California, particularly the lack of education regarding the multiple use of the forest. He encouraged the members of the clubs to continue to endeavor to see that this portion of education be retained.

Following lunch, the winners of the various awards were announced. They are as follows:

WOOD PROMOTION AWARD - Brisbane Club #218.

JACK CHESHIRE MEDIA AWARD - Seattle Club #34.

(CONTINUED ON NEXT PAGE.)

Dan Bonnington, left, presents a plaque to keynote luncheon speaker, Kevin Eckery, Vice President of the Timber Association of California.

Snark Lyle Hoeck, left, and Rameses Al Meier, center, present the Jack Cheshire Media Award to Seattle Hoo-Hoo Club #34.

Dave Jones, right, receives from Snark Lyle Hoeck the trophy for the "Largest Increase in Percentage of Members" on behalf of Jurisdiction VI. Dave also received the "Walking Stick Award" and the "Gordon Doman Memorial Trophy" for the most outstanding Supreme Nine.

(1990 CONVENTION REPORT
CONTINUED FROM PREVIOUS PAGE.)

MEMBERSHIP TROPHY (TOTEM POLE) - Dave Jones, S-9 of J-VI for the largest increase in percentage of members of all jurisdictions.

GORDON DOMAN MEMORIAL TROPHY for the most outstanding Supreme Nine - Dave Jones, S-9 of J-VI.

OLD TIMER AWARD for the delegate with the lowest Hoo-Hoo number was presented to Ernie Wales, Seer of the House of Ancients.

WALKING STICK AWARD which is given to the S-9 who traveled the most miles in his jurisdiction on behalf of Hoo-Hoo was presented to Dave Jones, S-9 of J-VI.

MEMBERSHIP AWARD for the club which had achieved the greatest PERCENTAGE increase in membership was presented to Warren Biss, S-9 of J-I, on behalf of the Walt Whitman Club #171.

MEMBERSHIP AWARD for the club which had achieved the greatest

NUMERICAL increase in membership was presented to Warren Biss, S-9 of J-I, on behalf of the Walt Whitman Club #171.

Following presentation of the awards, a video presentation was made by J-IV for the 1991 convention.

Then the results of the election were read by each Supreme Nine.

Following the voting, it is recorded that the measure to delete the word "male" failed to achieve a 3/4 majority and the measure to change the vote necessary from 3/4 to 2/3 also failed to achieve the necessary votes for approval.

Brent Crosby was elected Snark of the Universe. Jeff Loth was elected International First Vice President. Dave Blasen was elected International Second Vice President. Bernie Barber, Jr., was elected International Secretary/Treasurer. Manny Litvin was elected Supreme Nine of J-II. Fred Scheffler was elected Supreme Nine of J-III. Kevin French was elected Supreme Nine of J-IV. Dave Jones was elected Supreme Nine of J-VI. Robert Creel was elected Supreme Nine of J-VIII.

Following the election of officers the new officers were installed by Seer of the House of Ancients Ernie Wales.

The business session was adjourned, and the embalming of the Snark of the Universe commenced under the chairmanship of Rameses Dick Wilson with all the other Rameses present participating in the embalming ceremony.

At the dinner dance and banquet the new Snark of the Universe was introduced, and the retiring Snark, now Rameses 82, took his place along with the other House of Ancients members.

Delegates gave a standing ovation for the outstanding job of conducting the 98th Annual Convention to the members of Hoo-Hoo Club #39, and particularly Dan Bonnington, the General Chairman.

Golf prizes were presented and drawings for the door prizes were also presented.

The dance music was exceptionally fine for those of us in the older generation.

(REPORT ON ROUND TABLE DISCUSSIONS CONTINUED FROM PREVIOUS PAGE.)

SUBJECT--MEMBERSHIP: WAYS TO INCREASE, RETENTION OF MEMBERS, AND REINSTATEMENT OF MEMBERS

The subject of the discussion for our group was membership, including a) ways to increase, b) retention of members, and c) reinstatement of members.

The group was chaired by now Snark of the Universe, Brent Crosby. Participants included: Steve Springer, Sioux Valley #118, Fred Frudd, Victoria, B.C. Club #183, Bob Creel, Hawkeye Club #193, George Reneaud, Harry Folsom Club #13, Carle Hall, Iowa Club #102, and Bill Sullivan, Coast Counties #114.

Suggestions for increasing membership in Hoo-Hoo included:

- a) have a booth at a lumber convention, building supply fair, etc.
- b) hold meetings in the adjoining towns near the local clubs headquarters, so as to accommodate other areas.
- c) use the untapped source of cabinet shops, many of which use substantial amounts of lumber supplies. Also, related industries, such as insurance companies, machinery suppliers,

trucking companies, park rangers and foresters, all of which should have some connection with the timber industry.

Some ideas for membership retention included:

a) good, interesting programs must be offered by the local clubs.

b) have a member assigned the task of seeing to it that new members return to all club meetings.

c) involvement of everyone in the club is essential, either by official duties, board of directors, or committee participation. Some members are just waiting to be asked!

Reinstatement of members is of prime importance:

a) what about those retired from the industry? That doesn't mean they have to retire from the fellowship of Hoo-Hoo.

b) what about those drop-outs? Find out why they quit. Did they lose interest or just have a conflict of time?

c) check out the non-active roster with the international office. Then follow-up by contacting those that have been determined to be non-active.

d) how about a club reunion? Invite past presidents and officers and honor them by some form of recognition. Also have an "Old Timers Night" and get those older guys to a meeting maybe by offering them a ride.

In conclusion, some great ideas were discussed, but ultimately it is our job as members to carry out these suggestions. Don't think that you will let the other guy do it. Take responsibility and do it yourself. you will undoubtedly feel richer, the club will benefit, and Hoo-Hoo ideals will be propagated throughout the universe!

Reported by Bill Sullivan #74720
Coast Counties Club #114.

REPORT ON ROUND TABLE DISCUSSION DURING OAKLAND 90

SUBJECT - IS THE SYSTEM OF VOTING ADEQUATE OR FAIR?

Panel Members: Neil Olliver S-9, JIV, Chairman; Pat Storey; Rameses Dick Wilson; Rameses Dick Campbell; Lee Roberts, and Rameses Dan Brown.

All agreed that the voting system at Oakland was fair and the best opportunity for each member and club within Hoo-Hoo to at least have a say in the running of Hoo-Hoo. We just felt the new system with proxy votes needed refining.

With absentee voting now applicable, the deadline of 10 days prior to the commencement of the International Convention should be dropped, and a

Log & Tally, November 1990, Page 18

deadline of lunchtime on the publicized voting day be used.

