*A good year for Hoo-Hoo*

The end of the year is drawing close and the Board of JIV would like to wish you and your family a Merry Christmas and a Happy and Prosperous 2017.

The HHI board and JIV have been progressing with the new website and expect it to be up and running early in the New Year. Keep a look out for our updates and when and how to log in and claim your account.

In the last week of October I attended, with Rameses 101 Ron, the forest festival in Gurdon Arkansas to attend not only the festival but for a very important occasion the induction ceremony of Rameses 63 Dave Marteny as the Seer of the House of Ancients. If you know your history of Hoo-Hoo this is one of the most historical events one can attend. It was carried out at sundown at the monument next to the train station in Gurdon where it all began all those years ago.

Please send Trish or myself details of your meetings during 2017 so that they can be included in each edition of Nine Lives. I would like to start my visitations early in the New Year so it would be appreciated if all clubs could advise Trish or myself the date of their first meeting so that I can plan my schedule.

The **2017 JIV Convention - The Cats Prowl Hobart Town** - will be hosted by JIV from 5<sup>th</sup> - 7<sup>th</sup> May. Some discussions have been had to organize an industry tour and/or group trip to Port Arthur. Further details will be available early in the new year and any addition to the schedule will be optional and at an additional cost.

We promise that The Cats Prowl Hobart Town Convention will be enjoyable with a very inventive program planned. While the main part of the convention is only short we encourage all members to stay a few days before or after the convention, while it will be a little cool, cats have warm coats!

Please book early, particularly your accommodation. It will be very busy in Hobart with us and the Lions 100<sup>th</sup> anniversary convention being held at the same time. Rooms have been set aside at the RACV Club - full details can be found on the registration form below.

### **A message from the Snark of the Universe - Robyn Roose Beckett**

**My theme as Snark of the Universe is to "BE A SPARK!"**

While the Marines advertise all they need are "a few good men", I am stating all Hoo-Hoo needs is "a few good Sparks"! As a Spark, your job is to "INVITE", "IGNITE" and "INSPIRE"!!!

- INVITE those you meet in the forest products industry (and those who support the forest products industry) to attend your Club's events.
- IGNITE the value of Hoo-Hoo in the hearts of those guests attending, and share how they too can become a member.
- INSPIRE them with your personal Hoo-Hoo story! When you reach out personally to a non-member and tell them why you became a member, it is amazing to watch the light bulb come on INSIDE of them.

All of a sudden...You have helped to create another "Spark" who will continue to "INVITE", "IGNITE" and "INSPIRE" those they meet to become Hoo-Hoo's.

Health Happiness and Long Life!  
Be A Spark!

I wish you all Health Happiness and Long Life