Voting papers should clearly state to the clubs that their delegate must vote per the club's wishes or at the delegate's discretion.

We felt that under the current system of notifying HHI exactly how a club wished to vote left a lot to be desired, and it did give an opportunity for one or two senior members to lobby delegates who had discretionary powers from their club. We felt that no one should have this power, nor should they be placed in a situation where anyone could accuse

them of doing anything wrong. To overcome this slight problem, we felt that each club vote should be in a sealed envelope, brought along by the S-9 or delegate.

This group was only a discussion committee. We would like the Resolutions Committee to discuss this subject further and make a recommendation to the current Board refining the voting procedures.

REPORT FROM THE RESOLUTION COMMITTEE AT THE 98TH ANNUAL CONVENTION IN OAKLAND

WHEREAS, Hoo-Hoo has suffered the mortality of several of our beloved members, BE IT RESOLVED that our Executive Secretary be instructed to transmit to the families of these brothers our sincere sympathy and prayers, and

WHEREAS, Snark of the Universe Lyle Hoeck has led our Order for the past year in an inspiring and motivating manner, helping us to carry on the business of Hoo-Hoo in the face of some adverse business conditions, traveling extensively throughout the land, visiting Hoo-Hoo clubs, spreading the philosophy of brotherly love, fraternalism, ad the joy of belonging to Hoo-Hoo and for these efforts, and BE IT RESOLVED that the convention delegates assembled for this 98th Annual Convention offer their thanks and appreciation to Snark Lyle Hoeck for his leadership this past year, and

WHEREAS, the officers and Supreme nine members have faithfully and efficiently performed their duties for the Hoo-Hoo year, BE IT RESOLVED that the participants assembled for the convention extend thanks and appreciation of their individual clubs to each officer and Supreme Nine member for a job well done, and

WHEREAS, our Business Manager, Beth Thomas, with the very capable assistance of her Administrative Assistant, Vicki Hughes, and the Log & Tally publisher/editor, Joyce Taylor, has done an outstanding job in carrying out the affairs of the order, compiling, editing and publishing of our Log & Tally magazine, BE IT RESOLVED that this convention and its delegates on behalf of the entire membership extend our sincere thanks to Beth, Vicki and Joyce for a job well done, and

WHEREAS, Rameses 72 James A. Jones continues to give dedicated service to Hoo-Hoo as the Chairman of the Museum Committee, and for his efforts collecting memorabilia and history of our Order for the new annex in Gurdon, BE IT RESOLVED that all members at this convention give thanks to Jimmy for his endless efforts, and

WHEREAS, the hard work, time and efforts of the Oakland Hoo-Hoo Club #39, Dan Bonnington, Chairman, the committee and all who have worked so hard to put together a convention full of hospitality, fraternity, sociability, frivolity and the necessary solemnity and dignity to make this 98th International Convention a most enjoyable event and an outstanding success for all of the delegates and their mates who have attended, BE IT RESOLVED that the delegates of this convention do hereby extend their thanks and appreciation to the convention committee, officers, members and supporters in the industry who made this such a success, and

WHEREAS, Jurisdiction IV has offered to host the 99th Annual Convention in 1991, BE IT RESOLVED that the Order's Log & Tally magazine take such steps as are necessary to publicize this convention, and

WHEREAS, Rameses 72 Jim Jones, General Chairman of the upcoming Centennial Convention for the 100 years of Hoo-Hoo International for his dedicated work and effort in planing and work that he has done and is doing to make it a memorable convention, BE IT RESOLVED that all officers and members extend their thanks for his loyal dedication to Hoo-Hoo, and

WHEREAS, our great industry has many conservationist groups who have attacked our industry for their own inter-

ests and where as these attacks are going to affect all members of this organization in the USA, Canada, Australia, and New Zealand, BE IT RESOLVED that through Project Learning Tree we can help educate our future leaders, our children, through working very closely with the teachers and the schools of our areas in the PLTC Program, and

WHEREAS, this convention has had before it a couple of controversial issues which have created mixed feelings among the members of this great fraternal order, BE IT SO RESOLVED that no matter how these issues turn out, let the members remember the Code of Ethics of our organization and unite together to further the growth and betterment of Hoo-Hoo, and

WHEREAS, Hoo-Hoo International is a fraternal organization of lumber, timber and forest products persons who are concerned about each other and all mankind in the spirit of Health, Happiness, and Long Life, BE IT RESOLVED that Hoo-Hoo International shall continue to support the efforts of the industry organizations who promote a better understanding of the forest as a reasonable renewable resource, and continually support proper management of these resources, and, we, the officers and directors of Hoo-Hoo International assembled in Oakland, California, acting in the spirit of Fraternity, Industry, and Goodwill, do hereby put our seal to these resolutions on this 12th day of September, 1990.

Respectfully submitted by
JACK JACOBSON - RAMESES #79
FRANK GRAY - SUPREME NINE, JIX

CENTENNIAL COMMITTEE MEETS IN OAKLAND

The following members of the Centennial Committee met September 9, 1990, in Oakland: General Chairman Jimmy Jones, Al Meier, Jack Jacobson, Phil Cocks, Dick Wilson, and Bernie Barber. Absent were Australian General Chairman Kevin Kelly and Arkansas Chairman Charles Cabe. Wives of the committee members also attended.

General plans and schedules were arranged. The hotel was confirmed, and the basic committees were appointed as follows: Financial - Al Meier; Historian - Phil Cocks; Entertainment - Jimmy Jones; Secretary and Transportation - Jack Jacobson; Special Equipment - Bernie Barber; Parade and Embalming - Dick Wilson; Local Chairman - Charles Cabe; and Australia - Kevin Kelly.

The attending ladies will be responsible for all decorations, costumes, and ladies' activities. Anita Cabe will chair the local activities for the ladies.

General agreement was that the Centennial Convention will be "1890 Theme" and will be dedicated to the History of

the Clubs Organization as a Club for FUN. With all the ideas emerging from the committee, it will be a packed, busy, and the most exciting of all conventions. Make your plans early for being in attendance.

Committees will be appointed by all chairmen and announced at a later date. Kevin Kelly has appointed his committee members. They are Doug Howick, Andy Blackwood, Graeme Smith, and Brian Page.

The committee will consider any idea that you have if you will send it to them. They want the very best ideas, and yours might be it. SEND THEM IN NOW to "Centennial Committee, Hoo-Hoo International, P.O. Box 118, Gurdon, AR 71743".

The Centennial Fund has received many donations. A special "thanks" to the Vancouver Hoo-Hoo Club #48 for contributing a total of \$1500.00-\$1000.00 from the club and \$500.00 from Rameses 52 Dick Scott.

IMPROVEMENTS BENEFIT HOO-HOO MUSEUM

During the past year the Hoo-Hoo Museum has been improved. This work included painting the front door, front windows, a large portion of the ceiling in the building, and some of the exterior windows; replacing broken window panes; bracing around the central unit; installing a lock on the back door; and other minor repair jobs. Recently, three ceiling fans were installed, adding to the appearance and comfort of the building. At this time, estimates are being obtained for storm windows and additional insulation in the ceiling.

It is with sadness and regret that the death of C. Louis Cabe L-53433 is reported. Louis was a member of the Hoo-Hoo Museum Committee, and his generosity and endeavors for the Hoo-

Log & Tally, November 1990, Page 22

Hoo Museum and Hoo-Hoo International will long be remembered.

Hoo-Hoo Museum's artifacts are on display at the Old State House Museum in Little Rock, Arkansas, until December of this year. There are two galleries. One gallery displays the technology of cutting timber, getting the timber out of the forest, and then the end use of the product. The second smaller gallery introduces a very unique aspect of forestry which is headquartered in Arkansas--Hoo-Hoo International. Charles Cabe is a member of the Old State House Museum Associate Board, and his effort in getting this recognition for HHI is greatly appreciated.

On September 25, 1990, the Hoo-Hoo Museum served as a site for a

seminar for small museum curators. Various sites around the state of Arkansas were selected to sponsor seminars, and HHI was honored that the Hoo-Hoo Museum was asked to participate as a preferred site.

The Museum Committee welcomes new committee members Charles Cabe and David Jones.

The museum remains in sound financial condition with \$410.36 in checking; \$10,177.88 in savings; and a \$12,000.00 certificate of deposit for total assets of \$22,588.24.

The museum continues to seek interesting artifacts regarding Hoo-Hoo or the lumber industry. Contributions are always welcome.

HOO-HOO HISTORY

The May 1992 issue of the Log & Tally will be the Centennial issue and will be much larger than usual. We want to make this a special publication, a souvenir edition, in which we want to include as much of the history of Hoo-Hoo as we can get. So much of our colorful history has been unpublished, and we believe that you, the membership, are the repository of most of it. So many of you have publications, letters, photographs, etc., of interest and historical value. We ask that you share this with us and send to our Gurdon office whatever you can that you feel will be of historical interest. We do not want your originals--a legible copy will be adequate. If you have some old photographs, we will need the original. Please clearly indicate names, places, events, etc., if available.

This is an opportunity to publish some of those items that have been tucked away in the closet for years that will bring back memories to so many of your fellow club members.

History can be last year...ten years ago...fifty years ago...it does not have to be 100 years old to be of interest. History in Hoo-Hoo for Jurisdiction IV began about 30 years ago, but they are still proud of it. Perhaps we can dig up an old photograph of a past member in his Civil War uniform. (The Civil War, or as some prefer, the War Between the States, ended just 27 years before Hoo-Hoo started.) I bet Rameses Dick Wilson looked pretty good in his Confederate uniform!

Let's hear from you!!

REDWOOD GROVE DEDICATION IN HONOR OF JIMMY JONES

Finalization of the 50th Wedding Anniversary of Jim and Betty Jones was held at Dimmick State Park, on highway 128 between Cloverdale and Fort Bragg, Saturday, September 15, 1990.

Over 150 people gathered to help them celebrate and joined in a picnic in the park. The Ukiah Hoo-Hooette Club cooked and served the food and drink. Many of the people attending the Oakland Convention stayed over to enjoy the hospitality of Jim and Betty in their home before going to the park on Saturday.

Bill McLean led the dedication program; Dick Wilson gave a toast to recently lost friends; and additions were added by all that desired.

Seer of the House of Ancients, Ernie Wales, led the celebrities of Hoo-Hoo International, which included seven Rameses, many members of local Hoo-Hoo clubs, and many other national officers, current and past.

The day was one to be remembered forever. Both the weather and people were the best of everything.

Log & Tally, November 1990, Page 23

THE JAMES A JONES GROVE was formally dedicated on September 15, 1990. Joining Jim and Betty Jones at the ceremony were a large number of friends, family, and Hoo-Hoo dignitaries.

HARRY L. FOLSOM CLUB #13. Members enjoy winning at "race Night".

HARRY L FOLSOM CLUB #13

The ever boisterous Club #13 got together at Wonderland Dog Track for our Annual "Night at the Races". This well attended evening brought us together for our first meeting of the 90-91 season. During the scheduled races, we all enjoyed a prime rib dinner with all the fixings. The winners circle seemed to be rapidly filling as the night drew to a close. Many members stayed for the final race and hopefully went home with bulging pockets.

President Mark Grimason represented Club #13 at the Annual Hoo-Hoo Convention in Oakland, California. There were many controversial issues. Mark should have much to report at our next meeting.

We are looking for Kittens to receive initiation at the December Concat. We have maintained a very strong club through any economic situation. Kittens are our only source for continuing the Harry L. Folsom tradition. Your support is much appreciated.

Upcoming events are, December 7th, the concat at the Sheraton, Boston; NRLA Convention in January; and Pin Night in February.

Health, Happiness, and Long Life,
Bob Horne Reporting

WASHINGTON CLUB #99

Club #99 held a meeting September 19, 1990. This was their annual Past Presidents' Night, as well as the traditional time for the installation of the new club officers and board of directors.

Club members Lee Roberts, Jim Quinn, and Glenn Pierce attended the annual convention in Oakland.
Sincerely and Fraternally,
Glenn Pierce #90010
Secretary-Treasurer

GRANITE STATE CLUB #107

September 8th was the date for Granite State's "Insider Out Night". This event provides an opportunity for wholesalers to display their new products and see what it's like to be among Hoo-Hoo members. The Harkensen open golf tournament was also held in September.

A joint meeting with The Harry Folsom Club #13 was held on October 1st.

BEN F. SPRINGER CLUB OF MILWAUKEE #35

June 28, 1990, the Milwaukee Hoo-Hoo Club held our Annual Early Summer Golf Outing. The weather was beautiful. The turnout was great with 40 golfers participating in the event, and an additional 15 members joining us for dinner.

The Golf Outing was held at the South Hills Country Club in Racine County, Wisconsin. Proceeds from this event, and all events sponsored by our club, continue to accumulate in our treasury in anticipation of our club's hosting the 1995 International Convention.

As with all our Hoo-Hoo events, all participants had a good time.

As always, Health, Happiness, and Long Life.

SPOKANE CLUB #16

On July 10, 1990, a "Special Concat" was held at the Dellen Wood Products Plant to induct a fourth generation into Hoo-Hoo. Kent Law Wales, son of Kris Wales, grandson of Ellen and Ernie Wales, and great-grandson of E.F. Wales, was inducted into Hoo-Hoo by a Special Concat team of Kent's bosses, Bill and David Lentes, and his father and his grandfather. In mid-August, Kent will return to Moscow, Idaho, to resume his studies at the University of Idaho. Welcome to Hoo-Hoo, Kent.

SPOKANE CLUB #16. A "Special Concat" was held at the Dellen Wood Products Plant to induct new kitten, Kent Wales. (left to right) President Dave Lentes, Ernie Wales, Bill Lentes, Kent Wales, and Kris Wales.

Stan Smith, who was elected president of our club, has decided he better pass up the presidency. Luckily for the club, former president Bill Lentes has agreed to serve another term. We certainly thank Bill for his continuous loyal and selfless service to Hoo-Hoo.

Our August 16 meeting at the Town and Country Restaurant was a members' meeting and Board of Directors' meeting. Kris Wales very effectively installed the club's new officers and directors. After the installation, Boy Scout Executive, Phil Harris, who is running for the office of County Commissioner, gave an interesting talk on his ideas and ideals and why he is seeking office.

The Forest Clinic Foundation Directors, Ernie Wales, Al Stadtmueller,

and Lorin Hearst, has awarded \$900.00 scholarships to the following: Derek Goudie, Paula Yochum, John R. Nelson, and Eric M. Hansen.

The September 20 meeting will be a tour of Idaho Forest Industries Plant at Atlas, Idaho.

CLUB NEWS

SEATTLE CLUB #34. September 18, 1990 (left to right) Mike Brown, Dave Opgenorth, Doug Mekken and Fred Scheffler show off the Jack Cheshire Media Trophy which the club was awarded at the 98th Annual Hoo-Hoo Convention in Oakland.

SEATTLE CLUB #34

The new Hoo-Hoo year started in fine style for members and guests attending our September 18th meeting. Our new meeting place on Mercer Island at the Mercerwood Shore Club was an overwhelming hit, as was the BBQ chicken and rib dinner.

We were pleased to welcome Tony Scerri and Geoff McConvill from Melbourne #217, who had lots to tell us about the upcoming 1991 convention down under. Our special guest speaker was Chip Lydum, Assistant Sports Information Director for the University of Washington.

Newly appointed Supreme Nine, Fred Scheffler, and Club President, Jordy Tolbert, reported on the International Convention just concluded in Oakland. Fred, whose new position is a result of Dave Blasen's election to International Second Vice President, was the proud bearer of the Jack Cheshire Media Award

Trophy. Seattle #34 received this award for arranging the broadcast of the film "The Continuing Forest" on TV last year. The supporting sponsor's contributions also enabled us to give more than 300 copies of the tape to Project Learning Tree, as well as fund the creation of a lesson plan for teachers showing the tape in classrooms.

Our next meeting will feature a \$250 drawdown for members that have their dues paid, a Concat, and visit from the new Snark, Brent Crosby.

TACOMA OLYMPIA CLUB #89

Well, another summer has flown by, and September starts our fall meeting schedule.

In the middle of June we had our annual auction. Lumber, plywood, doors, windows, and miscellaneous items all went on the block. When it was over we had sold everything. The money we raise helps run the club for the year. We also award two \$500 scholarships. One goes to Bates Vocational School and one to Clover Park Vocational School. They are to help students in wood working classes.

This year we held our annual Golf Tournament July 20th, at Madronna Links. The weather was beautiful. The course was perfect, and 80 or so golfers enjoyed a great day. The perpetual trophy, "The Bert Vaughan Trophy", was won by Tim Moriarty. Joe "The Hot Dog Man" Scheffler dispersed hot dogs and pop to the delight of everyone. Thanks to Don Briggs, Tom Read and Ted Vaughan for chairing this fine event.

Our board members meet the third Thursday of the month throughout the year. This is a lunch meeting, and affairs of the club are discussed, plus the next month's general membership meeting is laid out (speakers, etc.). This is very important and keeps the club on an even keel.

(CONTINUED ON NEXT PAGE.)

TACOMA-OLYMPIA CLUB #89. At right, past president, Bob Dagais, passes on the Polish chain saw to new president, Ron Malmassari.

CLUB NEWS

(CONTINUED FROM PREVIOUS PAGE.)

Our first regular fall meeting was held September 4th. This is the first Tuesday after Labor Day weekend, and it is hard to get the membership out after a three-day weekend.

We had a fine program, but only 32 turned out. Because of the International Convention the next week, we can't move the date, so we will have to live with it.

We had as our guests two state patrol officers, George McIvor and Brian Monteer. They demonstrated the machine that gives a reading when you are picked up for a DWI. Joe Scheffler was the guinea pig for the demonstration. He just managed to pass the test--walk a straight line, touch your nose, and recite the alphabet.

We are now looking forward to a great year.

--Reported by John Crawford

TACOMA-OLYMPIA CLUB #89. (left to right) Ed Balmert, Barney Wagner, and George Koenig enjoy a quiet chat.

WINEMA CLUB #216

Last month, July, was the occasion for the club's annual safari to "Iggie Ridge". Some 250 members and guests enjoyed the affair.

Approximately 75 members and guests enjoyed Ralph and Mike's open air bar at the Malin Park BBQ on August 9th. New club officers were installed. We should all take a moment to express our appreciation to the outgoing officers and board members for their contributions to a good 1989-90 year. They're a great bunch of guys and worked hard for Winema #216. Buy 'em a beer and thank 'em for a job well done.

The September 13 meeting was "Old Timers Nite". The evening started with a short tour of "Caps" collection of yesterday's "man killer" logging machinery. "Caps" collection has been contributed to by many and covers a wide range of time periods, from "oxen to McGiffords" and more recent.

FULLMER LUMBER COMPANY OPENS NEW FACILITY AND ANNOUNCES STAFF ADDITIONS

Fullmer Lumber Company of Tualatin, Oregon, is pleased to announce the opening of their new PINE INDUSTRIAL DIVISION in Prineville, Oregon. Stan Leonard, formerly with Hudspeth Pine Mills, Bend Millwork Company, and Saratoga Forest Products, has been hired to head the new Division. Stan may be reached at 503-447-5455.

Fullmer is also pleased to announce that Chuck Thompson and Michael Spurgeon have been added to their sales staff.

A graduate of Iowa State University, Chuck has 27 years of extensive experience in the industry encompassing retail sales, wholesale distribution sales, mill production sales, and remanufacturing.

Mike, a graduate of the University of Oregon, obtained his 15 years of sales experience in both the wholesale and retail marketplace.

Chuck and Mike will be concentrating their efforts developing Fullmer's pine and industrial market in addition to providing customer service in Douglas Fir clears.

Fullmer Lumber Company invites everyone to join them in welcoming both Chuck and Mike to their staff. Both men may be reached at Fullmer's Tualatin, Oregon, location at 503-692-8046 or 800-547-0984.

PERTH CLUB #240

The July general meeting featured guest speaker Terry O'Brian of the Forest Industrial Federation.

Terry gave us an update on what is happening in the timber industry in western Australia at the moment.

Particularly illuminating were his insights on the current public relations arena and what FIFWA are doing. His guidelines as to how to act and react to public matters gave cause for careful thought.

Terry's talk lead to the realization that club members generally do not have the necessary facts at their finger tips--a matter which is to be rectified. Most certainly Terry's talk struck a chord. In the ensuing club discussions, the club resolved club activities and efforts for the rest of 1990 be particularly directed towards education on industry matters.

Perth being the brick and concrete house capital of Australia, it was a delight to the timbermen of Perth Hoo-Hoo to hear August guest speaker Ted Newcomen spread his enthusiasm about the use of timber. Ted, a new face at the Forest Industries Federation WA, spoke about "Timber - Environmentally the Only Choice for Australia's Future", and he certainly lifted many members out of depression brought on by the slowest building trade figures WA has seen for years. Ted's message for timber marketing is simple -- debunk the mythology spread by your competitors. It is easy from there on.

A fine crowd of members and guests attended the September meeting in Como to hear Roger Underwood on the subject of Forestry and the Media. Significant among the many points

Mr. Underwood, the General Manager of the Department of Conservation and Land Management, made were that the facts in themselves will rarely get you anywhere in controversy covered by media, and that the professional forester, engineer or manager is not the person to handle the media. Some Hoo-Hoos who have recently been attending courses on how to handle the media came away more aware than ever of the difficulties faced by industry representatives who must face the media.

SYDNEY CLUB #216. Neil Olliver, center front, S-9, J-IV, was the visiting officer for the Sydney concat team. The Sydney Club originally sponsored the Newcastle and Woy Woy clubs, and so the concat gear in this picture travelled between the three clubs during the annual general meetings when the clubs held their concat.

JURISDICTION

VANCOUVER CLUB #48

On Sunday, July 29th, the Second Annual Evans Lake Picnic and Toolie Car Rally was jointly held between Forest Industries Ladies Club and the Vancouver Club #48. We had an excellent turnout with about 90 participants on a scorcher of a day. Everybody worked up a thirst during a grueling grind of a rally, with adults and children alike crawling all over the Squamish Highway sleuthing for clues. When everybody FINALLY arrived at Evans Lake, they were rewarded with a cool

dip in the lake. This was followed by canoe races and more swimming and finally a great picnic. First place vehicle was driven by past-president Roy Anderson, who claimed to be really clued-in. We reserve judgement until all the drug tests are in! Many thanks to organizers -- Jan Wislow, Dana Lowry-Trytko, Dave Campbell, Jan Hermans, and Jim Probyn.

Upcoming events include AGM/Concat, September 27th, and Ladies' Night, October 20th. The hugely popular joint F.I.L./Club #48 Pre-Xmas Bash is scheduled for November 16th. More about that in the next issue.

Health, Happiness, and Long Life.
Jack McLeod

TORONTO CLUB #53

September 3, 1990, was the date for the Annual Hoo-Hoo Golf Tournament. The group of players this year was smaller than last year. Several events lead to the smaller turnout. The Golf Committee of Ernie Warnica and Guy Pyselman made arrangements for our day at Nobleton Lakes, and all who attended were treated to a fine day of golf - it didn't rain - and fellowship.

October 22nd is the date set for "Old Timers Night". Preparations for the evening are being made at this time.

The club will be treated to a showing of the film "Whose Looking After My Forest?"

We are reducing the number of meeting we hold each year, and by doing so we hope to make a strong effort to provide something worthwhile to encourage you as members to make an extra effort to attend the meetings.

COWICHAN VALLEY CLUB #229

Once again, our Annual Woodworking Contest was highly successful and much appreciated by the local junior and senior high schools participating. The overall trophy for Wood Promotion this year went to George Bonner Junior Secondary. Hoo-Hoo Club member Bob Irvine was pleased to participate in the presentation of the trophies. Fellow students Tim Alford and Melanie Reineeke tied for first place, followed by Doug Dame, second, and Bruce Taggart, third.

Our Annual Picnic is very popular and one of the highlights of the year. Once again fellow Hoo-Hoo members and invited guests gathered at the B.C.

COWICHAN VALLEY CLUB #229. Left, Lyall Crawford receives the trophy for low gross from Snark Lance Hawthornthwaite at our Annual Golf Tournament in May.

Forest Museum on the 16th of August to enjoy good food, good drink, and good fellowship. Don King, a past officer of the Supreme Nine, has just moved to our district and was a guest. A special thanks to Wayne Lamontagne and Al Bayes for cooking and Bob Irving for tending bar.

We had to cancel our baseball tournament this year due to conflicting dates with most of the members schedules, but we'll try to get something going next year.

LOS ANGELES CLUB #2

Los Angeles Hoo-Hoo Club #2 announced the new club officers and board members after their golf outing at the Costa Mesa Country Club Friday, September 14th.

Doug Willis, Product Sales (himself a past president), will be again taking the reins as the club president for the coming year. Assisting Doug as club officers will be: first vice president - Bob Golding, Golding-Sullivan Lumber Sales; second vice president - Richard Miller, Fremont Forest Products; golf chairman - Steve Shudoma, Capital Lumber Co., Chino; publicity chairman - Dennis Richardson, Oregon-Canadian Forest Products of CA.; secretary/treasurer - Rod Kautz (current past president),

South Bay Forest Products; CHOC Hospital Drive Chairman - Dave Bufo', Mesa Forest Products; board members - Joe McGuire, Mesa Forest Products; Mike Garrety, Barr Lumber Company; Louie Escabedo, Chosin Trucking.

The day's golf event was a two man best ball scramble with 32 golfers. Taking top honors was the team of Louis

Escabedo and Tony Naraho. Mac MacNalley pulled in the closest to the pin prize, which he donated to the Children's Hospital of Orange County (CHOC) Fund Raising Drive.

As the result of the combined generosity of the lumbermen, the Children's Hospital of Orange County (CHOC) Fund Raising Drive was another \$485 closer to its 1990 goal of \$5,000.

LOS ANGELES CLUB #2. Frank Rhodes, Jim McFadden, Doug Willis, and Frank McClean at the club's annual golf outing.

SAN DIEGO CLUB #3

September was a busy month for the San Diego Club.

On Labor Day approximately thirty members and guests attended the First Annual "Day at the Races" at the Del Mar Race Track. Everybody said they won big dollars on the ponies. The reserved infield seating was right on the turf inside rail and was the place to be.

Then the following Saturday, the 38th Annual Hoo-Hoo Golf Tournament was a big success. There were several prizes, but the top trophy winner was Frank Velez, Jr., of Rygel Lumber Sales, which will be awarded at the December 6th Concat.

CLUB NEWS

LOS ANGELES CLUB #2. Dave Bufo', Mike Nicholson, and Jack Berutich at the club's annual golf outing.

SAN JOAQUIN VALLEY CLUB #31

On July 27, 1990, Club #31 elected the following officers and directors for the year 1990-1991: president, Dan Sweeney; first vice president, Mike Riley; second vice president, Jay DeCou; secretary/treasurer, Bernie Barber, Jr.; sergeant at arms, Don Oldenkamp; vicegerent snark, Bill Barr; board members, John Amos, Bill Barr, Steve Calverley, John de la Montanya, Tom Griesbach, Jack Holt, and Richard Rouch; and ex officio board member, Wally Kennedy.

On October 19, 1990, Club #31 will sponsor a tour of Sequoia Forest Industries' logging operations in the Sequoia National Forest. After the tour, the bus will continue to the sawmill in Dinuba where we will see the sawmill's cogeneration plant (by-products that are recovered) and planing mill, etc.

WHOLESALE FOREST PRODUCTS

Jim Gillies Lumber Co., Inc.
Yarmouth Road, Gray, Maine 04039

Log & Tally, November 1990, Page 36

After the tour, there will be an outstanding program presented by Lou Blaser, Timber Land Manager of Simpson Timber Company, and Mark Pawlicki of Sequoia Forest Industry. They will be discussing the initiatives involving the lumber industry on the November ballot, as well as other environmental issues the lumber industry will be facing in the future.

PHOENIX CLUB #72

October 16th is the date for Club #72's next golf outing. The day will feature prizes for closest to the pin, low gross and low net. There will also be a team event. Dinner will be served for those who wish to stay.

COAST COUNTIES CLUB #114

Since our June 8th Golf Tournament, CCHH #114 has basically been on hiatus. However, on July 19th an officers and board of directors meeting was held at the Pub Restaurant in Salinas. Various topics were discussed, including upcoming activities, club dues, sponsor requests, the 98th Hoo-Hoo convention, and our participation in the convention.

It was decided that the club would sponsor a golf hole at the convention tournament along with its hospitality room sponsorship. And, to help make this convention unforgettable, we decided to purchase 25 cases of artichoke hearts to be included in the registration packet at the convention. Artichokes seemed fitting as a gift coming from the central coast area. Stickers were affixed to the bottles indicating their source and the "chokes" were then shipped to Oakland to be enjoyed by many. Along with the gift went Sam Tarantino and Bill Sullivan as club reps. Also in attendance at the Icebreaker was Bob Davids from CCHH #114.

The vote was taken and Bill Sullivan was chosen as the CCHH #114 lone delegate with instructions on how to vote on the issues at hand.

The board meeting also included a report on our 1989-1990 activities and finances. The roll call of members was read, the sponsors list read and various aspects of our finances were discussed. The 10 members toasted to the meeting's success.

Activities coming up include September 27th Industry Night. Our guest speaker will be Maryn Derdivanis, a former Assistant Director of Forestry for the State of California. Utmost in everyone's mind is proposition 138, the New Forestry initiative. October 6th brings us our Second Annual Sporting Clay Tournament, an event that is becoming state-wide by evidence of the attendees. This popular and highly successful event from last year will surely prove that good things keep happening. Thanks must go to Brian Pierce for his hard work, skill and leadership in bringing this popular event to Hoo-Hoo. November 8th brings us Sports Night in Santa Cruz. This event is co-chaired by Don Willard and Mike Franchesci.

LOS ANGELES CLUB #2. Dave Bufo' and Rod Kautz count the money the club raised to benefit the Children's Hospital of Orange County. Their goal is to raise \$5,000.

Special thanks must go to Dave Jones for his support and guidance since our inception. Without him, our generous sponsors and a smiling Jimmy Jones,

Coast Counties Hoo-Hoo Club #114 would have been tough to pull off! Health, Happiness, and Long Life Respectfully submitted by Bill Sullivan #74720

SAN DIEGO CLUB #3. At left, members and guests enjoy a "Day at the Races" at beautiful Del Mar Race Track.

The first general meeting under the new administration was held on September 18, 1990. A cookout was hosted by Waimanu Sash & Door. A delicious dinner of steak, corn on the cob, rice, salad and refreshments were enjoyed by all. Salad was furnished by Winston Konishi. There were 21 in attendance, including guests, Hamilton Ahlo, Maui Club, and Rameses 80 Dick Campbell.

We were honored to have Rameses 80 Dick Campbell install our newly elected officers and directors. At the end of the ceremony, outgoing president Jim Lovell L59383 turned the gavel over to new president Nagao Yamada L71192, who conducted the business meeting.

President Yamada reported on the Oakland convention and the items discussed at the directors meeting. Dick Campbell gave a report on the next convention to be held in Australia and distributed literature concerning the convention. A songfest led by Dick Campbell with his ukulele, and joined by all, concluded a great meeting and a good time.

-Jim Lovell L59383

BLACK BART CLUB #181

RESOLUTION TO BAN ANTI-SOCIAL BEHAVIOR WITHIN BLACK BART #181

I would like to take this occasion to discuss deviate social behavior within our club.

The shameful incident that I am referring to is our Annual Golf Tournament in Ukiah. Being the gentleman that I am, I would never divulge the names of the individuals involved in this unfortunate display of sociopathic, sick and base behavior, because these individuals may have had the chance to reflect on their behavior and had the decency to make amends or to check into the nearest psychiatric ward for treatment.

Dave Dahlen...are you paying attention to this?????

It seems that the first foursome to start (now referred to as the "Fulsome Foursome") were not golfers or even semi-athletes, but perverts that sought to discredit the gentlemanly game of golf and to bring shame on Hoo-Hoodom!!

The "Fulsome Foursome" was observed by the following threesome as making damn fools of themselves by trying to imitate legitimate golfers. It just so happens that the threesome were all excellent athletes and wonderful golfers, and I am sure that the "Fulsome Foursome" was aware of this fact. It must have been a jealous reaction by the "Fulsome Foursome" that prompted them all to "moon" the following threesome. I would like to point out this action was done in perfect unison, which was the only instance that the "Fulsome Foursome" ever acted as a team!!!

The threesome that witnessed this obscene display were shocked and dismayed that so-called human beings would display themselves in so crude of a manner. But, after discussing the occurrence, all three did concur that the posteriors of the "Fulsome Foursome" were better looking than their faces!!!

Shocking incidences such as the following must not be allowed to happen again!!! I think there should be a full discussion of the transgressions of the "Fulsome Foursome" and vigorous steps taken to curb this anti-social behavior within our organization.

It is interesting to note that one of the members of the "Fulsome Foursome" will become a president of Black Bart #181...With this type of mentality, what type of programs will this mentally twisted individual force upon our organization???

CLUB NEWS

MAUI CLUB #270

Maui Club #270 was well represented at the International Convention. We had three members and two wives in attendance. It was good to exchange ideas with others, meet new friends in the Fraternal Order of Hoo-Hoo, and have a good time with all.

At our September meeting, we were treated to a preview of the 99th Hoo-Hoo International Convention to be held at Leura in the Blue Mountains west of Sydney. Dick Campbell, the "Rameses from Down Under" made a brief presentation outlining plans already firmed up for the HHI meeting. So far, we have some very interested members of our club who say that they are going.

Our four "Alley Cats" were among the first to pay their \$19.99 dues. Jeff Loth and Tom Donohue paid their dues to the club at the HHI Convention. Bob Frost and Dick Campbell paid at our September meeting. How's about the rest of us?

MAUI CLUB #270. Maui Club #270 recently celebrated its birthday. While Rameses 80 Dick Campbell sang Happy Birthday to the Club, Dave Ackerman, center, cut the cake, assisted by Norman Lum, Deputy S-9, J-VI.

ARKANSAS RIVER VALLEY CLUB #26 REACTIVATED IN JULY 1990

Snark of the Universe, Lyle Hoeck, and Supreme Nine, Chris Goff, were on hand when Arkansas River Valley Hoo-Hoo Club #26 was reactivated. The program took place at the Ramada Inn in North Little Rock, Arkansas. Lyle and Chris are shown with some of the kittens who were concated.

THE YOUNGEST AND SMALLEST ARKANSAS "KITTEN"

HOUSTON DILLARD WELLS was concated at Baptist Medical Center, Little Rock, Arkansas, August 5, 1990. He weighed 5 lbs. 12 oz. Present at his concatenation was his grandmother, Beth Thomas, Hoo-Hoo International Manager. This is Beth's first grandchild. CONGRATULATIONS, GRANDMA!!!

KANSAS' LARGEST NEWSPAPER HONORS MOTHER OF RAMESES 70 LAURN CHAMP

The following editorial tribute appeared in the September 21, 1990, issue of The Wichita Eagle:

LEGEND - At 94, Margaret Champ celebrates a lifetime of raising level of politics

When the granddame of Kansas politics takes a bow at her birthday celebration today, Kansas on both sides of the political fence will be cheering. Margaret Champ, 94, founder of the West Side Democrats and adviser and helpmate to Democratic candidates across the state, has done more to influence politics for good than perhaps any other living Kansan. Along the way, she has raised seven children, and given her time and money to countless political and community projects.

U.S. District Judge Frank This once called her the "field general of the Democratic Party," when he was national Democratic committeeman for Kansas and she was Sedgwick County Democratic chairman. The description was apt.

Every year for the past 25 years, Mrs. Champ's German sausage supper at Schulte has kicked off the election season for Sedgwick County Democrats. The proceeds go to the West Side Democrats, who then disperse the funds as needed across Kansas. Mrs. Champ still sells many or most of the tickets herself. It's not without reason she also is called "Mrs. Democrat" in Kansas.

Her surviving children, Grant, Laurn, and Laurie, recall she always insisted they go to church, and wouldn't let them read the Sunday paper until they had gone to early services. "The first hour belongs to the Lord," she would say.

Now God has blessed her with 94 years of fruitful living, and, by extension, he has blessed Kansas as well. Today many of those Kansans will gather to give thanks, at a covered-dish dinner at 6:30 p.m. at the Machinists Union Hall, 3830 S. Meridian.

Even those who can't be there in person will be there in spirit, hailing the many contributions and achievements of a life richly lived. Happy birthday, Gen. Champ!

CLUB NEWS

WICHITA CLUB #173

Our August meeting was a "Summer Picnic" at the Star Lumber Recreation Building (even "The Hartmans" found it). The club furnished meat, beans, sauce, and bread. Our "Ladies" furnished salads, cake, cookies, fruit, etc. Total attendance was 41. Everyone had a good time enjoying good food, bingo and visiting with friends. We want to say a BIG THANKS to Star Lumber Company for the use of their recreation building. We also want to thank all you wonderful ladies for the time you spent preparing all those delicious foods.

Hoo-Hoo Members. Remember the night of your Concat and welcome that you received upon entering Hoo-Hoo? We have some new kittens to welcome into our great organization at our meeting September 17. So let's have a big turnout and give these kittens the PURRFECT Hoo-Hoo welcome!!!

ATLANTA-DICK WILSON CLUB #1

ATLANTA: The Atlanta Journal, June 30, 1965, front page headlines read "NFL Awards Atlanta '66 Berth, Rakin Smith Gets Franchise." That was 25 years ago. From the September 11, 1966, season opener with number one draft choices Tommy Nobis and Randy Johnson, the Atlanta Falcons team and the Atlanta Falcon's fans have had some kind of love affair. There have been seasons of excitement and seasons of disappointment.

Atlanta Falcon Jeff Morrow spoke about the Falcons first 25 years at the September meeting of the Atlanta-Dick Wilson Club #1. Mr. Morrow recapped some of the special seasons. This season has been interesting thus far in that the Falcons are undefeated in preseason. For the second time in 25 years there has been a change in the Falcon uniform. This season, the Falcons are wearing black helmets and black game jerseys. There is a new head coach, Jerry Glanville, who has a reputation for making things happen. The meeting ended with Mr. Morrow answering questions.

ATLANTA-DICK WILSON CLUB #1. Gary Harris, left, receives from Robert DeNeefe, president of the club, an Atlanta Falcon cheerleaders' poster. Mr. Harris won the poster by buying a chance on the Atlanta Wheel of Fortune. Half of the money collected from the Wheel of Fortune goes to the scholarship program of the Atlanta Club.

ATLANTA-DICK WILSON CLUB #1. Mark Barbour, left, presents a tree round to Atlanta Falcon Jeff Morrow. The inscription reads "The Atlanta-Dick Wilson Hoo-Hoo Club #1 supports the Atlanta Falcons", and the tree round will be placed in the Falcons' office. The Falcons' organization has been helpful in providing guest speakers to the Atlanta Club.

BILL ELDRIDGE, PAST PRESIDENT OF CLUB #52, 1988-89.

OBITUARIES

HOO-HOO MOURNS THE PASSING OF MANY DEAR, SPECIAL BROTHERS AND FRIENDS

C. LOUIS CABE L-53433

Hoo-Hoo has lost one of its strongest supporters with the passing of Louis Cabe on August 8, 1990. To those in Hoo-Hoo who knew him personally, Louis Cabe was "Mr. Hoo-Hoo". The list of his efforts in support of Hoo-Hoo is long, but probably the most obvious and the most impressive effort was his work helping to acquire the building which today houses Hoo-Hoo International and the Hoo-Hoo Museum. Without Louis Cabe's help, both financially and civically, the project could not have been completed as quickly and as successfully as it was. Coming from a family with large timber holdings and successful pine and hardwood lumber mills in Gurdon and Beirne, Louis Cabe was nurtured in the rich heritage of the southern timber industry, and he understood what it meant to be a lumberman and a proud member of Hoo-Hoo. Whenever there was an occasion for Hoo-Hoo people to gather in Gurdon, the doors of Louis Cabe's home were thrown open to welcome them warmly. He epitomized the Hoo-Hoo spirit of fraternity. Louis Cabe is survived by his lovely wife, Mary Charlotte; a daughter, Marianne; a son, Charles; five grandchildren; and Hoo-Hoo friends around the world.

JOHN HARDEN BREEDLOVE #83175 died recently following an illness. John worked for Payless and West Cash and Carry. A memorial scholarship fund has been set up at his alma mater, The Citadel College, located in Charleston, South Carolina.

RAY DICKINSON #70118, 83, a resident of Olympia since 1940, died May 29, 1990, in St. Peter Hospital, Olympia. Mr. Dickinson owned and operated A-1 Millwork in Olympia from 1958 to 1974 when he passed the business to his son, Don, and continued working there for several years. He was a member of Tacoma-Olympia Hoo-Hoo Club #89. He is survived by two daughters, Donna Rae Wagner and Loretta J. Beach; a son, Don; three sisters, eight grandchildren and four great-grandchildren.

Log & Tally, November 1990, Page 46

R. ROSS HUNNICUTT L-56006, died August 10, 1990, in a local hospital. He was born March 25, 1920, in Coleman, Oklahoma, and grew up in Durant, Oklahoma. He served in the Pacific as Staff Sergeant in the 77th Infantry Division in World War II and received the Purple Heart award. He was a long time resident of Houston and was associated with the building material industry with his own company, Hunnicutt Sales. He was a life member of Hoo-Hoo International, serving in several capacities, including the office of president of the local chapter. He is survived by his wife, Elizabeth; a daughter, Lucinda McGee; a grandson; three brothers; and numerous beloved nieces and nephews in Oklahoma and Texas.

TRIBUTE

R. ROSS HUNNICUTT

He loved all people, and his friends were in every walk of life, and he never seemed aware of any differences. He had a charisma that attracted people to him because they could sense his openness. He was never slow in reaching out to a stranger in friendship. Although he had a few suspicious rejections, he also made many wonderful friends. He was not pretentious; what you saw was what he was. He never covered up his warts or weaknesses, but you loved him in spite of them. He made things happen and was fun to be around. A family member remarked, "Heaven will never be the same when he gets there." He was not much for formal religion, but he had a firm faith in God and often talked to Him in his own way. Certainly, in his last few months he drew strength from a higher Source, because he complained very little of the pain he suffered and never whined or bemoaned his lot for having this illness. His main complaint and regret was the burden he felt he placed on his family.

WILLIAM E. "BARNEY" IRWIN #50408, 85, of Mesa, AZ, died March 26, 1990. He was born in Heppner, Oregon, and moved to Arizona in 1963. He was employed as a manager of a lumber company. He is survived by his wife, Leola, and sister, Elizabeth Coshow. The family suggests that memorials be sent to the American Heart Foundation, P.O. Box 7038, Phoenix, AZ 85011.

AMOS E. JOHNSON #95273 died July 9, 1990. He was born in Potter Place, N.H., January 26, 1916. In 1934 he joined his father at R.P. Johnson & Son, Inc., known for many years for quality building materials, hardware and gardening supplies. He owned the business from 1934 until the present. The entire family worked in the business for the past several years. Amos was active in many church, school, and civic organiza-

tions as well as being an active trumpeter in community bands and orchestras. He enjoyed golf. In 1985, the Blackwater Grange of Andover presented him with the recognition and award as Andover Citizen of the Year. He is survived by his wife, Lorna; his daughter, Ellen; his two sons, Stephen and Bryan; and four grandchildren.

OTTO M. NACHLAS #61814 died July 10, 1990. He was a member of Houston Hoo-Hoo Club #23. He was born August 10, 1919, in Houston, Texas. He represented many prominent lines of forest products through the years. Otto was active in this business until the latter part of 1988 when he retired because of health reasons. He is survived by his wife, Diane.

DONALD B. RAY #45249 passed away May 11, 1990. For fifty years he had been a wholesale lumberman with Braun, Ray Brothers, and Finley of Omaha, Nebraska.

ROY CLAY SELL, JR. #76595 died August 26, 1990. He was born in Lubbock, Texas, July 15, 1924. He joined the Navy in 1942 as an aviation cadet, and after receiving his wings he was attached to the torpedo squadron aboard the U.S.S. Bennington. He became a flight instructor at Corpus Christi, Texas, after World War II. Roy left the Navy in 1951 and was awarded three air medals and the Navy Cross.

He joined the lumber industry in 1952 with Brown & Graves Lumber Company of Akron, Ohio. He moved to Florida in 1957. He became manager of operations and later vice president of Robbins Manufacturing. Roy was an active Hoo-Hoo member and served a term as president of Orlando Hoo-Hoo Club #115. He is survived by his wife, Marietta; daughter, Ruth; three grandchildren; and a legion of friends.

RICHARD "DICK" J. TIERNEY #68144 died in Omaha in September. Until his retirement Dick managed a lumber yard for Ed Hines Lumber Company of Council Bluffs, Iowa. He is survived by his wife, Nadine, and two children.

EDWARD N. WILLIAMS #68008, 65, president of the Seattle Club #34 died on April 21, 1990. He is survived by his wife, Jane; sons, Mark and Gary; three sisters; one brother; and three grandchildren. Williams had been a lumber trader and Hoo-Hoo member for many years, and was Seattle Club Man of the Year in 1989. His cheerful dedication and hard work will be missed. The family requests that remembrances be made to the Seattle Club Scholarship Fund.
